Christian Science Sunday Study Topic

"Life" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, January 21.

The Golden Text is: "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent" (John 17:3).

Among the citations which comprise the Lesson-Sermon are the following from the Bible: "And this is the record, that God hath given to us eternal life, and this life is in his Son" (1 John 5:11).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Jesus said substantially, 'He that believeth in me shall not see death.' That is, he who perceives the true idea of Life loses his belief in death. He who has the true idea of good loses all sense of evil, and by reason of this is being ushered into the undying realities of Spirit" (page 324).

MONTGOMERY WARDS TELEGRAM TO THE PRESIDENT

January 17, 1945.

The President of the United States, White House, Washington, D. C.

Mr. President:
At your personal direction, the army seized Wards stores on December 28, 1944.

On the same day, you directed that a suit be filed in the Federal Court to decide whether you had any right to order this seizure.

The Constitution makes it the supreme law of the land that "no person shall be deprived of life, liberty or property without due process of law." The Supreme Court has said that an order which is before the courts should not be executed before the judges have declared its legality.

In defiance of this safeguard of liberty, you have ordered the army to place in, immediate effect the arbitrary and illegal orders of the War Labor Board without awaiting the decision of the courts.

You have ordered these War Labor Board directives placed in immediate effect despite the fact that the courts have held them to be legally unenforceable, and despite the fact that in issuing them the Board refused to give Wards the hearings required by the War Labor Disputes Act.

You have ordered the army to place in effect a wage directive at Portland, Oregon, which a representative of the War Labor Board admitted on January 9, 1945, was unworkable.

You have ordered the army to place in effect wage directives at St. Paul, Minnesota, which unfairly discriminate against sixty per cent of the employees. When several hundreds walked off their jobs in protest against your command, the army forced them to return by threats of criminal prosecution.

You have ordered the army at Denver, Colorado, and Jamaica, New York, to increase wage rates which the War Labor Board admitted were already higher than those paid by Wards competitors. No increases have been ordered against these competitors.

Finally, and most importantly, you have ordered the army to impose that form of the closed shop called maintenance of membership. Obedience to your order will require the discharge of all employees who have chosen not to maintain their union membership, and deny to them the liberty to choose whether or not they wish to remain union members.

Wards in opposing the closed shop in all of its forms, has not been prompted by any feeling of anti-unionism. Wards has fully recognized the freedom of all of its employees to join or not to join a union, as they wished, and has assured all employees that their opportunity with the company will be the same whether they are union members or not. Wards refusal to accept the closed shop arises solely from a determination that its employees be secure in their individual liberty to join a union or not—free of the fear of physical injury, damage to their property or loss of their jobs.

Wards, in opposing the closed shop, has not acted against the wishes even of its unionized employees. In the seized store at Chicago on December 15, 1944, ninety per cent of the employees through a signed petition declared against the maintenance of membership requirement. Spokesmen for the unionized employees in the four seized stores at Detroit have openly stated that they do not desire maintenance of membership.

Wards has been singled out for unequal treatment. The army has been used to enforce orders of questioned legality without first giving the courts an opportunity to make a decision. These are the methods of dictatorship.

The legality of your order commanding the seizure of Wards properties is now before the courts for decision. Wards respectfully calls upon you to order the army to withhold the taking of action which would deprive Wards employees of their liberty and Wards and its customers of their property until the case has been decided in the courts as required by the Constitution.

MONTGOMERY WARDS & CO.
SEWELL AVERY,
Chairman

LYNX VICTORY

Harvesters Will Play At Childress Tonight

By SCOTT RAFFERTY
News Sports Writer

A packed crowd of cage fans in the local gymnasium last night, saw a revengeful squad of Harvesters smash their way to a 25-24 victory over the Spearman Lynx who came here primed for their 18th straight victory and expecting to drub the Harvesters, whom they had edged out a month ago by two points on their home court.

In a preliminary match, the Harvesters made it two in a row over the Lynx "B" squad by taking a 28-21 verdict. Bernie Brown, diminutive Pampa forward, led the reserve scoring with eight points. In the game at Spearman, the Pampa reserves had come from behind to beat the Spearman "B" 16-12.

Becker, tall Spearman center, took top honors in the scoring department for the night with 12 points. Earl Davis, Harvesters pivot man, followed closely with 10. Becker made four charity tosses out of five attempts. Davis' scoring was by field goals only.

