GRESS ALL-STAR GRID GAME PRIZES SMALL SCHOOL BOYS

Annual Greenbelt All-star game which will be held Friday night, is a new experiment in bringing recognition to the grid-ders from the smaller high schools.

"Dub" Nelson and O. B. O'Dell—two members of the Childress Quarterback Club which is sponsoring this game—were in Memphis last week to sell tickets and promote the game in general.

"We are getting some swell response from coaches, players and fans alike," O'Dell said. "The people in the smaller towns of this area are welcoming this opportunity for their football stars to receive some of the recognition they deserve."

He pointed out that each team is limited to six players from AA schools with the remainder of the 20-player squads coming from A and B schools in this area.

The other schoolboy all-star games in the state rarely use boys from the smaller schools," he said. "However, we are placing the emphasis of our game on these boys."

"And we think our game will offer the fan as fine an exhibition of outstanding football ability as any that are being played today," he added.

The players have been divided into East and West teams for this game. Dick Todd and Ki Aldrich—two of the great names in southwestern football history—will coach the clubs. Aldrich, (Continued on page 8)

Lions Hear Debate To Increase Ages Of Legislators

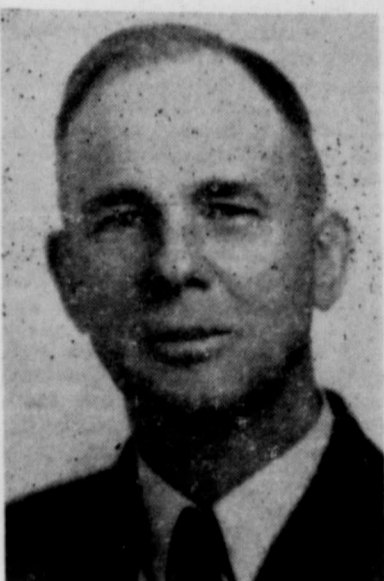

Members of the Memphis Lions Club heard a debate on the question of raising the age limit of State Representatives and Senators at the regular luncheon Wednesday. Debating the issue were Lewis Foxhall and Ace Gailey.

Foxhall contended that the age of representatives should be increased from 21 to 25, and that of senators from 26 to 30. Gailey took the position that present laws governing ages should remain unchanged.

The members were polled after the debate, which showed that by a vote of 19 to 18 the group favored the present age limits.

A resolution requesting that the age increase be submitted as an amendment to the constitution will be presented by the Hall County delegation to the Democratic state convention in Mineral Wells next month. This resolution was the basis of the debate.

Although the members did not vote in favor of raising the age limits, they voted unanimously to submit the question to the people of the state in the interest of better government.

F. E. MONZINGO H. A. FINCH

F. E. MONZINGO ANNOUNCES SALE OF A-C, GMC DEALERSHIP TO H. A. FINCH

A business transaction of wide interest in this county—particularly to the farmers—was announced this week when F. E. Monzingo disclosed that he has sold his All-Chalmers farm equipment and GMC truck dealerships to Howard A. Finch.

Finch said he took over active management and ownership of the business on August 1.

"We will have the same complete staff of employees and will maintain the business in the same location," he pointed out. "It will be our sincere effort to offer the

farmers of this area the same service and cooperation they have received from Mr. Monzingo in the past.

Monzingo, who had operated these two dealerships in Memphis for the past 14 years, said had health is forcing him to retire from this business.

"I deeply regret the necessity of my retiring from this business," he said. "Particularly because I will now miss the daily contacts with the wonderful people of this county who have been my customers during the years I have been in business here."

"It has been a great pleasure to me to have operated a business in Memphis and this enjoyment I received is mainly due to the fine people whom I have had the privilege to serve," he said. "I am sure that Mr. Finch will continue to run this business with the policy on which it was founded—that the customer comes first."

Monzingo said he had no definite plans for the future to announce at this time.

Pioneer Farmer Buried Tuesday In Hulver Rites

Funeral services were held Tuesday at 3 p. m. for A. C. Orcutt, 86, retired farmer and 45-year resident of Hall County.

Mr. Orcutt died at his home in Memphis Monday. He had lived here for the past six years.

The last rites were held at the Hulver Methodist Church with Revs. A. V. Hendricks and S. C. Denton officiating. Burial was in Hulver Cemetery under the direction of Murphy-Spicer Funeral Directors.

Pallbearers were members of the Estelline Odd Fellows Lodge: H. M. Long, R. J. Gilbert, Bill Hayes, Clinton Richburg, Paul Buchanan, Tom Sweett, Charles Snowdon and Carl Miller.

COUNTY CONVENTION DEMANDS RETURN TO STATES' RIGHTS

The Hall County Democratic Convention—in contrast to similar meetings throughout the state—went off smoothly Saturday afternoon as delegates were elected to the state convention and nine resolutions were adopted to be presented at that meeting.

N. W. Durham was elected chairman of the county convention and Ace Gailey named secretary in other business of the day.

The precinct delegates approved nine resolutions strongly advocating a reversal in the "nationalistic trends" of our federal government and asking a return to "state's rights" practices as laid down by Thomas Jefferson, first great leader of the party the South has consistently supported.

Briefly summed up, these resolutions include: 1. Return of Tidelands to the states, pointing out that such rights were guaranteed when Texas joined the Union and charging that the United States government has not kept its word.

2. Condemning the spending of Democratic campaign funds by the National Democratic Executive Committee to encourage and advocate socialistic trends in our government.

3. Passage of a national law requiring a loyalty oath by legislators, public officials and officers and employees of any organization that might affect public welfare or well being.

4. Opposing federal aid to education.

5. Urging national economy.

6. Demanding that labor bear equal legal and moral responsibility to capital in their present controversy and requiring a loyalty oath from labor union leaders and members.

7. Opposition to the present trend of "centralization of power to nationalize the country" and urging the administration to respect the rights of the various states and cease its attacks against them.

8. Favoring submission to the people of Texas the proposed Constitutional amendment limiting the tenure of the president and vice-president to two four-year terms.

9. Favoring state Constitutional amendments to require state senators to be citizens of state and nation, five year residents of state and 30 years of age. Also requiring state representatives to be citizens of state and nation, two year residents of state and 25 years of age.

Durham said that County Chairman J. Claude Wells, who will head the delegation to the state convention in Austin Sept. 12, has been instructed to present these resolutions to the committee for vote. If the resolutions committee does not pass them, he has been instructed to carry them to the floor of the convention.

Other delegates elected to attend the state convention include: J. E. King, N. W. Durham, W. D. Young, Lewis Foxhall, Ott Bevers and Mrs. J. A. Ballard.

Alternates are: J. A. Ballard, Frank Monzingo, H. A. Hodges, J. U. Dennis, Adrian Odum, Oren Jones and J. W. Coppedge.

Little Theatre Group Plays to Full House Tues.

The Memphis Little Theatre played to a full house Tuesday evening when it presented "Blithe Spirit" by Noel Coward at the high school auditorium.

The play was well chosen, presenting several well balanced leads offering ample dramatic opportunity to a large part of the cast.

One of the outstanding features of the performance was the set, which was designed and constructed by the director, Jack Palangio, head of the drama department at Iowa Wesleyan College.

The success of the play was due largely to his brilliant direction. His splendid portrayal of Charles Condomine in the production secured an audience contact in his first scene that grew stronger with each appearance.

His strategy used in appealing two wives at the same time was convincing and entertaining, as was the naturalness with which he met each situation.

Nell Beeson developed the responsible role of Ruth, the second wife, with understanding and emotional skill. Her outstanding performance justifies the demands of her lines in haranguing Charles into action.

Jane Palangio's portrayal of Madame Arcati, a spiritualist medium, afforded a splendid opportunity for a display of her unusual dramatic talent. Her mannerism and voice inflections too became a nice study in interpretation, and her reactions to plot developments were particularly adept, as well as completely amusing.

Mary Helen Sexauer, as the first wife, Elvira, returned from the (Continued on Page 8)

WELDON McCREARY

McCreary Will Receive Award For Teaching

Weldon McCreary, who has taught vocational agriculture in the Memphis High School for the past 4 years, will be awarded a certificate for meritorious service in his 10 years as vocational agriculture teacher, J. R. Cuffman of Midland, President of the Texas Vocational Agriculture Teachers Association, has announced.

McCreary will receive the certificate in San Antonio on August 9 at a meeting of the Association. This is the third year (Continued on Page 4)

Delivery Service Of Mail Starts In City Tuesday

City delivery mail service started in Memphis Tuesday, Aug. 1, culminating several months of preliminary work on the part of local postal personnel, J. H. Vallance, post master, announced this week.

At the same time, Vallance announced that limited extensions had been made to routes to be covered by the carrier.

Among the extensions were: North end of 11th Street; Cleveland across to include 10th Street and on Harrison Street east and west between 10th and 9th Streets and on 9th Street south to Skiddy.

Another extension has been made to end of residential section on 6th, 7th and 8th Streets. Another will include south end of (Continued on page 4)

Entered In Oklahoma State Pro Tournament On Friday

Memphis Owls begin a series of activity tonight as they travel to Altus for a game with the collar club. The game is part of a tournament with Mangum, Paden and a road tilt Tuesday night.

The Owls are slated to meet Mangum here for an exhibition game.

The Childress area—which includes Hall County—was instructed this week to add 36 men to the quota scheduled to take physical examinations during August.

A previous call for 24 prospective draftees was sent out earlier and this group have been ordered up for physical examinations in Amarillo on August 8.

This latest 36-man call will take their physicals on August 15, according to Mrs. Francis Starkey, Selective Service clerk at the Childress office.

These men will come from Hall, Childress, Collingsworth, Cottle and Briscoe counties. Those drafted will be part of the first 50,000-man national quota set by the Army. They will be inducted during the last two weeks of September, Mrs.

Team	G	W	L	Pct.
Hobart	33	29	4	88.8
Dumas	28	18	10	64.3

(No report has been issued by League President Paul Ord pertaining to standing of Altus.)

Starkey said. The draft board clerk pointed out that names of draftees called up for physical examinations will not be released for publication in order to avoid needlessly embarrassing those who fail to pass. This will be a state-wide practice.

The state Selective Service headquarters at Austin announced Monday that Texas must furnish 2,514 men during October to fill armed forces needs. This is in addition to the 2,513 who will be called during September. County quotas for this latest call will be announced later.

Mrs. Starkey said that only about 25 percent of those called for physicals will be drafted into the army at this time. Draft plans call for the examination of four times as many men as are presently needed.

Mrs. Starkey reminded all young men between the ages of 18 and 26, regardless of personal circumstances, that they are required by law to register with the local board if they have not already

August Draft Quota For Area Increased

ALL-OUT MOBILIZATION PLANS MADE

A clear—and startling—picture of just what all-out mobilization is was given West Texas draft clerks at a Selective Service meeting in Lubbock over the week end.

Mrs. Frances Starkey, Childress clerk who attended the meeting, said the state Selective Service officials told of extensive planning toward this goal and that most of them believe it is an eventuality in view of current world developments.

"It will call for the services of everyone in one way or another," she said. Here are the highlights of the planning: All physically fit men 18 to 45 years of age would be drafted for the armed forces. Women would be drafted. Those classified 4-F could not do as they pleased but would be forced to work in some phase of agriculture or industry essential to the war effort. It would be a "fight or work" deal for everybody, Mrs. Starkey summed up.

CLAUDE'S COMMENTS

By J. C. W.

July was the wettest month in the history of the Panhandle. The old saying, "It never rains at night in July," has been exploded. The year 1950 will be referred to for years to come as the month of rains at night as well as day. August started out Tuesday morning with a heavy rain as if it wanted to keep up with its predecessor. One redeeming feature of so much rain is that the use of water hose was not necessary during July.

Many people do not seem to (Continued on page 8)

ESTELLINE

By MRS. ALBERT BAILEY

Mrs. Daisy Kennedy made a business trip to Alvord, last week.

