Second Place Owls Face Rough Week Of Loop Play

Perched precariously in a second-place tie with Dumas, the Memphis Owls travel to Hobart tonight to open a tough week of league activity.

The Owls will meet the 'cream of the crop' in their four league games this week. After tonight's clash with the circuit leaders, they go to Mangum tomorrow night for a make-up game with fourth-place Mangum and travel to Dumas Sunday for a league tilt.

Tuesday night the Owls will entertain the Wellington Dukes in an Estes Park loop clash.

Manager Burr Pruett said today that he plans to start Hank Dlugokecki against Hobart tonight. The left-hander has apparently solved his sore arm problem and should be in top shape for the hurling chores.

CLAUDE'S COMMENTS

By J. C. W.

Last week it was a big loss to crops and land from sand, flood and hail. This week it is insects that threaten the rest of the crops.

It has rained every day for more than half of July with prospects for five or six more days being wet to round out the wettest July in man's memory.

Aphid, Bollworm Infestation Now Threatens Crops

County Agent W. E. Hooser warned cotton farmers this week that heavy infestations of aphids and bollworms have been found in many fields.

He pointed out that farmers should begin fighting these dangerous insects at once to prevent a real damage to the county's cotton crop.

For control of aphids, he recommends 3-5-40 BHC-DDT-Sulphur dust at the rate of 10 pounds per acre, or 40 per cent TEPP spray at the rate of one-half pint...

Bus Transportation Regulations For Schools Released

The Texas Education Agency has sent out regulations regarding transportation of school children, according to County Superintendent Mary Foreman.

Mrs. Foreman said there are three major points in the regulations.

The first points out that the use of school buses will be limited to transportation of children who are enrolled in bona fide attendance in the public free schools and to teachers and other personnel employed by the school district.

Second, no duplication of routes will be granted from the office of the Texas Education Agency. A duplicate bus route is one on which two buses from different districts travel the same road and...

'Worth Waiting For'

Imported Aberdeen-Angus Stock Distributed Thursday Afternoon

'Well, it was certainly worth the wait.' This opinion, expressed Thursday by one farmer as the Aberdeen-Angus cattle imported from the Don Head Farms in Canada were being unloaded...

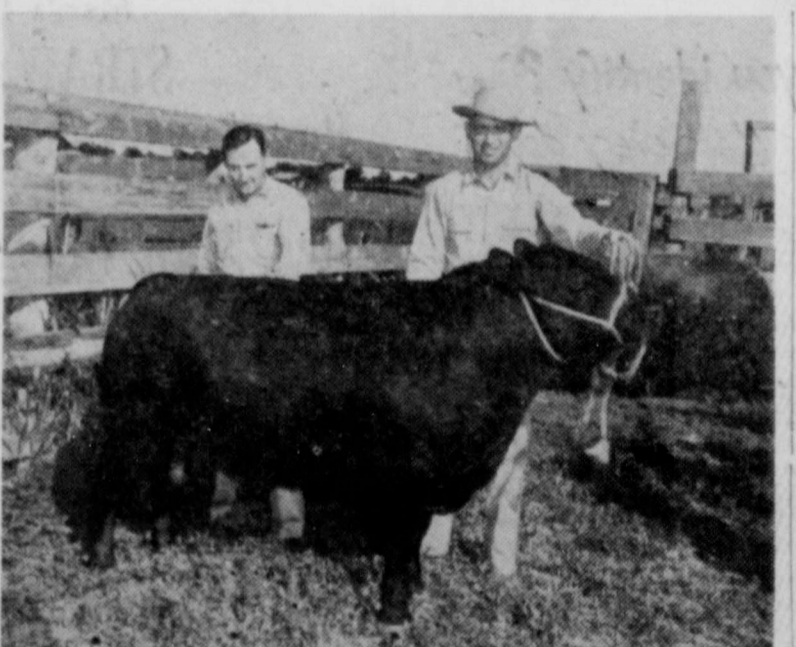

The shipment arrived in Memphis late Thursday afternoon and were unloaded at the Fort Worth & Denver stock pens. They were scheduled to arrive Tuesday but were delayed several times en route.

The 10 farmers and cattlemen who had purchased the registered Angus stock were in Memphis early Thursday morning awaiting their arrival. However, the boredom of waiting was soon forgotten once the cattle were actually unloaded.

Included in the shipment were 10 Angus heifers and a bull plus six registered Jerseys purchased by three Hall Countians to supplement the dairy cattle which had been previously imported from Don Head Farms.

'Everyone seemed very pleased with the stock,' Chamber of Commerce Manager Clifford Farmer commented after the drawing had been held and the cattle distributed. 'The enthusiasm displayed by the new Angus owners certainly indicates that our beef cattle program is off to a good start.'

of Bandolier of Anoka 18th, winner of the International Livestock Exposition at Chicago. He is a full brother of the heifer which topped the 1948 Ontario Angus Breeders Association sale at \$7,200, and a half-brother of Barbara Bandolier of Don Head, a heifer which sold for \$11,000 at the 1950 Chicago International.

The 10 heifers have equally outstanding blood lines.

Livestock shows in this section of the state will become familiar with this registered Angus stock during the coming years. The purchasers are already discussing show prospects and may well look to the records made by the Jerseys which were imported from Don Head Farms two years ago to get an idea of the future.

Farmer said the beef cattle program will be continually stressed in the future but pointed out that it will take nothing away from the dairy cattle plans.

'It's all a part of the increased livestock program that the Chamber of Commerce and Hall County Board of Development, along with other groups, is working to enlarge and improve,' he pointed out.

E. A. Smith, Jr., D. C. Messick, David Huggins, J. D. House, L. L. Foxhall, Clifford Farmer, Rex Snell, Hulon Clifton, Raymond Martin and C. A. Rapp & Son purchased the 10 Angus heifers. Stacey Waites was buyer of four of the Jersey heifers while M. E. Drake and F. R. Gentry purchased one each.

Postmaster Is Urging Mail Box Installation

Postmaster Jim Vallance this week urged all Memphians who use the free city mail delivery to have their mail boxes installed by Tuesday, the starting date of the new service. Vallance has checked the area and has found that many mail boxes have not been installed. He also pointed out that those persons who have not filled out change of address cards should do so as soon as possible so they can receive delivery of their mail when the service is initiated.

RUN-OFF OPPONENTS—E. S. (Peck) Morrison, left, and Raymond Ballew have another month of campaigning in their race for the Hall County Sheriff's office. Morrison led the field of six candidates with 745 votes while Ballew was second with 682.

Hall Countians were promised another month of politics in one local race Saturday night when none of the five sheriff candidates could gain a clear majority in the primary election, setting the stage for a run-off August 26.

Over 2950 votes were cast in Saturday's Democratic Primary Election in Hall County—slightly below the estimated turn-out but within 100 votes of the total who were qualified to cast ballots. Hall County has an estimated 3045 qualified voters.