The Harvesters left at noon today for Childress, where they will play the powerful Bobcats, District 2AA title holder. The Bobcats couldn't get going in a game with the Harvesters here and dropped a 26-19 decision. The Bobcats' other two losses were to the Amarillo Slanders and the Hollis (Okla.) Tigers. Childress holds wins over both Amarillo and Hollis, to even the count. The Bobcats have won ten games.

An early season, 26-24 loss to the Lynx seemed to inspire the Harvesters to put on what might be said to be the best exhibition of basketball they have shown this year.

Although trailing at the half, 15-11, the Pampa five at that time, had made good 80 per cent of their shots in the first half.

Davis opened the scoring in the game, with a field goal a few seconds after the start. Spearman retaliated with free throws by Wilson and Jones. With the score tied 2-2, Johnny Campbell sank one for the Pampa five, putting the Harvesters in the lead 4-2.

Robertson tied it up for the Lynx with a field goal, and Becker put the Lynx in the lead with another, followed by a free loss made by Robertson. However Randall Clay and Davis put the Pampa five into the lead 8-7 as the quarter ended.

The Lynx, with Davis, Wilson, Becker, and Jones doing the scoring, jumped to a 15-11 lead at the half. A field goal by Earl Davis and a free toss by Joe Cree was the only Pampa scoring in the second quarter.

Randall Clay and Eugene Turner put the Harvesters back in the running in the third frame, their field goals pushing Pampa ahead 16-15 but the lead did not last long. From then on margin on either team was never more than three points, and with three minutes to go in the fourth, and final, period, the count was tied a 23-23.

Earl Davis put Pampa ahead with the final field goal of the game. The Lynx tried hard to go ahead after a free throw by Jones, but were never able to score.

Pampan Will Receive Gold Watch From Stillwater Boosters

Among the members of the Oklahoma A & M squad who will receive gold watches from the Stillwater Quarterbacks club is Glenn Stafford, ex Pampa Harvester and 1942 graduate of Pampa high school. Stafford, whose parents reside in Stillwater, was reserved blocking back on this year's Aggie eleven that won from Texas Christian in the Cotton Bowl, 34-0. The Stillwater club is soliciting funds to present Coach Jim Lookabaugh and his assistants with suitable gifts, and the squad members with watches.

The Cotton Bowl game marked the first time an Aggie team had been invited to a bowl contest. The Aggies were unbeaten in college competition last season, losing only to the professional-reinforced Norman naval training station team, 15-0.

Sports Roundup

By HUGH FULLERTON, JR.
NEW YORK, Jan. 19.—(AP)—Within two minutes after word reached the bowlers victory legion headquarters in Washington that service men overseas were short of playing cards, the wheels were turning to send them 200,000 decks. Arville L. Ebersole, national BVL director, hardly had finished reading a letter from the army special services division before he was telephoning Chairman Elmer Baumgarten of the American bowling congress. Baumgarten arranged to divert 100,000 decks from civilian orders, which made it possible to muster the 200,000, which soon will be going overseas. Nearly 100 ambitious blind Toms turned out for the opening session of a school conducted by the Northwest Empire association in Minneapolis recently. That's the first real proof that an umpire ever wanted to know anything.

Williams Wins Second Senior Golf Title

DUNEDIN, Fla., Jan. 19.—(AP)—The championship cup rested in the hands of Eddie Williams, Bryn Mawr Country club, Chicago, for the second time today following his victory over a field of fellow students in the PGA's annual senior golf tournament. Williams shot a score of 75-73-148 for the 36 holes. Jack Hutchison of Glenview, Ill., was second with 75-75-150, par for the 18 hole course is 72.

Higgins Coyotes Win From Shattuck Five

Special To The NEWS.
HIGGINS, Jan. 17.—Higgins Coyotes pulled a 26-13 win out of the fire from Shattuck, Oklahoma, to split two games of a twin bill attraction at Higgins, Tuesday night. The Shattuck second string beat the Higgins reserves 16-12 in the opener. Thurmond of Higgins was high point man in the main event with 10 points.

The quarter horse's high turn of speed in short races is due to his peculiar conformation. He is extremely heavy in front.

Frogs, Owls Win Cage Contests

FORT WORTH, Jan. 18.—(AP)—Gene Schmidt paced the Texas Christian Horned Frogs to a 52-46 upset victory over Southern Methodist university in a Southwest conference basketball game here last night.

The victory gave TCU undisputed possession of second place in the conference standings. The two teams had been tied prior to last night's game. Schmidt tallied 21 points to take high scoring honors. SMU held a 25-22 advantage at the half.

