Rattlesnake Gets Caught in Trap Instead of Rat

Here is a "believe it or not" story: Mrs. J. W. Stokes, who owns a ranch northeast of Memphis, says a trap was set under the barn, hoping to catch a rat that was doing damage to feed in the barn. Later they found the trap had caught a rattlesnake instead of a rat. Did the trap rattle the rat, or did it rattle snake?

Skyrockets Expect No Easy Victory Against Cyclone

According to The Wellington Leader: The Wellington Skyrockets will go to Memphis Friday to take on the Memphis Cyclone in the first of three crucial conference games that will come on successive week-ends. While Memphis is listed in the lower bracket in conference play and Wellington and Shamrock remain among the undefeated teams, Coach Al Duncan and his boys are not taking the Cyclone conflict lightly. Even in the years when the Rockets won, the Cyclone has given them one of the hardest games of the year.

Against Lefors last week Memphis made a showing that could have won the game and it is to be remembered that Lefors had Shamrock beaten until the last few minutes of play. Against Lefors, Memphis had one touchdown called back on a penalty and was inside the Pirates 5 yard line on three different occasions.

Bob Percival, who scouted the Lefors-Memphis game says that barring bad breaks and the fact that their ace ball carrier Davis was out with injuries, that Memphis could have defeated the team from Lefors that is rated among the top three of the district by all observers.

In West, the Cyclone has one of the best passers of the district and in Davis, who is expected to see a lot of action against the Rockets, they have one of the hardest driving backs.

On the other hand, the Rockets continue to lead not only the district but the region as the best defensive team with only 6 points scored against them all season. Part of this defense is the excellent play of the Wellington line; but another part is that an offense is the best defense and the Rockies have managed to keep possession of the ball during a major part of all their games thus far.

They will enter the Memphis contest in fairly good shape. There were only a few injuries sustained in the game at McLean and none of these were serious. Some of the starters may be on the bench at the beginning of the Memphis game; but they are in shape to play if they are needed.

Mouse Bit Match—

Fire Department Answers Two Calls

Two calls were answered Tuesday by the Memphis Fire Department. The first was to the Wootton Wholesale Grocery where a carton of matches had caught on fire in the rear of the storage room.

Twenty-six cartons of matches were burned—practically all the damage that was done. A mouse was found in the debris, and the workers at the wholesale house believe it started the fire.

The second call was to the negro quarters at the oil mill. Fire badly damaged the roof of the quarters, firemen reported.

COTTON CROP IS HALF GATHERED

Hall County's cotton crop is more than half gathered, if the observation of some men who are versed in conditions are right.

The Memphis and Turkey compresses have received around 20,000 bales of Hall County cotton. Three ginners have stated they believe that 60 per cent of the cotton has been gathered. Putting the two together, 34 or 35 thousand bales will be the total crop.

Since the gathering season set in early in September, boll pullers have lost but little time, due to fine weather. Many farmers who have small acreage have been having difficulty getting pullers, it is reported, as the Mexican crews are large and go to the larger fields first.

A number of crews have pulled out, having been lured to other areas of West Texas by more lucrative offers, it is claimed. The small-acreage farmers, as well as a few large-acreage ones, plan to get their crops by the stripping process, and are waiting for defoliation from dusting or from frost to start final action.

Taking the long dry spell into consideration, Hall County farmers believe they are fortunate in producing a much larger cotton crop than was believed possible.

Tax Payers Must Request Poll Tax Payment This Year

Tax payers were reminded this week to ask to pay their poll taxes at the time other taxes are paid, according to an announcement by J. W. Coppedge, county tax assessor-collector.

The poll tax is not included in the assessment this year, Coppedge said, and all persons eligible to pay must bear this in mind (Continued on Page 8)

State Commander of American Legion to Be Here November 6

George S. Berry of Lubbock, state American Legion commander, will be in Memphis Thursday of next week and will appear as guest speaker on a program at the Legion Hall that night at 7:30 o'clock, Gordon S. Gilliam, commander of the Simmons-Noel Post, announced this week.

A special invitation is extended to all service men and businessmen of the city to attend, Commander Gilliam stated.

"Mr. Berry is a noted speaker and we are sure he will bring an interesting and informative address," he added.

Estelline Youth on NTAC Honor Roll

Melton Smith of Estelline, son of R. L. Smith, was among 426 juniors and seniors named on the fall semester dean's list, honor roster composed of outstanding students, at North Texas State College this week.

Students on the dean's list are (Continued on Page 8)

Adequate Water Supply Assured City for Any Future Expansion

WTCC Magazine Carries Article About Carnival

Memphis is again in the news following publication of the October issue of "West Texas Today," official organ of the West Texas Chamber of Commerce. In the current issue a page is devoted to the recent Cotton Carnival under the heading, "Around the Clock at Memphis—Huge Crowd, Famed Guests at Cotton, Chemurgy and Ceramics Carnival." The story was written by Max Bentley, director of activities of the regional chamber of commerce, who was a visitor in Memphis for the celebration.

In the article, Bentley covered the round-the-clock program starting with the arrival of Gov. Beauford Jester, and ending with the last street dance late Saturday night.

Here is a quotation from Bentley's article regarding the exhibits: "Housed in the Memphis High School gymnasium were the exhibits showing natural and industrial resources of the West Texas region. Heavily featured were cotton, by-products, and their essential end-products. Other exhibits included soil studies, miniature irrigation systems, mechanical planters, and bug-catchers; and some unusual showings of potatoes, onions, fruits, seed crops, and other diversified products."

A quotation by James F. Smith, president of the local chamber of commerce, is also included in the article, which extends this city's thanks to all West Texas for aid and support in putting on the Cotton Carnival.

Mrs. J. B. Wright, Mother of Memphian, Dies Saturday

Mrs. J. B. Wright, mother of Don Wright of Memphis, died Saturday in Wichita Falls. Mrs. Wright, who was 86 years of age, had been in ill health for several months.

Funeral services were conducted at the First Baptist Church in Bellevue Monday morning with Rev. Landis, pastor of the Wichita Falls Baptist Church, officiating.

Mrs. Wright was making her home with two daughters, Miss Gladys Wright and Mrs. C. J. Sherrill, at the time of her death, but prior to moving to Wichita Falls had lived in Bellevue for 50 years.

She is survived by eight children. Mr. and Mrs. Don Wright and children, Don and Kathryn, attended the funeral services. (Continued on Page 8)

New Law Requires Car Sale Report Within Ten Days

Sale of automobiles, except by registered dealers, must be reported within ten days of the date of sale beginning November 1. J. W. Coppedge, Hall County tax assessor-collector, announced this week.

A new state law imposes a \$5 penalty for failure to accomplish ownership transfer of automobiles within ten days of the sale date, Coppedge said. Registered dealers in new and secondhand automobiles are exempt from the provision.

The law applies to sale of trailers also. In addition to this, a current registration receipt must accompany each transfer.

Rites for Mrs. Mollie Miller Held Saturday

Funeral services for Mrs. Mollie Eliza Miller, wife of the late Dr. W. S. Miller of Estelline, were conducted Sunday at 3 p. m. at the First Methodist Church of Estelline with Rev. Clarence Bounds and Rev. Wayne Parmen officiating.

