Homeless Japs Huddle Around Fires at Scene

TOKYO—(AP)—With the toll of dead calculated as high as 1,125 so far, thousands of wretched, shivering Japanese tonight huddled around fires near the water-logged wreckage of their homes destroyed by the earthquake and tidal waves early Saturday.

The Home Ministry listed 1,026 dead, with reports still coming in from previously isolated areas in Southern Shikoku Island and the Wakayama Peninsula. Kyodo News Agency reported its count at 1,125 killed. Kyodo listed 2,700 killed, missing and injured.

A bitter cold wind blew steadily across Japan from the Manchurian plains, adding to the miserable discomfort of Japanese who lost their homes and their relatives or friends in the tragic dawn Saturday.

The homeless—tens of thousands—were living under railroad trestles, in forests and along the beaches, smoking little fires against the biting winter weather, as relief crews sought to deliver emergency food, clothing and medical supplies.

The home ministry listed 1,026 as dead, 145 as missing and 1,035 injured and reported that well over 100,000 persons were made homeless in one of the world's worst natural disasters.

Automobile Theft Wave on Increase; 2 Youths Missing

The increased wave of car thefts in the Panhandle section of Texas brought a rewording from Chief of Police Louie Allen this morning.

"Because of this increase in auto thefts, I am advising motorists to park their cars in a well-lighted area, to lock their cars and remove the keys when leaving them parked either temporarily or for the night."

Firemen Extinguish Three Small Fires

City Firemen Saturday night were called twice to extinguish a blaze in the Hugh-Pitts Lumber Yard, 535 South Gray St., and once to the midtown section to quell a small blaze in the Tiny Tot Shop, Foster St., near Cuyler.

Fire Chief Ben White said the lumber yard fire may have been caused by a cigarette from a cigarette case which fell into a pile of sawdust. Firemen arrived in time to kill the flames before any of the lumber was even scorched. The first call was registered at 8:45 p. m. and the second one at 9:20 p. m. White added that the sawdust had flared up again and had to be put out the second time.

Between the two lumber yard calls, a faulty service switch caused a small blaze in the Tiny Tot Shop. Firemen were forced to break open the shop's door and pull a booster line inside. Damage here was reported negligible and no damage to the lumber yard.

Youth Attempts To Shoot City Officer

City Policeman J. R. Manning this morning narrowly escaped death when bullets fired at him by Bobbie Jack O'pry, 18, of Amarillo missed him by inches, just before the youth drove away in one of the city's black and white police cars, Chief of Police Louie Allen said.

Manning, still a little shaky from the experience, told a reporter that he and Patrolman J. B. Pritchett discovered young O'pry and two companions, James Boyd Wilde, 17, of Pantex Village and Bobby Kraig, 16, of Amarillo loitering around the side of the Bell Liquor Store about 6:15 a. m. today.

"We stopped to investigate and found that they were in a car reported stolen last night from Amarillo," Manning said, "and picked them up for investigation. Pritchett took two of the boys and the stolen car and drove back to the station, and I brought O'pry in. Just as I was ready to turn into the police driveway, O'pry pulled a gun on me and told me to keep driving."

Instead of obeying the youth's order, Manning topped the car, opened the door, and went for his gun. Then O'pry fired at Manning, who was about six inches away, missing him by inches. The youth shut the door of the car and sped away.

All three police cars immediately gave chase and also radioed State Highway Patrolmen and other law enforcement officers, spreading out a Panhandle-wide dragnet. Chief Allen later apprehended O'pry walking along a dirt road in the Groom and Groom and Con-way. Allen told a reporter that he had stopped in Groom to inquire if anyone had seen a police car going by.

Allen also mentioned that he had seen a car that had been reported stolen last night from Amarillo. He said that the car was seen in the Groom and Groom and Con-way area.

Police Almost Had Christmas Orphan

AUSTIN—(AP)—Austin police thought for a while last night they would have a Christmas orphan on their hands.

It took them from before midnight until 3 a. m. to locate the parents of a three-year-old boy lost in the shuffle by his nine-year-old brother, who had taken him to a picture show.

The elder brother returned home and went to bed without reporting to his parents. They discovered the younger child was missing around 3 a. m.

The boy was found in the company of a car that had been reported stolen last night from Amarillo. He said that the car was seen in the Groom and Groom and Con-way area.

29 Frenchmen Said Killed In Indochina

PARIS—(AP)—French troops attacked Viet-Nam positions in the city of Hanoi and the Indo-Chinese quarter of Hanoi today in the swelling battle for control of the battered Capital of the Viet-Nam Republic, the French Press Agency said.

French authorities were quoted as saying 29 French civilians, including 11 women, had been killed in the fighting and that their bodies were brutally mutilated.

French armored units and infantry battled for possession of the Rue Coton, main thoroughfare of the Indo-Chinese district to the north of the Capital. Other French troops were reported advancing down the boulevard Gambetta, south of the downtown district.

The French news agency announced the proclamation of a state of siege in Tonkin and northern Annam.

French official circles, the agency said, announced that the bodies of some Japanese were among the guards killed defending the Hanoi residence of the Viet-Nam president, Ho Chi Minh, when it was stormed by French troops Dec. 18.

A press dispatch from Hanoi, where more than 200 French soldiers had been reported killed or wounded recently in fighting with Viet-Nam forces, said the French had warned that unarmored natives found carrying firearms would be shot.

"Any house that fails to fly a white flag will be searched, and any house from which shots are fired will be attacked," the warning also was quoted as saying.

U. S. Ship Is Out of Port In 20 Minutes

By William H. Newton
D A I R E N . Manchuria, Dec. 20 — (Delayed)—(P)—A United States navy ship pulled out of the port of Dairin this afternoon after receiving a verbal ultimatum from Russian military officials to the effect that "unless you leave within 20 minutes we will not be responsible for the consequences."

Previously, the Russian military commander in charge of the city had refused to permit an American business with full clearance from U.S. authorities to debark. Also denied permission to land were two American newspapermen, representing the combined World Press.

Russian troops have occupied Dairin since the Japanese surrender. Although the Chinese-Russian treaty of 1945 called for its designation as a free port under Chinese administration, Soviet forces still are in control of the city.

In Washington, the State Department said it has received no report of the "verbal ultimatum" and would have no immediate comment.

THEN CAME THE YAWN — Declarations on presidential aspirations apparently are old staff to the yawning gentleman in the background, left, attending recent Washington press conference of Sen. Arthur H. Taft Seeks Labor Commission Post

WASHINGTON—(AP)—Senator Robert A. Taft of Ohio said today he will ask the chairmanship of the Senate Labor Commission when Republican senators meet Dec. 30 to organize for their new majority role.

By Senator Taft would have the choice of the labor chairmanship or head of the tax-writing finance committee.

Announcing his decision to ask for the labor post, the Ohio senator said in a statement that he plans to remain on the finance committee. He announced that he hopes to continue as chairman of the Republican majority on the labor commission.

Ordinarily, the finance chairmanship is considered a more important post than leadership of the labor committee.

The clamor for revision of labor laws makes the labor committee of unusual importance, however, in the new Congress.

