Business - Education Day Will Be Held Here Friday

OVER 50 FIRMS COOPERATING; SPECIAL LUNCHEON TO BE HELD

The 991 students in the Memphis public school system will be guests of over 50 different business firms here tomorrow when the first Business-Education Day is held. Highlight event of the day will tours by the students through the various businesses in Memphis.

Business-Education Day is being sponsored by the Memphis Chamber of Commerce, Manager Clifford Farner and Supt. W. C. Davis have worked out all the details for the day.

Beginning at 9:30 Friday morning, all classes in the three schools here will tour four firms which have already been selected for them. They will move from one

business house to the next under the supervision of a classroom instructor.

"We plan to give each class about 40 minutes at each of the four places visited," Supt. Davis pointed out. "This will allow the businessmen or one of his employees 20 minutes to tell the class about his firm and then the students will take 20 minutes to describe the highlights of school operations."

At noon Friday the schools will play host to the businessmen. A special luncheon is planned at the high school cafeteria for the businessmen, city officials and students.

Following the luncheon the group will see a special Fine Arts program which is being arranged by Mrs. L. G. DeBerry. This program will be in line with the Fine Arts Exhibit now on display at the high school gymnasium.

Farmer and Supt. Davis are very enthusiastic over the prospects for creating a greater spirit of cooperation and understanding between the schools and business firms through this Business-Education Day activity.

"It is a national project of the Chamber of Commerce," Farmer pointed out. "However, the plan is mostly carried out in large cities and we believe our plan is something of a pioneer project for smaller cities."

Farmer pointed out that it is the duty of the businessmen in Memphis to sell our city to our youth.

"If we want Memphis to grow and prosper we must encourage our young people to plan on making their home here and this can only be accomplished through a real effort on the part of local firms and residents."

"I believe Business-Education Day is a real step in that direction," he said.

Supt. Davis has prepared a special booklet for Education-Day, giving a complete tabulation of school activities, enrollment and projects. These booklets have been distributed to the business firms here as a part of the Business-Education Day plan.

"We believe the interchange of ideas between students and businessmen will broaden the scope of both groups to the problems they face," Supt. Davis said.

He said that the visits have been carefully selected in order to best fit the special interests of the students. Those interested in agriculture will visit such firms as implement dealers. Home economics students will be guests at appliance stores and the older students will visit the banks.

First and second grade students will be guests at the Palace Theatre for a special program of entertaining motion pictures.

In addition to the business firms, the five major churches of Memphis are cooperating in the activity and will be visited by several classes during the morning.

WEATHER

Rainfall Tuesday and Wednesday put a much brighter outlook on the crop situation for Hall County as a total of .67 precipitation was recorded.

Weather recorder J. M. Micken said that Tuesday's total was .32 inches in Memphis while .35 fell late Wednesday. Estelline and Lakeview also reported good rainfall.

This week's high thermometer reading was recorded on Monday when the mercury reached 89 degrees. Saturday's 53 was the low.

Daily Readings:
Wed., May 10, 68 and 62
Tues., May 9, 59 and 82
Mon., May 8, 57 and 89
Sun., May 7, 64 and 82
Sat., May 6, 53 and 84
Fri., May 5, 54 and 74

MORE HONORS

Bruce Gibson Will Attend 4-H Club Camp

Bruce Gibson, 20, son of Mr. and Mrs. Bruce O. Gibson, Turkey, is one of the four Texas 4-H delegates to the 1950 National 4-H Club Camp, Washington, D. C. According to the announcement made by Floyd Lynch, state 4-H club leader of Texas A. & M. College, Bruce will be in Washington from June 14-21.

Gibson is a freshman student at Texas A. & M. College, a member of the Collegiate 4-H Club and has completed nine years of 4-H work. In 1945, he was winner of the state poultry contest and was awarded a trip to National 4-H Club Congress, Chicago.

In 1946, he won the state award in the Home Grounds Beautification contest and in 1948 was one of the winners of an Anderson-Clayton Cotton Scholarship. He is now attending A. & M. on a \$1,000 scholarship which he won in statewide competition. It was provided by the Former Students Association of the college. He has served four times as president of his local 4-H club and as a junior

Estelline Senior Class Play Will Be Held Friday

The Estelline Senior Class will begin their spring activities Friday night when they present their annual play.

This year's production is a comedy, "The Clay's the Thing," and is scheduled for the high school auditorium Friday night at 8 p. m.

The entire class will be seen in the play which is being directed by Mrs. E. F. Kennedy.

Members of the class are: Mary Baskin, Judy Bell, Carletta Berry, Ernestine Rea, Gene Gardenhire, Gerald Fowler, Gene Jouett, Bobby Helm, Dwain Patterson, James Misenhimer, Bobby Burk and Cliff Smith.

Further details of the senior activities will be announced next week.

County Farmers Offered Free Cotton Classing

Hall County cotton farmers can now secure their applications for 1950 Smith-Doxey benefits, according to John A. Albritton, in charge of the local office of the cotton branch, Production and Marketing Administration at Altus, Okla.

Applications are available at agins, County PMA offices, County Agricultural Agent's offices, and at the local cotton offices, P. O. Box 249, Altus, Okla.

Mr. Albritton points out that the farmers belonging to organized cotton improvement groups under the Smith-Doxey Act can get their cotton classed by USDA without cost. Also, they can get free market news services.

Groups should file their applications for Smith-Doxey benefits as soon as their cotton is planted to make sure of getting them approved in plenty of time to get first bales classed.

Applications must be filed with the local cotton office before August 15.

OUTSTANDING RIFLE MARKSMAN WILL GIVE EXHIBITION HERE

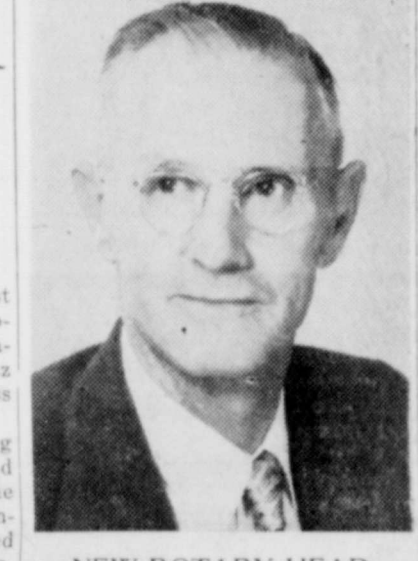

Ken Beegle, official exhibition shooter for the Remington Arms Co., will be featured in a rifle, shotgun and pistol exhibition at the local range Monday from 3 until 5 p. m.

Beegle, recognized as one of the nation's outstanding marksmen, will give this exhibition under the joint sponsorship of the Memphis Rifle and Pistol Club and Boy Scout Troop 35.

Ed Hutcherson, rifle club president, said that all persons in this area are cordially invited to attend this free exhibition.

"Mr. Beegle has thrilled audiences throughout the nation with his shooting ability and I think everyone interested in marksmanship will enjoy his performance," Hutcherson said.

Beegle tours the nation for the

NEW ROTARY HEAD

Bill Coursey Will Head Rotary Club

The Memphis Rotary Club has elected new officers to serve during the 1950-51 year.

W. V. Coursey was elected president of the organization. He has previously served as secretary-treasurer of the club. R. C. Lemons is retiring president.

Byron Baldwin was re-elected vice-president of the club and Bill Kinslow was picked to succeed Coursey as secretary-treasurer.

Coursey, Baldwin and Kinslow, by nature of their election to these positions, will also serve on the Rotary Club board of directors. Retiring President Lemons is also a member of this group.

Other directors are: Clyde Milam, Allen Dunbar and Dr. Jack Baldwin.

These officers are scheduled to take office at the first meeting in July.

Last Rites Held Here Sunday For Julia Jeffries

Funeral services for Mrs. Julia Jeffries were held at the First Baptist Church here Sunday at 3 p. m.

Mrs. Jeffries, former Memphis resident and the mother of Robert Duncan of this city, died in

and the boosters a program here after

the outstanding groups of this area, is expected to participate again this year.

Howell pointed out that many more cars for the booster trips are needed.

"All local automobile dealers will be asked to furnish a car this year but we will still need many more if we are to have really impressive booster trips," he said.

Persons wishing to participate in the trips and furnish an automobile for them are asked to contact Howell, Tucker or Hays as soon as possible.

The rodeo officials also pointed out that all Memphians will be asked to dress in Western clothing during the three-day celebration.

"This show belongs to the people and we want everyone to take an active part in the festivities," they pointed out. "If everyone will join in the activities we will have the best rodeo in history this year and certainly it will be en-

joyed by all the residents of this area."

Plans for the rodeo are nearing completion and this year's show promises to be the best in Memphis' history, they said.

A giant parade on Thursday, June 1, will officially open the festivities. This parade will be held at 4 p. m. Riding clubs from 12 nearby cities and towns have been invited to participate.

The rodeo will feature night performances only this year. Cash prizes of \$1,200.00 await the winning contestants and the top cowboys of this area—both professionals and amateurs—are now entering, according to T. B. Rogers, Rodeo Association president.

Reserved seat tickets can now be purchased. Five hundred seats on the east side of Cyclone Stadium will be reserved for each performance.

Ticket prices: reserved seats, \$2; adult general admission, \$1.50 and children under 12 years of age, 50 cents.

Dr. Dryden warned the Memphis Lions Club in the "Clean-up, Paint-up and Fix-up Month" which is now underway in Memphis.

Dr. Dryden, general chairman of the clean-up campaign, also warned the Lions and their guests that early indications point to the worst polio epidemic in the state's history this year.

"Our only real check against polio is cleanliness," he said. "If we will give Memphis a thorough clean-up we can stop this epidemic before it ever starts here."

The clean-up drive chairman pulled no punches in his description of sanitation conditions in Memphis. He said the city is full of such fly-breeding places as open toilets, livestock and poultry facilities and garbage piles.

(Continued on Page 8)

First Graders For 1950 Will Enroll Monday Afternoon

Mothers of Memphis youngsters who will begin school next year have been asked to meet at West Ward Monday at 1 p. m.

Principal Esta McElrath made this announcement in pointing out that all children who will begin the first grade in the fall of 1950 will be enrolled Monday.

"We want the mothers to come to West Ward with their children so that we may secure the necessary information and discuss some of the essential procedures and ways to assist the children starting school next year," she said.

The mothers and children are asked to meet in the West Ward auditorium.

with 327 votes. Mrs. Clark was third with 132 and Guill ran fourth, collecting a total of 119 votes.

J. Blake Timmons, third-place candidate in the district, finished fifth in Hall County with 53 votes.

E. T. Burk of Amarillo was fourth collecting 106 votes.

Unofficial total tabulations for Hall County's 14 boxes:

Ronald Davis—47.

Walter Rogers—327.

Historical Group Plans Banquet At Canyon May 17

More than 200 members and friends of the Panhandle Plains Historical Society are expected to gather in Canyon, Friday night, May 17 to begin the 30th annual session of the group.

President O. H. Finch, Dalhart has announced that Stanly Vestal, nationally known writer and historical authority, will deliver the main address at the banquet Friday night in the West Texas State Cafeteria. Time for the banquet is 7 o'clock.

Mr. Vestal has a colorful background in the history of pioneering in the west and has chosen as his topic "The Indian Side of the Adobe Walls Battle in 1874."

Presently, Mr. Vestal is Research Professor and Director of Professional Writing at the University of Oklahoma, Norman. He is the author of 21 books, the majority of which deal with the history and settlement of the West.

