## CLEAN-UP ACTIVITY UNDERWAY AS CAMPAIGN SUPPORT GROWS

Clean-up month began in Memphis Monday with all local organizations and schools pledging their support to the campaign. Officially designated "Clean-up, Paint-up and Fix-up Month," activities are being directed through three Chamber of Commerce committees.

Dr. Charles B. Dryden, general chairman for the campaign, has been out of town most of this week but his co-worker, Wendell Harrison, has been supervising the drive. Harrison and C-C Manager Clifford Farmer appeared before the Rotary Club Tuesday and received the support of that organization in the campaign.

The Ministers' Group of Memphis also pledged active support to the drive at their monthly meeting Monday. Dr. Dryden was present at this meeting. Mayor C. C. Hodges added new emphasis to the campaign by proclaiming May to be official "Clean-up, Paint-up and Fix-up Month" in Memphis.

## City Dads Eye Water Ownership

The City Council voted Tuesday night to employ a water works engineer to appraise the property holdings of the Community Public Service Company here.

This is the first important step toward city purchase of the water works in Memphis—a plan that has received considerable attention recently.

Mayor C. C. Hodges appointed a three-member committee to select an engineer to make this appraisal. Horace Tarver heads the committee. Serving with him are J. J. Bice and O. L. Helm.

This committee was instructed to contact the Bureau of Community Facilities, a federal organization, to arrange for funds to defray the costs of this survey.

John Deaver, local attorney, was present at the meeting as representative of the Community Public Service Co. He requested that the city grant the company a renewal on their water facilities franchise.

A representative of a firm desiring to purchase the bonds that would be issued should the city buy the water works was also at the meeting.

George Thompson, Pampa engineer, spoke briefly to the council concerning the preliminary steps necessary should the purchase be decided upon.

Other business discussed by the council concerned granting an oil lease on the city airport property. The governing group agreed to grant such a lease but voted to turn down the \$1.50 per acre offer that has already been made.

This was the regular monthly session of the City Council.

STANLEY COUCH

## Turkey Youth Wins County Spelling Bee

Stanley Couch, 14-year-old eighth grade student at Turkey, will represent Hall County in the West Texas division of the National Spelling Bee in Amarillo Saturday.

Young Couch won over six other entries in the county competition held at Memphis High School Friday. If he wins at Amarillo, he will go to Washington, D. C., to compete for the national title.

The bee, sponsored in this division by The Amarillo Globe-News, will be held at 2 p. m. and will be broadcast over Station KGNC.

Competitors here Friday were from Estelline, Turkey, Memphis and Lakeview. The contest was sponsored by County Supt. Ma Foreman.

Students placing behind young Couch were:

Second, Royce Denton, 14-year-old Lakeview eighth grade student; third, Donald Barnett, 13-year-old Lakeview eighth grader; fourth, Mary Frank Garrett, 10-year-old Memphis sixth grade student; fifth, Barbara Smith, 12-year-old Estelline junior high student; sixth, Doris Chaudoin, 14-year-old Estelline eighth grader; seventh, Pauline Hammons, 12-year-old Memphis seventh grade student.

He said that if a date is set by local business firms to close in order that employees might make a concentrated effort toward the clean-up drive, the schools here will co-operate by closing for certain hours on that date.

Members of the American Legion voted last week to co-operate in the campaign, and officials stated that they would undertake any part of the project which was allotted to them.

Mayor Hodges pointed out that the two city trucks are available throughout the month to aid in the clean-up drive. They are making their regular monthly round of the city but will make special trips later to pick up garbage and trash collected around the homes and vacant lots.

Harrison said the C-C committees are working out a plan to have the organizations of Memphis furnish men on certain dates to go with the city trucks and assist in this rubbish collection.

He pointed out that the success (Continued on Page 8)

## Firms Asked To Close For Church Hours

The Ministers' Group of Memphis is petitioning local business firms to ask their support in closing during both morning and evening worship hours on Sunday.

Minister Bedford Smith, leader of the group, said that they are asking the firms to close from 9:30 a. m. until 12:30 noon and from 6 until 9 p. m. Sunday evenings.

"These are not unreasonable hours," he said. "They are necessary to insure employees time to get home from work, clean up and make the trip to their various churches." (Continued on Page 8)

CANDIDATES—Eight of the candidates for the congressional post from the 18th District are shown above. From top row, left to right: Mrs. Altavene Clark, J. Blake Timmons, Walter Rogers and LeRoy LaMaster. Below, left to right: LeRoy LaMaster, H. J. Bice, E. T. Burk and Ben Guill. Candidates not shown are LeRoy Pickle, Woodie Montgomery and Talma Smith.

## CONGRESSIONAL CANDIDATES WINDING UP ELECTION CAMPAIGN

County voters will help elect their congressman Saturday.

Here is the complete list of candidates: Mrs. Altavene Clark, Amarillo; Ben Guill, Pampa; H. J. Bice, Amarillo; Ronald Davis; Childress; LeRoy "Pete" LaMaster; Perryton; Bill Pickle, Borger; Woodie Montgomery, Amarillo; E. T. Burk, Amarillo; J. Blake Timmons, Amarillo; Walter Rogers, Pampa; and Talma Smith, Clarendon.

Most observers believe the "Big Three" in the race are Mrs. Clark, J. Blake Timmons and Walter Rogers. Mrs. Clark calls Amarillo home but she has been in Washington for many years where she worked for former Congressman Marvin Jones and Eugene Worley and for an agriculture committee.

Timmons also resides in Amarillo. He is a member of the state legislature. Rogers is an attorney in Pampa. He is former district attorney of Gray County. All three are Democrats.

Ronald Davis of Childress is one of the better-known candidates in this area. Davis formerly taught at Estelline and still owns a farm there.

H. J. Bice has connection with this county in that his father, G. W. Bice, farmed near Lodge in 1910 and 1912. He is an Amarillo businessman.

E. T. Burk is also an Amarillo businessman. LaMaster is a farmer at Perryton and Ben Guill is a former school teacher and now a Pampa businessman.

## Four Memphis Entries For Rodeo Girls Sponsor Contest Are Now In

Four local entries have been received for the Girl Sponsor contest which will be held in connection with the Hall County Rodeo here June 1-3.

Rodeo Association President T. B. Rogers said that Mrs. Coy Davis, Mrs. Billie Thompson, Miss Betty Paschal and Miss Freddie Starr Johnson have entered from Memphis.

He said the elimination riding to determine who will represent Memphis in the rodeo will be held in the latter part of May and any other local girls who want to enter should contact Mrs. Boyd Rogers as soon as possible. Mrs. Rogers is in charge of the girl sponsor event.

Rogers said letters have been sent to many near-by towns inviting them to send entries to the Girl Sponsor show.

"We are pointing out that this is strictly an amateur affair and that no professional riders will be entered in this event," he said.

Prizes in the Girl Sponsor contest are: first, \$75 savings bond; second, \$24 savings bond; third, \$10 cash.

He said that the four Memphis entries began practicing barrel riding on May 1 and that any other girls who wish to enter should do so at once in order that they may begin practicing.

Letters have been received from Hollis, Vernon and Shamrock indicating that they will send entries to the Girl Sponsor Contest, Rogers said.

He pointed out that the association is planning to stage a big parade to begin the rodeo activities again this year.

Hollis, Okla., Wellington, Hedley, Shamrock, McLean, Claude, Clarendon, Turkey, Quitaque, Paducah, Quanah, Childress, Matarador and Vernon have all been invited to send their riding clubs here for the parade and rodeo grand entry, he said.

In connection with the rodeo, Rogers said it promises to be the best one ever held here.

The show will be RCA approved and will be staged by Buettler Bros. of Elk City, Okla. Two of the nation's outstanding rodeo professionals—Hoyt Hefner and Carnish—will have charge of the clown and specialty acts. (Continued on Page 8)

## Excellent Rate Given Cyclone Marching Band

The Memphis Cyclone Band made an outstanding showing at the Regional 1 competition in Canyon Friday.

Director Perry Keyser said the band made the most impressive record at the Interscholastic League competition Friday that was turned in since he has been (Continued on Page 8)

## Important Baseball Meeting Is Called

A special meeting of the Memphis Baseball Association and all interested fans has been called for Saturday night at 8 p. m.

This meeting will be held at the City Hall, according to J. J. McDaniel, association president.

"It is urgent that all persons interested in the Memphis ball club attend this meeting for the outcome may determine the very existence of the club," McDaniel said.

Memphis' population probably under 5,000

Memphis will probably fall short of that sought-after 5,000 population mark in 1950.

That's the opinion of Mrs. Herbert Sisk, Hall County crew leader for the 1950 Census which is winding up its activity.

Mrs. Sisk cannot release any figures on the census totals for Memphis or Hall County nor will she make any official comment on the outcome of the count.

However, she did say that there is no indication of gains in population over 1940 being as large as some persons believed in either Memphis or Hall County.

"Prior to this census, the only way to check on population was by gas and water meters or similar techniques which only give an indication of the number of families," she pointed out. "The er-

ror has come in figuring the average size of families at slightly over four persons. There are indications that this figure was too high because the national trend is to smaller family units."

Mrs. Sisk pointed out that Memphis and Hall County will lose a certain number of residents because of the fact that college students are counted in the place they attend school and not where they actually live.