Mr. and Mrs. James Cooper and daughter visited with his mother, Mrs. S. S. Cooper, last week. They were on their way from California to Houston where he will be employed.

Mr. and Mrs. Harry Eddleman of Altus, Okla., visited his mother, Mrs. Lizzie Eddleman, Sunday.

Mr. and Mrs. William Rigby spent Sunday with relatives in Wellington.

Herby Shahan of Memphis, filled the pulpit at the Baptist church both services Sunday. Rev. W. B. Greene, pastor of the church together with his family, are spending their vacation with his mother in Nashville, Tenn. They are expected home this week.

Mr. and Mrs. R. A. Eddleman and Mrs. W. F. Holland attended the Old Settlers Reunion and Rodeo at Seymour last week.

Mr. and Mrs. John Chaudoin and his mother, Mrs. Maude Chaudoin, returned Saturday from

Gainesville, where they had spent several days with friends and relatives.

Mmes. Claud Arnold and Fred Nivens were in Memphis Monday.

Mr. and Mrs. S. T. Hutchins visited with the Walter Hutchins in Clarendon, Sunday.

Mrs. Eddie Morgan of Bryan spent Friday night with Mrs. Clyde Wilkinson.

Mrs. D. T. Eddins left on Thursday of last week for an extended trip through the eastern part of the United States and Canada. She expects to be away until the latter part of September.

Mrs. W. O. Mellard and daughters and Mrs. Curry spent last week in the R. A. Eddleman home.

Mr. and Mrs. Fred Berry and Mrs. Swaim Young and children visited with relatives in Ft. Worth and Bowie last week.

Mr. and Mrs. Carl M. Jones of McLean spent Sunday with relatives here.

Mr. and Mrs. Ben T. Jackson visited with her brother, Rev. Greenwood and wife of Alanreed, Saturday and Sunday.

S. P. Phillips was taken to a Wichita Falls hospital, Sunday. He is expected to undergo a very

Locals and Personals

Mrs. Hester Bownds visited in Amarillo from Friday to Sunday with relatives.

Mr. and Mrs. Bud Gilreath and son Jack, visited in Oklahoma City with her sister and family, Mr. and Mrs. Larry Thompson.

Mrs. Clifton Burnett went to Amarillo Wednesday and visited with her sister-in-law, Mrs. Dwight Betts, who is in the hospital.

Mr. and Mrs. George Dickson visited a few days last week with her daughter and family, Mr. and Mrs. Kermit Upshaw and daughter Marilyn at Athens.

Mr. and Mrs. Roy Baker and daughter of Houston are visiting here with his sister, Mrs. Earl Hill and husband.

Mrs. H. B. Gilmore returned to her home in Dallas Friday following a visit here with her daughter, Mrs. Gene Lindsey and family.

Mr. and Mrs. Doyle Fowler and daughter Sheila Kay are visiting in Sterling, Ill., this week with her parents, Mr. and Mrs. G. B. Ogden.

Mr. and Mrs. Roy Roundtree of Lindsay, Calif., were guests Sunday night in the V. P. Fowler home. The Roundtrees are here visiting with her parents, Mr. and Mrs. M. E. Ellis, at Newlin and also with his relatives at Lakeview.

Visiting in the home of Mr. and Mrs. E. E. Walker the past week end were Mr. and Mrs. Chesty Walker and Penny and Betsy of Phillips; Mr. and Mrs. R. E. Vaughn and Bobby, Ann and Dan Walker of Spearman; Mr. and Mrs. E. L. Walker, Sue and Thelma Ruth of Borger; Mr. and Mrs. Neff Pilcher, Ned J. and Kay of Jacksboro; Mr. and Mrs. R. E. Higginbotham, Zaly and Robby of Beaumont; and Mrs. K. C. May and Lynn of Waynoka, Okla.

serious operation some time this week.

Mr. and Mrs. J. E. Masterson and son, Lamar, made a business trip to Wellington, on Wednesday of last week.

Mr. and Mrs. Paul Buchanan and children attended the livestock sale in Memphis Thursday.

Mrs. Katie Phillips spent part of last week in a Memphis hospital. She returned home much improved.

DISPUTED PASSAGE . . . A safety lesson—showing what happens when a car derailes with a train. This auto collided with a new York Central passenger train in Golden Bridge and was dragged 300 feet along the tracks. Andrew Natale, 56, Brooklyn plant manager, and wife, Lily, 54, were killed. Workmen used acetylene torches to cut the auto from beneath which was delayed about two hours. The motorists were delayed indefinitely.

Mrs. Charlie McClenny, sister of V. A. Crisler of this city, has been seriously ill in an Amarillo hospital but her condition is much improved now, it was learned here Tuesday. She underwent a major operation. Mr. and Mrs. V. A. Crisler, Mr. and Mrs. Fritz Crisler and Mr. and Mrs. Royce Crisler and family visited with Mrs. McClenny and family on Friday. Mrs. V. A. Crisler remained in Amarillo for a few days and will also visit her sister, Thompson. Read the Classified Democrat Want Ads

in WASHINGTON

From Washington:

ZEKE SEZ

By Nugent E. (Zeke) Brown

Washington — (Special)—Well, sir, the 10,000 taxicabs in this city are working overtime again, what with the Korean War breaking all of the headlines and making many political leaders stay awake nights trying to guess what the Commies will be doing next!

The retreats and defeats in Korea are reported here as bringing new grey hairs to many leaders, both political and military. Many members of congress had thought they would be back home by now for a summer recess but they have to slip off now for those back-home appearances. They still hope to have three-day recesses in another week or so. But the Korean situation has most of them guessing. A lot of folks back home are demanding that something be done, and quick, to stop those Korean Reds from pushing our boys off the peninsula and into the sea. Military leaders were still optimistic at the weekend but were keeping their fingers crossed.

The writer and his wife visited the famous Washington Cathedral Sunday, the great 15-Million dollar structure that is located on top of Alban Hill, highest point in the city of Washington. This great big house of worship, started in 1907, won't be finished for ten years yet, but there are some five separate chapels now in use inside the super-structure. Just to get an idea of the enormous size of this church, the ceiling is 100 feet high in the main sanctuary. A hall way from the front to the back, in the basement, is 525 feet long. The church will seat 9,000 persons week, in a committee hearing, he

when it is completed with standing room for about 25,000 more persons. The great pipe organ has over 8,000 pipes in it. The pulpit came from Canterbury church in England. Among those buried in the cathedral were Woodrow Wilson and Admiral Dewey. While under control of the Episcopal church, the cathedral is open for use by all faiths. While we sat in the main sanctuary Sunday afternoon for a musical program, we could but wonder if an atom bomb will ever be allowed to destroy such a thing of beauty and splendor. The windows are masterpieces, some 26 feet across. Four pillars near the center of the cathedral are over 20 feet in diameter at the bottom. In one chapel there are tapestries that are over 500 years old, brought from Europe. If you ever get to Washington don't fail to visit this great cathedral.

turned to a lady reporter who represents a Russian press association, Tass, and asked her abruptly if she is a Communist. She declared, "Certainly I am not." "Long Tawm" added: "You better not let Moscow know that!" It was our good fortune, later Sunday, to eat dinner at "Hogate's", a famous sea-food place on the banks of the Potomac River, not too far from the Capitol. They feed hundreds of persons at one sitting. That broiled flounder reminded us of "Long Champ's" in Amarillo. The big dining hall is air-conditioned. The food is superb. And it is reasonable, too, only \$4.06 for two of us, including the tax. They have a "district tax" here on everything almost. If you buy a 20-cent magazine, you have to put up an extra penny for tax. Washington department stores are closing up on Saturdays now. Will for the months of July and August. But they have suburban stores in Silver Springs, Maryland,

seven miles out, that are open on Saturdays. We drove out there Saturday and found a store, five floors, as big as the downtown store, almost. And four of the departments stores have those extra stores out there in the suburbs. But it was still hard to find a place to park. We are more amazed everytime we drive downtown at the traffic problem here. One must drive many blocks to find an open spot along a curb. And only a third of the homes put in the residential areas have any kind of garage. They just park the old "buggy" along the curb, in the same block if they can find a place. It makes me wonder what happens when the streets are covered with ice and sleet in wintertime. Well, this is a muggy climate. Wish we could enjoy some of that Colorado climate Claude Wells writes us about, which Hall County is now enjoying. It is fearfully hot here today (Monday), the old sticky heat.

One of the highlights of the week
was a speech by Senator George
D. Aiken of Vermont on the floor
of the senate severely criticizing
Secretary of Agriculture Charles
Brannan because some production
and marketing committeemen in
Minnesota received their regular
per diem for attending the Brannan
meeting in St. Paul April 4. Sen-
ator Aiken pressed for an investiga-
tion as did Representatives
Charles A. Halleck of Indiana and
Clarence J. Brown of Ohio. Re-
sult was a report by U. S. Com-
ptroller General Lindsay Warren
completely exonerating Secretary
Brannan from the GOP charges.
Said Congressman Frank Buchan-
an, chairman of the house lobby
investigating committee: "The in-
vestigation by the general account-
ing office which Warren heads,
showed the charges were comple-
tely unsupported."
The 70-group air force bill which
has been in conference committee
since October, 1949, was quickly
bounced out of the committee when
the Korean situation came to light.
The house passed the bill June 29,
the senate passed it June 30, and
it was sent to the White House the
same day. Present air force
strength is about 48-groups.

ANNOUNCING....

New Ownership

Of

Allis-Chalmers

and

GMC TRUCK

DEALERSHIPS

I have purchased the Allis-Chalmers and GMC Truck dealer-
ships in Memphis from F. E. Monzingo, and want to invite the
continued patronage of the people of this area.

In the transaction, all tractors, implements, trucks and re-
placement parts have been purchased, and the dealerships will
be operated in the same building, located on the corner of Noel
and 7th streets in Memphis.

The same men who have worked with Mr. Monzingo will re-
main with me. This includes the same sales and parts depart-
ment force, as well as those working in the service department.
No changes in policies in the operation of this business is con-
templated under my ownership. We believe in the quality of the
merchandise we sell—and will continue to back it up. We will
strive at all times to see that our customers are satisfied, and
will do all in our power to service and keep rolling any equip-
ment that we sell.

Before you buy tractors, trucks or farm
equipment, we invite you to see us.

H. A. FINCH

All-Star Game At Childress is Slated for Aug. 11

Childress (Special) Some of the best football stars in North Texas will be on hand to participate in the Greenbelt East-West All Star Game here August 11.

Among those stars will be Kenneth McQueen, Bobby Crooks.

An evenly-matched, bang up contest is promised that night, even though the West squad will outweigh the East team. No one so far has been willing to predict who will go away from Childress that night as victors.

Of the forty-five boys that have been picked for the two squads so far, no less than 27 of them are either all state or all district players.

All state boys on the poster will be Billy Bookout of Wichita Falls. All state from Oklahoma is Gerald Smith of Elk City. Both of these crack ball players are on the East team, which will be coached by Ki Aldrich, former TCU great.

But on the West team, coached by Dick Todd, Texas A & M coach, one will find R. L. Giesecke Matador; Kenneth McQueen, Memphis; Joe Bob Ward, Quitaque; Bobby Crooks, Memphis; Kenneth Buckley, Childress; and Granville King, Childress.

The stars will arrive in Childress on Sunday, August 6 and work out an entire week before meeting on the gridiron the next Friday night. While here, they will be housed in the City Auditorium and fed in the high school cafeteria.

Tickets for the event are selling fast, and a sell-out is anticipated. For tickets to the tilt write O. B. O'Dell, care Childress Chamber of Commerce.

Delivery Service

(Continued From Page 1)
5th Street north to Cleveland Street.

"In all, these extensions will take in approximately 15 additional blocks in the residential section of Memphis," Postmaster Vallance said.

He again urged residents to file change of address cards with the post office, and to install their mail boxes.

