The Winners-

Earl Hill Victor In Sheriff's Race

Hall County voters did an "about-face" last Saturday to give the Democratic nomination for county sheriff to Earl E. Hill, who, in the first primary, trailed his opponent, Joe L. Mothershed, by 366 votes. The votes in Saturday's primary, according to unofficial returns tabulated at the Democrat's election party, saw Hill chosen with 1,385 votes to 1,173 for Mothershed.

In the first primary, Mothershed received 1,309 votes, Hill 943, and Forrest L. Hall 541.

I. R. Twilla, present commissioner from Precinct 4, edged out an 8-vote victory over J. B. Bush to gain re-election to that office. Twilla received a total of 271 votes, Bush 263, unofficial tabulations show.

Beauford Jester, railroad commissioner, received an overwhelming vote to down Homer P. Rainey, former University of Texas (Continued on page 4)

Football Practice For Memphis High To Begin Monday

Coach Kelley Believes Prospects 'Very Bright' For Successful Season

It's nearly kick-off time!

Football practice for the fall season of the Memphis Cyclone will open next Monday when Coach Curtis Kelley and Assistant Lawrence E. McCulloch lead their hopefuls out for the initial workouts.

The Memphis mentor would make no commitments on the chances of the local eleven this fall, but he did indicate that prospects are "very bright" for a successful season—much more successful than during the past few years.

Twelve lettermen of the local squad are returning for practice, paced by five backfield men. The backfield Memphis will put on the field this year will compare with the fastest of any in Class A football, the coach said.

Mark Lamkin, Jimmy McElreath, and Larry McQueen are real threats in carrying the ball, and Bill Davis is an exceptionally good blocker. Aiding these four lettermen will be another letterman, Gayle West, to supplement the ball carriers. Top this with an average weight in the backfield of about 170 pounds, and Memphis will show competition to the best of them.

Bill Hickey and Duane Vickers, both returning lettermen, will furnish the "stuff" at the end positions. Both boys are aggressive, tough, and good at snatching the passes.

At the tackle positions, M. L. Evans and Jimmy Gerlach are returning lettermen. Dale Rich, non-lettermen, showed up well in spring practice, and threatens to take the place of one of the lettermen. The tackles will average about 180 pounds.

For the guard positions, Jack Monzingo will usually start the (Continued on page 4)

W. A. STEPHENSON

Rotary Governor Memphis Visitor; Talks Before Club

Is Now Assistant Dean At Hardin-Simmons; Confers With Officers

W. Aubrey Stephenson of Abilene, governor of the 127th district of Rotary international, visited the local Rotary Club Tuesday night, and spoke to members of the mission of Rotarianism.

Following the meeting, which was held in lieu of the regular Tuesday luncheon, Stephenson conferred with officers and directors of the club on the various work being done, and future aims of the club.

Stephenson, who is professor of government and assistant dean at Hardin-Simmons University at Abilene, is a member of the Abilene Rotary Club. He is one of 157 district governors of Rotary International who are supervising activities of the 5,800 Rotary clubs in 73 countries and geographical regions throughout the world.

In addressing the local group, the district official pointed out that the activities of the various clubs are based on the same general objectives—the promotion of better understanding and fellowship among business and professional men, community-betterment undertakings, raising the standards of businesses and professions, and fostering the advancement of goodwill, understanding and peace among all the peoples of the world.

Williams Is Given 5-Year Sentences

L. B. Williams of Memphis was sentenced to five years in the state penitentiary on each of two counts in district court held in Wellington last week.

The first was on a charge of burglarizing the business of James Holley, located at the northeast corner of the square in Wellington; and the second was on a charge of kidnapping Bill Riley of Wellington and grew out of Williams' first escape from the Collingsworth county jail approximately two months ago, in which he forced Riley to drive him to a point near Memphis.

At Long Last, Good, Wet And General Rain Comes

W. P. BATEN, WORLD WAR VETERAN, NAMED CHIEF OF POLICE OF CITY

Oscar Maddox Jr. First Polio Victim For Hall County

6-Year-Old Youth Taken To Plainview Clinic; Now Improving in Iron Lung

Hall County's first case of polio struck last week when Oscar Maddox Jr., 6-year-old son of Mr. and Mrs. Oscar Maddox of near Memphis, became ill and was taken to the West Texas polio center at Plainview.

The youth became ill Monday of last week, and was brought in to Dr. J. A. Odum Tuesday. Dr. Odum diagnosed the case as polio, and called in Dr. W. C. Dine, specialist of Amarillo, to confirm his diagnosis. Dr. Dine agreed with Dr. Odum, and the youth was taken to Plainview Wednesday night for treatment.

Young Maddox was placed in an iron lung upon arrival at the Plainview center, and has remained there since, Dr. Odum said. Monday of this week, he was taken out of the iron lung when his condition improved, but after six minutes out of the lung, the doctors placed him back in it when his condition became worse.

The case was the first to be reported in Hall County during the current surge of the disease in various parts of the United States.

Roy Ivan Brunson, 13, son of Mr. and Mrs. R. L. Brunson of Quitaque, died Friday night of last week of poliomyelitis at the Plainview center. This was the second death in 28 cases treated there during the summer.

CLAUDE'S COMMENTS

By J. C. W.

On August 12 this country was beginning to suffer for want of moisture, and it looked like no one cared to try to do anything about it, so the Better 1/2 and I pulled out for the mountains of Northern New Mexico and Southern Colorado to see if something could be done. We stayed there about two weeks and it looked like we were stymied. Finally, on last Thursday night we managed to get the clouds to cooperating and turning loose precious drops of water, gradually pushing out on the plains away from the mountains. We accompanied the procession all day Friday into Dalhart—rained on us all the way. We stayed in Dalhart Friday night, believing the rain would push on to Hall County with the aid of some pulling by (Continued on Page Three)

Moisture Total Is 1.55 Inches Here; General in County

Showers Over Four Days Bring Relief to Crops Over Panhandle Area

Mother Nature took her time, almost too much of it, but she finally came through with a good, general rain to benefit farms not only in Hall County, but over most all of the Panhandle area.

Up to this morning, Memphis had received a four-day total of 1.55 inches—coming Sunday night (.92 of an inch), Monday afternoon (.25 of an inch), and Wednesday afternoon and night (.38 of an inch).

From all reports which could be gathered, the rainfall was general throughout Hall County during the first three days of the week. Showers fell at practically every point in the county, varying in intensity and in times of falling.

Sunday night proved the most profitable when Lakeview received about one inch, Plaska about an inch, Harrell Chapel (Continued on page 4)

R. C. Householder, Former Resident, Dies at Amarillo

Funeral Services Are Held At Local Baptist Church; Interment at Fairview

Ralph C. Householder, 55, resident of Hall County for 13 years before moving to Amarillo about five years ago, died at his home in Army Tech village, near Amarillo, Sunday.

Funeral services were held here Wednesday morning at the First Baptist Church, with Rev. Jeff Moore, pastor, officiating. Interment was in Fairview Cemetery under the direction of the Womack Funeral Home.

Householder was born in Iowa November 11, 1890, and lived in Memphis for a number of years before moving to Amarillo. He was a veteran of World War I, and was a member of the American Legion. He had been living in Amarillo for the past five years, and at the time of his (Continued on page 8)

School Students Of Memphis Enroll Monday, Saturday

Seniors to Be Registered Saturday; Remainder To Be Taken on Monday

Official registration of students in the Memphis public schools will be held Saturday and Monday, Superintendent W. C. Davis has announced.

Registration of the senior students in Memphis High School will be on Saturday, and the remainder of the students Monday. Seniors are being listed on the one day in order to give more time to each individual's curriculum, the superintendent explained.

The Estelline schools will begin Monday, September 2, instead of the previously announced date, J. B. Riddle, superintendent, said this week. The schools there were originally scheduled to start last Monday, but the opening was postponed until next Monday.

Other schools to open next Monday are those at Plaska, Friendship, and Turkey.

Starting last Monday were those schools at Newlin and Parnell, and the Monday before, Brice, Pleasant Valley, and Lesley.

With the opening of school will also come the beginning of fall football practice. Hall County has two class A teams, those in Memphis and Lakeview, and two class B teams, Estelline and Turkey. Various other fall sports will start in the county's schools, but football usually over-shadows these other sports.

Jurors Return Eight Indictments Here

Eight indictments, one of which was for murder, were returned by the grand jury of the September term of district court late Wednesday.

Gabriel Smith, Negro pastor of the Morningside Methodist

Church who is now out on bond, was indicted for the murder of McKinley Smith, another Negro. The shooting occurred Saturday, July 20.

Two indictments of assault with intent to murder were returned against W. H. Gray, 34-year-old Madill, Okla. man, who was arrested August 5. His arrest followed the holding up of the occupants of several cars near the Indian Creek bridge west of Memphis on the Lakeview highway August 3. He was indicted on charges of assault with intent to murder C. D. English and W. T. Goodman.

Four indictments for forgery were returned against two other Negroes, Joe Smith and Woodrow Douglas, one of whom is in the Childress jail, and the other in the Amarillo jail. These two men were arrested following the passing of "hot checks" in Memphis and other cities on a construction company several weeks ago.

The other indictment was returned against Tom Claburn Jones on a charge of failure to stop and render aid. The charge grew out of a collision at the corner of 10th and Main streets in Memphis last Saturday. It was reported that the car driven by Jones collided with one occupied by Mr. and Mrs. J. O. Adams of Lesley Saturday night.

Let's Tour Memphis--Home of New Homes

Between 15 and 20 new homes are now under construction, or are already completed, in Memphis to ease the tough housing situation which has confronted citizens here since the close of the war.

So far, nearly all of the completed houses are being occupied by either those who built them, or those who purchased them after they were built. Rent houses are still hard to find, and only occasionally does anyone move to leave one vacant for a newcomer. Apartment houses are still loaded, but if the home-building continues during the next year as it has in the past, would-be Memphians should not have too much trouble finding a place to live.

A drive about town will reveal a large number of new houses, and houses made over from some brought into town. Here's a brief review of the building activities.

have built four houses, three having been completed and a fourth nearing completion. The houses are located on the south end of South 5th street.

One of these houses was bought by Fritz Crisler, and another by Al Burks—both of these families have already moved into the new and modern structures. The third house has been bought by Robert Spicer, but he and his family have not yet moved into it.

Another new home and one of the most modern in the city is that built, and already completed, by W. W. Dunn. This house, located in the 1300 block on West Main, is of the Spanish-type architecture on the outside and was built of concrete blocks. The inside of the house is extremely modern.

W. E. Hill has built a home for himself between 8th and 9th streets on Davis. This structure, with three bedrooms, features the modern touch of a garage built

as a part of the house construction. The house is completed, and the Hill family has been living there for several months.

A duplex, located in the 1100 block on West Main, has been built from a house moved into that location by C. C. Hodges. At present the house is being rented by Coach Curtis Kelley and Doyle Bunch.

In the 600 block on North 10th street, a small house has been moved in, and re-finished by Essie Cope, who is making her home there.

G. H. Crews bought the old house on the George Hattenbach property on 8th street, moved it to 13th street across from the high school grounds, and has completed remodeling it.

Two new houses, one of which is finished with stucco, and the other with stucco, are nearing completion on North 9th street. They were built by John Valance.

Virgle Ford has also completed work on a house on North 9th. This house is also finished in stucco.

The two houses being built by Gayle Greene in the 500 block on South 7th are now almost completed. Both of the houses are stucco-finished. Greene plans to live in the corner house, and offer the other for sale.