If Taft had elected to seek finance, Senator Aiken (R-Vt.) would have been in line for the labor chairmanship. Aiken has usually supported organized labor's view-point on legislative matters and some of his GOP colleagues call him a "betting new dealer" than most Democrats.

Taft's decision may give the finance chairmanship to Senator Milkin (R-Colo.). Senator Hugh Butler of Nebraska, next in line to Taft on the finance committee, planning to resign to be more interested in becoming chairman of the new and enlarged public lands committee, if that post falls to him by seniority as it seems likely to do.

Senators heading the finance committee, Milkin is in line for election as chairman of the Republican conference, a post Senator Arthur C. Capper of Michigan will vacate when he becomes the Senate's new presiding officer.

Early Christmas Season Deaths in State Total 20

By the Associated Press
As the Department of Public Safety called upon Texans to enjoy Christmas but to be careful, the state's death toll for the first three days of the Christmas season today stood at 20.

Included among the fatalities are 15 traffic victims. Twelve of the deaths occurred yesterday. (Sunday).

With an added comment "enjoy Christmas but try to be here for the New Year," the Department of Public Safety has revealed there were 1,718 traffic deaths in Texas during the first 11 months of 1946. The figure compares with 1,302 for the same period last year.

Accidents totaled 23,435 as compared with last year's 13,218. Department figures indicate 59,755 traffic injuries and an estimated economic loss of \$58,684,909.

Latest holiday victims included: William Cash, 42, Brownwood photographer, who received fatal injuries in an automobile-truck collision near Goldthwaite, Cal. His wife was killed in a similar accident last year at a site only 24 miles from yesterday's mishap.

Two young sons of Mr. and Mrs. R. E. Pepper of near Wichita Falls received fatal burns from a coal oil stove explosion at the family home. Billy Eugene Pepper, 4, died Saturday, while Roy Ellis Pepper, 3, died yesterday.

Russell Johnson, 35, of Fort Worth died yesterday of injuries received when struck by an automobile at Wichita Falls. At the time of the accident he and a companion were en route to officers' details of a minor accident in which they had been involved.

A truck collision at Houston yesterday resulted in a fatal skull fracture to Hodie M. Falkenhaven, 42, of Houston.

Chamber Prepares Amendments to Fair Labor Law

WASHINGTON—(AP)—The United States Chamber of Commerce disclosed plans today to marshal its 2,000 member organizations behind a drive in Congress to relieve employers from possible tort-law liability play liabilities dating back to 1938.

Spurred by the snow-balling claims of workers in mass production industries for pay—at three normal overtime rates—for travel and other non-production time not hitherto paid for, the Chamber will submit a referendum Friday to its entire membership.

Three Wise Men Setting Is Winner

A "Three Wise Men" setting at the home of K. Griffith, 420 North Starkweather, won first prize in the Chamber of Commerce home decorating contest. Mrs. Myrtle Simmons, chairman of the contest committee, announced today.

Griffith will receive a \$25 cash prize based on the decision of a committee of judges appointed by Mrs. Simmons.

Second prize of \$15 goes to Dr. W. Calvin Jones, 900 Christine Street. Jones decorated two large trees in front of his residence and placed a spotlighted Santa Claus on the chimney.

A spotlighted Santa Claus, surrounded by other appropriate decorations, won the \$10 third prize for Miss Nicki Fraser, 1705 Coffey Street.

Receiving honorable mention were: Dr. H. L. Wilder, 426 Hill; Joe R. Foster, 421 Magnolia; H. C. Berry, 1238 N. Russell; Frank Cuberson, 1121 Christine; Lynn Boyd, 810 N. Charles.

Mrs. Simmons said there were many "attractively decorated" windows but the judging was conducted only on outside decorations.

Job Activity During December Very Quiet

"Job activity during the month of December has been very quiet," L. Jones, manager of the Texas State Employment Service, said this morning. Little turnover among employees has occurred. All workers have begun to show a strong inclination to stick to the job.

Fort cited the fact that most major companies set up a budget of expenditures in January for the entire year as being chiefly responsible for the slow hiring of new employees. This allocation is usually exhausted by December and most managers and supervisors postpone work programs until the first of the year, at which time new budgets are released.

"Last month a total of 349 placements were made by the Pampa office. This figure declined to 133 during the December period," Fort said.

Spare Sugar Stamp 53 Good January 1

WASHINGTON—(AP)—OPA said today spare stamp No. 53 will be good for five pounds of sugar beginning January 1 and added an additional ration may become available within four months.

"It is anticipated," the agency said, "that the second consumer stamp for 1947 will be validated before spare stamp 53 expires" April 30.

"As to the coming sugar outlook for next year, an OPA official declared that "if the supply situation turns out as good as expected, there will be at least 10 pounds per person and possibly more."

Old Man Winter Won't Cooperate

Winter, one of the Panhandle's main attractions, officially began at 7:24 yesterday morning but the boys at the local weather bureau got the "ankles and song-writers a jolt yesterday" by showing the thermometer as high as 65 degrees.

The mercury dropped to a mere 40 when Old Man "ou-crowd" who officially opened his price package three days before Christmas.

Big Crosby would also be out of the element this week as no snow is in sight and a "White Christmas" can only be had by putting another nickel in the juke box.

The bureau takes no responsibility for the low reading 38 yesterday when Old Man "ou-crowd" who officially opened his price package three days before Christmas.

The weather wasn't mean, but the mean temperature (average) to you yesterday was about 50 degrees.

Christmas Baskets To Be Distributed

Christmas basket orders and toys will be distributed to needy families by the Salvation Army on Dec. 24, it was announced today.

Fifty sunshine baskets of fruit and candy will be distributed to patients at the local hospitals, and to the shut-ins of the community.

Lewis and Miners File New Appeal

WASHINGTON—(AP)—John L. Lewis and the United Mine Workers today filed with the Supreme Court a new appeal questioning the validity of the preliminary injunction issued during the recent soft coal strike.

In earlier petitions, Lewis and the union questioned the authority of U. S. District Judge T. Alan Goldsborough to issue temporary restraining orders.

It was for violation of the restraining orders that the mine leader and the union were held in contempt of court and were fined \$3,510,000. The orders directed them to keep the mines going pending a judicial ruling on the legal issues involved. The preliminary injunction replaced the restraining order.

The Supreme Court already has agreed to take on the first appeals filed and has set Jan. 14 for hearing arguments.

Employees of Many Business, City And County Offices Begin Holidays

Varied Christmas holidays are in store for employees of business houses, city, state and government employees, starting tomorrow.

County Judge Sherman White said county offices would be closed all day Tuesday and Wednesday. "I told them if they would work Labor Day, they could have two days off at Christmas," Judge White said. "They didn't forget."

City employees will divide into two groups and alternate their holidays on the other days of the week.

Employees at the Texas State Employment Service are getting the "best deal."

That office closes this afternoon at five and will remain closed until next Monday. It will also be closed New Year's Day.

The post office will maintain its regular Sunday and holiday service.