The population of Memphis has been estimated as high as 5,500. The Texas Almanac for 1950 gives the city a population of 5,200. County figures have varied from 12,000 to 15,000.

Mrs. Sisk said that the census count will be closed for good around May 15.

"I believe a thorough job has been done in this county," she said. "But if any person has been missed they should fill out the form which appears on Page 3 of this issue of The Democrat."

This form should be mailed directly to the Bureau of the Census, District Office, Room 310, Federal Building, Amarillo, Texas.

First releases on the results of the 1950 Census will be released within the next 30 days.

Complete details will be announced next week.

# Crooks, Moore Are Top Contenders In State Meet

## CROOKS DEFENDS 440 RECORD; MOORE TO COMPETE IN DISCUS

Coach Charles York is expecting points for the Cyclone at the state track get-together in Austin Friday and Saturday. Bobby Crooks and Pete Moore will be the Cyclone entrants in the big blue-chip cinder carnival. Coach York and these two stars left for Austin this morning.

Crooks and Moore won third places in the Sandie Relays at Amarillo Saturday night, competing against the top tracksters from all schools in Region 1.

Crooks is no newcomer to the state meet. He set the record in the Class A 440-yard dash last year with a 51 second run. He finished second in the regional meet at Lubbock this year and has yet to equal his state-winning performance of 1949.

Neither Crooks nor the boy who beat him at Lubbock—Tommy Moore of Phillips—will be favored to win the 44-yard event at Austin. Bobby Loftin of Carlisle and Ronnie Koss of Lagrange each covered the distance in 52.4 seconds in their regional performances.

Moore ran a 52.8 at Lubbock with Crooks slightly behind that time. However, Crooks has been handicapped by injuries through much of the current season. Coach York hopes he will hit his prime

this week end. If he does, a 51 second run is very likely to be his contribution to the meet.

The Cyclone discus star, Pete Moore, established himself as an Austin favorite by his performance in the Sandie Relays Saturday. He tossed the discus 143 feet there for a third place standing. However, he was competing against Class AA stars in that meet.

He'll face only Class A competitors at Austin. The only boy in this class who has bettered that distance is Jimmy Samuelson of Brady. He has a throw of 154 feet, 7 inches.

On the basis of these performances, it appears that both Crooks and Moore will collect points at Austin.

Another 2-A entry in the state meet will be Rogers Melton of Wellington. He won second in the regional high jump. The state's best mark in this event this year is 5 feet, 11 3/4 inches. Melton

**JUNIOR CHAMPS**—The Memphis Cyclone junior track squad won the first District 2-A title this year. This event, for eighth and ninth graders, will be held annually in connection with the varsity meet. The Cyclone squad (back row, left to right):

Ronnie Mack Smith, Clyde Tamplen, Harvey Kennedy, Kenneth Cheek, and Duane Miller. (Second row) David Corley, Troy Taylor, Gayle Monzingo, Julius Stevens and Roy May. (Front row) Jimmy West, Buzzy Patrick, Dinnie Davis, Mackie Allen, Vance Adams and Bobby Burnett. High school Principal Ray Newton, standing in the back row, assisted Coach Charles York in directing the junior squad. (Photo by Wise)

## Shankle Named Debate Official At West Point

Cadet Joseph E. Shankle, son of Colonel C. F. Shankle, who is now stationed at Memphis, has been appointed to act as statistician for the fourth annual West Point National Invitational Debate Tournament at West Point, New York. Cadet Shankle will be one of the men who will organize the tournament, at which West Point will play host to 66 students representing colleges from all parts of the nation, who will arrive at the United States Military Academy on April 27 to compete in three days of tournament debating. During their stay at West Point the students will be the guests of the West Point Debate Council, the cadet extra-curricular activity sponsoring the tournament, and will take part in guided tours of the post, a banquet, a formal cadet hop, and other social activities.

As statistician for this tournament, Cadet Shankle will have his hands full, as the statistics to be recorded at a tournament of this scope are necessarily many and must be well kept. His selection for this key job came as a result of his long and valuable service to the West Point Debate Council, both in speaking and managerial capacities. In addition to his forensic interests, Cadet Shankle has been an active cadet in athletics, having won two letters in fencing. Prior to his appointment to West Point in July of 1946, he attended Culver Military Institute, Culver, Indiana. Upon his graduation this June he will be commissioned in the Field Artillery.

## Dukes Win RRV Tilt Over Owls

A two-inning scoring spurge by the Wellington Dukes erased an Owl one-run lead and sent them on to a 7-3 victory over the Memphis team Sunday.

The Red River Valley League game was played in Wellington. Wellington collected three runs in the fourth inning and followed through in the fifth with four tallies. Bus Dorman, former Owl star, was responsible for the fourth inning Duke blast by slamming out a home run with the bases loaded.

Memphis scoring was scattered with a single run in the first, sixth and ninth frames. The Owls used two hurlers, Price and Kamphouse, in an effort to check Wellington. Price was charged with the loss.

Corble went the route for Wellington, giving up seven hits. The Dukes got eight hits off the two Owl moundsmen.

# Proudly We Present Our Largest Financial Statement

Below is a condensed statement of the financial condition of this bank, as to the Comptroller of Currency at the close of business April 24, 1950. The largest financial statement we have ever published, and it is with pride we present these figures:

| ASSETS                              |             |
|-------------------------------------|-------------|
| Cash & Exchange                     | \$1,070,038 |
| U. S. Bonds                         | 1,117,600   |
| Other Bonds                         | 277,800     |
| Commodity Loans                     | 2,285,970   |
| Loans & Discounts                   | 978,983     |
| Federal Reserve Bank Stock          | 6,000       |
| Banking House, Furniture & Fixtures | 20,000      |
|                                     | \$5,756,399 |
| LIABILITIES                         |             |
| Capital Stock                       | \$ 100,000  |
| Surplus                             | 100,000     |
| Undivided Profits & Reserves        | 151,488     |
| Deposits                            | 5,404,910   |
|                                     | \$5,756,399 |

The above figures prove that the policies of this bank are sound, and that the confidence of our patrons have made this growth possible. It is to these that we extend our sincere thanks as this institution enters its 53rd year of banking service.

**Call Your Doctor Immediately If Chickenpox Hits**

Has chickenpox come your way? If it has, or if it does come your way in the future, the first thing to do is to call your physician, says Dr. Geo. W. Cox, State Health Officer.

Chickenpox is a common communicable disease caused by a virus. It occurs most frequently in the winter and spring among children less than 15 years of age. The virus is present in the discharges from the mouth and nose and from the small blisters which contain a watery fluid. Chickenpox is very contagious and is probably spread by direct contact with the patient.

Chickenpox begins from about 14 to 21 days after exposure, usually with feverishness and loss of appetite. Within about 24

hours, the skin breaks out in small raised rose-pink spots which will change into blisters. The blisters quickly become crusted with scabs which eventually fall off. The scabs are not contagious. Each crop completes its course from rose-pink spot to crust in from two to four days.

Scratching or picking at the blisters may cause serious sores and disfiguring scars. The doctor will probably suggest a remedy to relieve the itching, which may be severe. Usually the child is not very ill and begins to feel better in from one to three days.

Warning—Chickenpox is an entirely different disease from smallpox. But when a person has not been vaccinated, mild smallpox is sometimes mistaken for chickenpox, because the early symptoms are strikingly alike. Smallpox is a serious disease which spreads rapidly among unvaccinated persons.

At the first signs of what appears to be chickenpox, call your physician so that an early diagnosis can be made. If he finds that the patient has smallpox, prompt vaccination may save the other members of the family and outsiders, who have been exposed, from an attack of the disease.

"Gin" as used in Cotton Gins is an abbreviation for engine.

If your car needs any kind of body work, bring it to Kermit Monzingo, your Chrysler-Plymouth dealer.

The teachers expressed their thanks to the mothers of the students, the PTA, the City Federation of Women's Clubs, Supt. W. C. Davis, the Junior High Band and Director Perry Keyser, Weldon McCreary and his agriculture classes, the Senior Sextette, high school students who helped with the square dance and the Boy Scouts.

## MRS. J. W. WALKER SPEAKS AT T. F. W. C. CONVENTION

Mrs. J. W. Walker, one of the main speakers at the Seventh District, Texas Federation of Women's Clubs convention Friday and Saturday is no stranger to Memphis.

Mrs. Walker, who now lives at Plainview, taught in the Memphis schools during the early twenties. She has many friends in this immediate area, particularly among the club women.

Mrs. Walker spoke at the Saturday morning session of the convention. Her talk was at 10:45 a. m. on "Our Texas Club Woman," official publication of the Texas Federation of Women's Clubs. She is now editor of that magazine.

Mrs. Walker is one of the state's most active club women. She is past president of both the district and state organizations, and also has served on the National Federation Board. She has also served as chairman for scholarships and fellowships for the General Federation of Women's Clubs.

During the war Mrs. Walker served four years as Texas Director of Schools at War program. She has also been a delegate to United Nations sessions, representing women's clubs.

This will not be Mrs. Walker's first appearance as a speaker here. In 1947 she delivered the commencement address at the high school graduation exercises. In addition to her Saturday speech, Mrs. Walker entertained past District Seven presidents with a breakfast on Friday morning. This event was held in the home of Mrs. R. S. Greene. Past president who attended include Mrs. Raymond Harrah, Pam-

pa; Mrs. J. A. Hill, Canyon; Mrs. D. L. C. Kinard, Memphis; and Mrs. Walker. Mrs. Howard Hodge, state president, will be a guest.

