GIRL SOFTBALLERS—Shown above are member of the Memphis Yellow Jacket girls' softball team who will wind up their season here Tuesday night. The girls are managed by T. D. Weatherby who says they have had a successful season regardless of the fact that they've lost about as many games as they have won. The public has been cordially invited to see the Yellow Jackets close out their season Tuesday night.

First Bale of 1949 Cotton Ginned Here Wednesday

Hall County's first bale of cotton from the 1949 crop—prospectively one of the best crops in the county's history—was ginned at the Memphis Farmers Co-Op gin late Wednesday.

Gov't Loans For Cotton Seed Given

ACA Secretary Lynn McKown disclosed this week that there will be a government support price loan on cotton seed for the 1949 crop.

McKown said the support price, first in history for cotton seed, will be \$49.50 per ton for number one seed with moisture content not greater than 10 per cent.

He said the loans will be made on the plan as were wheat loans. Forms and instructions for filling them out will be obtained through the ACA office here with loans being made through local banks.

McKown pointed out that all storage of cotton seed would have to be done by the individual producer since there is no space for commercial storage of the seed in the county.

He advised county farmers to check at the ACA office for further details.

Charlie Newton Dies Suddenly In California

Funeral services were held at the Church of Christ Wednesday at 4 p. m. for Charlie E. Newton, 46, who died suddenly Saturday afternoon at San Diego, California.

Services were conducted by Gray Carter, minister of the church.

Pallbearers were: Holly Wood, C. C. Carter, H. R. King, F. V. Floyd, Nelson Seagull and J. R. Batson, all of Lelia Lake.

Burial was in Fairview Cemetery. (Continued on Page 8)

Broken Drill Stem Halts Drilling at Wildcat Test Well

Drilling at the wildcat oil test well, located on the John Chaudoin place three miles west of Estelline, was at a standstill for three days this week while the drillers fished for broken drill stem.

T. F. Vander Laan, drilling contractor, went into the hole late Wednesday afternoon with wash-over tool in an effort to pull the stuck drill pipe and bit.

The well was spudded in July 6 on a block leased by Fox & Moore of Dallas. Progress has been delayed twice previously by broken drill stem.

Drillers call the test a "closed" well, and refuse the divulge any information.

Street Marker Lists Needed

Roy Coleman, chairman of the Chamber of Commerce street marker campaign, and Chamber Manager Clifford Farmer this week issued a joint statement urging all block captains of the project to submit their completed lists to the Chamber of Commerce office as soon as possible.

"The lists are somewhere over 60 per cent complete and we want to wind up the campaign within the next few days, if possible," Coleman said.

Plans call for street markers to be placed at 233 intersections in Memphis. The marker is made of solid aluminum and will be mounted on a two-inch galvanized pipe post or angle iron post.

In addition, house numbers will be placed on every home in Memphis. (Continued on page 8)

Christian Church Revival Meetings Will Begin Sunday

The First Christian Church will open a two-week revival here Sunday at 11 a. m., according to Buford W. Smith, minister of the church.

Smith said that Dr. Clyde Lee Fife, experienced and well-known evangelistic leader from Harrisville, N. Y., will conduct the meeting.

"Dr. Fife is a man of many years experience as an evangelist, preaching in all sections of the nation. He is a singer also, and will bring a message in song at every service," Smith stated.

He pointed out that the services will be held daily at 7:45 p. m. and additional morning services will be held on Sundays at 11 a. m. while the meeting is in progress.

"The meeting has already started with some of the members." (Continued On Page 8)

SUMMER HEAT RETURNS TO MEMPHIS AREA

Realizing that the mid-August cool spell was too good to last, Memphians began acclimating themselves to summertime weather again this week.

With no rainfall to cool things off, Old Man Summer really came back into his own as the temperature shot back to the high 90's and passed the 100 mark on three days this week.

Highest daily reading was Tuesday when the mercury advanced to 102.

Daily readings from weatherman John McMickin:
Wed., Aug. 24, 67 and 100.
Tues., Aug. 23, 68 and 102.
Mon., Aug. 22, 62 and 98.
Sun., Aug. 21, 64 and 91.
Sat., Aug. 20, 67 and 86.
Fri., Aug. 19, 69 and 101.
Thurs., Aug. 18 70 and 101.

Gin Manager Walter White said the bale was produced by C. L. Casteel and was raised on the O. D. Kerr farm two miles south of Lakeview.

This year's first bale came some 11 days later than the first in 1948 which was ginned by the was brought in around August 20, was raised by C. L. Crain near Estelline.

It compared with the first bale of 1947 which was ginned on August 25. The first bale in 1946 was brought in around August 20, White said.

The 1949 premium bale will probably be bought by the Memphis Compress Company, White said. Matthew Allen, manager of the compress, has indicated that he would pay 32 cents per pound for the first bale, probably the highest offer.

This bale was ginned from 1859 pounds of seed cotton and weighed 475 pounds with 850 pounds of seed.

Casteel found it profitable to produce the first bale of cotton of the year for Hall County. In addition to the premium price which he will receive for the bale, it was ginned free of charge by the Farmers Co-Op. The Chamber of Commerce also presented Casteel with a \$25 prize for bringing in the bale.

White said the bale graded 15-16 middling white, a top grade for cotton.

With the first bale in, interest renewed in the county's prospects for the year—predicted to be the best in 60 years.

Ginners expect the cotton rush to get into full swing within the next few weeks. The county has 19 gins ready to help Hall County farmers with their 1949 crop and no dangerous labor shortage has been foreseen at this time.

Funeral Services At Lakeview for Mrs. A. J. Byrd

Funeral services for Mrs. Lettie Pearl Byrd, 82, were held Sunday at 3 p. m. at the First Baptist Church, Lakeview.

Mrs. Byrd, a well-known resident of Hall County for many years, died at the home of her daughter, Mrs. A. J. Watts, in Pueblo, Colorado, last Thursday. She had made her home there for the past several years.

Services were conducted by Rev. Guy Killian, pastor of the church, and Rev. O. C. Evans, pastor of the Lakeview First Methodist Church.

Pallbearers were: J. H. Barbee, A. S. Bevers, Aubry Martin, J. L. Bevers, H. W. Spear and W. E. Lawrence.

Burial was in Lakeview Cemetery. (Continued on Page 8)

Cyclone Cage Mentor Moves To Big Spring

L. E. McCulloch, basketball mentor at Memphis High School for the past three years, resigned his position here Friday, Superintendent W. C. Davis announced this week.

McCulloch resigned his coaching job here in order to take a similar position at Big Spring High School. He said he would coach basketball at the AA school as well as instruct physical education classes.

The tall Texas Tech graduate came into state-wide recognition this year when he tutored an underdog team to the Class A basketball championship at the state tournament at Austin.

In 1948 he carried the Cyclone to the regional play-offs at Canyon.

In addition to his basketball coaching duties here McCulloch piloted the B squad grid team.

He is a graduate of Texas Tech and received his master's degree at the Lubbock school this summer.

Memphis Meets Mangum in Final Round of RR Valley Play-Off Series

With the hurling chores resting on the capable shoulders of Doc Pittman, the Memphis Owls open the final round of the Red River Valley League play-offs at Mangum tonight.

Memphis earned their way into the finals by decisively drubbing Wellington in three straight games, 10-2, 8-2 and 19-4, respectively.

Mangum belted Altus in the final two games of their three-game series to qualify for the pay-off round.

Owl Manager C. L. Pierce said he will have Metz LaFollette on the hill for the Owls when they come home to Estes Park for the second play-off game Sunday afternoon.

The Memphis and Mangum clubs will play a best three-out-of-five series to decide the championship. The third game will be played at Mangum Tuesday night and the fourth tilt will be reeled off at Estes Park here next Thursday. A toss will determine the site of the final game of the series which will be played on Sunday, September 4.

Pierce wouldn't comment on who will pitch the third game of the series Tuesday. "It's a little too early yet to say," he stated.

He used the combination of Pittman LaFollette and Ruyle, in that order, to sweep the three game series from Wellington.

All five games of this final play-off round will be played. (Continued on page 8)

Church of Nazarene Will Hold Revival Beginning Sept. 4

A seven-day revival meeting will begin Sunday, September 4, at the Church of the Nazarene here, Pastor L. T. Hoggatt announced this week.

Rev. Hoggatt said that Rev. J. E. Perryman of Bethany, Oklahoma, will conduct the revival and that the song services will be under the direction of Mrs. Perryman. Mrs. Joy Stanley will be pianist.

"We extend a cordial invitation to the public to attend any or all of the services during our meeting," Rev. Hoggatt stated.

Dollar Day Set For September 5

Monday, September 5, is a red letter day for shoppers of this area as Memphis merchants will hold their sixth Dollar day on that date.

R. C. Lemons, chairman of the Chamber of Commerce retail trade committee, said that this sixth Dollar Day will probably be the biggest and best yet held.

Merchants have indicated that they are making plans to offer even more unusual and outstanding bargains than they have done in the past.

Shoppers of this area should watch the ads in the September 1 issue of The Democrat for an idea of the many bargains they can take advantage of by trading in Memphis on September 5.

Services Pending For G. W. Tucker, Newlin Resident

Funeral services are pending today for George Washington Tucker, 79, prominent and long-time resident of Newlin, who died suddenly at the home of his daughter, Mrs. Jack Garrett, 604 Pierce St., in Amarillo Wednesday afternoon.

