Council Approves Sewer Service Fee

ACTION TAKEN TO RAISE FUNDS FOR INSTALLATIONS AND REPAIRS

A sewer service charge—to become effective on Jan. 1, 1951—has been approved by the City Council in order to raise needed revenue for sewer repairs and installation.

The council also approved the following rates for the charge:
Residence—\$1 per month or \$10 annually. (This applies to each unit in apartment houses.)
Business firms—\$1.50 per month or \$15 annually.
Service firms—\$2.50 per month or \$25 annually. (This group includes hospitals, hotels, gas and service stations that do car washings.)

WEATHER

Cool and damp days continued to highlight the second week of September weather in Hall County. A total of 1.18 inches rainfall was recorded early Monday with heavy mists on other days.

Sunday's 87 was the week's high temperature while three days recorded the low of 55 degrees.
Daily temperature readings:
Wed., Sept. 13, 62 and 65.
Tues., Sept. 12, 55 and 68.
Mond., Sept. 11, 59 and 67.
Sun., Sept. 10, 62 and 87.
Sat., Sept. 9, 64 and 86.
Fri., Sept. 8, 55 and 86.
Thur., Sept. 7, 55 and 83.

Missionary Will Be Speaker At Christian Church

Minister Luke D. Elliott, recently returned missionary from Jamaica, will be guest speaker at the First Christian Church here Sunday night.

Minister Bedford Smith said this program will replace the regular Sunday evening service. It will begin at 7:30 p. m.

Minister Elliott, one of the country's outstanding missionaries, will show a number of pictures in addition to his talk.

The public is cordially invited to attend.

Entry Record Broken At Livestock Show

Although uncooperative weather kept an expected large crowd from seeing it, one of the finest exhibitions of beef and dairy cattle in the history of this county was on display Tuesday when the annual Hall County Livestock Show was held.

Over 100 head of livestock packed the show site at the Memphis Compress Co. This is a new record for the event which was expanded this year to include beef cattle divisions.

Aberdene-Angus, Herefords and Jerseys were entered in the competition. The Seymour Farms of Turkey also had two milking short-horns on exhibit.

In addition, Hall County 4-H Clubbers exhibited entries in the swine show.

C. A. Rapp & Son of Estelline and Harrison & Farmer of Memphis exhibited the largest number of Angus cattle.

The Rapp Angus heifer, Black Cap Madona, was grand champion female of the division while the Hall County's Angus Breeders Bandolier of Don Head 50th was the top bull.

In the Hereford division, Tomie M. Potts of Memphis and D. H. Davenport, Sr., of Lakeview took top honors with their entries.

Potts exhibited the grand champion bull in this division while Davenport showed the high ranking heifer.

A. E. Almond of Brice exhibited the only Polled Herefords at the show.

Stacey Waites won top honors among the Jersey exhibitors in the dairy division. He showed the grand champion female and senior champion female.

M. E. Drake of Lakeview and C. A. Williams of Memphis were also top Jersey exhibitors. Williams had the grand champion bull and Drake exhibited the senior champion.

Leon Martin of Lakeview exhibited the grand champion boar in the swine division.
(Continued on Page 10)

EMMETT HARPER INDICTED THURS. FOR SELLING MORTGAGED PROPERTY

The Hall County Grand Jury returned indictments against four men Thursday in a session that was continued from Sept. 4.

Emmett Harper was indicted on three counts of disposing of mortgaged property. This was a case viewed with interest throughout the county. Harper is accused of selling farm equipment and other property after it had been placed in mortgage.

District Attorney Allen Harp of Childress lauded this grand jury action.

"We want it understood that all such cases of selling of mortgaged property will be vigorously prosecuted," he said.

"Driving while intoxicated" indictments were returned against Donald Bell and Travis Baker. These are both second offenses and thereby become felonies under the state laws.

The fourth felony indictment was returned against Genero Monasallo. He is charged with burglary.

In other action, the grand jury returned a misdemeanor indictment against E. A. Thomas for "disturbance of the peace."

The felony cases will be tried in district court.

Pure Oil Will Drill Test In Childress Co.

The drilling of a test oil well north of Childress in that county will be watched with interest by Hall Countians since most acreage in this county has been leased by major companies and independent producers.

Indications are that several wildcat wells will be drilled near Memphis in the near future.

The test well in Childress County is being drilled by the Pure Oil Co. of Ft. Worth. The location is on the Crews Ranch, north of Childress. It is on old Texas Company location in section 644, Block H, W&W survey.

Texas Company tests reported the well was dry.
The Pure Oil Co. moved drilling.
(Continued on Page 10)

NEW MINISTER—Nolan N. Wallace is the new minister of the Estelline Church of Christ. Minister Wallace came to Estelline from Las Vegas, N. M. He is a native of Pine Bluff, Ark., and a graduate of East Central College at Ada, Okla.

County Delegates Return Wednesday From Convention

The Hall County delegation returned Wednesday from the State Democratic Convention held in Mineral Wells Monday and Tuesday.

The convention adjourned Tuesday night at 8:15 o'clock after giving firm support to Gov. Allan Shivers and his "middle of the road" policy.

Only three Panhandle counties voted against supporting Governor Shivers' wishes that all certified delegates be seated. They voted that the CIO "rump" delegation from Houston be seated instead. These three were Childress, Hutchinson and Potter counties—believed to have been strong CIO supporters.

C. C. Gibson of Amarillo was elected to his fifth term as chairman of the 31st District Tuesday. But his election came only after a hot fight in the caucus to unseat him had failed.

Judge Sherman White of Pampa was nominated by the Pampa delegation to oppose Gibson. White withdrew when the Hall County delegation offered the name of Judge Ralph Porter of Clarendon as a compromise candidate in the interest of party harmony. In his withdrawal speech, White asserted that the four-term incumbent was a "vote getter who comes to the conventions with his pockets full of proxies." The roll-call vote was 61 to 38 in favor of the incumbent—the proxy votes turning the trick.

In response to White's charges that Gibson had his pockets full of proxies, Gibson denied having any.
(Continued on Page 10)

At Canyon: Cyclone Faces Eagles Friday

Memphis will again invade District 1-A Friday night when the Cyclone tangles with the Canyon Eagles at West Texas State College's Buffalo Stadium.

Game time is 8 p. m.
This will be the second tilt of the season for both clubs.
The Cyclone downed Dumas—

another 1-A team—last Friday 12-6, while the Eagles dropped an 18-7 game to Tulsa.

Continued bad weather has curtailed the Cyclone workout activities again this week. Coach Chuck York sent the squad through light paces in the gymnasium Wednesday afternoon. They will round out their workouts today, still hampered by mist and a wet practice field.

The Cyclone gridders survived the Dumas fracas without serious injuries. Backs Tommy Messer and Carl Lee were slightly hurt, however, and have been on the light duty list this week. Messer went into the Dumas game with an injured elbow which has been healing this week. Lee had three stitches taken in his hand as a result of a cut suffered during the game. Both boys will be ready to go tomorrow night.

A dry field may be all the impetus needed to turn the game into a wide open offensive battle. The Cyclone displayed spurts of dazzling ground offense against Dumas with half-backs Tommy Messer and Carl Lee setting the pace.
(Continued on Page 10)

EAGLE GRID HOPES—The football fortunes of Lakeview for 1950 are riding with these boys who will open their 1950 season against Shamrock "B" at Lakeview tonight. The squad includes (front row, left to right): Glenn McCoy, Thollie Linley, Jake Hancock, Neil Lewis, Royce Denton, Tim Kirk, Charles Denton and Gaylen Wiley. Second row: Earl Thomas, Richard Melton, Raymond Hall, William Verden, Joe Marler, Ronnie Gowdy, Kent Byars, Jerry Jones and Larry Lewis. Back row: Coach Leroy (Speedy) Scott, Joe Booth, Terry Kirk, J. W. Linley, Eugene Lollis, W. H. Wood, G. D. Hall, Gerald Payne and Coach E. J. McKnight.
(Photo by Wise)

County Class B Schools Will Open Grid Seasons This Week

Lakeview Will Meet Shamrock In First Tilt

Coach J. E. McKnight will get his first look at the effectiveness of his rebuilding job at Lakeview tonight when the Eagles tangle with Shamrock "B" at 8 p. m.
This opener will be played at Lakeview Stadium.
The Eagles, who won six out of nine games last year, lost heavily via the graduate route. Center Ronnie Gowdy is the only returning regular who is playing the same position as in 1949.
But Coach McKnight is not pessimistic over his club's changes.
"We have some fine boys this year and I believe our blocking is definitely better than it was in 1949," he said after watching his hopefuls outscore a squad of exers in a scrimmage Friday.
However, the Eagles will not be at top strength for their initial tilt.
(Continued on Page 10)

CUBS OPEN WITH PRICE

The Estelline Bear Cubs will open their 1950 grid season under a new mentor Friday night when they entertain once-beaten Price College of Amarillo.
Coach Leroy Duval, who took the helm at Estelline this year after his graduation from the Southwestern State Teachers' College at Weatherford, Okla., will send a light but experienced club against the Amarillo team.
Nine lettermen are listed on the Estelline starting line-up and all nine played the bulk of the 1949 season. The Bear Cubs are pointing for new gridiron successes this year.
Kick-off time is at 8 p. m. Friday night.
Price College dropped a 9-6 tilt to Cathedral High of El Paso last week. The Amarillo team led at the half 6-2 but a blocked kick...
(Continued on Page 10)

Barnhill Will Pace Turks On Gridiron

With five returning lettermen from the 1949 co-champion club, the Turkey Turks travel to Wheeler Saturday for the opening game of their current campaign.
Coach Porter Willis, now in his fourth year at Turkey, has three backs and two linemen back from his 1949 team which tied with Kress for the 2-B title.
The Turks will meet a rugged test this week when they face Wheeler in this non-conference game.
Joe Bob Barnhill is expected to lead the Turks attack this season. Barnhill is a three year letterman with plenty of ability. Back Bob Geissler, who won his numeral in 1948 but wasn't in action last year, is another heralded offensive star for Turkey.
(Continued on Page 10)

Dr. Ben Fisch Joins Goodall Hospital Staff

Dr. Ben Fisch, formerly of Dallas, is now associated with the Goodall Hospital here, it was announced this week by Dr. O. R. Goodall, owner.

Dr. Fisch will do general practice here with special emphasis on diseases of infants and children.

A graduate of Southwestern Medical School in Dallas, Dr. Fisch practiced and took special study in that city prior to coming to Memphis.

His internship was at Baylor Hospital and he did residence work at St. Paul's Hospital, also in Dallas. He specialized in pediatrics in his residence work.

Dr. Fisch received his pre-medical instruction at Texas University. He is a graduate of that school with a degree in pharmacy and practiced pharmacy for three years before attending medical school.

Dr. Fisch is a native of Virginia, living in Newport News until 1942. He has resided in Texas since that time.

He is married and has two children, three-year-old Steven and an infant daughter, Martee Ann. His family is now in Memphis.

Dr. Goodall also announced this week that the laboratory at the Goodall Hospital has been approved by the Texas Health Department. Mrs. Katherine Lattimer is technician.
(Continued on Page 10)

City Sewer Issue At Hedley Will Be Decided Sat.

Hedley voters will decide Saturday whether or not a city sewer system will be built there.
The proposal calls for a \$57,000 bond issue to finance the building of the system.
The election will be held at the City Hall from 8 a. m. until 7 p. m.

PERSONALS

Mrs. Howard Randal and son, Corkey visited in Clarendon Sunday.

A. G. Kesterson visited with his wife Sunday who is in an Amarillo Hospital.

Rev. and Mrs. C. R. Tennison and family of Ozona, pastor of the First Baptist Church, is here this week visiting friends.

Mr. and Mrs. Bryon Baldwin and Dr. Jack Baldwin visited in Quannah Sunday with Dr. and Mrs. James Baldwin and family.

Mr. and Mrs. Anisl Adamson of Hedley visited with Mr. and Mrs. Bill Kilpatrick Sunday.

Mr. and Mrs. Ardin Tucker and Mrs. Liller Thompson of DeKalb visited with their brother and family, Mr. and Mrs. L. L. Beard Sunday.

Mr. and Mrs. Ingram Walker and children, Gayle and Bob of Hillsboro visited their parents, Mr. and Mrs. R. S. Greene and Mrs. R. C. Walker over the week end.

Mrs. I. W. Thomason of Abilene is here visiting her sister, Mrs. C. Gerlach and other relatives.

Mr. and Mrs. Carl Denny and children of Childress spent Sunday with his mother, Mrs. B. F. Denny.

Mr. and Mrs. H. C. Hall and Mr. and Mrs. G. W. Hansen of Stanford visited their son and brother, Billy Hall and family, over the week end.

Mary Jane Thompson, Fern Durham, Gladys Johnsey, Zada Goodpasture, and Hattie Dem Thompson were in Amarillo Saturday afternoon for the Fall Ceremonies of Avihk Temple No. 70 Daughters of The Nile.

New residents of Memphis are Mr. and Mrs. Kenneth Stone who moved here last week from Hedley.

Mr. and Mrs. Billy Thompson were visitors in Amarillo last Thursday.

