'51 Soil Conservation Practice Started In Hall County

Deep Breaking of Wasted Land Is Started In Friendship and Turkey

The first practice in Hall County's 1951 soil conservation program was initiated this week with the beginning of the deep breaking of land in the Friendship community southwest of Memphis.

This deep breaking of the land is being carried out under the supervision of the office of the Production and Marketing Administration.

Lynn McKowan, PMA Secretary, said the PMA had allotted 50 thousand dollars for this part of the soil conservation program. This will pay the government's part of the expenses for breaking ten thousand acres this year.

McKowan said that Hall County had between 50 and 60 thousand acres of land that needed breaking. A fund increase of two dollars per acre has been asked for by the PMA office. The old price of government payment was three dollars per acre. This year's payment will be five dollars.

Where the PMA approves the breaking, it pays five dollars per acre and the land owner pays five, making a total of ten dollars per acre for the breaking.

For the PMA approval the land must be broken at least 18 inches deep, or deep enough to bring up a clay loam or a dirt of heavier substance than sand.

Most of the land in Hall County suitable for breaking in will require a depth of 24 to 30 inches.

Scout Troop 35 Plans For Annual Parents Night Mon.

Scout Master Ted Myers announced this week that the scouts of Troop 35 will be host to their parents Monday night October 23 in their regular meeting at 7:30.

Entertainment for this parents night will be the Memphis Chamber of Commerce movie, "Cotton's Home Town." This movie will be presented by Clifford Farmer, manager of the local Chamber of Commerce.

This movie has scenes of Santa Claus Day, parades, rodeos and all of the other highlights of Hall County.

Myers stated that, "he personally wanted to invite the parents of all the Scouts to attend the complete program."

He extends another invitation to all ex-scouts and their parents and to all the boys between the ages of 11 and 14 who are interested in scouting.

Carl Harrison Is Attending Meet Of West Texas CC

Carl Harrison, a director in the West Texas Chamber of Commerce will attend the 33rd annual convention in Mineral Wells today and tomorrow.

Harrison is a member of the work program committee and will join the other members of this important group in planning the work of the West Texas Chamber of Commerce for the coming year.

Harrison has also been renominated by the local chamber of commerce to serve another term as a director of the WTCC.

The officers of the coming year will be elected following a luncheon Friday noon at the Crazy Hotel at which John Ben Sheppard, Secretary of State, will be the speaker.

CARTOONIST AND MEMPHIS CITIZENS TO EAT CARTOON IF MEMPHIS WINS

Hut Hutson, the Panhandle's roving cartoonist who produces "The Your Neighbor and sport cartoons in The Democrat and other papers in the area, was a guest Wednesday at the Lions Club.

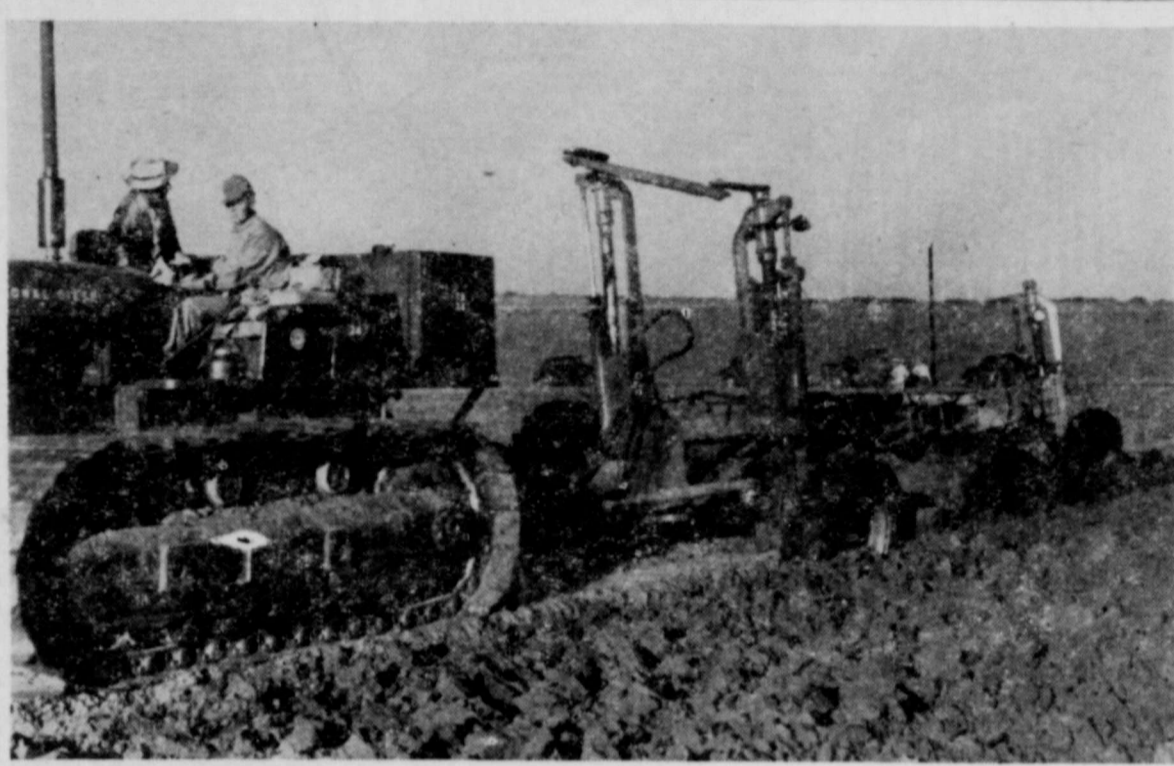

The Amarillo News Friday morning will carry his feature Pigskin Picks predicting the weekend outcome of the High School games for the week-end.

Hutson acknowledged that the dopesters figured Wellington to defeat the Memphis Cyclones and he has depicted it in his feature. But after listening to Coach York who so confidently explained the determination of his Cyclones to break the 16 year old Wellington-over - Memphis Jinx Hutson has promised to eat the cartoon if the Cyclones win.

Tomie Potts, later hearing about the proposed menu, heartily agreed to eat half of the cartoon himself, if the Cyclones won. Then Homer Tucker was impressed by the plight and he also agreed he will eat some of it too. Wednesday night Bill Dunn of the Pound's Cafe, listening to the tragic appeal for victory also agreed to help eat Hutson's cartoon.

Looks like the druggist will have a run on Pepto-bismo or Bicarbone of soda by Saturday morning if the Cyclones can get as enthused as the above group. We're sure the fellows can win the game.

Hutson will be back in November to put on a chalk talk at both the Lions and Rotary Club entitled "Enjoyment of Cartoons" and the news-papers relation to the art of cartooning.

Pictured above is the equipment being used for the deep breaking of land here in Hall County. The giant one-way breaks the land from 20 to 30 inches deep. (Photo by Wise)

Last Time in '34

Cyclones Out To Break Wellington Winning Jinx

Grid Coaches Chuck York and Ray Newton have geared their Cyclones for the Wellington Battle to be staged in the Rocket Stadium Friday evening, October 20.

The last victory chalked up for the Memphis Team against Wellington was in 1934.

The team appears to be at full strength for the Cyclone attack with only 5 of the first string boys slightly stove-up. Four with leg injuries which will not prevent their entering the game and one slightly bruised muscle in the back.

Tommy Messer, halfback; Chas. Messer, left end; Lee Bloxom tackle; Pete Moore, center and Wayne Jenkins defensive tackle.

The team has ten pound lighter line and backfield than the Rockets. But, Chuck, is depending on the muscle between their ears and their determination to perform on the field with courage and cooperation in the breaking of the "Rocket Jinx."

York told an enthusiastic Lions Club luncheon his team needed little more to win than confidence and encouragement to do their best from the folks behind them.

There is expected a large number to attend the game from Memphis and the Wind-jammers have the ability to win and their coaches are convinced they can and will.

Should the Cyclones capture this victory Friday night it will throw quite an atomic bomb into the class A District 2-A and pitch a lengthy lists of District Co-Champions on the District 2-A Veranda.

And victory will slap a menu of paper pulp before a list of local men along with a certain cartoonist who have agreed to eat a certain defeatist cartoon which will appear in the Amarillo News Friday morning.

Probable starting line-up:
R. Rasco E S. Wood
L. Bloxom T J. Graves
M. Kennedy C V. Orr
P. Moore G B. Cooper
A. Pierce G F. Brock
F. Vinson T F. Kent
C. Messer E L. Fuson
T. Messer B Copeland
C. Lee B D. Ingram
D. Miller B H. Gibson
R. Stargel B T. Wood

The slightly singed Lakeview Eagles will meet Estelline in district 2-B clash in Estelline Friday night.