Close races for the county offices saw two of the three opposed incumbents defeated.

The sheriff's race—which had drawn the most pre-election interest—was forced into a run-off between E. S. (Peck) Morrison and Raymond Ballew. Morrison led the field, amassing 745 votes

while Ballew received 682. Sheriff Earl Hill was third with 581, followed by C. Land, the incumbent, by a close vote of 1,401 to 1,265.

When the curtain rises for "Blithe Spirit" at the high school auditorium Tuesday night it will mark what is probably the outstanding production in the history of the Little Theatre here.

Written by Noel Coward, this play has enjoyed tremendous success and has been heralded as possibly the greatest work in his brilliant writing career.

While the Little Theatre here is an amateur organization, "Blithe Spirit" will definitely have a professional touch.

Dr. Jack Palangio, head of the drama department at Iowa Wesleyan College, is directing this production. He also has a leading role in the play. Mrs. Palangio, who is a drama instructor at Iowa Wesleyan, will also be seen in a major part in this production. He plays the part of Charles Condomine and Mrs. Palangio will be seen as Madame Arcati.

Rainfall New Mark Hall County

Weather has made the big difference in Hall County this month. All been about the same

Rainfall in this county has only set a new record. From Weather Recorder reports that Memphis has precipitation than other parts of the county. He has reported 7.4 inches rainfall here this month. This total was over a period of 11 days.

This rainfall—while unusual—is small in comparison to other areas. Pliska has reported four to six inches during the week alone, including over two inches on Monday

and Tuesday. In the lower western section of the county, it is estimated that inches of rain has fallen since Monday. Borden Bristoe and Quittaque—has particularly heavy rains. Only days have kept the temperature at an unusual low

Monday, over 50 inches was recorded during the week. Monday, 26 inches, Tuesday, 12 inches, Wednesday, 96 degrees was the high temperature. Temperature readings: July 26, 67 and 80. (12)

BRINKLEY HURLS MEMPHIS OWLS TO 11-0 SHUT-OUT OVER TURKS

Jack Brinkley struck out 13 Turkey batters while holding them to five hits and pace the Memphis Owls to a 11-0 shut-out victory over the Turks in an exhibition game played at Estes Park Friday night.

The twirling of the little right-hander kept the visitors in constant check and he was rarely in any sort of difficulty on the mound.

Meanwhile, his teammates ganged up on Turkey hurler Jones to blast out 10 hits. The Owls had their big inning in the sixth when they tallied six runs. The splurge was paced by singles by Williamson, McKay, and Brinkley, a double by Farmer and two Turk errors.

Farmer scored the initial Owl run in the opening frame. Memphis pushed across their final four tallies in the seventh on Williamson's double and two Turkey errors.

the skilled hands and work." Anyone who has visited her home in Memphis might be inclined to believe that perhaps she should make it her profession.

Other articles in her Memphis home, all products of courses at West Texas State, are a mahogany bed with an inlaid Old English "S," a matching occasional table, a service table of gum for her breakfast room and a coffee table of walnut and holly. She also made and carved a fire screen of gum and a picture frame of cherry.

Not content with furnishings for the inside, Mrs. Srygley has built seven wood awnings for the west windows of her home. Other smaller articles made through the interest in the courses are door stops, match holders, letter holders, tooth brush racks and what-nots.

Mrs. Srygley says to those who may be thinking of attempting the job she has almost completed, "It didn't seem so difficult because I was so interested in getting the

door completed. I enjoyed it thoroughly, and I'm grateful to Mr. John Gillis, industrial arts head, for his aid in the formation of the door."

The carved door created great attention at West Texas State and during the past week it has been on display in the main hall of the Administration Building. Also, it should be a must on Memphis residents list to see the work of art when Mrs. Srygley takes "part of her house" and returns home.

Funeral Services For Guy Bennett

Funeral services for Guy B. Bennett, brother of H. B. Bennett of Memphis, who died in Harrison Ark., Tuesday night, were conducted at 4 o'clock Friday afternoon in the N. S. Griggs & Sons chapel in Amarillo.

Rev. Earl Hatchett, pastor of the Pierce Street Baptist Church, conducted the service.

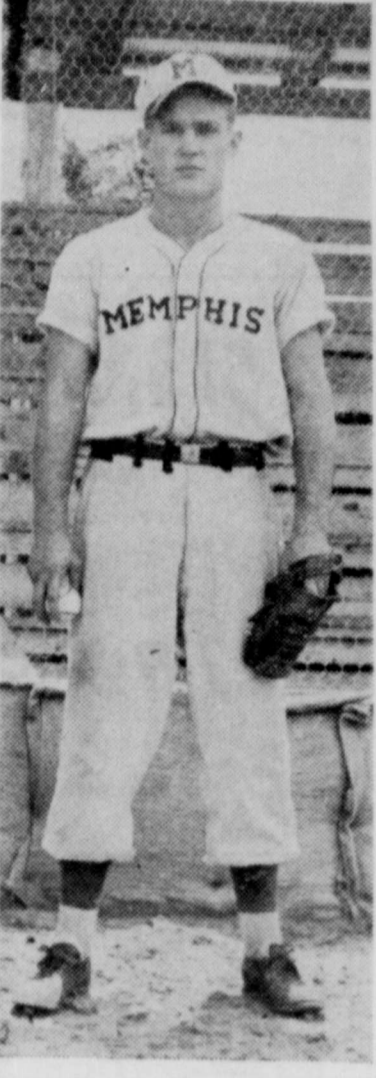

Graveside rites were directed by members of the Frosty Hamrick Lodge, No. 603, of the Brotherhood of Railroad Trainmen. Pall bearers were members of the Amarillo lodge of the trainmen's brotherhood.

Mr. Bennett, 59 years old, died Tuesday after a long illness. He was a retired Rock Island conductor and had been living in Jasper, Ark.

He was a member of the Methodist Church.

Survivors are his wife, Mrs. Elsie Bennett of Jasper; two sons, Guy and Rex, both of Jasper; a sister, and two brothers, H. B. Bennett of Memphis and P. E. Bennett of San Pedro, Calif.

Memphis Stay Is Cut Short For This Man

A young man who arrived in Memphis Friday found out the hard way that the U. S. Postal Department can apprehend law violators as efficiently as it handles the mails.

Adolphus Archer, 22, was picked up by Chief of Police Jim Todd and a postal inspector here on that date for questioning concerning a forged money order on July 17.

Archer was first located by Chief Todd and was later picked up by Todd and the postal inspector.

He signed a statement that covered his action with the money order but claimed he did not remember forging it.

According to Archer's statement, he took out a money order for \$8 on July 15 in Mashougal, Wash., and had it with him on July 17 when he was in Camas, Wash. He said he went into a bar and began drinking

So far it looks like such a year. a year.