Tucker was visiting his daughter at the time of his death. The body was returned to Memphis late Wednesday and services will be under the direction of Marcum Funeral Directors.

Tucker was born on December 19, 1869, near Birmingham, Alabama, and moved to Hall County in 1905. He was a retired farmer.

Survivors include six daughters, Mrs. Bessie Spruill, and Mrs. Jess Mitchell, both of Memphis; Mrs. W. L. Crabtree, Tulsa; Mrs. Jack Garrett, Amarillo; Mrs. Charlie Glover, Sudan, and Mrs. Hayden Huckaby, Houston.

Three sons survive: Walter (Continued On Page 8)

Last Rites Held Here Today for Former Memphian

Funeral services for Bennett Wyatt, 35, former Memphis resident who died in Little Rock, Arkansas, Tuesday, were held at the First Baptist Church here today at 4 p. m.

Rev. Roy Shahan, pastor of the church, conducted the services.

Pallbearers were: Harley Taylor, Dewey Hawkins, Coy Davis, Wyman Davis, Oren Adeock and Bill Miller.

Burial was in Fairview Cemetery here under the direction of Marcum Funeral Home.

Wyatt was well-known in Memphis. He was born here on August 26, 1913, and resided here until 1938. He was living in Little Rock at the time of his death. Wyatt was married to Miss Gladys Wilson on March 2, 1934. He was the son of Mr. and Mrs. A. M. Wyatt of Memphis.

He had been a member of the First Baptist Church since the age of 12.

Survivors include his wife, the parents and two young sons, Ben L. Wyatt and Robert Dean Wyatt, both of Little Rock.

Unusual Lecture Highlights Lions Club Wednesday

One of the most interesting and unusual programs of the year was presented the Memphis Lions Club at their regular meeting Wednesday by Harper Scoggins, supervisor of the Veterans Administration from Borger.

Scoggins gave a lecture, with blackboard illustrations, on the unique architectural design of Cheop's Pyramid, greatest of the group built in Egypt.

Softball Play

Boy's Teams Near End Of Successful Season

Softball activity reached a climax in the boys league last week as the Bearcats were crowned king of the Junior League and the Cardinals won a tournament staged by the Intermediate loop.

League Director Ted Myers said the season had been most successful and complimented all the boys who participated for their fine spirit of co-operation and sportsmanship.

Ronnie Smith's Bearcats downed Jimmie Gibson's Wildcats 22-7 to win the final Junior League game and the title at the City Park Friday night.

The Bearcats wound up the season with a perfect record. Ronnie Smith was the winning pitcher Friday night while Don Ivy was charged with the loss for the Wildcats.

Smith, Max McCoy and Roy Richardson led the winners' scoring with three runs each. Roy Coleman and Carroll Gardenhire followed with two hits each.

Don Ivy paced the losers hitting with four safeties while Jim-

mie Gibson got three and Roddy Rice a couple.

Intermediate Tournament

Duane Miller's Cardinals took the Intermediate Softball Tournament title by downing Lakeview 15-1 Wednesday night and drubbing Lesley 8-4 in the final game Friday night.

Lesley reached the finals by beating the Tornados in a 15-0 shutout.

A recap of tournament games: Lesley blanked the Tornados 15-0 in the opener Wednesday night. Roddie Clark was the winning pitcher in the five-inning game. Kenneth Byars led their hitting, followed by Joe Booth, Willis, Clark, Beanie Adams and Charles Denton.

The Cardinals swamped Lakeview 15-1 in the second game Wednesday night. Cardinal hurler Lloyd West kept the visitors hitting under control and they tallied their only run off Richard Salmon's homer.

Cardinals Win

Carl Lee and Jimmie Steward led the winners' batting power followed by Duane Miller and Bennie West.

Friday night the Cardinals defeated Lesley 8-4 for the tournament title. Lloyd West was the winning hurler and kept the Lesley hitting well scattered. Kenneth Sams, Joe Booth, Bennie Adams and Robbie Clark led the losers' scoring while Don Stewart, Lloyd West, Duane Miller, Jimmie Stewart, Carl Lee and Bennie West paced the Cardinals.

League Director Myers praised the Cardinals for their fine showing throughout the season. Members of the team include: Carl Lee, Lloyd West, Duane Miller, Chubby Cullin, Bennie West, Raymond Hutcherson, Don Stewart, Jimmy Stewart, Frank Norman, Jimmie Gibson and Ronnie Smith.

Myers said the Renegades will meet Lesley at the City Park Thursday night in the only game scheduled at this time.

Win Friday

Last week the Renegades continued their winning streak Friday night by slipping past Harrel Chapel 6-4. It was a tight seven-inning fracas and featured the outstanding hurling of Renegade moundsman Bobby Crooks.

Charles Morrison, Andy Gardenhire, Donald Corley and Adrian Combs paced the Renegade scoring. Gayle West, Clifford Lester and R. B. Phillips provided

ed the loser's scoring punch.

The win was especially impressive for the Renegades since Harrel Chapel recently won a league championship that included such powerful teams as Lakeview, Estelline and Midway.

AAA Office Has Payment Rates On Winter Legumes

Government rates of payment on Austrian winter peas, vetch and rye were released this week by the AAA office here.

Secretary Lynn McKown said that the government will pay local farmers \$5.80 per hundred on winter peas which retail for \$8.30. Vetch payments will be \$15.40 per hundred with a retail price of \$22, and the government will pay farmers \$1.50 per acre for rye that is left on the ground for a cover crop.

McKown said the seeds had been ordered for these crops and would be available for county farmers soon. Farmers were advised to check at the AAA office for further details.

LOCAL GIRLS HAVE SWIMMING PARTY

Six Memphis girls Tuesday enjoyed what they described as "A Beach Party Minus the Beach" at the local swimming pool.

The girls took their lunch and spent the day at the pool.

Attending were: Patsy Hays Jeanine Miller, Barbara Bradley, Margaret Massey, Minnie Lov Jackson and Lois Wines.

If you want your car to have the best of service, bring it to Kermit Monzingo's, your Chrysler Plymouth dealer.

Clarendon J. C. Will Run Bus Through Memphis

R. E. Drennan, dean of Clarendon Junior College, has announced that the college will run a bus to Memphis again this year for the convenience of students who wish to commute to the school.

The bus will run each day, beginning August 29, he said. Students wishing to ride it should contact college officials.

CEMETERY GROUP TO MEET AT LAKEVIEW

The semi-annual joint meeting of the Odd Fellows and Union Hill Cemetery Association will be held Thursday, September 1, at Lakeview.

During the day the meeting will be held and time will be devoted to working toward beautifying the cemetery. All interested persons are urged to attend. It was pointed out that everyone should bring their lunch and plan to spend the day.

St. Augustine, Florida, is the oldest city in the United States.

SPORTS AFIELD

By Ted Kesting

If you do any hunting at all, you've probably been in on one of those conversations about which is the tougher sport, skeet or trapshooting. Jimmy Robinson, one of this country's best known skeet and trap authorities, claims there is only one way to compare skeet and trapshooting and that is by high averages on 16-yard trapshooting targets, shot at scratch, against all-bore targets at skeet. At both sports, 12-gauge shotguns are used to best advantage.

During the last 10 years just one trapshooter, Bill Harder of Lincoln, Nebraska, has turned in an average of 99 per cent to win the national high average. He averaged .9908 to take the crown in 1940. During the last 40 years, just seven trapshooters have averaged 99 per cent or better to win the high average at trapshooting. The high-average trapshooter last season was J. Calvin Michael of Aberdeen, Maryland, who

turned in .9980 on 2,000 registered targets.

It takes 99 per cent or better to win the national all-gauge high-average skeet crown. Freddy Missildine, Sea-Island, Georgia, copped the average last year with .9910.

Mrs. Lela Hall, Los Angeles, top woman trapshooter of all times, paved the way for women gunners last season with .9951 on 4,500 targets, but Mrs. Ann Martin, San Antonio, Texas, had a much higher average at skeet. She won the skeet honors with .9730 on 1,675 clays.

There are two other forms of trapshooting—handicaps shot

from 6 to 25 yards, known ability and age, and doubles. Butler, Springfield, handicap shooters .9336 on 950 targets. Tennille, Shreveport, La., turned in .946 trapshooting doubles. The top professional skeet shooter in 1947 was Braun, Dallas, Texas, average of .9940.

So there you have son on the high average two sports. From your trapshooting—handicaps shot

MR. AND MRS. DURWOOD HENRY

Cochran-Henry Nuptial Vows Are Read In Impressive Double-Ring Ceremony

Miss Muriel Jo Cochran, daughter of Mrs. F. C. Rasco of Memphis, became the bride of Durwood Henry, son of Mrs. Harrold Cordell of Childress in a double-ring ceremony performed at 8:00 o'clock Sunday morning, August 10, in the parsonage of the First Baptist Church. Rev. Roy Shahan, pastor, performed the ceremony which united the young couple before relatives and friends.

Members of the bridal party entered the living room to stand in a nuptial space before the mirrored mantel which was decorated with baskets of pink and white gladioli embedded in fern. The open fireplace was flanked on either side by candelabra and gladioli.

Introducing the ceremony, Miss Lois Wines played an organ prelude "Always" while the candles were lighted by Miss Jeannine Miller, followed by "Because" sung by Laverne Dodson.