The Eagles football future was very smoky last week-end when fire destroyed the Lakeview field house and all the football equipment that was stored inside.

The fire broke out around midnight Thursday night and was not discovered until the entire building was consumed by the flames.

Lakeview sent out an SOS and Memphis High School responded with equipment while people opened their pocketbooks to aid financially.

Memphis High School sent out 11 pair of shoes, seven pair of shoulder pads, 22 pair of white pants and several headgear.

Money was collected under the direction of the Lakeview Rural

Passenger Service On Childress To Lubbock Train End

Passenger train service over the South Plains line of Fort Worth and Denver City Railway between Childress and Plainview-Lubbock, Texas, will be discontinued effective Sunday, October 22.

Towns in Hall County that will be effected by this discontinuance of service are: Estelline, Hulver, Tampic and Turkey.

Authority for this action is contained in a Railroad Commission of Texas order dated October 6, in its docket number 1088-RO.

The last passenger runs will be operated westward from Childress to Lubbock and eastward from Lubbock to Childress on Saturday October 21.

LAUDE'S COMMENTS

By J. C. W.

If my readers are not enjoying this fine autumn weather they are hard to please. . . . Despite the hail and rain damage of early summer, some good crops are now being harvested. . . . Gins are getting down to business, running day and night. . . . The New York cotton market advanced the limit late Tuesday, and farmers are hopeful of receiving good prices for cotton this fall. . . . Fall flowers are blooming profusely, and some spring flowers caught the spirit and trying to show what they can do. J. O. Strother reported a few days ago he had lilac blooms, and Mrs. Wells has some honeysuckle vines that have been blooming all the year, and Mrs. R. L. Madden has some bushes full of blooms, with some of the stems more than three feet long. It just goes to show what proper weather conditions and rain water will do in this country. Twenty-five years ago yesterday this country had frost and freeze. Hope it doesn't do that this year for at least a month.

An interesting development is taking place just south of town. A deep-plowing experiment is being made, plenty of good soil is being brought to the top. It will be watched in the coming years to see if the land will produce

Drivers Unhurt In Automobile Mishap

Mrs. Jennie R. Phillips and daughter of Estelline were scratched and bruised when their car struck a bridge railing and sideswiped a truck on the Red River bridge Wednesday morning.

Norman N. Ware, of Los Angeles, Calif., has been charged with driving on the left side of the road in connection with the wreck that involved Mrs. Phillips and a truck driven by Roy M. Brown of Childress.

Ware was coming North and driving on the left side of the road when he forced Mrs. Phillips into the bridge railing. She was southbound.

When she hit the railing, she lost control of the car and it veered into the northbound truck driven by Brown. The truck turned over after hitting the Phillips car.

No one was injured seriously in the mishap.

Little Theatre Play Is Based On Story Of True Murder

Something new in theatricals will be the feature of the evening when the Memphis Little Theatre presents "Night of January 16th" in the district court room of the County Courthouse on October 30 and 31.

"There have been plays before with vague endings, but this is the first one in which the audience takes an integral part in its development and conclusion," Mary Helen Sexauer, director stated. One of the unique features of the play is the recruiting of twelve members of the audience to serve as the jury. These members will not be "planted" in the audience, but chosen by lot.

In order to make the play as authentic as possible, the court will be conducted according to New York laws, and women will be allowed to serve on the jury.

Mrs. Sexauer pointed out. The subject of the play is a murder trial and the story is based on the life of Ivar Kreuger, Swedish match king and financial juggler, who disappeared several years ago after the failure of his international financial interests.

"Night of January Sixteenth" had a long run in New York and toured the United States as a road show.

Tickets for this production are on sale now. They are \$1.20 tax included. Any Little Theatre member has them and they may be secured at The Democrat.

NOTICE

There will be a meeting of the alfalfa growers of Hall County in the District Courtroom on Wednesday night at 7:30.

National Oil Week

We hear a great deal these days about the American way of life, and it is all to the good. It would be difficult indeed to think of another subject so infinitely varied or so richly rewarding. Yet it is not enough simply to go on talking about it. If the American Way is to have any valid meaning, we must live it. And before we can live it, we must understand it.

It is in this conviction that we welcome the arrival of Oil Progress Week, October 15-21. The men and women of oil have set aside this time to report to their fellow townsmen and the consumers of their products on their contributions to our well-being and their plans for the future.

Starting less than a century ago with only a hole in the ground, the oil men of this country helped change the face of our civilization. They have given us the power for mobility and flight. Not only have they provided lubricants for our vast industrial machine but today they are providing more than half of the total energy used in this country. They have helped make possible untold hundreds of good things—from lipsticks to wonder drugs. Moreover they have established comfortable reserves of oil which add greatly to our national security. They have, in short, done much to transform the existence of yesterday to the good life of today.

However, Oil Progress Week is designed not only to remind us of what the oil industry has produced, but what has produced the oil industry. Gasoline and plastics and wax for bread wrappers are imply the evidence of a deeper, driving force—the force that has made possible our whole industrial structure. This is the American way—the determination, the initiative, the opportunity to create more and better things for all of our people everywhere. We call it Freedom.

People who drive with careless speed may never grow old and go to seed.

United Nations Flag Day

Tuesday, October 24, is United Nations Day. On this day throughout the world the United Nations flag will be flown from the flag staffs of every city, town and village.

The designation of United Nations Day caught the United States short on the UN flags, just like she is always caught short on everything except politics. But America ingenuity stepped forward and under the direction of the Agriculture department the women of the nation became modern "Betsy Rosses" and turned out the needed flags.

Everything was fine until the Agriculture department issued a statement that the UN flag should be flown above the Stars and Strips, if the two were flown from the same staff. At this point the President of the Veteran of Foreign Wars hit the headliness saying that no flag should be flown above Old Glory.

He is right to a certain point, that point being that no flag of any other nation should fly above Old Glory. The

ARE YOU ONE OF THESE?

United Nations is not another country, it is a government made up of all the nations of the world and we are a part of this government.

Newspaper writers came out with the statement that the UN might someday rate a place above our flag, but not now. If everyone sits back waiting for the UN to grow where it is going to get the help that any young thing must have to expand.

Sure, the UN is weak now, but if the organization that is the best man has had yet devised for peace is to grow the people must respect it as what it is, a world government, not just something that a nation take or leave as they please.

The UN is in the same position that the Continental Congress of America was in when it was organized, trying to govern people without the power to do it with.

It took more than ten years for 13 simple, small colonies to iron out their differences and become the foundation for the greatest nation the world has seen. If it took more than ten years for the small colonies to settle their differences, no one could expect 60 large nations with so many different problems to become a working world government overnight. It is going to take years and the UN must have the help of every person to survive. This help can start by honoring the flag of this organization next Tuesday.

Yes, Mr. VFW President, we must work to make the United Nations in to a strong force for world peace and to away with the armed camps that are called nation. If this is not accomplished, then every male citizen of the U.S. may become prospective members of your organization. Although you might have to change it to include wars fought on American soil

Tuesday on the 11th Annual Newspaper Week, the Newsman referred to the work of the commies and the work being done by the press to combat their efforts.

At the close of the Kiwanis luncheon, a returned missionary from China took the floor and remarked in a very short statement: "I wish that all of you men could have seen behind the iron curtain like I have. I hope that you will never suffer the consequences of being insulted and abused by the Reds as I have been in China. They are brutal in the extreme. I want to say: Communism and Christianity cannot exist together in our nation; in any other nation; or on the face of the world. One or the other must go."

We wish that this missionary might have had more time. We didn't know of his presence or his work until at the close of the meeting.

The Canyon News has been buying a cartoon service for about a year with the idea of combatting communism. Sometimes we have wondered if the money we have paid for this service has not been wasted. Yet when we realize the indifference of the average citizen to the commies, and how they are threatening to take over this nation through this indifference, we are persuaded that we should continue, week after week to picture the work of the commies.

The necessity for action on the part of the government in combatting communism, while out President was referring to the head of the dastardly herd as "Good Old Joe," is more and more understandable.

When the White House wakes up to the danger of inroads of communism in this nation, we shall all sleep sounder.

—Canyon News

Press Paragraphs—

Behind the 38th
 While the Reds of North Korea have tucked their tails and rushed back home, the 38th parallel will not be such a shelter as they had hoped for when they started their fight against those of the South. The United Nations has given its consent for General MacArthur, generalissimo of this organization, to proceed until the Reds are thoroughly whipped.

Naturally this is not a United Nations army which MacArthur has in the field, but a United States outfit, plus South Koreans who are taking advantage of our victory to get even with their neighbors who are commanded from Moscow.