Mrs. Miller died in a Memphis hospital Saturday. She was 87 years old.

Interment was in the Estelline cemetery with funeral arrangements under the direction of the Murphy-Spicer-Estes Funeral Home.

Mrs. Miller was the daughter of Mr. and Mrs. J. B. Moore, and was born in Georgetown, Ky., August 8, 1860. She and her family moved to Texas in 1876, settling in Chico. There she met and married Dr. W. S. Miller in 1880. She and her husband moved to Callisburg, Texas, where he began his practice. In 1911 they moved to Estelline, where Dr. Miller continued his practice until his death in August, 1938. Mrs. Miller was making her home with her daughters in Turkey at the time of her death.

She was a member of the Methodist church.

Surviving are three sons, J. B. of Valley View, J. T. of Amarillo, and Paul of Tulsa; six daughters, Miss Hattie, Miss Jan, and Mrs. Abe Vineyard of Turkey, Mrs. M. E. Jones of Eden, Mrs. Ewell Grundy of Plainview, and Mrs. C. O. Green of Portales, N. M.; a sister-in-law, Mrs. T. E. Tucker of Estelline; a nephew, Desmond Moore, and a niece, Miss Juanita Parcells, of Pampa; 16 grandchildren; and 10 great grandchildren.

The following grandsons were pallbearers: Roger Jones, Bill (Continued on Page 8)

Memphis has been assured of an adequate supply of water for any future industrial development, James F. Smith, president of the Memphis C. of C., said last week, following receipt of commitments from the Community Public Service Co., owner of the water system. Additional water can be delivered to the city in the amount of 225,000 gallons per day, D. W. Robinson, water superintendent of the utility company, stated in a letter to Smith last week.

What is it? CHEMURGY Used Much Lately

This is a question being asked frequently as the Texas Chemurgy Council moves into full stride of operation.

Victor H. Schoffelmayer, president of the council, likes to look at chemurgy as putting chemistry and related sciences to work for agriculture.

An inscription mural written by Schoffelmayer which described farm chemurgy in the extensive chemurgy exhibit at the state fair in 1939 read in part, "Chemurgy will bring agriculture and industry into closer union through applied science and research."

William J. Hale, noted chemist and research scientist of Midland, Mich., coined the word in the early 1930's, and fashioned it from the Egyptian root "chemi," origin of our modern word "chemistry," and "ergon," a Greek word meaning "work" or "energy." To Elmore R. Torn, executive vice president of the Texas Chemurgy Council, it means chemistry at work in the interest of agriculture, industry, and the general public.

It calls for the full and practical utilization of renewable (Continued on Page 8)

Light Rain and Cool Weather Mark Past Week

Some 45-degree weather hit this section first of the week. The temperature for both Sunday and Monday ranged from 45 degrees to 68 degrees.

Saturday, the temperature ran from 54 to 72 degrees; Tuesday, 46 to 54; Wednesday, 60 to 73, and Thursday to noon the readings were 52 to 70.

A light rainfall was recorded Tuesday, J. J. McMickin reported his rain gauge showed .12 of an inch had fallen.

George Taylor Is Guest Speaker at Lions Luncheon

George Taylor of Childress, district soil conservationist, was guest speaker before the Memphis Lions Club Wednesday at their regular luncheon. His talk was upon economic conditions confronting the world today.

Taylor, who was introduced by Jay Gould, range supervisor of the Hall County Soil Conservation District, first explained the three kinds of government: anarchy, rule by a minority, and rule by a majority. He cited weaknesses of the Japanese and German forms of government, and explained the problems confronting the English from an economic standpoint.

Giving statistics, the speaker outlined the international food crisis in which over three billion persons must be fed from an average of one acre of land per person.

"Hunger in the world today is our greatest problem," Taylor said. "Here in America we are fortunate. Each man, woman, and child has available over three acres from which to obtain food. And remember: a hungry man is a mean man. Let this fact alone determine the policies of world planners."

He ended his talk with an appeal for all persons to let their (Continued on page 8)

Cyclone Meets Wellington Skyrockets in Game Friday

In a conference game Friday night, the Memphis Cyclone will tangle with the Wellington Skyrockets on the local gridiron before a packed stadium, local sports fans predicted today as school officials set aside the entire east stadium for reserved seats.

The game will produce the annual number of thrills due to the intense rivalry between the two teams, and local fans are hoping to upset the "dopesters" who have picked Coach Al Duncan's Rockets to win the 3-A District title again this year. Last Friday the Wellington eleven rolled over the McLean Tigers to the tune of 38-0, while Coach Don Ezell's team went down 19-2 under the attack of the strong Le-

fors Pirates. Reports give the Skyrockets as possessing one of the strongest lines in high school football, with the backfield running from a T-formation with plenty of speed and deception.

Practice this week by the Cyclone has been pointed to stopping the running attack of their opponents, and fans will see the local boys uncoil everything they have in the game Friday.

Gardenhire and Pycatt who broke into the starting lineup from their performance last Friday night will be on the 1948 Cyclone team as well as starters here against Wellington.

Wellington has reserved the seats in the north section of Cyclone Stadium, and fans from that

city are expected to be here in full force. Reserved seats for the south section of the stadium are reserved for local fans, and tickets are on sale at local drug stores. Officials are advising the public to purchase their tickets in advance in order to be sure of obtaining a seat.

Probable starting lineups will be as follows:

Memphis—Jenkins and Vickers, ends; Rich and Akard, tackles; Newbrough and Orand, guards; Pierce, center; West, Gardenhire, Pycatt, and Davis, backs.

Wellington—Fulton and Young, ends; Jones and Bollen, tackles; Bullington and Rahurn, guards; Johnson, center; Moore, Combs, Strickland, and Winter, backs.

Subscribers To Get Home Paper First

Counter sales of The Democrat, after this week, will not be made until after mail subscribers' papers have been placed in the post office, the publishers announce.

This change has been contemplated for some time, and beginning with the first November issue it will be put into effect.

Yearly subscriptions are \$2.50 per year in Hall and adjoining counties, while papers bring 7 cents each over the counter—a difference of 2 cents per copy per week.

Country Neighbors Are Sending Food Overseas to Greece

The Country Neighbors Club in Carson County is well-named. The members are neighbors not only with the family across the fence, but with a family across the Atlantic. And that is being neighborly in the fullest sense of the word.

Charlotte Tompkins, county home demonstration agent, says that the club has sent six boxes of food and clothing to the family of Vasilion Anagnostopolous, in Arkadias, Greece. Recently, Mrs. George Latta, who was president of the club when the first box was sent, received a letter from the father of the family. It was written in Greek and the club called on a native of Greece in Amarillo to translate it.

After reading the letter, the club has a personal reason for wanting to help out in the government's program for saving grain, for Vasilion Anagnostopolous told of the lack of food. "On top of that," he wrote, "we had a douth and made no wheat this year. We need something to eat—flour worse of all." He has a family of five children, ranging from 2 months to 12 years in age, and the clothing sent by the club had been badly needed.

With the last sentence, Vasilion Anagnostopolous told more of the conditions of the country than he realized. "We need a mule," he said; "If you send a mule, send a small one, as we don't have much feed."

