Serving the Counties of Borden, Dawson, Garza, Howard, Lynn & Scurry

FRIENDS OF 4-H Mr. and Mrs. Warren Beaver received this honor during the 4-H Banquet Saturday night.

## Borden County 4-H Achievement Banquet

THE Borden County 4-H Achievement Banquet was held Saturday night, October 9 at the Borden School cafeteria. Ninety seven 4-H youth, adult leaders, parents and special guests were on hand for the covered dish supper and awards presentation.

Along with record book medals and certificates of achievement, several special awards were given. The Friend of 4-H Award was given to Mr. and Mrs. Warren Beaver of Gail. Kim Wills, mistress of ceremonies, cited many instances where the Beavers had worked as project leaders, organizational leaders and with the Borden County Junior Livestock Association to better the county 4-H program. Also receiving a Friend of 4-H Award was Danny Fenton of Fenton's in Snyder. They were cited for many years of donating goods and services to the Borden County 4-H Club.

The speaker for the

evening was Judge J. Q. Warnick, Lubbock County Court At Law. He was an exceptional speaker and spoke on things Texans should be proud of and how 4-H helps to build leaders for the future. Judge Warnick is a native West Texan who graduated from Texas Tech and later from the University of Texas school of law. He presently serves on the 14 member Texas Drug Abuse Prevention Council appointed by Governor Clements. His wife, Lorette, accompanied him at the banquet.

The 4-H Gold Star awards were given for 1982. The Gold Star Boy award went to Glen Gray, son of Mr. and Mrs. Borden Gray, Jr. He has been a 4-H member for 9 years. During that period of time he was involved in projects such as sheep, horse, roping and attended seven major livestock shows.

He has been the president of the Borden County 4-H

## 1982 BHS Homecoming

Homecoming activities for 1982 are swinging into action around Gail. Seniors, Sophomores, Juniors and Freshmen have their eyes set on a pile of old trailers, an outhouse or an old building for the bonfire and pep rally to be held at 4:00 p.m. on October 22. The Booster Club have begun plans for their supper of Chili and Stew to feed football fans from 4:30 to 7:00 p.m. The famous R.T. Bell will once again be cooking the Homecoming Chili and The Greatest Stew Cook in these parts, Buddy Telchik, will be cooking the stew. Plans are also underway for the crowning of the Homecoming Queen, presentation of pep squad beau, football sweetheart and band sweetheart.

This year, parents of senior football players will be honored in pre-game

## JR. HIGH 3-0 WITH 3 TO PLAY

Again the running of Tommy Soto and the strong defense of Mathew Massingill, Mickey Burkett and John Stephens helped the Coyotes stay undefeated in zone play. All of our defense boys played well and we were able to play every boy," stated Coach Frisbie. The Coyotes toughest part of the schedule is yet to be played. This consists of Grady twice and Ira once. The game Thursday will start at 5:00 instead of 6:00.

Grady Junior High visits the Coyotes for the first time this year.

## COYOTES STOPPED BY TRENT

"We played our best game to date, but again we were unable to win," stated Coach Frisbie. The Coyotes squad showed more effort and spirit than has been seen all year. The running of Sammy Williams was a strong point for the Coyotes along with good defensive play by Doug Love, Keith Williams, and Charles LaRue. Team speed of Trent hurt the Borden County Coyotes, as the Gorillas were able to break two long plays against the home team.

The Coyotes travel to Hermleigh Friday to play the Cardinals who have more over-all speed than the Trent team.

## HIGH SCHOOL PEP RALLY

The senior Coyote Football Players were introduced during last weeks pep rally. Doug Love, Kevin Telchik, Keith Williams, Roscoe Massingill and Mark Rice were used as examples during Coach Frisbie's pep talk.

The cheerleaders provided a banana eating contest between Mrs. Sandra Graves, Mrs. Dana Cooley and Mrs. Kay Hopper. Mrs. Hopper won by being tricked. She was the only one eating, while the others watched.

Shana Bradshaw was the recipient of the spirit stick.

## JR. HIGH PEP RALLY

Randell Hollis, 8th grader, gave the team talk for last week's pep rally saying, "We won last week, and even though they have three players back that did not play last time, we can still beat them." Beat them they did, remaining undefeated.

Coach Frisbie gave the pep talk. "We have lots of pride going for us. These boys know if they play a good game, with the pride they have, they will come out victorious," said Coach Frisbie.

## Parents Club meeting

The Borden County Parents Club held their monthly meeting on Thursday October 7, in the school conference room.

Winner of this month's room count was Kindergarten, all mothers are urged to attend and represent your child's class.

