MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, AUGUST 24, 1950 \*\*\* SEVEN CENTS \*\*\* NUMBER 12

## Heavy Voting Expected Saturday In Second Primary Election

### INTEREST SHOWN IN SHERIFF'S RACE SHOULD INCREASE VOTING AUG. 26

Hall County voters will decide one run-off race and help on five others Saturday when they go to the polls for the second primary election. They will find a short ballot awaiting them but are apparently taking considerable interest in the election if the number of absentee ballots cast can be taken as a trend.

Only one local race will be decided, that of sheriff. However, this race has attracted the most attention in the county during this 1950 election year and will be principally responsible for the expected heavy turnout of voters.

E. S. (Peck) Morrison and Raymond Ballew are the run-off candidates for sheriff. Morrison edged Ballew by 63 votes in the first primary, receiving 745 votes to lead the ticket.

Ballew has been actively campaigning with a public address system since the first primary. Morrison also spoke at several of these speakings, but dropped his participation in them during the past week.

A sample of the ballot which voters will cast in Saturday's election appears on Page 1, Section 2 of this issue.

A large crowd was present at the City Park Monday night to hear Ballew's campaign address. He wound up this activity Wednesday night at Parnell.

Although not a local race, the Congressional run-off is also attracting a great deal of attention in this county. In this race, Mrs. Altavene Clark of Washington, DC, and Amarillo opposes Walter Rogers of Pampa.

Mrs. Clark is secretary to the agriculture committee in the House of Representatives and formerly was secretary to Congressman Gene Worley. Rogers is a Pampa attorney and formerly district attorney there.

These two candidates have faced a grueling campaign. They began back in May when both ran in the

(Continued on Page 8)

## National Wheat Support Price Set County Allotments To Be Released

Wheat farmers—those throughout the county—will receive a support price of parity on their crop. It can be no less than the highest possible

support price and is the same price used in 1950. Secretary of Agriculture Charles Brannan made the announcement Monday. He is required by law to announce price supports in advance of planting winter wheat planting starts next month.

Production and Marketing Administration Secretary Lynn McKown said today that the support price for Hall County will not vary much from this national figure.

However, McKown pointed out that the Commodity Credit Corporation will no longer pay the wheat storage allowance as in the past. This means the farmer will have to pay the seven cents per bushel storage fee and will lower the actual price of his wheat this much.

The PMA Secretary said that wheat acreage allotments for 1951 must be met by the farmers if they are to get the support price.

This is the only penalty for overplanting.

McKown said a number of wheat farmers in this county are expected to ignore the allotments this year, particularly in the areas hardest hit by hail storms.

The county has received a 21 percent acreage increase over 1950. The allotment for 1951 is 39,154 acres as compared with 32,283 acres or almost 7,000 acres increase.

McKown said the acreage allotments for 1951 will be mailed out from his office Friday.

He pointed out one change in planting procedure from 1950 concerning mixtures. This year

(Continued on page 8)

THIRD TIME — The old saying, "third time is charm", will become a reality for one of these Congressional candidates in the second primary election Saturday. This election marks the third time Mrs. Altavene Clark of Amarillo and Walter Rogers of Pampa have opposed each other for this office. However, the winner Saturday will still face a tough job in winning the general election in November against Republican Congressman Ben Guill who swept the May special election.

## Spraying Demonstrations Held In County Friday

Spraying demonstrations were staged in Hall County under the direction of the service of the Department of Agriculture.

Friday afternoon the demonstration will be shifted to the C. A. Rapp and Son Farm six miles west of Estelline on the Turkey highway. Hooser said this demonstration will begin shortly after lunch.

He pointed out that the demonstration will show the latest methods in the eradication of lice, flies and screw worms and urged all livestock owners to attend. He said about 150 cattle will be put through a spray chute at each of these demonstrations.

Paul Greegs, entomologist from Texas A & M College, will be present at these demonstrations to discuss problems pertaining to the eradications of these livestock pests, Hooser said.

He stated that these demonstrations are especially timely at this time since this county is now combating the worst screw worm infestation in history.

He said that the livestock men in the county can get some valuable ideas and methods on combating the worms and flies at these demonstrations.

## A. W. Francis, Jr. Accepts Position With Iowa Church

Minister Arthur W. Francis Jr., of Lakeview has accepted a position as evangelist for the Church of Christ in Sioux City, Iowa.

He plans to begin these new duties on Sept. 1 and the Francis will leave for Sioux City in the near future, he said.

Mr. Francis has served as evangelist of the Church of Christ in and near Lakeview for the past five years and has also taught in the Hall County schools. He has been principal of the Lakeview elementary school for the past three years.

The Church of Christ in Tullia is sponsoring his evangelistic work in Sioux City.

"We never expect to find more hospitable or friendlier folks than the good people of Hall County and we are going to miss them very much," Minister Francis said.

He pointed out that his family has lived in this county almost 31 years.

Mr. Francis graduated from Pleasant Valley High school in 1932. Mrs. Francis is a graduate of Cave City high school. Ark. Both are ex-students of Abilene Christian College and Minister Francis received his BA degree from that school in 1945.

## Last Rites For Drowning Victim Held Here Today

Funeral services for Herbert E. Frayer, 26-year old former Memphian who drowned near Maxwell, N. M., Sunday, were held at the First Baptist Church here today.

The services were held at 3 p.m. with the Rev. Roy Shaban officiating. Burial was in Fairview Cemetery under the direction of Murphy-Spicer Funeral Directors.

Pallbearers were: James Reeves, Roy Coleman, Mac Tarver, O. M. Templen, J. M. Ferrel, Jr., and Sam Hamilton.

Flowerbearers were members of the Golden Circle Sunday School Class of the First Baptist Church. Frayer was drowned while fishing from a boat in Lake 13 north, west of Maxwell Sunday. Extensive searching operations recovered the body 18 hours later.

He had gone to the lake with wife and a number of friends

## 4-H Club Members Honored Aug. 23

Archie Martin was named the outstanding 4-H Club member in Hall County this year and John Luther Byars was awarded a \$200 Anderson-Clayton scholarship in highlight presentations of annual Achievement Award program given by the Memphis Lions Club Wednesday.

The county's top 4-H'ers—21 in all—were recognized during this program. Several representatives of award sponsors were on hand to make presentations.

County Agent W. B. Hooser was in charge of the program. He introduced the club boys and spoke briefly, thanking the Lions Club, county officials and all other civic groups who have cooperated with the 4-H program.

"Our successful record could never have been made had it not been for the help from these groups," he said.

Martin, who won a trip to Chicago in the 1949 Farm Safety Contest was presented with a gold watch by Elmont Brannigan for being the county's outstanding club boy. He also received a medal in the Farm Safety Contest.

J. A. Scholfield, district agent

## HALL COUNTY SCHOOL KIDS WILL RETURN TO CLASSROOM SEPT. 4

The return to the classroom is just around the corner for the school kids of Hall County.

Schools at Memphis, Estelline, Lakeview and Turkey will all begin the 1950-51 year on Sept. 4.

Supt. W. C. Davis said this week that Memphis youngsters will register on Sept. 4 and will begin classroom work in earnest the following day. Registration will begin at the schools here at 9 a. m.

## Junior League Play-off Will Open Wednesday

Director Ted Myers announced this week that the Junior League championship tournament will begin at the City Park Wednesday night.

There will be two games played with the opener beginning at 8 p.m., Myers said.

The Red Devils, Wildcats, Longhorns and Eagles are the four Junior League teams participating Wednesday night will advance to the finals which will be played Thursday night.

Myers urges all members of these teams to be present for the Wednesday night games.

## Methodist Church Two-Week Revival Begins On Sunday

A two-week revival service will begin at the First Methodist Church here Sunday morning, Rev. Rollo Davidson announced this week.

Rev. Davidson said he will deliver the first revival message Sunday morning on the subject, "Awake and Arise". Rev. Luther Kirk, district superintendent from Perryton, will conduct the services beginning Monday morning.

"Rev. Kirk is a popular evangelist in this conference and has directed many successful campaigns," Rev. Davidson said. "He is an earnest and forceful preacher and has pleasing manner of presentation."

Rev. Davidson will be in charge of the music for the revival.

Services will be held twice daily: 10 a. m. and 8 p. m. The public is cordially invited to attend these meetings.

## Cyclone Grid Squad To Scrimmage Strong Paducah Squad Tonight

Memphis football fans will get a sneak preview of the 1950 Cyclone prospects tonight when the team scrimmages Paducah at Cyclone Stadium.

Coach Chuck York said the scrimmage session will be held at 7 p. m. He said all interested fans are welcome to attend.

"It's quite an ambitious start for us," the Cyclone mentor pointed out. "Paducah has back the same club they fielded last season and are expected to be the powerhouse of District 3-A."

"However, although many of our boys are inexperienced I think this scrimmage will be good for them. It should give them some of that experience we need," he commented.

The Cyclone hopefuls are continuing their twice daily workout routine and York said he is fairly pleased with the progress they are showing.

"Some of the boys are looking good for this early in the season," he said.

York pointed to guard Max Kennedy and end Charles Messer as the early standouts up front. Roddy Stargel and Tommy Messer—the two "old hands" in the backfield—are also turning in pleasing performances.

A real blow to the already serious problem of backfield depth came this week when Harvey Kennedy, promising newcomer injured his left leg. The bone is cracked below the knee and Harvey is now wearing a cast. He is expected to be out of action for at least two months.

Coach York said several of

the boys up from the "Pee Wee" and B squads are developing well. He pointed out Ronnie Smith, end; Julius Stevens, center and Mackie Allen, guard, as three of these younger boys who are showing promise.

"I'm pleased with the fine attitude of all the boys," York said. "They are demonstrating a fine spirit and give every indication that they want to play ball—and I imagine most of them will have plenty of opportunity to play."

The Cyclone season starts on Sept. 8 at Dumas. The first home game is on Sept. 22 when they entertain the Plainview B team.

Tickets are now on sale to the general public. Section C (south) reserved seats may be purchased at Durham's Pharmacy. Reserved seats for Section B (north) are on sale at Tarver's.

## BILL DAVIS SLATED FOR ACTION ON HARDIN-SIMMONS GRID SQUAD

The Hardin-Simmons University Cowboys may ride taller in the saddle this year than they did last fall. But the Cowboys have a tough 1950 round-up in front of them.

Expected improvement of the Cowboys stem from pitching by John (Model T) Ford and anticipated help from sophomores and freshmen of last season.

Power center of the Cowboy winged T formation is expected to be at fullback where juniors and a sophomore are sharing the reigns.

Bill Davis of Memphis is one of the juniors who will probably see heavy duty at fullback. Bill moves up to a guard position on defense. After a sophomore year plagued by injuries the Memphis High product is slated to be prominent in Coach Woodson's gridiron planning.

Seventeen lettermen returned to the Simmons roster this year.