Entering on the arm of her uncle, Raymond Guthrie of Odessa, to the strains of the Wedding March, the bride wore a white tulle and eyelet over taffeta ankle-length gown. The gown was accented by a very full skirt with flaring bustle and close fitting waist. The bride wore complementing hat and mits of eyelet and carried a white Bible topped with an orchid.

Attending the bride at maid of honor, Miss Anita Johnson was attired in a pink ankle-length gown fashioned similar to that of the bride. Miss Johnson wore gray accessories and a corsage of pink and white roses.

Bill Ray of Childress served as best man.

For her daughter's wedding Mrs. Rasco chose an orchid fall dress complemented with white accessories. Mrs. Cordell wore a green dress with a corsage of white gladioli.

Following the ceremony, the couple left for a trip to points of interest in Colorado. The bride wore a coco slipper satin dress with green accessories and a white corsage.

Mr. and Mrs. Henry will make their home in Childress where the groom is employed.

Former Local Girl to Wed in Edinburg

A recent engagement announcement of interest to Memphians is that of Miss Carolyn Bones, daughter of Mr. and Mrs. Percy Bones of Amarillo, and Scott Allen Boyd of Edinburg.

Miss Bones and her parents are former residents of Memphis. She attended Memphis High School.

Nuptial vows will be exchanged in an informal ceremony at the First Methodist Church in Edinburg, September 6, at 9 a. m.

Miss Bones is a graduate of Edinburg High School and served as president of the Sergeantes, Drum and Bugle Corps, during her senior year. She is also a graduate of the Edinburg Junior College where she was a member of Delta Psi Omega during her sophomore year.

She has served as Worthy Advisor of the Edinburg chapter of the Rainbow Assembly for Girls. For the past two years she has been employed by the Texas Employment Commission.

The bridegroom-elect is the son of Mr. and Mrs. Edward Alexander Boyd of Edinburg.

He is a graduate of the Edinburg High School and has recently received his discharge from the U. S. Navy, in which he had four and one-half years overseas duty.

The young couple will make their home in Edinburg, where he is employed.

Mrs. W. C. Dickey returned some Monday following a week's visit in Houston with Mrs. Charlie Garner. Mrs. Dickey was accompanied to Port Arthur by Mrs. C. W. Kinslow, who is visiting there with her daughter, Mrs. Williams and family.

Guests in the N. A. Hightower home over the week-end were: Dr. and Mrs. N. A. Hightower, Jr. and son, Newton, of Austin who were en route to Yellowstone National Park, Mr. and Mrs. S. M. Reed, also of Austin, and Mr. and Mrs. J. Ray Snyder of Wichita Falls.

Mrs. Walter Jameson, Recent Bride, Is Complimented With Shower Friday

Mrs. Walter Jameson, the former Miss Marjorie Beckum, was complimented with a lovely miscellaneous shower on Friday evening, August 19, at the home of Mrs. Roy L. Guthrie.

The entertaining rooms were tastefully decorated throughout with arrangements of seasonal flowers.

Guests were greeted by Mrs. Guthrie and presented to the receiving line made up of the honoree, Mrs. Jameson; her mother Mrs. R. N. Beckum, and two sisters, Mrs. Ed Hutcherson and Mrs. Kate Lindsey.

Miniature telephone directories, which revealed the honoree's profession of chief operator, Southwestern Associated Telephone Company, were given guests as favors.

Hostesses for Friday's courtesy were Mesdames Gene Chamberlain, C. H. Compton, W. V. Coursey, L. G. DeBerry, W. C. Dickiey, Anna Dickson, R. L. Guthrie, N. A. Hightower, Tommy Hulse, Earl Hill, Ernest Lee, W. H. Monzingo, D. A. Neeley, Clyde Reed, Maureen Ward, C. F. Srygley, M. G. Tarver and Misses Ira Hammond and Ida Mae Long.

A host of friends of the honoree called between the hours of 8:00 and 9:00 o'clock.

Out-of-town relatives present included Mrs. D. T. Eddins and Mrs. Ted Bruce of Estelline, Mrs. Kate Lindsey and daughters Mary Lou and Iva Ruth of Lubbock, and Mrs. George Doherty of Fort Worth.

Miss Olive Smith Becomes Bride of Dewey Simmons

Miss Olive Smith of Memphis, daughter of Mr. and Mrs. Freddie Smith of Hitchcock, Okla., became the bride of Dewey Simmons, son of Mr. and Mrs. George Simmons of Childress, Sunday afternoon, August 14, at the First Methodist parsonage. Rev. Roy Davidson, pastor, read the marriage vows at 1:30 o'clock.

Attending the couple were Bob Ellis of Memphis and Clara Nell Tolland, Jack Ray and Betty Holland, all of Hedley.

The bride has made her home in Memphis for the past five months with her sister, Mrs. Elmont Branigan, and during that time has been employed with the Memphis Chamber of Commerce and Hall County Board of Development. She is a graduate of the Hitchcock High School.

The bridegroom was reared in Childress and attended the Childress public schools. For the past year he has made his home in Memphis where he has been employed with E. E. Cudd service station.

Mr. and Mrs. Simmons will make their home in Memphis.

Woman's Council Meets Monday For Missionary Study

The Woman's Council of the First Christian Church met Monday afternoon, August 22, in the church lounge for the regular missionary study.

After a short business meeting, presided over by the President, Mrs. Susie Coleman, the following program with Mrs. Belle Odum as leader, was given:

Song, "Rock of Ages" by the group; devotional, "Things Which Were Not Shaken," Mrs. Elsie Smith; "Four Hundred Years of Christianity in Japan," Mrs. Belle Odum; "A Christian Funeral," Mrs. Inez Aspgren; "A Shinto Festival," Mrs. Lucille Randal, and song, "Send the Light" by the group.

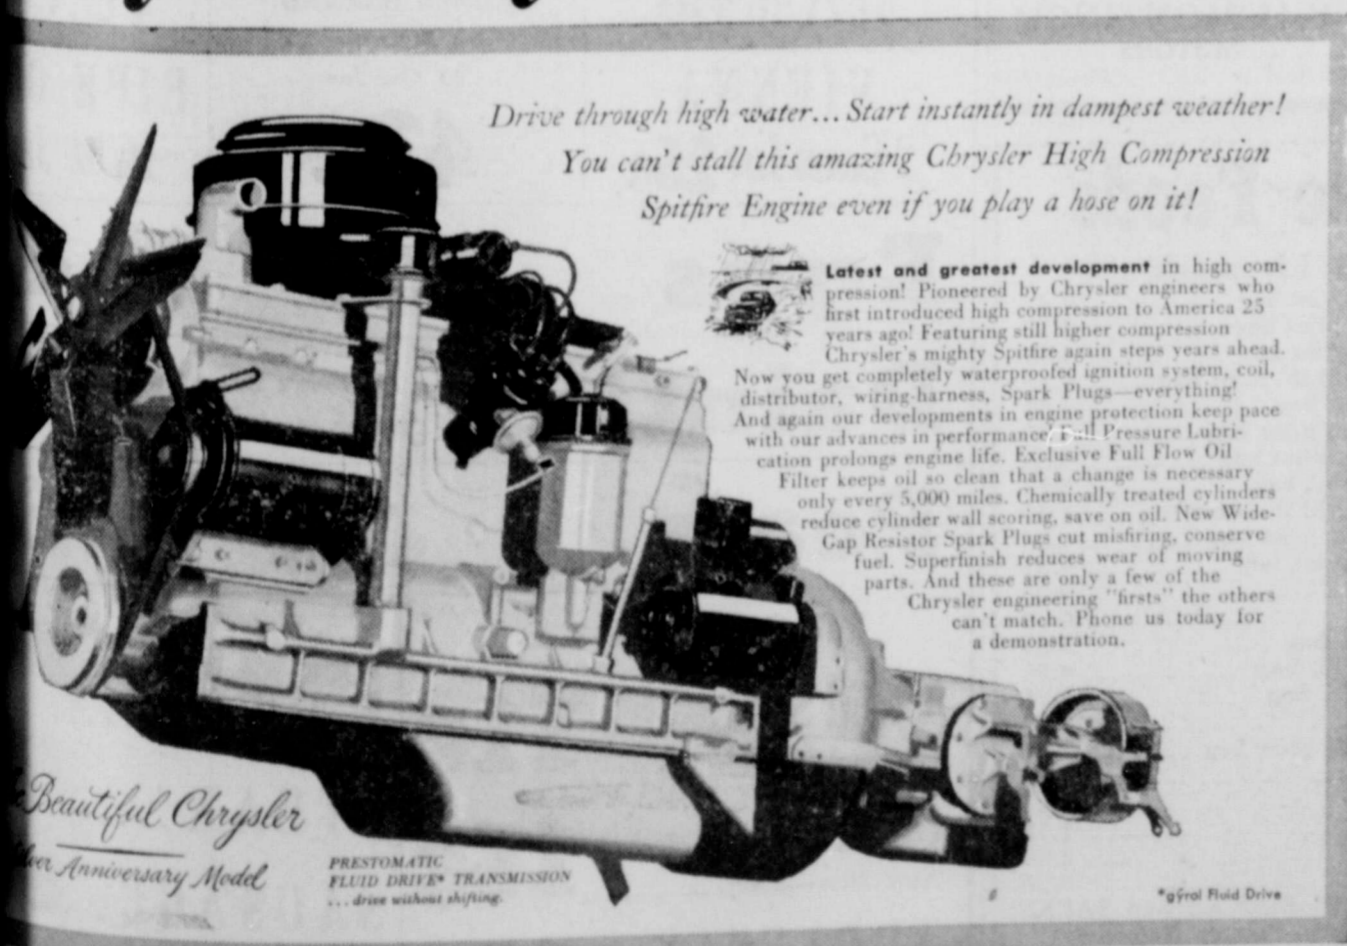

The meeting closed with the usual Missionary benediction.

