

### Hit Film Comedy, 'State Fair,' Is Featured at LaNora Starting Today

By SCOTT RAFFERTY  
 Twentieth-Century Fox has come up with one of those rare good pictures called "comedy, musical and drama" in "State Fair" and an outstanding cast headed by Dana Andrews and Jeanne Crain make it the best ten pictures of the year all put together.

Jeanne Crain, Fay Bainter and Dick Haymes, watching the exciting races in "State Fair," a Twentieth Century-Fox technicolor music-comedy.

vian Blaine, Charles Winniger, Fay Bainter and Henry Morgan, there's music by Richard Rodgers and lyrics by Oscar Hammerstein, who gave you "Oklahoma."

The picture, which shows Sunday, Monday, Tuesday and Wednesday at the LaNora, is a sincere adaptation of Phil Stong's celebrated novel of the same name.

"State Fair" is superlative entertainment for the entire family; don't miss it.

At the Rex is another delightful comedy starring that Great Lover, that Master of Women etc., Jack Benny. When Benny—and they're who the audience looks at and listens to—are Alexis Smith and curious Dolores Moran.

Incidentally, the name of the picture is "The Horn Blows at Midnight" and it's about a second-rate trumpet player, Mr. Benny to you, who imagines himself an angel but, of course, the only angels in this one are the aforementioned Misses Smith and Moran.

It's an exceedingly funny Warner picture with a lot of laughs from Reginald (I say) Gardiner, that grand old Guy Kibbee, Franklin Pangborn, and the character who thought he was Theodore Roosevelt in "Arsenic and Old Lace"—John Alexander and, oh yes, Mr. Benny.

Good music by Franz Waxman and excellent showing the Hollywood conception of Heaven are also on asset. It's showing today through Tuesday at the Rex.

If you like the above mentioned Warner picture, you can go to the Crown and see another which is equally good.

It's "Roughly Speaking" starring Rosalind Russell and "Hot Lips" Jack Carson with a good supporting cast including Robert Hutton, Alan

who received his discharge at the same time, and was en route to his home in Independence, Mo.

Nichols served about four years with 33 months overseas in India. After graduating from the local high school he attended Hardin-Simmons university for three years, where he was a member of the famed Cowboy band. He was connected with the personnel department of the air force at Yuma, Ariz., during the last few months.

**"I SHALL RETURN!"**  
 MIAMI—Sgt. Harry A. Nelson, Jr., son of Mr. and Mrs. Harry A. Nelson, has served overseas almost four years, and was home but once during that time. He worked as an x-ray technician. Recently he advised and "threatened" his parents with the following:  
 "As you know, I was involved in an unfortunate campaign against the open declaration took place Nov. 13, 1940. Due to a sad lack of weapons, ammunition and supplies and the superior numbers and overwhelming force of the enemy, I was forced into a humiliating, sad, unconditional surrender at 0400 4 March 1941, and have been a prisoner of war ever since. . . but. . . I shall return!!! I should be out of the army and into a loud suit in from three to six weeks. I shall return."

**TO BE DISCHARGED**  
 58TH BOMBARDMENT WING, Tinian—Sgt. Barnes E. Kinzer, son of R. E. Kinzer, 425 N. Russell, Pampa, and member of the famous 58th bombardment wing, pioneer superfortress unit commanded by Brigadier General Roger M. Ramey

### NEWS OF OUR MEN AND WOMEN IN UNIFORM

**LIBERATED**  
 SHAMROCK—Pvt. J. B. Reynolds, a native of Wheeler and a former Shamrock resident, has been released from a Japanese prisoner of war camp after having been captured at Corregidor four years ago. His mother, Mrs. A. D. Sealy, Los Angeles, has been notified by the war department that his condition is fair.

Pvt. Reynolds is a brother of Mrs. Spencer Sitter, who lives in Shamrock with her son. They will leave this week-end for Los Angeles to meet him when he arrives in the States.

The former prisoner is a nephew of Marion and Agnes Reynolds and a cousin of Mrs. Thurman Adkins and Mrs. F. Hamilton Parker, all of Shamrock. He was born and reared in Wheeler. The summer before he entered the service he was manager of the 20-Trees court of Shamrock.

**SHAMROCK VISITORS**  
 SHAMROCK—Capt. Donald Hall of Muskogee, Okla., and sister, Mrs. Theo Nichols of Pratt, Kansas, were here last weekend visiting their father Dr. J. A. Hall.

Capt. and Mrs. Pratt were accompanied by two of his crew members, Lt. Bill Fletcher, Florida, and Lt. Jerry Golinsky, New York. The lieutenants were on their first trip to Texas and were introduced to us west by attending the rodeo.

Sandra Kay Nichols, who spent the week with her grandparents, Mr. and Mrs. R. A. Nichols, Sr., returned home with them.

**IN JAPAN**  
 SHAMROCK—Word has been received by Mr. and Mrs. Jim Veerman that their son, Pfc. Donald Veerman has arrived in Japan.

**MEETS BROTHER ON GUAM**  
 SHAMROCK—Joe Fred Buice, RM3/c stationed on Guam, recently wrote his parents, Mr. and Mrs. W. H. Buice, of going aboard the battleship Pennsylvania to visit his brother, Platoon Sgt. Wesley H. Buice. The ship was towed into port after being hit.