Ford, twice an All-Border Conference quarterback and a good bet to corner All-American recognition this year, completed 26 touch-down passes in 1949 to establish a record unequalled in nation.

Other top hands returning include Captain Brooks Allen at right halfback, Nolan Tiger, Harold Taylor and Bob Hart at left halfback, Bill Cagle at left end, Gene Offield, right end, Clint Holder and Tom Adams at tackles and Bubba Wilson and Hugh Higgins at guards.

Lattie Tipton of Berger visited here Monday with Mr. and Mrs. T. D. Weatherby.

Mr. and Mrs. Sam Hamilton had as week end guests Mr. and Mrs. Joe Hamilton and O. N. Hamilton of Odessa, Mr. and Mrs. L. D. Williams of Dallas and Misses Lucy and Emma Hamilton of Dub-

HOMETOWN—Memphis.  
AGE—34.  
MARTIAL STATUS—Married, two children.  
HEIGHT AND WEIGHT—6 ft. 1 in.; 180 pounds.

## Meet The Owls

Brigadier General Paul L. Wakefield, state director of Selective Service, advised today that "these men no longer have to advise of any change of address or status, as the law under which they registered was terminated by Congress in 1947."

The only men who are obligated to keep local boards advised are those registered under the Selective Service Act of 1948 which became law on June 24, 1948, the state director pointed out.

"Any man who has registered with Selective Service in 1948, 1949, or 1950 is obligated to advise his local board of address and status changes," General Wakefield said. "Any man registered with any local board prior to those years is not required by law to do so."

The state director said that every man should ask himself the question: "Should I be registered under the Selective Service Act of 1947?"

The answer, say General Wakefield, is simple. If the man was born on August 30, 1922, or after, he is required to be registered, provided he is not under 18. If he was born prior to August 30, 1922, he is not required by law to be registered under the Selective Service Act of 1948.

Males are required to register on their 18th birthdays or within five days thereafter.

## Lesley Baptist Revival Will End On Sunday

The revival at the Lesley Baptist will continue through Sunday night, it was announced this week.

Rev. A. V. Ward of Dallas is conducting the revival and reports a splendid amount of interest and increasing crowds.

"We have had nine conversions and 100 rededications since the revival began," Rev. Ward said. Service are held at 10 a. m. and 8 p. m. Evening prayer services are at 7:30 o'clock and there will be special singing programs in connection with the evening services.

## Samnorwood Rodeo Boosters Will Be Here Saturday PM

announced this week. Coleman said the boosters will provide a program of varied and interesting entertainment while visiting here.

They are advertising the rodeo at Samnorwood which will be held Sept. 4-5-6.

## Locals and Personals

Mrs. John Barber spent the weekend in Aspermont and Abilene where she was the guest of her daughters, Mrs. John P. Ward and Katherine Hawthorne. On Monday evening she attended the commencement exercises at Hardin-

Simmons University where Mrs. Ward received her M. A. degree.

Mrs. John Barber, accompanied by her daughters, Katherine Hawthorne of Abilene and Mrs. John P. Ward of Aspermont, left Tuesday for a 10-day vacation trip to Denver, Colorado Springs, and Taos.

Mr. and Mrs. E. B. Luce of Littlefield, Webb Brewer of Fort Worth, and Mrs. J. A. Brewer and Marcelle of Childress were weekend guests in the home of Mrs. Bess Crump.

Max McCoy, son of Mr. and Mrs. L. O. McCoy, has returned to his home here following a visit to South Texas in the company of his sister and husband, Mr. and Mrs. John P. Gordon of Lubbock. They visited in San Antonio, Houston, Galveston and other points, returning to Memphis Friday. Mr. and Mrs. Gordon spent the week end here before proceeding to their home in Lubbock.

Mrs. D. R. Way has returned to her home in Lubbock after a week's visit here with her sister-in-law, Mrs. C. C. Harris.

Mrs. S. L. Harris of Sulphur, Okla., is visiting her daughter,

Mrs. J. T. Thompson, who is to visit her for two weeks.

Mrs. Jean Lamb and her daughter, Jo, granddaughters, Nancy Mothershed, and Don Gibson, visited in Plainview with the funeral home.

Sunday visitors in the Combs home were Mr. and Mrs. L. A. Dickey, Mr. and Mrs. Adams, Mrs. Lesley Morrison, Paul Wayne and Don Lou, all of Wellington.

Guests included Mr. and Mrs. McClure and sons, Roy and Mr. and Mrs. Rudolph, daughter Rena Gayle, and Charlie Morrison.

# I Will Appreciate Your Vote

Thank you, friends, for the manner in which you have accepted my candidacy for the office of Sheriff. It makes a man feel good to hear the nice things which have been said to me during this campaign.

I feel sure you will give serious thought to the important decision you will make at the polls next Saturday. Let me remind you that you will be hiring a man to work for you in the Sheriff's office. If you hire me, you will be hiring me to work for you and your friends for the next two years.

I sincerely believe there is no job too big for an honest man. If I am elected your Sheriff, I will do my best to make Hall County the best Sheriff you have ever seen in this office.

PLEASE THINK AGAIN BEFORE YOU CAST YOUR VOTE. YOU KNOW THE KIND OF MAN I AM, AND THE KIND OF LIFE I HAVE LIVED. I WILL CERTAINLY APPRECIATE YOUR HELP IN THIS RACE.

## Farm and Ranch Chatter

Folks around Stephenville like to think of their town as the poultry capital of Texas, because headquarters of the Texas Poultry improvement association is there, and because of the great work done in that field by the Tarleton State College.

The next county south is a big poultry center, too, and Hamilton is rightly proud of its standing in this billion dollar industry of Texas.

Then there is Gonzales County, where poultry accounts of a stated twenty million dollars in farm income a year.

But at Hamilton the emphasis is on eggs, at Gonzales it's on broilers, at Brady and other places on turkeys, and it could be that Stephenville is more rightly called the "poultry capital" of Texas, because all phases are strongly represented there.

We may hear from some other sections about this.

The Texas Home Demonstration Association holds its annual meeting in Big Spring next week at the same time as the Texas State Grange convention in Greenville, and the American Institute of Co-operation at Stillwater, Oklahoma. We don't know how we can make all these, but they are important gatherings.

We have an idea we could get

next to more free fried chicken at the Grange meeting, notwithstanding the galaxy of good cooks in the THDA. It's just that the ladies are going to be doing something besides cooking at Big Spring.

And regardless of what you think about co-ops, they are doing things and are having a noteworthy bearing on our local and national economy.

We won't bother to ask you what you think about women.

It wouldn't be practical for us to say whether there are more germs, insects, fungi, microbes and other such varmints now than there used to be, but anyway we hear more about them.

With an eye on the pink bollworm, we shouldn't be surprised any year now to hear that cotton pickers' sacks have to be sterilized before pickers move from one county to another.

One editor friend of ours who prints this column now and then writes to say we should dwell longer on a subject instead of bringing up so many different things in one column.

Trouble is, we've always found it hard enough to keep from exposing our ignorance in just short paragraphs. Longer treatment of a topic might be hazardous.

Back in school when there were "book reports" to be written, we often got our grade with the comment from the teacher that it was an "exceptionally fine report to be written by one who hasn't even read the book!"

The government owns 110 million pounds of dried eggs it

**SPORTS AFIELD**  
By Ted Kesting

There's been a lot of talk about released fish dying or not dying. But experiments have pretty well

proved that trout caught on artificial flies, even when handled roughly, can be put back with practically no loss. But those caught on live bait present a much more serious problem. Then, they usually swallow the bait and gills or other vital organs are badly damaged. A fish so caught almost always dies.

Most game authorities recognize this, and since live-bait fishing is

so prevalent, insist that anglers keep all the trout they land. Only where artificial lures are permitted could there be no objection to allowing an angler to release his small fish.

Now a bass is a much harder fish than a trout, and there's even less likelihood of one caught on artificial bait dying after having been released. But even a bass could not be expected to survive

damage to vital organs. The case is much the same with walleyes, which take an artificial bait lightly, with the lips, as a bass does. True pike present a more serious problem, since a pike often takes an artificial lure so savagely and deeply as to be hooked on the gills inside, and such an injury often causes prompt bleeding to death.

Great care should be used in releasing a pike hooked deeply. Use a strong gag to hold its mouth open, and a long disgorger to remove the hook. The same applies to musky, although he doesn't seem to take a lure as deeply as a pike. But since a musky is a rather rare fish, no time or pains should be spared in releasing one uninjured. Here's a tip from angling authority Jason Lucas: A pike is more likely to be hooked and land on a single tail hook than on a treble, and this means much less danger of injury. Also, the pike often shows much more preference for casting spoons, generally fitted with tail hooks only. A treble at the tail can easily be exchanged for a single—use one somewhat larger than one of the trebles. If this upsets the balance and action of the spoon, wrap a little strip of lead on the hook, or clamp a split shot on the shank.

Hats off to E. S. Shoaf for his centennial edition of the Wood County Democrat last week. On the hundredth anniversary of the County, he put out a 15 section 120 page paper that northeast Texans and historians elsewhere will read and reread and file away.

Every crop that gets prominent will have its parasites. Comes now the corn earworm and the sorghum webworm plaguing our maize crop.

Dusting and spraying with DDT during the afternoon is recommended, after the heads open up. Do this two weeks before harvest, not later.

With a government report verifying increases in farm product prices last week, people immediately say, "look what the war in Korea did this time," when usually farm prices are lowest to rise.

Now comes the official statement that prices of meat and other commodities would have gone up without the stimulus from Asia.

This current rise is a regular seasonal thing, they say. Normally, then, such prices would go down in about a month.

Like the fellow who stood up at a funeral when the minister was late and said, "I'll take this opportunity to say a few words about Texas", there are people who do virtually the same thing in regard to the Brannan plan and the Taft-Hartley act. That happen-

RAY CHILDRESS

# Hobart Takes Owls Tuesday Night

Hobart took the fourth inning plus four Members provided Hobart with a straight play-off victory over the Owls, 3-1.

Dlugokecki kept the Owls during the rest of the game, giving only two hits to their two hitting partners.

Hobart changed out seven hits in the second inning, but Adrian McBride butted in to score only in the third. This run came in the top of the inning, when McBride, who was also power for the Owls, hit on a double and was out on a two-base knock out.

Hobart scored twice in the second and once in the third. Dlugokecki and McBride were the route for their team.

Hobart, incidentally, had a hit at the plate. He had two doubles and a three official appearance.

An important victory in their three-out-of-five series was assured with the Owls.

## Comments

(Continued from Page 1)

has done some outstanding work in the affairs of Texas; for Place 1 Associate Justice, Fagan Dickson, also an efficient jurist; Place 3 Associate Justice, Meade P. Griffin of Hale County, who is not only a West Texas, but was appointed by Gov. Jester to fill out the unexpired term of another man and has demonstrated his ability and qualifications in this high office; and for Agriculture

Commissioner, John C. White of Wichita Falls, in preference to J. E. McDonald who has used the office more to promote himself term after term and hasn't served the people as he should.

