MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, JULY 6, 1950 SEVEN CENTS NUMBER 5

Insect Control Techniques Be Demonstrated On Tuesday

farmers can see the latest technique in insect control in two field demonstrations. The demonstration will be held on the Andy Collins farm, a short distance south of Memphis on Highway 287 near the oil mill. This demonstration is scheduled for 2 p. m.

Allan C. Guner, extension entomologist from Texas A. and M. College at College Station, will be in charge of the demonstration, Hooser said.

He pointed out that the Western Cottonoil Co. and all implement dealers in the county are cooperating in these demonstrations. The dealers will display the latest types of sprayers and dusters and this equipment will be used to show the latest technique that agricultural experts have worked out.

These demonstrations are being sponsored by the county agent's office through cooperation with the extension service.

"This is an excellent opportunity for the farmers of this county to study and see the latest methods in combating insects," Hooser said. "Since thousands of dollars of crop values are lost each year because of insects, it seems obvious that these demonstrations are important and should be of interest to the farmers and others interested in the agricultural development of the county."

Hooser stated that Guner is one of the state's top authorities on insect control and will offer many valuable ideas for the benefit of those attending the demonstrations. He pointed out that Guner will cover a complete list of insects that damage crops in this area.

He said everyone who is interested is cordially invited to attend either or both of the demonstrations.

FIRST COTTON BLOOMS ARE IN

Weldon Gable brought the first cotton blooms of 1950 to The Democrat office Monday.

Gable, whose farm is four miles north of Plaska, said he first noticed the blooms last week but had been delayed in bringing a stalk of his cotton to town. The two stalks he brought in had 24 squares.

He said these stalks were taken from cotton that was planted on April 18 and that they were from a patch of about 25 or 30 acres. The Plaska farmer said his crop looks very good at this time and he believes the prospects are good for most of the county.

Fire Department Names Officers For Coming Year

J. T. Clayton was re-elected chief of the Memphis Volunteer Fire Department at that organization's annual election meeting held Monday night at the City Hall.

R. L. Duncan was elected president of the department and John Dennis named vice-president. Both these men served in these offices during the past year.

Perry Hancock, son of Mr. and Mrs. Cecil Hancock, was named mascot of the department.

Other officers elected for the 1950-51 year include: Harry Aspger, first assistant chief and Lloyd Ward, second assistant chief.

Ben Moss was named secretary and Arlis McBee is the department's new assistant secretary.

O. R. (Doc) Saye will be captain of Company 1 and Cecil Hancock will lead Company 2.

Minister Bedford Smith, pastor of the First Christian Church, will serve the department as chaplain again this year.

Presbyterians To Have Picnic At City Park Tonight

Aiming for an evening of fun and fellowship, the First Presbyterian Church will hold a picnic at the City Park tonight at seven o'clock.

The women of each family will fix the food and the ice cream and drinks will be furnished.

(Continued on page 12)

WEATHER

General rains throughout the county continued to lead the weather news this week. Weather recorder John McMicken reported a total of 1.37 inches precipitation in Memphis during the past week. The heaviest downpour was early Wednesday morning when .74 inches were recorded.

Rainfall was recorded on five days during the past week and every indication points to July exceeding June's total precipitation which was 4.47 inches.

Daily temperature readings: Wed., July 5 63 and 82. Tues., July 4 57 and 82. Mon., July 3 70 and 92. Sun., July 2 64 and 90. Sat., July 1 64 and 98. Fri., June 30 63 and 88. Thurs., June 29 70 and 72.

Hall County farmers will realize a real gain by the cotton improvement groups which have been organized and which will make free classing service available again this year, County Agent W. B. Hooser said this week.

He said the county has been divided into four "one variety cotton groups" and that every farmer in the county will get free classing service.

"This represents a saving of about 25 cents per bale and it's not hard to see that this means a real saving for the farmers," he pointed out.

The four groups are those at Memphis, Turkey, Esteline and Lakeview. Applications have been filled out and will soon be mailed to the PMA cotton office at Altus, Okla.

Hooser said that each of these four groups has its own officers, representatives and samplers. In addition to the classing service, the farmers will also receive the market news service.

"Every gin in the county is working with this program and the market news bulletins will be sent to gins in the groups' areas where they will be displayed," Hooser stated.

This is the ninth year that Hall County has been completely registered for this service.

County Farmers Will Obtain Cotton Class Service Again in '50

Hall County farmers will realize a real gain by the cotton improvement groups which have been organized and which will make free classing service available again this year, County Agent W. B. Hooser said this week.

He said the county has been divided into four "one variety cotton groups" and that every farmer in the county will get free classing service.

"This represents a saving of about 25 cents per bale and it's not hard to see that this means a real saving for the farmers," he pointed out.

The four groups are those at Memphis, Turkey, Esteline and Lakeview. Applications have been filled out and will soon be mailed to the PMA cotton office at Altus, Okla.

Hooser said that each of these four groups has its own officers, representatives and samplers. In addition to the classing service, the farmers will also receive the market news service.

"Every gin in the county is working with this program and the market news bulletins will be sent to gins in the groups' areas where they will be displayed," Hooser stated.

This is the ninth year that Hall County has been completely registered for this service.

Dr. Stevenson Joins Clark Hospital Staff

Dr. Harold R. Stevenson, formerly of Dallas, has established residence in Memphis and will be associated with Dr. R. E. Clark in the general practice of medicine here, it was announced this week.

Dr. Stevenson is a graduate of Southwestern Medical School and TCU at Ft. Worth. He is a native of the Panhandle, having been reared at Canadian where he attended school.

He is married and has a six-month-old daughter, Susan. Mrs. Stevenson and Susan will join him here this week, the doctor said.

Dr. Stevenson was associated with the Baylor Hospital in Dallas before joining the staff at the Clark Hospital here.

MRS. DAVENPORT IMPROVING

Friends of Mrs. D. H. Davenport will be glad to hear that she is improving nicely in a local hospital following a fall from a moving automobile June 27.

Mrs. Davenport fell from the automobile when the door accidentally came open. She suffered two fractured ribs and a number of bruises.

Angus, Jerseys Expected Here Monday, July 17

The Aberdeen-Angus and Jersey cattle purchased two weeks ago from the Don Head Farms will be shipped from Ontario, Canada, Tuesday, C-C Manager Clifford Farmer said this week.

These cattle will probably arrive in Memphis on Sunday, July 16, and will be distributed to their owners on July 17.

W. Redelmeier, owner of the Don Head Farms, contacted Farmer this week to tell him the date set for the shipment. They have been ready for shipment for a week but Redelmeier waited to determine the outcome of the railroad strike.

Farmer pointed out that the exact time of the distribution of these cattle will be announced next week and that all persons interested will be invited to attend and see the stock.

"We believe they are some of the finest Angus and Jersey animals ever brought to this area," he said.

A bull and 10 heifers of Angus stock and six Canadian Jerseys are included in the shipment.

MRS. DAVENPORT IMPROVING

Donkey Baseball Game Will Be Held On July 14

The grand old American sport of baseball is in for a "kicking around" here July 14 when the Memphis Lions Club will sponsor a donkey ball game at Estes Park.

The game will start at 8:00 p. m. and all proceeds will go to the Boy Scouts, Lion President Homer Tucker said.

Donkeys for this game will be furnished by Marvin's Donkey Shows.

Tickets may be obtained from members of the Lions Club. Adult admission is 60 cents and children's tickets will sell for 30 cents.

COUNCIL VOTES TO GRANT NEW WATER FACILITIES FRANCHISE

The Memphis City Council voted Wednesday to grant a new water franchise to the Community Public Service Co.

This new franchise will be drawn up and submitted to the council for their approval in the

near future, it is understood.

Granting of this franchise on the water facilities here has been under discussion for some time by the council.

Following a lengthy discussion on the question, the following

motion was submitted to the council:

"That if the City is granted the concessions that were previously agreed to and including the fluoridization of the water that the Community Public Service Co. be granted a franchise with the city having a two year option to purchase the facilities at a price not to exceed \$350,000."

This motion was seconded and upon call for a vote five councilmen voted to renew the franchise. One voted against the motion and one abstained from the voting.

Prior to this vote, the council heard two engineers submit bids for surveying the water facilities and determining its value and one representative from a bond buying firm of Ft. Worth.

The two engineers, H. N. Roberts of Lubbock and Joe D. Ward of Wichita Falls, offered bids to the council to survey the Community Public Service Co. holdings in order that the city might set a purchase price.

Clarence Hendricks, the bond firm representative, presented a plan for the city to purchase the facilities through bonds issued in cooperation with his firm.

No action was taken on these proposals. The council had discussed hiring an engineer to evaluate the holdings at their May meeting.

This was the regular monthly meeting of the council which had been postponed from Tuesday because of the holiday.

C-C Directors To Hold Breakfast Meetings Monthly

The directors of the Memphis Chamber of Commerce and Hall County Board of Development held their first breakfast meeting this morning at 7 o'clock.

The directors laid plans for coming projects of the organization and spent considerable time discussing an association which is being formed in counties of this area to file priority claims to streams which empty into Oklahoma.

These claims will be filed in order to open the way for dam construction in this area should any of these streams be dammed in Oklahoma. It was pointed out that no dams could be built in Texas on these streams unless the claims are filed.

