PROJECT LEADER—J. B. Byars of Lakeview is one of the most enthusiastic leaders in the Hall County Registered Canadian Jersey project and he has his family backing him up. Shown above holding their Jerseys are Byars, at right; his daughter, Fay Dean; son John Luther, outstanding 4-H'er; young son Jerry, and County Agent W. B. Hooser. A story on this famed Hall County project was featured in the June 19 Southwest Plainsman.—Photo Courtesy Amarillo Times.

Land Owners Asked To Sign Easements Soon For FM Highway 1041

To insure expediency in the building of the proposed Farm-to-Market Highway 1041, County Judge M. O. Goodpasture urged this week that all owners of lands to be included in the right-of-way sign the necessary easements and acknowledge them before a notary public as soon as possible.

Project May Federal Aid

The Upper Red control and irrigation project there is a good organization's project. Prairie Dog Town receiving federal future following Washington by Fairview, and T. Whis, officers of Tunnell were in June 19 through with Texas officials of the commission. Work for the project was laid in August No. 78, sponsors of Childrens, \$10,000 for work. This bill on May 5. That the project to the Reclamation Department authorize the as a vital mil that time the project trans- Reclamation Com- Fairview Washington Reclamation gave the reason to be would be ap-

PLAINVIEW JCC FIGHT CARD WILL INCLUDE FORMER MEMPHIS YOUTH

Featuring such outstanding young fighters as Laverne Roach, nationally known middleweight, formerly of Memphis, Bill Henderson, Levelland lightweight, and Howell Steen, Dallas middleweight, the Plainview Junior Chamber of Commerce will sponsor 34 rounds of professional boxing on July 15.

Although the 10-round feature bout will pit Henderson against Freddie Maes, Memphis interest centers on the Roach, Steep scrap, a six-round exhibition match.

Roach, who lived in Memphis for a number of years, ranks among the world's top middleweight contenders. The good looking boxer, who now calls Plainview and Lubbock home, started his career in 1938 when he won the district championship in the Lubbock Golden Gloves. While a student at Plainview High school he was also outstanding in track and football.

He made use of his service time in the marines to further his fighting ambitions. Roach was the top fighter on the Cherry Point. (Continued On Page 8)

Last Rites Here For Former Hall Countian Friday

Funeral services for William Garner Kaker, 42, former resident of Hall County, were held at the Church of Christ, Friday at 3 p. m.

Minister Forrest D. Moyer of Post conducted the services. Pallbearers were: O. L. Dameron, S. O. Richardson, P. L. King, Floyd Poer, Clyde Lee, all of Hale Center, and Burl Smith of Memphis.

Burial was in Fairview Cemetery. Arrangements were under the direction of Murphy-Spicer Funeral Directors. William Garner Kaker was born in Wise County on October 24, 1906, and passed away at Bridgeport on June 29, 1949. Moving to Hall County in 1928, Kaker married Miss Madge Knight on October 28, of that year. The family resided in Hall County until 1945 at which time they moved to Hale Center where they were (Continued On Page 8)

Reburial Services To Be Held Here For Lt. P. F. Craver

Reburial services for Lt. Poston F. Craver, Jr., killed on April 7, 1944 at Alghero, Sardinia, will be held at the First Presbyterian Church here at 4:30 p. m. Sunday. Lt. Craver was the son of Mr. and Mrs. B. F. Craver of Memphis.

Rev. B. L. Peacock will conduct the services. Final resting place for Lt. Craver will be in Fairview Cemetery.

The grave side services will be conducted by the Simmons-Noel American Legion Post and the Durrett-Brown V. F. W. Post. Arrangements are under the direction of Murphy-Spicer Funeral Directors.

Poston F. Craver, Jr., was born January 9, 1919, in Memphis. He attended the Memphis schools and was graduated from Memphis High school with the class of 1935.

He married Miss Mary Moore of Estelline on July 14, 1940. Craver was a member of the First Presbyterian Church.

Craver was employed by the Magnesium Steel Co., Oakland, Calif., when he entered the Army Air Corps in 1942. He was a mechanic stationed at Keesler Field, Miss., when he was accepted for air cadet training. (Continued On Page 8)

Clayton Re-Elected Fire Chief Monday

Thomas Clayton was re-elected Fire Chief during the election held by the Memphis Volunteer Fire Department at their regular meeting Monday night. The meeting was held at the City Hall. A new member, Ben Moss, was admitted to the department and Hooper Shaw, who had been on leave-of-absence, was reinstated into the department. Other officers elected for the 1949-50 year include: Robert Duncan, president; John Dennis, vice-president; Harry Aspirin, 1st (Continued on Page 8)

ANTI-POLIO WEEK ENTERS FINAL DAYS OF ACTIVITY IN MEMPHIS

Pioneer Hall County Lady Buried Sunday

Funeral services for Mrs. Effie Lena McQueen, 66, long time Hall County resident, were held at the First Baptist Church here Sunday at 4 p. m. Mrs. McQueen, wife of W. B. McQueen, died in a local hospital Friday. Services were conducted by Rev. Roy Shahan, pastor, and Rev. Rollo Davidson, minister of the First Methodist Church. Pallbearers were: Ted Barnes, J. C. Breeding, Carl Breeding, (Continued on Page 8)

"Anti-Polio Week" is in its fourth day of activity with results to date very gratifying, general chairman Durwood Howell said today.

The American Legion started the clean-up drive Tuesday by completely canvassing Ward 4, it was reported. Using two city trucks, the entire day was spent in hauling off trash and garbage placed in the alleys by the residents of that ward.

New Officers Preside Over Rotary Meeting

Newly elected officers of the Memphis Rotary Club presided over their regular meeting Tuesday noon in the Masonic Building. R. S. Greene was in charge of the program and gave an interest- (Continued on Page 8)

On Wednesday, the Rotary Club reported they had worked Ward 2, using the same system.

Today the Lions Club is sponsoring the clean-up in Ward 1 and the V. F. W. will do a similar job in Ward 3 tomorrow.

Mayor C. C. Hodges has announced that the city plans to take the trucks to Morningside Saturday to complete the clean-up job.

Howell complimented the four organizations co-operating in the "Anti-Polio Week" clean-up work and the citizens of the town who have joined in the task.

"The drive should have even more emphasis during these last few days of activity, however, in order to really make the job successful," he said.

Boy Scout Troop 35 was also complimented for their help in distributing publicity concerning the campaign.

Everyone living in Ward 3 were asked to have their trash and rubbish ready for pick-up tomorrow to help bring the drive to a successful conclusion.

City Council Gives Nod To New Budget

The Memphis City Council approved a budget of some \$50,600 to run the city government during the coming fiscal year at their meeting Tuesday night at the City Hall.

City Secretary D. L. C. Kinard pointed out that this is some \$7,000 over last year's budget. Exact figures on the new budget are \$50,603.70.

These funds have been earmarked for the various departments and projects of the city. The Council also set the property tax rate for the coming year at \$1.50 or 1 1/2 per cent on the \$100 property valuation.

Inspection Fees An ordinance covering construction work within the fire zone was discussed by the Council. This proposed ordinance would require any contractor, whose building or repair work within the fire zone obstructs the passage on sidewalks for a period of more than 10 working days, to build a temporary sidewalk for the convenience and safety of pedestrians.

In line with this, the Council considered a rate of fees for the building inspector under the building ordinance.

The legalities of these two issues will be ironed out by City Attorney Otho Fitzgerald and they will be voted on at the next meeting of the Council.

Hear Contractor Earlier in the meeting, the Council heard Benson McGann, Wichita Falls paving contractor, discuss the possibilities and prices of paving dirt streets in Memphis.

McGann's company is now working on a similar project in Childress. He said the people there have really become enthused with the paving work and although they started the job with (Continued On Page 8)

TEC Opens Office Here for Farm Labor Placement

The Texas Employment Commission has established a temporary office here to help farmers who are suffering from the cotton chopper labor shortage, it was announced this week.

Omer Jordan is in charge of the local office and his headquarters are in the County Agent's office at the courthouse. Jordan said the hours would be identical to those of the County Agent's office, from 8 a. m. until 5 p. m., although there would be times when he would necessarily have to be out of the office.

He asked all farmers to come by as soon as possible and make (Continued On Page 8)

Graveside Services For Noted Educator Held Here Friday

Graveside services for Mrs. Arthur H. Thornton, 75, were held at the Fairview Cemetery here Friday, July 24, at 4 p. m.

Mrs. Thornton died in a Lubbock Hospital Thursday following a short illness. Funeral services were held in Lubbock.

The body was brought overland to Memphis. Graveside services were conducted by Rev. Roy Shahan, pastor of the First Baptist Church. Mar-cum-Vandeventer Funeral Directors were in charge of directions.

She was the widow of the late Arthur H. Thornton, noted educator and president of Goodnight Baptist College. Mrs. Thornton was also well known in education circles. She attended old Trinity University and taught school in West Texas for a number of years. Previous to her retirement, she was a member of the faculty at Lubbock Junior High school.

She was born at Tehuacana, Texas, and had lived in Lubbock for 25 years prior to her death. Mrs. Thornton was a member of the First Presbyterian Church there.

She is survived by two daughters, Mrs. Charles Whitacre and Mrs. J. M. Elliott, Jr., both of Lubbock.

Three granddaughters also survive. (Continued On Page 8)

Memphis Swelters Under First Week Of July Weather

The first week of July brought Memphis one kind of weather—all of it hot—as the temperature soared above 100 on three days and managed to stay uncomfortably close to the century mark throughout the week.

Daily temperature readings, as released by local weather recorder John McMicken:

- Thurs., June 30, 75 and 98.
- Fri., July 1, 72 and 100.
- Sat., July 2, 71 and 101.
- Sunday, July 3, 69 and 101.
- Monday, July 4, 72 and 98.
- Tues., July 5, 72 and 100.
- Wed., July 6, 72 and 101.

Owls Meet Childress; Mangum This Week In RRV Loop Games

The Memphis Owls return to circuit play in the Red River Valley League tonight when they travel to Childress to meet the fourth-place Cats. Memphis is currently holding down third place in the loop standings.

Competition should be keen for tonight's game. In their three past meetings Memphis holds a 2-1 game margin over the Childress Club. Their last meeting was a memorable one in which Doc Pittman turned in a perfect hurling performance for the Owls.

In other games this week Memphis will come home for a week-end of activity with Mangum at Estes Park. Saturday night the Owls meet Mangum in an exhibition tilt and the two teams will square off again Sunday for league play. Mangum is holding second place in the circuit.

Monday night the Owls take to the road again to meet Elk City in an exhibition game.

League Scramble With Wellington continuing (Continued on Page 8)

MEMPHIS YELLOW JACKETS LOSE TO AMARILLO GIRLS TUESDAY

The Amarillo Generals pushed over runs in all but the second inning Tuesday night to down the Memphis Yellow Jackets 13-3 in a Girl's softball game played at the City Park.

The Yellow Jackets tied up the game in the second inning when Freddie Starr Johnson and Nellie Taylor scored. They were aided by Betty Paschall's double. Laverne Dodson made the local girl's final tally in the third inning.

Amarillo scored two runs in the first inning, two in the third, one in the fourth, two in the fifth, two in the sixth and four in the seventh.

Play Borger Yellow Jacket Manager T. D. Weatherby has announced that the girls will meet the Borger (Continued on Page 8)

Memphis Woman's Mother Buried Thursday Morning

Funeral services for Mrs. Louisa Alice Johnson, 78, well-known resident of Hedley and mother of Mrs. D. B. Frisbie of Memphis, were held at 10:30 a. m. Thursday, June 30, at the Hedley Church of Christ. Burial was in Hedley cemetery.

Rev. E. R. Carver of Amarillo officiated. Pallbearers were grandsons: David Frisbie, Paul Frisbie, Royce (Continued On Page 8)

Mrs. Spear Receives

A Letter of Thanks From Gloomy Germany

(Ed. Note—The following letter was recently received by Mrs. H. W. Spear of Lakeview from a grateful lady in Germany who received, and greatly appreciated, a coat which Mrs. Spears had included in an overseas bundle. It tells of story of grief that only a woman who has lost her most valued possession—her home—can fully understand.)

Plauen, Germany
Hartmann Street 13,
May 26, 1949

Dear Mrs. Spear,
On the 19th of May, 1949, I received the wonderful coat which you sent to Germany on the 5th of July, 1948, as a present to one of our German brethren.

I am the happy receiver and thank you so much for it. By the dreadful war I lost everything, my

house, my furniture, my clothes, my linen, my books and shoes and my victuals—all was burnt in the last night of the bombardment of Plauen.

So you may imagine my delight and deep joy when I got your wonderful coat.

Our Lord bless you and have mercy upon you and give you strength, leading you by his hand. I remain, Dear Mrs. Spear, in brotherliness and accord.

Yours thankfully,
Girna Handler.

Misses Nancy Davis and Fannie Davis of Lubbock were visitors here over the weekend. They visited at Lakeview in the home of their grandmother, Mrs. Ida Davis and here in the home of their uncle, Tracy Davis and family.

LAKEVIEW Correspondent

Mrs. Henry McCanne of Memphis visited in the home of Mr. and Mrs. Paule McCanne Monday of this week.

Mr. and Mrs. Joe Durham spent the weekend in East Texas, visiting friends and relatives.

Miss Barbara Blanks is vacationing in Yellowstone Park, Washington state, and Canada. She is accompanied by Fan Kirk, her aunt, Mrs. L. A. Sachse and daughter Virginia Ann Sachse.