The old settlers of Donley County held their annual picnic at Tate's Grove east of Hedley Friday. It was a day of real enjoyment to all who attended. The weather was not too hot, and the shade of the trees kept the sun in the background. Plenty of food was spread on long tables prepared for the purpose, and all present had all they could eat, and in most cases more than they should have eaten. Atty. Lowe of Clarendon made the principal address. Frank Finch of Memphis responded to the welcome address. Otis Owens was elected president for the ensuing year, J. W. DeBord, vice president, and Mrs. Clyde Bridges, secretary. Mrs. W. I. Rains was presented a bouquet because she was the originator of the old settlers picnic many years ago. Mrs. O. C. Hill, about 94, was also presented a bouquet, being the oldest lady present. Music, singing, and more music kept the people entertained throughout the day.

Wife and I enjoyed the Hedley picnic so well, we went to Lubbock Saturday to be on hand for the Hall County picnic at MacKenzie State Park Sunday. More than 500 registered at this picnic—people either living in Hall County or had previously lived here. Here, too, dinner was spread and all present ate their fill and there was plenty left to have fed them again. This picnic has been held for the past four years there, and has grown from about 60 the first year to the half thousand this year. I believe Mrs. Ralph Stroup started the movement. The Stroups, the Harry Delaneys, the Clarence Powells (Clarence is president of the organization) and others left nothing undone in arranging for the affair. Harry Delaney was MC and went all out in putting on a very entertaining program. S. S. Montgomery, Mrs. W. C. Dickey and aunt, Mrs. C. E. Garner of Houston, Mr. and Mrs. Louie Goffinett, Mr. and Mrs. Roy Gresham and baby and G. W. Gresham were among the present residents of this county in attendance. Former Hall Countians were there from all over the Plains country and into New Mexico and enjoyed the affair so much they promised to return next year.

Mr. and Mrs. F. V. Clark, Mr. and Mrs. Ralph Stroup and Mr. and Mrs. Clarence Powell entertained Monday night for a group including Mr. and Mrs. W. S.

Cross, Mr. and Mrs. T. T. Harrison, Mrs. Billy McNeely and wife and I. After dinner (supper to most of us) conversation and reminiscences and gossip kept all tongues busy until bedtime. Space will not permit any more at this writing. The Lubbock visit certainly scores high in our pleasant experiences of life.

## Livestock Show

(Continued from Page 1)

A number of 4-H Club members will exhibit their barrows, according to Hooser. Those expected to have entries include John L. Byars, Jerry Byars, Raymond Martin, Jack Fowler, Jimmy Fowler and Dalton Fowler.

In addition to these entries, Leon Martin will exhibit his county boar.

The Hall County Livestock Show will be held on Sept. 11-12 with the showings on the latter date. The event—formerly the Hall County Dairy Show—was expanded this year to include beef cattle and swine. This show is sponsored by the Memphis Chamber of Commerce and Hall County Board of Development in cooperation with the County Agent's office.

Hooser said the grand champion gilt and the county boar along with all the barrows, will go from this show to the Tri-State Fair in Amarillo and possibly to other shows in this area.

The Hall County Livestock Show promises to break all entry records this year due to its expansion and this increase should also create a great deal more interest in the show throughout the county.

## Last Rites

(Continued from Page 1)

Sunday for fishing and an outing. Observers said he was alone in the boat about 150 feet from shore when the small craft overturned about 5 p.m.

Rescuers immediately began work in an attempt to recover the body. It was located Monday morning about 50 feet from the site of the accident.

Frayser was born on Nov. 12, 1924, in Ft. Worth. He married Miss Lorene Ferguson of Memphis on Jan. 24, 1948, and was employed by the Western Cotton Oil Co. here. He was employed by a trucking concern in Clovis, N. M., at the time of his death.

Survivors include his wife and

a step-son, Milton Roy Ferguson both of Memphis.

Also his parents, Mr. and Mrs. H. B. Frayer, of Ft. Worth and two sisters, Mrs. Lillie Margo and Mrs. Leila White, of Los Angeles and Marcedes, Calif.

## First Christian Minister Will Return To Pulpit

Rev. Bedford Smith will return to the pulpit at the First Christian Church this Sunday. He and his family have returned from a two-week vacation in South Texas, visiting San Antonio, Galveston and other points.

He will deliver the regular services at 10:50 Sunday morning and 7:45 Sunday night.

## Mrs. Ione Way Receives BS Degree From NTSC

Mrs. Ione Way of Frost, sister of Miss Martha Perkins and L. G. Perkins of this city, will receive her B. S. degree from North Texas State College, Denton, at commencement exercises held on

Friday evening.

Mrs. Way is a teacher in the Frost Schools.

Miss Perkins plans to go to Denton to attend the exercises.

## Mrs. John Ward is Awarded MA Degree At Hardin-Simmons

Mrs. John P. Ward of Aprmont, daughter of Mr. and Mrs. John Barber of Memphis, was awarded the master of arts degree at Hardin-Simmons University on Monday evening.

Mrs. Ward, the former Marie Barber, graduated from Memphis High School in 1929 and received her B. A. degree from Texas State College for Women in 1937. She is head of the English department in Aspermont High School where she has taught for a number of years.

Mr. and Mrs. Ira Lawrence returned home Wednesday from New Mexico where they have spent the past week visiting with relatives. While there they also attended a family reunion of Mr. Lawrence's family.

VETERANS NEWS

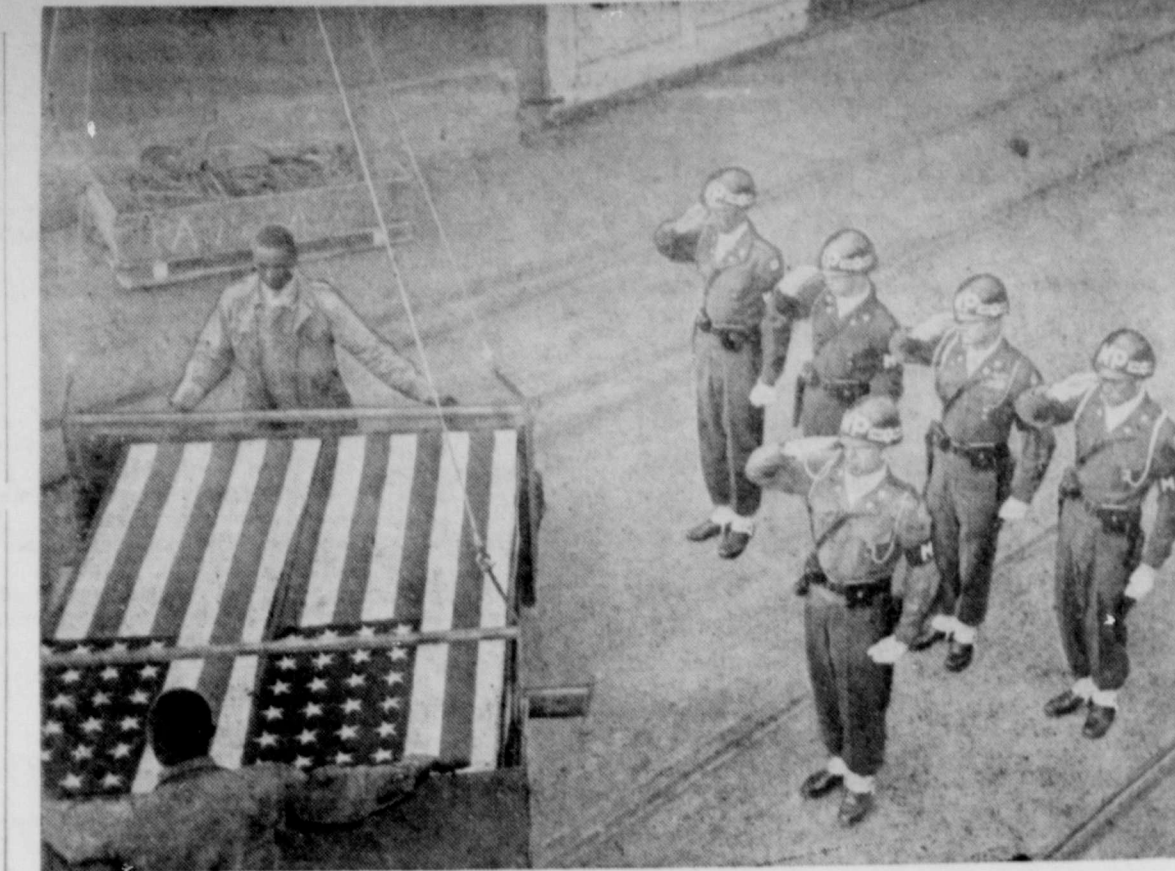

Q—My doctor told me that I should have my tonsils removed, but I can't afford it. As a World War II veteran, can I have this operation performed at a VA hospital, even though my condition is not service-connected?

A—Yes, if VA doctors deem surgery is necessary and if you sign a certificate stating you are not able to pay for the operation. But you will have to wait for a bed to become available, for in VA hospitals first priority goes to emergency cases; second to those with service-connected illnesses and disabilities, and third, to those with non-service-connected ailments.

Q—I am a retired regular Army officer drawing career compensation retirement from the Army. Is it possible to get disability compensation from VA at the same time?

A—Yes. When you apply to VA, you will be required to state the amount of your retirement pay. After your case is adjudicated, VA will notify the Army of the amount of compensation or pension granted. The Army, then, will deduct an equivalent amount from your retirement pay.

Q—I enlisted in the Navy recently, but I am afraid I won't be

WAR DEAD ARRIVE HOME . . . The bodies of two American soldiers who died of wounds suffered in the Korean war are lowered from the navy supply ship Cardinal O'Connell in Oakland, Calif. The soldiers were wounded in battle and removed to Japan where they died and were shipped to the U.S.

able to keep up premium payments on my commercial life insurance policy. Can anything be done about it?

A—Under the Soldiers' and Sailors' Civil Relief Act, you may

apply to VA for protection of your insurance. If your application is approved, VA will guarantee your premiums until you get out of service. But after your discharge, you must repay the indebtedness.

Q—My brother, a World War II veteran, is in a mental hospital. May I pay his National Service Life Insurance premiums for him?

A—Yes. Be sure you identify the payments properly.

Q—I owe some money that I haven't been able to repay. The person I borrowed it from wants to garnish my wages. Because I'm an on-the-job trainee under the GI Bill, I claim he can't do it. Am I right?

A—He can garnish the training wages you receive from your employer-trainer, but he can't garnish the subsistence allowance you receive from VA.

Q—I've been in an Army hospital ever since the end of the war, and I'm scheduled to get out in 1951. At that time, too, I understand I will receive my discharge from the Army. What will be my deadline for starting GI Bill education training?