**ARMY COINCIDENTALS**  
 SHAMROCK—Two Shamrock servicemen, who have been together continuously for the last five years until they crossed the Texas border enroute home, will arrive home this week.

Sgt. Vernon Lummus and S/Sgt. Alvin Nix landed on the west coast Saturday, Sept. 22, according to telegrams received by their parents, Mr. and Mrs. J. W. Lummus and Mrs. Winnie Nix.

Sgts. Lummus and Nix were with the 6th division of the 6th army, landed in Luzon in January, and have been in New Guinea and the Philippines for the past two years. On reaching Texas they were sent to different points for the first time, Nix going to San Antonio and Lummus to El Paso for discharges.

The boys hope to meet in Amarillo and arrive home together.

**SIX BROTHERS IN SERVICE**  
 SHAMROCK—Mrs. Oscar Sloss, who resides east of Shamrock, has six brothers in service, five of whom are overseas. They are the sons of Mr. and Mrs. I. H. Miller who now live at Brownfield.

None of the brothers has been discharged as yet but all are expected to be in Brownfield soon for a reunion they are:

Pfc. Thurman O. Miller, in Germany. He was wounded June 14, 1944 in the invasion of France—the only brother wounded.

Pfc. James F. Miller, with a gasoline supply unit, also in Germany.

Sgt. Edsel Miller, leatherneck, stationed on Guam.

Pfc. Stanley N. Miller, army air corps, stationed at Scott field, Ill.

Pfc. Boyd G. Miller, with the 41st division, 162nd infantry, in the Philippines.

Ira L. Miller, Cox, aboard the USS Hermitage.

What a reunion that will be!

**RECEIVES DISCHARGE**  
 SHAMROCK—Jack Nichols, son of Mr. and Mrs. R. A. Nichols, youngest of four sons in service, arrived home Tuesday night after receiving his discharge from the army air force in California, Sunday.

He was accompanied to Shamrock by a buddy, Gaylon Bickensheets,

formerly of LeFors. Mrs. Hall is the former Lillie Mae Redman of Pampa.

**ARRIVES HOME**  
 T-Sgt. James A. Meeks arrived home yesterday, being discharged from the army at Ft. Sam Houston separation center, San Antonio. He served overseas for 25 months with Patton's Third army.

Sgt. and Mrs. Meek will live at 410 Roberta street in their new home which was planned and furnished by Mrs. Meek during his absence. The Meeks were married on May 25, 1943, three weeks before the sergeant left the States.

### 56 Bales of Cotton Ginned at Shamrock

SHAMROCK—Fifty-six bales of premium cotton have been ginned in Shamrock to date, a check of local gins revealed.

The cotton brought in thus far has been of good grade and staple, and is being accepted under the government purchase plan at from 20.95 to 22.25 cents per pound.

Production estimates of local cotton vary widely, their opinions being based principally upon estimates of producers, which likewise vary.

W. B. Franks, manager of the Shamrock Cooperative gin, believes the production in the Shamrock ear will be almost as great as last year, while Nathan Lummus, manager of the Tindall gin believes it will be far short of the 1944 figure.

J. M. Tindall stated that the crop around Tindall would be about 50 percent of normal.

John Woolly, manager of the Shamrock Traders compress says the county's production will be 7,000 or 8,000 bales with a possibility of 10,000 under favorable weather conditions the remainder of the year. The county produced about 13,000 bales last year.

The crop is rapidly opening now and workers, mostly Negroes and Mexicans, are arriving daily.

Some farmers state that their cotton is as good as last year when they produced a half bale per acre. Others say they will gather most of theirs the first pulling.

Meeting Scheduled For October 12-13

PORT WORTH, Sept. 26—(AP)—Fall meeting of the North Texas section of the American Institute of Mining and Metallurgical Engineers, petroleum division, will be held in Fort Worth, Oct. 12-13.

1st Cavalry Avenged Lt. Gen. Wainwright

By NEA Service In a final all-out blitz that carried it 114 miles in 60 hours, the First Cavalry division earned the honor of being the first to reach the city of Manila in the climactic battle for liberation of the Philippines. By being the first to reach Manila, the First Cavalry Lt.-Gen. Jonathan M. Wainwright, courageous defender of Corregidor and Bataan, and a former brigade commander of the division.

The first order for the "Hell for Leather" men when they reached Manila was to smash forward, at any cost, and relieve the 4000 civilian internees in Santa Tomas university. In a spectacular dash through the barricaded, burning city, with enemy fire pouring from every building, the First overwhelmed the Jap garrison at the university and liberated the near-starved prisoners.

The First elements of which date back to the Indian and Civil wars, had its first crack at the Japs early in 1941, when its doughboys landed on Los Negros island. Despite fierce opposition, they swept inland and secured the key Momote airstrip within half an hour.

The "Hell for Leathers" next went into combat in the bloody battle for Leyte. For 42 days of the monsoon season the men endured what Gen. Walter Krueger described "as the most brutal terrain and conditions American soldiers have ever been asked to stand."

H. L. Hilton, Son Of Pampan, Dies In Topeka, Kans.

Harold Luther Hilton, son of Mrs. Edna King, 520 Doyle, died yesterday afternoon at 1 o'clock in the Winters General hospital in Topeka, Kans.

