Spearhead Counter-Attacks Against Soviet Spy Charges

PARIS — (AP) — Two congressmen spearheaded the U. S. counterattack against Soviet spy charges. One pictured the whole Soviet-dominated area as in the grip of "spy mania." The other called Soviet Foreign Minister Andrei Y. Vishinsky "a veniporous old goat."

Rep. Mike Mansfield (D-Mont.) told the United Nations political committee four American airmen whose unarmed transport plane was forced down in Hungary Nov.

19 are victims of the spy mania. Vishinsky yesterday expressed, in a violent speech, how the four would be tried by "our military and justice authorities."

Rep. John M. Vorys (R-Ohio) accused the Soviet delegate of trying to wreck "the two great forward steps taken by the United Nations this week. Vorys advised the weekly luncheon setting of the American club in Paris.

Vorys, like Mansfield a member of the House Foreign Affairs committee and a delegate to the UN General Assembly session, delivered a stinging attack on Vishinsky's speech in the political committee Wednesday. He called it "a matchless, putrid stream of vituperation."

He said the adoption of the commission for Germany was a great defeat for the Soviets, first time the "official sources

have had to show and make clear that what they want is elections they can control and that their idea of unity is the unity of the chain gang."

Mansfield's description of Communist fears followed a Polish accusation the United States is operating a vast spy ring and financing "killings, assassinations and outrages" behind the iron curtain.

Red Cross Officials Leave For Korea

Who'll Get Dubious Honor Of Being 1,000,000th Car Victim

By HAL BOYLE
 NEW YORK — (AP) — This weekend some unknown American will get the dubious honor that no one wants.

It is the honor of becoming the 1,000,000th automobile fatality in this country.

The person who gets this dubious distinction may even now be curiously following the National Safety council's careful check of traffic deaths as they

near the 1,000,000 mark, and saying to himself: "Boy, I'd hate to be the unlucky guy they're looking for. Who will it be? The first man killed by a motor car was a pedestrian, a broker who was run down here the evening of Sept. 13, 1899.

Who will the 1,000,000th be? A school child darting across the street? A housewife driving home from Christmas shopping? An old lady coming home from church? A teen-ager speeding his jalopy too fast around an icy curve? A drunk behind a wheel where he doesn't belong?

There is something macabre about the air of expectancy with which the nation awaits the identity of its 1,000,000th traffic victim.

Death on the highways has become so commonplace it has become a fact of existence, a risk the American people are so accustomed to they no longer think it very odd that motor vehicles have caused them more casualties in half a century than all their wars put together.

The slaughter goes on all but unnoticed except in the homes it touches . . . 100 yesterday . . . 100 today . . . 100 tomorrow . . .

Who will the 1,000,000th victim be? Rich man . . . poor man . . . or a baby in some one's arms?

The one sure thing is that it might be you.

PRESENTATION — Horace J. Pickett, general superintendent for Cabot Shops, Inc., left, presents a certificate for completion of a job relations training course to A. W. Winborne, Shops employe. Pastor Is Speaker At Lions Meeting

"We still are looking in the wrong direction for God," Dr. Douglas Nelson, pastor of the Presbyterian church, told Lions club members yesterday.

He said he has talked with a chore Christmas is and how good it will be for the holiday to be over. "But we know we are on the wrong trail and making too much out of the commercialized Christmas.

Stop griping about the commercialized aspect of Christmas, he said. Expect the unexpected. "Look for it in this direction and you will find God."

Lions President Sherman White appointed all past presidents to form a committee to make plans for the club's 25th anniversary in April. Roy McMillen was named chairman. The annual minstrel show also will be held in April and tied in with the anniversary.

Members decided to adopt two families for Christmas. Lt. Fred

Cabot Honors Employees At Banquet

"The basic reason some people do not get along is because they do not know one another well enough," Hugh Burdette, vice president and general manager of Cabot companies, southwestern division, told 41 Cabot employes last night.

Burdette spoke at a banquet in the Pampa Country club honoring employes of Cabot Shops, Inc., who recently completed a course in job relations training.

He said that common sense is an important factor in successful human relations.

"When trouble arises between labor and management," he said, "two methods of settling the dispute are used. These are arbitration and conciliation. The public relations department of Cabot acts as the conciliator, the one who steps in and strives for a compromise. In this way the two concerned can settle difficulties without a third person interfering. As in marriage, people must compromise in business to get along."

Forty-one certificates signifying completion of the J.R.T. course were given employes by Horace J. Pickett, general superintendent of the shops. Ten other men who completed the course were not present. It marked the first time Cabot employes from this area had been offered the course. Instructor for all classes is Hiram Prince.