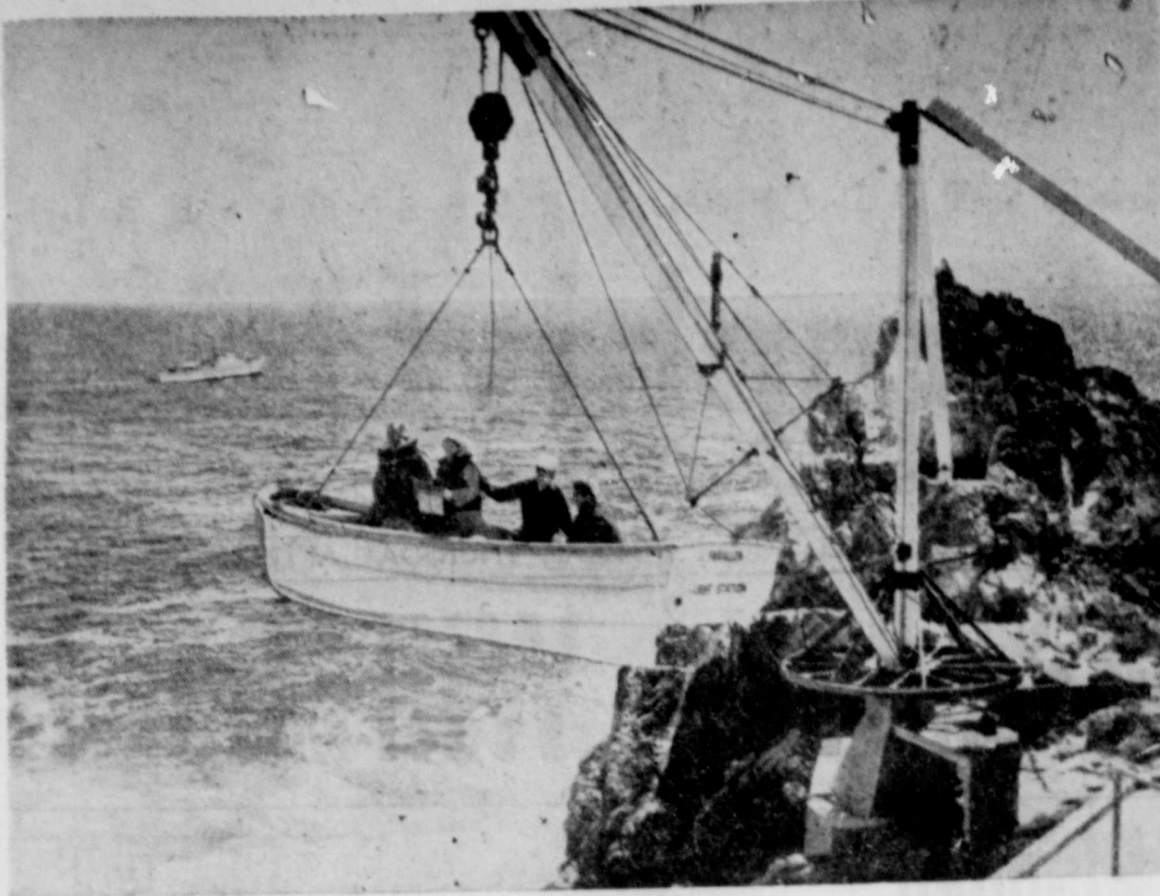

Winners of the Vandal Historical Essay Contest will be announced at the Friday evening banquet. Competition has been going on for several months and the cash awards of \$100 for first and \$50 for second will be made.

Saturday at noon Mr. Vestal will speak at 40 high school contestants in the newly created Earl Cobb Contest. This contest was established last year by Mr. Earl Cobb, Fort Smith Arkansas, in honor of Mr. and Mrs. James Lowry Smith, pioneers of this section.

Ten cash awards will be given in this competition with five prizes going to boys and five to girls. Each winner will read his paper at the noon meeting.

Reservations for the Friday night banquet should be made immediately to either Dr. L. F. Sheffy or Mr. W. L. Vaughn at West Texas State College. Tickets will be \$1.50 per plate.

For Air Conditioner Service, call 502. We have anything you might need. W. H. Monzingo Motors. 44-4r

TAKE TO THE LIFEBOATS! . . . United States census enumerators have to resort to any mode of transportation to count the nation's population, especially those working in the remote spots of the San Francisco area. Helen L. Mabbott and John McClosky, census takers, are hoisted onto the rocky Farallon island, 22 miles out in the Pacific ocean, to register its 17 inhabitants. The coast guard cutter, which carried the census takers from San Francisco, is in the background.

MEMPHIS COUNTRY CLUB GOLFERS FACE HEAVY TOURNAMENT SEASON

The Memphis Country Club golfers will be seeking their first victory in the eight-team Inter-City competition when they entertain Childress on the local links Sunday, May 21.

This will be the second game for the Memphis team. They lost via a number of forfeits to Shamrock last Sunday. Memphis, Childress, Quanah and Shamrock make up the eastern half of the division while Vernon, Altus, Fredrick and Electra are in the western end. The sectional winners will play for a championship cup later in the season.

Tournament play will keep the golfers busy throughout most of the summer. Their annual Scotch Tournament is now underway and is scheduled to be concluded Sunday.

On May 28 they open the City Tournament and play the final matches on June 4. Quanah will oppose the Memphis team on June

11 and they will go to Pampa June 18 for the annual Greenbelt Tournament.

Other scheduled events for the local golfers include the Bert Ball Medal Play on July 16, the Flag Tournament on August 6, and the President's Tournament on August 20.

Carl Harrison is chairman of the Memphis Country Club tournament committee. O. B. Smith and Ace Galley serve on the committee with him.

Hedley Defeats Kirkland Nine For 9-B Crown

Hedley High school took the 9-B baseball crown Saturday with a close 9-8 victory over Kirkland.

The tilt went to 19 innings with both teams using two pitchers. Bob Baker and Leeper worked on the hill for Hedley. Leeper was credited with the win. Atkinson and Hardin pitched for the losers and Hardin was charged with the loss.

Hedley got six hits while Kirkland collected nine.

The district champions advanced on the finals by pounding Turkey 19-9 in the first-round play. Kirkland squeaked out a close 8-7 win over Silvertown to reach the final round.

By MRS. H. A. HODGES

Mr. and Mrs. W. C. Hignight and son, Shelby, returned home from Lubbock Sunday a week ago after visiting his sister and family, Mr. and Mrs. Hubert Griffin. Mrs. O. T. Lindsey and son, Harold, came home with them to spend a week with her brother, Harold Hodges.

Gayle Chastain of Denton accompanied his aunt and uncle, Mr. and Mrs. Harold Hodges home Sunday week ago for a two weeks visit and also visiting his grandparents, Mr. and Mrs. H. B. Marks of Memphis.

A. J. Nabers and family have returned to their home at Valmeyer, Ill., after being called to the bedside of his brother, Kenneth Nabers who was seriously ill in a local hospital.

Miss Lora Martin of Amarillo spent last week visiting relatives and friends of this community.

Mr. and Mrs. G. R. Nabers of Spade visited with his brother and wife, Mr. and Mrs. W. L. Nabers last week.

Mr. and Mrs. Harold Hodges, Mrs. O. T. Lindsey and son, Harold of Lubbock and Sam Forkner of Memphis returned home Wednesday of last week from Marietta, Okla., after attending the funeral of Miss Iowa Forkner of Phoenix, Ariz. She was a niece of Sam Forkner and cousin of Harold Hodges and Mrs. O. T. Lindsey.

Mr. and Mrs. Alvin Massey and family attended the rodeo at Vernon Friday.

Mr. and Mrs. Everet Shirley of

Littlefield visited here last week.

Mr. and Mrs. Doyle Hall went to Amarillo last Wednesday on business.

Mr. and Mrs. L. A. Bray, Mr. and Mrs. Edd Galloway and Miss Lora Martin of Amarillo ate supper with their mother, Mrs. Martin of Amarillo last Saturday night and also attended the ball game there.

Sammy Thomas of Mobeetie is here visiting his grandparents, Mr. and Mrs. A. Gidden.

We were glad to hear that Kenneth Nabers was brought home from the hospital last Sunday and is reported to be improving nicely.

Mr. and Mrs. W. C. Hignight and son, Shelby, visited in the home of Mr. and Mrs. Kenneth Nabers Sunday night.

Miss Oree Brock of Hart is here visiting in the home of her father, Mr. and Mrs. T. J. Brock.

Shirley Nabers was carried to the hospital for treatment of a throat infection but is improving.

Linda Jane Hall, daughter of Mr. and Mrs. Hubert Hall was brought home from the hospital Monday evening after being up there since early Saturday morning very sick with throat infection. She is reported to be improving.

Mr. and Mrs. Jack Martin left Thursday of last week to carry her parents, Mr. and Mrs. George Kirkland of Lakeview to Temple for Mr. Kirkland to get a medical examination in the clinic there.

Mr. and Mrs. Charlie Spencer of Matador visited her parents, Mr. and Mrs. Walter McMaster, Sunday.

I. N. 'Ike' Keesee Is Candidate for Constable Pre. 1

I. N. (Ike) Keesee this week authorized The Democrat to announce that he is a candidate for the office of Constable, Precinct No. 1 of Hall County, subject to the action of the voters at the polls during the Democratic primary. His statement follows:

"I want to take this means of notifying the citizens of Precinct No. 1 that I am in the race for constable, and to solicit their vote in the July primary.

"If the people elect me to the office I seek, I promise to conduct myself in a straight-forward manner and to enforce the law to the best of my ability. It will be my aim to work with other law enforcement officers and county officials toward giving Hall County strict law enforcement. At no time will I take advantage of the office I hold, but will deal fairly with every person.

"I will welcome the chance to

Mr. and Mrs. H. B. Marks, Dorothy Hodges, Mr. and Mrs. J. E. Hodges and daughter, Wannel of Memphis, Bro. Milton Reding of Plainview and Mr. and Mrs. O. T. Lindsey and son, Harold, and Gayle Chastain of Denton were dinner guests of Mr. and Mrs. Harold Hodges Sunday. Mrs. Lindsey and son returned to their home in Lubbock with her husband Sunday.

Owls Travel To Mangum Sunday For RRV Tilt

Enforced with some sharp hurling aid which promises to give them a new lease on league life, the Memphis Owls move into the fourth week of RRV Activity Sunday at Mangum.

Owl Player-Manager Lesley Pruitt said he will use Leroy Kamphouse and Doug Yeates on the hill in the Sunday contest. Kamphouse has worked in two previous games for Memphis.

Yeates—a student at Oklahoma University—made his debut for the Memphis Club Sunday and played a major role in the 10-2 upset win over Altus. Yeates pitched six-hit ball against Altus and looked very much at home on the mound through the contest.

Pruitt, who was named player-manager of the club Saturday, pointed out that the Owls will travel to Paducah tomorrow night for an exhibition game with that club. Paducah is also a member of the Red River Valley League, sporting a 1-2 record this season. They defeated Wellington 7-5 Sunday for their first win.

Pruitt had made no decision on who will handle the hurling chore in the Friday night contest early today.

Memphis will meet one of the league's better clubs in Mangum Sunday. The Oklahoma team boasts a 2-1 record in loop games played to date. They suffered their first loss Sunday at the hands of Hobart, 8-2.

The Owls will be seeking a 500 percentage average Sunday. They hold a win over Altus and losses to Dumas and Wellington.

The Dumas nine—loaded with "has been" talent for bigger professional circuits—continues to pace this loop. They lambasted Childress 12-3 Sunday to keep a clean 3-0 record.

Meanwhile, the other leaders dropped their Sunday games, Mangum falling to Hobart and Altus to Memphis.

Memphis can cinch a hunk of third place in the league by defeating Mangum Sunday since Altus and Hobart, the other two clubs with 2-1 records, meet at Altus.

Wellington will entertain Childress Sunday in their bid for a part of the third place position. The Childress team is dwelling in the league cellar with a 0-3 record.

Paducah will go to Dumas Sunday in the remaining loop game.

W T Grid Squad Plans Scrimmage Wednesday Night

Football fans of West Texas State will only have to wait until Wednesday night, May 17 to get a glimpse of the Buffalo football team for the fall of 1950.

The hardened veterans of the rough spring drill will be divided into two teams and "have at" one another under the lights of Buffalo Stadium in the wind-up for the spring training. Scrapping for starting berths on the first team are continuing at a terrific pace as everyone wants to get into the act when the Herd opens against Arizona State in Amarillo Stadium next Sept. 16.

