## City Asked to Grant Phone Rate Hike

Members of the Memphis city council were presented with a request for an increase in telephone rates at its regular meeting Tuesday evening. Roy L. Brewer, district manager of the Southwestern Associated Telephone Co., appeared before the council and presented detailed information about the operation of the system.

Councilmen were told that the cost of furnishing telephone service at Memphis continues to increase due to higher wages and material prices. Brewer stated that earnings had declined to such a low level that if not corrected service will be jeopardized. This condition will affect the company's ability to attract additional capital it requires for continued expansion and improvement in service, he explained.

"1951 costs require 1951 rates," the manager stated. "If the telephone company is to continue to meet the needs of the communities in which it operates, it must be able to pay adequate wages, purchase and install high quality equipment and at the same time be able to pay a reasonable return on the money it uses. Only a financially healthy company can fulfill these requirements, and continue to furnish good telephone service."

After being told why new rates were requested, Brewer was ques-

## Estelline Honor Students Named

Administrators and teachers at Estelline this week named Edward Cooper and Miss Bobbie Davis as honor students of the Estelline High School.

Cooper is the son of Rev. and Mrs. A. W. Cooper, and Miss Davis is the daughter of Mr. and Mrs. Pete Davis.

Edward Cooper, who is valedictorian of the 1951 graduating class, has been an outstanding student, according to faculty members. He has lettered in football, basketball, baseball, and track, and has been a member of the tennis team. Cooper served his school for a year as associate editor of "The Cub," Estelline school annual.

For several years he has been (Continued on Page 10)

tioned by different members of the council in an effort to clear up certain points. No action was taken on the request, and Mayor Carl Harrison announced that the council would consider the matter until the next regular meeting.

The following men were named by the city council to serve on the equalization board of the city: L. W. Stanford, Walter White and Homer Tucker.

## Sgt. Orand Among Korean Veterans Arriving May 5

Sgt. Herbert J. Orand Jr., son of Mr. and Mrs. H. J. Orand of Memphis, will be among the almost 100 Texans of the 1,545 Army combat veterans due back from Korea Saturday.

They are the first Army combat veterans coming home under the new Army rotation program. They are due to arrive in Seattle, Wash. at 9 a. m. aboard the military sea-transportation vessel, the USNS Gen. Leroy Eltinge.

Sgt. Orand has been in Japan and Korea for the past three years.

A welcoming parade is planned through Seattle as the men travel to Fort Lawton processing center in suburban Seattle, through which they will pass before proceeding to their homes.

The General Eltinge sailed from Sasebo, Japan, on April 22.

## OPS Price Specialist Will Explain Regulations in Childress May 9-10

Price Specialist L. R. Shaddix of the district OPS office will be in Childress next week to assist business men in this area in complying with the federal pricing program.

This announcement was made yesterday by Wendell Harrison, president of the Memphis Chamber of Commerce. The OPS price specialist will be in Childress Wednesday and Thursday, May 9 and 10.

Mr. Shaddix is a specialist in the consumer durable goods branch of the Office of Price Stabilization, Harrison stated. He

## PATRONS TO VOTE SATURDAY ON \$275,000 BOND ISSUE FOR SCHOOL IMPROVEMENT

### H. J. Howell To Head Riding Club

H. J. Howell was named president of a riding club last Friday when a group of men and women met in the county court room in Memphis to make preliminary organization plans.

Also elected at the meeting were: J. R. Mitchell, Jr., first vice president; Joe L. Mothershed, second vice president; Andy DeWees, secretary and treasurer; Dick Shelton, parade marshal, and Virginia Rogers, assistant parade marshal.

On Monday, April 30 19 members of the club rode in the Santa Rosa Roundup parade in Vernon, and in the grand entry at the first performance of the rodeo. Those going to Vernon included Geo. Hattenbach, Dick Shelton, Larry and Nelson Combest, Janice Ann Anthony, Betty Paschall, John Deaver II, Andy DeWees, Boyd and Virginia Rogers, J. R. Mitchell, Jr., Joe Mothershed, W. B. Parks, Gary Tarver, Earl Hill, Rex Snell, Cliff Farmer and H. J. Howell.