Drive through high water... Start instantly in dampest weather!
 You can't stall this amazing Chrysler High Compression Spitfire Engine even if you play a hose on it!

Latest and greatest development in high compression! Pioneered by Chrysler engineers who first introduced high compression to America 25 years ago! Featuring still higher compression Chrysler's mighty Spitfire again steps years ahead. Now you get completely waterproofed ignition system, coil, distributor, wiring-harness, Spark Plugs—everything! And again our developments in engine protection keep pace with our advances in performance. Full Pressure Lubrication prolongs engine life. Exclusive Full Flow Oil Filter keeps oil so clean that a change is necessary only every 5,000 miles. Chemically treated cylinders reduce cylinder wall scoring, save on oil. New Wide-Gap Resistor Spark Plugs cut misfiring, conserve fuel. Superfinish reduces wear of moving parts. And these are only a few of the Chrysler engineering "firsts" the others can't match. Surprise Dinner Sunday Honors Jessie Carlton

Sunday, August 21, marked a happy occasion for Jessie Carlton when his niece and nephews, whom he had reared, gathered in Memphis to surprise him with a party on his birthday anniversary.

The affair was held at the city park and a delicious picnic lunch was served at the noon hour.

Mr. Carlton is well-known in Memphis, having lived here for the past 40 years.

Relatives enjoying this affair were Mrs. Georgia Meacham of Turkey, who is an aunt of Mr. Carlton; Mrs. O. L. Hammonds of Memphis and the following nieces and nephews and their families: Mr. and Mrs. A. L. Carlton and children Margie, Aubrey Lee and Jerry Don of Friona, Paula Beth Johnson of Odessa, Mr. and Mrs. W. B. Carlton of Friona, and Mr. and Mrs. J. R. Carlton and Norma Jean of Washburn.

Adams Reunion Will Be Held At City Park

The Adams family reunion will be held in the City Park Sunday, August 28, for the first time since 1941. During the past eight years it has been held at Lubbock.

Descendants of Osborn and Julia Ann Adams who lived in Gordon County, Georgia, compose the group. Six of their children, William Cecero, Frank, Nat, John, Ann Adams Shellhorse and Sally Adams Taylor, came to Texas between 1880 and 1890.

None of the six are living now, but their children and grandchildren carry on the family reunion.

Relatives from Houston, Westaco, Tyler, Graham, Lubbock, Amarillo, Tulla, Borger and many other cities in Texas, New Mexico and Oklahoma are expected to attend the reunion.

Twilight Service In Wellington Unites Miss Lynn Moore and I. D. Russell

In a beautiful twilight single ring ceremony at the First Methodist Church in Wellington, Monday evening August 22, Miss Lynn Moore became the bride of I. D. Russell. The bride is the daughter of Mr. and Mrs. Sam Moore of Phoenix, Ariz., formerly of Memphis, and the groom is the son of Mr. and Mrs. Otto Russell of Wellington.

The altar was banked with white gladioli with ferns and palms. Tall branched candelabra with white tapers completed the floral arrangement.

Misses Tommie Ann Campbell and Sue Anderson of Wellington,

Donna Marie Broughton of Childress and Carolyn Kelton of Corsicana attended the bride as bridesmaids. Their dresses were of pale blue organdy styled with a long bodice and strapless. Over their dresses they wore short jackets with three-quarter length sleeves. White picture hats of horsehair trimmed with half garlands of pink daisies completed their costumes. The bridesmaids carried colonial bouquets of pink daisies.

MMrs. Tommy Hulsey of McLean attended her cousin as matron of honor. She was attired in a pink organdy gown which was made with cap sleeves, high neck which was buttoned to the waist. She wore a white picture hat trimmed with blue daisies. Her bouquet was also of colonial type fashioned of blue daisies.

The bride, who was given in marriage by her father, was beautifully gowned in white chantilly lace over satin. The dress was styled with a yoke of marquisette and outlined with leaves of seed pearls. The long fitted bodice was buttoned with tiny self-covered buttons down the back. Her train fell from a fishtail arrangement. The bride's fingertip veil was held in place by a tiarra of seed pearls. For her flowers she carried an arrangement of white roses and gardenias. Her only jewelry was a string of pearls given her by her father. She carried out the old tradition of wearing "something old, something new,

Dorcas Society Meets Here With Mrs. Frank Smith

The Dorcas Society met Friday in the home of Mrs. Frank Smith for an all day luncheon.

A covered dish luncheon was served and the group completed a quilt.

During the short program, Mrs. W. I. Glosson led the devotional reading from Romans 12 and Mrs. John Barber offered the prayer.

The club will next meet in the home of Mrs. Glosson on September 1 and all members are urged to be present as election of officers will be held.

Members present Friday were: Mesdames W. I. Glosson, A. B. Jones, J. W. Johnson, John Barber, J. B. Wrenn and Frank Smith.

something borrowed and something blue."

Janet Jones and Linda Jane Denny of Childress were the flower girls. They wore pink organdy dresses fashioned with low round necks and small tucks around the top of the skirt.

The small flower girls wore blue daisies in a garland in their hair. Tim Hatch and V. K. Orr, Jr., of Wellington lighted the candles.

Leo Russell, brother of the groom served as ring bearer.

Richard Gilreath of Hedley attended his cousin as best man. Ushers were Tim Hatch, Ted O'Neil, Frank Orr and V. K. Orr, Jr.

For her daughter's wedding Mrs. Moore wore a dress of navy blue taffeta and had navy blue accessories. Her flowers were pink gardenias.

Mrs. Russell, mother of the groom, wore a black sheer dress complemented with a large white picture hat. Her corsage was of white gardenias.

Immediately preceding the ceremony Benny Karnes played a nuptial prelude, which included Clair de Lune, Idillo, Ava Marie, and the traditional wedding march and recessional were used. During the ceremony he played "I Love You Truly." Miss Helen Jo Holder sang "Because" before the ceremony and then as the vows were completed she sang "The Lord's Prayer," accompanied by Mr. Karnes.

Following the ceremony a reception was held at the Community Building. After the bride and groom cut the first piece of the beautifully decorated three-tiered cake, Miss Barbara Wilkins served the cake, and Miss Lura Finley poured the punch. Miss Patsy Foreman of Childress presided at the bride's book.

As the couple left on a wedding trip to New Mexico and Colorado, the bride was wearing a blue tailored suit with brown accessories. Her corsage was of white gardenias.

The couple will be at home in Dallas after the first of September where they will continue their studies at Southern Methodist University.

Miss Haynes and Richard Highfill To Marry September 3 in Kilgore

Mr. and Mrs. J. O. Haynes of Fort Worth, organist, Rosemary Bruce of Denton, violinist, and Louise McClain of Tyler, vocalist, who is now studying in Julliano School of Music, New York.

The bride-elect, who has visited here with relatives numbers of times, will be remembered for the lovely voice concert she gave here last spring when she was presented by the Harmony Club.

Both Miss Haynes and Mr. Highfill, who hold bachelor of music degrees from North Texas State College, have been doing graduate work at that college this summer.

The bride-elect is also a graduate of the Tyler High School and

Prominent Local Girl Enrolls in Nursing School

Miss Leota Sturdevant, daughter of Mr. and Mrs. O. A. Sturdevant of Memphis, has enrolled in the nurses training school at Northwest Texas Hospital in Amarillo.

Miss Sturdevant registered at the school Saturday and began classes on Monday.

She is well-known here and was a popular member of the graduating class of Memphis High school in 1949. Miss Sturdevant was active in school and social activities while in high school.

She was drum majorette with the Memphis High school Cyclone Band for three years. Miss Sturdevant received wide recognition for her hand work and won first place two straight years in regional twirlers' competition at Canyon.

She was also a class beauty while in Memphis high school.

Forty Hour Week For Rail Workers Starts Next Week

The 40-hour work week, which in effect becomes a 5-day work week, for non-operating railroad workers throughout the nation as a result of the report made December 17, 1948 by a Presidential Emergency Board, is to become effective at all Burlington Lines stations in Texas September 1st, according to an announcement issued from the Port Worth headquarters of the Port Worth and Denver City, and Wichita Valley Railways. Non-operating employees are all of those not directly involved in the movement of trains.

Social Security News

Q. What type of Social Security benefits are paid?

A. There are three kinds of benefits—monthly retirement and survivors benefits and the lump-sum payment.

Q. Who can get retirement benefits?

A. Monthly retirement benefits are payable to: (1) the worker when he is 65 or older and stops work; (2) his wife when she is 65; and (3) his dependent children under 18.

Q. Who can get monthly survivors' benefits?

A. Survivor's benefits are payable to: (1) Children under 18; (2) widows with children under 18 in their care, regardless of the widow's age; (3) widows 65 or over, regardless of whether they have dependent children in their care; and (4) aged parents—if the worker leaves neither widow nor child who could qualify for monthly benefits and if the worker was the chief support of the parents at the time of his death.