C-C Manager Clifford Farmer said that directors will hold these breakfasts in the future in place of the monthly night sessions. They are regularly scheduled for the first Thursday of each month.

Vice-president Wendell Harrison presided at the meeting.

EARLY SCOUTS—A reunion was held Sunday at the J. C. Wells home here for members of the Boy Scout troop at Hedley which was organized in 1913. It was the second oldest scout troop in the Panhandle. Members shown are (left to right): Roy Cornelius, Lubbock; Graham Brinson, Hedley; J. C. Wells, Memphis; Ralph Cornelius, Clarendon and Alvis Moreman, Alanreed. Mr. L. L. Cornelius, extreme right, was a troop committeeman for this early organization. (Photo by Orr)

EARLY PANHANDLE SCOUT TROOP HOLDS REUNION HERE ON SUNDAY

A page in the well-filled history of the Boy Scout organization was turned back 37 years here Sunday when members of the

second oldest troop in the Panhandle met for a reunion in the home of Mr. and Mrs. J. Claude Wells here.

Four members and a troop committeeman from that early organization were on hand for this first annual get-together. Mr. Wells, who was scoutmaster of the troop, said that more would have attended had they had sufficient notice of the meeting and planned their vacations accordingly.

"But the six of us had a wonderful day and we decided that the reunion will be an annual event with plenty of time given the members to plan to attend," he said. "The date for the 1951 meeting is set for the first Sunday in June."

Members of the troop attend (Continued on Page 12)

MRS. GEORGE MENGE

First Christian Revival To Have Special Services

A new revival service feature will be included in the services which begin at the First Christian Church July 18.

Mrs. George Menge, wife of the evangelist who will conduct the services, will give special religious dramatic readings at each of the services, according to Minister Bedford Smith, pastor of the church.

"Mrs. Menge is an outstanding dramatist and her readings will be entertaining and inspirational to all who attend the services," Minister Smith said.

This gospel revival will last from July 18 through July 30, Minister Smith said.

He pointed out that the revival will also feature song service and that special children's programs each morning.

These morning meetings for the youngsters will include candy scrambles, contests, moving pictures and Bible Drills, he said.

Further details on this revival will be announced next week.

GIRLS BEGIN SOFTBALL SEASON; CARDINALS WIN STREAK SNAPPED

Softball activity will increase this month during July with the addition of a girl's league and improved talent on the boys' teams now playing.

The girls opened their season Tuesday night at the City Park with the Bluebirds outscoring the Redbirds in a wild 18-12 fracas. Greta Graham, Ila Sue Collins, Donna Webb, Jo Ann Hart and Anita Murphy led the hitting for the winners while Della Jo Kennedy, Joanna Sue Smith, Peggy Evans, Barbara Edmonson paced the losers.

Director Ted Myers said the girls will play regular games for the remainder of the season and pointed out that the league is open for three more teams. Girls interested should contact Myers as soon as possible.

The next girl's game will be played Tuesday night and will probably be a rematch of the two 'Bird teams, Myers said.

The Boy's junior league will game Friday night will feature Don Ivy's Eagles against Jimmy Hill's Longhorns. This will be a battle of the "bottom edubs" since the Eagles are fourth and the Longhorns third in the four team circuit.

James Moss' Wildcats moved into second place in the league Friday night by drubbing the Eagles 14-4. Rodney Lewis, Jerry

Hill, James Moss and Cy Gibson led the winners while Bobby Mitchell and Ed Wright were heavy hitters for the Eagles.

The intermediate league is gaining momentum each week as the boys improve their ability and should feature some fast action for the remainder of the season.

Thursday night games in this circuit will put the Renegade's captained by Allan Pierce, against David Corley's Tornados. The Renegades will return for the night-cap tilt against Duane Miller's Cardinals.

The biggest surprise of the season was pulled Friday night when Donald Payne's Rebels snapped the 23-game win streak stacked up by Duane Miller's Cardinals in a tight 7-6 fracas.

The Cardinals were held in check most of the game by the outstanding hurling of Bobby Hanna who shut off the usual potent Cardinal attack with only five hits.

Hanna, Roddy Stargel and Wayne Saunders paced the winner's attack while Duane Miller Lee West and Chubby Cullin provided most of the Cardinal punch.

Other intermediate action last week saw the Rebels blast the Tornados 11-1 with Max Kennedy's hitting paving the way. Doyle Collins tallied the lone

Owls Hit Road Tonight Paducah Loop Tilt

The Owls return to the road for a game with Paducah and come away for a two-day excursion against a rugged Army Air Base

Leroy Kamphouse is slated to see hill duty against the Dill City club Friday night with Doc Pittman scheduled to handle the pitching in the first exhibition game with Sheppard Field Saturday night. However, Pruett said he might reverse the order on these two assignments.

Memphis will be at Estes Park Tuesday night to play host to the power-laden loop leaders from Hobart. Sunday's exhibition tilt with Sheppard Field will be an afternoon affair with starting time at 3 p. m. All other home games are night tilts and will begin at 8:30 p. m.

The league standing remained unchanged this week although Memphis did gain on second-place Dumas as a result of that club's dropping down in the percentage figures. Hobart continues to hold

an apparently unbreakable lead with 21 wins in 24 starts and an .876 average—almost .200 above Dumas.

Team	G	W	L	Pct.
Hobart	24	21	3	.876
Dumas	19	13	6	.684
MEMPHIS	24	15	9	.625
Mangum	23	12	11	.521
Wellington	22	9	13	.409
Paducah	24	8	16	.333
Altus	22	4	18	.182

Where They Play

THURSDAY—Wellington at Altus, Dumas at Mangum, MEMPHIS at Paducah.

SUNDAY—Mangum at Dumas, Wellington at Altus, Paducah at Hobart. (Memphis has no league game but will play Sheppard Field here in an exhibition tilt.)

TUESDAY—Mangum at Altus, Hobart at MEMPHIS, Wellington at Dumas.

Owls Blank Dill City Here 6-0

The Memphis Owls placed their hits for effective results and took advantage of some will hurling spurts Saturday night to blank Dill City 6-0 in an exhibition tilt at Estes Park.

Doc Pittman, Owl hurler of last year, made an impressive return to the Memphis roster by tossing the shut-out. Pittman, gave up three hits, struck out 12 batters and walked four.

It was a close game, one which cannot be explained by the score alone. For the Owls actually fared no better at the offerings of Dill City moundsman Minert than did the visitors at Pittman's hurling. The Owls collected only

three hits but the 10 walks Minert allowed made the difference.

The Owls pushed over two runs in the initial frame without registering a hit. Farmer opened the spree by gaining first on a walk and going around on a Dill City error. McKay then walked. Williamson reached base on a fielder's choice and Dlugokecki and Stonecipher were issued passes before the inning ended with Stonecipher going out, shortstop to second.

Williamson set up the third run in the third when he cracked out a triple and came home in a flurry of activity that saw Dlugokecki walk, Pruett fly out to third, Stonecipher go down, pitcher to first, and Pittman strike out.

The big inning for Memphis was the fifth. Williamson, Dlugokecki and Pruett all scored although Dlugokecki got the only hit.

The nearest Dill City came to bringing in a run was in the fifth. With two away Minert walked, Reeder got on via the gratis route and Franz singled to push Minert to third. But Austin went out on a fly to Broden to end the threat.

VET PROBLEMS AND ANSWERS

Q. I am the stepmother of a World War II veteran who was killed in action. He was in my care and custody prior to his entrance into service. May I file a claim for compensation?

A. Yes.

Q. My brother, an honorably discharged World War I veteran, was buried in Potter's Field because his estranged wife was not interested where he was buried. What procedure must be followed to have buried in a National Cemetery and will VA pay the expense?

A. Application for burial should be made to the superintendent of the National Cemetery where burial is desired. Upon application to VA an amount may be allowed, it being assumed that no allowance has heretofore been made by VA for burial purposes.

Q. I have been receiving compensation from VA and \$21 additional for a dependent wife. She has now gotten herself a job and is earning a fair salary. May I still claim her as a dependent?

A. The additional compensation provided on account of wife or child to veterans having a disability of 50 per cent or more is not based on dependency but solely on relationship.

Q. I married shortly after I was discharged in World War I, but my wife left me after a few months without reason. Can she obtain part of my total disability pension?

A. If the separation was without any fault on your part and

WBAP, Ft. Worth

You never saw such a sudden enthusiasm over anything since the yo-yo.

We're talking about the re-seeding crimson clover that has done so well in southeastern states and now is being tried out in East Texas.

In fact, it has already done so well in East Texas that it is being tried out in north central Texas, but it is felt that maybe things are too dry around here. We'll know pretty soon.

The Tennessee Coal, Iron and Railroad Company of Birmingham has done a lot to promote it over the southeastern states.

The Houston Farm and Ranch Club has been promoting it in Texas, starting from some demonstration plantings in Nacogdoches.

You can establish that fact, the regulations governing apportionment will preclude an allowance of such apportionment to her.

Has the Experience!
A Blacktop Road To Every Farm Home

The passing week of R. E. Dick-

The Longview National Bank has published a leaflet telling of the wonders of this new plant, and there is a seed association started in Gregg county.

