County Wins Better Methods Plaque

The third consecutive year, county has been chosen by extension office as the most outstanding 4-H Methods Electric program. In recognition of this the county extension office will receive its third plaque, which is provided by Westinghouse Educational foundation.

County extension office related that sixteen 4-H clubs total of 751 members participated in the rural electrification program. The REA superintendent, county agricultural agent and 4-H club leaders assisted in installing electric building pig and chicken pens, and wiring dairy barns and utility houses.

Utility companies, REA representatives, schools and 4-H leaders also assisted in making a new survey of the 1,300 farms in the county to show how many were rural electrified. The shows there are at present houses (including those for labor and renters) using electricity and 497 miles of power lines compared with 600 houses and 4 miles of lines in 1944.

Members of the clubs met in meetings that utilized electricity to operate grinders, milking machines, water warming, frozen food lockers, electric, to supply water for farm and to light farm shops and houses.

Girls reported they were electrically-operated cream separators, clippers, driers, for insect control, dehydrating equipment, as well as machines, sweepers, clocks, stoves, heating pads, irons, brushes and ironing clothes.

Result of educational meetings the REA superintendent, county agricultural agent, boys gained knowledge in re-light fixtures, running shorts in electric wiring.

Stolen Here and Same Day in Hollis, Okla.

Beeson's car was stolen last night of last week, and was located the same evening on a downtown street in Hollis, Okla., according to Earl Hill.

Hill had parked the car in front of Bullard's Tailor Shop, when he returned about twenty minutes later the car was gone. Hill immediately reported the theft to the police, who immediately reported the theft to the police, who immediately reported the theft to the police.

Two Wrecks Near Memphis Over Last Weekend

Two highway accidents occurred near Memphis last Friday and Saturday; one when Herman Chriswell was blinded by a spotlight on an approaching vehicle, and another when a tire blew out on a car driven by Reed Alsbrooks.

The '39 Lincoln Zephyr, driven by Chriswell, overturned about three miles east of Memphis Saturday night. Nine young people were in the car, and they had started from a friend's house east of town to Memphis. All of them suffered minor cuts and bruises, and were taken to a local hospital. They were released after first aid treatments. The car was badly damaged, according to reports.

Chriswell said that he didn't know whether it was a truck or car that blinded him, as it didn't stop.

The right front tire blew out on the 1941 Ford sedan, driven by Reed Alsbrooks, causing the car to swerve off the road and side-swipe trees in front of C. L. Mixon's house about four miles south of Memphis Friday about noon. The right side of the car was badly damaged, but no one was hurt, Alsbrooks said.

There were two in the car with Alsbrooks, Ben Glover of Barry, and George Summers of Abilene. The three men are employed by a construction company in Clarendon. They had started to Farmerville, Alsbrooks' home, when the accident occurred.

Mrs. Alice Cross, Brice Resident, Dies Tuesday

Funeral services for Mrs. Alice Cross of Brice were held Wednesday afternoon at 2 o'clock at the First Baptist Church of Lesley, conducted by Rev. W. T. Goodman. Mrs. Cross died Tuesday in a Memphis hospital.

Interment was in the Citizens Cemetery of Clarendon, with Womack Funeral Home in charge of arrangements.

Mrs. Cross had lived at Brice for the past 37 years, and had been a member of the Baptist church since childhood. She was born June 29, 1868, in Dyer County, Tennessee. She lived in Clarendon for the past 10 years.

CITY COUNCIL PASSES ORDINANCE FOR OPERATION OF CEMETERY

An ordinance has been passed by the city council of Memphis to regulate the operation of Fairview Cemetery, which the city now owns. Two members of the city council are being appointed to supervise the operation, according to D. L. C. Kinard, city secretary.

Some of the regulations are reviewed here.

Under the new regulations, the gates of the cemetery will open at 7 a. m. and will close at 6 p. m., or at sundown, and no one will be allowed within the grounds before opening or after closing time.

PCA Has Meeting Monday, Names Officials, Sets Goals

Three hundred and seventy-five PCA stockholders, their wives and guests, met at the Memphis High School auditorium Monday morning to review accomplishments for the year, elect officers, and set goals and programs for 1947.

Two directors and a nominating committee were elected Monday.

S. J. Jolly of Paducah and J. C. Franks of Matador were elected directors. Jolly, who has operated an 837-acre stock farm in Cottle County for 36 years, was re-elected to serve for a three-year term. Franks, who operates a 790-acre stock farm in Motley County, was elected to serve the two-year unexpired term of R. O. Ross of Flomot, resigned.

More Calf Show Plans Are Given

Calf Show Prizes Increased to \$500

At a meeting of the chamber of commerce committee in charge of arrangements for the annual calf show, it was decided to raise the prize money from \$350 to \$500, and the change was approved by the board of directors, according to an announcement by James F. Smith, chamber of commerce president.

This money will be added to various class prizes, the committee said, and a new award has been added: Showmanship. This award will carry a first prize of \$15 and a second prize of \$10, and judging will be on such things as handling of calf at the auction, care of the animal, and general participation attitude, the committee said.

Campaign to Raise Girl Scout Funds To Be Conducted

A drive to raise money to meet the budget for the five troops of the local Girl Scout organization will begin next week, James F. Smith, president of the Girl Scout council, announced this week.

Part of the funds raised will be used to defray local expenses and part to aid in paying the district executive officer's salary, O. R. Saye, finance chairman, stated.

The Girl Scout organization here was started about two years ago, when two troops, one senior troop and one Brownie troop, were formed. Since that time, the (Continued on page 4)

Former Lakeview Resident Dies At Littlefield

Funeral rites for Charley Wallace, former resident of Lakeview, were held at 3 o'clock last Thursday afternoon at the Church of Christ in Littlefield.

City Re-Opens Bids For New Fire Truck

Only one company has submitted bids on a new fire truck, and the city council, at a meeting Tuesday night, moved to re-advertise for bids, the closing date on receiving bids being set up to March 4.

Bid specifications call for a two-ton Chevrolet or Ford chassis, and a 500-gallon tank capacity, with all hand tools, pump, and equipment complete.

M. C. Allen, manager of the Memphis Compress, offered to buy the old fire truck which is being replaced, and his bid was accepted by the council. The truck will be delivered to him when the city gets the new truck, council members said.

CLAUDE'S COMMENTS

By J. C. W.

John Snider, the barbecue king of America, with headquarters in Amarillo, continues to improve his technique with each serving. Monday at noon several hundred Memphis Production Credit association officials and members with their families and several visitors like myself partook of the Snider barbecue and all declared the meal the best ever. Snider, back at the turn of the century, was a cowboy on the Z-Lightning ranch a few miles east of Memphis, and made a flashing figure on horseback, dressed in cowboy regalia, topped with the proverbial 10-gallon hat and rattling spurs. He later went to Amarillo and served for years on the police force as a cop and then as chief of police. John's wife died last year. She was always at his side in preparing and serving barbecue, and she was missed here Monday by the many who attended last year's (Continued on page 4)

Memphians Attend Former Lakeview Relative's Funeral

(Continued from page 1)

Clem B. Gilliam, well-known Dimmitt farmer and stockman, and brother-in-law of Mrs. O. V. Alexander of Memphis, was killed instantly Tuesday when his horse stumbled while cutting cattle on the Gilliam farm, four miles east of Dimmitt.