A—Four years from your date of discharge. But you will have to finish training by July 25, 1956.

Q—I am married and attending college under the GI Bill. Recently we had a child. How may I get a copy of his birth record, to submit to VA for increased subsistence allowances?

A—Ordinarily, copies of birth records may be obtained by writing the Registrar, State Bureau of Vital Statistics, at the capital of the State in which the child was born.

Q—I read somewhere that National Guardsmen injured on active or training duty may be eligible for disability benefits administered by VA, regardless of how long ago they suffered injury. What about those of us in the Reserves?

A—The same provisions apply to Reservists. In all cases, however, benefit payments may not be made retroactive prior to August 15, 1945.

Faster, more accurate seeding with A MASSEY-HARRIS GRAIN DRILL

A fast operating, accurate seeding Massey-Harris Grain Drill goes a long way toward holding your production costs down . . . keeping profits up. What's more, your seed costs are cut to a minimum . . . yields are increased. Massey-Harris drills seed all of your grain properly . . . exactly as you set the per-acre quantity. There's no bunching or skipping.

When your grain is up, it's an even stand from fence line to fence line. Harvesting is easier. An even flow going through your combine results in cleaner separation, more grain. Look into these Massey-Harris drills with their huskier construction, constant height lift, front pressure tension on the discs, and dependable center seed delivery. See us soon for complete details.

# Society News

Resident California August 4

tended her sister as maid-of-honor. Bridesmaids were Mrs. Earlene Harris, another sister of the bride, and Mrs. Goldena Tilly. Pattie Ann Hasse was flower girl. Jimmy Rodgers was best man and ushers were Vern Roe and Jimmy Vawter.

Immediately following the ceremony, a reception was held in the Crusader Chapel of the church. Mrs. Henderson is a former resident of Memphis and is the granddaughter of Mr. and Mrs. Parks Mitchum of this city. Mr. and Mrs. Henderson are at home in Los Angeles.

## Juanella Young to Wed John Mowery In October Rites

Mr. and Mrs. Ted Young of Memphis today revealed the engagement and forthcoming marriage of their daughter, Juanella, to John H. Mowery, son of Mr. and Mrs. Clarence R. Mowery of Erie, Penn. The marriage will be an event of October 9 in Memphis.

The bride-elect is a graduate of the Memphis High School with the class of '48. She is a senior student nurse at the Wichita Falls General Hospital, Wichita Falls. At the present time she is in Galveston taking a special course in psychology.

Mr. Mowery attended Academy High School and the Hemphill Diesel School in Memphis, Tenn. He served in the U. S. Navy during World War II and is now employed by the Tidelands Marine Service Inc., Galveston.

## Mother's Club of Newlin Meets With Mrs. D. C. Messick

Mrs. D. C. Messick was hostess to members of the Newlin Mother's Club Thursday afternoon, August 10. Mrs. M. P. Moore assisted Mrs. Messick as co-hostess.

The afternoon was spent quilting for the club, and a short business session was also conducted by the president.

Refreshments were served to Meses. A. A. Odum, Don Sweatt, Tom Sweatt, Ralph Scott, Clarence Moore, Bedford Moore, D. W. Lawrence, Fred Hemphill, Elmer Gardenhire, M. E. Ellis, Wyman Davis, Estal Collins, Miss Isabelle Walker and hostesses.

The next meeting is slated for the second Thursday afternoon in September in the home of Mrs. Tom Sweatt. Mrs. Don Sweatt will serve as co-hostess.

## Sanders Annual Reunion is Held In Seymour

On August 12 and 13, the Sanders Family met at Seymour City Park for their annual reunion. Approximately 500 relatives and friends registered for this affair. Several states were represented and people were present from about 25 towns and cities in Texas.

On Sunday morning the group gathered for a religious service, bringing their musical instruments and song books. Oldtime singing and preaching was enjoyed with Rev. G. Sanders of Albany in charge of the service.

Following the lunch, the afternoon was spent playing games, swimming, kodaking, singing and visiting.

Those attending from Memphis were Mrs. C. C. Harris and daughters, Gloria Harris, Mrs. L. C. Johnson and granddaughter, Alinda June Johnson.

## Bucilla Club Enjoys Luncheon Meeting In Hampton Home

Mrs. Addie Hampton entertained members of the Bucilla Needle Club on Thursday at her home in Memphis.

Members engaged in long needle work for the hostess throughout the day and at the noon hour luncheon was served.

Enjoying this affair were the following guests: Mrs. Frank Garrett and daughter Mary Frank, Mrs. Emory Barton and baby of Denton and these members: Meses. Bess Crump, Clara Cummings, Ophia Webster, Lola Webster, Buna Mayfield, Mamie Smith, Ada Sargent, Pearl Massey, and Ocie Scott.

## Memphians Attend Family Reunion in Hayden, N. M.

Several Memphis families were in Hayden, N. M. over the weekend to attend the annual Hutcherson reunion. The affair was held this year at the S. C. Hutcherson Ranch home.

Approximately 35 relatives enjoyed this annual gathering.

Attending from Memphis were Mr. and Mrs. F. Hutcherson and family, Mrs. Ida Hutcherson and family, Mr. and Mrs. Wayne Hutcherson and son, Mr. and Mrs. Frank Smith Sr., and Virginia and Mr. and Mrs. Frank Smith Jr.

## CORRECTION

Four names were unintentionally omitted from the hostess group who entertained last week with a tea shower at Lakeview to honor Miss Patricia Montgomery, bride-elect of Tommie Hillis.

Names omitted were Mrs. Paul Smith, Mrs. H. D. Payne, Mrs. H. L. Davenport and Mrs. Henry Moore.

Mr. and Mrs. Herbert Sisk and Mr. and Mrs. Allen Dunbar are vacationing in Colorado this week.

## O. T. Toney Are Honored at Informal Tea

Mr. and Mrs. O. T. Toney and daughter, Arabella, of Abilene were weekend guests in the home of Mr. and Mrs. L. G. DeBerry.

The Toney's are former Memphis residents and have recently moved from Lubbock to Abilene.

On Saturday afternoon Mrs. DeBerry entertained with an informal tea honoring her guests. Some 25 close friends of the Toney's were on the guest list.

Dainty refreshments were served during the visiting hours.

## Christian Endeavor Meets Sunday For Weekly Study

The Christian Endeavor of the First Christian Church met Sunday evening at the church for the regular weekly study service.

Miss Martha Aduddell had charge of the evening's study which was titled "The Christian."

She also conducted a short business session at which time Harold

## Aspgren was elected secretary of the organization.

Plans were also made for a social which will be held on August 27 at the home of Mrs. Roy Coleman.

Billie Horton will serve as program leader at the service next Sunday evening.

Members present were Harold Aspgren, Roy Don Coleman, Juacia Messer James Aduddell and Martha Aduddell.

## J. J. Hall Family Holds Reunion at Eli Sunday

A family reunion was held Sunday, August 30, in the home of Mr. and Mrs. J. J. Hall at Eli.

Enjoying this family gathering were the Hall's five children and their families including Mr. and Mrs. J. H. Hall of Cross Plains, Mr. and Mrs. Archie Hall of Plainview, Mr. and Mrs. Howard Hall of Olton, Mr. and Mrs. B. W.

If your car needs any kind of body work, bring it to Kermit Monzingo, your Chrysler-Plymouth dealer.

Hamby of Plainview and Mr. and Bobby Harris and Tommy and Mrs. Hubert Rector of Tulia. Glenda Hall, and two nephews, Eldon Franks and son Don of Olton. Guests included Miss Annie Baum of Cross Plains, Mr. and Mrs. Sam Dale and Lucille of Coldston, and Mr. and Mrs. Hugh Lambert and Grover Moss of Eli. Mr. and Mrs. Gerald Mabre of Superioe, Ariz., visited here Thursday and Friday with his parents, Mr. and Mrs. W. D. Mabry.

Mrs. Alma Kincaid, 2125 East Adelaide, St. Louis, Missouri, who was suffering from deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin, has turned into a regular clock-watcher since she has been taking HADACOL. Yes, she keeps her eye on the clock all day long, just waiting for breakfast, dinner and supper time. Imagine how unbearable life can be without enjoying good, wholesome food.

Here is Mrs. Kincaid's statement: "I have been taking HADACOL for over a year. Before taking HADACOL, I had stomach distress for quite sometime. Imagine how awfully hard it is to live a normal life when you can't eat such delicious things as tomatoes, oranges, grapefruit, etc. or drink milk without getting horrible cramps and upsetting your stomach. One day I took my husband's advice and got some HADACOL. A good friend of his told him of the fine results he had gotten from HADACOL. And now, since I have been taking HADACOL, I can eat anything I want and really enjoy it. I have a wonderful appetite, too—thanks to HADACOL. Naturally I recommend HADACOL to all my friends."

**Yes, HADACOL is Truly Wonderful**

In the way it has helped countless thousands of folks whose systems were deficient in Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin. HADACOL can help you, too. If you will just give HADACOL a chance. If you suffer from stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, or a general run-down condition, caused by such deficiencies, let HADACOL help you as it has helped others all over the country. Even hundreds of doctors are now recommending HADACOL to their patients suffering from such deficiencies.

Give remarkable HADACOL a chance to benefit you. Remember, you have nothing to lose. HADACOL will make you feel great after the first few bottles you take, or your money will be refunded. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50.

County Agent Lauds Farmers' Insect Fight

County Agent W. B. Hooser this week lauded Hall County farmers for their effective battle against insects during the past few weeks.

Heavy Voting (Continued from page 1) Special election which was won by Republican Ben Guill.

election with Mrs. Clark leading the ticket. Rogers claims Mrs. Clark is the "administration candidate" and will follow all President Truman's policies...

MAYOR McGUP

By John Jarvis

The polls will open at 8 a.m. Saturday and close at 7 p.m.

Billington

(Continued from Page 1) High School and enlisted in the Army in May, 1948. He took his basic at Fort Ord, Calif., and was stationed at Fort Lawson, Wash., before shipping overseas to Japan on Sept. 17, 1948.

National Wheat (Continued from page 1) any grain planted in mixture with the wheat, such as oats, barley, vetch, and rye, will be counted in the acreage allot-

ment as part of the wheat.

Concerning the 1951 support it was stated that the price support, through loan and purchase agreements, will be available on the 1951 wheat crop from harvest time to Jan. 31, 1952.

Dick Fowler Is Installed In Kappa Psi Frat

Dick Fowler, summer graduate of Texas University, is a member of the recently reactivated Kappa Psi, honorary pharmacy fraternity.

WEATHER

Rain and low temperatures highlighted the weather in Hall County this week as cold wind blasts late Saturday night brought an unreasonable 49 degree temperature early Sunday.

4-H Club

(Continued From Page 1) for the extension service from Vernon, made the scholarship presentation to Byars on behalf of the Anderson-Clayton Co.