Mrs. Paul McCanne and Mrs. J. B. Skinner were hostesses to a picnic at the Memphis park Sunday evening. Those attending were: Mr. and Mrs. Del Wells and son Clayton, Mr. and Mrs. Brown Smith and sons, Marvin and Truman, Mr. and Mrs. E. J. McKnight, Joey and Diana, Mr. and Mrs. Leon Robertson and Karen, Mrs. Harold Gatlin and Sandra Lee, Mr. and Mrs. Paul Smith, Jerry and Sandy, Mr. and Mrs. Lance Leggett, Paul McCanne, J. B. Skinner and Mrs. Skinner's brother C. P. Melton.

Mrs. W. C. Skinner had weekend visitors from Ft. Worth, they were: her nephew Clay Garrison and wife and daughters.

Mr. and Mrs. J. H. Lowe are in Tyler visiting their daughter, Mrs. Monna Grant.

Mrs. C. C. Horschler of Shamrock visited her mother and sisters, Mrs. J. H. Blanks and Mrs. Lance Leggett of Lakeview and Mrs. W. B. McQueen of Salisbury.

Mr. and Mrs. D. H. Davenport Jr., went to Lark, Texas, Monday on business.

Red Foreman and family of Las Cruces, N. Mexico, were visitors in the Morris Robertson home this past week.

Mrs. N. S. Nase visited in Lakeview Monday with her cousin Mrs. C. Dunn.

Mary McCanne has returned home from a months stay in Lubbock and Anton.

Marvin Alexander's sister, Oma and small son of New York City have been visiting in his home. They are on their way to Brazil where she is meeting her husband, and will make their home there.

Mrs. Horace Malone and son Barry of Amarillo spent last week in Lakeview with her father, Mr. D. Baker.

Tim Kirk is home from a visit to Dumas, with his aunt, Mrs. Haakell Srygley.

Terry Kirk is in Creed, Colo., with his aunt and uncle, Mr. and Mrs. Horace Leggett of Memphis.

Mrs. M. L. Smith and Mrs. Ed Hillhouse had as their guests Sunday Mr. and Mrs. Brown Smith and family, Mr. and Mrs. Paul Smith and family, and Mrs. M. L. Smith's niece Mrs. Walter Hagler and husband Walter and daughter, Mary Esther, of Wellington. Mary Esther is visiting with the Smiths this week.

Mrs. B. E. Davenport and daughters, Peggy and Pat, Mrs. Olton Pare and son Ronald, Mrs. Harold Gatlin and children, Sandra Lee and Gary left Wednesday for Dallas and Beaumont.

Mrs. Del Wells and son, Clayton visited her parents, Mr. and Mrs. Worsham of Altus, Okla., Tuesday night of last week.

Mr. and Mrs. Alvin Winters are in Cheyenne Wells, Colo., in the wheat harvest.

Mr. and Mrs. Houston Polasek spent last weekend in Floydada with his father, Frank Polasek. He returned home with them on Monday of last week with their aunt, Mrs. C. C. Crozier. They will be remembered as Billie Ruth and Barbara Ellen Key.

Mrs. W. H. Whitefield is visiting her daughter, Mrs. Lewis Lawson of Amarillo this week.

Miss Addie Fisher, who is a teacher in the grade school, was in Lakeview over the weekend. She is attending school this summer at Texas Tech in Lubbock.

Legal Notice

NOTICE SCHOOL TAX ELECTION
Notice is hereby given that an election has been called by the Trustees of the Memphis Independent School District and said election will be held at the City Hall in Memphis, Texas within said District on the 18th day of July, 1949 within the hours prescribed by law at which election the property tax paying voters in said District will be eligible to vote and will determine whether or not in said District a maintenance tax not exceeding \$1.50 on the \$100.00 valuation shall be levied, assessed and collected for school purposes. At said election R. L. Madden has been appointed and will preside and hold said election. This 7th day of July, 1949.
MEMPHIS INDEPENDENT SCHOOL DISTRICT
D. C. HARRISON, President
5-2e

Mrs. Ben Franklin of Uvalde was a guest Saturday in the home of the Misses Blacks. Mrs. Franklin will be remembered by her friends here as Miss Betty Martin.

Pat Davis of Fort Worth spent the past week end visiting here with his parents, Mr. and Mrs. Tracy Davis.

Flurry of Small Fires During Week

The Memphis Volunteer Fire Department was called into action on three occasions during the week, once on Monday and twice Tuesday, but no serious fires were reported.

Monday's fire was at the City Park when a grass fire got out of control and caught some scrap wood in its wake. Fire Chief Thomas Clayton reported that the blaze was brought under early control with no serious damage resulting.

On Tuesday the local firemen spent a few busy minutes answering two calls that fell within a short period of time after 2 p. m.

The first was at the small grocery store on South 9th St., across from Junior High School where a faulty air conditioner started a blaze and the second was a grass fire on South 16th St. No serious damage was reported.

Mr. and Mrs. Oscar White from Rosewell, New Mexico visited this week with his sister Mrs. Frank Wright. Mr. and Mrs. Oscar White lived in Memphis some 35 years ago.

Future Readers of The Democrat

Mr. and Mrs. E. R. Pate of Dallas announce the birth of a daughter on June 12 in a Dallas hospital. She has been named Nonya and weighs 6 pounds, 12 ounces. Mrs. Pate will be remembered here as Genevieve Prater.

Mr. and Mrs. J. L. Burnett of Amarillo are the parents of a new son, Dunny Carol. Danny was born on June 30 and weighed 8 pounds.

Mr. and Mrs. Leland D. Campbell of Houston announce the birth of a daughter on July 2. She has been named Patricia Ann and weighed 6 pounds, 9 1/2 ounces.

Morningside is Scene of Wedding

Maybell Johnson and Thomas J. Brooks were united in marriage Sunday evening, July 3, at 7:00 o'clock.

L. C. Green, pastor of the Baptist Church of Littlefield, performed the marriage service in the home of the bride in the Morningside addition.

CARD OF THANKS

To the host of friends who came to us with love and sympathy, to those who could not come but sent flowers or messages of condolence, we want to express our special gratitude to the doctors and deepest appreciation. We are especially grateful to the doctors and staff at Odom-Dryden Hospital. May we be more worthy of such friendships.

"No, not cold beneath the grasses, not close-walled within the tomb; rather in my Father's mansion, living in another room. 'Shall I doubt my Father's mercy? Shall I think of death and doom; when I know my love is happy, waiting in another room?'"
The W. B. McQueen Family

New Jet Fig Now Being

WALKER AIR FORCE ROSWELL, N. M., report on the newest jet fighter, the XF-90, started its test flight recently at the flight test plant.

The fighter designed for high speed, high altitude, and capable of attacking enemy aircraft and ground targets, is powered by jet engines.

Employing 35 degree sweep-back, the XF-90 of approximately 60 feet of length, is approximately 15 feet longer than conventional fighters. It is equipped with a pilot seat and air conditioning. Extensive flight tests obtained through the steel and plastic model XF-90 which were high-flying aircraft, being studied by recording.

Memphis Couple Enjoy Vacation Eastern States And Canada

WALKER AIR FORCE
ROSWELL, N. M., July 6 (AP)—The newest jet fighter, the XP-90, started its test flight recently at the firm's Calif. plant.

Mr. Greene accompanied his wife on his vacation through the eastern states and Canada in a private airplane. The flight was a very attractive one, and the couple enjoyed it very much. They visited many of the old cities and towns, and saw many interesting sights. They also enjoyed the beautiful scenery and the friendly people they met.

By the French but you will recall that the English later took Nova Scotia and deported the French as per Longfellow story of Evangeline. Part of the French drifted back but the Scotch largely dominate Nova Scotia. The Evangeline country is beautiful and it is easy to understand why the Acadians always longed to return. Halifax, the capital city, is a mixture of the new with the old but the old predominate. We remained over there Saturday and Sunday and it is the only city of its size that was completely closed on Sunday. No saloons, no restaurants, no business houses, no picture shows open on Sunday. You either stayed at home, went to church or went to the country or sea shore.

It is the gateway for shipping between the United States and Europe and the harbors were full of ships of all nations. The streets on Saturday night were full of sailors on leave from their boats and the city was very gay—but on Sunday you might as well have been in Giles. Millions Of Logs From Nova Scotia we turned back through New Brunswick to Quebec going through Fredericton, the capital of New Brunswick on the way. We traveled several hours along the St. Johns River down which was floating millions and millions of logs which had been cut in the winter on the upper reaches of the river and were being floated down to the pulp mills along the river and to St. Johns. There certainly will be no excuse for a paper shortage when this cutting is transformed into news print paper. In addition to the great flow of logs down the river every farmer spends the winter cutting pulp wood and has it ricked in great ricks for shipment out by rail and truck. They receive \$12.50 per cord for this wood and it supplements their crops which they raise during the short summer season.

lish fought for the possession of Canada which the English finally won. The Citadel, the Plains of Abraham and the gates to the walled city all remain. The walled part of the city is two and one-half miles in circumference. Of course, the greater part of the modern Quebec is outside of the walls. There is only one skyscraper building in town. When it was built the city fathers saw at once that it would not fit into the Old French appearance of the town which makes it so picturesque, so an ordinance was passed prohibiting the building of other buildings not in keeping with the particular architecture of the old town.

Speak French Almost 90% of the Province of Quebec and most of Ontario are French Canadians and speak the French language. In the cities most of the inhabitants speak (Continued on page 6)

45 Cotton Men Complete Short Course at Tech

Doubling any previous number, 45 ginners and cotton growers were awarded certificates of achievement from the third annual cotton classing school Friday at Texas Technological college.

The intensive two-week short course in cotton grading and stapling was sponsored by the textile engineering department through the extension division at Texas Tech, and the cotton samples and facilities were furnished by the U. S. Department of Agriculture.

One phase of the program was a tour of the textile engineering department where the group observed the cotton processing operation in the Chicopee Manufacturing corporation research program at Tech.

The course, which is designed mainly for ginners and cotton buyers, drew enrollees from a 250-mile radius of Lubbock.

Two New Ag Courses Will Be Offered At Tech This Fall

Among the new agricultural courses to be offered at Texas Technological college this fall will be farm law and advanced agricultural statistics in the agriculture economics department. Also there will be two courses of graduate level in animal husbandry.

Legal problems and practices affecting agriculture will be taught in the farm law course. Relations of employers and employees, farm owners and neighbors, farm operators and commission men, farm real estate, lenders and borrowers are among the problems to be taken up in the law course.

The two new courses offered in the animal husbandry department are marketing of eggs and dairy cattle breeding. The first will include all phases of handling and testing eggs as well as final market responsibility and best transportation and storage facilities. The second will concern the techniques of artificial breeding to build up individual dairy herds.

Health Officer Warns Texans To Watch Milk

In view of the fact that June has been proclaimed National Dairy Month, Dr. Geo. W. Cox, State Health Officer, urges that with the more extensive use of milk, both producer and consumer be concerned as to its quality. The use of clean safe milk is a health measure.

Local interest in improved methods of producing wholesome milk has increased greatly in the past two decades and the striking advance in milk control has been responsible for the enormous saving in infant life.

Milk is perishable and especially during hot weather. To insure milk of good quality requires cleanliness, sterile utensils, protection against flies, careful bottling and maintenance at low temperature. The presence in fresh milk of large numbers of bacteria, due to insanitary methods of production is a health hazard.

Dr. Cox added, "Among the diseases which may be transmitted through milk are tuberculosis, typhoid fever, scarlet fever, diphtheria, septic sore throat, undulant fever, diarrhea and enteritis. Numerous milk-borne out-breaks of disease occur every year in this country from the use of milk that might have been safe with proper care."

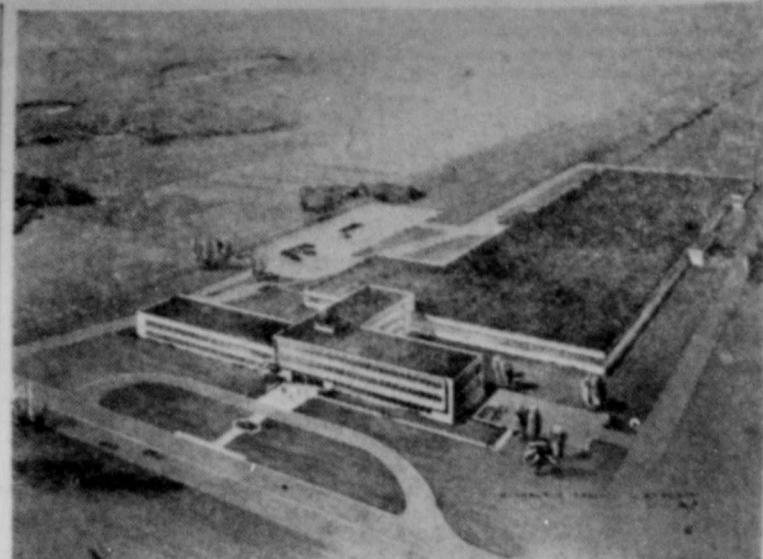

"We should firmly insist that the milk we drink be carefully produced, so that we will have the maximum practicable protection along the line from the cow to the consumer."