R.A. Baker, general manager of the shops, said that the seasons are healthy for both workers and company. "The company is now better than the security you have with it," he stated. "Team work is an intensive job and our future looks healthy."

Music was furnished by the Panhandle Troubadours, consisting of Bobby and Barbara Patterson and Tommy Smith. Reno Stinson, industrial relations director was "master of ceremonies" and Jimmy McCune, assistant industrial relations director, led group singing.

Boys Clubbers Topple Lockney

Slowing plenty of desire for fast action the Pampa Boys Club boxers whitewashed the Lockney American Legion team, 9-0, last night in a team match at the junior high school gymnasium. It was the first match of the season for the Clubbers, and they looked very impressive in scoring two knockouts and a TKO in their string of nine wins.

Three exhibition matches completed the card. Top fight of the night was a 147-pound semifinal scrap between J. N. Wright of the Clubbers and Red McDaniels, representing Lockney. McDaniels, having a mat of red hair and a temper to equal it, found his southpaw style inoperative against the slugging Wright. The redhead quickly got the crowd against him by complaining to the referee, Birdie Trice, about something during the first round. From then on, he was the villain. And Wright floored the villain for the eight count in the second round and battered him from ring post to ring post the rest of the way. It was a leather pusher all the way and Wright gained the clean, unanimous decision of the three judges.

TOUCHED DOWN — Billy Davis, Harvester footballer, scores again. This time with a right hook to the jaw of Earl Gentry, sending him down for the count during last night's boxing action at the junior high school gymnasium. The knockout came in 17 seconds of the first round. The Pampa Clubbers won nine straight matches from the Lockney team. (News photo.)

You Knew It—But Stan And Ralph Top NL Bat Averages

NEW YORK — (AP) — Ralph Kiner of Pittsburgh and Stan Musial of St. Louis again were the big dynamites as the National League set a major league record and tied six others, according to official figures released today.

Kiner and Musial finished one-two in slugging percentage, the Pirate star pounding out a gaudy .627 mark. Musial slugged out a percentage to .584. This bettered the league record of .578 set by Johnny Mize.

NEW HOMER MARK — Kiner's feat of leading his league in home runs six seasons from his first year on set a new big league mark. His 40 or more homers for five consecutive seasons set a new National League mark. Musial tied a big league record by leading his league in three-baggers for five years, and set a circuit mark by scoring 100 or more runs eight years.

Others who set or tied marks included Gil Hodges and Jackie Robinson of Brooklyn (fielding), Willard Marshall of the Boston Braves (fielding), Andy Seminick, Philadelphia Phillies (batting) and Solly Hemus, Cardinals (batting). Hodges participated in the most games (158) and took part in the

Horned Frogs Find Size OK

By HAROLD V. RATLIFF FORT WORTH — Texas Christian coaches looked over the Kentucky roster today, found the Wildcats were no bigger than the Horned Frogs and decided it was going to be quite a battle when the teams meet in the Cotton Bowl Jan. 1.

"It scared us," said Amos Melton, the business manager of athletics and official spokesman for every department. "We can beat those big fellers but these little fellers are going to be like us, and that means trouble." TCU has been accustomed to the opposing line outweighing it from 19 to 29 pounds, the Horned Frogs want to play this one.

"You know, most times a football team isn't pepped up for a bowl game. But the Frogs are and they really want to play."

TEN DAY REST — The fact that Coach Dutch Meyer gave the Frogs 10 days off after the regular seasons ended and that practice since its resumption has been rather light contributed to the spirit of conquest. "The team has been having fun and enjoying football," Melton said.

Coach Meyer says he thinks his Frogs have a good chance to beat the Wildcats because they depend largely on passing and have the same type offense as Baylor. Texas Christian stepped Larry Isbell, Baylor's great passer, and the Frogs won, 20-7. Meyer doesn't think Babe Kenney, the Kentucky pass-master, is better than Isbell but he knows Isbell is a great football player and passer. TCU intercepted five of Larry's throws.

Meyer said he figured TCU could move against Kentucky. The Frogs haven't failed to score at least two touchdowns on every team encountered this year. But he added that it was a question of whether the Frogs could stop Kentucky from scoring more.

In practice this week the Frogs passers — Ray McKnown, Mal Fowler and Gil Bartosh — never have looked better. Fowler, particularly, has been outstanding. TCU will practice tomorrow morning, then take out for the Christmas holidays, returning to work Wednesday.