Q. Who can get the lump-sum payment?

A. The lump-sum is payable if there is no one eligible to receive monthly payments at the time of the worker's death. This payment will go to the widow or widower if they were living together at the time of death otherwise it is payable as reimbursement to the person or persons who paid the funeral expenses.

For further information write the Amarillo social security office or contact the representative when he is in Memphis. Floyd B. Ellington, Amarillo office representative, will be at the County Court House, Tuesday, September 13, at 11:00 a. m.

Albert Don Bevers Is Party Honoree On 8th Birthday

Albert Don Bevers was honored with a birthday party on Tuesday afternoon when his mother entertained at the family home, 821 Dover street. The occasion was to celebrate Don's eighth birthday anniversary.

Games were played and enjoyed by all present after which the honoree opened his assortment of gifts.

Refreshments of angel food cake and ice cream were served to the following: Sidney Wayne Lesley, Freddie McWhorter, Buddy Reeves, Don Meador, Winston Jones, Johnnie Kay McWhorter, Dewayne Meador, Eddie Clark Moore, Jack Gilreath, Horace Henson, Donnie Jay McWhorter, Jeff Dale Moore, Curtis Ray Bevers and the honoree, Albert Don Bevers. Mrs. Elmer Moore, Mrs. J. B. McWhorter and Mrs. Robert Bevers were also present.

This week, representatives of the management of these railroads are touring the Texas areas served by Burlington Lines, explaining to Chamber of Commerce managers and others concerned the mechanics of the new working arrangement and its effect on service to the public.

Little change will be noticed insofar as passenger service is concerned. About the only difference, one spokesman said, is that travelers from some towns should anticipate the purchase of tickets, and the checking and claiming of baggage and express, between Monday and Friday for trips beginning on Saturday or Sunday; however, this will not be necessary at the larger stations.

Customary service will be accorded to United States mail.

Beginning September 3 all freight stations will be closed to forwarders and receivers of freight on Saturdays as well as on Sundays and holidays; however, at all of the stations where heavy freight movements occur the same arrangements will be made for carload handling and for emergencies on Saturdays that heretofore have obtained on Sundays.

Demurrage an storage rules have been amended to meet this new situation.

TURKEY NEEDS RAILROAD FOR DEVELOPMENT—Where wild turkeys in countless flocks once guttered their vigorous gobblers now grows a vast area of cotton and maize, towns here and there glisten in the beams of an effulgent sun, and hundreds of farmers labor from break of day to dusk. Yet the territory embraced with the former habitat of the wild turkey and prairie chicken and the buffalo is quite as removed from transportation as it was thirty years ago. Hint of a rail line to Fort Worth catches eager, intent ears. For Turkey, Quitaque, Gasoline, not to speak of other towns in this section, expect to date their vast material program and progress from the hour that the locomotive sirens a long, keencut blast at it pounds through Texas' greatest agricultural domain.

seven walks and striking out eight. Duke pitcher Hendrick had no such luck or ability, as the case may be. The Owls humiliated his pitching prowess with 16 hits and worked him for enough walks—12—to force the wearing of extra arch-supports as part of their equipment.

Leading the Owl parade of Swatters who filled the Wellington sky with Hendrick's offerings: Banks with three singles in four official trips; Hambrick with three one-baggers in six trips and Pruitt with a similar record. Dorman led the receivers with three free passes.

Consequently everyone but Jester got into the Owl scoring act and the only apparent reason he didn't was that he just wasn't around long enough.

Memphis scored four runs in the first, one in the third, seven in the fourth, three on the fifth, one in the sixth, one in the eighth and a couple in the ninth.

Wellington managed to stay in town long enough to score twice in the first inning and twice in the seventh.

Relatives, Friends Attend Last Rites For Jeff J. Jones

Many out-of-town relatives and friends attended the funeral services which were held at the Liberty Baptist Church Thursday, August 18, for Jefferson J. (Jeff) Jones.

Rev. W. S. Crawford and Rev. John Campbell conducted the services with burial in Liberty Cemetery under the direction of Murphy-Spicer Funeral Directors.

Pallbearers were: Cleo Pence, Robert Jackson, K. D. Gilchrist, Clifford Rice, Earl Clemons and Carl Perkin.

Ladies assisting with the flowers included: Mrs. Vera Castile, Mrs. Geraldine Perkins, Mrs. Lorraine Mitchell, Mrs. Dovie Perkins, Miss Fay Fuller and Miss Betty Jane Castile.

Not for Dairying But DDT STILL THE BEST INSECTICIDE FOR MOST USES, SAYS AUTHORITY

Although the government has warned farmers not to use DDT on dairy animals the reason is not because it harms the animals, according to Dr. D. H. LeGear, noted authority on insect control.

"The fact is that DDT is just as good as ever and it should be used widely and regularly for fly control on farms," Dr. LeGear said. "The only reason the Pure Food and Drug Administration is opposed to its use on or around dairy animals is that it has the quality of being picked up by the body of the cow and small amounts are then passed out in the milk."

DDT has not been known to cause any health problems in humans, he said, but milk is a food and as such the law says it must not be contaminated by any substance that might possibly be harmful to humans.

Therefore, DDT should not be used on dairy cows since it can be passed through the milk and it might sometime prove to be a harmful contaminant, he added.

It was pointed out that DDT is still excellent for use on beef cattle, horses, mules, sheep, swine, poultry houses and farm houses in general. Its residual action and ease of application, coupled with its economy, still make it the insecticide of choice for most of the farms.

What about dairy cattle and milk barns? That's easy, says Dr. LeGear. He strongly recommends Pyrethrum, the time-tested "daddy of all insecticides" with its activity stepped up with Piperonyl Butoxide. This chemical increases

Tuberculosis Is Fifth Most Deadly Disease in Texas

There is no more emphatic proof of the power of ignorance and carelessness to spread disease than is shown by the continued ravages of tuberculosis, which is responsible for more deaths between the ages of fifteen and forty-five than any other disease.

Despite the knowledge of its cause, spread, and curative procedures, tuberculosis continues to be a grave public health problem, and today it holds fifth place among the killing diseases in this State. This fact exists even though the majority of tuberculosis patients could have their condition arrested, if it were recognized early and proper treatment applied.

These facts are disclosed by Dr. Geo. W. Cox, State Health Officer, who says, "treatment of the early recognized case is essential to recovery. It is of equal importance, from a public health viewpoint, that the spread of this devastating infection be prevented. A more widespread appreciation of this fact would result in the saving of thousands of lives."

The State Health Officer added: "When a diagnosis of active tuberculosis has been made, examination of all other members of the family should follow as a matter of course. Tuberculosis runs in families, not because of any special susceptibility, but because it is communicable and easily transmitted from one member of the family to others."

To reduce the number of deaths caused by tuberculosis, Dr. Cox urges periodic examinations of all adults, including chest X-rays; frequent check-ups by physicians where active cases and their contacts are known; isolation or hospitalization of active tuberculosis cases, and a more intelligent application of hygienic living principles.

Pound Dukes to Take RRV First Round Play-Offs

PITTMAN, LAFOLLETTE HANDLE OWL HURLING

The Memphis Owls cinched themselves a place in the final round of the Red River Valley League play-offs by drubbing the Wellington Dukes here Thursday night and staging a repeat performance at Wellington Sunday.

Thursday night Memphis downed the Dukes 10-2. They outdid the league pace-setters 8-2 Sunday afternoon.

Doc Pittman was credited with the Owl win at Estes Park Thursday night. He cut Wellington off with eight scattered hits while issuing only one walk.

Meanwhile, Pittman's mates were working Duke hurlers McDonald and Upton for 11 hits and seven gratis bases. McDonald started on the hill and was charged with the loss. He was removed in the sixth, after allowing seven hits and eight runs.

Memphis started the scoring in the last of the first. Pruitt and Coppedge reached base on walks and Hambrick and LaFollette struck out in that order. Dorman, who averaged a perfect night at the plate, then stepped up for his first hit, a single, and scored the two on base.

The Owls pushed over another pair of runs in the third when Pruitt and LaFollette, on base via the walk route, scored on singles by Dorman and Banks.

Farmer scored in the fourth and a three-run rally in the fifth, highlighted by Norman's single and Banks' double, brought home LaFollette, Dorman and Banks.

Hambrick tallied in the sixth and again in the eighth to round out the Owls scoring.

Wellington's two runs came in the sixth and eighth frames. Sunday afternoon the Owls had three scoring spurts, in the third, sixth and eighth innings, to account for their 8-2 win over the Dukes.

Metz LaFollette did the Owl pitching chores and gave up 10 hits. Memphis batters got an equal number of safe hits off Duke moundsmen Upton and McDonald. Upton was charged with the loss.

Dorman opened the Owl scoring in the third when he slammed out a home run with Coppedge and LaFollette aboard.

LaFollette, Dorman and Ford scored for the Memphis nine in the sixth and Dorman and Banks added the final two runs in the eighth.

Wellington scores came in the fifth and eighth innings.

National Foundation Sends Aid To Hall County Polio Chapter

Over \$5,000 has been sent to the Hall County Chapter from the National Foundation for Infantile Paralysis for financial assistance since October of 1948, according to T. E. Noel, secretary-treasurer for the Hall County Chapter.