Mr. and Mrs. Carl Van Bibber and Mrs. W. H. McConnell of

Children visited Mr. and Mrs. L. B. Madden Sunday.

Mrs. L. M. Thornton returned Friday from a two weeks visit with her daughter, Mrs. T. A. Paulsel and family in Fort Worth.

Mr. and Mrs. E. E. Roberts and daughter, Sue Ann, visited in Lubbock Sunday with their son, and family.

### Mrs. J. P. Johnson Is Complimented With Lovely Miscellaneous Shower

Mrs. J. P. (Hap) Johnson, a recent bride, was complimented with a lovely miscellaneous shower Tuesday evening, April 11, in the home of Mrs. Glenn Bruce.

Guests called between the hours of 7 and 8:30 to be greeted by a receiving line composed of the hostess, the honoree, and Mrs. J. H. Barbee, mother of the bride. Members of the house party wore dainty corsages fashioned of sweet peas.

Mrs. Betty McBees presided at the bride's books to secure signatures of the guests.

Mrs. Jo Solomon invited the guests to see the lovely array of gifts on display in another room of the party suite.

In the dining room, punch and individual cakes were served from a beautifully appointed lace covered table. Centering the table was an attractive arrangement of sweetpeas in pastel shades. Miss Elizabeth Rollins, Mrs. Norma Grimes and Mrs. Ruth Richards served as hostesses in the dining room.

Recorded selections entertained throughout the party hours.

Hostesses for the occasion were members of the staff of the Odom-Dryden Hospital and included Mrs. Mabel Lavender, Mrs. Lucille Wright, Mrs. Tommy Edwards, Mrs. Lottie Wells, Mrs. Johnnie Sue Young, Pat Martin, Jo Solomon, Era Drake, Inez Patrick, Lelia Lester, Bertha Gay, Elizabeth Rollins, Virginia Smith, Martha Adulldell. Also Mrs. Ruth Richards, Jean Stewart, Betty McBees, Ora Denny and Mrs. Francis Bruce.

One hundred friends were included on the invitation list.

### Bernice Heffner And Leroy McCoy Wed April 8

In the presence of only immediate members of the families and intimate friends, Bernice Heffner became the bride of Leroy McCoy Saturday night, April 8, in a ceremony performed in the home of Mr. and Mrs. F. A. Linder. Rev. Bedford W. Smith, Minister of First Christian Church,

### Needle Craft Club Meets in Home of Mrs. Albert Gerlach

Mrs. Albert Gerlach was hostess to the Needle Craft Club on Tuesday afternoon, May 2.

Following a short business session conducted by the president, members did needle work for the hostess.

A tasty refreshment plate was served to Mes. J. C. Nash of Dumas, R. S. Bradley, S. E. Mayfield, Earl Pritchett, guests; and the following members: Mes. Nat Bradley, Bess Crump, Marion Long, H. H. Newman, T. D. Weatherby and hostess.

The next meeting is slated for May 6 in the home of Mrs. Nat Bradley.

A son, Gary Wayne, was born to Mr. and Mrs. B. J. Mooring of Lelia Lake, April 23.

Mr. and Mrs. Brode Hoover are announcing the birth of a daughter, Jane, born April 18.

Mrs. E. A. Stanford left Tuesday for a week's visit in Abilene.

officiated at the double ring ceremony.

Vows were exchanged before an improvised altar of gladioli and greenery.

The bride wore a two-piece dress with matching accessories and a corsage of talisman roses. "Forever and Ever", "Always" and "Indian Love Call" were played softly as pre-nuptial and background music during the ceremony.

After the wedding, guests were invited into the dining room where a two-tiered wedding cake was cut. Merlene Burke, niece of the bride, presided at the coffee service. Dorothy Walls, niece of the groom, registered the guests.

Mrs. McCoy is employed at Goodall hospital and Mr. McCoy operates the maintainer for Childress county.

The couple left for a wedding trip to Colorado following the reception.

**CLASS OFFICIALS**—Mrs. Elsie Guthrey, lower left, is teacher of the First Methodist Church Victory Sunday School Class and presided at their annual banquet last week. The first president of the class, W. H. Monzingo, is standing in the center near the birthday cake. On his right is Clenton Srygley who now heads the group. The class, now boasting 75 members, celebrated its sixth birthday at this banquet.

### Mrs. T. M. Harrison Gives Play Review At Little Theatre

Mrs. T. M. Harrison presented a play review, "Goodbye, My Fancy" by Fan Fanin before members of the Memphis Little Theatre when the club met in the home of Mrs. Gene Lindsey Wednesday afternoon, April 26.

Mrs. Harrison introduced the review by stating that "Goodbye, My Fancy" was listed in the ten best plays in 1948-49.

"The popularity of the play is due to the universal appeal of its theme: To what extent are we bound to the past," Mrs. Harrison said.

She added that all are bound by the past, perhaps, more than we know. The play also has a college background adding to its personal appeal.

Helen Boswell, president, conducted the business session. A dainty refreshment plate was served to Mes. D. L. C. Kinard, M. E. McNally, Claud Ferrel, Charles Dryden, Clyde Milam, Joe DeBerry, Ray Childress, Miss Helen Boswell, and one guest, Mrs. Thurman Hunt.

### Kinard Home is Scene of Coffee

A group of friends of Mrs. G. D. Howell met in the home of Mrs. D. L. C. Kinard Tuesday morning for a coffee and reading of the first letter written to the group by the former Memphian, who recently moved to Brazil with her family.

Mrs. Howell, in her letter, gave a most interesting account of her trip to Brazil. She stated that Sao Paulo, the city in which they are located, is a very beautiful and modern little city. Mr. Howell went to Brazil to be assistant manager of the industrial office of Anderson-Clayton.

Mrs. Howell's address is: Mrs. D. G. Howell, Caixa Postal 171-B, Sao Paulo, Brazil.

Enjoying this affair were Mes. Jack Baldwin, Ray Childress, Ross Gentry, J. C. Turner, T. M. Harrison, Mac Tarver, W. B. Hooser, A. L. Gailley, Noel Calloway, Nelson Combest, Homer Tucker, Gayle Greene, and Buster Helm.

ed on the 3 day of May, 1950. The file number of said suit being No. 3304.

### TWC Dean Tours Northwest Texas

Rev. John Lindsay, chaplain and assistant dean of men at Texas Wesleyan College, is touring Northwest Texas cities interviewing high school seniors and other interested in attending college.

He will visit Memphis, Electra, Vernon, Quanah, Childress, Crowell, Paducah, Iowa Park, Chillicothe and Benjamin.

### CARD OF THANKS

To the many friends for their kind deeds and consoling words, we take this opportunity to express our sincere thanks. Especially do we want to thank the many kind persons who helped us so loyally and untiringly during the long illness of our precious wife, mother, and sister. We wish to thank each of you for the many cards, floral offerings and gifts during her illness.

We wish to offer our sincere appreciation to the local doctors who so loyally rendered their services, and for the splendid service rendered by the personnel of the Murphy-Spicer Funeral Home.

The family of Mrs. J. W. Stewart

### Federated Club Convention Is Termed Success

The 29th annual Seventh District, TFWC convention concluded here Saturday after a three-day meeting that was attended by over 400 delegates.

"Every activity of the convention was successful," Mrs. D. L. C. Kinard, general local chairman, reported.

"The federated clubs of Memphis all want to thank every person who had a part in helping make this one of the best conventions in the history of the district," she said. "Every delegate attending was complimentary of the splendid people living here and the fine co-operation shown toward this convention."

### Cyclone Band

(Continued from page 1)

The band won excellent rating in marching, superior in sight-reading and good in concert playing. Memphis was the only Class B band to win the excellent—or Division I—rating in marching. The group was awarded a plaque for this achievement and a certificate for their superior sight-reading rating.

Memphis band ratings this year were one division higher than in 1949. Bands are rated by a I, II or III division system.

In solo events, four Cyclone band members won excellent ratings while six were classed as superior. This competition was among members of all bands present and was not separated by classes.

Bands are classed according to school enrollment in this competition. Class AA is highest, followed by A, B, CC, C, D and E.

Winning excellent solo ratings were: Tom Way, baritone horn solo; Troyce Rhudy, sousaphone solo; Patsy Nell Combs, twirling, and Dorothy Deaver, twirling.

Memphis students who won superior ratings included: Nonalee Ellis, Billie June Sturdevant and Joyce McDaniel, all for twirling; Margaret Ann Massey, snare drum solo; John Clark, alto saxophone solo, and Johnnie McDaniel, flute

### Clean-up

(Continued from page 1)

of this drive depends on the support of each individual.

"Every person must cooperate by cleaning up around the home and helping in cleaning such neighborhood projects as vacant lots if this campaign does its intended job," he said.

He stressed the fact that each person should take the initiative around his own home and see that the clean-up job is done well there.

"As Dr. Dryden has pointed out previously, this is much more important than just a drive to beautify the city," he said. "That, of course, is important but, most important, is the fact that the health of every Memphis citizen depends on having a clean city to live in."

The Health and Sanitation, Coordinating, and Civic Affairs committees of the Chamber of Commerce are in charge of the campaign.

### Officers Catch

(Continued from page 1)

a warrant has been issued for his arrest. He faces a prison sentence if caught and convicted.