Special delivery and parcel delivery service will be maintained Christmas Day, but there will be no window service. Mail will be put in boxes. Windows will close at six o'clock Christmas Eve.

Pampa's automobile dealers will close at noon tomorrow and re-open Thursday but most retail stores will observe regular Saturday hours tomorrow, although no rule is in effect.

Public utility business offices will close at noon tomorrow, although regular maintenance service will continue in case of emergencies.

J. W. Garman, Texas Gas and Power Corporation head, and Joe Key of the Southwestern Public Service Company, made the joint announcement.

But, "the cop on the corner" will still be there and the boys at the fire station will still be waiting for calls they hope will not come.

The Daily News will publish its annual Christmas edition tomorrow, giving employees a Wednesday holiday. Radio Station KPDM will continue its regular network and radio service.

Local Store Has Choice Selection Of Better Paints

The Square Deal Paint Store at 514 South Cuyler Street offers people of Pampa and this entire trade area the most choice selection of quality paints and wallpaper for sale in the Panhandle.

The store, owned by J. H. Johnson, is not the largest in the city but is well stocked. It is well stocked with just what merchandise that he can lay his hands on, but is filled with choice quality, nationally known, paints, varnishes and wallpaper.

There is a reason why the Square Deal Paint Store stocks this quality merchandise for its many customers. Dealing in paints and wallpaper is not a sideline with the store, it's their business. As a result they are able to pay more attention to the goods that they do handle and can demand higher quality in the goods they sell.

Johnson opened his store here only a year ago, but already there are many people who have learned that his firm excels in the service it renders. Although a recent arrival at Pampa, Johnson is no novice in the paint and wallpaper business. He has had more than twenty years experience in the business.

The store's many customers fully realize that the firm is living up to its "square deal" title in every respect. The store's merchandise is not priced the cheapest, it's low because it's the best quality merchandise available.

The Square Deal Paint Store offers you top quality merchandise priced reasonably. Drop by the store at 514 South Cuyler and let Johnson give you an estimate on the materials that you need. You'll be satisfied with the price and the merchandise.

Palmitier Firm Features 'Pickup, Repair Service'

One of the fastest growing businesses in the entire Texas Panhandle is the Palmitier and Son motor and engine repair service. The service shop is located at 517 South Cuyler street and is owned and operated by Frank Palmitier and his son, Dewey.

The Palmitier's opened their shop in January 1945. Both have had many years experience in the engine repair business. Frank spent twelve years serving as the mechanical supervisor of a large refinery and Frank had several years experience with a local engine repair firm, before the war. Helping them with the tough jobs and specializing in motorcycle and auto engine repair is Earl Noland.

Main feature of the repair shop's service is that the firm's men will go out in the field and repair your engine in the large majority of the cases. If the break is too tough and the job can not be quickly done, where engine is located, then the staff will load your engine, take it to the shop, make the necessary repairs and have the engine back on the job as fast as humanly possible.

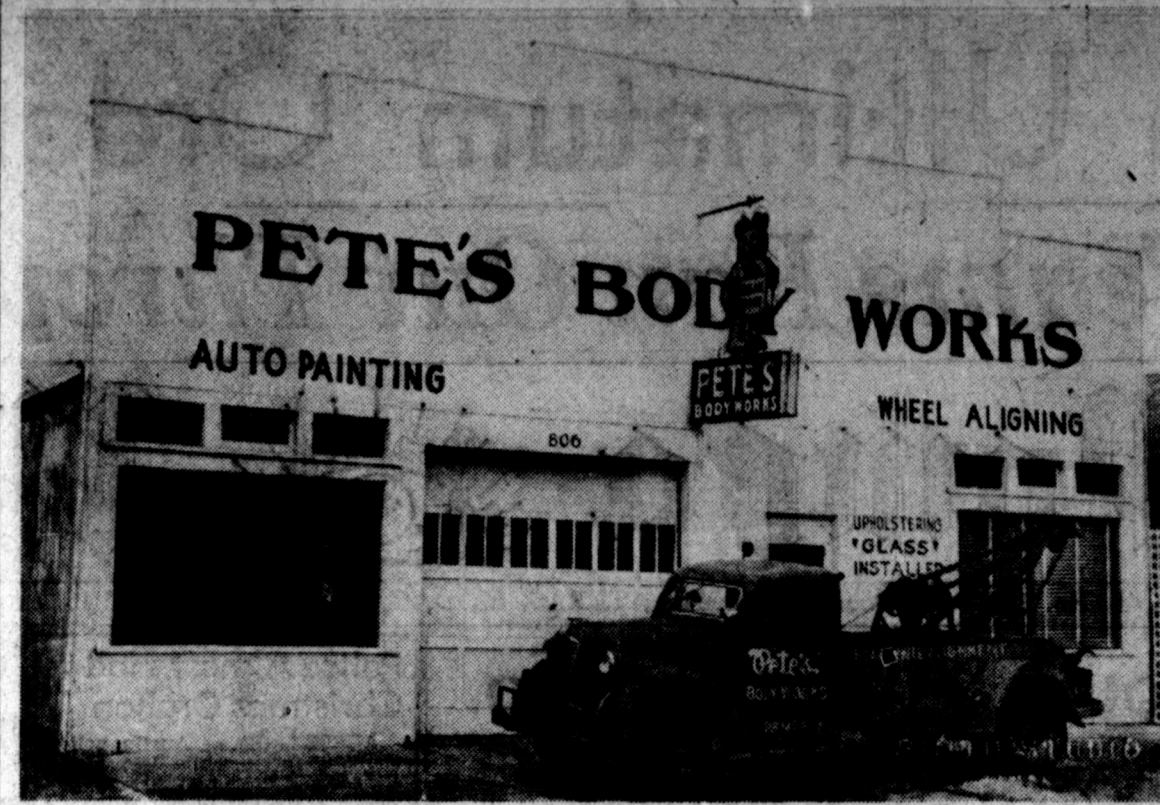

Among the types of machinery, repaired by the staff, are gasoline and diesel truck and tractor engines, and automobile and motorcycle motors. They repair all types of oil field machines, including pumping units, power units and many others. These services are rendered as quickly as possible.

The shop also has the necessary equipment to overhaul engines, grind crank shafts, grind pistons and do practically any type of common or specialized engine repair.

During the two years of service to the industries of the Panhandle area, Palmitier and Son have always maintained a reputation for quick, honest reliable service. For a good endorsement ask anyone who has had previous dealings with the firm.

For complete information on the repair of all types of industrial engines, business men are invited to call the Palmitier Shop located at 517 South Cuyler Street. The telephone number is 1785.

Pete's Body Shop Will 'Dress Your Car Up Until It's As Good As New'

In these days of still hard to find decent automobiles it is only common sense to take the best care possible of the one you have. The truth is that many wise motorists are having the old bus repaired with the complete knowledge and confidence that the old car will still go miles and miles down the highway.

Many cars on the road today still are kept in excellent condition as far as the tires and engine are concerned but are sadly neglected when it comes to "looks" and general body upkeep. To treat your car in this manner is almost as bad a habit for you as, if you went to church or out to spend the evening with the Jones', wearing your work clothes.