The stockman had lived in Castro County since 1917. He was born in Gainesville, and lived in Rannels County before moving to the Plains.

Funeral services were held at 3:30 o'clock Wednesday afternoon in the Methodist church at Dimmitt. Rev. Hugh S. Sherrell, pastor, officiated. Mr. and Mrs. O. V. Alexander attended the services.

Surviving are the widow, Mrs. Zula Wood Gilliam; the mother, Mrs. Luella Gilliam of Tulsa; five brothers, C. E. Gilliam, Big Spring, R. A. Gilliam, San Angelo, Carl Gilliam, Lubbock, and Roy and Nolan Gilliam, Junction; a foster son, John Hardy Wood,

Jess and Charlie Jr., both of Littlefield; Meral of Oklahoma City, and Carl of Cleburne; three daughters, Mrs. Hari Draper of Corpus Christi, Mrs. W. D. Murphy of Levelland, and Mrs. E. H. Tittle of Littlefield; a sister, Mrs. Cassie Campbell of Wetunka, Okla.; a brother, Marcus Wallace of Danville, Ark.; 26 grandchildren and 10 great grandchildren. Pallbearers were J. W. Hatcher, Jim Spurling, P. Smith, Messrs. Woods, Grisley, and Redman.

Among those attending the funeral services were D. E. and Sid Wallace of Dalhart, Mr. and Mrs. H. R. Wallace of Spade, Ike Wallace of Lorenzo, Mr. and Mrs. W. W. Paschall and son M. W. Jr. and Dollie Wallace, of Memphis.

Dimmitt; and two sisters, Mrs. Gertrude Oetken, Merced, Calif., and Mrs. Vera Allen, Tulsa.

Burial was in the Dimmitt cemetery under direction of the Black Funeral Home of Hereford.

they loaned money.

Tumlinson said that as long as the stockholders turned out in such force for the annual meetings and worked with the directors in the business of the organization and carefully selected their officials, there was no need to worry about the future of PCA.

Before the business session opened Weldon Lewis of the Baptist church, assisted at the piano by Betty Solomon, led the group in singing, and Rev. Aubrey C. Haynes gave the invocation.

After the business meeting stockholders and guests attended a John Snider barbecue, which was served in the high school gym.

At a meeting held Tuesday morning at the PCA office, the following officers were elected: R. B. McMurry of Memphis, president; Otis Wilson of Quitaque, vice president; Don Wright of Memphis, secretary-treasurer; J. A. Odum Jr. and Willie Isham, both of Memphis, were elected assistants to the secretary-treasurer.

S. M. Jolly and Otis Wilson were named on the executive committee, with Tom B. Berry named as regular alternate, and J. C. Franks and R. B. McMurry named as alternates.

Otis Wilson was named chairman of the financial and membership committee, and others named to the committee were R. B. McMurry, S. M. Jolly, J. C. Franks, and Tom B. Berry.

of the defendants have pled guilty and paid fines. The other six have not been closed as yet. There are also four cases that are still at large. Bad checks that have been given vary in amounts from \$1 to \$20.

Hill also asked that anyone receiving worthless checks to turn them in to the sheriff's office as soon as they get them back from the bank. He said that most of the people passing "hot checks" leave town after giving them, and prompt reports will save the personnel of the sheriff's office a lot of time and trouble in catching the offenders.

ers Association. A long article concerning Education Week in Memphis, written by Supt. W. C. Davis appeared in the recent issue of the Outlook embellished with a half page cut of children taking part in an Education Week rally. The Texas Outlook goes into the hands of every teacher in Texas, some two or three hundred thousand, and also into every school library in the nation. Some mighty fine publicity for Memphis and Hall County!

Last fall, predictions were rife that a depression was in the offing, and people were told that prices were on the decline, and as a result, buying was curtailed to some extent. I believe people should be careful about buying, especially those things that can be done without—this in order that money may be saved to buy the things we need and want. On the other hand, a healthy market and sane spending should keep down inflation and at the same time keep the wheels of commerce going.

In reviewing the trends of the present time, I find that business is in a healthy condition, even if prices are higher than it looks like they ought to be. Analysts (those fellows who study trends and have facts and figures at their finger tips) are optimistic over the business outlook for 1947. They think that this year will be a good one for all lines of endeavor. They admit prices are high, but on the other hand think the high cost of labor and higher freight rates (which took a big jump first of the year) enter into the price of commodities, all of which should be taken into consideration by the public. All in all, it resolves itself into the question of a maintained higher price level than during the years preceding the war. The law of supply and demand continues. Some staple goods have declined while others have advanced. Some prices here and there will go down, and other prices will go up. Sensible buying and selling will do much toward keeping the wheels of commerce going for the good of all concerned.

City Council—

lots and graves should be requested of the superintendent, and if granted will be charged for at fixed prices.

The city reserves the right to refuse any portion of ground for use by any specific person or persons, and the right to remove any plant, tree or shrub should the same become detrimental or unsightly.

Monument dealers must get a written order from the lot owner and the city must be given size, description and material before permit is given and before lettering, in order to be sure that the monument or marker can be used on the particular lot.

Five acres of Fairview Cemetery are designated as "Lawn Section," and additional regulations are to be observed here. These regulations mainly concern walks, fences, markers, and enclosures.

Since the city landscapes the cemetery as a whole, individual planting is unnecessary. Request should first be made before doing any planting. This does not, however, prevent placing of cut flowers in temporary containers on graves.

No lot or grave will be allowed to be raised above the established grade. No fencing, or enclosure of any nature will be allowed upon lots or graves, except corner stones, for lots which must be level with the ground and made of unpolished granite or marble to replace markers placed by the city.

Lakeview Wins From Lions Cagers In Final Minutes

Memphis Lions lost a close contest to the Lakeview All-Star cagers last Thursday night, the ending tally being 25 to 22. In the last quarter, while Lakeview had a three-point lead, Coppedge threw one half the court length to a man spotted under the basket, and McCulloch made a free throw, to bring the score to 22-22. Then in the final minutes a Lakeview field goal and free throw gave them a three-point edge as the whistle blew.

Memphis led at the end of the first quarter 7-6; Lakeview led at the half 14-11; and Lakeview had a one point lead of 19-18 at the end of the third period.

McCulloch and Coppedge, with 5 points each, led the scoring. Other Lions players were Davis, Snooze, Clark, Kelley, and Hayden.

Hatley led Lakeview scoring with 16 points; Scott followed with 7. Other All-Stars were Watson, Denton, Walls, Jester, and Hughes.

In the last encounter between the two teams, at Lakeview, Memphis lost 34-64. In that game Memphis high pointers were Edmondson with 10 points, and Kelley with 8. Clark and Davis had 6 points each. Lakeview high point men in that game were Watson with 18, and Hatley with 15.

Memphis had won the previous Lions-All-Star game played on the home court.

GIRL SCOUT NEWS

Brownie Troop No. 6 of the Memphis Girl Scouts recently received a letter from a Girl Scout in Greece thanking them for a "friendship bag" which she had received. This was one of the bags sent overseas by local Girl Scouts several months ago. The bags contained such items as buttons, soap, wash cloths, candy, etc.