He was a former resident of this city, and had served with the Coast artillery in the Aleutians. He became ill and was returned to the States sometime ago.

In addition to the mother, he is survived by the wife, Mrs. Helen Hilton, and a son, Johnny Earl, of Eldorado, Kans.; also a brother, S/Sgt. William L. Hilton, Lincoln, Neb.

Mrs. King left yesterday afternoon for Eldorado, Kans., where funeral services for her son will be held Monday.

Market Briefs

WALL STREET NEW YORK, Sept. 29—Strength of assorted "blue chip" industrial bolstered stocks today, after considerable early selling, enabled the market to finish a generally bullish week and month at its highest average level in more than eight years.

Inflation ideas connected with strikes and wage boost demands, together with optimistic earnings and dividend hopes, served as the main buying inspiration. Sales were 950,000 shares against 450,000 a week ago.

The Associated Press 60-stock composite was up .4 of a point at 71, a new high since April 21, 1937. On the week it showed a net gain of .8. For September the advance was 3.4 points, broadest since April. Tone for the industrial and utilities since Aug. 25 and March 11, 1937, were scored. The rail average finished all even.

Among widest jumpers were Du Pont, up four; Eastman Kodak, up three; Alch. Chemical, up 2; Sears Roebuck, up 2; and U. S. Gypsum, up two. On the offside were Boeing, Schenley, International Paper, General Foods and Socoxy Vacuum.

CHICAGO, Sept. 29—Killing frost materialized overnight in parts of the main corn belt and more was predicted, influencing buying which pushed grain futures up more than a cent a bushel today in some cases.
All grains climbed on the theory that frost damage to the corn crop would increase demand for other grains, which frequently are substituted for corn in industries and for feed.

### Canadian River District Court Of Honor Is Held

The Canadian river district court of honor was held at Kellerville Thursday evening under the direction of Hugo O. Olsen, scout executive secretary.

Troop 770 of Kellerville was in charge of the opening ceremony of the court, and the first and second class star and merit badges were presented to scouts by Wallace Riffle, principal of Kellerville schools; Supt. Merle Walker, Samnorwood; W. W. Hughes, Kellerville, and Coach J. D. Allen, Samnorwood, in the order named.

James Hinton of troop 25, McLean, was awarded the Eagle badge. Jimmie Newton of troop 70 let the pledge to the flag, and the scout oath. The Rev. K. W. O'Neil gave the invocation.

### 8 Wells Completed In Louisiana Field

BATON ROUGE, La., Sept. 29.—(AP)—The Louisiana conservation department announced today in its weekly oil report the completion of eight wells with initial daily productions totaling 1384.60 barrels, and the issuance of permits for 42 new wells.

Oil men here said the unusually large number of permits about twice the average, indicated a trend toward the comparative certainty of production in Louisiana, following recent unsatisfactory developments in some other states.

### University Students Call General Strike

BUENOS AIRES, Sept. 29.—(AP)—University students in Buenos Aires, Santa Fe and Cordoba have announced a general student strike against the state of siege imposed by the Argentine military regime.

(BBC in London quoted Montevideo radio as saying "more than 3,000 persons here in jail" in Buenos Aires.)

At the world trade union congress in Paris the governments of Argentina and Spain were roundly criticized with speakers demanding that democratic nations break off diplomatic and trade relations with them.

A formal resolution addressed to the United Nations was expected.

An estimated 300 university of La Plata students boomed Argentina's "strong man," Vice President Juan Peron yesterday when he visited the institution to swear in the federally appointed governor.

### U.S. Sergeant Is General in Eyes Of 40 Japanese

TOKYO.—(AP)—Sergeant James C. Wittich, (1128 Ensor street) Baltimore, Md., isn't exactly a general but in the eyes of forty Japanese he's far greater. Sergeant Wittich's fame springs from the fact that he is in charge of the mess at the Dai-iti hotel, where 400 army and navy officers and war correspondents live. The forty Japanese are his cooks and waitresses.

"It," said the sergeant, "a general came in and asked for food and I told my crew not to give it to him (perish the thought) they wouldn't because they look on my word as extreme law."

Sergeant Wittich says his Japanese crew is most cooperative, most eager to learn the ways of the Americans and most anxious to please—but do not speak English.

"I have a cookbook—a large cookbook with pictures," he said, "I turn to a picture and point. I say, 'let's eat this.'"

Mr. Wittich is a Jeweler store in Pampa.

Mrs. Charlie Wells and baby are visiting in the W. L. Russell home this week.

H. A. Gill a long time resident and ranchman of Miami, died suddenly at his home here.

Mr. and Mrs. A. B. (Happy) Casey returned to Albuquerque Sunday after a week's visit in Miami.

"make that," and they make it." "The Japanese, he continued, want to learn American style tastes because they're looking forward to a great and prosperous tourist trade in the next few years."

One of the mess sergeant's greatest difficulties lies in the Japanese love of color.

"They want to serve the vegetables undone because cooking them completely makes them lose some of their color, you know, and the Japanese don't like that."

ARRIVE IN STATES  
S. Sgt. Paul M. Sutton, route 2, arrived in New York Sept. 28 on board the USS Santa Marie; Lt. Col. E. Clure E. Smith, Skellytown, arrived on the USS Queen Mary, according to a dispatch of the Associated Press.