It sounds like it might become as popular eventually as hairy vetch.

The clover is good for pasture, seed crop, re-seeding itself, rotation with other crops, and soil erosion control. And it's mighty pretty.

Naturally, the war would break out in a place where there is hunger. It nearly always does.

It might have started in Germany as a lot of observers thought it would a few weeks ago. Instead, it was Korea where there are many problems of feeding the people.

There is a connection between appetite and aggression.

son, longtime superintendent of the Spur Experiment Station, was a jolt to thousands of southwestern people who came to know and respect him as a great leader in soil work and in crop development on the south plains.

He will long be remembered as the man who made the water "walk" instead of running down hill. He even dried up a natural swimming hole near Spur by putting cover crops and terraces on a sloping terrain, which has been the water shed for that pool. Almost equally his soil fame is his regional renown as a story teller. He could spin some corks. Dickson was not old, just 61, but never quite got over the loss of his only son in the war. Parents in similar situations seldom do but this was a severe blow to Dickson and about a year ago his health began to fail.

If we can put insecticide in the soil and thus raise bugles;

vegetables, how about patch, whipped cream in berry beds? We might farther and feed much lie to beef cattle, and tuce with a built-in cheese flavor.

One of your most important insurance hangs on your pharmacist's wall

THE NEXT TIME you visit your pharmacy, take a good look at the certificate that hangs on the wall...

This is your State's way of assuring you that the pharmacist is not only professionally trained, but that he has completed a State Board examination, and is qualified by law to give you the best medical care.

Your pharmacist knows thousands of different drugs, their dosage, usage and properties. He has the scientific ability to compound them into the medicines your doctor prescribes. Like your doctor, he keeps abreast of the latest medical developments, and the constant improvements in pharmaceuticals and practices.

His professional training is reflected, too, in the wide specialized merchandise he carries in his store. For here you find the baby needs, the sickroom supplies, and all the other things you need to make up your everyday health requirements. His store is a center of professional service in his community.

Monzingo Home Honors Gosch, Bride-Elect

Lee Brown; Misses Laura Mai Hightower and Mary Foreman.

The Wilson-Gosch wedding is scheduled to take place at 7 o'clock in the First Baptist Church of San Saba. Miss Gosch is the daughter of Mrs. Clarence G. Gosch of San Saba while Mr. Wilson is the son of Mr. and Mrs. W. B. Wilson Sr., of Memphis. Miss Gosch has served as head of the Home Economics Department of the local high school for the past two years.

Locals and Personals

Mr. and Mrs. M. C. Allen and son Mackie and daughter Barbara left Monday on an extended vacation trip. They plan to go from here to Denver, Colo., and then on to Yellow Stone National Park. Later they will return to Gunnison, Colo., where they will spend several weeks.

Mrs. W. H. Moreman, Mrs. Chas. Drake, Mrs. A. B. Jones and Mr. and Mrs. Otis Jones visited Sunday in Pampa with Ernie Jones and also with Mrs. E. B. Palmer of White Deer who recently celebrated her 99th birthday. Mrs. Palmer formerly lived in Memphis.

Mr. and Mrs. Paul Brewer and daughter Glenda of Wellington, visited here Sunday with their relatives, Mr. and Mrs. L. W. McClure, Mr. and Mrs. Rudolph Miller and Mr. and Mrs. Herschel Combs.

Mr. and Mrs. Obed Foote of Plainview are visiting here this week with his brother, W. C. Foote Jr., and family. The Obed Footes are former Memphis residents.

Mr. and Mrs. L. O. McCoy, Mrs. Roxie McCoy and two granddaughters Sharon and Charlotte spent Sunday in Lockney visiting with Mr. and Mrs. Bob Morris.

ENGAGEMENT TOLD—Mr. and Mrs. M. N. Orr of Plaska announce the engagement and approaching marriage of their daughter, LaVerne, to Cecil C. Heith of Big Spring. The wedding will take place at the Peden Memorial Baptist Church, Plaska, July 30. A cordial invitation is extended friends to attend the wedding.

Reunion is Held By Byars Family

Members of the Byars family met in Clarendon on Monday, July 2, for a family reunion. The affair was held in the home of Mr. and Mrs. Luther Byars.

Each family brought a basket lunch and a bountiful meal was served buffet style at the noon hour.

Those present were Mrs. Betty Kennard, Mr. and Mrs. Cody Taylor and children of Los Angeles, Mr. and Mrs. E. E. White, Mr. and Mrs. Chas. Rensson and daughter of Denver, Mrs. W. R. Byars of Grandview, Phillip Bynum, Mr. and Mrs. Frank Berry and daughter Jean, Mr. and Mrs. Fern Berry, all of Pampa.

Also Mr. and Mrs. M. M. Kennard, Mr. and Mrs. M. D. Kennard and children, Mr. and Mrs. E. S. Byars and children, Mr. and Mrs. V. G. Byars and Kent, all of Lakeview, Mrs. Roy Young and girls and Mrs. Kate Byars, all of Memphis, Mr. and Mrs. J. B. Byars and children of Lakeview, Mr. and Mrs. Frank Bobcock and children of Groome and Rev. and Mrs. M. Y. Tucker of Lakeview.

Mrs. Bob Tiner Honors Husband, Mother At Dinner

Mrs. Bob Tiner honored her mother, Mrs. M. N. Orr and her husband, Bob Tiner, with a birthday dinner Sunday, July 2. The affair was held at the Tiner home, 416 South Seventh.

Those enjoying the dinner were Dr. and Mrs. J. M. Orr and daughter, Lynda Ann and Jane of Wellington, Mr. and Mrs. Arvin Orr and children, Cloyce Roy and Carlyn Sue of Plaska, Mr. and

Locals and Personals

Mr. and Mrs. Otho Fitzjarrald and daughter Kathryn of Amarillo spent the July 4th holidays here with their parents, Mr. and Mrs. R. H. Wherry and Dr. and Mrs. J. W. Fitzjarrald.

Orville Goodpasture visited in Dallas over the week end with his brother, Henry Goodpasture and family.

Mrs. Clifton Burnett and Mr. and Mrs. John Burnett left Saturday on a vacation trip. Mr. and Mrs. Burnett will visit relatives in Dallas while Mrs. Clifton Burnett will go to Ardmore to visit her parents, Mr. and Mrs. Claude Betts.

Mrs. Reba Stroehle and daughter, Billie Jean, returned home Thursday following an extended tour through the northeastern states and Canada. Accompanying them on the trip were Mrs. T. A. Pausel and son, Lee Allen, of Fort Worth.

Mr. and Mrs. J. M. Long of Snyder visited Wednesday in the home of Mr. and Mrs. Edd Todd. Mrs. Long is Mrs. Todd's sister.

Week end guests in the home of Mr. and Mrs. Bill Miller were Mr. and Mrs. Jessie James and daughters of Tyler.

Mr. and Mrs. Eugene Mowrey and children have returned to their home in Fresno, Calif., after visiting here in the home of Mr. and Mrs. O. R. Saye. Another recent visitor in the Saye home was Mrs. Bertie Brightwell of Gainesville who came to visit Mrs. Grace Sewell, who resides with the Sayes.

Frank Smith, Don Monzingo and Douglas Barber, who are attending the summer session at East Texas State College, spent the holidays here with their parents.

Doris Kesterson, who has been visiting here for the past week

with her parents, Mr. and Mrs. A. G. Kesterson, left Tuesday for St. Louis where she is attending Harwell Medical School, studying to be an X-ray and laboratory technician.

Raymond Cullin and Miss Ernestine Simpson of Amarillo visited here July 4th with his parents, Mr. and Mrs. Geo. Cullin.

Mr. and Mrs. John McCauley and children visited in Seymour with relatives over the July 4th holidays.

Stitch and Clatter Club Meets With Mrs. Myrtle Butcher

The Stitch and Clatter Club of Estelline met Thursday afternoon, July 27, in the home of Mrs. Myrtle Butcher.

Members spent the afternoon doing various kinds of needle work.

Punch, cookies and nuts were served to Mes. Jessie Orcutt, Iva Richburg, Broxie Arrington, Jewel Marcum, L. B. Chaudoin, Edna Winkler, Corine Morrison, Gertrude Raley, Lillie Jones, Bea Gardenhire, and Eula Adams.

Two guests, Mrs. Alma Berryman and Mrs. Hattie Berryman, were also present.

The next meeting is slated for July 11 in the home of Mrs. Myrtle Darby.

Mrs. Baker Is Hostess To Needle Club

The Needle Craft Club met Tuesday at 3 p. m. in the home of Mrs. Morgan Baker. The meeting was called to order by Past President Mrs. Nat Bradley and the group did needle work for the hostess.

Punch and cake were served to the following members and guests: Mrs. Sidney Mayfield, J. J., and daughter, Carolyn, and Mrs. Sargent, guests, and Mes. Henry Newman, Nat Bradley, Sidney Mayfield, Marion Long, Albert Gerlach and the hostess, Mrs. Baker.

The next meeting will be held on July 21 with Mrs. J. M. Ferrel.

If your car needs any kind of body work, bring it to Kermit Monzingo, your Chrysler-Plymouth dealer. —Adv.