I, with great pleasure, received your packet for which I thank you very much. I more yet thank you for the good contents so useful to us, also for the enclosed letter as it was for all my sisters, conductors. One address, one name, and two or three words from you and such a one I was expecting also. Meanwhile you imagine the difficult position you brought me when I saw a paper full of names. I didn't know what to suppose but as I think the names were those of a whole party.

I, as chief conductor, decided to write to the first as I suppose that she will be also the chief-conductor, with the request to give the others my compliments. And if they will they can correspond with me to the same address. Believe me that my joy will be great if our corresponding shall be quick as possible that we make the acquaintance. My residence is Thessalonis of Greece. I am chief conductor of the First Party and pupil of the 5th class of gymnasium.

I close my letter leaving to come again when I shall receive your letter and you will desire to learn about the Greek young women. Thanking you again for the gift you have had the pleasure to send us. I am, dear colleague, Sincerely yours, Sultana Papayannaui.

February is International Month in Girl Scouting--Scouts all over the world will study the lives and work of Lord Baden Powell, who founded the Boy Scouts, and his wife, who founded the Girl Guides, and of Juliette Low, who brought the Girl Guide organization to America under the name of Girl Scouts. Each Girl Scout troop all over the world will raise a Juliette Low fund by the earning or saving of

each girl the amount of pennies corresponding with her age. A Juliette Low chairman will be appointed by each troop and assigned the duty of collecting this fund. Money obtained through this fund will be pooled and used to send Girl Scouts from America to the Girl Scout chalet, donated by Mrs. James J. Storrow of Boston, and located in Eggetli, Abellboden, Switzerland.

Scouts of Troop No. 2 will soon have a court of awards to receive their second class. Miss Leona McCraw is leader of this troop and Mrs. J. J. McDaniel is assistant leader.

Brownie Troop No. 3 presented a program at the Lions Club meeting Wednesday.

Mr. and Mrs. W. C. Foote, J. O. Foote, and Billy Clyde Robertson were visitors in Petersburg Sunday.

Joe Britton, Weldon Herndon, and Frank Lesley of Bonham visited in the W. E. Beckham home Tuesday. They were en route to New Mexico.

Junior High News

By SCHOOL REPORTER The sixth and seventh grades have been engaged in our annual magazine subscription campaign. Section 63, with Mrs. Hall as their home room teacher will enjoy a Valentine treat Friday as an award for having the highest total sales for the entire campaign. Rayford Hutcherson was high salesman. We greatly appreciate the courtesy and cooperation shown these young salesmen and sales ladies in their efforts to secure your subscriptions. The money will be used to purchase books, playground equipment, and other things needed to make the pupils' work at Junior High more profitable and more enjoyable.

Pupils of Sections 61 and 63, under the direction of their home room teachers, Mrs. Hall and Miss Kinard, will present a playlet, "Abe Lincoln and Little Joe," one day next week for the student body and any interested parents and friends.

Max Kennedy, Mackie Allen, Davie Corley, Gayle Monzingo, Bobby Dick Hueherson, Charles Messer, Jackie Gilbert, Gus Orcutt, and Rayford Hutcherson had the thrill of having their pictures made last week as members of the football team of 1951.

About forty new books have been placed in the library this week.

Article by Davis Is in February "Texas Outlook"

"The Texas Outlook," official publication of the Texas State Teachers Association, featured an article by W. C. Davis, school superintendent, in the February issue. The article, "Wake Up, Business Men!" was run in the January issue of "Parent-Teacher," and The Democrat carried a reprint in full in its issue of January 16.

The article in "The Texas Outlook" was accompanied by a picture of the Memphis school band and a choral group which took part in the "Education Week" program in Memphis which was the theme of the article.

Seed Testing Lab No Longer Operates At Texas Tech

Seed samples which have been pouring in to the Texas Technological College department of plant industry are being returned to farmers and seedsmen with the explanation that the department is not equipped to test them, according to a school news release.

The branch seed testing laboratory, operated at the college by the state department of agriculture, was closed last October due to lack of trained personnel.

It has been suggested that farmers and seed dealers who feel a serious need for a free seed testing laboratory in this area write their state senators and representatives urging that adequate financial provision be made for their work, the report said, so that well trained personnel can again be found to conduct the tests.

Everyone wants his past forgotten and his present remembered.

Dave Price Jr. arrived home this week after taking a two weeks cruise on the heavy cruiser, USS Macon, to Colon and Panama City, Panama, and Cuba.

Dave was in the navy during the war and served aboard the LSM 175 in the Pacific. Upon his discharge from the navy last June he joined the Navy Reserve Corps. A reservist is allowed a training cruise once a year with the same rating and pay that he held before his discharge from active duty, if he wants one, and the navy needs him.

Dave decided he wanted to see what the peacetime navy was like. He reported that he had rather remain a civilian.

Baptist Adults Will Have Banquet and Program Friday

A program and banquet will be held for adult members and associate members of the First Baptist Church of Memphis Friday evening at 7:30 at the church, it was announced.

The program, to center around the Valentine theme, will begin after the banquet and will feature a sing-song, a quiz program, a panomime on "The Revolution of Romance," and an inspirational message by Rev. C. R. Tension, church officials announced.

ESTELLINE

By MRS. FRED BERRY

Mrs. Lillie Bagwell is visiting in South Texas this week.

Mrs. M. E. Chandler was called to Waco Sunday to be with her sister who is seriously ill.

Mrs. Bernice Powers of Brownfield is here visiting her mother, Mrs. T. D. Gee.

J. L. Marcum has returned from a trip to Alabama where he visited relatives.

M. F. Chandler visited his son in Florida last week.

Mrs. Cliff Young of Fort Worth spent last week-end here with her parents, Mr. and Mrs. Bill Holland.

Mrs. R. H. Whaley was brought to her home last week after spending six weeks in a Quannah hospital.

Mr. and Mrs. E. Garner and children of Amarillo spent Sunday here in the home of her parents, Mr. and Mrs. Edd Leary.

Mrs. Meldon Couch of Tampico, who underwent an operation in a Memphis hospital, was taken to her home last week. Her mother, Mrs. Nellie Curtis, is spending this week with her.

Those from Memphis attending the 38th annual convention of the Panhandle Hardware and Implement Association in Amarillo the first of this week were: Mr. and Mrs. T. M. Harrison, Carl Harrison, Mrs. S. T. Harrison, Edwin Thompson Sr., Edwin Thompson Jr., Mr. and Mrs. Billy Thompson, Mr. and Mrs. George Carter, and Mr. and Mrs. Dean Mørgensen.

Dairy cows should have plenty of roughage from now until grass comes on again.

NTSC Research on Anti-Tubercular Compounds

As a result of recent research at North Texas State College, insecticides which mean death to insects may bring new hope to tuberculous patients, according to Dr. Price Truitt of the chemistry department.

This research, which was made possible by funds taken from a legislative grant of \$15,000 made in 1945, was carried on by Marjorie Mattison, Fort Worth student, and Eugene Richardson of Gainesville, under the direction of

Dr. Truitt.

Although the compounds which resulted from the research have been proven death to insects, the possibility that they have anti-tubercular properties arose because of the structural likeness of the compounds they had made, to those compounds which are known to have anti-tubercular properties, according to Truitt. For this reason, Parke, Davis and Company of Detroit is testing the new insecticides for the possibility of such properties.

it wouldn't be TEXAS...

...without the ALAMO!