'Leadership Is Citizenship' State Girl Scout and Brownie Directors

Pictured above are Intermediate Girl Scout leaders for the coming year. Reading left to right, first row: Mrs. K. E. Thornton, president; Mrs. W. B. Franklin, Mrs. A. C. Wilkinson, Mrs. L. Ekern;

Brownie leaders pictured from left to right are: First row, Mrs. Roy Hall, Mrs. M. F. Sherrod, Miss McClure, Mrs. Noel Dalton; second row: Mrs. T. M. Brooks, Mrs. Ralph Paxson, Mrs. Quentin Williams; third row, Mrs. R. S. Higgins, Mrs. W. B. Taylor, Mrs. C. L. Brownlee, Mrs. S. B. Black and Mrs. Emmett Osborne.

Pampa Girl Scout and Brownie leaders recently concluded a special training course in Scouting under the direction of Miss Ida Mae McClure, National Girl Scout staff field advisor, of Amarillo.

Many plans are being formulated to interest Girl Scouts and leaders for several troops are badly needed. The threat of idleness need not worry the women whose war work ended suddenly, for there are many jobs waiting for them that are just as challenging and just as rewarding, is the opinion of Mrs. Thornton, president.

Helping to train youth to a higher and preserve the democratic way of life is one of the most important jobs to be done. This group of new leaders realizes the importance of training the girls of Pampa so that all Girl Scouts will be able to take their places in this democratic world, she stated.

The Girl Scouts, who are celebrating Girl Scout Week October 28 to November 3, with the slogan "Active Citizenship Around the World" will be putting special emphasis on citizenship training during the next two years, Mrs. Thornton said that at least 20 women

### Minister Speaks To Kiwanis Club

Dr. David M. Gardner, guest speaker at the Pampa Kiwanis club noon luncheon Monday, declared that as principles of human conduct and enterprise, gangsterism and greed had failed.

"It is now time for us to try the principle of the good Samaritan," he said.

Dr. Gardner, conducting a revival here at the First Baptist church, is editor of the Baptist Standard, said to be the most widely circulated weekly religious organ published by any state group. It has a weekly circulation of 150,000.

He cited the need for missionary work in foreign countries, specifically in Japan.

We cannot keep the secret of the atomic bomb, he said. "Our security does not lie in keeping that secret," he added. Our great responsibility is to destroy, through the principle of the good Samaritan, the need for keeping it, he said in effect.

In his brief message to the Kiwanians, who meet weekly at the Methodist church basement hall, he outlined his discussion on what he termed three principles.

First, gangsterism. He defined this as the principle of "What's yours is mine."

Second, greed. This, he said, is borne under the philosophy that "What's mine is mine."

The third, the philosophy of the good Samaritan, he said, had not been tried. This is borne under the

idea that "What's mine is yours if you need it worse than I do."

One new member was taken into the Kiwanis club, Rudolph G. Harvey, pastor of the Central Baptist church, was welcomed as the latest member. Reverend Harvey came to Pampa with his family last April.

Mrs. Rufus Dodgen Is Shamrock Hostess

Special to The News. SHAMROCK, Sept. 29—The Presbyterian auxiliary met in the home of Mrs. Rufus Dodgen Monday afternoon.

Mrs. Tom Brown, who presided over the business session, gave the devotional from the eighth chapter of Luke.

Mrs. Blaine Puckett gave the lesson, which was a story of the life of Job.

At the close of the lesson, Mrs. Brown gave "A Thought For the Day," and dismissed the meeting with prayer.

During the social hour which followed refreshments were served.

Those attending included: Mesdames Brown, J. L. Hartsfield, Roy, T. H. Sonnenburg, Puckett, Earl Koger and Dan Frye.

Of accidental deaths among American soldiers of the Mediterranean theater: of operations in one month, 55 per cent were due to motor mishaps, 10 per cent by drowning, 10 per cent by falls, and five per cent by mines.

### Director Is Named To College Board

AUSTIN, Sept. 29—(AP)—Lon C. Hill of Corpus Christi, a utilities company executive, today was appointed by Gov. Coke R. Stevenson

for a six-year term on the board of directors of Texas college of arts and industries, Kingsville.

Hill was appointed to replace James R. Daugherty of Beeville who declined reappointment. The governor said many south Texans

had recommended Hill's appointment.

Reappointed to the board for a six-year term were A. L. Cramer of Edinburg and Holman Cartwright of Dinero, Live Oak county.

### Amarillo Recruiting Station Is Reopened

Men are urgently needed for the regular army to permit those who have served so well during the war, who wish to be discharged, to do so as soon as possible.

Men wishing to enlist in the regular army are now being offered many special benefits of travel and education with our forces which now must guard the peace won on the battle fields of the world. Enlistments will be handled at the Amarillo army recruiting station which is located in the basement of the post office building.

Of accidental deaths among American soldiers of the Mediterranean theater: of operations in one month, 55 per cent were due to motor mishaps, 10 per cent by drowning, 10 per cent by falls, and five per cent by mines.

