## Young Texan Quite A Hero In Korea: Sets New Record

FIFTH AIR FORCE, Korea —(P)— Twelve Communist planes shot down in just 16 days — that's the astonishing record chalked up by America's hottest jet ace, Maj. George A. Davis, Jr. of Lubbock, Tex.

Davis bagged four Communist MIGs today in two slashing air battles over North Korea. That boosted his MIG kill to nine, three more than Maj. James A. Jabara shot down to set the previous record before he returned to the U. S. last spring. Davis also has bagged three Red TU-2 bombers, probably destroyed one MIG and damaged one TU-2 and one MIG.

All told, American Jet pilots knocked down 13 Red Jets, probably destroyed two and damaged one — the biggest all-Jet victory in history.

Davis was calm and unexcited after today's historic battles. "Yeah, I went up twice today," he said. "This morning's flight is a little bit old now. We were just north of the Sinsan river when we saw a flight of about 30 MIGs."

"I just led my 12 planes into the middle of them. I got one right away. After a couple of bursts he went into a spin and bailed out. We fought awhile until we got low on fuel. My wing man and I. One MIG came in firing at us from 8 o'clock. We broke and made three or four turns. When I was just about to get behind him to fire, he broke off and went into a long dive. Then he pulled up into a loop. I was about 600 feet behind him and we both were over our backs and I gave him a good burst. He started smoking and burning and went down. This pilot didn't get out. He was flying a Red MIG. Theodore S. Coberly, 625 13th Ave., Seattle, bagged his first two MIGs this afternoon."

"I was leading Maj. Davis' element," he said, "and as I maneuvered in behind a squadron of MIGs, I was about 100 feet from them. I took up a position on the left side of them. As Davis closed in within 600 feet I opened up on one of the 10, and after a two second burst it exploded and what was left went into a dive."

"I then moved in to about 600 feet on one of the leaders and gave him a long burst. His airplane began to burn and peel off into a spin and the pilot bailed out."

Coberly said it was all over in about 20 seconds.

Davis' record of 12 planes in 16 days is all the more unusual because on each of his victory days he has bagged at least two Red planes.

On Nov. 28 he knocked down his first two MIGs. Two days

## Christmas Program At Irish School

SHAMROCK — (Special) — Shamrock grade schools present "Christmas Around the World" at the Clark auditorium Thursday night, Dec. 20, under the direction of Mrs. Geraldine Howard, music instructor for grades. Concerning Christmas customs of various foreign countries, the musical play is written by May Brewster and Ruth Dale. Cast of characters includes: Louise — Nona Pendleton; Mable — Ann Harvey; Jane — Chermayna Thadde; Joe — Kenneth O'Gorman; Fred — James Kenneth Roscoe; John — Thomas Mason; and Mrs. Allen — Mary Jennings.

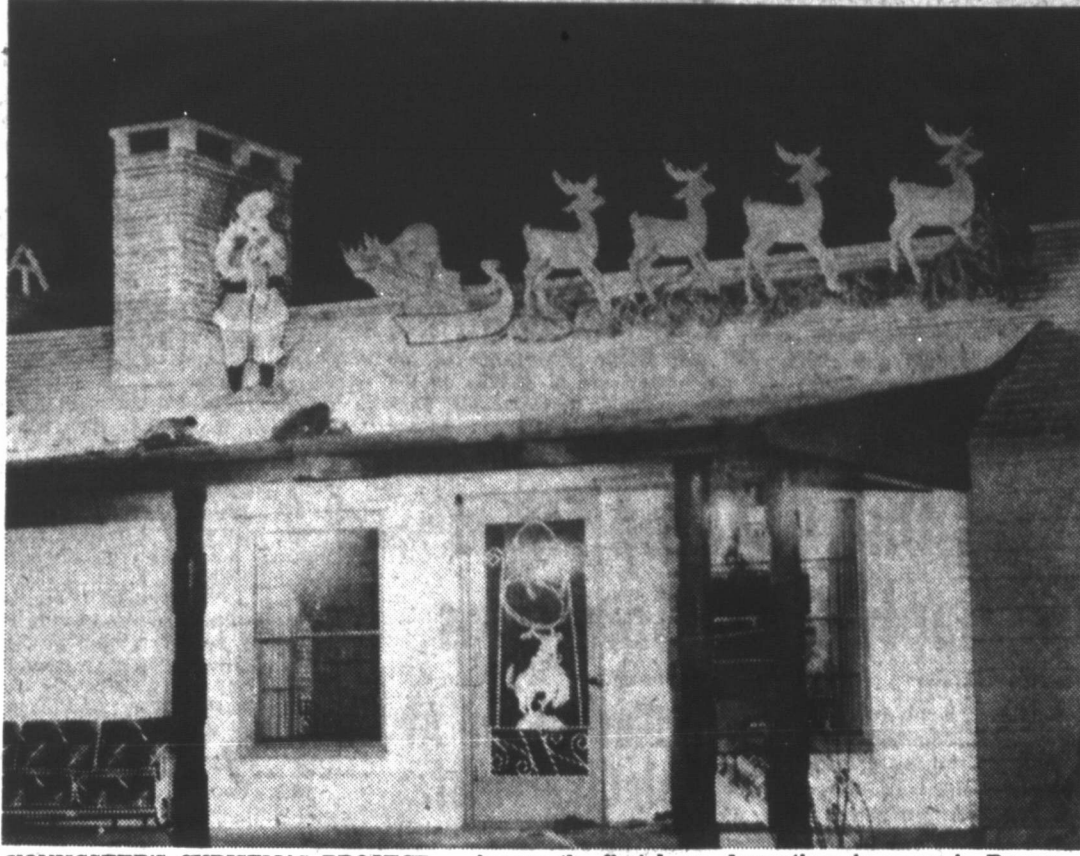

Prior to the musical play, kindergarten children from South Ward school, directed by Mrs. Mary Bledsoe, instructor, will conduct a drill, "Santa's Little Helpers."

Robert Reeves' high school chorus will conclude the program with the singing of various of the Christmas carol favorites.

Mrs. Howard said the program would require about an hour and a half.

All grade school teachers will have children in the program and are assisting Mrs. Howard with the production.

On Nov. 28 he knocked down his first two MIGs. Two days

YOUNGSTER'S CHRISTMAS PROJECT — Among the first home decorations to go up in Pampa is one by 15-year-old Butch Reynolds, son of Mr. and Mrs. Wiley Reynolds, 1132 Charles. Butch carved the three reindeer, sleigh and jolly Santa with a pocket knife. A student of Mrs. Roy Riley, art teacher, Butch said it took him about 10 days to complete the class project. He mounted it on top of his home yesterday. He is in the 8th grade. (News Photo)

## Typhoon Takes Heavy Toll In Philippines

MANILA — (P) — The death toll from a typhoon which swept across the central Philippines Monday rose to 569 as the same storm doubled back today to strike the islands again.

The weather bureau forecast the center of the storm would strike Friday on the west coast of Luzon Island about 100 miles north of Manila. Torrential rains drenched Manila today.

A second typhoon, coming in from the east, veered so much from the weather bureau said it probably would just graze the east coast of Luzon.

This afternoon the center of the typhoon was 200 miles southwest of Manila. The second storm was 500 miles due east of the city.

Both are swinging well north of Leyte Island, which suffered the heaviest blow from the 130 mile winds Monday.

The first typhoon caused 457 people were killed on the island by the storm and by landslides. Torrents of muddy earth cascaded over coastal villages at the height of the storm.

The struck with such a roar that earthquakes were reported. Seismologists said there were no quakes, but the slides themselves might have caused local tremors.

Belated reports to the Red Cross listed 27 dead on Samar Island. Previously no deaths had been reported from there.

Other revised death tolls by islands were Negros 52, Cebu 29, Panay 4.

## Cub Leaders Slate Final Session Of Training Course

Final session of the cub leaders training course will be held at 7:28 p.m. today in city hall.

One group, studying pack administration, will meet in the chamber of commerce office. The other, studying den meetings, den relationships and den meeting place, will hold its session in the city commission room.

The latter course will be headed by Mrs. Harry McWaters. The first is to be handled by Phil Pegues, district executive.

First session was held Dec. 6. The course has been condensed from a 12-hour course, according to Dudley Steele, Cub leader training chairman of the Santa Fe district.

Don Ormon and Myles Morgan are assisting. Approximately 60 persons from Canadian, Panhandle, Pampa, LeFors, Hopkins and Miami are expected tonight.

## So Everything Came Out O. K.

WASHINGTON — (P) — Press photographers chided the grey, sharp-faced man as they waited for a plane load of high-ranking government officials.

"We're missing the Exzard Charles — Joe's Maxim fight broadcast," the photographers said.

The man adjusted his spectacles, looked at his watch and grinned: "I'm missing Margaret's broadcast."

Then President Truman went to greet the officials, Secretary of State Acheson and Treasury Secretary Snyder, who came home from European conferences last night.

The photographers got their pictures. Charles won the heavyweight fight and Miss Truman gave another of her soprano performances.

## Park Nativity Scenes To Be Unveiled Friday

Beginning shortly after 7 p. m. Friday, Pampa's Nativity display in Central park will be brilliantly lighted scene-by-scene to the accompaniment of Christmas carols and narration by Dr. Douglas Nelson, pastor of the First Presbyterian church.

Community singing will be led by the combined choirs of Pampa churches whose members have been urged by the Ministerial Alliance to attend the ceremonies. Choirs and community singers will be accompanied by Weldon Bright, playing an electric organ.

Sponsored by the ministerial group, the program will start at 7 p.m. with an organ prelude by Bright followed by the program introduction by Rev. Henry Tyler, president of the alliance, who will preside over the ceremonies. Roy Johnson, First Methodist church educational director, will lead singing.

First scene to be lit and narrated will be "Annunciation to Mary" followed by "No Room in the Inn." Then the story of the Great Miracle will start with the angels appearing to the shepherds, the visit of the three wise men, and their stop at King Herod's court. The flight into Egypt will follow with the stable Nativity scene being the last to be lighted.

The program will be concluded with the carol "Joy To The World."

Merchants activities committee of the local chamber of commerce has recommended that stores be open from 9 a. m. to 8 p. m. from Dec. 15 to 22.

Stores will close at the usual time, 5:30 p. m., Dec. 24. Chairman of the committee is Ed Myatt, aided by Irving Schwartz.

## Neslage Is Named Commissioner For Boy Scout District

Fred Neslage of Pampa has been commissioned Santa Fe Boy Scout district commissioner by executive board of the Adobe Walls council.

His duties as district commissioner will begin Jan. 1. He expects to recruit a staff of seven in Pampa and six more from this area.

Neslage met yesterday afternoon with Phil Pegues, district executive and George Newberry, Santa Fe district chairman, to discuss possible staff members and a program for the coming year.

## Auto Crash Near Midland Kills Five

MIDLAND, Tex. — (P) — Five persons were killed when two automobiles crashed head-on on 18 miles south of Midland last night.

Four persons were in one car and one in the other. All were oil-field workers.

The driver of one car was Weston Leonard Townsend, 38, driller for the Midwestern Drilling Co. With him were three men of his crew — James Alexander Wales, 18; James Junior Almond (age unavailable) and Tom Bennett (age unavailable). All were from Midland.

The driver of the other car was Reuben Lengsfeld (age unavailable), an oilfield worker who was living in Crane, but whose home was in Gatesville. He was alone.

Wales and Lengsfeld were killed instantly. Townsend and Bennett died en route to the hospital, and Almond died at 2 a. m. in a Midland hospital.

State Highway Patrolman Oskie Rentrow, who investigated, said the two automobiles crashed head-on. The Townsend car was heading south and Lengsfeld was headed toward Midland.

## Carver School Slates Open House

Open house for the public will be held in the new Carver school at 5 p. m. today. Knox Elmsard, superintendent of schools, has announced. Purpose is for the public to see the newly constructed building.

# Truman Vows To Clean Up Government

WASHINGTON — (P) — President Truman today promised what he called continued drastic action to clean house in the government. He indicated he will set up a special agency to fight corruption, probably tomorrow or Saturday.

Allowing himself to be quoted directly at one point on the scandals in the tax collecting and some other agencies, Mr. Truman told a news conference:

"Wrongdoers have no house (SIC) with me no matter who they are or how big they are."

In response to questions, the President said he has no plans to fire Attorney General J. Howard McGrath or Democratic National Chairman Frank McKinney.

Several Republican members of Congress have demanded the dismissal of McGrath as a result of disclosures in the House investigation of tax scandals.

Chairman King (D-Calif.) of the House group has publicly said he believes T. Lamar Caudle, assistant attorney general in charge of the tax division, was unfaithful to his public trust.

Mr. Truman fired Caudle last month. McKinney has come under fire because of the disclosure that he made a \$8,000 profit on a \$1,000 investment in a tractor firm headed by a man whose wartime government ordinance contracts were sharply criticized by Mr. Truman, then a senator.

Mr. Truman's news conference, always well-attended, drew an even heavier than usual attendance of reporters who anticipated he might announce some dramatic action in connection with the newest disclosures.

When the subject came up, the President declared with firm emphasis that his administration always has acted swiftly to eliminate wrongdoers from its ranks and will continue to do so.

He said his administration did exactly this, through its loyalty boards, in the case of communists who were found to be working for the government.

These were brought to trial and convictions were obtained by the attorney general just as they should have been, despite (See TRUMAN Page 2)

Funeral for Luby Lamar Palmer, 74, of near Alanreed, who died unexpectedly yesterday, will be held at 2:30 p.m. Friday in the First Baptist church, Alanreed.

Rev. Vernon Henderson of Phillips will have charge of services. He will be assisted by Rev. L. P. Fort, Pampa, and Rev. S. T. Greenwood, Alanreed.

Burial will be in the Alanreed cemetery with the Clayburn Funeral home, McLean, making arrangements.