Brown Says:

Former News Editor Gives Capitol's Views on Korea

The following article written for The Democrat by Zeke Brown, former editor of this paper. Mr. Brown is now living in the Far East where he is employed by the government.

ZEKE SEZ
 (Zeke Brown, former editor of this paper, is now living in the Far East where he is employed by the government.)

The big Pentagon Building, where the war chiefs get together, was ablaze with activity all day Sunday and far into the night. Secretary of State Acheson hurried into town from his country house in Maryland. The story of how the United Nations got together Sunday was heard by everyone.

But, come Monday morning. The thousands of government workers hereabouts got up at the usual early hour (They have

daylight saving time here) and were at work by 8 a. m. in all government offices over town. Only a few mentioned the Korean War around the coffee cups during the morning. The excitement simmered fast Monday. Although all admit it is a grave situation, folks here Monday figured that General MacArthur will be allowed to handle the situation from Tokyo. No one here believes Russia is ready for an all-out shooting war as yet.

Some say this will be another like the civil war in Spain back before World War II but most folks believe Uncle Sam will put up a stiff front this time and save Korea from being over-run. (This was Monday.)

Some 8,000 Boy Scouts overran the Capitol here Monday. They are here from all over the U. S. They will camp at old Valley Forge, not far away, this time and spent all day Monday visiting the capital city, with first point being the Capitol building. A lot of them are from Texas, of course. There are thousands of out-of-town visitors here every day now, for that matter.

The writer of this column left Amarillo two weeks ago and drove across Arkansas, Tennessee and Virginia, to reach here in three days time. If you have never been across Tennessee, it would be a very interesting trip for you to make one of these days as you sure drive around thousands of curves, uphill and downhill. You will want to visit "The Hermitage," near Nashville, the old home of Andrew Jackson. We saw so many trees we will never again worry about lack of trees in the Texas Panhandle. When we got to the old "Natural Bridge" in Virginia, one of the seven wonders of the world, they wanted to charge us \$1.25 each just to see it, so we passed it up! We bought some postcard pictures of it to send back home.

When we reached Washington, we wandered around for two hours at midnight trying to find our destination. This is the darnedest town! They have circles that really get you confused. They are like snakes in a wagon wheel. The street leading out in every direction. But we finally got to bed about 2:30 a. m. and have managed to get down town and back every day since. You sure can't get anywhere around the Capitol though. After driving half an hour, we found an opening. As we started to back into the space a cop whistled at us, "that is reserved for the congressman's secretary," he said.

But we finally found a circular spot just in front of the Capitol where the cop said we could park since we were from out of town!

What a relief! We wandered into the Senate for a few minutes after walking all around the third floor before they would let us in. Lot of other seats were vacant but they were reserved for someone else!

We saw the Senate restaurant which had a sign "for senators only." But we asked a waiter if we could get service and he waved us in, without further ceremony, since it was about 5 in the afternoon and customers were few. They also like to get customers when the place is not overflowing with senators. The food was good except the rolls were cold! Good coffee, though.

We wandered into Congressman Ed Gossett's office. He is from Wichita Falls, you know, and is now our nearest Democrat! Ed Gossett is an outstanding congressman whom some here have told me would or should be our next U. S. senator from Texas. That is worth thinking about. He sure has his feet on the ground, never gets excited about the New Deal, Fair Deal or any other deal. His secretary, Zeno Phillips, has been with him 10 years now.

We walked into Congressman Omar Bursleson's office next. He is from the Abilene-Mineral Wells district. We met Congressman George Mahon on the street. We met others during the day. We wandered into the office of the 18th district congressman, now held for the short-term by Ben Gill, one Republican from Pampa. We found out he is getting along with some of the Republicans, since he secured a place on the House Committee on Agriculture last week with the help of Joe Martin, the GOP minority leader in Congress. But the dope here is that Speaker Sam Rayburn will go Joe Martin one better—as Rayburn can arrange, next January, a place on that same committee for our new Democratic congressman from the Panhandle. And everyone here wants to know how Altavene Clark is coming in that race since she is so well known in this area. It is a cinch that the winner of the Democratic primary this summer will defeat the Republican next November, according to dope here.

More next week, folks.

Mrs. George Dales and son Ben and Diann Saied of Childress visited in the home of Louis Saied Saturday.

EXPERIENCE

RESPONSIBILITY FOR LIVES is one of the trusts the locomotive engineer shares with the Physician. Before the engineer is allowed to pilot a passenger train, he has to serve in minor capacities for years, to learn the function of all the parts of a locomotive, passes many rigid examinations, and is periodically re-examined. He must be mentally and physically qualified to handle the job.

Responsibility for lives is the thought behind the rigid requirements of entry in all Medical Schools, the long years of study, the years of internship and post-graduate work served under experienced Doctors, the thorough and difficult examinations before Medical Boards. All these precautions are solely for the public welfare, and are the result of Medical experience and Medical supervision. Do not tamper with responsibility for lives—keep political hands off Medical education and service.

BRINKLEY'S FOUR-HIT HURLING PLUS TEAMMATES STEALING BLANK ALTUS

The four-hit pitching of Jack Brinkley paced the Memphis Owls to a 5-0 win over Altus Thursday night in a circuit game played on the Oklahoma's field.

Brinkley went the route and allowed Altus runners to reach third only twice—in the seventh and eighth frames. He struck out nine batters while issuing one walk.

Meanwhile, his mates worked Altus hurler Walker for five hits. Walker struck out seven Owl batters and walked seven.

The Owl scoring began in the second when Williamson singled, stole second and came home on Dlugokecki's single.

Coppedge scored the second run in the third frame. He hit a single to reach first, stole his way to second and reached third when McKay and Williamson were walked. He came home on a fly out.

The ninth inning rally featured walks and stolen bases by Williamson and Veltman and a single plus a stolen base by Pruett. Brinkley's safe tap brought in Veltman for the final run.

Those stolen bases really paid off for the Owls. All totaled, they made six successful swiping plays and five of them were instrumental in scores.

Veterans' Class Visits Potts Ranch Saturday

Fifteen members of a veterans' vocational agriculture class here spent Saturday morning on a field trip to the Potts Hereford Ranch near Hedley.

The class spent the morning observing the cattle and studying the lay-out of the ranch.

David T. McVey is instructor of the class. Those who made the trip include:

John P. Holcomb, Roy Gresham, Denton Anthony, Wilford S. Jones, Wymann E. Davis, Hamp S. Boeswell, all of Memphis; James C. Bray, Billy B. Gibson, J. W. Sturdevant, Elwyn Pate, W. B. Miller, Doyle L. Miller and Rial Barnett, Lakeview, and Benton Anthony of Estelline.

OWLS DEFEAT TURKEY 8-1

The Memphis Owls went on three scoring sprees Friday night to drub the Turkey Turks 8-1 in an exhibition game played at Barnhill Field.

Farmer walked in the first inning to start the Owl scoring attack. Coppedge followed with a double and McKay then hit a two-bagger. Williamson walked and Flott doubled to send him home for the fourth Owl run.

Braden and Flott scored in the third inning. The final Owl tallies came in the ninth. Coppedge reached base on an error, stole second and came home on McKay's double. Williamson then singled to score McKay.

The single Turk score came in the ninth inning when Buchanan slammed out a home run.

Wheeler handled the hurling chores for the Owls. He gave up six hits, walked two and struck out two. Jones worked the mound for Turkey, allowing 12 hits and five walks while whiffing 10 batters.

Table with columns: Player, AB, R, H, E. Rows include Farmer, cf.; Coppedge, ss.; McKay, 2b.; Williamson, lf.; Braden, 1b.; Flott, rf.; Stonecipher, c.; Pruett, 3b.; Wheeler, p.

Table with columns: Player, AB, R, H, E. Rows include Goodwin, 2b.; Blackshear, lf.; Buchanan, 3b.; Houchin, cf.; Williams, 1b.; Simpson, ss.; A. Buchanan, rf.; Phillips, c.; Jones, p.

Sammy Joe Rasco, who is a student at Texas Wesleyan College, Fort Worth, visited here over the July 4th holidays with his parents, Mr. and Mrs. E. H. Rasco.

Dale Dronberger of Manhattan, Kans., visited here over the holidays with Miss Jane Tarver.

Jimmy Hammond was a business visitor in Dallas the first of the week.

LAKEVIEW Correspondent

Peggy and Patsy Davenport returned Thursday night from Beaumont where they visited Mr. and Mrs. Harold Gatlin and family. The Gatlin family returned to Lakeview with them for a short stay.

Pete and Mary McCanne had Sunday dinner with the Weldon Gables.

Mr. and Mrs. Lance Leggett spent the 4th of July fishing at Eagle Nest, Colo. They left Friday and returned home Tuesday.

Mrs. Weldon Gable and Terry and Eddie visited in the McCanne home this past week.

Mr. and Mrs. Don Knox, David and Danny are visiting Mr. and Mrs. I. T. Hoggatt. They arrived Sunday and are en route to California where they plan to spend the summer.

Mrs. Irvin Payne spent the afternoon Friday in the McCanne home.

Mrs. Henry McCanne and Mrs. Velman Cannon spent the fourth of July in Lakeview. They have returned from a week's visit with their sister, Mrs. J. F. Walker in Jones County.