A, AA Play For Crowns

GRAHAM — (AP) — The little schools with big league records — Giddings and Newcastle — battle today for the state schoolboy Class A football championship.

Undeclared and untied in 14 games apiece, these teams representing towns with a total population of some 3,300 souls, will clash before a sell-out crowd of better than 6,000 in the local high school stadium.

Cold, bitter weather and dust are promised for those who throng the park to see a couple of teams who were not expected to be here to fight for the title. They came through a field of more than 200 teams to this showdown.

Giddings hasn't been pressed in wading through 14 foes and rolling up 520 points to 75 for the opposition. Newcastle has had some trouble but it wasn't until last week that any team was able to score more than one touchdown on it. Wink got 26 points but Newcastle rallied in the last quarter and won 33-26.

Because Newcastle licked the highly favored Wildcats, it is a paper edge favorite to beat Giddings for the championship. However, Giddings hasn't really been tested so there is really no way to rate the teams. They did not play a mutual opponent.

Newcastle is led by a romping back named Charles (Sonny) Blanton, who just runs over the opposition. Giddings is paced by big Herb Carleton and a flock of fast backs who have been accustomed to playing teams heavier than they are. This time they meet somebody their own size.

Eight Advance To Quarterfinals — DALLAS — (AP) — Eight teams go into quarter-final play today in the annual Cotton Bowl high school basketball tournament.

Waco, Sunset of Dallas, Adamson of Dallas, and Fort Worth Poly are favored to go into the semifinals. Waco meets Forest of Dallas, Adamson of Dallas meets Dallas Tech, Fort Worth Poly plays Seminole, and Sunset takes on Woodrow Wilson of Dallas.

Waco opened the second round with a 62-30 win over Canton getting off to their usual slow start.

Sunset completely outclassed Highland Park in a 77-46 victory. It was the highest point total of the tournament. Adamson of Fort Worth, 64-46. And Poly's hot Herb Carleton has been content with afternoon workouts the past several days.

Guerilla Banquet Scheduled Tonight

The Guerilla football banquet, sponsored by the Guerilla mothers, will be held at 6:30 tonight in the senior high school cafeteria.

Guest speaker for the occasion is Dr. Joe Donaldson, local sports enthusiast, and former president of the Pampa Quarterback Club.

Special music will be furnished by the Bond brothers and Tommy Smith. Master of ceremonies will be Warren Hasse, sports editor of The Pampa News.

The Guerilla football jackets are to be awarded to the boys earning them this past year by Coach Wayne Fritzell of the Guerillas.

At Points de Grave at the mouth of the Gironde, Americans will find a memorial to the first U.S. troops to land in France in 1917.

Almost Clean Sweep Made By Southwest Cage Squads

By CLAYTON HICKERSON
Associated Press Staff
It was almost an old-fashioned bank night for Southwest Conference cage teams Thursday, but not quite. Four teams in action won three games from non-conference rivals.

Arkansas whipped Missouri, 49-45. Southern Methodist edged Texas Tech 50-48. Texas Christian nudged Nebraska, 58-57. But Vanderbilt socked Rice, 65-56.

TCU's one-point decision over Nebraska came in the opening event of a basketball doubleheader with the two-point SMU win over Texas Tech's Raiders furnishing a hair-raising nightcap.

At Nashville, Tenn., unbeaten

and untied Vanderbilt called on its deep reserve strength to win its sixth game of the season over Rice's Owls. The loss left Rice with a 2-6 record for the year.

The fighting Rice outfit matched the best efforts of the favored Commodores for 36 minutes. But they faded fast in the final minutes under a spirited rally fired by sophomore Dan Finch and junior Bob White. Rice held a 31-30 halftime lead. Jack Beavers led the Owls with 14 points made with seven field goals.

Seven-foot Billy (Toar) Hester and Gene Lambert, Jr. sparked the Arkansas Razorbacks in a methodical Fayetteville victory over Missouri's Tigers. The towering Hester scored 22 points to lead the hoopers with seven field goals and eight free shots.

But it was control of the backboard that spelled victory for the Hogs. Lambert, 6-4 son of a former Arkansas coach, was credited with more than half of the Razorback's rebounds.

Derrell Murphy, who flipped in 19 points, paced the SMU win over Nebraska. Paul Nolen of Tech scored 18 points but didn't have as much help as Murphy. Both games in the Dallas doubleheader went into overtime before decisions were reached.

TWO IN A ROW
It was the second defeat in two nights for both Texas Tech and Nebraska. Tech lost to Texas Christian and Wednesday night while Nebraska bowed to SMU.