"The city delivery service automatically eliminates the one-cent 'drop letter' rate on first class mail," Vallance said, in pointing out the new regulation on mailing inside the city.

All persons sending large quantities of local mail were requested to furnish the post office with their regular mailing address. This will facilitate the handling of regular mailings by the local office, Vallance explained.

McCreary Will

(Continued from Page 1)
that the Association has presented awards to its teachers of long time service.

According to Lewis B. Taylor, Executive Secretary of the organization, there are 741 teachers of vocational agriculture in Texas. Of this number 465 have taught less than 10 years, 183 have taught 10 to 14 years, 62 have had 15 to 19 year's experience, 24 have served 20 to 24 years and 8 have taught more than 25 years.

Teachers with at least 1 year's service will receive certificates at the meeting. Bronze, silver and gold lapel pins will be presented respectively to teachers with 15, 20 and 25 years service.

Mrs. Ira Phelps and little son Jimmy of Corpus Christi arrived Wednesday for a visit with her father, G. W. Sexauer.

Mrs. T. M. Paulsel and son Lee Allen of Fort Worth are here visiting their mother and grandmother, Mrs. L. M. Thornton.

Larger School Units Are Result Of New Laws

Consolidation of 1,920 school districts the first year Texas' new education laws were in effect has resulted in larger school units and a better school program, J. W. Edgar, state commissioner of education in Austin declared.

Consolidations have made possible better building equipment and facilities, teachers giving instruction in fewer subjects and a vastly broadened program of vocational agriculture, trades and industries, and home economics instruction which means better schools for Texas children, Edgar pointed out.

The total number of school districts dropped from 4,412 in 1948-49 to 2,492 operating districts during the last school year. A total of 1,300 of these consolidations were mandatory under new school laws.

"Six hundred and twenty school districts, however, voluntarily merged with other districts," Edgar said.

In addition, the total number of county unit systems (one school system for an entire county) doubled, making the total twenty-four.

Edgar also predicted that consolidations for the 1950-51 school year would total an additional 400, bringing the total number in the state down to approximately 2,000.

Most of the smaller schools in the state could not afford adequate library and laboratory facilities, or equipment and teachers for vocational agriculture, trades and industries, and home economics courses, Edgar pointed out.

"While there has been commendable increases in library, visual aid and laboratory facilities, there has been a tremendous expansion in the vocational departments," Dr. Edgar said.

"Vocational departments increased slightly more than 500 during the past year, making a total of 2,087 in the state," the commissioner declared. "The Trend indicates that an additional 400 school districts will offer courses in agriculture, home economics and trades and industries during the 1950-51 school year.

"With Texas being an agricultural state and gaining rapidly in the world of industry, we on the state level of education certainly encourage our school districts to offer a diversity of courses to train their students to lead Texas

PUNCH FOR THE CROWD

HAVING a party? Outdoors or indoors, parties are occasions for a punch bowl. It's an easy way to serve a beverage for a number of guests, at any time. People never hesitate to help themselves when a punch bowl is featured on the refreshment table, and the hostess doesn't have to worry about refills.

Besides, it's such a pretty, cool-looking thing—a sparkling bowl filled with a delicious, peppy punch and glistening ice, fresh fruit floating on the surface for decoration. To be sure of a fine, zesty flavor and a refreshing, bubbly appearance, use

pale dry ginger ale as a mixer for your punch. Here is a simple and mighty good-tasting punch.

Fruit Sparkle Punch
1 cup hulled strawberries
1 cup shredded pineapple
Juice, 2 lemons
1 cup sugar
1 large bottle pale dry ginger ale

Place berries and pineapple in bowl; add lemon juice and sugar and crush slightly. Let stand half an hour. Pour over ice in punch bowl and add pale dry ginger ale. Stir gently to mix well. Garnish with whole strawberries and lemon slices. Yield: 16 servings.

in advances in agriculture, home building and trades and industries."

Mrs. Earl Hill Attends Wesleyan Guild Conference

Mrs. Earl Hill attended the Northwest Texas Conference, Wesleyan Service Guild, held July 29-30 at Camp Ceta Glen. Mrs. Hill is secretary of the Clarendon District.

"A Christian Faith in our Vocations" was the theme of the two-day conference.

Among the outstanding guest speakers who appeared on the program were Miss Dorothy McConnell of New York, editor of World Outlook; Mrs. G. W. Dameron of Pineville, La., secretary Missionary Education, S. C. Jurisdiction; and Miss Charlie Holland of Lufkin, former Missionary to Japan.

POLITICAL CALENDER

(Ed. note: The following important political dates are being printed for the benefit of candidates, prospective candidates and voters.)

August 6—First day for absentee voting for second primary.

August 7—State executive committee shall open and canvass returns of primary.

August 14—First day for candidates and campaign managers to file second expense account for second primary.

August 17—Last day for candidates and campaign managers to file second expense account for second primary.

August 22—Last day for absentee voting for second primary.

August 24—County Clerks must mail to presiding judges of proper precinct absentee ballots on 2nd day prior to primary.

August 24—Executive committee charged with responsibility for distribution of election supplies not later than 24 hours prior to the opening of the polls.

August 26—DATE OF SECOND PRIMARY.

September 5—Candidates and campaign managers required to file within 10 days after date of primary third expense account.

September 12—Date of state convention.

Long Wait For Driver's Tests Explained by Dept.

Stood around a Driver's License examining station recently awaiting your turn for the tests which will determine whether or not you will be issued a license?

Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety, says that if you are one of the 52,000-plus persons who make application each month for a new Texas Driver's License you probably have been subjected to a considerable wait—sometimes of several hours duration, or, at best, being obliged to wait a number of days for an appointment. Now, with the exercise of a little simple arithmetic he tells you why the delay and just what the men in his Driver's License Division are doing to try to alleviate the situation.

At Garrison's direction, A. F. Temple, Chief of the Safety Department's Driver's License Division, released the following com-

parative figures on the activities of that Division's personnel during the eight-month period from November, 1949, through June of this year as compared with the same period of 1941-42:

Texas' population according to the 1946 Census report was 6,414,824. From November, 1941, to July, 1942, the Texas Department of Public Safety had employed 93 Driver's License Examiners who administered 276,008 tests during the eight months. In the same period, the Headquarters staff of the License Division issued 962,340 licenses to Texas drivers. This latter included both renewals and new licenses issued on the basis of the examiners' tests.

Ten years later, in 1950, the population figures had risen by more than a million and a quarter to a total of 7,677,060, while the ranks of the DL examining personnel had been increased by seven for a total of an even one hundred men. These 100 examiners, however, during the past eight months conducted 418,566 tests, or an increase of 142,558 over the 1941-

42 figure. In other words, an employee increase of 7 1/2% accounted for a 51 1/2% increase in testing activities. This was possible because of improvements and reforms in examining techniques and procedures. Also, during the past eight month period the License Headquarters issued a total of 1,240,619 licenses, both new and renewal. At the present time due to the recently adopted mechanical methods of issuance, the Division is turning out in excess of 10,000 driver's license each day.

Currently, according to Temple's figures, there are about 3,000,000 licensed motor vehicle drivers in Texas. This is an increase from 1 1/2 million in the short space of four years—since 1946.

The number of Driver's License Examiners in Texas is based strictly upon the Legislative appropriation which is made for the Division and none can be added without act of the Legislature.

Both Garrison and Temple are quick to admit that they are aware of the inconvenience and delay which is incurred in the proper administration of our driver's license law but they point out that each of the men in the Driver's License Division is conducting an average of more than 50 examinations each month. This, they say is at least a hundred and fifty more per man than can reasonably be expected and they indicate that the strain of maintaining such an excessive schedule probably accounts for the large turnover in examining personnel—a little more than 12% since last November.

Remember these figures the next time you're inclined to gripe about waiting for that driver's license test!

Alexander the Great was born in Macedonia, died in Babylon, and was buried in Egypt.

Regional Office Tells New Rules For GI Students

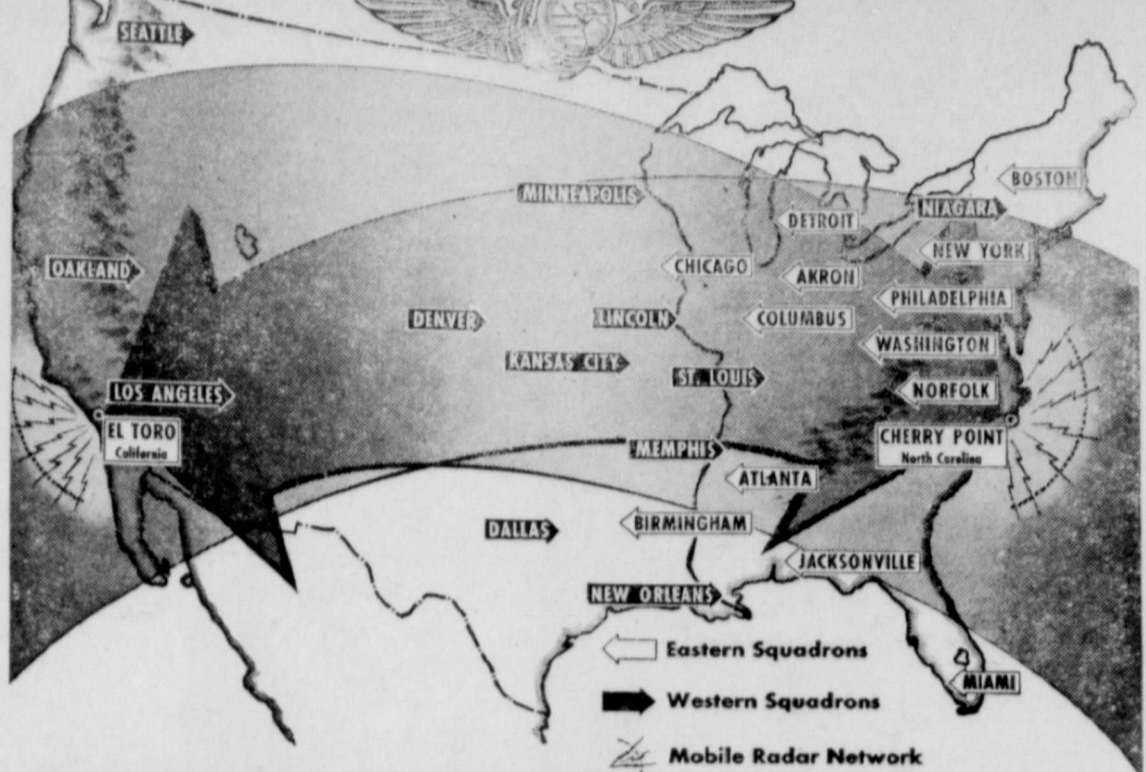

Office of the Veterans Administration at Lubbock today announced new rules and regulations that should help veterans and their dependents in their studies.

The new regulations, which take effect immediately, are designed to help veterans and their dependents in their studies. They reported that the new regulations will help veterans and their dependents in their studies.

MARINE AIR RESERVE MOBILIZATION * 1950

41 U. S. MARINE AIR RESERVE SQUADRONS, based at 25 U. S. Naval Air Stations throughout the nation, are poised to make the two largest coast-to-coast mass air movements ever planned for American reserve air fighter units in peacetime. 21 Western squadrons will leave home stations (black arrows) simultaneously, July 8th, 1950, for maneuvers lasting to July 22nd at Cherry Point, N. C. 20 squadrons at bases east of the Mississippi (white arrows) will leave simultaneously August 5th, 1950, for maneuvers lasting to August 19th at El Toro (Santa Ana), California. Fast moving Marine mobile radar equipment will be set up in radar networks in the field to direct interception of "attacking" planes.

That Lygus Bugs Can Be Controlled Tests at Experiment Station Prove

Tests conducted at the Lubbock Substation of the Texas Agricultural Experiment Station indicate that excellent control of Lygus bugs on cotton can be obtained from any one of the several combinations of insecticides used.