Most of us shy from going to town dressed shabbily yet many of us will drive a car day in, and day out, that has the paint knocked off, crumpled fenders and half the bumper knocked loose or missing completely. Why will so many of us drive a car in this condition, when we are so particular about our personal appearance? When you or I drive a car it becomes as closely associated with us by our friends as the clothes we wear. In fact, you know from experience that you often wave or recognize your friends by the car they are driving.

As you stop for a moment and consider if you aren't quite satisfied with the impression that you are leaving with your friends day in, and day out, drive by Pete's Body Works, located at 806 West Foster

Street. There you will find a complete staff of highly skilled mechanics ready to work your car over from the inside out, from the top to the wheels. They are thoroughly equipped to make that car not just look new but be new. If your car has been in an accident and repairs are at all possible they can do the job as economically as anyone in the city.

L. J. McCarty, owner and operator of the shop, urges you to come in and give his boys a chance to take the rough spots out of your car.

If the old car is stalled and just won't go at all, for speedy economical service call 1802. They will bring your car in quickly and carefully and gladly submit an estimate on repairs.

Now that things have eased up a bit, let's get those plumbing fixtures and do the job right. Of course, in such case, get in touch with PAMPA SUPPLY CO., 216 N. Cuyler St. H. D. Keys and Neil Garrett, owners, would also take care of your needs if you are remodeling the home or the business.

For the same good Gulf service as always, see ERNIE WALTON at WALTON'S GULF STATION, located at 422 West Foster St. In the service station business, it's service that counts, as well as quality of merchandise bought. Drive around today, and if you've got a flat, just call Phone 91.

**Officers Installed
And Holiday Party
Given Wayside Club**

Wayside club members were entertained Friday with a Christmas party in the home of Mrs. A. B. Carruth. The entertaining rooms were decorated with holly and mistletoe and the gifts were placed under a large Christmas tree.

Miss Ann Hastings conducted the installation of officers. She lighted a tall white candle representing the fulfillment of a job well done. The different colors in the flame representing service, health, co-operation, love and beauty and altogether meaning the fulfillment of a happy and useful life. As each new officer accepted her duties for 1947 she lighted her candle from the large one.

The following officers were installed: President, Mrs. H. B. Taylor, Jr.; Vice-president, Mrs. W. A. Green; Secretary-treasurer, Mrs. Lowell Osborne; Parliamentarian, Mrs. Felix Stalls; Council representative, Mrs. J. S. Fuqua; Alternates, Mrs. R. E. Montgomery; Reporter, Mrs. A. B. Carruth; Assistant, Mrs. Gus Greene.

Mrs. Homer Taylor was in charge of the program. Mrs. J. S. Fuqua led the opening prayer. That we might remember the real meaning of Christmas, was her theme.

A story "How Come Christmas" by Rock Bradford, was reviewed by Mrs. H. B. Taylor, Jr., and a poem "Let Us Keep Christmas," was read by Mrs. R. E. Montgomery.

A salad plate was served to: Mmes. H. B. Taylor, Jr., T. T. Rogers, Wood Osborne, Felix Stalls, J. W. Condo, Harold Osborne, Skeet Roberts, E. W. Edwards, J. S. Fuqua, Doyle Osborne, Gus Greene, Homer Taylor, H. C. Graham, Lowell Osborne, R. E. Montgomery, W. F. Taylor, and two visitors Miss Ann Hastings and Mrs. Parker.

Mrs. R. E. Montgomery will be hostess for the first January meeting.

Viernes Club Members Have Old Fashioned Christmas Party

A real old fashioned Christmas party entertained members of the Viernes club Thursday, when they were guests in the home of Mrs. E. F. McWilliams.

Carols were sung by the group and gifts exchanged around a gayly lighted Christmas tree.

The president, Mrs. L. J. Flaherty gave each member an attractive gift apron.

Games were played with the prize awarded to Mrs. B. M. McMullan.

A one o'clock luncheon was served to fourteen members and one out-of-town guest. The tables were colorful with a centerpiece of English holly and white candles on a linen covered table set with a maroon pottery service. The holly was sent to the hostess, for the occasion by her mother, Mrs. W. C. Wallace, who lives in the state of Washington.

Place cards were miniature peppermint sticks tied with white ribbons and bearing Christmas greetings.

The menu featured fried chicken, yams, jello salad, fresh green peas, celery and olives, hot rolls, plum pudding and coffee.

New officers will be elected for this club at the first meeting of the new year to be held in the home of Mrs. C. L. Marler, 1180 Terrace, Jan. 10 at 2:30 p. m.

Brownie Scout Troop Has Christmas Party

Brownie Troop twenty-four were guests of Mrs. E. N. Franklin, leader, Mrs. Larry Snider and Mrs. T. H. Ford, committee women, at their Christmas party Thursday at Horace Mann school.

Dareen Ford and Carolyn Donnan, Girl Scouts, directed the program of games.

Gifts were exchanged around a Christmas tree and refreshments served to Nita Ford, Anita Sue Franklin, Phillis Jean Rittenhouse, Doris Lanell Sheriff, Marjorie Rountree, Countess Ann Snider, Linda Lou Taylor, Norma Jean Vandover, Patricia Ann Brown, Dixie Dunlap, Ada Jean Morgan and Dixie Lee Robbins.

Scout Troop One and Nineteen Have Party

Brownies of troop one and troop nineteen held a joint Christmas party Thursday at the Little Scout House.

Christmas carols were sung by the group and each troop presented a program with all members taking part.

Refreshments of popcorn balls and peanut filled nutcrackers were furnished by the committee women.

WE, THE WOMEN

By RUTH MILLETT
NEA Staff Writer

Getting an early start on Christmas may save the sanity of sales clerks, give grown-up shoppers a nice feeling of satisfaction at for once getting something done ahead of time, and ease the feet and backs of mail-carriers—but it's tough on the kids.

Christmas started for Junior when the stores put out their Christmas merchandise, before Thanksgiving.

With six many weeks in which to make up his mind as to what he wants for Christmas, he has changed his list a dozen times.

And his visit to Santa was so early that he isn't sure he remembered to ask for several important items on the current list.

He has had his Christmas tree for weeks, waiting on the back porch for the magic hour of Christmas Eve, when every branch will wear a bauble—if there are any left by then. Junior looks them over every day—and every day a few crash and splinter.

And the packages have been arriving for weeks, all of them bearing stern "Do Not Open Until Dec. 25" stickers. They're driving

Junior crazy. All these exciting packages—and all so he saved for a day that seems as if it will never come.

"How many more days until Christmas?" he asks, then invariably remarks, "But that's an awful lot."

"SANTA'S TOO SLOW. Hurry up, Santa. In an age when kids are used to speed, you've become an awful slow-poke."

"How many more WAITING days till Christmas?" That's what Junior wants to know.

"Just here a single package that reads 'Open right now?'"