No, Texas wouldn't be the same without the Alamo, the Texas Rangers, or the natural gas industry. The Alamo commemorates the brave and brilliant past... the Rangers symbolize the orderly life of the present... the gas industry reflects the natural wealth of the state—now and for the future.

Every cubic foot of natural gas produced in Texas contributes in one way or another to the welfare and well-being of every Texas citizen. It pays royalties to land-owners. It pays taxes to the support of city, county and state. It provides jobs and payrolls that ring cash registers in nearly every business in the state. It provides fuel for thousands of industries which, in turn, pay more taxes, employ more workers, and turn more money into their respective cities and towns. Indeed, it wouldn't be Texas... without the natural gas industry.

Mrs. McElreath Reviews Book at Pathfinders Meet

The Pathfinders Council met in regular session Tuesday afternoon in the home of Mrs. Ernest Lee.

Mrs. W. F. McElreath reviewed "The Dark Wood" by Christine Weston. This is the moving and sympathetic story of a young war-widow who encountered a man so like her dead husband that she transferred her affections to him in a kind of fixation, thus involving the principal characters of the novel in many arresting emotional situations and problems. "The Dark Wood" is a novel of present day and is of special importance and interest in post-war psychological adjustments, it was pointed out.

Mrs. Earl Pritchett, president, presided during the business discussion. The president-elect named the committees for the coming year at this time.

Refreshments were served to Mesdames A. O. Gidden, Barney Burnett, J. J. McDaniel, Earl Pritchett, Chas. Williams, Anna Dickson, Authur Gidden, W. P. McElreath; two guests, Mrs. Bass and Mrs. Roy Guthrie; and the hostess.

The next meeting will be held February 25 in the home of Mrs. Authur Gidden.

U. D. C. Meets In Goodall Home

Mrs. O. R. Goodall and Mrs. Frank Wright were joint hostesses for the February meeting of the Winnie Davis Chapter of the United Daughters of Confederacy. The meeting was in the Goodall home and 11 members and 5 guests were in attendance.

At the conclusion of the business discussion, Mrs. Claud Johnson, Mrs. J. H. Norman, Mrs. J. A. Odum, Mrs. Joe DeBerry, and Mrs. Emma Baskerville gave a memorial service in memory of Mrs. J. A. Whaley and Mrs. George Sexauer, who were members of the chapter.

During the social hour, the hostesses served a salad course.

Guests attending were Mrs. R. L. Madden, Mrs. Reese, Mrs. West, Mrs. Moreman, and Mrs. T. E. Whaley.

Katherine Toner To Carry on Family Name

Mrs. Clyde F. Milam and Mrs. J. W. Stokes returned home Tuesday after visiting for seven weeks at Paso Robles, Calif., with their daughter and granddaughter, Mrs. Frank Toner and family.

The following excerpt, concerning Mr. and Mrs. Milam's new granddaughter, Sandra Katherine Toner, was taken from the February 7 issue of the Paso Robles Press:

"It may still be a confusing world to little Sandra Katherine Toner who was born in Atascadero hospital on Christmas Day, but there's one thing she can be sure of—that the name Katherine really belongs to her.

"Beginning the line of Katherines in the family is her maternal grandmother, Mrs. Clyde Milam of Memphis. Next is the baby's mother, Mrs. Frank Toner. Her dad was born in St. Catherine's hospital in Omaha, Nebr. To

complete the story, the baby was brought into the world by Dr. Edward Blair, whose wife's name happens to be Catherine. (Spell it with a C or a K—it all adds up to coincidence!)

"The young lady was christened by Rt. Rev. Michael Sullivan with Miss Elizabeth Berry acting as great Godmother just a month from her birthday, January 25, at St. Rose church."

Mr. Toner, who is with the Bank of America, received a promotion January 1 and he and Mrs. Toner and small daughter have recently moved to Hollister, Calif. Mr. Toner will receive a year's training there in the loan department.

Locals and Personals

Miss Betty Jo Mitchell, who recently graduated from the John Sealy Nursing School of Galveston, is visiting here with her parents, Mr. and Mrs. J. R. Mitchell.

Mrs. Marion Long returned home Sunday after visiting with her grandparents in Hugo, Okla., and with other relatives at Grant and Paris for the past week.

To My Valentine

THE FIRST valentine in history was probably carved out of stone by a pre-historic cave man and delivered to his cave girl.

100 YEARS ago a popular valentine contained a mirror in which a flattered young lady saw herself as someone's heart's desire.

IN EARLY England St. Valentine's Eve was similar to our present-day Halloween. After supper groups of children sang songs beneath windows for cakes and candies.

TODAY'S valentines are designed for everyone, young and old, sweethearts and friends—and even brothers and sisters. Sentiments range from "I love you" to "you're just plain swell."

Shamrock Wins From Cyclone

Memphis lost two basketball games to the Irish of Shamrock at gym Tuesday night. The Cyclone took the A game 47 to 35. The pre-freshmen game game Memphis took the B to 19.

The A game was all the way. Shamrock recoveries and all score brought the score to 12-8, second 10, third quarter 38-14. Close was high point the Irish with 21; Memphis with 8.

Rasco, Hickey, and lied 4 points each for the B game.

The B game found looking good the first the Cyclone gradually momentum. Memphis at the quarter, 10-15. Then the home team for the first time in of the third quarter 18-17. Memphis looked last quarter, when the field goals and free 26 to 19 ending score.

Gardner was high for Memphis with 9 followed by Carl Morris and Green and Miller.

Hale was high for the 6, followed by Worley. The pre-freshmen Memphis out-matched played by the larger First quarter ended 17-8, third 24-11, and ended 34-14.

Grundy was high for with 10 points; Harrow for Shamrock with 15.

Cyclone Edges Bronc Bouts 6-5

The Cyclone boxers met the Clarendon Broncs Friday night, taking 6 of 11 well-matched bouts in Clarendon's Pastime Theater.

There were two knockouts, one for Clarendon and one for Memphis. The first came in the second round of the ninth fight when Clarendon out-slugged Billington and drove him to the floor in the first part of the round. Both boys had hard rights and it looked like anyone's fight in the first round.

The second K. O. came in the second round of the last fight of the evening when J. D. Ackard of Memphis, 150, sent a hard right to the body of Baker, 152, and laid him out for the count. Neither showed much style in the first round, and it was a matter of taking and giving hard rights and lefts to the head. Ackard seemed in better shape than Baker and he had him showing signs of weakening by the end of the first. In the latter part of the second Baker let go with the crucial right to the body and Baker went down.

First fight was Damon Welch of Memphis and Filly of Clarendon, both 80 pounders. The boys were well-matched, but Welch, who has improved considerably since his fight with Wellington here, out-manuevered Filly for three rounds and kept a hard, straight left in Filly's face to win the decision.

Second fight: Billy Adams, 85, and Memphis' Peanut Pierce, 82. Pierce did his best fighting in close, but seemed unable to connect any good punches away from Adams, who soon felt out Pierce and shot repeated hard lefts and rights to the head and getting away before Peanut could get in close to deliver his blows. Adams won the decision.

Third fight: Cofer—95, Memphis; Morris—95, Clarendon. Both boys came out slugging and throwing wild punches. Cofer soon felt Morris out and started throwing cool, deliberate punches that began to tell on Morris in the second round, and Cofer took the decision.