An hour of work on the farm now, as compared with 1920, results in about a third more milk, a half more corn, and more than twice as much wheat.

IOOF and Rebekahs To Meet November 6 In Wichita Falls

The Lower Panhandle Association of I. O. O. F. and Rebekahs will meet in Wichita Falls November 6, according to an announcement made this week by Mrs. Ruth Ramsey, reporter.

Registration will begin at 9 a. m. at the I. O. O. F. Hall, 807 1-2 Austin street.

A varied program of entertainment and instruction has been planned and a separate school of instruction will be held for the Odd Fellows and Rebekahs. Grand Master Clarence Woods and President Louise Reinicke will be present to confer the Grand Lodge and Assembly. The Rebekahs will have the honor and pleasure of seeing the Rebekah Degree exemplified by the Oklahoma staff who put on the degree at Sovereign Grand Lodge in Winnipeg, Canada.

A banquet will be held at 6:30 p. m. Reservations are to be made with Mrs. Martha Ann Rice, 1302 Kemp Blvd., Wichita Falls, and are to be in by November 3.

Delegates elected to go from the Memphis Odd Fellow Lodge are W. E. Hill, H. O. West, Charles Oren, M. W. Paschall, and C. T. Snowden.

* According to an estimate by the Fish and Wildlife Service, rats are destroying grain at the rate of 200,000,000 bushels each year.

REV. ALAN HARVEY-BROOKS

American Legion To Hold Meeting In Amarillo

Election of a district commander to fill the unexpired term of James Moore, Amarillo, who resigned last spring, will head the business agenda of the annual fall convention of the 18th District of the American Legion to be held Saturday and Sunday in Amarillo, it was announced this week.

Principal speaker of the convention will be the Rev. Alan Harvey-Brooks of Borger, Texas Department chaplain. G. F. "Cowboy" Sanders, acting 18th District commander, will preside and Hanson Post No. 54 of Amarillo will be host.

Registration of delegates will begin Saturday morning and continue throughout the day. Open house will be held at the Amarillo American Legions Home Saturday afternoon for all Legionnaires and their guests.

The 40 and 8, Legion fun and honor organization, will hold a banquet at 6:30 p. m. Saturday to be followed by a business session at 7:30 p. m. Heading the 40 and 8 business agenda will be the election of an 18th District Chef de Gare to succeed the incumbent, G. F. Branson of Pampa. A dance for all Legionnaires will be held Saturday night.

A breakfast for all commanders, adjutants, and service officers will be held at 8 a. m. Sunday at the Herring Hotel Coffee Shop. A joint session with the Ladies Auxiliary will convene at 9:30 a. m. Sunday and will include a memorial service honoring America's war dead.

Separate business sessions of the Legion and Auxiliary are scheduled Sunday afternoon. The Legion will meet in the McKinley School auditorium and the Auxiliary in the Legion Home. In addition to the election of a new commander, delegates will formulate plans for the 1947-48 Legion year, acting Commander Sanders has announced.

Adjournment will be Sunday evening.

PLASKA

By CLAUDINE HAYNIE

Mr. and Mrs. Molley Shirley of Friona came Monday for a visit with their daughter and family.

Mr. and Mrs. Collins Creighhead, Mr. and Mrs. J. H. Murdock Jr. of Borger spent the week-end visiting Mr. and Mrs. John Murdock and family.

Mr. and Mrs. James Harper are spending this week in Memphis. Mr. and Mrs. Pete Williams of Lakeview visited Mr. and Mrs. E. E. Foster Sunday.

Mr. and Mrs. John Smith visited Mr. and Mrs. Louis Morrison Sunday.

Grandmother Owens, who is in a Memphis hospital, is reported to be improving nicely.

RUPTURE

Rupture Appliance Specialist, HARRY G. HIGGINS, of Minneapolis, Minn., will give a free demonstration of his "Gouranteed Rupture Shield" for men, women and children, in Childress, Texas, at Hotel Childress, on Wednesday, November 5, from 9 a. m. to 3 p. m. or the evening before, after 7 p. m.

I have fitted hundreds of satisfied customers in the midwest and southwest, during the past many years.

DO NOT EXPERIMENT LONGER: If neglected, rupture may cause egg pain, backache, weakness, nervousness and general "run-down" condition. Special attention is given to persons having ruptures recurring after surgical operations or injection treatments.

If you want the complete relief you can obtain, come in for free demonstration, or if you are unable to see me at this time, write to:

Save Critical Foods By Featuring Fruit

Now that flour and eggs are on the list of critical foods, it's a good idea to feature fruits in desserts for the family. A variety of fruits, fresh, canned, and dried, are on the market this fall, and there is plenty of sugar and sirups for sweetening.

All homemakers know that baked pears and baked apples are (easy to prepare as well as good to eat. Dried apples, paches, apricots, and prunes can be served many ways. Raisins add taste and texture variety to such dishes as baked apples, apple-raisin marmalade, fruit, and waldorf salads.

Spiced prunes are good hot or cold and may be served as a relish with the meat course or as a dessert. Prepare the prunes in the usual way, Louise Mason extension food preparation specialist for the Texas A. & M. College says, then toward the end of cooking, add sugar to taste, a few grains of salt, such spices as clove, nutmeg, cinnamon or allspice, and a little vinegar or lemon juice. Other dried fruits can be spiced by the same recipe.

If fruits are used as much as possible, Miss Mason pointed out, there is less need for cakes, pies, and puddings. But cutting down on baked desserts, the housewife is doing her part in the government's program for saving certain foods.

A study in Texas shows that costs of producing cotton in the state range all the way from 19.4 cents to less than 4 cents per pound.

What the "Well Dressed" Coed Is Wearing Fashion Count at Tech Shows Average Collegian Not Following Paris Fashions

Attention buyers for women's ready-to-wear shops—here's another scientific fashion survey. Only this one is different. It discloses what college girls are actually wearing on the campus, rather than telling what they "say they want" or what the "general public says they should wear."

According to a news release from Lubbock the "average" coed at Texas Technological College this fall is failing to follow Paris dictates, and is comfy in a sloppy Joe sweater and a straight plaid skirt that reaches just a little below the knee. And this without benefit of an organized L.B.K. club. The most popular color is gray, with brown, blue, green, and red following in that order.

These facts were discovered by a home economics class in merchandising whose members took fashion counts in campus buildings during class hours.

However, the scene is changing. Slightly more than one-fourth of the Texas Tech girls have dropped hemlines to mid-calf or even longer for daytime wear, and almost one-third are wearing the new flaring skirts. Almost one-fourth of the coeds have adopted tailored dresses for classes, rather than the traditional skirts and sweaters. Fourteen per cent choose suits.

And here's something that may come as a surprise. While no one would predict that bobby socks are on the way out, still it was noted that eight per cent of the Texas Tech girls wear hose, and 61 per cent attend classes wearing neither hose nor anklets.

Spray Rotenone For Cattle Grubs

A little time and trouble now, plus some rotenone, can put Texas cattle, and dairymen on the road to saving \$5 million.

How? By spraying for cattle grubs.