Mr. Palmer was born Jan. 11, 1877. (See PALMER Page 2)

## Iran's Premier Remains In Sanctuary; To Appear Later

TEHRAN, Iran — (P) — Some 30,000 Nationalist supporters of Premier Mohammed Mossadeq massed before Parliament today and roared "death to the enemies of Mossadeq!" The crowd appeared menacing, but broke up later without violence.

Inside the Parliament building, the Majlis (Lower House) discreetly decided to postpone until Sunday a public meeting originally scheduled for today. Instead they met in secret session.

Watchful police and troops lined the huge Majlis square during the rally, announced as a demonstration against "British intrigue."

However, most of the threats and vilification were directed at Iranian opponents of the aged Premier who led the successful fight to nationalize Iran's British-controlled oil industry.

More than a score of trucks, filled with troops bearing rifles and machine guns, blocked the main gates to the Majlis.

Apparently anxious to avoid a recurrence of last Thursday's bloodshed, hunky youths wearing arm bands checked the identity of everyone entering the square. In last Thursday's clash between Nationalists and Communists, at least eight persons were killed and more than 200 injured.

Loudspeakers vied with one another in praise of Mossadeq and vilification of his opponents.

A metallic voice boomed through the square "where's Jamal Imami?" "Gone to hell!" the crowd yelled back.

Imami is the leader of the sit-down by 15 opposition deputies and a like number of opposition editors who have taken refuge inside the Majlis building for the past seven days, seeking Mossadeq's overthrow.

Again the loudspeakers din. (See IRAN'S Page 2)

## Rotarians Hear Discussion Of Venezuela From Pampan

Venezuela has come a long way in modernization in a short period of time. Mrs. Adrienne Foster told Pampa Rotarians yesterday in the Palm Room, city hall.

Mrs. Foster, wife of Jack Foster, spent two years in that South American country returning to the states with her husband, Jan. 1, 1951.

She told Rotarians that because of poor roads — and in most places no roads at all — the airplane is the chief method of transportation. With the developments in that country during the past two decades, ideas of modern ways have been pushed rather rapidly on the natives.

She told the club the country was a "lush place" for the men, but it was a different story for the women. The men, Mrs. Foster added, do not have to go to church for his evening meal. The women do that.

## Forum To Be Aired In Fort Worth

FORT WORTH — (P) — Eight U. S. Congressmen will be targets for inquisitive Texans here Friday.

The lawmakers will take part in a congressional forum at 2:30 p. m.

Questions will be fired by listeners from at least 48 Texas towns and cities, students of five colleges and pupils representing each Fort Worth high school.

The forum is sponsored by the West Texas, East Texas and Fort Worth Chambers of Commerce.

Keynoting the "town hall meeting" discussion will be Ed Gossett, ex-congressman from Wichita Falls. Web Maddox of Fort Worth will be moderator.

Congressmen who have accepted invitations to serve as "clay pigeons" are W. R. Poage, Ken Regan, O. C. Fisher, Wingate Lucas, Frank Hard, Lindley Beckworth, Olin Teague and Omar Burleson.

(Pampa's congressman, Walter Rogers, was also invited to take part and told a Pampa Daily News reporter he was trying to squeeze it in on his tight schedule before returning to Washington by Dec. 16.)

Only questions about national issues will be accepted. Those relating to Texas problems must have national significance. They may be addressed directly to individual congressmen or referred to panel members by the moderator.

## More Snow Is Predicted For Panhandle

The Panhandle is slated to get more snow this week. The weather bureau has predicted falling temperatures with light rain in the Panhandle Friday turning to snow late in the day.

According to the Associated Press, mild, fall-like weather continued in Texas today and is expected to continue tomorrow, except in the Panhandle.

THIN CLOUDS High, thin clouds covered much of the state. The clouds were expected to grow heavier in the Red River valley and East Texas. A mid cool front moving through central Oklahoma toward Texas caused the increasing cloudiness.

Light rains were reported this morning at El Paso, Salt Flat and Marfa.

The oldest weather of the season hit Middle areas today with temperatures again dipping below zero in northern border states.

COLD WEATHER The cold air centered in the north central states but extended from the Dakotas eastward through the Great Lakes region. The sub-zero spots were in northern Minnesota, northwestern Wisconsin and most of North Dakota. Temperatures were around normal in other parts of the country.

It was 13 below zero at International Falls, Minn., early today after a high of 4 yesterday. At the same time it was 12 at Grand Forks, N. D.; 9 at Duluth, Minn., and 7 at Minot, N. D. Above in Chicago was readings included 62 in Corpus Christi; 51 in Miami, 65 in Los Angeles, 31 in New York and Washington and 33 in Seattle.

Low-level readings were forecast tonight for most of the cold belt.

Loudspeakers vied with one another in praise of Mossadeq and vilification of his opponents.

A metallic voice boomed through the square "where's Jamal Imami?" "Gone to hell!" the crowd yelled back.

Imami is the leader of the sit-down by 15 opposition deputies and a like number of opposition editors who have taken refuge inside the Majlis building for the past seven days, seeking Mossadeq's overthrow.

Eye. Bye. I love you. Sherry Lynn Ross Skellytown, Texas.

I am a little girl four years old, and will be five Dec. 13. I have been a good girl and I hope you will bring me what I want for Christmas. Please bring me a baby doll, a set of dishes, a buggy and something to wear. I have a little brother almost 6 years old, he is at Twitty with our grandmother. Also hope all the other little boys and girls get the Christmas gifts they want. I am staying with my Aunt Nona and Uncle Jack who live at Skellytown.

Eye. Bye. I love you. Sherry Lynn Ross Skellytown, Texas.

I am a little girl 6 years old. I have tried to be good. Please bring me a chalk board, doll, tricycle, and a Bible. Remember my little sisters to.

Thank you Linda Mae Reger.

I have tried to be good all year hoping you will bring me a tricycle, doll, dishes, and a Bible for Christmas. I am 4 years old.

Thank you Earlene Reger.

I want a very little piano and a little doll with pigtail and that all.

Love, Judy Chisum.

Dear Santa Claus, I am a very little girl. With not even a little curd. I haven't even a wish in mind. But I've heard that you are very kind.

This being my first Christmas here, Won't you be an old dear? I don't want any kind of a toy. Just make me look like a girl. — Instead of a boy.

Love, Jacquiline Anderson (See SANTA Page 13)

# Wheeler Beef Show Slated For Jan. 19

WHEELER — (Special) — The second annual Wheeler County Baby Beef show will be held at the Wheeler show grounds Jan. 19. A planting session in the county agents' office Tuesday night set the date and made plans. T. M. Britt is superintendent for the show this year and County Agent R. D. Siegmund is secretary.

The show is scheduled early in the season so that all of the calves being raised by county 4-H and FFA boys will be available. Many of the animals will be sold at other shows in the area later in the season.

The animals are mostly purebred stock but haven't been registered because of their designation as show calves for the market instead of breeding purposes. There will be Angus and Herefords entered in the show classified according to weights.

Committees for the show are Grounds, Finance, Weighing and Classification and Arrangements. George Gandy of Wheeler and I. C. Sewell, Wheeler agriculturist, are on the Grounds committee to ready the show grounds and show barn at the Wheeler Community building.

T. M. Britt will head the Finance committee with T. J. Daughtry and Ira Passons as members. They will raise the \$175 prize money and the expenses of the show.

H. W. Weatherly, agriculture instructor of the Shamrock schools, aided by James Barnes, Mobeetie agriculture instructor, and Bill Darnell will weigh and classify all entries.

Don Powell of Shamrock will be in charge of arranging the entries according to class in the show barn. He will also direct the entries into the show ring in their proper order. Each calf in the show will be awarded a ribbon in the judging. Each boy with a calf entered will receive at least \$2.50 in prize money. Five major prizes will be awarded. They are \$15 first prize, \$12.50 second prize, \$10 third prize, \$7.50 fourth prize and \$5 fifth prize.

## TRUMAN

(Continued From Page One)  
A great deal of ballyhoo in the country, the President said. He declared that the public officials recently fired — including Claude — all were being investigated by the executive branch of the government before their names turned up in congressional investigations.

He said the administration was wise to Caudle, who has been accused of taking favors from persons involved in tax difficulties with the government, long before such charges were made by the House Ways and Means subcommittee investigating the tax accusers.

Caudle's resignation would have been asked even without the committee's intervention, the President added.

said: "If I am, if you dare come out of the Mall, you and your friends will see how the people support Mossadeq."

Tough-faced youths led the organized shouts of "death" as the loudspeaker rasped the names of the opposition deputies and editors refuted inside the building. Another speaker boomed: "long live Khalil Tahmassebi!" — the assassin of the late Premier Ali Razmara, who opposed oil nationalization.

Political, student and religious organizations rallied their forces into Majlis Square, filling it with colorful flags and posters. Iran's chief religious leader declared a half-holiday today to encourage Moslems to take part in the demonstration.

## Shamrock To Hear Christmas Music From Irish Band

SHAMROCK — (Special) — Shamrock citizens will hear Christmas music, including favorite carols, next Tuesday night beginning at 7 p. m. reports Robert C. Reeves, Irish band director.

Reeves said the Dec. 18 band program includes a hay ride through the main streets of Shamrock with band personnel and their guests as singers. The group will then proceed into the country surrounding Shamrock to bring Yule cheer to the country citizens.

After returning to Shamrock the group will go to the school lunch room at North Ward grade school for a Christmas band party, a chili supper, followed by games.

## Texas One Of Three States To Supply Grain Sorghums

WASHINGTON — (AP) — The Agriculture Dept.'s 1952 grain sorghums production goals call for Texas, Kansas and Oklahoma to supply most of the yield.

A national production goal of about 265,000,000 bushels of grain sorghums, compared to this year's expected 105,800,000 bushels, is established for the 1952 crop.

Texas' goal is set at 118,838,000 bushels — more than half of the national total — compared with an indicated production of 89,794,000 bushels this year and 145,818,000 in 1950.

The Kansas 1952 goal is established at 39,250,000 bushels, less than this year's indicated yield of 44,374,000 and last year's production of 49,098,000.

Oklahoma would have a goal of 17,673,000 bushels, an increase over this year's indicated 14,700,000 but less than last year's harvest of 29,880,000.

Other states, 1952 goals and 1951 indicated production include: New Mexico, 7,650,000 and 3,714,000; Colorado, 4,097,000 and 3,234,000; California, 5,909,000 and 3,778,000; Nebraska, 5,880,000 and 1,708,000; Arizona, 6,834,000 and 1,064,000. Other grain sorghum 986,000 in Oklahoma.

## Violins Shown At Irish Club Meet

SHAMROCK — (Special) — Robert Reeves, band director, was guest artist at the Shamrock Booster club session Tuesday noon.

Reeves showed boosters the difference between a \$1000 violin and a student's violin, demonstrating tone qualities. He said the \$1000 instrument was made by his great-grandfather.

Reeves said he wanted the Booster club to support his projected January band concert and received assurances it would be done.

He played "Souvenir" as a special violin number.

Reeves was a guest of the club in company with the Irish superintendent of schools, Elmer J. Moore.

Producing states had considerably smaller goals.

The 1952 harvested acreage goals included 8,500,000 in Texas and 1,700,000 in Kansas and 1,064,000 in Oklahoma.

## Practical Gifts For The Home Always Find A Real Welcome

You may have a heart of gold at Christmas time, and even though your purse doesn't match it, you needn't give up hope of giving distinctive gifts for the home-maker on your list.

Shops, everywhere, have rounded up a myriad of wondrous gift charmers — for every taste, type, and most importantly — for every budget.

Let's look at gifts for the home-maker! If the kitchen's her favorite province — wife, mother, aunt or grandmother — she'll go for gifts such as these.

Make her cooking chores easier with an electric table broiler that cooks steaks, chops, hamburgers or hot dogs, right at the table. Or, with an electric pot that cooks beans Boston-style at the table or serves chili, spaghetti or soup, piping hot.

If you want to give her the gift of electric magic — then choose from any of the wonderful new kitchen helps — roasters, mixers, irons (steam, regular or the new ones that are both), coffee brewers, deep-fat potato and donut fryers, waffle irons, grills and countless others.

For each and every phase of home-making, you'll find the precious practical gift!

Varying in styles from modern to traditional are the many gracious gifts of glassware for cooking or for serving.

You'll find top-of-the-line oven glass cookware, oven-bake-ware, smart new serving pieces that go from the cook-stove to the table to sparkle in smart design and decorator colors.

There are distinctive coffee tables that raise up to dining height. Lamp tables with pull-out shelves and drawers; step tables with room for books or ornaments and magazines; corner tables that enhance sectional sofas; television tables that swivel about for good-viewing.

Padded leather-top tables and long, low window tables double as benches for TV parties and small-space dwellings.

Another new design table has

ceramic trays that double as planter bases or refreshment servers.

These are smart gift tables that come in the classic mahogany, walnuts, oaks and the newer, modern beauty of limed, bleached and natural finish woods.

Ceramic china and wooden-based lamps with new interpretations in sculptured designs of classic figurines, abstract patterns and geometric treatments are gift-slanted for the home. Their shades are petticoat-ruffled with ruching and pleats, or starkly simple taking on elegance in color and fabric.

In the small gift department are wonderful ceramics, pottery and wooden ware for trays, table and mantle ornaments, lazy susans, tier trays, mirrors, framed pictures and leather hassocks all taking on gift-importance.

Embroidered dollies and table cloths, quilted spreads, comforts, quilts, afghans and fancy linens are all slated for gift-giving to make it a Christmas that is practical, and pretty, too!