Army Chaplains Can Transfer To Air Corps

Secretary of Defense Louis Johnson has authorized the transfer of Army Chaplains on a voluntary basis to the Department of Air Force in numbers and grades proportionate to the overall military strengths of the two departments. The transfers are to be completed by July 26, 1949.

All chaplains on active duty are being asked to state in writing whether or not they wish to transfer to the Air Force. Replies by the individual chaplains will be sent direct to the Adjutant General, attention Chief of Chaplains, Application for transfer after July 1, 1949, will not be considered.

Mr. and Mrs. Coy Davis visited in Dallas over the week end with Mrs. Davis' sister, Mrs. Eddie Pate.

DEARBORN MOTOR CO. WILL BUILD NEW OFFICES NEAR BIRMINGHAM

Construction of a two and one-half million dollar general office building, laboratory, and parts warehouse, and establishment of a multi-million dollar research program in farm equipment were announced today by Frank R. Pierce, President, Dearborn Motors Corporation, Detroit.

Dearborn Motors is the national marketing organization for Ford Tractors and Dearborn Farm Equipment. The new buildings will be located on a 45-acre site at 15-mile road near Cooldige, east of Birmingham. Construction will get underway shortly.

Main unit will be a three-story office building with approximately 85,000 square feet of office space. Laboratory and warehouse will be in a separate building of 165,000 square feet.

New Buildings
The laboratory will house the expanded product research, development and testing activities of Dearborn Motors under the direction of Ralph F. Hunt, manager of Dearborn's engineering and manufacturing division.

"The Dearborn engineering and manufacturing staff already has made noteworthy progress in introducing precision manufacturing and high standards of quality control in the production of our farm machinery," Pierce said. "Likewise considerable work has been done to widen the applications of existing farm implements, and to develop power applications for farm jobs that are not yet mechanized."

The firm's testing farm, Deer Lake Hills Farm, Clarkston will continue to play an important part in product field testing operations. Also, Dearborn Motors Testing Corporation will continue to use testing areas in various sections of the country with varying climatic and soil conditions.

Simultaneously with the announcement of Dearborn's building program, it was revealed that Ford Tractor and Dearborn Implement distributors and dealers are now completing a new building and modernization program costing about \$23 million.

Of Dearborn's 35 distributors, 15 have erected completely new buildings, and eight have modernized and enlarged their facilities. Dealers have built more than 600 new buildings, and modernized 500 more.

Salt--Eat It, Drink It, But Consume Plenty

A deficiency of salt in the human system can cause serious consequences, and for this reason Dr. Geo. W. Cox, State Health Officer, advises every person whose work is such that it causes excessive perspiration to add a pinch of ordinary salt to each drink of water taken during the day.

Farmers, mechanics, carpenters, construction men and all other whose work causes them to sweat profusely are in danger of having their body salt content seriously depleted, and as a result may suffer from heat cramps or heat fat. Salt is a prominent constituent of sweat, and when the thermometer hits the high register, the human body may lose as much as 40 to 50 grams of salt during a single day.

In many industrial plants, workmen are furnished with and urged to take a tablet of pure salt or a mixture of salt and dextrose with each drink of water. Many find this a pleasant way of taking extra salt, but others prefer to add the needed amount of extra salt to their food and drink.

"Take your extra salt in any manner that is agreeable to you," says Dr. Cox, "but take it. Heat cramps are very painful and exhausting. They are characterized by cramps in the abdominal region, headache, and in severe cases there may be nausea and vomiting. Body salt losses occur without the knowledge of the individual until a deficiency exists; then the abdominal muscles begin to cramp."

According to the State Health Officer, it is a wise precaution to keep the body supplied with salt, and thus avoid much possible suffering and loss of time from heat cramps.

TRRA Directors Announce Plans For Coming Year

The board of directors of the Texas Rural Roads Association met in Dallas on the organization's first anniversary last week.

Directors announced plans to consolidate present legislative gains and continue the campaign to establish a system of low-cost, all-weather rural roads in Texas.

"We intend to continue to press for the adoption of a 10-dollars each year, which is necessary plan, supplying 40 million dollars to adequately serve the farms and ranches of Texas with low-cost all-weather rural roads," said Jim Cantrell, Collin County banker and president of the organization.

"The rural people of Texas are grateful to the Legislature for the 15 million dollar per year appropriation, which will enable the Texas Highway Department to carry on the present Farm-to-Market road program," Cantrell added, "but we must bear in mind that appropriation is only for the next biennium and is not for the purposes we have in mind."

Colonel J. I. McGregor of Temple, a vice-president of the TRRA, was named chairman of the state-wide membership organizational campaign at the director's meeting.

Cancer Control Hindered By False Notions

False notions about the causes of cancer are hindering cancer control in Texas to a great extent. I. Louis Neff, executive director of the American Cancer Society, Texas Division, said recently.

"Unfortunately, we do not yet know exactly what does cause the dreaded disease," Mr. Neff said. "What we do know, however, is that certain old-fashioned ideas about cancer are not true. It is a great misfortune that so much about cancer is cloaked in ignorance and fear."

The executive director stated, "In emphasis, that cancer is not caused by a single severe injury, or by the use of aluminum cooking utensils, or by electric refrigeration, or by any particular food or combination of foods, or by the use of alcohol, or by kissing or by any other form of contact between persons or between persons and animals."

"These versions of what causes cancer are all old wives tales," and the more we of the American Cancer Society can do to discredit these false notions and bring the true facts about the disease to the people of this state, the sooner it will be that Texas conquers cancer.

"Cancer is not caused by a germ or infection. It is neither contagious or infectious. Nor is cancer necessarily hereditary. Evidence indicates that children may inherit a certain degree of susceptibility which should make them more alert to warning signals. But here is no reason to assume that children will inevitably die of cancer because one or more parents die of the disease."

The American Cancer Society official pointed out that cancer results when certain body cells rebel against the orderly process of growth and start off on a rampage of lawless expansion, destruction, and death. What causes this wild and destructive growth is not known.

"Until we do find the causes of cancer and develop additional methods of treatment," he concluded, "we must fight cancer with what we now know."

Poached or Fried; It's the Grade of An Egg That Counts

It's the grade that makes the difference. And with eggs that mean Grade AA or A. A perfect poached egg is tender, has a smooth, round shape and stands up.

Here's a tip from Louise Mason, extension foods and nutrition specialist of Texas A. & M. College, about poaching eggs. To make sure it's tender, cook it at a low heat because boiling toughens the white, and the bubbling may break the yolk.

To keep a compact shape to poached eggs, shell them just before poaching. Even the best eggs will flatten out after standing a while, Miss Mason says. Have enough boiling water ready to cover the egg in a shallow pan. Break the egg into a saucer, swirl the hot water rapidly in the pan with a spoon, and slip the egg from the saucer into the hot, swirling water. It is the movement of the water that sets the edge of the egg into a round, even shape.

Take the pan off the stove, cover it and let stand for about five minutes. Then it's ready for the table.

There are several different ways to serve poached eggs besides the old standbys of toast or corned beef hash, Miss Mason says. A poached egg on a bed of hot, cooked greens makes a tasty dish, she says, or you can serve it on a split toasted bun with cheese sauce.

It isn't how you fix them. It's the grade that counts, the food specialist says.

Texas U. Records Show Teaching Is Becoming Popular

If University of Texas College of Education summer enrollment is a barometer, the teaching profession is gaining in popularity. Graduate and undergraduate enrollment is up 20 per cent over last summer, Dean L. D. Haske said.

With higher salaries in the offing, an increase in the number of undergraduates taking teacher training is hoped for to help alleviate the teacher shortage.

Given as reasons for the enrollment rise are special offerings by the University's College of Education of particular interest to teachers and administrators, increasing competition for jobs as school administrators, and a general desire for advanced study at result of the new minimum foundation act.

Membership Drive On By Tri-State Senior Linksters

The annual roundup for members of the Tri-State Senior Golf Association is in full swing.

J. S. Evans, secretary of the Tri-State Association, largest organization of its kind in the world is the boss wrangler.

The Association's 15th annual links tournament will be held at the Amarillo County Club, July 26-30.

Everyone who is 50 years old and who can swing a club is invited. Entr fee is only \$5.00. Merchandise prizes valued at more than \$500 will be divided among an expected entry of from 150 to 200.

There will be a full week of putting tournaments, hole-in-one contests, and special entertainment held in connection with the tournament.

Amarillo's summer nights are the coolest in Texas. Hotel and tourist accommodations are reasonable. The tournament is dedicated to fun, fellowship, and good golf.

Troubled by low egg production? Then it's time to give Dr. Salsbury's Avi-Tab, special drug formula. Peps up lazy layers, stimulates production. Crumbled, easy to use. Just mix in feed for 10 days. Watch your flock respond! Avi-Tab is also for restoring run-down birds to good condition. Ask for Dr. Salsbury's Avi-Tab.

40th Convention Of Rotary Club Has Noted Guests

With an attendance of over 20,000 Rotarians and members of their families from more than 50 countries of Europe, Asia, Africa, and North and South America, the 40th annual convention of Rotary International convened here Sunday.

Opening the Convention program, Dr. Norman Vincent Peale, Pastor of New York's Marble Collegiate Church, declared that the real need of the world today is a great resurgence of the simple practice of the techniques of Christianity. He said that positive thinking and the overcoming of tension are two primary elements in the art of successful living today. A concert by Fred Waring and the Pennsylvanians completed the evening program.

Keynote of this five-day gathering of business and professional executives, representing 6,800 Rotary Clubs in 81 countries, will be the internationality of the Rotary organization. Throughout the Convention program, emphasis will be given to the opportunities which Rotarians have in all parts of the world to assist in the achievement of one of the principal goals of Rotary International—the advancement of international understanding, good will and peace.

The Rotary Convention program includes addresses by outstanding speakers, discussion forums, the enactment of legislation, election of officers, and special entertainment features. Rotarians also will meet by vocational groups to study the problems of their various businesses and professions throughout the world.

Among the speakers scheduled to address the Rotary Convention are Trygve Lie, Secretary-General of the United Nations; Dr. Arthur H. Compton, Nobel Prize scientist and Chancellor of Washington University; Dr. Elbert K. Fretwell, Chief Scout of the Boy Scouts of America; Madeleine Carroll, star of stage and screen; Joe R. Hanley, Lieutenant Governor of New York; William O'Dwyer of New York; William L. Batt, President of SKF Industries; Dan A. Kimball, Assistant Secretary of the Navy for Air, U. S. A.; and Lowell Thomas, noted author and news commentator. Principal Convention addresses also will be made by Rotarians from Australia, England, Honduras, Southern Rhodesia and the U. S. A.

Long Island, off New York, is 118 miles long and from 12 to 25 miles wide.

About 90 per cent of the nation's bauxite, the source of aluminum, comes from Arkansas.

Over 467,000 Tons Of Fertilizer Used By Texas Farmers

Texas farmers are using larger amounts of fertilizer in the growing of their crops. Figures made available by The National Fertilizer Association show that estimated 467,048 tons were consumed in the State last year as compared with 413,649 tons in the preceding year. The 1948 report shows an increase of about 13 percent over that in 1947 and an amazing 294 percent increase over the prewar year 1940.

In the entire country, 1948 consumption topped the previous record year of 1947 by about 6 percent, 15,956,289 tons as against 15,039,376 tons.

The 10-year record of uninterrupted increase in the level of fertilizer consumption is attributable to several factors. An important influence, of course, has been the desire of American farmers to increase their crop yields and their readiness to accept and apply scientific practices that will accomplish this end. Other factors include the declining reserve of plant food in the soil the realization that greater yields per acre can be produced for many crops;

the greater need for high-yielding crops as hybrid corn; and the fact that pasture which should be

all bonus and rentals to the retirement of his debt.

The veterans will NOT be required to live upon the property, but he will NOT be permitted to dispose of it for a period of three years.

Payments of principle on note with interest will be made on a semi-annual basis. Each veteran will receive a contract of sale from the state and upon final payment he or she will be granted absolute title.

Failure to make payments when due, permits the Board to revoke the contract of purchase and to forfeit the land which can then be offered for resale to other veterans.

A veteran may reinstate his land which has been forfeited, up to the announced date of resale by payment of a penalty and placing account in good standing.

The Board in its first meeting named Alvis Vandygriff as executive secretary.

Vandygriff, an attorney, who hails from Ennis, Texas, has been serving as Chief Clerk of the General Land Office. He is a veteran of World War II having served as a Major in the Army Air Force. He was selected by the Board to direct the administrative machinery of the new program on the basis of his long experience in the Land Office where the offices and records of the program will be maintained.

Ft. Worth Readies For 'Fiesta-cade' At Farrington Field

Being on the gridiron will be nothing new to at least one of the actors when "Fiesta-cade," Fort Worth's centennial celebration, is given July 16-23 in Farrington Field, the high school stadium.

Ki Aldrich of football fame has the role of the teacher. In Fort Worth's first school, one of the episodes in the immense outdoor spectacle. As a football player at Texas Christian University some 10 years ago, Ki won all-American honors, and later played professional football with the Cardinals and the Redskins. He now is superintendent of the Lena Pope Home here for children, so he is used to dealing with kids and the role of the teacher is easy for him.

With a cast of 2,000, a 300-foot stage and authentic costumes and properties, "Fiesta-cade," will bring back to life the dramatic, exciting and entertaining highlights of the past century in Fort Worth and this region. Some of the 20 episodes are lift in an Indian village, founding of Fort Worth as an Army post in 1849, cattle trail days when Fort Worth became known as the "Friendly City", coming of the first train, the "Gay Nineties," the fire at the Spring Palace in 1890, a scene from Casa Manana, and World War II days. A big fireworks display each night will conclude the show.