Bill Dickey was home this weekend from Wichita Falls where he is stationed.

Mr. and Mrs. Mac McQueen and Paul McCanne spent Sunday fishing.

VISIT PALO DURO CANYON

Mr. and Mrs. Arthur Francis and children and Mrs. Francis' mother, Mrs. Carrie Coffle, drove to Canyon Wednesday where they were joined by Mr. and Mrs. W. E. Boyd and children, Dick and Wanda, of Marshall, and Mrs. Clara Boykin of Lubbock for a trip to Palo Duro Canyon.

The party went from there to Amarillo for a visit with Mr. and Mrs. Hubert Little. Mrs. Little is the former Annie Ethel Francis of Lakeview and is a sister of Mr. Francis. The Boyd family returned to Lakeview for a few days' visit in the Francis home. He is in the insurance business in Marshall and is an uncle of Mr. Francis and Mrs. Little. On their return from Amarillo to Lakeview, the group visited the Motherhoods of the Parnell community.

TO HOLD REVIVAL Minister Arthur Francis and his family left this week for a trip through the western states. The family will travel to Livingstone, Mont., where Minister Francis will conduct a several-weeks revival beginning July 9. He said this service will probably last through July and the family will then return to Lakeview.

Parnell Club Meets in Regular Session June 28

Twenty-eight members and two visitors were in attendance when the Parnell Club met Wednesday afternoon, June 28, at the club house.

During the business hour members decided to extend an invitation to candidates to attend the social which will be held on July 5.

After repeating the Lord's Prayer and the singing of two songs, "My Old Kentucky Home" and "Swing Low Sweet Chariot," members enjoyed quilting.

HOPPER FAMILY REUNION

Mr. and Mrs. Marion Long and Mrs. Clara Long attended a reunion of the Hopper family in Decaturville, Tenn., on June 25. The family is made up of brothers and sisters of Mrs. Clara Long.

The reunion was held in the home of Mr. and Mrs. Neeler Hopper and a buffet dinner was served to the following guests:

Mr. and Mrs. Lee Hopper, Hornersville, Mo.; Miss Georgia Mae Hopper, Nashville, Tenn.; Mr. and Mrs. Jess Clay, Adamsville, Tenn.; Mr. and Mrs. Marion Long, Memphis; Mrs. Clara Long, Memphis; Mr. and Mrs. Reeder Hopper and son, Mr. and Mrs. Grady Hopper and family, Mr. and Mrs. Clyde Hopper and Mr. and Mrs. Harold Hopper, all of Decaturville.

TARVER EMPLOYED BY TRADE PUBLICATION

Don Tarver, son of Horace Tarver of Memphis, has been named associate editor of the Hereford Journal, a trade publication circulated to cattlemen throughout the country.

Mr. and Mrs. Tarver are now residing in Kansas City, Mo., where he will work in the Hereford Journal's editorial offices. He graduated from Kansas State College in June with a degree in agricultural journalism.

CARD OF THANKS

We wish to thank the friends and neighbors and also the Masonic brothers for the donations given us during the illness of my wife.

Clyde Queary and Family.

You get only the best of service when you bring your car to Kermit Monzingo, your Chrysler-Plymouth dealer.

Shivers Favors Lifting Ceiling On Old-Age Aid

Fortright answers to four questions put to him in a letter from a West Texan this week placed Gov. Shivers clearly on record for a "fair and equitable" old-age system in Texas.

Replying to a communication from Archie Yates, 1318 North 15th St., Abilene, Shivers set forth in one-two-three fashion his views on old-age assistance. He wrote Yates as follows:

"Your first question is, 'Do you favor the removal of the ceiling on old-age pensions and payments to needy children and dependent blind?' My answer is, 'Yes.'"

"Your second question is, 'Will you or will you not do all you can to have a constitutional amendment submitted to the people to be voted on at the earliest possible time?' My answer is, 'I will.'"

"Your third question is, 'Will such payments?' My answer is, 'Yes, removed, support a law raising such payments?' My answer is, 'Yes, this is a matter entirely for the Legislature, but I will be happy to see the Legislature pass such laws as it feels fair and just in all the circumstances.'"

"Your fourth question is, 'Do you or do you not favor the State taking a lien on whatever property the old folks may have?' My answer is, 'I do not.'"

In his letter to Yates, Gov. Shivers pointed out that, as a member of the State Senate in 1935, he wrote and sponsored the first old-age pension law that Texas

had. Shivers also was a co-author of the 1941 tax bill which to this day provides revenue for the old-age assistance program.

"As a public official," he said, "I have always endeavored to work for a fair and equitable old-age assistance program in Texas."

Document Will Be Released Soon On Atomic Weapons

A description of just what happens when an atomic bomb explodes will soon be available to the public in an official Government document now being printed at the Government Printing Office. Entitled "The Effects of Atomic Weapons," the book will be released about August 1, and advance orders may now be placed with the Superintendent of Documents, Washington, 25, D. C., at \$1.25 per copy. All proceeds from the sale go to the Government.

Of primary interest to persons engaged in civilian defense and the building trades, the book contains previously unpublished details on atomic explosions. The damage caused by the atomic bombs in Japan is examined with estimates of the probable effects on American cities. The types of buildings which best withstand the shock and the hazards of various radiations are described and illustrated.

The book was prepared by the Atomic Energy Commission from non-confidential scientific and technical information. It is the most informative and authoritative book on atomic weapons which can be made public and is the most document to be published since the Smythe Report.

New Officers Named For Local Bank

Miss Roselyn Williams, D. Gunstream were named as officers in the First National Bank at a directors' meeting last week.

President T. E. Williams and Miss Williams were advanced to senior positions by the directors. Gunstream has been serving as the bank's president.

President Noel Williams will continue to perform duties but that there are no changes in his duties and responsibilities.

Locals and P... Dr. and Mrs. James and sons, Jimmy and Quannah spent the week with his parents, Mr. Byron Baldwin.

LETTERS from READERS

The Democrat welcomes letters from its readers on subjects of general interest to the public. We will publish all letters received, as far as limited space permits. All letters must be signed but the signature will not be published unless the letter is specifically requested. Due to an early press run, all letters should be sent to this office on Monday prior to the Thursday issue which are received on later days will be published the following week.

Polio? Is the medication to find the answer to flies and sewage with the spread of polio? Is the medication to find the answer to flies and sewage with the spread of polio? Is the medication to find the answer to flies and sewage with the spread of polio?

Conclusion Reached. But there is one conclusion known from facts, and that is that raw sewage and human waste should never be permitted to enter any stream of water source from which water is taken for domestic use, nor should raw sewage and human waste ever be exposed to flies anywhere.

Widespread Pollution. The widespread pollution of Texas streams may be the source of much of the constant menace of polio in Texas. Every health officer and every individual should make it a personal duty to fight this menace.

Evidence Points. The evidence points an accusing finger at contaminated water in our rivers and streams. The people should be given the truth about this modern scourge. The facts must not be suppressed!

Wallace Jenkins, Farmer. Box 801, Pemberton Hill Road, Dallas.

Dr. and Mrs. N. A. Hightower. of Austin visited here over the week end with his parents, Mr. and Mrs. N. A. Hightower, Sr. N. A. III, who had visited here for the past three weeks with his grandparents, returned to Austin with his parents.

Campaigning Keeps Justice Candidate Literally Flying

Herbert C. Martin, candidate for Associate Justice of the Court of Civil Appeals, Seventh District, is literally making a "flying" campaign over the 46-county district.

A number of Memphians heard Martin arrive in Memphis shortly after 1 p. m. Monday when his plane circled the town playing snappy music over a public address system. He landed at the local airport and was in Memphis about two hours in the interest of his campaign.

Incidentally, Martin's aerial campaign is made even more unusual by the fact that Mrs. Martin pilots the plane, a four-place Aeronca.

A resident of Littlefield, the associate justice candidate has lived in the Panhandle since 1916 when his family moved from Coleman, where he was born in 1901, to Lubbock. Martin graduated from Lubbock High school and the University of Texas Law School.

He has been practicing law in Littlefield since 1929.

Martin is running his campaign on the strength of his success as a practicing attorney and his experience in dealing with individual's legal problems.

"As your associate justice, you will find me conservative in my views yet able to recognize an value new conceptions," he said in an interview here. "I have never lost my sense of humor in meeting the problems presented by life and the practice of law. I believe that I am qualified by human experience and legal training to serve as your associate justice."

Martin said he will visit each city and town in the 46 counties by plane and automobile.

Thompson Family Holds Annual July 4th Picnic

A total of 31 people attended a get-together at the Breezy Point cabin in Elm Grove in Memphis on the afternoon of July 4. But it was a rare moment indeed when all 31 of them got together.

For the confused affair was the annual reunion of the clan of Thompsons headed by senior member, E. P. Thompson, including the in-laws, the out-laws, the would-be's, and a visitor or two.

While the youngest members of the clan got in the way, the slightly older 'in years, at least' spent the afternoon hours enjoying music (band, string and chin), tossing horseshoes, hitting at croquet balls, arguing over Canasta sweating out forty-two, and worrying about Pacheesi.