W. L. Owens, assistant entomologist and professor J. C. Gaines, department of entomology of Texas A. & M. College, conducted the tests. Mixtures containing 3 per cent gamma benzene hexachloride, 5 per cent DDT, and 40 per cent sulphur; or 3 per cent gamma benzene hexachloride and 40 per cent sulphur; or 5 per cent DDT; or 10 per cent toxaphene were equally effective for control of the insect.

Lygus bug, or tarnished plant bug, damage, said the entomologists, is limited to the sections of Texas where alfalfa is grown for seed. The insects develop on the alfalfa crop in great numbers and cause a reduction in the yield of seed. When the alfalfa seed be-

gin to mature, the insects move into the cotton fields. Here they continue to multiply and feed on cotton squares as well as on the bolls. Squares and smaller bolls shed from the plant, and the lint from the damaged bolls is stained. The result is a lower grade of cotton.

Two applications of any one of these insecticide combinations are needed for Lygus bug control. Test results indicate that the insects can be controlled more easily if the insecticides are applied at the time the insects move from the alfalfa to the cotton. The dusts seem to be more effective against the younger forms of the insects than against the adults.

According to Owens and Gaines, either 5 per cent DDT with sulphur or 10 per cent DDT with sulphur should prove to be the most economical treatment. Sulphur is included in the dust to control the red spider infestations which often occur after the application of other cotton insecticides.

Get the patient to the doctor as quickly as possible. If you can do it without any violent or even active exercise on his part. Remember, in snake bite we are trying to keep the poison from reaching the heart. Anything which speeds up the circulation makes the blood carry that poison faster whether it be exertion, worry or the whisky that used to be urged as a cure-all for snake bite.

SPORTS AFIELD

By Ted Kesting

Everybody knows how to treat snake bite: apply a tourniquet; cut the wound so it bleeds freely; suck out as much of the poison as you can get out; bandage; give anti-venin; then get the patient to a doctor as quickly as possible.

That's all good advice. But Dr. Frank Richardson warns us that many victims of snake bite have suffered serious if not dangerous results from every one of these directions. So let's look at them but first let's look at snake bites.

If you are bitten by a six-foot rattler it won't matter much whether you do, for the poison will probably overwhelm you before anything can help. But if you are bitten by a non-poisonous snake, or a young rattler, or a poisonous snake that has recently bitten some person or animal and has used up his supply of venom, then your chief danger is the things your friends know about snake bite—that aren't so!

There are far more of these simple or non-poisonous bites than there are of the highly dangerous ones. Now for a look at our instructions.

First, the tourniquet. That's to keep the poison from getting to the heart. But frequently there's very little or no poison. And since a tourniquet can be an extremely dangerous device, don't use it unless you are sure it's needed; and then loosen it frequently.

Next, open the wound and let it bleed. Don't do any cutting unless you have reason to believe there's a dangerous amount of poison to be gotten rid of. Use a fresh razor blade that's been carried in its original package—not that trusty but usually dirty pocket knife. Make the cuts through the two bluish holes where the fangs have penetrated; and make each one lengthwise of the limb, not crosswise.

Then suck the wound. Yes—that is if the mouth of the sucker be reasonably clean.

Bandage the wound. Only if there's a sterile roller bandage or someone has an unfolded, fresh handkerchief. Otherwise leave that little wound open to the air. It stands a better chance of remaining uninfected than if it is band-

aged with the usual improper dressing.

Then give anti-venin. Frequently folks who take anti-venin have a terrifying after-condition called "anaphylactic shock"; and frequently these injections are followed by an attack of intolerable itching called serum sickness. So unless you are dead sure of the

Farm Income Falls Below Expectations

June farm cash income in Texas was substantially below seasonal expectations, despite a small gain over the previous month, the University of Texas Bureau of Business Research reported.

After adjustment for seasonal variation, the Bureau's index of farm cash income dropped from 276 in May to 218 in June (1935-39-100). The June 1949 index stood at 341.

Texas farmers received an estimated \$87,067,000 in June, or 35 per cent less than in June 1949. With the exception of livestock, marketing of all farm products was smaller in June than in the same month a year ago.

Cattle sales amounted to \$21,125,000 in June, the greatest source of farm income for five consecutive months. Wheat accounted for \$19,356,000 in June, reflecting heavier movements. Wool sales

totalled \$12,365,000. All types of farm products, except wheat, oats wool, and milk products, registered decreases in revenue from the previous month.

June income was considerable above the May level in East Texas Timbered Plains (120 per cent), Western Cross Timbers (93 per cent), Black and Grand Prairies (63 per cent), Red Bed Plains (59 per cent), and Edwards Plateau (27 per cent).

In comparison with June 1949, Brownsville turned in the largest sales increase—46 per cent; followed by grains in Odessa, 30 per cent; Laredo, 29 per cent; Lubbock, 25 per cent; San Angelo, 20 per cent; and Dallas, 14 per cent.

Sales decreases in comparison with June a year ago ranged from a fractional dip in Temple to an 18 per cent drop in Port Arthur.

Department and apparel store sales for the first six months of 1950 bettered sales records for the comparable period of 1949 by 2 per cent.

At the Panama Canal the Pacific Ocean is east of the Atlantic.

TALK SOUTHEAST ASIA DEFENSE . . . A joint survey mission from the departments of state, defense, and ECA, under the mutual defense assistance program, left Washington recently for southeast Asia to meet with U.S. and foreign officials to discuss implementation of current military assistance programs for Indo-China and other countries in the area. Left to right are John Ohly, director, mutual defense assistance program; Major General Lyman Lemnitzer, director, office of foreign military assistance; Major General Graves B. Erskine, commanding general of first marine division; John F. Melby, special assistant to the assistant secretary of state for far eastern affairs.

Precinct Chairmen Named Saturday In Primary Election

Chairmen for all but one of the 13 active voting precincts in Hall County were elected Saturday in the Democratic Primary. No chairman has been named for Precinct 6, Baylor, which may be consolidated before the next primary.

The following chairmen were re-elected: O. B. Jones, Memphis 1; J. A. Ballard, Estelline 5; O. E. Bevers, Lakeview 9; J. H. Gattis, Brice 10; A. Giddens, Plaska 11; A. D. Britt, Hulver 12, and Allen C. Dunbar, Memphis 13.

New chairmen elected include: Trilton Davis, Newlin 2; Robert Stewart, Eli 3; J. P. Montgomery, Lesley 4; Carl Hill, Parnell 7; and G. R. Colvin, Turkey 8.

County Chairman J. Claude Wells said that the committee is attempting to have Precinct 6 combined with Estelline since the precinct has no suitable place to hold an election and the voters have indicated they favor such a consolidation.

Wells pointed out that the County Democratic Convention will be held Saturday in the county courtroom at 2 p. m. Delegates to the State Convention will be

TU Job Seekers Should Check For Work Now

If you are planning to enter the University of Texas this fall and want part-time work, you should go to Austin and seek your job now, Student Employment Director Joe Farrar announced.

"We usually are swamped with 1,200 to 2,000 applications in September and it's impossible then to fill all of them immediately," he said. "Part-time work demand is greatest now for girls who can take shorthand and type and for boys who can do retail selling."

"Writing us for work won't help. An employer wants to meet the student he's going to hire. If a student has \$200 saved before he comes to the University, I think he can complete his school year by doing part-time work."

The University maintains the Student Employment Bureau in old B Hall, just east of the Main Building. The Bureau is a central agency for employers and both undergraduates and graduates.

LAKEVIEW Correspondent

Mr. and Mrs. Walter McMaster of Plaska and Mr. and Mrs. Charlie Spencer of Matador were guests of Mr. and Mrs. Lester Bevers Sunday.

Mrs. Lance Leggett, Mr. and Mrs. C. C. Horschler of Shamrock and Mr. and Mrs. Joe Blanks of Amarillo spent Saturday night and Sunday with Mr. and Mrs. W. B. McQueen Jr.

Mr. and Mrs. Joe Durham returned home Friday of last week from a vacation in South Texas. Mrs. Durham's parents Mr. and Mrs. Martin came home with them for a visit with friends and relatives.

Mr. and Mrs. H. L. Blanks, Nell Cunningham and Tim Kirk visited in Lubbock over the weekend with Barbara, who is attending school in Tech.

Mr. and Mrs. W. D. Bevers visited in the home of Mr. and Mrs. Lester Bevers Monday of last week and Mr. and Mrs. Stinnett and son of Paducah also were guests of Mr. and Mrs. Lester Bevers Thursday night of last week.

Mr. and Mrs. Grady Dorne and children of Childress visited in the home of Mr. and Mrs. T. W. Luttrell last week.

Mr. and Mrs. Roy Sweatt were visiting in the T. W. Luttrell home Sunday.

Mr. and Mrs. Sam Howard and daughter of Arizona are visiting here with friends and relatives.

Mrs. Jay Hatley and children visited in the home of Mrs. Paul McCanne Monday.

Mrs. C. Z. Stidman visited her sister Mrs. H. N. Davis Friday of last week.

Mr. and Mrs. James Skinner and Mrs. Paul McCanne and Mary attended the theatre in Memphis Monday night.

R. C. Swartz of Memphis was a dinner guest of Mr. and Mrs. Paul McCanne Monday.

Mrs. D. H. Davenport was brought home from a local hospital this week.

Mr. and Mrs. J. H. Blanks, Mrs. Lance Leggett, Mrs. W. B. McQueen Jr., Cathie and Candy left Friday for a vacation in South Texas and to attend the reunion of the Chappell family near San Antonio.

Memphis Principal Attending Special Workshop at NTS

Esta McElrath, West Ward principal, is attending a special workshop for supervisors being conducted by Dr. J. C. Matthews, dean of the School of Education and vice-president of the North Texas State College.

Approximately 95 leading Texas school supervisors began sessions this week at conferences designed to develop the best personal abilities of the supervisors and to co-operate in plans for improving education programs in Texas schools. The workshop will run through Aug. 11, meeting on the TSCW campus five days each week.

Sponsored jointly by NTSC and TSCW, the show work is approved by the Texas State Department of Education and the Texas State Council on Teacher Education.

According to Dr. Matthews, the Gilmer-Aikin bill has pointed up the need of improving instruction in the Texas school system. The purpose of the conference for supervisors of Texas schools is to place the whole emphasis on improving supervision, and the individual problems of the supervisors will have primary concern.

Former Resident Dies in Arlington

Funeral services were held for H. E. Curtis, 75, from the First Methodist Church in Silvertown Wednesday, July 19. Curtis was a former resident of Hall County, residing for several years in the Hulver community. He was a brother-in-law of J. A. Gregory of Memphis.

He passed away July 17 while visiting a son in Arlington.

Survivors are his wife, and four sons and four daughters. The sons are: Leonard Curtis, Los Angeles, Calif.; Leslie Curtis, Ft. Worth; Esker Curtis, Arlington, and Lloyd Curtis, who lives in California. The daughters are Mrs. Lola Howard and Mrs. John Cogle of Quitaque; Mrs. Eva Lee Wilson, Silvertown; and Mrs. Lela Weeks, Los Angeles.

Mr. Curtis had been a member of the Methodist Church since an early age.

Burial was in the Silvertown cemetery.

Memphis Scouts Will Leave For Meet On Friday

Scouts of Troop 35 will leave here Friday at 5 p. m. for the annual Southern District Adobe Walls Council swimming meet which will be held at Marion Park in Wellington Saturday.