Noel pointed out that these funds were sent from the national headquarters after the local chapter's fund had been diminished in paying for the treatment of polio-stricken Hall Countians.

At present there are three Hall County patients receiving treatment at the Plainview Sanitarium and Clinic. However, none of these are recent cases, it was stated.

Ready to Help

Noel said that the amount sent the local chapter from the national foundation totals \$5,509. These figures broken down show: \$1,025 sent the local chapter on October 15, 1948; \$2,089 sent on November 22; \$1,470 sent on April 20; \$200 sent on July 1, and \$1,125 sent the local chapter on July 7.

It was pointed out that the national foundation always stands ready to lend financial aid to local chapters when needed. The policy of the foundation to insure that no family need undergo undue financial hardship in having polio-stricken members properly treated.

Clinic Approved

Hall County Chapter Chairman R. C. Lemons said that the Plainview Sanitarium and Clinic has been provisionally approved by the Crippled Children's Division of the Texas State Department of Health.

"This means that when financial assistance is needed by polio patients in Hall County, our Chapter is now authorized to pay for hospitalization and medical care at the Plainview Sanitarium," he said.

Lemons pointed out that this includes not only acute care, but also convalescent and long-term care, including out-patient treatments prescribed by the attending physician.

Enlarged Staff

He said that the Plainview Sanitarium is now classified as a primary treatment center and has a medical staff which include an orthopedic surgeon and has a Physical Therapy Department and Registered Physical Therapists to carry out the treatments prescribed by the physician.

The Plainview Sanitarium has agreed to charge \$10 per day per patient on all polio cases who are to be assisted financially by the Hall County Chapter. In order to help in conserving funds of local chapters, the medical staff of the Plainview Sanitarium have agreed to dismiss patients from the Sanitarium as soon as their condition will permit and if further treatments are necessary they will receive out-patient service.

VETERANS MAY APPLY HERE FOR INSURANCE DIVIDENDS MONDAY

Monday, August 29, will be the first day of distribution of application forms for the National Service Life Insurance special dividend to be paid to veterans who carried their GI insurance for three months or more prior to January 1, 1948.

Application forms will be available at post offices, veterans' service organizations, American Red Cross, veterans' County Service offices and throughout the West Texas area served by the Lubbock Regional Office of Veterans Administration, Manager Robert W. Sissen announced.

Here in Memphis, veterans should apply with American Legion and V. F. W. officials, at the post office or through N. W. Durham, county Red Cross home service chairman.

These simplified application blanks are in the form of a three-fold card; the veteran will retain one third of the card, which contains the instructions. After filling in his full name, service number, C-number, if any, and insurance number or numbers if available, and address, he will mail the remaining two-fold card to the Veterans Administration, Washington, D. C.

It is expected the dividend check distribution will begin in January and will be substantially completed during the first six months of 1950.

"Making application on the first day of distribution of the forms does not necessarily assure early receipt of the special dividend check," VA officials have emphasized.

Beneficiaries of deceased veterans who are presently receiving insurance benefits will not be required to make application for the special dividend, it was pointed out.

The VA will mail direct to beneficiaries of deceased veterans whose insurance was not in force at time of death, the necessary application form for accrued dividend payable, it was stated.

It was pointed out that it is not necessary for the veteran to know his insurance number. In case his number is not given, the application will be identified by the veteran's service number.

Further, only one application is necessary although the veteran may have had more than one policy of insurance or more than one plan of insurance.

Hall Countians Graduate at WT This Summer

Seven Hall Countians were among the 205 students who received degrees at West Texas State College this summer.

Graduation exercises were held Monday night, August 22, for this 1949 summer class.

Seven Bachelor of Arts, 113 Bachelor of Science, 23 Bachelor of Business Administration and 62 Masters degrees will be conferred. This 1949 summer class includes one of the largest groups to receive masters degrees in the history of the college.

Those graduating from Memphis include: Mrs. Bessie Newton, BA; Miss Margarite McCoy, BS; Miss Mary Foreman, MA; Miss Lois Lowe, MA; and J. B. Lowe, MA.

Mrs. Virginia Deagan from Turkey will receive a BS and Mrs. Harriet Wheeler of Estelina will be graduated with a BS degree.

Sgt. Joe Arnold On Duty at Ohio AAF Weather Base

Sgt. Joe E. Arnold, son of Mr. and Mrs. Joseph W. Arnold of Route 1, Lakeview, reported last week for reassignment at Clinton County Air Force Base, Wilmington, Ohio, the All-Weather Flying Center of the U. S. Air Force.

Sgt. Arnold, who will be assigned to the Weather Division at Clinton County, is a graduate of Lakeview High School. He enlisted in the Air Force on September 11, 1947, at Dallas, and took basic training at Lackland Air Force Base, San Antonio. Before coming to Clinton County he was stationed at Cape Air Force Base, Alaska.

Mr. and Mrs. R. H. Hanvey and son, Robert, left Sunday for a vacation to South Carolina and other southern points.

Boys Ranch Will Stage 5th Annual Rodeo in Amarillo

Featuring movie star Roy Rogers and his beautiful wife, Dale Evans, the fifth annual Boys Ranch Rodeo will be held at the Tri-State Fair Grounds in Amarillo on September 4.

The afternoon performance starts at 2 p. m. and the final show is scheduled for 8 p. m. Leonard Stroud, former world's champion trick roper and trick rider, has been coaching the boys in all phases of rodeo performing. Stroud has handled the boys in previous years and has turned out some fine performers.

Mail and telephone orders for tickets are now being taken. Those desiring the duets should either write: Boys Ranch, Box 1890, Amarillo, or phone 5856 in Amarillo.

Adult reserved seats are \$2.50 with general admission tickets \$1.50. Children's reserved seats are \$1.75 and general admission seats 75 cents.

IOOF Lodge Here Touring Other Lodges in Area

The Memphis Subordinate Lodge 444 of the Independent Order of Odd Fellows has started a round robin of visitations with other lodges in District 37, Noble Grand McKennie Robertson announced last week.

This began August 1 when 15 members of the Memphis Lodge motored to Childress and attended their meeting in response to a challenge. During that meeting a Third Degree was conferred on one Childress member and one Memphis member.

Childress proved to be a very capable and hospitable host and delicious refreshments were enjoyed following the meeting.

On the following night, August 2, 11 members of the Childress Lodge attending the Memphis meeting. During this meeting one new member of the Memphis Lodge received the Initiatory Degree. Refreshments were served to the members and their Childress visitors.

At this time plans were made for members of the Memphis and last Monday night and visit the Lakeview Lodge. The first de-

Local Girl Patient At Scottish Rites Hospital in Dallas

Little Margie Marie Vestal has been admitted to the Texas Scottish Rites Hospital for Crippled Children in Dallas for treatment.

Seven years of age, she is the daughter of Mr. and Mrs. Clyde Vestal, Route 1, Memphis.

The Scottish Rites Hospital, which is supported by individual contributions, offers outstanding medical care and attention to Texas crippled children who are accepted for treatment.

Her condition is such that surgery was conferred during that meeting.

Then on August 29 the Lodges will visit Estelline and plans are being made to visit the Clarendon and Wellington Lodges as well as others in this area in the future.

All members of the Memphis Lodge that can possibly do so are urged to join in these visitations. They are planned to promote interest and increase attendance and an enjoyable evening is always promised.

Memphis Scouts Take Diving Event in Meet

A two-member team, Tom Messer and Duane Miller of Memphis Scout Troop 35, outpointed opponents to take the diving contest in the Southern District Swimming Meet at Wellington last week.

Boy Scouts from Wellington, Memphis, Clarendon and Shamrock participated in the meet.

Duane Miller won first and second place in Senior diving with his front dive while Messer took third place.

Messer's Jackknife dive won him a first place ribbon and Miller took third in the event. Miller then finished first in the Swan dive event and Messer second.

Joe J. Marcum Now Associated With Monzingo

Joe J. Marcum, who has been in the automotive business in Amarillo for several years, has accepted a position with Kermit Monzingo as salesman.

He was reared at Estelline, and stated, that he would devote his full time in his new position to selling new and used cars and farm implements. Kermit Monzingo is the Chrysler-Plymouth and Minneapolis-Moline dealer in Memphis.

The used car lot operated by the firm, located at the corner of Noel and 8th streets, has been graveled and a new steel fence has been erected on all sides. New floodlights were installed, which illuminate the property each night. A separate office is maintained for the convenience of the customers at the lot.

Marcum invited his friends to come by and visit with in his new position.

Holland will receive a Bachelor of Arts degree in Bible and Chesshir a Bachelor of Science in agriculture.

CONSTITUTIONAL AMENDMENTS

House Joint Resolution No. 38

proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be Numbered 63 and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county, and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pension for appointive officers and employees of the counties of this

State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary, and shall first be authorized by vote of the qualified voters of such county. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors for members of the Legislature at an election to be held throughout this State on the second Tuesday in November, 1943; and at said election the ballots shall have printed thereon the words "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees." Each voter will strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed amendment.

Sec. 4 If at said election, a State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. It at said election, a majority of the votes cast are "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive

county officials and employees," the foregoing proposed amendment shall become Section 63 of Article XVI of the Constitution of Texas, and proclamation shall be made by the Governor thereof. Sec. 5. The sum of Five Thousand Dollars (\$5,000), or as much

thereof as may be hereby appropriated, shall be appropriated, to pay the cost of such proclamation election.