The club members rode under the "Hall County Bitt and Spur Club" banner, although this is not the definitely decided name of the organization, Andy DeWees stated.

A meeting of the club has been called for Friday evening, May 4, in the county court room. Purpose of this meeting will be to name the club and to make plans for a membership drive, the secretary stated.

### Public Invited To See One-Act Play Saturday

"The one-act play, "International Relations," scheduled for Tuesday afternoon, will be presented Saturday afternoon at 4 o'clock at the Memphis Country Club, Mrs. R. E. Greene announced today. The date was changed due to the death of an uncle of one of the members of the cast.

Presented by the 1913 Study Club, the play is being sponsored to promote the community center building fund. A silver offering will be taken and proceeds will go to the building fund. The public is invited to attend.

### The Children Have the Answers

## WARD STUDENTS TELL WHY NEW SCHOOL BUILDING IS NEEDED

Recently boys and girls, who are students in the first, second, third and fourth grades in West Ward, were assigned a simple subject—just a routine theme subject—from which can be found some definite answers as to the need for a new school building in Memphis.

The subject, "Why We Need a New School Building," was something about which the young students could write. They are spending several hours a day in the building discussed in their themes. They know first-hand the handicaps under which they study.

About 350 themes were written by boys and girls in ages ranging from six to ten. Such words as unsafe, crowded, poor lighting, worn-out equipment and building, uncomfortable seats, danger from fire, etc., occur and reoccur as the themes are read.

In view of the election next Saturday, a few of the themes are reprinted below. Schools are in the forefront of this community's thinking today—and the youngsters are thinking, too. A cross-section of their ideas can be gleaned from the following:

By Walter Elizabeth Smith  
I am a third grade pupil and in

Mrs. Stroeble's room in West Ward School.

West Ward School was built over 35 years ago. The floors are worn out and patched in places. The stairway is pulling away from the wall. When the wind blows the windows rattle and bother us. When the wind is from the south blows it gets sand all over our desks. The electric wiring is not good enough to furnish the entire building.

The rooms are too small and crowded and are not modern. The lighting in the rooms is not good enough for our eyes. The blackboards are cracked. The drinking fountains do not work. The bathrooms are not modern. The one lavatory in the girls bathroom is all cracked.

The heating system wore out a long time ago and we get our heat from the high school by steam piped under the ground and by the time it gets to west ward it is not hot enough to keep our rooms warm enough on cold days.

The floors have been oiled at least twice a year and are soft and soaked with oil. If the building should catch on fire the floors would burn quickly. The students on the second and third floors (Continued on Page 10)

## Little Opposition Indicated; Record Vote Is Expected

Saturday, May 5, residents of the Memphis Independent School District will decide whether or not a school improvement program costing \$275,000 will be instituted here.

The bond election will be held at the City Hall in Memphis, with a record number of legally qualified voters casting ballots, according to indications at mid-week.

The program, as outlined by the school board two weeks ago, will cost the district some amount up to \$275,000. Included in the plans will be construction of a new elementary school building, which will be located in the northwest part of the city.

Also planned will be conversion of the junior high into another elementary school. This building will undergo repairs and modernization.

The grades now occupying the old west ward building will be transferred to the two elementary schools. The largest job of reconstruction and remodeling is planned on the west ward building, and the high school building will be repaired.

Intense interest has been manifested in favor of the bond issue during the last few days. Leading sponsors of the improvement program are members of the Parent-Teacher Associations, who have been active in telling patrons of the district why the schools must be improved and the system enlarged. Very little opposition has been noted to date.

When the qualified property tax paying voters go to the polls Saturday, they will be handed a ballot on which are three propositions. Each person voting should vote "for" or "against" all three propositions, members of the school board explained this week. Reason for this, they stated, is to eliminate need (Continued on Page 10)

## Cliff Farmer Is Elected Officer Of Highway Assn.

Clifford Farmer, manager of the Memphis Chamber of Commerce, was elected vice president of Highway 287 Association, southern division, at a meeting of the group in Amarillo Saturday.