R. H. Couch has completed work on three houses in the 1300 block on Dover street. New owners of the three homes are Herbert Curry, Carl Eudy, and Leroy Scott, all of whom have moved into the new structures.

Another house is being constructed at the corner of 15th and Brice streets, but is not yet completed.

A new house is now being built in the 1500 block on West Main. The house will be stucco-finished.

E. A. (Pete) Smith Jr. has purchased lots at the corner of Cleveland and South 8th streets, has had the lots cleared and leveled, and plans to build a home for himself there in the near future.

Work has started for the foundation of another house in the 700 block on South 8th. The house will be located immediately south of the home of Mrs. R. C. Walker.

Hildon Lindsey has moved a house into town, and is remodeling and re-finishing it on the corner of 14th and Brumley streets. This house has been stuccoed. Another new house is being built in the same vicinity, on the corner of 15th and Brumley.

One house has been moved into town and remodeled on 12th street between Noel and Robert (Continued on page 4)

PERSONALS

Mrs. H. V. Knupp and daughter Betty Don of Great Bend, Kans., returned to their home Thursday of last week after a visit here. They were guests in the home of Mr. and Mrs. A. S. Moss.

Mr. and Mrs. A. P. Bralley and son Joe Don of Amarillo spent the week-end in Memphis with her mother, Mrs. Alla Boswell. Mr. and Mrs. Grover Roden and son visited in Burk Burnett with Mrs. J. E. Gurley are vacationing at Carlsbad, N. M., and other points in that state this week.

Mr. and Mrs. S. O. Womack, who were en route from Colorado to their home in Dallas, visited in Memphis with Miss Helen Madden last week. Mrs. W. L. Vaughn of Canyon was a house guest in the R. L. Madden home last week.

Mr. and Mrs. R. L. Madden have as their guests their daughter, Mrs. Walter Cowart and son Dickie of Downers Grove, Ill., and Mrs. Carl Plumb, also of Downers Grove. Mr. Cowart plans to fly to Memphis Friday and will visit here until Sunday when the group will return home.

Texas Ranks 2nd In Number of Boys, Girls in 4-H Clubs

Texas ranks second only to Alabama in the number of boys and girls engaged in 4-H Club work, according to nationwide figures just released by the United States department of agriculture.

The census was based on club enrollment figures for 1945. Texas had 100,820 club members last year, while Alabama was in first place with 115,751. Mississippi's 100,239 members placed a close third.

During 1945, 20.7 per cent of all Texas rural-farm youth were engaged in 4-H Club projects. This percentage was based on the 1940 population census, however, so the figure could be much higher or lower now.

Comm (Continued) Hall County tangled up in court, and finally reached 8 hours late. Any when w

temperature soared at and above the century mark. Since coming home, we have almost decided to go back to the mountains, it's almost too cold for us here.

Vacationists find the highways lined with cars, going and coming; hotels full up and tourist cabins hard to get after 12 noon each day; many eating places dishing out food that properly belongs in slop barrels; and business reaping a tourist harvest. We found that the less travel one did he was that much better off. So, when we found a good place to stay, enjoying the scenery, the cool weather, and the enticing surroundings.

On our vacation, our first stop was at Albuquerque. There we visited Harry Montgomery, state manager for Associated Press and brother of Herschel Montgomery of The Democrat. While there we saw T. E. Johnson, who worked on The Democrat for about two years, and who is now traveling for Western News Service. At Santa Fe, we had a nice visit with Mr. and Mrs. Jack Sitton and daughter, Jack, a former Memphis Democrat editor, is now state capitol representative for Associated Press.

From Santa Fe we trekked

READ ME!

I am Preachers for your Hair. Gray, dry faded hair, itchy scalp and Dandruff. Use me—Be convinced. Durham-Jones Pharmacy Tarver's Pharmacy

northwest through foothills, irrigated valleys, and forest-covered mountains to Pagosa Springs, Colo. Here mineral water, scalding hot, gushes from the earth and much of this is utilized for bathing pools, said to be a sure cure for all kinds of rheumatism. The town is full of people who are trying the baths for rheumatic troubles. How much they are helped one can only guess, for they are gone in a few days and one does not hear whether they are cured or not. The hot springs were discovered by Indians scores of years ago and they gave it the name Pagosa Springs, meaning healing waters. Properly conducted and controlled, Pagosa Springs could be made one of the greatest health resorts in America.

Leaving Pagosa Springs, we went over Wolf Creek Pass, one of the most thrilling passes in Colorado, to Alamosa where we had splendid accommodations. Here we stayed three days enjoying mild temperatures and pleasant surroundings. Alamosa is in the heart of San Luis Valley which embraces thousands of square miles of level land covered with irrigated crops. Some portions of it are irrigated by artesian wells. One of the points of interest near Alamosa is the Sand Dunes. This is a mountain of sand some 20 miles long, 10 miles wide and several hundred feet high, at the foot of some mountains whose tops reach more than 14,000 feet above sea level.

The next stop, and the most enjoyable of all, was at Buena Vista, between Salida and Leadville. This is a small town, but clean, wholesome, friendly, and ideally situated between two ranges of mountains, some of which are snow-capped even in this dry hot year. Shade trees, pine and spruce, 100 feet high, beautiful flowers and perfect gardens, make this town a vacationer's delight. A good stream ran within 20 feet of our back door, and the sporting trout were caught in sight of our cabin.

Leaving Buena Vista, we went east over a fine highway to Colorado Springs. Fertile valleys, rolling hills, high mountains, clear cold rivers of water, fine camping places, and such made this one of the highlight trips of the vacation. At Colorado Springs we ran into Jeff Thompson of Memphis who is there spending the warm months. With him to show us the way, we visited a number of interesting places. We spent the night at Estemeg Lodge, Palmer Lake, Colo. The next day we escorted the rain to Texas.

During the war, when help was hard to get and when gas and tires were ditto, the Better 1/2 and I had looked forward to the time when the force would all be back on the job and we could take off on a delayed and accumulated vacation of at least three months. Well, two weeks seemed that long and now we are back home. I was afraid to stay away any longer for fear the force at The Democrat office would find out they could get along without me. Between us girls (and don't tell The Democrat bunch), I think they did better while I was away than they do when I am here.

After all, homecoming is the best part of a vacation trip. It makes one feel that home is the best place on earth. One also finds that each place he visits has some characteristic that either makes him like or dislike it. The places we liked best were those where the citizens took pride in the appearance of the town, the streets, the homes, the yards, and the general appearance, all of which makes one remember with pleasure such a place and anticipate another visit there.

Summing up, it seems that we Memphis people should center most of our efforts toward making our town an attractive place. By proper cooperation Memphis could be made the kind of town that would cause visitors to like it so much they would want to locate here. That, in turn, would bring more industry. After all is said and done, we all live here because we like the place, and we

could cause many others to want to live here.

In building a town for permanency, several things should be taken into consideration. First, a town should be built for the comfort, convenience, and pleasure of its inhabitants; second, to attract others to locate in the town; third, to build up the payroll, and thus attract more business; and fourth, to build up a reputation favorable to growth and development. Industries go where they are invited, and the best invitation is to have the kind of town people like upon first sight, and a people who are friendly and hospitable.

Some gains have recently been made in building such a town. For instance, more and better water has been secured, streets have been marked, street lights have been provided for as soon as materials can be obtained, an airport is in the making, a cleaner streets campaign is on, more residences are being built and many old residences are being remodeled and brought up to date, more consideration is given to providing conveniences and facilities for

the trade coming to the town, plans are being made for adding more land to the cemetery and for taking better care of the "City of the Dead," and a few other items of the improvement kind.

For years Memphis has been entitled to city delivery of mail. This could be obtained with a little effort. Of course, it would cost business men a little more in local mailing, but it would help many people, especially old people who have to brave the cold and hot weather to get their mail at the post office. But the cost would be offset to some extent by giving jobs to at least three more men, and that would mean three more families for the town who would spend all their money here. When more people in a town have gainful employment, more industries may be expected to locate here, and on and on ad infinitum. Let's have some discussion on the city mail delivery question.

Along the line of improvement, how many citizens are willing to cooperate in a movement to improve the appearance of the town?

By doing a little work around the homes and yards? Last but not least, how many of you are willing to extend a little friendlier smile of greeting, not only to one another, but to the visitors who may come to town?

By the way, I haven't forgotten or given up the idea of a community building where the people, young and old, of the whole trade area may have their meetings, their reunions, and recreations. Yes, it will cost something, but what is money for, if not to make life worth living.

"The Place Where Homes Begin"

The Furnishings For Your Home
Are An Important Investment

Our Homes... They Mean More These Days...

WHERE You Buy Is Just As Important As WHAT You Buy

Few things you buy affect your happiness more or for so long a time as the furniture you will buy for your home. The real value of this long range investment is not in the number of dollars spent but the return you get in comfort and satisfaction. Because furniture is something you don't buy often, it is important that the kind you get will give you the long service it should. The best way to be SURE is to buy from a store which offers only that kind of furniture. Here you can be sure of finding furniture worthy of your investment... both from the standpoint of long, satisfactory service, and correct styling and design. You do not pay extra for this assurance of satisfactory service and proper styling... you will find our prices are consistently lower than you will pay elsewhere for the same quality. Whether your purchase is large or small, your patronage is ALWAYS appreciated at—

Training Officer Of VA to Set Up Office in Childress

Louis E. Griffin, Veteran, To Supervise County's On-the-Job Training

The appointment of Louis E. Griffin as Veterans Administration training officer to be stationed at Childress, was announced this week by Robert W. Sisson, VA regional manager at Lubbock.

Griffin will supervise veterans taking on-the-job training in Childress, Collingsworth, Foard, Hall, Hardeman, Motley, and the eastern half of Donley counties.

An announcement will be made later as to where Griffin may be contacted in Childress.

Griffin will perform his duties as training officer under the direction of Eldon F. Fuller, chief, vocational rehabilitation and education division of the VA regional office. "We are anxious to give all veterans taking on-the-job training the best supervision possible in order that they may make satisfactory progress in reaching their objectives," Fuller said.

Griffin is a veteran of World War II, having served 30 months in the army air corps. He is a native West Texan, with Shamrock his home town. He is a graduate of West Texas State College at Canyon and is a former manager of the U. S. Employment Service office in Childress.

He is expected to arrive in Childress within the next few days.

Lakeview to Have Cemetery Working

The annual all-day cemetery working and meeting of the Lakeview cemetery association will be held Thursday, September 5, it was announced this week.

Officials of the association urged all lot owners and citizens of the area to bring their lunch and remain all day for the working.

Lt. T. K. Treadwell left Wednesday for Washington, D. C., after a visit here with his wife in the home of her parents, Dr. and Mrs. M. McNeely.

Future Readers of The Democrat

Mr. and Mrs. John S. Lindsey of Lesley are the parents of a daughter born August 26. She has been named Lana Jean.

Lola Paulette was born August 20 to Mr. and Mrs. Jeffie M. Melton of Lakeview.

Mr. and Mrs. Joe Reed Blanks of Amarillo announce the birth of a son, Wesley Roy, born August 21.

A son was born August 23 to Mr. and Mrs. Benjamin T. Coffee of Pampa. He has been named Bennie Ray.

Football—

(Continued from page one)

games, and Fuzzy Martin, the other guard letterman, will be crowded by non-lettermen, Ralph Howard and Colbert Chappel.

A. C. Sams is a returning letterman at the all-important center position and is excellent on the defensive, the coach explained. For competition, however, Sams will have Jack Pierce, who worked hard in the spring practice sessions.

New uniforms will be furnished to all members of the first squad, Kelley said. The new suits are of gold satin material, trimmed with black stripes, and will make the local team one of the best-dressed in the district.