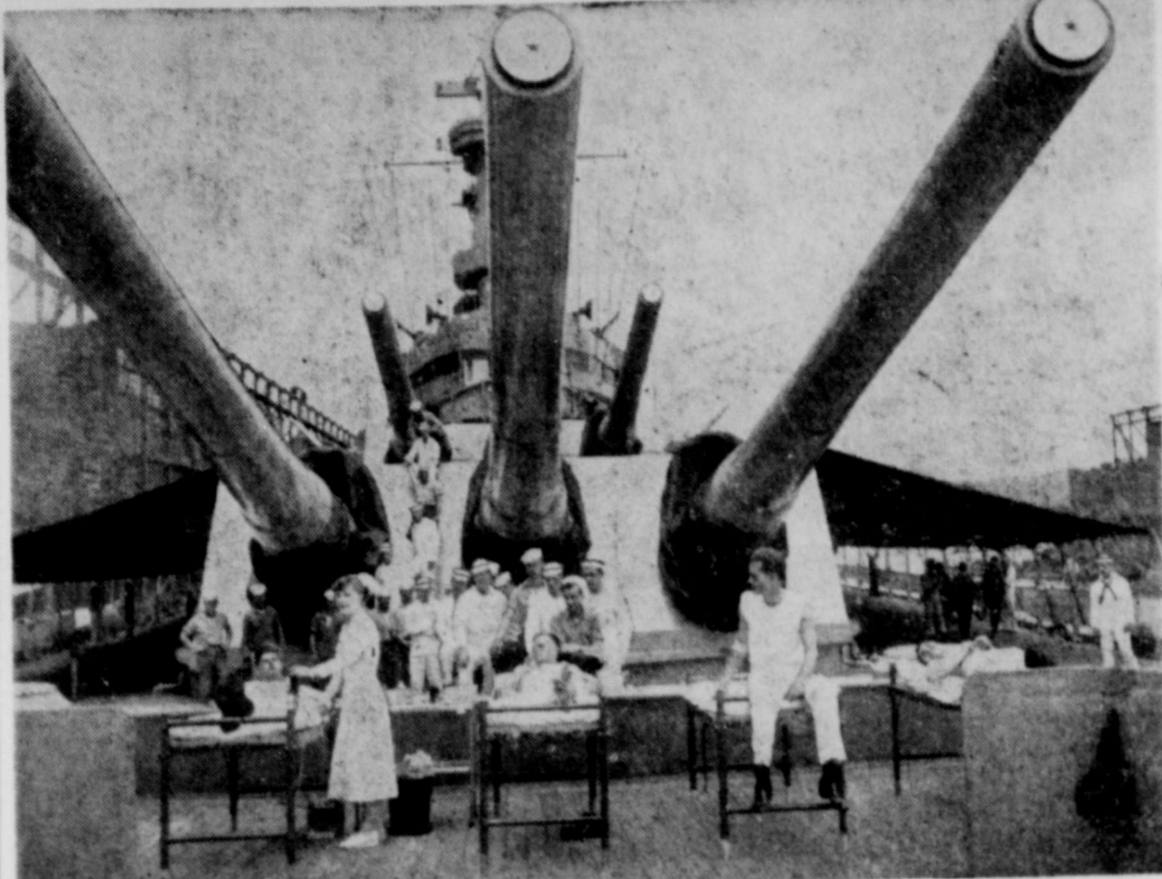

Scoutmaster Ted Myers said scouts from the local troop will enter all contests in the swimming meet.

"There will also be contests in fire building, axmanship, log chopping, rescue races and others in which the scouts will compete," he said.

The troop will camp out Friday night near Wellington and that all scouts should congregate at the Library Park at 4:30 p. m. Friday with their packs and camping equipment. Memphis of Explorer Post 35 are also invited to make the trip and to enter the swimming meet he pointed out.

Myers said the troop will eat dinner in Wellington Friday evening and proceed to their camp site.

Henry Wadsworth Longfellow is the only American whose bust is in Westminster Abbey in England.

"BIG MO" NOW BLOODMOBILE . . . Under the USS Missouri's guns, Nurse Helen Fater takes blood from a crew member. The battleship, which was the scene of the signing of the Japanese surrender, became a bloodmobile when a Red Cross unit was installed on board to accept blood donations from the ship's company of 1,800 men.

WEATHER

Rain falling in Memphis during the past week totaled 1.38 inches, according to J. J. McMickin, local weather recorder.

From the records, the City of Memphis was the driest place in Hall County during the month of July. McMickin's records show that a total of 3.44 rain fell during the period. Total precipitation south and west of Memphis has been estimated for the month at approximately 20 inches in some communities.

Damage to growing crops by hail was reported Sunday afternoon in extreme northern part of Hall County, southern Donley County and into the Quail community of Collingsworth County. Hail fell in the Lesley community Monday.

Damage from hail in this county has been estimated to include approximately 500 acres.

Pioneer Farmer

(Continued from Page 1)
The First Methodist Church.

Mrs. Orcutt preceded him in death on Jan. 22, 1935. Two daughters also preceded him in death.

Survivors include two daughters: Mrs. Bonnie Atheson of Idaho Falls, Idaho, and Mrs. Helen Gussie Armstrong of Hollis, Okla. Two sons survive: Cap Orcutt of Estelline, and Bill Orcutt of Parnell.

Other survivors include eight grandchildren and 10 great-grandchildren.

Little Theatre

(Continued from page 1)

spirit world, carried her scenes, with an ethereal, out-of-this-world quality that clearly satisfied the audience. A study in gray, completely blending with the set, combined with her fairy-like graceful movements, subtly conveyed just the right degree of immortality.

Mac Wilson Jr., and Helen Boswell, as D. and Mrs. Bradman offered a competent supporting cast as did Roselyn Williams as Edith, the maid, who in the beginning was frightened at her shadow but proved to be psychic as the plot developed.

Committees assisting with the production were as follows:

Stage Set: Lucy Way, chairman; Kathryn Milam, Verna DeBerry, Ann Ferrel, Owen Lindsever, Tomacell Greene, Emma Deaver, Peaches Harrison and Betty Foxhall.

Ticket Sales: Ethel Hillhouse, chairman; Nell Treadwell, Joyce Childress, Ida Anisman and Laura Mai Hightower.

Lighting: Virginia Rogers.
Music: Laura Mai Hightower.
Publicity: Helen Combs and Mary Foreman.

Buffet Supper Honors Cast

Honoring members of the cast, the Memphis Little Theatre entertained with a buffet supper in the school cafeteria on Sunday evening at 6:00 o'clock.

The meal was served buffet style to members of the cast and club members and their husbands.

Comments

(Continued from Page 1)
realize the seriousness of the Korean war situation. It could be the spark that will set the people of the whole world at each other's throats. And, hoarders and some manufacturers and wholesalers are pushing prices up and up. The sooner our Government puts a stop to such practices, the better off we will be in our fight for Democracy and freedom of individuals.

"How firm a foundation, ye saints of the Lord, is laid for your faith in His Infinite Word" rings in one's ears and exalts one's soul as he leaves at close of a church service. In a few minutes he is seated at a dining table in a public eating place and immediately "I like music. Put a nickel in the nickelodeon" or "We feed the baby onions so we can find it in the dark" blasts his finer sensibilities. I would be willing to pay an extra dime for my meal if the nickel machines were kept silent at such times.

As a porch-sitter I have developed another pet peeve which amounts almost to a phobia. No matter how crowded the streets are with motorists and pedestrians, there are always a few hot rods who don't seem to give a darn about the other fellow. They try to see how fast they can go when there is need for every precaution. It would be just too bad if they were to kill or maim for life some child. In case emergency arises for quick stopping, these would-be smart-aleck drivers would be found wanting. Too late, then, to feel sorry.

While on the subject of careless driving, I am convinced that our state should have a law requiring each purchaser of car license must have liability insurance. Several other states have such a law. Most car accidents and maimed or killed persons from such accidents are caused by carelessness or recklessness of irresponsible drivers who are not able to pay for damage to the other car involved, and in many cases, the car driven by such person is practically a wreck before it hits the other car.

A good county Democratic convention in Memphis Saturday brought out the fact that citizens are concerned with governmental affairs and want to do everything

possible to help correct some practices that we all know exist in Washington and our own state as well. All attending the convention were orderly and studied the various resolutions presented. It was a healthy sign. People are concerned and willing to do something. As long as our nation has a citizenry that recognizes faults of government and try to do something in the way of correcting such faults, we needn't fear the nation will go to the bow-wows any way soon. When people become unconcerned, the leftists will go further and further in their wild ideas.

We attended church service Sunday. Yes, after being unable to attend for many, many months, the Mrs. and Commenter managed to get back seats at the Baptist Church and stayed until the benediction. Rev. Roy Shahan is a good preacher as well as a likable fellow. We saw a lot of familiar faces and a lot of many new ones. Since no walls cracked or plaster fell from the ceiling, we expect to hear other preachers in town in the next few Sundays. All of them are new to us, and we want to see if they stack up with their predecessors.

All-Star Game

(Continued from Page One)

who now supervises an orphan's home in Ft. Worth, will direct the East squad. He was an All-American at TCU 12 years ago and went on to further glory on the professional gridiron.

Todd, the West squad's coach, is now assistant coach at Texas A & M, his alma mater. He is known as one of the outstanding young men in Southwest coaching circles.

Bobby Crooks and Kenneth McQueen—the outstanding players on Memphis' 1949 team—will play in the game. Cyclone coach Charles York will also be on hand to assist Todd with the West squad coaching. Workouts are scheduled to begin Monday.

Don Ezell, the Childress mentor who has been leading advocate of this game, will not be on hand to see the first tilt. He has been called to active duty with the US Marine Corps and his assistant at Childress, Buck Garrett, has taken his duties.

O'Dell said the game promises to be a sell-out. Ticket orders have been coming into Childress by mail, phone and wire and the Quarterback Club has distributed tickets to all towns in this area.

Memphians may purchase tickets at the four drug stores here and the Cyclone Drive Inn.

LIZ TAYLOR still isn't off the front page . . . Details of her European honeymoon with bridegroom Nicky Hilton are still pouring in from press agents who finally managed to get their charge married off after three fast and furious engagements to three prominent headline men . . . Personally, we didn't think Luscious Liz needed all those engagements to prove men found her beauty appealing . . . Mel Torme may star in a musical variety series . . . Gertrude Berg, the charming "Mrs. Goldberg" of radio and TV, has signed to do some records and also a movie based on her now immortal serial . . . She'll do solo comedy routines on the records.

TAYLOR

PLATTER CHATTER

CAPITOL — Dean Martin takes "I'm Gonna Paper All My Walls With Your Love Letters" and does a fine job with it . . . "Muskrat Ramble" is on the flip side . . . "Put On An Old Pair of Shoes" has been revived effectively by Robert Clary with another oldie, "Louise," backing it . . . Clark Dennis' latest waxing is the pretty "Kathy" from "Mrs. Mike" . . . The reverse, "Summer Night," is also pleasant on the ears . . . Eddie Kirk comes up with a western pair, "Saturday Nighttime Blues," and "Four Hearts."

COLUMBIA — Cream of the Columbia crop: "Rubber Knuckle Sam" and "Down the Lane" as done by the Modernaires . . . "Dream a Little Dream of Me" and "Tell Me" by Frankie Carle . . . "When Our Country Was Born" and "Pepito and Carmencita" by Vincent Lopez . . . A cute little novelty, "Snora" by Willie Solar with the "Aba Daba Honeymoon" on the reverse.

MERCURY — Lawrence Walk digs deep for a real oldie, "Doo Wacks Doo" and turns in a creditable job on it . . . "Pizzacati" backs it . . . Eddy Howard's rendition of "My Mom" appeared in time for Mother's Day.

THESE ARE THE BENEFACTORS

★ One of the greatest accomplishments of civilization has been the remarkable progress made in increasing the average life expectancy. In the Middle Ages the average life span was twenty years. In the seventeenth century it had advanced to twenty-five years. Through the years there has been a steady increase until, today, the life expectancy is sixty-three years for men and sixty-six for women.

Authorities agree that the most productive years of life lie between the ages of forty and sixty. Medicine and allied sciences have thus been indirectly responsible for all progress. Good minds that had sickened and died before reaching their zenith now live to apply the judgment and experience of maturity. As pharmacists, we are proud of our function in the distribution of lifesaving medical supplies.