Hoskins, who escaped once before from the local jail, had been indicted by the grand jury on a burglary charge and his latest break is a felony.

Sheriff Hill said he got his lead on Hoskins' whereabouts by questioning friends of the Negro. He was fairly confident Hoskins was at Valliant so he contacted officers there to be on the lookout for him.

### Clean-up Drive At Lakeview Begins Friday

Lakeview has joined in the clean-up activity.

Mayor Paul McCanne announced this week that the town will hold a Clean-up Campaign from May 5 through May 12.

"We believe this is necessary to insure a clean town, both for beauty and for health," Mayor McCanne said.

He pointed out that it will be up to each individual to clean up the trash and rubbish around each home.

A truck will be sent through the town to pick up the rubbish. All citizens are asked to have the rubbish around their homes in an accessible place near a street or alley by May 12.

### Four Memphis

(Continued from page 1)

Prize money for this year's rodeo will total \$1,500, according to Rogers. There will be five events, saddle bronc riding, bareback bronc riding, bull-dogging, calf roping and bull riding.

The rodeo will be held at Cyclone Stadium again this year. Rogers pointed out that the seating capacity has been increased to 3,000 this year.

"This will include a section of 500 reserved seats which will go on sale sometime after May 1," he said. These seats will be sold for each performance.

Rogers said the association will use a new ticket-selling plan this year for the convenience of persons wishing to send tickets to out-of-town friends.

"The association will issue tickets to persons desiring them and write their names on them," he explained. "These tickets can then be mailed to the people out-of-town."

"If these people come to the rodeo the names on the tickets will be checked when they are presented at the gate and the person sending them will be charged."

"However," he pointed out, "the sender of these tickets will not be charged for them if they are not used."

All seats, other than the 500 reserved ones on the east side, will be sold as general admission prices. Ticket prices this year: reserved seats, \$2; adult general admission, \$1.50; children under 12 years of age, 50 cents.

Rogers said no local passes will be issued this year but that the press will be admitted upon presentation of their credentials.

### Senior Play

(Continued from page 1)

"Minnie" — Jo Ann Davis; "Ima" — Barbara Bradley; "George" — Chubby Cullin; "Jackie" — Nina Sue Lee; "Macnulty" — Ray Crawford; "Carrie" — Joyce McDaniel; "Peggie" — Billy Dell Martin; "Sue" — Oleta Robertson; "Constable" — Corky Billingsley; "Speed" — Tom Way; "Bobby" — Bobby Joe Paris; "Ginger" — Dorothy Deaver.

### SNOWBALL BUSH NOW IN FULL GLORY

Mrs. Bill Huddleston, 1017 West Brice, has a snowball bush in full bloom—worth driving by and viewing.

Spring flowers are beginning to show up, but due to lack of moisture, they are not so prolific as last year.

The snowball bush could not hold another blossom, it seems, and Mrs. Huddleston is justly proud of it.

### Firms Asked

(Continued from page 1)

The ministers are working this canvass in three teams. Plans were drawn up by Rev. Rollo Davidson and J. O. Strothers. Two of the three teams began calling on local firms Monday and the third planned to start today.

Mr. and Mrs. N. A. Hightower returned from Austin Tuesday where they spent five days visiting their son and family, Dr. and Mrs. N. A. Hightower, Jr.

### Drydens Are Injured In Car Accident

Dr. Charles B. Dryden, his wife and their three-month-old daughter were injured Monday in an automobile accident near Jacksboro.

Their eldest daughter, three-year-old Carroll Ann, was not injured although she was also a passenger in the automobile.

Mrs. Dryden suffered a compound fracture of a knee and will have to keep it in a cast for six weeks, according to reports received here. The baby has a broken shoulder and Dr. Dryden suffered bruises.

The family is now in Stephenville with her parents, Mr. and Mrs. Walter Cox.

They were traveling toward Ft. Worth at the time of the accident where Dr. Dryden was planning to attend the state medical convention. His automobile skidded on a highway made slick by the rain and crashed into a bridge. The car was badly damaged.

### FHA Members Attend State Meet April 27

Three Memphis girls, accompanied by Home Economics Instructor Gloria Gosch, attended the Texas Association of Future Homemakers of America convention in San Antonio April 27-29.

Miss Gosch said the Memphis girls were chosen to attend the convention on the basis of their outstanding club work. They were: Patricia Alexander, club president; Nadine Padgett and Betty Burnett.

Over 700 FHA girls and teachers were present at the state convention. General sessions were held on April 28, followed by a barbecue and other entertainment. The business meeting of the convention was held on April 29. The meeting was adjourned at noon and the girls spent the afternoon viewing homemaking displays at their Gunter Hotel headquarters.

Locate the septic tank where it can be reached easily for cleaning, but not too close to a building.

## CHRYSLERS and PLYMOUTHS WILL ROLL AGAIN

Folks, we wish to take this means of thanking our many customers who have been patient and kind enough to wait on Chrysler or Plymouth. These new cars will be delivered to you soon!

We regret that we were unable to deliver Chryslers and Plymouths to the many, many customers who came into our store wanting immediate delivery of a new car, and then bought another make. To these people we say—thank you for your kind consideration, and that we will do our utmost in the future to sell or trade you the automobile of your choice.

To those of you who are contemplating buying a new car, we extend a most cordial invitation to you to come to see us. Give us a chance to prove to you that we can give you MORE FOR YOUR MONEY in a Chrysler or Plymouth than you can get in any automobile on the American market. We are sincere in making this statement.

What we would like to do: (1) To show you these automobiles, (2) demonstrate them to you, (3) let you drive them, (4) explain the many exclusive features you will get in either of them, and (5) last, but not least, trade or sell you one of them.

Before you make your decision, be sure and consider . . .

## Members to Meeting

Members of the First Church met in regular session at 3:00 p.m. at the church annex. Mrs. W. C. Diehl presided at the business session. It was decided that members would attend a luncheon in Clarkey, May 5. Two district members of the United Council of Women will be featured in the program. C. Wines was program manager. Songs were followed by a devotion, "God in Family," by Mrs. Frank Foxhall. The program was "Christ in Our Homes."

Johnson gave an interesting address, "Educating the Family," and Mrs. Young's address, "Changing Home in Christ," was enlightening. Mrs. Johnson presided over the program with prepared discussion of "Latin Movement in Churches and Working Together in the Present."

Present were Meses, W. C. Diehl, Louis Goffinet, Frank C. Dieck, J. J. McEwen, E. Webster, A. C. D. Young, Johnson and others.

**QUEEN CANDIDATES**—Miss Mary McCanne, left, and Miss Joan Lockhart were two of the 24 candidates in the Queen Contest held Monday as a highlight event of the District 2T-1 convention in Childress. Miss McCanne, 16-year old daughter of Mr. and Mrs. Paul McCanne of Lakeview, is a senior in high school there. She was sponsored by the Lakeview Lions Club. Miss Lockhart, daughter of Mrs. Barney Lockhart, was sponsored by the Memphis club. (Photo by Wise)

## Ann Reed Birthdays

Ann Reed was honored at her birthday anniversary party given by her mother and Mrs. Clyde J. Reed at their family home near Memphis, April 27. Several Mother's Day gifts were opened by the cheerful hostess and her host of guests. There was a buffet lunch and a punch were served. The party was a most enjoyable hour for Patsy Reed, J. C. Barnett, Sharon

Duren, Brady Durrett, Charles and Carilyn Francis, Linda Jones, Sherry Lewis, Connie Sue Martin, Connie Mac Moore, Joey and Deanna McKnight, David Payne, Karen Robertson, Sandy Verden, Ann Jane Williams, Janet and "Butch" Whitten.

Also Meses, E. C. Barnett, Jr., V. C. Durrett, A. W. Francis, Aubrey Martin, Raymond Moore, Leon Robertson, Glen Verden, Vira Floyd and W. A. Davis.

Those sending gifts were Terry Gable, Evelyn Davidson, Patricia Huddleston, Linda Hall and Martha Joy Reed.

## Victory Sunday School Class Observes Sixth Anniversary With Party Wed.

Taking as its theme, "There is a time for everything under Heaven," the first verse of the third chapter of Ecclesiastes, the Victory Sunday School class of the First Methodist Church observed its sixth anniversary with a party in the church basement Wednesday night, April 26. "Our class organized on April 26, 1944, with a set policy to

be four girls from the Speech Arts Class of Mrs. T. M. Harrison. Appearing on the program will be Teresa Ann Beckum, Paula Blevins, Lerakate Hutcherson, Beverley Kay Stilwell, Jean Valance, Barbara Allen, Drubette Cook, Audrey Beth Burnett and Shari Gentry.

## Atalantean Club Wins First Prize For Best Yearbook in Seventh District TFWC

First prize for the best yearbook of seventh district, Texas Federation of Women's Clubs was awarded to the Atalantean Club of Memphis during the district convention held here last weekend. The club received a \$5.00 cash award.

The Woman's Club of Littlefield received second place and third place was awarded to the Amherst Study Club of Amherst.

Mrs. T. M. Isham, who is first vice president of the Atalantean Club, served as chairman of the winning book. She was assisted by Mrs. H. B. Estes, Mrs. Henry Foster and Miss Imogene King. Mrs. H. J. Howell is president of the club.