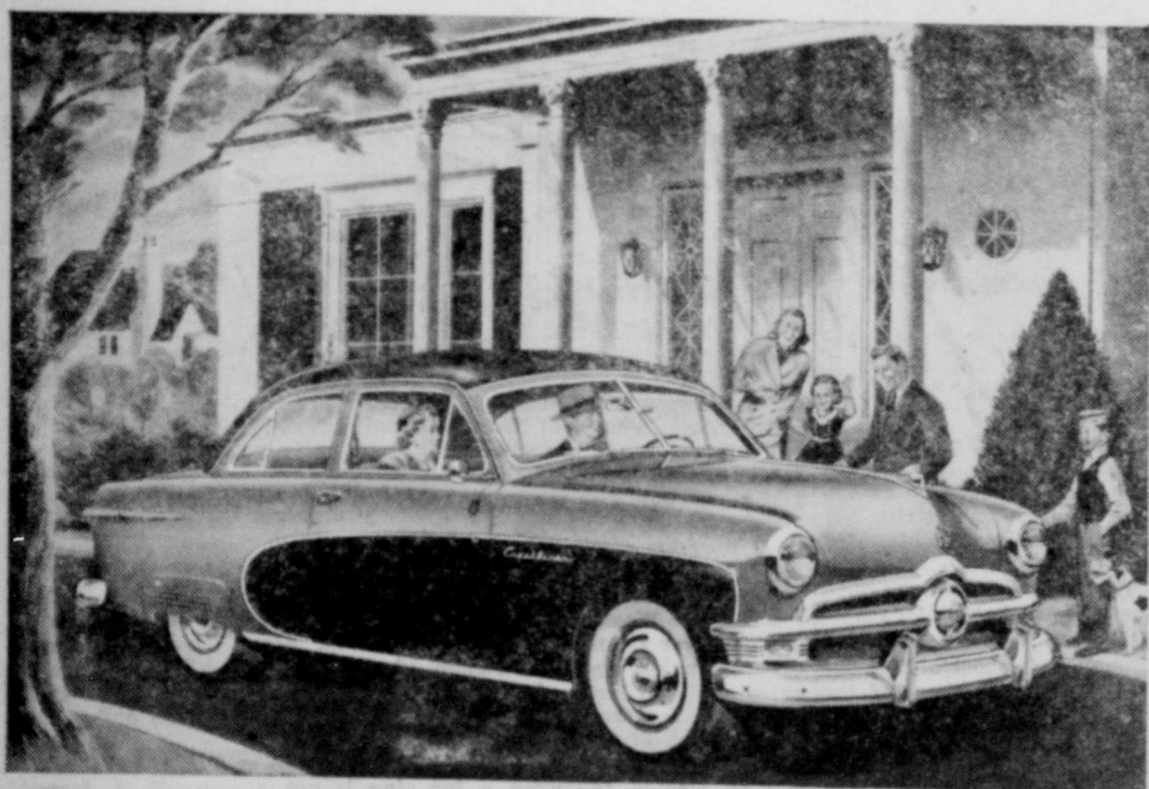

The cold facts are that Uncle Sam will pay the expense of rebuilding Korea. We made the silly mistake of agreeing to a division of Korea in order to satisfy Stalin when he traded us out of our short. It is too bad that we ever agreed to all of the silly provisions exacted from us in order to keep Russia in the war. We could have whipped Hitler while his armies were split, with a huge force in Russia.

There is no use crying about the mistakes of the past. The main thing that we are interested in just now is keeping Truman from meeting Stalin, in which case we would be traded again out of our other shirt.

The thing just now is to hope and pray that MacArthur has another scheme worked out whereby the MARINES may again whip the Reds of North Korea in a short tie. (The Marines will probably become a respectable outfit even in the eyes of the President after a few more victories).

Out front with the finest yet priced with the lowest

These days you can't tell from the price tag how much quality a car holds. Ford, for example, is still priced with the lowest... yet in other respects it's in the 3rd car class. Take its styling, for example; for two years in a row Ford has been the recognized fashion leader.

Like America's finest cars Ford offers you a V-8 engine. No other low-priced car does. Nor does any other car at any price offer you a choice of V-8 or Six engines. And remember, Ford's V-8 costs hundreds less than most sixes—Ford's Six costs even less.

SEMI-FINAL GAME WITH CANYON HERE FRIDAY AFTERNOON—After considerable difficulty in reaching an agreement as to where the Memphis-Canyon football game would be played, it was decided by high school officials that the game would be played in Memphis, Friday afternoon at Fair park. This agreement was a result of efforts of the Rotary Club, Chamber of Commerce and other Memphis businessmen, who pledged their financial support inasmuch as they guaranteed the football boys \$575, which amount goes to the Canyon team for their trip to meet the Cyclone on local grounds.

TWIN BOYS BURNED WHEN GAS IGNITES—Curtis and Hurst Hawkins, aged 9, are both in a serious condition at the Memphis hospital from burns received Friday night at the home of their grandparents, Mr. and Mrs. M. H. Anderson, one mile west of Friendship schoolhouse.

DIAMONDS VALUED AT \$3,000 TAKEN FROM WHERRY'S WINDOW—Burglars entered the R. H.

Wherry Jewelry store Sunday evening and carried off one of the show windows. A few minutes before Mr. Wherry returned to place them in the night. The ransom in number, ranging from karats to one and one-half diamond stud, were displayed by window shopping the display.

Activity Schedule Gives Pils Fun, Experience

Activities do not consist of spelling bees and barnyard games, Memphis High students may think all they are doing is having fun, but they are so many varied activities that one person could not participate in each.

During the school year, you will be participating in many of the following organizations: basketball, track, baseball, choral, Future Homemakers of America, Speech Club, Farmers of America, and the Student's Club. Any high school student is welcome to the dances sponsored by the organizations.

Each of the individual classes are receiving valuable experience in parliamentary procedure and in group leadership, which this nation is built upon. The frequent use of seeing educational subjects of drama, history, English, Spanish, etc. Occasionally there are recent Memphis football

Remember?

Question: "Do you remember your first day in school?"

Patsy Jean Adcock: "I swallowed my tooth and didn't know it."

Shirley Ann Hale: "I don't remember. I was too little."

Eudine Gable: "I cried for three little days and chased three little boys home."

Pat Goodnight: "When the fire-drill bell rang I ran out and would not come back in. I cried, too."

Max Kennedy: "My cousin had to tell the teacher my name. I was bashful."

Minnie Lee Jackson: "A little boy hit me with a rope because I tried to kiss him."

Don Ray Rasco: "I kissed the little girls and whipped the little boys. I was pretty, too."

Nan Crowder: "I don't remember exactly what it was like but I can imagine I was pretty scared. You know, new people, excitement, and most of all, a teacher."

Locals and Personals

Mrs. T. A. Hudson of Wellington visited here Sunday with her son, Keener Hudson who is pharmacist at Durham's Pharmacy.

Mrs. Mary Jane Padgett of Portland, Oregon, visited with her daughters, Mrs. W. R. Taylor and Mary Helen Hunt, and other relatives and friends. She was in Memphis from Wednesday until Sunday.

Bobby Thompson and Sammy Sargent of Borger visited Mrs. Pearl Massey Sunday afternoon.

Mr. and Mrs. Connie Massey of Los Angeles, Calif., visited here on Wednesday of last week with his aunt, Mrs. Pearl Massey.

Mr. and Mrs. Forrest Hall spent Sunday in Amarillo visiting in the

home of their daughter and family, Mr. and Mrs. Clois McGuire. They also visited in the museum in Canyon.

Mrs. Gordon Gilliam and Mrs. Forrest Hall were Childress visitors Saturday.

Mr. and Mrs. Herman Cross and daughter of Goodnight spent Saturday night and Sunday with her parents, Mr. and Mrs. E. F. Lemons in Memphis.

Mr. and Mrs. Albert Gerlach spent last week end in Dallas attending the state fair. Mr. and Mrs. Paul Nash of Azle accompanied them to Dallas.

Remodeled New Paint Upholstery

School buses are being remodeled with springs, cotton, and covers of four buses are covered and replaced. The covers are rust leather-like, the buses are to be a harmonizing color in future. When this is complete the students will have both beauty and beauty on their buses. Mr. Kennedy and Bill are doing commendable work in good condition. Mr. Kennedy said, "The school is a great expense to repair the buses running. It is the students' own comfort and safety. Please, urge the children to take care of these new seats."

PROJECTOR CLUB
Boys of Memphis High who have operator's license at the Bell & Howell 16 mm picture projector met on Oct. 10 to erect an auditorium.