EVANS CHILDREN VISIT PARENTS

Guests in the E. W. Evans home last week were their children, Mr. and Mrs. Alvin Fields and daughter Darlene, of Ukiah, Calif., Mr. and Mrs. James Evans and daughter Jamie of Clovis N. M., and Mr. and Mrs. George Evans of Lordsburg, N. M. They all left Friday morning to visit their sister and family, Mr. and Mrs. John Sheffield in Bowie, Ariz., before returning to their homes. It was the first time the group has all been together in over nine years.

House Joint Resolution No. 22 proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows: "Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have been a practicing lawyer or a Judge of a Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms of sessions of each Court as it may deem necessary.

"The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding. "The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under this present election or appointment."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on November 8, 1949, at which time all ballots shall have printed thereon: "FOR the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law"; and "AGAINST the Constitutional Amendment providing that the

District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

House Joint Resolution No. 36 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing the Legislature of the State of Texas to provide for the establishment and creation of hospital districts; providing for the Governor's proclamation and submission to the electorate. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section to be designated as Section 60, reading as follows: "Section 60. The Legislature shall have the authority to provide by law for the establishment and creation of hospital districts in the counties of this State under such conditions as the Legislature may fix by law, and to provide for the support of said districts by a tax on the ad valorem properties situated in said counties; providing, however, that before any such district shall be created it shall be approved by a vote of the people in said district."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following: "FOR The Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts;" and "AGAINST The Amendment to the Constitution of the State of Texas authorizing the Legislature

WHEN YOUR PHARMACIST SAYS—"NO"

You've no doubt heard about Digitalis, Streptomycin, and Sulfa drugs. They are accomplishing wonders every day in the treatment of disease.

But like many other effective medicinal agents, these drugs may be unsafe when used without the advice of a physician. That's why your pharmacist does not sell them to you unless you have a prescription. The ethics of his profession keep him constantly on guard for the protection of your health. Your State recognizes this trustworthiness in licensing him as a registered pharmacist.

One of your pharmacist's chief responsibilities to the community is to have available on his shelves the products of medical research. Remember, therefore, when he refuses to sell you certain drugs without a physician's prescription, he is only doing his professional duty in protecting you against possible dangerous results to your health.—Reprinted from a copyrighted advertisement published by Parke, Davis & Company, Detroit 32, Michigan.

1950 Studebaker Will Be Shown Here August 26

Studebaker, the car that set the postwar styling pace for the automobile industry, has done it again. W. H. Monzingo, local Studebaker dealer, stated this week after previewing the new models.

Details of the company's line of 1950 model passenger cars were disclosed recently by H. S. Vance, chairman of the board and president, with a prediction that this latest Studebaker will be acclaimed the most distinctive looking car on the road.

The 1950 Studebakers will be on display at W. H. Monzingo Motors, 614 Main St., Friday and Saturday, August 26 and 27.

In these new cars the company's designers, Raymond Loewy Associates, have achieved an automotive style pattern as revolutionary today as were the first Studebakers of postwar design three years ago. A complete change in frontal appearance and fender treatment gives the 1950 models sleek, new lines which make them appear in motion even when they're standing still.

Both ride and handling ease have been considerably bettered by engineering innovations complementing the use of an improved self-stabilizing coil spring front suspension.

The front of the 1950 Studebaker is particularly striking. It embodies an airplane fuselage-type hood, flanked by air-foil front fenders and set off by a chrome "spinner." In addition to providing an ornamental touch, the "spinner" augments four frontal openings which direct air to the engine for maximum cooling. The largest of these air passages consists of two oval-shaped honeycomb grille scoops located below the two smaller air channels which flank the "spinner." Chrome moldings over these small twin channels contribute to the unusual decorative effect.

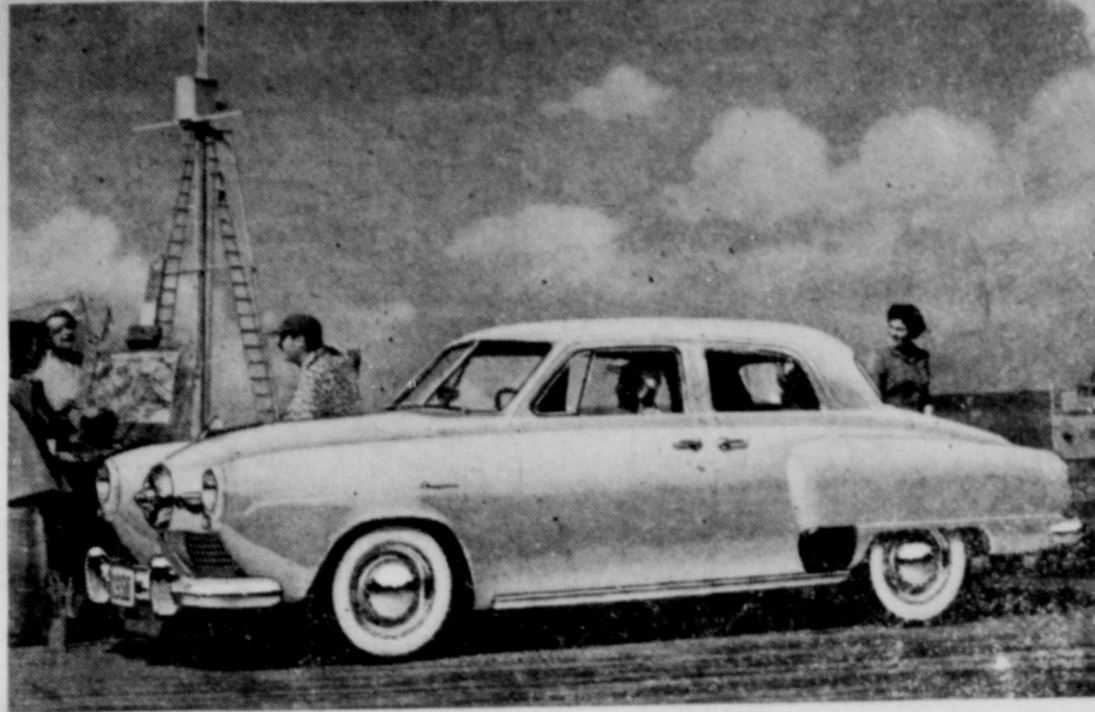

In harmony with a styling that expresses power, speed and sleekness are the heavy wrap-around bumpers. In front they are held by supports enclosed within tubular housings which are painted to match the automobile.

In keeping with the new speed lines are the redesigned rear fenders, also air-foil type, and the large vertical tail lights which fit into the trailing edge of the fenders. Both front and rear fenders are the bolt-on type.

The wheel bases of all 1950 Studebaker models have been increased by one inch: Champion, 113 inches; Commander, 120 inches; Land Cruiser, 125 inches.

Instrument panels are located about four inches farther forward than previously, thus providing additional space in the front compartment. Gauges are grouped directly in front of the driver so that they can be checked at a glance.

In these new models the com-

The "next look" lines of the 1950 Studebaker passenger cars are readily discernible in this four-door Champion sedan. In addition to the advanced styling by Raymond Loewy Associates, there is new ride and comfort resulting from Studebaker's self-stabilizing coil spring front suspension. Luxurious interior and maximum passenger space characterize all Studebaker models.

Announcing the NEW 1950 STUDEBAKER

The leader leads again! A breath-taking new car! A dynamic new triumph of Studebaker's overwhelmingly popular ideas on automobile designing! A 1950 Studebaker styled ahead—and engineered ahead—for years to come!

AMERICA expects the unexpected from Studebaker—and here it is—the "next look" in cars! Dynamically new in form and substance, this is a truly inspired 1950 Studebaker. Its styling is more distinctive than the "new look" that Studebaker originated three years ago. This is a complete line of completely new 1950 Studebaker cars—paced by a sensationally advanced Studebaker Champion in the low price field. Stop in for a look. New in eye appeal and new in drive appeal, this breath-taking 1950 Studebaker starting another Studebaker buying wave. The 1950 Studebaker stands out in advancement. A new longer Champion and Commander! A new longer special Land Cruiser sedan! Self-stabilizing coil spring front wheel suspension. Higher compression Commander and Champion engines of increased horsepower. Wide-rim wheels and extra-low pressure tires. Shock-absorbing brakes. Symmetrically centered variable ratio steering. Large size windows and windshield. "Black light" instrument panel. Wear-resisting Studebaker craftsmanship. Automatic all-weather transmission. Studebaker Climatizer heating and ventilating. Studebaker-engineered Philco radio, available on all models or added

A Wonderful Car - a Wonderful Buy!

Wherever you go you hear people talking about the new Pontiac. Naturally, a great many people talk first about Pontiac's outstanding beauty. A great many others say they have heard reports of Pontiac's performance, its alertness in traffic, its smooth luxurious ride and the wonderful convenience of GM Hydra-Matic Drive. Still others tell us what they have heard about Pontiac's economy. And well they might, for Pontiac is sensibly priced, just about the very lowest. And it is so thoroughly dependable that it will give years of pleasure and superb performance with only minimum servicing. Come in soon and get the whole Pontiac story.