Best district club report: first place, Littlefield Woman's Club; second place, 1935 Study Club of Sudan; third place, Junior Sororosis Club of Perryton.

Best Junior Club report was won by the Junior Sororosis Club of Perryton.

The Jennie June of Junior Sororosis Club of Perryton and the Woman's Study Club of Lorenzo tied for first place for the best report on pageantry and drama. The \$5.00 prize was divided between the two clubs.

Ruby Davis Jennings of Muleshoe won first prize for having submitted the best poem.

The course of study selected was "The Human Cavalcade." Mrs. Helen Truax of Canyon, who served as one of the judges, commended the club for its choice of subject matter and also commented on the bibliography listed in the back of the book.

Two first places were awarded in the music department. Winners were the Sue Hiatt Club of Canyon for the best trio and the Pathfinders' Club of Clarendon for the best sextet.

Other awards made were as follows: Junior Club yearbooks: first place, Junior Adelpian Club of Crowell; second place, The Leveland Junior Club; third place, The Jennie June of Junior Club of Perryton.

## Mrs. Eula Adams Entertains Stitch And Clatter Club

The Adelphian Club of Crowell won a \$5.00 prize for the best report on tuberculosis.

The Stitch and Clatter Club met Thursday afternoon, April 25, in the home of Mrs. Eula Adams.

In the scrapbook division awards were named for individual clubs and also department clubs.

Fourteen members answered roll call with household hints. During the afternoon members completed a quilt top which was begun at a previous meeting. The club has pieced and quilted two quilts.

In the individual club division, the Paragon Club of Borger was given first place for having the best scrapbook. Jennie June of Junior Sororosis Club of Perryton won second place and the 1935 Study Club of Sudan was given third place.

Refreshments of sandwiches, cookies and lemonade were served to the following members: Meses, Flossie Dick, Ruby Rapp, Ilva Richburg, Jessie Adams, Edna Winkle, Clorine Morrison, Mary Ellen Eddins, Beatrice Gardenhire, Ada Jones, Jaunito Nelson, Jewel Marcum and Jessie Orcutt.

For department clubs, first place was awarded the Woman's Club of Littlefield; second place

The next meeting is slated for May 9 in the home of Ruby Rapp.

## ANNOUNCING . . . NEW OWNERSHIP OF THE MEMPHIS DRUG STORE

I have purchased the Memphis Drug Store from Cecil McCollum and am now actively managing this business.

I lived in and around Memphis for many years and graduated from high school here in 1929. I want all my old friends to know that I'm back home and very glad to be here.

To all the old customers of the Memphis Drug Store, I am taking this means of inviting you to continue trading here. This store will constantly strive to offer you all the excellent products and service that made you its customers in the past.

I am also looking forward to serving those of you who have not traded here in the past. I believe the products and service we offer will make you steady customers of the Memphis Drug Store, too.

Remember, We'll Continue To Offer:

- THE SAME FINE DRUGS
- THE SAME LOW PRICES
- MEMPHIS' BEST SANDWICH, MILK SHAKE & FOUNTAIN SERVICE

**Hog Cholera**  
May Cost  
30 Million

Hog cholera may cost American swine raisers as much as \$30,000,000 this year, the American Foundation for Animal Health estimated today.

In a special hog cholera bulletin, the Foundation said April marks the beginning of the cholera danger season, with spring farrowing providing millions of potential pig victims of the disease.

Stressing the importance of protective vaccination of all pigs against the disease, the bulletin suggests these special precautions:

"Two factors are especially important in successful vaccination: (1) An examination of the animals by the veterinarian before vaccinating. If the pig has a latent infection, is suffering from parasites, or has been on an unbalanced ration, it may develop an over-reaction to vaccination. (2) When complications are present, a correct use of serum to prevent or hold down such over-reactions."

The Foundation points out that these precautions may be as important as the vaccination itself in helping to prevent cholera losses this spring.

Bob Fowler of Texas Tech, spent the week end with his parents, Mr. and Mrs. John Fowler.

Mr. and Mrs. J. C. Roberts and son, Denny visited his parents, Mr. and Mrs. Bob Roberts and her mother, Mrs. Ora Denny.

Mr. and Mrs. Millard P. Brown of Wellington visited with the Misses Black Friday.

**Soil To Shivers**

Reserve Division of the Soil Conservation Service will be at the close of the season to call for applications for the 1950-51 season.

Soil conservation leaders from the county Soil Conservation Service have been invited to hear Governor Shivers at a special observance in Tullia.

Participants include J. J. McDaniel, Raymond B. Scott, Wellington Lane, Turkey; John Tull; and J. L. Brooks.

The governor will make a dinner observation at the observance. The observance will begin at 8 o'clock at Tullia High School. The observance will include a Home Demonstration and a Home Demonstration. More than 500 people are expected.

The counties are represented by:

sented in the observance. They are the counties which comprise Region I of the state soil conservation organization.

Tullia is also the site of the Region I awards program which will be held May 10. This is the program sponsored by the Fort Worth Press.

Governor Shivers is expected to fly into Amarillo the afternoon of May 19. He will be met there by a special reception committee from Tullia and an escort of Texas Highway Patrolmen.

Fred Wemple, chairman of the Texas Highway Commission, from midland, will introduce the governor.

Johnny Linn, known as Uncle Jay, will be master of ceremonies. Mr. Linn handles the early morning farm programs over Radio Station KGNC in Amarillo.

Mrs. Morris Reed and sons, Mrs. Paul Brewer and daughter, and Mrs. L. A. Dickey visited here Saturday afternoon with friends and relatives.

Mr. and Mrs. Earl Miller and Shirley, returned home Sunday after returning their daughter, Mrs. Jimmy Determan to her home in Oklahoma City after visiting here for the past two weeks.

Mr. and Mrs. Robert Blacksher of Wellington visited in the home of Mr. and Mrs. J. M. Martin Sunday night.

NOTHING NEW . . . James Scall, New York dress designer, says the so-called modern fashions of women are really rehashes of something the men once wore.

**Candidates Fail To Name Party In Filing Here**

Only one candidate in the May 6 congressional election seems particularly interested in party affiliations—at least as far as Hall County is concerned.

Mrs. Altavene Clark is the only candidate who filed in Hall County as a Democratic candidate, according to County Judge M. O. Goodpasture.

Not that Mrs. Clark is the only Democrat in the race—there are nine others. And there is a Republican, too—Ben Guill of Pampa. One theory as to why the candidates didn't specify their party seems to be that they just didn't see much point in it in this staunch Democratic district. Which, of course, might explain Guill's negligence in naming party, also. Or, perhaps the candidates just aren't too worried about party issues this year probably just forgot this detail.

Deadline for filing in the 18th District congressional race was April 17. On that date the order

of the ballot for Hall County was determined. The names of the 11 candidates were written on separate slips of paper and placed in a hat by Sheriff Earl Hill. County Judge M. O. Goodpasture drew the names from the hat with County Clerk Sybil Gurley present as witness.

Mrs. Altavene Clark will head the list on the ballots in this county. Following her in order will

be: Ronald Davis, Talma L. Smith, Woodrow Montgomery, Bill Pickle, Hulett F. Bice, Leroy "Pete" LaMaster, Ben Guill (only Republican), Walter Rogers, J. Blake Timmons and E. T. Burk.

**Boy's Ranch Hands Learn Barber Trade**

When it comes time for a man-trimming session at Boy's Ranch in Amarillo, Texas, the job usually falls to one of the boys in the tansorial department of the Ranch vocational school.

Several of the older boys are learning the barbering trade, and with over 120 victims to practice on, they are becoming quite proficient. Only the art of shaving is neglected at present because no staff member is willing to risk an ear or Adam's apple.

In addition to barbering, the boys at Boy's Ranch have the opportunity to learn carpentry, automobile mechanics and shoe repair. The list of trades being taught now is small, but it is hoped that a vocational school can be built in the very near future where 12 or 14 trades can be taught.

With a properly-equipped vocational school, each of the more than 100 boys can learn a valuable trade he will be able to use

when he leaves the Ranch. This will give him the chance to step into a good job and make a real hand.

The boys also have their own grade and high school with seven teachers, a full sport program that includes football, softball, basketball and wrestling, and plenty of opportunity for other recreation such as fishing, swimming and riding.

But it's not all school and play. The boys raise much of their own vegetables, beef and pork, and have their own particular jobs as milking, hoeing in the garden, and clean-up details.

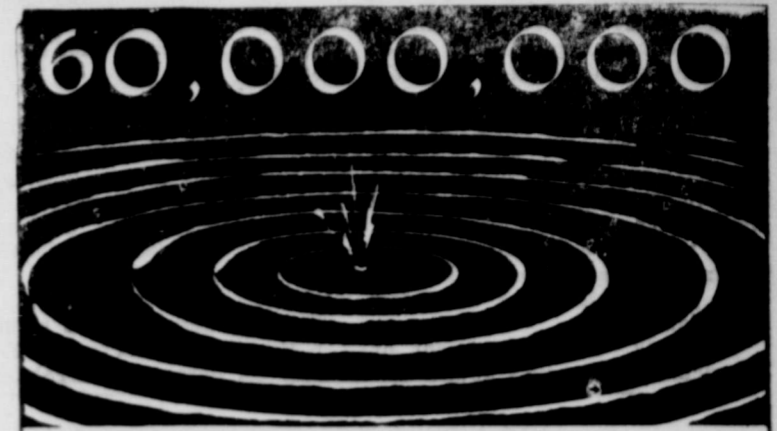

Lincoln was assassinated at Ford's theatre while attending a play entitled "Our American Cousin."