### Shamrock Citizens Vote Increase In School Taxes

SHAMROCK—Reversing their decision of two months ago, tax paying voters of the Shamrock independent school district, voted 298 to 151 for an increase in school taxes from \$1 to \$1.35 per hundred dollar valuation.

Twelve less ballots were cast this week than on Tuesday, July 24, when voters turned thumbs down 253 to 96 on the proposal.

Sol Hlonstein, president of the board of trustees of the Shamrock schools, speaking in behalf of the entire board, expressed appreciation and thanks to voters whose decision to boost the school tax will make it possible to have a nine-month school term.

Following the first election, members of the new school board, all members of the old board having resigned, began an immediate campaign to acquaint the school patrons with the financial facts of the district and drastic need for the tax increase. The assistance of all civic and federated clubs of the city was employed and the school faculty took an active part in the two-month campaign. On the morning of the balloting the entire student body along with the instructors,

staged a downtown parade, bearing placards and chanting, "We want taxes."

The 35-cent raise in taxes will mean that the local schools can operate on a standard basis. Had the proposal been defeated the current term would have been cut short or the school would have ended with a deficit of \$6,000.

The two principal factors which required the tax raise were an increase in bond payments which falls due this year on a set-up arranged during the depression years, and an increase in operating expenses brought about by war-time conditions.

### 'Back-to-School' Movement Is Staged By Shamrock School

SHAMROCK.—Supt. Elmer J. Moore stated this week that a back-to-school movement is being inaugurated in the Shamrock independent school district.

In announcing the plan, Superintendent Moore revealed the fact that 75 children on the census roll, who live in or near Shamrock, who are not attending school.

"We do not have an attendance officer in Shamrock or in the county," he said, "but we are going to try to enforce attendance and we wish to employ the cooperation of all parents to see that their children enter school and continue to attend."

It was pointed out that students of scholastic age should attend school 120 days each school year, and that parents are liable for the attendance of students of certain school ages.

Teachers and students have been requested to encourage the return of children of school age and have been asked to report the names of students who are not in school to their respective teachers or principals.

"We have found," said Superintendent Moore, "that there are many 16 and 17 year-old children, both boys and girls, who have married.

Many of these will not graduate, but in order to help them, we will arrange certain courses that will be greatly beneficial to them later in life."

Shamrock schools now have an enrollment of 702 students, said Superintendent Moore. While there are 75 children of school age who are not in school, there are 120 not on the tax roll, who have enrolled, showing that many people are returning from defense work and military service with their children.

Scholastics for the Shamrock independent school district number 798. This includes 37 negroes.

### 55,000 Servicemen To Be Discharged

DALLAS, Sept. 29.—(AP)—More than 55,000 soldiers living in the southwest are being separated from the army during September, the

Eight service command has estimated. Since Fort Sam Houston and Fort Bliss, Texas and Camp Chaffee, Ark., were established as separation centers late in 1944, they have separated 11,942 soldiers. Last month the three centers separated 15,887 men. Of these 14,990 were enlisted men and 897 have been officers.

Well, I see the war production board positively refuses to make any rules governing the sale of nylon stockings when they appear in stores. That means it will be a case of stockings to the strong and let the plate glass window chips fall where they may.

It's silly, but I'm afraid it's going to take a woman of about 190 pounds of bone and sinew to get to that nylon counter first and who would look at her legs anyway?

Personally I've been training for this battle of the century and I mean to get a pair. I'll have a well-turned leg even if it means a badly turned ankle.

It's too bad that while the United Nations are trying to do away with force in world affairs it has to turn up again at the stocking counter!

We (British) are the poorest nation of any of the victors in this war. We must see that "British made" means more abroad than it ever has in the past.—Sir Granville Gibson.

W.M.D. BILL 8% FEDERAL MEDICAL BUREAU

The Wagner-Murray-Dingle bills now before Congress would create the most powerful political machine in the history of the United States should they become law, warns Dr. C. C. Cody of Houston, President-Elect of the State Medical Association of Texas.

"This legislation provides compulsory health insurance through the creation of a vast tax burden of 8 per cent deducted from all salaries up to \$3,000 a year," says Dr. Cody. The sum of over 3 billions of dollars is set up for the providing of medical, hospital, dental and nursing care. This whole vast sum would be under the control of a single man, the Surgeon General of the U. S. Public Health Service.

"The legislation would of course destroy American medicine by putting doctors under the control of political dictators. The three billion dollars would pay high salaries to a horde of political bureau directors and workers in every state and city in America. This political machine would have as its implement, the health and welfare of the American people. Political henchmen could be appointed to lucrative Federal jobs under this new law. Public health would be their catspaw.

"The physicians of America have been devoted in their service to the public. Their achievements in combatting disease speak for themselves. The greatest system of medicine in the world today would be wiped out by this socialist law which seeks to regiment doctors and control them through Federal political bureaus.

"Health and liberty mean everything. American medicine should not be controlled by political dictatorship. Every citizen who believes in the protection of public health bills."

## Harvesters Are 27-6 Victors Over Phillips

The Pampa Harvesters' spirit didn't lag even in the murky weather Saturday as they pushed their way through the mud and rain to beat the Phillips Blackhawks 27-6 in Pampa's third game of the season.

The Harvesters led by the sparkling running of Randall Clay and brilliant tackling of Jimmy Terrell couldn't be stopped by the lighter Phillips team.