The Democrat's 12th biennial election party Saturday night was a success in my estimation. A large crowd watched the returns that came in fast and furious, and by 10:30 sufficient returns were tabulated to decide all the county races—even to know which candidates would be in the run-off the last Saturday in August. It was a quiet and orderly crowd, and the interest was at a high pitch. Election judges brought or phoned the returns as soon as the polls were closed, and those not having completed tabulation at 9 o'clock telephoned again, and then at the close of the tabulation of votes. We, of The Democrat force, appreciate the prompt service re-

dered by election officials and all others who in anyway helped to make the party a success.

In the second primary, only one county race, a congressional race and a few state races are to be decided. The vote will likely be interesting in this county due to the sheriff's race and the race for Congress.

I have had a few items lately about excess spending by the Federal Government. Here are a few others to think about, furnished by a friend in Washington, D. C.: The Government has loaned several million dollars to build three gambling casinos along the French Riviera... It is spending a total of 80 million dollars building a dam in Africa, but has been

squabbling about building a dam on the Canadian River which is to be paid back by towns of the Panhandle... The countries of Europe showing most improvement with Marshall Plan aid are Belgium, Holland and Norway.

Wes Izzard, Amarillo News columnist: Some of our reservists who are under the gun don't appreciate the ribbing they're taking. It's wearing a bit thin. Col. Al Aldrich points out that it's serious business for most of these men, many of whom served in both World Wars, and now are faced with further service. And the same goes for the young reservists, too—the officers of World War II—and the enlisted reserves. They had thought they were through with war, and could settle down to a normal life for themselves. Most of them are glad to do what they can, with the Red wave threatening all of us. Normal life seems an impossibility until we've had some sort of showdown with the Reds. It isn't that they (the reservists) are especially touchy, but they don't appreciate it when some fellow, who has no idea what it is like in Korea or any other battlefield, cracks: "Well, well, thought you'd be over there sticking a knife in some poor little Korean by now." They are getting fed up with the self-appointed humorists at every corner. There's nothing funny about having to pull up stakes and resume the war everybody thought was over.

Bragg and Gurley

(Continued from Page 1) Followed by Ellis Briggs, 481; E. H. (Bud) Godfrey, 271, and T. D. Weatherby, 168.

Another close race was for the County Attorney's office with Wm. J. Bragg defeating C. Land, the incumbent. Bragg polled 1,401 votes to Land's 1,265.

In the other county race with opposition, Incumbent Sybil Gurley defeated Mrs. Agnes Bailey by a vote of 1,607 to 1,246.

The Constable of Precinct 1 race which had attracted a great

deal of attention in Memphis turned into a landslide for Jack Peabody who was elected to the office over four opponents without a run-off. Peabody received 702 of the 1365 ballots cast. W. I. Glosson was second in this race, collecting 291 votes.

Hall County voters indicated a preference for Walter Rogers, Pampa attorney, in the Congressional race, giving him a total of 960 votes. Mrs. Altavene Clark

of Amarillo finished second in this county, gathering 748 votes. LeRoy (Pete) LaMaster of Perryton was third with 498 and J. Blake Timmons of Amarillo trailed with 364. Mrs. Clark led the field in the entire district count, however. She and Rogers will be runoff opponents in the second primary August 26.

This county went along with the trend through the district in electing Allen Harp to the Dis-

trict Attorney -office. He received 2,197 votes as compared with W. M. Tucker's 432. Harp won the race, averaging about five-to-one through-out the district.

TOURNEY PLANS BEING MADE FOR JUNIOR, INTERMEDIATE SOFTBALL

Softball tournaments for all Hall County teams in the Junior and Intermediate ages are being planned for the first two weeks in August, according to League Director Ted Myers.

Myers said all teams in the county wishing to enter this tournament should notify him as soon as possible so they can be included on the schedule.

He said plans call for holding the tournament between Aug. 1 and Aug. 15.

The girls came back into the softball spotlight this week as Lesley outscored the Memphis Red Birds 20-8 Monday night at the City Park. The visitors scored in every inning to run up their decisive victory.

Dennie Clark and Jettie Sams led the winners while Reggy Evans, Lona Collins, Betty Hickey, Donna Webb, Joann Hart, Ann Shankle and Shirley Miller paced the Red Birds.

In the Junior League, Estelline defeated Memphis in an all-star clash, 9-5. The game was played at Estelline Wednesday night.

Buzzy Patrick, Roddy Bice, Rodney Veteto and Rink Evans were leading hitters for Memphis. Tucker, Cooper, Walker, Eddins, Davis and Adams led the hitting for Estelline.

Friday night Jimmy Hill's Longhorns upset the James Moss Wildcats 7-4. Bobby Townsend, Thurmon Widener, Jerry Hill, Jackie Boone and Carrol Gardenhire paced the attack for the winners. Galloway, Stinnett, Roddy Bice and Max McCoy carried the hitting load for the Wildcats. Jerry Hill was the winning pitcher and Galloway was the losing moundman.

Intermediate activity saw the league-leading Cardinals play three games—dropping two but managing to salvage a win over Lesley. The Rebels had the best week, winning two games.

Wednesday night Estelline beat the Cardinals 9-5. Davis was the winning hurler and Lloyd West was charged with the loss.

Cardinal heavy hitters were Troy Taylor, Bennie West, Duke Frisbie and Rayford Hutcherson.

Thursday night Donald Payne's Rebels handily defeated a new team, the Outlaws, 15-5. Don Stewart, Jack Spry, Charles Hartman and Jimmy Stewart led the Rebel attack while Robert Duncan, Billy West, Kenneth Mc-

The Rebels returned to the diamond Friday night to tame the Cardinals for the second time this season in a close 6-4 tilt. Jack Spry was the winning pitcher and Lloyd West hurled for the losers.

The Rebel attack was led by Max Kennedy, Rayford Hutcherson, Wayne Saunders, Jack Spry and Jimmie Stewart. Carl Lee, Deane Miller, Jimmie Gibson, Troy Taylor and Charles Hartman collected hits for the Cardinals.

Monday night the Cardinals regained the win bracket with an 8-2 win over Lesley. It was a furious seven-inning tilt.

Lloyd West worked the mound for the Cardinals while Willis Clark handled the hurling for the losers.

Lesley scored first in the second inning and held the Cardinals for four innings. However, the league leaders begun pounding the ball in the fifth and collected their eight runs in the sixth and seventh frames.

Charles Hartman, Carl Lee and Troy Taylor each collected two runs for the winners. Joe Booth, Gerald Payne, Ronnie Gowdy, Kenneth Sams and Roddy Arnold paced the losers.

THANKS

TO EVERYONE

I want to take this opportunity to extend my sincere thanks to every one in Hall County for their support at the polls last Saturday.

Even though I had no opponent for the office of County Treasurer, I am very grateful for the vote of confidence which was given me.

Again I pledge myself to serve the people of this county to the best of my ability. If I can be of help to anyone at any time, please call upon me.