With just 31 seconds to go Jim Knox sank a free throw and the Horned Frogs stalled the rest of the way for the one-point win over the Cornhuskers.

The lead changed hands 21 times and the score was tied 16 times as both teams went all out with fast break basketball. Three TCU players went to the bench on personal fouls and one Nebraska player was banished from the game for roughness.

Kentucky, Illinois Turn In Victories

By TED MEIER
NEW YORK — (AP) — Kentucky, defending NCAA champions, and Illinois, Big Ten titlists, strengthened their claim to topnotch national basketball ranking with decisive victories over DePaul and North Carolina last night.

Kentucky, ranked 2nd in this week's Associated Press poll, (a ranking determined before the Wildcats walloped St. John's, the current No. 1 club) set a new scoring record in the Lexington, Ky. Memorial Coliseum by thrashing DePaul, 98-60.

Illinois, ranked 3rd, ran North Carolina of the Southern Conference ragged to win easily, 86-66.

OTHERS EDGE IN
Unbeaten Pennsylvania and Iowa edged into the national picture with victories over Michigan and Oklahoma. North Carolina State, Southern Conference champion and currently ranked 9th, was upset by Manhattan and in a battle of unbeaten teams New York University, No. 11, tumbled Holy Cross, No. 17.

NYU's triumph was the Violets' 10th straight.

As they did Wednesday night against Pitt, Penn. came from behind to beat Michigan, 68-63. Iowa whipped the Sooners, 69-46.

A Dallas doubleheader turnout of 1,500 saw two overtime frays with Texas Christian nipping Nebraska, 58-57, on Jim Knox's free throw with 31 seconds left, and Southern Methodist taking Texas Tech, 50-48.

Canisius beat Dartmouth, 62-48, and Colgate defeated Buffalo, 67-60.

In other major games Cornell nipped Tulane, 51-50; Georgetown trounced Princeton, 64-62; Bradley beat Colorado, 66-63; Vanderbilt conquered Rice, 65-56; Arkansas humbled Missouri, 49-43; West Virginia walloped William and Mary, 67-66; Utah took Los Angeles, 69-57; Boston College made it 7 in a row by downing Harvard, 76-63; and St. Mary's (Calif.) defeated Arizona, 71-64.

New Golf Rules Go Into Effect At First Of Year

NEW YORK — (AP) — Golfers of rules with which they are not with a yen to travel may go anywhere on earth after Jan. 1 without fear of running afoul.

On that date the uniform code, worked out last May by representatives of the United States Golf Association and the Royal and Ancient Golf Club of St. Andrews, Scotland, go into effect.

The change which undoubtedly will be of major interest to most golfers is the abolition of the stymie. Henceforth, when a player believes an opponent's ball to be in the line of his putt he may request that it be marked and lifted, no matter what the distance between the two balls.

The new code standardizes the penalty for out-of-bounds, lost balls and unplayable balls. The penalty will be stroke and distance in all countries, instead of only distance, as provided in Britain the last two years.

Inventive Americans with their trick putters get a break. The Royal and Ancient rules insisted that the shaft of a putter must enter at the heel, or end, of the blade, and that the angle of the shaft must point to that spot.

The new rule permits the shaft to be fixed at any point on the blade.

Another change, designed to speed up play, prohibits all practice strokes on a round, including retrying putts after holing out.

Wildcats Win Pair Of Tilts

CANADIAN — (Special) — The Canadian Wildcats won two games from the Darrouzett teams at Darrouzett Tuesday. In the opener, the Canadian girls defeated Darrouzett girls 35-25. Canadian girls took an early lead, but by the end of the first quarter the Darrouzett girls had crept up to within one point, trailing 8-7, due to the accurate shooting of Sue Perkins. By halftime the score was tied at 16 all.

Canadian spurred out in front again in the third quarter, however, as they racked up 10 points in the third quarter while Darrouzett only made four. Ann Rathjen tallied 13 points, Janet Conley 11 points for the Canadian team, while Sue Perkins made 12, and Zell Burton made 10 for Darrouzett.

In the boys game, the Canadian Wildcats came back in the last half to win 38-33 after trailing most of the first half. Helfenbein of Darrouzett looped in some long shots in the first quarter to give Darrouzett an early lead, as the Canadian Wildcats couldn't find the basket, and trailed at the end of the first quarter 11-16. The Wildcats tied the score at 16 all just before the end of the half but Darrouzett then made a free shot to go back into the lead at the half 17-16. The Wildcats took the lead for the first time in the third quarter, as they tallied 13 points to 9 for Darrouzett. Helfenbein was high point man for Darrouzett with 9 points. Buddy Gross was high for Canadian with 14 points, Ramon Ramirez made 9.