Mr. and Mrs. A. Anisman spent Monday night and Tuesday in Amarillo.

George McLearn and Mr. and Mrs. Carl McLearn and son, George of Los Angeles, Calif., are here visiting Mr. McLearn's sisters, Mrs. M. M. Pounds, Mrs. J. H. Valance, Mrs. Edd Duncan and other relatives. Mr. and Mrs. Carl McLearn and son visited in the home of Dr. and Mrs. O. R. Goodall. Mrs. McLearn and Mrs. Goodall are sisters.

Minister B. M. Litten was called to Wheeler last week to conduct a funeral.

Mrs. Blufford Burnett and Mrs. Wilma Davis spent Sunday with their sister, Mrs. Boyd Knox and family in Hereford. Their father, J. T. Dennis who has been visiting there returned home with them.

Mr. and Mrs. Benny Pyeatt of Dalhart visited her parents, Mr. and Mrs. Roy Brewer over the week end.

Mrs. Coy Davis, Mrs. Birdie Sanderson and Hamp Prater attended the races in Raton, New Mexico over the week end.

Mr. and Mrs. Glen Carlos, Mr. and Mrs. Leonard Wilson and Mrs. W. T. Clifton spent Sunday with their sister and daughter, Mrs. J. E. Masterson and family in Estelline. They celebrated their mother's 85 birthday.

Mr. and Mrs. Charlie Jefferson and girls of Bovina, Mr. and Mrs. A. F. Randall of Albuquerque, N. M. visited in the home of Mrs. Jean Lamb from last Saturday until Tuesday. Mr. Jefferson, Mrs. Randall and Mrs. Lamb are sisters and brother.

Creed Lamb returned to Plainview Tuesday after spending a

Sunday and attended the barbeque and rodeo.

Charles Cullin, son of Mr. and Mrs. George Cullin, left Sunday for Hardin-Simmons where he will attend college.

Sammy Joe Rasco has returned to college this fall at T. W. C. He is the son of Mr. and Mrs. E. H. Rasco.

Agnes Nelson, who has spent the summer here with her sister, Mrs. T. K. Wilton, left Tuesday for her home in Murfreesboro, Tenn. Miss Nelson is a teacher in Tennessee State College where she has been since 1937.

Mr. and Mrs. Frank Cooper and children of Denver, Colo., and Mrs. E. Bean of Memphis visited Mrs. Bean's son, Buster Lanear and family in Dallas over the Labor Day holidays.

Dan Harrison of Hot Springs, Ark., visited here last week with his sister-in-law, Mrs. E. Bean.

Mr. and Mrs. Dale Ashford of Lubbock visited Mary Vinson over the week end.

Mr. and Mrs. R. C. Vinson of Memphis, Mr. and Mrs. R. C. Vinson Jr., and Wayne of Wichita Falls and Mr. and Mrs. Que Meason and children Bobby and Kerry of Childress spent Sunday in Amarillo with Mr. and Mrs. Robert Gilmer, Jr., and family.

Lois Wines, daughter of Mr. and Mrs. Harvey Wines returned to school this week. She is attending Howard-Payne at Brownwood.

Mr. and Mrs. Haskell Patterson and sons, Murray and Jimmy of Enloe visited here the past week with Mr. and Mrs. Dewey Myers. Mr. Patterson is a brother of Mrs. Myers.

Mr. and Mrs. Dellard Morrison of Amarillo visited here Sunday in the home of Mr. and Mrs. E. S. Morrison.

Mrs. Neely Hudson of Clarendon and Mr. and Mrs. Herman Cross and daughter of Goodnight visited Sunday in the home of her parents, Mr. and Mrs. E. F. Lemons. Also visiting in the Lemons home was Mrs. M. H. Lemons and children of Clarendon.

Delphian Club Opens 33rd Year With Breakfast

The Delphian Club opened its 33rd club year September 5 with a breakfast at the Cyclone Drive Inn.

Tables were decorated with miniature airplane models which carried out the theme of "Taking off" for the club year.

Introducing the program, "Oh, What A Beautiful Morning" and "Memories" were sung by the club chorus including Mrs. Henry Hays, Mrs. Gordon Gilliam and Mrs. Roy Shahan accompanied by Patsy Sue Hays.

Mrs. Calvin Draper, the new club president, discussed "We Look Back Only to See Ahead."

Mrs. Neely Hudson of Clarendon and Mr. and Mrs. Herman Cross and daughter of Goodnight visited Sunday in the home of her parents, Mr. and Mrs. E. F. Lemons. Also visiting in the Lemons home was Mrs. M. H. Lemons and children of Clarendon.

She told of life in the United States from 1900 to 1960 pointing out how we have progressed in every field both socially and scientifically.

Hostesses for the meeting were Mrs. Draper, Mrs. Gilliam, Mrs. Weldon McCreary and Mrs. Clarence Morris.

Those attending were Meses. A. Anisman, J. L. Barnes, Jack Boone W. C. Davis, W. C. Dickey, Henry Hays, Draper, Gilliam, Earl Hill, Bill Kesterson, Carl Kulp, Weldon McCreary, Lynn McKown, B. B. McMillan, J. S. McMurry, C. D. Morris, Roy Shahan, Clarence Stroehle, J. W. Stokes, Ben Wilson, Jr., R. H. Wherry and Miss Zady Walker. Two guests were also present, Mrs. Luther Kirk of Perryton and Miss Patsy Sue Hays.

The meeting will be held at the First Baptist Church in Pritchett, Mrs. Lynn Jones, Nat Bradley, Mrs. Lynn Jones, Mrs. Henry Hays.

The group will return to Memphis Friday.

GET FAST, TEMPORARY RELIEF From Local Pain Of: RHEUMATISM LUMBAGO NEURITIS BURSITIS SCIATICA ARTHRITIS

RHEUMATISM
LUMBAGO
NEURITIS
BURSITIS
SCIATICA
ARTHRITIS

as well as fatigue and muscular aches and pains of simple colds.

IT'S SO EASY! Give yourself a 1-minute gentle "rub-in" with this amazing new ointment as directed, and see how fast your pains and aches are eased!

MODERN RESEARCH DRUG IN SURIN

Now—after months of investigation, Science comes to the aid of sufferers tortured by local superficial muscle pain with an amazingly effective, new preparation called—SURIN.

SURIN does double duty! It contains the modern research drug—b-methacholine chloride. When rubbed on the skin this remarkable substance dilates the surface blood vessels in the local area at the point of pain. Therefore, SURIN (1) increases local circulation, and (2) allows its local, relaxing agents, camphor and menthol, and the local analgesic, methyl salicylate, to penetrate fast! In just a few minutes, you feel a glorious, soothing warmth—a glowing sensation of relief that develops and lasts from one to three or more hours!

No longer is it necessary to suffer intense superficial muscle pains. You can apply SURIN without fear.

THE SECRET OF SURIN
Based on a new application of a principle, SURIN permits a marked degree of absorption of the analgesic drug thru the skin... acts fast to give temporary relief at the point of pain!

*SURIN is not intended as a cure or treatment for any of the above diseases. It is to be used only for temporary relief of local, superficial pain. NO INTERNAL DOSING WITH SURIN! USE IT LOCALLY!

SURIN IS SO EASY TO USE
Just follow directions on the package. Smooth SURIN on lightly wherever you feel superficial pain... and amazingly fast SURIN starts to work penetrating into the local pain area. You may feel wonderful local temporary relief even though you have been suffering pain and discomfort for years. Try SURIN without fear.

SURIN's ointment base is new too! Smooth and creamy-white, it washes off easily with water and will not stain washable fabrics.

GET PAIN RELIEF!—GET SURIN

Home Ec Course

Home Economics Department added some new things to the course. In addition to the regular course, they also have a new number known to have been rolled in Homemaking I. Eighth grade girls take a course for the regular year class. The girls, ten in all, learn the fundamentals of sewing and sewing. Mrs. Wilcox said that the girls will do a lot of short projects throughout the year.

Thirty-five girls take Homemaking I, making it necessary to have three sections for the course. Enrolled in the Homemaking II class are fifteen girls. This makes a total of fifty girls taking active part in the Home Economics Department.

Students Issued 1,387 Text Books In High School

The first week in Memphis High School, 1,387 text books were issued to the students enrolled here.

A great number of these books are new, which challenges the students to take better care of them, because in some states, even today, students must buy their own books.

Miss Ira Hammond, who is in charge of the high school library, reports many new and interesting books have been added. The library is open to the students this week.

Bringing You News About Memphis High School

Election Of Class Officers Highlights Memphis High School Activities

When the class officers are elected, things really begin to hum. The new school year was started Tuesday, September 12, with the election of various class officers and sponsors.

The Senior Class officers are: pres., Tommy Messer; vice-pres., Alvin Bishop; sec.-treas., Beryle Davis; reporter, Shirley Foster;

cheer leader, Roddy Stargel. The sponsors are: Mrs. Srygley, Miss Hightower and Coach York.

The Junior Class officers are: pres., Bill McClure; vice-pres., Max Kennedy; sec., Charles Messer; reporter, Leona Robertson; cheer leader, Tommy Davis. Sponsors for this class are: Mrs. Guthrie, Mr. Wright and Mr. McCreary.

The Sophomore Class officers: pres., Gereta Graham; vice-pres., Billy Coats; sec.-treas., Lona Faye Collins; reporter, Tommie Sue Roach; cheer leader, Frankye Lynn Srygley. The sponsors are Miss Smith and Mrs. DeBerry.

Freshman Class officers are: pres., Denny Davis; vice-pres., Marthlynn Burnett; sec., Elizabeth Grandy; reporter, Billy Combs; cheer leader, Patsy Armstrong. The sponsors are Mrs. Wilson and Mrs. Irons.

The Pre-Freshman Class officers are: pres., Jackie Boone; vice-pres., Jack Montgomery; sec., Katherine Wright; reporter, Roddy Bice. The sponsors are Miss Hammond and Miss Wrenn.

AUDITORIUM STAGE REMODELED; PERMANENT PA SYSTEM IS ADDED

The auditorium has become a much more attractive place for assemblies.

The Little Theater group repainted the stage a pale pink bordered in a dark blue. A garden scene was painted behind the double doors and covered all the names that have been an eye-sore for so long.

There is now a permanent address system composed of four loud speakers, amplifiers, and a microphone. A new 9 by 12 screen has been bought and will make our shows more enjoyable. The projector has been moved to the balcony so the pictures will be clearer, as well as the machine being out of the way of the student body.

All these changes have been made for the betterment of our school program.

NOON MEALS

The four days the cafeteria has been open, 1,303 hot lunches have been served to students enrolled in West Ward, Junior High and High School.

The cafeteria has recently been modernized and the meals have been greatly improved under the supervision of Mrs. Violet Townsend. The cafeteria is run in three shifts which does away with crowded conditions.

Rid Excitement Mounts At MHS

Beginning of the football year holds much excitement for the fans of the Memphis Cyclone. The trip last week unusually long distance for a game, however, many people attended the DuSable tilt and saw their team launched by a score of 14-0.

ed following the half. Highly mentionable performances were turned in by the entire squad; however, Tommy Messer and Carl Lee were exceptionally good gaining yardage behind our powerful, hard blocking, Cyclone line. Some linemen who succeeded in stopping the Demons almost every time were Peanut Pierce, Charles Messer, Pete Moore, Wayne Jenk'las, Lee Bloxom, and Freddy Vinson who along with Jenkins recovered the ball behind the goal for our first touchdown. Pierce and Charles Messer also co-captained the team to a rip-roaring victory.

Memphis had its share of the penalties though, accepting 90 yards in setbacks, but easily out-rushed the Demons with 229 yards to their 73 and made 14 first downs to their 3.

Memphis fans were rightfully proud of the Cyclone squad and certainly the Cyclones were very grateful for the support they received from start to finish.

Let's keep up this wonderful spirit all during the season—win, lose, or draw!

Your Manners Showed, Boys!

The football boys are to be highly commended for their courtesy on the trip to Dumas. In a report from Mr. Newton, the owner of the cafe where they ate said she had never had a better group to deal with.

JUNIOR CHORAL CLUB

The Junior Choral Club has 25 members and is studying Music I. This is seven members larger than the Senior Choral Club. The school looks forward to having this organization promoted to the Senior Choral Club.

Mr. and Mrs. Bert Bryant of Lubbock were week end guest of Mr. and Mrs. J. R. Harrell. Mrs. Bryant is Mrs. Harrell's sister.

LOOKING AHEAD

- Sept. 14—Home Ec. Club meeting.
- Sept. 14—Speech Club meeting.
- Sept. 15—Memphis vs. Canyon.
- Sept. 22—Memphis vs. Plainview "B."

NEW SUBJECT OFFERED

Shorthand taught by Miss Smith, was a subject much in demand for the current year. Members of the shorthand class are: Pat Goodnight, Eudine Gable, Patsy Adcock, Barbara Castner, Laura Hull, Margie Lou Young, Tommy Davis, Muriel Bruton, Margaret Harris, and Joan Edwards.

SCHOOL GIVEN RADIO

The English and Speech Departments of Memphis High School are eagerly looking forward to the programs the new Admiral Radio-Phonograph combination will bring. The greatly appreciated gift was donated by the Monzingo brothers: Ed, Allen, Bill, Kermit and Frank. Many thanks!