Junior looks at the package and says, "I'm getting worried! I haven't had a chance to shop and this is the LAST DAY TO DO MY CHRISTMAS SHOPPING AT—"

School Notes From Canadian
By POLLY WARD
Last week was highlighted by the Junior play, "Mama's Baby Boy" which was presented in the High School Auditorium Wednesday night at 7:30. The cast did a superb job of presenting the play before an audience of approximately 250 people. Miss Mary Jane Rankin, Junior sponsor, was the director, and Miss Rankin and Miss Barbara Steele, the Juniors' other sponsors, were presented gifts in appreciation of their help by Bill Popham, class president.

The Junior home room mothers gave the Juniors a dinner in the Kilbrey Dining Room Friday night. After eating, they went to the Chamber's play room to dance. The room mothers of the Junior Class are Mrs. Bill Fyevelling, Mrs. French Arrington, Mrs. J. P. Wilkinson, and Mrs. Berta Johnson.

The boys' basketball quintet defeated the Wheeler team last Monday night by a large margin. Score: 36-12. The Canadian girls lost their game to the Wheeler team by the close score of 30-28. High point man of the season on the boys team is Bill Cross. Bill has made a total of 73 points since the season began, and Bill Nix is second, making 40 points. The boys have won four out of six games this season. The "A" and "B" strings of the boys' team played Phillips here Thursday night.

The Sophomore class had a class party Thursday night in the City Hall. Dancing and games were the entertainment at the Sophomores' party, and refreshments were served by the room mothers. Miss Joyce Lamb is the sponsor of the Sophomore class.

The four outstanding students chosen to appear in the High School Register have been announced. The register will contain the names of students all over the southwest who have been outstanding in High School. Pat Stickle, Joyce Bernson, Allen Webb, and Doyle Lemons were chosen to go in the book from Canadian.

Everyone was looking forward to Friday, when school was dismissed for the Christmas holidays until January 6.

Forty-eight percent of the people of the United States are between the ages of 15 and 44.

Browns Beat Yanks To Win AA Grid Title

CLEVELAND—(AP)—A team as well known as a country haircut—the Cleveland Browns—possess the championship of the infant All-America football conference today.

On the frozen, snow-swept turf of the huge Lakeland Municipal Stadium, the surprising protégés of youthful Paul E. Brown battled from behind yesterday to take the title in the East-West playoff with the New York Yankees by a 14-9 score before 40,489 fans.

On the short end of a 9-7 count with about four minutes to go, Otto Graham, former Northwestern All-American, fired a 16-yard touchdown pass through the semi-darkness to Dante Lavelli, former Ohio State end, for the clinching counter.

Launching the season with seven straight wins, the Browns sagged for two losses in mid-season and then roared through six more victories to annex the Western laurels, scoring 423 points to 137. Seven home games of the regular season attracted more than 400,000 fans—and just to illustrate their versatility the boys ran over Brooklyn in the final tilt by 66 to 14, with nine different men sharing the nine-touchdown avalanche.

Musial Captures Most Swat Titles

NEW YORK—(AP)—Stan Musial, brilliant outfielder and first baseman of the World Champion St. Louis Cardinals, all but made a clean sweep of the National League's batting honors in 1946, according to the official averages released yesterday.

In capturing the senior loop's batting crown for the second time in his four-year major league career, the 26-year-old center from Donora, Pa., compiled a percentage of .365, went to the bat most times, 624; scored the most runs, 124; collected the most hits, 228; amassed the most total bases, 366; gathered the most singles, 142; the most doubles, 50; and the most triples, 20.

Only in the matter of home runs was Musial surpassed by a rival. Circuit hitting honors went to Rookie Ralph Kiner of Pittsburgh, who led the loop with 23 home runs.

Ned Day To Bowl in Cotton Bowl Classic

DALLAS—(AP)—New Day, former National match play champion; Buddy Bonar, 1946 U. S. singles and doubles match play champion; and Connie Schwob, former match play champion from Wisconsin, are among the crack bowlers who will be here next Saturday for the start of the second annual Cotton Bowl singles classic.

A field of more than 200 is expected to compete.

There will be eight shifts. The first shift will take the alleys at 3 p. m. Saturday, followed by shifts at 8 and 9 p. m. The same schedule will be followed Sunday and on Dec. 30 two more shifts will bowl at 6 and 8 p. m.

Play will be at the Young Street Alleys.

Two Players To Represent U.S. In Cup Matches

MELBOURNE, Australia—(AP)—The United States will send a two-man team into the Davis Cup challenge round here this week for the first time since the days of Bill Tilden and Bill Johnston, a quarter of a century ago.

Ted Schroeder of Glendale, Calif., will take on John Bromwich, ace of the Australian forces, and U. S. Champion Jack Kramer of Montebello, Calif., will face Denny Fails in the opening singles matches Thursday.

This was announced today after Walter Pate, U. S. captain, and his Australian counterpart, Gerald Patterson, drew the names from the cup and it was learned authoritatively that the two Californians also would handle the doubles assignment for the U. S. team.

Schroeder, U. S. singles champion in 1942 when he whipped Frank Parker, another member of the present six-man U. S. cup squad, apparently won the second singles berth behind Kramer by reaching the Victorian tournament finals. He was defeated in straight sets by John Bromwich, Australia's ace, but en route to the championship round he conquered Denny Fails, Australia's second singles man, in five sizzling sets.

Parker, U. S. singles champion in 1944 and '45, is rated second to Kramer in the current rankings and is the only member of the squad with singles experience in the cup challenge round. He did not compete in the Victorian tourney.

Kentucky Five Sets Fast Pace

NEW YORK—(AP)—Having already brushed past a number of formidable foes in establishing their longest consecutive game winning streak, Kentucky's all-conquering Wildcats today appear well on their way in today's action of the mythical National College basketball championship.

Kentucky's latest win, a 70-50 triumph over St. John's of Brooklyn at New York's Madison Square Garden Saturday night was its 24th straight over a two-season span and its ninth of the current campaign.

The Wildcats will be seeking to extend their streak to 26 this week meeting Baylor, Southwestern conference champion, and Washou, on their home court.

A host of major teams remained on the unbeaten list with Kentucky. They are headed by C. C. N. Y., Texas, Wyoming and Western Michigan, each having won seven games. Six-gamers winners include Oregon, Oregon State and Syracuse, Duquesne, Iowa, Minnesota and Utah State have won five a piece.

Jenkins' Comeback Halted by Orders

CHICAGO—(AP)—Lew Jenkins, former lightweight boxing champion from Sweetwater, Texas, has been ordered to report to Camp Hood, Texas, thus ending his current comeback attempt.

Jenkins, a sergeant in the Army, previously had announced that he would not end until Jan. 4.

The Texas boxer knocked out Nick Castiglione of Chicago in four rounds Friday and was signed to meet Wray Carter, another Chicagoan next Monday.

Grid Temperatures High in Houston

HOUSTON—(AP)—Football temperatures are rising in Houston. They'll be at about fever stage by Thursday because that's when the first Oil Bowl squad arrives.

Georgia Tech's gridiron contingent files into Houston late that afternoon to start work at the scene of the Jan. 6 battle with St. Mary's of California. St. Mary's will come to Houston by train next Sunday morning.