Canadian will journey to Kelton tonight for a doubleheader game against the Kelton teams for their last games before the Christmas holidays. The Wildcats have played only one game on their local court this season, which was their opener with Allison, and local fans will see a vastly improved team when they return to the local court.

Offensive Heads Oleander Action

GALVESTON — (AP) — Plenty of offensive fireworks are slated to explode when the San Angelo College Rams and the Hinds Junior College Eagles of Mississippi meet in the fourth annual Oleander Bowl game here Jan. 1.

Both clubs showed during regular-season play that they can move through the air as well as on the ground.

San Angelo, the Max Bumgardner-coached team that won the 1951 Oleander Bowl game, depends largely on lanky quarterback Kenneth Henson for its passing chores.

Henson completed 46 passes for 596 yards this season, as a freshman.

"Henson has improved in every game. He played bang-up ball the last three or four games and should be at his best come Jan. 1," Coach Bumgardner said.

Bumgardner rates Dougal Cameron, as one of the best runners in Texas. Cameron, who made all-conference honors, led the loop in rushing with 728 yards for a 6.2 yard average per carry.

Many Mississippi sports writers have referred to the Hinds backfield as the best in Mississippi Junior college history. Leading the Eagle backfield that racked up 372 points are quarterback James

Ratliff and Willard Rachal. Ratliff handles the passing duties and also does his share of the running. Rachal is a bruising runner and a demon on the defense. He juggled the ball over for 11 touchdowns this year.

One sure way to double your money is to fold it and put it in your pocket. Wonder if they call marriage an institution because you have to be crazy to enter.

Christmas Business Up Some Places; Down Others

By WALTER BREEDE, Jr.
NEW YORK — (AP) — How's Christmas business? "Just fine. As good or better than last year," some merchants report. "Frankly lousy," say others.

Those are some of the opinions turned up by an Associated Press survey of Christmas shopping trends in 23 major retail areas across the nation.

Most retailers are confident of increased dollar sales. But there's plenty of talk, too, about customers being a lot more choosy than they were a year ago. And there is some talk of consumer price resistance.

Higher prices will probably account for a good part of any increase in dollar volume over last Christmas, many merchants say. This despite the fact that prices in some lines of merchandise have been drastically marked down in an effort to prod reluctant buyers.

The pattern of retail opinion is spotty.

Q. F. Walker, chief economist for Macy's New York, finds the

volume of Christmas sales thus far "less favorable than expected."

A spokesman for Gimbels in Philadelphia reports: "business is terrific, better than most years, but not quite as good as last year which was exceptional."

R. C. Dolbin, manager of the Dallas, Tex., Retail Merchants Assn., predicts: "there's no question that this will be a bigger Christmas than 1950."

It is generally agreed that profits will be lower, mostly because of reduced markups and the higher cost of doing business. In some instances brisk sales are being achieved only because of "give-away" prices or costly advertising and promotion.

Huge sums are being spent to lure store traffic. The trend is toward more and better paid department store Santa Clauses, more free cocktails and fashion shows, more free circuses for the children.

"Stag" shopping nights for male shoppers only, once a rarity on the retail scene, have suddenly achieved nationwide acceptance. The only women allowed inside the store on such occasions are the sales personnel and the beautiful models.

Christmas buying in some cities is taking on a practical slant — more emphasis on down-to-earth, wearable or otherwise usable gifts, less on fancy luxury items.

Best sellers include most kinds of women's apparel — nylon, lingerie, dresses, coats and accessories for the lady in your life — and for the younger set, dolls, cowboy suits and shooting irons.

Macy's New York reports brisk holiday business in toys, cosmetics, cameras and games — but not enough to offset the slump in "big profit" items as washing machines and refrigerators.

In many areas those traditional socks and needles for the "old man" are moving fairly well. By and large, however, women's apparel is doing better than men's, girls' better than boys'. Retailers give no convincing explanation.

Generally speaking, soft goods sales are up, while sales of hard goods, including television sets, are below 1950's record-smashing levels.

The change in shopping habits is attributed mainly to the scare buying of a year ago prompted by the entry of the Chinese Communists into the Korean war. And retailers cite these other factors: The erratic weather of the past few weeks, heavy consumer spending on housing and food, higher personal income taxes.