Carnival plans were discussed, it was reported that about twenty more bingo prizes are needed, concession stand donations are needed and also volunteers are needed to work in the booths during the carnival. If you can be of assistance to the club please contact Nanette Belew or Connie Voss.

The club is now selling Borden Coyotes shoestrings for \$2.00 a pair and red, white and blue head bands for \$2.50 each. These may be purchased at any of the home football games or at the carnival.

Student directories will be available for purchase at the Halloween Carnival, so make plans now to attend.

The next meeting will be Thursday October 21 at 2:00 in the County Barn.

## Arts & Craft Sale

The Odessa Art Association will sponsor their Bi-annual Arts and Craft Sale Oct. 16 at Winwood Mall. The sale will begin at 10 a.m. and close at 9p.m. Proceeds will go to the Associations scholarship fund.

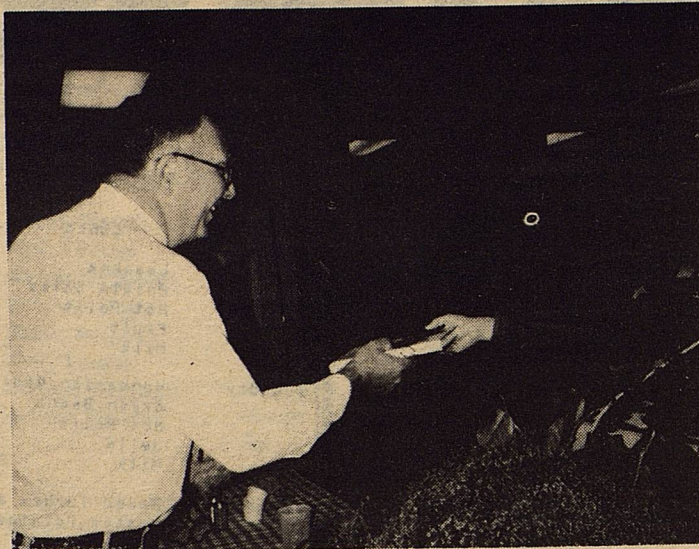

On Oct. 17, the Association will sponsor a demonstration by John Hillier on "Colored Pencils." The demonstration will be held in Odessa College's Fine Arts building at 2 p.m.. The public is invited.

## Benefit Dance

Friends of Mr. and Mrs. Joe Kropp are sponsoring a benefit dance for Kathy Kropp Oct. 22 in the County Barn.

It was learned last week that Kathy, the 10 year old daughter of Kay and Joe, is suffering from Sclerosis of the spine.

All monies from the dance will go to the Kropp family to help defray

medical expenses incurred during treatment of the disease.

The dance will feature live western music beginning at 9 p.m. or immediately following the Homecoming game. Donations will be taken at the door.

The public is urged to attend.

## National Forest Products Week

To recognize the usefulness of forests and forest products, President Reagan has declared the week of Oct. 17-23 as National Forest Products Week. Texas boasts some 23 million acres of forest, about half of which are considered commercial forest land, land capable of providing a continuous

income for timber growers. Private individuals own more than 60 percent of Texas' timberland. The timber industry has taken steps to improve harvest operations and to reduce waste in manufacturing plants. The challenge now is to improve forest management of timberlands.

## Fall Festival

Asbury Methodist Church of Midland is having its third annual Fall Festival Saturday, October 16 at the Midland County Exhibit Building on East Hwy 80. The 100 booths will feature crafts of all kinds including needlework, pottery, stained glass, oils,

watercolor and leatherwork.

There will be a Country Store, bakery homemade ice cream and games. A Bar-b-que lunch will be held from 11:30 to 1:30. Door prizes will be announced every hour and a Grand Prize will be awarded at the end of the day. The public is invited.

## Class of '72 To Be Honored

The class of 1972 will be honored this year during the Borden County Homecoming game Friday October 22.

The eighteen ex-students will be introduced during a reception immediately following the game. The reception, sponsored by the Student Council, will be held in the school cafeteria.

Following the reception, the honored group will go to the Toomb ranch home for more visiting and reminiscing.

On Saturday Oct. 23

parents of the class of '72 will sponsor a covered dish luncheon to be held in the school cafeteria at 1:00 p.m.

All but three of the class have responded to the invitations "and we haven't given up on those" said co-chairman Ross Sharp.

The planning committee for the reunion includes all the parents and ex-students Ross Sharp and Mike Toombs.

A final meeting will be held Monday Oct.ber 18 at 3:30 in the Conference room of the High School.

Club, Borden County 4-H Council, and the Gail FFA president and vice president. He has also served as a member of the 4-H and Youth Committee which gives guidance to our 4-H club.

His school activities included football for 4 years and UIL competition. Presently he is attending Western Texas College in Snyder and is on the school's rodeo team.