Fans from over the Panhandle are invited to attend the free game and watch what many rate the greatest team ever to represent West Texas State. Also, the famed West Texas Buffalo Band is planning an extravaganza for pregame and halftime entertainment. Along with their well-known "Gridiron Floorshows", the band is arranging a majorette show never equalled in the Southwest. All the top-notch twirlers of the Plains region are being invited to participate in a rehearsed show for the entertainment of game visitors.

Some 60 grid prospects are being given the eagle-eye daily as they preform at the college. A host of swift backs will be on the squad plus a forward wall three and four deep with seasoned linemen. Seven of last season's starters will be back next fall for action as the Herd takes on an ambitious program including tilts with such powers as Arizona University, Texas Tech, Hardin-Simmons, Texas Western and New Mexico University. New Mexico U. will also be met in Amarillo Stadium.

Coach Frank Kimbrough issues a warm invitation for all grid fans attend the May 17 spring game and look over the 1950 Thundering Herd.

Mangum	2	1	.666

RIFLE EXPERT—Ken Beegle, exhibition shooter for the Remington Arms Co., will demonstrate his ability on the range here Monday from 3 until 5 p.m. Beegle's appearance here is being jointly sponsored by the Boy Scouts and the Memphis Rifle and Pistol Club.

Gibson Awarded Cage Numeral At Texas Tech

Awarding of eight varsity letters and nine freshmen numerals in basketball at Texas Tech has been approved by the Athletic Council, on recommendation of Coach Polk Robison.

Granted varsity Double-Ts were Sophomores Jack Alderson and Verdell Turner, Lubbock; Junior Jim Eddins, Sudan; Senior Eugene Gibson, Lakeview, All-border conference center; Senior Chester Jackson, Monument, N. M., member of the All-border second team; Sophomore Ted O'Neil, Wellington; Junior Charles Pinnell, Andrews; and Charlie Cambell, Monument, N. M., student manager.

Awarded freshmen numerals were: Blair Hankins and Virgil Johnson, Lubbock; Dale Knight, Stratford; Jack Little, Amarillo; John Leuenberger, Lameso; Lewis Martin, Dimmitt; Paul Nolen, Alvarado; Don Seal, Idalou; and Charles "Sandy" Welton, Fairmont, W. Va.

Coach Robison has been working his squad hard in spring training, with indications that Johnson, Little, Martin, Nolen Seal and Welton of this season's freshmen will be members of the 1950-51 varsity traveling squad.

Lakeview Rites Held Today For Former Resident

Funeral services for John Henry Watson, 51, former Hall County, were held at the Lakeview First Methodist Church today at 3 p. m.

Watson was killed in Fresno, Calif., on May 4 when the pickup truck in which he was riding was struck by a railroad switch engine. Watson resided at Santa Maria, Calif., at the time of his death.

Rev. O. C. Evans, pastor, and Rev. I. T. Hoggard conducted the last rites. Burial was in Lakeview Cemetery under the direction of Murphy-Spicer Funeral Directors.

Pall bearers were: A. A. Strygley, Morris Robertson, Del E. Wells, Rail Barnett, Jett Hoggard and Ross Springer.

Born on March 6, 1899, in Collin County, Watson moved to this county in 1901 with his parents and was married to Mrs. Laura Hitchcock on Feb. 8, 1942.

He had made his home in California for a number of years where he was a combine contractor. He was a member of the First Methodist Church.

Survivors include his wife, Mrs. Laura Watson, of Santa Maria; a daughter, Mrs. Doris Jacobs of Dewitt, Ark., and a son, Arthur Watson of Compton, California.

Two step-sons, Marvin Hitchcock of Santa Maria, and Paul Hitchcock of Omack, Wash, survive.

He is also survived by his mother, Mrs. J. W. Watson, of Lakeview.

Six sisters survive: Mrs. Tom Jones, Troy Payne, Jeff Melton and Miss Gladys Watson, all of Lakeview; Mrs. Rilda Smallwood of Amarillo and Mrs. Clay Fortenberry of Honey Grove.

Six brothers also survive: Hugh W. Watson, Carl Watson, A. J. Watson, Leon Watson, Jess Watson and Joe Watson, all of Amarillo.

Other survivors include five grandchildren.

Former Memphian Dies Thursday In San Francisco

J. Y. Jones, brother of Baker Jones of Memphis, died at his home in San Francisco, Calif., on May 4.

Mr. Jones had been suffering from a heart ailment for the past two years. He was reared in Hall County and well known in this area.

Baker Jones and his sister, Miss Raymond Jones of Ft. Worth, attended the funeral in San Francisco on May 8.

Meeting Here June 6 On Game Laws

The machinery has been set in motion to shape the new Game, Fish and Oyster Commission regulatory power program for the Texas Panhandle.

The Executive Secretary announced today the dates and places for conferences between the public and wildlife management personnel in the 8 counties affected by the regulatory authority act passed by the special legislative session. The law becomes effective September 1, 1950.

Game Supervisor J. H. Maggard of Amarillo has announced that the meeting for Hall County will be held in Memphis on Tuesday, June 6.

Twenty-two meetings, some of them comprising more than one county, have been set for the period beginning May 23 and ending June 23. On the basis of information obtained through these conferences and on the data obtained by Game Department personnel, the hunting and fishing seasons and bag limits under the new arrangement will be set at the July meeting of the Commission.

Now, hunting and fishing regulations in Texas are determined by the state legislature, except for the area west of the Pecos. The responsibility for regulating hunting and fishing seasons and bag limits for that area was made the Game, Fish and Oyster Commission's by the legislature in 1944.

Key factors in determining the Panhandle seasons and limits will be: (1) Status of the various game species found in this area; (2) desires of the landowners and sportsmen; and (3) regulations which can be enforced.

After the program has been installed, game wardens in the affected areas will make constant studies to show the fluctuations in game and fish population. The wardens will prepare estimates on the number of hunters and fishermen and on the amount of game and fish harvested in his district. This action blends into the Commission's authority under the new act to pursue a continuous program of investigating game conditions, habits, economic value, environment and other aspects of game management.

In order to supplement the warden's activity in this program, specially trained game technicians will make detailed studies of the different game and fish species in various sections of the Panhandle. Their work will be not only to help determine the fluctuation in game and fish population but also to determine the reasons so corrective measures can be taken.

Bill Lance New Service Manager At Rice Motor Co.

Bill Lance, formerly of Chillicothe, has accepted the position of service manager with Rice Motor Co., according to an announcement by E. E. Rice this week.

The Kaiser-Frazer dealer stated that Lance formerly operated the K-F dealership at Chillicothe, and has over 17 years experience as a mechanic.

"We feel that Mr. Lance will be an asset to our organization," Mr. Rice said, "and we want our customers to become acquainted with him."

Mrs. Lance and their two-year old child, Alice May, plan to join Mr. Lance in Memphis where they locate a place in which to live, Rice added.

Rice announced that the name selected for the new-low priced automobile to be introduced later in the year by Kaiser-Frazer is "Henry J." The name was selected from a nation-wide contest conducted for several months by the company. Date the low-priced car will appear is not known, Rice added.

CARD OF THANKS

We wish to thank our friends for the beautiful flowers and kindness during the illness of our wife and mother while she was in the hospital.

Earl Mitchell and daughter.

James Hoskins Given Seven Year Sentence

Hall County got rid of a troublesome "boarder" Thursday when James Hoskins pleaded guilty to a cotton theft charge and was sentenced to seven years in the state penitentiary at Huntsville.

Hoskins entered a "guilty" plea and placed himself at the mercy of the court. He was tried in District Court. Hoskins waived jury rights and was sentenced by Luther Gribble.

The Negro was carried to Huntsville Thursday afternoon by Sheriff Earl Hill.

Hoskins was first arrested in February and charged with the theft of several hundred pounds of cotton from two nearby farmers. He escaped from the county jail several weeks later but was later apprehended by Sheriff Hill near Paducah.

His latest jail break was on April 26 but Sheriff Hill had

him located and captured May 1 in Oklahoma. Hoskins had been committed a felony from jail but he was on this count. Sheriff Hill said for Edgar Simpson, who escaped in 1950, is still under way. He was to be hiding out in the hills and police there on him. James Hoskins to James, is being accomplice in these believed to be in

Last Rites Here Monday Gillean Infant

Funeral services for Gillean, infant daughter of Mrs. J. R. Gillean, at the Murphy Chapel Monday. Rev. Smith of Lakeview conducted the service was in Fairview. The direction of the Funeral Directors. Survivors include and two sisters, Paul Ruby Gillean, both of which Mrs. B. D. Brown of Calif., also surviving.

Hall County Savings Bond Quota Is Set

Hall County has accepted a quota of \$54,000 for the sale of United States Savings Bonds during the Independence Drive, James F. Smith, county Savings Bond chairman, announced today. The drive will begin on May 15 and continue through July 4.

The county's quota, and also the state quota of \$24,088,000, apply only to the sale of Series E Bonds, the county chairman explained.

Symbol for the Independence Drive is the Liberty Bell, and the slogan is "Save for Your Independence—Buy U. S. Savings Bonds". President Truman and Secretary of the Treasury John W. Snyder will participate in ceremonies to be held on May 15 in Independence Hall, Phila-

Comments

(Continued from page 1)

who with his wif, visited in Bonham and Sherman the past two weeks, claimed he brought the rain with him Wednesday. I had a good rain ordered, and must claim part of the credit. Anyway, whoever was responsible sure did a good turn to this section of the country.

R. A. Smith of Turkey writes, "I believe if I were you I would change my papers name. The name Democrat is too closely associated with State Socialism now-adays to be attractive to freedom-loving persons." Smith, the Republicans and some Democrats started a movement to change the social trend in the election of Congressman last Saturday. He, Guill, will have to work fast if he gets the changes made in the seven months he will be in office. Some think he will go back in January for the regular term. Be that as it may, a lot of the votes he received were protests of the socialistic trend. The Memphis Democrat was given its name 40 some years ago when the name DEMOCRAT meant just that and was not tinged with socialism. The name of the paper will be kept as it is in the hope that the Democrat party will return to the principles of our forebears. You are partly right, Smith, about the name being more or less tinged. It is up to all of us to see that it does not stay colored.

Here are some definitions of political faiths:

SOCIALISM—You have two cows. You give one to your neighbor and content yourself with the other.

COMMUNISM—You have two cows. You give both to the government and the Government gives you some milk, perhaps.

UNIONISM—You have two cows. They fight so much as to which gives the more milk, that neither gives any. So you sell one to pay your Union dues. Then you have to sell the other to pay grocery bills during strikes.

FASCISM—You have two cows. You give the cows and the milg to the Government and the Government sells one back to you.

NAZISM—You have two cows. The Government shoots you and takes both cows.

NEW DEALISM—You have two cows. The Government shoots

one cow, milks the other and pours the milk down the sewer. **CAPITALISM**—You have two cows. You sell one and buy a bull.

At last the "fraid hole" is completed. Any time you readers see a black and threatening cloud approaching, you are invited to come and dive right in. The bottom landing is curved so you will be shunted to the left to leave room for the next one following you. I am praying that we won't ever have to use it as an escape from a destructive storm.

While this spring has been dry and windy, there are a lot of pretty flowers in different parts of town, due to the care given them by flower lovers. Isn't it pleasant to wake up these mornings and get whiffs of roses and honeysuckles? Makes life worth living, doesn't it?

I imagine a lot of cotton seed will be put in the ground during the next week or two. Every farmer in the area has his land all prepared ready for planting.

Darrell Hannah, the grub salesman at City Grocery, is one of the best fishermen I know. In recent weeks he has brought me bass weighing from one and a half to two and a half pounds—each a good meal for two people. He caught these in off hours from the store. He will not divulge where he fishes—Dick Watson is another fisherman who remembers me when he is lucky at Brookhollow Lake.