Radio Has Anniversary

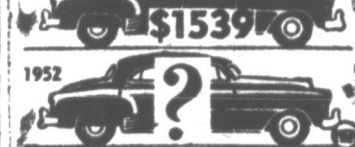

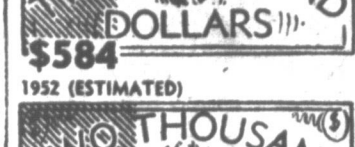

WASHINGTON — (AP) — It was just 50 years ago Wednesday that Guglielmo Marconi sent the first radio signal across the Atlantic ocean.

The federal communications commission marked the golden anniversary of inter-continental radio with a few observations on what 50 years have wrought.

It said: Over 700,000 individuals are now authorized to operate radio transmitting equipment.

The United States reaches out to more than 82 foreign countries, plus its own territories, by radio telegraph, and to 88 countries by radio telephone.

## She'll Want Gifts Both Personal As Well As Useful

Whether she is your mom or mom to your kids, sweet sis or sweetheart, this Christmas that very charming lady wants gifts that are both pretty and practical. And your opportunity to make her happy is greater than ever.

For this year, the resourceful makers of feminine things have vastly broadened the list of lovely gifts that are available for giving to her, by applying their designing skill to enhance every phase of her life around the clock.

They've taken fashions reserved for glamor only and they have given them a practical versatility. They have taken styles heretofore modestly restricted to wear only indoors during hours devoted to chores, and they have endowed them too, with a new glamor that lets them be seen with pride, in public.

The smart male on the prowl for gifts for his lady will reveal a sense of both sophistication and consideration for the woman in his life by using two major principles in choosing gifts for her this year.

He will include some things chosen to put glitter into her social life, and he also will choose some other things to put glamor into her routine hours. Thus he can make this Christmas perfect for her.

For instance, the dueter type coat dress, new version of what women once wore for indoors chores, is designed to be chic enough to wear out on a shopping trip. Add one or more to her wardrobe this Christmas.

For viewing TV during a party at which she is hostess, the new trouser costumes, modern adaptations of the older fashioned lounging pajamas, give her new smartness, glamor and comfort too.

Friday afternoon because of the Saturday Breckenridge-Temple high school football game.

And to peep out from beneath her precious intimates are a wider than ever selection of slippers, some styled to keep her toes warm as well as pretty, others in colors and fabrics that blend with the costume and yet others, glamorous enough to be worn to that special formal occasion.

For the gal who's Christmas dreaming of a coat, why not the luxury of fur sure to keep her happily warm and best dressed on the coldest of days, and, as a practical note, give her many a year of sound wearability.

And then there are the smaller, yet equally important gift items. Like blouses, favored in classic styles this year, but in wear only indoors during hours devoted to chores, and they have endowed them too, with a new glamor that lets them be seen with pride, in public.

Accessories, always a girl's right hand "tools" to good appearance, are lavish, lovely and best of all, versatile. For example, the stole takes on many guises. Newest stole designs are reversible and ready for a gala evening "out." When flipped over, the same stole can provide provocative accent to a casual wool dress.

A tissue-wrapped box filled with scarfs — big squares, small squares, oblongs and triangles in a galaxy of colors and patterns — is another pretty yet practical way of saying "Merry Christmas." For she'll use her gift scarfs in a myriad of different ways, for every hour of the day. Some as tuck-ins to new lower necklines, others as perky belts, make-believe aprons and even in a colorful tied-on bracelet fashion.

Or give a glove wardrobe to flatter her right down to her

fingertips. Choose them, too, in a sound selection as is that won-are pins and necklaces, bracelets a variety of lengths of perfect "dressey" bag, in a novel and carrying. These come with this most useful, most used so proudly on special like real or of ever beloved handsome gift, present her with event days. pearls, either handsome simula- a handbag or two, or three. Then to add glorious glitter to tions or the oyster's own pre-Classic reptile bags are always the glitter of the season, there cious product.

Start the day with golden toast made with

**SHARPENING UP** for the Golden Gloves boxing tournament is Raul Ramirez, Pampa boxer, who fought his first year of ring action last season with the Pampa Boys Club, Inc. Working out on the heavy develops his arms, wrists and action. Holding the bag for him is Ray Velasquez. The boys work out each night from 5-7 in the old Pampa News building on West Foster. More heavyweight fighters are needed for the tournament.

## Harvesters Host Childress Friday

The Pampa Harvesters return to action on their home court Friday night when they host the Childress Bobcats of District 2-A. The Bobcats later this year will be hosts to the Harvesters at the annual Childress Invitational tournament, of which the Green and Gold is defending champion.

With their third straight win against no losses under their belt Tuesday night, the Harvesters went through another session of ball-handling and work on passing yesterday. The passing of the McNeelymen was very shabby again at Stratford after smoothing out in the second game of the season against DuMas.

Game time tomorrow night is 8 o'clock. There will be no preliminary game as the Guerrillas will be participating in the Shamrock invitational tournament.

The game will be broadcast from the junior high school gymnasium by radio station KPND, at tipoff time.

The Bobcats are expected to be a bit rusty, having just com-

## McColl Is Top Lineman

**NEW YORK — (AP) —** Bill McColl, a big factor in Stanford's winning of the Pacific Coast Conference football title and the Rose Bowl spot against Illinois, has been selected as the lineman of the year.

The 21-year-old 225-pound end from San Diego was the choice of 103 sportswriters and sportscasters participating in the Associated Press poll.

"The greatest lineman I have ever seen," said Coach Chuck Taylor of Stanford.

Big Bill, named on the Associated Press all-America offensive team, received 17 votes for his feats of catching 42 passes, seven for touchdowns, and picking up 607 yards.

Two all-America tackles, Don Coleman of Michigan State and Jack Weatherall of Oklahoma, tied for second place with Bob Ward, Maryland's all-America guard, right at their heels.

Bob Carey, Michigan's all-America offensive end, was next in line. He was followed by Pat Canamella of Southern California and Les Richter of California.

Rounding out the first ten (with ties) were tackle Pug Fearman and guard Ted Daffer of Tennessee; Ray Beck, Georgia Tech guard, and Chuck Borio, Illinois linebacker.

## Reapers Capture First Title Of Horace Mann Tournament

The Junior High school Reapers, coached by Pernal Scottgin, move into the second round of the Horace Mann invitational junior high school basketball tournament at 7 o'clock tonight after downing Phillips in the opening game yesterday, 26-20.

Their foe tonight will be the Berger Foodies, victors over Canyon in their opening game yesterday evening.

Harold Lewis, high-scoring on the Reaper football squad, turned his talents to the basketball court to capture scoring honors in the opening game of the season for the Blue and White cagers. He tallied eight points, two more than E. J. McElvain and Buster Carter, who each dunked in six.

The Reapers led all the way, holding a 6-4 margin at the first period, 8-4 at halftime, and 13-12 as the fourth quarter started.

The trip was a costly one, however, as Gary Griffin, one of the tallest boys on the squad, re-injured a knee that was weakened during the football season and was unable to play. He likely will see no action during the entire tournament.

In other games yesterday Elizabeth Nixon downed Horace Mann, 36-28; Berger tripped Canyon, 30-25; and Sam Houston clipped Price College 28-20.

Today Nixon plays Sam Houston at 4 p.m.; Phillips vs. Canyon at 5 o'clock; the Reapers play at seven; and Horace Mann faces Price College at 8 o'clock. Finals are set for 5 o'clock tomorrow afternoon with consolation championship game to start at 4.

## Guerrillas Open Against Mustangs

The Pampa Guerrillas, loser in two of their three starts this season, will meet the Wheeler Mustangs in the opening game of the Shamrock Invitational basketball tournament tomorrow morning.

If they win, they meet the winner of the Briscoe-McLean game at 1 p.m. Saturday; if they lose, they play the loser of that game at 9 o'clock Friday night.

Winners in the two-day tournament will be decided Saturday night.

Coach Aubra Noncaster will take an 11-man team composed of Gale Trolinger, Ray Cooper, Doug Randolph, Don Pagan, Ed Dudley, Dale Hemsell, George Depe, Dwayne Kunta, Larry Larsen, Danny Schroedel and Danny McNamara to the tournament.

## State Sportswriters Pick Westerners In Close Battle

**By HAROLD V. RATLIFF**  
Associated Press Sports Editor

Lubbock will edge Baytown for the Class AAAA championship and Temple will beat Breckenridge easily for the Class AAA crown in Saturday's Texas schoolboy football finals, say the sports writers.

Thirty writers over the state cast their votes in a poll taken by the Associated Press and here's how they picked them:

Lubbock vs. Baytown at Dallas — Lubbock was selected by 15, Baytown by 13 and there was one who forecast a scoreless tie.

Temple vs. Breckenridge at Abilene — Twenty-two picked Temple and five took Breckenridge.

"Some writers did not select on both games."

Baytown was given a margin of seven to five in the selections of sports writers in South Texas but the other areas all showed margins against the Ganders.

**TWO PICK TIES**

Two writers picked ties. Bob Cole of the Wichita Falls Record news forecast a 14-14 deadlock but thought Lubbock would win on first downs. Dan Cook of the Beaumont Enterprise said it would be a scoreless tie.

The Sam Braswell, Jr., Kerrville Times — Well-rounded depth should provide Lubbock and Temple with the margin against splendid Baytown and Breckenridge teams respectively. Lubbock 20, Baytown 7; Temple 27, Breckenridge 14.

Hugh Welch, San Antonio Standard-Times — Lubbock 24, Baytown 13; Temple 21, Breckenridge 14.

Harv Boughton, Houston Post — Baytown 15, Lubbock 7; The Ganders may need an assist from the weather but no more than six points worth. Solid offensive power and better defensive play will do it, with more overall weight and reserve strength a secondary factor. Temple 20, Breckenridge 6; Any club which held Baytown to six points has got to be good. Temple defense to make the point — making easier for Doyle Traylor and Company.

Chuck Whitlock, El Paso Times — Lubbock and Temple.

Jinx Tucker, Waco News-Tribune — Baytown 14, Lubbock 7; Temple 20, Breckenridge 13.

**COLLIER SAYS**

Phil Collier, Fort Worth Star-Telegram — Lubbock 27, Baytown 14; Breckenridge 20, Temple 14.

Johnny Williams, San Antonio Evening News, and Abe Weiner, San Antonio Express — We pick Baytown and Temple.

Mel Zajic, San Antonio Express — Lubbock and Temple.

John Trobridge, Dallas News — Baytown over Lubbock; Temple over Breckenridge.

Walter Robertson — Dallas News — Lubbock over Baytown, Temple over Breckenridge.

Jerry Eibnick, Houston Chronicle — Lubbock 13, Baytown 7. I think the Ganders have one of the top defensive teams in the state but will meet the best offensive club, in the West Texans. It should be a real climax to a great 1951 state schoolboy football season. Temple 27, Breckenridge 14.

Putt Powell, Amarillo News and Globe-Times — This will be the week when Coach Pat Pattison can pull out all the stops. There's no use holding back against Baytown in the finals. Lubbock might break Amarillo's scoring record of 46 points made in the finals against Corpus Christi in 1934. Lubbock has the finest offensive high school team I've ever seen. Only a mental letdown will keep Baytown in the game. Boys from this section are just tougher than those from other sections.

Chester Rogers, Houston Chronicle — Baytown 21, Lubbock 13. Two of Texas' stoutest ball clubs will be playing this one, but Baytown has just a couple more great players than Lubbock has.

Collier Parris, Abilene Reporter-News — Baytown 20, Lubbock 14; Temple 20, Breckenridge 13.

**GREAT DEFENSE**

Dick Oliver, Port Arthur News — Baytown 14, Lubbock 7; Westerners' outscore-em tactics in for rife shock from great Gander defense. Temple 19, Breckenridge 13; Traylor decisions Ford in passing parade.

Spec Gammon, Odessa American — My picks in state championship games are Lubbock 14,

## American Netters Take 2-0 Lead In Davis Cup Action

**By GAYLE TALBOT**

**MELBOURNE, Australia — (AP) —** Tony Trabert and Ted Schroeder virtually swept their Swedish opponents off the courts in the first two singles matches of the U.S.-Sweden interzone Davis Cup final today and were expected to finish the job Friday by taking the doubles in similar convincing fashion.

Tony and Ted, whose selection for the singles over Vic Seixas and Dick Savitt caused some surprise, each won their singles matches in straight sets to give the U.S. a commanding 2-0 lead.

A victory in the doubles will put the U.S. in the challenge round against Australia.

Trabert, a Cincinnati youth on leave from the Navy, crushed Sven Davidson, 6-3, 6-4, 9-7.

Trabert defeated Davidson in the opening match by staying in the backcourt and passing the net rushing Swede or forcing him into errors.

In three sets Tony scored 39 clean winners, almost all of them passing shots down the side-lines. Davidson had only 29 winners, 14 of them in the final set. Practically all of his were scored from the net on sharp volleys.

The match lasted an hour and one-half in a gusty wind. The sun finally popped out in the last game of the match.

Schroeder played a superb game in crushing Bergelin. The match was played in bright sun-

## Charles Convinces Maxim Of Ability

**SAN FRANCISCO — (AP) —** Former heavyweight champion Ezzard Charles has finally convinced light heavyweight title holder Joey Maxim, after five beatings, that it is a hopeless cause to challenge him.

Charles, who confidently expects to punch the crown off Jersey Joe Walcott's head in their return fight early next year, dashed Maxim's hopes for a successful foray into the heavier division at the Cow Palace last night.

The lean Cincinnati Negro outpunched the 175 pound king to win an unanimous 12 round decision handily. Charles weighed 180, Maxim 178.

There were no knockdowns and not much sustained action. Neither was damaged or even in trouble. The crowd of 10,827 booed at times in dull moments when Maxim engaged in his frequent clinches.

**GATE SPLIT**

Gross receipts were \$60,886.25; the net was \$48,000, plus \$25,000 from television, for a \$73,000 total. Charles took 35 percent of that; Maxim 27 1/2 percent and the Chronicle Christmas fund for needy children, 10 percent. Promoter Jimmy Murray said the bout was a losing venture for him.