YOU CAN'T MISTAKE A PONTIAC - Silver Streak styling and striking new Bodies by Fisher combine to make the 1949 Pontiac truly "the most beautiful thing on wheels."

How About An Andrew Carnegie Day?

It has been suggested that Memphis set aside one day of the year to honor the memory of one of this country's greatest philanthropists, Andrew Carnegie.

The idea certainly has its merits since Memphis is a direct beneficiary of his devotion to public service. The Carnegie Library here, one of 3000 the self-made, grateful Scotchman donated funds to build, is an institution for which we can all be thankful.

No one questions the fact that the library is a great asset to our community. Few cities this size can offer such a valuable educational and recreational facility to their citizenry.

Unfortunately, however, too many of us have a tendency to take the library for granted and not worry about improving it.

Even worse, many of us regard it as a restricted area and never take advantage of the library's wonderful facilities. It is a real treasure-house of knowledge—one many of us should become much more familiar with.

So, if it were decided to set aside a special day here as a sort of local tribute to Carnegie, it seems to us the best thing that could be done would be to use the time to improve the library left to us.

Civic organizations could take the lead and spend the day gathering books for the library which would be donated by local citizens.

Most of us have books, good books, lying around the house which we will never read again or even loan out to friends. It would be a wonderful thing to put some of these books back into circulation. After all, they were written to be read.

We can think of no more appropriate way to honor the man who contributed his millions to offer Americans opportunities he never had. It is an idea worth thinking about.

Press Paragraphs—

QUOTING OUR NEIGHBORS

A Spider, Mr. Merchant?—
 Many years ago Mark Twain was editor of a small-town newspaper. A reader wrote in saying that he had found a spider in his paper, and he wanted to know if that was an omen of good luck or bad luck. Mark answered: "Finding a spider in your newspaper is neither good or bad luck. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that

store, spin his web across the door and lead a life of undisturbed peace ever afterward."
 Retailing has come a long way since those days, and the art of advertising has undergone great development. And advertising, by stores and any other kind of business, is a typical outgrowth of the competitive system. It is the best possible means of reaching the people who want goods and services, of urging the merits of one brand against another and of encouraging the consumer to go to some particular retailer. That it benefits the consumer goes without saying. No storekeeper could long charge an excessive price with competitors offering in print the same or an equivalent product at a lower price. And deceptive advertising always defeats its own purpose. The wise merchant advertises aggressively, but he bases his story on appeal, not fiction.
 Salesmanship is a driving force in keeping the American economy running. Advertising is the heart of it.—Munds Times.

SIGNS OF THE TIMES

A Free Vote—For A Slight Fee—
 Voters of Texas will be able to cast a "free vote" if the constitutional amendment carries in November. Just read this amendment in this issue of the News and see for yourself.

The joke is that while you will not pay a poll tax in any election in which federal officers are involved, you will have to pay a registration fee, which may or may not amount to as much as the present \$1.75 poll tax.

Yes, and whereas all men and women over 60 are not now required to buy a poll tax receipt in order to vote, they may have to pay a registration fee in order to get to vote.
 The legislature will set this fee at a later session.
 Again, let us warn you to read these constitutional amendments in this issue of the News. It may appear silly to you to have to publish them so often and to take up so much valuable space, but there is nothing we can do about it. The ten amendments were first published for an earlier election. Then this election was postponed and the new dates set for November 8 in order that the election might be held on the same date with election of the 21-member Board of Education. The amendments will be published once more next week. Be sure to read all of the provisions, and then vote on November 8.

This Week in WASHINGTON

AS THE SCHEDULED adjournment date for the first session of the 81st congress neared, it appeared there would be several important subjects for legislation to go by the wayside. These included new legislation and appropriations for the nation's highways, the status of the nation's airlines and the extension and increase of the minimum wage laws.

Only within the past few weeks, President Truman submitted a report to the congress prepared by the bureau of public roads which indicated that more than 11 billion dollars must be spent on major highways over the next 20 years to bring them up to peak efficiency in handling the nation's traffic, to save lives and to save time and expense in vehicle operation.

The 1948 highway act authorized the appropriation of 6,450 million annually for fiscal years 1950 and 1951 to improve the most traveled highways on a fifty-fifty matching basis with the states. Under an independent offices appropriation bill for the 1950 fiscal year, there is included a 300 million sum for federal-aid highway system. The house had already approved 375 million of this sum.

With a carry-over of 40 million from last year's highway appropriations, sufficient money is expected to be available to cover federal contributions, planned and under construction on the state matching basis. But on the basis of the roads bureau report, insufficient money is being appropriated to meet the needs, and in addition, states are finding it difficult to raise the necessary funds to match the federal grants.

As a matter of fact, states are increasing gas taxes and automobile license fees in an effort to step up their collections for road repairs.
 According to this report, approximately 94 per cent of the country's main highways must be repaired and improved to meet today's volume of traffic, but it is likely that legislation will not be forth coming until next year.

Highlights of the highway report include:
 Needs in repair and improvements of the main highways are

The fundamental rights of man do not reward for those who make unequal contributions.

SERVING the Gulf South

... by bringing in NEW SPENDING MONEY

Money for Sister's shiny new shoes, for Johnny's new suit for school, for all the things you need and want... comes from JOBS. And those jobs, of course, are possible largely because the owners of business and industry invest their money in plants and equipment.

United Gas has brought millions of dollars of new money into the Gulf South to build its producing, transmission and distribution facilities... money provided by thousands of stockholders and investors living all over the country.

This investment of new spending money is another example of the way the American Business System works to bring better living to your community.

CONSTITUTIONAL AMENDMENTS

House Joint Resolution No. 32 proposing an Amendment to Article 1 of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trials in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 1 of the Constitution of the State of Texas be and the same is hereby amended by adding another Section thereto following Section 15, to be designated Section 15-a, to read as follows:

"Section 15-a. The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense, and shall provide for method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Sec. 2. That the foregoing Constitutional Amendment be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, A. D., 1949, at which election all ballots shall be printed thereon:

"FOR the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases" and

"AGAINST the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases." Each voter shall scratch out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Sec. 3. That the Governor of

the State of Texas issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

House Joint Resolution No. 19 proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to provide for Civil Service in certain counties upon a vote of the people therein.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:

"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations on term of office heretofore provided by Section 30 of this Article shall not apply, but the duration of such offices shall be governed by the provisions of such Civil Service System. This Section shall not apply to counties having a population less than seventy-five thousand (75,000) people."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified

Estelline Navy Chief Completes 9 Years Service

James Conley Huckaby, Chief Aviation Boatswain, USN, of Estelline, completed nine years of Naval service July 13, according to a Navy press release.

He was born in Lendale, Tex., Oct. 5, 1921, and attended Estelline High School, graduating in 1940. Entering the Navy in July of the same year, he served aboard the USS Enterprise until 1945. He was also stationed aboard the USS Saldor when she took part in the atomic bomb tests at Bikini on July 1, 1946.

During the seven years Chief Huckaby spent at sea, he earned the Navy Unit Citation, Presidential Liberation ribbon with two stars, and the Asiatic-Pacific Campaign ribbon with 13 stars. He also wears the American Defense ribbon, the American Theatre ribbon, and the Good Conduct Medal.

Chief Huckaby resides at 3801 West Mobile Hwy., Pensacola, Florida with his wife, Dorothy, and their two-year-old daughter, Sandra. His wife is the former Miss Dorothy Hays, daughter of J. H. Hays of Estelline.

Chief Huckaby is presently serving as traffic policeman aboard the Naval Auxiliaries Air Station, Saufley Field, Pensacola, Florida.

LETTERS FROM READERS

(The Democrat will consider letters from readers who wish to express their opinions on subjects of general interest. All letters must be signed and names cannot be withheld.)

Dear Editor,
Chemical salt is preservative and Jesus used it in reference to his church. He knew that the church was the only institution on earth that could save the nations.

So He saw the value of salt in Noah and his family and, with the help of God, Noah prepared a way to save the seed of humanity. Noah, by obeying God, built the mighty Ark, and that is the reason we are here today. God found one man who had faith in Him.

The City of Memphis has that saving chemical but it is in ten cent cans, about enough to preserve a road one week.

We are interested in putting on a caravan booster so that all Hall County people may attend. Would Memphis put on such a show to notify the people of Hall County that there would be a great preacher in Memphis who would tell the people of a better kind of life?

What kind of parade would we stage on the street for the salvation of the souls of the unsaved of Memphis? What kind of campaign would it take to get us to decide to build an old-time brush arbor and call in a few preachers from the backwoods who have never learned to preach anything other than Jesus and His power to save from sin? And to call sinners to pray through kindness for something that would not be for sale for a mess of pottage.

Then, if some old-timer would get happy and shout and testify of the Lord's power to save from sin, we would not dare think he was crazy. "For the Lord Himself shall descend from Heaven with a shout."

No Christian should be ashamed to shout if they love God. If they want to enjoy their happiness shouting, that's fine; if their daily walk be their witness.

A sinner doesn't have to go to what we call a mourner's-bench to be heard. They must know God will hear a penitent sinner anywhere. But the sinner will not be heard who is ashamed to fall down

and plead for mercy, even at a mourner's-bench.

Just a name on the church roll and a clever handshake will not get anyone through the Pearly Gates of Heaven.

It is always today with God. It is always tomorrow with the fool.

R. P. Martin,
Memphis, Texas.