Bruce Gibson

(Continued from page 1)

His list of completed demonstrations include swine, poultry, dairy cattle, truck crops, cotton, grain crops, home beautification and beef cattle. He probably considers the work done in home grounds beautification his most outstanding achievement. He says, "Today our home is perhaps not the most attractive home in the community but it is a 'far cry' from what it was seven or eight years ago." A look at the pictures in his record book tells the story better than words can describe the changes that have been made. Each year more planned work has been completed in this project and today what was once a bare yard is completely landscaped. But he adds, "The job is not yet complete and so long as our 4-H motto, 'To Make the Best Better,' keeps me going, I shall continue to make additional improvements."

In commenting further on his home beautification projects, he says, "I became so interested in this type of work that I decided to make it my life's work. I am now studying landscape design in college." He adds, "Not only does 4-H work help one to choose his vocation but the training received also teaches one how and when to make decisions, good clean sportsmanship, the value of cooperation and how to accept and discharge responsibilities."

Hall county agricultural agent W. B. Hooser has supervised young Gibson's program since its beginning, and supervising the work of state and national 4-H champions is an old story with him. The full cooperation of parents and leaders in the county have played a big part in the program in Hall County.

Guill Elected

(Continued from Page 1) and 79 of the 261 cast in Memphis 1.

Latest district returns: Ben Guill—8,151. Altavene Clark—6,264. Blake Timmons—5,698. Walter Rogers—5,163. LeRoy LaMaster—3,793. Ronald Davis—2,577. E. T. Burk—2,440. Talma L. Smith—1,044. W. T. Pickle—434. Wody Montgomery—174. H. J. Bice—107.

The four leading Democratic candidates—Mrs. Altavene, Clark, Rogers, Timmons and LaMaster—have already indicated that they will seek the Democratic nomination in the July primary. Davis was in Memphis Monday but said he has not yet decided whether or not he will run in the primary.

The winner of this race will face Guill in the November general election. **BENJY ESTES TO OPERATE FUNERAL HOME IN CALIF.** Mr. and Mrs. Benjy Estes and children, who have resided in Amarillo for the past several months, recently moved to San Fernando, Calif., where Mr. Estes will operate a funeral home. Mr. and Mrs. Estes and family visited here last week with his mother, Mrs. H. B. Estes, prior to going to California.

Negro Baseball Tilts Scheduled Tonight, Friday

Weather permitting, Memphis will have a chance to see some top-notch baseball tonight and Friday when two Negro teams, the Magic City Stars and the Wichita Falls Black Spudgers, will play exhibition games at Estes Park.

The Magic City Stars play out of Minot, North Dakota. They have toured the nation playing exhibition tilts and are widely recognized as one of the top Negro professional clubs. They won the Indian Head Tournament in Canada last year.

The Wichita Falls Black Spudgers are well-known in this area for their ability on the diamond.

An added attraction to the games will be the performance of "Little" Sammy Workman. Although he has no arms or legs, he is an expert on the baseball field. He hits the ball and runs the bases.

Both games are scheduled to begin at 8 p. m.

Business Education

(Continued from page 1)

Farmer and Supt. Davis said Business-Education Day promises to become an annual event here because of the high interest shown by both students and businessmen.

A list of firms cooperating in Business-Education Day this year: First State Bank, Popular Dry Goods Company, United Gas Corporation, Tarver's, First National Bank, Ross & Lemons, Greene Dry Goods Company, Western Cottonoil Company, Baldwin Variety Store, Potts Chevrolet Company, Harrison Hardware Company, W. H. Monzingo and Lemons Furniture Company.

Kinard-Lackey Agency, Frozen Food Lockers, Lion Auto Store, Palace Theater, West Texas Utilities Company, Hughs Battery & Electric Company, F. E. Monzingo, Wood Brothers Market and Grocery, Southwestern Associated Telephone Company, Memphis Tire and Supply Company and Memphis Steam Laundry.

R. H. Wherry Jewelry & Variety Store, Beeson Dry Cleaners, Memphis Grocery, Foote & Fowler Drug Co., J. C. Penney Company, Southside Grocery, Memphis Drug Company, The Fair Store, Valance Grocery, Hickey Motor Company and Cameron Lumber Company.

Cleora Smith Lumber Company, Rice Motor Company, Piggly Wiggly Grocery, C. & F. Grocery, Lawrence Hatchery, Ayers Furniture Company, Raymond Ballew, First Methodist Church, First Baptist Church, First Christian Church, Church of Christ, Sisk Buick Company, Memphis Lumber Company, Memphis Compress Company and Hall County Electric Co-op.

Said's, Star Grocery, Fort Worth and Denver City Railway Co., McDaniel Implement Co., Harrison Hardware Co., John Deere Farm Equipment and Foxhall Motor Co.

No Drivers

(Continued from Page One) Wednesday, May 17.

"Although this is my regular date to be here, I will be working in Wellington Wednesday," he said.

Patterson said this change was for the coming Wednesday only and that he will be in Memphis on that day in the future.

Dryden Warns

(Continued from page 1)

"We will have to more than haul off all the empty cans if we want to clean up Memphis," he said. "We have to get rid of all the other unsanitary conditions which have existed for so long here."

Dr. Dryden and Wendell Harrison, co-chairmen of the drive, asked the full co-operation of the Lions Club in the campaign now underway.

They pointed out that it is up to every citizen of Memphis to participate in this drive and to clean up dangerous areas around the homes, alleys and vacant lots.

The situation in the alleys came in for some serious discussion when it was pointed out that an engineer who was in Memphis recently on a survey described them as "the worst he has seen anywhere in the state."

In regard to the keeping of livestock within the city limits, Police Commissioner J. J. Bice told the Lions that there is a city ordinance forbidding this practice.

Although most of the talk Wednesday night centered on the clean-up phase of the drive, it was pointed out that all residents should also cooperate in the fix-up and paint-up work around their homes.

Harrison pointed out Wednesday that the city has a dump ground and that all persons should take their trash and rubbish to this location for disposal.

This dump ground is located on the east side of the airport property and can be reached by following the road past the Fairview Cemetery. The entrance to the dump grounds is on the right hand side of the road and can be easily recognized, he said.

"Clean-up, Paint-up and Fix-up Month" is being carried on in Memphis through June 1. Although Chamber of Commerce sponsored, practically all the civic and service organizations have pledged their support.

Last Rites

(Continued from page 1) her Amarillo home Friday morning. She was 70 years of age.

Rev. Roy Shahan conducted the last rites. Burial was in Fairview Cemetery under the direction of Murphy-Spicer Funeral Directors.

Mrs. Jeffries was born on Feb. 29, 1880, at Cherokee, Ala. She moved to Hunt County with her parents in 1897 and married to Armerst Duncan there in 1899. He died in 1903.

She married Walter Jones in 1906. He passed away in Hunt County in 1922 and she moved to Hall County in 1937. She was united in marriage to J. H. Jeffries that year and the family moved to Amarillo in 1944. Jeffries died in 1944.

Mrs. Jeffries had been a member of the Baptist Church since early childhood and was an active member of the Central Baptist Church in Amarillo at the time of her death.

She is survived by two daughters, Mrs. Ted Williams, Amarillo, and Mrs. Lee Zarecky, Fairmont, Calif.

Four sons survive: Robert Duncan, Memphis; Roy Jones and Joe Jones, Amarillo, and Clyde Jones, Clovis, New Mexico.

A sister, Mrs. Ben Kelly, of Mangum, Okla., also survives.

Other survivors include 10 grandchildren and one great grandchild.

Three children preceded her in death.

Buddy Poppy Sales Day Is May 27

Mrs. E. W. Godfrey announced this week that the VFW Auxiliary will sell Buddy Poppies in Memphis on Saturday, May 17.

Mrs. Godfrey is chairman of the Auxiliary Buddy Poppy committee.

"These Buddy Poppies are made by disabled and aging veterans," she pointed out. "The funds collected from sales go to finance the local, state and national rehabilitation and service programs."

"It is only human that we tend to forget the tragedies of the past but as long as the human casualties of war remain with us, it is our sacred obligation to see that they do not remain in need," she said.

Further details of the Buddy Poppy sale will be announced next week.

Tech Official

(Continued from Page 1)

"Things are happening so fast today that we are often confused and our thoughts might compare to the pendulums of clocks swinging in different arcs and speeds," Dr. Jones told the members and guests gathered at the high school cafeteria.

"The swing of the pendulum slowed down in 1918 and again in 1931 when Hitler came into power," he observed. "Individualism slowed down almost to the stopping point then."

He warned that the danger of losing our freedom is upon us once more as the pendulum of thought swings toward killing individuality and shoves us toward the masses.

"This trend is not right," he asserted. "We lose our self-respect when we hold out our hand for what we don't deserve and sell out our heritage for a mess of pottage." If this trend is allowed to continue, we will compare to Russia where the individual does not exist in the near future.

"The time has come for people to look into the merits of men who serve in public offices, or respective of party lines, and vote for those men who will adhere to true American policies.

"Those things that submerge the individual are both unsound and unchristian," he concluded.

Mary Foreman served as toast-mistress and introduced Dr. Jones. The invocation was given by Hester Bownds.

Roselyn Williams, club president, gave the welcome and the response was made by R. C. Lemons.

Tom Way, Mrs. Robert Sexauer and Miss Laura Mai High-tower were also featured on the program.

A May Day theme was used to decorate the banquet tables.

Kulp Installed As VFW Commander Of Memphis Post

New officers for the Durrett-Brown Veterans of Foreign Wars Post here were installed Tuesday night.

Installation ceremonies were held at the VFW Hall.

Carl Kulp is new commander of the organization, replacing Bob Queener. Lynn Jones is senior vice-commander, a position previously held by Robert Bevers.

Milton Ellis was installed as junior vice-commander, replacing Noel Bruce.

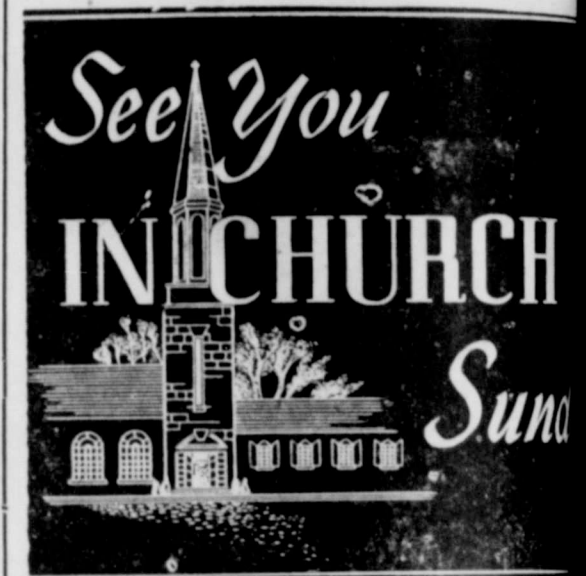

L. F. Jones is quartermaster and John McCauley is adjutant. Gene Noah formerly held the quartermaster post while McCauley replaced himself as adjutant.

The installation was held as part of the regular meeting of the post.

Local Firemen Win Awards At Hereford Meet

The Memphis Fire Department was well represented at the 32nd Semi-annual convention of the Panhandle Firemen's association held in Hereford on May 9.

The Memphis firemen carried away the first prize in water polo

What better pattern can we find in our people than that found in a firm faith? The finest characteristics of a mother is her great patience through any emergency—to accept all patiently help us to eliminate them. This faith is firmly nurtured by the Church bulwark of this civilization. Our mother Churches work hand in hand for a better Sunday join your friends by attending the your choice.

Atalantean Club Hears Book Review By Miss King

The Atalantean Club met in the home of Mrs. C. W. Kinslow on May 3. Mrs. H. J. Howell, president, presided over a short business meeting during which time Mrs. T. M. Isham, district convention delegate, gave a report. The club was also asked to cooperate with the clean-up campaign.