Appreciation Expressed

by

C. LAND

County Attorney

I wish to thank all my good friends and voters who supported me in the election, and for the fine and splendid help you have rendered me while in office. I candidly state that I hold no ill-will, malice or revenge toward anyone, nor do I blame any one for my defeat.

I have the utmost respect for those who voted against me, and want to say that I shall always abide by the voice of the majority.

As to rumors against me and my conduct in office, I simply want to say that they were untrue. Time will prove the truth of this statement.

It has been a pleasure for me to serve this county as Attorney. I have done my best to conduct the affairs of the office honestly and fairly to the best of my ability. I have no apologies to make, nor am I ashamed of my record, which is wide open for your inspection any time.

Next January, as I bow out with the greatest respect to the majority vote, it shall be with the knowledge that I did my utmost as County Attorney. Any by this statement, I pledge my support to and extend good wishes for my successor in office.

Respectfully submitted,

C. LAND

County Attorney

My Thanks

And Appreciation

... To the voters of Hall County for the support you gave me during my campaign for Sheriff. I want those of you who supported me to know that your confidence will always be remembered and appreciated.

During the past four years I have constantly strived to conduct the affairs of this office in the efficient, fair and honest way that you the voters have a right to expect and demand. I believe my record will bear out this statement.

I also wish to thank you residents of Hall County for your splendid encouragement and cooperation during my terms as Sheriff. As I said before, I have always tried to conduct the affairs of this office on the highest level that such support demands.

It has been an honor and a privilege to serve you during the past four years. And I want you to know that the end of my term in January does not mean the end of my friendship for you. For, while I will not be a public servant, I will always look forward to being of any possible assistance to you as an individual.

Again I thank you.

Aphid, Bollworm—

per acre.

"TEEP may be used alone or it may be included with the toxophene-DDT spray which is being used for the control of other insects," Hooser said.

For dusting bollworms, he suggests 20 per cent toxophene-40 per cent sulphur or 3-4-40 mixture at the rate of 10 pounds per acre.

Toxophene or 2-1 mixture at the rate of three pounds per

acre is recommended for spraying bollworms.

Hooser said these sprays or dusts should be applied at five-day intervals.

He urged all farmers to check their crops and to obtain the necessary equipment and spray to fight the insects.

Hooser said the leafworm, reported in surrounding counties, has not yet dangerously infested Hall County crops.

According to law, a minimum of three persons can create a riot.

"Blithe Spirit"

as Dr. Bradman; Helen Boswell as Mrs. Bradman, and Mary Helen Sexauer as Elvira, the first wife.

The plot of "Blithe Spirit" revolves around the return of Elvira, dead for seven years. Her return ends the peace and quiet of the Condomine household. She is a very active "spirited" and brings many hilarious and confusing situations to the play's action.

Tickets for this production are now on sale at Tarver's Pharmacy or may be purchased from members of the Little Theatre.

Curtain time Tuesday night is at 8:15 o'clock.

County for 44 years, died in a local hospital Wednesday.

She was born on Nov. 16, 1879, and was married to Ben Smith on May 6, 1897. The family moved to Hall County in 1906 and made their home in and around Lakeview until Mr. Smith died in 1923.

Mrs. Smith was a member of the First Baptist Church here.

Survivors include one daughter, Mrs. Pauline Pruitt of Lubbock, and five sons; James B. Smith, Lelia Lake; Drew Smith, Goodnight; George L. Smith, Duncan, Okla.; Carl Smith and Richard Smith, both of Memphis.

Two brothers and two sisters also survive.

Other survivors include 14 grandchildren. One daughter preceded her in death.

Last Rites Set For Friday For Mrs. Ben Smith

Funeral services for Mrs. Ben H. Smith, 70, will be held Friday at 2:30 p. m.

The last rites will be held at the First Baptist Church. Rev. Earnest Phillips and Rev. Roy Shahan will officiate. Burial will be in Lakeview Cemetery under the direction of Murphy-Spicer Funeral Directors.

First Christian Revival Meeting Ends On Sunday

With special programs planned for each service, the First Christian Church revival will draw to a close Sunday night.

There will be services tonight and Friday evening and two Sunday meetings, according to Minister Bedford Smith, pastor.

The evening services begin at 8 o'clock and the Sunday morning service is scheduled for 10:50 o'clock.

Evangelist George Menge is conducting the revival. His subjects for the final four services are: "Where Art Thou?" Thursday; "One Minute After Death," Friday; "Jesus Saves," Sunday morning and "The New Testament Church," Sunday night.

Tonight's services have been designated as "Mother and Daughter" night. Friday the youngsters will be featured in a special Booster Club program and Sunday at 9:45 a. m. is Bible School Homecoming.

Those attending services Sunday will bring their dinners and will eat together at the church at noon, Minister Smith said.

The Booster Club will also meet Friday morning at 10 o'clock and the youngsters from 5 to 16 years of age will be treated to songs, films and candy scrambles.

A highlight of the service tonight will be religious dramatic readings by Mrs. Menge, it was pointed out.

WEEDS AND PESTS TAKE A LICKING WHEN YOU USE A MASSEY-HARRIS NO. 2 SPRAYER

... and the result is clean, high yielding fields... crops that produce better because they're stronger, healthier. In the new Massey-Harris No. 2 low gallonage Sprayer you have a front-mounted tool custom designed to reduce weed, insect and cultivating expense.

The pump on the No. 2 is P.T.O. driven... small, compact, out of the way. Made of bronze it resists corrosion, lasts longer. You control pump and boom pressure right from your place on the tractor seat. Booms are specially toughened aluminum, 20 or 30 feet long, with nozzles spaced 20 inches apart. Nozzles are of all brass with removable tips and screens... the bases remain in the boom. Ample filtering capacity means reduced clogging, fewer stops in the field.

Stop in soon for complete details. Let's talk over this new method of applying 2, 4-D and D.D.T.

Braniff Named Brotherhood Group Officer

T. E. Braniff, president of Braniff International Airways, has been named to the steering committee of the World Organization for Brotherhood, a kind of global counterpart of the National Conference of Christians and Jews, Hastings Harrison, vice president and Southwestern director of the Conference, announced today.

Braniff, a national co-chairman of the Conference, met recently with Protestant, Catholic and Jewish leaders from North America and Western Europe in Paris, France, to set up the world organization.

Harrison said that the goal of the world Organization for Brotherhood, like that of the National Conference of Christians and Jews, will be to develop the

Braniff of Dallas, president of Braniff International Airways, has been named to the steering committee of the World Organization for Brotherhood, a group recently formed in Paris, France, to fight intolerance on an international scale. The world organization will be patterned along the lines of the 22-year-old National Conference of Christians and Jews in the United States, of which Braniff is a national co-chairman.