The game was postponed from Friday night till Saturday afternoon with the hopes that the weather would clear up enough to enable the team to play their best, but the game was slowed by constant drizzle and cold.

There were many fumbles by both sides and a fumble gave Phillips the chance for their touchdown.

The Pampa line plowed holes in the Phillips line and gave Randall Clay the chance he needed to make his three touchdowns. Russell Neef also showed his skill at handling the ball by stacking up several nice gains.

The starting lineup for the Harvesters was as follows:

- Lonnie Williams, lg. (161)
- Jim Terrell, lt. (178)
- Don Humphreys, lg. (163)
- Maurice Lockhart, c. (161)
- Jack Hood, rg. (164)
- Stanley Simpson, rt. (190)
- Jack Dunham, re. (172)
- Winfred Vaughn, qb. (156)
- Randall Clay, th. (185)
- George Johnson, fb. (128)
- Russell Neef, lb. (150)

The starting lineup for the Phillips Blackhawks was as follows:

- Morris Payne, c. (145)
- Donald Williams, rg. (166)
- Don Seymour, lt. (135)
- Gene Oates, lb. (151)
- Frank Hunsaker, rt. (160)
- Travis Davis, re. (154)
- Earl Jackson, lg. (161)
- J. O. McClellan, qb. (140)
- John R. Eldridge, fb. (139)
- Dick Jackson, fb. (167)
- L. Henderson, lb. (138)

Winston Savage, principal, announced that the co-op was not in competition with local stores.

Mrs. Bertha Hollis will manage the co-op. She was a 1943 Pampa High graduate and was elected football queen in her junior year. She has been employed at the PAAF before coming to PHS as business manager.

## Student Co-op To Be Started By Mrs. Hollis

A student co-op will soon be located in the ex-Little Harvester office on the second floor of the high school building.

## Honor Before Victory

True sportsmanship must come before victory. We don't have to be dragged in the dirt, but we can't be known for muddling.

Students of PHS have been proud of the reputation of being the cleanest in sports as well as in everything we attempt.

We must receive the admiration of other schools and towns, whether large or small—win or lose. This way we can truthfully say: "SOME AS GOOD; BUT NONE BETTER."

## Your Library

Every student of Pampa high school has been in the library at one time or another. No doubt he or she was thankful then for the helpful encyclopedia shelf or the intriguing fiction, but did he ever consider the work necessary for distribution.

Every one of these books must be catalogued and put on its proper shelf, and, with the tremendous demand for many of these books, the covers are soon worn out and they must be bound. This takes even more work from Miss Mary Gordon and her assistants, but no effort is spared to keep the library in tip-top shape.

This library is maintained for your enjoyment and assistance; so next time be a little more thoughtful and co-operate one hundred per cent with Miss Gordon.

## Students Want Canteen

Everyone wants a youth canteen, but without a great deal of work by everybody there can be no success with this enterprise. When the Pampa youth canteen was planned, there was much ambition about the prospects of getting one in this community. The plans went along fine and the center was to open with school this year.

Some unfortunate circumstances came to stop the plans for this enterprise. The school bus barn—the place that was to serve as the building—was bought for the total sum of \$1.00. This summer when the new garages were to be built they found that the materials were unavailable so the old bus barns passed out of our hands.

The cause may look hopeless, but if we keep up the work of the Youth Council by asking opinions, putting on programs of varied types and trying to raise money to help the campaign, in the near future the canteen for the youth of Pampa will become a reality.

## Various Classes For Homerooms Poll Many Ideas

Fish, sophs, juniors and seniors gave varied ideas of potential homeroom programs in a poll taken last week.

Adolescent fish prefer "coke parties," "music and dancing," "post office" and "picnics. The sophisticated seniors like "round, table discussions and "talent previews."

The in-betweeners, sophomores and juniors, have a tendency to amateur programs and group games.

What would you like to do in homeroom? The following results were received by the inquiring reporter:

Betty Jean McCracken: An orderly meeting.  
Patsy Groninger: An interesting as well as educational program.  
Alice Robinson: Anything interesting but not boring.  
Mary Lou Mazzy: Get the business done.  
Hansel Kennedy: Have refreshments.  
Auntie White: Let someone sing.  
Anita Lane: Interesting programs in which the students take part.  
Glória Jay: I like contests, elections and amateur programs so everyone can take part.  
Beverly Candler: Have musical performances and a class discussion of a current topic.  
Bill Nellis: Have pillows so everyone can sleep.  
Joyce Pratt: Have homeroom talent and a study period.  
Jimmy Terrell: Entertainment and class discussions should follow the business session.

## Navymen Teach Civvies Now Instead of Men In Navy Blue

"Shipshape" should be the word for Pampa High as three of its new faculty members handle their work in the "Navy Way."

G. L. Allison, assistant principal, and M. E. Berg and C. B. George, science and history teachers, have recently received naval discharges.

Mr. Allison who left the service in August of this year, stated last week:

"My three years in the Navy are good to look back upon but I don't want any more of them."  
He entered in the service in June 1942 as an apprentice seaman, took his basic training at Great Lakes, Mich., and went to officers candidate school at Harvard University, Boston, Mass.