HOUSTON, Jan. 19.—(AP)—Rice's Owls had a narrow squeeze last night with Waco army air field cagers, winning 39-35.

The game was played for the benefit of the infantile paralysis fund. Bill Henry, Rice's offensive ace.

Wildcats Win From Perryton, 48-34

SPECIAL TO THE NEWS.
CANADIAN, Jan. 17.—The Canadian Wildcats romped over the Perryton Rangers 48-34 Monday night for their fifth win in the last six starts.

The Wildcats, in their last six games, have won from Panhandle, Berger, Groom, McLean, and Perryton, and have lost only to Childress in the Shamrock tournament. Childrens went on to win the meet, their third title in a row.

Although on the losing team, Bartel, of Perryton, was high point man for the night with 18 points. Hopkins, of the Wildcats led his team by sinking 14 points.

The 48 points scored against the Rangers, keeps the Wildcats' six game average at 40 points, while their opponents have averaged 21.

Revoluta Waves Danger Signal In Tucson Open

TUCSON, Ariz., Jan. 19.—(AP)—The red hot putter of Johnny Revoluta waved a danger signal for favorites Byron Nelson, Toledo, Ohio, and Sam Snead, Hot Springs, Va., as he started today of the \$5,000 Tucson golf open.

The curly-haired Evanston, Ill. pro veteran whipped over the 18-hole El Rio (the river) country club course yesterday with a 65 five under par to share in the pro-amateur prize.

He was closely pressed for top honors by a trio of play-for-pay golfers who shot 66. They were Denny Shute, Akron, Ohio, veteran, and two Detroiters, Sam Byrd and Claude Hartman.

Snead, leading money winner of the current winter tour, posted a 67 as did Chick Ruten, Birmingham, Mich., and Gene Kunes, Hollywood.

Nelson, last year's top golfer, netted a 69 while his golfing pal, Harold (Jug) McSpadden, Sanford, Me., was practically lost in the "also rans" with a 72-two over par.

As 40 pros and about as many amateurs teed off today there was every indication the winner of the 72-hole event would have to average 67 strokes every 18-hole round. The golfers play 18 holes today, 18 tomorrow and 36 Sunday.

Zurita Must Defend Title Before Feb. 27

LOS ANGELES, Jan. 19.—(AP)—Juan Zurita is a well-behaved, peace-loving native of Mexico City, but he'd like to fight somebody before or on Feb. 27.

If Juan, who is the NBA's lightweight boxing champion, doesn't defend his crown by that date, he's out in the cold, and he doesn't envision that situation with any relish.

Zurita was to have boxed a Los Angeles Negro John Thomas, on Feb. 27. The bout was all set for Los Angeles at a \$15 top. Last week the army called up Thomas.

The promoters of the bout began to look around for a replacement for Thomas.

Joyce, Gary, Ind., Negro, seems to be the answer. He was going great guns here a year or so ago until Henry Armstrong broke his jaw.

It seems, however, that another promoter, Joe Lynch, holds an exclusive contract here for Zurita's services. The state athletic commission had ruled that rival promoters must satisfy Lynch's contract before they held the Zurita-Thomas fight. Now, Lynch intends to talk Zurita's manager George Paragossu, into meeting Joyce, who is accorded a pretty good chance to beat the titleholder.

Anyhow, Zurita would be glad to meet anybody over the 15-round distance by Feb. 27.

Anybody want to fight?

BOSTON BRAVES ONLY OUTFIT WITHOUT CAMP

NEW YORK, Jan. 19.—(AP)—Plenty can happen in two months' time but as of today all major league baseball clubs, with the exception of the Boston Braves, have selected spring training sites and set tentative dates for start of drills.

Judiana again will be the favorite camp ground, with six teams training there, in New Jersey, two in Maryland and one each in New York, Delaware, Missouri and Illinois.

Only two big league organizations, the Boston Red Sox and the Chicago White Sox, have picked new bases and Bob Quinn, president of the Braves, has not announced whether his team will return to Clute school at Wallingford, Conn.

Joe Cronin's Boston American leaguers have shifted to Pleasantville, N. J., in '44 when they started at Tufts and finished at Baltimore. The White Sox have decided to end their spring feudings with the Cubs at French Lick, Ind., where they shared facilities last year and will settle down in Terre Haute, Ind.

Texan Given His Final Rest Place

AUSTIN, Jan. 18.—(AP)—A final resting place, with the honor due him, has been given to the Rev. Z. N. Morrell, pioneer Texas minister, soldier and author, who died in 1883.