Mrs. Isham introduced Miss Imogene King who gave a most interesting book review, "Great Stories of Great Lives," by Herbert V. Prochnow. The book is a gallery of portraits from famous biographies. Among the great lives recalled were Alexander the Great, Abraham Lincoln, Dr. Mayo, Mozart and Einstein.

Refreshments were served to Mmes. Bill Cosby, W. C. Dickey, H. B. Estes, Henry Foster, H. J. Howell, T. M. Isham, Claud Johnson, C. W. Kinslow, Ed Monzingro, J. H. Morris, D. A. Neeley, J. H. Norman, J. A. Odom, S. B. Pallmeyer, Myrtis Phelan, Robert Sexner, Edwin Smith, Robert Spicer, C. R. Webster, N. A. Hightower and Miss Imogene King.

Betty Jean Ewen Receives Master's Degree at SBTs

Mr. and Mrs. John Ewen of Plainview and Mrs. Sam Hamilton of Memphis were in Fort Worth last week where they attended the graduation exercises at Southwestern Baptist Theological Seminary. Miss Betty Jean Ewen, daughter of Mr. and Mrs. John Ewen and niece of Mrs. Hamilton, received her master's degree in religious education at the exercises held on Friday morning at 9:30. Miss Ewen will teach in the Seminary this summer.

Mr. and Mrs. Ewen and Mrs. Hamilton also visited with other relatives in Ft. Worth, Dallas and Wichita Falls while in that vicinity. They returned home Saturday and were accompanied by Mrs. Olive McClain of Fort Worth. Mrs. McClain is visiting in Plainview this week but plans to return to Memphis for a visit before returning home.

Miss Sue Hall Entertains With Slumber Party

Miss Sue Hall entertained with a birthday supper and slumber party on Friday night, May 5. The occasion was to celebrate Sue's 14th birthday anniversary. Enjoying this affair were Wanda Kennard, Jan Clayton, Earline Foster, Katrina Nabers, Billye Hartsell and Shellah Killian.

ROYALTY IN REVIEW—Her Majesty Audrey Beth Burnett reigned over the West Ward festivities at the high school gymnasium May 1. Audrey Beth was Queen of the May Day celebration which was put on by the ward school students. She is shown here being escorted from the coronation ceremonies by King Daryl Long. Wanda Jouett and Mary Lee Melton are train bearers and Eddie Bush is crown bearer. Flower girls shown are Rita Jane Hankins and Leslie Helm. (Photo by Wise)

Estelline Junior Class Fetes Seniors With Annual Formal Banquet Friday

The Junior Class and sponsor, Mrs. L. J. Simmons, entertained to honor the graduating class of Estelline High school with a formal banquet on Friday evening, May 5, at the Stork Club, which had been transplanted to the basement of the First Methodist Church.

Lavish and beautiful decorations for the room featured shades of blue. The star studded sky was veiled with suspended multicolored balloons. The banquet tables were most artistically arranged with cut flowers and lighted tapers. Places were marked by program booklets with Stork Club covers. Favors were top hats filled with peanuts.

Eighty-five persons including the junior and senior classes, members of the school board and their wives, faculty members and wives, ministers and wives and those on the program enjoyed the delicious menu which consisted of fruit cocktail, pineapple salad, fried chicken, potatoes and peas, gravy, pickles, olives, hot rolls, cherry pie, ice cream and pink fruit punch.

Don Davis, president of the class, acted as toastmaster and gave the welcome address. The response was made by the president of the senior class, Clifton Smith.

To add a touch of humor, Jim Moore presented each senior with a toy and read an appropriate verse with each. Musical numbers were vocal solo and duet by Mrs. C. E. Wilkinson and R. H. Evans accompanied by Mrs. C. L. Sloan.

Rev. Roy Shahan, pastor of the Baptist Church of Memphis, was the principal speaker for the evening. He spoke on "Dare to be a Daniel." The invocation was given by Rev. A. W. Cooper and the benediction by Rev. W. B. Greene. Parents of the junior class furnished and prepared the food.

Mrs. Clare Lane Montell, daughter of Mrs. E. E. Lane, left Friday via T. W. A. airlines for her home in Fresno, Calif., after an extended visit here. Mrs. Lane and Mrs. Gene Lindsey accompanied her to Amarillo airport.

'Federation Day' Is Program Topic At 1913 Study Club

"Federation Day" was the topic under discussion when the 1913 Study Club met in the home of Mrs. M. G. Tarver on Wednesday afternoon, May 3.

Members answered roll call with "My Impression of the Convention" and the delegates report was given by Mrs. E. M. Wilson.

During the tea hour, refreshments were served to Mmes. B. Baldwin, Geo. Craft, L. G. DeBerry, H. A. Finch, A. L. Gailey, T. M. Harrison, D. L. C. Kinard, Gene Lindsey, Boyd Rogers, E. M. Wilson, Brown Smith, Miss Neville Wren and hostess, Mrs. Tarver. One guest, Mrs. T. A. Hunt was present.

The next meeting is scheduled for May 13 in the home of Mrs. Tarver. Installation of officers will be featured at this meeting.

Wesleyan Class Meets in Home of Mrs. Mitchell

The Daughters of the Wesleyan Sunday School Class met Thursday, May 4, in the home of Mrs. Jess Mitchell. Mrs. J. L. Barnes was co-hostess.

Mrs. W. A. Thompson conducted the Bible Study and following the study a social hour was enjoyed. Tasty refreshments were served to Mmes. Chas. Webster, Sid Baker, Louie Goffinet, Myrtis Phelan, Frank Wright, Bess Crump, Brice Webster, O. M. Gunstream, D. A. Neely, G. M. Duren and W. A. Thompson.

ed to add variety to the program. Mrs. Harrison extends a cordial invitation to the public to attend.

Blue Bonnet Club Meets Friday In Combs Home

Mrs. Herschel Combs, 613 South Seventh, entertained members of the Blue Bonnet Needle Club on Friday afternoon, May 5.

Pleasant conversation and various types of needle work entertained throughout the party hours. Mrs. Tommie Potts, president, also conducted a short business session.

Salisbury Sewing Club Meets With Mrs. L. I. Davis

Mrs. L. I. Davis, assisted by Mrs. W. B. McQueen, entertained members of the Salisbury Sewing Club on Tuesday afternoon, May 2. The afternoon was spent quilting and piecing quilts.

After a short business session, refreshments were served to the following members: Mmes. Ernest Lee, Erwin McQueen, Cecil Lockhart, D. W. Lawrence, D. C. Messick, Ira McQueen, J. R. Mitchell, J. W. Nichols, Ida Hutcherson, Felix Jerrell, W. B. McQueen, M. P. Moore, T. K. Wilton, Geo. Bass, Wayne Hutcherson, Lowery McQueen, C. F. Stout and L. I. Davis.

The next meeting is slated for June in the home of Mrs. Ernest Lee.

Mrs. Harrison's Pupils To Give Recital Sunday

Mrs. T. M. Harrison will present her Speech Arts students in a spring recital Sunday afternoon, May 14, at 3:30 o'clock in the Baptist Church. An entertaining program will be presented and costume reading, dialogues and plays will be featured.

Memphis Senior Girls Named Honorees At Seated Tea Given By FHA Chapter

The Memphis Chapter of the Future Homemakers of America entertained with a seated tea honoring the senior girls of Memphis high school Wednesday afternoon, May 3, in the home economic room. Miss Patricia Alexander served as hostess for the chapter.

Dorothy Deaver and Billie Dell Martin were named special guests of honor.

Guests were received at the door by Patricia Alexander, Dorothy Deaver and Gloria Gosch. Marzie Lou Young presided at the register.

A brief program was given including vocal numbers by Leona Robertson and Beverly Snell, and a style show featuring cotton dresses. Models for the style show included Earline Foster, Cornelia Ann Bufkin, Edith Beckham, Beverly Snell, Gereta Graham, Ann Shankle, Anita Murphy, Vondia Blackmon, Billie Hartman, Tommy Roach, Betty Burnett, Lois Carpenter, Sue Wesson, Sylvia Lee Weddill, Joyce Akard, Jessie Hammons and Barbara Myers.

Piano music during the style show was furnished by Betty Jean Stewart, and by Beverly Snell during the tea hour. The tea table was laid with a lace cloth and a color scheme of white and green was noted in the refreshment service. White flowers were used throughout the entertaining rooms. Nell Messer presided at the punch service.

Other members of the house party included Eloise Branum, Peggy Smith, Alma Ruth Potter, Betty Beasley, Nadine Padgett, and Nina Drake.

Guests included Mrs. Weldon McCreary, Neville Wren, Jeannine Miller, Oleta Robertson, Billie Dell Martin, Joanna Davis, Barbara Castner, Barbara Bradley, Shirley Hale, Bobby Ferrel, Lillie Dean Beard, Mary Evans, Wanda Thompson, Gloria Harris, Patsy McCoy.

Jarrell, Ima Joyce Evans, Roddy Patton, Billie June Sturdevant, Nonnalie Ellis, Joyce McDaniel, Nina Sue Lee, Beth Murdock, Margaret Massey, Emma Lou McMaster, LaVerne Davis, Bobby Jean Ledbetter and Betty Kennon.

Mrs. Ward's Pupils To Give Recitals May 16 and May 18

Two recitals will be featured by pupils of Mrs. Conley aWrd during the week of May 14. Both programs will be held in the Presbyterian Church.

On Tuesday evening, May 16, pupils from the West Ward and Junior High Schools will appear in a recital. The program will begin at 8 o'clock.

High school pupils will be presented Thursday evening, May 18, at 8:00 o'clock. The public is cordially invited to attend both programs.

The following pupils will appear on the programs: Barry Phillips, Henry Foster, Judy Lemons, Alameda Gammage, Ouida Pearle Massey, Mary Crawford, Mattie Lou Copeland, Dorothy Jo Copeland, Lucy Montgomery, Michael Montgomery, Audrey Beth Burnett, Beverly McDaniel, Karen Edlins, Jerry McQueen, Betty Lemons, Don Cox, Linda Fields, Mary Alice Smith, Jan Mitchell, Elizabeth Grundy, Tom Way, Patsy Nell Combs, Shirley Dorcas Foster, Gene Gardenhire and Gloria Harris.

Mr. and Mrs. Taylor McCoy, Mrs. Ola Roberts and Mrs. Nealy McCoy of Clarksville spent Monday night with their nephew and cousin, L. O. McCoy and family. They were returning home after attending the funeral of Felix Andrews of Amarillo. Mr. Andrews was a brother to Mrs. Nealy McCoy.

not so precious as HEALTH...

The single pearl which Cleopatra dissolved and removed was valued at \$400,000. Now, cut in half, formed ear-rings for the statue of Venus.

Precious jewels may win admiration and even arouse envy. But most of us possess a treasure of far greater value . . . the gift of health. Guard this possession well, for it is, indeed, priceless. If illness threatens your treasure, turn promptly to a trusted physician. And when you have his prescription we hope you'll entrust its compounding to this "Reliable" pharmacy.

Durham's PRESCRIPTION PHARMACY

New '51 Kaiser On Display at Rice Motor Co.

The first 1951 Kaiser model to reach Memphis was placed on display here Wednesday in the showroom of Rice Motor Co.

E. E. Rice, head of the local dealership, said that the initial car to arrive from the factory at Willowrun, Mich., is a four-door sedan in sea-verde green color, and is equipped with over-drive.