**Personal To Women With Nagging Backache**

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

**DOAN'S PILLS**

**AND STILL GOING STRONG!**

**VOLUNTARY INSURANCE** against costs of hospitalization was an immediate success, and is growing like wildfire. It originated in 1929, when a group of Dallas, Texas, school teachers contracted with Baylor Hospital for such service.

and various medical groups. Untold other millions are protected through pre-paid hospital and medical insurance, sponsored by employers and insurance companies.

One insurance executive estimates that more than half the people of the United States are insured against hospitalization, surgical or medical care. Doctors, hospitals, industry and insurance companies are all working toward further extension of such services—the VOLUNTARY American way.

According to late figures, there are more than 60,000,000 persons insured against hospital costs, some 15,000,000 insured against medical and surgical costs, through plans sponsored by the American Hospital Association, American Medical Association

**MOTHER'S DAY MAY 14th**

**UNITED GAS**

FOR MAXIMUM SAFETY... "CP" Seal on the range you buy.

**What's the secret of the "UNRUFFLED" RIDE?**

**SOME** car makers say springs make the ride—and so we give every Buick four of the soft, gentle coil springs practically all cars use on front wheels only.

Some say the drive is important—how power is transmitted to the rear wheels.

We agree—and use a torque-tube drive, that takes up all the thrust, freeing rear springs of driving pulsation.

Some stress tires—so you'll find low-pressure casings on every Buick, mounted on our own kind of Safety-Ride rims. Some play up shock absorbers—we make ours fast, soft and sure in action, to wash out all "after-bounce."

Then there are frames—and car weight—and engine mountings, which on Buick are a very special kind used nowhere else.

They're all important—yet the plain truth is no one of these things—or two or three—gives a ride you can truly call "unruffled."

We feel it takes all of them—springs, tires, shock absorbers, drive, engine mountings—carefully and precisely brought into balance with each other.

You can see why we think so in any Buick—SPECIAL, SUPER or ROADMASTER.

You can feel it on cobblestones.

and car tracks, washboard gravel and weather-pocked macadam, country lane and city street. You even feel it on boulevards, which grow still smoother when you travel them in a Buick—especially when it has Dynaflo Drive.\*

So we would like you to try a ride that is truly "unruffled." Free of harshness—undisturbed by bounce and jitter—level—steady-going—smooth.

Just ask any Buick dealer for a chance to try out any Buick. You'll find it "the ride of a lifetime"—and the buy of a lifetime too!

\*Dynaflo Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

**Only Buick has Dynaflo—and with it goes:**

**HIGHER-COMPRESSION** Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)

### A&M TESTS MAY OFFER NEW HOPE TO COTTON FARMERS

Cotton growing in the South may be revolutionized if certain experiments now underway at Texas A & M prove successful, according to the extension service and County Agent W. B. Hooser.

These experiments are with a new method of killing insects and officials say the results will be tremendously important to cotton growers in this section of the country if they are as successful in the field as they were in the laboratory.

The theory is to place chemicals in the ground which will kill insects. Then as the plants grow, they will carry the chemical into their leaves and stems. This will kill pests which seek to infest the plants.

In 1947, two Department of Agriculture scientists found that

corn would absorb parathion from the soil and that the European corn borer couldn't live on plants so treated.

In 1948, the College Station scientists tried parathion with cotton but the plants wouldn't pick up insect poison. Three USDA workers, using the A & M Entomology research center tried another phosgate.

The three men—E. E. Ivy, William Iglinsky, Jr., and C. F. Rainwater—selected octamethyl pyrophosphoramide for the new tests. Results were excellent. The plant absorbed the compound whether it was placed on the seed, in the soil or sprayed on the leaves.

The men figured these results: 1. Dosages of from four to eight pounds an acre were highly ef-

CLUB WINNER—John Luther Byars, outstanding 4-H clubber from Lakeview, won top honors at the Panhandle-Plains Dairy Show with his Canadian Jersey heifer, Don Head Pinn's Jest. This was in the club division of the giant Plainview show.

## AN IMPRESSIVE RECORD

★ Although tuberculosis is one of the oldest known diseases, its cause was first conclusively proved when Robert Koch isolated the tubercle bacillus a little over fifty years ago. The success resulting from vigorous public health measures, particularly in the last quarter century, is impressive. At the beginning of the century, tuberculosis led the list of diseases as the most frequent cause of death. Today it has dropped to seventh place. There is no reason why it should not drop completely from the list of important causes of death.

This splendid record has resulted from the combined efforts of many agencies. An enlightened public opinion with respect to the value of the physician's services has contributed immeasurably. Have that long-delayed physical examination today. We are prescription specialists.

fective against cotton aphid and the red spider mite.  
 2. Dosages of 16 pounds or more when absorbed by the plants killed adult cotton fleahoppers.  
 3. Soil treatments of 25 pounds per acre were effective against aphids, mites and fleahoppers for seven and half months, or more than the usual growing season.  
 4. As little as one-fifth of a pound an acre applied to the cottonseed at time of planting was effective against aphids and fleahoppers for two months.

An A & M entomologist, Dr. J. C. Gaines, has already planted two acres of cotton with treated seed. The treatment has also been applied to a field laboratory at San Benito.  
 Two problems that may face the treatment, even if tests should be successful, are the fact that the chemical may make the cottonseed unfit for cottonseed cake margarine and the other seed pro-

**Chas. Oren, O. D.**  
**OPTOMETRIST**  
 612 W. Noel Phone 251-M

ducts, and that the treatment is very expensive at present.  
 Officials warn against undue optimism concerning the experiment, but do say it might be the biggest thing in the history of cotton insect control history of cotton insect control.

They hope to reduce the cost of the treatment of 50 cents per acre if tests do prove it successful.

### LAST REFUGE

(A Short Story)  
By RICHARD HILL WILKINSON

**U**RGED BY AN INEXORABLE FEAR the man in the canoe paddled with feverish haste. Downstream, always downstream, into the north, he pointed the nose of the frail craft. A murderer, an outlaw, seeking safety in the unknown.

At noon he stopped and boiled tea. The minute the water was warm he extinguished the fire. Squatting, he munched jerked meat and sipped his tepid liquid. His eyes, bloodshot, pig-like, kept constant watch of the river.

Presently he was once more in the canoe, heading north, driven by the same unrelenting fear. Gradually the trees gave way to shrubs and then the shrubs to infrequent clumps of growth. By nightfall he had reached the Barren Lands. The Barren Lands! Far away, north of timber, bleak, desolate, forbidding. An undulating desert of nothing-

could escape, seeking a refuge whose existence he doubted. Vaguely he hoped to find food, shelter, warmth and peace. Yet only vaguely. Uppermost in his mind was a single thought. Escape! Flight!

At dawn he awoke and set out without breakfast. And now his eyes held a terrified, demon-like look. Utter fatigue gave him a hideous, fiendish appearance.

At noon he stopped and ate savagely, ravenously. An hour later he found that travel by canoe was no longer possible. He abandoned it, made a pack and slung it on his back, staggered ahead on foot.

Time passed. How long, the man had no idea. He awoke with a start, sitting bolt upright, his eyes wildly staring about. But in every direction the land lay bleak and deserted.

It was still daylight. The sun still hung above the horizon. The man rose and shouldered his pack and stumbled ahead. Throaty mutterings came from his lips; there was nothing about the expression in his bloodshot eyes that spoke of sanity or rational thinking.

An hour later, involuntarily, he stopped, knelt down near a great rock and opened his pack. Ravenously he attacked the one remaining piece of jerked meat. Subconsciously he knew that he was starving. The thought brought a wild hysterical laugh to his lips.

He staggered to his feet, kicked aside the pack, laughed again and went on, instinctively heading northward—toward what?

Night. Daylight. The sun grinning merrily, pale and dim, just above the horizon. The man paused, his head cocked ludicrously. To his ears had come a sound—the dull moaning, the eternal breaking of surf against a rocky shore.

A rasping sob escaped his throat. He lunged ahead, stumbled down an embankment, stood swaying on a rocky beach. He had reached the end of the Barren Lands. Ahead there was nothing but a grey, unlimited ocean, dotted by icebergs.

Subconsciously he knew he was starving. The thought brought a wild hysterical laugh to his lips.

ness—of huge boulders and grey moss and little patches of willows nestling in the hollows of the hills. The man beached his canoe, boiled more tea, crawled under the overturned craft and tried to sleep. But his slumber was fitful, broken, despite his exhausted condition. Fatigue, mental torment had

pable committees for their excellent planning and carrying out all phases of the program to make this almost outstanding Convention.

Be it resolved: that we thank our charming State President, Mrs. J. Howard Hodge of Midland, for her presence and for her inspirational message which added

so much to the occasion. And to our beloved Seventh District President, Mrs. James Allen of Childress, who has presided so graciously and has carried this 29th, Annual Convention to such a successful conclusion.

Signed: Mrs. U. L. Willie, Matador, Texas, Chairman of Resolutions Committee.

Mrs. Sam Seay, Amarillo, Tex. Mrs. T. M. Harrison, Memphis.