Rocky Marciano, Brockton, Mass., heavyweight contender since his KO of ex-champ Joe Louis, picked up \$1,500 for refereeing a preliminary.

Both Charles and Maxim immediately looked forward to championship fights not too long off.

Charles expressed confidence of regaining his crown from Walcott and said he expected the fight to be scheduled for February or March. The site, said matchmaker Al Weil of the International Boxing Club, is open to bids. Weil added that the Charles-Walcott winner definitely will defend his crown against shine and very little wind in contrast to the Trabert-Davidson affair.

Indicative of his superiority, Schroeder scored 32 placements in June.

To Bergelin's 13 and served nine ones to none for the Swede. The match lasted only 82 minutes, the last set 18 minutes.

## Special Event For Turkey Shoot

**LEFORS — (Special) —** A special annual has been added to the annual Christmas turkey shoot to be held at the Lefors Gun Club all day next Saturday and Sunday, Dec. 15 and 16.

This particular round is a father and son competition. The parent and offspring will team together in competition with like trapshooters.

Leading contenders probably will be the Gettings of Pampa and the Clemmons of Lefors, together with the Bristers, also of Lefors.

Numerous other surprises have been stored up for Panhandle trapshooters who participate in the meet.

## DiMaggio's Suit Retired By Yanks

**NEW YORK — (AP) —** First it was uniform No. 7 to be retired by the New York Yankees in honor of one of its most famous players. Then it was No. 4, and now—No. 5.

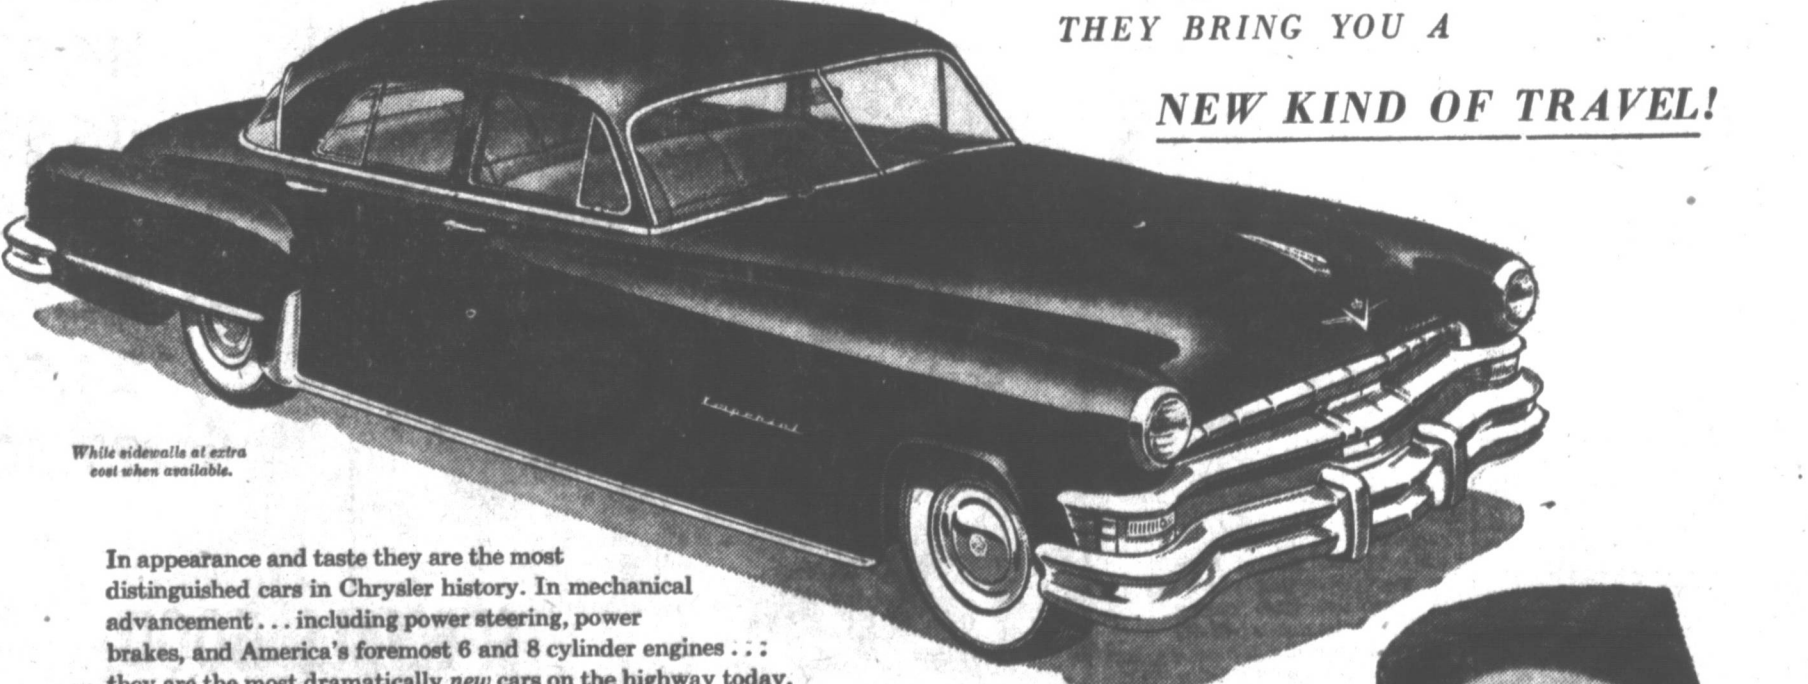

The Yankees announced No. 5, worn by Joe DiMaggio for 13 years as a Yankee, would be taken out of circulation and sent to the Hall of Fame with Joe's uniform, glove and bat with which he hit his last home run.

### Sports Round-Up

**By HUGH FULLERTON, JR.**  
**NEW YORK** — (AP) — Having been slapped down once in an effort to apply strict controls to college athletic practices, the NCAA bigwigs likely will try a gentler form of persuasion. . . . One plan which likely will come up at the January meeting is to require the head of each school to certify that he knows and approves of all aid being given to athletes. . . . There would be any prescribed limits or punishment. . . . That seems to allow plenty of leeway, but the idea is that there won't be any excuses, either, if flagrant cases of subsidization turn up. . . . The academic accrediting agencies are much more powerful than the NCAA — might then step in and slap the offending schools down on charges of "bad academic practices." . . . Question is just how far would those agencies go if there was any doubt at all about a matter which isn't exactly academic.

**JUST PLANE LUCKY**  
 When the Notre Dame football team took off from Los Angeles airport in a chartered plane following their victory over Southern California, they used the same gate as passengers taking a smaller ship to Catalina Island. . . . The Irish special had taxied to the end of the runway when two men who had boarded the ship looked around uncertainly at the collection of husky and hungry athletes and asked shyly: "This plane is going to Catalina, isn't it?" . . . They were returned to the gate, but brother wouldn't they have been surprised if they had landed at South Bend?

**SHORTS AND SHELLS**  
 Frank McPhee, captain-elect of the Princeton football team and Donald Main, similarly honored at Colgate, were co-captains of the Chaney High school team in Youngstown, O., in 1948. . . . What's more, they're both two-way players. Main averaged 52 minutes a game as center and linebacker during the past season. . . . McPhee, mostly a defensive player this year, will switch to offense next season. . . . Jimmy Raiff, squat 225-pound tackle on the bowl-bound U. of Dayton team claims "I just ate my way line." . . . Roland Lasterza, heavy-weight contender, plans to enter the airplane business and is learning to fly his own as a

### Shrine Elevens Nearly Ready

**MIAMI, Fla.** — (AP) — Thirty-nine of the 52 college football players who will compete in the Shrine North-South game Christmas night in the Orange Bowl have been chosen. . . . North Coach Herman Hickman of Yale has 18 in his lineup and South Coach Andy Gustafson of Miami has picked 21. The squads will be limited to 26 each to give the players more action. . . . The present lineups include: North: Ends — Dewey McConnell, Wyoming; Tom Hamilton, Pennsylvania; Hal Faverly, Wisconsin; Tom McCann, Holy Cross; Guards — Ted Holzknecht, Washington; Gerald Augette, Columbia; Dick Kusch, Michigan; State, Derald Tetrak, Wisconsin. Center — Jim Kramer, Michigan State. Quarterbacks — John Coatta, Wisconsin; Bob Black, Colorado College. Halfbacks — John Turco, Holy Cross; Mel Masucco, Holy Cross; Jim Montgomery, Rutgers; Earnar Pederson, Wyoming. Fullback — Bob Spear, Yale. South: Ends — Talbot Trammell, Washington & Lee; Don Brown, Florida; Ed Kirkland, Vanderbilt; Harold Maxwell, Mississippi; Tackles — Bob Gercenko, Vanderbilt; Ken Barfield, Mississippi; Fritz Davis, Navy; Richard Yelvington, Georgia. Guards — Bill Dawkins, Florida State; Fred Smith, Oklahoma; Robert Clark, Oklahoma; Dave Fischer, Navy; Centers — Carroll McDonald, Florida; Harry Jatuschen, South Carolina; Mel Singuetel, Mississippi. Quarterbacks — Bill Wade, Vanderbilt. Halfbacks — Abraham Dugg, Santa Clara; Vick Vime, Navy; Anthony Morocco, Georgia. Fullbacks — Floyd Huggins, Florida; Dick Lennon, California.

**Baylor Ducats Gone**  
**WACO** — (AP) — Baylor's share of Orange Bowl football tickets has been sold, a Baylor spokesman said yesterday. . . . After scouting Tennessee against Vanderbilt, Maryland's Jim Tatum, who'll do the master-minding against the Vols in the Sugar Bowl, sighed: "I feel like a man who has just witnessed his own execution." . . . DOTS ALL, BROTHERS Lexington's Johnny Clark predicts the clamp-down on lookies will make race horses more valuable. . . . Reason: there'll be more neutral players. . . . The youngsters who play in the Santa Claus Bowl game for the midget football title at Lakeland, Fla., Dec. 28 had to qualify not only as football players but by writing an essay on character. . . . There's a possible solution to the collegiate bowl problem — don't let 'em play unless they can write.

**Shamrock Brothers Enter Ring Again**  
**SHAMROCK** — (Special) — Coach Bobby Campbell, star Irish right end, has announced that he will box again this season after previously asserting that he would not enter fistfights. . . . Campbell, known as the knock-out king of the Irish ring crew, said he would enter the tournaments scheduled by Coach H. W. Callan, at Pampa and at Shamrock. . . . In 1949-50, the KO star won 13 of 14 bouts by the KO route, and the other was an easy decision. . . . He was the Shamrock Golden Gloves winner and a regional champ, too, in both seasons, fighting at 147 pounds. . . . Campbell weighed 158 as an Irish end whose defensive work was one of the keys to the Irish victories. He said he believed he could make the same weight he enjoyed last year. . . . **FIRST TIME KO'D** Bobby's most exciting fight was the battle with Pampa's Dick Murray, 160-pound slugger. Campbell floored Murray with a hard right in the second stanza and apparently the fight was over, but Murray was able to come back for the next round, after the bell may have saved him. . . . Murray KOed Campbell in the next round with a haymaker right caught the Irish tethal puncher unawares. It was the only time he has ever been KO'd. . . . Bobby said his younger brother, Billy, a 135-pound scrapper last year, may also be back in the ring this year. He is reconsidering a similar decision. . . . Campbell said he had a desire to catch some of the opponents who successfully dodged combat last year. In fact, he grew so discouraged over lack of opponents in 1951 that he considered retiring this season. . . . Bobby, 18 years old, is a junior and must box this year if ever. He will be ineligible for the Irish end berth of the 1952 grid team because of overage, but will attend school as a senior anyhow.