Mail orders for tickets are being received at the Central Ticket Agency, Hotel Texas. Seats are \$2.40 and \$1.80 in the reserved sections.

Mr. and Mrs. Gene Lindsey visited in Dallas over the Fourth of July holidays with Mrs. Lindsey's parents, Mr. and Mrs. H. B. Gilmore. Their daughter, Pamela, who had been visiting with her grandparents for the past two weeks, returned home with them.

Mr. and Mrs. G. S. Sigler of San Antonio and Mrs. S. Braswell Locker and children of Brownwood arrived in Memphis today to visit over the week end with relatives and friends. The Siglers are former Memphis residents.

Likes to Travel Aerial Artist — The Rainbow Trout

(The following article, compiled by James Heddon's Sons, manufacturers of fishing tackle, will prove of interest to local fishermen. It is a discussion of the Rainbow Trout, and is published following request of local citizens made to Bill Moore, Brownwood sportsman who visited in Memphis recently).

The robust rainbow trout is not only one of the most beautiful members of this romantic family but also one of the most spectacular and satisfying performers. Its fast and powerful runs interspersed with breath-taking jumps make it a favored individual with veteran trout anglers.

For many years the rainbow trout has been confused with the steelhead and until recently the rainbow and steelhead were regarded as two separate species. Scientists now agree that these are one and the same fish—the steelhead merely being a rainbow that was migrated to sea.

Rainbows that migrate from streams and rivers to large landlocked freshwater lakes are called steelheads in some sections of the country. The rainbow, including the steelhead clan, is the most likely distributed member of the trout family.

NAMES . . . California Trout, Coaster, Coast Range Trout, Hardhead, Pacific Trout, Salmon Trout, Steelhead and Steelhead Salmon.

CHARACTERISTICS . . . The rainbow possesses the migrating instinct more than any other trout, and does not like to "stay put." This, coupled with the fact that it can survive in warmer water than any other trout, accounts to a large extent for its wide distribution.

The color of the rainbow trout found in freshwater streams and rivers varies greatly but is generally a bluish or olive green above the lateral line, shading into a silvery green on sides. Sides, tail and dorsal fins are profusely spotted with small dark spots. A wide lateral band of lavender red runs along the sides from head to tail. Lower fins are dusky or whitish.

RANGE . . . While the rainbow trout originally was a westerner, found only on the Pacific slope of the Sierras, from California to Alaska, it now has been successfully introduced into nearly all states except the southern part of those bordering the Gulf of Mexico.

Although the rainbow prefers the larger swift-flowing streams of the West, it does nicely in the smaller streams of the East, provided they have fast water and are not too small. The rainbow loves swift water and will be found in the fast stretches rather than the slow-moving currents.

Fish for them at the edge of strong currents and at the head of rapids or under overhanging banks where the current is swiftest.

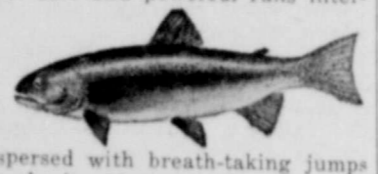

SIZE . . . The world's record rainbow, caught on rod and reel, was taken by Wes Hamlet in Pen d'Orielle Lake, Idaho, Nov. 25, 1947. It weighed 37 pounds.

The size of the rainbow depends almost entirely upon the waters from which it is caught. On small streams the average will approximate 1 pound. In larger streams and rivers, or fair-size lakes, the average weight will be 2 to 4 pounds, and 5 to 6 pounders are not rare.

FLAVOR . . . Excellent when taken from wilderness streams; only fair when not in prime condition or when freshly released from hatcheries.

FOODS . . . Insects in the larvae and mature stages, worms, flies, minnows, crustaceans and salmon eggs.

LURES . . . Fly fishermen find rainbows will yield to the temptation of wet and dry flies in tiny 18 and 20 sizes as well as the larger 6, 8 and 10 sizes; also streamers, salmon flies, bucktails, salmon eggs, spoons and spinner and fly combinations. Small lures like the popper spook and wilder dill minnow are ideal.

Plug casters take them on small lures in the 3/8 oz. and under class, like the midget river runt or midgit dgit; in large bodies of water where the rainbows wobble like Lucky 13 bow reaches plant proportions, and bass and spoons produce.

METHODS . . . For ordinary rainbows, fly rod fishing with either live or artificial bait produces the majority of catches.

TACKLE . . . Fly fishing the ordinary streams for rainbows calls for standard fly fishing tackle such as fly rods made of tempered, split bamboo in light-trout or standard-trout actions. Leaders should be as light as possible and the reel either single action like the Imperial, or automatic.

Any standard wet or dry flies ranging from the tiniest sizes up to large streamers will be found alternately good. Small fly rod spoons, bucktails and wobbling lures like the midget river runt are excellent in deeper, larger streams.

Casting rods like the "Pal" in the 5 and 5 1/2-foot lengths, lighter actions, when used with the smaller casting lures like river runs in both floating and diving models, are becoming more popular each year. The lighter steel lines in the 6 to 10-pound range are preferred together with a lightweight casting reel. A long nylon leader of equal poundage should be used.

A&M Husbandman Warns That June Heat Hurts Swine

"The good old summertime" often means a bad time for the hogs. June is the month hogs may become so overcome with the heat they die, even though the temperature climbs higher in July and August.

Apparently the hogs become adjusted to the heat during the latter part of the summer, says E. M. Regenbrecht, extension swine husbandman of Texas A. & M. College. Now is the time to watch your hogs to make sure they have plenty of cool shade, lots of drinking water and, if possible, a sanitary hog wallow.

It's better to handle the hogs on dry ground in the summertime, rather than allow them to lie in an old mud hole constantly. A concrete hog wallow, he says, is better than the mud hole. The wallow should be constructed out in the sun, but very near the shade. There's a reason for this. This way, a small wallow will take care of a large number of hogs. With the wallow out in the sun, the hogs will get wet in it, then go immediately to the shade and lie down. A breeze will keep them cool until they dry off.

On the other hand, if your hog wallow is in the shade, you'll find the hogs will stay in the pool all the time. As many hogs as possible will pile in, crowding out some that may become overheated.

It's not good for hogs to stay in the pool all the time, Regenbrecht concludes. So, the arrangement of the wallow in the sun near the shade will give all the hogs a chance to keep cool.

Mrs. E. H. Stanford left Tuesday for Abilene to be with her daughter, Mrs. Brown McMurry, who underwent major surgery.

February is usually the warmest month in Rio de Janeiro.

Only about 4 per cent of Brazil's area is under cultivation.

March of Dimes Contributions Reach New High

A record total of \$25,728,000 was raised in the 1949 March of Dimes to continue the fight on polio, it was announced today by R. C. Lemons chairman of the Hall County Chapter of the National Foundation for Infantile Paralysis. The comparable figure for last year was \$21,600,000.

Mr. Lemons disclosed results of the 1949 March of Dimes appeal following receipt of a letter from Basil O'Conner, president of the National Foundation, who expressed his thanks to the American people and the thousands of volunteers throughout the country who made the drive the most outstanding in the organization's history.

Half the sum raised after expenses will be used by national headquarters to support its research, professional education and training programs, and to supplement resources of its local chapters in epidemic emergencies. Chapters retain the other half to pay for care and treatment of polio patients and epidemic aid.

Mr. O'Conner's letter to the local chapter chairmen declared that despite the record breaking drive "the need for funds to fight polio still remains extremely critical" because of the unusually severe epidemics experienced in recent years.

"Last year's epidemic, the worst in 32 years, exhausted reserves of the National Foundation," Mr. O'Conner disclosed in his letter. "In the five-year period ended in 1948, the 96,974 cases of infantile paralysis recorded in

the nation were more than double the 42,738 cases reported in the preceding five-year period. At the same time, per patient costs of hospitalization and medical care also have more than doubled in the last decade.

Polio Research

Almost \$2,000,000 additional March of Dimes funds to step up research and professional education in the field of poliomyelitis have been allocated to more than a score of leading medical research laboratories and institutions throughout the nation. Lemons said.

Lemons made the disclosure following receipt of a letter from Basil O'Conner, president of the National Foundation for Infantile Paralysis, announcing mid-year grants and appropriations by the National Foundation totaling \$1,983,851. This brings to more than \$2,500,000 sums allocated by the organization for research and education projects this year, and the total since establishment of the National Foundation in 1938 to more than \$25,600,000.

Included in the total are \$921,968 for new projects in virus research; \$953,317 for professional education and training, and \$96,566 for study of after-care of the disease.

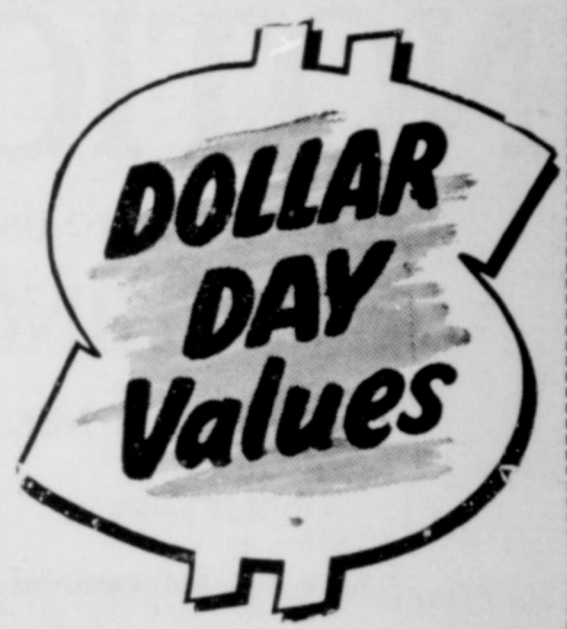

Thirteen medical schools and institutions from coast to coast share the new grants for virus research. They are: New York University-Bellevue Medical Center, New York City, which received \$33,474; University of Minnesota, Minneapolis, \$29,666; Michigan Department of Health Laboratories, Lansing, \$38,360; University of Michigan, Ann Arbor, \$201,100; Bowman Gray School of Medicine of Wake Forest College, Winston-Salem, N. C., \$15,955; University of Washington, Seattle, \$18,370; University of

California, Berkeley, \$308,249; University of Pittsburgh, Pa., \$10,000; Johns Hopkins University, Baltimore, \$93,490; Yale University, New Haven \$62,373; Chicago Board of Health \$47,920; University of Tennessee, Memphis, \$3,700, and the University of Cincinnati, Ohio, \$39,320.

- Friday, the sixth day of the week, was named after Frigg, the wife of Odin.
- Many people who figure the world has an opening for them usually find it—they end up in the hole.
- More people have become successful by profiting by mistakes of others than by reading success stories.
- Vacation time will soon be here again. Try to make it a time of rest and relaxation, not a matter of miles and hours.
- Ever notice how people buy things they don't want with money they don't have just to keep up with the neighbors?
- Many a story gets its start at club meetings—probably the sense of "rumor" of some members.
- Foil is an extremely thin layer of rolled metal, such as gold, tin or lead.
- Live only for today—yesterday is gone and tomorrow is as yet unborn.
- Good advice: Do today's work well and forget about what tomorrow may bring.
- Kickback may sound like a football term, but is more familiar in political circles.

"TRULY YOURS"

Every prescription your pharmacist fills for you is as personalized as your finger print. Each is written to correct certain conditions your physician recognizes. He names specific drugs, in correct combination and dosage.

The prescription is truly yours. When your pharmacist compounds it he gives you what your physician has decided to be the remedial agent best suited to your case.

People sometimes take a prescription prepared for someone else because they feel they have the same condition. This practice is dangerous. Symptoms which appear similar to the layman can indicate widely differing diseases requiring entirely different treatment; dosages effective for you can be harmful or inadequate for another.

Always remember that the prescription your pharmacist carefully compounds for you is written for you and for no other person on earth.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

Softball League

BEARCATS LEADING JUNIOR LOOP; CARDINALS SHUT OUT LESLEY 8-0

Ronnie Smith's Bearcats took a victory via the forfeit route in the Junior Softball League Friday night when their scheduled opponents, the Longhorns, failed to appear. This advances the Bearcats to first place in the loop standings.

The Intermediate League All Stars beat the Bearcats by a close 8-4 score Friday night.

Bobby Crooks, Duane Miller, Chubby Cullin, Freddy Vinson, Billy Combs and Bobby Pat Young led the scoring for the All Stars team.

Don Ivy, Ronnie Smith, Roy Don Coleman and Roddy Bice paced the losers.

The next Junior League tilt is scheduled for July 8 when the Longhorns will meet the Eagles.

Intermediate League

Duane Miller's Cardinals handed the Lesley softball team a startling 8-0 defeat in a thrilling seven inning contest Friday night.

Cardinal pitcher Lloyd West gave up only six hits as he pitched his team to the shut-out victory.

Jimmy Steward, Carl Lee Jr., Chubby Cullin, Duane Miller and Troy Taylor each collected hits off Lesley hurler Joe Booth.

Recreational director Ted Myers said this week that the Intermediate League teams, the Cardinals, Tornadoes and Renegades, are interested in playing more

MEMPHIS TAKES 9-3 WIN FROM PADUCAH SATURDAY

The Memphis Owls collected 15 hits off two Paducah hurlers at Estes Park Saturday night to drub the visitors from the Greenbelt League 9-3.