Statistics show that forty-two per cent of all Texas cattle are grubby. Grubby cattle are discounted on the market at about one cent a pound. The total loss to Texans in terms of milk, meat, and leather each year comes close to five million dollars.

Most farms and ranches cause their own trouble with grubs, extension entomologists for Texas A. & M. College point out. Heel flies are the parents of grubs, and the flies seldom migrate over half-a-mile. So treatment for grubs in the fall and winter will control the heel fly on the farm.

DR. J. A. McBEE

and ranch in the spring.

Spray the backs of the animals with a mixture of 7 1-2 pounds of 5 per cent rotenone in 100 gallons of water at about 30-day intervals in the fall and winter, the entomologists say. Rotenone dust can be used on small herds.

Control now will help to save feed next year, too, as it takes from 10 to 15 per cent more feed to fatten a grubby steer than one free of grubs.

BOSSY SAYS

When I am alive, I'm useful. When I'm dead, I am still useful—if picked up in 24 hours. I am harmful if allowed to lay and be drenched in the rain—and my remains washed into the creeks and water ponds. Or if I'm allowed to lay in the hot sun and deteriorate and be blown through the air on small particles of dust, I will carry harmful diseases over the country.

The Altus Rendering Co. will pick up your crippled, sick, or dead animals. Just call 594-J, Memphis. Remember the telephone number—if not needed now you or your neighbor might need it later.

Betty Dale West Weds Dr. Walker In Amarillo Rites

Miss Betty Dale West, daughter of Mr. and Mrs. Sam West of Memphis, and Dr. W. J. Walker, son of J. L. Walker of Clarendon, were united in marriage Monday evening, October 20, at 9:30 o'clock in Amarillo. Vows were exchanged in the parsonage of the First Baptist Church with Rev. J. W. Sisemore, pastor, officiating.

The couple's only attendants

were the bride's mother, Mrs. Sam West, and Mrs. Harrison Price of Amarillo.

The bride wore a brown gabardine suit with matching accessories and a corsage of orchids. She graduated from the Memphis High School with the class of '37 and later attended Texas Technological College, Lubbock.

The bridegroom is a graduate of the Clarendon High School, University of Texas, and University of Texas Medical School.

Following a honeymoon trip to Galveston, Dr. and Mrs. Walker will be at home in Clarendon.

Halloween Party Monday Entertains Plaska BTU Union

Members of the B. T. U. Training Union of Plaska were entertained with a Halloween party Monday night at the Peden Memorial Baptist Church.

After the group had played a number of games, refreshments of doughnuts, apples, and "witches' brew" were served.

Attending were Elton Murdock, Hope Chappell, Jerald Beard, Lillie Dean Beard, Curtis Veston, Tommie Davis, Eugene Galloway, Luella Bloxom, Gladys Veston, Dorothy Fae Shario, Mary Lou Polasek, Joanna Davis, Claudine Haynie, Emma Lou McMaster, Harold Saxon, Jean Galloway, Billy James Wiggins, Bob Wiggins, Dalton Lindley, Buddie Swindel, Tom Swindel, J. O. Dixon, Dale Martin, Bobby Mae Hall, Dauphene Saxon, Christine Chappell, J. C. Henry, Katharine Henry and Mrs. Walter McMaster.

Methodist Group Enjoy "Pot Luck" Supper Monday

The board of stewards, teachers, officials, and their families, of the First Methodist Church met in the basement of the church Monday night for an informal "pot luck" supper.

Each family brought a covered dish and an abundance of delicious food was served from two long tables. R. C. Lemons, president of the board of stewards, served as toastmaster for the evening and talks were given by Rev. C. C. Armstrong, pastor; D. A. Neeley, lay leader; and W. D. Young, Sunday School superintendent.

Dr. and Mrs. Fred Minnich and daughter Susan of Mount Vernon, Ohio, visited here over the weekend in the C. W. Crawford and Horace Tarver homes. Dr. Minnich was stationed at the Childers Army Air Field during the war and he and his family made their home in Memphis.

Mrs. J. H. Buchenau of San Bernardino, Calif., arrived last week for a month's visit in Memphis with her daughter, Mrs. Herbert Sisk.

MR. and MRS. JACK MOREMAN

Lawrence-Moreman Nuptial Vows Read In Impressive Double-Ring Ceremony

Miss Peggy Lawrence, daughter of Mr. and Mrs. Ira Lawrence of Memphis, became the bride of Jack Moreman, son of Mr. and Mrs. Herlie Moreman of Brice, in a double ring wedding ceremony performed at 5 o'clock Wednesday afternoon, October 22, in the parlor of the First Methodist Church. Rev. C. C. Armstrong, the pastor, read the lines which united the two well-known young Memphians.

Members of the bridal party entered the church to stand in a nuptial space backgrounded by a large basket of greenery and white and yellow mums. White tapers burned in flanking candelabra with an arch entwined

with fern. Miss Mary Wells and Mrs. Jack Monzingo lighted the candles.

Music for the wedding was provided by Miss Lois Wines, pianist, and Miss Gayle Stilwell, vocalist. The latter sang "I Love You Truly" and "Because" with accompaniment by Miss Wines who also gave a muted interpretation of "Always" during the ceremony.

The bride, given in marriage by her father, was a dainty picture in a two-piece gabardine frock of white. She wore accessories of brown cobra and carried a white Bible. The small volume served as a base for her flowers which were talisman roses in cascade arrangement tied with white satin ribbon.

Mrs. James Morgan of Portales, N. M., cousin of the bride and matron of honor, was wearing a pink wool flannel dress accented by black accessories and a corsage of deep pink carnations and tuberoses. Bill Craft of Brice served as best man.

Mrs. Ira Lawrence, mother of the bride, wore a black crepe dress with black accessories, and the groom's mother, Mrs. Herlie Moreman, was attired in a brown gabardine suit with accessories of aqua and brown.

Immediately after the ceremony a reception was held in the home of the bride's parents, Mr. and Mrs. Ira Lawrence. The bride's table was laid with a hand-crocheted cloth and an arrangement of yellow dahlias placed on a reflector formed a centerpiece. Candle light gave a soft glow for the table setting. Mrs. L. V. Hicks of Portales, N. M., aunt of the bride, served the lovely two-tiered wedding cake which was topped with a miniature bride and groom. Mrs. Douglas Lawrence presided at the crystal punch service.

The bride, who is a graduate of the local high school, is a popular member of the younger set of the city. She attended West Texas State College at Canyon last year, and for several months prior to her marriage had been employed as a member of The Democrat staff. She was selected by citizens of Hall County to serve as queen of the Cotton, Chemurgic, and Ceramics Carnival held here in early October and acted as official hostess to visiting queens during their stay in the city.

The bridegroom is a graduate of the Lakeview High School and is known throughout the county for achievements won in 4-H Club work. He has recently returned home after serving several months with the U. S. Army in Japan.

Following a honeymoon trip to points of interest in New Mexico, Mr. and Mrs. Moreman will be at home near Honey where the groom will be engaged in farming next year.