Trends in different cities vary. Sales of TV sets are below a year ago in New York. In San Francisco, one establishment is giving away TV consoles as prizes for customers who draw a winning ticket. Mea nwhile Schunemanns of St. Paul reports that TV sets are "selling like a house afire."

Cowboy suits, a top seller at Macy's New York, are not doing as well as last year in Minneapolis. In New Haven, Conn., record players and record albums are moving better than TV or radio sets.

Practical items of clothing and household goods are more in demand than luxuries in leading North Carolina cities. Trade officials say families are using Christmas funds for regular personal or household buying.

Christmas club deposits were at an all-time high this year.

MRS. CLYDE EDMONDSON
...decorations from Florida

Local Woman Uses Florida Gifts In Decorating Home For Christmas

When Mrs. Etta Hilliard, St. Edmondson keeps in vases over Augustines, Fla., sends Christmas packages to her daughter, Mrs. Clyde Edmondson, 401 Yeager, she sends a bit of home in them. She sends moss, pine cones, poinsettias, or any number of other things which are particularly mindful of Christmas. She sends other items, too, such as bright coral and sea shells, which Mrs. Edmondson has worked into her Christmas decorating, year after year. Using nature's products from Florida brings her just a bit closer to her adopted home at Christmas time.

WHEN WAS WAR DEPT. CREATED?

See your 1952 St. Joseph Calendar and Weather Chart! It has historical dates, planting charts, moon phases, fishing, other moon facts. Get it at any drug counter—IT'S FREE

The poinsettias in Florida "grow as high as rooftops" and Mrs. Hilliard seals the steams and sends them in boxes which Mrs. Edmondson has worked into her Christmas decorating, year after year. Using nature's products from Florida brings her just a bit closer to her adopted home at Christmas time.

Mrs. Hill Hostess At Methodist Party

Mrs. Mildred Hill was hostess to the Wesleyan Service Guild which met Monday in the First Methodist chapel for a Christmas program. Those participating on the program were Mrs. Harold Wright, Roy Johnson, Mrs. Roy Johnson, Mrs. Diamia Wood and Miss Alma Wilson. Miss Inez Clubb was chairman and Miss Ila Pool, leader.

Following the program, communion was served by Dr. Orion Carter, church minister. Guests exchanged gifts prior to the serving of refreshments from a table decorated in a Christmas theme.

Guests included Mrs. Luther Flanson, Mr. and Mrs. Roy Johnson and daughter, Susan, and Dr. and Mrs. Carter. Members present included Misses Ila Pool, Lillian Mullins, Minnie Allen, Alma Wilson, Clubb and Misses Aubrey Jones, W. E. Fountain, Roy Kilgore, Lee Harlan Wright, Wood and J. M. Turner.

Mrs. Edmondson's Christmas table centerpiece this year is an assortment of gifts from Florida. A large fan-shaped piece of coral is flanked by tall candles and centered with a Madonna statuette. The entire setting is placed on silver-grey moss and red paper.

One of the most unusual items Mrs. Hilliard sent this year is the Christmas shell, the sand dollar. It is a thin, round shell with five holes in it, and with designs distinguishable as a poinsettia, a star and a Christmas bell. When broken, five small shells that look like little birds, come from within the shell. The shells said to come direct from the ocean, are solid black or solid white. The following Christmas poem is always enclosed with the shells, and it especially bridges the miles between Pampa and Florida this holiday season.

Here is the keyhole urchin For which you have been searching But known just as well As the Holy Ghost shell. On one side four nail holes appear Also the wound made by the spear. Please note the star gleaming and bright That pointed the way to the manger that night. Reverse the side you'll be sure to find Poinsettia Christmas flowers and bell, etched in design. Have two of these shells for your collection. One dark for life, and white for resurrection. Inside the shell waiting release Are five little doves of good will and peace.

The U. S. flag should be raised and lowered by hand. It should be displayed from sunrise to sunset. The Romans used asbestos as wicks for oil lamps. Uruguay is smaller in area than South Dakota.

AND VISIONS OF SUGAR PLUMS DANCED IN THEIR HEADS — The youngsters pictured above at the Carver nursery wait patiently for a visit from Girl Scout Troop 26 who took Christmas stockings to the group Wednesday afternoon. Pictured with the children are Mrs. Ella M. Ray, left, matron, and Mrs. Oscar Redd, right, president of the nursery school. Mrs. Harriet McBride is leader of Troop 26. (News Photo)

Woodrow Wilson PTA Concludes Year's Program This Week

The Woodrow Wilson PTA met this week for its last meeting until March. Miss Evelyn Clanton led the school chorus in several Christmas carols, and the first grade students presented the operetta, "Christmas Fantasy." First grade teachers in charge of the operetta were Miss Pearl Spauld, Miss Minnie Allen and Miss Oleta Martin.