Another top presentation was made to Bruce Gibson by Mr. Dodson, representative of the United Gas Pipeline Co. of Wichita Falls.

Gibson one of the Texas 4-H members who won this award this year, was given a certificate for the achievement.

County Agent Hooser made the remainder of the presentations to

the following club boys:

Jimmy Bownds, \$60 West Texas Utilities Co. award for the Better Methods Electric Contest; Carrol Fowler, \$25 savings bond award for the Soil Conservation Contest.

Petition For

(Continued from page 1) have been seeking signers for the petition throughout the county and announced today that it is now ready to be forwarded to Washington.

It is estimated that some 40,000 acres of farming land have been damaged by hail storms and rains.

## County Agent Has Built Strong 4-H Club Program

Some of the information pictures for the following were taken from the Plainsman, monthly publication of the Amarillo Times (in Circulation) primarily designed for the outstanding 4-H Club members in the Memphis Lions Club. The Memphis Lions Club gave recognition to W. B. Hooser at the Achievement Award Wednesday.

**PROGRAM LEADER**—County Agent W. B. Hooser, as sponsor of the six county clubs, is the one man chiefly responsible for the achievements of Hall County 4-H Club members who were honored at the annual Lions Club award program Wednesday. His work with the 4-H Clubs is demanding and varied but is thoroughly enjoyed by the County Agent. The pictures here illustrate the various details he handles during a routine day. Upper left, Hooser is dictating a letter to his secretary, Miss Edith Compton, notifying 4-H Clubbers of the achievement day program. Upper right, he is shown with one of his adult leaders, Clyde Fowler of Lakeview. Incidentally, Hooser says much of the 4-H Club success is due to these adult leaders who work with the youngsters. Lower left, Hooser is shown with the plaques which represent eight years of outstanding records by the county 4-H Clubs.

Hooser looks beyond contests to define real 4-H club program. "It is much bigger thing than contests," he said. "Education teaches our boys and girls—our future leaders—much of the improved farming in the clubs see the importance of serving the community."

enjoys this 4-H Club work since it enables him to be in direct contact with the county's youngsters, his duties as county agent do not end here.

He participates in all agricultural projects in the county and must continually work and study to keep informed on the latest farming developments. This summer, for example, he has spent a great deal of time working with the county farmers in their insect control program.

stock activity.

Hooser's work has won him recognition in his own professional circles and as early as 1945 he received the distinguished service award from the National County Agents association. He is a director in the state County Agents Association.

a 4-H Club member.

Hooser's record of achievement goes much farther than his work with the 4-H Clubs. His efforts have been a big factor in all phases of the agricultural growth of this county and the future looks much brighter with such men holding responsible positions of leadership.

### Locals and Personals

Miss Bonnie Black visited her uncle, K. B. Denton and cousin, Mr. and Mrs. Johnnie White, and Mr. and Mrs. Bob Allen in Clarendon Sunday.

Douglas Atkinson of Tulla visited Mr. and Mrs. C. W. Crawford over the week end.

Brooksie Davis of Amarillo spent the week end with her mother, Mrs. Mary Owens.

M. C. Allen and Hiram Crawford attended the races in Raton,

N. M., over the week end.

Mr. and Mrs. O. T. Tony and daughter of Abilene visited this past week end with friends. They are former residents of Memphis.

## Sample Ballot

Second Democratic Primary, August 26, 1950  
Hall County, Texas

PLEDGE: I am a Democrat and pledge myself to support the nominees of this Primary.

- For Lieutenant Governor:**  
BEN RAMSEY of San Augustine County  
PIERCE P. BROOKS of Dallas County
- For Associate Justice of Supreme Court (Place 1):**  
WILL WILSON of Dallas County  
FAGAN DICKSON of Bexar County
- For Associate Justice of Supreme Court (Place 3):**  
GEO. W. HARWOOD of Dallas County  
MEADE F. GRIFFIN of Hale County
- For Judge Court of Criminal Appeals:**  
ROBERT L. (Bob) LATTIMORE of Dallas County  
W. A. MORRISON of Milam County
- For Commissioner of Agriculture:**  
J. E. McDONALD of Travis County  
JOHN C. WHITE of Wichita County
- For Congressman, 18th Congressional District:**  
ALTAVENE CLARK of Potter County  
WALTER ROGERS of Gray County
- For Sheriff, Hall County:**  
RAYMOND BALLEW  
E. S. (Peck) MORRISON

Mr. and Mrs. Lynn Reems and family of Littlefield spent the week end here visiting friends. They formerly lived here.

Mr. and Mrs. Bobby Jack McMurry and Tony and Mrs. Gip McMurry visited in Childress on Thursday afternoon of last week.

Mr. and Mrs. Rudolph Miller were Amarillo visitors Saturday afternoon.

Spent 5 minutes and saved \$1000"

Come in . . . see how you could pay \$1,000 more and still not get all Dodge extra room . . . ease of handling . . . famous dependability

You can surely spare 5 minutes—especially when that's all it takes to see exactly how you could pay \$1,000 more without getting everything Dodge gives you!

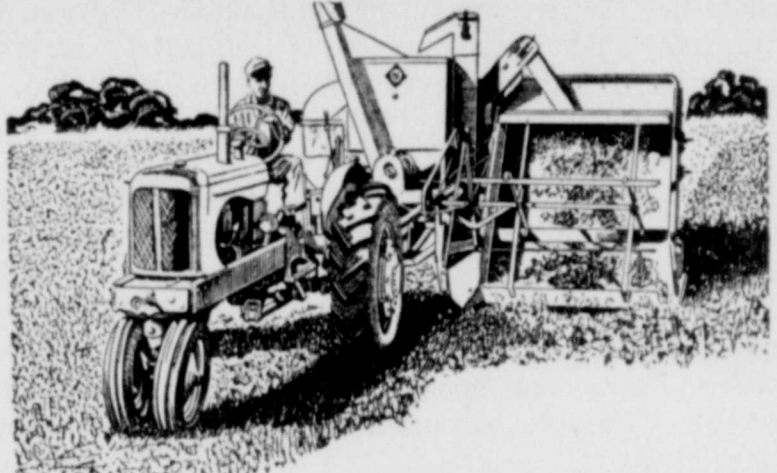

Yes, in just 5 minutes behind the wheel, you'll discover roominess that cars costing much more don't give you . . . driving ease you've never experienced before . . . ruggedness and dependability to save you money mile after mile. These are things that belong to Dodge . . . and only in Dodge do you get them all!

Come in today, see how easy it is to own the new Dodge of your choice.

# A Vote for WALTER ROGERS

Will be a Vote for

## A Sound Farm Program

And

## Representation for Entire Panhandle

Here Are Some Of The Things Walter Rogers Stands For:

### 1. ASSISTANCE FOR CROP DAMAGES

Walter Rogers stands for immediate assistance to cotton and wheat farmers who have suffered from catastrophies brought about by the weather. He advocates immediate INCREASE IN ACREAGE ALLOTMENTS to be planted to wheat this fall and cotton next spring. "This is an emergency measure and will not disturb the present allotment program, but will help farmers who are in need of immediate assistance in planning their future programs," Rogers has stated.

### 2. KEEP FARM PROGRAM

Walter Rogers believes economy of Panhandle is based primarily on agriculture. Farmers of this section are capable, sound-thinking Americans who should have a GREATER VOICE in setting up many features of present farm program. Farmers' suggestions and advice should be followed and used in order to retain all good points of present program and at same time eliminate bad points. "We must have a stabilized farm economy!"

### 3. HOME RULE AND HOME RESPONSIBILITY

Walter Rogers believes future of our country depends upon the homes and small communities. Believes encroachments have been made upon individual rights which must be checked or rights will be lost to people.

### 4. PRIVATE COMPETITIVE ENTERPRISE

Walter Rogers believes a balanced economy depends upon the American private competitive system, free of Government control except for adjustments of wrongs brought about by bad faith. He recognizes rights of working man as well as that of employer.

### 5. MORE OLD-AGE ASSISTANCE

Walter Rogers believes the old people are not getting their just dues. Says that too much money set aside for them is going into overhead costs; that they are entitled to more courtesy in their claims and requests.

### 6. NO TOLERATION OF COMMUNISM

Walter Rogers believes that soft treatment of Communist traitors should cease; that all Communists in our government should be immediately discharged. He believes laws should be passed immediately to check Communism and the spread of Communistic propoganda by false-front organizations.

### 7. DEFENSE AND PREPAREDNESS

Walter Rogers believes in proper preparedness of this country first; and strict economy when it will not weaken the strength of this nation. He believes in drastic reductions in government costs, abolition of over-lapping bureaus, cleaning out of overstaffed departments, and elimination of red tape. He does not favor playing politics at the expense of our nation's safety.

### 8. TIDELANDS AND EDUCATION

Walter Rogers believes the Tidelands belong to the State of Texas. He believes federal aid to education is double taxation; that if government will attend to own affairs, leave our Tidelands alone and conduct itself in accordance with Constitution, Texas won't have to worry about federal aid to our schools.

### 9. AGAINST SOCIALISM IN ANY FORM

Walter Rogers is against Socialized Medicine, Socialized Education, Socialized Housing, and Socialized Industry.

Here is the Rogers family. Standing, left to right, are John, Walter and Tommy. Seated, left to right, are Mary Catherine, Mrs. Jean Rogers, Robert and Susan. Walter Rogers has as much at stake in the future of this country as any person.

Let's Elect Our Own Congressman Because the People of the Panhandle Need a "Free" Man in Washington!

# Pearls of Wisdom

by J. H. R.

God's Carpet  
Entrepreneurial merchants and housewives have made the weaving of rugs an integral part of living today. The weaving of rugs is one of the most

ancient of industries dating back to the fifteenth century B. C. The Egyptians are credited with having introduced the art of rug making to civilization but, from time immemorial, China and southwestern Asia have been noted for their beautiful rugs which, even today, are still laboriously woven by hand.

A rug differs from a carpet in that it is usually woven in one piece of a definite shape and design. The purpose of both is the same, to lend comfort to man as he travels or sojourns in one place. In Arabia, the Bedouins, a wandering, nomadic tribe who spend their lives wandering back and forth across the desert, carry exquisite

Oriental rugs as standard equipment for their travels. Wherever they pitch their black mohair tents they unroll these beautiful rugs to cover the sand of the chief tribesman's quarters. A small rug of less elaborate pattern serves the Moslems in the middle east as a prayer rug. These rugs, carried for the purpose, are spread for the worshipper to kneel on wherever he may be when the call for prayer comes five times each day. And the fairy tale tells of the magic carpet on which the Thief of Baghdad whenever he wished went sailing through the air above that Persian city. Of course too, there were those political shiesters who infested the South following the Civil War, "the carpet baggers," who had no carpet at all but supposedly carried their belongings in a bag made of carpet material. And the Carpet Knights of England were so called to distinguish them from the warriors who were knighted on the field of battle rather than kneeling on a carpet in the king's chamber.