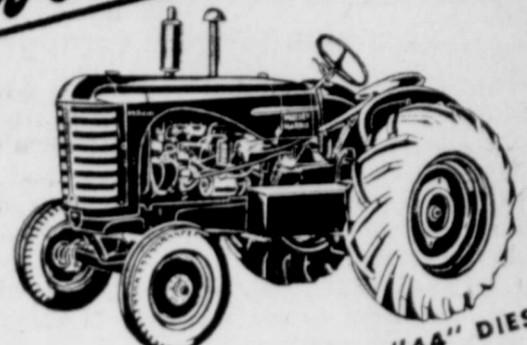

Wall Street in New York was so named because it follows the line of the palisaded wall or stockade built in 1652 across the southern end of Manhattan Island.

# Here's DIESEL ECONOMY with CUSHIONED POWER

THE NEW MASSEY-HARRIS "44" DIESEL

A different kind of Diesel farm power, the Massey-Harris 4-cylinder "44" Diesel brings new efficiency... new economy... new pulling power... new money-saving field performance to the Diesel farmer. It's the result of an amazingly simple engine design. A special firing chamber—called a Dyna-Cell—creates a cyclonic rotary turbulence of the burning fuel on every power stroke. Burning fuel swirls the full-length of the stroke exerting equal pressure on the piston during its travel. Fuel burns slower, smoother... delivers a pushing force. It's cushioned power. Dependable power. Greater lugging power because there's full power on every stroke of every piston.

See us soon for complete information... be sure to ask about Cushioned Power and Dyna-Cell design.

## Editorial

### This Campaign Is Important

The "Clean-up, Paint-up and Fix-up Month" which began Monday is the most concentrated effort in several years to make Memphis a clean and healthy city.

While the campaign was planned, and is being spearheaded, by three Chamber of Commerce committees, that group wants every citizen and organization in Memphis to unite in the work.

Dr. Charles B. Dryden—who is heading the campaign—is most enthusiastic over the prospects of really giving the city a good "spring house-cleaning."

Dr. Dryden pointed out that this is more than just a drive to beautify Memphis. It is actually a fight against disease and filth. Speaking professionally, he pointed out at the planning session that there are an alarming number of germ and fly-breeding areas in Memphis which are potential threats to the health of all the citizens.

Each of us has more than just an obligation to the community in helping make this clean-up campaign a success. We owe it to ourselves and our families to work toward making Memphis as clean and healthy a city as we possibly can.

And, although this campaign will extend through the month of May, each of us should begin cleaning up around our homes and vacant lots at once. The drive was planned to last a month because officials believe it will take that long to do a thorough clean-up job—not to allow us to put off the task as long as possible.

Citizens will never have the opportunity to take part in a more important project than this clean-up drive. It is one that cannot be overemphasized. It is one that is vitally important to the health of every citizen.

### Voting—A Duty and A Privilege

Every election year newspapers in this country use considerable space urging voters to go to the polls and take advantage of their most important Democratic privilege—that of choosing their own public officials according to their own beliefs and convictions.

It has been estimated that only 30 percent of those qualified to do so, use their voting privilege. On the other hand, we will wager that 100 percent of them use their privilege to gripe about the way the officials who have been elected are running our city, state and national governments.

Of course, this griping is as it should be—we must always have the right to criticize our officials if this country is to maintain its Democratic standards.

But the point is that we can make our criticisms much more effective if we back up our beliefs by going to the polls on election dates. We have no one to blame but ourselves if candidates whose views we disagree with are elected to office.

Voters of this 18th congressional district have an opportunity to show their beliefs Saturday. One of the 11 candidates in this race will be elected to serve in the Congress of the United States. This person will be the closest contact of the people in this district to the federal government.

In these critical times it is of utmost importance to the welfare of our country that every qualified voter use that vote to help elect persons best-fitted to public office.

Don't forget to vote Saturday, May 6.

## MINED WATERS

### Press Paragraphs— QUOTING OUR NEIGHBORS

#### NOT ENOUGH CATTLE

Years ago The Hesperian told everybody interested that the economy of our short grass country is tied up with cattle, and that any of us who does not recognize this fact is due for a long possibly slow ride to a poor showing. Our countrymen do not view it that way. The Hesperian is somewhat alone in this viewpoint. Farmers of Floyd county have sold off their cattle to a thin trickle. They are going to make a good living doing the job some other way, the best we can find out. Wheat, cotton, maize, high-powered seed or something of the kind, is/ are going to make them a lot of money to finance \$30 thousand homes, landscape premises and the like. We are on their side, we assure you. But economics and history and the business index point in another direction. We can't help knowing that we all need to tie into the cattle business, come high, come low. And we can't help knowing that one who doesn't know any better than to grow some she cattle and sheep that he can sell at some price or other is going to be better off in the long run. We are not arguing with anybody, and not trying to be obnoxious.

—Floyd County Hesperian

#### BALANCED WORLD TRADE

Much narrower today than it was three years ago is the lag of our imports behind our exports. This means that our foreign trade

is more nearly balanced and stabilized. Devaluation has helped some countries to ship more of their goods here. Industrial recovery and bigger harvests in Europe have also helped. The tapering off of our foreign aid, if handled wisely and if accompanied by tariff adjustments, should also make it easier to achieve a trade balance. Recently our Department of State gave notice that it hopes to negotiate new reciprocal trade with seventeen countries. If its plans are carried out, our tariff rates fill be whacked on about 2,500 items, from reformed meat to steam engines. But, if so, our exporters will obtain balancing concessions from the other countries signing the pacts. If a trade balance is achieved, the present problem of dollar shortages in other countries will virtually disappear.

To obtain this end, we shall have not only to lower certain tariff rates, but to import goods in larger volume and to spend more in foreign travel. Yet a balanced trade is worth striving for. It would be a brake on our cost of living and would relieve shortages here and elsewhere. By lessening the pinch on have-not nations, it would lessen international tension and friction and thus be a favorable factor in the effort to attain lasting peace. —Dallas Morning News.

#### More Traffic Deaths

The National Safety Council has issued a new warning that traffic deaths are increasing as spring advances, warning against complacency which it thinks might be the outgrowth of a better winter record. The council, in issuing the warning, reported that March traffic fatalities jumped 15 per cent to 2,440, as compared with 2,120 a year ago. The March toll was the largest for that month since 1946, and the largest increase for any month since August of 1946.

It is interesting to know that the March increase in travel mishaps was made in the rural areas, the cities of 10,000 and over show-

ing slight improvement. This statement can be taken to mean that the increased travel into outing areas is bringing higher accident tolls, a fact which fits into the general picture for more carelessness among the drivers on pleasure trips. In other words, we need to exercise more caution and care than ever when fleeing the cares and worries of the workaday world.—Amarillo Daily News.

Mr. and Mrs. Gip McMurry and Mr. and Mrs. Bobby Jack McMurry were dinner guests Sunday of Mr. and Mrs. Lester Bowman.

Mr. and Mrs. Herbert Smith and daughter of Quanah visited in the home of Mr. and Mrs. Hank Kankins and Mr. and Mrs. Bob Reed Saturday night and Sunday.

**Six-Inch Sermon**  
Hosea, the man and His Message. Lesson for May 7: Hosea 4:1-9; 6:1-3; 10:12-13

**HOSEA**, if not contemporary with Amos, closely followed him, about 750 B.C. He was a man of sorrow. His wife, Gomer, deserted him and their children. At length he found her put up for sale in the slave market, paid the purchase price and redeemed her.

His bitter experience only softened Hosea and made him tender and loving. He learned a great lesson for sinning Israel. Though the people had departed from God, he still loved them. As Hosea had redeemed Gomer, God would receive the Israelites back.

God had a "controversy with the inhabitants of the land," the prophet declared, because of their many transgressions. They would be punished for their evil ways. In their degraded condition they had no help from their priests, for they were evil like themselves. "Like people, like priest."

Though they were wounded, God would heal them. Under the image of sowing in the fields, Hosea bade the people break the ground in righteousness and reap according to kindness. The prophet's message is timely for us.

All the evils that Hosea found in his day are found in our own—profanity, immorality, all iniquities and abominations. "Lack of knowledge" is the trouble with many. Unworthy pastors oftentimes set the pace by compromising with worldly things to make their services appealing and themselves popular. Let us, in our Christian living and our Christian service, depend upon God.

## This One Egg Alone Filled The Hen Nest

If every hen laid eggs the size of one Mrs. T. A. Guthrie brought in The Democrat office last week, all the cook books would have to be revised.

The giant egg weighed one-half pound and one-half ounce—possibly a record. It was laid by a White Rock hen and had a hard shell.

The hen—a year old, Three A chicken—is one of Mrs. Guthrie's best layers.

## She often lays large double-yolk eggs," Mrs. Guthrie said, "But she never produced one quite this size before."

No authority on the subject could be found for confirmation, but it is believed that this egg is a record size, at least for this area.

Mr. and Mrs. James O. Miller and son, Stevie of Hereford visited a few days here with his parents, Mr. and Mrs. Bert Miller.

Mrs. Charles Morris and children of Amarillo is visiting here this week with relatives.

## REPORT OF CONDITION OF THE FIRST NATIONAL BANK OF LAKEVIEW, OF LAKEVIEW,

## Former Memphians Now Training In Army Air School

Private First Class Ernest F. Gilchrest, 18, of Memphis, and Pfc. Colbert T. Chappell, 20, of Dover, formerly of Memphis, have entered the Airplane and Engine Mechanic's School at Sheppard Air Force Base, the home of the largest technical school of this type in the world.