Room count was divided among the three first grades present. Mrs. G. M. Walls presided.

Miami Faculty Has Christmas Social

MIAMI — (Special) — The Miami school faculty Christmas party was held Wednesday, in the home of Mrs. Nell Seiber, with Mrs. J. B. Saul and Misses Jackie and Jodie Poole as hostesses. Mrs. W. F. Locke was guest speaker for the occasion and reviewed Catherine Marshall's book, "A Man Called Peter."

After the review, the group joined in singing Christmas carols, with Miss Haynes at the piano. The hostesses served seasonal refreshments. The climax of the evening was the distribution of gifts from the Christmas tree.

The good woman cannot tell a lie — unless it's ours.

Methodist Youth To Present Play "The Littlest Angel"

The First Methodist youth will present a play, "The Littlest Angel" at 7:30 p.m. today in the church. A Christmas tree will follow for the children's devotion of the church. J. B. Denson will portray the little angel.

Neely-Clark Vows To Be Exchanged Sunday

SHAMROCK — (Special) — Miss Lee Ann Neely, daughter of Mr. and Mrs. L. R. Neely, will become the bride of Mr. C. H. Clark, son of Mr. and Mrs. Jack Clark, Sunday. Vows will be read at the Methodist parsonage at 1 p. m. with the Rev. S. M. Dummam, pastor, officiating. Miss Neely, a senior at Shamrock high school, will continue her education after a brief wedding trip to an unannounced destination.

Mr. Clark, a graduate of Samnorwood high school, has farming interests southwest of Shamrock, where the couple will be at home.

O Christmas Sun! What holy task is thine! To fold a world in the embrace of God!

They "wanta go" and go they will; and how we love the Dogs for it! Wherever little master may go, there they will follow, or even run ahead where they are sure he is moving. *What a fine lesson for us human followers of the Great Master!* Can we be as unquestioning in our devotion as they are?

He will be in the place of worship come next Sunday; shall we hurry to follow Him there? Our Lord will be in the house of pain and suffering and sorrow; shall we hasten to speak our word of cheer and of comfort? He will be at the side of the man who is daring to support the good cause in our community; shall "we wanta go" with him there and be counted, too?

What a blessed Lord we have in Jesus Christ! What a loving God speaks to us through this Son of His love! Do we not know that if we follow Him we shall be safe? *Do we love Him as much as the puppies love their human friend and master?* Does our Leader merit full obedience and complete trust? Let's say, whenever we see Him on the road, "We wanta go." "I'll go where you want me to go, dear Lord; I'll say what you want me to say."

Chinese Reds Use New Kind Of Propaganda: Yule Stockings

SEOUL, Korea — (AP) — Chinese Reds are using a new kind of propaganda on the Korean war front — Christmas stockings.

The U.S. Eighth Army said Chinese cloth stockings full of Christmas cards, cheap presents, and invitations to surrender were being "delivered" by the Reds.

Most are brought across the lines by Korean farmers. Others are sneaked across and left where Allied troops can find them.

A typical stocking was shown to correspondents. It contained a handkerchief, a wooden cigarette holder, a Christmas card with a hitting verse, a safe conduct pass urging Allied soldiers to surrender, a lapel pin "peace dove," and a variety of pictures.

The pictures were designed to contrast the hardships of war with the luxuries of life in the United States.

One showed happy citizens lolling in Florida sunshine, and a half-frozen marine marching in last year's Hsinan evacuation.

Another showed the grim face of a marine as photographed by Life magazine's Dave Duncan.

In contrast was an American beer advertisement showing a family gathered around a loaded dinner table on Christmas Day.

Under the family group was this caption: "those who love you want you back home safe and sound. Find a way out. It is no disgrace to quit fighting in this unjust war."

Other drawings included the face of a blonde: "why not go back to her?"

A civilian wearing a red necktie: "how would it be to get back into civvies?"

A plump gent with a \$ sign on his necktie: "why fight for him?"

This is the verse that appeared on one of the Christmas cards:

"Whatever the color, race or Creed,
All plain folks are brothers indeed.
Both you and we want life and peace,
If you go home the war will cease."

An Eighth Army colonel called the stockings "pitiful and ironic," and added:

"All this stuff demonstrates how hard the Communists work at psychological warfare, and it also demonstrates how erroneous their conception is on how to appeal to the American soldier."