Indeed, since the time when Adam and Eve tread softly on God's carpet of grass in the Garden of Eden, man has entertained a taste for luxury underfoot. While the present day fad for "wall to wall" carpeting makes for luxurious comfort, it is God's carpet of

You get only the best of service when you bring your car to Kermit Monzingo, your Chrysler-Plymouth dealer. —Ad/

grass that is indispensable to the welfare of mankind.

Many fine things have been said in praise of the earth's verdant covering; Walt Whitman, the father of American poetry, wrote a lengthy verse on the subject. Our own Panhandle Penwoman, Laura V. Hamner wrote a book of the early days in this part of the country which she called "Long Horns and Short Grass," (a good story, if you like pioneer tales) but perhaps John J. Ingalls most beautifully expresses the actual value of grass as related to the life of man when he says:

"Next to the divine profusion of water, light, and air, those three physical facts which render existence possible, may be reckoned the universal beneficence of grass. Lying in the sunshine among the buttercups and dandelions of May, scarcely higher in intelligence than those minute tenants of that mimic wilderness, our earliest recollections are of grass; and when the fitful fever is ended and the foolish rangle of the market and the forum is closed, grass heals over the scar that our descent into the bosom of the earth has made, and the carpet of the infant becomes the blanket of the dead.

"Grass is the forgiveness of nature . . . her constant benediction. Fields trampled with battle, saturated with blood, torn with the ruts of cannon, grow green again with grass, and the carnage is forgotten. Streets abandoned by traffic become grass-grown like rural lanes and are obliterated; forests decay, harvests perish, flowers vanish, but grass is immortal. Belegged by the sullen hosts of winter, it withdraws into the impregnable fortress of its subterranean vitality and emerges upon solicitation of Spring It bears no blazonry of bloom to charm the senses with fragrance or splendor, but its homely hue is more enchanting than the lily or the rose. It yields no fruit in earth or air, and yet should its harvest fail for a single year, famine would depopulate the world."

We who live in that part of

the Panhandle known as "the short grass country" are most grateful for the abundant summer rains and the thick pile of green velvet covering the pasture lands. Perhaps the only thing we don't fully appreciate about this green carpet is the pesky chiggers, bugs which contest our right to enjoy its luxuriance.

Dan McMillan spent the weekend in Commerce visiting relatives. His mother, Mrs. B. B. McMillan, who has been in Commerce with her mother for the past two weeks, returned home with him on Sunday.

## Business Leader With Great War Record Tells How Hadacol Has Built Him Physically

Run-down, weak, after service in South Pacific  
Deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin

Donald Hedburg, who ranked 1812 Parker in the Riverside District of Kansas, has been an up-and-running executive member of the great Wichita newspaper for over four

Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in community affairs. And just as he was anxious to pitch in and do his part during the war—he now helps his fellow citizens (like he was once), are run-down and weak for lack of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin in their systems.

Donald W. Hedburg's statement: "When I came home from service, I faced a problem of rebuilding myself. I was in a general run-down condition. My present capacity of a salesman for Kansas newspaper, The Wichita Eagle, is absolutely necessary to me. I had real cause for concern. Nothing seemed to help me constitutionally. Then I came on the national radio about HADACOL—time to try at least five bottles on my fourth bottle I feel like my old self again. I look forward to a day's work in the yard—fish in the pond—enough to get me going again to get my energy and vitality back through every part of my body. You bet, I too, am a missionary for this wonderful HADACOL."

Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin—but also helpful amounts of Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness. If you are a victim of neuritis, certain stomach and nervous system disturbances, constipation, insomnia or a weak, run-down condition due to such deficiencies, HADACOL will start you on the road to feeling better often within a few days. Thousands upon thousands of records of grateful men, women and children proved this to be so.

Many Doctors Recommend It  
HADACOL is recommended by many doctors not only to their patients but to members of their own families who have such deficiencies. Before giving up hope—you owe it to yourself to at least give HADACOL a chance to help you. Why keep dragging yourself around feeling "half-alive" when it's so easy to have that wonderful HADACOL feeling that everyone is talking about! Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes.

## It's a very satisfying feeling

YES, it's good to slip into a truly fine automobile and sense its richness, its comfort, its room.  
And there's a great thrill in touching off the waiting power of a great-hearted straight-eight and feeling its swift response at any speed.  
It's fun to count the quick, admiring glances thrown your way.

It's nice to have a car that parks easily, for all its inches. It's very pleasant to do away with gear-shifting and clutch-pedal pushing, and know in its stead the utter smoothness of Dynaflo Drive's silken transmission of power.  
And still that doesn't probe the depths of a ROADMASTER owner's secret satisfaction.  
For while he knows he has a fine car, by its look, its feel, its appointments—  
While he has performance at his command that needs play second fiddle to no other on the road—  
While he enjoys a very special measure of creature comfort in the quite matchless gentleness of ROADMASTER'S ever-level ride—  
He knows too that he has made

an exceptionally wise investment.  
He has spent his money for the things that make a fine car fine—and nothing simply for show.  
He has paid the lowest price per pound in the fine-car field—he has the very satisfying feeling of knowing his dollars have given him solid merit, and solid merit alone.  
We'd like to have you try ROADMASTER in honest comparison with the highest-priced cars to be found. We'd like to have you try to match it for room, for comfort, for finish, for handling ease and for ability on the road.  
Then check the prices—and see if your own sense of value doesn't advise signing up right now with your Buick dealer for a Buick ROADMASTER.

**FOUR-WAY FOREFRONT**  
This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

# Hobart Wins First Game In Playoff Sunday 3-1

The Memphis Owls outfit but failed to outscore Hobart Sunday afternoon as the Oklahoma club took the first game of the Red River Valley League final playoffs, 3-1.

Owl batters connected for nine hits during the tilt while hurlers Doc Pittman and Jack Brinkley held the Bears to a meager four hits. However, the host team placed their hits more effectively than did the Owls. They scored first in the second inning when Long reached base on an error and came home on Duvall's triple.

Two walks and a sacrifice were chiefly responsible for the second Hobart run in the fourth. Their final tally came in the seventh when Oaks got on via a fielder's choice and eventually reached home on Reimer's single.

The Owls scored their lone run in the ninth in a last-ditch rally attempt. Mathes doubled to gain scoring position and Stonecipher followed with the RBI by slugging out a single.

Pittman worked the first six

innings and was charged with the loss although he gave up only three hits. Brinkley handled the hurling for the remainder of the game, allowing one hit. Kenneth Stonecipher led the Owl hitting attack. He connected safely three times in four trips to the plate, hitting a double and two singles.

## Local Youths at Camp Hood with Natl. Guard Unit

Billie Joe Beasley and Jean Paschall left Saturday with a group of National Guard members to attend a two-week training period at Camp Hood. They joined the group at Wellington.

They are members of the 142nd Medical Inf. Div. of the Texas National Guard, and joined the unit six months ago. Headquarters is at Wellington.

Beasley is the son of Mr. and Mrs. W. H. Foster and Paschall's parents are Mr. and Mrs. M. W. Paschall.

## Aggies Tour State For Church Pews

Twenty-five Texas Aggies on summer vacation take the field this month throughout the state in a campaign to insure themselves a seat in church at Aggieland this fall.

Answering a call from the Rev. Bob Sneed, director of student religious activities, A. & M. Wesley Foundation, these Aggies are seeking \$10,000 for pews in the \$150,000 Methodist chapel being completed this year at College Station.

Methodist students at A. & M. will furnish 50 pews for the new sanctuary, with each pew costing \$200. The 25 Aggie solicitors have been furnished cards identifying them as "authorized representatives of the Texas Methodist Student Movement and the A. & M. Wesley Foundation."

Urges the Rev. Sneed: "Have you ever thought what a church without pews would look like?"

Mrs. Emory Barton and baby of Denton visited here last week with her parents, Mr. and Mrs. C. R. Webster.

Mr. and Mrs. Jeff Welcher of Parnell visited in Vernon Tuesday night.

## PERSONALS

Weekend guests in the home of Mr. and Mrs. Ernest Lee were G. D. Lee of Abilene, Mrs. I. B. Bryan of Odessa and Carrie Belle Lee of Amarillo.

Mr. and Mrs. Carl Eddins of Pecos are visiting here with Mr. and Mrs. George Bass. Mr. Eddins is a nephew of Mrs. Bass.

Mrs. Ed Hutcherson and Bobby Dick and Lera Kate left Tuesday for Lubbock. Bobby Dick and Lera Kate will take part in the wedding of their cousin, Miss Mary Lou Lindsey, to Bruce Gentry on Saturday night. The wedding will be held at the First Methodist Church.

Roy Guthrie was in Canyon Wednesday evening where he attended the graduation exercises at West Texas State College. Mrs. Guthrie, who has been attending the summer session, received her Master's degree at this time. She accompanied Mr. Guthrie home.

Miss Maud Milan returned last Friday from Sunday from Sudan where she attended the wedding of her niece, Miss Evelyn Milam of Sudan and G. B. Bowdle of Booker on Thursday evening. Mrs. Bowdle is the daughter of Mr.

Looking for a "good break"?

You get the best brakes on

# DODGE

## "Job-Rated" TRUCKS

Best for stopping . . .

Smooth, sure stops are yours with a Dodge "Job-Rated" truck . . . thanks to extra-large braking area. The driver has full control of brake action, because of "equal-pressure" design of service brakes. These famous hydraulic brakes are easy to adjust, too.

Best for parking . . .

You get the added safety of two separate brake systems in your Dodge "Job-Rated" truck. On every Dodge "Job-Rated" truck, the hand parking brake is completely independent of service brakes. Operating on the propeller shaft, it helps lengthen the life of the service brakes.

Now! gyrol FLUID DRIVE!

Available on all 1/2-, 3/4- and 1-ton models. Reduces wear, lowers upkeep costs. Ask us for Fluid Drive booklet.

... and the best brake lining, too!

You get longer lining life and better braking with Cyclebond linings. It's fused to the shoe! No rivets means lining can be used practically down to the shoe . . . with virtually no danger of drum scoring. Ends are full-thickness—not tapered—to provide more braking surface.

for low cost transportation

POWER: . . . 8 great truck engines—each "Job-Rated" for PLUS power.

ECONOMY: . . . priced with the lowest "Job-Rated" for dependability and long life.

BIGGER PAYLOADS: . . . carry more without overloading axles or springs because of "Job-Rated" WEIGHT DISTRIBUTION.

EASIER HANDLING: . . . sharp-er turning! Parks in tight places. "Job-Rated" maneuverability!

COMFORT: . . . widest seats . . . windshield with best vision of any popular truck. Air-cushioned, adjustable "chair-height" seats.

SAFETY: . . . finest truck brakes in the industry . . . hand brake operating independently on propeller shaft on all models—1/2-ton and up.