The Gold Star Girl award went to Kim Wills, daughter of Mr. and Mrs. Don Wills. Kim has been a 4-H member for 7 years. Her projects include method demonstration 5 years, foods 7 years, clothing 3 years, horse 3 years, sheep and goats 7 years, beef cattle 4 years, gardening 7 years, and citizenship and community service 6 years.

Leadership roles that she has held are District 2 4-H Council delegate for 2 years, and 4-H and Youth Committee member. Her school activities include FHA, UIL competition, tennis and has served as a cheerleader for the past 2 years.

She currently is a member of the Fluvanna Baptist Church and serves as a Sunday School officer.

Mrs. Mary John Phinzy, Adult leader Association president, recognized all the 4-H leaders that had helped

with projects during 1982. There was a lengthy list and everyone showed their appreciation for their hard work.

Kim Wills, Keith Martin, Kelly Williams and Cam Stone officially recognized all 4-H members for turning record books. These youth received pins designating the project in which they turned in a record book.

These awards are as follows:

Achievement; Kristi Stone, daughter of Mr. and Mrs. Jerry Stone; Cody Stone, son of Mr. and Mrs. Jerry Stone.

Sheep-Michael Murphy, son of Mr. and Mrs. Brent Murphy.

Swine-Julie Ridenour, daughter of Mr. and Mrs. Fred Ridenour.

Horse-Jim Ridenour, son of Mr. and Mrs. Fred Ridenour.

Certificates of achievement were given to all 4-H members that represented Borden County 4-H in an activity outside of Borden County. These activities included District, State and Regional events.

4-H year pins were also given to those attending the banquet. The pin designated the number of years the youth had been in 4-H.

Cam Stone, 4-H council delegate, closed the banquet with the 4-H prayer.

Although Irving Berlin wrote "God Bless America" during World War I, he waited until 1938 to have it published.

## Big Spring Festival

What do the states of Indiana, Illinois, Vermont, Arkansas, Oklahoma, New Mexico, and Texas have in common? They will each have residents participating in the sixth annual Big Spring Arts and Crafts Festival to be held in the Dorothy Garrett Coliseum on October 16-17, 1982. The local festival, already the largest show of its kind in the western half of the state, will open with 187 booths-the largest show to date.

Organizers of the highly successful festival said they had to expand the size of the show to accommodate those exhibitors who had mailed in their entry forms and booth fees as much as a year ago. The festival committee said they felt it would be unfair to return those requests after a year. As a result, the 1982 Big Spring Arts and Crafts Festival will open with its maximum capacity. It will utilize the entire main floor and concourse including the entrances and will reroute the flow of traffic on the east concourse through the east room. The east room alone will add 20 booths to the local festival.

As to the makeup of the entries, the number of exhibitors featuring fine art, pottery, stained glass, bronze, brass, wood, and handmade jewelry has been greatly expanded. The number of potters has more than doubled over the 1981 entries with a total of ten. There will also be seven booths featuring stained glass, and an equal number displaying handmade jewelry from bronze to brass.

### HARD COLD FACTS

Americans will suffer through an estimated 70 million colds this year.

This means that we'll be missing work, falling behind in school and worst of all spending a lot of time feeling just plain "miserable."

Contrary to popular belief, colds are caused by viruses not by exposure to rain, cold or drafts although these lower our resistance and make us more susceptible to viruses. By nature, viruses are highly contagious, and they're spread more rapidly in the fall and winter when people are in closer contact and spend more time indoors.

Here are some ideas to help you survive the cold season:

1. Stay away from cold sufferers and from surfaces they've touched. If a member of your family is sick, let him or her use disposable plates and utensils to prevent the spread of the infection.

2. Don't allow the air in your home to become excessively dry. A humidity level of 35 to 40 percent will

keep the mucus membranes of the nose and throat moist and thus serve more effectively in trapping germs before they can infect the body.

3. If you do come down with a cold, follow the time honored guidelines of staying in bed, drinking plenty of liquids, and taking medication to bring down your temperature. This will probably be more effective than any cold remedy you can buy. A study by the Food and Drug Administration reports that cold medicines may temporarily relieve the symptoms of a cold, but none can cure it or alter its course. Even Vitamin C has yet to be proved effective in preventing or curing colds.

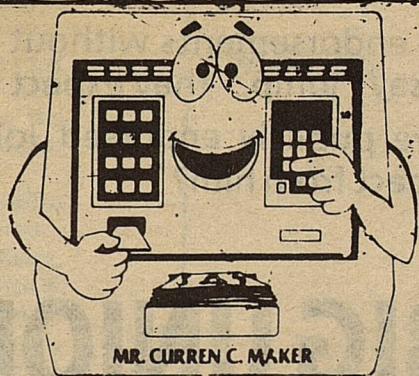

4. Be patient. A cold needs to run its 7-10 day course, and if you attempt to carry on with business as usual you will probably wear down your strength and prolong the infection. Be good to yourself and remain in bed for at least a day, covering with a warm blanket. By resting and relaxing, your body will have a chance to fight the cold without everyday stress.