The association membership divided itself in two divisions, north and south. The southern division will consist of the entire state of Texas while Wyoming, Colorado, and Oklahoma will compose the northern area.

Leon Rogers of Electra was elected president of the southern division, and Charley Cotten of Fort Worth was named secretary-treasurer.

Members of the group are to sponsor a motor caravan which will leave Lamar, Colo., June 18, and go to the end of the highway at Yellowstone National Park. More than 100 cars will be included in the caravan, including 25 from Texas. This tour will be under the direction of Dudley Keith of Lamar.

J. C. Wells represented Memphis at the Highway 287 meeting.

## Funeral Services For J. R. Martin Held in Pampa

Funeral services for J. Ray Martin, 54, well-known Pampa businessman and civic worker and former Memphis resident, were held at 2 p. m. Tuesday from Duenkel-Carmichael chapel in Pampa with Rev. E. Douglas Carver, pastor of the First Baptist church, officiating.

Mr. Martin was the brother-in-law of Jim King, Miss Imogene King and Mrs. Alla Boswell of Memphis. He had been a resident of Pampa for 15 years and had lived in Memphis 15 years before moving to Pampa.

He was born in Gainesville and was a graduate of Washington and Lee University, where he was a football star.

Mr. Martin was a member of the First Baptist Church, past (Continued on Page 10)

## Mrs. Hightower's Sister Dies at Mineola Sat.

Mrs. W. T. Hightower was called to Mineola over the weekend due to the death of her sister, Mrs. J. S. Vaughn, who died Saturday at her home in that city. Mrs. Vaughn had been an invalid for 20 years.

Mrs. Hightower was accompanied to Mineola by her daughter, Laura Mai, and sister and husband, Mr. and Mrs. G. O. Sherman, of Olney.

Funeral services were held at 4:30 Sunday afternoon from the Concord Baptist Church with Rev. Arthur Dimzell officiating.

## DOLLAR DAY TO FEATURE ARRAY OF LOW PRICES

Date for May Dollar Day in Memphis will be Monday, May 7.

Merchants of the city promise the usual host of low prices for shoppers who take advantage of the occasion. A check of this issue of The Democrat will give an idea of what to look for.

Receiving paramount attention next Monday will be wearing apparel for the entire family, although many bargains will be available in the city which are not advertised.

## Concert Group To Start Drive for Members Friday

Every citizen in Hall County will be invited to become a member of the Hall County Mutual Concert Association during the membership drive which will be launched here Friday night.

Approximately 100 division chairmen, captains and workers are expected to attend the kickoff dinner at 6:30 Friday evening in the high school cafeteria. Mrs. Joe DeBerry, president, announced.

Clifford Menz of the Pryor-Menz Concert & Lecture Service of Council, Iowa, is in Memphis this week to assist with the drive. He will be principal speaker at the dinner meeting Friday.

A nonprofit organization, the sole purpose of the Hall County Mutual Concert Association is to (Continued on Page 10)

## Game Tonight Opens Baseball Season; League Play Sunday

The 1951 baseball season will open in Memphis tonight with a non-league practice game, Burr Pruitt, manager of the local club, announced this week. Slated to perform under the lights will be the team from Clarendon pitted against the current edition of the Memphis Owls. The game starts at 8 p. m. at Estes Park.

League play will start for the Owls Sunday afternoon at 3 o'clock. The Dukes of Wellington

will appear on the local diamond with an untried team, Manager Pruitt stated.

This year Memphis is playing in the Red River Valley Amateur League, and will use non-salaried players throughout the season. Local baseball talent will be performing before spectators, with emphasis being placed upon development of younger players. Other cities in the amateur league include Childress, Wellington and Quanah.