But head coach L. C. DeVall has ordered his boys to open hard drills Monday. . . . The Eagles donned their practice togs for three workouts last week. It was the first time they had worked since closing their highly successful season Nov. 17. . . . Sparked by one of the best backfield groups in Mississippi Junior College history, Hinds racked up 372 points. The Eagles rolled over eight of their foes by Jop-sided decisions and lost two games by narrow margins. . . . Leading the Hinds scoring attack has been Willard Rachal. Rachal has scored 11 touchdowns in the 10 games and has been a leading ground gainer all year. . . . Close behind Rachal is 134-pound Billy Hugh Montgomery, who has run over 10 touchdowns and two extra points. . . . Other scorers in the Hinds backfield are Billy Juanke, the Home, La., flash who has trotted over nine TDs; Bob Smith, six; Tony Montalbano, Dickie Craddock and Byron O'Quinn, three each, and James Ratcliff, quarterback, two. . . . One of the highest scorers is a man who hasn't crossed an opponent's goal line this year. **BORGER** — (Special) — Coach Jimmy Holston's Plainsmen are slated to take on Clarendon Junior college Thursday at 8 p.m. in Frank Phillips college gym here. . . . This is the second meeting of the two teams this year. Clarendon won the first outing in a thriller by a score of 59-58. . . . Jerry English, Clarendon's ace guard, will probably give the Plainsmen plenty of trouble. He has an average of more than 20 points per game to date. . . . Coach Holston says he believes the team is rounded out enough so that most of the squad will see plenty of action. . . . The Plainsmen have been working on a defense to halt Clarendon's fast-breaking offense which has been so effective in the past. . . . Probable starters for the Plainsmen will be: Bill Cornelius, 6' 5", center; Wayne Bealy, 6' and Bob Hines, 5' 8" at guards; Bill Hamilton, 6' 2" and Charles Meadows, 7' 1", at forwards. . . . ### Shamrock Brothers Irish Cagers Edge Guards

**SHAMROCK** — (Special) — Coach Bobby Campbell, star Irish right end, has announced that he will box again this season after previously asserting that he would not enter fistfights. . . . Campbell, known as the knock-out king of the Irish ring crew, said he would enter the tournaments scheduled by Coach H. W. Callan, at Pampa and at Shamrock. . . . In 1949-50, the KO star won 13 of 14 bouts by the KO route, and the other was an easy decision. . . . He was the Shamrock Golden Gloves winner and a regional champ, too, in both seasons, fighting at 147 pounds. . . . Campbell weighed 158 as an Irish end whose defensive work was one of the keys to the Irish victories. He said he believed he could make the same weight he enjoyed last year. . . . **FIRST TIME KO'D** Bobby's most exciting fight was the battle with Pampa's Dick Murray, 160-pound slugger. Campbell floored Murray with a hard right in the second stanza and apparently the fight was over, but Murray was able to come back for the next round, after the bell may have saved him. . . . Murray KOed Campbell in the next round with a haymaker right caught the Irish tethal puncher unawares. It was the only time he has ever been KO'd. . . . ### Present Methods Increase Grid Play

**NEW YORK** — (AP) — Two-platoon and T-formation football have increased the scoring among college elevens almost two touchdowns a game and reduced touch-downs almost 50 percent, an Associated Press survey showed today. . . . In 1936, the first year of the Associated Press poll to determine the country's best teams, the average score of a game played by the better teams was 19 to 5. The top ten teams of 1951 romped over the gridirons at a 28 to 9 pace, an increase of 43 points a game. . . . The 1926 elevens participated in 91 games and in 51 of them one of the teams failed to score. The leaders of the past season played 96 games and only 27 times was a team unable to gain the end zone. . . . The records of the ten colleges placing men on the 1925 All-America team were used in compiling figures for that year. The AP poll not making its debut until 1936. A quarter of a century ago the average score was 24 to 5. Touchdowns were scarce. In the 87 games played by the Leaders that season, 51 teams failed to score. . . . Probably the most outstanding figure developed in the survey was that which showed the increase in the length of the schedule. The 1925 leaders played 87 games, including Washington's 20 to 19 loss to Alabama in the Rose Bowl. The 1951 teams already have played 96 games and have six bowl appearances docketed for New Year's Day. However, the 1925 Washington played the longest schedule of any surveyed team, 12 games.

# Lefors Pirates Re-Admitted To 1-A By District Members

The Lefors Pirates, always one of the top contenders in District 1-A athletics despite being the smallest team in the district, was readmitted yesterday shortly after it was announced that Frank Sonntag had been released as head coach.

The Pirates, who need a unanimous vote of the other district members because of lack of enrollment, were booted out of 1-A by a "no" vote from Canadian school board last night that "we officials nine days previous. The negative vote followed a protest filed by Lefors claiming that the district blocked Lefors request for readmission.

On Dec. 8, members of the Lefors school met with Canadian officials and explained the situation.

After Sonntag's discharge from his one year contract which still had five months to run - Supt. A. H. Braselton of Canadian requested Logan Cummings, superintendent of schools at McLean and district chair-

man, to take a telephone poll of the member schools regarding readmittance of the Pirates. Braselton said that Canadian was ready to readmit the small school.

On checking all the members, Cummings found no negative votes and the Pirates were back in the good graces of the district after nine days on the black list.

A member of the Lefors school board said last night that "we are tickled. This is the grandest thing that has happened in a long time. It was a hard dose to take."

Logan Cummings said that the telephone poll and the entire situation had to be handled quickly and then at the Dec. 8 regular district meeting, Cummings having its reorganization meeting last night, and Lefors would have been included in those plans. Cummings quoted Braselton as saying that "it is okay to go ahead to re-include Lefors and Canadian would okay them. Proper adjustments have been made."

Supt. R. C. Wilson of Lefors said this morning that "we certainly are happy the matter is settled. I am sorry that a thing like this has happened. It was

## Lassies Lineup Ready For Meet

SHAMROCK - (Special) - Coach Scott McCall announced Wednesday he would start Carolyn Dodgen, Bernice Close and Madeline Griffin at forward and Madeline Mayfield, Jennie Ford and Gladys Thompson at guard in an effort to stop the McLean juggernaut in the 3 p.m. encounter here Friday.

McLean girls are considered the favorites in the Irish invitational tourney Friday and Saturday here.

Should the Irish manage to win, a difficult proposition, they would encounter the winner of Lefors-Allison in a semi-final battle at 2 p.m. Saturday. If they lose, they will enter the semi-final consolation bracket with the loser of Lefors-Allison at 8 p.m. Friday.

Wheeler and Kelton girls drew eyes in the opening round and meet in a semi-final clash at 2 p.m. Friday. One of them is certain to be in the final, probably against awesome McLean.

## It Pays To Be Cotton Bowl Host

(By The Associated Press) - Like to know how much money Baylor's going to get out of its Orange Bowl game with Georgia Tech Jan. 1?

The way they figure it at the Baptist school there will be \$80,000 left when the game comes home.

Here's how it works: The Orange Bowl gives \$25,000 for playing in the game. But the Southwest Conference receives 25 percent - that's \$62,500. The expense of transporting, feeding and housing the team will be about \$50,000. Other expenses are estimated at \$7,000. That's a total of \$99,500. So Baylor will have \$80,000 left.

But take Texas Christian, which travels 22 miles to play in the Cotton Bowl against Kentucky at Dallas. TCU will receive more than \$120,000. Twenty-five percent goes to the Southwest Conference, leaving \$90,000. TCU won't have much expense so it will take home almost as much as the entire amount Baylor gets from its Orange Bowl before the \$88,000 is taken out.

## COP Brings Top Offensive

STOCKTON, Calif. - (AP) - College of the Pacific will take one of the nation's outstanding offensive football records to El Paso's Sun Bowl Jan. 1. The Tigers meet Texas Tech, champions of the Border Conference.

The Bengals, coached by Ernie Jorg, won six and lost four in the regular season, including victories over Clemson, 21-7, Oregon, 24-6, and Marquette, 29-27.

COP rolled for 318 yards on the ground in ten games and a total of 422 yards in total offense. The Tigers ran off 540 total offensive plays, breaking their NCAA record of 500 set last season.

Right half Tom McCormick, born in Waco, Tex., but currently from San Francisco, was the big gun in the Tiger attack, rambling for 1001 yards in 191 carries. McCormick's mark set a new Pacific rushing record for one season.

Left half Eddie Macdon set a new NCAA mark for pass interceptions in 1950 with a total of 24 yards on nine interceptions. Macdon also carried the ball for 216 yards in 108 carries.

## Wheeler Lineups Are Settled

WHEELER - (Special) - The Wheeler Mustang basketball lineup as announced by Coach Coleman Huffman is James Clark, guard; Bob Weatherly, forward; Buddy Toon, forward; Clarence Whiteburg, center; and David Johnson, guard. Other players are Joe Mitchell, Rondel Richardson, Richard Brown, Carroll Good, Len Sanders, Harold Loyd Lee, B. U. C. Jones, Jerry Lewis, Neil McQueen and John Bowman. The boys select a captain for each game.

The Mustangs have scored two wins in their first three games. Their next scheduled appearance is Friday night when they go to the Shamrock Tournament.

Managers for the team are Marvin May and Maxie Herd.

The Wheeler girls lineup was Glenday Porter, Janet Jacob, Margie Barr, and Helen Johnson. Starting as first string forwards and Yoland Dorman, Beverly Bradshaw and Wynellia Topper as guards. Patricia Hubbard, guard; Katie Pierce, forward; Esther Rodgers, forward; Marsha Good, guard; and Bonita Davis, guard. Managers for the team are Janet Russ and Billy Gaines.

Cecil Padlock is girl's basketball coach.

## Miami Warriors Claim Mobeetie

MIAMI - (Special) - The Miami Warriors defeated the Mobeetie Hornets, 54-45, Tuesday night at Mobeetie.

Dewayne Wells was high point for the Warriors hitting 22 points. His big quarter was the last when he made 11 points. Gene Hodges dumped in 10 points. Alonzo Mitchell made 8.

Bill Leonard was high point for Mobeetie with 14.

This was sixth win of the season for the Warriors. They go to Barrouett Friday night. They have three home games next week. Barrouett is here Monday night, McLean Tuesday, and Mobeetie Friday.

The Miami Squads didn't fare as well as the Warriors. They were defeated by the Mobeetie girls 49-33.

Francis Totty was high point for Mobeetie with 17. Gayle Russell made 13 for Miami.

## Mustangs Prep For Irish Meet

WHEELER - (Special) - Wheeler Basketball teams have played their first three games of the season and have two wins and one loss. One win over Shamrock and the second on Thursday night over Allison Tuesday they lost to Briscoe. Schedule for the rest of the season is: Shamrock Tournament Dec. 14 and 15; Dec. 18-Kelton, here; Dec. 20-Briscoe, here; Jan. 4-Shamrock, here; Jan. 10, 11, 12-Wheeler Tournament; Jan. 15-Allison, here; Jan. 22-Kelton, there; Jan. 29-McLean, there; Jan. 29-Canadian, here; Feb. 1-Mobeetie, there; Feb. 5-Mobeetie, here; Feb. 8-Canadian, there; Feb. 12-McLean, here.

The District 1-A has been divided into two parts and Wheeler conference games are with McLean and Canadian. The winner of this group will play the winner of the Clarendon, White Deer, Pannandla, Lefors loop.

Entries are now being accepted for the tournament Jan. 10, 11 and 12. Supt. Garrick states that there are still several openings in the schedule and any school who would like to enter teams should contact him at the Wheeler High school.

SHAMROCK - (Special) - Coach Scott McCall announced Tuesday he would start Van Pennington and Norrell Perkins at guard and James Henderson at center in the opening tournament fray here Friday at 2 p.m. with the Lefors Pirate crew.

McCall said the other two positions are doubtful and he would not make a decision until shortly before game time.

Pennington is veteran of the 1950-51 crew which won second in the old District 1-A, while Perkins and Henderson are both sophomores and neither played on the A team last year.

**Chi Five Loses First Contests**

CHICAGO - (AP) - Chicago's two major college basketball teams, Loyola and DePaul - lost their first games of the season last night.

Loyola succumbed as expected to Illinois at Champaign, 74-66. DePaul, which had been averaging 80 points a game, was humiliated by little Northern Illinois State at DeKalb, 74-69.

Illinois, rated the country's third-best team in this week's Associated Press poll, won their second game of the young season in polishing off Loyola, winner of three previous games.

Kansas State, ranked fifth in the AP poll, was upset by San Francisco, 55 to 52, in an inter-sectional game at San Francisco.

In other games Brigham Young nipped Toledo, 55-51; Maryland edged William and Mary 54-50; Tulsa took Arkansas 42-41; Louisville beat Eastern Kentucky, 75-70; Miami (Ohio) just got by Dayton, 81-80, and Mississippi State defeated LSU, 89-84.

GIRL SCOUT NOTES

By MRS. BOB ANDIS Public Relations Chairman With the coming Christmas holidays near, Girl Scouts of Pampa have busy making presents and preparing for parties and programs. Leaders training courses have not been neglected. With Brownies and Intermediates getting instruction the first part of this month.

Pre-Christmas rush was enjoyed by troop 22 who held a slumber party at the Girl Scout little house. Toasted cheese sandwiches, tomato soup, celery sticks, and "some-mores" were served for supper and later in the evening Mrs. C. L. Sullins brought cookies. Breakfast of orange juice, bacon and scrambled eggs, biscuits, jelly and cocoa was prepared by the girls as square dancing and dramatics the previous night called for a hearty meal. Dinner included stew, stuffed celery, toast, pecans and ginger-bread.

Sharon Kay Jordan, Geraldine Willingham and Clo Ann Johnson are new members of troop 22. Mrs. Frank Kelley, leader, read an article on how to sprout seeds with the different parts of beans noted and girls were given previously sprouted seeds to plant. Plans for a Christmas party, Dec. 19 were made. A year's program was outlined in preparation for the second class rank.

Troop 25 received its Brownie pins recently by giving the promise and handshake as part of the afternoon's ceremony. A Christmas party is being planned by the troop. Painting Christmas presents is popular this year for Scouts of all ages. Some troops are painting plaques, using figurine paints; some are using pencil paints for presents such as pot holders, and one Brownie leader is meeting with groups of five girls different days of the week for figurine painting.

A clever idea of using ash trays to make a paper weight with the daughter's picture calls for some picture-taking before the hand and some felt, a little glue. Small colored bulbs with stems, green leaves and green ribbon in the form of corsages have been presented to Scout Mothers for holiday wear. Leaves from the city park's rebud tree were pressed onto

Mrs. Show's Will LOS ANGELES — (AP) — Paul J. Donovan's effort to block execution of Mrs. George Bernard Shaw's will ran into a stone wall in court. The will set aside \$283,200 to "smooth the rough edges of the Irish," and delegated the task to the national provincial bank of England. Donovan, 71, protested that the Irish did not need such help. The court, however, said there was nothing it could do, that the bank is outside its jurisdiction. Donovan said he'd find some way to carry on the fight.

CHRISTMAS REMINDERS If you didn't make Christmas memos last year, make sure you do it this year. Before discarding Christmas cards and letters, check your address book to be sure addresses of old friends to be remembered next year are up to date. Also jot down good ideas for homemade Christmas presents, food, decorations and games. It is a good idea, also, to keep a list of present and to whom they were sent. Sometimes this will help avoid sending the very same Christmas present to someone next year.