Sunday night both squads will be entertained with a party at the Rice Hotel with Bill Alexander, athletic director of Georgia Tech, as chief speaker. Players and coaches will receive their awards at this time. Here they pass out the trophies before the game instead of after it.

'Golden Apple' Given Crawford and Andrews

HOLLYWOOD—(AP)—The "Golden Apple" award of the Hollywood Women's Press Club for the "most cooperative" actress and actor of 1946 goes to Joan Crawford and Dana Andrews. Miss Crawford and Gregory Peck won it last year.

The feminine movieland reporters voted Ingrid Bergman and Frank Sinatra as "least cooperative," giving their rating to "The Voice" by a wide margin, the announcement said. Last year Greer Garson and Fred McMurray were so designated.

Runners on the cooperative side this year were June Haver, Joan Fontaine, Glenn Ford and Peck. In the "least cooperative" balloting Betty Grable, Ginger Rogers, Bing Crosby and Charles Boyer trailed.

Bronchos Will Be Favored in Clash Saturday

By HAROLD V. RATLIFF
AP Sports Editor

Odessa, undefeated Bronchos undoubtedly will go to the post as favorites next Saturday when the West Texas meets Thomas Jefferson of San Antonio at Austin for the state schoolboy football championship.

But it's nothing new for the Mustangs, who also are unbeaten although once tied, to be under dogs. Before the season started Austin's Maroons were generally picked to win the district title and go on to the state finals. But Jefferson defeated Austin 10-7.

No later than last week Lufkin has rated three to five points better—but Jefferson played smart, brilliant football, showed a great deal of speed and came through with the state finals for the first time but was within a step of another touchdown as the game ended.

Field goals by Forward J. A. Miller and Reserve Guard Malcolm Fagan, plus Fagan's free goal, sewed up the minutes of the game, accurately officiated ball game.

Pampa fought to an 11-8 lead at the end of the first period but the Cougars forged ahead to hold a 6-13 margin at the end of the second. Field goals by Fagan and Miller in the third stanza and were holding on to a narrow 22-21 margin when the final period started.

With the Harvesters leading, 24-23, with four and a half minutes to go, Guard Charlie Laffoon sank a field goal just before the two-minute official time out halfway through the period to give Pampa a 26-23 lead.

Fagan then pushed a free shot in but Ada's Warren Mayfield sank a long shot to pull the score up to 27-25. Not to be outdone, Fagan sank another but Leo Massey came through for the Sooners with a two-point.

Miller then caught the Ada defense off-guard and sent one through the net to make it 31-27 with 30 seconds to go. Gerald McCarver sank a desperation shot for the Cougars but the game ended after a jump ball at the Pampa end of the court.

Laffoon sank four field goals and a free throw to take high point honors for the night, followed by Pat Daxey of the Oklahomaans, who had seven points, two less than the diminutive Harvester guard.

Two players—J. L. Day of Ada and Derral Davis of Pampa—left the court on five personal fouls.

Coach Hugh Warren of the Sooners praised the officiating of Jack Davis. "My boys might have done better were it not for the long road trip we're on," he said.

Wednesday, a picked squad of nine Harvester cagers will leave for Dallas to enter that city's big invitation tournament. Pampa will open the tournament Thursday with a game against an unannounced foe.

Thirty-two teams are entered in the meet, the state's largest high school tournament. Coffey said he would select the boys who are to make the trip today or tomorrow.

Prairie View Bowl Game Is Scheduled

HOUSTON—(AP)—One of the oldest bowl games in the books—the Prairie View Bowl—will be played at Buff Stadium, home of the Houston Oilers baseball club, on New Year's Day.

This game matches Prairie View of Jefferson City, Mo., against Texas Tech in the country older than this one is the Rose Bowl.

Stalin Is Hailed As Great Everything

BERLIN—(AP)—Soviet-controlled newspapers in Berlin yesterday hailed Prime Minister Josef Stalin on his 67th birthday as an "outstanding statesman, great scientist, philosopher, historian and economist who became the leader of all progressive forces in the historic fight against fascism."

The newspapers gave space freely in their rationed columns for long, laudatory articles and numerous pictures of the Russian leader.

The Soviet News Bureau reported that Foreign Minister V. M. Molotov and his deputy, Andrei Y. Vishinsky, had flown to Moscow to be present for Stalin's birthday, after a brief stop here to confer with Marshal Vasily D. Sokolovsky, Soviet commander in Germany. Molotov and Vishinsky were en route home from New York.

Texas Grapefruit Given to President

Baseball League Name Is Changed

SWEETWATER—(AP)—Directors of the new West Texas class D baseball league have voted to change the circuit's name to the Longhorn League.

At an organization meeting here yesterday, membership of the six-team loop was completed with the acceptance of salary guarantees and territorial rights fees from Odessa and Vernon. Other members are Sweetwater, Midland, Big Spring and Bellinger.

The new league will open its 1947 season on April 23 and will operate

a 132 game schedule. Monthly salary limits were extended from \$1,800 to \$2,100, excluding managers' salaries. Admission prices were set at 75 cents maximum and 65 cents minimum with a 25 cent charge for children.

President Howard Green said the league's next meeting will be in Abilene on Jan. 12.

Services Tomorrow For Harry P. Sharp

Funeral services will be held tomorrow afternoon at two o'clock in the Duenkel-Carmichael chapel for Harry P. Sharp, 60, retired oil operator of Pampa, who died in Shreveport Friday.

The body will arrive here from Shreveport today. Sharp had been in the Louisiana city to settle the estate of his brother, Col. Frank Sharp, who died last month.

The Rev. H. Clyde Smith, pastor of the First Methodist Church, will officiate. The body will be taken to Dumas for burial there.

possibility of raising the standard of life of the great masses of the people.

Of Germany, he said that merger of the British and U. S. occupation zones would "create conditions which will allow these German to regain his self-respect" but warned: "Hitler so thoroughly drilled his people that it will take at least a generation to get things right."

"We must avoid the creation of a cesspool of cheap and half-starved labor in middle Europe," Bevin said. "At the same time, we must insure that Germany can never again be a menace to the Allied powers."

Of Austria, he said that the Moscow conference would "attempt to finalize her position by a new treaty"; of Italy, that she "can be sure of the help of the rest of us"; of Yugoslavia, that she "has a great task of economic reconstruction ahead and will, I believe, cooperate to the fullest possible extent," and of other Balkan countries, that "if they desire trade they can have it."

Car Stolen

(Continued from Page 1)

in the car. Manning told a reporter that it was a mistake on his part for not searching the boys at the liquor store.

Later the boys told police, Allen stated, that they had bought the two pearl-handler and engraved, nickel-plated revolvers in Colorado, but police believe they were taken from an officer there.

Two suitcases full of clothing, some shotgun shells, cigarettes and cigars were taken from the boys by police.

They were locked up in separate cells, and a reporter heard one youth say: "I hope they don't tell my mother about this."

The other two boys, Wilde and Kraig, have been charged with auto theft.

Police also said that the boys were getting ready to burglarize the Bell Liquor Store.

They, dejected and meek, submitted to a complete frisking down in the police station this morning before being locked up.