With all their extra value **DODGE "Job-Rated" TRUCKS** are priced with the low

**MANY NEVER SUSPECT CAUSE OF BACKACHES**  
As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.  
If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!  
**DOAN'S-PILLS**

**Before You Vote, Read This Message**  
— FROM —  
**Raymond Ballew**  
Candidate for Sheriff

This is the last message I will issue before the election next Saturday; therefore, I want to use this means of expressing my appreciation for the fine manner in which you people have received me and attended the candidate speakings over the county. Again I want to solicit your vote for the office of Sheriff.

As I have told you over and over again, I am basing my campaign on facts and truths, and the importance of electing a man as Sheriff who is qualified by actual experience. That's all I have been talking about during this campaign. I know the criminal elements that exist in our county today. I know how to control them.

You people know the kind of man I am, and the kind of life I have lived. I have resided in Memphis for nearly 50 years, and believe nearly every person in Hall County knows me. I have stated over and over again: "Raymond Ballew is a man of his word and will pay his debts!" People who know me, know this is true.

Now I want to serve you as your Sheriff, believing that every person should serve his community in his best capacity. The office of Sheriff is an honorable one, and great responsibility rests upon the shoulders of him who carries the badge of this office.

I have made this promise before—and make it again:  
I SOLEMNLY PROMISE THAT, IF I AM ELECTED, I WILL GIVE THIS COUNTY A CLEAN, FAIR AND JUST ADMINISTRATION.

**RAYMOND BALLEW**  
CANDIDATE FOR  
**SHERIFF OF HALL COUNTY**  
Subject to the Second Democratic Primary, Aug. 26th  
(Paid political advertisement)

At the candidate speakings over this county I have answered all questions which have come to me. I have told you people that if you elect me it would not please the "Clique" in Memphis. I said that as far as I could find out, all law violators are going to vote for my opponent. And I told you folks that, if I am elected, I will not be obligated to any clique but will use all the knowledge I have to make you a good Sheriff.

When you vote for me, you will not be voting against my opponent who is a friend of mine. You will be voting for the man you think will make Hall County the best Sheriff. As I told you before, you will be making up your mind to elect a "MAN WHO CAN AND WILL" or "A MAN WHO WOULD IF HE COULD."

If you will elect me your Sheriff, I will work night and day to clean up this county and make it a place where all of us can say we are proud to live. And I will make it a safe, clean and moral place for us to rear our children.

Be on guard against last minute propoganda. The "Clique" may put out many rumors. The bootleggers may even start saying they are for Raymond Ballew. If they do, you know it is not so. I told you in my speeches that all law violators will support my opponent, because they think they can put it over him and not be able to put it over me. Don't let this old trick influence you. Vote your convictions, and help elect RAYMOND BALLEW, a man who will make you a good Sheriff.

## Editorial

### WE'LL SAY IT AGAIN

We've said it before—many times—but we want to repeat it: use your voting privilege in the Democratic primary Saturday. That is, of course, assuming that you are a Democrat and did pay your poll tax.

True, there aren't many offices to be decided in this election but those that are in question are very important.

Use your vote Saturday and use it to the best of your convictions. Then and only then are you doing your part to help make Democracy work.

Perfection can never be attained but constantly striving toward it is the only way to reach success.

### ECONOMIZE NOW

This country has been told that the international situation makes it necessary to place this nation on a semi-military basis, and that taxes on both individuals and industries must be substantially raised to foot the bill.

Under those circumstances, the people of the United States, who will do the paying, are certainly entitled to demand that wasteful and non-essential government spending be eliminated, and that our domestic affairs be conducted with rigorous economy.

But, if the planners have their way, that will not be done. We will go merrily on, throwing away billions at home, even while we spend incredible sums on our armed forces and in assistance to the anti-Soviet block of nations.

### LOOK AT THE FIGURES

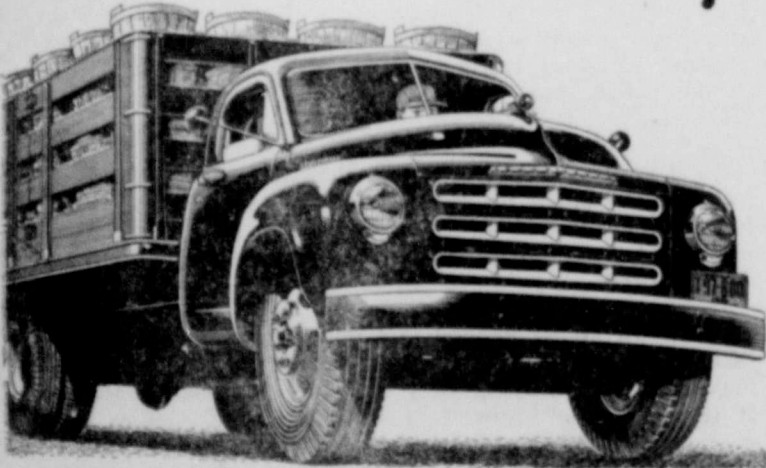

Those who beat the drums for compulsory government medical care—which is a polite way of saying political domination of our medical system—seem to work on the theory that American people have almost no way of dealing with the financial exigencies connected with illness.

The truth is, however, that in the last 20 years this country has made remarkable progress in the field of medical economics. And it has made it through voluntary health insurance plans, of which hundreds are in existence. Some are sponsored by doctors and hospitals. Others are offered by insurance companies. Still others have been established by industry, labor unions and fraternal groups. In each case, the cost is low—and in each case they do much to take the economic shock out of illness.

In 1946, only four years ago, 40,000,000 people were enrolled in these plans. By 1949 the number had advanced to 61,000,000. At present the figure is approximately 70,000,000. And within the next three years, authorities on the subject forecast, 90,000,000 people will have this form of financial protection. This certainly proves that we, as a nation, can take care of the sickness problem without following the unwise "let the government do everything" line.

There is, of course, a comparatively small number of people who are unable to buy any protection for themselves. In those cases, there is a legitimate field for governmental aid. But that certainly shouldn't mean compulsory state medicine for all of us—at an unknown cost to the taxpayers.

## LONG, HARD ROAD AHEAD

### Press Paragraphs—

#### QUOTING OUR NEIGHBORS

##### Religion Needed

It has been generally recognized for many years that the people of America are ignoring their church obligations.

To be sure there are the usual faithful few who never miss church service. There are a few denominations which are taking their obligations and opportunities seriously and are going out after members. There are some churches which are trying to live up to their opportunities of seeking to reach those who have strayed from the fold, or have never been members.

It has been recognized for many years that not more than half of the American people are church members; and furthermore, that fully half of those who have their names on the church rolls never attend church. They are too busy doing something else, or doing nothing at all at church service time.

Why this situation? Frankly we have no idea.

However, we will give you one of the reasons for this lack of interest on the part of the public which should be corrected. We are convinced that a vigorous policy on the part of the churches would have a good influence on church attendance.

If you will look over the news columns of The Canyon News you will probably find a single church announcement in this issue. This has been going on for many months. The churches of Canyon certainly have something attractive for their members, or for those who would like to attend church. They fail in their publicity.

There are two firms which put out attractive church advertising pages, designed to influence people to be more religious. Practically all of the major newspapers of the state use one of these services, at a considerable cost to the publisher. Business men support these pages because they want to be counted as interested in the welfare of the church of their communities.

Are any churches represented on these pages? In very rare instances names of one or more churches of the community are listed. For the most part the churches have taken the position that they will not participate, because it costs a few dollars per

issue to have their names carried.

The churches of America have an aggressive job ahead of them if they are to be counted upon to carry out their mission of saving America for Christ.—Canyon News

##### Dallas Replies

The vicious "Scratch Dallas" campaign has been injected into the second primary. Four Dallas men contest the runoff. The News is frankly of the opinion that in three instances public interest will be best served by voter choice of three non-Dallas candidates. Ben Ramsey of San Augustine will make an admirable Lieutenant Governor, experienced as he is in legislative service, and the state would be in safe and tried hands were he to become an emergency Governor. The fine record of Meade Griffin of Plainview, bar and bench, clearly marks him as, odds on, the only well-qualified candidate for the place he seeks. Judge W. A. Morrison of Cameron has the personality, experience and judicial temperament to make an admirable jurist on the Court of Criminal Appeals. The News would see the same way were these gentlemen from Dallas. That they are not to be is argument neither for nor against.

Will Wilson of Dallas, seeking Place 1 on the State Supreme Court, and his current opponent both lack experience from which to judge how either will qualify on that bench. But Mr. Wilson's integrity is beyond question and he has the confidence of some of the ablest lawyers in Texas. The intelligent voter will see the absurdity of making his residence a disqualification.

"Scratch Dallas" contention is

that to elect four men from a single city is to concentrate too much power in a small area. As three of the posts are judicial, "power" is not involved at all. To validate the argument would require the election of all four. The absurdity can be illustrated. Suppose Mr. Wilson is defeated. How about concentration of power in Austin? Two Austin men now sit on the Supreme Court and Mr. Wilson's opponent, while claiming San Antonio as an official residence, has actually lived in Austin for a decade or more and his family reside there. For that matter, all Supreme Court Justices become Austin residents in fact.

Forget where a man hails from and vote for him if you think he will make a good official. Scratch (Continued on page 7)

because we leave the seventh floor at 4:30 a. m. every morning and there are hundreds of others who through the sidewalk below at the same hour on their way home to get some of that much-desired sleep. The night-shift eats "lunch" at 12 midnight, in the big cafeteria on the eighth floor which can seat 500 at one time. The workers have 30 minutes for lunch. The cafeteria is next to a large auditorium where television brings the midnight news. On Wednesday nights there is also a movie at this hour in the auditorium. (Don't let anyone tell you that everybody who works for Uncle Sam loafs on the job since there is no loafing in the GPO. There

## THE MIDDLES . . . . By Bob Karp

is a deadline for everything and it must be met every night.) The biggest job at night is to get out what is known as the "Congressional Record", a daily recording of every thing that is said in Congress (both houses) the day before. This Record must be ready for delivery before 7 a. m. each day just like any other daily newspaper. The GPO also prints thousands of documents for many of the government departments. This column is being written at the National Press Club in downtown Washington. This club has 1,100 members or more. It has three television sets in its main reading lobby, something that we are very much interested in these days. You should see them.

So far as Hall County people are concerned, it is of interest to note here that Hon. J. Claude Wells spent seven months on a job here in the GPO back in the 30's. Some of the folks who worked here then are still on the same jobs and remember him with very pleasant memories. I understand one of them has written Mr. Wells a letter recently and received

a reply which he was most happy to get. Talking about personalities, one of the men with whom we have gotten acquainted was born and reared in Russia, in what is known as "Georgia". But he has been in this country 27 years now and on the GPO job for 22 years after graduating from Columbia University in New York City. He told us the other evening that his family knew one Joe Stalin when the latter was a "jail bird" and was imprisoned for violations of the Czarist laws of those days. This man is no friend of Stalin's now, to hear him tell it. He says Stalin had another name in those early days. And he was known as a tough outlaw! (Too bad, he was allowed to escape from the authorities then!)