After receiving his commission at Harvard, he served as communications officer on a commercial tanker in the Atlantic, on which the crew was composed chiefly of seamen of the Navy supplying the gunners and communications men.

Mr. Allison was also stationed in Hawaii, New York City and San Pedro, Calif.

Before receiving his discharge, he taught visual and radio communications to officer candidates at Yale University, New Haven, Conn. He attained the rank of lieutenant. Mr. Allison taught in Hereford and Clarendon before entering the service.

## gridiron gratings

Playing away from home last week, the Harvesters showed plenty of spirit and power as they banged sixty minutes and their second victory.

Midland has a fine, well balanced ball club but the smashing drives of Randall Clay and hipper dipper style running of George Johnson couldn't be stopped by the down state boys.

We won't say we are going to win the district championship this year but we will say that we have sixteen or seventeen boys that are going to be hard to defeat.

Incidentally, fans, if you want to know who the powers of district IAA will be this year, watch the Amarillo 'Sandies, Plainview Bulldogs, Lubbock Westerners, and of course, the Pampa Harvesters.

Think about this. Two weeks ago the mighty Amarillo Sandies had to come from behind to beat the Childrens eleven 12-6. The past week nothing could stop the Plainview boys for they swamped the same Childrens team 26-0. Better watch the Bulldogs.

It looks as though Coach "Jugs" Whittington is going to build a Harvesters line stronger than ever.

Captain Jim Terrell and speedy Jack Hood have been looking good on the defense for the Harvesters.

Big Burl Williams has been packing that ball like an old timer for the green and gold.

"On To State"

## Fashion Flashes

For this week's column, I have written by hand a poem saying: Fashion is always new. Of hair styles, clothes styles, and views.

On how to keep from being' blue Bout complexion, figures, and make-up, too.

The influence of some girls, and advice of others has persuaded a few football boys to shave their beards regardless of not being defeated. Wimpy Vaughn and Billy Washington are looking awfully handsome again.

At the football game with Electra, we noticed a number of those cute green and gold hats made to sit on the back of the head. They're not only cute, but wearing school colors is an excellent way to back our boys on the gridiron.

The latest thing in sloppy clothes for the girls are football jerseys. Of course, the plain gray ones. It's a real thrilling to be able to put your "O. A. O.'s" number on the back in black letters.

Margaret Price had all eyes turned her way when she wore a blue plaid skirt and her khaki riding pants. Her boots are novel as well as pretty.

Bertha Mae Killion has a clever ornament for the girls' hair if she will allow it to be copied. Perhaps you noticed a bright aqua sweater and a contrast of beautiful blonde hair with small tapering aqua feathers in it. Bertha Mae was your line of vision.

Lovable Margery Dixon was envied by many girls when she wore her white peasant skirt trimmed in red embroidery. She exclaimed, "I bought it in Eagle Nest, New Mexico." Imagine something so pretty coming from a place like that.

Mary Rutherford brightened a purple sweater with a beautiful indian necklace which was made of bone and square sets of turquoise and onyx.

## Dead Latin Liveness As Three Clubs Formed

To promote the idea that Latin is not a dead language, the three Latin classes formed clubs and "lived" officers last Thursday and Friday.

Beverly Baker, junior, was elected president of the Latin II club. Other officers are Charles Lockhart, vice-president, and Doris Flood, secretary. The social committee consists of: Edith Marie Meers, Paula Faye Franklin and Hobie Fatheree. Charles chose as his program committee Jack McCune and Joy Hutchens.

The fourth hour Latin I class elected as its officers: Glória Jay, president, Malcolm Douglas, vice-president, Marian Wenger, secretary and Dick Oden, reporter.

The third hour Latin I class chose the following officers: Norma Anne Birtle, president; David Lamb, vice president; Mary Love, secretary; Blenda Hogsett, reporter.

## Five Boys In Run-Off for Each Class Presidency

Five boys from each class will be in the run-off for class presidents to be held Wednesday during home room period.

Four girls from each class will compete for the office of secretary-treasurer. Nominations were made last Wednesday.

Because of the repetition of names in the president's and vice president's races, nominations for these two offices have been combined. The second highest will receive the office of vice-president. In the secretary-treasurer race, the student receiving the highest number of votes will take over the office.

The following senior students were nominated: For president and vice president, Dick McCune, Don Rowe, Jack Dunham, Billy Nellis and Randall Clay; secretary-treasurer, Beverly Candler, Joyce Cloud, Erma Lee Kennedy and Quebell Nelson.

Junior candidates are: Bill Spear, Billy Ray Bain, Danny Williams, Harold Anderson and Bill Sarpley, president and vice president; and secretary-treasurer nominees are: Druella Boyd, Jean Pratt, Zha Kennedy and Gloria Jay.

Chosen by the sophomores: president and vice president, Richard Hughes, Frank Green, Burke Mordy, Charles Lafoon and Don Lane; secretary-treasurer, Margerie Dixon, Elda June Wyatt, Adele Roberts and Joann Applebay.

Candidates picked by the freshmen: Brice Lively, Jimmy Cline, Donald Thui, Max Brown and Malcolm Douglas; secretary-treasurer nominees, Donna Beagle, Leona Mills, Marian Wenger and Johnnie Sue Hart.

Jimmy Terrell, making his first appearance as president of the student body, acted as master of ceremonies.