Cyclone Bows To Class 'B' Mustangs

In a slow moving game, Friday night in Cyclone Stadium, Class "B" Wheeler Mustangs defeated the Class "A" Cyclones 13-7. After the wonderful showing of both Shamrock and Memphis in last week's, the fans were let down at both the score and difference in the spirit from last game, which was tagged "game of the week."

The Mustangs were unusually powerful team Class "B" team, and perhaps this surprise was the Cyclone downfall. Duane Miller made the single Cyclone score and Roddy Stargel kicked the extra point.

During the half time the Mustang Band paraded down the field, and about mid-field, halted to give a yell for the Memphis Cyclones. Then the Cyclone Band strutted down the field in their usual snap-

py fashion and made a "W" and an "M" for both schools. Both Bands were smartly attired in black and gold.

Next week the Cyclones will be up against a powerful Wellington eleven, in a definite district game. For an unreasonable number of years the Skyrockets have defeated the Cyclones. Everyone is hoping that this game, the Cyclones will again show that terrific spirit, that up to the Wheeler game they had become famous for.

On October 20th, the Cyclones will journey to Wellington after four consecutive home games in which we have lost two and won two, losing to Shamrock and Wheeler. With these games not far in the back of their minds, the Cyclones are planning to cause the Skyrockets some real trouble.

The Wellington eleven will at least not take the Cyclone by surprise. Wellington team stacks up with Lefors and Shamrock in size and can certainly be expected to have plenty of spirit.

The Cyclone will be back to almost full strength this week. Lee Bloxom and Charles Messer, out last week from injuries in the Irish tilt, will be back as starters. The teams don't lack in anything except spirit and let's all see that during the weekly pep rally that everyone is so full of pep that we've forgotten last Friday night's mishap, but know that we'll have to fight offensively and defensively, play by play, to take the fire from the Wellington Skyrockets.

Cue And Curtain Has Third Meeting

The Cue and Curtain Club met Thursday night at 7:00 in the Senior Room for the third meeting since the club was formed.

President Scotty Grundy called the meeting to order and Secretary Eudine Gable called the roll. A discussion of changing the club's name was held and will be voted on at the next meeting.

Guest speaker was Mr. Dave Price, who gave a talk on painting signs. After the talk, the members tried their hand at painting signs. Paint, brushes and cardboard were issued to each member and Mr. Price gave instructions as to how to make each letter. The signs were to advertise the 3-Act play the Speech Club members are working on.

The signs, when finished, read:
Bashful Bachelor
Nov. 17, 1950
7:30
Memphis High School

Mr. Price has promised to come again and all the members are eagerly looking forward to another of these entertaining as well as educational programs.

Present were: Scotty Grundy, Patsy Adcock, Patricia Alexander, Patsy Combs, Roddy Stargel, Jack Spry, Peanut Pierce, Barbara Castner, Minnie Lee Jackson, Pat Goodnight, Beryle Davis, Nancy Stanford, Eudine Gable, Patsy Hays, Oneita Ables, Shirley Foster, Billy Cowan, Troyace Rhudy, Donald Payne, Beverly Snell, Gerota Graham, Ann Spoon, a guest, Mrs. Dave Price, and Mrs. Roy Gathrie, sponsor.

ANNUALS ARE UNDERWAY

A representative from the Taylor Publishing Company, Dallas was at school this week to help the staff make preparations for the yearbook. They decided what kind of pages to have and what size the pictures would be. The cover was selected and is reported to be super!

Monday, before school and at noon, the staff sold receipts for the yearbook. The balance will be paid in May, when the 1950-1951 yearbook is unveiled.

School days call for that natural TONI look!

Mr. Davis Attends Texas Inaugural of Ed. Commissioner

Mr. Davis attended the Texas Inaugural of the Commissioner of Education, October 15 and 16, which was held in Austin. Besides the inauguration, the administrators of the various schools of Texas held instructional meetings. The main speaker for this meeting was Dr. Harold Hunt, Supt. of Chicago Schools, who gave the address for the opening banquet, held at Stephen F. Austin Hotel on Sunday night.

Monday was well spent in the use of the workshop methods. Besides the superintendents there were about 300 other citizens present.

The closing program was impressive in that Dr. J. W. Edgar was inaugurated as State Commissioner of Education. The address was given by Mr. K. B. Anderson of Vernon, who is chairman of the State Board.

"These meetings are very beneficial and all schools are striving to raise the standards of our educational system," is the report from Mr. W. C. Davis.

Junior Speech Club Elects Officers

The Junior Speech Club met Monday afternoon at 4:00 o'clock for the purpose of electing officers. The seven members present at this first meeting will be charter members. There is a limit of membership to twenty-five persons. This club is an extra curricular activity.

Officers of the group are: president, Jacky Gilbert; vice president, Martha Howard; secretary and treasurer, Leona Sobertson; reporter, Joan Webster; and historian, Margaret Massey.

Other members present were Betty Kennon and Clifton Jones. Mrs. Roy L. Guthrie is the sponsor of the club.

Checks Agonizing Sciatic Pain Fast!

It's brand new! SURIN for speedy, temporary relief of local, superficial pains of arthritis, neuritis, rheumatism, bursitis, sciatica, lumbago* and also fatigue and muscular aches and pains of simple colds. Here is the secret of SURIN's fast action and blissful temporary relief of local superficial pain. SURIN is based on a new application of a principle which permits a marked degree of absorption of the analgesic drug through the skin and treats the pain at the point of pain. SURIN contains a modern research drug—b-methacholine chloride, a powerful ingredient to dilate surface blood vessels when used locally at the point of pain. SURIN has 2 way action (1) it increases the superficial blood supply (2) allows relaxing agents, camphor and menthol and local anesthetic, methyl salicylate to penetrate rapidly. SURIN acts fast. In a few minutes you feel a soothing warmth and get relief lasting 1 to 3 or more hours. No internal dosing, with SURIN—use it locally! SURIN is quite different from old-fashioned ointments and liniments. SURIN may be applied without fear and is so easy to use. Has new ointment base that is smooth, creamy-white. Washes off quickly in warm water. Does not stain washable fabrics. Money back at your druggist if not satisfied.

*SURIN is not intended as a cure or treatment of above diseases. It is to be used only for temporary relief of local superficial pain.

GET PAIN RELIEF!—GET SURIN!

change picking cotton, or going fishing or to the movies.

It just goes to show that we haven't heard near everything yet. We read now that there is an electric beehive warmer on the market. Next thing, they'll install shower baths in the hives.

Seriously, the electric warmers probably pay for themselves in a hurry with increased honey, less mortality in the bees.

Also, tired fireflies might drop around for a recharge.

We aren't likely to hear as much about a new dust bowl this year as we're accustomed to hearing. Two reasons: all this rain in the usual blow area, and a lot more cover crops on the land.

A word of caution to cotton farmers who plan to take advantage of acreage freedom next year and put all their land in the crop, even to the point of abandoning their rotation programs.

The price of cotton, in case of a bumper yield, is almost sure to be depressed next year—likely to the support price, or thereabouts.

The 1951 acreage will be a factor in determining acreages in future allotment programs, all right, unless Congress changes the law.

But there is crop fertility to think about. Cotton can be grown very profitably without mining the soil, but in most parts of Texas that means using winter legumes, crop rotation, and proper fertilizing. The alternative is drooping yields, and often soil washing, blowing and general unfitness.

The Satin community, in McLennan county, by community-wide early season cotton poisoning, one-variety planting and proper fertilizing is making upwards of a bale to the acre, profiting on the seed alone enough to pay for planting, dusting and picking the cotton crop. Some other communities have done the same thing. At Satin, in order to make the

Airplane Spraying Defoliates Cotton In Hall County

Mother nature got a 'helping hand from the sky this week as airplanes began spraying to defoliate the cotton on several farms in Hall County.

W. B. Hooser, county agent, said that the farms of John Chaudion and Jack Kinard, John Russell and Hulen Clifton were being sprayed now and more would be doused from the air later on.

The spray is being used on tall, rank cotton that is slow in opening. By getting the leaves off the sun will dry the moisture out and crack the bolls.

Hooser said that if the leaves were left on the cotton fiber would

early season insect control 100 percent, some growers gave free treatment to cotton of small nearby farmers who were reluctant to, or couldn't, make the necessary small investment in chemicals and labor for the dusting and spraying. It seems to have paid off.

Personal To Women With Naggng Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complaint of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

DOAN'S PILLS

remain a soggy mass and be slow opening.

A frost would do the job, but the later the frost the more cotton the farmer will make, Hooser said.