Cyclone Band Attends Fair At Childress

On Wednesday, September 13 the Memphis High School Band journeyed to Childress to attend the Childress Fair which is an annual affair in Childress.

The band stood inspection in front of the band house at 12:30 p. m. and left for Childress shortly afterwards.

The Cyclone Band was one of the most outstanding bands participating in the opening parade.

EAR STRAIN from WAXY EARS Dangerous!

EACH TIME YOU STRAIN to hear what somebody says, you may flash to your subconscious mind the destructive thought, "Am I going deaf?" That thought repeated often enough can result in a state of imaginary, partial deafness that constantly gets worse and more nerve-racking. IF HARD-OF-HEARING NOW and there's a wax (cerumen) in your ears, remove it with OURINE. This deep-down wax clogs ear canal, hinders the sound-carrying powers of the canal linings, handicaps hearing, causes discomforts, ringing, buzzing, muffled sounds. Remove this wax with OURINE, a compound of soothing, solvent oils that softens wax, with use of simple syringe float it out, and then soothe and help Lanas normalize. Your money back unless your hearing improves in 3 days after using OURINE. Start it today.

Of course you would like a firmer, more fashionable figure

There is no reason why you can't cut down your weight... and you can do it without drugs, without starving yourself. Yes, you can lose 8 or 10 pounds, achieve a firmer, more stylish figure without bumps or bulges...

Just follow the same, simple Kessamin Plan for Reducing

Twin-Action KESSAMIN Tablets. Kessamin is an amazing new supplementary food-concentrate in easy-to-take tablet form. Kessamin works in two ways:

- 1 Helps curb your appetite so that you can go on a reducing diet, often without feeling too starved or miserable.
- 2 Helps guard you from vital nutritional deficiencies...since it contains vitamins, concentrated proteins and minerals.

Take off 10 lbs. and you'll look years younger

Start today to lose your excess weight. Once you do, you'll find that the Kessamin Plan makes it easier and easier for you to reduce. Even if you lose 10 pounds, you'll feel younger, be more active, and look better in your clothes.

Check the Kessamin Formula with your doctor

Each daily dose of Kessamin contains the following vital ingredients you need with a reducing diet:

VITAMIN A • THIAMINE • VITAMIN D • RIBOFLAVIN • ASCORBIC ACID • WHOLE PROTEIN & PROTEIN HYDROLYSATES • CALCIUM • PHOSPHORUS • IRON

KESSAMIN

Amazing New Food Concentrate—Not a Drug

8-DAY NO-RISK TRIAL
Money back if Kessamin does not work (not for glandular obesity)

Recommended only for losing excess fat due to over-eating when used in connection with Kessamin Reducing Plan.

FREE. This booklet, prepared by a doctor, suggests sensible 7-day diet. Ask your druggist for it... no obligation to buy. Convince yourself that you can easily diet and lose weight with Kessamin Tablets. A product of the famous McKesson & Robbins laboratories.

WHIRLWIND TO MEET CHILDRESS GRIDDERS HERE SEPTEMBER 21

The Memphis Junior High Whirlwind will open the 1950 grid season here on Thursday night, Sept. 21, when they play host to Childress Junior High.
George F. Childress, who doubles in brass as junior high school principal and coach of the football team there, doesn't see how things could improve much for his squad this year.

The Whirlwind—playing its first season in district competition last year—copped the title by romping through an undefeated campaign. As a matter of fact, the future Cyclones were only scored on by one opponent, Clarendon. They beat the young Broncs 25-14.
"We lost the bulk of that championship squad," Coach Childress pointed out. "Our experience will be spotty and some of the boys don't have too much size."

The junior high mentor, who picked up his grid know-how while playing for East Texas State College, has been putting his hopefuls through their paces this week.
He has had a squad of from 25-30 boys out for the first week of training.

Coach Childress, who will be assisted this year by Billy Tate, recent West Texas State graduate, is a stickler for fundamentals. He has been working the Whirlwind squad hard on blocking.
The team will operate from a T-formation this year. The backfield seeing the most action in scrimmage sessions this week includes a pair of good-sized boys and two small youngsters.

Jimmy Jenkins adds the most weight to the backfield and operates from the fullback slot. Jimmy Davis is another big boy who adds size and power to the right halfback position.
Running the team from the up-under position is Jackie Boone. Coach Childress wants to develop him into an adept passer as well as an efficient ball handler.
A scat back, Jackie Justice, is slated to see most of the action at left half. Jackie is small but he has plenty of speed and is a smart and tricky runner. He will make plenty of yardage this year if his forward wall can break him loose.

A pair of rangy ends will be on hand to add to the passing potentialities of the Whirlwind. Carrol Gardenhire and Don Montgomery are the boys who will operate the wings. They were hauling down Jackie Boone's aerial offerings in a scrimmage session Tuesday.
The Whirlwinds open their district schedule on Sept. 29 when they travel to Lefors. On Oct. 6 they meet Shamrock there and return home on Oct. 20 to play host to Wellington.
On Oct. 27 they will face McLean here and will wind up their campaign on Nov. 10 at Clarendon.
Coach Childress said he has no non-conference games scheduled to date.

Amarillo spent Sunday in the home of his brother, Mr. and Mrs. Lewis Morrison.

Mr. and Mrs. Carol Hignight and Shelby went to Shamrock Saturday and spent the day with his sister, Mrs. Leon Palmer, and Mr. Palmer and family.

Mrs. Marks, Mrs. Viola Hodges' mother, is on the sick list, and she is spending the week in Memphis with her.

Mr. and Mrs. Hub Hall and children spent Sunday with her parents, Mr. and Mrs. C. W. Whitfield.

Mr. and Mrs. Ruel Nabers of Spade spent Friday night in the home of his brother, Luther Nabers, and Mrs. Nabers.

Mr. and Mrs. J. M. Provence spent Saturday night and Sunday with her sister, Mrs. Ray Welsh.

The Plaska Needle club met in the home of Mrs. Clain Ellis Tuesday for their club social. Fourteen members present and a new member, Mrs. Lewis Morrison. A delicious salad plate and coffee was served. Each member received her Polly Anna gift.

Mrs. Jim Oliver spent Sunday evening with Mrs. A. S. Harwell. Tom Davis of California is visiting with his daughters, Mrs. Kenneth Nabers and Mrs. Arnold Hall this week.

Hartsell and Kenneth Nabers attended the cowboy roping at Pampa Sunday.

Mrs. Zip Durrett visited with Mrs. Norbitt Nase Monday.

Mrs. C. W. Crawford and Mrs. John Smith and Mrs. Mack Foster of Memphis visited in the home of Mrs. Clain Ellis Tuesday evening.

Mr. and Mrs. Carol Hignight and Mrs. Luther Nabers visited in Memphis Sunday.

Mr. and Mrs. E. J. Galloway visited in the Exie Sweet home Thursday.

Robert Allen Hodges spent the week end with his sister, Miss Dorothy Hodges in Memphis.

Mr. and Mrs. A. B. Hickey of Memphis visited in this community Sunday.

Mr. and Mrs. Blufford Burnett visited with Mr. and Mrs. Alvin Malloy Friday night of last week.

Mr. and Mrs. T. J. Spry Sr., Observe Golden Wedding Anniversary Sunday

Mr. and Mrs. T. J. Spry Sr., pioneer Hall County residents, celebrated their 50th wedding anniversary at their home in Memphis on Sunday, September 10.

Only members of the family and their pastor and wife, Rev. and Mrs. Roy Shahan, were present for the celebration.

At the noon hour, the group went to the park where a bountiful meal was served. A program was also presented by several members of the family and included a song, reading by Mrs. Carl Messer and benediction by Jack Spry.

Mr. and Mrs. Spry were married on September 10, 1900, in Springtown, Texas, where they resided until 1908 when they moved to Oklahoma. After living in Oklahoma three years, they moved to Hall County, and located near Plaska. About three years ago they moved to Memphis, but Mr. Spry is still actively engaged in farming with his son near Memphis.

Chloe Whitefield, Alice Stracener, Delores Revel.

Also Helen Brown, Peggy Proffitt, Dee Ellen Durrett, Sheilan Killan, Vera Jean Casteel, Pauline Whitehead, Alene Daves, Katrina Nabers, Faye Dean Byars, Christine Winters, Martha Reed, Myrtle Harris, Wanda Wallace, Betty Neighbors, Jimmy Sparks, Gaye Salmon, Faye Thompson, Ila Faye Hubbard, Sonya Verden and Doris Arnold.

Mrs. E. J. McKnight is sponsor of the organization.

Mrs. Ronie Murphy of Everman and daughter, Mrs. Will Leonard of Ft. Worth, spent Saturday with Mrs. Henry Scott.

Pathfinders Open Club Year With Morning Coffee

To introduce the 1950-51 club season, members of the Pathfinders' Council met in the home of Mrs. A. O. Gidden on Tuesday for a morning coffee.

Mrs. Wm. Monzingo, the new president, gave the greeting and also presided during the business session. In her message, she reminded the members of the purpose and obligations facing all federated clubs in this troubled world.

After the new yearbooks were distributed, Mrs. Earl Hill, program chairman, gave a brief outline of the coming year's programs, projects and basis of study.

Members present included Mmes. Wm. Monzingo, Earl Hill, O. M. Gunstream, Hall Nelson, Anna Dickson, W. F. McElreath, Rollo Davidson, A. Gidden, Chas. Williams Jr., and hostess, Mrs. Gidden.

A. J. Barron Is Supervisor For Schools

The supervision of Alfred J. Barron has been added to the Memphis and Lakeview schools. He will be in Memphis three and one-half days and in Lakeview one and one-half days a week. He has his office at Junior High in Memphis.

Mr. Barron attended Oklahoma University; and after serving 44 months in the Navy, he was superintendent of schools at Durham, Oklahoma. He taught in the Lakeview schools last year.

Mr. Barron's work is helping the students and teachers in any possible way and from the students of Memphis High we say "Welcome, Mr. Barron."

Mrs. Bobby Lindsey and sons, Bobbie and Kent, of Shamrock visited here Sunday with her parents and parents-in-law, Mr. and Mrs. L. A. Stilwell and Mr. and Mrs. H. H. Lindsey.

Dick Fowler Takes Pharmacy Exam In Houston This Week

Dick Fowler, son of Mr. and Mrs. John Fowler, appeared before the State Board of Pharmacy in Houston the first three days of this week for his state pharmacy examination.

Fowler, a recent graduate of Texas University, flew to Houston Saturday. Results of the examination will be known in about six weeks.

He is associated with the Foote & Fowler Drug Store here.

BRICE WILL HAVE GUEST PREACHER

Rev. W. E. Brown of Chillicothe will conduct the church services Sunday morning at the Brice Baptist Church, it was announced this week.

The public is cordially invited to attend.

Mr. and Mrs. T. D. Weatherby and Mrs. Irene Kennedy of Dumars were dinner guests of Mr. and Mrs. Russell Baine at Clarendon Wednesday.

MR. AND MRS. TOMMIE C. HILLIS

New Methodist Church is Scene of Montgomery-Hillis Nuptial Vows

Formal ceremony Thursday, Sept. 14, at 4:00 p. m. at the new Methodist Church in Montgomery.

Miss Patricia Hillis, daughter of Mr. and Mrs. T. J. Spry Sr., became the bride of Tommie C. Hillis, son of Mr. and Mrs. C. L. Hillis of Clarendon.

The blue and white scheme, chosen colors of the bride. Table appointments were crystals and silver. Mrs. Leo Brister served the three-tiered wedding cake and Mrs. Euba Fae Blevins, sister of the groom, ladeled punch. Mrs. Y. Z. Taylor, cousin of the bride, registered the guests.

For the bride's wedding trip she chose a straw color gabardine suit with pink sheer blouse and navy accessories and an orchid corsage.

After returning from a trip to scenic points in Colorado and New Mexico, the couple are at home at 2215 14th St., Lubbock.

Members of the Mizpah Guild of the First Presbyterian Church met for the first meeting of the fall season on Monday evening, September 4, in the home of Miss Mary Noel and Mrs. Conley Ward.

In the absence of the president, Mrs. Ewell Noel, and first vice president, Mrs. Minnie Kinslow, Mrs. O. V. Alexander presided and gave the invocation which is printed in the new Year Books.

During the business session, Dorothy Moore was elected historian and plans were also made to meet each week on Wednesday afternoon at 4:00 o'clock.

Refreshments were served to the following scouts: Jausetta Messer, Dorothy Moore, Billie Hartman, Barbara Shackelford, Rita Jo Hall, Nan Crowder, Shirley McBee, Nadine Padgett, Betsy Godfrey, Vada Briscoe, Yvonne Padgett, Harita Hartman, Pat Padgett, Barbara Baten, Beverly Bowerman, Addie Lou Wells, Carolyn Crawford, Beverly McDaniel, Mrs. Godfrey and Mrs. Kulp.