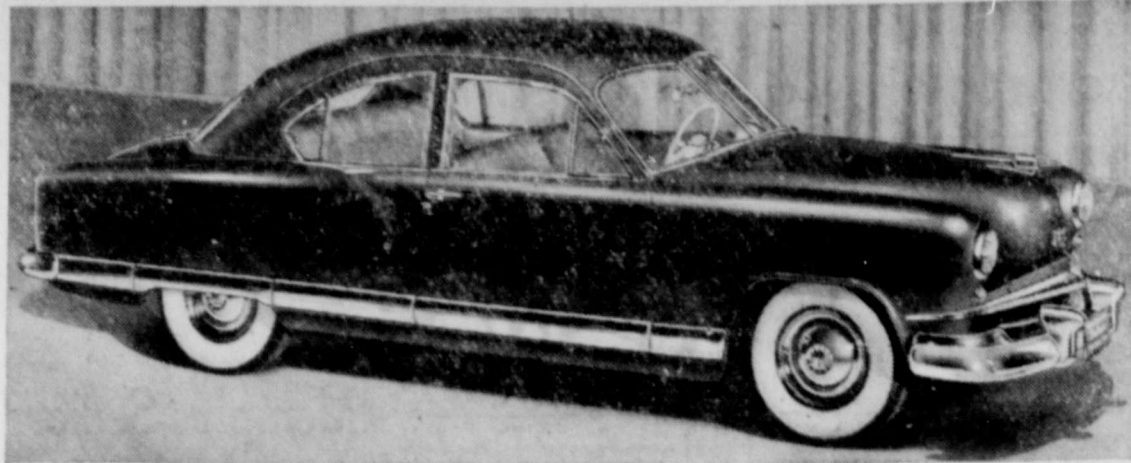

He said that other Kaiser models, including two-door sedans, business coupes, and Traveler utility cars, will arrive at a later date to complete the 1951 the series of 12 body types.

The popular-priced Kaisers comprise the second of three new 1951 lines of cars to be marketed this year by Kaiser-Frazer. The first was the medium-priced Frazer series, which was introduced

1951 KAISER ON DISPLAY at Rice Motor Co. in Memphis is the second of three complete new lines of K-F automobiles to be introduced this year. Shown above is the Kaiser two-door sedan, one of 12 body types in the popular priced series.

a month ago. The third line is the un-named low-priced model, which is due to arrive in dealer showrooms in July.

The K-F cars are the first 1951 models to be introduced by the auto industry.

The all-new Kaisers feature such industry "firsts" as a crash-absorbing padded panel across the full length of the dash; a "tuck-away" tire well in which the spare tire is recessed below the floor of the trunk; the largest safety glass area of any sedan, and advanced aerodynamic styling which is expected to establish a new trend in the auto industry.

The power plant is the new

Kaiser "Supersonic" high-compression engine which delivers 115-h. p. It will be available with conventional, overdrive or Hydra-Matic transmissions.

A well-balanced blending of body and chassis has given the new models exceptional headroom, legroom and ease of entry, without resort to depressed floor construction or other design compromises.

Unmistakable Continental styling touches are apparent in the Kaiser. They are evident in the "sweetheart curves" in the roof at the top centers of the windshield and rear window, and in the "gull-wing" dips which simulate rear fender lines.

There is a slight down-sweep to both front and rear fenders, with the overall flowing design theme carried out in the lines of the cascade back.

The 3,541-square-inch safety glass area, in addition to providing unmatched vision, also offers the advantages of aerodynamic design. The windshield sweeps back at a 51.5 degree angle presenting a total area of 1,096 square — by far the largest of any sedan.

The windshield posts, rigid structural members of the all-steel body, are set well back from the driver's lateral range of vision. Slimmest in the industry, the slender posts virtually eliminate a "blind spot" particularly hazardous in city driving.

Blending of chassis and body design has resulted in two "plus" performance factors. One is an unusually short turning radius which permits the driver to maneuver the car in a tight circle. The other is exceptional clearance provided for vertical travel or "jounce" of wheels when the car is driven over rough roads.

Mrs. R. F. Curry and Mrs. Sam Golsen visited Mr. and Mrs. George Greenhaw last Wednesday. Mrs. Curry and Mrs. Greenhaw are sisters.

You get only the best of service when you bring your car to Kermit Monzingo, your Chrysler Plymouth dealer. —Adv.

NAME ADDRESS

Motorcade Will Pass Through Memphis May 11

A Motorcade which will originate at Lamar, Colo., will pass through Memphis Thursday, May 11, en route to Ft. Worth.

The group of travelers will arrive here at 2:15 p. m. May 11 and will stay approximately 30 minutes, according to word received by Chamber of Commerce Manager Clifford Farmer.

The motorcade is part of a planned campaign by the Highway 287 organization to bring more publicity to this route from the Gulf Coast to the Northwest.

This trip will be highlighted by stops at all points along the route. They will be joined in Ft. Worth by a motorcade traveling up from Port Arthur and a special celebration is planned for this meeting.

Farmer said a group of Memphis' cars plans to meet the motor-

cade north of here and escort it into town.

The primary purpose of the Highway 287 group is to encourage tourist on this route. It is pointed out that this highway affords a route to year-round vacationing—on the coast in the winter and in the mountains in the summer.

Mrs. A. E. Pennington is visiting with her daughter, E. S. Byars for a few days.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 40 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

The 1951 Kaiser is here!

- America's newest car! America's most glamorous car! Triumph of Anatomic Design*

The 1951 Kaiser DeLuxe 4-door Sedan...one of 6 body styles and 12 models. Hydra-Matic Drive available in all models at extra cost.

one glance and you know it's the newest car in America! one mile behind the wheel and you'll want to own it!

*Anatomic Design... (Ana-TOM-ic)... is the newest, most advanced step in motor car making. It is the principle of engineering the anatomy of the car, every feature of the body and chassis, to suit the needs of human anatomy in a way never before achieved. It results in a car that is easier to control, more comfortable, safer for you and your family to ride in. And here it is... the first car in America built from roadline to roofline on the principle of Anatomic Design!

Like riding "outdoors"! Largest windshield, slimmest corner posts in any car... no "blind spots"!

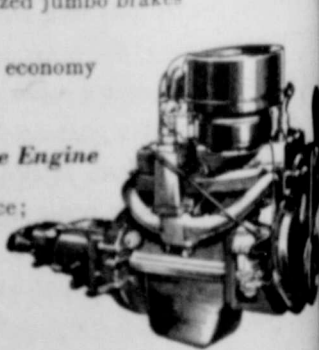

Most room ever! High-Bridge Doors offer new walk-in ease. Single-Roll Body provides extra wide, lounge-comfort seats, more head room and leg room.

Easiest ride on the road! A Level-Flight Ride... because exclusive spring suspension takes up road shock!

Here's super-safety! Lower center of gravity and Truline Centerpoint Steering let the '51 Kaiser take curves faster, safer! Oversized jumbo brakes make stopping surer, swifter!

Value that holds up! Years-ahead newness and economy of operation save you money and assure lasting protection for your investment.

New 115 h.p. Kaiser Supersonic High-Torque Engine gives you faster acceleration; less vibration with higher compression, quieter, smoother performance; more driving power per horsepower, lower gas and oil consumption.

Built to Better the Best on the Road!

Health Officer Gives Praise To Newspapers

A highly placed state official has given Texas newspapers a pat on the back.

State Health Officer Geo. W. Cox, veteran of more than 13 years as head of the State Department of Public Health, called the Texas press a "more potent force in mass public education," and said his department invariably turns in that direction as the first means of reaching the people with information on health subjects.

"Texas newspaper editors and reporters have consistently shown an awareness of public health problems and have given unstintingly of much valuable space to stories relating to public health," Cox said.

"I can define public health in three words—mass public education," the health officer said. "Without newspaper cooperation, such education is literally an unobtainable ideal."

Pointing out the custom of rural people to read their local weekly or semi-weekly thoroughly, Cox said he was especially happy that these papers used that and local health department releases.

"It's one of the most valuable services a paper can render its readership, but then maybe I'm a bit prejudiced," he observed.

Radio is an especially valuable outlet for information relating to venereal diseases, Cox indicated, because of the availability of professionally prepared recordings on the subject. More than 100 Texas stations have used the recordings during the past year.

On the same theme, Dr. Cox said well over 600,000 persons have seen the Department produced motion picture short subject "What's the Disease?" in which syphilis information is presented.

Commencement At Estelline High Will Be May 21

Lonnie Smith, former state representative, will speak at the commencement exercises at Estelline High School on May 26, Supt. O. C. Gregory announced this week.

The exercises will be held in the high school auditorium. Baccalaureate services will be conducted in the Estelline Baptist Church on May 21. Rev. A. W. Cooper will deliver the sermon.

Why just listen to reasons? COME SEE FOR YOURSELF!

THIS TIME we'd like to tell you about something that you cannot see in this picture—something, in fact, you cannot know about from looking at someone else in a passing Buick—or from viewing a Buick on our showroom floor. It's the feel you get from a Buick in motion. You are going to find out that it is something like traveling on your own private, jet-propelled cloud—only firmer. Maybe you know a stretch of washboard road, where you have to slow down, or bounce and jitter. Try that in a Buick and see how you keep a level, comfortable boulevard smoothness. Maybe you're always on edge to dodge dips and chuckholes. Those also lose most of their jolt when you're at the wheel of a Buick—or in the rear seat. In a few simple words—the ride of any Buick—SPECIAL, SUPER or ROADMASTER—is out of this world. We could give you a lot of reasons. Soft coil springs on all four wheels, for example—the firm linkage of the torque-tube drive—the distribution of weight—big soft tires on wide rims—the way Buick engines are mounted. Even Dynaflo Drive*—always silk-smooth and free of geared-drive harshness—plays its part in the marvelous Buick ride. But why simply listen to reasons? Experience is still the best teacher. Come see for yourself why the Buick ride is called "matchless"—and how little it costs to replace a jitterbuggy with one of these level-striding honeys.

Where ARE AMERICAN BABIES BORN?

In the past fifteen years, American babies born in hospitals has jumped from 37% to 85%—and 97 1/2% of all our babies are delivered by Doctors.

More and more mothers are receiving prenatal care, more babies are being born under hygienic hospital conditions, more babies placed under the Doctor's care during the first years.

This definitely saves lives and raises the level of health of mothers and their babies. Physicians, Dentists, scientists, hospitals and nurses are all concerned with making life healthier and happier for every mother and baby in America.

New Transmission Being Introduced By Studebaker

Studebaker dealers across the nation are receiving passenger cars equipped with the company's new fully automatic transmission, it was announced this week by Harold S. Vance, president.

W. H. Monzingo, local Studebaker dealer, has received one of the new transmissions as equipment in a car being used as a demonstrator at the agency in Memphis.

Offered as optional equipment at extra cost, the new unit will retail for \$190, plus excise tax.

Installation on a production basis culminate nearly 15 years of research and experimentation by the engineering staffs of Studebaker and Borg-Warner. The

transmission meets a long list of rigid requirements established by Studebaker technicians as far back as 1934, according to Stanwood W. Sparrow, vice president in charge of engineering.

The transmission provides a positive mechanical drive in high gear, thus preventing slippage and the consequent loss in economy that results from constant driving through a torque converter or fluid coupling, engineers state.

Other outstanding contributions to safe and effortless motoring include a no-creep device, a hill-holding feature, a lock-out to prevent the accidental engagement of reverse gear and parking lock while the car is moving forward, and downhill engine-braking comparable to that obtained in second gear in a conventional transmission.

Annoying car creep is overcome through the use of a valve which retains enough pressure on the rear brake lines to hold the car

FIGHTING FOR LIFE . . . Nurse Celia Stallings of Presbyterian hospital, Chicago, illustrates length of tiny Margaret Hinds, premature daughter of Mr. and Mrs. Paul Hinds. Fourteen days after birth, baby's weight dropped to 24 ounces. Now Margaret is a husky 30 ounces and winning fight for life.

Announcing STUDEBAKER AUTOMATIC DRIVE

Newest and most advanced of all automatic transmissions!

It's here today! America's first fully perfected "no clutch—no gearshift" driving! The achievement of years of research and development by Studebaker and Borg-Warner engineers—the revolutionary new Studebaker Automatic Drive!

Technicians will tell you that this Studebaker Automatic Drive is the ideal combination of a torque converter and direct mechanical drive.

But the way this amazing transmission works isn't half so important to most car owners as the certainty that it *does* work—superbly, smoothly and reliably!

Come in and try out this far advanced Studebaker Automatic Drive—without obligation—right away. It's extra cost—but it's the finest investment that anybody ever made in real motoring enjoyment!