The field is now in fair shape, although it suffered from the drought and the water shortage. During the past three weeks, however, it has been receiving a daily watering.

The fence has been repaired and painted, and a new scoreboard has been erected. A new loud speaker, portable type, has been bought and will be used in announcing plays during the home games.

The season for the Memphis squad will get underway Friday, September 13, at Quannah, when the local eleven journeys there to meet the Class AA team. Another non-conference game with Paducah will follow the next Friday, and then conference play will open September 27 when the Cyclone meets McLean at McLean.

The schedule is as follows: September 13: Quannah there. September 20: Paducah here. September 27: McLean there. October 4: Shamrock here. October 11: Lakeview here. October 18: Wheeler there. October 25: Lefors here. November 1: Wellington there. November 8: Open date. November 15: Clarendon here.

Mr. and Mrs. Claud Johnson have as their guest this week their niece, Miss Jane Wright of Lubbock.

100 BIRTHDAYS . . .

About to take a bite of her birthday cake is Mrs. Frances Snyder, Philadelphia, who spent her 100th birthday baking pies and looking at the more than 100 birthday cards showered on her. Forty-five members of her family, representing four generations, helped Mrs. Snyder celebrate.

Moisture Total— (Continued from page one) about an inch, Estelline from one to one and one-half inches, Brice about one-half inch. The showers continued through Monday morning, when the Turkey area received varying amounts, reported to be from one-half inch to two inches.

Monday afternoon in Memphis a brief, but hard shower hit the city and added the .25 of an inch to the total. And Monday night the temperature dropped to 67 degrees.

Another slow, but efficient rain came to Memphis Wednesday afternoon, brought in .38 of an inch in moisture, and dropped the thermometer to a new low of 61 degrees, J. J. McMickin, local weather observer, reported. Not since the hot summer days started has the temperature dropped so low, it was reported.

Tuesday night when Memphis received only a light shower, the Estelline area was gathering in about an inch, as did the Lesley area. In Clarendon, a heavy downfall was reported.

This morning (Thursday), some moisture was still slowly falling, and the skies remained cloudy, indicating that the rain is not yet over.

Earl Hill—

(Continued from page 1)

president, in the gubernatorial race. Jester led with 688,354 votes to 356,599 for Rainey, with state returns almost complete. The governor-elect stated in an interview this week that he will not resign his railroad commissioner's job at present, but will probably retain it and name his own successor after he takes office as governor.

For lieutenant-governor, Allan Shivers of Port Arthur defeated Boyce House of Fort Worth. Shivers, member of the state Senate for 12 years, received 564,887 votes to 439,929 for House, author and newspaperman.

The closest race in the state campaigns was that for commissioner of agriculture, and in latest state tabulations, J. E. McDonald, who has held the office for the past 18 years, leads with a total of 501,965 to 471,688 for R. E. McDonald.

Tom Beauchamp was re-nominated to the office of judge of the criminal court of appeals by receiving 506,155 votes against Jesse Owens' 447,671. Owens, whose home is in Wilbarger County, carried the majority of the Panhandle counties.

Of interest to a number of Hall Countians was the district 5 (Dallas) race for U. S. Congressman, where J. Frank Wilson defeated District Judge Sarah T. Hughes. Complete returns gave Wilson 36,890 votes to 22,819 for Judge Hughes. Wilson, who had the backing of Hatton Summers, present District 5 congressman, is a brother of Ed Wilson of Memphis, and Mrs. Earl Allen and Tom Wilson of Quail.

In the commissioner's race in Precinct 4, Twilla received 228 votes at Turkey, Bush 223; at Weatherly, Twilla 17, Bush 13; and at Bridle Bit, Twilla 26, Bush 27.

Quannah Is Winner In Play-Off Game

Childress lost the first game of the play-off for the Red River valley league Sunday when the Quannah nine downed them 6 to 1 in the opener at Quannah.

Flowers, star hurler for Quannah, held the Childress team hitless until the 4th inning, and scoreless until the 8th, when the Childress nine got its only score of the game. Quannah tallied once in the 1st, three times in the 2nd, and once in the 5th and 7th innings.

The two teams will meet in Childress for the second game of the series Sunday afternoon.

Assembly of God To Have Revival

A two-weeks revival will be held at the Assembly of God Church in Memphis beginning Monday night of next week, Rev. C. A. Strickland, pastor, has announced.

Conducting the services will be Rev. D. R. Tice and Mrs. Tice of California. Special singing will be featured during the revival, Rev. Strickland said.

Appearing Sunday afternoon, beginning at 3 o'clock, will be the Griswold Trio of Dallas, the local pastor also announced. The trio of young people broadcasts regularly from station KSKY, Dallas.

Featured speaker on the afternoon program will be Leonard Lee Griswold Jr., 15-year-old youth, and special singing will be featured.

Jimmy Gerlach and Joe Doyle Galbraith returned to Memphis Tuesday after a ten-day tour by motorcycle in New Mexico and Mexico. While gone they went through the Carlsbad Caverns and visited in El Paso.

Let's Tour—

(Continued from page 1) son streets, and another, which house has been moved in and finished between 6th and 8th on Cleveland. Still another, which has been moved in the one on West Robertson in 1100 block.

Not to be left out in new construction, although not a home, is the new office building of Dr. A. Odom, at the corner of 8th and 8th streets. Dr. O. R. G. all also did considerable improvement and enlargement on the Memphis hospital before finishing the Goodall hospital.

Work on the West Texas tonoil mill on the Childress way near the edge of town is progressing rapidly. In addition to re-building the structures which were destroyed by fire, the company has erected a new tower for the mills use.

Progressing fairly rapidly is building on Noel street being constructed to house the Gas Battery and Electric business.

Mrs. E. H. Stanford is visiting in Borger this week with daughter, Mrs. Brown McNeely.

Thirty-One Girls Participate in Summer Project Work at Estelline

Thirty-one girls have participated in the summer project work at the Estelline Homemaking department under the direction of Lanche Davis.

Mrs. Davis, who for the past years has taught in the Estelline High school, resigned recently to accept a position as head of the homemaking department in Stratford High School where she will begin work September 1.

For the past week the girls have been very busy completing their projects and making reports, although to date reports are incomplete, Mrs. Davis stated.

A decided improvement in the homemaking department was made by the girls this summer. They varnished and waxed five dining tables and 22 chairs, and finished 1 desk, 1 closet, 2 magazine racks, 2 book cases, and 2 clothing lockers. Varnish was removed and 2 coats of paint put on 1 dining table, 2 breakfast tables and 8 chairs. Jinnie Nell Hayes, Louise May, Louise Chauhan, Jo Ann Burnett, Jo Ann Goff, Ramona Hoffman, Nita Jean Trapp and Velma Richerson repainted 3 flower boxes in the food room.

Venetian blinds have been ordered for the clothing department and draperies will be made and hung after the opening of school. Mr. Jarvis, custodian of the

Members of Hayes Family Meet for Reunion in City

Members of the Hayes family met in Memphis Sunday, August 25, for their annual family reunion in the home of Agnes Hayes. There are ten brothers and sisters and all were present on this occasion.

Attending were Mrs. Archie Face of Clarksville, Britt Hayes of Dallas, Mr. and Mrs. Othar Hammonds and children, Jimmy, Jean, Charles, Jessie Faye, Hayes, Nancy Sue, and Margie of Memphis, Artemus Hayes of Leveland, Mr. and Mrs. Ross Hayes and son Cody of Fort Smith, Ark., Mr. and Mrs. Charles Clemens and Kay Frances of Amarillo, Mr. and Mrs. Joe Hayes and son Aubrey of Borger, Mr. and Mrs. Jim Helton and children, Popsy, Joe Ann, Dolores, and Jimmy Carol, of Wheeler, Mrs. Faye Cobb of Clarendon, and hostess, Agnes Hayes.

Other relatives and friends attending were Miss Opal Carter of Leveland, Mr. Blum of Winston-Salem, N. C., Mr. and Mrs. Red Spradlin and daughter of Memphis, Martha Lou Claborn of Fayetteville, Ark., Clifton Berry of Meridian, La., Mr. and Mrs. Chain Webber and son of Pampa, Swain Young of Estelline, Mr. and Mrs. A. D. Walls and daughter Dorothy Jean, LeRoy McCoy, Easie Cope, and Doyle Crone, all of Memphis.

PIGS CAN SWIM . . . While the controversy still rages around the question as to whether or not the famed "pig No. 311" really swam the radio-active Bikini lagoon, residents of Kirkland, Wash., are proving to their own satisfaction that pigs actually can swim. Special aquatic pig race was held, at which the pigs showed good sense by following the girls.

Rites Being Held For Hardin Infant

Funeral services are to be held this afternoon at the Womack Funeral Home for Beverly Nell Hardin, infant daughter of Mr. and Mrs. Izador Hardin of Amarillo, former Memphis residents, who died shortly after birth in a local hospital Wednesday.

Services will be conducted by Rev. Aubrey C. Haynes, pastor of the First Methodist Church of Memphis, and burial will be in Fairview Cemetery under the direction of the Womack Funeral Home.

Survivors include the parents; grandparents, Mr. and Mrs. Elmer Sidle of Memphis, B. F. Hardin of Amarillo, and Mrs. Taylor Scott of Amarillo; and great-grandparents, Mr. and Mrs. A. H. Jones and Mrs. E. C. Hayes of Memphis.

Mr. and Mrs. T. J. Brock returned home this week after a visit in various towns in central and southeast Texas. They visited in Benjamin with a daughter and with two other daughters in Fort Worth, and with other relatives in Coffman, Tyler, and Houston.

W. P. Baten—

(Continued from page 1)

and attained the rank of first sergeant.

The new peace officer was a resident of the Brice community from 1932 to 1937. He moved to Decatur in 1937, and in 1941 moved to Amarillo, where he was living at the time of his entry in the service. Following his discharge from the army, Baten returned to Memphis, where his wife lived during his army service.

Stinnett, who succeeded the late Ed McCreary as chief of police March 14, stated in his resignation to the council that he plans to enter private business.

In accepting the position, Baten said, "The cooperation of all citizens is needed in enforcing the laws, and I request your aid in fulfilling the duties of the office. I will do my utmost to faithfully discharge the duties of the office to which I have been appointed."

Memphian to Join Husband in Adak

Mrs. Richard Buanefe, daughter of Mrs. Ruby T. Hardwick, left Memphis Sunday night for Seattle, Wash. After a few days there she will board ship for Adak, Alaska, to join her husband.

Lieutenant Buanefe, whose home is in Lindsay, Calif., is stationed with the air corps on Adak. Prior to going to Alaska he was stationed at the Childress Air Field.

East Side Square 74,000 All Electric Incubators Memphis, Texas

Well, Here It Is, MR. POULTRY RAISER

Yes, here it is time again to go over the flock and tune up. After this long hot dry summer, all layers should be given worming, delousing, and a good culling; and follow up with Krumote Tonic. By the time the conditioning is over, eggs will be bringing a nice price, and the Fresh Egg Price is going to be plenty high. So come by and let me suggest a treatment that has been proven year after year. Am always glad to help the poultry man or woman any time.

I carry only the latest improved poultry tonics, which remove the worms with least shock to the hens—thereby helping her through the moult; and back on the pay rolls as quickly as possible.

Also, don't overlook the feeding which goes with conditioning. We now have a complete line of CHIC-O-LINE Feeds to meet our demands. They are of the quality you expect of good feed. Also have feeders to prevent waste.

CHICK BOOKINGS

Fall bookings for BABY CHICKS now being taken! So if you would like to book, come by and list your order as soon as possible, as this will assure you of getting what you want when you want them.