The spray is being used only on rank cotton and would be of little or no value to the smaller cotton.

In some places, Hooser said, the leaf worms have done the defoliating job for the farmer.

LENGTHENING Lives

MORE IMPORTANT THAN Politics!

DOCTORS OF AMERICA are actively, scientifically and sincerely interested in lengthening LIVES! They are dedicated to the curing of illness, alleviation of suffering, salvaging of human bodies, and fighting needless death.

Countless such activities cry aloud for more urgent attention—better mosquito control; real food inspection; thorough and adequate policing of water and milk supplies; more health education.

Your own family physician, and the great majority of American Doctors, are convinced that the Medical profession itself can do the best job of supervising, extending and improving the distribution of medical care.

These are a few of the things that come under the head of true national health insurance, and do not create a nation of mendicants, neurotics and hypochondriacs, as do most known compulsory systems of "Sickness Insurance."

Public health measures could well take all of the energies of those seeking "social gains."

relief to the boy who likes to skip school to pick cotton, or prefers to skip the cotton picking because school is going on.

The boy's father still can keep him at home from school to do farm work if he wants to. And during the heavy part of cotton picking, that will happen.

The youngsters who don't have to work and who attend school which close during the local cotton picking season will welcome the chance to pick up a little extra

child labor amendment during school hours except on their fathers' farms offers little or no

Want a long run for your money?

Better Buy Buick!

You want a new car to be tops in things like style and room and comfort and power—

—and a thrill-packed fifteen minutes with the nimble number pictured here will show you it has all these things in abundant measure.

So you ask us—how about money? What does it cost to buy a Buick—and to own one?

All right—let us ask you some questions.

Take first cost. Do you know that Buick prices start down at a level

below what you'd pay for some sixes—and that every Buick, on a cents-per-pound basis, is a stand-out buy?

Take operating cost. Do you know that the bang you'll get from Buick's Fireball power comes from a valve-in-head engine—recognized by engineers as a thrifty saver of fuel?

Do you know that owners of 1950 Buicks are writing us rave letters, saying that this year's version is the most economical Buick ever built?

Do you know that such comfort features as coil springs on all four wheels protect the car as well as the passengers—and throw in an

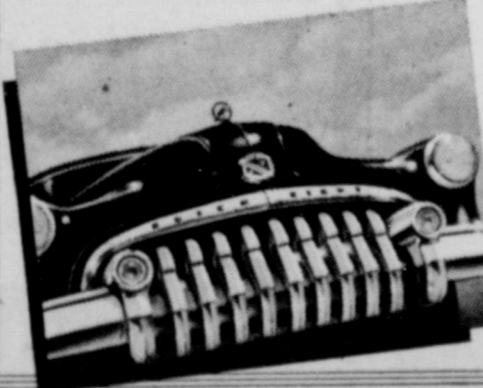

extra saving because they need no servicing, and are practically breakproof to boot?

Do you know that Dynaflo*—in addition to keeping you fresh as a daisy on a day-long drive—caps its convenience with savings on tires, cuts down the strain on transmissions and engines—and eliminates all friction clutch repairs, because it hasn't any?

Take final cost. Do you know that when the owner of a Buick gets a yen for a later model, the prices that Buicks command on a used-car lot are the ultimate proof of their long-run value?

So if you want a real run for your money, better buy Buick. And the first step is very simple: Go see your Buick dealer—soon—and get an order signed.

* Dynaflo Drive is standard on Roadmaster, optional at extra cost on Super and Special models.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

TWIN BOYS

Twin boys were born to Mr. and Mrs. Fred Sanders of 215 N. 11th Temple, Texas. The boys, Gary Dee, 7 lbs. 14 ozs., and Terry Lee, 7 lbs. 8 ozs., were born October 3. Fred Sanders played football for the Cyclones in thirty-four and has been away from Memphis about 10 years. He is the son of Mr. and Mrs. Dennis Sanders, formerly of Memphis.

Mr. and Mrs. G. K. Shetterfield of Dodson are the parents of a daughter, Retha Joy, born October 25. She weighed 5 lbs., 4 ozs.

Mr. and Mrs. J. L. Borland of Estelline announce the birth of a son born Oct. 12. He has been named Don Leannon and weighed 6 pounds, 11 ounces.

Mr. and Mrs. L. F. Lonebine of Estelline are the parents of a son, Monty Max born Oct. 8. He weighed 7 pounds, 12 ounces.

Mr. and Mrs. Burks Dockery announce the birth of a son, Burks Jr. born Oct. 15 and weighed 8 pounds, 4 ounces.

Mr. and Mrs. W. F. Dunn of Lubbock are the parents of a daughter, Patricia Della, born Oct. 12. She weighed 5 pounds, 8 ounces. Mr. and Mrs. Dunn are former residents of Memphis.

Leroy Green Elected Captain of Pioneers

Leroy Green, 19 year old Memphis athlete, has been elected captain of the Wayland College Pioneers for the coming cage season. Green is a sophomore at the "college on the plains" and has one letter to his credit. He lettered at guard last season and was elected captain for this year. While in Memphis high school Green led the Cyclones in the class A State championship in 1949 and was chosen as an All-State performer. He also picked up All-Regional and All-District the same year.

BRICE

'Music In The Home' is Theme At Harmony Club

The Harmony Club met with Mrs. T. L. Rouse, 1223 Brice St., at 4 p.m. Wednesday, October 11. Mrs. L. G. Rasco and Miss Esta McElrath were co-hostesses.

The program topic for the afternoon was "Music in the Home" and the following thought introduced the program: "Use what talent you possess. The woods would be silent if no birds sang but those which sang best."

Included on the program were the following numbers: Renaissance, Mrs. Foster; piano, "Bali Ha'i," Rogers and Hammerstein by Laura Mai Hightower; voice, "I'm in Love with a Wonderful Guy," Mrs. Shelton accompanied by Mrs. Carl Smith; voice, "Some Enchanted Evening," Mrs. Kinard accompanied by Mrs. Rouse; "Make Believe," Kern by Mrs. Keyser and Mrs. Williams accompanied by Mrs. Foster; "Summertime" (Porgy & Bess, Gershwin) by Mrs. Clyde Milam accompanied by Mrs. Allen; "So in Love" Wonder Bar (Kiss Me Kate), Cole Porter, Mrs. Lee accompanied by Mrs. Allen; "The Surrey with the Fringe on Top," Rogers and Hammerstein, Mrs. Milam accompanied by Mrs. Allen.

Preceding the program a business meeting was held and a parliamentary drill was conducted by Mrs. Kinard.

Bouquets of roses, dahlias and marigolds were used to decorate the entertaining rooms.

Pumpkin pie and coffee were served to the following members:

Mrs. Henry Newman Is Hostess Tues. To Needle Club

Mrs. Henry Newman was hostess to members of the Needle Craft Club on Tuesday afternoon. The meeting was held in the home of Miss Ira Hammond, 303 North Eighteenth.

The business meeting was omitted for the afternoon and the group spent the time doing needle work for the hostess.

Delicious refreshments were served to three guests, Mrs. Jim Harris, Mrs. J. M. Hammond, Miss Ira Hammond and the following members: Meses. Nat Bradley, T. D. Weatherby, Albert Gerlach, Sidney Mayfield, Morgan Baker, and hostess, Mrs. Newman.

The next meeting is slated for November 7 in the home of Mrs. T. D. Weatherby.

Mr. and Mrs. Joe N. Berry and daughters, Jenafaye and Landa spent the week end in Lubbock visiting Mrs. Berry's sister and husband, Mr. and Mrs. Chris P. Hodgson. They attended the Texas Tech and WTSC football game Saturday night.

Mmes. L. G. DeBerry, Henry Foster, Gordon Gilliam, R. S. Greene, Laura Mai Hightower, Perry Keyser, D. L. C. Kinard, Garner Lee, Clyde Milam, Ed Monzingo, Dick Shelton, Bedford Smith, Chas. Williams, Carl Smith, M. C. Allen, A. Baldwin, guests: Misses Iris Smith, Esta McElrath and Mrs. L. G. Rasco and Mrs. T. L. Rouse.

The next meeting is slated for November 8 in the home of Mrs. Conley Ward.

Pathfinders Meet In Regular Sessions

Two recent meetings of the Pathfinders' Council have proved exceptionally interesting to those present.

On September 26 the organization met in the home of Mrs. C. A. Williams Jr. Twelve members and a guest were entertained by a program on "World Brotherhood—is it Practical?" The subject was brought out most vividly by a film and by the lecturer, Miss Hawkins of Abilene.