W. H. MONZINGO MOTORS
614 Main Street STUDEBAKER SALES AND SERVICE Telephone

No clutch pedal, of course—and you're off from the start! No clutching—no de-clutching—no gear shifting. As car moves forward, the gas, steer and brake. Your Studebaker Automatic Drive—makes gear changes automatically, smoothly. You keep the pointer on the steering wheel in "drive" position most of the time. But when you want to stop, the engine will start only if you first set the selector lever at "park" or "neutral."

Childress Rodeo Boosters Plan Memphis Visit

The congressional campaign may be over, but the end of booster trips through the Panhandle is not yet in sight. Memphis will be visited by another hollering, horn-blowing, singing caravan Tuesday morning, as the boosters of the Second Annual Veterans Rodeo of Childress hit town.

The rodeo will be held at the Childress high school football field at 8 p.m. on the evenings of May 18-19 and 20, with over \$1500 in cash prizes awaiting the lucky amateur contestants.

E. J. Huddleston, former Esteline resident who is now commander of the Childress American Legion post, said five amateur events will be staged, saddle and bareback bronc riding, bulldogging, calf roping, and bull riding.

Added features will be a wild horse scramble on Saturday night, and a cowgirl sponsor contest each night.

A saddle valued at \$550 will be awarded to the winner of the sponsor contest. Seventy five per cent of the net proceeds will go to the high school athletic association, who have donated the use of the football field as the rodeo site.

The show is sponsored jointly by the Childress Legion and the Veterans of Foreign Wars posts.

after it is stopped even though the brake pedal has been released. When halted on an up-grade it is not even necessary to apply the brake as the car will not roll backward so long as the engine is running and the lever is in "D" position.

An important safety feature is a hydraulic device which prevents the operator from accidentally shifting into reverse gear at speeds above five miles per hour. Should a driver inadvertently move the lever to "R", the automobile will react the same as if he had put it in neutral. The same holds true for an accidental shift into parking position. When the car is stopped, "P" positioning of the lever locks the transmission output shaft to the transmission case, thus becoming a positive mechanical brake. It is possible to start the motor only when the shift lever is in "P" or "N" position.

Shifting into low for engine-braking on a steep downgrade is accomplished by manually moving the lever to "L". With the foot off the accelerator the shift can be made at any speed up to 40 miles per hour without discomfort to the passengers. "Rocking" the car out of snow, sand or mud, etc., is achieved simply by moving the control lever rapidly back and forth between low and reverse.

BRICE

Jess Scivelly was injured when a tractor over turned with him, but he has been brought home from the hospital and is reported to be not seriously hurt.

Mr. and Mrs. J. C. Johnson and children, Max and Judy, visited Sunday at Lubbock with her brother, Harry Hartzog and family.

Mr. and Mrs. Sam Lowry of Clarendon were Sunday evening dinner guests in the Starr Johnson home.

D. P. Osborn fished the past week end near Altus, Okla.

Relatives visiting in the C. V. Murff home Tuesday were Mrs. Florence Davis of Amarillo and Fount Kilgo of Tupelo, Miss.

MOVEMENTS AND FEEDING STUDIED BY TRAPPERS

Theories about feeding habits of deer are being challenged in findings by Fish and Oyster Commission trappers.

The old deer trappers reported that deer certain positions of were not borne out by according to the Wildlife Restoration. If deer were to their fed regardless of cold winds, high winds, and during rain or snow storms. It appeared that the deer congregated in arroyos, headers or on the lee side of hills and remained there until the weather changed. Low temperatures alone did not seem to keep them from feeding. If the wind blew hot or cold for several hours and slacked up for only a short period, the deer became very active.

In the mule deer trapping routine, it was learned that deer were attracted to the traps in several types of terrain. When inclement weather prevailed, traps located near the foot of hills were visited more often than those in the valleys. The deer did not object to the traps out in the open but seemed to prefer those near trees. A trap near public road was used very little and never regularly. Traps near watering places did not seem to have an advantage. After rains and during freezing weather, the traps up near the foot hills gained in popularity and several of the traps

near water were abandoned by deer after one deer was taken. Undesirable animals attracted by cottonseed cakt bait included peccary, turkeys, hogs, pack rats and even ants. As winter progressed and native food declined, the disturbance in traps became serious. On occasions, one-third to one-half of all traps set were thrown by raccoons alone. Collared peccary or javelinas became a serious pest and at times no less than one-fourth of all traps set were thrown by these animals.

The portable traps used to catch deer for transplanting are made of aluminum with plywood doors at each end of the single compartment which slide up and down in channels like windows. When the deer step on a buried box-like device in the center of the enclosure, a spring is released pulling wires that drop the sliding doors.

All deer are tagged in the ear with a metal numbered tag. The tag bears a notation that hunters bagging the game should notify the Game Commission. Trappers cut off the bucks' horns for the dual purpose of preventing them from injuring themselves or other deer while in transit and also to spare them from becoming a target of hunters immediately after release. By the time the buck gets on legal hunting ground with a new set of antlers, the scientists will be ready to record how far he traveled from the original releasing place, how long he lived, and other data vital to planned wildlife management.

REPLICA OF LIBERTY BELL WILL BE EXHIBITED HERE ON JUNE 7

The voice of American liberty and independence will ring out here on Wednesday, June 7. A bronze replica of the original Liberty Bell will visit Memphis on that date, to help promote the sale of United States Savings Bonds during the Independence Drive, May 15 through July 4, according to James F. Smith, Hall County Savings Bonds Chairman.

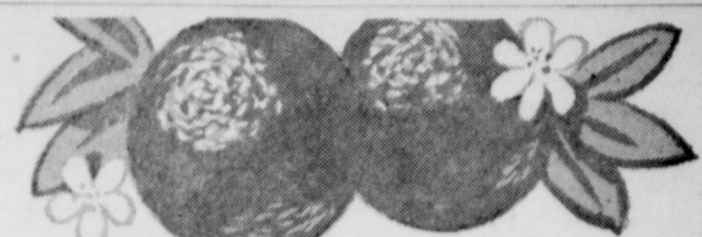

The bell will arrive here at 9:00 A. M. and depart at 11:00 A. M. While here it will be in charge of the county Savings Bonds Chairman and his committee, who are planning appropriate public ceremonies to mark the visit.

This county is one of 87 in Texas that will be visited by the bell, the chairman said. The bell will make its appearance in about 120 Texas cities and towns which represent 85 or 90 per cent of the state's population. The bell will start on its 5,000 mile tour following the state "kick off" of the Independence Drive in Fort Worth on May 16. The state quota for the drive is \$25,000,000 in Series E bonds. The slogan is "Save for YOUR Independence—Buy U. S. Savings Bonds."

The bell is an exact duplicate, except for the crack, of the original Liberty Bell which is preserved in Independence Hall at Philadelphia. The crack is simulated in the duplicate bell so that it will have the same "voice" that proclaimed liberty 174 years ago when this nation declared itself "free and independent." The bell will be rung during the ceremonies.

The bell is one of 49 that the copper industry is furnishing, as its contribution to the Independence Drive. One bell each will tour the 48 states and the District of Columbia during the seven weeks of the drive. Companies cooperating with the Treasury Department to make the bells possible are Anaconda Copper Mining Company, American Smelting & Refining Company, American Metal Company Ltd., Kennecott Copper Company, Miami Copper Company, and Phelps-Dodge Corporation.

Local Doctors Attend State Medical Meet

Texas physicians learned first hand the details of many new developments in specialized medical fields during the four day meeting of the State Medical Association of Texas, May 1-4 in Hotel Texas, Fort Worth.

Mrs. R. E. Clark, Dr. Edwin Goodall attended the convention from Memphis.

Twelve outstanding medical authorities from many states spoke at sessions of the meeting and will take part in clinical conferences and luncheons.

Newest instruments, drugs, and other medical supplies were on exhibit in commercial booths on the mezzanine floor and the fourteenth floor of the Texas Hotel.

Papers given by the guest speakers were varied enough to appeal

both to the general practitioner and specialist, according to Dr. G. V. Bndinley, of Temple, president of the association.

One of the highlights of the medical assembly was public meeting held Sunday, April 30th, at 8 p. m. in the Will Rogers Auditorium with Mr. Cecil Palmer of London, England, a publisher, author, and journalist as speaker.

ADVANCE-DESIGN TRUCKS

PAYLOAD LEADERS
Cost less to operate per ton per mile!

Right from the start, you can figure on more payloads because Chevrolet trucks take less time on the job... cost less to keep up. They reduce total trip time with extra high pulling power over a wide range of usable road speeds. Advance-Design construction saves you money on repairs. It all boils down to this: You can depend on Chevrolet trucks to deliver the goods at low cost per ton per mile. Stop in and see these new P-L trucks now on display.

FAR AHEAD WITH THESE PLUS FEATURES

- TWO GREAT VALVE-IN-HEAD ENGINES: the New 105-h.p. Load-Master and the Improved 92-h.p. Thrift-Master

Support Business-Education Day

Business-Education Day which will be held tomorrow is apparently one of the best projects the Chamber of Commerce will sponsor this year.

The event has met with whole-hearted approval of both school officials and businessmen. There is no real secret behind the fine way this activity has been accepted. It is the result of planning the event in such a way that every individual concerned can see its many merits.

Supt. W. C. Davis and Chamber of Commerce Manager Clifford Farmer have been hard at work to insure that Business-Education Day will be a success. They are confident that both students and businessmen will benefit by it.

Business-Education Day is planned to better acquaint our students and businessmen with the problems faced by each. It promises to become an annual affair which will be looked forward to by everyone concerned.

It is vitally important to our businessmen to sell Memphis to our youth. Many of these youngsters will be the city's leading citizens of tomorrow and the importance of acquainting them with the local problems and conditions is obvious.

And, on the other hand, all of us in business here need to understand the schools better. We are all concerned with the progress of our schools and will profit greatly from more personal interest in them.

As has been previously stated, Business-Education Day has all the makings of one of the most important and interesting events of the year.

Let's all give our full cooperation toward making this first Business-Education Day a complete success.

Did You Vote Saturday?

About 40 percent of Hall County's qualified voters went to the polls Saturday. By national standards this isn't so bad since only 30 percent of all American voters use that privilege.

But we can hardly use the existing national standards for a comparative figure. The apathy of American citizens toward their greatest individual duty and privilege certainly gives Democracy a "black eye."

It is no new ailment, this lack of interest in elections. But, in these difficult times, it has gained new emphasis.

Those of you in the 60 percent non-voting rank should remember this fact: YOUR FAILURE TO VOTE IN ELECTIONS IS ACTUALLY A SILENT VOTE AGAINST OUR FORM OF GOVERNMENT. IT ACTUALLY SIGNIFIES THAT YOU DO NOT APPROVE OF DEMOCRACY AS WE PRACTICE IT IN AMERICA.

The primary cause behind the fall of all great nations in the past has been a weakening from within. Those of you who fail to vote are certainly aiding this weakening in America. There is absolutely no excuse for this neglect of duty.

Are You Helping?

The clean-up drive in Memphis is gaining interest each day. It is the most extensive campaign of its kind held here in recent years.

The need for this drive has been obvious for a long time. It is now underway.

But the final results of "Clean-up, Fix-up and Paint-up Month" depend on each individual living here. It is a community affair and must have community support—complete community support if it is to be entirely successful.

HER DAY

Press Paragraphs— QUOTING OUR NEIGHBORS

Who Was Nicked?
President Truman thought it was best to veto the independent gas producer sponsored bill that would have kept a federal control agency off the necks of another enterprise. The northern people who are the gas producers' customers away from home urged and insisted they had rather have federal control, they say. They do not want to be nicked. They fear the gas producers would. Conclusion of ours is that people are being nicked by the federal government and don't know it. They have no defense against a federal agency. They can fight at a private owner or a combination of private owners. Now watch the federal agency step in and begin telling the boys where and when they can drill, where and when they will have to appear, where and when they'll collect. The story is they all fight against control and lose—and nobody wins what is lost.—Floyd County Hesperian.