ALSO HAVE A FEW HUNDRED STARTED WHITE LEGHORN PULLETS

Safety in Building Roads Stressed By State Engineer

State Highway Engineer De Witt C. Greer Sunday assured accident-scarred Texas that by a comprehensive program of "building safety into our roads" it is possible to eliminate traffic accidents as a major public problem.

In a radio broadcast from Houston the veteran road chief outlined the hope engineering offers in traffic accident prevention by "improving the conditions under which vehicles are driven." He urged public support of a balanced highway improvement program designed to add proven safety features to the present highway system and simultaneously bring rural Texas out of the mud.

His address was sponsored by the Texas Safety Association as a part of the current nationwide crusade to check traffic acci-

dents which threaten to claim 10,000 lives and pile up a property damage loss of \$500,000,000 in Texas during the next ten years, according to the Association's estimates.

"For virtually every type of accident the engineer has a road design which will reduce the likelihood of such accidents virtually to the vanishing point, at the same time permitting the swift, congestion-free movement of all vehicles," Greer said. He cited the gratifying results obtained from a former nationwide program to engineer the hazards out of railroad grade crossings.

"The overpasses and underpasses built under this program made it impossible for a car traveling the highway to collide with a train traveling the railroad," he pointed out, adding that improved automatic warning signals at other crossings brought an impressive reduction in accidents.

The approximate diameter of a silver quarter is one inch. A scalpel is an instrument used by a surgeon.

TO APPEAR HERE—The Griswold Trio of Dallas will appear at the Assembly of God Church in Memphis Sunday afternoon at 3 o'clock. Shown in the picture, left to right, are Gladys Griswold, musical director; Leonard Lee Griswold Jr., 15-year-old evangelist; and Rhydonia Ruth Griswold, announcer.

SEABEE'S MASCOT HAS BIRTHDAY . . . He has never walked, and the disease which has crippled him keeps him strapped to a wooden frame, but Jimmy Carrick, mascot of the Seabees, celebrated his tenth birthday anniversary happily. He is shown standing next to his Philadelphia hospital bed, where he is undergoing treatment for tuberculosis of the spine.

ESTELLINE

By MRS. FRED BERRY

Mr. and Mrs. Jo Eddins and family, Mr. and Mrs. John Chaudoin and family, and Mr. and Mrs. G. Gardnhire had a picnic supper at the Memphis park last week and later went skating.

Tim Hunt of Sacramento, Calif., Mr. and Mrs. Clifton Berry and two sons, and A. J. Berry of Dallas spent last week in the home of their parents and uncle and aunt, Mr. and Mrs. Fred Berry.

Mr. and Mrs. John Russell left Monday for a trip to Chicago.

Mr. and Mrs. Bill Holland, and Mr. and Mrs. A. Eddleman visited in Fort Worth, Jacksboro, Mineral Wells, and Possum Kingdom last week-end with relatives.

Miss Mary Sue Eddins of Amarillo spent the week-end here with her parents.

Carl and Morris Leary, students at Texas A. and M., spent the week-end here with their parents, Mr. and Mrs. Edd Leary.

Miss Carletta and A. J. Berry spent last week in Amarillo.

Mrs. Sam Powers visited her daughter in Clarendon last week.

Mr. and Mrs. Tobe Powers of Brownfield visited her mother, Mrs. T. D. Gee, last week.

Mr. and Mrs. Elbert Johnston and sons left this week for a trip to Colorado.

Mrs. Lacy Phillips and two daughters of Plainview are here visiting Mrs. Katie Phillips.

Mr. and Mrs. Ross Gee of Tucumcari, N. M., and son Ross Jr. of Lubbock visited in the home of their mother and grandmother, Mrs. T. D. Gee.

Mrs. L. Price returned home from a trip to Chicago.

Mrs. Lula Huffmaster returned from a months visit in New Mexico.

Mrs. Bill Huffmaster and son Bobby are visiting in California this week.

Funeral Rites Held For Mrs. Barker, Resident's Sister

Mrs. Bob Barker, president of the Texas State College for Women regents and one of the state's most prominent club women, died Sunday morning in a Fort Worth hospital. She was a sister of Baker Jones, who lives near Memphis.

Mrs. Barker, 65, had lived at the home of her 89-year-old mother, Mrs. Robert Jones, in Fort Worth since the death of her husband, Bob Barker, state senate secretary, in January, 1945. Barker was well-known in Hall County, having visited here on numerous occasions. He was secretary of the senate from 1915 until his death in 1945.

Funeral services were held Monday afternoon in Fort Worth, and burial was in the state cemetery Tuesday afternoon beside the grave of her husband.

In June, 1945, Mrs. Barker clinaxed two decades of active club work as legislative chairman for the Texas State Federation of Women's Clubs by being named president of the regents of TSCW as she started her second six-year term on the board. Earlier she had served as vice president of the board. She was the first and Texas' only woman to be elected to the presidency of such an educational institution.

Amarillo are visiting their aunt, Mrs. J. J. Hall.

Mrs. W. C. Poage of Plainview visited her niece, Mrs. Ed Smith, Tuesday.

Mr. and Mrs. Thearon Robertson and daughter, Mr. and Mrs. Milton Smith, and Jim, Clarence, and Jeanette Whited went to Amarillo Monday of last week and to Mangum, Okla., Thursday.

The Mother's Club will meet Tuesday, September 3, with Mrs. Frank Smith.

Lakeview Seniors Choose Officers

Class officers, reporters for the annual, and class photographer were named when the members of the senior class of Lakeview High School held their first meeting of the year August 19.

Elected president was K. D. Nabers; vice president, Carroll Fowler; secretary-treasurer, Edith Driver; annual reporters, Jerry Williams and Ima Ruth Gowdy; and photographer, Elnoria Barbee. Rev. R. M. McNally was chosen as sponsor of the class.

Twenty-one students are enrolled in the Lakeview class this year.

Lakeview Home Ec Initiates to Get 'The Works' Soon

Things will be poppin' for the freshman members of the Lakeview Home Ec club when they are initiated, members of the organization decided at their second meeting of the year held this week.

First of all, the group, including the new members, will attend a picnic at the Memphis city park—and then the fun begins.

The new girls will wear slacks, be required to have pig-tails on their head, and then be instructed to make all the drug stores and cafes in Memphis and gather up all the chewing gum they can find under the tables and chairs.

The next step will be for the initiates to get autographs (on rolls of toilet tissue) from the various boys—and then the entire group will top the evening off with a visit to a movie.

Pastor Announces Newlin Services

Wallace I. Torbert, pastor of Newlin Methodist Church, will deliver the regular sermon at church Sunday morning at 10 o'clock, but no preaching will be held there Sunday.

All Methodists are urged to attend the revival at the church, Rev. Torbert said.

"We expect our revival to begin Sunday, September 15," the pastor said, "and to continue for about ten days or weeks. Rev. Ira Hart of the line will be absent from his Sunday in revival work, and Torbert will fill his pulpit at 10 o'clock, and I will deliver a 10 o'clock sermon that night."

Use Expresses Thanks to Voters

Boyce House of Fort Worth, defeated candidate for lieutenant governor of Texas, said this word of thanks to his County supporters:

"I want you and the others in the Democrat family, as well as the Memphis and Hall County families in general, to know how I appreciate your efforts in behalf and how grateful I am for the fine vote there.

"I am not victorious, I count it my honor to receive the votes of my fellow Texans. If I can serve you, I will."

Now women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
2. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

CARDUI

Winning Essay—

DIVERSIFIED FARMING PAYS

Editor's Note: This is the last of a series of winning essays in the 4-H Club contest held last spring, in which members wrote articles on diversified farming. This essay was written by David Spivey of Friendship.

In Europe most of the farms

"ROUTE IT"

Miller & Miller

Dallas-Fort Worth-Wichita Falls-Amarillo-Lubbock

MEMPHIS PHONE—291

are small, and the density of population compels intensive farming. The production per acre increases from year to year. All the waste that can possibly be used for fertilizer is saved, and the European farmer obtains a yield from one third to one half larger than the American farmer.

This proves that the American farmer must rotate his crops and build up his soil. This will save the land, as well as increase his income. If one crop fails he can depend on another for an income. If the farmer has all cotton and the crop fails, he has a complete loss. If he had planted half feed and half cotton, he would have had a much better chance for an income. The saving of the soil is important to the farmer, too. If he lets his land wear out from planting the same crop year after year, his income will practically stop.

In his plan the farmer needs cows, hogs, and chickens. He can always sell a calf, a hog, chickens, and eggs to increase his income, as well as have a supply of eggs, milk, and meat for his home use. This is very important now, because of the shortage of food over the world.

Because of these reasons, I say the diversified plan of farming is the best plan. If a farmer wants to maintain and establish a sound financial position, he should use the diversified method of farming.

Berry Released To Inactive Duty

Ensign A. J. Berry, son of Mr. and Mrs. Fred Berry of Estelline, has received his release from active duty from the U. S. naval air corps, it was announced this week.

Berry, who was serving as a flight instructor in Dallas, plans to enter Southern Methodist University at Dallas September 20, where he will study business administration.

PARNELL

By MAE PAUL

Mr. and Mrs. Byron Tinsley of Amarillo were Thursday night guests in the Eric Trapp home. They left Friday morning to visit in the Tinsley home in Dallas for a few days.

Mrs. Bertha Gore of Estelline, Mr. and Mrs. T. J. Cope, Mrs. J. Warner Cope, and Mike Cope left Sunday for Brownfield to attend the funeral of the little four-year-old son of Creed Gore, who was dragged to death by a horse Saturday afternoon.

Parge Winn and family are very proud of their new car which came in Monday.

Bobby Don Buchanan, who has been visiting his mother, Mrs. Bill Bingham in Wichita Falls, came in Sunday to start to school. He makes his home with his aunt, Mrs. Leslie Bruce.

Carol Berryman of Pampa visited one night last week with his parents here.

Mrs. Crump Ferrel has been sick the past week, but was able to be out Sunday.

Mr. and Mrs. Jay Franklin were Childress visitors Monday afternoon.

Mr. and Mrs. Carl Hill and Rita Jean left Tuesday for a few days visit with Grady Hill and family at Enoch. They will also visit in Canyon with Mr. Hill's sister, Mrs. Owen Williams and family, before returning home.

Mr. and Mrs. Joe L. Motherhead visited in the R. N. Motherhead home Sunday. Motherhead left Monday night for his base in California.

This community had a nice rain of about one-half inch which fell Sunday night and early Monday morning.

Ernest and Charles Hood moved the past week to the house east of the L. T. Winn home.

Mr. and Mrs. Burl Bruce and L. V. Bruce were week-end visitors in Wichita Falls.

The Parnell gin is now open and ginned four bales of cotton the past week.

Mr. and Mrs. Arnie Moss were visitors Sunday afternoon in the

W. H. Neely home. Mr. and Mrs. John Neely and family, Mr. and Mrs. Woodrow Canada and family, and Mr. and Mrs. Herbert Neely visited in Hedley Sunday in the Olin Cowan home.

Mrs. Ruth House received a message Sunday that her sister, Mrs. Williams of Modesto, Calif., was very ill.

Mr. and Mrs. Zack Jouett were called to East Texas Friday. Mrs. Jouett's brother, Jesse Bruce, was very ill with a brain hemorrhage. A bridal shower will be given Wednesday afternoon in honor of Mrs. Byron Tinsley of Amarillo.