Fourth fight: Elmo Sams—110, Memphis; Joe Stewart—110, Clarendon. These two boys had met before at Amarillo Golden Gloves tournament, where Sams won. The first round was about a draw, but Sams began to get in more blows in the second, and in the third round, Sams took the offensive and out-manuevered Stewart to win the decision.

Fifth fight: Stephens—105, Memphis; McGuire—105, Clarendon. The bout started off as another slugging contest, but Stephens shot a hard left to McGuire's nose, which had him bleeding badly, before charging in to win the decision.

Sixth bout: Ernest Gilchrist—105, Memphis; Carlolle—125, Clarendon. This was Gilchrist's first fight, and he didn't show much form until the third round. Carlolle took the decision.

Seventh bout: Ray Grimes—125, Memphis; Littlefield—125, Clarendon. Grimes, who usually gives himself out in the first round and still wins his fights, changed his tactics a little to slug only when there was an opening. In the third round, however, he reverted to his "first round style" to take the decision.

Eighth bout: Ackard—135, Memphis; Mays—135, Clarendon. Ackard was game and courageous, but he was out-matched and lost the decision to Mays.

Tenth bout: Bob Ellis—142, Memphis; Odell Lagroan—142, Clarendon. Another slugging match, with Ellis and his peculiar style on the losing end.

Study Club in Home of M. Harrison

Members of the "Scientific Improvement" Study Club Wednesday afternoon met in the home of Mrs. M. Harrison. The club is composed of interested members of the community. The meeting was held in the home of Mrs. Harrison. The club is composed of interested members of the community. The meeting was held in the home of Mrs. Harrison.

Dinner Sunday Marks Birthday

Mrs. Elma Faye Murdock was the guest of honor for dinner Sunday in the home of her parents, Mr. and Mrs. J. E. Gardenhire. The occasion was Mrs. Murdock's birthday anniversary. Attending were Mr. and Mrs. Edwin Gilliam, Barney Bernard, Mrs. Louise Gardner, Louis Kilgore, Mrs. Elma Faye Murdock, and the host, Mr. and Mrs. Gardenhire.

Quilting Honors Mrs. E. C. Barnett

Friends named Mrs. E. C. Barnett Sr. guest of honor at a quilting given Friday of last week in the Barnett home. The occasion was Mrs. Barnett's 61st birthday anniversary.

Those attending reported that an enjoyable time was had by all present and that one quilt was quilted during the day.

Present were Mesdames E. C. Barnett Jr., Robert Barnett, Marion Wiley, R. A. Davis, Burnice Davis, M. M. Sherley, and little Misses Patsy Reed and Jo Marie Barnett, and J. C. Barnett.

He may be a dude before he is married, but afterwards he's subdued.

Mrs. Billie Lewis And John Hudman Wed at Tahoka

Mr. and Mrs. H. Byrd of Memphis announce the marriage of their daughter, Mrs. Billie Lewis, to John Hudman of Tahoka. Rev. Levi Price, pastor of the First Baptist Church, read the double-ring ceremony in the home of Mrs. Irene Gallagher of Tahoka Wednesday of last week.

Mrs. Irene Gallagher served as matron of honor and G. W. Sharp was best man.

The bride wore a brown crepe suit with matching accessories. Her corsage was of white orchids. Immediately following the ceremony, a reception was held in the Gallagher home. Present were Mr. and Mrs. Carl Griffing, Carl Griffing Jr., Truett Smith, Mrs. Gladys Stokes, Charles Nelms, John Wells, and G. W. Sharp. The bride's parents, Mr. and Mrs. Byrd, were unable to attend.

The bride has been making her home in Tahoka for the past 18 months where she was employed in the office of Carl Griffing. Although she has never lived in Memphis, she has visited here a number of times with her parents and is known by a number of people here.

Mr. Hudman has been in the real estate business in Tahoka for several years except for the time he recently spent in the army.

Following a wedding trip to points in New Mexico and Colorado, the couple will be at home in Denver.

Leona McCray, teacher in the West Ward school, spent the past week-end in Hedley with Mr. and Mrs. H. C. Shaw.

Mr. and Mrs. Sam Adams of Cone, Mr. and Mrs. James Adams and son of Lubbock were Sunday visitors in the home of Mr. and Mrs. E. C. Barnett Sr. of Lakeview.

MRS. T. R. BLADES

Mrs. T. R. Blades, Pioneer Resident, Celebrates 83rd Birthday January 26

Mrs. T. R. Blades, a resident of Hall County for more than 40 years, celebrated the anniversary of her 83rd birthday Sunday, January 26, at her home, 203 North 14th street, Memphis.

Mrs. Blades is the mother of six children, all of whom were present for the birthday celebration. In addition to the six children, she has 35 grandchildren and 41 great grandchildren.

Mrs. Blades was born in Hamilton, Mo., where she grew to young womanhood. In August, 1884, she was married to Thomas Ranson Blades, and in 1903 they moved to Hereford. After living there a short time they moved to Memphis to make their home. Mr. Blades died in 1933.

Children present included Mrs. A. B. Jones, Memphis; Mr. and Mrs. B. H. Blades, Springer, N. M.; Mr. and Mrs. E. T. Blades, Rush Springs, Okla.; Mr. and Mrs. L. D. Blades, Hartley; Mrs. J. L. Souder Sr., Wellington; and Mr. and Mrs. W. M. Blades, Wellington.

Grandchildren and great grandchildren attending were Mr. and Mrs. Haynes Wells and children, Plainville; Mr. and Mrs. Lloyd Ward and daughter, Memphis; Mrs. Roy Roberts and children, Wellington; Mr. and Mrs. J. L. Souder Jr. and daughter, Wellington; Mr. and Mrs. Thomas Blades, Wellington; Mr. and Mrs. Elvis Pitts, Wellington; Mr. and Mrs. Floyd Blades and family, Rush Springs, Okla.; Alice Pearl Blades, Hartley; Betty, Ann, Perry, Tommie, Connie, and Joyce

Dinner Club Meets In Ferrel Home

Mr. and Mrs. J. M. Ferrel Jr. were hosts to members of the Thursday Night Dinner Club Thursday night of last week at their home, 711 North 10th street. Following a chicken dinner, members and guests enjoyed playing games of 42.

Attending were Mr. and Gip McMurry, Mrs. Glen Carlos, and Mrs. Viola Wimberly, guests; Mr. and Mrs. Charley Williams, Mr. and Mrs. B. B. McMillian, Mr. and Mrs. T. D. Weatherby, and the hosts, Mr. and Mrs. Ferrel.

The next meeting is slated for March 6 in the home of Mr. and Mrs. J. J. McDaniel.

Gordon Gilliam Entertain Friends

Mr. and Mrs. Gordon S. Gilliam entertained friends informally in their home last Friday evening. At the close of the games of 42, a dainty refreshment plate was served.

Guests were Mr. and Mrs. T. O. Pounds, Mr. and Mrs. A. O. Costanzo, Mr. and Mrs. Edwin Gilliam, L. F. Jones, Louise Gardner, and hosts, Mr. and Mrs. Gilliam.

A number of friends called in the afternoon.

Sewing Club Has Meeting in Home of Mrs. J. T. Nelson

The Friendly Sewing Club met Wednesday of last week in the home of Mrs. J. J. Nelson. Those present spent the afternoon quilting and sewing for the hostess.