The council met in the home of Mrs. A. O. Wines on October 10. Mrs. Geo. Payne and Mrs. Earl Hill presented summaries of material they had gathered on what help the various states are giving handicapped people. The speakers stated that although much has been done throughout the nation there is still much to be done. Each and every person has a great responsibility to the handicapped persons in his own community.

Refreshments were served to the following members: Mmes. A. Gidden, A. O. Gidden, Barney Burnett, J. J. McDaniel, Chas. Williams Jr., W. P. McElrath, Geo. Payne Earl Pritchett, Robert Breedlove, Earl Hill, W. H. Monzingo, Gene Chamberlain and Robert Spicer.

Lt. and Mrs. T. K. Treadwell and sons Terry and Phil, who have been visiting her parents, Dr. and Mrs. M. McNeely have returned to Bay Side, New York.

Mr. and Mrs. E. A. Thomas of Amarillo visited friends here this week.

Mr. and Mrs. T. E. Adams, of Memphis, engagement and approaching marriage of their son, to Joseph R. Webby of Dallas, son of R. Webby of Taylor. The wedding date has been set for Saturday, November 4, at 3 p. m. in Dallas.

Business & Professional Women's Club Celebrates National Women's Club Week

Business Women's Club celebrated National Women's Club Week, the local chapter of the National Business Women's Club, with a special activity during the week, beginning Monday morning, the members went in a body to the First Baptist Church for a luncheon at noon the following day.

Business Women's Club observed each October a national week in celebration of simultaneous states.

Monday morning, the members went in a body to the First Baptist Church for a luncheon at noon the following day.

Tuesday's breakfast was served at the home of Mrs. Birdie San-Gibson, Maurine Ward, Inez Mason, Mildred Spicer, Mary Odom, Rosalyn Virginia Estes, Mable

Fumbles Aid Wheeler, Upsets Cyclone 13-7

An injury racked Memphis Cyclone took a case of fumbleitis and saw the underdog Wheeler Mustangs turn two of the fumbles into two scores and go home with a 13-7 victory.

Memphis piled up a big lead in every statistical department except punting and passing, but it was Memphis' big lead in fumbles and penalties that spelled doom for the "wind."

Memphis fumbled six times and Wheeler recovered five of these, two of which set up the Mustang scores. Memphis was penalized five times for 35 yards and these penalties came at times when it cost the Cyclone highly.

Wheeler took the defense and its outwitted line held the Cyclone to nine yards, forcing a punt on fourth down. Lee dropped back to punt. The case of butterfingers

that the little ballcarrier was to be plagued with all night hit. He bobbed the pass from center and before he could get started was trapped for a 12 yard loss. Wheeler took over at this point and dominated the first half of play.

Wheeler drove to the Memphis ten. The Cyclone held and took the ball on downs. Memphis drew a 15 yard penalty that set them back to their one. Stargel and Lee moved the ball out to the 10 on two running plays. Lee punted on third down from his own 10. The ball hit on the Cyclone 35 and took a backward bounce to the 26 before it was killed.

Wheeler took over and on the first play David Johnson passed to Dick Pendleton for 16 yards and a first down on the Memphis 10. Maurice Pettit went over the right side for six yards. Dave Johnson, quarterback, tried the line twice for no gain.

Johnson pulled a pitchout pass play for a touchdown. He pitched to Dick Pendleton who faked as to run then pass to right end Edgar Hubbard. The play covered six yards for the score. David Johnson kicked the extra point to put the Mustangs ahead 7-0.

Memphis took the kickoff and started what looked like a scoring drive from their own 30. Duane Miller aided by Messer and Lee ripped the Mustang line to shreds as they moved the ball to the Wheeler 36. Here Lee fumbled and Wheeler took over.

The Cyclone turned on their defense and aided by a penalty threw the Mustangs back to their 25. Whittenburg caught the Memphis secondary pulled in and on second down kicked for 65 yards to put the Cyclone back on their own 15.

Fumbles again hit the Cyclone. On the second play Roddie Stargel pitched the ball over Carl Lee's head and Wheeler pounced on it at the Cyclone 19.

Whittenburg, the boy whose punt set the Cyclone back on its cloud, hit the line for four straight play and went over for the score. Johnson's kick was blocked and Wheeler was leading 13-0.

In the fading moments of the first half Carl Lee broke lose for a 65 yard run, but as he was hit

the ball slipped away from him and Wheeler again recovered.

In the second half Memphis took the kickoff and marched down the field on 64 yard drive for a score, never losing control of the ball.

Memphis fans breathed easier as the Cyclone showed signs of overcoming the first half lead held by the visitors.

After forcing Wheeler to punt, the Cyclone took over on their own 18 and put on what looked like the beginning of another scoring drive. Duane Miller and Tommy Messer were the big guns in this drive.

Messer went around the ends and Miller ripped his yardage off right through the middle, but fumbles again racked the Cyclone as Corley fumbled on the Wheeler 36 and the visitors took over, but on the first play Pettit fumbled and Pete Moore recovered for the Cyclone and they resumed their drive.

Miller hit the middle on the Wheeler 21 and was jarred lose from the ball and Newberry recovered the stray pigskin for Wheeler.

That fumble killed the Memphis scoring threat as Whittenburg and Johnson kept the ball on the ground and drove through the Memphis line until the clock ran out.

ESTELLINE

By MRS. ALBERT BAILEY

Mr. and Mrs. Lacy Phillips and family of Plainview spent Sunday with his mother, Mrs. Katie Phillips.

Mr. and Mrs. J. B. Kinney of Amarillo, spent several days this week with their daughter, Mrs. E. E. Richerson and family.

Cyclone Band Will Go To Wichita Falls On October 28

The Cyclone Band will journey to Wichita Falls on October 28 for the biggest affair in the history of Wichita Falls. There will be approximately 50 bands from towns in Texas and Oklahoma. After the parade, which begins at 10 a. m., the bands will be guests at the Midwestern University for a free barbecue. Then, the bands are guests at the football game that evening.

This will no doubt chalk up another good performance for the Cyclone Band.

A photographer from Wichita Falls was sent here to take pictures of the band in complete uniform. These pictures will serve as advertisement for the band.

Mr. Wise was there with his cameras, also. These pictures will be used for the yearbook.

Mr. McCreary and Mr. Farmer took moving pictures of the band so the band will be well advertised from now on.

Movie Is Rated As One Top of School Activities

One of the highlights of the school activities this week was the show, "Fifty Years Before Your Eyes." All the students enjoyed the educational film.

If the students of Memphis High School will take an interest in these films, the student body will be able to enjoy more of this type of entertainment.

Arthur Godfrey served as master of ceremonies. Several other famous news commentators assisted Mr. Godfrey.

This film was especially interesting to history students, and those students who have studied history.

Refreshments of lemonade and cookies were prepared by Peggy Smith, Laura Hull, Frankye Srygley and Mrs. Wilson, sponsor.

RESPECT THE FLAG

Do we, the students of M.H.S., have proper respect for our flag? The flag stands for "Freedom, Liberty, and Justice for all." If not, let's stop and think about this. What does our flag mean? It means that our forefathers have fought for us—not only our forefathers—but our fathers, our brothers, our cousins, and our friends have won wars for us. So let's remember to always stand when we hear our "National Anthem" with thankfulness in our hearts and salute our flag with sincere gratitude.

Home Ec. Club To Send Gifts Overseas Xmas

The Home Economics Club met Thursday evening in the home-making laboratory. Betty Burnett presided over the business meeting. The girls are selling Christmas cards and giving a prize to the one selling the most cards. It was decided that the club would take part in the World Christmas Festival. Each girl will contribute a gift to be sent to some child overseas.

Entertainment for the meeting was provided by the freshman girls. Each girl gave a stunt and told how she earned the 10c that she put in the club treasury. The girls who gave a stunt were: Marilea Pruett, Sue Miller, Jackie Wells, Charlene Murdock, Alice Kenner, Margie Simmons, Norma Townsend, Yvonne McDaniel, Inez Martin, Johnnie McDaniel, Nancy Brewer, Yvonne Sturdevant, Maydell Jefferies, Janice Anthony, Margaret Murdock, Marthyn Burnett, Shirley Miller, and Sherry Truelove.

Refreshments of lemonade and cookies were prepared by Peggy Smith, Laura Hull, Frankye Srygley and Mrs. Wilson, sponsor.

STATE MEET

Memphis will be represented at the State Choral and Band which will meet in Galveston this year. All names that were sent in for consideration were accepted for Choral. Those were Patsy Hays, Donna Webb, and Minnie Lee Jackson. Those names sent in for Band have not returned.