ACTS ON THE KIDNEYS

To increase flow of urine and relieve irritation of the bladder from excess acidity in the urine

Are you suffering unnecessary distress, backache, run-down feeling and discomfort from excess acidity in the urine? Are you disturbed nights by a frequent desire to pass water? Then you should know about that famous doctor's discovery—DR. KILMER'S SWAMP ROOT—that thousands say gives blessed relief. Swamp Root is a carefully blended combination of 16 herbs, roots, vegetables, balsams. Dr. Kilmer's is not harsh or habit-forming in any way. Many say its marvellous effect is amazing. All druggists sell Swamp Root.

Lakeview Juniors Choose Officers

Officers to serve during the coming year were chosen when members of the junior class of Lakeview High School held their initial meeting August 19.

Elected were Alene Cunningham, president; Billy Adams, vice president; Martha Pearl Davenport, secretary-treasurer; J. D. Jones, reporter; and Mrs. Leon Robertson, class sponsor. Named as class representative

was Henry Fancher, and as photographer, Avylee Weddell. These two officers will be responsible for the junior section of the 1947 high school annual.

Wells Appointed To State Group

J. Claude Wells, publisher of The Democrat, has been appointed as a commissioner of the Texas Centennial of Statehood by Governor Coke R. Stevenson, it was announced this week.

In observance of the 100th anniversary of the statehood of Texas, the group will work toward the revitalization of Texas agriculture and improved conditions in the rural life of the state, and a renaissance of interest in Texas and American history through educational and patriotic enterprises.

The commission was authorized in legislation passed May 8, 1945, and approved by the governor on May 10, 1945.

Dr. and Mrs. Jack Baldwin and Mr. and Mrs. Ray Childress spent last week in Dallas.

Another Airplane Uses Local Field

Despite the fact that the city's new airport has not yet been improved, it is already being used as a landing field.

Another plane landed on the field Thursday of last week, when

George Cleveland of St. Paul, Minn., dropped in for a visit. Cleveland, who had been touring the western part of the United States in his plane and who had attended a convention in Seattle, Wash., stopped off here to visit with Mr. and Mrs. R. L. Madden and Rev. Jeffrey Hoy and family, who were guests in the Madden home.

MAKE YOUR PLANS NOW TO LET US FURNISH YOU WITH

"...but Honey, GAS Won't Cost Much!"

Remember the fun you had figuring out a budget for your marriage? Pennies really count when there's furniture to buy, a house to rent and a family to plan for. But heating, cooking and refrigeration costs never spoiled anybody's marriage plans in a town with natural gas service. There is no other fuel with its economy... none other with its dependability. Natural gas service is the product of free private enterprise—a product that would not exist in this area today if it were not for the initiative and courage of such private businesses as United Gas Pipe Line Company and its associated producing and distributing companies. The United Companies have built a vast network of pipe lines, joining wellheads with markets... stimulating the flow of millions of dollars through royalties and taxes. United Gas operations benefit every family in Texas, in one way or another.

Veterans to Be Given Aid in Filling Out Pay Applications

WORKERS TO BE CITY HALL R THREE DAYS

day program if a veteran wishes to get them in advance. Before veterans go to the city hall to fill out their forms, they should have certified copies of their discharge papers, or a full-size photostatic copy of them, officials explained. However, veterans who do not yet have their certified copies or photostatic copies should go ahead and fill out the application forms and hold them until getting their copies. Applications for the pay may be made at any time until September 1, 1947.

Officials explained that veterans are not required to have aid in filling out the forms, and may fill them out personally. However, it was pointed out that those aiding in the three-day program will be well-versed in the proper methods of filling out the forms, thus assuring the veterans of getting the information required in the correct spaces.

All veterans who go to the city hall for help are requested to bring fountain pens, since the forms must be filled out in ink there prior to the three-

New Legislation Increases Pensions For GIs; Sets On-Job Ceiling Pay

The Veterans Administration has summarized recent legislation, passed by congress and approved by the president, which will affect thousands of veterans and their dependents of this area.

The new legislation comes within the jurisdiction of the Veterans Administration:

1. Increases by 20 per cent the pensions of nearly 2,000,000 veterans of both world wars and 400,000 dependents, effective September 1.
2. Sets up tighter standards for on-the-job training for veterans; provides for financial assistance to states to supervise the program; and sets pay ceilings of \$200 for veterans with dependents and \$175 for veterans without dependents who are studying or training under the GI bill.
3. Authorizes the Veterans Administration to operate canteens in hospitals and veterans' homes,

Vets to Have Say In Surplus Sales

Veterans of World War II will have a definite voice from now on in all surplus property disposals affecting veterans by War Assets Administration, according to an announcement made by Robert M. Littlejohn, WAA administrator.

A veterans advisory committee will be set up in the Fort Worth WAA regional office and in each of the other 32 WAA offices throughout the country. This committee, patterned after a veterans policy committee now functioning in Washington, will be comprised of representatives of the American Legion, Disabled American Veterans, Veterans of Foreign Wars, Amvets, and the American Veterans Committee. These five leading veterans organizations, through their national headquarters, will nominate the regional representatives to work with WAA.

Survivors of Vets Who Died Since Leaving Service to Benefit by New Law

Many survivors of World War II veterans who have died since leaving the service will benefit from one of the provisions of the social security act amendments of 1946, John R. Sanderson, manager of the Amarillo social security administration field office, said this week.

Sanderson explained that the new section of the act provides for the payment of monthly benefits to qualified survivors of veterans who die within three years of their discharge and whose dependents are not qualified to receive compensation or pensions from the Veterans Administration. National service life insurance is not considered as compensation or a pension.

In the case of such veterans who died before the enactment of the new amendment, the measure provides for monthly benefits retroactive to the date of the veteran's death if the survivors file

Survivors of Vets Who Died Since Leaving Service to Benefit by New Law

their benefit claims with the nearest office of the social security administration before midnight, February 10, 1947. Of course, monthly benefits other than retroactive are payable on claims filed at any time by qualified persons.

In cases where survivors of veterans who qualify under the new amendment already have filed claim for monthly benefits earned by the veteran under the old-age and survivors insurance program of the social security administration, it is possible that the provisions of the new measure will provide greater benefits than those earned by the veteran. These survivors are included in the immediate potential beneficiaries, Sanderson said, and should apply to the field office of the social security administration.

The same applies, Sanderson (Continued on page 5)

NOTICE TO VETERANS Come To The Council Room In The City Hall SEPTEMBER 5--6--7 For Help In Filling Out Application Forms For TERMINAL LEAVE PAY

On Thursday, Friday, and Saturday, September 5, 6, and 7, all veterans of World War II who are eligible for Terminal Leave Pay under the Armed Forces Leave Act of 1946, are asked to come to the Council Room in the City Hall where they may obtain help in filling out their forms. On these three days, the American Legion Auxiliary and the City Council are joining to aid veterans in filling out their claims. Members of the Auxiliary will be in the council room to instruct and assist in any manner they can.

Forms are now available at the post office, and if veterans wish to study these prior to going to the City Hall on the above dates, they may do so. They may wait until they appear at the coun-

cil room, where forms can be obtained at the time claims are filled out.

MUST HAVE DISCHARGE COPY

Every veteran MUST have a certified copy of his discharge papers, or a full size photostat of same, to be mailed with the claim for terminal leave pay. It may be impossible for ex-service men and women to have these at the time they appear to fill out the forms, but they should go ahead and get their forms completed, and hold them until the photostat copy or certified copy of discharge is obtained. Claims may be made any time within the next 12 months.

ALL VETERANS ARE ASKED TO TAKE ADVANTAGE OF THE OPPORTUNITY TO GET HELP ON THESE DAYS—SEPT. 5, 6, 7.
IF FORMS HAVE NOT BEEN FILLED OUT, BE SURE AND BE AT THE CITY HALL ONE OF THE THREE DAYS.

Editorial

**NOTHING IS FREE—
 NOT EVEN TEACHERS**
 DURING THE POLITICAL campaign which ended with last Saturday's election, citizens of Texas heard much talk concerning the pay now being received by teachers, and almost every candidate in the state races was in favor of paying them adequate salaries.

First let it be pointed out that a teacher must of necessity have a good education, including varying amounts of college work. No parent is willing to send his children to a school in which the teachers are not educated—and in most cases, teachers without a sizeable amount of college education would not be qualified to serve as leaders of children, and molders of the minds of students.

It should also be pointed out that to acquire a college education, a person must either work very diligently—if he is attempting to go through college by working his way or most of his way—or a person must spend a great deal of money in investing in his education. There can be no accurate estimate on the amount of money spent by a student, since the cost varies so greatly with the many schools. A state school is a great deal less expensive, since the tuition costs are generally low in such an institution, high in private schools.

This investment which a student makes, either in work or in actual cash, is high. A degree costs money as well as study. Any business man will agree that when one invests in something, he should realize something back from his investment.

Here, for example, is what our rural school teachers receive back on their investment, and in today's high cost of living these figures are ridiculously low in representing what we are paying the people who educate our children.

A rural school teacher receives a base pay of \$135 per month. In addition he receives \$3 per month for each year of college work past the first year. A college degree, representing four years of college work, pays that teacher \$9 per month. In addition, a teacher receives \$1.50 per month for each year of teaching experience up to 10 years, thus making it possible for a maximum of \$15 additional pay.

Thus a rural teacher can make the following pay as his maximum: \$135 plus \$9 plus \$15 equals \$159. Now if a person is a principal of a rural school, he can make an additional \$6 per month for each other teacher in the system, up to a maximum of 4—but we point out that principals are limited to one per school.

In other words, we are paying our teachers in the rural schools only \$159 per month—for a NINE-MONTH term—to give each of them a yearly income of \$1,431. These low-paid people are the ones you expect to mold the minds of your children—you expect them to spend 35 to 45 hours per week with your children for nine months of the year, and impart to your children all of their knowledge.

For such a low salary, especially during these times of extremely high prices, are you surprised that the school systems of Texas have a large number of vacancies?

Labor Day

Press Paragraphs—

QUOTING OUR NEIGHBORS

Logic

The Foard County News: If all the nations hold off fighting another war until they get the last one paid for they will be all out of the notion.

Optimistic

The Canyon News: From our corner it looks like Russia is doing everything she could to impede peace. Russia is "feeling her oats" as a world power, and is trying it out. Maybe things will work out better than we have been anticipating.

The Price of Wheat

The Tulia Herald: While digging through some old issues of The Herald this week we read where The Herald was accepting three bushels of wheat for a year's subscription to the paper. According to the story in the 1931 issue, "Many have said that if it were not for such an offer, they could not afford to read the home paper, and that they appreciated very much the chance to read the paper for such a small amount." Incidentally, the offer remains open in case someone else wants to take advantage of it. We'll even come and get it.

Politics

The Childress Index: Been watching the Amarillo papers pretty close. Been hearing that the police there are getting more than somewhat rough with most anyone and sometimes without much reason. Heard that it is the result of the sheriff's race. Seems that the police department is wanting a new sheriff. Have heard that the police department will do nothing with a person after he is arrested, however, if he will promise to vote against the present sheriff.

"One World"

The Briscoe County News:

What seems to have been largely lost is that conception of "One World" which was so brilliantly argued by Wendell Wilkie and which, in all its essentials, was once supposed to be the guiding policy of all the Allies. It was a conception based solidly and practically upon the conditions of the times. Today, space is of small importance to a nation's security—a bombing plane can fly anywhere in the world in a matter of hours, and a stratosphere missile can do it in minutes. A fragile peace, based upon force and fear, will be only a breathing space between the last war and the next.