### Your County Agent Says by Alan Day

#### CULL OPEN LATE CALVING COWS

Despite a weak cattle market, it's wise to clean up your herds by culling open cows and giving more attention to a controlled breeding program by culling late calving cows.

There's no need to put expensive winter feed into unproductive cows. Culling the cow herd now will also help you plan on feed supplies for the winter months.

Also, pregnancy testing cows this fall may be a more profitable management tool than ever before. This can be done easily while you are shipping calves.

Since it's difficult for a cow to produce a calf large enough to pay her annual maintenance cost and leave some profit for the producer, we know an open cow is losing money. Cows calving during the summer months wean calves 30 to 90 pounds lighter than their herd mates which calve at other times. For this reason it's advisable to cull cows which will calve late next year and buy a replacement which will calve early.

Whoever does the pregnancy testing, whatever it be you or the vet, will be able to estimate the calving date on each animal and make it easy to identify next year's late calving cows. Your definition of a late calving cow should change every year until your calving season has been reduced to 60 days preferably, and certainly no longer than 90 days.

Remove barren and late calving cows from the herd

will increase both the herd's reproductive potential and pounds of calf weaned.

## FARMERS ARE ASKED TO MAKE NOMINATIONS FOR THE ASC COMMITTEE

Farmers are asked to nominate candidates of their choice to be on the ASC committee ballot.

The Borden County ASC committee election will be conducted from November 26 to December 6 by mail ballot.

ASC committees are responsible for managing government farm programs on the local level. To meet the needs of individual producers, ASC committee members must be concerned and responsible individuals. Borden county farmers have the opportunity to nominate persons they feel would best serve the farm community. Farmers will receive petition forms by mail for submission to the county scs office.

A few basic considerations should be kept in mind when circulating petitions. In order to be valid, petitions must be limited to one nominee each, must include written certification that the nominee is willing to serve if elected must be signed by at least three eligible farm voters and must be received in the county ASCS office no later than Nov. 1.

Farmers may circulate or sign nominating petitions for as many candidates as they choose. Anyone wishing to nominate a farmer for the ASC committee election may contact the county ASCS office for full details, including eligibility requirements for office holders.

"Farmers should petition for and elect those individuals they feel would do a good job as a member of the sc committee. The election of concerned farmers to positions on ASC committee is essential in the administration of farm programs."

The county ASCS office welcomes all valid petitions. The opportunity to nominate, vote, and be elected to office is guaranteed to all farmers regardless of race, religion, sex, age, color, or national origin.

# Montford on Agriculture

Some politicians are always looking for a race. They will say or do anything to get elected. They would rather "bad mouth" their opponents, than talk about the issues.

Sometimes what they do not say reflects more on their sincerity and ability than what they do say when they are criticizing their opponent.

Take the Texas State Senate Race for instance—Here's what the Texas Senate Candidates for District 28 have to say about Agriculture:

### JIM REESE

### JOHN T. MONTFORD

District Attorney, Lubbock

#### Campaign Platform on Agriculture

"All of us are extremely affected by the health of the agricultural business community. West Texas depends to a large degree on an agricultural based economy. The farm dollar multiplies roughly eleven (11) times through our State's economy and roughly seven (7) times through our local economy. We must support our farmers. I will fight any efforts to repeal the gasahol tax exemption, one of the few pieces of legislation passed by the State to assist the farmer in gaining a fair market price for his product. I will take the lead in promoting our farm industry by studying and seeking to implement innovative marketing concepts being utilized by other states. The farmers need a strong voice, a fighting senator, that will not run from a vote or a debate, someone who will continuously be of support and counsel. This I will do."

#### Primary Campaign Brochure

"Commodities, such as cotton, sorghum and corn, have provided us with the dollars that have fueled our economy for years, but, today, the farm community is facing a crisis forcing many farmers out of business. We must support our farmers, open new markets and assist in implementing new, orderly marketing concepts. I am committed to taking positive action now, for without strong action the farmers' demise could very well be our own."

#### General Campaign Brochure

"West Texas depends to a large degree on an agriculturally based economy. The farm dollar multiplies roughly eleven times throughout our local economy . . . I will take the lead in seeking and implementing new marketing concepts for our agricultural products . . ."

\*(The word "agriculture" was never mentioned in Jim Reese's campaign literature nor was agriculture listed as a priority in his statement of platform delivered March 12, 1982.)