AIRMEN ARRIVE IN U. S. NEW YORK (AP) — The first group of airmen from Yugoslavia to train in the United States arrived Tuesday and were to be sent to the Amarillo, Tex., air force base and other air force installations. The group included 10 pilots and nine technicians.

ceramic clay for design, the edges were fluted and strips of clay rolled for handles to make very nice ash trays for some very nice Daddys. These were bisque baked in the kiln, powdered glazes painted on for the glaze, and then returned to the kiln for another bake. Keeping the holiday theme in mind, members of one troop are making handkerchiefs by hand-hemming them and textile painting poinsettias in one corner. A Brownie troop has been busy the last several meetings making leather coin purses of red and brown for their mothers. Cutting the pattern, pressing the damp leather into form and then pressing them completes a very clever purse for mother that comes open with a squeeze. The fathers in this troop are not being neglected either — the girls made 16 leather billfolds in one meeting. It's a quick, easy-to-make pattern.

BEAUTY AFTER FORTY

Leatrice Joy, glamour star of the movies in the Roaring Twenties, is having a new career. After forty and she is soon to appear in a new movie, "A WAC in His Life." She is just as attractive in her maturity as she was in her youth. Miss Joy lives on a boat anchored in a picturesque harbor near Hollywood. Her friends have no trouble in locating her boat. "Lady Leatrice," because, fluttering in the breeze, there is always a trim clothesline loaded with sparkling clean white gloves! "Wearing white gloves is a Southern custom I picked up long ago in my home town of New Orleans," says Leatrice Joy. "It's not merely an affectation, I guess I am a truly feminine type of woman! I love white gloves, they are so ladylike, I think. I wear at least six pairs of clean white gloves every day. After wearing them once, I immediately wash them in soap and water. Clean white gloves are the most feminine touch in a woman's wardrobe." "You know," she said seriously, "I believe that women are coming back to where they are putting the accent on femininity, just as I am. White gloves are my badge of femininity." "The passing years have mellowed the dramatic beauty, Leatrice Joy, who says, with a smile, "I am a blonde for the picture because they asked me to dye my gray hair for the part." She weighs 122 lbs. her exact weight when she was glamour star of Cecil E. DeMille's magnificent screen masterpieces to which we are thrilled, such as "Ten Com-

mandments." "Tribu-mph," and "Manslaughter." During the interview Miss Joy was resting on the set. She was wearing a pair of her famous soap-and-water cleaned white gloves. "I make most of my own clothes," she said. She says that she has five dozen pairs of white gloves always around her boat. She keeps her trim figure by working in a bright and colorful flower garden near her boat and she takes the helm of the "Lady Leatrice" when she enters her boat in the annual races. But work or play she wears white gloves, which are her distinguished personal touch.

IN MESSIAH — Mrs. Dorothy Peacock, above, will be one of the soloists in the annual "Messiah" to be presented in the Junior High school auditorium Friday at 8:15 p. m. Mr. Clyde Roller of Amarillo will be guest conductor of the group which will include singers from Pampa, Amarillo, Borger and Canadian. "The Messiah" will follow the ceremonies to be held in the City Park. There is no charge. Mrs. Peacock, well-known in musical circles here, will sing "I Know That My Redeemer Liveth." She appeared in the first Messiah here in 1930, which was organized by Mrs. May Foreman Carr. Mrs. Carr organized and directed the singers here, and will accompany the group along with Mrs. Ernestine Holmes Scott. (News photo)

"Watch out for Dixie" is the title of an article in the Woman's Home Companion — which turns out to be a piece about how well Southern girls get along in the business world. From what I got out of the article the Southern girl's particular attributes are two: First, she never really becomes lost in a big city — but creates a background for herself wherever she goes. To quote from the article: "They (Southern girls) have a stronger sense of community than most. They are likely to live with other girls or in good residential houses where they're chaperoned rather than alone. They gather people around them and are part of a group. They have roots." Her other outstanding characteristic is that she has a diplomacy based on courtesy. To quote again: "A Southern girl takes longer to say something. That is because she uses extra words. She says, 'Would you mind,' and 'If you please' and 'Thank you.'"

You might be able to argue the point of whether those two qualities are peculiarly Southern or not. But you can't deny they are qualities that help a girl away from home make a go of her independence. How about it, you young and ambitious career girls? Are you putting-down roots and making a place for yourself socially in the city of your choice? Are you taking the trouble to create a home background? And are you smoothing the way for yourself as well as for others by bringing as much graciousness and charm and good manners to your business life as you possibly can? If you are, there isn't much chance you'll be lost among the thousands of girls who have come to the big city to make a career for themselves.

Mrs. W. R. Campbell Is Hostess To 20th Century Club Tuesday

Mrs. W. R. Campbell was hostess to the Twentieth Century club which met Tuesday for its annual Christmas party. Mrs. Frank Stallings was co-hostess. Mrs. E. L. Campbell presented a program, "Christmas is in the Cards." She reviewed the history of cards in this country, explaining that cards were unknown here 76 years ago. "The custom of sending greeting cards began in England over 100 years ago," she said, "and any sentiment from religious to humorous may be found in cards today. The custom has grown until it has become a faithful and gracious tradition which causes us to remember relatives and old friends at that time of the year. 'It's a thoughtful person who remembers the ones who need the greeting most,'" Mrs. Campbell concluded.

Mrs. G. F. Branson and Mrs. I. B. Hughey were in charge of the "White Elephant" gift exchange. Miss Jane Branson, representing the "Spirit of Christmas," presented the gifts. Members brought gifts which will be given to the Negro nursery. Special guests were mothers of Mrs. W. R. Campbell and Mrs. Lloyd Hicks, and Miss Branson. Members present were Mmes. Branson, E. L. # Crocodile's Appetite For Tuba Player Spoils Concert

By HENRY McLEMORE  
 OAXACA, Mexico — Things about Oaxaca that you won't find in travel or guidebooks: The city band does not play on days when one of its members has been eaten by a crocodile. . . I know this to be true, because last night in the Zooclo (square, to you, and square to me, because I came to Mexico) I sat two hours waiting for the musicians to appear, which they are supposed to do every night. . . With my patience I might well have been there yet had not an army officer who spoke a little English told me that there would be no music — that the tuba player, very popular in the tequilla and tuba set, had been eaten by a crocodile. . . I don't know whether the band remained silent because of grief or because tuba players are scarce here in Oaxaca. . . The crocodile might even suggest that he might come in and fill in for his victim. . . I am lodging at the Monte Alban hotel, years and years ago a refuge for persecuted monks. . . It is owned and managed by one of the most gracious gentlemen I have met in Mexico. . . Alfonso Tena. . . Tena has the same sort of non-linguistic ear that I have. . . But he can draw pretty well. . . When he wanted to tell me that I was going to have a venison steak for dinner he drew a moose with antlers as big as the famed spreading chestnut tree. . . When he wanted me to know that the last time he was in New York was when the airplane crashed into the side of the Empire State building he put two menus together and crumpled his picture of the disaster. . . Tena looks like a twin brother of Esté Pinza, and he came close to doing a murder on me to show how he is mistaken for Esté when he is mistaken for Esté when he is mistaken for Esté. . . The resemblance is so strong, in fact, that I could not help but break forth in the lobby with "Some Enchanted Evening," thereby causing an immediate raise in my rate.

## Elizabeth Taylor Just Vacationing

HOLLYWOOD — (AP) — Elizabeth Taylor's studio says a report that she and British actor Michael Wilding plan to be married in Mexico before Christmas is "fantastic." . . Actually, both are married. . . Hotelman C. Blumenthal said in Mexico City yesterday that Miss Taylor disclosed wedding plans in a telephone call and reserving an apartment in his hotel. . . Miss Taylor and Wilding are on a fishing trip in northern California with actor Stewart Granger and his wife, Jean Simmons. The studio said the four plan to go to Acapulco later this month for more fishing. . . Miss Taylor's divorce from her first husband, Nick Hilton, becomes final Jan. 30. Wilding's wife, Kay Young, sued for divorce Nov. 15 in London.

## Wide Variety of Gifts Will Make Yule Happy For Girls

It takes a little fur. . . a bit of sparkle and glitter. . . something exciting and glamorous to add to the enchantment of a girl's Christmas. . . How super or how super-duper you can make those gifts, depends of course, upon your budget — but many of these glamorous gifts need not be expensive to be welcomed. . . A little bit of fur can put a lot of excitement into a girl's Christmas stocking. . . Choose a mink, necktie, or mink or ermine tails to accent basic smart ensembles. Give her a dressy fur muff — the long-haired furs make up most beautifully and are surprisingly low priced. . . Select one of the many new steles or capes. . . If your budget permits, for a most exciting gift! . . . In the same mood for sparkle, that you can satisfy for a dollar or a hundred, come lovely costume jewelry pieces. . . Since the new fashions demand lots of jewelry, there are wonderful things for your choosing. . . There are glitter-sparkled necklaces. . . pearl chokers and dog-collars. . . pins: ranging from dainty scatter sizes to bold, breakers-medallion-sized charmers to wear at the neckline. . . In the new bold jewelry mood, than the 'tique-finished medallion fobs that grace necklaces, pins, handbags and smart, wide leather belts. . . And it's a cinch to click with your gift selections, if you choose for her, a smart, new belt to cinch her waist. . . Choose it in soft or hard leather. . . velvet with glitter trims. . . novelty metallics. . . or in any of the smart new fabrics! . . . Pamper her vanity with a lovely boudoir set of matching comb, brush and mirror. . . There are other styles with matching powder boxes, perfume bottles and other accessories. . . Or give her a distinctive, smart leather or fabric. . . There are many new shoulder bags. . . beautifully-lined, fitted and smart for her favorite tailleurs. . . Other candidates for her Christmas stocking — a velvet, metallic mesh or fallie evening bag. . . a combination cigarette case and lighter. . . a purse-size lighter. . . a boucle yarn sweater: sparkle-accented at the neckline or at the bodice. . . Or hang up a bit of glamour on her Christmas mites with a pair of gold-kid mitts, embroidered-satin slippers or fluffy, cuddly, furry sluffs. . . Perhaps she'd like a handsome pair of pajamas. . . for lounging or for at-home entertaining. . . a luxurious wrap-around robe, quilted and dainty in pastel-hues to slumber in. . . or a smooth-as-butter tailored robe for wake-up moments. . . Other gifts sure to intrigue your favorite female are smart, gay-hued scarfs. . . fine linen handkerchiefs, initialed or embroidered, for that personal touch. . . a purse-size pen and pencil for her address-book jotting. . . Round the town and round the shops, you'll find all of these gift suggestions interpreted in many moods. . . in every price range. . . but, all of them destined to put stars in her eyes come Christmas morning.

MEET THE CHAMP—Framed by assorted cuts of meat, James Barry, senior at the University of Missouri, celebrates his winning of the meat-judging contest at the international livestock show in Chicago. Barry scored 932 out of a possible 1040 points, trimming his nearest opponent, Robert Kreiter of Iowa State College, by three points.

## Goodies An Important Part Of Christmas; Try These Recipes

Christmas is the most wonderful time of the year! The beautiful tree, the cheery decorations, and friends dropping in to say "Merry Christmas!" . . . As much a part of the Christmas tradition as holly and red candles are the rich, tempting fruit cakes and cookies the wise homemaker has baked to serve during holiday calls. . . **HOLIDAY FRUIT CAKE**

## MORE PRECIOUS THAN RUBIES

By Nina Wilcox Putnam

THE STORY: Alma Conroy, designer for the exclusive House of Crutwell, a jewel firm, has been traveling ever her husband's recent promise to the same firm. She goes to a club to tell the good news to Tommy's and her friend Joe Denton. There she sees Tommy with another woman, although Tommy had told her he was going to be out of town. Joe takes Alma elsewhere and there confesses that he is in love with Alma and wants to marry her. She leaves Tommy. Alma believes them by another woman's name. Tommy's conduct and does not give Joe her address. . . Tommy would not come home tonight, she felt certain. . . Undressing in the dark she crawled into bed and lay there thinking. What if Tommy were untrue to her? Well, she had Joe — why couldn't she make it even? If she was going to be left alone like this, lied to, deceived, why not console herself? . . . Tommy's grim mouth and tender eyes seemed to come close to the darkness. "It's not being true to Tommy that counts," said the nasal voice, "it's being true to yourself!" . . . Then Gran' Bijou's wrinkled mischievous old face pushed its way into the picture. . . "Alma! Be realistic, my little cabbage! Love is not important enough to torture one's soul about. Do not worry about your husband's behavior, nor copy it. We French have a sound family life and we do not allow a thing like this to break it up." . . . THE lumbering sound of early morning traffic, of heavy trucks pounding to the markets and the shrill whistles of night-club dooring hailing cabs for late-departing patrons had begun to break the mid-town silence when Alma heard the uncertain footsteps in the hall outside, and the tumbling at the keyhole of the front door. It was 2:30 o'clock and Tommy had come home. . . He stood in the bedroom doorway, swaying slightly and grinning in a foolish manner. Alma sat bolt upright, wide awake on the instant. . . damped. Beat vigorously for two minutes. Add raisin-nut mixture and mix thoroughly. Turn into two 9 x 4 x 8 inch pans which have been greased and lined with wax paper and greased again. Bake in a moderate oven (350 deg.) for one hour and 15 minutes or until done. When cool, remove from pan, leaving wax paper on until ready to serve. Wrap in clean cloth and store in a tin container to keep moist. Make two loaves. . . **ST. NICK COOKIES**

## Tips On How To Plant Live Yule Tree

More than an "X" should mark the home grounds' spot if you're planning to have a live Christmas tree this season. Lay down a thick mulch over the carefully selected location now. The mulch will keep the soil workable for the transplanting after the tree has served its decorative purpose indoors. . . Martin L. Davey, Jr., head of the Davey tree experts, says getting a Christmas tree that will do duty, both indoors and out, is an elegant idea. However, helping the tree survive the rigors of late season moving calls for care and planning. The mulch of peat moss, salt hay or leaves will keep the ground workable as well as more hospitable for tree roots. . . Location selected should provide growing space for a forest type evergreen — one that eventually will grow to large proportions. For instance, Norway spruce, commonly used Christmas tree, often reaches a branch spread of 20 to 40 feet. Most other popular Christmas trees have similar growth potential. . . If your landscape can't support an arboreal giant, forget the living tree project, advises Davey. If you do go ahead, several other precautions are advisable. . . 1. Buy your tree from a reputable nurseryman or dealer. . . 2. Make sure it has an adequate earth ball, suitably bur-lapped, around the roots. . . Read The Pampa News Want Ads

## Sports Gifts Score Heavily

If he's a man there's a sport he loves. And when you're drawing up your Christmas list this year shoot a perfect score by catering to these tastes.