Mass Production

The Paducah Post: It is no longer necessary to discuss inflation in terms of the future. Inflation is here. The only thing that can put an effective check on rising prices is efficient, high level production followed by comparatively low cost mass distribution. Sometimes we hear the chain store operator criticized—

but his efforts to trim costs and push sales at reasonable prices should be applauded rather than criticized. Mass production made possible the winning of the war—mass distribution can help make possible a prosperous peace.

Definition

The Donley County Leader: Have you ever taken the trouble to look up the meaning of the word "croc" in the undisputed Webster's dictionary? Try it. He says: "To make a continuous hollow sound, as cattle in pain."

Bill Thornton of Duncan, Okla., visited in Memphis Friday of last week with his brother, Lile Thornton and family.

When one has lived a long, full life and his step becomes feeble

This Week in WASHINGTON

WASHINGTON, D. C. — With Pres. Harry S. Truman off on an 18-day vacation, his first real outing since he assumed the presidency, and with members of the congress back among the homefolks electioneering, Washington had all the aspects of a deserted village.

However among the various governmental agencies involved there are plenty of perplexing questions as yet unsolved and all of them affecting the nation's economy one way or another.

First there is the question of whether to roll back prices to the June 30 level or to take all control off prices and let the law of supply and demand and unfettered competition have full sway... now before the decontrol board as set up in the new OPA law. Labor is demanding the price roll back and the re-institution of food subsidies or else. And the "or else" probably means new strikes for new wage increases.

Leaders of farm organizations and of big business are demanding that all controls be lifted declaring that "full production" will sweep away high prices. So the fight goes on before the board with Secretary of Agriculture Clinton P. Anderson, new food boss under the new law sitting in the driver's seat.

Then there is the scandal in war surplus which is occupying the time of the congressional investigating committee headed by lame duck congressman Slaughter of Missouri. There was a time when official Washington declared that surplus property must be disposed of without the slightest hint of scandal "at all costs." Also the

scandals the Meade investigating committee is bringing to light in war contract settlements. The law governing renegotiating of war contracts was supposed to eliminate the evil of the "cost-plus" system of letting war contracts. For every one knew that in the rush to get war materials there could be no such things as bidding on war contracts with its time consuming features. Then, too, manufacturers, many of them, could not anticipate costs in the construction of new materials and new equipment. Speed was the essence. Once in production and once costs were ascertained however, the renegotiation was presumed to put production costs to the government on a fair basis.

However, despite the patriotism of some contractors, where the human element is concerned, greed and selfishness pops up and such is the case both in surplus war property and in war contracts.

Other all absorbing problems in the national capitol include the Paris peace conference and the Palestine question. Our role in the Palestine question seems to be more or less passive, but is a British question essentially, but as a "Good Neighbor" to the other nations of the world for at least partial settlement of the question. If congress is willing, we will accept some 50,000 Jews and other refugees from European countries here. And if we are willing so should other nations in South America, Australia, England and such other nations as have the ability to absorb them.

and his friends of the olden days are gone, then falling into the last sleep is the natural, the inevitable end of life's chapter—on this side of the veil.

This is somewhat the thought that a friend of mine, Frank Jensen of Dallas, has beautifully expressed in a poem written after his father passed on. His father had known the hardships of pioneer days—drouths, depressions, cyclones, hailstorms—and had earned his rest. The poem is entitled "If We Could Call Them Back" and has a message of philosophic resignation:

If we could call them back,
 Would you—would I?
 And ask that they go with us
 down the road,
 And take again Life's weary,
 heavy load,
 And all the sorrows—now forever
 flown.
 Or would we choose to travel
 on alone,
 If we could call them back?

Would you—would I?
 From out the fur, sweet heaves
 peace and rest,
 Along the steep, the stony, then
 grown way,
 Or would we rather they might
 stay,
 If we could call them back?

If we could call them back,
 Would you—Would I?
 E'en though it be to pleasures
 of old,
 And to the joys that come when
 hearts unfold
 With love in all its wondrous
 power—
 Ah! would we ask it for one
 the hour,
 If we could call them back?

We can not call them back—
 Not you—nor I—
 But we will travel on a little
 while,
 And try, despite our grief,
 smile,
 And when we reach our
 hands
 To waiting ones in better lands
 May no one call us back.

Mrs. George Brownlee Is Honored At Bridal Shower in Breedlove Home

Mrs. Robert Breedlove was hostess at a bridal shower Tuesday, August 20, in her home, complimenting Mrs. George Brownlee, who was before her recent marriage Miss Gwendolyn Scott.

Co-hostesses for the occasion were Mesdames J. H. Smith, Leon Randolph, Bud Godfrey, Lloyd Phillips, W. C. Anderson, Reba Stroehle, J. W. Fitzjarrald, Omer Hill, Henry Scott, Lamb, Ollie Jones, L. G. Carlos, George Cullin, and Misses Betty Randolph, Mary Ruth Anderson, Jo Lamb, Adelle Harrell, Maria Baskerville, and Minerva Baskerville.

Guests were greeted by Miss Minerva Baskerville and asked to register in the bride's book. Miss Maria Baskerville was in charge of the register.

A variety of garden flowers decorated the entertaining rooms and Miss Mary Ruth Anderson and Miss Jan Smith entertained with appropriate musical selections during the evening.

Mrs. J. H. Smith introduced the program and asked the guests to take an imaginary trip to Howard Payne for a football scene featuring the "Queen" of the evening. A chorus composed of Misses Betty Jo Randolph, Mary Ruth Anderson, Maria and Minerva Baskerville and accompanied by Mrs. Carl Smith at the piano sang "The Sweetheart of Howard Payne." Mrs. Lloyd Phillips gave a skit, "The Handsome Captain and the Coach," and Mrs. Reba Stroehle read "Parlor Football."

Little Barry Phillips, attired as a football player, entered and presented the honoree with a football from which miniature kitchen accessories tied with blue and gold ribbon were hung. The gifts were then presented by the hostesses to the honoree. Mrs. Brownlee, assisted by her mother, Mrs. Bob Scott, opened the gifts and displayed them for the group.

The guest list included Mesdames Tom Isham, E. T. Prater, D. S. Miller, Clinton Srygley, Rachel Williams, Joe Miller, W. Wil-

son, Harry Womack, Leonard Wilson, T. D. Weatherby, W. E. Clark, Sam Hamilton, R. E. Clark, Lynn Jones, B. B. Smith, Earl Pritchett, Chas. Drake, H. H. Lindsey, Betty Zane Meyers, Weldon Lewis, L. O. Dennis, J. L. Scott, Carl Smith, W. R. Scott, W. S. Crowder, Joe Crowder, Lile Thornton, M. D. Gunstream, H. L. Crowder, F. D. Crowder, Gene Lindsey, Dick Watson, C. R. Sargent, Ora Denny, Gladys Power, Joe Lloyd Mothershed, D. A. Grundy, Byron Baldwin, E. W. Evans, Henry Byrd, Jeff Aduddle, Elmer Moore, Lynn McCoy, Claude Stevens, W. T. Hightower.

Mesdames L. G. Rasco, Frank Smith, Ben Wilson, Clyde Milam, Dick Jones, H. T. Gregory, Dan Wright, D. L. C. Kinard, J. R. Saunders, Clifton Burnett, Henry Russell, Ruth Jinks, Glen Bernard, Albert Ray Bernard, Bill Crowder, Mary Gardenhire, B. B. McMillan, F. H. Boswell, Ira Lawrence, R. A. Wells, Oscar Webb, J. S. McMurry, Frank Ellis, W. B. Morrison, Emma Baskerville, Johnny Brewer, Joyce Vandiver, Douglas Lawrence, Jeff Moore, H. L. Williams of Clarendon, Underdown of Clarendon, J. B. Duren, H. W. Spear, T. Hoggart and Joy Mae of Lakeview, B. E. Davenport and Bobby, R. A. Bowerman, Oscar Favors, Kate Montgomery and Patricia, and Cal Holland and Pat of Brice.

Misses Mae McElrath, Ira Hammond, Esta McElrath, Cassandra Scott, Mary Childress, Beckie Faschall, Avis Kilpatrick, Clara Jo Hays, Joyce Evans, Laura Mai Hightower, Nancy Jones, Syvilla Saunders, Blacks, Helen Boswell, Peggy Lawrence, Mary Wells, Betty Bob Webb, Wylene Ellis, Lucille Russell, Imogene King, Ella Mae Kercheville, Oteka Bernard, Jessie Wolf of Lakeview, Jimmy Jean Smith, Betty Jean Solomon, Virginia Smith of Memphis, and Jean Crowder of Bowie.

Mr. and Mrs. Robert Moss are vacationing in Colorado this week.

Mr. and Mrs. M. P. Moore Celebrate 60th Wedding Anniversary at Home Near Here

Mr. and Mrs. M. P. Moore, residents of Hall County for the past 38 years, celebrated their 60th wedding anniversary at their home near Memphis Sunday, August 18. Only members of the immediate family and one guest, Miss Nancy Reed of Memphis, were present.

Mr. and Mrs. Moore were married at Cooper August 18, 1886, and lived there until they moved to Hall County in 1908. Soon after coming to this county they bought the farm located on Route 2 where they have lived for the past 38 years.

Mr. Moore was born in Louisiana 86 years ago and Mrs. Moore at North Fork, Va., 76 years ago. They are the parents of four boys and three girls, all living except one girl, Laura Roberts, who died in 1927.

Mr. and Mrs. Moore are interested in civic and community development and have been active in church work. Mrs. Moore is an active member in the Methodist Church at Newlin.

Dinner was served at noon from the dining table which was laid with a white linen cloth and appointed with china and silver. Forming a center piece for the table was a three-tiered white wedding cake topped with a bride and groom and other decorations in pink.

Attending were the following children: Mr. and Mrs. D. C. Messick and son D. C. Jr. of Memphis, Mr. and Mrs. C. H. Moore of Los Angeles, Calif., Mr. and Mrs. J. C. Moore of Dallas, Mrs. L. L. Bewley of Eugene, Oreg., and Lon P. Moore of Memphis and Dallas.

Children who were unable to attend were M. M. Moore of Denver, Mr. and Mrs. Leon D. Moore of San Bernardino, Calif., and Mr. and Mrs. Rolla Moore of Long Beach, Calif.

MR. AND MRS. M. P. MOORE

Jouett Observes 82nd Birthday at Dinner at Park

T. H. Jouett of Esteline celebrated his 82nd birthday anniversary Sunday, August 25, with 73 members of his family, including children, grandchildren, and great grandchildren, present for the

birthday dinner which was held at the city park in Memphis.

Mr. Jouett's oldest son took part in World War I and his youngest son and 13 grandchildren were in various branches of the service during World War II. Of this number all are now at home except one grandson who is still overseas. One grandson was killed in action.

Mr. Jouett has 95 children, grandchildren, and great grandchildren.

Baptist W. M. S. Installs Officers In Ceremony Held at Local Church

Incoming officers of the W. M. S. of the First Baptist Church were installed in an impressive service Monday afternoon of this week when members met at the church. Mrs. Lloyd Phillips was in charge of the installation service.

Following the opening prayer led by Rev. Jeff Moore, the following officers were installed: Mrs. Henry Hays, president; Mrs. L. G. Rasco, Mrs. Lynn Jones, Mrs. Earl Pritchett, and Mrs. Frank Smith, vice presidents; Mrs. Frank Ellis, recording secretary; Mrs. Claude Johnson, corresponding secretary and treasurer; Mrs. Jeff Moore, director of music; Mrs. Emma Baskerville, pianist; Mrs. J. H. Smith, young people's secretary. Committee chairmen: Mrs. George Cullin, missions; Mrs. D. A. Grundy, mission study; Mrs. Bud Godfrey, community service; Mrs. Sam Hamilton, periodicals; Mrs. Jeff Moore, education; Mrs. Ed Clark, stewardship; Mrs. D. S. Miller, benevolence; Mrs. O. T. Toney, Bible study; Mrs. Tom Draper, flowers; Mrs. L. O. Dennis, refreshments; Mrs. Lloyd Phillips, year book.