Mrs. John D. Reed was called to Fort Sumner, N. M., on Thursday of last week due to the death of her brother-in-law, Carl Douberenz. Funeral services were held at Ft. Sumner on Friday afternoon. Mrs. Reed returned home Saturday and was accompanied by her sister, Mrs. Ben A. Wagner of San Antonio, who will visit here before returning home.

Members present were Mmes. O. V. Alexander, Ora Denny, Ann Ferrel, Frank Finch, Clifford Farmer, Allan Grundy, Carl Harrison, Oren Jones, M. McNeely, Gladys Power, Boyd Rogers, Rex Snell, Mac Wilson, Burr Morris, Misses Gertrude Rasco and Tommie Noel.

Anna Maud Todd was named to serve as president of the organization and she will be assisted by the following officials: Jettie Sams, vice president; Sidney Hulse, secretary; Bettye Todd, treasurer; Helen Brown, song leader; DeEllen Durrett, artist; and Sue Hall, reporter.

Committees named are as follows: Refreshment committee: Pat Davenport; Rita Dean Harman, Wanda Kennard.

Program committee: Sheilan Killian, Janice Clayton, and Mary McCanne.

Meetings will be held the second and fourth Fridays of each month. Freshman initiation will be the third week in September.

Members of the club are Betty Todd, Mary McCanne, Pat Davenport, Sidney Hulse, Joe Wallace, Jettie Sams, Wanda Kennard, Rita Harmon, Sue Hall, Janice Clayton, Glynda Neighbors, Retha Mitchell, Syble Harry, Anna Todd,

Guild Holds First Fall Meeting in Ward Home Mon.

Members of the Mizpah Guild of the First Presbyterian Church met for the first meeting of the fall season on Monday evening, September 4, in the home of Miss Mary Noel and Mrs. Conley Ward.

In the absence of the president, Mrs. Ewell Noel, and first vice president, Mrs. Minnie Kinslow, Mrs. O. V. Alexander presided and gave the invocation which is printed in the new Year Books.

WHAT I LEARNED IN SCHOOL

AGE 6 . . . FIRST GRADE
That chewing gum is hard to get out of your hair. That s-a-c-k does not spell poke. That mothers believe everything that teachers tell them.

AGE 7 . . . SECOND GRADE
That girls can count better than boys. That pencils are always breaking down. That teachers know everything.

AGE 8 . . . THIRD GRADE
That a boy should always carry a pocket knife. That girls would rather use a pocket knife than the pencil sharpener. That girls are cute.

AGE 9 . . . FOURTH GRADE
That girls are prettier in the fourth grade than in the third. That men teachers can explain anything better than women teachers. That, if your hair is cut close, you have a better chance in a fight.

AGE 10 . . . FIFTH GRADE
That you can play hookey and not get caught at it. That it's better to tear up the note the teacher tells you to give to your father. That girls like cats better than dogs.

AGE 11 . . . SIXTH GRADE
That, if you play hookey to go fishing, you should have a lunch

with you. That homework isn't necessary.

AGE 12 . . . SEVENTH GRADE
That mother will believe a teacher before she will believe her own son. That playing cards for lunch money is frowned on by parents. That it's easier to learn to smoke cigarettes than to learn to chew tobacco. That teachers hate boys.

AGE 13 . . . EIGHTH GRADE
That truant officers are stool pigeons. That three of a kind will beat two pairs; that you can fish and play cards at the same time. That you'll be excused from classes if you catch a skunk, even on examination day.

AGE 14 . . . FIRST YEAR HIGH
That red headed boys can't fight any better than the others. That girls prefer boys with curly hair. That parents are old fashioned.

AGE 15 . . . SECOND YEAR HIGH
That girls are more fun than boys. That all girls paint their toenails. That it's almost impossible to fill an inside straight.

AGE 16 . . . THIRD YEAR HIGH
That having a car is more important than curly hair. That football players have to study their

Bringing You News About Memphis High School

New Students Attending MHS

A snooping reporter of M. H. S. has found several new students in high school this year. To them we say "Welcome, and here's to a happy year in M. H. S."

Some of the students are: Billy Coats, Roberta Nelson, Glenna Harrison, Billy Williams, Dean Wallace, Jean Wallace, Patsy Armstrong, Shirley Ann Dunn, Wanda Joy Buck, Anne Webster, Bill McClure and Wayne Wiggins.

In this group, we find that three of the students are from out of state.

We may have left some out; and, if so, we hope to get acquainted with the rest next week.

lessons, too. That most girls are fickle. That a straight won't beat a flush.

AGE 17 . . . FOURTH YEAR HIGH
That boys are more loyal than girls. That a boy with a car has an advantage over a football player. That, if you don't smoke you're a sissy. That lipstick comes in several different flavors.

"Time for School"

By JAMES J. METCALFE
Vacation days are over and the school bell rings again. For children and for teachers and young ladies and young men. The desks and books are dusted off; The pens are filled with ink, And it is time for playful minds To settle down and think From A-B-C and e-a-t To algebra and Greek, And all the secrets of this life That scientists may seek. It is the time to study and Develop new ideas, To weigh the word of scholars and To test their theories, But equally important is The need for voices clear To greet the football season with An overwhelming cheer.

Cyclone Band Makes Hit Friday Night

The "A" Band traveled to Dumas last Friday night to boost the morale of the football squad. Besides playing in the stands, the band performed during the half and made a very fine showing.

The band has eight more members this year than last. The school has supplied the band with seven new uniforms, including four black and gold ones, and three white twirler ones. The drum section has a new scotch base drum and three new snare drums to match the scotch bass drum used last year. Mr. Keyser has worked diligently with the band in hopes of many fine performances. The band will surely prove its efficiency.

Six New Instructors Are On Faculty At Lakeview

Seven new teachers are among the 16 who make up the faculty at the Lakeview schools this year, Supt. Loran Denton has announced.

The new faculty members include:

A. B. Harrell, principal and sixth grade teacher who formerly taught at Community Center; Mrs. Harrell, third grade teacher; Mrs. Jess Whittington, first grade teacher, and Jack Douglas, vocational agriculture teacher who recently graduated from Texas Tech.

Jim Harris, new social studies teacher at high school, taught in Fairbanks, Alaska, last year; W. M. Wood, high school science teacher from Kirkland, and Mrs. Wood, who will teach language arts in the high school.

Teachers returning to the Lakeview grade school this year include:

Mrs. R. B. McMillan and Mrs. Jake Barron, second grade teachers and Miss Addie Fisher, fourth grade.

Leroy (Speedy) Scott will teach the fifth grade in addition to his duties as assistant coach, Supt. Denton said. Scott, who graduated from Lakeview high school, recently received his BS degree from Howard Payne College at Brownwood.

Returning instructors at the high school where the seventh through 12th grades are taught include:

Principal Jess Whittington, who also teaches mathematics who re-

Advisors Aid Lunch Program

For the first time in Memphis High School, special advisors help the students to really enjoy their lunch period. Various games are played in the gym and if enough interest is shown several others will be added. A ping pong table and a place to enjoy dominoes are among these.

After a hot meal in the cafeteria, the student has the remaining part of the 45 minutes to spend visiting with fellow students or participating in some form of entertainment.

Mrs. Irons and Conch York have successfully begun the program; and with the help of every student it can become a period to which everyone looks forward. Besides being enjoyable, it has another good point; the students

Sunday in the home of Mr. and Mrs. Alewine of Alaska.

C. L. Seeks of Redlands, Cal., spent last week with his sister and family, Mr. and Mrs. I. T. Hoggatt.

Mr. and Mrs. J. B. Byars motored to College Station Thursday of last week where they enrolled their son, John Luther and Jack Lynn Fowler in A. & M. for the fall term of school.

Mrs. I. D. Mullins and Mrs. I. D. Mullins, Jr. of Turkey visited last week with their daughter and sister and family, Mr. and Mrs. J. B. Byars.

Mrs. Roy Brown and children and Mrs. McClocklin of Baldurn Park, Calif. are visiting Mr. and Mrs. Woodrow Mullins.

Mrs. A. G. Smith and Mr. and Mrs. Ted Montgomery visited this week end in Shamrock with Mr. and Mrs. Oscar Favors.

Mr. and Mrs. Cartie Dunn and Mrs. Edith Galloway visited with Mr. and Mrs. N. E. Nase Sunday.

Mrs. John T. Ray returned to her home in Denton Sunday after a 10-day visit with her father, E. C. Barnett.

Mr. and Mrs. Aubrey Martin and Mrs. B. F. Davis visited in the Clyde Reed home Sunday.

Mrs. Vira Floyd visited Saturday night with her daughter and family, Mr. and Mrs. Aubrey Martin.

E. C. Barnett and daughter, Mrs. Ray, visited in the R. L. Barnett home Monday night of last week.

Those visiting Mrs. Vira Floyd Sunday were Mrs. G. C. Stem, Ronnie and Shirley Martin and Mr. and Mrs. Woodrow Floyd and children.

Mr. and Mrs. Roy Ray spent the week end in Oklahoma City visiting relatives.

Mr. and Mrs. J. M. Provence of Plaska spent Saturday night and Sunday with Mrs. Provence's sister, Mrs. Andrew Welch.

Rial Barnett, Dutch Davis of Memphis, Mrs. John T. Ray and Mrs. B. F. Davis were Amarillo shoppers Wednesday of last week.

Mr. and Mrs. Weldon Gable and Terry visited in Lakeview Monday.

E. C. Barnett Sr. left Sunday for an extended visit in Kansas, Missouri, Arkansas and Marlin.

Mrs. B. F. Davis and Mrs. John T. Ray were Groom visitors Saturday.

Mr. and Mrs. Ed Hillhouse left Tuesday morning for a visit in Paris. They will return by way of Lubbock for a visit there.

John Wansley of Amarillo visited Saturday in the home of Mr. and Mrs. Paul Smith.

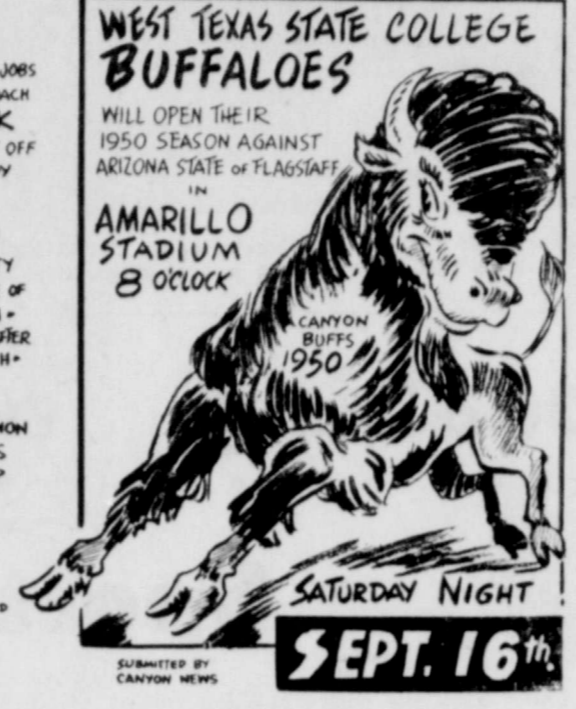

E. C. Barnett and Mrs. John T. Ray were dinner guests of Mr. and Mrs. B. F. Davis Saturday.

H. A. Bennett arrived Saturday for his wife and son, who have been visiting her mother, Mrs. R. S. Wansley. They left for Waco to make their home and where Mr. Bennett is finishing his law studies in Baylor, having completed his pre-law in Shreveport, La.

Mr. and Mrs. Walter LaMaster

THINK NOTHIN' OF IT PAPPY - YOU ONLY PLAY ONE GAME AT A TIME SO YOU DON'T NEED BUT ONE EXPERIENCED RANGER!

Led By Butler: Passing Attack Is Eagles Forte

The weather may have an important influence on the Memphis-Canyon grid clash Friday night at Buffalo Stadium.

Short on experience up front, the 1-A Eagles can be expected to take to the aerial lanes as often as possible. And they have the boys available to make the trip.

Piloting the Eagle passing attack is quarterback Garland Butler—rated by sports writers as the top passer in the upper Panhandle last season. He is also the navigator of Canyon's quick-opening T attack.

He has two favorite receivers, Ray Burrus—a 6 foot 3 inch letterman who tips the scales at some 211 pounds—and Harold Slack, the club's speed demon who weighs 150.

Canyon was defeated by Tulia 18-7 in their opener Friday night but the score does not tell the whole story. The Eagles led 7-6 at the half and were dominating the game. How? Through the air. Heavy rains wrote a different second half story, however.

Look at these statistics. During the first half Butler completed four out of six aerials for 78 yards. His hurling sparked the Canyon touchdown drive. At the half, the Eagles led in first downs 10-3.

Then the rains came. Canyon tried only one more pass attempt—a short completion. Meanwhile, the Tulia ground offensive began grinding out yardage bringing two fourth quarter touchdowns and the victory.

Coach Floyd Murray—who came to Canyon from Perryton this year—is apparently loaded with backfield material. Slack leads the running attack while the Butler to Burrus passing combination is a threat to any opponent's record. There is also fullback Bob Busted who weighs 174 and was a regular operator at tackle last year. He will be called on to put some added power punch in the Eagle ground game and also handles the punting chores—he averaged 35 yards per try Friday night.