Whether he's one of the many golfers or a rarer curling enthusiast, you're sure to bag something he wants in his favorite sporting goods store. When you're in doubt, just ask the clerk. He's sure to know your man's preferences.

Golfers always need extra golf balls. A new set of golf clubs, a jacket with plenty of swing room and golf bags in a variety of fabrics, both natural and man-made, will always be a hit.

Hunting equipment, a new rifle, a mountain tent, a convenient portable stove, a hunting knife, or a lenatic compass score bullseyes with hunters, while fishermen cast longing glances at colorful flies, rods and reels and creels.

For those who prefer court games, such as tennis and badminton, there's an "ace" to be scored with rackets, shirts and shorts. Blazers and other popular jackets are perfect for after the game.

Bowlers want new carrying bags, bowling balls, soft soled shoes. The younger set look for baseball gloves and bats, footballs, pads and cleated shoes.

For winter there are ski and accessories, toboggans, skates and warm, wind-repellent outer garments.

But no matter the sport he fancies, the gift field to hunt from offers a covey of opportunities. Do your Christmas shopping early and you'll find a "sporting" Christmas a joy to give.

"When I invited them, I told them I was sure they couldn't leave that pretty farm nestling in the snow—but here they are!"

## Chaplin's Eighth Film To Be A Family Affair

By BOB THOMAS

HOLLYWOOD — (AP) — Charles Chaplin has embarked on his eighth starring feature film in almost 40 years of making movie history. It is his second picture without his traditional tramp costume.

Rarely in his career has the English-born comic permitted any outsiders to observe him during the production of one of his movies. But he has mellowed in recent years (or realizes the need of press coverage) and I was allowed to visit the set of his new film, "Limelight."

"You don't exactly interview Chaplin when he is working; you try to get a word or two while he is performing a dozen chores. So I hastily asked if he was glad to be back at work after a four-year absence."

"Not exactly," he replied, his eyes crinkling in a grin. "I work like the devil when I'm on a picture. After I get one started, I wonder why I undertake so much work." He hinted that was perhaps why he doesn't make pictures more often.

"Are you using the tramp character in this one?"

"No," he replied.

"Do you think you ever will again?"

"I don't think so," he said. "But then, you never can tell."

Chaplin abandoned his tramp character in one other picture.

That was his last one, "Monsieur Verdoux." He still likes the film. Although his reception in the U.S. was poorer than any other movie of his career. However, it made large profits in Europe.

"Limelight" will carry no message (except the underlying human theme that marks all Chaplin films). The new picture is the story of an English music hall comedian who has seen better days. He befriends a destitute ballet dancer, played by Claire Bloom, who was discovered in a London musical.

The girl's career rises as the comic's descends. The situation is reversed and she must keep up his morale, even though she is in love with a younger man, played by Sydney Chaplin, Charlie's son.

The whole project shapes up as a family affair. Also in the cast is Sydney's brother, Charles, Jr. (Both are agent-ed by their mother, Lita Grey Chaplin.) Playing another role is the comedian's half-brother, Wheeler Dryden. And Chaplin plans to have a brief appearance of his three children by his present wife, Oona O'Neill — Geraldine, 7, Michael, 5, and Josephine, 3.

Home gardening, though worth while, is a lot of trouble after all, says an expert. Yeah—after all the neighbors' dogs.

## Versatile New Set For Young Builder

Now Junior and Sister can decorate their room, build tents, playstands, towers, tepees, in fact practically anything their imagination may conjure up, all from the same piece-together boy.

This new versatile play set called "The Toy" consists of four brightly-colored squares and four triangles of plastic coated paper that assemble and disassemble with ease. Designed by the noted architect, Charles Eames, it's for children from five to 10 years old.

## Communist Suspects

LOS ANGELES — (AP) — Fifteen persons accused of being leaders of the California Communist party will be indicted because of "ambiguous and detective language" in the original charges.

U. S. Judge William C. Mathes gave the prosecution 10 days to make the correction before he dismisses the indictments on which they are now held. The 15 are charged with conspiring to advocate revolution.

## Marie Wilson Plans Marriage

LOS ANGELES — (AP) — Marie Wilson of the films and radio is going to marry television producer Robert Fallon.

The shapely star of the "My Friend Irma" program and the handsome Fallon, 31, and never before married, will wed Friday night in Santa Barbara. Miss Wilson was married for eight years to actor Allan Nixon, but they were divorced Dec. 29, 1950, in Las Vegas, Nev.

## Trainman Is Taking It Easy After Retirement

CANADIAN — (Special) — After more than 40 years of caring for the big Santa Fe locomotives here, J. C. Mason, retired hostler, is "just enjoying the freedom from having to be at a certain place at a certain time."

Mason started work here in 1911 as hostler helper; was promoted to hostler in September, 1933, and worked in that capacity until August, 1951, when the Santa Fe drastically reduced its roundhouse facilities here, and the consequent reduction in force made him hostler helper which job he held until his retirement on Dec. 1.

## Pampan's Relative Dies In Oklahoma

Funeral services were conducted Monday in Reed, Okla., for W. R. Pugh, 85, grandfather of Mrs. L. V. Burney, 1108 Wilks, and father-in-law of Mrs. Pat Willis, also of Pampa.

Mr. Pugh died Sunday in Mangum, Okla., following a three-week illness.

He is survived by his wife, 15 grandchildren, and 33 great-grandchildren.

## HST Considers Mother's Plea

WASHINGTON — (AP) — President Truman has promised "careful consideration" to a plea by a former Army nurse that she be reunited with her adopted 11-month old daughter before Christmas.

The German baby was adopted in August by Capt. and Mrs. Kenneth Slater, Capt. Slater, formerly of Shady Grove, Texas, was killed by burglars a few weeks later.

Mrs. Slater, a resident of Chateaugay, N. Y., was unable to bring the child to this country immediately because of immigration technicalities. She called on

Rep. Kilburn (R-N.Y.) to intervene with Mr. Truman. Kilburn asked the President to grant the child a visitor's visa pending possible legislation by the Congress.

All insects respond to kind treatment, says a scientist. Maybe it isn't so bad, hubbies, to be a loose.

### Irish FHA Gives Assembly Program

SHAMROCK — (Special) — Democracy and faith were topics for FHA assembly program here Tuesday as the students of Miss Helen Borth, vocational home-making teacher, presented their annual chapel offering.

Mary Kay Holmes served as student emcee for the program. Linda Horne discussed, "Better Homes for Democracy," submitting that home life inevitably affects the life of the nation, the health and happiness of the children and parents. It must be healthy emotionally and physically, Miss Horne said.

"Motto and Creed of the FHA" was the topic for discussion by Maymette Derr, while Peggy O'Neal told about the activities of the Shamrock FHA chapter. Mollie Mayfield told of the "Purposes of the Shamrock FHA chapter," including the integration of family life, the building of faith, the enhancing of democratic ideals.

Carolyn Dodgen gave a reading of a church and the beginnings of Christian faith, while Frederika Abbott played a soft background of accordion music, "Silent Night" and other Christmas songs.

### Santa Day Parade Slated At Lefors

LEFORS — (Special) — Lefors Lions club and businessmen are sponsoring a Santa Day parade at 3 p. m. Friday.

All school children will participate in the parade by marching downtown behind the city fire truck on which Santa Claus will ride.

### Carolyn Dodgen Irish Pep Leader

SHAMROCK — (Special) — Carolyn Dodgen, 1951 freshman forward and scoring star, will be one of the 1952 pep squad leaders next year. She was chosen last week.

Carolyn was one of the top scorers for the junior high girls of 1950-51 senior girls.

**ROTATION PLAN**—Capt. M. S. Eisenhardt of Raleigh, N. C., whirled Cpl. Edwin Hamilton of Philadelphia, Pa., on his home-made portable "rotation plan," at their base somewhere in Korea. It's just a gag, built of an old wagon wheel and axle, but it points up the subject that's uppermost in the minds of most G.I.s in Korea. "Rotation" means return home after a long tour of war duty. ### Canadian Students In All-State Band

CANADIAN — (Special) — Two Canadian high school students won positions in the all-state band in try-outs held in Lubbock, Dec. 8. Gilbert Forrest was selected to play bass horn in the band. He was the only bass horn player chosen from this region. Forrest has been in the Wildcat band for five years and is now a junior in Canadian High school. He is the son of Mr. and Mrs. Charles R. Forrest of Canadian.

Stan Douglass won alternate position on bass clarinet, the only one from this region. He has been in the Wildcat band five years and is a junior in the Canadian High school. He is the son of Mr. and Mrs. Charles R. Douglass of Canadian.

Other Canadian high school students trying out for the all-state band were Norma Bernson, cornet; Dorothy Bernson, clarinet; and Richard Waters, clarinet. Miss Marilyn Witt, band director; Kenneth Smith, drum major; and Mrs. Chas. Douglass accompanied the group to Lubbock. The two boys will go to Mineral Wells in February to play in the all-state band.

### Dear Santa:

(Continued From Page One)

I am nine years old. I would like a doll and I would like some fruit and nuts and candy. I will leave you some cakes and pies and oranges. And my teacher's name is Miss Natha. Please bring her something.

With love,  
Mary Kyce, Lefors.

My name is Ann Marshall and I'm three years old. I've tired to be a good girl. Could you please bring me a big doll and buggy. My brother's name is Terry Lynn. He wants a rocky horse. He is a good little boy. We live at 908 S. Nelson.

Love,  
Ann Marshall.

P.S. My friend Dixie Ann Ford wants a doll and buggy, too. My cousin Glenda Ruth Ford wants a doll and telephone.

My name is Donna Kay Haynes and I am only three months old so you see this is my first Christmas and I am writing so that you will know that I am in this world. Please bring me a Beany Breads doll, a Tetterbabe jumper set and some shoes that really fit my feet.

Love,  
Donna Kay Haynes  
(817 S. Nelson)

Dear Santa:  
I am a little girl 8 months old I would like a little doll for Christmas. Please remember all the other little girls.

Merry Christmas  
Teresa Newton

DEAR SANTA  
We are two little boys, six and eight years old. Would you please bring us two guns and holsters, cowboy suits, cowboy hats and boots, also lots of candy, nuts and fruit.

Thank you,  
Gene and Jerry Baten  
(1101 Garland)

Bring me and my brother Jackie, some boxing gloves and punching bag. We are pretty good boys. My baby sister wants a toy, too. We will be looking for you Christmas. Don't forget Mother, Daddy, Grandpa and Grandma.

Lots of Love,  
Butch Thompson  
(112 S. Faulkner)

Each year I've written you, and you've been good to me. You'll remember that I'm four this year. My mam-ma visited you at the North Pole in New York, and told you I wanted a typewriter. I also want a washing machine and an iron. I may change my mind before you leave here, but whatever you leave will be just right.

Just waiting,  
Randall Anderson

I am a little girl four years old, and my little brother is nine and a half months old. I would like a doll that will cry tears, ironing boards and a blackboard. Bring Danny some plastic blocks, a teddy bear and some red sleepers, nuts, fruit and candy for everybody. Bring my Mommie and Daddy something, too. Remember all the little boys and girls. I will try to be a good little girl and mind Mommie and Daddy. I will leave the front door open for you Christmas eve night.

Love,  
Sandra Kay and Danny Searl  
(1021 Christy)

My name is Dug Brock and I am six years old. For Christmas, I would like you to bring me a two-wheel bicycle with two little bit wheels to hold me up so I won't fall when I ride it. Please bring all the other boys and girls, some toys, too. Bless all the boys over in Korea who are fighting for us and think of them on Christmas morning. Goodbye Santa and thanks.

Dug Brock, Lefors

We love you. Please bring me a Toni doll and a bicycle. I am a good girl seven years old.

Love,

### Wheeler Installs Kiwanis President

WHEELER — (Special) — Dr. C. C. Merritt was installed as Kiwanis club president for 1952 at the annual ladies' night meeting held Monday. A. D. Speck was installed as vice president and Thurman Rives as secretary-treasurer.

John Rust of Berger installed officers. He also installed directors Frank Wotford, Barney Teague, N. D. Ware, Watson Burgess, Ebb Farmer and Bill Darrell.

Congressman Walter Rogers was speaker for the evening. In his talk on the tax problem he mentioned that while he was fighting a tax increase in Washington his local taxes were raised. Other highlights of his speech were the graveness of the situation in the Near East and in Europe and the cleaning out of bribe takers in Washington. He also pointed out the necessity for finding the bribe offerers before the matter is dropped.

**SAFETY FOR THE "DEATH SEAT"** — A new idea in auto safety is the "Safe-4-table," demonstrated above by Norm Nicholson in Detroit, Mich. When the car jerks to a sudden stop, the rubber-cushioned table springs out from the dashboard and prevents passenger from going through the windshield. Developed by a Detroit auto stylist, the table may also be used for writing, as map board or for lunch. But, its main purpose is to cut the toll taken by the right-front "death seat," where seven out of 10 persons killed in auto accidents were riding.

### Their Special Decor Merits Special Gifts

Give them a gift for the home they seldom would buy for themselves, but always keep in mind as "something they would really love to have."

A striking statuette of wood, clay or metal are other gifts that always have a welcome niche in the modern decor. And for the family who dotes on comfort as well as a carefully adhered to decorative theme, there are wall lamps that will concentrate a beam of light on any spot desired. These make excellent gifts for the bedroom or reading corner of the living room.