Mrs. Lloyd Phillips and Mr. and Mrs. Weldon Lewis, accompanied by Mrs. J. H. Smith at the piano, sang, "Take Up Thy Cross." Mrs. Bud Godfrey, retiring president, was presented a W. M. S. pen by the society, and Mrs. Hays closed the program with a prayer.

A social hour followed the program. Mrs. Bud Godfrey presided at the punch bowl and was

assisted in serving by Mrs. Johnson.

Attending were Mesdames M. Wyatt, Claud Harris, W. Spruill, T. C. Stevens, L. G. Rasco, Ed Clark, Earl Pritchett, Frank Ellis, Tom Draper, Grundy, O. T. Toney, E. T. Miller, Emma Baskerville, Leonard Lewis, Lynn Jones, L. O. Dennis, Julia Spruill, Bud Godfrey, J. Smith, Lloyd Phillips, Frank Smith, I. P. Hancock, George Cullin, Sam Hamilton, Jeff Moore, Claude Johnson, Weldon Lewis, Lee Thornton, D. S. Miller, Mrs. Billington.

Sewing Club Has Meeting in Home Of Mrs. Stanford

The Friendly Sewing Club met August 21 in the home of Mrs. E. H. Stanford for an all-day meeting. Each member brought covered dish and lunch was served at noon, buffet style. During the day members quilted on the quilt.

Attending were Mr. and Mrs. Dot Webster, Mrs. A. O. Phillips, Mrs. Ann Lewallen, Mrs. A. Phillips, Mrs. John Dunn, Mr. and Mrs. Grover Roden, Mrs. L. Stilwell and daughter Gayle, Larry Simpson, and hostess, Mrs. Stanford.

Meetings were adjourned December.

Now I can bake at a moment's notice!

Bucilla Club Has Meeting in Home Of Mrs. Hampton

The Bucilla Club met Thursday, August 15, in the home of Mrs. T. J. Hampton with Mrs. Pearl Massey as hostess.

A covered dish luncheon was served at noon and Mrs. Henry Scott presided during a short business session. Members devoted the afternoon to doing needlework for the hostess.

Attending were Mesdames Henry Scott, Bess Crump, Brice Webster, W. F. McElreath, Chas. Williams, Viola Wimberly, Earl Pritchett, J. M. Ferrel Jr., R. C. Cummings, T. J. Hampton, and hostess, Mrs. Massey.

The next meeting will be with Mrs. Earl Pritchett September 19.

J. J. Perkins, electrician mate with a submarine division of the navy stationed at New London, Conn., visited in Memphis over the week-end with Mr. and Mrs. O. M. Perkins.

Mrs. G. G. Perkins is visiting this week with her son, John Perkins, in Durham, Okla.

Mr. and Mrs. Ralph Gregg and son of Mangum, Okla., are visiting here with Mrs. Gregg's mother, Mrs. Myrtle Brown.

Mr. and Mrs. Earl Pritchett visited in Wichita Falls Sunday with Mr. Pritchett's sister, Mrs. D. Mosley.

Twenty-Three Ex-Servicemen List Discharges With Hall County Clerk

Registration of discharges and cases to inactive duty showed a steady increase during the past week when a total of 23 ex-servicemen listed their official papers with the Hall County clerk. Officials expressed the belief that the increase was caused partly by need of certified copies, photostatic copies, to accompany the terminal leave pay applications. Those listed were as follows:

Gwendolyn Brewer Shearer, sergeant. Enlisted June 29, 1943, at Dallas. Discharged April 28, 1946, at Philadelphia, Pa. Medal: good conduct.

Robert Lee Galloway, quartermaster third class. Enlisted August 10, 1944, at Camp Wallace. Discharged July 5, 1946, at Camp Wallace. Ribbons: American theater; A-P; medal; victory.

Clifford Leo Jester, machin-

ist's mate, third class, USNR. Enlisted January 1, 1945, at Dallas. Discharged July 17, 1946, at San Diego, Calif. Ribbons: Philippine liberation, A-P, American theater; medal; victory.

Arthur C. Clark, sergeant. Inducted August 3, 1944, at Oklahoma City. Discharged July 31, 1946, at Springfield, Mo. Ribbons: A-P, Philippine liberation, American theater; medals: good conduct, purple heart.

Grady V. Simpson, technician fourth grade. Inducted December 28, 1944, at Dallas. Discharged August 1, 1946, at Fort Sam Houston. Ribbon: American theater; medals: good conduct, victory.

John Loyd Burnett Jr., storekeeper third class, USNR. Enlisted June 12, 1945, at Lubbock. Discharged July 29, 1946, at Nor-

man, Okla. Medal: victory.

Henry Clay Martin, seaman first class. Inducted July 16, 1943, at Wellington. Discharged July 30, 1946, at San Pedro, Calif. Ribbons: A-P, American theater, Philippine liberation; medal; victory.

Arthur W. Gilbert, private first class. Inducted October 25, 1943, at Lubbock. Discharged March 12, 1946, at Fort Sam Houston. Ribbons: EAME, distinguished unit badge; medals: victory, good conduct.

Needom R. Hulen, technician fourth grade. Inducted January 4, 1945, at Oklahoma City, Okla. Discharged August 6, 1946, at Fort Sam Houston. Ribbons: A-P; army of occupation (Japan); medals: victory, good conduct.

David C. Gafford, private first class. Inducted August 1, 1945, at Oklahoma City, Okla. Discharged August 10, 1946, at Fort Sam Houston. Ribbons: army of occupation (Japan); medal; victory.

Benny Gene Godfrey, seaman second class, USNR. Enlisted April 3, 1945, at Memphis. Discharged August 7, 1946, at San Pedro, Calif. Ribbons: A-P, American theater; medal; victory.

Alonzo Jasper Berry, ensign, USNR. Enlisted October 4, 1942, at Austin; commissioned January 23, 1945. To be released from active duty September 2, 1946, at Washington, D. C. Ribbons: American theater; medal; victory.

David N. Medford, corporal. Inducted July 15, 1942, at Lubbock. Discharged November 20, 1945, at Camp Fannin. Ribbons: American theater, A-P, Philippine liberation; medals: good conduct, victory.

Elvin C. Stone, private first class. Inducted January 11, 1943, at Oklahoma City, Okla. Discharged January 24, 1946, at Fort Leavenworth, Kans. Medal: good conduct.

James E. Chappell, first lieutenant. Date of entry on active duty May 19, 1945. Date of relief from active duty July 31, 1946, at Fort Sam Houston. Ribbons: EAME, army of occupation; medal; victory.

Jim L. Stanley, technician fifth grade. Inducted May 2, 1945, at Oklahoma City, Okla. Discharged August 2, 1946, at Fort Sam Houston. Ribbons: A-P, army of occupation (Japan); medal; victory.

Lawrence E. Spannagel, staff sergeant. Inducted September 26, 1943, at Fort Sam Houston. Discharged November 13, 1945, at Fort Bliss. Ribbons: EAME; medals: good conduct, victory.

Robert L. Moss, staff sergeant. Inducted March 15, 1942, at Fort Sill, Okla. Discharged January 8, 1946, at Fort Sam Houston. Ribbons: A-P, American theater, Philippine liberation; medals: victory, good conduct.

John L. Barnes, technician fifth grade. Inducted August 3, 1944, at Oklahoma City, Okla. Discharged August 17, 1946, at Fort Sam Houston. Ribbons: A-P, Philippine liberation, meri-

torious unit award; medals: victory, good conduct.

Chester H. Carson, staff sergeant. Inducted March 20, 1941, at Fort Bliss. Discharged October 29, 1945, at Fort Bliss. Ribbons: EAME; medal: good conduct.

William B. Blackshear, private first class. Inducted June 4, 1945, at Oklahoma City, Okla. Discharged August 12, 1946, at Fort Sam Houston. Medal: victory.

W. P. Baten Jr., first sergeant. Inducted July 10, 1942, at Lubbock. Discharged December 19, 1945, at Fort Bliss. Ribbons: American theater, A-P, Philippine liberation; medals: good conduct, victory.

Milton Cordell Goodpasture, chief commissary steward, USNR. Enlisted November 3, 1942, at Dallas. Discharged October 19, 1945, at Shoemaker, Calif. Ribbon: A-P.

How to Can Pears Told by Specialist

Homemakers planning to can pears from their own orchards should harvest them when they are mature but still green and allow them to ripen in a cool, dark, well-ventilated place. This practice will assure a finer texture in the canned product and will prevent the fruit from having a bitter taste.

Once ripened, the pears must be used immediately or they will quickly become discolored, warns Gwendolyn Jones, food preservation specialist for the A. and M. College extension service. She gives this further advice to the home maker: Since pieces of the pared fruit become discolored so quickly, drop them immediately into a solution made of one gallon of water and two tablespoons each of salt and vinegar. This treatment not only checks discoloration but also prevents loss of vitamin-C.

Complete directions for canning pears can be obtained from local county home demonstration agents or by writing to extension service headquarters at College Station.

Workers To Be—

(Continued from page one)

or must be typewritten. At present the county clerk's office is being rushed with orders for certified copies of discharges from those eligible for the terminal leave pay. Photostatic copies may be ordered thru the Democrat, although three to five days time is required for return of the copies.

The service to the veterans is being sponsored by the city council, the chamber of commerce, and the American Legion auxiliary, and is free to all veterans, regardless of whether they live in Memphis or Hall County, leaders of the program stressed.

PERSONALS

Miss Patsy Goodnight returned home Saturday night after a week's visit in Wichita Falls.

Mrs. Herschel Combs and Patsy and Billy visited in Wellington Saturday with Mrs. Combs' parents, Mr. and Mrs. L. A. Dickey.

Mr. and Mrs. H. H. Newman spent Sunday in Amarillo with their son and daughter-in-law, Mr. and Mrs. Henry B. Newman.

Mrs. George Hammond, Miss Ira Hammond, Mrs. Sidney Mayfield, and Mrs. H. H. Newman were Amarillo visitors Thursday.

Mrs. George Hammond spent the week-end in Amarillo with her son and daughter-in-law, Mr. and Mrs. John Hammond. Sunday the group visited in Portales, N. M., with Mr. and Mrs. Jimmy Hammond and family.

Mrs. Doc Saye and children and Mrs. Grace Sewell visited in Gainesville with relatives over the week-end.

Mrs. Harley Gordon returned to Amarillo Saturday after a visit in Memphis with her parents, Mr. and Mrs. Louie Goffinett. Mr. and Mrs. Goffinett returned home with Mrs. Gordon.

Mr. and Mrs. G. W. Lockhart left this week for Amarillo where they will make their home.

Jerry Doss, a former Memphian recently discharged from the navy, spent the past week visiting in Memphis with friends before going to Quinault, Wash., to live with his parents, Mr. and Mrs. L. L. Doss. Richard Messer accompanied him to Washington.

Mr. and Mrs. T. B. Rogers and family returned home this week after a three-weeks vacation in New Mexico.

Billy Lester and Ted Graham were Wichita Falls visitors last week.

Doyle Sargent visited in Claude from Wednesday until Saturday of last week and attended the rodeo.

Guests in the home of Rev. and Mrs. Jeff Moore Saturday were Mr. and Mrs. J. K. Boone of Amarillo.