Incidentally, the Canyon team is not completely void in running finesse. They gained 121 yards on the ground against the Hornets.

End Ray McLendon and tackle Dwaine Currie provide all the experience available up front. This absence of veteran linemen makes the big Eagle deficiency obvious. However, these two boys are splendid performers and may inspire the younger up front gridders to new heights on any Friday night. McLendon weighs 170 while Currie, who is a junior, adds 188 pounds of beef to the line.

Comparing Friday night performances, the Canyon forward well appears to be definitely out-manned by Memphis' heavier and more experienced aggregation.

But the Eagles can be expected to make an all-out aerial drive if the weather permits. By doing so, they can make it a tough night for the Cyclone.

Mr. and Mrs. John D. Reed had as visitors last week their son and family, Mr. and Mrs. Tommy Reed and children of Houston.

of Plaska were dinner guests of Mr. and Mrs. Lester Bevers Sunday. In the afternoon they visited with Mr. and Mrs. G. W. Blewer in the Deep Lake community.

Mr. and Mrs. W. E. Lawrence spent Sunday in the G. W. Blewer home.

Mrs. Del Wells was a Memphis visitor Monday.

Mrs. Wesley Whitefield returned home Saturday morning where she has been with her brother who was stricken with a heart attack. She was accompanied home by her niece and family, Mr. and Mrs. James Preddy and three daughters.

Mr. and Mrs. W. A. Davis visited last week in Pampa with their son, Ewel, in Groom with a daughter, Mrs. Robert Melton, and in Amarillo with their daughter, Mrs. Jesse Smith.

Mr. and Mrs. G. R. Long were dinner guests Sunday of Mr. and Mrs. W. A. Davis.

Mrs. O. E. Bevers spent Monday night in the home of her daughter, Mrs. E. J. McKnight.

Mr. and Mrs. C. L. Durham and daughter, Joyce of Portland, Ore., visited last week with Mr. and Mrs. Joe Durham.

Mr. and Mrs. H. W. Spear carried their grandson, Jerry Harper, to his home in Amarillo Saturday. Jerry has been visiting his

Lakeview PTA Links School To Community

An alert and interested Parent-Teachers Association is given much of the credit for the successful school programs being carried out at Lakeview.

"This organization has done some wonderful work in the interest of the schools here during the past years," Supt. Loren Denton said. "They have always been more than willing to cooperate with us in every possible way and have undertaken a number of projects on their own even before being asked to do so by the school officials."

The PTA at Lakeview has not yet begun its activity for the current school year but will begin soon. Mrs. J. B. Byars is president of the organization.

They already have picked a program.

LEGAL NOTICES

THE STATE OF TEXAS To: R. D. Barnes and husband Luther Barnes; the heirs, unknown heirs and their heirs of R. D. Barnes and husband Luther Barnes; and the legal representatives of each and all of the above-named defendants greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 30th day of October, A. D. 1950, at or before 10 o'clock A. M. before the Honorable District Court of Hall County, at the Court House in Memphis, Texas.

Said plaintiff's petition was filed on the 12 day of September, 1950. The file number of said suit being No. 3329. The names of the parties in said suit are: Mrs. Verner Phillips, a feme sole, as Plaintiff, and R. D. Barnes and husband Luther Barnes, the heirs, unknown heirs, and their heirs of R. D. Barnes and husband Luther Barnes; and the legal representatives of each and all of the above-named defendants, as Defendants.

The nature of said suit being substantially as follows, to-wit: Said suit is an action in trespass to try title as defined by the Statutes of the State of Texas and prescribed by the Rules of Civil Procedure, alleging ownership in fee simple in plaintiff Mrs. Verner Phillips and seeking recovery by said plaintiff of the title and possession of the following described lands in Hall County, Texas, to-wit: All of the South half of the Southeast one-fourth of Block No. 2, Shad's Addition to the town of Memphis, Hall County, Texas. Alleging that plaintiff has title to said land and premises under the 'Ten Year Statute of Limitations; that the defendant actually own or interest in said land and any parent interest they own should be removed as a cloud on plaintiff's title, for which plaintiff prays, for costs of suit and for general relief.

Issued this the 12 day of September, 1950. Given under my hand and seal of said Court, at office in Memphis, Texas, this the 12 day of September, A. D. 1950. ISABELL CYPERT, Clerk District Court, Hall County, Texas. 15-4e

Speaking of Sports

Coach Chuck York was hesitant to point out any particular Cyclone gridders as standout performers in Friday night's 12-6 win over Dumas. "I was pleased with the entire squad," he commented. "Not satisfied, you understand, but pleased with their hustle and their fine spirit." Does the Cyclone mentor think the Friday night game proves the local club to be stronger than their pre-season "paper" rating in District 2-A? Well, Coach York isn't thinking along these lines—at least, not for publication.

"We've got a ball game with Canyon Friday night," he said. But back to last week's performance, the Memphis grid tutor is pretty enthusiastic about the split T—installed here this year after he attended a summer coaching school at which the formation's most famed adherent, Bud Wilkinson of Oklahoma University, presided. "We looked plenty ragged at times—more times than I like to remember—but I think the boys are grasping the fundamentals of the split T," York said. "It's not a 'middle-of-the-road' formation. You either look plenty good or plenty bad and usually you manage to look a little of both."

For the information of fans who haven't followed this variation of the T closely, it might be well to point out that it is a formation really loaded with dynamite.

MEDICAL MIRACLE Today Your Pharmacist Drops A Few Facts About... AMIDONE German chemists developed Amidone in 1941. It is a Morphine substitute which can be used in smaller doses and is less likely to cause addiction. The pain killing effect of Amidone last as long as ten hours and it has sometimes killed pain after Morphine had failed. Your Doctor's Knowledge Is the Key to Health... Use It! TARVER'S PHARMACY Phone 24 BRING YOUR DOCTOR'S PRESCRIPTION TO US

Wilkinson of Oklahoma University, presided.

"We looked plenty ragged at times—more times than I like to remember—but I think the boys are grasping the fundamentals of the split T," York said. "It's not a 'middle-of-the-road' formation. You either look plenty good or plenty bad and usually you manage to look a little of both."

For the information of fans who haven't followed this variation of the T closely, it might be well to point out that it is a formation really loaded with dynamite.

You see, linemen have no definite blocking assignments—they get the man in front of them or go on downfield and find one in case they face no opponent across the line of scrimmage. Nor do they have any special place to move a defensive player. He can be taken in or out either, depending upon which is easier.

loading. Although the entire Cyclone forward wall played outstanding football Friday night, the general comment this week has been on the vast improvement over last year of tackle Freddie Vinson. The big boy really "turned on the steam" on both offense and defense. Coach York said Freddie has a new spirit this year that is the difference over mediocre performances in 1949. Incidentally, the hefty tackle made the Fort Worth Star Telegram's "Class A Players of the Weew" list for his showing against Dumas. We waited until after the initial games to bring the old crystal ball out of storage, hoping to get a clearer picture of things after seeing what the 2-A teams did in their openers. But it did not improve matters much. Particularly with a read "toughie"—Shamrock-Dalhart—on tap this week. But let's try once just for fun: MEMPHIS (19) at CANYON (7)—The Cyclone has a line and a running attack. Canyon has a passer. It might develop into an exciting game on a dry field with the Memphis power spelling the difference. On a wet turf both clubs would be hurt but the Cyclone would suffer least.

LEFORS (30 at WHITE DEER (6)—Too much beef, speed and football know-how from Lefors to make this one very close. But White Deer might hold the score down.

McLEAN (7) at PHILLIPS (20)—Phillips—a perennial power—was ragged against little Panhandle last week. Chesty Walker should have some of the kinks ironed out by Friday night. He'd better or L. M. Watson & Co. could surprise.

DALHART (13) at SHAMROCK (14)—This should be a hum-dinger. It pits the third and fourth rated teams in the Panhandle. Dalhart will be the popular favorite but we'll take the Irish just because we think they've got it.

WELLINGTON (24) at DUMAS (7)—The Rockets have an aerial team. Memphis managed to pass against Dumas without difficulty. Wellington should find it even easier.

CLAUDE (6) at CLARENDON (19)—The opener for the Bronchos should be a fairly easy win over this Class B school.

Joel Watson has returned to his home in Thomson, Ga., after a visit with his brothers-in-law, J. R. and T. E. Harrell.

State Health Officer G. Cox, with understandable indignation, puts the finger on it as the so-called toe itch, grass and summer scratch.

Says he: "All these itching provincial ways of saying it worm."

Dr. Cox says his department has been waging a ten-year battle against hookworms in Texas. That deep inroads have been made into its habitat, especially in the eastern and southern sections. Experts know what it is and it gets into the human body.

(Continued on Page 9)

Health Officer Says Hookworm Is Dangerous

Even while it's still a habermicious parasite on the skin, wheezing weakling on the field hand, and turn a corner into its habitat, especially in the eastern and southern sections. Experts know what it is and it gets into the human body.

Miss Leota Sturdevant Becomes Bride Of Ed Mathes in Clarendon Rites

In a double-ring ceremony on Wednesday, September 6, Miss Leota Sturdevant, daughter of Mr. and Mrs. O. A. Sturdevant of Memphis, became the bride of Ed Mathis, son of Mr. and Mrs. C. E. Mathis of Vega.

The service was read by John English, pastor of the First Methodist Church, at his home in Clarendon in the presence of members of the families and intimate friends.

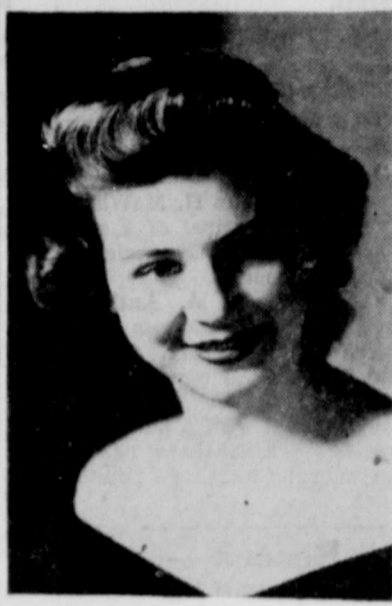

For her marriage the bride chose a brown gabardine suite complemented by green accessories and a corsage of bronze mums. She carried out the traditional bridal custom of wearing "Something old, something new, something borrowed and something blue."

The bride was a popular member of the 1949 graduating class of Memphis High School, taking part in all school activities. She was majorette of the Cyclone band for three years, society reporter for the School paper during her senior year and was named to represent the sophomore class in the Queen contest during her sophomore year. Last year she attended Northwest Texas School of Nursing and Amarillo Junior College where she served as Drum Major for the band. She is now employed at Clark Hospital.

The bridegroom is a graduate of the Vega High School and attended Texas Christian University at Fort Worth. He was an outstanding player with the Memphis Owls this year, and is employed with the Hall County Electric Co-Op.

Mr. and Mrs. Mathes will make their home in Memphis.

Attending the wedding were the groom's parents, Mr. and Mrs. C. E. Mathes, the bride's mother, Mrs. O. A. Sturdevant, Mr. and Mrs. Bobby Joe Myers and Miss Tommy Joe Alexander.

MRS. ED MATHES

Vota Vita Class Elects Officers At Friday's Meet

Election of officers was featured at Friday's meeting of the Vota Vita Sunday School Class. The meeting was held in the home of Mrs. Fred Crisman at 7:30 o'clock, with Mrs. Lloyd Vandeventer as hostess.

Mrs. Katherine Jones, president, conducted the business session at which time the following officers were elected:

Georgie Lee Forkner, president; Pauline Kilpatrick, first vice president; Doris Queener, second vice president; Dorothy Vandeventer, third vice president; Virginia Jones, secretary-treasurer; Dorothy Spruill, reporter, and Helen Crisman, historian.

During the social hour Billy Parker conducted games and a tasty refreshment plate was served.

Members present were Meses. Betty Rose, Pauline Kilpatrick, Georgia Lee Forkner, Virginia Jones, Billy Parker, Lella Lester, Dorothy Vandeventer, Dorothy Spruill, Peggy Fowler, Helen Crisman, Peggy Moss, Katherine Jones, Doris Queener and Mrs. Roy Shahan, teacher. One guest, Mrs. Pat Jones, was also present.

The next meeting is slated for October at which time the new officers will be installed.

Students Invited To Attend Junior Endeavor Services

Students from the first through the sixth grades have been extended a special invitation to attend the Sunday evening meetings of the Junior Endeavor of the First Christian Church, it was announced this week.

The organization meets each Sunday evening at 6:30 o'clock at the church. Lloyd Kennedy will be in charge of the program Sunday evening.

MRS. F. E. MILLER

McCravey-Miller Nuptial Vows Are Read in Methodist Church Parlor

Nuptial vows were solemnized on Monday morning, September 4, for Miss Helen McCravey of Fort Worth, daughter of Mr. and Mrs. Roy McCravey of Memphis, and F. E. Miller, son of Mr. and Mrs. J. E. Miller, also of this city.

Rev. Rollo Davidson, pastor of the First Methodist Church, read the double ring ceremony in the church parlor in the presence of members of the families and close friends.