Over 94,000 Texas farmers are members of groups organized under the Smith-Doxey Act of 1937 to promote the improvement of

cotton. An "animal" Ellis Island is being operated by the U. S. Department of Agriculture. To protect American livestock against diseases coming in on foreign stock, emigrating animals are held in quarantine for a while at Athenia, N. J.

Bernice Webster and Dewitt Cash To Be Married Here In November

Mr. and Mrs. J. W. Webster of Memphis are announcing the engagement and approaching marriage of their daughter, Bernice, to Dewitt Cash, son of Mrs. Mable Cash of Dalhart. The wedding will take place in Memphis sometime during the early part of November.

The attractive bride-elect has made her home in Dalhart for the past six years with her uncle and aunt, Mr. and Mrs. J. L. Brackeen. Miss Webster is a graduate of Memphis High School and attended Draughtons Business College at Lubbock, and West Texas State College at Canyon. She is an employee of the H&B Variety Store, which is operated by Mrs. Brackeen and Raymond Holmlund.

Mr. Cash is an employee of the Dalhart post office. He attended Dalhart schools and served with the army for four years. Eighteen months of his military service was spent overseas and he was awarded the purple heart.

Extra minutes of spring cleaning... planning a one-day dinner. Try a skillet of browned pork sausage spaghetti, tomatoes of grated cheese, lettuce salad, hard-boiled apples for dessert.

...are still... if you land any... Also doing all Trailer... General Black... and White... Hoggatt... Lakeview.

MRS. THOMAS EWELL NOEL

Mrs. Fama DeHart Weds Thomas E. Noel, Memphis Businessman in Dallas Rites

The marriage of Mrs. Fama DeHart, daughter of Mrs. Mina Crowther, 6820 Kinwood, Dallas, to Thomas Ewell Noel, prominent Memphis business man, was solemnized October 19 in the pastor's study of the Scofield Memorial Church in Dallas.

Rev. Harlin J. Roper, pastor, read the quite but impressive service at high noon in the presence of immediate members of the families and intimate friends. The bride was attired in a platinum gray suit complemented with dark gray accessories and a corsage of orchids.

Attending the couple were Mrs. Alice Cooper, cousin of the bride, and Glynn D. Crowther, the bride's brother.

The bride, who was born and reared in Corsicana, is a graduate of the Corsicana High School and

the Cozen Robertson Secretarial School in Dallas. At the time of her marriage she was associated with the National City Bank of Dallas. She was a member of Delta Phi Delta, a business sorority.

Mr. Noel, who is president of the First National Bank of Memphis, is active in practically all civic groups in Memphis. He is a member of the First Presbyterian Church, an elder in its governing body, and has served as church treasurer for a number of years. He served as president of the Panhandle Banker's Association in 1938.

Mr. and Mrs. Noel are at home at 720 Cleveland, Memphis.

Parnell Club To Make Cup Towels For Boys Ranch

Members of the Parnell Club voted to make two cup towels each for Boy's Ranch at a meeting Wednesday of last week which was held in the school house.

Following the short business session, the hostess group, composed of Mrs. Paul Buchanan, Mrs. Lucile Cope, and Miss Mae Paul, served delicious refreshments to 20 members and one guest.

Members spent the afternoon quilting. The club adjourned to meet November 5 with Mesdames Louise Mills, Marie Johnson, and C. E. Burk as hostesses.

Hairy Vetch Shows Good Results On Sandy Soils

Wilbarger County farmers, after their first attempt to grow hairy vetch as a soil building and seed crop, are satisfied with results.

On the sandy soils of the Rolling Plains, hairy vetch has lived up to its advance notices, as far as Wilbarger County is concerned. Frank Wend, county agricultural agent, reports that the farmers are "elated" over the outcome of planting hairy vetch with rye. The crop has been "invaluable" as a cover crop in holding down sandy soils and has furnished good winter pasture.

The most troublesome part of the vetch-growing—seed harvest—is over now, says County Agent Wendt. After a few bad starts and some trial and error experiences, he farmers harvested from 150 to 800 pounds of seed an acre.

Wilbarger County produced about 250,000 pounds of hairy vetch seed, estimates the county agent, most of which will be used in the county for fall planting.

CARD OF THANKS

We wish to take this means of expressing our appreciation to all who were so nice to us at the passing of our father. Those thoughts and deeds of kindness shall never be forgotten.

We also thank each one for the lovely flowers.

Mr. and Mrs. Ed. House
Mr. and Mrs. R. M. Wiley
Mr. and Mrs. Tom Farley

Facts Behind Blackeyed Pea Are Given

The common blackeyed pea originated in India some 3,000 years ago. It came to America from England in 1734, when it was first planted in Georgia in the Oglethorpe Colonies.

No one knows for certain when the pea first came to Texas, but it had been grown for food throughout the southern states for the past 50 years and it is probable that the first settlers brought the seed with them.

Peas belong to the family of Vigna Catjang and are closely related to both english peas and the various beans. The popular name for the blackeyed pea is "cowpea" but now that the canners have shown an interest in the crop and it is being introduced on a large scale to the nation's consumers, an effort is being made to disown the "cowpea" name as lacking in consumer appeal. In the same way, "mutton" has replaced "sheep meat," al-

though producers and handlers have been less successful in substituting "chevon" for "goat."

Blackeyed, cream, and purple hull varieties have become increasingly popular as a food during the past five years. Texas canners have contracts with Eastern jobbers for as many cases of canned peas as can be produced, and it appears to be an outstanding cash crop in the sandy areas of East and South Texas.

The production of peas for canning purposes has centered around Tyler and Athens but the acreage is increasing rapidly in the Rio Grande Valley.

During the past season, growers received an average of \$65 and a top of \$80 per ton of green field peas in the hull. Production ranged from 1,500 to 3,000 pounds per acre under field conditions.

Figures on total acreage of peas for all purposes are not known, but since peas are also a popular hay and soil building crop, it must be considerable.

One outgrowth of the new market for field peas is the revival of the old custom of eating black-eyed peas on New Year's Day "for luck."

Mr. and Mrs. E. E. Evans of Memphis announce the birth of Johnnie Carol. She was born October 27 and weighed 7 pounds.

"Make maximum use of pasture" is a good general rule to follow in feeding stock, whether beef or dairy cattle, hogs or lambs. It will save badly needed grain as well as reduce costs of operation.

Americans are eating more nuts. In 1909, the average consumption was four-fifths of a pound; in 1945, one and two-fifths pounds.

BOYS TOWN GIVEN ROYAL JUPITER . . . Royal Jupiter, grand champion of the 1946 International Livestock exposition, Chicago, has been presented to Boys Town, Nebraska. The Shorthorn steer is shown as it was presented to Father Edward J. Flanagan by Russell A. Firestone, left. Royal Jupiter just ended an 18,000 mile tour of the livestock growing areas of the south and southwest, sponsored by the Firestone Tire and Rubber Company.

Mr. and Mrs. H. A. Finch Return After Visiting 23 States

Mr. and Mrs. Howard A. Finch returned last week from a 5,500-mile trip through 23 eastern states, in which they visited points of interest all along the way.

They were accompanied by Mr. and Mrs. O. H. Finch of Dalhart, brother and sister-in-law of Howard Finch. The trip was made by automobile.