4-H CLUBS ARE OBSERVING FARM SAFETY WEEK, JULY 23-29

National Farm Safety Week is being observed throughout rural America, July 23-29. Therefore we feel that now is the time to salute another nation-wide safety activity in progress 365 days a year.

It is the 4-H Farm and Home Safety program carried on by nearly half a million 4-H members between the ages of 10 and 21. We are told that these youth—who conduct safety surveys of their home farms and neighboring farmsteads—have the best organized safety program in the rural field. They not only ferret out hazards, but follow through and correct thousands of unsafe conditions relating to farm machinery, livestock, homemaking, recreation, motoring, and scores of other things.

Since the project was launched on a national basis eight years ago, enrollment has increased five times. This would indicate that our farm boys and girls have steadily become more safety minded. It means, also, that in addition to the 4-H'ers themselves, safety education has reached parents, residents of the local community, club leaders, and extension personnel.

So it seems a foreign conclusion that many times the half-million young folks taking part in the 4-H safety program are influenced and benefited. Perhaps this widespread flux of safety knowledge will prove to be a direct route to decreasing the 17,500 fatal accidents to farm people each year; or save some of the 35,000 farm buildings destroyed by fire; or put to constructive use the \$1,000,000,000 in losses annually represented by these disasters.

For furthering 4-H farm safety education, we take off our hats to General Motors for its interest in rural youth and its public spirited action in providing \$10,000 in awards annually; to the Nation-

al Committee on Boys and Girls Club Work for arranging the program; and to the Cooperative Extension Service for directing the activity.

understanding between the members of the various religious groups. The Conference, through the medium of education, has worked to promote the broad principle of the brotherhood of man under the fatherhood of God since its founding 22 years ago by former Chief Justice Charles Evans and other American leaders, Harrison said.

TO THE VOTERS

Please accept my sincere and humble thanks for the confidence placed in me as shown by your vote on Saturday.

Allen Harp

DISTRICT ATTORNEY

THANKS

Thank you, friends, for voting for me in the First Primary last Saturday. I want you to know that I do appreciate the support you gave me.

And I want to thank my opponents for their attitude toward me during the recent race.

I intend to continue to make an active campaign for the office of Sheriff until the Second Primary on August 26. From now until the date of the run-off election, may I ask that every voter in Hall County consider my candidacy seriously. If I am elected your Sheriff, you will get the best that is in me, which is the least I could do to merit the confidence placed in me.

Sincerely,

E. S. (Peck) Morrison

SHERIFF
of Hall County

Woman's work is never done!

WOMAN'S WORK IS NEVER DONE—that's not just idle talk. The average housewife works 63 hours a week. And she performs 70 different tasks in one day's work, which is proof positive (if anybody needs it!) that housekeeping is a rugged job!

Of course, today's housewife has many electric helpers to lend a hand and take much heavy work out of housework. But even the finest appliances need something else—low-cost, dependable electric service to give them life and usefulness.

That's why it's a compliment that West Texas housewives take electric service for granted. You flip a switch and know your electric helpers are ready.

You can take its economy for granted, too. For your electric service is just about the smallest item in your family budget. It costs less than a pack of cigarettes a day, yet it help you sew, cook, clean, wash and iron, guard your health, cools your home, heats water, entertains you. *What else gives you so much living value—at such little cost?*

Error Aids Rally As Owls Beat Paducah 4-3

A fabulous ninth inning rally that wrote real "story book" finish to the game gave Memphis a squeaky 4-3 victory over Paducah at Estes Park Sunday.

The RRV tilt was quite a thriller—one that saw the Owls add three runs in that final frame, thanks to a Paducah error.

Trailing 3-1 with one out, Williamson began the rally with a single. The next two batters—McKay and Veltman—were issued walks.

With the bases loaded, the Paducah second baseman, Harper, bobbled in trying to handle Edmondson's drive and the three runs came home.

It was a tough game for Paducah hurler Riley to lose. He limited the Owls to three hits while his teammates were collecting 12 off Memphis moundman, Ed Matthes.

The visitors scored runs in the third, fourth and eighth innings. The first Memphis tally came in the fifth when Veltman singled and later reached home on Stonecipher's one-base hit.

Betty Goodall returned home Friday after visiting in Waco with relatives. She returned home with Dr. Edwin Goodall who had been in Gatesville a few weeks.

Herschel Ledford of Wichita Falls spent the past week end with Mr. and Mrs. J. C. Ledford.

STARTERS—Bobby Crooks, left, and Kenneth McQueen are expected to be starters for the West all-stars when they clash with the East squad in the first annual Greenbelt Bowl at Childress August 11. Some 40 high school stars from 24 towns and cities will make up the hosters of the two clubs.

Crooks, McQueen Slated For All-Star Activity

Memphis football fans will have a real interest in the first annual Greenbelt Bowl game which will be played in Childress August 11. Two members of the 1949 Cyclone team—Bobby Crooks and Kenneth McQueen—and Coach Charles York will take active part in this tilt. Crooks and McQueen are expected to be mainstays in the West team and Coach York will help tutor that squad.

The sponsor of this all-star clash—the Childress Quarterback Club—has divided the array of talent which will be on hand into East and West squads. They have invited 40 youngsters who wound up their high school grid careers in 24 towns and cities of this area to play in the game.

Dick Todd, former Texas A & M star, will be head coach of the West squad and Ki Aldrich, who was one of the outstanding centers in Southwest Conference history at TCU 12 years ago, will direct the East all-stars.

York, Charles Ezell and Buc Garrett, both of Childress, will assist Todd and Maxie McKnight will work with Ezell.

The West squad has a weight advantage over their opponent but the roster released by the Childress Quarterback Club this week indicates that the boys "from the East" are loaded with the top talent of this area.

Memphis, Clarendon, Shamrock

and Wellington are the four District 2-A teams that will be represented. Memphis and Clarendon boys will play with the West squad while Shamrock and Wellington youngsters are members of the East squad.

The offensive game should be the highlight of this tilt if the coaches can whip the teams into smooth units during their week of practice.

Crooks and Melvin Eldridge of Sanford should provide the West club with speed aplenty at the halfback slots. For power, Coach Todd can certainly expect some results from chunky Charles Radford of Quanah. Memphis fans will remember this boy as the "human steamroller" who pounded the Cyclone line with such force in the clash of the two clubs last fall.

Jimmy Jenkins of Clarendon or R. L. Gieske of Matador may operate from the up-under slot if the West uses T-formation offensive play. They are probably the best passers on tap. Other backfield performers for the West will be: R. L. Gieske, Matador; Jack Logan, Turkey; Bob Lane, Turkey; and Kenneth Buckley, Childress.

Up front the west can call on 11 boys for service: McQueen, Dale Smith, Claude; Bruce Winn, Canyon; Joe Ward, Quitaque; Junior Perry, Floydada; Bobby Adcock, Panhandle; Gene White, Clarendon; Charles Mason, Kress; Granville King, Childress, and Charlie White, Quanah.