One of the busiest places in Washington these days is the Pentagon, the monstrous office building across the Potomac River in Virginia which housed 40,000 persons on their jobs back in World War II. We drove out there Monday morning and actually kept our car in line for 30 minutes before there was a parking spot where we could leave it long enough to go inside and see an old friend. Thousands of reserves coming back to report to the Pentagon as it is headquarters for all the services. It is the largest office in the world today, you remember. To get an idea of the size of the structure just remem-

ber it is two miles around the building which is a pentagon (five sides). They are now completing an office building in Washington where tenants can drive their car up to the back side of the office and park it all day, then drive down the circular ramp at 5 p. m. There are 10 floors! We haven't seen it yet, but it was written up Sunday.

We notice that hail has damaged thousands of acres of crops in the Panhandle recently. Life seems to be "just one darn thing after another". Last winter, we had a long drought. Does anyone remember it now since you have had so much moisture recently? County agents should write the department of agriculture about that new variety of cotton, the "hybrid" cotton that will triple yields of the fleecy staple in places where the needed moisture can be secured. They say it will be 1956 before much of it will be available for general planting. How about it, Bonnie? Charley Reed at Claude probably knows all about it.

This is all now.

It's comforting to know that world power politics stops at the zoo gate. Olga, a lady hippo from Leipzig in the Russian zone of Germany, has been allowed to join a boy friend named Knautschke in the West Berlin zoo, lying in Allied occupation territory.

When Germany was divided between East and West, all the female hippos were caught in the Soviet zone. On the other hand, Knautschke, the only male, was in the West. This boded ill for the future of German hippos.

Now even the Russians recognize people need a little fun in life and that zoos help. So Olga, and Grete before her, have been allowed to pass the zonal check points with full diplomatic privileges. There's

#### CARD OF THANKS

To all the many kind and thoughtful friends who shoyered me with cards and visits during my recent illness, I want to take this means of expressing my sincere thanks. I would like to write

each of you a letter of appreciation, but that is impossible at this time. However, I do want you to know that each act of kindness was sincerely appreciated.

Mrs. D. H. Davenport

Mr. and Mrs. David T. McVey announce the birth of a daughter on July 22. She has been named Linda Kay.

### Lamb County Pioneers To Meet Tuesday

The second annual reunion of Lamb County will be held in Littlefield Tuesday, it was announced this week.

Mrs. Bob Smith, secretary of the Lamb County Pioneers, said the meeting will be held at the Littlefield Country Club.

She said that all persons living in this area who resided in Lamb County at any time through 1925 is eligible for membership in the organization and is invited to attend this reunion.

The pioneers will convene at 2 p. m. and an old-fashioned basket picnic will be served at 5:30 p. m., Mrs. Smith said.

### Memphian Will Receive BS At University

A Memphis student is among the 55 seniors who are candidates for degrees from the University of Texas College of Education this summer.

Louis L. Billington is the Memphian who will receive his bachelor of science degree. He majored in physical education at Texas.

Dean L. D. Haskew made the announcement.

### ESTELLINE

By MRS. ALBERT BAILEY

Mrs. Cliff Young, who spent last week with her parents, Mr. and Mrs. W. F. Holland, returned to her home in Ft. Worth, Sunday.

Mmes. Dave Waldron and Lorean Beard shopped in Amarillo Friday.

Mrs. James Wright and small son spent last week visiting with relatives in Ft. Worth.

Mr. and Mrs. W. M. Whaley are visiting their son, Jim and wife at Victoria, the Whaleys expect to do some sight seeing in Yellowstone National Park, before re-

**NEW CONOCO LABORATORY**—Continental Oil Company has awarded a contract for construction of a \$2,250,000 research laboratories building in Poca City, Okla., that will provide the Company with one of the most advanced development and research programs in the American oil industry, it has been announced by President L. F. McCollum. The new structure, as shown in the architect's sketch above, will be three stories and is expected to be completed in the fall of 1951. Approximately half of the building will be occupied by the Company's central research laboratories, which will include an organic chemical laboratory, comprised of a petroleum chemical division and a lubricating oil division; a physics research laboratory, for research in electronics, X-ray defraction and mass spectrometry; an analytical laboratory, consisting of both chemical and physical methods units; and a colloid laboratory, for carrying on fundamental work on greases and allied materials.

turning home.

Rev. Geo. A. Curlee of Childress filled the pulpit at the Baptist Church Sunday. Rev. Curlee was pastor of this church forty years ago and has many friends here.

Miss Shirley Hale of Memphis is spending the week with her grandmother, Mrs. Maude Chaudoin.

Mrs. Leona McClean, who spent most of last week in a Memphis hospital, is home and recovering rapidly.

Rev. Albert Cooper visited in Wichita Falls, on Wednesday last week with Mr. and Mrs. S. P. Phillips. Mr. Phillips has recently undergone a very serious operation but is reported much improved.

Mr. and Mrs. V. C. Beverly, Loren and Marue are spending their vacation in Houston with relatives.

Mr. and Mrs. Charles Self of Beaumont, spend Wednesday with Mr. and Mrs. T. L. Waddill.

Mr. and Mrs. F. E. Leary and Mrs. J. A. Ballard spent the week end in Amarillo with the Edgar Garner family.

D. A. Neeley has purchased the Parker Laundry. Mr. and Mrs. E. Gilbert are employed there.

Mr. and Mrs. J. L. Darby and Mrs. Lon Morton spent the week end in Lubbock, visiting relatives.

H. C. Clifton Jr., of Houston was here on business the past week.

A reunion of the Patterson family was held at the A. A. Patterson home Sunday. Those attending were Mr. and Mrs. Watley Ratliff, son and daughter and Mrs. Betty Patterson of Tahoka, Mr. and Mrs. J. A. Peterson from near Lubbock, Mr. and Mrs. Josh Smith and children of Turkey, Mr. and Mrs. Harry Eddleman of Altus, Okla., Mr. and Mrs. R. A. Eddleman and Mrs. S. S. Cooper of Estelline. A picnic lunch was spread on the lawn. The young people attended the show in the afternoon and the adults spent the time reminiscing and talking of old times.

Mrs. S. K. Jones is visiting her son, Noel Clifton and family in Memphis.

Mr. and Mrs. Pete Lambert of Brice visited in the T. Z. Zint home Sunday.

J. K. McKarty of Shamrock was shaking hands with friends here Tuesday.

Rev. and Mrs. W. B. Green and sons were Memphis visitors Tuesday.

Mrs. Michie Maupin and children of Turkey visited in the Claud Arnold, Clyde Rogers and Arlis Crump homes last week.

Mmes. Mattie Rigby and Lillie Bagwell have returned from a trip to Carlsbad, Santa Fe and other place of interest in New Mexico. Mrs. Vivian Cooper of Turkey and Mrs. Elbert Johnson of Kress made the trip with them.

### VET PROBLEMS AND ANSWERS

Q. I applied for disability compensation for pulmonary tuberculosis, and my claim was turned down by VA. I think I am now eligible under the new law increasing the "presumption period" for tuberculosis to three years after discharge. Must I submit another application?

A. No. VA will review automatically the case records of all World War II veterans whose applications for compensations for compensation based on alleged service-connected pulmonary tuberculosis have been rejected.

Q. If I get a GI home loan, how much down payment am I required to make, under VA's new ruling to conserve essential material and labor?

A. In the case of automatic loans made by supervised lenders, you must pay all closing costs in cash. In the case of other loans requiring prior VA approval, you will be required to make a cash down payment of an amount equal to at least five percent of the purchase price or construction cost.

Q. My son is a war veteran and a patient in a State hospital. Am I required to pay for his board, or should it be paid by VA?

A. VA may not assume maintenance unless hospitalization is indicated for treatment of a service-connected disability, and the VA determines a bed is not available in a VA facility. Payment may be made by VA only from the time care is authorized.

Mr. and Mrs. George Bass returned recently from Wise County where they enjoyed visiting the sites where they were reared. It had been about 48 years since the Basses had visited there and they reported that everything had changed, including buildings, highways, etc.

Your Electric Servant

"Here are some basic facts about the electric power industry!"

- ✓ The business-managed electric power and light companies are the second largest taxpayers in the nation. Last year the West Texas Utilities paid \$2,238,634.00 in taxes—an amount equal to the total electric bill for all residential and farm customers for seven months!
- ✓ Despite all the "whoop-de-doo" over hydroelectric energy, if all the available water power resources in the United States could be completely developed, this would produce only one-fifth of the total energy the nation will need by 1960. In order to insure ample electric power for West Texas, the West Texas Utilities Company began in 1947 a program to more than double its generating capacity!
- ✓ Since World War II, the business-managed utilities have invested nearly \$2,000,000,000.00 a year in new plants and equipment to serve the people. This is the largest construction program undertaken by any single industry. The West Texas Utilities is now in the midst of a \$20,000,000.00 program expanding facilities to serve West Texas!
- ✓ Electric service is the one item in the family budget that costs substantially less than in pre-war days. Since 1939—while the cost of living as a whole has risen nearly 70 per cent—the average cost of a kilowatt hour of electric service for West Texas household use has dropped 18 per cent!

# IMPERIAL...is the word for it!

"Imperial," says Webster, means "superior excellence." IMPERIAL, says Chrysler, is this luxurious new car that excels anything on wheels in the sheer exquisiteness of its styling. Come look inside this reigning beauty... look at the lavish wool broadcloth fabrics, tastefully combined with topgrain leathers. Look at the lovely color harmonies, the soft sheen of the butler-finished chrome. Consider the advantages of Fluid Drive... exclusive new automatic transmission... Waterproof Ignition... Full Flow Oil Filter... High Compression Spifire Engine... electric window lifts... the CLEARBAC rear window for exceptional driver vision... and dozens more. Surely, of all the world's fine automobiles, only the Chrysler CROWN IMPERIAL, this car's running mate, achieves the same aristocratic distinction. Come see the flawless workmanship, the fine materials, the superb Chrysler engineering... and you'll agree that no other car, at any price, compares with the Chrysler IMPERIAL. Inside or out, there is no finer car in America!

ONLY THE CHRYSLER IMPERIAL offers you this absolutely unique system of window control! Each window has its own separate electric motor... each one can be raised and lowered independently from the driver's seat or at the window itself. And that's not all! So many other de luxe features... the kind you think of as being in the "special order, extra cost" category... are STANDARD EQUIPMENT on the Chrysler Imperial.

Imperial. For example: armrests on all four doors... foam rubber seat cushions and seat backs... stainless steel wheel covers... white sidewall pressure tires... carpeted luggage compartment! Full flow oil filter and many other engine features! Yes, you get all these extras as standard equipment with your beautiful new Chrysler Imperial.

Inside and out... it has no equal at any price.