There was food, too, of course. Too much food for some of the never-know-when-to-quit gang. The gathering started at 3 o'clock Tuesday afternoon, and few could wait until the appointed hour of 6:30 to eat.

Late in the evening, Dr. James Baldwin of Quannah led the group singing, and an impromptu quartet (a mild description of the foursome) of E. Thompson, Grover Wilburn, E. P. Thompson, and Byron Baldwin more or less entertained the group. Special singing was given by little Jimmy Baldwin.

Attending were Mrs. Joe Brown of Tyler; Mr. and Mrs. Grover Wilburn and Mr. and Mrs. Herschel Montgomery of Dallas; Dr. and Mrs. James Baldwin, Jimmy and Bobby, of Quannah; Mr. and Mrs. George Thompson, Betty, George and Judy, and L. E. Thompson, and Odell LaGrone, of Clarendon; Mr. and Mrs. Lester Campbell and Chris of McLean; Mr. and Mrs. E. P. Thompson, Ruth Thompson, Edwin O. Thompson, and Mr. and Mrs. Billy Thompson, Billy Ed and Carol, Mrs. Minnie Loke, Mr. and Mrs. Bryon Baldwin, and Dr. Jack T. Baldwin, of Memphis.

Mr. and Mrs. Marion Long and Mrs. Clara Long visited two weeks in Texas, Arkansas, Louisiana and Tennessee recently, returning to Memphis Saturday night. They traveled through the Ozarks and visited friends and relatives in the several states.

PERSONALS

Mr. and Mrs. G. C. Wilburn of Texas State College, spent the holidays here over the July 4th holidays with Mr. and Mrs. E. P. Thompson and Mr. and Mrs. Byron Baldwin.

Mr. and Mrs. Leroy Stephenson had as guests July 4 Mr. and Mrs. Floyd Stephenson and children, A. R. and Linda and Mrs. McCain of Stamford.

Mrs. J. G. Brown of Tyler visited here over the weekend with her sister, Mrs. Byron Baldwin and brother, E. P. Thompson and other relatives.

C. J. Reed, who recently underwent an appendectomy in a local hospital, returned to his home near Lakeview July 4. He is reported to be recovering nicely.

Mr. and Mrs. C. W. Crawford are vacationing in Colorado.

Mr. and Mrs. Earl Pritchett have as a guest this week their niece, Miss Glenda Gillis of Cleburne.

June Meredith, student at West

Texas State College, spent the holidays here with her mother, Mrs. Allie Caviness.

Rodney Davis of Paducah visited here last week end with his grandparents, Mr. and Mrs. J. G. Gardener.

Mr. and Mrs. J. E. Norman and daughters, Lynda Jon and Janet Leigh of Plainview visited here Monday in the home of her sister, Mrs. Herschel Combs, and family.

Miss Maud Milam and Mrs. B. B. McMillan were Canyon visitors Wednesday.

Week end guests in the home of Mr. and Mrs. Bob Tiner were Mr. and Mrs. Bob Downs and son of Sudan.

Mrs. Georgia Stubbs returned to her home in Nocona Wednesday after visiting here for the past two weeks with Mrs. J. A. Cassel.

Paul Revere made George Washington's first set of false teeth.

Editorial

YOUR RESPONSIBILITY

The voters of Texas have a chance to do their share in improving one of this country's most important—and most neglected—Democratic functions this month. We can prove we are interested in our state and nation by showing an intelligent attitude and interest in the July 22 primary.

No people in the world enjoy such a wonderful privilege as we in being allowed to pick our government office holders. And yet each election year seems to bear out the fact that the American people are showing less and less interest in this privilege.

This lack of interest cannot continue if the United States—history's greatest experiment in "government of, for and by the people"—is to remain an independent nation. For there is one big flaw in this "government of, for and by the people"—it places a real responsibility on every citizen of this country. That responsibility is to think and act intelligently and unselfishly in government affairs.

That is why other democracies have failed and may mark the downfall of ours. Too many of us are unwilling to shoulder our individual responsibilities. Either through lack of intelligence or lack of interest—and probably a combination in both—the American voter is letting his government be degraded and plundered by unworthy men who are seeking only personal gains and whose interest in the "general welfare" goes as only as far as the "general welfare" of their own bank accounts.

Can you challenge this fact? Look right here in your own state. Political campaigns have been turned from serious affairs into three ring circuses—not because the candidates particularly enjoy these antics but because they know it is the way to get votes. It is the way to impress the average man—the man who puts the candidate in office. It is hardly beyond the truth to assert that a candidate with a good entertainment troupe and several new jokes will get more votes than office-seeker who has only a workable and intelligent plan for running for the office.

Obviously, either the American voter must change or he will find his country changed for the worst by incompetent officials. It's time to take a real interest in elections and become students of government affairs. It's time to accept the responsibilities placed on us by a democratic government.

We can either do these things or face the probability of losing our experiment in "government of, for and by the people."

Do you know any facts about the candidates for state and national offices in the July 22 primary? Are you familiar with their platforms, their beliefs and their records? If not, it's time you learned these things.

Use your vote on July 22—and use it wisely.

"We have talked entirely too much about 'security'. There has been too much emphasis on 'riskless savings' and a 'safe future'. We should do more talking about people becoming owners of business"—Emil Schram, President, New York Stock Exchange.

RURAL OPPOSITION

The Industrial News Review recently sent a questionnaire to the country daily and weekly newspapers of the United States asking their views on socialism, a Federal welfare state, compulsory Federal health insurance, Federal power projects and related questions.

The 1362 replies showed virtually unanimous opposition

MIDSUMMER NIGHT'S DREAM

to the socialistic philosophy. Hundreds of editors ran the questionnaire in their papers for their readers to answer and receive some remarkable returns.

An outstanding example was the Milford, Delaware, Chronicle. Out of a total circulation of 8135 for the issue containing the questionnaire, it received answers in the mail to a grand total of 2109. That was an astonishing return when the trouble of filling out and mailing is considered. Reader opposition to socialistic proposals and policies was overwhelming.

Editor Townsend of the Chronicle said "it shows that our people are vitally alive to this question—the 'grass roots' boys are thinking as well as the newspaper editors and publishers."

The people must register opposition to socialistic scheme offered to them by politicians under camouflaged titles, or they will be saddled on them before they know it.

Press Paragraphs—

QUOTING OUR NEIGHBORS—

ELECTION EVILS

The Texas Supreme Court held Wednesday that J. E. McDonald was entitled to have his name on the Democratic ballot in the primary July 22.

Interpretation of the law strictly on a legal basis naturally and not on the moral issue of whether McDonald had been loyal to the Democratic party and had supported the Democratic nominees for president in recent elections.

Although the candidate for commissioner of agriculture, who has held the office for ten terms, admitted that he had not supported the nominees for president in the past three elections, the court evidently held that such infidelity to the party was not an issue in the case.

Courts are needed for interpretation of the constitution and legislative enactments, but it is time for the legislature to review the entire election program. The legislature should grant party officials power to keep bolters off the ticket for at least the election following such deflection.

Also, the legislature should revise its method of electing a congressman or U. S. senator to fill a vacancy. It is foolishness to have a system that permits a minority party candidate to win because no primary is held. The 18th congressional district is the victim of such a system today and has Ben Guill, Republican, in the house. With the odds much against him being the permanent congressman, it is evident that the 18th district is the unfortunate victim of our election laws.

Let's give our encouragement to the next legislature to correct these election evils.

—Panhandle Herald

Pink Publication?

So much has been heard of late about the Amerasia case that a brief statement of just what is involved in it might be of interest. The case gets its name from a small magazine published in New

York by the name of Amerasia. The case opened in 1945 when federal agents raided the magazine office and found 1700 documents and papers that had been taken from the secret files of the Army and the Navy intelligences and the State Department. Some of the papers contained some top most war-time secrets, telling of the locations of our fleet units. Six persons were arrested in the raid of federal agents. Two escaped with fines. Charges against four were dismissed and one of the six is still in the employ of the State Department. The hearing was held in secret and the true facts were not and have not since been revealed to the public. The fact that the magazine, Amerasia, had only 1700 circulation and that its editor was Russian born gives rise to the suspicion that the documents were not stolen for the use of the magazine but that the magazine (Continued on page 7)

REMEMBER WHEN

... three meals took all day

It took a lot of work, wood and worry to keep the old-fashioned kitchen stove at proper cooking temperature. But today, hundreds of thousands of Gulf South housewives get instant, controllable heat from natural gas. They may even spend the afternoon away from home while supper cooks in a modern, automatic, gas range. This is

but one of the many household tasks that are made easier and more pleasant through natural gas service.

The companies which make up the natural gas industry take pride in their contributions toward better business and more convenient living for their customers. Their payrolls, royalties and dividend checks, along with many purchases of supplies and equipment from local concerns, place millions of dollars in circulation for all to share. This is private enterprise at work—for the benefit of people in all walks of life.

See the Modern, Automatic GAS Ranges now on display wherever gas appliances are sold. There's nothing as smart, as economical or as convenient—as GAS.