## 222 Books Lost From Library, 1944-1945

Two hundred and twenty-two books were lost from the Pampa high school library during the 1944-1945 school year, Miss Mary Gordon, librarian, announced last week.

Many of these were taken unchecked from the library and not returned, she reported.

Of the 3,300 books bought since the construction of the new high school building, only 6,500 remain.

Miss Gordon said. Of these, 240 are new this year. Seventy will soon be returned from the bindery.

Reference books number 500, pertaining to information about approximately 40 different fields.

The four newspapers available in the library are the Amarillo Daily News, the Fort Worth Star-Telegram, the Dallas-Morning News and the Pampa News.

Fifty magazines—including vocational, theatrical, nature, music, photographic, health, and scholastic fields are on the library shelves.

The reserve desk at the back of the library handles books which are constantly in use, and the circulation desk at the front takes care of the fines and of books which are checked out week by week.

Miss Gordon has requested that all students take better care of the books and return them to the library if found.

## Looking Back Through Little Harvester Files

(10 years ago)

Looking back at the first editions of the Little Harvester we find that Dorothy Harrison was drum major, et al. of the Harvesters band. B. G. Gordon was sponsor of the senior class, Josephine Lane was valedictorian and Etelle Shegman was salutatorian.

The one-act play "Smoke Sorensen" was first placed in the state interscholastic league one-act play contest in Austin.

(9 years ago)

Edith Shearer was valedictorian and Holt Hamlet was highest ranking boy. The colors of green and gold were chosen as the Harvesters colors and girls intramural sports were organized.

(7 years ago)

Boots, in "Boots and Her Buddies" was then engaged to a boy named Cecil.

J. W. Graham was elected student council president and Jimmy Mosley, vice-president. The senior play for that year was "War Days."

## Captains Chosen In Girl's Sports Classes

Captain recently chosen for the softball teams in Miss Nina Owings' physical education classes are Wanda Jackson, Mary Rutherford, Rebekah Joye Bain and Avis Kelley. Beverly Chewing and Billie Joen Chewing have been elected captains of the speedball class.

During the first nine weeks, Miss Owings will teach one badminton course, two speedball courses, two softball courses and a limited activities course.

The limited activities course, or correction, is for those who temporarily or permanently cannot take regular activity. Their first problem is to improve and correct posture divergencies.

Additional squad leaders in Miss Dorothy Hoyle's classes are Druella Boyd, Pauline Boyd, La Verne Dykes, Doris Shackelford, Coleen Voyles and Louise Clark.

Buy your Harvesters before Oct. 31! The price runs up to \$3.00 after that.

## Students Hear Evangelist Talk

Youth's relationship with Christ was discussed by Dr. David M. Gardner, editor of the Baptist Standard, in last week's assembly.

He described the parable of the leaves and fishes which fed the multitude as a "Boy Scout story" and commented on the Biblical boy's generosity and faith.

Dr. Gardner, who has been conducting a meeting at the First Baptist Church, was introduced by R. Virgil Mott, educational director of the church.

Mr. Mott sang "Stout Hearted Men" and "My Woid Irish Rose" the latter an imitation of Miss L. Nelle Scheibagen. He also led the student body in singing "God Bless America."

Jimmy Terrell, making his first appearance as president of the student body, acted as master of ceremonies.

## Reporter Finds Story In Sleeping Study Hall

All is quiet. One student sleeps, some study, others gaze out the windows, and a few look very bored. This is a typical picture of a PHS study hall.

Although the teacher gazes sternly at his students, some manage to talk unnoticed. Others are caught when a ripple of laughter breaks the silence, and the culprit receives a quick glance from the teacher with the reminder that "quiet must reign."

We dig deeper into our books to avoid the cracking and popping of the gum behind us, but the chatter bears down with concentrated effort.

The time drags on as every one awaits the happy noise of the bell ending the class. The sleeper is rudely awakened by a playful fly, and the spell of drowsiness, concentration, and semi-stupidity is broken by the bell. One more of our 175 daily study halls has come to an end.

The annual staff is trying for 100 per cent pictures in the Harvesters; get yours made this week, all you juniors!

When Sage was making the regular Saturday night round some choice bits of gossip were picked up. Here are a few:

It seems that Anna Lois Beesly had such a good time Saturday night with an Amarillo boy that she is going to take him again next Saturday if possible.

Bob Love was a very happy boy Saturday because his girl, Jean, was over from Amarillo.

Ole Sage saw blonde Joan Hawkins having a swell time with a blonde from Amarillo Saturday night.

From the preceding items Sage and his stogues would say Pampa played host to Amarillo.

"When going near Bille Don Crowson you had better wear sun glasses as the stars in her eyes are rather bright. The reason—Wimpy Vaughn.

There is a new gleam in Martha Kelley's eye too and Sage has first hand information that he is going to date her. In case anyone wants to know, the guy is Calvin Med Adams.

FLASH! Earl Dean Davis is on the prowl, so take cover, girls.

Joyce Cloud was all a-dither Monday morning over a telephone call from Gene Lively Sunday.

OK, Fellows—there's a new girl in the halls. Her name is Ann Monroe and right now we don't have her phone number but we will keep trying.

Bob Cochran has been a frequent visitor to the school lately.