At Manchester, N. H., they visited with their daughter and son-in-law, Major and Mrs. Jeff G. Ray. A short time was spent with Dr. Hugh Baldwin of Columbus, Ohio, who is a cousin of Mr. Finch whom he had never seen.

Among the historical points visited were the battlegrounds at Concord; Appomattox court house in Virginia, and Lexington, Mass.

SCOUTING IN CANADIAN

The Boy Scout movement here needs the support of every person in the community. Certainly nearly everyone will admit that Scouting is one of the greatest movements of all time. It needs encouragement.

It won't cost you a thing and won't be much trouble. Monday night drop by the WCTU building and attend one of their meetings. Scoutmaster John Walsh will be honored to have you there.

Maybe you say you haven't a boy there, so you think you have no business there. It's YOUR business what kind of citizens we make for tomorrow. Lend them your personal encouragement. That's the greatest gift you can offer.—Canadian Record.

Locals and Personals

Maurine Thompson, who is employed as bookkeeper at Alexander Motor Company in Dallas, spent the week-end in Memphis with her parents, Mr. and Mrs. Ed Thompson. Other week-end visitors in the Thompson home were Mr. and Mrs. Lester Campbell of McLean. Mr. Campbell, who was formerly news editor of The Democrat, is now editor of The McLean News.

Miss Una Leonard and Miss Mary Foreman attended a two-day convention of the Business and Professional Women's Clubs of district 10 in Quanah Saturday and Sunday.

Mrs. B. D. Frisbie returned home from Fort Worth Wednesday. She accompanied her husband to Fort Worth Sunday where he entered the St. Joseph's Hospital for medical treatment. Mr. Frisbie may have to remain in Fort Worth for treatment for some time, Mrs. Frisbie said.

Mr. and Mrs. Will Rehels of some time, Mrs. Frisbie said.

J. A. McIntire and daughter of Fort Worth are visiting friends and relatives in Memphis and Estelline this week. Mr. McIntire is a former resident of these two places.

Memphians Attend OES Convention In San Antonio

Four Memphis women are in San Antonio this week attending the state convention of the Order of the Eastern Star.

Attending from here are Mrs. Lloyd Phillips, deputy grand matron of this district; Mrs. W. B. Wilson, worthy matron of the local chapter; and Mrs. T. R. Franks and Mrs. Henry Foster, who went as delegates from the local chapter.

CARD OF THANKS

To the many Memphis friends who showered me with "get well" cards and letters while I was sick in a Los Angeles, Calif., hospital, I want to take this means of expressing to you my heartfelt thanks. I am now at home, getting well, and enjoying life.

Emmett Evans and Family.

allowance payments to which he was not entitled.

Immediate or advance notice of training discontinuances will assist VA materially in reducing the amount of overpayments.

Veterans who fail to make arrangements to repay subsistence allowance overpayments may be prevented from re-entering schools or job-training courses under the GI Bill.

Veterans are not being forced to turn back full amounts immediately. They need only make arrangements for monthly repayments that cause them no financial hardship and thus become qualified to resume training.

The Veterans Administration now is the custodian of more than \$3,000,000 Army chest X-ray films of World War II veterans, which it will use in its long-range anti-tuberculosis program.

VA records show that about 23,000 veterans of World War II are drawing compensation for tuberculosis contracted in the service. Included in the state figures are Texas 817, Louisiana 390, and Mississippi 332.

"Frost-proof" vegetables simply means that the seed has been planted in open field plant-beds and as the weather becomes colder, the plants become "frost-proof" or toughened to cold weather.

CYCLONE "B" SQUAD BOWS TO CHILDRESS THURSDAY NIGHT

By ADRIAN COMBS and RAYMOND CULLIN

The Memphis Cyclone B squad went down before the scrappy Bobcat eleven of Childress Thursday evening in the Cyclone Stadium 20-8.

Memphis received the opening kickoff on their 10 yard line and ran it back to the 35. After the ball went over, Childress scored on a 40-yard pass, but failed to convert.

Midway in the second quarter Memphis punted to the Childress -0 yard line, where Jarrel nailed the received in his tracks who fumbled. Memphis recovered on the 5. The Bobcats held the Memphis team for four downs, and the ball went over on the 1-

foot line. On the first play, the Memphis line smeared the ball carrier behind his goal line for 2 points. The half ended with Childress on the long end of a 6-2 score.

The second half started with the Cyclone B squad kicking off. Neither team gained much ground on succeeding plays until Jack Knight intercepted a pass, and ran it back 80 yards for a touchdown. Crooks failed to kick the extra point.

It was anybody's ball game until the last quarter, when Childress scored on a long pass, and a line plunge through right tackle resulted in the extra point.

On the kickoff the ball rolled into the end zone, where Crooks picked it up and ran it back to the 5-yard line. Memphis fumbled, and Childress recovered. On the next play the Bobcats scored. The game ended 20-8 in favor of Childress.

During the game Memphis received four 5-yard penalties for off-sides, and Childress was assessed one off-side penalty and a 15-yard penalty for unnecessary roughness.

Officials for the game were Don Ezell, Ray Newton, and L. E. McCulloch.

Starters for Vernon Johnson's Bobcat B squad were: center, Morrow; guards, Compton and Holland; tackles, Pyle and Lyons;

NEWLIN

(By Correspondent)

Mrs. Annie Donaway of Colorado Springs visited her sister, Mrs. Van Crow from Wednesday until Sunday. Others visiting with Mr. and Mrs. Crow Sunday were Mr. and Mrs. Bill Hill of Lefors, Mr. and Mrs. Loyd Crow of Wichita Falls, and Mr. and Mrs. Henry Crow of Shamrock.

Those visiting in the home of Mr. and Mrs. W. E. Watson were Mr. and Mrs. J. W. Burks of Lubbock and Mr. and Mrs. Hugh Nelson of Tulla.

Mr. and Mrs. Jack Garrett of Amarillo spent Monday and Tuesday with her father, G. W. Tucker.

Mrs. G. E. Nelson, Mrs. R. O. Nelson, and Mrs. Jack Tucker and Shirley Ann were called to Denton Thursday to the bedside of an uncle, who is seriously ill.

Mrs. O. B. Lawrence and Barbara and Jimmy of Lawton, Okla., visited Mr. and Mrs. D. W. Lawrence over the week-end.

Mrs. Ogle Martin brought her daughter Gwen to the home of her parents, Mr. and Mrs. D. W. Lawrence. Gwen is receiving treatment for polio in a Plainview hospital but is improving nicely.

Mr. and Mrs. Melvin Porter of Peacock spent the week-end with her parents, Rev. and Mrs. W. S. Crawford.

ends, Wright and Mickie; quarterback, Jones, right half, Hays; left half, Baker; fullback, King.

In the Memphis starting lineup were: Rasco, right end; Blackmon, right tackle; Wells, right guard; Knight, center; West, left guard; Barton, left tackle; Jarrel, left end; Stargel, quarterback; Pyeatt, right half; Crooks, left half; Messer, fullback.

Texas Professor Starts Japs in Extension Work

When Japanese students are able to study extension courses from their own universities this fall, it will be due in part to the efforts of Dr. C. D. Eaves, professor of history at Texas Technological College, according to a news release from that school.