And while this looks like the makings of a fine team, don't think the East is hurting for talent. Led by Wichita Falls' all-state Billy Bookout, this squad should certainly be favored ac-

ording to past performances of the players.

Bookout, whose ability helped pace Wichita Falls to the AA state titles last year, will have such top-notch backs as Rouse Todd of Crowell and Danny Powell, a triple threat man from Archer City, to help him. And that is to say nothing of Joe Dale Hollis from Hollis, Okla.; Gerald Smith, Elk City, Okla.; Lloyd Morrison, Chillicothe; Bill James, Vernon; H. C. Knox of Graham, and Bobby McCrutchen of Wellington.

On the East line will be: Keith Aulds, Chillicothe; Rogers Melton, Wellington; Don Fritz, Wichita Falls; Johnny Cruch, Vernon; Trent Turpin, Burkburnett; Bob Penick, Wichita Falls; R. G. Harris, Vernon; Richard Martin, of Jacksboro; Gene Hammil, Shamrock; Stan Robertson, Hollis, and Earl Tarbit, Shamrock.

For weight, the West line fig-

ures to average 193 pounds from end-to-end as compared with the East's 176. Their backfield will be approximately 163 pounds while

the East will average 163 pounds. Tickets are now on sale and may be ordered in writing to the Chamber of Commerce in Childress. The National Football League is the sponsor.

To the People of Hall County:

It is my purpose now to thank you sincerely for your very fine consideration in the past election. This year I have made no solicitations except through the original newspaper announcements; passed out no cards; no oral solicitations to any one. Yet you generously gave me the nomination for county judge. Again I thank you.

James Freeman Clarke said, "A politician thinks of the next election; a statesman of the next generation."

The latter thought is my ideal. Keep good long time results in mind rather than mere vote seeking.

Statesmanship, however, should not be monopolized by people in office. It is equally fine when it crowns the private individual.

I desire more than anything else to ask of you citizens of Hall County the favor of your constructive co-operation in county matters affecting days to come as well as present needs. For a few officials cannot do it all wisely all the time. Your aid is really needed.

In other words, let's work together for both present and future good of all; eliminate waste where possible and use sensible economy.

Very truly yours,

M. O. Goodpasture

County Judge

TOO MANY WIVES—Charles Condomine, central figure in Noel Coward's comedy, "Blithe Spirit" which will be presented here August 1, finds himself with an extra wife on his hands when Elvira, dead for seven years, returns while Condomine and his present wife, Ruth, are attending a seance. Things really happen when Elvira returns to haunt Charles and his present family. Mrs. Nell Beeson, left, will play the part of Ruth in the coming production and Mrs. Mary Helen Sexauer will be seen as Elvira. The play is being produced by the Little Theatre. (See story, page 1.)

The School committee are the following Conference officers: Committee Chairman, Mrs. M. B. Hillburn, Lubbock; Vice-chairman, Mrs. U. D. Crosby, Lubbock; Registrar, Mrs. C. C. Coffee, Lubbock; Secretary, Mrs. Sam B. Cook; Pampa; Treasurer, Mrs. Paige Gollihar, Spur; Literature Chairman, Mrs. J. R. Moore, Amarillo; Devotional Chairman, Mrs. J. E. Peters, Post; Music Chairman, Mrs. George Robertson, Childress; Librarian, Mrs. George Turnley, Amarillo.

Special emphasis is being placed on the courses of study to be presented during the year and each member of the school will be allowed to take one study and receive credit on it during the two fifty-minute periods of class instruction offered each day. The studies and the persons who will direct them are as follows: "The Near East", Miss Dorothy McConnell of New York, editor of World Outlook and Miss Charlie Holland of Lufkin, Texas, a returned missionary from Japan; "Cooperation for Christian Community", Miss Estelle McIntosh of Clyde, Texas, a deaconess in Rural Work in Arkansas and Mrs. J. B. Davis of Amarillo, formerly a teacher in Panama Public schools; "Cooperate Worship", Mrs. C. A. Farming and Safety

It should come as a distinct shock to everyone to learn that farming is the third most hazardous occupation in America. Farmers have always known that their job is a hard one, calling for long hours, careful planning, and a keen understanding of the close relationship between nature and science that are necessary to produce enough food each year to feed 150,000,000 citizens—not to mention much of the rest of the world.

However, perhaps even the farmer does not realize how hazardous his job really is. According to the Association of Casualty and Surety Companies, which is cooperating with the President's Conference on Industrial Safety to emphasize the need for greater occupational safety, one farmer in every 15 is temporarily or permanently injured while plowing a field, milking a cow, riding a tractor, or doing any number of other chores.

Last year in America, more than 300,000 farmers suffered disabling injuries on their jobs. 4,400 others weren't so lucky. They were killed by falls, machinery, animals, or other "potential hazards."

Statistics show that 22 percent of disabling injuries on farms occurred last year between January and March, 26 percent from April to June, 31 percent from July to September, and 21 percent in the last quarter of the year. Naturally, as these figures indicate, the summer months are the most hazardous months of the year for the working farmer.

Unless care is taken, accidents will kill an average of 48 American farm residents, every day during the next 12 months. These deaths and accidents on our farms cost the nation \$75,000,000 each year. Who can measure the added cost in human lives and human suffering? Farmers everywhere might well remember these figures.

Doctors and Editors

In a coast-to-coast radio address, the new president of the American Medical Association, Dr. Elmer L. Henderson, said, "The newspapers of America, with few exceptions, have taken a strong stand, not only against socialized medicine, but against all forms of state socialism in this country—and the doctors of America are proud to take their stand beside the fighting editors of America in the battle to save our freedom and the system of individual initiative which maintains it."

This position of the American press is not surprising. Newspaper people have an exceptionally good understanding of what socialism has done to the economics and liberties of other peoples—and they are completely aware of what it could do here. The welfare state, despite all the attractive theoretical arguments in its behalf, has a grim habit of turning into a slave state.

As for socialized medicine, it is simply part of an all-inclusive scheme to have the government run everything and everybody—under the camouflage of benefiting everything and everybody. Government medicine and government in business and government regimentation of our resources and energies all come out of the same ideological bin. All are spokes in the socialistic wheel.

The splendid support the doctors have been given in their fight to preserve medical freedom—and to preserve

THE FINAL PUSH?

medical progress with it—certainly proves that more and more Americans understand that what is at stake is the system of government this country has always stood for.

Press Paragraphs— QUOTING OUR NEIGHBORS

Big City Advice
The Dallas News cuts loose with some free advice to West Texas communities searching frantically for additional water supplies: Don't have anything to do with the Bureau of Reclamation, they're a bunch of bureaucrats.

Piously the News observes: "The Federal Government, through the Corps of Engineers, has jurisdiction over navigation and flood control and other improvements on navigable streams. It is now at work on several such projects in Texas largely with federal funds. Others may be taken up later. But efforts of the Reclamation Bureau to take over should be viewed with suspicion."