Wedding and Shower At Brice Honors Nell Rita Cheek, Bride-Elect

Nell Rita Cheek, bride-elect, was honored at a wedding and shower given in the home of Mrs. Brice.

Bucilla Club Enjoys Luncheon In Scott Home

Members of the Bucilla Club enjoyed a luncheon meeting Thursday of last week in the home of Mrs. Henry Scott.

Following the luncheon, members did various types of needle work for the hostess. A short business session was also conducted under the direction of the president, Mrs. Orilla Monzingo.

Enjoying this affair were two guests, Mrs. C. E. Gowan and daughter, Dorothy, and the following members: Mmes. Lola Webster, Minnie Ferrel, Addie Hampton, Ophia Webster, Pearl Massey, Mamie Smith, Orilla Monzingo, Ada Sargent, Clara Pritchett and hostess, Mrs. Scott.

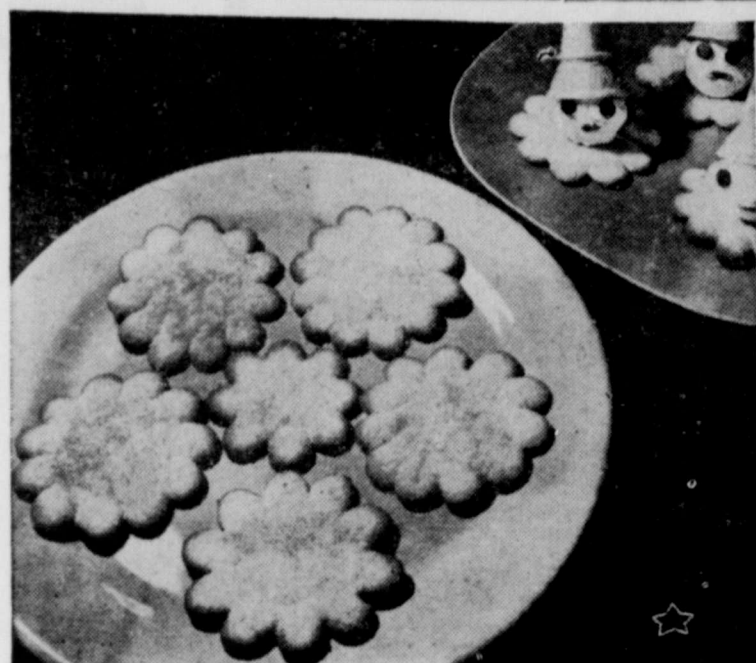

Jeff Dale Moore Is Party Honoree On Third Birthday

Mrs. Elmer Moore entertained with a party on Friday afternoon, July 21, honoring her son, Jeff Dale, on his third birthday anniversary.

A series of party games were enjoyed by the small guests after which refreshments of birthday cake and ice cream were served by the hostess.

The honoree received many gifts from his friends.

Enjoying this affair were Vivian Maddox, Shirley Orcutt, Richard Riley, Sharon Davis, Mackie

CLOWN COOKIES—Here's cooky fun for youngsters. Scalloped sugar cookies are topped with an ice cream face with chocolate eyes, a maraschino cherry mouth and an inverted ice cream cone cap.

Gresham Family Meets for First Reunion in Twenty Years Sunday

For the first time in 20 years, the five children of the late Mr. and Mrs. George Gresham of Newlin were together for a reunion Sunday, July 30, at the Childress Park.

Approximately 140 relatives and several guests enjoyed the day visiting and getting acquainted.

Lunch was served picnic style and a bountiful meal was enjoyed at the noon hour by all present.

The group voted to hold the affair again next year at the Childress Park as it is centrally located.

Enjoying the family affair were Mr. and Mrs. Tom Gresham of Portales, N. M., Mr. and Mrs. Alma Spell and children of Kingfish, Okla., Mr. and Mrs. Farris Gresham and children of Levelland, Mr. and Mrs. Marvin Gresham and children of Mount Park, Okla., Mrs. Irene Gresham and children of Levelland, Mr. and Mrs. George Gresham and Chloe Ann, Wendell and Elmanda of Carey, Mr. and Mrs. Henry Clark of Denver City.

Also Mr. and Mrs. Joe Gresham of Hobbs, N. M., Mr. and Mrs. B. L. Gresham of Memphis, Mr. and Mrs. Glynn Gresham and Bobbie Lloyd of Portales, N. M., Mr. and Mrs. Ivan Gresham and Eloise, Ewanna and Lynda of Mundy, Mr. and Mrs. J. E. Fullerton and children of Seymour, Mr. and Mrs. Jimmie Gresham and Laynell and James of Portales, N. M., Mr. and Mrs. C. A. Williams of Floydada, Mr. and Mrs. C. J. Phillips of Brownfield, Mr. and Mrs. C. E. Gresham and Sonia Gayle of Childress, Mr. and Mrs. Erian Gresham and children of Levelland.

Also Mr. and Mrs. W. B. Ballard Sr., of Tulla, Mr. and Mrs. Roy Gresham and Cynthia Jane of

Barbara and Brenda Henson, Patsey Strother, Michael Vandeventer, Edwin Lee Jones, Connie Mack Moore and Eddie Clark Moore.

Miss Jane Tarver Is Named Honoree At Coffee Tuesday

Informality was the keynote for the coffee given Tuesday morning in the home of Mrs. M. G. Tarver, 213 North Eleventh, honoring her niece, Miss Jane Tarver, whose marriage to Dale Dornherger of Kansas City, Kans., will be solemnized August 5 at Manhattan, Kans.

Garden flowers were used in attractive arrangements throughout the party rooms. Dahlias in a crystal bowl centered the dining table from which coffee was served.

Attending were Mmes. Temple Deaver, Jr., Chas. Dryden, James Morris, Ace Gailey, T. A. Hunt, Heydon Hensley, Lee Triggs of Kansas City, Mo., the honoree and the hostess.

background for the show was provided by Miss Gertrude Rasco, pianist, and readings were given by Miss Esta McElrath.

Roselyn Williams, president, presided during a short business session. Three new members, Joe Solomon, Diane Odom and Beatrice Russell, were welcomed into the organization.

Members present were Hattie Dem Thompson, Una Loard, Connie Saye, Virginia Estes, Marjorie Kesterson, Betty McBee, Isabell Cybert, Mable Lavender, Ethel Hillhouse, Roselyn Williams, Mollie Carlos, Hester Bownds, Mazine Phillips, Aulis Ayers, Mary Foreman, Birdie Sanderson, Mary Smith, Opal Duke, Diane Odom, Joe Solomon and Beatrice Russell.

Guests present were Miss Gertrude Rasco, Miss Esta McElrath and Mrs. Gray Carter.

Lovely Miscellaneous Shower in Young Home is Compliment to Mrs. Taylor

Mrs. Y. Z. Taylor, the former Miss Jane Morrison, was complimented with a lovely miscellaneous shower in the home of Mrs. Lorean Young on Friday evening, July 28.

Assisting hostesses were Mmes. L. E. Hughes, Monte Alewine, Arlis McBee, Jay Shepherd, Bennie Dennis, Edd McCreary, L. O. Dennis, Bill Henson, Jack Peabody, Walter White, Bill Johnson, G. Maddox, Burl Evans, Oscar Ables, Bob Stevens, George Dickson, Myrtle Howard, Alice Crawford, C. L. Pierce, W. M. Davis, C. E. Sweatt, Jay Carter and Misses Wanda Jo Reynolds, Illa Sue Davis and Beulah Black.

Guests were greeted by a receiving line composed of the honoree, Mrs. E. S. Morrison, mother of the bride, Mrs. Doris Gibson and Mrs. H. M. Taylor, mother of the groom.

In the dining room, the refreshment tables was laid with

a lace cloth and centered with an attractive arrangement of pink and white gladioli flanked by pink tapers in crystal holders. Mrs. Arlis McBee presided at the punch bowl assisted by Mrs. Bennie Dennis. Others assisting in the dining room were Mrs. Jay Shepherd and Mrs. Monte Alewine.

Miss Wanda Jo Reynolds presided at the Bride's book to secure signatures of the guests.

Mrs. Myrtle Howard invited the guests in to the bedroom to view the many lovely gifts of China, crystal, silver, linens and etc. which were presented to the honoree by her friends.

Appropriate piano selections were rendered throughout the entertaining hours by Miss Lois Wines.

Out-of-town guests included Mrs. William Curtis and Mrs. J. O. Gibson Jr. of Amarillo.

Miss Laverne Orr, Bride-elect, Is Feted With Lovely Tea-Shower

Miss LaVerne Orr, bride-elect of Cecil C. Heith of Big Spring, was named honoree at a lovely shower and party given in her honor at the home Mrs. A. Gidden on Friday, July 21.

Sharing hostess duties with Mrs. Gidden were Mmes. A. H. Orr, Leo W. Orr, M. N. Orr, Bob Tiner, J. B. Brooks Jr., T. J. Spry Jr., and James Bray.

The refreshments table was laid with a beautiful white linen cloth and centered with an arrangement of pink carnations and satin ribbon.

Refreshments of punch, cake squares and decorated mints. Guests who called between the hours of 7:45 and 9:45 were Mmes. H. F. Adcock, Mary Erwin, Arthur Gidden, Sidney Harwell, Annie Mickey Sullivan, John M. Pro-

Dickson, W. L. Nabors, M. L. Smith, Jess Roden, Claudine Haynie, C. B. Creghend, Raymond Foster, Robert Bevers, W. R. Orr, J. M. Orr, W. M. Orr, Bud Clark, Gene Koeninger, J. T. Brook, M. G. Tarver and Conley Ward.

Also Frank Monzingo, Ted and Pat Montgomery, Lester Beavers, H. B. Bennett, Hoyett Hodges, A. E. Kaping, T. J. McWhorter, Rhodia Davis, Joe Brooks, Floyd White, B. R. Young, J. E. Batchelor, O. J. Neal, Parrot James Spencer, F. G. Roby, Doyle Hall, Hubert Hall, Henry Jones, Tom Guinn, Boll Hamm; Misses Audna Clark, Cleva Mae Tiner, Mary Noel, Ruth Jones; Mr. and Mrs. Tom Guinn and Mr. and Mrs. Bill Hamm, Mr. and Mrs. Doyle Hall.

Memphis Teacher Has Feature Role In College Play

Mrs. Elsie Guthrie, instructor in Memphis High School, will take a feature role in the West Texas State Summer Theatre production of "Ladies In Retirement" tonight.

The play will be in the education Auditorium on campus with curtain time at 8:15 o'clock. Admission will be 75 cents for adults and 25c for children under 12.

Mabel Hare, Panhandle, will team with Pat Cantrell of Tullia, and Barbara Gaither, Amarillo, in the major female roles to the Percy-Denham mystery drama. Wendell Cain, former speech instructor at White Deer, is taking the lead male role of Albert. Mrs. Guthrie takes the role of Sister Theresa, a nun.

"Ladies In Retirement" met with great success in New York and on road shows and is classed as a perfect psychological drama.

This will be the third play of the highly successful theatre season at the college. Previous hits having been staged were "George Washington Slept Here" and "Stage Door." Casting for the final show of the summer, "Heaven Can Wait," is currently underway.

William A. Moore is director of the Summer Theatre with technical direction by Wendell Cain.

CARD OF THANKS

We wish to express our heartfelt thanks to all our friends who were so helpful to us last week during the period of the reburial of our son and brother, William Oliver Johnsey. Especially do we want to thank the members of the American Legion and V. F. W. posts and the Eastern Star for their help and thoughtfulness. It is our wish that when similar sadness comes to you, that you will have the same kindness from your friends and neighbors.
W. E. Johnsey and family.

Mrs. Alton Lowe and son Ramon of San Angelo, Mrs. L. B. Ewen and daughter, Donna of Leveland, and Mrs. Mary Vetelo and daughter, Judy of Amarillo are spending this week in the home of their parents and grandparents, Mr. and Mrs. B. L. Gresham. They attended a family reunion in Childress Sunday.