 David Hampton — Roddy Stargel
 Burglar — Jack Spry
 Mr. Bixby — Troyace Rhudy
 Minnie Lee Jackson will student direct the play and Patsy Jean Adecock will fill the book reader position. Costume Artist will be Patricia Alexander.

The Club wishes to thank Mrs. Earl Hill and Mrs. A. Anisman for their assistance in picking the girls' parts.

Love Dreams

My life would fill with glee and I would ne'er be blue
 If only I'd be free, to build my dreams for two.
 If happiness would stream from Heaven down to you,
 I know that you could see my love for you is true.
 If only I might live my dream with all my pow'r,
 If ever I might give y love for you a tower.
 If only I could plea with you my wish to do,
 My precious wish would be so happy and so true.

MAGAZINES GIVEN

Mrs. C. A. Reynolds and Mrs. Seth Palmeyer gave an armload of magazines to the library for cutting purposes. These magazines will be of great help to the students for making scrap books and they are very grateful for them. Thanks!

NEW MHS STUDENTS

The snooping reporter has found some new students in M.H.S. this past week. They are: Billy Cowan, Shirley Green, Delton Hightower and Irene Rutledge. Welcome!!!!

IS 5 MINUTES OF YOUR TIME WORTH \$1000?

5 MINUTES BEHIND THE WHEEL SOLD ME ON DODGE...AND SAVED ME \$1000!

—says Earl B. Mix New Rochelle, New York

Owners coast to coast testify:

YOU COULD PAY \$1,000 MORE AND NOT GET ALL THE EXTRA ROOMINESS, FAMOUS RUGGED DEPENDABILITY OF DODGE

PEOPLE every day are finding out for themselves . . . you can make 5 minutes of your time worth \$1,000—by spending it at your Dodge dealer's. He'll demonstrate how you could pay \$1,000 more and not get all the extra roominess, the driving ease, the rugged dependability of this smartly styled Dodge!

You'll see that Dodge gives you real stretch-out roominess you can't find in cars costing hundreds of dollars more. And a few minutes behind the wheel will open your eyes to ease of handling you never thought possible. Five minutes . . . that's all we ask!

NEW BIGGER VALUE DODGE

Just a few dollars more than the lowest-priced cars!

Tests at MHS

After the sigh of relief around the school last week's tests were over, the students were smiling with pride as they were accomplished. They are looking forward to their report cards, and what the future will bring.

—different students in the same class, it was most of the students' tests much harder this time. The tests they took last year were easier.

Other students of M.H.S. were new resolutions for the year. Some of the resolutions are Sam Collins, Edward Cady, Betty Burnett, Anthony, and Yvonne.

Pearls of Wisdom

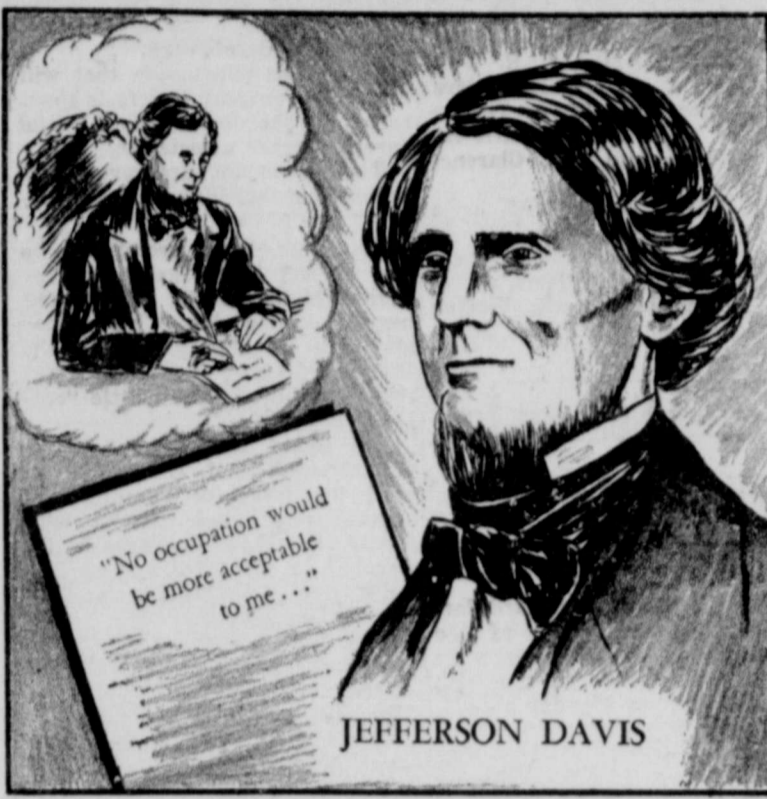

Strung by J. H. R.

plant is prehistoric, being mentioned in records dating back to 2700 B. C. In Japan, tea culture dates from the early middle ages; while in India and Ceylon, tea growing, which has become quite extensive, was not begun until 1870. Japan, including Formosa, produces the most tea; China ranks second in production; and India and Ceylon, third.

A friendly "spot of tea" and good fellowship warm the heart in any country but it is the clever Chinese who delight the palate with fancy blends of the tea leaves and almond and jasmine blossoms. The sweet fragrance and pleasant flavor tempt one to indulge beyond capacity. In the Chinese theatres, furthermore, it is customary for the spectators to sit at long tables enjoying savory tea and melon seeds during the performance. In Paraguay, the popular drink is "mate" (pronounced matay) or Paraguayan tea which, in reality, is more like coffee than tea as its stimulating property is caffeine rather than theine. In faraway Tibet, the land of Shangri La, the native beverage is yak-butter tea and an average of forty or fifty cups a day is not unusual for the Tibetans. Perhaps the most famous American tea party was the one in the Boston Harbor in 1773.

Texas Venture

In Education • 1876-1951
Our first state college—Texas A. and M. is now in its seventy-fifth year

JEFFERSON DAVIS

Jefferson Davis, former president of the Confederacy, and one of the best-loved men in the South, was the first man elected to the Presidency of the Agricultural and Mechanical College of Texas. In June of 1875, the board of directors for the newly-authorized school met in Bryan and voted to offer the post to Davis, then living in retirement in his native Mississippi. Governor Richard Coke, chairman of the board, tendered the offer in a manner typical of the feeling of the times. "As the representative, not only of the Board of Directors of the Agricultural and Mechanical College of Texas," he wrote, "but in behalf of the State of Texas and all her people, I ask that you come and live with and be one of us, and make your home and resting place, after a long and eventful public service, among a people who will never cease to love and honor you." The former President replied that "No occupation would be more acceptable to me..." but that "In the consciousness that I could not satisfactorily perform the duties of the office," he must decline to accept it. In poor health, Davis was never again able to assume major public duties. He recommended his friend, Thomas Gathright, then Superintendent of Public Instruction for Mississippi, for the post, and Gathright became the college's first president.

While America imports 105,138 pounds of tea annually, more coffee than tea is consumed in this country. The state of Louisiana is renowned for its French-drip coffee and one has not really "lived" until he has drunk "cafe au lait" (half coffee, half milk) with doughnuts at the Market Place in New Orleans. The Turks and Arabs likewise prefer coffee to tea. However, their sweet, strong drink is more like syrup than coffee as we know it.

Wat a magis urn-full
Is a chubby pot of tea
To tantalize our taste buds
And set our fancy free.

The sweet and soothing flavors. All our chills away While the scent of almond blossoms Wafts our cares away.

What a cozy, gentle custom, This fad of "taking tea" When good friends get together, Such as you and me. (J. H. R.)

Back in England, tea with all the trimmings is called "tiffin" or "high tea." Then, the best silver with crumpets and marmalade or like confections add glamour to the occasion and to crook the little finger is quite in order. Many a plot has thickened and many a sweet vow been spoken over a cup of tea. And, best of all, the tea is not only 'good to the last drop'

Legal Notice

THE STATE OF TEXAS
To: P. J. Hughes, Greetings:
You are commanded to appear and answer plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 27th day of November, A. D. 1950, at or before 10 o'clock A. M., before the Honorable District Court of Hall County, at the Court House in Memphis, Texas.

Said plaintiff's petition was filed on the 9th day of October, 1950. The file number of said suit being No. 3338.

The names of the parties in said suit are: Parthenia Hughes as Plaintiff, and P. J. Hughes as Defendant.

The nature of said suit being substantially as follows, to-wit: Suit for divorce on the grounds of three years abandonment of plaintiff by defendant, without cause, and with the intention to voluntarily abandon plaintiff; plaintiff alleging that she has been an actual, bona fide resident in habitant and citizen of Hall County, Texas, for a continuous period of more than 12 months immediately preceding the filing of this suit.