Seth Pallmeyer, who has been confined to a local hospital since Monday of last week, is reported

Survivors of—

added, to survivors who have filed claim for lump-sum benefits under the old-age and survivors insurance program on a qualified veteran's account. The new amendment may make them eligible for monthly benefit payment, or it may increase the amount of the lump-sum benefit. In the latter case, they will receive the difference between the lump sum they received and the larger amount they are eligible for under the amendment, if they apply at the office of the social security administration.

"As in the case of all other persons qualified for social security benefits, families of deceased veterans to whom this new section of the law has immediate application should come or write to our office to file their benefit claims as soon as possible," Sanderson said.

New Legislation—

Thank You My Friends

I want to take this means of extending my sincere thanks to all the people who supported me in my race for sheriff. Although I was defeated in last Saturday's election, I appreciate the vote I received.

I especially want to thank those friends who worked so hard in my behalf, especially during that period while I was trying to get a leave to return to Hall County.

I believe that Earl Hill will make us a good sheriff, and I will help him in any way I can when I return to this county.

Thanks again to all you people for what you have done for me.

Local Bus Drivers Of Schools to Get Training in Driving

Dr. L. A. Woods, state superintendent of public instruction, has announced plans for school bus operators schools to be conducted under the supervision of county school superintendents.

Date for the Hall County school has not yet been set, Miss Mary Foreman, county superintendent, said this week. Last year the local drivers attended the Childress County school, and it is probable that a joint institute will be conducted for several counties again this year.

These training institutes are optional one or two day programs and will include discussion of the authority and responsibility in transportation of students, qualifications of school bus operators, first aid and driving procedures for school bus operators, care and maintenance of school bus and discipline of students on the bus.

These institutes are to be a joint project of the state department of education, the department of public safety, and the Texas safety association.

"No person in our school system has a more responsible position than our school bus drivers," Dr. Woods stated in announcing the program. "The fact that 6,100 school bus drivers transport daily to and from school more than one-third of the school children of Texas and the fact that last year eleven children were killed as a result of school bus accidents offer a serious challenge to us to do everything possible to upgrade the driving ability of each of these drivers," he said.

Similar institutes were attended by 5,500 school bus drivers last year. It is hoped by leaders of the program that the county school superintendents will schedule institutes this year so that one hundred per cent attendance will be had.

Plans call for completion of institutes not later than October 15.

H. J. R. No. 62 HOUSE JOINT RESOLUTION

proposing an Amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.

"In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have been received and which have not been used for repurchase of lands as provided herein by the Veteran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period of eight (8) years from the effective date of this Amendment; provided, however, that so much of such

moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment all moneys received by the Veteran's Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.

Six-Inch Sermon

REV. ROBERT H. HARPER

and the Right Use of Property.

Lesson for September 1: Exodus 17:8-13; Proverbs 30:7-9; Matthew 23:33.

Memory Selection: Matthew 6:1-18.

The lesson begins with the law of the stable society cannot be put the safeguarding of a man's property.

Give me neither poverty nor riches (Proverbs) is a wise petition. Answer will give a man enough to satisfy his daily needs and save him from the corroding influence of wealth.

Consider the Lord's attitude toward the use of property. Industry, honesty, but trust God for success. Strengthen our trust, Jesus hides the hidden of the winged creatures of the air and the plants of the field. Birds neither sow nor reap, but feeds them. The lilies are decked more richly than Solomon in all his purple and golden splendor. And will much more clothe you, O ye little faith.

The very hairs of your heads are numbered and God will not give a stone when you ask for bread. Trust him for your daily needs and, by using, so use the things given you when they fall, you may be reared into "everlasting habitations." Jesus would give us the right perspective of life. As in a good picture, chief things should stand out in foreground. We are hidden to first things first in our scheme of life. Seek first the kingdom of God and needful things will be given.

Legal Notice

CITATION BY PUBLICATION THE STATE OF TEXAS
To: James H. Greene, Defendant; Greeting:

You are hereby commanded to appear before the Honorable District Court of Hall County at the Court House thereof, in Memphis, Texas, at or before 10 o'clock a. m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 23rd day of September, A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 8th day of August, A. D. 1946, in this cause, numbered 3004 on the docket of said court, and styled Ida Lyles and L. D. Lyles, Plaintiffs, vs. James H. Greene, Defendant.

A brief statement of the nature of this suit is as follows, to wit: An action for declaration and determination that plaintiff, Ida Lyles, and defendant, James H. Greene were never in fact nor in law married and that the marriage of plaintiffs, Ida Lyles and L. D. Lyles is valid and legal, alleging that the living together of plaintiff, Ida Lyles and defendant, James H. Greene, from the 18th day of December 1925, until about November 1, 1928, under an agreement, promise and representation on the part of James H. Greene to secure and obtain a marriage license and marry the plaintiff, Ida Lyles, in accordance with law under and by virtue of such license; that defendant, failed to marry plaintiff and abandoned and left her and she did not hear of him for more than eight years during which time she lived as a single woman, and thereafter married plaintiff, L. D. Lyles, under the authority of a marriage license issued by proper authorities of the State of Texas, since which time plaintiffs have lived together as husband and wife; as is more fully shown by Plaintiffs' Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
Issued and given under my hand and the Seal of said Court, at office in Memphis, Texas, this 8th day of August, A. D. 1946.
Attest:
ISABELL CYPERT,
Clerk, District Court,
Hall County, Texas.

Legal Notice

CITATION BY PUBLICATION THE STATE OF TEXAS
To: Raymond L. Kirkwood, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 30th day of September, A. D. 1946, at or before 10 o'clock a. m., before the Honorable District Court of Hall County, at the Court House in Memphis, Texas.

Said plaintiff's petition was filed on the 17th day of August, 1946. The file number of said suit being No. 3006. The names of the parties in said suit are Lois Odson Kirkwood as Plaintiff, and Raymond L. Kirkwood as Defendant.

The nature of said suit being substantially as follows, to wit: Petition for divorce upon the grounds of 3 years abandonment with intention of finally separating and living apart from plaintiff.
Issued this the 17th day of August, 1946.
Chickens - Turkeys
Intestinal worms and germs cause most all diseases and loss in egg production. STAR SULPHUR COMPOUND given in water or feed destroys these worms and germs as they enter fowls with feed. Preventing most all diseases. Rids them of blood-sucking lice, mites, fleas, blue-bugs that sap vitality, reduce egg production and kill many baby chicks. Costs very little. Money back if not satisfied. For sale at **DURHAM-JONES PHARMACY**

When Your Back Hurts -

And Your Strength and Energy is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

Milam Grain & Coal Co.

"YOUR PURINA DEALER"

ANNOUNCES A New Service TO POULTRY AND LIVESTOCK FEEDERS

Purina Chows, Purina Sanitation Products, and Purina Farm Supplies now available at our store.

We are pleased to announce that we have been appointed the local authorized Purina Farm Supply dealer. This appointment carries with it the welcome opportunity to serve each farmer in our community personally and to do our share in the growth and development of this entire farm area.

Purina's complete programs of feeding, sanitation, and management have proved their worth to you in the past. Our facilities and those of the Ralston Purina Company are readily available to assist you in the building of a profitable personal program for the future. We are ready and anxious not only to supply your farm needs, but to help you solve any specific poultry and livestock feeding, sanitation and management problems you might have.

Feed Distributor Is Named Custom Mixing Station

Milam Grain and Coal company, local feed distributor, has just been made an approved custom mixing station, according to an announcement just received by them from the Ralston Purina company, St. Louis, Mo.

"We are fully qualified," Clyde Milam, owner, said, "to render the type of custom grinding and mixing service the Ralston Purina company authorizes in the an-

nouncement. We are completely equipped to grind the farmer's own grains and mix with them a balancer that the Purina laboratories and Purina experimental farm have found to be practical and economical. By grinding the farmer's own grains and blending with them the proper Purina balancer, it is possible to increase the return a farmer gets from his livestock in the form of pork, beef, eggs, or milk."

Certain definite standards had to be met before they could become a Purina custom mixing station, according to Milam. "We have been provided with the Purina rations service which entitles us to the help of the Purina laboratories and farm on any special needs of our customers, in addition to having these laboratories provide a complete set of rations made of corn, oats, wheat, barley, rye, sorghum grains, and Purina balancers. As a Purina custom mixing station we send samples of mixtures as made by our grinder and mixer to the Purina analytical laboratory so they can check the efficiency and accuracy of our machinery."

"This arrangement," Milam said, "makes it possible for us to render an unusually high standard of accurate, uniform, and profitable feed mixing service to the farmers in this vicinity—a service particularly adapted to local feeding conditions."

Milam Grain and Coal company will also handle the complete Purina feeds as well as Purina concentrates.

Misses Shirley Ann and Rita Jo Hale returned home Saturday after visiting in Estelline for the past three weeks with their grandmother, Mrs. Maude Chaudoin.

Lakeview Home Ec Officers Elected

Officers for the coming year were selected when members of the Lakeview Home Economics Club held their initial meeting of the school year August 22.

Chosen as president was Bobby Adams; vice president, Ima Ruth Gowdy; secretary and treasurer, Betty Hulsey; reporter, Martha Lollis; and historian, Alene Cunningham. The president appointed committees for the program, yearbook, and scrap-ook of the year.

"We have a larger club this year than last year, and have planned to do a lot this year," members stated. "Not only do we plan work in the class and at the laboratory, but at home and elsewhere. In our next meeting we plan what we want on our programs and what we want to do this year. As usual, we will have our annual mother and daughter banquet. We have a new teacher and sponsor this year, Mrs. Euba Blevins. We hope to have a very successful year."

HARRELL CHAPEL

The ball field has been completed and several games were played last week.

THANKS
For Your Support

Thanks to every one of you who voted for me in last Saturday's election. I was really proud of the vote of confidence which the people of Hall County gave me.

And I especially want to thank my friends who placed the advertisements in the paper, and who took an active part in my candidacy.

Again I want to say that I will do all in my power to make the kind of sheriff the citizens want. I shall devote as much time and effort to protecting the citizens and their homes as I shall put forth in arresting those guilty of crimes.

After I take office, I want every citizen in Hall County to know that I am "your" sheriff, and if I can ever be of service to any of you, please call upon me. A sheriff can do only so much. I will need the cooperation of the citizenship, and at this time I want to ask for this cooperation on your part.

At this time I want to recognize the clean race which my opponent ran.

Thanks again, every one of you for your support. I shall always remember the vote of confidence I received.

EARL E. HILL

Take a Taxi Executive's word for it!

New Silvertowns "Meet Taxi Requirements"

"Rain or shine, year in and out, 24 hours of the day, taxi serve the public," says Mr. Thomas A. Ballantine, President of Yellow Cab, Louisville, Ky. "Safety, dependability, and economy are the watchwords of successful taxi operation. B.F. Goodrich Silvertowns meet these requirements."

For Safety, Economy, and Mileage choose the tire that
OUTWEARS PREWAR TIRES

One of the taxi fleets that tested the new B.F. Goodrich Silvertown before it was offered for public sale was Yellow Cab, Louisville, Ky. In addition, it was tested on police cars and the B.F. Goodrich test fleet over millions of miles in all kinds of weather under severest conditions, and even at high speeds.

All these tests supported Mr. Ballantine's findings that: "... their wider, flatter tread gives our cabs better traction and surer, safer stopping. The stronger cord body means fewer interruptions and service stoppages. And in actual mileage, tests on our fleet prove they OUTWEAR PREWAR TIRES. Because Silvertown

tires cover more ground, our cabs can, too, *without* interruption."

We know you'll want these tires for your car. So to be on the safe side, see us today.