Allen said that the car was hidden in a barn and was just about out of gas. Otherwise it appears "slight" but here is a possibility of the motor being burnt up because of the high speed used by O'ry in trying to escape.

The youths are also wanted in connection with burglaries elsewhere, the chief said.

Ballroom Operator Sues MCA for Plenty

LOS ANGELES—(AP)—Larry Finley, operator of a San Diego ballroom, sued the Music Corporation of America in Federal Court for \$310,000 damages, alleging MCA gave exclusive contracts for name bands to a competitor.

The complaint also named as defendants Jules Stein, MCA president, and two MCA agents, R. E. Bishop and Lawrence Barnett.

A jury award of \$57,000 to Finley on March 30, 1945, later was set aside by Federal Judge Paul J. McCormick on the ground there was evidence for such determination of damages.

Gather Ye Rosebuds

JEANNETTE COVERT NOLAN

THE STORY: Mamma prepares an elaborate wardrobe for Rose's visit to Washington, but Rose shows little enthusiasm. Sidney wonders why she doesn't want to go. Sidney is worried, too, about Papa and his morning promenade to the St. George Hotel to meet Mr. Higgins.

ROSE was to leave Blakeville on May fifth, going alone to Indianapolis and there joining a group of delegates from other Midwest chapters and a credentialed Daughters' chaperon, with whom she would make the rest of the trip.

This would be her first night in a Pullman car, and Rose was a bit nervous; but Mamma, who had traveled to Buffalo on her honeymoon, minimized the hazards of undressing and dressing in a berth. The thing was, Mamma said, not to undress at all—or scarcely at all. Your hat, coat, shirtwaist and skirt could be removed, but not stockings, corset or underclothing. Slip a kimono over these things, and a net over your hair, and sleep like that. In the morning, get into your outer garments again, and do not in any circumstances emerge into the aisle even slightly disheveled. Walk sedately to the ladies' room to make whatever repairs to your appearance might seem necessary.

Miss Amy had extraneous items of advice. Rose must tip the porter (fifty cents) and be civil to him, but refuse to let him brush her skirts—"Just say no, thank you, in a ladylike tone." In the dining car, the right-hand side of the menu must be consulted before ordering; after her meal, she must wait for the bill, which would be brought with the finger-bowl. (In Miss Amy's din-

ing car, the finger-bowls had had rose leaves floating in them. Imagine! Above all, Rose mustn't speak to any person not in her own party, unless perhaps to some very old and obviously well-bred woman. If a man should speak to her, Rose would be perfectly justified in not answering.

Rose carefully noted these sober counselings and would heed them.

THE last few days before the departure were very busy, but the morning of the day itself was dull, because everything had been done. Rose was ready in her navy blue poplin traveling outfit, her trunk had gone, her suitcases were packed and in the hall. A sense of strain prevailed, broken only by Mamma's asking every five minutes whether Rose had her ticket, her billfold, clean handkerchiefs, her trunk check and the tablets to take if she felt train-sick. Papa was out on his route this week and would not be present to see the traveler off, but Mamma, Sidney and Hannah would go to the station, and Jeff would come from the bank to say goodbye. Train time was at noon; at eleven o'clock Basil and Mrs. Earle drove up in the surrey. Mrs. Earle had on her lap a box containing a corsage bouquet of carnations, a token sent by the Blakeville Daughters to the delegate. Mrs. Earle said she was going to the station and so were many of the other Daughters, there would be quite a crowd. Then Ted Lennert rang the doorbell; he had his father's automobile at the curb and, under his arm, a box of candy. At 11:30 Sol Jacoby arrived with a second box of candy and a basket of fruit. Both Ted and Sol said they were going to the station.

"Fine!" cried Mrs. Earle energetically. "We'll all go!"

So everybody went and at the station met and coalesced with

what seemed the Daughters' entire membership.

"I do think this is so nice," Miss Amy gabbled at a few tears, as the train closed about Rose, who was blushing prettily. "So lovely!"

Sidney thought it was awful, a mob, a rat-race—and how could Rose bear it? Stepping back, fanning herself with her hat, Sidney looked around at the other people, commonplace all of them, starting for prosaic destinations, catching this same train.

AND then she saw Ace Latschaw. He was lounging against the metal grill which separated the platform from the tracks, a negligent posture, a smile on his lips as he gazed past Sidney.

"Ace!" she exclaimed, her eyes flickered toward her, stopped.

"Hello, Ace!"

He didn't so much as nod, his eyes were blank. Straightening, he swung on his heel and walked away.

Sidney was astounded and irate. "Well, I'll be darned!" But if he thought she'd follow him, he was mistaken. He could go to the devil! Sidney turned, nounced through the Daughters, and kissed Rose on the cheek.

"Have a good time, Rosie!"

The engine roared and thrrobbled. "All aboard!"

"Goodbye, Rosie Goodbye!"

The train puffed slowly down the track, with Rose waving from the rail of the observation car. . . . The ride home in the Earle surrey seemed like dead silence after all that din.

"I hope you're not sorry I wasn't you, Sid," said Basil.

"No, angel."

"But you're not talking."

"I'm meditating."

She was meditating on Ace Latschaw and the cut direct. Because that was Ace, all right; Ace exactly as she remembered him, blond, rakish, terribly handsome, glancing at her without a glimmer of recognition, walking off with his old swaggering gait.

"Maybe he's got amnesia," Sidney thought. "And if he has, I'm glad. The dirty bum!"

Ultimatum

(Continued from Page 1)

ington reported that a Navy vessel identified as LCIL 1090 (landing craft infantry large) left Dairen Dec. 21 (Dec. 20, U. S. Time) on a return trip to the U. S. base at Tsingtao, on the north coast of China. There was no other immediate comment from the department.

The vessel, LC-3 1090, was on a second routine courier mission to Dairen carrying diplomatic mail and supplies to the U. S. Consulate there.

The ship arrived at Dairen Dec. 18, and requested permission to remain in port for 48 hours. This was accepted without comment by the Soviet authorities who met the ship at anchorage.

The ship remained in the harbor two additional hours while the U. S. Consul General H. Merrill Benninghoff attempted a last minute appeal to the Soviet military authorities to permit an American businessman, Jesse L. Poole, Atlanta, Ga., representing the Standard Vacuum Oil Co., to go ashore. It was at this point that the Soviet ultimatum was delivered.

The Russian military commander of the city, Maj. Gen. V. Korzhanoff, refused to see the American Consul General, however, and Petrov attempted to deliver the ultimatum was delivered to the ship by one of his military aides.

When the Consul called at the Soviet commander's home to appeal for the decision pending the three Americans from Dairen, he was left standing in the bitterly cold street while a sentry carried his request inside. After some time, he was told that General Korzhanoff was not available.

Benninghoff has previously called on the Russian Consul General, S. U. Petrov to inquire why American citizens were not allowed ashore. Petrov replied that the whole matter was in the hands of Soviet military authorities. He said authorization for such entries must come from Moscow.

The refusal today was the third rebuff the American Consul General had received from the Soviet military during the American ship's chief visit.