Arrangements of white gladioli, fern and palms decorated the altar and formed an impressive setting for the ceremony. Mrs. C. L. Sloan, pianist, played a prelude of nuptial selections.

Matron of honor was Mrs. D. F. Miller, sister-in-law of the groom. She was attired in a light brown suit complemented by yellow and brown accessories and a corsage of yellow gladioli.

D. F. Miller attended his brother as best man and Rudolph Miller, cousin of the groom, was usher.

The bride was attractive in a handmaker suit of white accented by Navy accessories. She wore a corsage of white carnations and tube roses.

The bride is a graduate of the Estelle High School and Durham's Business College. At the present time she is employed as secretary of the First National Bank in Fort Worth.

The bridegroom is a graduate of the Memphis High School. He is a senior student at the University of Texas and will receive his BBA degree in January.

Mr. and Mrs. Miller will be at home at 3017 Bellaire Dr. in Fort Worth after September 15.

Health Officer— (Continued from Page 8)

the big job is in convincing people that they ought to do something about it.

Hookworms live a double life, the health officer says, half in the intestines of a human being and half in the soil around an open pit privy. The female lays eggs while attached to the intestines.

Eggs pass from the body, and hatch within 24 hours. Then the young worm lies in wait for the first unsuspecting barefoot person—usually a youngster—to come by. It pierces the foot skin and slowly inches its way deeper and deeper into the body until it reaches the intestinal tract where the cycle starts again.

"It is a disease," Dr. Cox says, "that stunts the growth of children, causes skin discoloration, loss of weight, and anemia." Severe infestations often cause a morbid craving for such things as chalk or dirt, he adds.

But it's easy enough to control—merely by building properly designed sanitary pit privies or septic tanks. That, and wearing shoes.

A good many children in various rural sections have had light infestations all their lives, and have never known what it is to feel entirely well.

Sub Debs Make Plans To Initiate New Members

The Senior members of the Sub-Deb Club met Tuesday night in the home of Eudine Gable, with

Patsy Adeock serving as co-hostess.

Plans were made for the initiation of the seven new members who have been voted into the club.

The Senior members of the Sub-Deb are: Beryle Davis, Ann Spoon, Patricia Alexander, Pat Goodnight, Patsy Combs, Shirley Hale Nahey Stanford, Oneta Ables, Shirley Foster, Betty Good, all. Patsy Adeock and Eudine Gable.

Methodist WSCS Meets in Home of Mrs. Davidson

The WSCS of the First Methodist Church met in the home of Mrs. Rollo Davidson Monday afternoon at 3:30 o'clock. Mrs. Myrtis Phelan was co-hostess.

Monday's meeting was of special interest as the organization observed the 10th anniversary of the United Societies of the north and south.

"Health Through a Brotherhood of Nations" was the subject topic for the afternoon and Mrs. C. R. Webster served as program leader.

Mrs. Viola Johnson gave the devotional. Mrs. Webster gave an interesting introductory talk on "Health Around the World," and Mrs. N. A. Hightower discussed Health organizations cooperating with United Nations assembly.

Mrs. Bishop, a guest from Quittaque, gave a talk and five guests were also welcomed from Quail.

Attending the meeting were Meses. Viola Johnson, N. A. Hightower, Charles Dryden, Thurman Hunt, Calvin Draper, C. H. Lee, D. B. Kennedy, A. C. Hoffman, Clyde Reed, David McVey, Lee Brown, Elmont Branigan, O. M. Gunstream, S. J. Ballard, Mary Erwin, J. O. Gibson, Sr., W. F. Ritchie, Margaret McElreath, J. R. Cannon.

CITY GROCERY & MARKET
 J. E. ROPER WE DELIVER

Prices Given For Winter Cover Crops

Assistance rates for the 1951 winter cover crop program were announced this week by the Hall County Production and Marketing Administration office here.

PMA Secretary Lynn McKown said that all seed planted must be inoculated with fresh inoculator to comply with the program. Two hundred pounds of 20 per cent super-phosphate or its equivalent must be applied, he said.

"December 1 will be the last day for seeding vetch and winter peas under the program," McKown pointed out. "Austrian winter peas cannot be harvested for seed," he added.

He gave the following assistance rates:

Austrian Winter Peas—\$5.50 per hundred, as No. 1 Austrian Winter Peas can be delivered in Memphis at \$8 per hundred. (Assistance is 70 per cent of the cost.)

Hairy Vetch—\$12 per hundred. (60 per cent of the selling price of \$21.)

Twenty Per Cent Super-Phosphate—\$20.40 per ton. (60 per cent of the cost of \$34 per ton delivered in Memphis.)

McKown said all producers who are interested in seeding Austrian Winter Peas or Hairy Vetch as a winter cover crop would contact the county PMA office at an early date.

Burton College Honors Former Local Minister

Mr. C. E. Boatman, formerly of Memphis and now minister of the Colby Christian Church at Colby, Kansas, has been honored by the Burton College and Seminary at Manitou, Colo.

The honorary degree of Doctor of Divinity was conferred upon Minister Boatman by that institution this summer.

"The degree was conferred upon Mr. Boatman in recognition of outstanding work as a minister and teacher of the scriptures," according to Dr. Houston Greenwell, president of the school.

Burton College and Seminary was organized in 1928 and is authorized to teach and give instructions in science, literature, history and education, English, Bible and theology, ancient languages and music.

Lakeview Will

(Continued from Page 1)

test against Shamrock tonight. Fullback W. H. Wood—a 180 pound regular—suffered a fractured arm in the Friday scrimmage and will not be in the lineup. Gowdy was also injured in the scrimmage but is expected to go against the Irish.

The Eagles will operate from the T formation again this year with letterman Gerald Payne handling the quarterback chores. Payne and G. D. Hall—160 pound halfback—have been alternating the kicking assignments.

With Wood out of action, end William (Windy) Verden has been converted to the fullback slot. Verden is a 140 pound sophomore. J. W. Lindley will round out the starting backfield.

Other probable starters against Shamrock include:

Ends—Eugene Lollis, 175, and Gaylen Wylie, 135.

Tackles—Red Lewis, 180, and Cecil Garrison, 155.

Guards—Joe Marler, 140, and Tholie Lindley, 135.

Cyclone Faces

(Continued from page 1)

Canyon is primarily noted for its passing attack, featuring the polished chunking of quarterback Garland Butler and his favorite receiver, end Ray Burrus who stands over 6 foot 3 inches.

The Eagles also demonstrated some ground punch against Tulia with scatback Harold Slack in the spotlight.

Frank Murry is in his initial season as coach at Canyon. He tutored the Perryton Rangers during the past few seasons.

The former West Texas State griddler has installed the split T formation there this year.

Starting line-up figures indicate that the Memphis forward wall will have an average one pound weight advantage over their hosts. The Eagles have the heavier backfield, however, averaging 153 pounds. The Memphis backs average 145.

Probable starters:

Memphis	C. Messer	IE	Canyon	Russell
	Vinson	LT		Montgomery
	Pierce	LG		Money
	Moore	C		Cornette
	Kennedy	RG		Gooch
	Bloxom	RT		Busteed
	Rasco	RE		Burras
	Stargel	QB		Butler
	T. Messer	1H		McClendon
	Lee	RH		Slack
	Miller	FB		Miller

equipment into Childress Monday. They will go into the old hole to test formations found at a depth of between 5,000 and 6,000 feet which is supposed to be the Canyon Reef Lime formations.

At the time the Texas Company drilled the well, it was not known that the Canyon Reef was oil producing. The Snyder field has since produced from this formation.

In 1943 the Texas Co. drilled 7,600 feet here to reach the El-lenburger formation.

Cubs Open

(Continued from Page 1)

on the 25-yard line in the third quarter opened the gate for the winning El Paso score.

Halfback Monti Moore and big fullback Joe Gaines pace Coach Hap Rogers Cardinal attack.

Coach Duvall is expecting the Bear Cubs to have a well-balanced team this year. They will run from the T formation with letterman Jim Moore operating the up-under slot. Halfback Charles Gardenhire and fullback Don Davis, both 160 pound boys, are other returning lettermen in the backfield. Halfback Gayle Fowler, 135, rounds out the backfield.

The Bear Cub forward wall is light but blessed with plenty of speed.

Tentative starting line-up for Estelline:

LE—Gus Orcutt, 150.
LT—Edward Cooper, 145.
LE—Edward Cooper, 145.
LT—Nichols Hood, 140.
LG—J. M. Roberson, 135.
C—Gary Winn, 150.
RG—Wallace Juett, 140.
RT—Loran Beverly, 150.
RE—Gus Orcutt, 150.
QB—Jim Moore, 155.
LH—Gayle Fowler, 135.
RH—Charles Gardenhire, 160.
FB—Don Davis, 165.

Nazarene Church Revival Begins On Friday Night

A nine-day revival of the Nazarene Church will begin this week.

Rev. H. E. McEwen will conduct the meetings. Services will be held at 7:30 o'clock. Revival School sessions will be held at 11 a.m.

All persons of all denominations are cordially invited to attend.

Rural Texas Plans Equipment Drive

"In Fine Condition" Texas ranchers and farmers never been in better emergency than now, according to Jas. P. Smith, president of the First State Bank of Memphis, who represents Texas Bankers Association county key bank.

The over-all condition of the State of Texas is good, farmers and ranchers are in areas where crop conditions are such as to give Hall County and many other counties a good crop. Mr. Smith said. "The condition will work a lot of many farm operators, and in areas where crop conditions are such as to give severe will do all that help in financing farm operations."

equipment into Childress Monday. They will go into the old hole to test formations found at a depth of between 5,000 and 6,000 feet which is supposed to be the Canyon Reef Lime formations.

At the time the Texas Company drilled the well, it was not known that the Canyon Reef was oil producing. The Snyder field has since produced from this formation.

In 1943 the Texas Co. drilled 7,600 feet here to reach the El-lenburger formation.

Lakeview Schools Planning Big Year During 1950 - 1951

APPOINTMENTS COMPLETE, TEACHERS HAVE DEGREES

...the teachers have taken courses in graduate work. "We think our faculty standards are high this year," he said. "Our teachers are well-trained and have had past experience that will be helpful in their work here."

Newest faculty additions include the positions of supervisor and librarian. These positions were opened under the Gilmer-Aiken laws.

Enrollment at Lakeview has reached 360 students this week. The four high school grades have 90 students. Largest enrollments are in the second and fourth grades with 46 and 44 students, respectively.

The cafeteria is functioning smoothly this year and has been averaging 164 students daily since school began Sept. 5.

Increased library facilities and visual education equipment improvements were also made during the summer.

To round out the picture, the transportation set-up for the 179 square miles served by the Lakeview district is well equipped with five buses. Around 300 students—or five-sixths of the total enrollment—are served by these buses.

The Colored school at Deep Lake has added a teacher this year and reports an enrollment of around 36 students. Classwork began there on Aug. 14.

HIGH SCHOOL — Shown above is the high school building at Lakeview where students from the seventh through 12th grades attend classes. The school program at Lakeview is being expanded this year and school officials believe that 1950-51 will be a top year for education in this district.

WORKSHOP TO BE OPENED SOON FOR LAKEVIEW AGRICULTURE STUDENTS

A new workshop for the vocational agriculture department and additional facilities and equipment for several departments highlights the expansion plans in the Lakeview schools this year.

The workshop, which will be housed in one of the barracks near the high school building, will offer agriculture students a chance to gain experience at various crafts that are useful in farm work. Agriculture instructor Jack Douglas will be in charge of this shop.

The visual education facilities of the school have been improved this year and will offer special opportunities to all grades. Included in the equipment on hand are a 16-millimeter projector with a sound track and several film strip projectors.

Mrs. Al Burks, who heads the library department, is supervisor of the visual education program although teachers of all grades and

(Continued on Page 8)

Supt. Denton Plans For Future

Supt. Denton Plans For Future

...has a friendly, all-around manner of conducting his business. Loran Denton of the Association, believes that there was a number of years of education. For his career and he has worked with years of experience. "The quality of education is the key to the future," he said. "We must have a solid set of standards for every school program and to meet the needs of the students," he said. "We must have the most intensive use of our resources at any time our program on a strictly business basis."

...been needed and that these laws made possible."

He also believes that the general public is becoming aware of the importance of a good educational system.

"Teaching is fast becoming the respected profession that it should be," he said. "This will naturally draw more qualified persons into the field."

Supt. Denton can base his observations on nearly two decades of teaching experience.

A graduate of West Texas State College, he was teacher and principal at Deep Lake for seven years before coming to Lakeview in the early 1940's as high school principal and coach. He became superintendent at Lakeview in 1945.

Incidentally, Supt. Denton ran up quite a coaching record at Lakeview. A basketball specialist, he took his 1942 and 1943 teams to the state play-offs after sweeping the regional competition.

He is married and has three children. His daughter, Sherry, is 12 while his two sons, Royce and Dennis, are 14 and 2 years of age, respectively.

He thinks there is a real field for educators in the smaller schools.

"I believe a big advantage to the smaller schools is that they can best serve the needs of the rural students," he pointed out. "These youngsters from farms and smaller communities have shown tendencies in the past to drop out of the larger schools before completing their education. Our smaller schools are solving this problem since we have more time to study them and better determine their needs."