During the tea hour Mrs. Nelson, assisted by Mrs. Elam Orcutt, served a delicious refreshment plate to 12 members.

Enjoying this occasion were Mesdames John Dunn, Jim Webster, A. O. Phillips, John Barber, L. A. Stilwell, W. E. Beckham, E. H. Stanford, Dot Webster, Elam Orcutt, Alvin Phillips, Joyce Webster and baby Mike, Larry Simpson, and hostess, Mrs. Nelson.

The club will meet in the home of Mrs. A. O. Phillips February 19.

Mrs. J. E. Meadows, Recent Bride, Is Honored at Shower

Friends entertained Wednesday afternoon of last week at the Parnell church with a miscellaneous bridal shower to honor Mrs. J. E. Meadows, who was before her recent marriage Miss Alta Mae Kindrick.

Serving as hostesses were Mesdames John Berryman, Ruth Wyrick, Bruce Damron, Zack Hood, Crump Ferrel, Carl Hill, Henry McCuiston, and Mary Weatherly.

The honoree received a nice assortment of useful gifts which she opened and displayed for the group. Delicious refreshments were served to 33 guests.

February 9-15 Named "National Heart Week"

"One of the major health problems today is heart disease," the Memphis chamber of commerce health committee said in a statement calling attention to National Heart Week, February 9 to 15.

"Statistics prepared by the American Heart Association show that more than half a million persons die each year in the United States of diseases of the heart and blood vessels."

"It is estimated that about 3,700,000 Americans are victims of heart disease, and that another 3,700,000 have arteriosclerosis and high blood pressure. Deaths from diseases of the heart and blood vessels are greater than those of the five other leading causes of death combined.

"American Heart Association figures show that one out of every two deaths after the age

of 45 is caused by heart disease and that heart disease is the leading fatal disease among children between the ages of 10 and 15. Rheumatic fever causes 40 per cent of all heart disease at all ages, and 90 per cent of all heart disease in children.

"The American Heart Association states that thousands of deaths caused by heart disease are preventable, and that medical science is making progress in the care, prevention, and treatment of heart disease. Many persons with heart disease are living as long as they could reasonably expect to live without heart disease, and many have a chance for complete recovery.

"The American Heart Association program directed against heart disease and rheumatic fever calls for extensive research, post-graduate medical training of physicians, and other activities necessary for the prevention, discovery, and treatment of heart disease."

Dub Bragg, student of WTSC, visited his parents, Mr. and Mrs. Bill Bragg, over the week-end.

The Bookshelf

"Southwestern Crop and Stock," a new magazine published in Lubbock, has delivered its second issue, and it is apparent that some improvements have been made. The format is a little better, the cover is good, but the pages could stand quite a bit of dressing up for "readability." The page make-up, head type and style tends to be static and too squarely balanced for eye-catching interest. One page tends to be like another in this respect.

A couple of able contributing writers have been added in W. J. Dryden and Vicki Martin, who serve on other staffs, and more material is offered by Laura Lane, the former "Extensioner" editor who went to "Country Gentlemen."

The advertising situation seems to be good for a new regional publication, some national copy has been added, and more regional ads have been secured. The publication continues to be mainly Lubbock-supported, however.

New books at the Carnegie Library, as reported by Mrs. W. V. Coursey, librarian, are:

COUNTRY JAKE

By Charles B. Driscoll

A typically American dream—the dream of an education as an escape from the dreary monotony of farm life is told in this book in articulate, beautiful prose. It is the story of the author's own youth. But because so much of it represents the universal longings and struggles of thousands of Mid-Western young people, it will have an appeal beyond its intrinsic interest as part of a successful journalist's autobiography.

GREEN GRASS OF WYOMING

By Mary O'Hara

All the qualities of human understanding and the feeling for nature and horses which made "My Friend Flicka" and "Thunderhead" two of the most beloved novels of this generation are again shown by Mary O'Hara in this third volume of the story of the McLaughlin family.

THE BOYS' BOOK OF THE WEST

Compiled by Amy Hogeboom
A collection of stories covering the whole range and development of the Western part of our country from the time when the Spaniards first rode up from Mexico in their glistening armor in search of gold through the days of the Indians and covered wagons, the fur traders, the forty-niners, the cowboys and cattle rustlers, up to the West as it is today.

When the reader comes to the last story, Steinbeck's "Leader of the People," he may, like Jodie's grandfather, sigh a little because "Westerning has died out."

MR BLANDING BUILDS HIS DREAM HOUSE

By Eric Hodges

This is the story of everything that happened between the time Mr. and Mrs. Blanding decided to buy an old farm house and land for \$11,000 and the time when they shelled out what they hoped was the last of the \$56,263 that dream house eventually cost.

It would be easy to say, "don't laugh, fellows, the poor man is buying." But it would be useless injunction because no reader who starts this book will be able to stop reading, or laughing, until finishing—even those readers, who, like the poor Blandings, have essayed building a house, and who will pause many times during this appalling narrative to murmur, "there, despite God's grace, go I." This is a January Book-of-the-Month selection.

Baking Carnival

Carnival Marble Cake

MADE BY BETTY CROCKER
"Double-Quick" NEW METHOD
Cuts your mixing time 1/2;
No creaming... no egg beating

Have all ingredients room temperature (70° to 75°). (Shortening should be soft, not melted.) Preheat oven to 350° (moderate). Grease generously and dust with flour 2 round layer pans, 9-in. diameter, 1 1/2 in. deep, or 1 oblong pan, 9 x 13 x 2 in., or 1 square pan, 9 x 9 x 2 in. Sift GOLD MEDAL "Kitchen-tested" Flour before measuring. Measure all ingredients accurately (level) before starting to mix.

Sift together into bowl...
2 1/2 cups (2 cups plus 2 tbsp.) sifted GOLD MEDAL "Kitchen-tested" Flour
1 1/2 cups sugar
3 1/2 tsp. double-action baking powder
1 tsp. salt
1/2 cup high grade vegetable shortening
1 cup milk
1 tsp. flavoring

Beat vigorously with spoon for 2 minutes by clock (about 150 strokes per minute). You may rest a moment when beating by hand, just count actual beating time or strokes. Or mix with electric mixer on slow to medium speed for 2 minutes. Scrape sides and bottom of bowl frequently.

Add...
1/2 to 3/4 cup unbeaten egg whites (4 large)

Continue beating 2 more minutes, scraping bowl frequently. Pour about 3/4 of batter into prepared pan or pans.

To remaining batter add...
1 sq. unsweetened chocolate (1 oz.), melted, mixed with
1/4 tsp. soda
2 tbsp. warm water
1/4 tsp. red food coloring, if desired

Mix until well blended (about 1/2 minute). Pour chocolate batter here and there over white batter. Cut through batter several times with knife for marbled effect.

Bake layers 25 to 30 minutes; oblong cake 35 to 40 minutes; square cake 50 to 55 minutes in moderate oven (350°). (Square cakes often "crack.") Delicious uniced... warm from the oven... or frosted, when cool, with your favorite white icing.

*TO SAVE ON SUGAR: Use 3/4 cup white corn syrup and only 3/4 cup sugar. Reduce milk to 3/4 cup plus 1 tbsp. Add syrup with milk to dry ingredients.

Gilmer Bill Would Curb Utility Damage

Among the many bills dropped in the legislative hopper at Austin seeking to cure the evils inherent in strikes is one relating to strikes by utility employees introduced by the Hon. Claud Gilmer of Rock Springs, speaker of the house of representatives during the last regular session.

