Borden County Pioneer PASSES AWAY

Mrs. Sarah Layman, beloved wife of Mr. J. B. Layman, died at the home of her husband, located on Farm Road 100, Gail, on April 15th. Mrs. Layman was a native of El Paso, Texas, and has been a resident of this community for the last several years. She was a member of the Borden County Cemetery Association and was a devoted and faithful worker in the local church. She was a kind and gentle woman, and her death is a great loss to her family and friends. She leaves her husband and two children. Services will be held at 10:30 a.m. on April 17th at the home of the Layman family. Interment will be made in the cemetery of El Paso, Texas. The family requests that in lieu of flowers, contributions may be made to the local church or to the Borden County Cemetery Association.

Boggs majestic Important in Year Round Grazing

Staggered plantings of galls or other grasses are an excellent way of keeping livestock and poultry fed during periods of drought or other adverse weather conditions. Staggered plantings are made by making up to 12 planting dates during the growing season, with each planting date spaced about four weeks apart. This method of grazing enables livestock to be fed continuously throughout the year, regardless of weather conditions.