L. W. Kemp, president of the Texas State Historical association, yesterday supervised removal of Rev. Morrell's body from its original interment at Kyle, near the Baptist church of which he was a member, to the State cemetery in Austin.

Morrell's body rests beside that of Rev. William Carey Crane, his close friend during Texas pioneer days and an old-time president of Baylor University.

The re-interment ceremony was as quiet and simple as the original ceremony which Morrell had requested be "modest and inexpensive" with a small headstone carrying only his name, the dates of his birth and death, and inscription "a sinner saved by grace."

Morrell was born in South Carolina but moved to Texas in 1836 and settled near the town of Marlin on the Brazos. He founded many churches, and when the call to arms came, he was as quick to fight for the Republic as he was to preach. He participated in the battle of Plum creek near Lockhart in 1840 and served in the volunteer Texas army in 1842.

Solon Thinks Peace Bill Debate Would Last About 6 Weeks

WASHINGTON, Jan. 19.—(AP)—Senator George (D-Ga.) estimated Thursday that a treaty providing for United States participation in a collective peace preserving organization could be put through the Senate with four to six weeks debate. The submission of such a treaty, he observed, would presuppose that questions left unsettled after the original Dumbarton Oaks conference can be adjusted at a forthcoming meeting of President Roosevelt, Premier Stalin, Prime Minister Churchill and President Truman. "Following that conference, I think we may expect a very early consideration of the security program."

THE OLD JUDGE SAYS...

"Adding another War Bond to your collection, eh, Judge?"
"Yes, Josh, I've always looked upon buying Bonds as one of the best ways older folks like me here at home can help our fighting men overseas. For the past couple of years I've put every extra cent I had into them... not only during the War Bond drives... but on a regular basis. Of course, when there's a drive on I always try to buy an extra one or two."
"We've done the same in our family, too, Judge. We figure the more we buy... the better we equip our men... the quicker they'll finish their big job and come marching home again."
"That's the spirit, Josh. And let's be sure of one more thing. Let's be sure that they come back to the same kind of place they left. While they are away and can't express their opinions, let's not make any decisions on things that are going to concern them in years to come."

Shamrock Banks Show Increases

SHAMROCK, Jan. 19.—(AP)—Shamrock has more money on deposit in its two banks than ever before in its history. Combined deposits of the First National bank and the Farmers and Merchants State bank reached an all-time high at the close of business December 31, when they amounted to \$2,538,164.50, according to reports made by state and federal banking authorities.
This figure tops by almost a million dollars the previous all-time high which was set Dec. 31, 1943, when the two banking institutions reported combined deposits of \$2,689,193.92.
Deposits have shown a gain of more than one and one-half million dollars during the last two years, a comparison of the current statements with those of December, 1942, reveals.
The current report shows that the First National bank shows \$2,003,714.26 on deposit and the Farmers and Merchants State bank, \$1,187,944.38.
Cashiers of the two banks report an increase in the number of accounts along with sizeable increases in amounts of the average depositor's account.

United Dries Rue Money Donations

DALLAS, Jan. 19.—(AP)—The United Dries of Texas by resolution have expressed their regret that Dallas retail liquor dealers contributed \$30,000 to the Southern Methodist university expansion campaign.
Dr. Walter H. McConzie, executive secretary, said the resolution passed by unanimous vote.
The resolution said the dries believed such gifts mitigate against the welfare of such institutions and the publicity given such contributions is unfortunate.
The action came as liquor dealers announced other contributions of \$25,000 to other institutions.
Julius Schepps, Dallas liquor wholesaler, said the money was contributed during a three-day drive among package store owners.

regulations to be established. I have seen peasants put off of the train in Europe to make room for persons of so-called royal blood, but even there I never witnessed a soldier having to give up his space to the dog of a prince.
"I am confident you will reassure the American people on this matter for this is no trivial affair. We who have sons fighting in this war (sons who do not have the benefit of White House connections in order to obtain favors) feel very keenly about this. Surely America which Lincoln described as 'the last, fond hope of earth' has not sunk to the level of Russia under the Czars where a prince's poodle dog had more privileges than a peasant's baby."
"The American people are just, and even tho this shameful occurrence be true they will not charge you with fault if the in-human, unjust, and un-American regulation is promptly revoked. But if it is not revoked and if those responsible for its issuance are not rebuked and removed from office upon you must rest the blame and the shame. Surely the men who fight and die for human liberty must be assured that they will not lose the few rights still left them to the pampered pets of the President's son."

There were shouted protests and cries of "shame."