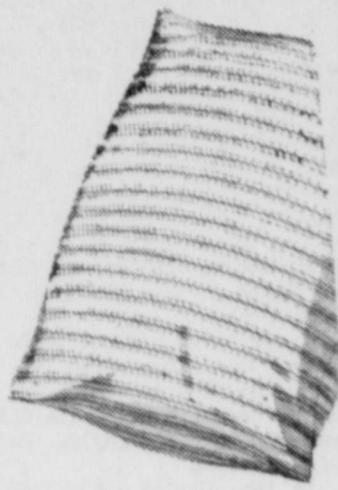

Mr. Link Robinson, 519 Lindsey, is the most content and satisfied man in Newport, Ky. In fact, he says there isn't a thing in the world that can irritate or upset him now that he is on the HADACOL band wagon. If there ever was a man who thought HADACOL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B₁, B₂, Iron, and Niacin.

Here is what Mr. Robinson has to say about HADACOL, which is now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in as bad a shape as mine was, I couldn't eat, I had gas pains, stomach bloating and nervousness; well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact, I can eat anything I want to. I am not nervous anymore, either. Best of all, I haven't got those terrific gas pains and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

HADACOL is Different
Countless thousands are benefiting from HADACOL... even hundreds of doctors are recommending HADACOL to their patients whose systems lack Vitamins B₁, B₂, Iron, and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails.
Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50.

GILMER-AIKIN SCHOOL LAWS GRANT SCHOOLS SPECIAL SERVICES

Smaller public schools of now have available many services which have raised standards of education and the health of the children.

Enactment by the last session of the Gilmer-Aikin laws, only the larger and school districts could afford the numerous services now utilized throughout the state.

Miss Waurine Walker, secretary of the Texas State Teachers Association, declared that state funds for districts after they have met state requirements as to financing on all levels has made available supervisors, student counselors, visiting teachers, physicians, itinerant teachers, vocational teachers, economics and trades and courses, distributive education and more training of handicapped children.

Miss Walker pointed out. "The time is past when children in rural areas cannot have an education as good and in as many fields of endeavor as students in the centers of population," Miss Walker commented.

State aid to schools is offered on a variety of bases.

Schools are allowed funds for a supervisor or counselor on the basis of one to every forty classroom teachers. Supervisors work with the teachers to improve education. Counselors devote their time to guiding and advising the children.

Librarians, health nurses, doctors and visiting and itinerant teachers are provided for on the basis of the school districts having their choice of one of those for each twenty classroom teachers.

Visiting teachers work with parents to overcome conditions which prevent children's regular attendance of school. Itinerant teachers are those specializing in such subjects as art, music or physical education who give instruction in several schools in the same district daily or several times a week.

School districts in the same county can combine teacher totals to be eligible for more of these specialists.

Vocational education departments increased during the last school year by more than 500, making a total of 2,087 in the 2,492 school districts in the state.

State aid has enabled these high schools, when they have enrollments of sixty or more pupils, to hire instructors in vocational agriculture, trades and industries and home economics.

There has also been a big demand for more distributive education and it is being met. In these courses high school students devote half of their school time to classroom work and the other half to gaining actual experience in their chosen field, whether it is in mechanics, printing, selling, farming, merchandizing or work as beauty operators.

Classes for handicapped children increased 50 per cent throughout the state for the last

LAFF OF THE WEEK

"I Knew It Must Be A Lotta' Bunk When They Told About Trees Large Enough To Drive A Car Through!"

school year. Another such increase is anticipated during the 1950-51 school year as more teachers trained in this highly specialized work become available.

Smaller school districts can also combine to establish joint classes for these handicapped children. Miss Walker expects that practice to be expanded.

"Handicapped children benefit greatly under specially trained teachers, but outside the larger centers of population there are so few in many school districts it is not feasible from an economic standpoint to hire instructors. Two or more districts generally have a sufficient number of children to make possible this badly needed service," the state association president declared.

Ben Hillhouse underwent surgery in a Wichita Fall hospital last Thursday. His children and wife are in Wichita to be with him. Mr. and Mrs. Ed Monzingo accompanied the Hillhouse family to Wichita on Wednesday.

GEORGE GRESHAM RETURNS FROM AMARILLO HOSPITAL

George Gresham of Carey, who was injured in a car-truck collision near Newlin last December, was brought to his home last Sunday from Amarillo.

Members of the family reported that he is feeling fine after spending approximately four weeks in

a hospital. Both of his legs have been amputated as a result of the accident, and he will begin using artificial limbs in the near future.

Roy McClure of Tulare, Calif., arrived here Saturday for a visit with his parents, Mr. and Mrs. L. W. McClure.

Mrs. Henry Ellis of Pampa visited here Sunday and Sunday night with her sister, Mrs. H. B. Bennett.

If your car needs any kind of body work, bring it to Kermit Monzingo, your Chrysler-Plymouth dealer. —Adv.

Hodart Defeats Owls 2-1 In 13-Inning Game Thursday

A Memphis error, followed by a timely Hobart single, gave the Oklahoma club a tally in the 13th inning Thursday night and the margin of a 2-1 victory over the Owls in an RRV circuit game.

It was definitely a night for pitchers. Hank Dlugockecki went the route for the Owls, giving up only eight hits while allowing three walks and striking out 13 batters. McBride also went all the way for Hobart. He was worked for eight hits while allowing two walks and striking out 17.

Hobart took an early lead by pushing over a single tally in the initial frame. Reimer reached base on an error and Banks then took advantage of a Memphis bobble to gain first and push Reimer around. Brawley slammed out a single to push across the score.

Memphis tied up the ball game in the fifth inning. Mathes gained first on an error. Stonecipher then went out, shortstop to first and Dlugockecki gained base on a fielder's choice as Mathes was sent around the bases. Farmer's single rounded out the inning's activity.

After this the fans saw seven innings of scoreless baseball and the two hurlers took complete command of the situation.

The Owls made a bid for a tally in the top of the 13th when Coppedge smashed out a double. But his hit came after two batters had been retired and the rally died when Pruett struck out.

in the third inning and added two more in the fifth. A double by Williamson and singles by McKay and Veltman highlighted this rally. Doc Pittman handled the hurling chores for the Owls. He gave up seven hits, walked two and struck out eight. Balfe worked the mound for Dumas, allowing nine hits, one walk and struck out six batters.

CARDS DRUB ESTELLINE MON. NITE; WILDCATS CLAW RED DEVILS TUES.

Rain during the past week interrupted the softball schedules in the Junior, Intermediate and Girls' leagues.

The only tilt played in the Junior circuit Tuesday saw the Red Devils swamp the Wildcats by a 13-9 score. Carrol Gardenhire, C. J. Wynn, Phillip Patrick, Cleve Evans, Jimmy Davis and Wayne Tiner collected hits for the Red Devils while Cy Gibson, Jimmy Hill, Roddy Bice, Carrol Gilchrist and Max McCoy furnished the hitting power for the losers.

The scheduled Longhorn-Eagle clash was postponed because of rain. No games are scheduled in the Junior League this week. On August 11, the games are: Eagles vs. Red Devils and Wildcats vs. Eagles.

Estelline. Myers said the batting averages in the Junior and Intermediate circuits will be released.

AUCTION SALE
 Four 100 ft. x 20 ft. Army Barracks will be auctioned on August 15.
 The Sale will begin at 2 p.m. at Estelline High School. These Barracks are in excellent condition.
 Sale will be to the highest bidder and the Board has the right to reject any and all bids.

STOCK TONIC
 helps cows use feed
 A cow's digestive system is not very efficient. Dr. Hess & Clark have demonstrated this in their Stock Tonic experiments. The Stock Tonic cows gave as much as 3/4 lb. more milk per pound of grain consumed. In other words, when they got Stock Tonic they made better use of feed. That's just what we think your cows will do if Stock Tonic is added to the ration—make better use of feed.

Tells How HADACOL Helped Her Pale Run-down Nephew
 who suffered from Vitamin B₁₂, Iron and Niacin Deficiencies
 Mrs. Edward Newton, attractive matron from Cincinnati, Ohio, was a reader of this paper to know about Bobby Newton, her little nephew. Bobby was pale, run-down, had no appetite. After she had given Bobby HADACOL, he had a grand appetite, color in his cheeks and is healthier all the way. HADACOL is great for thin, puny kiddies who are nervous, have easily upset stomachs and poor appetites because their little systems lack precious vitamins B₁₂, B₆, Iron and niacin—elements so vital for growth and to maintain good health. HADACOL even helps build up the hemoglobin content of red blood (where iron is needed) to course through their bodies, bringing unbelievable new strength and energy. Sold on a strict money-back guarantee.

Owls Drop 4-3 Game To Dumas
 A pair of Memphis errors in the seventh inning gave Dumas a score and a close 4-3 win over the Owls in a league game played Sunday.
 It was a tight game that saw the score knotted twice before the Dusters finally gained their one-run winning margin. They scored single runs in the second, fourth, fifth and seventh innings.
 The Owls pushed across a score when you get only the best of service when you bring your car to Kermit Monzingo, your Chrysler Plymouth dealer.

Brinkley Blanks Mungum July 29

Brinkley twirled a neat Saturday night to lead to a 10-0 shutout over in a Red River Valley cleanup game. He had his big inning the eighth when six were pushed across. The single scores in the sixth and added two to the lead. Brinkley walked to start the eighth and was then issued gratis.

Williamson slammed out a triple to drive in three runs and McKay doubled to send him home. A single by Veltman and Pruett's double rounded out the scoring plays.

The Owls scored their first run when Dlugokecki walked and was pushed around on singles by Williamson and McKay. Brinkley kept the host club's hitting well scattered and was never in serious difficulty. He issued only one walk. Meanwhile,

the Owls pounded Mungum hurler Lundy for eight hits and received 16 gratis bases.

Ford F-5 gives you the biggest clutch lining area, widest rear brake lining and highest compression ratio of the 5 leading makes. Only America's No. 1 Truck Value gives you a one-quart oil-bath air cleaner and oil filter at no extra cost.

Ford F-5 outsells all four, too!

These Ford extra values at no extra cost explain why Ford 1 1/2-ton Trucks outsell all other makes and have outsold them in every postwar year. Switch to Ford. See your Ford Dealer today!

You get up to 8,890 lbs. payload capacity with the standard Ford F-5 9-ft. Platform. That's far more than the "other four."

Only Ford gives you a choice of 100-h.p. V-8 or 95-h.p. Six! No other truck gives you 8-cylinder smoothness and performance.

You get double channel frames on longer wheelbases. Channel reinforcements extend from front to rear spring hangers, give high endurance.

The F-4 for bigger loads—more power. Up to 16,000 lbs. G.V.W. You get a choice of three engines, including the new 110-h.p. Six.

Ford Trucking Costs Less Because—

FORD TRUCKS LAST LONGER

Using latest registration data on 6,592,000 trucks, life insurance experts prove Ford Trucks last longer!

YOU ARE TO BLAME

"Don't worry about those offices at the top of the ballot. Just vote in the county races and let's get out of here."

This statement was heard at an election box during the Democratic Primary here July 22. Just how many voters felt and acted similarly cannot be determined offhand, of course, but chances are that several did.

The voter who acted in this manner represents somewhat of a split personality. He is interested enough to pay his poll tax and to exercise his voting right but he does not do so intelligently.

If you are this type voter, then you need to go no further than yourself in placing the blame for faults in our government today. You may consider our government an almost "sacred" organization, but it is not. It is no bigger than the men who run it and dictate its policies. Since these men are elected by the majority of the people, it is actually no bigger than you—the individual voter.

Newspapers have harped on the lack of interest in elections for years but it is as bad—and perhaps worse—to go to the polls without any previous thought and study of the candidates and issues involved.

Ironically, the voters who pay little or no attention to the candidates for state and national offices are among the first to yell when state and national taxes go up, bobbles are made in our foreign policy or some new domestic law irks them. They will also say, in the same breath, that they are practicing their "Democratic right" to complain about the government.