Dr. Evans recently returned from Japan where he spent a year with the United States Intelligence and Education program, teaching geo-politics to American troops, and later with the Civilian Intelligence and Education program, in which he supervised reorganization of about 80 Japanese colleges and universities in the Tokyo area. He helped introduce extension

courses in these colleges, the first in Japanese history.

The Japanese are making a genuine effort to learn American type democracy and sincerely wish to maintain friendly relations with the United States, Dr. Eaves declared. Although Russian agents are doing everything in their power to hinder American occupation activities in the islands, they are meeting with small success because at least 95 per cent of the Japanese hate and fear Communism and the Russians, he stated.

The professor expressed his opinion that Japanese masses are truly grateful to the United States for giving them freedom of speech and the press, the first they have ever had.

Reception Planned In Amarillo For Margaret Truman

A reception, after concert, is being planned by the Panhandle Concert Bureau in the Panhandle-wide welcome for Margaret Truman following her concert at the Municipal Auditorium in Amarillo on November 7, it was announced this week.

Invitations are now being mailed along with concert tickets, enabling those ticket holders to attend the reception in the Federated Club Rooms of the Municipal Auditorium following the concert, the announcement said.

The Panhandle's hospitality that will be spread for the daughter of President Truman, and those in possession of invitation cards are urged to attend the reception.

courses in these colleges, the first in Japanese history.

The Japanese are making a genuine effort to learn American type democracy and sincerely wish to maintain friendly relations with the United States, Dr. Eaves declared. Although Russian agents are doing everything in their power to hinder American occupation activities in the islands, they are meeting with small success because at least 95 per cent of the Japanese hate and fear Communism and the Russians, he stated.

The professor expressed his opinion that Japanese masses are truly grateful to the United States for giving them freedom of speech and the press, the first they have ever had.

Locals and Personals

Mr. and Mrs. Bill Vitore and son Larry, formerly of Detroit, Mich., stopped in Memphis over the week-end to visit with Mr. and Mrs. Elmo Whaley and other friends en route to Phoenix, Ariz., where they will make their home. Mr. Vitore, known here as Lieutenant Vitore, was stationed at the Childress Army Air Field during the war and he and Mrs. Vitore made their home in Memphis. They are moving west because Larry is unable to live in Michigan due to having asthma.

Mr. and Mrs. Jo Harper and Mr. and Mrs. Grady Roy, all of Childress, were guests Sunday in the S. E. Mayfield home.

Mr. and Mrs. C. M. Hawkins returned home Sunday night after a week's visit in Marionville, Mo.

Week-end guests in the home of Mr. and Mrs. Carl Harrison were Mr. and Mrs. H. E. Barnett and daughter Judy of Amarillo.

Mr. and Mrs. O. B. Rampy, Mrs. Ted Montgomery and Mrs. Ben Moss visited in Lubbock Sunday with James and Patricia Montgomery and Harold Rampy, who are attending Texas Tech.

Mr. and Mrs. G. J. Hinders of Ashtola visited here Sunday with Mr. and Mrs. L. P. Alexander.

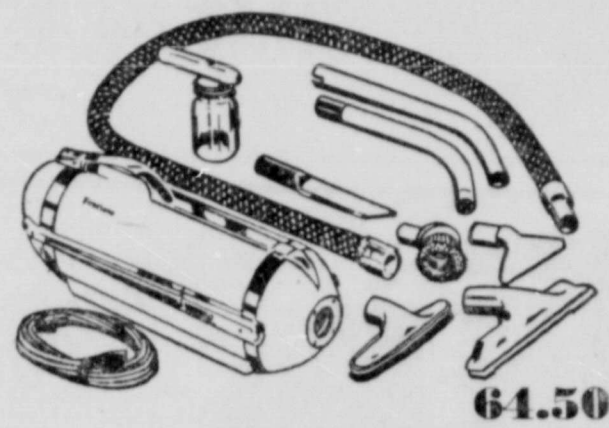

Dr. and Mrs. James Baldwin and son of Quanah visited in Memphis Sunday with his parents, Mr. and Mrs. Byron Baldwin, and other relatives.

Mrs. A. Baldwin returned home Monday night after a visit in Tyler and Dallas.

Mr. and Mrs. D. J. Morgensen were Amarillo business visitors Saturday.

Mr. and Mrs. Robert Grundy of Waco are visiting here this week with his mother, Mrs. D. A. Grundy.

NO PLACE FOR YOUNG PEOPLE

a nation's wealth. What it actually does is to spread the poverty.
 a nation's wealth. What it actually does is to spread the poverty.
 And, in the process, it does an extremely effective job of de-
 stroying incentive, opportunity, and ambition, as well as wealth.

An illuminating example of that is found in a recent editorial in the Portland Oregonian. Some time ago the Oregonian's circulation manager carried on a correspondence with a printer in Dorset, England, and sent him a number of the paper's big Sunday issues. Now, the printer writes, he and his family have decided to emigrate to Oregon. They plan to come in January, even though he has no assurance of finding a job and will be confronted by a severe housing shortage when he reaches his new home. His reason for making so long and difficult a move is stated in this paragraph: "England today is no place for young people such as mine, who are ambitious. The days of private enterprise over here are numbered. Frustration and inertia have come in with a rush, and everyone emulates Mr. Micawber, just 'waiting for something to turn up.' It is a sorry picture, and not all due to the war. We shall be glad to pull out."

That simple declaration goes straight to the heart of Britain's decay, and cuts deeper than reams of statistics and volumes of economic theory. Socialism means the triumph of the bureaucrat. It means that all the energies and resources of the nation become the property of the politicians in power. It means that the poor, no less than the rich, are getting poorer. Worst of all, it means that the individual spirit and drive which created an empire on which the sun never set is rapidly being strangled to death.

So the printer from Dorset is bringing his family to a nation where free enterprise still exists, and opportunity is open to all. Other English men and women are emigrating by the thousands to Canada and elsewhere. They love the soil of England still, but they cannot bear to watch the disintegration of the qualities that made her great.

The duty of the American people is to maintain a nation and a political system which will not tolerate the political forces that are destroying England.

Press Paragraphs—

QUOTING OUR NEIGHBORS

Eisenhower
 General Eisenhower has dodged all around the direct question of whether or not he offered the candidacy for the presidency he would refuse it. His answers resemble the one given on one occasion recently: "Honestly I don't see how I can answer that. People change. They change their religion. But I can say that I want nothing to do with politics and I want no political office. I honestly mean that I want nothing to do with it." The General's answer is at that clearer than the one given by President Calvin Coolidge who gave his famous answer to the same question: "I do not choose to run." As it will be recalled the public did not interpret the message as Coolidge did and he was not given a chance. What Coolidge said between the lines was: I do not choose to run but if I am nominated I will run.—Foard County News.

OPA and Paper
 Newspaper publishers who expected the removal of OPA controls to add materially to the stockpile of newsprint while not increasing materially the cost of the paper itself were deluding themselves as to the course that affairs would take, it is now evident. Latest signs point to further increases in costs before there is any alleviation in the shortages of paper which beset the printing industry. The howls which were general in demanding the removal of OPA controls we know would have been increasingly sharp and there is no reason to think that newspaper people, any more than any others, would like to return to the kind of controls that were in effect. But publishers, like others, would have had the drift from bad to worse headed off by a different

attitude of government toward industry since V-E day.—Floyd County Hesperian.