Supt. Denton is also convinced that the small schools can influence students to continue their education in college as well as larger schools.

"We are proud of the fact that 50 percent of last year's graduating class here has enrolled in college," he said. "We think that percentage is above average for the state."

He hopes the school program at Lakeview will continue to be expanded and improved in the future and is leading the school officials in this direction.

As for the present, Supt. Denton believes 1950 will prove to be one of the best in the history of the Lakeview school.

Cafeteria Serves Balanced Meals To Lakeview Kids

The Lakeview school cafeteria — well equipped and efficiently operated — is planning for its busiest and most successful year during 1950-51.

The cafeteria has averaged feeding 164 students daily during the first two weeks of school and is expecting this number to increase.

Grade A lunches — especially prepared according to expert requirements — are served the students. The cafeteria is housed in its own building which is located in front of the gymnasium.

Mrs. Oma Lee Davis is in charge of the preparation and serving of meals again this year. She is assisted by Mrs. D. P. Osborne and Mrs. Dollie Layne.

The cafeteria is open to all students at the Lakeview schools as well as the faculty members.

Pfc. Lewey Freeman of Fort Lee, Va., returned to come this week after a visit in the R. C. Vinson home.

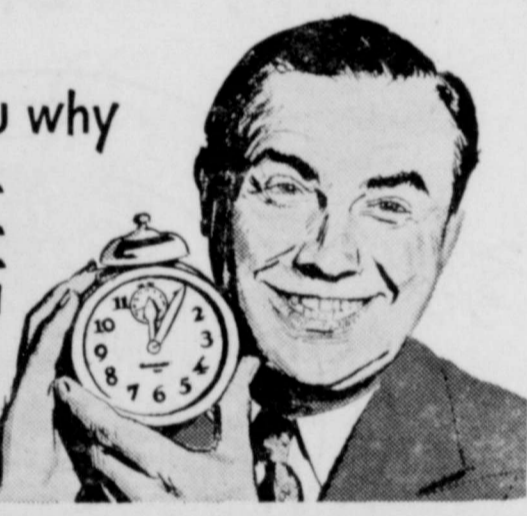

...a lifetime."

"The laws have raised the education standards tremendously and have definitely been responsible for improvements in the quality in

teachers," he said. "We can see the results of these laws very easily right here," he added. "Our librarian and supervisor are positions that have

The Elixir of Work

With the coming of September, we bid a fond farewell to summer and make ready for the sad and beautiful season of fall. September, the month of early autumn, is the alpha and omega . . . the beginning of the last quarter of the year. It is the beginning too of that incessant scurrying about known as "the fall rush" when we hustle our bustles to finish certain tasks before winter weather hampers our activity.

The end of summer comes so very gently

It is a murmured song, a wistful sigh;

The shadows deepen under every hedgerow;

The very breeze is hushed as it drifts by!

And so begins the autumn season and autumn, as a prelude to winter, it is a time for taking stock of the year's work; a time for balancing the yield against the labor to determine our circumstances before the snow begins to fly. In the autumn, we reap what we have sown in the spring. Accordingly, we shall either be plagued by regrets and anxieties or consoled by a knowledge of achievement. "Between

TAXI IS HOME FOR FAMILY OF SEVEN . . . Benjamin Fox, his wife and five of their seven children occupy Benjamin's cab, which has been their home since they were burned out of their dwelling in New York more than a month ago. The best that housing authorities could offer was an apartment for \$80 a month, which Fox says he can't afford.

aspiration and achievement there is no great gulf fixed. The difficulty is that so few allow themselves to achieve. Every man has that reserve within him . . . a coil of force and purpose . . . which would enable him to make his life full and complete, if he would but break the fetters of self limitation and express the best and the strongest of his nature." (Susanna Croft).

Autumn means many things to many people and yet, for all of us, it is ultimately a time of fulfillment; a time of rounding out our year's work for work we must if we would achieve. It has been said that, "Faith is the substance of things hoped for; the evidence of things not seen" and that "Love is the greatest thing in the world." And may I add that WORK is the elixir of life! As a "cure-all," work is even better than Hadaacol. It is a tonic for spring fever, a sedative for restlessness, a balm for heartache, and an opiate for worry. Work quickens the pulse, stirs the blood, brings beads of sweat to the brow, and forgetfulness to the mind. To busy your hands and mind with honest work, "readies" your heart and body for yeaceful rest and ecasts a troubled spirit. Provided, that is, your work is honest and interesting to you.

Fortunate is the man who, while gaining a livelihood, finds genuine pleasure in his work. John Ruskin

made an apt statement when he said, "God intends no man to live in this world without working; but it seems to me no less evident that He intends every man to be happy in his work." Work need not be a drudgery. And, by all means, everyone at some time in his life should work for the love of some one or something regardless of monetary returns. Work that someone else's life may be bettered through your labors. Then will you know and appreciate the full satisfaction of work well done.

For those of you who believe with the astronomers that man's destiny is determined by the position of the stars in the heavens at the time of your birth, the first twenty-two days of September come under the influence of the sign of Virgo, the Virgin. Children of Virgo have a calm, inquiring mind, great powers of persuasion and of formulating public opinion. February and November are their lucky months and Wednesday their favorable day of the week.

Those who came into the world during the last eight days of September, are children of Libra, the balance. They have an originative mind, a strong will and sound judgement. August and November are their favorable months and Friday their fortunate day. Of course, it is said that all signs fall in dry weather but perhaps that doesn't refer to the signs of the Zodiac.

Tri-State Fair Will Open With Parade Monday

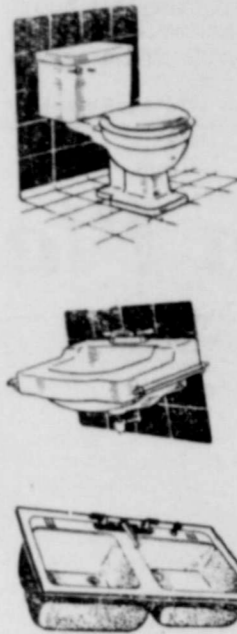

The Tri-State Fair opens in Amarillo next Monday at 11 a.m. with a colorful parade lead by the 36th Division Military Band from New Braunfels, Texas. Featured in the parade will be units of the National Guard, Naval Reserve and ROTC from throughout the Panhandle.

In addition, the fair's official band from Shamrock and bands from other cities, commercial floats and riding clubs from over the area will add gaiety and sparkle to the big parade.

General E. O. Thompson, commander of the Texas National Guard, and other high ranking military officers will be in Amarillo for the annual celebration. At the Fairgrounds the star-studded Grand Ole Opry with Ernes Tubbs, Hank Williams, and Minnie Pearl will appear at afternoon and evening performances. On the Midway Bill Hames' Carnival will delight grown-ups and children. Other attractions planned are acts twice daily on the stage and the giving away of one Wednesday, September 23, by Amarillo auto dealers. The agricultural, livestock educational shows and this year are said to be and better than ever. They are September 18 through September 23.

Congress went home this week on a 10-day recess but the will remain here to finish up bills.

WASHINGTON, D. C. --If you observe television is getting popular day by day in this world, just note this: a total of 10,250 new sets sold by dealers in Washington during the month of August. It is estimated that there now are 1,875 TV sets in the district.

It is reported that safety razor people paid for that privilege--sponsorship. The writer and his wife at Berkshire Apartments is a new housing project being completed. The

THE MIDDLES By Bob Karp

Crisis Abroad Has Bearing On Safe Driving

The international crisis has a direct bearing on this Country's traffic safety record. That was the opinion expressed by Homer Garrison, Jr., Director of the Texas Department of Public Safety, in appealing to Texas motorists for an immediate check on the mechanical condition of their vehicles.

"It is imperative," said Garrison, "that each Texan do his utmost toward helping to maintain and conserve the resources of this Nation." An important portion of those resources, he indicated, is the thousands of motor vehicles which are operated daily in this State. He urged all car owners to have their vehicles inspected regularly for mechanical defects.

"Worn out and defective automobiles," the Director emphasized, "are conducive to increased traffic

mishaps. By periodic inspections we are serving a dual purpose. First, we assure ourselves of continued transportation in case controls or restrictions are placed on motoring, and, second, we make a decided contribution toward greater traffic safety, thus assisting in the conservation of our human resources."

odists are responsible for the revival of the Methodist church in England." He said the British labor government (Socialist, you remember) is based on "Methodism, instead of Marxism." In fact, he declared, the present government in Britain is "putting Christianity into practice." He wondered if all of his audience here believed this last statement since the British are continually borrowing money from Uncle Sam now to pay their bills.

No Rigor Mortis In Bradgate's
Life Magazine August 23rd issue, had heading "An Iowa Town Dies A Slow Death," over some pictures of life in a small town, Bradgate, in Iowa. Congressman James Dolliver of Iowa comes to the defense of the small town thusly:

"Bradgate is not dead, nor is there any immediate prospect of rigor mortis. It is like thousands of other small towns in America. No aggressor will drop his bombs on Bradgate. It will be alive and healthy when the cities have been destroyed by atomic bombs. Life in small towns like Bradgate is much more typical and much more wholesome than life in the palaces and slums of the boss-ridden cities. In Bradgate people know each other. Their social life is not based upon caviar and cocktails but upon the community picnic or the family gathering. For me, I'll take fried chicken and sweet corn any time in preference to the elaborate feasts of the Waldorf-Astoria. For

me, I'll take Bradgate and the country around it and the people who live in it. When they say Bradgate's dying, they don't know what they are talking about!"

Maybe the Iowa congressman has got something there. Many Texas communities may look dead because the school has been consolidated with a town nearby, but the folks are still out there and community life will still carry on. And no atomic bombs are likely to be dropped on any small community! The City of Washington is worrying over that possibility right now. Congress was asked to appropriate several hundred thou-

LEGAL NOTICES

ORDER CONSOLIDATING HULVER AND ESTELINE VOTING PRECINCTS

On this 14th day of August, A. D. 1950, the Hall County Commissioners Court sitting in regular session, all members being present, and

Upon motion made by Commissioner Berry and seconded by Commissioner Patton, the matter of the consolidation of Hulver Voting Precinct No. 12 with Esteline Voting Precinct No. 5 was taken up for consideration; and,

No valid objections to same being presented or known to the court,

And the question being called for and being put to a vote, all members voted "AYE" and none voted "No."

THEREFORE, BE IT ORDERED, ADJUDGED AND DECREED By the Court that said consolidation is thus unanimously approved and that said consolidated voting precinct is hereafter to be known as Esteline Voting Precinct No. 5 and the same is hereby established and ordered to embrace the following territory and shall be within the boundaries hereinafter described, as follows, to wit:

Beginning at the point of intersection of the East line of Hall County with the South Bank of Prairie Dog Town Fork of Red River. Thence in a westerly direction with the meanders of said Red River to the Northeast corner of Section No. 23, Bk. 1, J. Poitevent Survey. Thence South on section lines to the Southwest corner of Section No. 35, Block H. J. H. Stevens Survey and on North line of Sec. 249, B. S. & F. Survey, Block S-5. Thence West to the Northwest corner of said section No. 249. Thence South to the North line of Section 238. Thence South about three (3) miles to the North line of Section 11. Thence West to its Northwest corner. Thence South to South line of Hall County. Thence East two (2) miles. Thence North to a point due West of the Southwest corner of Survey No. 186, Block H, B. S. & F. Thence East to the Childress County Line. Thence North with the East line of Hall County to the place of beginning.

Looking for a Money Saver?

Better Buy Buick!

YOU CAN SEE here how smart it is--don't have to be told that it's the most quickly identified car on the road today.

You probably know that the engine under that broad bonnet is a Fireball straight-eight valve-in-head engine and a lively stepper in any company.

You can check the abundance of its room by the simple expedient of taking the family and trying out its spaciousness at the nearest Buick dealer's--and a very few minutes on the open road will satisfy you that all-coil springing, low-pressure tires and Buick's torque-tube drive really do produce a ride that is matchless for its soft comfort.

BUT RIGHT NOW, it may be that the money angle is the thing uppermost in your mind, and on that we'd like to make two points:

All our records go to show that this is the most economical Buick ever built. It is easy on gas, on oil, on tires, on upkeep.

And if you choose it with Dynaflo Drive,* it immediately eliminates all chance of friction-clutch repair and replacement--not to mention greatly reducing rear-axle and transmission maintenance.

Best of all, your initial outlay is a highly favorable one--whatever Buick you buy. For these brawny straight-eights--built rugged and solid for durable service--are priced at a level that makes them a standout buy in any price class.

Yes, better buy a Buick. Your dealer will be glad to demonstrate, glad to work out all the arithmetic of a deal. See him right away and get an order signed.

FOUR-WAY FOREFRONT--This rugged front end (1) sets the style note, (2) saves on repair costs--vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Editorial

"O.K., MR. PRESIDENT, BUT—"

President Truman gave the American people a warning Saturday night that we face new and extensive sacrifices in the future war against Communist aggression.

And, if these sacrifices are necessary, we are sure that the American people are ready to make them. We are glad to pay higher taxes, work longer hours and cut down on our luxuries in order to check Communism.