Leonard Ruyle was the winning pitcher. He held the visitors to seven scattered hits, struck out eight and issued six walks.

Paducah used Staggs and Goodman on the mound and Staggs was charged with the loss. During his five innings of work he allowed seven hits and six of the Owls runs.

Memphis scoring was fairly well-scattered throughout the contest, three runs in the first, two in the third, one in the fourth, two in the sixth and a final run in the bottom of the eighth.

The Paducah Blue Sox, leaders in the Greenbelt League, scored their three runs in the waning innings, one in the sixth, eighth and ninth, respectively.

LaFollette led the Owl's power parade with a centerfield home run in the first inning. His circuit clout brought in Coppage who had reached base on a double.

OES Instruction Chairman Holds Study Night

Mrs. Hattie Dem Thompson, chairman of the Instruction Committee Memphis Chapter, No. 351, Order of the Eastern Star, held a study night on June 30 at the home of the worthy matron, Mrs. Anna May Foster. A thorough study was made of the work required to receive a "B" certificate.

Delicious refreshments were served to Della Palmeyer, Anna Dickson, Florine Davis, Ruth Smith, Elsie Gidden, Katie Posey, Mary Lou Erwin, Winnie Johnson, Hattie Dem Thompson and Anna May Foster.

Mr. and Mrs. J. W. Bragg, students at Texas University, visited here during the holidays with his parents, Mr. and Mrs. W. J. Bragg. They returned to Austin Monday.

Robert Breedlove was a business visitor in Vernon Thursday of last week.

Mrs. A. Anisman and son Sheldon are visiting with relatives in Pittsburg, Penn. They left Memphis last week and plan to be gone about six weeks.

PLASKA

BY MRS. H. A. HODGES

Mr. and Mrs. W. C. Hignight and son, Shelby, visited Sunday with his sister and family, Mr. and Mrs. Hubert Griffen of Dimmit.

Mrs. H. F. Adcock is visiting with her son and wife, T/Sgt. and Mrs. Cecil Adcock of San Antonio, Texas.

Mr. and Mrs. Hubert Hall and children will visit her parents, Mr. and Mrs. Renfro of Belcherville, Texas, this week-end.

Mr. and Mrs. Jim Alewine of Houston are here visiting his parents, Mr. and Mrs. Vince Alewine. Mr. Alewine is able to be up and around since his operation.

Mr. and Mrs. G. D. Hall had as their guests Wednesday, Mr. and Mrs. Cecil Tubbs and children of Amherst, Texas.

Mr. and Mrs. J. M. Province have returned home after visiting with their daughter in Canyon.

Mr. Hamton, Mr. and Mrs. Charlie Dollar and daughters and Mr. and Mrs. Norman Dollar and children, all of Ft. Worth, and Mr. and Mrs. Jordan Brock and son of Amarillo spent the week-end with Mr. and Mrs. T. J. Brock.

Mr. and Mrs. Homer Hall and family of Comanche spent the week-end visiting relatives here.

Norma Sue Hall returned home with them for a two week visit.

Mr. and Mrs. Harold Hodges Dorothy and Robert Allen, spent the week-end in Lubbock visiting his sister and family, Mr. and Mrs. O. T. Lindsey and son, Harold, Sam Forkner accompanied the Hodges family to Lubbock where he visited his son and family, Mr. and Mrs. Roy Forkner.

Mr. and Mrs. Lois Wells and children of San Francisco, Calif., are visiting her parents, Mr. and Mrs. J. M. Oliver.

Mr. and Mrs. Homer Hall and children of Comanche, Freddie Jo Hall of Lubbock, Mr. and Mrs. Doyl Hall and daughters, Mr. and Mrs. Arnold Hall and family and Mr. and Mrs. G. D. Hall met with other relatives at Lake McClellan Sunday for a family reunion.

Mr. and Mrs. M. M. Shirley of Friona are visiting with their daughter and family, Mr. and Mrs. Collin Craghead.

Mr. and Mrs. Gene Koeniger and children visited last week with her grandfather, G. P. Byram, in Greenville.

Mr. and Mrs. E. J. Galloway spent last Thursday with his daughter and family, Mr. and Mrs. Sue Sponnagel of Hedley, who have a new baby in their home.

Mrs. Jo Barnett of Lakeview visited last Tuesday in the home of Mrs. W. L. Nabers.

Little Mike Nabers, son of Mr. and Mrs. K. D. Nabers, Jr., is in the hospital with a throat ailment.

Christine Durret of Lakeview spent Friday with Mrs. K. D. Nabers, Jr.

Mrs. W. L. Nabers is able to be up and around since her return from the hospital.

Guests in the Leo Koeniger home Friday of last week were Mr. and Mrs. S. E. Koeniger, Mr. and Mrs. E. E. Koeniger and Mr. and Mrs. D. H. Koeniger, all of Hale Center. They came to Memphis to attend the funeral service of a cousin, Garner Kaker.

Mrs. Ruby Frisbie and brother Duke are visiting in Silverton, Colo., with their sister, Miss Ruth Frisbie.

Memphis Couple
 (Continued from Page 3)
 enough English so that an American can talk to them but when they talk to each other they always revert to French—the language

with which they are most familiar. In the rural district I stopped at several places where no one understood English so I had a difficult time in making my wants known. My knowledge of French was absolutely nil.

Most of the inhabitants are Roman Catholics in religion. In the early days of the settlement of Canada the Roman Catholic Church secured many large grants of land throughout Canada and particularly the rich lands along the St. Lawrence river. They still retain title to these lands and they are not for sale but are rented to farmers and the rentals are used to support the Catholic Church.

Hence every little hamlet has a cathedral and the cities many of Catholic cathedrals while the protestant churches have only seven small churches and the Jews one synagogue.

Wonder why the Protestant church of America didn't think of this plan? It would certainly be an easy way to meet the budgets which we have to meet each year.

At St. Anne Beaupre, 23 miles east of Quebec, the Catholic church has established the largest Cathedral, homes for the priests and nuns, hotels and hospitals and what not to be found in the entire world. This trip is one of the "musts" for the visitor to Quebec.

Visited Dionne Home

From Quebec we drove the St. Lawrence to Montreal and then up the Ottawa River to the capitol at Ottawa and spent a day seeing the sights of that capitol city. Then west through the sparsely settled country of western Ontario. We digressed four miles from the main highway to visit Callender, the home of the Dionne Quintuplets.

Canada built them a beautiful home but a high fence around it is now marked "No Admittance" and all the buildings that were used for souvenir hunters when the quints were young are now boarded up. Contrary to the impression I had when they were way out in the wilderness they are only two miles from Callender, a railroad town, and eight miles from North Bay, a town of some 10,000 inhabitants.

We spent the night in Sudbury the great mining town in the heart of the nickel and copper mining district, then left Canada at Sault Ste. Marie traveling along the northern peninsula of Michigan to avoid the congested district of the southern part of the state. The Northern Peninsula was at one time a great lumbering district but most of it has been cut over and the towns along that route are dwindling in size instead of making progress.

And On Home

We returned home by the way of Minneapolis—where I made a personal tour of the great Mun-

some 8,000 miles of trouble whatever or three small routes.

Glad to be home place on the way would rather spend the year than to

OES Holds Regular Meeting Tuesday At Masonic Hall

Memphis Chapter, No. 351, Order of the Eastern Star, held its regular meeting at the Masonic Hall on Tuesday evening, July 6.

An arrangement of yellow and orchid dahlias decorated the East. The officers in white formals and red corsages performed the opening march. The chapter was opened in regular form. The worthy matron, Mrs. Anna May Foster, presided during the business session after which a lovely obligation service was held.

Soft lights illuminated the white satin draped altar on which the Bible, Mrs. Isabell Cypert advanced to the altar and kneeling gave the obligation prayer. Mrs. Bonnie McMillan, Mrs. Vay I-mmonds, and Mrs. Elsie Gidden approached the altar with red candles, placed the candles on the altar, and gave appropriate words of introduction. Mrs. Vera Gunstream, Mrs. Florine Davis, Mrs. Winnie Johnson, Mrs. Anna Dickson, and Mrs. Della Palmeyer explained the star point emblems after which the officers and members formed a circle around the altar and repeated the obligation together.

Mrs. Maudel McCauley was welcomed as a new member. Mrs. Reba Stroehle was welcomed as a visitor.

Refreshments of punch and cookies were served.

Mr. and Mrs. Paul Frisbie of Plainview were Memphis visitors during the holidays. They visited with their parents, Mr. and Mrs. B. D. Frisbie and Mrs. Viola Lollis.

Mr. and Mrs. J. J. Simons attended the rodeo in Amarillo Sunday.

out-of-town teams during the summer.

He said the teams will be glad to play any Friday night at the City Park and will return out-of-town games on Tuesday or Thursday nights. Towns interested were asked to contact Myers or Duane Miller, Jimmie Morrison or Donald Corley.

Local Scouts Win Several Contests At Camp Kiowah

Scouts of Troop 35 returned to Memphis Sunday, June 26, from Camp Kiowah with a number of honors for their achievement during their week's stay at the camp.

Scoutmaster Ted Myers reported that the Memphis archery team, composed of Carl Lee and Tom Messer, took first place in the archery contest at the camp. Their team score was 110 with Lee collecting 63 points and Messer 47.

Borger and Pampa finished behind Memphis in that order in the contest.

Ronnie Smith and Jimmie Davis won Troop 35 second place in the Tenderfoot Canoe Racing and the troop finished fifth in the Water Carnival.

On Thursday Troop 35 won Table Honors at Camp Kiowah for their cleanliness and courteous manners at mealtime.

Myers said that several of the scouts did advancement work while at camp. Robert Breedlove passed his nature study and first aid in Second Class work and Ronnie Smith and Jimmie Davis passed a first aid course.

Ronnie Smith, Roy Richardson and Carl Lee were selected from the Memphis troop to join 30 other scouts acting as Camp Kiowah guides during the impressive dedication ceremony held Saturday afternoon, Myers stated.

Myers said a large crowd was present for the ceremonies, during which a new \$25,000 mess hall was dedicated.

Included on the guest speakers' list for the dedication were Rev. Douglas E. Carver of Pampa and a number of regional scout officials.

Attending Camp Kiowah were Robert Breedlove, Roddy Bice, Tom Messer, Carl Lee, Roy Richardson, Ronnie Smith, Jimmie Davis and Ted Myers.

Freewill Baptists To Hold Revival

There will be a revival meeting at the First Freewill Baptist Church here beginning Monday, July 11, it was announced this week.

The revival will be held through July 22. Each meeting will start at 8 p. m., it was pointed out.

Rev. J. A. Brooks of Ft. Worth will conduct this revival and the public has been extended a cordial invitation to attend.

Carter Returns Home With Story, No Fish

Gray Carter, pastor of the Church of Christ here, returned to Memphis today following a 500 mile trip through the Western states during which time he held a two-week meeting at Missoula, Montana.

Carter said he will return to the pulpit at the Church of Christ here Sunday morning.

He reported a very enjoyable trip, during which time he visited in nine states, enjoyed several days of fishing and traveled to a number of famous scenic spots including Yellowstone National Park.

Carter said the fishing was fine but wouldn't comment on his results other than to say he "hooked the biggest one in the lake."

Legion's Zone 7 Elects Officers

Officers for the newly organized Zone 7 of District 18 of the American Legion were elected at their meeting Thursday night at the Simmons-Noel Post here.

Jimmy Faulkner of Turkey was elected commander of the zone and Frank Van Pelt, Memphis, was elected vice-commander.

Charles Gibson, commander of District 18, was present to install the officers. An outstanding guest at the meeting was Harry McCain, Plainview, Grand Chef de Train of the 40 and 8.

The next meeting of Zone 7 will be held at Childress on July 22. Included in Zone 7 are the posts at Memphis, Childress, Turkey, Paducah and Matador.

Cavness To Head New Set-Up Under Gilmer-Aiken Bill

State Auditor C. H. Cavness, under Senate Bill 116 which was signed by Governor Jester, given the job of temporarily performing the duties of Commissioner of Education thereunder, stated that plans are being made to put the Act into effect just as soon as possible. "Getting the public school foundation program financing section of the Gilmer-Aiken laws under way will be a rather large task, which I did not ask for," said Cavness, "but with the cooperation of every body involved I am sure we can do it and on time. In a few days we will have set up a corps of competent public school administrators, tax me and program organizers who will work with the School Boards, the County and School District Superintendents, and the School Tax officials—and will get the necessary information into the hands of all concerned with little delay."

Cavness announced that the director of the State Auditor's Foundation School Program Act division will be L. P. Sturgeon, on leave from his position as superintendent of the New Boston, Texas, school system. He stated "We are fortunate in securing Mr. Sturgeon's services—he has been in school work for many years, having been superintendent at New Boston for the past eight. He is past president of the State Association of Equalization Schools, is a director of the Texas Association of School Administrators, and is a member of the Executive Committee of the Texas State Teachers Association. He received both his B. A. and M. A. degrees at East Texas State Teachers College of Commerce."

J. Warren Hitt, personnel and research director on leave from the Austin Public Schools, will be assistant director; Wm. A. Harrison, now First Assistant State Auditor, will be Audits Supervisor; and P. E. Hutchinson will head the program review section. Cavness also announced, stating "All of these men have excellent qualifications for this work. For several years Mr. Hutchinson has been with the Joint Committee of the Legislature on the State's program of Equalization and Transportation Aid to schools."