The News calmly ignores the fact that the Corps of Engineers took itself out of the West Texas picture, on the grounds that there was no flood control problem here. Certainly there are no "navigable rivers."

West Texas turned to the Bureau of Reclamation because there was nowhere else to go. The problem is too big for West Texas communities to solve unassisted.

Why shouldn't Dall and Ft. Worth, both of which have been

mighty free with their advice to West Texas, be perfectly satisfied with what the Corps of Engineers is doing for them? They are getting huge new municipal water supplies at government expense. West Texas can't get this kind of "bureaucratic" assistance for, say the Engineers, it has no flood problem.

We are getting just a little bit tired of being talked down to, and advised to steer clear of the only government agency that has offered any encouragement whatever toward solution of West Texas' water problem, which is ten times worse than Dallas or Fort Worth ever had to contend with.

Naturally, Dallas and Ft. Worth are perfectly satisfied with the status quo ante bellyache. They are getting all the water they need, for free, and if the Bureau of Reclamation should start throwing money around in West Texas, it might result in reduction of some of the huge funds they have been getting from the Engineers.—Abilene Reporter-News.

Comfortable Living
The theme of better things of life, happiness and security in our time, go through much of the advertising that you have been reading since the days of the last war. With increasing intensity we are seeing pictures depicting comfort, leisure, pleasant surroundings, happy families gathered about enjoying the things which they dream of others having and which they so desire. All of which does present in actuality the way many of

us, practically all, are thinking. Such an attitude, pleasant and desirable as it may be, is poor preparation for a struggle that may become one of a great deal of strain, on homes, on business, on the working man. The enemy is one which is prepared by hard times, by denial and by hardship. He lives better in the army than at home. His mental attitude is better than our own, his fighting men have no choice as to the kind of warfare they wish to prepare for. They raise no hell about the pay. This is a statement of the conditioning of people for the struggle which America is entering that may last two or three generations. It is not an argument that we ought have been (Continued on page 7)

TURKEY HOST TO CROWD—The Turkey Booster Band, assisted by Turkey's good citizenship advertised their two day picnic and barbecue, and they advertised it well, judging from the great crowds that attended last Friday and Saturday. The crowds began to gather early Friday morning and by 11 o'clock when the band began their concert, the streets were crowded with good natured visitors, all pepped up ready for a big time.
MYSTERIOUS QUAKE SHAKES HOUSES—An unaccountable jar, thought to be a shock from a distant earthquake, shook the entire city this morning at exactly 6:13 o'clock. The disturbance was strong enough to rattle the windows in the buildings and to awake the sleepers.

MEMPHIS' TREE SITTER STILL IN AIR—In spite of the severe heat and an attack of black ants, Archie Bagwell, 11 year old tree sitter is still on his perch in the large cedar tree in front of his home on South 16th St. At four o'clock Thursday afternoon, Archie had been in the air exactly 168 hours or seven days, and is still going strong, without any signs of weakening. "I am going to beat those Amarillo boys if it takes until September," he said.
WEST TEXAS UTILITIES HAS NEW HOME—Friday night and Saturday morning of last week, the West Texas Utilities Co. moved into their new building at the corner of Seventh and Brice street from their location on Main Street. The moving was accomplished under the general supervision of George Spann.
DISTRICT FAIR PLANS TAKING SHAPE—Progress in every department of the Hall County District Fair was reported this week by officials of the organization. In fact, it was stated that work on the Fair is much more advanced at this time of the year than was the case last summer.

ing completed, pick-up trucks arranged for and men to man them hired... and all that's needed is a couple of days of all-out cooperation on the part of our citizens.

The clean-up drive will be conducted by the Canadian Chamber of Commerce, with the cooperation of the City Commission. Both organizations will furnish trucks, men, and mowing machines... to haul off trash and clear off weeds and high grass which now choke our alleys and vacant lots.

Men and women have been assigned to serve as block captains in each residential and business block within the city limits, to personally contact their neighbors and enlist their cooperation. Do your part by helping your block captain... get your own property cleared up.

Let's make this a good one. Certainly, one clean-up campaign a year isn't going to make Canadian a spic-an-span town. The weeds will come back... overnight perhaps; and junk and trash will accumulate again. But a well-organized clean-up drive on a city-wide basis once a year will help... and if it's successfully carried out, it may encourage efforts to keep things that way.

If you don't think it's needed now, take a look at our alleys today. And a glance at a lot of our streets might be convincing.—The Canadian Record.

VET PROBLEMS AND ANSWERS

Q. Is compensation ever paid by Veterans Administration for disability due to misconduct?

A. Compensation may be paid under such circumstances if the disability was not due to the veteran's own willful misconduct. Pension for nonservice-connected disabilities will not be paid if it is determined they are due to veteran's willful misconduct or vicious habits.

Q. My sister was in the Women's Army Auxiliary Corps when it was first organized. Is she eligible for VA benefits?

A. She may be entitled to hospitalization and burial, but women in the WAAC are not considered as having been in the active military service for the purpose of establishing entitlement to other VA benefits. The U. S. Employees' Compensation eligibility to compensation for those members of the WAAC who were physically injured or killed in the performance of their duty.

LEADING PARTS—Roselyn Williams, left, and Mac Wilson, Jr., will have important roles in the Little Theatre production of Noel Coward's play, "Blythe Spirit," which will be presented here August 1. Miss Williams will play the part of Edith, the maid, and Wilson will be seen as Dr. Bradman. (See story, page 1).

Q. My grandson is receiving compensation from VA because his father was killed in battle. I am now in dire need and had my son been alive, he would have been my sole support. May I file a separate claim for compensation?

A. Yes. Q. Three men in the shop where I am taking on-the-job training under the GI bill have been injured in the past month. In case of an accident to me, will VA pay my hospital expenses at a local hospital?

A. No. Any disability incurred while in training under the GI Bill does not entitle you to hospitalization, but you may establish eligibility to VA hospitalization of your war service.

Last Rites Held For Sister Of Leon Randolph

Funeral services for Mrs. V. A. Liner, 48, were held at the First Baptist Church in Merkel Saturday at 4 p. m. Mrs. Liner was the sister of Leon Randolph of Memphis.

She died at 4:45 a. m. Friday in a Merkel hospital.

Rev. W. T. Hamnor, pastor, of the Stith Baptist Church conducted the last rites. Burial was in the Rose Hill Cemetery.

Mrs. Liner was born on Nov. 26, 1901, in Hopkins County and married V. A. Liner there in 1924. The family moved to Archer County in 1926 and to the Merkel area in 1937.

She was a member of the Stith Baptist Church.

Survivors include her husband two daughters; Mrs. Betty Brown of Merkel and Dolly Fern of Stith, and three sons: Alfred T. Liner and James J. Liner, both of Anson, and Jerald D. Liner of Stith.