During the 28-week course as a student at Sheppard they will receive intensive training designed to provide them with the thorough knowledge and the basic skills required in servicing, inspecting and maintaining every type of aircraft currently used by the USAF.

Upon graduation they will be awarded the rating of Airplane and Engine Mechanic. Along with the majority of graduates in their class, they probably will be assigned to one of the major Air Force commands for on-the-job experience with first-line operational aircraft after completion of his schooling.

Pfc. Chappell is the son of Mrs. J. W. Chappell of Dover and a graduate of the Memphis High School.

Pfc. Gilchrest is the son of T. H. Gilchrest of Memphis and a graduate of Memphis High School.

Mrs. Carl Lee and Mr. and Mrs. Gayle West and son, spent the week end in Oklahoma City with Mrs. Lee's mother, Mrs. W. E. Magers.

Mr. and Mrs. Robert Bevers, S. Buck of Childress and Mr. and Mrs. James Creamer of Paducah spent the week end fishing at Lake Brownwood.

## What is this thing called CycloPower

Amazing CYCLOPOWER is a combination of all the super-performance qualities you get in Shamrock's new, improved motor fuels for 1950.

It's the higher octane, richer blending and cleaner burning properties of Trail Master and Cloud Master gasolines. It's the added pep and power Shamrock now gives your car, truck or tractor motor.

CYCLOPOWER is the result of miraculous Cycloversion processing equipment recently installed at Shamrock's modern refinery.

It's something new and better in gasoline. It's worth trying—today!

# It's New... It's Super!

Here it is... the amazing new motor oil you've heard so much about... new Conoco Super Motor Oil... proved by a punishing 50,000-mile road test!

It is a motor oil so tough that in this killing 50,000-mile test, engines lubricated with Conoco Super Motor Oil showed virtually no wear at all... in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts!

In this same 50,000-mile test, gasoline mileage for the last 5,000 miles of the run was actually 99.77% as good as for the first 5,000 miles.

Yes—Conoco Super Motor Oil has definitely proved that it can keep your new car new.

Come in and let me tell you about "50,000 miles no wear!"

# Grab That Flyin' Disc; It Will Bring \$50,000

The State Fair of Texas has posted a reward of \$50,000 for the first authentic "flying disc" of interplanetary origin to be discovered and delivered to State Fair Park in Dallas in time to be placed on exhibit at the fair's gigantic 1950 Mid-Century Exposition Oct. 7-22.

"This offer does not mean that we either believe or disbelieve in the interplanetary flying disc reports," said R. L. Thornton, president, in announcing the reward, "but if there is such a thing, it is only fitting that it be exhibited at the biggest state fair in the nation since the State Fair of Texas has always tried to bring to its vast audience the first information of any new and important scientific development."

Rules of the offer will be drawn up in legal form and filed with the Dallas County Clerk. In general, they are as follows:

1. The State Fair of Texas will pay \$50,000 to the first person or group of persons who delivers to State Fair Park in Dallas an authentic flying disc of interplanetary origin in its original physical form.

2. The reward will be paid only if and when the authenticity of the flying disc in question as a vehicle or space-ship of interplanetary origin has been determined and vouched for by a committee of scientists selected by the state fair from leading universities of the state of Texas.

3. There shall be no appeal from the decision of this committee of scientists.

4. The offer shall expire Oct. 1, 1950.

Reports of flying discs have increased greatly during the past few months. Thousands of people have claimed to have seen the "discs" or "saucers." However, no one has yet produced an authentic flying disc or saucer.

The U. S. Air Force, after investigating most of the reports, has announced that the majority are the result of hallucination or mirage, over-vivid imagination or such things as weather balloons, jet planes or the planet Venus. However, among the sightings

have been some the Air Force has not been able to explain at all.

## VET PROBLEMS AND ANSWERS

Q. My grandchild, whose father served in World War I, is living with me instead of with her widowed mother. May payments of benefits from VA be made for this child?

A. Yes. Payments may be made to the legal custodian of the child if it is not in the custody of the widow.

Q. While in the Army during World War I, I had to have some teeth extracted. Am I entitled to dental treatment by VA?

A. If there is a record of teeth extraction while you were in the service, you may be entitled to dental treatment. Go to your nearest Veterans Administration office for a check on your case.

S. My husband, a World War I veteran, was receiving compensation for a service-connected disability at the time of his death. I was married to him 11 years and am now 33 years of age. Will age bar me from receiving compensation as his widow?

A. Your age has no bearing on your right to compensation if you meet eligibility requirements.

Q. I am a World War I veteran and hope to be admitted to a Masonic Home in the near future. Will the fact that I am the resident of such a home affect my pension?

A. Admission to a Masonic Home will not affect your pension.

Q. While in the U. S. Army during World War I, my hearing began to fail me and now I find it difficult to hear anything. Will Veterans Administration furnish me with a hearing aid?

A. A hearing aid may be furnished if it can be shown that your loss of hearing is service-connected or service-aggravated.

Q. The Board of Appeals of Veterans Administration denied

my claim for compensation. Can I go to court and sue VA?

A. No. Civil courts cannot assume jurisdiction on such claims. The law specifically provides that VA decisions shall be final and conclusive.

Q. I carried \$10,000 War Risk Insurance during World War I, but allowed it to lapse. Am I entitled to a dividend like that given to holders of NSLI?

A. There is no dividend due you. War Risk Insurance never paid dividends, although U. S. Government Life permanent type policies have paid periodic dividends.

Q. I filed a claim for disability compensation with VA last Fall. I received an acknowledgement from VA, but have had no word on my claim since January. What shall I do?

A. Your claim folder is at the VA regional office nearest your home. The contact representative at that office will assist you in learning the status of your claim.

## Legal Notice

To: J. E. Fuller and J. L. Rutherford, and the unknown heirs and legal representatives of the said J. E. Fuller and J. L. Rutherford if deceased, greetings:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 29th day of May, A. D. 1950, at or before 10 o'clock A. M., before the Honorable District Court of Hall County, at the Court House in Memphis, Texas.

Said plaintiff's petition was filed on the 14 day of April, 1950. The file number of said suit being No. 3299.

The names of the parties in said suit are: R. C. Jones, Fay Johnson and husband J. W. Johnson, Chloe Rogers and husband

Ellis Rogers, Emma Wright and husband D. R. Wright, Evan S. Jones Jr., Stella Jones, Billy Hall and husband Bill Hall, Carmen Sommers and husband Earl Sommers, Vivian Shubert and husband Todd Shubert, Rufus Jones and Orval Jones as Plaintiffs, and J. E. Fuller and J. L. Rutherford, and the unknown heirs and legal representatives of the said J. E. Fuller and J. L. Rutherford, if deceased, as Defendants.

The nature of said suit being substantially as follows, to-wit: Suit in statutory trespass to try title for the title and possession of Lots Nos. 6, 7, and 8, in Block No. Thirty of the Original Towny, of Memphis, Hall County, Texas. Plaintiffs also claim title to said land under and by virtue of the ten years statute of limitation of the State of Texas and plead same.

Issued this the 14th day of April, 1950.

Given under my hand and seal of said Court, at office in Mem-

## Rapps Attend Angus Breeders Show In Tulia

The Swisher County Aberdeen-Angus Breeders Association, one of the largest such organizations in this section of the country, held their annual show and judging contest April 26 near Tulia.

The Clyde Bradford farm was headquarters for the show. Jerrel Rapp and his parents, Mr. and Mrs. C. A. Rapp, of Estelline attended this show. They own and operate the C. A. Rapp and Son Angus Farm.

A Field Day was held and there was a judging contest for adults and 4-H and FFA club boys. Angus breeders from many parts of Texas attended.

Main speaker was W. L. Stingel,

phs, Texas, this the 14th day of April, A. D. 1950.

ISABELL CYPERT, Clerk District Court, Hall County, Texas

46-4c

head of the agricultural department of Texas Tech official of the Aberdeen-Angus Breeders Association President Clung of Fort Worth present.

Some 500 persons show. The activities lighted with a barbeque.

The Rapps took Angus animals, a prize breeding bull Eileenmere 62nd, to

Mrs. Herbert children visited day with friends

Mrs. John Austin Tricie of Turkey here Monday.

For Air Condition call 502. We have might need. W Motors.

## Are you tired of paying high income taxes?

BEN GUILL, the candidate for Congress from Pampa, has pledged himself to fight to lower your taxes. HE HAS PROMISED THAT HE WILL NOT SEEK A PERMANENT JOB ON THE FEDERAL PAY-ROLL WHEN HE GOES TO WASHINGTON.

BEN GUILL

How many other candidates in this race can make that promise?

BEN GUILL is interested in ELIMINATING unnecessary Federal jobs and saving the taxpayer money. He wouldn't take a job in a Federal Bureau if it were offered him.

SEND THE MAN TO WASHINGTON AS YOUR CONGRESSMAN WHO WILL WORK TO CUT THE BUREAUS AND THE BUREAUCRATS TO THE BONE. The only Federal job BEN GUILL ever held was — "Sailor, U.S. Navy." He is one of the few candidates in this race who has never been a contented feeder at the public trough.

Let's open the windows and let some fresh air into our government.

Elect

## BEN GUILL to CONGRESS

(Political Adv.)