Further announcements will be made soon of additional key personnel and of procedures to be followed in putting the State's new public school financing program into effect Cavness said.

Memphis Woman's

(Continued from page 1)

Frisbie, Buck Frisbie, J. M. Dickson and J. D. Wooddell.

Mrs. Johnson was also the mother of T. E. Johnson, former news editor of the Memphis Democrat, now living in Amarillo.

Born Dec. 6, 1870, at Marietta, Miss., Mrs. Johnson taught there several years before moving to East Texas to teach. She was married to Charles Y. Johnson in 1894 and the couple returned to Mississippi until 1910 when they moved to Ballinger. They moved to Giles in 1912. Johnson preceded her in death.

Mrs. Johnson was a member of the Church of Christ and had been very active in church and civic work at Hedley. She moved to Memphis to live with Mrs. Frisbie two years ago because of failing health.

Mrs. Johnson died Tuesday morning, June 28, in an Amarillo hospital where she had been a patient for the past two weeks.

Survivors include three daughters, Mrs. Frisbie, Mrs. Ruth Schenck, Midland, and Mrs. Zelma Latimer, Amarillo, and four sons, Charles, Phil and T. E. Johnson, all of Amarillo, and L. H. Johnson, Ft. Worth.

FARMING HAS DANGERS

Farming was rated as the fourth most dangerous occupation in 1948. Only transportation, construction work and mining and quarrying had higher death rates per 100,000 workers.

FARM FIRES COSTLY

Fires cost American farmers nearly 90 million dollars in 1948. The preponderance of frame buildings and inadequate fire fighting equipment were listed as major causes for this total.

Memphis Girls Lose

(Continued from page 1)

Sally Ann's at Borger tomorrow night. The Yellow Jackets have no scheduled opponent Tuesday night but will play an out-of-town opponent here, Weatherby said.

They will play a return game with the Amarillo Generals at Amarillo on Wednesday, July 20, Weatherby said.

Starting line-up for the Yellow Jackets Tuesday night: Nancy Jones, ss; Laverne Dodson, c; Bobby Davis, lf; Freddie Starr Johnson, p; Mozelle Shepherd, 2b; Nellie Taylor, cf; Billie Jones, 3b; Betty Paschal, lf, and Jimmie Wheeler, rf.

Weatherby said the new uniforms were royal blue, trimmed in gold, with the word Yellow Jackets written across the back of the blouses in gold.

The Yellow Jackets 6-1 loss to the Borger Bees Friday came at the hands of one of the Panhandle's outstanding girls' teams, it was pointed out. A shortage of players hurt Memphis chances and the game was called at the end of the fifth inning due to bad weather.

Exciting Game

Tuesday night's scrap with Sallie Ann's here was an exciting, high scoring affair. The Yellow Jackets held a commanding 12-3, lead until the fifth inning when the Borger visitors began a rally that nearly proved fatal to the local team's hopes of victory.

The visitors scored five runs in the fifth inning, one in the sixth and five in the top of the seventh.

Trailing 12-14 in the bottom of the seventh, the Yellow Jackets rallied with four runs to give them their margin of victory.

Starting line-up for the Yellow Jackets Tuesday night: Nancy Jones, ss; Betty Paschal, lf; Laverne Dodson, c; Mozelle Shepherd, 2b; Nellie Taylor, cf; Bobby Davis, p; Billy Joe Jones, 3b; Jimmie Wheeler, rf; Violet Townsend, 1b.

Weatherby said the team wished to thank the following firms and individuals for contributing to their fund and making the purchase of the new uniforms possible: Greene Dry Goods, Hollis Boren, Frank Monzingo, O. V. Alexander, Matthew Allen, Durham Pharmacy, City Drug, Ed Foxhall, Tommie Potts, Kermit Monzingo, Hickey Motor Co., Sisk Buick Co., Cicero-Smith Lumber Co., First State Bank, First National Bank, Lions Auto Store, Milam Coal and Grain Company, Tarver's Pharmacy, Farmers Union Gin, Cameron Lumber Co., McDaniel Implement Co. and the Memphis Lumber Co.

To Buy Iron Lung

Also on the Plainview card will be Leonard Duncan, Hale Center's outstanding amateur, recently turned professional and J. O. Kirkpatrick, a flashy newcomer who has won his first seven professional fights. Opponents for these two scrappers have not yet been selected.

The Plainview June Chamber of Commerce has announced that the proceeds from these fights will be used to buy an iron lung for the Plainview Infantile Paralysis Clinic, a project that serves the entire Panhandle.

Tickets are now on sale at Tarver's Pharmacy here with prices listed as \$1.75, \$2.75 and \$3.75. Officials said there was not a surplus of tickets. Memphis fans wishing to attend who cannot purchase tickets at Tarvers may write to the Shamrock Cafe in Plainview for them.

The fights are scheduled to begin promptly at 8:30 p. m. on July 15 and will be held at the Bar-None Rodeo Arena in Plainview.

Last Rites

(Continued from page 1)

Surviving him are his wife, two daughters, Miss Juanita Kaker and Miss Geraldine Kaker, both of Hale Center, and a son, Thomas Alexander Kaker of Hale Center.

His parents, Mr. and Mrs. Tom Kaker of Paradise, also survive.

Other survivors include six sisters, Mrs. Velma Harris, Bridgeport, Mrs. Zetta Smith and Mrs. Marie Fitzgerald, both of Paradise, Mrs. Faye Tackle, Bridgeport, Mrs. Dora Shepherd, Wichita Falls, and Miss Mildred Kaker, Fort Worth.

Two brothers, Orland Kaker of Bridgeport and Melvin Kaker of Hale Center, are also survivors.

New Officers

(Continued from page 1)

New officers are: R. C. Lemons, president; Byron Baldwin, vice-president; W. V. Coursey, secretary; Allen C. Dunbar, Clyde Milam, G. D. Howell and John Fowler, directors.

At their meeting June 30, Allen Dunbar, retiring president, presented new hat certificates to Rotarians Sam Hamilton and Clyde Milam for presenting the best programs of the year.

Visiting Mr. and Mrs. S. W. Jackson and girls over the weekend were: Mrs. Jackson's father and mother, Mr. and Mrs. G. H. Williams of Bowie, a sister Mrs. Maruin Brashear and husband and son Bobby of Bowie, also a brother, Mr. and Mrs. J. D. Williams of Ft. Worth.

VALUABLE TIME LOST

The total time lost as a result of accidents to farmers in any typical year amounts to the time needed to produce about half the annual average wheat crop in the United States.

Plainview JCC

(Continued from page 1)

North Carolina, marine team which won the honor being selected the nation's top service team in 1943.

In 1945, while still in service, Roach won the Eastern and Puerto Rican National Golden Gloves title at Madison Square Garden. That year he also captained the Eastern Golden Gloves team to a victory over the Western team in their classic meeting at the Garden.

Met Cerdan

During the same year he was named the outstanding amateur fighter of the District of Columbia, Maryland and Virginia. Sports writer Nat Fleicher, editor of Ring Magazine, picked Roach as the outstanding young fighter in amateur circles at the time. He also came in for Look Magazine honors, by being selected as their choice as the top boxer in the armed forces.

Roach turned professional in 1946 and was picked as the outstanding rookie fighter of the year. He won 23 straight professional bouts, including a number of Madison Square Garden matches where he received top billing.

The popular Plainview scrapper fought Marcel Cerdan in 1947 at Madison Square Garden when both were seeking a crack at Tony Zale's middleweight crown. Roach lost to Cerdan on an eighth-round TKO.

Steen Impressive

Roach's opponent at Plainview Friday, July 15, will be Howell Steen. Steen is a Lubbock boy but is fighting out of Dallas as the present time. He has fought all over the South and has received a great deal of favorable publicity.

The 10-round feature bout between Henderson and Maes will give Panhandle boxing fans a view of two of the nation's top young competitors.

Henderson hails from Leveland but has been fighting in New York. Maes, a 135 pounder, is well-known in the Colorado, Wyoming and far west area and fights out of Denver.

Hubert Gray of Wichita Falls will meet Jerry Sargent of New Orleans in a six round match. Gray is a three-time Golden champion and recently went 10 rounds with welterweight champion Lou Jenkins before being TKO'd.

In the heavyweight bracket, Dickie Brown of Amarillo and Gene James of Lubbock, former amateur stars, are scheduled for a four-round preliminary clash.

Owls Meet Childress

(Continued from page 1)

Wellington's victory over the Owls Sunday pushed Memphis out of a second place tie with Mangum who spent the afternoon downing Shamrock 6-5.

The Childress, Altus game Sunday was postponed.

Wellington at Altus.
Mangum at Memphis.

Pioneer Hall

(Continued from page 1)

Buck Breeding, Wendell Gamage, Winifred McQueen, Larry McQueen and E. L. McQueen.

Honorary pallbearers were: George Forgy, Jim King, W. C. Milam, S. S. Montgomery, Sam Alexander, C. R. Webster, Jim Webster, D. L. C. Kinard and Art Miller.

Burial was in Fairview cemetery. Arrangements were under the direction of Murphy-Spicer Funeral Directors.

Mrs. McQueen, daughter of Mr. and Mrs. W. A. Breeding, was born in Adair County, Kentucky, on March 1, 1893. She moved to the Salisbury community on November 1, 1891, where she married W. B. McQueen on March 12, 1906.

Mrs. McQueen was a member of the Newlin Baptist Church.

Survivors include her husband, one daughter, Mrs. Janete Swatt, Amarillo, and four sons, Arvor McQueen, Ira McQueen, Erwin McQueen and W. B. McQueen, Jr., all of Memphis.

A brother, W. W. Breeding of Dozier and a niece, Mrs. Minnie Ferrel of Memphis also survive.

Other survivors include 11 grandchildren.

Miss Norma Kelly of Lubbock has been visiting her mother, Mrs. D. R. Kelly here.

Land Owners

(Continued from page 1)

fore, it will be necessary that they be moved prior to the beginning of actual construction.

"Fences should be moved to the right-of-way boundary line. Power line poles carrying a voltage in excess of 13.2 K. V. will not be permitted on the right-of-way under any conditions.

"However, poles which wire carries less than 13.2 D. V. may be moved to the outer edge of and in the right-of-way provided application be made by owners of poles to the State Highway Department.

"It is requested," the letter continues, "that we be informed when all right-of-way covered by the enclosed easements has been procured so plans may go forward toward actual construction of the proposed Farm-to-Market Highway."

"I suggest that owners of lands to be included in the right-of-way sign these easements as soon as possible with the hope that this very important road be constructed this year," Judge Goodpasture reiterated.

City Council Gives

(Continued from page 1)

only 15 blocks of work promised, they now had over 50 and the number was increasing daily.

Following the discussion, McGann agreed to return to Memphis Friday and meet with Councilmen Durwood Howell and Wendell Harrison and discuss the proposal further.

Tuesday night the City Council also:

Agreed to pay the expenses of firemen Bill Vardiman and Henry Stinnett to attend the State Firemen's School at College Station beginning July 11.

Heard committee Chairman Durwood Howell state that the "Anti-Polio Week" drive was off to a good start with the co-sponsoring clubs really co-operating.

Continued their search for a new permanent city dumping grounds with several locations discussed but no definite action taken.

Man Hurls No Hit, No Run Game To Beat Cats 5-0

GREAT FUTURE—O. H. Srygley, shown standing in his modern equipped milk room of his dairy barn, is another Hall Countian who is sold on the prospects of dairy farming. The clean, cement floor in the barn, shown above, is a real improvement over old-time barns.—(Photo. by Wise)

Srygley's Have Confidence In Dairy Farming Industry

O. H. Srygley and his wife are farming and they state with confidence in the future of the dairy industry. Srygley has no mechanical milkers at this time. "I really plan to get some milking machines in the near future as I continue to improve my facilities," he said. Other than the mechanical milkers, his barn is completely modern. The milk room includes a new model milk separator and can cooler. In this cooler the milk stays at near 34 degrees temperature. Each morning Srygley delivers his milk to the Hall County Dairy where it is immediately pasteurized and homogenized. This dairy is one of the outstanding milk processing plants in the Panhandle. Srygley has 25 cows in his dairy herd on this farm which is located about four and one-half miles southwest of Memphis. "I have 213 acres in cultivation here," he said. "About 75 acres of this is cotton and the rest is in feed crops." Srygley has 22 acres of pasture for his dairy herd. He is enthusiastic over the dairy business.

"Of course my wife and I have been milking cows for many years but this is our first effort from a commercial standpoint," he pointed out. He has definite plans for building his dairy herd in the future. Srygley stated that he averages about 60 gallons of milk per day from his herd. His son, Melvin, and his pretty wife also live on the farm. Working together with confidence in the future of their project, and with the remarkable achievements already accomplished, the Srygley's may well plan for a profitable future in the dairying business. Mrs. Margaret Hoppin of Amarillo visited here over the weekend with her daughter, Mrs. J. J. Simons and family. Miss Ruth Ann Henderson of Quanah is a house guest this week in the Hank Hankins home. Mrs. Henry Ellis of Pampa visited here Sunday with her sister, Mrs. H. B. Bennett and family.