But we think the American people have a right to demand a few things from President Truman, too.

If he is to make us believe that this is a sincere move toward defense of Democracy, we think some immediate steps should be taken in Washington to clear our government of the charges that it has been infiltrated by Communists and "fellow travelers"—the very group at which our defense program is aimed.

It is difficult for us to properly evaluate the charges made by Senator McCarthy and others along this line since we have no access to the government files. However, we are convinced that part of them are true. However, we think both parties have been using these charges as a "political football" and that such action is an insult to the American people and a violation of the trust the people have placed in these parties.

We want Mr. Truman—and all other Democrat and Republican leaders—to realize that we are Americans first and then party members. We think they have forgotten this important fact and that their attitude is endangering the security of the nation.

We admire Mr. Truman's steadfast loyalty to his friends but we remind him that, as holder of the nation's highest office of trust, his first duty is to the entire nation. If these "political friends" he has in Washington are proven to be either incompetent or "pink-tinted," they should be relieved of their duties immediately.

We believe the President can gain the complete cooperation of the American people in this new defense program only by showing that he is sincere in his own efforts and is thinking above "party politics."

We are ready to go all-out for Democracy's defense, Mr. President, but we believe—in fact, we demand—that you must lead the way.

"No wonder babies cry when they are born into this world—naked and hungry, and find they already owe the government \$1,700."—Olney (Ill.) Advocate.

DROP HIM A LINE

Last Wednesday, speaking before the Lions and Rotary Clubs here, Republican Congressman Ben Guill suggested that every citizen write a letter to President Truman and recommend that Washington be "cleaned up" of Communists and their sympathizers.

Mr. Guill made a number of charges that the Reds have infiltrated our State Department in alarming numbers and are now holding key positions. He backed up his charges with documents and sworn testimonies.

Now it is impossible for each of us to personally examine the government records and prove to ourselves how many of these charges are true. But most of us have heard so much that we are thinking of that old adage, "Where there's smoke, there's fire."

We believe Mr. Guill had a point when he suggested a letter to the President. It might be well for all of us to write him and tell him what we believe is wrong with the government—not only concerning Communism, but in regard to any domestic or foreign program.

Perhaps our Chief Executive has "lost touch" with the "grass roots" of America. Enough letters should put him back on the right track.

Press Paragraphs—

QUOTING OUR NEIGHBORS

Two Kinds of War

The tragedy in Korea has demonstrated a fact that many of us, including highly-placed military men, had tended to forget—that there can be two kinds of war.

Up to the time that Korea sent her troops pouring across the 38th parallel, we had been thinking in terms of the "big" intercontinental war. This, if it came, was to be a war on an unprecedented scale and of an unprecedented type. It was to be a war of amazing machines which would wreck death and destruction on a huge scale and at vast distances. A button would be pushed, and an atom bomb or a guided missile would be on its way toward a target. It would be a war of science and technology. Some thought it might be a war in which a decision would be reached without any ground action at all, and without troops coming face to face.

No one can say that these concepts are wrong—they might hold true in that "big" war the world now fears. But it is clear that they do not apply in Korea.

In Korea we have a war in which the traditional, relatively simple weapons are all-important. The man with a gun in his hand must do the fighting. It is the most difficult and dismal sort of war imaginable. Great troop movements of the sort that took place in Europe in the last war are impossible. Everything is based on the small unit—the battalion, the company, the platoon, even the squad. The importance of the individual soldier is supreme—if one man fails, disaster to many may follow. In this, the war is comparable to

the jungle operations against the Japanese during the island-hopping period that preceded the Empire's surrender.

We are fighting an enemy whose habits and thoughts are incomprehensible to the Western mind. The cruelty and fanaticism of the Orient finds its perfect reflection in the Korean soldier. Human life is worthless, death but an incident. No matter how many are killed, more come on. North Korean casualties have been infinitely greater than ours. But the offensives have been pushed in spite of them.

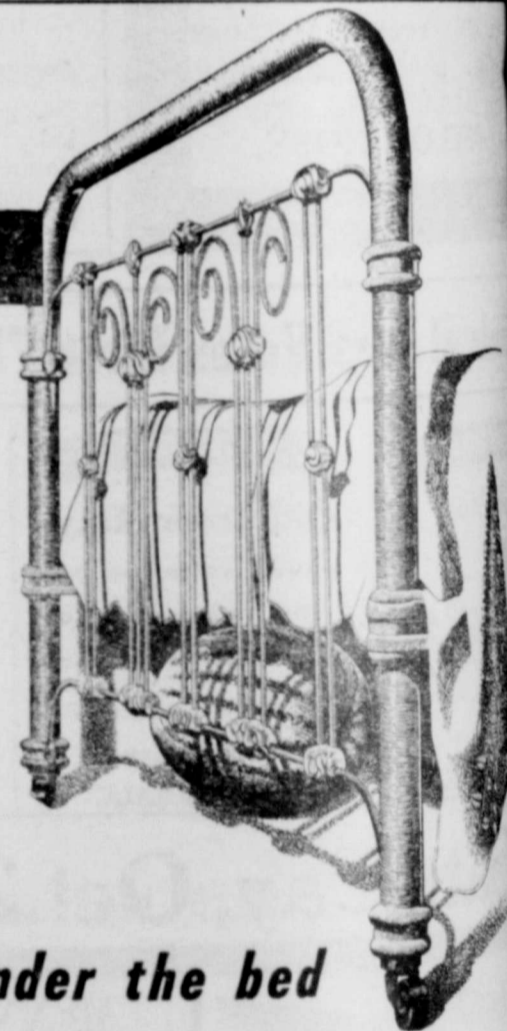

The Koreans have proven themselves extraordinarily adept at in-

filtration, and at guerrilla activity. This, in the first weeks, was one of the worst problems faced by the Americans. The enemy seemed to be everywhere, and foe and friend looked alike. The Korean soldier accepts the greatest of hardships with apparent equanimity—he has known little but privation all his life. He can sleep anywhere. A handful of the coarsest food sustains him. Supply, as we know it in the American army, is unknown to him.

Worst of all, it is clear, we had not planned for this war. Our eyes were elsewhere—on Formosa, Iran, Europe—even as our minds were considering another kind of war. And so, in every way, we were completely surprised.

The lesson we have learned is a (Continued on page 7)

REMEMBER WHEN

...you cooled watermelons under the bed

Remember the days before mechanical refrigeration? When perishables "perished" and everything tasted like onions? It's hard to remember those days when you see the smart new gas refrigerators. Natural gas long ago solved your heating problems, and can solve your cooling

problems as well. It's the wonder fuel of the Gulf South, helping you with all the big jobs in the home.

See the modern GAS refrigerators today—wherever gas appliances are sold. You will be thrilled by their smart appearance, pleased with their silent mechanism and amazed at the economy of their operation. Another important point to remember when you buy—there are no moving parts to wear out in the freezing system of your GAS refrigerator.

The natural gas industry is one of the fastest growing industries in the nation—and it's helping to bring increasing prosperity to the residents of this gas-producing, gas-consuming area we call the Gulf South. Privately financed and managed, the natural gas companies are placing millions of dollars in the channels of trade—helping to make business better for everybody.

this manner he got his message over to the people long before Truman stopped its issuance before the group for which it was written. So far as known, Truman has never contradicted any of the statements which have been made by members of his official family. He has been too busy playing politics, and issuing statements of his own.

2-A Basketball Tournament Is Set For Feb. 17

Coaches and officials from District 2-A met in Shamrock Monday night for a discussion of the year's athletic activities. McLean was picked as the site for the 1951 district basketball tournament. The teams will play a double round-robin to determine the championship. This tournament will be on Feb. 17.

The group also discussed football regulations for the coming season. It was decided that the winner of the games will be decided by penetrations and first downs. Should two teams tie for the championship, the club that won the game between the two will represent the district. A three-way tie will be decided by tossing a coin.

The officials set up the junior high football schedule. Games will be played on Thursday night in the site opposite that of the Friday night varsity tilts. Logan Cummings, superintendent at McLean, was named head

Cyclone Split T Attack Cracks Dumas Demons For 12-6

MESSER SPARKS CYCLONE ATTACK; STRONG LINE PLAYS IS BIG FACTOR

Coach Chuck York and a sprinkling of local fans got their first look at the 1950 split T—Cyclone style—Friday night as the Memphis team opened their grid season with a spotty but convincing 12-6 victory over Dumas on the latter's home grounds.

The new Cyclone offensive strategy wasn't noticeable to most fans but Coach York and Ray Newton watched it closely. Briefly, here's what they saw:

1. The new formation looked ragged at times, particularly in the first half, but most of the mistakes were those "first of the season" blunders that can be ironed out.
2. The split T will work for Memphis. It worked Friday night to the tune of some 225 yards gained on the ground.
3. Tommy Messer, who cavorts from the important left halfback position, can really run the formation. He stood all along as Friday night's running star for both teams. His speed and running finesse makes the Cyclone a potential scoring threat from any spot on the field.
4. Nor is Messer the only running threat. Diminutive Carl Lee more than lived up to expectations in the right halfback slot.
5. The Cyclone forward wall is apparently thriving on their new offensive assignments. They looked as alert and aggressive as could be desired for an opening game considering the intricate blocking the split T demands.

On the other side of the ledger, the Cyclone forward wall also received its first test against this new formation which Texas coaches imported from Oklahoma University land.

And the Memphis line passed the test with apparent ease. They held Dumas to a net of 61 yards.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

DOAN'S PILLS

"Must be something to it" EVERYONE TALKS ABOUT THE

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor". . . winning fame for all 'round performance, all 'round the farm, all year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or discing. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask for a demonstration.

We Have Just Received Our FIRST SHIPMENT OF KRAUSE PLOWS

which consists of sizes from 7-Disc (4 ft.) to 18-Disc (10½ ft.) Plows

If you are planning on buying one of these Krause plows sometime in the future, we suggest that you come in and make your purchase NOW. They are on the "critical" list, and future shipment to dealers are uncertain.

FOXHALL-MIDDLETON TRACTOR CO. 714 Noel St. — Phone 615 Eddie Foxhall — W. Middleton

The remainder of the first half saw Memphis dominate the offensive play but their drives were either bogged by the Dumas seven man line or ran into penalty difficulty.

Stargel took the Cyclone into the air in a desperate "last minute" offensive and clicked with a 38 yard heave to end Charles Messer on the Dumas 38 as the gun sounded.

The second half brought rain and a rejuvenated Cyclone attack. Messer took the kick-off out to the 25 and Lee slashed through the middle of the line for nine yards. Stargel made a sneak through the same area for the first down and a 70-yard Cyclone drive was well underway.

Stargel found end Don Rasco loose on the Dumas 35 for his second successful aerial attempt. Lee scooted around left end to the 24 and Messer went the opposite direction to the 15.

Big Pete Moore, who occasionally moved from his pivot slot to right halfback for ramming purposes, drove to the 10, added another yard and Messer slid the ball down to the five. The third down play was fumbled but tackle Freddie Vinson snatched the ball out of the air to keep the Cyclone hopes alive. The drive pooped out on the fourth down, however, when Messer found no running room over right tackle.

Dumas took possession but they had inherited a short lease on life for the first play Phillips was swamped by the hard charging Cyclone forward wall and lost the ball in the scramble. When the final whistle had blown, Cyclone tackle Wayne Jenkins had the pigskin and Memphis had six points.

A backfield fumble killed the attempted run for the tie-breaking point.

But the break was to come five plays later. Jenkins kicked off and Phillips hauled in the leather on the 20 but slipped on the wet turf after advancing a scant two yards. Two running plays netted the Black and Orange club only three yards. Quarterback Phillips then took to the aerial lanes but found a snag there in the form of Cyclone guard and line-backer Allen (Peanut) Pierce. He hauled in Phillips' offering and lugged it back to the 31.

Without warning, the Cyclone's second score came on the following play as Messer—following a pulverizing screen of forward blocking—raced all the way to the double stripe. He then swept right end for the extra point but a penalty nullified the gain and he was stopped on the second try.

The remainder of the tilt was a touch-and-go affair with Memphis doing most of both. Dumas took to the air but failed to complete a pass. The Cyclone ground game was still a going concern but those persistent penalties often took it in the wrong direction and effectively halted any serious

scoring plans. Dumas entered the tilt minus the services of three top linemen and this may have cut deeply into their game. Their quarterbacking left a great deal to be desired and is probably due to the inexperience of their 1950 man-up-under. Their line was completely overshadowed by the larger and more aggressive Memphis forwards.

Messer was the Memphis offensive sparkplug, averaging almost six yards per try when he got past the line of scrimmage, but Lee's performance was hardly less spectacular as he scooted for an average of over five yards per try.

Stargel's play-picking after the half was adequate—and that would be giving the senior ball-handler nothing. His .500 percent passing average seems to speak for itself.

Tackle play highlighted the Cyclone forward wall's activity. Freddie Vinson, Lee Bloxom and Wayne Jenkins—all big boys with a year of experience behind them—proved to be capable blockers and rugged defensive men. Pete Moore was no less outstanding at his pivot slot.

Guard Pierce, who handles the middle line-backer job, was a big noise in the Cyclone defense.