Issued this 9th day of October, 1950.

Given under my hand and seal of said Court, at office in Memphis, Texas, this 9th day of October, A. D. 1950.

MUD-SNOW TIRE OUTSTOPS PULLS OTHER LEADING BRANDS

Prove your proof from Pittsburgh Testing Laboratory!

QUICKER ON ICE	STOPS QUICKER ON SNOW	PULLS BETTER ON SNOW
WHERE NEW BFG MUD SNOW TIRE STOPPED	WHERE NEW BFG MUD SNOW TIRE STOPPED	WHERE NEW BFG MUD SNOW TIRE STOPPED
WHERE OTHER TIRE STOPPED	WHERE OTHER TIRE STOPPED	WHERE OTHER TIRE STOPPED

GIVES 12 to 64% MARGIN OF SAFETY OVER OTHER TIRES
... UP TO 24% GREATER PULLING POWER!

It's a fact! The new B. F. Goodrich mud-snow tire lets you stop on slippery ice or snow in from 12 to 64% shorter distance than other leading tires—a margin of safety that can make the difference between a safe stop and a collision. And the BFG tire gives you up to 24% greater pulling power to get you through deep snow. Tests by Pittsburgh Testing Laboratory, famous independent testing organization, prove it! The new mud-snow tire is not just an "improved" tire. It has a radically different, scientifically designed tread. The new flex-lug cleat digs deep, pulls you through mud and snow. It combines tremendous traction with long wearability. Yet it runs quietly on the open road.

PULLS YOU THROUGH MUD TOO! The BFG mud-snow tire digs into mud like a tractor tire. Lets you drive over bad roads or open fields without getting stuck.

Get winter-driving peace of mind like you never had before. Small down payment puts a pair of B. F. Goodrich mud-snows on your rear wheels now, before the first snowfall.

Whirlwinds Beat Paducah 25-21

The Memphis Whirlwinds beat a big hard running Paducah junior high school eleven, 25-21, here Thursday night.

Bobby Thomas a big bruising runner racked up the Paducah scoring as he simply bowled the lighter Whirlwinds out of his path. Memphis scoring was done by "Red" Miles with two, Jack Montgomery one, and Carol Gardenhire

one. Jimmy Jenkins made the extra point.

The Paducahites delt the Whirlwind running attack trouble all night, but could do little against quarterback Jackie Boone's passing attack.

Boone kept hitting his favorite receiver, Carol Gardenhire, with flat passes and the end never let the little passer down. He was catching them from all angles.

The Whirlwinds had to pull the game out of the fire late in the fourth quarter and then stave off a desperate scoring by Thomas and company.

Memphis had an 18-14 lead at the half, but Paducah came back in the third quarter to go into the lead 21-18.

Boone went into the air and moved his charges down the field and capped off the scoring drive with a pass to Carol Gardenhire for the winning score. Jenkins

made the extra point to give the "little winds" a 25-21 win.

Dalton Ledbetter was a big factor in the Whirlwind's successful defense of their four point margin late in the fourth period.

Ledbetter had been playing offensive halfback until Coach Childress put him in at defensive end and he was the rock that stopped Thomas' scampers that had been going for long yardage over the right end.

Comments

(Continued from page 1)

better crops. Deep plowing in other places have done that. While the cost of such plowing is high, the returns may make it a good investment.

A lot of discussion is going the rounds regarding the display of the U. N. Flag over that of Old Glory. I am not ready to concede that UN flag is greater than the U. S. Flag. At least, not until Russia quits using her veto on every attempt to bring peace to the world. When and if Russia does fall in line, America has the greatest flag in the whole wide world.

The general election is coming along soon. Whether one is a Republican, a Democrat or an Independent, it is very important that all eligible voters go to the polls on that day. For every 300 votes cast, Hall County will have a delegate to state conventions, and such conventions are where state and national platforms are formed. This is too important to neglect. When one doesn't vote, he should not attempt to blame his party or government for not doing what it should.

A good many Democrats of this county are interested in the Congressional race of Walter Rogers and some in Ben Guill, and will register their choice by ballot. Others may be for one or the other, but will think their own vote will not matter. If all will vote, then whoever is elected will be the choice of a majority of the people instead of a minority.

I noticed quite an interesting feature story in the Amarillo news concerning an Old Hall County boy who is running for Governor of Colorado on the Republican ticket. He is Dan Thornton of Slaton, and was born in Hall County and lived here until he was 21 years of age. He is a cousin of Mrs. A. M. Wyatt of Memphis and of the late L. M. Thornton. Dan will be remembered by some cattlemen here as being the seller of two bulls in Colorado a few years ago for the sum of \$50 thousand each. The item was carried in National periodicals and magazines at the time.

Dr. J. A. McBea, W. I. Glosson Sr., and Ellis Veteto.

Acting as honor pall bearers were members of the city council: Wendell Harrison, H. J. Howell, Buster Helm, Frank Monzingo, Floyd Liner, J. W. Johnson, Horace Tarver, and J. J. Bice; City Secretary, D. L. C. Kinard; City Tax Collector, Glen Carlos; City Attorney, Sam Hamilton; City Chief of Police, L. L. Black, and City Fire Chief, Thomas Clayton. Flower Girls: Mrs. C. R. Webster, Mrs. C. E. Hankins, Mrs. A. B. Jones, Mrs. W. A. Thompson, Mrs. Anna Dickson, Mrs. Albert Gerlach, and Mrs. Clarence Maddox.

Mrs. Towle is survived by a son, C. C. Hodges, Memphis; one sister, Mrs. Florence Bourgeois, Kahoka, Mo.; J. G. Adams, a brother, Mortensdale, Iowa; Weston C. Hodges, grandson, La Mesa, Calif.

Concert Season Is Opened Before Capacity Audience

Helen Clayton and Howard Jarratt presented the first of the Hall County Mutual Concerts to a capacity audience in the high school auditorium Monday night.

The Clayton, Jarratt concert is the first in a series of three that will be presented to the Memphis members this fall. The next concert will be given November 21. This duo was accompanied by Miss Moreland Kortkamp. Miss Kortkamp did more than just accompany the vocalist, she added spice to a good performance.

Miss Kortkamp presented two groups of piano solos. Her presentation of Chopin's "Ballade In A Flat" in her second solo appearance brought her back for an encore and several curtain calls.

Miss Clayton's and Mr. Jarratt's presentation of scenes for the opera "La Boheme" by Puccini and "The Merry Widow" by Lehhar gave the audience something new in the way of concerts for young organization.

Mr. Menz of the Pryor-Menz Concert association, the organization that provides artist for the Memphis Association, spoke to the group and stated that he was well pleased with the size of the organization here and that his organization would continue to send the best artist available for the Memphis concert.

Hansel and Gretel To Be Presented In MHS Auditorium

The world famous fairy tale "Hansel and Gretel" will be presented in the Memphis High School auditorium at 8 o'clock on the evening of October 28.

This stage production that will feature seven real dwarfs is sponsored by the junior high school parent teacher association.

These are not ordinary small people, but headliners in the entertainment world. Ray Holgate is well remembered for his portrayal of "Dopey" in Snow White.

This production, although based on the famous children's fairy tale is appealing to adults as well as children. It is full of haunting melodies and surging with human feeling.

If your car needs any kind of body work, bring it to Kermit Monzingo, your Chrysler-Plymouth dealer.

Final Rites Held For Mrs. Towle Monday Afternoon

Funeral services were held Monday afternoon at four o'clock in the First Methodist Church for Mrs. Alice A. Towle, 90, mother of Memphis Mayor C. C. Hodges.

Mrs. Towle died in La Mesa, Calif., Wednesday, Oct. 11, while visiting her grandson, Weston C. Hodges.

Rev. Rollo Davidson, minister of the First Methodist Church conducted the final rites. Burial was in Fairview Cemetery.

Mrs. Towle was born September 17, 1860, in Granger, Mo. She married John J. Hodges January 31, 1878. Mr. Hodges died in 1915 and she married Charles Towle August 27, 1925. Mr. Towle preceded her in death in 1939.

She had lived in Memphis for the past 18 years. She united with the Methodist Church while young and had been a member for seventy years.

Pall bearers were: W. B. Funk, Jimmie McMurry, Elmer C. Moore.

Memphis Pee-Wees Meet Wellington Here Tonight

In the only game to be played in Memphis this week the Whirlwinds will take on the Wellington junior Skyrocks at Cyclone stadium at 7:30 tonight.

This is the third district game for the Pee-Wees. They have a record of one win and one loss in district play. They lost to Lefors 20 to 21 and beat Shamrock 24 to 0.