According to reports, Mr. Gilmer's bill applies only to water, gas, and electric utilities and proceeds on the theory that the maintenance of water, gas, and electric services are absolutely essential to the life, health, and safety of the people, and that it is the duty of the state to prevent any person or group of persons from wilfully destroying or damaging the facilities used in rendering the service.

His bill further provides that although any employee or group of employees have the right to strike or quit work at will, it shall be

unlawful for any person or persons, whether employees or not, to interfere with the ingress or egress of any employees to or from any property of any utility by picketing, or to harass or intimidate any employees who are willing to work in order that the service may be maintained.

Under the terms of the Gilmer bill, it is a felony punishable by a penitentiary sentence for any person to wilfully wreck, destroy, or sabotage any plant, equipment, or facility of a water, gas, or electric utility.

Mr. Gilmer's bill applies to utilities furnishing water, gas, and electric service whether the utility be a private corporation, a municipality or a state agency, such as a River Authority.

This is to take care of such situations as happened to the L. C. R. A. this past year when service to a good many towns there was interrupted and also such situations as the Pittsburgh power strike, the report stated.

Mrs. Bernie Davis and son Rodney of Paducah visited her parents, Mr. and Mrs. J. G. Gardner, here over the week-end.

Mumps on Increase Throughout State

During the past few weeks there has been a general increase in the incidence of mumps throughout the state. There have been 1,750 cases reported since January 1, compared with only 896 cases during the same period last year, according to Dr. George W. Cox, state health officer.

Though mumps is one of the common childhood diseases, serious complications may develop, so children should be protected as much as possible from this disease. The usual control procedures such as avoidance of crowds, exclusion from school of all cases or suspected cases and quarantine should be followed. The family physician should always be consulted when a case occurs.

The most recognizable characteristic symptom of mumps is a painful swelling of the salivary glands. Sometimes there is an involvement of other portions of the body causing disturbances in the digestive, circulatory, and genitourinary systems. The disease is usually accompanied by a temperature rise which more often than not is mild.

"The patient suffering with this disease should be isolated from other members of the family immediately upon the suspicion that mumps exists, and the family physician should be called promptly," Dr. Cox advises. "In the meantime, complete rest in bed is indicated. The doctor's orders should be followed strictly. Vi-

... To Mary, From Valentine

"Daddy, what's a Valentine?" The little boy was standing in the bus seat, with his chin resting on the top of the seat, staring across the aisle at a red, heart-shaped card that a little girl was talking to her mother about.

The bus was just pulling out of Amarillo, going south. It was just after dark.

"Sit down, Jimmy," the greying man said, "and I'll tell you about the very first one."

The lights of English Field were a faint glow from the highway. Water from a winter lake shone on the right side of the road as the bus settled in its soft hum southward.

"Back in the year 270 a very stern man was ruler of the Roman Empire. The man's name was Claudius, and he had made the people many promises to get in office, just as some men do today. But after he was elected, he became a tyrant and ruled people with an iron hand.

"He had no conscience, and he was never more delighted than when having some of his subjects beheaded. He wanted to expand his empire, to conquer larger territories, and he told his people that sentiment and affection were a waste of time and thought; and he banned these things that he thought were foolish.

"It wasn't long before he learned that human affection is stronger than rulers and laws. For in a nearby temple a man named Valentine, who was a bishop in the Roman Church, continued to perform marriage ceremonies, even though Claudius had forbidden them, just as he had before Claudius came to the throne. For you see, Jimmy, Valentine believed that people should love one another, and he told the people that Claudius was wrong.

"When Claudius heard this he was very angry and he ordered poor Valentine thrown into prison. The Roman guards treated him cruelly; and he was fed nothing but bread and water.

"But then Claudius' own daughter, Mary, found out about poor Valentine, and she began to slip past the guards and bring him food and blankets. She cheered Valentine through the long, hard days of his imprisonment.

"Then just as you might suspect, Claudius learned of the visits. He was furious. For far lesser crimes, he had had men sent to the gallows, so he lost no time in ordering Valentine hanged.

"Both Mary and Valentine had become very fond of each other, and it made them very sad to think they would never see each other again. Valentine felt deeply toward Mary because she had befriended him in his darkest hour.

"It was then the morning of Valentine's execution. Mary sat in her room above the court yards and shed tears. Just then a beautiful white dove fluttered to her window and she saw a note tied to its foot.

"The note said: 'To Mary, because she was good to her Valentine.'

"Daddy," the glowing-eyed little boy said, "will I get a Valentine?"

Extension Service Moves District 1 Headquarters

Headquarters for District 1 of the Texas A&M College extension service will be established in Amarillo March 1, according to a story in last Sunday's Globe-News.

Knox Parr, district agricultural agent, and Dorris Leggett, district home demonstration agent, will have their offices in the administration building at Pantex Ordnance plant.

The institutional plan under which the move is scheduled calls for 14 districts instead of the present 12. Agents of nine districts will headquarter in the field while the other five will remain at College Station, where all

headquarters previously were located.

Amarillo's field office will be established at Pantex by permission of the War Assets Administration. Other arrangements will be made later if and when properties at the plant are transferred to Texas Technological College at Lubbock.

WHERE'S "MEMPHIS WEEK"?

THERE IS scarcely a "week" left that doesn't have a name of some sort, variously bestowed by diverse and obscure organizations over the nation.

We have "weeks" for Accident Prevention, Fire Prevention; Health Week, Clean-up Week, Garden Week, Yard Week, Safety Week, Insurance Week, Farm Week, Park Week and Education Week; we have Dog Week, Cat Week, Pet Week and Rat Week, not to mention the host of societies who insist on prolonging their peripatetic devotions for a longer and more agonizing period.

Newsmen and the general public are coming to the point where they begin to yearn for a "Week Eradication Week," a "Week" to end all "Weeks," so that we may start all over again with a nice, clean, uncluttered calendar.

Yes, "weeks" are beginning to leave us a little unresponsive. We feel that we have been over-organized and pushed in too many directions by too many societies. In short, some of us

The gardener slept. And about him in this beautiful bower of flowers the weeds grew, timidly at first, but then sprang up strong and bold as they noticed the gardener slept so soundly. Their rank breaths poisoned the air about them, and this spot once so fair to dwell in, once so sweet with the perfume of infinite promise became a loathsome place where crawling things made their nests in the ruined garden of this one man's mind. The gardener's name was Conscience.

QUOTING OUR NEIGHBORS

Red River League

The Red River Valley baseball league was re-organized for the 1947 playing season at a meeting held at Childress.

Paul Ord was elected president of the league by the delegates from five communities in this section. Bob Clark of Shamrock was elected vice president and Frank Hatt, Childress, secretary-treasurer.

League play will start April 20 and a 14 game schedule will be arranged. A shaggy play-off will determine the champion. It was decided to limit the league to eight teams. The teams are expected to be Kirklund, Childress, Quanah, Memphis, Hollis, Shamrock, Wellington, and Clarendon.

The Kirklund team has asked for the use of the Childress diamond and the schedule will probably be arranged to have a game there every Sunday with Childress and Kirklund alternating as home teams.