Owls Drub AAF Nine 7-1 Monday

Leonard Ruyle limited the Sheppard Field AAF nine to four scattered hits here Monday night while his Owl teammates were slamming out nine to blast the visitors 7-1 in an Independence Day non-league affair. Memphis tallied all their runs in three innings with the second being the big one as they pushed in four scores off as many hits. LaFollette drove in Pruitt to open the scoring in the first inning for the Owls. Ford, Coppage, Dennis and Farmer all crossed the plate in the big second and the final two runs were added in the fourth when Pruitt and Coppage tallied. Leppert, on base via a double, scored the Army's single run in the third frame. Ruyle's four-hit pitching kept the visitors in trouble all evening. He struck out nine batters while walking two.

Miss Muriel Jo Cochran visited in Fort Worth with relatives from Thursday until Monday. Mrs. Mac Tarver, and son Gary and Mrs. C. L. Sloan and son Laddie returned to Memphis Friday night following a week's visit in Denver, Colo., with relatives. Mr. and Mrs. Wyley Whitley left July 4th for Carlsbad, N. M., where they will visit with their son, E. L. Pritchett and family. Their grandchildren, Jimmy and Doris Pritchett, who have visited in Memphis for the past several weeks, returned home with them. Mr. and Mrs. Whitley plan to return home the latter part of this week. Visitors Sunday in the home of Mrs. Linnie Cauthen and Mrs. Hulda Wilson were Mr. and Mrs. Ben Buck and Mrs. U. Z. Patterson and son, all of Clarendon.

Lakeview Student On Dean's List At Oklahoma A&M

Gwendolyn F. Brewer, Oklahoma A. & M. College student from Lakeview, high school was included on the second semester Dean's List of Distinguished Students in the School of Agriculture. To be eligible for inclusion on the Dean's list, students must have passed in all subjects, aggregating not less than 15 semester hours with an average of "B" or higher and not having received any grade below "C". Highest-ranking students whose three-year record places them in the upper percentile are invited to membership in Phi Kappa Phi, national honorary scholarship fraternity and the highest academic honor that can come to an A. & M. student. A total of 1,671 students were named on the list, with the Oklahoma Institute of Technology heading the list with 467 honor students. Other school totals were: Arts and Sciences, 392; Agriculture, 351; Commerce, 246; Education, 122; Home Economics, 144; and Veterinarian Medicine, 19.

W. H. MOREMAN'S HAVE SUNDAY GUESTS

Mr. and Mrs. W. H. Moreman had a number of guests in their home Sunday including: Mr. and Mrs. Loyd Moreman of Amarillo, Mr. and Mrs. I. E. Graham and children, Ladon, Cecile and Francis, of Amarillo, Mr. and Mrs. Hurlie Moreman of Brice, Mr. and Mrs. Rupert Hughes and children, Donnie, Ronnie and Katherine of Lakeview, and Mr. and Mrs. Tom Bowman and children, Thomas and Judy, of Corpus Christi. Leo Fields flew to Los Angeles, Calif., over the week end on a business trip. He left Friday and returned home Monday. Holiday visitors in the Fred Butler home were Mr. and Mrs. J. D. Wooten and family of Pampa. Mrs. Wooten is a sister of Mr. Butler.

Lanky Right-hand Ace Fans 15; Teammates Play Errorless Ball

Few in the capacity crowd at Estes Park Thursday night realized that they were witnessing a record-shattering Red River Valley League event until the top of the eighth inning when the word began circulating that right-hander "Doc" Pittman, classy Owl hurler, was only six men away from a no-hit, no run game. But when Pittman faced Childress second-sacker Sikes in the ninth with two away, just about everyone knew what was happening and held their breath anxiously. The cheer that went up when Sikes had fanned was an anti-climax.

Former Newlin Resident Buried At Willow Point

Funeral services for Mollie Frances Cheves, 72, former Newlin resident, were held at Willow Point, near Bridgeport, on June 25. Mrs. Cheves died on June 23 at Canadian in the home of her daughter, Mrs. Maggie Sutton, where she had resided for the past three years. Mr. and Mrs. Cheves moved to Newlin from Wise County in 1941 and operated a grocery store there until Cheves' death in 1944. They were well known in that community. Following her husband's death, Mrs. Cheves moved to Canadian to make her home with her daughter. She was a member of the First Baptist Church there. A daughter, Ruby, and a son, Roy, predeceased her in death. Surviving daughters are Mrs. Maggie Sutton, Canadian, and Mrs. Julia Holley, Dallas. Eight sons survive: Carl V. Cheves, Paramount, Calif., Ernest Cheves, Willow Point, L. V. Cheves, Amarillo, Claud H. Cheves, Amarillo, Thurman Cheves, Bremerton, Washington, Woodrow Cheves, Littlefield, Raymond G. Cheves, Borger, and Orval Cheves, Alameda. Four sisters and two brothers are also included among the survivors.

George Brownlee, who is attending the summer session at Baylor University, visited here during the holidays with his parents, in-law, Mr. and Mrs. Bob Scott. Mrs. Brownlee, who had been visiting here for three weeks with her parents, returned home with her husband. In the eighth, Banks reached

The lanky right-hander had turned in a perfect pitching performance. He faced only 27 men during the game, struck out 15 and issued no walks. Childress should have left their base coaches at home—they were never used. And just to make sure it was really "Pittman Night" at Estes Park, Mr. P. slammed a long homer over the centerfield fence in the bottom of the eighth with two aboard to help win his own ball game. Oh Yeah, The Score By the way, the score was Memphis 5, Childress 0. But the score was rather incidental in view of Pittman's amazing night's activity. He had everything on the ball—and used it, as Childress batters will sadly agree. However, Pittman would probably be the first to point out that he had plenty of help in pitching this no-hit, no-run, no-nothin' game. His infield and outfield backed him up wonderfully, playing perfect ball, themselves. Certainly the Owl hurler's night was saved once, at least, by a miraculous catch by leftfielder Pruitt. Cliff Jones was the losing hurler for the Cats. He gave up 11 hits and issued one gratis base. The Childress portside pitcher struck out 9 Owl batters. Six Scoreless Innings The game went scoreless for six and one-half innings. Memphis broke the ice in the bottom of that frame. Pruitt reached first on a fielder's choice and was driven home by Coppage's double. LaFollette then cracked out a two-bagger to send Coppage home and end the scoring for that inning. In the eighth, Banks reached

L. E. Thompson of Clarendon was visiting in Memphis Sunday with relatives.

Byron Baldwin attended market in Dallas last week.

Can Black-Draught Help Physical Fatigue?

Yes, Black-Draught may help physical fatigue if the only reason you have that listless feeling is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental haziness, bad breath — and if these symptoms are due only to constipation — then see what Black-Draught may do for you. Get a package today.

Mr. and Mrs. H. B. Bennett had as guests Friday night Mr. Bennett's nephew and family, Mr. and Mrs. Billy Bennett and son Johnny of Cushing, Okla.

Mr. and Mrs. Lester Campbell and daughter Chris of McLean and Mr. and Mrs. Herschel Montgomery of Amarillo visited here during the holidays with their parents, Mr. and Mrs. E. P. Thompson.

Mr. and Mrs. Bob Queener and children visited from Friday until Monday in Midland with Mrs. Queener's parents, Mr. and Mrs. R. B. Preston. Her sister, Miss Melba Jean Preston, accompanied them home for a visit here.

**Members of OES
Attend Tea in
Wellington Thurs.**

Ten members of the Memphis Chapter, Order of the Eastern Star, attended a tea in Wellington Thursday evening, June 24, honoring Mrs. Eva Starr, who is a member of the state resolutions committee.

The affair was held in the dining hall of the community building, and guests were received by Mrs. Starr and the officers of the Wellington Chapter, who were attired in lovely blue formals. A beautiful corsage was presented each guest as she registered. Music was furnished throughout the evening as friends visited.

Those from Memphis who enjoyed the tea were Miss Margaret McElrath, Mrs. Vera Gunstream, Mrs. Jennie Stanford, Mrs. Winnie Johnson, Mrs. Ella Wyatt, Mrs. Vay Hammonds, Mrs. LaNora Wood, Mrs. Dell Pallmeyer, Mrs. Bettie Franks, and Mrs. Anna May Foster.

CARD OF THANKS

We want to express our appreciation for the loving kindness shown us during the sickness and death of our father and for the lovely floral offerings and wonderful dinner our friends prepared. Also our thanks to Dr. Clark and Murphy-Spicer for their kindness and attention. May God bless every one.—Mr. and Mrs. Ray Thompson and the Smith Children.

Land owners have no property rights in transitory game on their lands.

Memphis; and Mr. and Mrs. J. B. Whitten, Mrs. J. T. Whitten, Bobby Whitten and J. A. Adcock, all of Hale Center.

**Advertising of
Utilities Firm
Wins First Place**

The Memphis Democrat was advised today that a series of advertisements which appeared in this paper had been awarded first place in a national advertising contest.

A series of West Texas Utilities Company advertisements promoting the use of electric service was selected the best in Class A competition in "The Annual Better Copy Contest" sponsored by the Public Utilities Advertising Association, a Department of the Advertising Federation of America.

"The Better Copy Contest" is conducted for the purpose of stimulating finer advertising and to recognize work well done. This year more than 1,500 entries in twenty classifications were judged by nationally recognized authorities.

A certificate of award "for the best public utility advertising during the preceding year" was presented to the West Texas Utilities Company at the Annual P.U.A.A. Convention in Cincinnati, Ohio last week. Robert E. Kennedy WTU advertising manager, accepted the award for the company.

All copy and layouts for the winning series of advertisements were written and prepared by the WTU advertising department.

Have you ever noticed how some guy is always doing something that couldn't be done?

Legal Notice

**THE STATE OF TEXAS
COUNTY OF HALL
SHERIFF'S SALE**

WHEREAS, on the 24 day of October, 1945, in Cause No. 2843, in the District Court of Hall County, Texas, wherein City of Memphis is plaintiff, and State of Texas and County of Hall, and the Memphis Independent School District are Impleaded Party Defendants, recovered judgment against Mrs. Lillian Munn, Defendant, for taxes, penalty interest, and cost against the herein-after described property;

WHEREAS, on the 8 day of June, 1949, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding the sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the herein-after described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 9 day of June, 1949, seize and levy upon as the property of the above defendant, the following described property, situated in Hall County, Texas to-wit:

Lot 3 in Block 9 of Ansley's Addition to the town of Memphis, Hall County, Texas.

And I will on the first Tuesday in the month of August, 1949, the same being the 2 day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said

Legal Notice

county in the city or town of Memphis, in the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a part to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendant to redeem same in the time and manner provided by law and subject also to the right of the Defendant to have said property divided and sold in less divisions than the whole.

DATED at Memphis, Texas, this 1st day of July, 1949.

EARL E. HILL, Sheriff
Hall County, Texas

**THE STATE OF TEXAS
COUNTY OF HALL
SHERIFF'S SALE**

WHEREAS, on the 8th day of February, 1947, in Cause No. 3039, in the District Court of Hall County, Texas, wherein The City of Memphis is plaintiff, and the State of Texas and County of Hall and the Memphis Independent School District were Impleaded Party Defendants, recovered judgment against Donna C. Lane, Defendant, for taxes, penalty, and cost against the herein-after described property;

WHEREAS, on the 5th day of May, 1947, by virtue of said judgment and the mandates thereof, the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding the sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the herein-after described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof the sheriff of said county did on the 6 day of May, 1947, seize and levy upon as the property of the above defendant, the following described property situated in Hall County, Texas, to-wit:

Lot 7 in Block 1 of Naber's Addition to the town of Memphis, Hall County, Texas.

WHEREAS, on the 3 day of June, 1947, by virtue of said judgment and Order of Sale the sheriff of said county sold said property to City of Memphis for \$568.33, and for the use and benefit of itself and all other taxing units which have been adjudged in said cause to have tax liens against said property; the deed evidencing said sale being dated the 3 day of June, 1947, and recorded in Volume 89, Page 321, Deed Records of Hall County, Texas.

WHEREAS, on the 8 day of June, 1949, City of Memphis, a taxing unit in the above numbered and entitled cause, requested me to sell the above described property at public outcry to the highest bidder for cash as provided by law;

WHEREAS, said property has not been redeemed in the time

Legal Notice

prescribed by law and that by virtue of the above described judgment and order of sale and the power and authority conferred on me by the laws of the State of Texas, I will on the first Tuesday in the month of August, 1949, the same being the 2 day of said month, proceed to sell all the interest of City of Memphis in and to said property acquired by virtue of the above mentioned deed at the principal entrance of the courthouse of said county in the city or town of Memphis, between the hours of two o'clock p. m. and four o'clock p. m., to the highest bidder for cash; provided, however, that as provided by law, I shall reject any and all bids which in my judgment are insufficient and inadequate.

Mrs. F. T. Hood is visiting in Paducah this week.

Mrs. J. R. Nelson and Larry are visiting in Shamrock with Mr. and Mrs. J. S. Solomon.

Thompson Family Has Annual Reunion At Brookhollow Lake Sunday, July 3

By LESTER CAMPBELL
Editor, McLean News

To some families, the Fourth of July was the big day. To the Thompson clan—including the in-laws, the out-laws, and the to-be-laws, the Third of July was the big day.

For Sunday, July 3, found 31 members of the late George M. Thompson gathering at Brookhollow Lake near Memphis for an afternoon outing at the cabin of E. P. Thompson, now the senior member of the clan.

The kin started gathering at about 2:30 in the afternoon, and didn't all leave until about 10 that night—and there wasn't a one who left hungry.