After campaigning for years against books with foot-notes, I'm a foot-note in John Gunther's best-selling "Inside P. S. A."

(He does use, with credit to the book, "I Give You Texas," some six or seven jokes in the main part of the volume.)

Incidentally, "I Give You Texas" is now available in a newsstand edition, about the size and appearance of Time Magazine, at half a dollar.

A new song contains a line with this marvelous information, "Tomorrow—the day after today."

Probably the longest name for a Texas town, population considered, is Sutherland Springs.

Nearly as long a name is Tennessee Colony.

San Antonio residents, having guests who want to see the old missions, have been known to drive by one of the railroad stations (which are constructed in mission style) and point it out as one of historic landmarks. Thus, the visitors went back home up North happy as having seen—as they thought—San Jose and their hosts were happy, too, at having saved some time.

Bert Williams was the most famous comedian of his day. It is

related that while he was at the height of his fame, he saw a sign, "Amateur Night," in front of a cheap theater, so he entered the contest, went out and sang one of his comic songs in his inimicable manner and won—second prize!

There ought to be some sort of moral in that but I haven't time to figure it out.

The national house and senate talks about "free enterprise"—and then passes a law that restricts the amount of sugar that the United States will have for the next three years to 85 per cent of the pre-war amount and at the same time assures the price will be higher.

This Week in WASHINGTON

THE IMPORTANCE OF FARMER
 cooperatives in a long-range agricultural policy of abundance was stressed by U. S. department of agriculture officials appearing before the joint senate and house agricultural hearings.

Charles F. Brannan, assistant secretary of agriculture said:

"It has long been public policy in this country to encourage farmers to help themselves through cooperatives, thus solving complex economic problems on a group basis. By lowering production costs, increasing marketing efficiencies, and providing a means through which farm families can supply themselves with goods and services not otherwise adequate or available, cooperatives can be an important aid in bringing to rural areas parity of income and parity of facilities.

"Cooperatives offer the most effective means of combatting monopoly in the handling and processing of farm products. They enable farmers to reduce handling charges, both for the goods they sell and for the goods they buy. They prevent attacks upon 'co-ops', the attempts to remove 'co-ops' from the arena of effective action by taxation, testify to the efficiency of this type of organization. Rather than backtrack we should push ahead in the direction of expanding cooperation."

AGRICULTURAL INTERESTS
 seem to hold the stage in Washington this week. The development of U. S. standards for grading processed fruits and vegetables for which no standards now exist, and the improvement of standards already established will be the goal of a research project just approved under the Research and Marketing act.

REGARDLESS OF THE EFFECT
 of Senator Taft's western tour in those states—Washington does not consider him a favorite. In general, the opinion is that he has slipped and that General Eisenhower and Governor Dewey have gained. Republicans have expressed grave doubt that he could defeat President Truman. They are confident that either the General or the Governor could. Democratic leaders, on

Memphis Scouts Observe National Girl Scout Week

Memphis Girl Scouts are participating in special programs in observance of National Girl Scout Week which opened Sunday and lasts through Saturday...

Highlight of the week is October 31, which is the birthday of Juliette Lowe, founder of the Girl Scout movement.

Tuesday evening Miss McCraw's Intermediate Girl Scout Troop met in the home of Mr. and Mrs. Stanley for a Halloween party which took the place of the regular troop meeting.

Girls in Troop No. 2 have recently received their second class badges and are now working toward first class badges, Miss McCraw, leader, stated.

CARD OF THANKS

We wish to express our appreciation to friends and neighbors who came to us with words of sympathy and deeds of kindness at the passing of our loved one. Also for the food and beautiful floral offering. May God bless each of you with friends like this in your hour of sorrow.

Mrs. Annie Kercheville, Ella Mae Kercheville, Mr. and Mrs. W. W. Kercheville, Mr. and Mrs. Grady Phillips, Donald and K.

NOW-make a date to OIL-PLATE!

This time of year, lots of cars need protection, too... from last summer's worn-out "ghost" oils!

Only remedy we know is a quick change to winter-grade Conoco N#1

Free-flowing Conoco N#1 Motor Oil (patented) includes an added ingredient which fastens an extra film of lubricant so closely to metal surfaces that cylinder

walls are actually OIL-PLATED.

This extra OIL-PLATING resists gravity... stays up, won't all drain down even overnight! And that's why you're extra-protected from metal-eating, combustion acids...

For extra-quick starts, for extra-long, safe miles, make a date to OIL-PLATE your engine today!

Your Conoco Mileage Merchant

Lakeview Bows To Cyclone B Squad 12 to 6

Coach Chuck York's fighting B squad of Memphis high school downed the A string Lakeview Eagles, 12 to 6 Tuesday evening at the Eagle Stadium. With the entire Memphis backfield clicking nicely the whole game, the Memphis 11 outplayed the Eagles in every respect.

The game started with Crooks kicking off for Memphis. The Eagles returned the kick to the 30 yard line where, after four downs, the ball went over to Memphis. The Cyclone B squad pushed the ball down to the Eagle 10

where the Lakeview team took over on downs. The Eagles pushed the ball back up field to their own 37 where the quarter ended.

On the first play of the second quarter, Lakeview kicked and Morrison ran the ball back to the Memphis 30. After four plays in which Memphis made a first down, Lakeview recovered a Memphis fumble, where they were held for little yardage, and had to kick. Morrison again took the ball for Memphis on his own 10 and ran it back to the 20 where he was hit hard and fumbled the ball. Lakeview recovered and scored on a pass play into the end zone. The kick for the extra point was blocked. Billingsly received the kickoff for Memphis on the Cyclone 10 yard line and ran it back to the twenty. The half ended in 3 plays with the score 6 to 0 in Lakeview's favor.

The second half opened with Lakeview kicking to Memphis, where Messer took the ball and ran it back to the Memphis 28. After three plays Morrison passed to Crooks who sprinted the remaining 60 yards for a touchdown. They failed to convert for the extra point.

Crooks kicked off for Memphis

and it was taken on the Lakeview 20 by DuVall who ran it back to the 28. After an unsuccessful four downs, Lakeview kicked to the Memphis 50. A pass was intercepted by Lakeview where they were held for only slight gains, until the third quarter ended.

In the fourth period of play, Lakeview kicked to Memphis on a last down where Memphis started an offensive march which ended with a pass from Crooks to Rasco in the Lakeview end zone. Morrison failed to kick the extra point and the game ended with a score of 12 to 6 in favor of Memphis.

The starting line-up for Memphis was Jarrel, Blackman, Kennedy, Knight, West, Barton, Rasco, Morrison, Billingsly, Messer, and Crooks. The Lakeview starters were Driver, Rice, Dick-ey, Mitchell, K. Sams, Williams, DuVall, Verden, and Osburn.

Coach York stated his team would meet the Eagle eleven again Tuesday, November 4, at the Cyclone Stadium at 7:30 o'clock.