Armed Chinese police, under Soviet direction and control, paced the docks day and night, preventing anyone coming aboard or going ashore unless they possessed a Soviet pass. Several of the ship's officers and Diplomatic Courier Harris H. Ball, American representative in Peking, Texas, were permitted ashore by the authorities.

The Soviet ultimatum to leave the port was delivered to the ship

It was reported they were en route to Houston for the Christmas holidays.

BULLETIN

ATLANTA—(AP)—A Fulton County Grand Jury investigating the death of a young girl, today indicted the lessees of the hotel on three counts of involuntary manslaughter and accused them of operating a "flit" trap.

Fulton County Solicitor E. E. Andrews said indictments were returned against A. F. Geale, Sr., and her F. Geale, Jr., a Shoggon, Wis., and E. E. O'Daniel, Chicago detective, who have been operating the downtown hotel since 1934.

The three were each indicted on one felony count of involuntary manslaughter in the death of J. T. Moody of Arlington, Ga., and two misdemeanor counts in the deaths of Dr. C. C. Bassano, of Des Moines, Iowa, and Miss Virginia Torbert of Thomaston, Ga.

or injured. Less than 100 Yanks in the Wakayama Peninsula area center of the quake zone—will not be evacuated immediately, Army Headquarters said, because they are in no danger and "have a job to do there."

Food and fresh water was dropped by air to the American garrisons. American Army pilots who flew over Shikoku said the Kochi area appeared to be the worst damaged—considerably harder hit than Wakayama Peninsula of Southern Honshu, which was battered by the six tidal waves.

Landslides blocked Shikoku Island rail lines. The British command at Kure also reported three landslides near Okayama, on Honshu, had blocked the main railway from Kure to Tokyo, but said the route would be restored this afternoon.

Jeep convoys and crashboat expeditions were swiftly restoring contact with isolated American outposts on Wakayama Peninsula. Despite Japanese reports or widespread destruction Associated Press Correspondent Tom Lambert was unable to see extensive damage in that sector when he flew over it at a low altitude yesterday.

Japan's home ministry said peace orders are being maintained in all stricken districts from which relief missions have been able to report.

Eighty Japanese doctors went by boat to Wakayama and other districts. The home ministry also sent 600,000 one-meal ration units, varying from hardtack to preserved seafood and canned goods.

American military government units also were rushing the distribution of clothing and foods, most of which had been retained from former Japanese military stocks for just such an emergency. American Red Cross observers were in the field, but its officials said the Red Cross has not yet begun distributing relief.

The Japanese government established a special bureau to coordinate all relief work, and government investigators already have been sent to isolated districts.

The Tokyo press said the government would be able to use its special reserve fund for relief of a prospective special appropriation is delayed.

British reports said relief work was well in hand in Shikoku's Kochi area but that only a seven-day supply of rice remained in Western Kochi.

terin cabinet, meanwhile was speeding toward Hanoi by plane for an on-the-spot investigation of the disorders. Moutet, who took off from Orly airport at 10:15 last night, carried with him the assembly's promise to defer an inquiry for two weeks pending his report.

His departure was accompanied by publication of dispatches from Indochina to the government-sponsored agency France press reporting that a total of 29 French civilians—including 11 women—had been killed during the fighting in Hanoi, capital of the young Viet-Nam Republic. Many other civilians were reported missing.

French authorities were quoted as saying that the bodies of the slain civilians had been brutally mutilated.

While the European section of the city was said to have been cleared except for snipers, fighting continued in the Annamite sections, with the Viet-Namese holding control of the University and the postoffice. French troops were reported to have occupied the government palace, from which the Ho Chi Minh government fled last Thursday.

Sugar Short at Sorority House

GRAND FORKS, N. D.—(AP)—The girls at the Kappa Alpha Theta sorority house are drinking their coffee straight for a while.

Two houseboys, William Weight and Philip Dahl, set out to spread salt on the icy sidewalks in front of the sorority house.

They had 22 pounds well distributed before they discovered it was sugar.

Piccard Will Try For New Record

WASHINGTON—(P)—Dr. Jean Piccard and a Navy pilot will try to ride a cluster of 100 balloons nearly 100,000 feet into the stratosphere next June from the Naval Air Station at Ottumwa, Iowa.

The 19-mile ascension would be more than five miles higher than man has ever soared before.

Purpose of the attempt, the Navy has said, will be to obtain data on the physics and chemistry of the stratosphere. The 100 balloons, each 57 feet in diameter, the scientific equipment, Dr. Piccard and a Navy man to be named later.

Use of the cluster is expected to give greater lifting power and eliminate the hazard of inflating a single bag.

The altitude record now stands at 72,396 feet, set by Capt. Albert W. Stevens, and Capt. Cyril A. Anderson in a 1935 ascension sponsored by the Army and the National Geographic Society. Dr. Piccard and his wife, Jeanette, went up to 57,979 feet in 1934.

Court Settles Case—Then Fee Dispute

LOS ANGELES—(P)—The Superior Court says Atty. Joseph Scott should be paid \$42,706 for representing Joan Berry in her successful suit to have Charles Chaplin, comedian, declared the father of her child.

Scott asked \$75,000. Chamlin's counsel offered \$35,000. Judge Clarence L. Kincaid ruled that Scott was entitled to \$28,000 for his services and his associate, A. H. Risser, guardian ad litem for the child, Carol, should be paid \$8 an hour for the time he spent on the case.

Mature Can Wield An Axe, Too—

HOLLYWOOD—(P)—Victor Mature, the "Hunk of Man," can wield an axe, too.

He and Vincent Price were among studio workers, 20th Century-Fox reports, who used fire axes and hoses Friday to temporary hold in check a blaze at the old Western Ace studio, quelled later by city equipment at a loss approximating \$10,000. A faulty heater was blamed.

New Serum Made Of Animal Blood

MOSCOW—(P)—A Russian doctor has produced from animal blood a new serum which may aid human beings, the English language newspaper Moscow News reports.

The newspaper said that Prof. N. Belensky, after long years of experimenting with blood taken from cows, had derived a serum containing active substance called "Hemoatins," which accelerate the blood-forming processes in both animal and human organisms.

The serum was injected into the blood streams of persons belonging to different blood groups with results "no different from those accompanying the employment of human blood plasma."

The Moscow News, continued, it said that one significant advantage was that the new serum did not cause fever in patients advanced in years.

Though still in the experimental stage, Prof. Belensky's serum has been used in several Russian hospitals with a "growing number of case histories with happy endings," the article said.

Italian Staff Chief Protests by Quitting

ROME—(P)—Admiral Raffaele de Courten, chief of staff of the Italian navy, has "retired," it has been learned officially. Italian newspapers said he had signed in protest against the peace treaty disposal of the Italian fleet.

De Courten submitted his resignation during the Paris peace conference, and has at various times since the Italian capitulation asked for retirement.

Italy is required by the peace treaty to hand over most of her navy to various victorious powers. The exact units which will be given countries and the countries which will receive them have been kept secret.

De Courten was navy minister at the time of Italy's surrender, Sept. 8, 1943.