Candlelight Service Unites in Marriage Miss Dora Ann Scott and Ralph Liner

In a candlelight ceremony performed at 8 o'clock Monday evening, June 26, Miss Dora Ann Scott, daughter of Mr. and Mrs. C. C. Scott of Childress, became the bride of Ralph Floyd Liner, son of Mr. and Mrs. F. A. Liner of Memphis.

Rev. Bedford Smith, pastor of the First Christian Church, read the double ring ceremony in the home of the bridegroom's parents before an improvised altar decorated with white and salmon gladioli and caladium.

The pre-nuptial concert included "Forever and Ever," "I Love You Truly," and "Always." "Indiana Love Call," was played softly during the ceremony.

Given in marriage by her father, the bride was attired in a white, ballerina-length, organza frock over white taffeta. The frock was fashioned with a full gathered skirt, puff sleeves and tiny collar. She carried a white Bible topped with a bridal bouquet of white gladioli and carnations.

Miss Helen Thompson of Bowie, aunt of the bride, was maid of honor. She wore a navy blue crepe dress complimented by white accessories and a corsage of red carnations.

Bill Archer of Memphis served the groom as best man.

Immediately following the ceremony a reception was held in the Liner home. The bride's table was centered with a two-tiered wedding cake topped with a miniature bride and groom. Mrs. Florence Scott, sister of the bride, served the cake and Mrs. Leroy McCoy

pooured punch. Guests were registered by Mrs. Vernon Edwards.

Following a honeymoon trip to Odessa and Carlsbad, N. M., Mr. and Mrs. Liner will be at home in Memphis where the groom is employed at C & F Grocery.

Tor traveling Mrs. Liner chose a Navy taffeta dress with white accessories.

Methodist WSCS Has Active Month

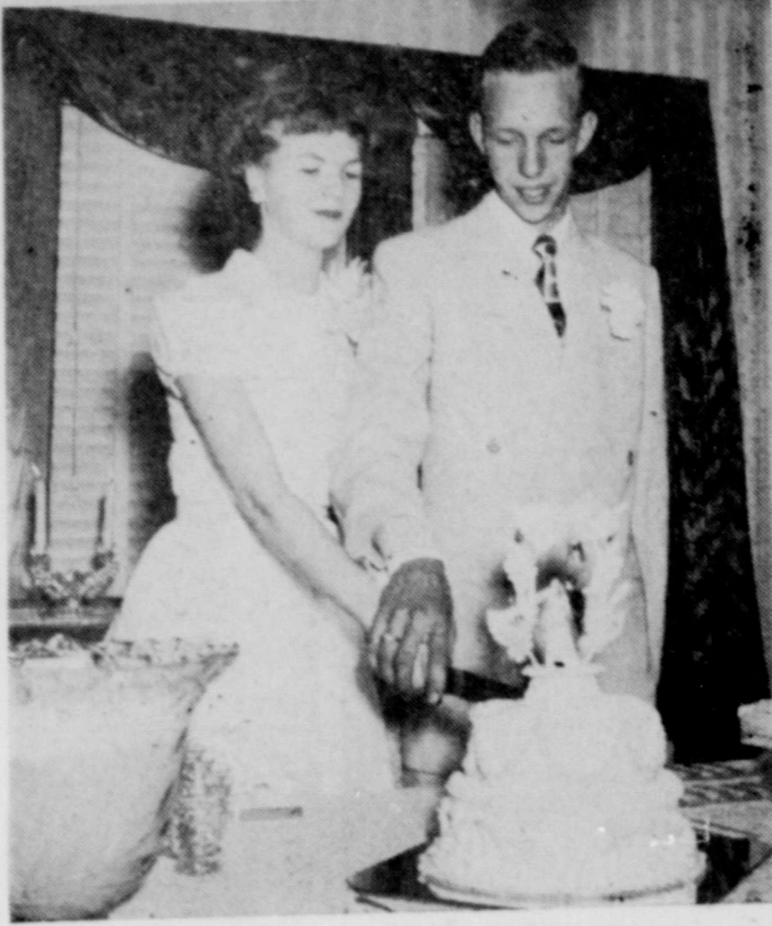

The Methodist WSCS had an active work in June which included two training courses for officers, one local and the other district, and an impressive stewardship and pledge service.

The society met with Mrs. Frank Foxhall on June 5 for an officer's training course. At this time each new officer was informed of her new responsibilities by the instructor, Mrs. Foxhall. Twenty-six members were present.

On June 14 a district officers training course and a tea was held in Wellington. Mrs. Foxhall and 12 of her officers attended from the Memphis society. The meeting proved to be very informative and a large crowd from over the district were in attendance. Mrs. N. A. Hightower, reporter, stated. Only one society, Pampa, had more in attendance than Memphis.

A very impressive stewardship and pledge service was held at the church on June 19. A playlet, "What Shall I Undertake" was presented by 12 members. The playlet told the needs of other lands and also of the homefields and specified where the money would be applied for this year. Thirty members were present.

Mrs. T. R. Harrison and daughter Jami of Dallas and Mrs. Ted Jamison of Colorado Springs arrived here Wednesday for a few days visit in the home of Mr. and Mrs. T. M. Harrison.

MR. AND MRS. RALPH FLOYD LINER

Rebekah Officers Are Installed in Impressive Rites

In impressive installation rites, officers of the Memphis Rebekah Lodge No. 346 were installed for the ensuing term at a meeting held Monday night, July 3, at the IOOF hall.

In charge of the impressive ceremony was the lodge deputy, Mrs. Jewel Foster, and her staff which included Clo Rogers, marshal; Ella Johnson, chaplain; Leta Gerlach, warden; Annie Kercheville, guardian. Marguerite Smith was musician and Sallie Burks and Pearl Massey were escorts to the noble grand and vice grand respectively.

Elected officers installed were Annie Mae Williford, noble grand; and Earline McDaniel, vice grand.

Appointive officers installed were RSNB Alla Boswell, LSNB Ollie Tribble, RSVG Bertha Hill, LSVG Thelma McClure, Warden Mazie Phillips, Conductor Nell Reed, Chaplain Etta Jones, I. G. Ann Lewellen, O. G. Annie Kercheville, Musician Zora Young.

candle bearers Leona Liner and Opal Duke, wand bearers Lennie Kennedy, Clo Rogers, Oleva Lindsey and Ada Sargent.

Following the installation short talks were made by the new officers in appreciation of their duties. The Rebekahs will hold their next regular meeting Monday, July 10 at 8:00 P. M. All members are urged to attend and visitors welcomed.

IOOF Officials To Be Installed Tuesday Night

IOOF Lodge No. 444 opened in due form Tuesday night with J. E. Miller, noble grand, presiding. During the business hour Charles Snowden, past grand, acted as vice grand.

On Tuesday night of next week installation of officers will be featured on the program, and all members are urged to attend.

Taking office at this time will be Bud Godfrey, noble grand; L. E. Jenkins, vice grand; Frank VanPelt, secretary; and E. W. Hill, treasurer.

Mr. and Mrs. F. O. Connor of Floydada visited here July 4 with relatives.

PERSONALS

Mr. and Mrs. E. S. Browning of Austin visited relatives and friends here the past week. They are former residents of Memphis.

Mrs. J. H. Brumley of Fort Worth visited with Mrs. A. B. Jones last week en route to Pampa to spend the summer with her son, Jet Brumley, and family. Several friends of Mrs. Brumley visited her at the Jones home Wednesday evening. She is a former resident of Memphis.

Mrs. C. M. Tyler of Amarillo and her three sons, Ronnie Shepherd of Lamesa, Donald Shepherd of California and B. F. Shepherd of Amarillo, spent a few hours in Memphis Monday visiting old friends. They were residents of Memphis for several years. B. F. Shepherd Sr., deceased, was one of the publishers who established The Memphis Democrat.

Ed Hutcherson and aunt, Mrs. Frank Smith, went to Snyder today where they will attend the funeral services for a cousin and nephew, R. C. Miller. Mr. Miller was killed in a car accident on Wednesday.

Mrs. B. J. Spence and children, Deanna and Randy, of Corpus Christi returned to their home last week after visiting her mother, Mrs. A. B. Jones, and her sister, Mrs. Lloyd Ward.

Mr. and Mrs. Alvis Gerlach had as guests from Wednesday until Saturday Mr. and Mrs. Chester Kasper and daughters of Fredericksburg.

Mr. and Mrs. Monty Don Thompson of Abilene visited here Friday afternoon with their grandmother, Mrs. E. H. Stanford.

Cleva Mae Tiner returned home Sunday following a three-week visit in Littlefield and Sudan with relatives.

Mr. and Mrs. S. A. White of Fort Worth were week end visitors in the home of Mrs. White's mother, Mrs. J. A. Cassels.

Mrs. Raymond Brumley and son, John, returned to their home in Austin last week after visiting her mother, Mrs. A. B. Jones, and her sister, Mrs. Lloyd Ward.

Mr. and Mrs. Gus Rasco and

son, Jerry, were Fort Worth visitors over the week-end. They visited in the home of Mr. and Mrs. Sol Messer.

Mrs. J. K. Moreland has returned to her home in Durant, Okla., following a three-week visit here in the home of her daughter, Mrs. R. C. Lemons.

Mrs. Kedron Ward of Amarillo was a week end visitor in the home of her daughter, Mrs. Billy Thompson and family.