Hate Hurts You!
Of all the torments that plague the human race the worst are envy and hate. The man or woman who gives over to envy, jealousy, and covetousness builds a private little hell to stew in. Hate does not hurt the one who is hated but it poisons the life of the hater.

In many a town, with its outward appearance of peace and harmony among neighbors, envy and hate behind closed doors and

drawn blinds have destroyed peace and have stopped progress. Where abide hate and envy there can be no peace, no co-operation, no progress, in the home, shop, church, or community.

Envy has been called a form of insanity. The mind that is warped by hatred of everyone who has more of wealth or fame is certainly not normal, let the psychiatrists define it as they will.

I used to know a sweet old lady who never had much of this world's goods but who was thankful for small blessings and radiantly happy about the good fortune of her friends. She had found the secret of the philosophers for happiness

although she would have been amazed to have been told so. I also have known young and handsome women, enjoying great advantages, who were miserable because friends had bigger automobiles, more and finer dresses, and bigger houses.

A chamber of commerce manager told me recently that he had to leave a good job in a nice town because his "hate list" got too long. This was not a list of people who hated him. It was a list of people whom he had allowed himself to come to hate.

An old politician, famous in Texas thirty years ago, once told me that "a man doesn't have time to hate more than three people actively at one time."
God pity the heart that harbors

"A penny burned is a penny earned"

Thrifty Gulf South housewives rely more and more on low-cost natural gas. Many started with gas cooking, then gas water heating. Today, thousands know the economy and convenience of gas refrigerators, gas-fueled clothes driers and adequate, automatic natural gas heating. These women are reaping dividends in time and money saved, while clean, efficient natural gas does the heavy work.

Natural Gas Service Is Vital

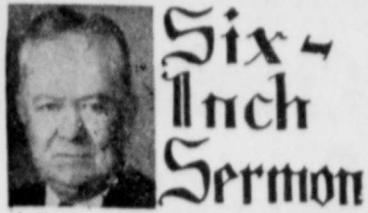

The gas industry is an important factor in the prosperity of the Gulf South. Through service to industry and commerce, it helps create payrolls that are the lifeblood of our economy. Gas company taxes help maintain state and local governments, build roads and support schools and other public institutions. Yes, if you live in the Gulf South, you benefit from natural gas.

Six-Inch Sermon

REV. ROBERT H. HARPER

Church Organization and Leadership

Acts 6: 1-6; 20: 17-18, 28; 1 Corinthians 12: 27-28

Memory Selection: II Timothy 2: 15

THE PRESENT LESSON shows the origin of church organization and leadership, a matter that Jesus left to the disciples.

Seven deacons were chosen (Acts 6: 1-6) to have charge of the temporal needs of the people.

Elders and bishops are mentioned (Acts 20: 17-18, 28), and it appears that they were the same.

Divergence of opinion as to the foregoing has brought about the several types of churches.

Let us realize that, in any kind of church organization, there is ample room for the service of men of diverse gifts, who make up the "body of Christ," in the kingdom of God.

are the hearts of good neighbors who will work together for a better town without envy and hate.

Why does a municipal government exist? Most of us take it for granted, but there are sound reasons for the organization of cities and city governments.

We have been soundly berated during the past few days for taking the position, editorially, that our City has an obligation to provide services (water, sewage, and fire protection) to a dozen families in the northwest corner of town.

The argument has been advanced that the City Commission has been fully justified in refusing to extend service to this neighborhood on the ground that the expenditure of city funds involved can't be justified by the revenue it will bring in.

If that is the basis for decision, then the City should abandon its whole water and sewage service. Both departments, according to the latest City Audit, lost money last year.

No one in his right mind is going to suggest such a step. Among the basic services which city governments in these United States are generally expected to provide are: police protection for property and person, fire protection for our homes and businesses, safe and dependable water supplies, and sanitary disposal of our

Local FHA Girls Attend Lubbock Show April 22

Five delegates of the Memphis Future Homemakers of America attended an engineering show at Lubbock April 22.

Delegates from Memphis were: Betty McWhorter, Bess Murdock, Wanda Sue Thomason, Betty Beasley and Evelyn Ritter.

The tournament began Wednesday and is being played at the Memphis Country Club.

He said the students have been divided into three flights: girls, boy beginners and boy championship. Some 61 boys have entered their two flights.

A medal will be presented to the winner in each flight and a certificate to the youngster finishing second, Coach York said.

Why else should we pay taxes to support a municipal government?

These are services, we maintain, to which all citizens are entitled . . . regardless of their wealth, their position in society, or their geographical location within the city limits.

We cannot force our citizens to take advantage of these services, but we are obligated to make them available to all who want them. Admittedly, it costs more to extend service to some sections of the city than to others.

The City exists for the benefit of its citizens. Our democratic principles say that those benefits should be available to all on an equal basis. We believe in democracy in practice as well as in principle. We're afraid the principles, as well as the practice, are being too often overlooked.

We don't know how to make our position any plainer than that.—Canadian Record.

WASHINGTON (Continued from page 6) ... with investments they have made in China which they stand to lose. ... When Senator McCarthy said the other day that former secretary of state George Marshall was "pathetic" and a "misfit," he probably cooked his goose insofar as the American people are concerned, for General Marshall is one of the best loved of our elder statesmen, and it is General Marshall's policy toward China which the state department is following. ... General Marshall, then U.S. chief of staff, was sent to China by former President Roosevelt. It was General Marshall's report to President Truman that led the President to decide against going all-out to stop Communism in China and against further military support of the Chinese Nationalist government in Formosa. ... Republicans see a chance in backing the Chinese Nationalist lobby to pin the loss of China onto the Truman administration, and they see in this blame a campaign issue, which may or may not be there, depending upon how the American people would regard the loss of thousands more of American lives and billions more of American dollars in comparison with stopping communism in China. ... American people can be assured that their state department is functioning and is manned by able leaders from many states in the union.

agrapghs— (Continued from page 6) ... the worms gnawing the Communities can be food, famine, and they cannot grow. ... "Dear Hearts People" reflects the same town that is someone who, no doubt

Raymond Ballew in Race for Sheriff Of Hall County

This week Raymond Ballew authorized The Memphis Democrat to announce his candidacy for the office of Sheriff of Hall County. His statement follows:

"To the Voters of Hall County: "According to the tabulations made from the cards that you folks have been sending in, you want me to run for Sheriff of Hall County by a ratio of about 2 to 1—and as I promised, I hereby place my name on the ticket subject to the Democratic primaries.

"In making this race, I want to assure you that I will make my campaign based on the promise that the people of Hall County are entitled to an honest and fair administration in their county law enforcement office and that, if elected, I will see that they get it.

"I have been a resident of Hall County for forty-eight years, and all of you folks know me, so I feel that introductory remarks here would be unnecessary. I do want all of you to know that I am making this campaign in the interest of good government, with fairness and justice to all.

"During the campaign, it is my intention to contact you personally if at all possible and to personally solicit your vote and support in this campaign. As I promised in my letter to the voters several weeks ago, I will attend candidate rallies and speak to the voters from the public platform if the candidates of the county hold rallies. If they do not hold rallies, I will equip a car with the necessary public address system and come to your community and make speeches on the vital subjects of this campaign. I believe that the voters have the right to know the questions that are before them at the ballot box and I propose to bring those ques-

RAYMOND BALLEW

tions to them, so that they can be fully acquainted with the facts before they go to the polls. In sending in the cards you have indicated, in most boxes, that you wanted to have rallies by a 2 to 1 ratio, and that is indication to me that you want me to come before you and tell you my platform and to discuss with you the issues in this campaign.

"All of you folks know that there are trying times ahead—that we are confronted with the threat of war—that we are facing national conditions and national issues that never before have confronted the American people. That is one of the major reasons

why we should have a fair and honest government at the local and county level so we can present a front of solidarity for right and justice when outside pressures are brought to bear.

"The heritage we leave is of vital importance to the future of our great nation, and it is imperative that we build a place of decency and security for our boys and girls. It is my belief that we should start in Hall County by setting up a fair and honest administration in the office of Sheriff.

"I will deeply appreciate your consideration of my candidacy for the office of Sheriff and soli-

Owls Drop Altus 10-2 In RRV League Sunday

The Memphis Owls cracked the Red River Valley League win column here Sunday, downing Altus 10-2 for an upset victory.

It was the first Owl victory in three starts and marked the initial loss for Altus in an equal number of games.

Douglas Yeates, an Oklahoma University student making his first appearance here, went the route for the Owls on the mound. Yeates gave up six hits, two in the second, two in the sixth and one each in the seventh and eighth frames. He struck out seven Altus batters.

Estes was charged with the loss. Memphis worked him for eight hits and eight runs before he was relieved in the eighth by Wear who gave up two hits and a pair of runs.

Ralph Carpenter was the biggest gun at the plate for the Owls. His batting barrage included a triple and a single.

Memphis scored two runs in the first inning, two in the fifth, four in the seventh and a pair in the eighth. Altus scored single tallies in the second and sixth.

Lesley Pruett, veteran Owl second sacker who was named player-manager Saturday night, pulled the most potent scoring punch of the afternoon when he tripled in the big seventh with the bases loaded.

Yeates opened the seventh inning romp by reaching first on an Altus error. He was then picked off going to second on Carpenter's fielder's choice. J. W. Coppedge walked, moving Carpenter on to third. Stewart then singled to fill the bases.

Kamphouse struck out and Pruitt followed him to bat, driving in the three Memphis runners. He came home on Edmonson's single. Gardenhire then singled and Kenneth Stonifer walked but Yeates went out, short to first, to retire the sides.

Altus contributed heavily to the one-sided score by making errors at crucial moments. They bungled five times with three of the mistakes playing a part in the scoring.

Crooks, Moore Place Second In State Meet

Memphis' two-man track team entry—Bobby Crooks and Pete Moore—finished in a seventh place tie at the 40th annual Texas high school track meet in Austin Saturday with 16 points.

Crooks ran second in the 440-yard dash for eight points and Moore was runner-up in the discus event to cop an equal number of points.

Brady won the Class A team title with 72½ points. Phillips placed highest among the Region 1 entries, collecting 24 points for fifth place.

Moore won his second place Friday in the discus event. He finished behind Samuelson of Brady who hurled the oval 157 feet, 10 inches to set a new record over the old mark of 150 feet, 6½ inches. Samuelson even beat the mark of the "big boys" in the AA competition. The best throw there was 149 feet, 1/10 inches.

Moore's distance was 138 feet, 10 inches.

Crooks lost a heart-breaking race to Tommy Moore of Phillips—the boy who outran him in regional competition—in the state finals Saturday. Crooks led the Phillips star all the way but lagged by inches when the tape was crossed. Moore's time was 50.9 seconds.

Crooks outdistanced the Phillips youngster in the Friday prelimi-

aries. He led the field on that day to chalk up the best preliminary time of 51 seconds flat. Moore finished fourth in that race.

However, the record of 50 seconds flat established by Crooks at Austin last year still stands.

Cyclone Coach Charles York, who accompanied his two performers to the state get-together, described this year's meet as the toughest he has ever witnessed. Six records fell in the Class A competition.

Jack Logan, Turkey regional champion hurdler, was the other Hall County entry in the state meet but he did not qualify for the finals.

Memphis Golfers Outpointed By Shamrock Team

Golfers from the Memphis Country Club lost their first match in the team competition being played by the two halves of an eight team division Sunday.

The Memphis liksters dropped their team match play to Shamrock, 47-19. However, the Memphis golfers led in matches played, 9-7. Shamrock was awarded the victory because Memphis did not have enough golfers on hand to compete against all their entries. Shamrock was awarded forfeit points for each of these matches.

This competition is part of a tournament being played by teams from Memphis and surrounding cities. Memphis, Childress, Shamrock and Quanah form the upper half while Altus, Vernon, Electra and Frederick are