One Korean farmer delivered a package of the Christmas stockings under a truce flag. He said two Red soldiers escorted him to the foot of an Allied-held hill and told him to go the rest of the way alone.

The colonel called the farmer "A Santa Claus with a Communist gun in his back."

The dyerbok, an African antelope, when aware that it is observed, will crouch in the grass as if to lie down, then crawl away for several yards and make a dash for safety.

THE STATE OF TEXAS
TO: BERT C. HEMPHILL, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23rd day of January, A. D. 1952, at or before 10 o'clock A. M. before the Honorable District Court of Gray County, at the Court House in Pampa, Texas.

Said plaintiff's petition was filed on the 15th day of August, 1951. The file number of said suit being No. 10415. The nature of the matter in said suit are: HEMPHILL, as Plaintiff, and BERT C. HEMPHILL, as Defendant.

The nature of said suit being substantially as follows: to wit:

Plaintiff sues for divorce because of both cruel and unusual treatment by the said defendant, that said suit of cruelty was of such a nature as to render their further living together impractical.

Plaintiff would show that no property rights are involved, but that the home at Lot 1, Block 28 of the town of McLean, Texas, belong to this plaintiff before their said marriage.

Plaintiff and defendant were married on the 21st day of November 2, 1949.

Given under my hand and seal of said court, at office in Pampa, Texas, this 21st day of November, A. D. 1951.

Gadgets Bite Hands That Oil Them In Mechanical Revolts

By NEA Service

The year of 1951 will long be remembered by some poor souls as the year of the Mechanical Revolt. Some of our usually obedient gadgets and machines decided to bite the hands that oil them.

According to the National Safety Council, which annually collects whacky accidents, during 1951 automobiles, lawn rakes, steam rollers, electric fans and assorted mechanical devices made it rough for the human race.

Consider poor Policeman Joseph Green of Chicago. An electric fan blew an envelope off the top of a filing cabinet. The envelope hit Green square in the eye, and hospitalized him.

Or poor Ellsworth B. Wilson of Mishawaka, Ind., who was spending a pleasant afternoon, spanking his son. He lifted his arm, knocked over a lamp, got conked on the head, wound up in the hospital.

Or poor William C. Hollis of Denver, who was out for a drive through Topeka, Kan., with his dog. The pooch got impatient, reached over and stepped hard on the accelerator. Result: one collision, four persons injured. A dog didn't even have a driver's license.

Or poor Lincoln Stewart of Columbus, O., who was raking trash in a dump. The rake struck a bullet, discharged it, and Stewart was shot in the ankle.

Then there was poor taxicab driver James Deeds, of Des Moines, Ia. He was helping a passenger unload packages from the car when he backed into a passing car and lost the seat of his pants. The last he saw, that vital section of his clothing was heading south on a door handle.

And poor Mrs. Catherine Meehan of Boston, who was minding her own business in her second-floor apartment. In the street a car hit a pedestrian, knocked off his shoe and sent it sailing into Mrs. Meehan's window. It hit her on the head, inflicting scalp wounds.

Poor James Swonan, a stepladder of Richmond, Ind., wound up in the hospital from a fall. Only it wasn't from a stepladder—he fell off a bar stool.

Then there was the poor Florida East Coast Railroad which made the mistake of letting one of its freight trains bump into Ernest Benson's sturdy automobile in West Palm Beach, Fla. Damage: 18 loaded freight cars upset, 1000 feet of track torn up, 1000 cross ties ruined, \$50,000 in damage altogether. Benson was a

the 24-year-old Army Infantry man:

"This splendid soldier fought with distinct gallantry for his ideals of freedom and the protection of his fellow soldiers."

FOR THE

The next time we go to the theatre and one of those cute ushers asks us how far down we want to sit, we're going to up and tell her "All the way!"

FOR DAD

Dad can't get too many nice handkerchiefs for Christmas. You're safe in including a boxful among his gifts.

This war-ad in a Texas newspaper brought results: "Month-old baby going crazy looking for a 2- or 3-room apartment for Mother and Dad. Call 2616."

Bravery Award Made Posthumously

WASHINGTON — (AP) — 5-1c Junior D. Edwards, Indianola, Iowa, who lost his life in Korea making repeated single-handed night assaults on enemy gun positions, has been awarded the Medal of Honor, the Army announced.

His bravery, which won for him posthumously the nation's highest tribute for valor, also brought personal commendation from Lt. Gen. James A. Van Fleet, 8th Army commander, who said of