Mrs. John Dennis, Dink Dennis, Mrs. Cecil Guthrie and Marjorie Stone were Childress visitors July 4.

Mr. and Mrs. A. Anisman and son Sheldon and their guests, Mrs. Ray Weltman of Shreveport, La., and Malcolm Sondock of Houston, visited in Borger July 4.

Mr. and Mrs. Willis Lemons

and children of Houston are here with Mrs. Lemons, Mr. and Mrs. Lemons and with his brother Lemons and family.

Mrs. Grady V. Barham of Lahoma City and Mrs. J. H. Barham of Sulphur Springs are here this week with Mrs. Barham.

Mrs. T. J. Hampton of Cecil Guthrie, who has been in South and East Oklahoma City for the weeks, returned to Memphis Sunday.

Mrs. J. B. Duren of Memphis is receiving medical treatment at a local hospital this week.

Mr. and Mrs. H. W. Williams had as guests over the week end Mr. and Mrs. Phillip Electra.

Mangum tied up the ball game in the fourth inning when Wheeler homered as the inning's lead-off man.

Leroy Kamphouse wet the route for Memphis. It was a tough game for the right-hander to lose. He kept the hitting scattered, giving up two in the first and one each in the third and fourth and allowed single hits in the sixth through the ninth. Kamphouse walked four and struck out seven Mangum batters.

The winning rally for the visitors was opened when Wheeler reached first on a Memphis error. Schackelford then sacrificed and Hayes put the finishing touch on winning his own ball game by cracking out a double to send Wheeler across the plate.

THE HEAT'S ON . . . Millionaire bookie Frank Erickson (center) is booked in New York precinct station after grand jury returned a 60-count criminal information against him. He faces potential total of 60 years in prison.

the part of those who produce from the soil. And a factor of this know-how is the attention that has been paid to the science of farming. Agricultural schools have done a lot. Soil conservation has entered into the picture. And a vast deal has been learned by observant farmers who have been willing to accept an advancement that has been made by others, and profit by it.

More is to be learned yet. And still will be learned when the admission is made freely that none of us know all there is to be learned on the subject. In the past few years many new ideas have been advanced, which is only an intimation of the very great deal that all of us didn't know; and perhaps an intimation of the vast knowledge that is still untapped. Just to be receptive to ideas that differ from those we have held, is something on the road to progress. Just to years we have been told that deep breaking should not

be adopted suddenly. That the deep soil was dead, and too much of it on top would not produce good crops. Another notion held by the early settlers was that the native grasses were the best that could be grown. This idea did sound reasonable.

Science has unfolded wonderful visions in every field, but somehow we have been slow to take advantage of it in agriculture. Even some of the elementary things have not been learned from a scientific viewpoint. Take the matter of cultivation. The original idea was that you had to plow the corn to kill the weeds. And when you plowed it, the surface was cultivated, which benefited the corn as much as killing the weeds. Then later, we cultivate the crops to hold the moisture; but while doing so it would have been just as easy to know why it held the moisture. From the scientific point of view, they tell us that when a hard rain falls on the soil that

less known. Farming will be still more successful when more of its scientific secrets are learned.

—Seymour Review

Mrs. Jean Lamb and Jo and Don Carman visited in Plainview Sunday with Creed Lamb. Creed recently accepted a position with the Roy G. Wood Funeral Home in that city.

Personal To Women With Nagging Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headache and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Press Paragraphs

(Continued from Page 6)

azine was being used merely as a front for Communist fact gathering organization. Why the case was never permitted to go to trial but was effectively hushed up is but one of the questions that is being asked now. All efforts to inquire into the case were successfully blocked until Senator McCarthy leveled his charge of Communism at one of the six who were arrested in the raid and who is still in the employ of the State Department. Growing pressure forced the inclusion of the Amersia case in the present hearings. An effort will be made to secure a full discussion of the case and discover if possible the reason for the "whitewash" and the secrecy. Universal opinion favors a complete airing of the case. The Tydings committee is in a position to give that airing. If it fails to do so Congress should lose no time in naming another committee to do the job —Foard County News

Scientific Farming

The terrific loss in farm population in this and other counties have its lessons in different ways. A trend that appears above all the rest is less man power it takes now to do the farming. Another potent factor is the know-how on

First of the Fine Cars in Value

The Car that puts your Best Foot forward

WE think you'll agree that the whole story of an automobile isn't told in its power, its room, its styling, even in its ride.

There is the all-important point about what a car does to you—and that's where ROADMASTER really shines.

For you can't slip into this bonny beauty's broad seats without feeling like somebody pretty special.

When you take its neat wheel in your hand—when you cut loose, with a toe-touch, the rich baritone of its big Fireball straight-

eight power plant—when you feel the smooth surge of its Dynaflo-cushioned take-off—

Man, then you know you've got a real automobile!

And don't overlook this:

That graceful sweep of chrome along the fender—found on no other car made today—is a mighty eye-catching note of distinction.

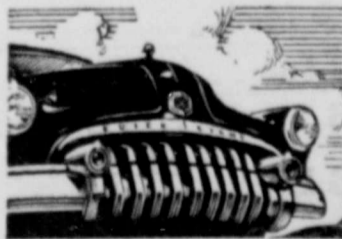

Those four Ventiports, too, cause many a head to turn—they mark you unmistakably as the owner of the biggest and best Buick built—a car as fine and rich as any man has need for.

There are a lot of good, solid,

dollars-and-cents reasons for making ROADMASTER your choice over any other car:

Its size. The commanding performance of its 152-hp Fireball valve-in-head straight-eight engine. Dynaflo Drive standard: A ride that's quite matchless in its gentle softness. Distinguished styling from bold, protective front end to gleaming "double bubble" taillight.

But if you're ready for a car that's more than just an automobile—if you want one that puts your best foot forward in any company—that's the real reason for seeing your Buick dealer quickly—to talk turkey about a ROADMASTER.

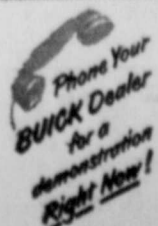

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

score for the Tornadoes. The Cardinals ran their win streak to 23 straight Friday night by downing the Tornadoes 9-5.

Lloyd West, Carl Lee, Duane Miller and Jimmy Stewart tallied for the Cards while Ronnie Smith and David Corley were the powers in the losers' attack.

Tuesday night Lesley came to town and outscored the Tornadoes 3-1 in a close contest. Lesley hurler Willis held the Tornadoes to one lone hit while Collins pitched a three-hit game for the losers.

Lesley will return to Memphis Friday night for a pair of games that will make it a tough visit. They face the once-beaten Cardinals in the penultimate and will meet the Rebels in the final fracas.

Games are scheduled to begin at 8 p. m. and Director Myers said all softball fans are invited to attend every night the teams from the three leagues are playing.

ing were: Roy Cornelius, Lubbock; Graham Brinson, Hedley; Ralph Cornelius, Clarendon, and Alvis Moreman, Alanreed. L. L. Cornelius, father of two of the troop members, was the troop committeeman present.

This troop, organized at Hedley in 1913, was the second in the Panhandle and one of the first west of the Mississippi. A troop at Claude had the distinction of being the first.

The Hedley troop had 28 members at the time it was started and several others joined later. Mr. Wells has located 20 of the charter members. Four are deceased and the others have not been contacted.

The six early Scouts spent the day at the Wells home talking over their activities of 37 years ago and bringing each other up to date on the members who could not attend.

"I think it is a real credit to scouting that all of the members of that troop have done well with their lives and all are respectable members of their communities," the ex-scoutmaster noted.

"Not a one of the 28 has had any difficulty in getting along with society and the six of us together Sunday agreed that the scout training received deserved a great deal of the credit for this record."

So scouting had the rare opportunity to look back and judge its merits Sunday. And it was a look that should give the organization encouragement for the future.

It takes 10 inches of snow to equal an inch of rain.

Sanitation Urged As Preventive Against Dysentery

Commenting on the unusually high incidence of dysentery in Texas at the present time, Dr. Geo. W. Cox, state health officer, described dysentery as being an infectious disease characterized by diarrhea, pain in the abdomen, and toxemia.

It is caused by a specific bacteria or germ. These germs cause inflammation of the lining of the intestinal tract which produces pain throughout the abdomen and the discharge of many loose stools that frequently contain blood and mucus.

Toxemia results from absorption of the poisonous substances produced by the germs.

"The germs gain entrance to the body through the mouth," Dr. Cox said, "and then make their way to the intestines in the same manner in which food does. When they reach the intestines they find conditions favorable to their growth, and there they establish themselves at the expense of the person infected and produce their harmful effects."

Dr. Cox warned that dysentery affects young children more often and more seriously than adults, frequently resulting fatally; however, he said, it may occur at any age. It is usually more prevalent during the summer season, and the great number of cases now being reported are unusual for spring.

"The germ is always expelled with the excreta of persons sick with dysentery and may continue to be expelled for some time after the patient recovers from the disease.

These persons who still discharge the germs after they recover are called carriers, and they

occur more frequently in this disease than in the majority of other infectious diseases.

"Food protection and adequate sanitary measures are more urgently needed now than ever before if we control the potential possibilities of epidemic dysentery in this state."