Five brothers survive: Leon Randolph, Memphis; Orby Randolph and Hervey Randolph, both of Dallas; Rev. T. B. Randolph, Marshall, and John Randolph of Greenville.

One sister, Mrs. Flora Lee Cosby of Houston, and two grandchildren also survive.

MRS. W. B. WILSON, JR.

Formal Church Rites in San Saba Unite Miss Gloria Gosch and W. B. Wilson Jr.

The First Baptist Church in San Saba was the scene of nuptial rites performed at the twilight hour Monday, July 17, to unite in marriage Miss Gloria Gosch, daughter of Mrs. Clarence Gosch, Sr., and the late Mr. Gosch, prominent San Saba druggist and banker for many years, and W. B. Wilson Jr., son of Mr. and Mrs. W. B. Wilson, Sr., of Memphis. Rev. Don Hendricks, pastor read the double ring service in the presence of 400 friends and relatives.

Members of the bridal party entered the church to stand before an improvised arch covered with sala and commodore fern, centered with white wrought iron candelabra bearing lighted tapers. Grecian columns and arrangements of white gladioli and asters tied with white satin bows were noted at each side of the arch. The setting was completed with the addition of fern trees in the in the background.

Music for the wedding was provided by Mrs. Jack Sullivan, pianist, and Mrs. Inez Garrett, vocalist. The latter sang, "I Love You Truly", and "Because". At the conclusion of the ceremony she sang "The Lord's Prayer" with accompaniment by Mrs. Sullivan who also played the traditional wedding marches for the processional and recessional.

Preceding the ceremony, Misses Emilie Everett and Janet Harris, cousins of the bride, lighted the candles. They were attired in

full length dresses of orchid organza accented by yellow feathered carnation wristlets.

The bride, given in marriage by her brother, Clarence Gosch, Jr., was attired in a gown of frosty white organza designed with a full length skirt embellished with bands of embroidered eyelet and a detachable organza train. The embroidered eyelet bodice had short sleeves and a protrait neckline and her fingertip imported illusion veil floated from a fanfluted tulle bonnet sprinkled with pearls. The bride completed her costume by carrying a white Bible topped with a bouquet of Gardenias and lilies of the valley from which white satin ribbons were showered.

ATTENDANTS
Mrs. R. D. Aubrey, Jr., of Houston, aunt of the bride, was matron of honor. She wore a formal frock of blue organza fashioned with full skirt and fitted bodice and carried a white satin basket filled with yellow roses.

Mrs. Pat Murray, Mrs. John R. McReory, Mrs. Tim Sterner, Mrs. Emmitt Lloyd Byrd of San Saba, Mrs. Clarence Gosch Jr., of Lubbock and Mrs. Farris Farley of Abilene were bridesmaids. They wore dresses identical to the matron of honor in rainbow colors, and carried green satin baskets filled with yellow roses. Matching organza mitts and head bands of puffed organza completed their costumes.

Kermit Monzingo served as best man and ushers were J. R. Mitchell, Arlis McBee, Bill George Kesterson, Lee Brown, Herschel Combs and Dr. Edwin Goodall.

RECEPTION
Immediately following the wedding ceremony, a reception was held in the gardens at the home of the bride's mother. The bride's table was covered with a yellow cloth, featuring swags of yellow tulle with small green satin bows caught at the corners of the table and tied with large green satin bows.

The five tiered wedding cake was decorated with baskets of white roses, hearts, tiny doves and topped with the traditional bride and groom. Garlands of yellow asters and fern surrounded the cake and hurricane lamps flanked the arrangement.

Both the bride and groom are well known in Memphis. Mrs. Wilson has taught in the home economics department of the local high school for the past two years and her groom was reared in this city.

Mrs. Wilson attended Baylor University, Waco., three years, transferring to West Texas State College, Canyon where she received her BS degree. Her maternal great-grandmother, Mrs. Francis Rogers Harris, was one of the early graduates from Baylor when it was located at Old Independence.

Mr. Wilson is a graduate of the local high school. He attended Texas Tech College, Lubbock, and SMU. At the present time he is associated with his father in the Insurance Business in Memphis.

Upon their return from a wedding trip to New Mexico and Colorado, Mr. and Mrs. Wilson will be at home in Memphis.

For traveling, Mrs. Wilson chose a dark aqua suit with sheer blouse, brown and white spectator shoes, bag, white gloves and small brown and white panama. She wore a corsage of gardenias.

Out of town guests attending the wedding were Mrs. Minnie Neal, Tulsa, Okla., Mrs. Bama Hunter, Los Gatos, Calif., Mrs. Eleanor Pace and Gordon Damon, Austin; Mr. and Mrs. C. B. Smith, Temple; Mrs. L. C. Brown, Mrs. Pauline Duncan, Mrs. Carlos Ashley and Miss Carrie Beveridge Llano; Mrs. H. O. Timmins, San

THANKS, EVERYBODY

I am sorry that I had to be confined to a bed since July 17th, and could not get out and during the last week before the election.

I do want you to know that I appreciate what was done for me. I shall continue to be a sportsman, and graciously accept the will of the voters.

T. D. WEATHERBERRY

Sincere Thanks

Thanks to all of you people who voted for me in the First Primary Election last Saturday. And to you folks who did not vote for me, please remember that I will not let any ill-will for your decisions.

It will be my intention to run the County Attorney's Office in a manner to conform with the laws of this state, and with the wishes of the citizens of Hall County.

Thanks again, for your confidence in me

Wm. J. Bragg

Thanks To The Voters Of Precinct No. 1

I am deeply grateful to the voters of my precinct for your vote and your confidence in electing me to another term as your commissioner.

I appreciate my opponent's conduct and attitude toward me during the campaign. I feel that he ran a clean race. For this I am also grateful.

I intend to do the best I can for the people of Hall County. I want to do an even better job than I have done in the past. At any time that any person desires to discuss county affairs with me, I'll be happy to do so. I shall have an open mind at all times, and will continue to do all I can for Hall County with the funds available. Also, I shall work toward holding down expenses in order to get the most for every dollar spent.

Thanks agani to everyone. Remember, I'll be working for you all the time.

DO NOT THROW AWAY THE KEYS TO TRUE FREEDOM!

The longer a sick man refuses to face the truth, the less chance he has to get well. Just waiting to see what will happen, or doing nothing about one's personal health until serious damage is done, is as unreasonable as locking yourself in a room and throwing the key out the window.

Your Doctor cannot get you well without your cooperation. Give your Doctor the facts that will help to open the door. Vital health is worth working for.

Some wise man has said, "you do no good by helping a man up—if he cannot stand on his feet. It is innate that man must do for himself."

The two most important keys to true freedom are: HEALTH that will fully free your brain and body for achievement; WORK, as a free man or woman, to pursue the opportunities so rich at hand.

Put forth the personal effort to make and keep these keys your own.