Umpires for all games will be provided by the local officials association. Eight men will be assigned for umpire duty each week. Umpires will call all games at 3 p. m. and teams must have plenty of new baseballs to keep the games moving at a brisk pace. A \$50 forfeit will be posted by all teams.

The league has decided to award a suitable trophy to the league champion. Last year's winner was Quanah.

Reports from the managers indicate that the league will be stronger than last year.—Quanah Tribune-Chief.

Teacher Problem

C. A. Murray discussed the teacher problem Tuesday at a meeting of the Canyon Rotary Club. He said that three things are needed: to make the profession attractive to young men, to weed out unequal teachers, and to offer adequate salaries. Mr. Murray criticized the over-expanded school system and the ambition of school officials to add more units. If additional money is secured, will it go to salary payment, or will it be used to expand school facilities, he asked. . . . too many schools are

DOANS PILLS

This Week in WASHINGTON

With the senate labor and education committee announcing continuous hearings which will run to March 1 or possibly March 8, consideration of the many labor bills continued to occupy the spotlight in Washington this week. The house labor committee, under chairmanship of Cong. Fred A. Hartley, New Jersey, was also expected to get down to the serious business of public hearings. Sen. Robert A. Taft, Ohio, chairman of the senate committee, has announced that backers of the measures in the senate, government and industry officials, and labor leaders will be heard in that order. In the meantime, labor leaders are urging membership to sit steady in the boat and to take no step which would reflect disadvantageously.

It is believed here, as has been previously reported, that labor legislation is most likely to take a middle-of-the-road track as between the extreme as sponsored by Senator Ball of Minnesota for closed shops and compulsory arbitration, and the mild course as sponsored by Senator Murray of Montana for a committee to study and recommend legislation.

It is expected that the Case bill, largely as it is now written and differing in some respects from the same bill passed last session and was vetoed by the President, will be passed.

One senator, a member of the labor committee, asserted that legislation which will be enacted will certainly make labor unions more democratic and will add dignity to the individual membership.

The narrow squeak by which the Republican majority in the senate emerged from its first partisan fight on extension of the war investigation committee for another year . . . the test vote being 47 to 45 . . . gave rise to speculation as to whether the Republicans had sufficient working majority to push through their legislative program as announced. This vote was strictly partisan, with the Republicans determined to continue the committee as a springboard for potential issues in the 1947 Presidential campaign and with the Democrats just as determined to prevent further extension of the committee but willing, at least on the surface, to permit further war investigations

Change in Garden Awards

Changes in merit awards for state and national winners of the 1947 4-H garden project announced in Chicago. The changes are as follows: The state winner will receive a trip to the National Congress in Chicago. There will be no awards. Eight top rank winners—one from each extension section and large—will each receive an award of a \$200 scholarship. The previous na-

tional award was a \$100 U. S. Savings Bond. County awards of honor medals remain the same. The 4-H garden program is conducted under the direction of the extension service. All awards are provided by Allis-Chalmers. County extension agents will furnish complete information. It is pointed out that by growing a garden in 1947, rural boys and girls will perform a threefold service. They will supply their family with a variety of nutritious, fresh vegetables; reduce cash outlay for food, and demonstrate to others that gardening builds strong bodies, healthy minds, and a happy people. Why is it that some people are humbly grateful, while others are grumbly hateful.

Newly Re-styled Chevrolet Announced

Re-styled for the new year, with emphasis on a more massive front end and a smoother sweep to body contours, the new Chevrolet will soon make its debut. New front end grille and complementing bright work, as well as elimination of the body belt molding, have done much to give the new model an air of greater luxury.

Chevrolet Has 11 New Passenger Car Models

With virtually no interruption of production for the changeover, Chevrolet recently introduced its new line of passenger cars, comprising 11 models in three series, all smartly styled in the modern mode.

The three series are the specially styled Fleetline, the de luxe Fleetmaster, and the economy-range Stylemaster. All show marked advances over previous models in exterior styling and trim, and in interior finish and fittings, according to T. H. Keating, general sales manager of Chevrolet Motor Division of General Motors.

"Chevrolet was quite successful in its determined effort to bring out an improved line of motor cars without halting or seriously retarding production, in order that the great number of waiting purchasers—both those who have placed orders and those planning to do so—should encounter no additional delay. This factor in the automotive picture is one reason why changes have been confined largely to those improvements that could be made without causing the car-needy public to face further inconvenience and disappointment," Keating added.

The most striking appearance feature of the new models is the result of the advanced treatment of the front end, especially of the fenders and hood, which gain sweepingly smooth overall contours through the omission of side hood moldings. Fenders and hood blend both in form and in color, to effect a clean-cut simplicity and an appearance of solidity, which is heightened by the elimination of hood louvers.

Frontal appearance is altered greatly, featuring an entirely new, more striking design of radiator grille, chiefly notable for the massiveness of its horizontal bar members, which extend beyond the grille opening to span the front-end sheet metal. Widely separated, larger parking lamps, of rectangular form, are mounted

between the lower bars of the grille.

Newly designed decorative features are the chromium-plated die cast name plates near the rear edge of the hood, a die-cast front-end emblem plate just above the grille, and a speed-lined ornamental hood ornament at the front of the top center molding.

Here's Proof of Extra Mileage in the Tire That OUTWEARS PREWAR TIRES

Testimonials like the above about the new B. F. Goodrich Silvertown are not uncommon. Nor are we surprised at this evidence of long mileage ... because before a single tire was offered for public sale, millions of test miles on police cars, taxi fleets and special test cars had proved this new tire would outwear prewar tires. This extra mileage was scientifically engineered into the tires. First, a wider, flatter tread was developed for longer wear and greater protection against skidding. Second, to hold that huskier tread, a new 35% stronger cord body

was developed using more and sturdier cords which gave better resistance to bruising and road shock. That's why we say, if you'll be needing new tires for your car soon, see us today ... equip your passenger car with the new B. F. Goodrich Silvertown ... best in the long run.

Teachers, State Workers Voted Salary Increase

Rural aid school teachers and state employees now await only Gov. Beauford H. Jester's signature on legislation to ensure their receiving emergency pay raises during the current fiscal year, according to a story by the Associated Press Tuesday.

Passage of senate bills giving the teachers a so-called \$300 "bonus" and increasing state employees' salaries 15 per cent in the \$3,600 bracket and 5 per cent or portions above \$3,600 up to

\$5,000 was accomplished in the house with only a slight delay. The rural aid school teachers bill by Sen. G. C. Morris of Greenville will require an appropriation of approximately \$4,775,000 for more than 15,000 teachers.

Rep. Otis E. Lock of Lufkin told his house colleagues that no new money will have to be used to add the \$75 a month to teachers' salaries during the last four months of the current school year. The money will be appropriated from funds already available.

The Texas Extension Service is urging everyone who can to plant a garden this year—for health, for recreation, for a supply of fresh vegetables that will knock dollars off the grocery bill.

Treasury Sees Savings Bonds As Public Debt Key

During 1946 the people of Texas bought \$240,673,364 in savings bonds, of which \$171,040,922 were in E bonds, according to Nathan Adams, chairman of the Advisory Committee for Texas.

The treasury regards the continued widespread holdings of savings bonds as the key to future management of the public debt, Adams said. This problem involves matters which many think concern us little, if at all. Actually, the way our \$260 bil-

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic cramps.

Try Cardui. If it helps, you'll be glad you did.