Actually, Ed Thompson had a program all planned out, just as he does on each of these annual family reunions, but actually, the program wasn't carried out to the finest margin, just as it never is.

But there were games played, including horseshoes, forty-two and Parcheesi, although most of the time was spent in visiting and in telling the grandchildren not to do this or not to do that.

The eating began about 6:30 o'clock. Two years ago, Ed Thompson allotted only 30 minutes to eating on his pre-arranged program, but he overlooked the possibilities of Jack and James Baldwin. This year, there was no limit on the eating time, and apparently little limit on the amount the Baldwin brothers stored away. After the eating was finally concluded and a brief time allotted for cleaning up the dishes, Misses Laura Ann, Betty Jane, and Judy Thompson, gave several readings.

and then James Baldwin led the group in singing.

Present were Mr. and Mrs. Byron Baldwin, Dr. and Mrs. Jack Baldwin and Jenetta, Mr. and Mrs. E. P. Thompson, Ruth Thompson, Edwin O. Thompson, and Mr. and Mrs. Billy Thompson, Billy Ed and Carol, all of Memphis.

Dr. and Mrs. James Baldwin and Jimmy, of Quanah Mr. and Mrs. Herschel Montgomery, of Amarillo Mr. and Mrs. Lester Campbell and Chris, of McLean Mr. and Mrs. George Thompson, Laura Ann, Betty Jane, George, and Judy, L. E. Thompson, and Chauncey Hommel, of Clarendon and Mr. and Mrs. Grover Wilburn, of Dallas.

Mother's Club of Newlin to Hold Annual Picnic

The Newlin Mother's Club met Thursday afternoon in the home of Mrs. R. V. Sweatt with Mrs. Bob Sweatt serving as co-hostess.

The afternoon was devoted to quilting for the club.

During the business session, the president asked each member to make an apron which will be given to the girls at Tipton Orphan Home. Plans were made for the

annual picnic to be held Friday evening, July 22, at the Childress park.

Refreshments were served to some extent by the following: Estal Collins, Wyman Davis, M. E.

Ellise, Fred Hemphill, D. W. Lawrence, M. P. Moore, D. C. Messick, Tom Sweatt, Don Sweatt, P. E. Gardenhire, Earl Richards, Miss Izabell Walker and the hostesses. The next regular meeting will

be in the home of Mrs. Triton Davis on July 29. Miss Izabell Walker will serve as co-hostess.

The estimated population of Peru is 7,719,276.

Foster Home is Scene For Sewing Club Luncheon

Members of the Friendly Sewing Club enjoyed an all-day meeting and a covered-dish luncheon at the noon hour on Wednesday, June 29. The meeting was held at the country home of Mrs. Ira Foster.

During the afternoon, members quilted for the hostess.

Enjoying this affair were Mesdames W. I. Glosson, Lucy Phillips, Dot Webster, Larry Simpson, John Barber, Jim Webster, Grover Roden. Three visitors were present during the afternoon and included Mrs. Horace Reid, Mrs. Harri Glosson and daughter, Courtney Lee.

The next meeting is slated for July 13 in the home of Mrs. Glosson.

Mr. and Mrs. Roy Coleman and sons, Roy Don and Jon Carroll were in Lawton, Okla., July 4th to attend a reunion of Mrs. Coleman's family.

Woman's old problem relieved by 2-way help

What to do for woman's oldest problem, functional monthly pain? Many a girl and woman has found the answer in **Cardur's 2-way help**. You see, **Cardur** may make things lots easier for you in either of two ways: (1) started 3 days before "your time" and taken as directed on the label, it should help relieve functional periodic pain; (2) taken throughout the month like a tonic, it should improve your appetite, aid digestion, and thus help build up resistance for the trying days to come. **Cardur** is scientifically prepared and scientifically tested. If you suffer "at those certain times", get **Cardur** today.

Visitors in the E. E. Walker home over the Fourth of July holidays were Mrs. R. E. Vaughn and children, Bobby, Dan Walker and Ann of Spearman, Mr. and Mrs. E. L. Walker and children, Sue and Thelma Ruth of Borger, Mr. and Mrs. R. E. Higginbotham and children, Zaly, and Robbie of Beaumont and Mr. and Mrs. Ned Pilcher and children, J. and Kay of Jacksboro.

Mr. and Mrs. R. D. Williams of Bay City are visiting here this week with Mrs. William's mother, Mrs. C. W. Kinslow and brother, C. W. Kinslow Jr., and Mrs. Kinslow.

Band News High School Music Department Will Have Scrap Book

Band director Perry Keyser reported this week that Beverly Snell, "A" band reporter, is making a scrap book for the high school music department. He said the scrap book is on display in the band room and should prove of interest to all music students. Keyser listed the "A" band honor roll for the past week as follows: Sue Miller, Clinton Jones, Yvonne Sturdevant, Billy Allen Combs, Harold Foxhall, Troyace Rhudy, Carroll Foxhall and Betty Goodall. He said seven students passed the "A" band music enrollment test during the week. They are: Clinton Jones, Nancy Lee Brewer, Beverly Snell, Troyace Rhudy, John Clark, Roddy Patton and Lois Carpenter.

Memphis Cagers Receive Bid to Wayland Tourney

The first annual high school basketball tournament at Wayland College is being planned for next fall. Athletic Director Harley Redin announced here today. He has informed 18 top notch basketball schools from the surrounding area of the general plans for the tournament and has asked them to express ideas of their own to be incorporated in the tournament so that the eight teams who accept tournament bids will be getting the experience they need most. Dates for the tournament are December 16 and 17. Redin stated that in an early season tournament such as this he believes the participants will want the strongest competition available. The tournament will be planned with this idea as a guide. The eight entries will be announced and final plans made within a few days, he announced. Several schools have already expressed a desire to enter the tournament. Coach Redin stated that this tournament will give each entrant a chance to be in competition with top teams from different sections of the area surrounding Plainview. School that have been written in regard to this tournament are Childress, MEMPHIS, Hollis, Oklahoma, Lubbock, Dimmitt, Sudan, Plainview, Big Springs, Gruver, Phillips, Abernathy, Lamesa, Tulla, Pampa, Canyon, Carey, Tucumcari, New Mexico and Clovis, New Mexico.

Family Gathers at Home of Mrs. Crump

Children of Mrs. Bess Crump gathered at her home over the past week-end for a family reunion, highlighted by a dinner Sunday. Out-of-town visitors included her son and family, Mr. and Mrs. W. C. Crump and children Nancy and Phillip of Compton, California, who arrived in Memphis Wednesday and are still vacationing here, Mr. and Mrs. Joe Crump, Lubbock, who will remain in Memphis for a week, and Mr. and Mrs. Wiley Crump of Lubbock who spent from Friday until Sunday here. Mrs. Crump's brother, Webb Brewer of Ft. Worth was also a visitor over the week-end.

Former Lakeview Resident Buried At Forest Chapel

Double funeral services for Mrs. G. R. McCoy, 42, formerly of Lakeview, and her father, W. S. Hodgins, 79, were held at the Forest Chapel Methodist Church, near Paris, at 2:30 p. m. Saturday. Mrs. McCoy died in a Paris hospital late Thursday, June 30. Hodgins passed away at his home in Paris Friday morning. Rev. Jeff Davis, pastor of the church, officiated at the services. Burial was in Forest Chapel cemetery. Brothers-in-law served as pallbearers for Mrs. McCoy while nephews were pallbearers for Hodgins. Mrs. McCoy was born April 8, 1907 at Forest Chapel. She was married to G. R. McCoy in 1933. The family moved to Lakeview in 1946 and resided there until a few months ago when they moved to Detroit. She was well known in Lakeview and was a member of the First Methodist Church there. She is survived by her husband, two sons, Darrell and Glenn, and her mother, Mrs. W. S. Hodgins. Five sisters and a brother also survive. Hodgins was not known in this area as he had resided at Forest Chapel all his life until moving to Paris several years ago. Hall County relatives attending the funeral services were: Mrs. A. D. Walls, Leroy McCoy and Mrs. L. O. McCoy.

PERSONALS

E. S. Browning and son, Bill, former Memphis residents now living in Austin, came by the Democrat Saturday. They were Memphis visitors for the day. Browning reports plenty of hot weather in the state capital. Mrs. Della Keith returned to her home in Corsicana Friday after visiting here with her sister and family, Mr. and Mrs. C. W. McCool. Mr. and Mrs. G. W. McCool of Lefors were weekend visitors with his parents, Mr. and Mrs. C. W. McCool. Mrs. McCool joined her husband in Memphis from Denton where she is enrolled for the first summer term at North Texas State College. Jackie Ben Boone, son of Mr. and Mrs. Jack Boone, is visiting in Silver City, N. M., with his aunt, Mrs. Jo Alexander and family. Among out-of-town relatives and friends who were here last week to attend the funeral services for Frankie Sprull were James W. Hammons, Mrs. Forrest Dowler and daughter Marie of Arnett, Okla., Mrs. Calha Grim and daughter and Mrs. Jim Thompson and baby of Shattuck, Okla. Mrs. W. R. Couch and daughters, Roberta Couch of Big Spring

and Mrs. Calvin Shaup and baby of Lubbock returned to their respective homes Saturday after visiting here a few days with Mrs. Couch's sister, Mrs. Myrtle Hammons and family. They came to Memphis to attend the funeral of their niece and cousin, Mrs. Frankie Sprull.

Kidneys Must Work Well

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at nights, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

DOAN'S PILLS

When Time Is So Fleeting

When sorrow visits a home, there's neither time nor inclination to think . . . particularly, to think about funeral costs. Yet decisions must be made. That's why we urge everyone to investigate funeral prices, now, before such investigation is necessary. It's the thoughtful and wise thing to do.

Dukes Outlast Owls 6-4 In 10 Innings

A tenth inning three hit rally brought the Wellington Dukes two runs and their margin of victory here Sunday after as they outlasted the Owls 6-4 in a tight Red River Valley League game at Estes Park.

It was a nip-and-tuck affair with both teams playing heads-up ball. The ninth inning closed out with the score locked at 4-4. Memphis had tied up the ball game in the seventh when Banks scored on a Wellington error.

Wellington left-hander McDonald went the distance for the visitors and was credited with the win. He scattered nine hits throughout the game, striking out seven. Streaks of wildness, however, caused McDonald some trouble and he issued six gratis bases.

Doc Pittman, apparently hexed by a Wellington jinx, relieved Metz LaFollette in the seventh inning and was charged with the defeat. During his stay, LaFollette had allowed seven hits, striking out three and walking one. Pittman gave up six hits during his three-inning mound stay and struck out two Wellington batters.

The visitors pulled ahead in the first inning when they scored two runs off three hits. They added another pair of runs in the fourth off three hits and duplicated that number of scores in the top of the tenth off hits by Jones, Morris

and Thompson. Memphis tied up the game in the second inning when Farmer's single drove in Hambrick and Dennis' one-bagger brought Farmer home. Coppage drove Pruitt home in the third to give the Owls a one run lead. A seventh inning Duke error enable Banks to score the Owl's final tally.

Earlier in the inning a Memphis score had been disqualified when LaFollette raced from first on home on Banks' line drive which bounced behind the left field side-line fence. After considerable rhubard, principally involving umpire Butler Stewart and the Dukes en masse, ground rules were ordered and LaFollette was waived back to third. He was later tabbed trying to reach home.

Trailing by two runs in the bottom of the tenth, the Owls hitged at a rally when Dorman doubled with one away. But the hope died when Farmer was retired, short-stop to first, and Pittman was out, centerfielder unassisted.

Mr. and Mrs. Douglas Lawrence have as guests this week Mr. and Mrs. Roy Hicks of Portales, N. M., visited in El Dorado, Okla., Sunday and Monday with relatives.

CARD OF THANKS
 To all the many kind and thoughtful friends who have been so helpful to us during the passing of our Husband, Daddy, Son and Father, Garner Kaker, we wish to express from the depths of our hearts our most sincere, heartfelt thanks.

We especially wish to thank the of our hearts our most sincere, nice people who sent food and those who sent flowers. Words are not adequate to state our full appreciation.
 May God bless each and every one of you is our wish.

Mr. and Mrs. Tom Kaker and family.
 Mr. and Mrs. A. Knight and family.

Mr. and Mrs. W. B. McCreary and children of Shamrock visited here Sunday with their mothers, Mrs. Edd McCreary and Mrs. C. Gerlach.

Nancy Brewer, daughter of Mr. and Mrs. Roy Brewer, is visiting in Amarillo this week with a friend, Miss Kay Pat Cornelius.

Mr. Fred Fench of Dalhart arrived Tuesday to spend a few days visiting with his sister Mrs. Carl Harrison and family and parents Mr. and Mrs. Frank Fench.

Mr. and Mrs. Dick Dugdin and Mrs.azel Hunter of Denver, Colo., visited at Estelline last week with their mother, Mrs. S. S. Cooper and other relatives.

Leotha Lowe of Amarillo visited here Monday with Bonnie Jean Smith.

Pittman Hurls—

(Continued from Page 1, Sec. 2)

first via a Cat error and was advanced to second by Dorman's single. With only one out many fans were expecting Memphis to add at least a run during the inning but no one really expected what happened—Pittman's three-scoring home run.

It was an added achievement to his outstanding night's play and really sewed up the game for the Owls—not that they were ever in danger.

All in all, it was a night of sweet revenge for the Owls over their Red River Valley League opponents.