They would be much more effective by using their "Democratic right" to vote intelligently in the first place.

Too many of us have adopted the dangerous trend of thinking that the United States has grown and prospered for almost 175 years despite many mistakes and will continue to do so whether or not the individual takes any interest in government affairs.

There is a vast difference between making mistakes through an honest effort to improve and making them through absolute negligence and indifference toward the government. Let's hope we can come to recognize this difference before it is taught to us the hard way.

"The government has buried its gold in Kentucky and its silver in West Point, New York. The taxpayer will be buried, as has been the custom for years, in the little hometown cemetery."—Stramsburg, (Neb.) Headlight.

TELL 'EM, BEN

Regardless of whether or not your political views will allow you to favor our Republican Congressman—Ben Guill—you will certainly have to applaud some of his words and actions since he has been in Washington.

Congressman Guill recently struck a verbal blow for Texas and the entire South in a speech before the House of Representatives. We quote:

"... the Truman Administration has declared war upon the South and intends to carry that war to a brutal and successful conclusion. Compared to this cold war of 1950, the War Between the States was a clean and honest conflict. The War Between the States was fought by men who were willing to fight and die for principles in which they believed. . . . The cold war against the South in 1950 is fought by legal ambush and sly administrative practice."

Referring to the Tidelands issue, he said, "The 'raw deal' administration has stooped so low as to pick the pockets of our Texas school children and to break the most solemn word of the United States Government."

There are those who say Guill is "grandstanding"—with an eye on the November general election. However, most people in the Panhandle seem to believe in his sincerity. And even if he is "grandstanding," he is saying and doing things that have too long been neglected.

CRITICAL TEST

Press Paragraphs—

QUOTING OUR NEIGHBORS

States' Righters' Victory

The victory—equivalent to election—of former Secretary of State James F. Byrnes in the South Carolina Democratic gubernatorial primary is a clean-cut victory for States' righters over the Truman forces within the Democratic Party. The defeat of Strom Thurmond, States' Rights Presidential candidate in 1948, by incumbent Senator Olin Johnson in the Senatorial primary leaves a rather confused situation so far as the effect on national party politics is concerned.

In the gubernatorial fight the issue was clear cut—Byrnes versus Trumanism. Originally it had seemed that this would be the issue in the Senatorial race, also, but Johnson repudiated Truman in all of his social and ideological ideas. In campaign speeches he far outdid Thurmond in the phraseology of his attacks on Truman, calling the President a "blabbermouth" and "a little man." Johnson and Thurmond both had opposed Truman's nomination in the Democratic Party convention of 1948. But, after the convention had ended, Johnson went down the line for Truman in the Presidential campaign and Thurmond ran for President against Truman.

It was against that background that the Johnson-Thurmond contest originally seemed set up as a State battle over Trumanism. It was probably because of that background that Thurmond went into the race against Johnson. But, with Johnson swinging over to the Thurmond side of the fence on national issues, the primary Senatorial campaign seemed to be a contest to see which candidate could "cuss" Truman the most. In the end, it is likely that purely local factors were deciding in the primary, but the result will be given all kinds of interpretations. However, there is only one interpretation that can be placed on the victory for Byrnes.—Shreveport Times.

Gambling Government
According to The Jackson Clarion Ledger, Senator Fubright of Arkansas, who happens to be chairman of a Senate banking subcommittee engaged in examining Reconstruction Finance Committee

loans, charges that RFC has knowingly invested \$975,000 of the taxpayer's money in a gambling casino at Reno, Nevada, and may have to lend more to protect the original investment if a competing gambling establishment cuts deeply into the patronage.

Citizens of this great nation should thank the Arkansas Senator for exposing this disgraceful chapter in the history of Federal financing.

While it is claimed that the loan was made directly to the hotel which owns the gambling resort, and not to the casino specifically this will not absolve those who were responsible for the act. It was their duty and obligation to know how the money was to be used, and no explanation they can make will relieve them of that responsibility.

To use money extracted from the pockets of the American taxpayers to promote organized gambling merits the condemnation of every citizen.—West Point (Miss.) Times-Leader.

Victory For Freedom
President Truman's move to set

up a so-called department of health, education and security in the federal government has been blocked by the House, by the decisive vote of more than three to one.

Its disapproval of this project marked the first time the House has turned thumbs down on a governmental reorganization plan submitted by Mr. Truman, whereas the Senate has rejected six such plans.

The House wisely rejected the plan calling for a so-called department of health, education and security. For, in spite of the denials of its proponents, the project could have been used as a sort of an opening wedge for the further promotion of compulsory bureaucratic (Continued on page 7)

P-51 FIGHTER MODEL TAKES FIRST PLACE IN CONTEST

Youngsters served as judges. First prize was a model airplane engine with model kits going to the second and third place winners.

Press Paragraphs—

(Continued from page 6)

medicine. If the proposed new department had escaped congressional disapproval, fear Ewing, Mr. TORuman's federal security administrator and chief lieutenant in the movement for compulsory political medicine, presumably would have been named to head it.

His appointment to the top job in the department would have meant promotion to cabinet rank for Mr. Ewing, inasmuch as the reorganization plan provided for placing an official of that rank at the head of the department.

Would Mr. Ewing, in that position, have become less active in behalf of compulsory political medicine?

We think not. We think it reasonable to believe that he would have stepped up his propaganda efforts in behalf of compulsory political medicine.—Mobile (Ala.) Register.

Mr. and Mrs. Ralph Pixley and daughter, Beatrice of Valljo, Calif., visited Thursday with Mr. and Mrs. Maron Long. Visitors in the Long home on Sunday were Mr. and Mrs. Woodrow Rouchesh of Altus, Okla.

POPULAR MODEL—The P-51 fighter plane was a popular entry in the model airplane contest held at the Price Motor Service Co. here last week. Omer Johnson, left, and Robert Breedlove won first and second places, each with P-51 models. The contest drew 12 entries.

Last Rites Held For Bray Infant Here On Thursday

Funeral services for James Russell Bray, infant son of Mr. and Mrs. James Bray of Lakeview, were held Thursday afternoon at 4 p.m. at the Murphy-Spicer Funeral Chapel.

The infant was born Wednesday and died Thursday in a Memphis hospital. Minister Gray Carter of McKinney officiated at the last rites. Burial was in Fairview Cemetery under the direction of Murphy-Spicer Funeral Directors.

Survivors include the parents Hedley, Troop and Crew 36; Memphis, Troop and Post 35; Estelline, Troop and Crew 33; Shamrock, Troop and Crew 76; Wheeler, Troop 72; Kellerville, Troop and Crew 70; Mobettie, Troop and Crew 44.

Water events at the Swim Meet will be held in two divisions: one for Boy Scouts and the other for Explorers. Events in both divisions will be the same—Swimming: 40 yd. Freestyle, 40 yd. Backstroke, 40 yd. Sidestroke, 40 yd. Backstroke, 160 yd. Medley Relay, and 80 yd. Medley Relay. Diving: Front, Dive, Swan Dive, and Jack-knife Dive.

Among the "field" events for Saturday morning will be: "Fire Building and Water Boiling", Height Judging, Log Chopping, and Rescue Race using Fireman's Carry.

Judges for the meet have not all been selected yet, but the Chief Judge of the meet will be John Lee, manager of the Wellington Marion Air-Park Pool.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

District Scout Swimming Meet Set For Aug. 4

The Southern District, Adobe Walls Area Council, Boy Scouts of America, will hold its Second Annual Swim Meet at the Marion Anr-Park Pool, Wellington, Texas August 4th and 5th, 1950, James W. Sullivan, District Chairman announced this week. In addition to the swimming and diving events to be run off Saturday afternoon, the Scouts and Explorers will hold competitions in various Scouting Skills Saturday morning.

The Scout Troops and Explorer Crews and Posts will come into camp, near the pool Friday afternoon just before supper, and leave after an award ceremony following supper Saturday night.

Troops and Explorer units are expected to attend from all

of the Southern District counties of: Collingsworth, Donley, Hall, and Wheeler. Towns expected to be represented are: Wellington, Troop and Crew 32; Clarendon, Troop and Post 37;

Even Wiser than He Seems

PLAINLY, here travels a man wise in the ways of fine motorcars.

You know that, by the four Ventiports and the rich sweep of chrome which mark his car as a ROADMASTER.

You know it, should you trail him on the highway, by the smooth lift of the big Fireball power plant at his toe's command, by the obvious levelness of the ride he enjoys, the swift ease with which Dynaflo Drive solves his traffic problems.

What is not so plain from what you see is that here also is a man very wise in what today's dollar should buy!

For this man has all that a fine-car owner can ask for—brilliant performance, a ride without equal for gentle softness, finger-easy handling, abundant room all around him, styling that is easily the most distinguished on the highway.

Yet he paid considerably less than comparable merit costs elsewhere.

He found fewer extra charges in his delivered price, with such things as Dynaflo Drive, foam rubber cushions, windshield washers, electric clock, even non-glare rear-view mirror included in the price.

If you know fine cars, it won't take fifteen minutes behind a ROADMASTER wheel to see that here is one of the finest.

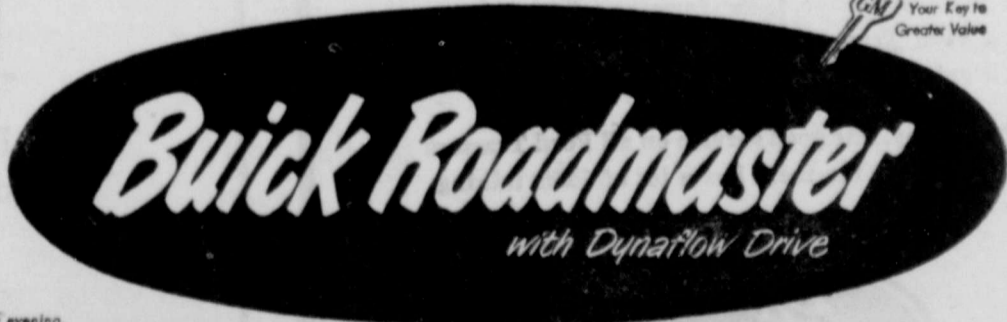

If you have inquired about prices, a single glance at the delivered figures establishes this as the big buy of the field.

Why not make both checks—especially since your Buick dealer will be glad to arrange a trial run in a ROADMASTER any time you care to call on him?

**Only BUICK has
Dynaflo-DRIVE®
and with it goes:**

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) * **NEW-PATTERN STYLING**, with **MULTI-GUARD** fenders, taper-through fenders, "double bubble" taillights * **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back * **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius * **EXTRA-WIDE SEATS** cradled between the axles * **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube * **WIDE ARRAY OF MODELS** with Body by Fisher.

* Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Thank You, Friends For Your Patronage

From the bottom of my heart, I want to thank all you people who have been my customers during the 14 years I have operated my Allis-Chalmers and GMC Truck agencies here in Memphis. The two dealerships have been sold to H. A. Finch, who has taken over active operation this week.

When I say I appreciate your patronage, I mean just that. You folks have been good to me during all these years. I have enjoyed a nice volume of business, and the success which has come my way has been due to your acceptance of the manner in which I operated the firm. I have made many valued friends during these 14 years, and, in my own way, have tried to render this community a service which would be acceptable to the people.

It is my desire that my former customers continue to come into the building on the corner of Noel and 7th streets, and patronize Mr. Finch. I believe the standards of conduct which he has set up will meet with your approval. The same personnel will remain to help Mr. Finch operate the business, and very little change will be made, if any. He will continue to sell and service Allis-Chalmers farm implements and GMC Trucks and Pickups.

Let me again say "Thank You." It is with all sincerity that I pass this message on to you. Whatever the years may hold for me, nothing can come to pass which will equal the last 14—the period I served as your A-C and GMC dealer.

F. E. Monzingo