The fireplace mantel is often the dramatic point of interest in the traditional home. Give it more beautiful and more functional accent than ever before with a gift clock in either a classic style or a reproduction of a Victorian timepiece surrounded by cherubs and encaused in marble.

Or treat them to a magazine rack. This small-in-size gift is large-in-importance for holding neatly and in one easily accessible place the magazines mother, dad and all the rest of the family subscribe to that cater to their individual interests.

If dad does a lot of office work at home, mother is a great letter writer and the youngsters enjoy sharing the homework hours at the same desk, a desk set, including everything from blotter pad to pen holder, is indeed a smart gift.

Their home is informal American Provincial with every piece of furniture and accessory either a fine reproduction or prized antique. To flatter their way of living give them a set of apothecary jars they can use in the kitchen for herbs and condiments; the bathroom for bath salts, mouth wash and the like; and in the living room as novel candy containers.

A barometer is a gift sure to be prized in the Provincial home. Not only is this instrument of great decorative value, but it will also prove a handy weather guide for every member of the family.

Then as a whimsical yet practical note, there are roony wooden sugar tins that can be pressed into good looking double duty service. The tin itself can serve as a handy magazine rack or umbrella stand. And the little lid can be used as a tray for hors d'oeuvres or drinks.

**KILLED IN FALL**  
EL PASO (AP) — A. L. Griffith was killed Tuesday in a fall from Radio Station KSET's transmitting tower. He was a repairman.

size photos or snapshots of the folks back home.

These things are your packing, and while you are about it, slip in some stamped self addressed envelopes and postcards.

Arrange neatly, wrap gaily, and then you're ready to put it all in the sturdy outside container to carry a real bundle of Christmas cheer to someone in the service.

Gift packages for men and women in the service should be planned to contain a handsome variety of Christmas time surprises. Once you've made up your mind on what to send as the major gift, the rest of the task is easy and also inexpensive.

Start by using an outside mailing container considerably larger than required for the major gift itself.

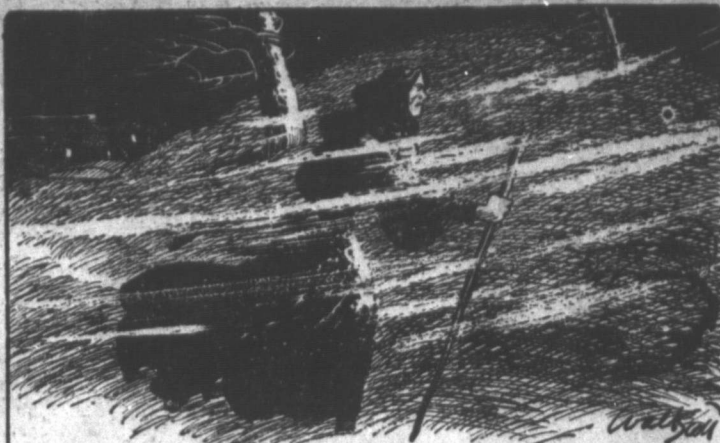

Then assemble such items as recent issues of the favorite newspapers, a few pocket books, some cans of hard candy, nuts and delicacies, and top this all off with a little packet of pocket

Franz Gruber, organist of Oberdorf, broke the sad news to Father Mohr that the organ had broken down on Christmas Eve. "We shall have music tomorrow anyway," said the priest.

He then agreed to write some verses for a Christmas song — if Gruber would set them to simple music.

That evening a howling blizzard swept down from the Alpine peaks and there came a call for Father Mohr to go to a home where a boy baby had just been born.

### Fill Christmas 'Male Call' With Special Gifts For Him

Going Christmas gift shopping for your favorite man? Hope to find that special gift he'll show off with pride when friends come calling Christmas day?

"Perhaps you're looking for a gift of wearables and want one that will progress quickly from "my Christmas gift" to something he wears every possible moment and labels "my favorite."

A good rule to bear in mind is—"Is this something he'd buy for himself?" Is this really suitable to his hobby or his favorite sport?

It's a big let-down when your gift is left in its gift box long after Christmas is over, just because it wasn't suitable to his tastes or needs.

This year, the stores are brimming with distinctive gifts for men. Gifts that won't remain in their gift boxes after that moment of pleased surprise when he opens it!

If you are looking for a gift to wear, don't overlook the marvelous new fabric, wool and Orlon, made up in handsome apparel for men. It wears longer than wool and won't crease or wrinkle. If he likes casual clothes, he'll love a smartly styled sport shirt or casual jacket, that he can team with slacks.

Does he love easy-going comfort for his hours of leisure? He'd love a good-looking robe! You can select it from a wide array of fabrics and colors to suit his tastes.

And this year's gift slippers reach a new high in looks and comfort! Be sure to select the styles with thick, foam rubber soles, designed for the ultimate in ease. They're available in many styles and fabrics. His favorites, the opera slipper, loafers, and scuffs and popular slipper sox, are featured.

Gifts of leather are always an inspiration, for they make rich looking gifts. If his brief case is getting old and shabby, surprise him with one of the new styles and have it monogrammed in gold. Wallets have never been so available in a wider choice of beautifully finished leathers, distinctively styled.

Jewelry for men makes a greatly appreciated gift. Cuff links, tie bars, money clips, heavy identification bracelets, rings with his initial or lodge emblem, and watches are being shown in a handsome array for gift-giving.

A small radio that he can use in his bedroom or den is a gift he'll enjoy from Christmas morning on throughout the year.

There are many gifts of furniture that would delight a man on Christmas! A new desk for his den, a card table with matching chairs for entertaining his bridge or poker foursome in style, a cabinet for his prize collection of records or a new easy chair, complete with hassock, for his at-home leisure.

### Globes, Maps Gain New Popularity As Horizons Broaden

Never in history has there been a Christmas when globes, maps and atlases have been more appropriate for Christmas giving than this year, when the news we read every day carries us literally around the world.

Globes, in addition to being immensely useful in helping anyone to better grasp the news, are also handsomely decorative. They lend an air of distinction to any study, or any living room corner where bookshelves are featured.

Maps come in so great a variety of sizes and designs that every man may have some trouble choosing what to give here. In any event, if they are planned for a gift, they should be framed so the recipient will have no trouble in hanging them. These, too, are wonderfully attractive.

The atlas is definitely a must in this era of international affairs, especially in homes where there are children.

Globes, maps and atlases may be found in department stores and book stores.

### Here's How To Do It Right In Choosing Hosiery Gift

Make Christmas safe as well as merry.

Christmas would be just another day without a gloriously lighted Christmas tree in the home. It's fun to trim the tree. It's a lot easier to trim it the safe way!

First make sure the tree has a firm base. There are loads of inexpensive tree holders available for this purpose. It is always best to use a tree holder that is designed to hold water.

Water at the base of the tree will greatly retard the drying out of the needles and keep the tree fresh and fragrant.

When placing strings of lights on the tree always start at the top first. Make sure you stand on a firm support.

Wind the strings of lights around the tree taking advantage of the branch formation.

A good trick, if you have too few lights and the tree is large, is to back the tree against a wall and string the lights back and forth across the front side of the tree.

Make sure there is no tinsel or other matter in the light sockets. Place the lights on first and then decorate with glass balls, tinsel and other ornaments.

To be safe you should never use strings of lights with worn insulation. The wattage of most Christmas tree lamps is low, however, it is never wise to place too many lights on one circuit.

Do not plug in the lights to the outlet socket until the lights are completely arranged on the tree. It is a simple matter to rearrange the colored lamps to please the eye once this has been done.

Take the tree down as soon after the holidays as possible. When removing the strings of lights always first disconnect the current first.

Remove all the lamps while the strings are still on the tree, this way you will avoid breakage and make them last for years and years.

These few simple precautions will assure you of the safest most beautiful Christmas Tree you ever had the fun of trimming.

### Doctor Of Year Welcomed Home

GOSHEN, Ind. — (AP) — Goshen is planning a rousing welcome home next Tuesday for Dr. A. C. Yoder, 84, the American Medical Assn.'s "Family Doctor of the Year."

A committee named by Mayor Rollin Roth decided to give Dr. Yoder and his wife a television set and a diamond ring on their return from the AMA convention in Los Angeles. A parade is planned.

The committee also started arrangements for a city wide reception on Dec. 30. Special invitations will go to an estimated 2,000 babies delivered by Dr. Yoder during 49 years as a doctor in Goshen.

### DIVORCE GRANTED

SANTA ANA, Calif. — (AP) — Actress Bette Davis' mother won a divorce Tuesday.

Mrs. Ruth Favor Budd, 64, charged Otho W. Budd, retired Army captain, with cruelty. They were married in April, 1950. They have both lived in nearby Laguna Beach many years.

### Choose Yule Tree Wisely; It Will Last

It can be like looking for a haystack in the needles if you buy a dried-out Christmas tree and expect it to last over the extended holiday.

Before purchasing, feel twigs and foliage and "smack" the tree but sharply on the floor, advises Martin L. Devey, Jr., the tree expert. If twigs and needles feel brittle and needles rain to the ground, shop about for another tree. Odds are the one at hand soon will look more like a hat-rack than a Christmas tree.

The traditional tree — widely available — is the balsam fir with fine conical form, spry top and excellent color. It and other fir hold their foliage well and stay attractive throughout the holiday season. The Norway spruce as well as other spruces enjoy wide popularity and make desirable Christmas trees, although they do not hold their leaves as well as the fir.

In areas, where available, some of the pines also provide nice

### Children Too Rate Jewelry

Younger children, too, come to value personal gifts of jewelry even down to the littlet new-comer to the family circle.

All sorts of appropriate stone-set jewelry, gold and silver chains and lockets, napkin rings, silver cups, bracelets, rings and pendants are seen today exquisitely styled for the tiny tots and members of the very youngest groups who love novelty and sparkle.

holiday atmosphere — notably Scotch, Austrian, red and white pines. In more northern districts, arborvitae occasionally grace the indoor Yuletide scene.

Trees that are closely branched and come well down to the base are best for decorative purposes. There is a time when a "one-sided" tree may serve equally well. That is when you intend placing your tree in a corner. It is entirely possible you may get a real "hargain" in such a tree.

Your Christmas tree will retain its attractiveness much longer if you recut the but and lower it into a container filled with water. No need to go to extra expense, either.

If the tree is small, simply fill an ordinary pail or bucket with enough rocks, gravel or even coal lumps to hold the tree securely. Pour in the water, then decorate pail or bucket with tinsel or decorative paper.

Even genuine diamond-set gifts may be had at prices that make it all seem far from extravagant, even for the very young.

The personalized character of such gifts is again reflected in the choices made here, because good taste — tacitly supposed to be inborn in all of us — is, as everyone knows, mainly a reflection of the environment as well as the prevailing tastes of those who exercise the most influence in the early days of the family's growth period.

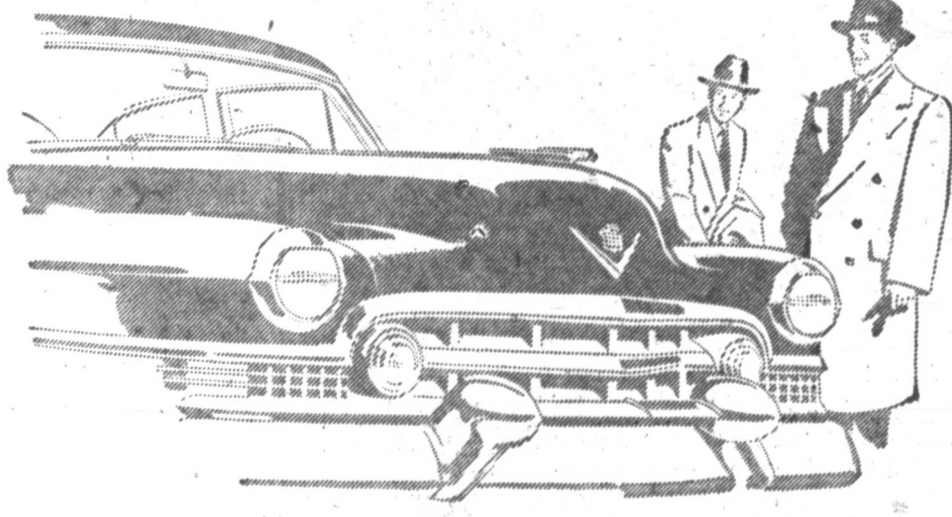

But whatever the jewelry gift, always remember that — because it first appeals strongly to you — it is sure to be warmly personal as a reflection of you to the recipient on Christmas and for years to come.

The Jewelry Industry council has prepared a booklet of Christmas gift suggestions for all ages and your own jeweler probably can let you have a copy free around this time of the year. Ask him.

## His Fifteenth Cadillac!

Put a man behind the wheel of a Cadillac—and he's very likely to stay behind the wheel of a Cadillac!

Many and many a man is driving his fifteenth Cadillac—and it is not unusual to encounter an owner who goes far beyond that figure.

Naturally, a car must offer many things in order to have such an enduring hold on the affections of those who own and drive it.

It must be as faithful and dependable as a mechanical creation of its type can be.

It must be so pleasant to drive and so easy to handle that the hours at its wheel bring rest and relaxation.

It must be so beautiful and so highly respected that

it is a compliment to its owner wherever he drives.

And it must be economical, both to operate and to maintain—for luxury brings a dual pleasure when it comes with no extra penalty in cost.

In short, if a car is to have such a hold on the regard of its owners, it must be a Cadillac!

If you have already ordered this distinguished car, and are awaiting its delivery, hold firm to your purpose—for each day brings you closer to your heart's desire.

But if we don't yet have your order, better come in and see us today. The sooner you place your order, the sooner you'll have those many wonderful things which only a Cadillac provides.