"We want to see a large turnout of fans both Thursday night and Sunday afternoon," the manager stated. "Whatever the score might be, we can promise everyone that the local nine will be hustling all the way."

Admission charge has been set at 35 cents for adults, and 9 cents for children.

Officers of the Memphis Baseball Club this year are: E. A. (Pete) Smith, president; Ira McDaniel, vice president, and Harold Hodges, secretary.

## Two-Inch Rainfall Is Recorded Here

Beginning Thursday and continuing daily until Sunday, showers totaled 1.99 inches in Memphis, according to Weather Observer J. J. McMickin. The first rain Thursday gave .23, Friday 1.10, Saturday .23 and Sunday .43.

Varying amounts fell over the county. Some places reported much more than two inches of rainfall, which other ranged much lower.

Farmers are getting land in shape for planting cotton during the next few weeks.

## Memphis Little Theatre to Give Goodbye, My Fancy on May 17

Memphis Little Theatre is back on its next public performance for the 1950-51 season. "Goodbye, My Fancy," by Noel Coward, will close this year's season presented to the Memphis Little Theatre by Noel Coward. "Goodbye, My Fancy," presented in Atlanta, presented in Memphis.

throughout the country. Miss Ethel Hillhouse is directing the cast of 20 including Irvin Johnsey, Ida Anisman, Gladys Power, Mary Helen Sexauer, Lewis Saied, Myrtle Howard, Hattie Dem Thompson, Haskell Howell, John Shadid, and Patsy Hays in the major roles.

Steve Cowan, manager and radio announcer of KCTX in Childress, is also appearing in the play.

horrors of war. That is why she has brought a documentary movie with her to be shown to the fresh young graduates. The movie is considered harsh and improper by the trustees, however, so Miss Reed has a fight on her hands. The conflict exposes the president of the college, with whom Miss Reed thought she had been in love for so many years. The turmoil is increased by a "Life" photographer, who has come to cover the event and is in love with the congresswoman. From there on, it's just one big happy mix-up.

The date of performance is May 17. The curtain will rise at 8:00 p. m. in the high school auditorium.

"My Fancy" was the play for Madeline Carro Broadway in the city. It was one of the most successful plays shown that New York audience had seen. It has been released this season by amateur organizations

## Memphis Band Wins Superior Rating in Marching At Interscholastic Meet

The Memphis Cyclone Band entered the University Interscholastic League Music Competition in Canyon and again brought home the prize by winning Division I in marching.

At 11:30, Margaret Massey entered a drum solo, "Thundering Through" and won a division III rating.

At 12:15, the band went into the warm-up room in the Women's gym in the Administration Building. Following warm-up, the band went to the Main Auditorium of the Administration Building where they presented their concert contest. They received a division II in concert. From there, they went to the Band House where they received a division II in sight reading. The numbers they sight read were a march, "The Director's Choice", and an overture "The Redwood Forest."

At 2:30 Phillip Patrick began the solo contesting with a clarinet solo, "Parade of the Wooden Soldiers", accompanied by Patsy Hays. Phillips received a division II. Sue Miller played a saxophone solo, "Souvenir", accompanied by Kathryn Wright. Sue received a division II and a certificate. Clinton Jones entered a saxophone solo, "Indian Love Call" accompanied by Patsy Hays and re-

ceived a division II and a certificate. Also, he entered a clarinet solo, "Parade of the Wooden Soldiers" and received a division III.

The twirling contest was held in the gym of the Educational Building. Patsy Combs and Jacky Gilbert both received a division I; Yvonne Sturdevant and Patsy Adcock received a division II and Donna Webb and Gereta Graham received division III.

Patsy Combs and Jacky Gilbert entered a duo and received a division I.

At 7:00, the band met at the bus and marched to the Buffalo stadium where they stood inspection at 8:03, and marched onto the field at 8:17. "The band made the best appearance ever," quotes several Memphians who were there to boost the band.

This is the 2nd consecutive year the band has received a superior rating in marching.

A division I rating is a Superior and receives a Medal, a division II is an excellent rating and those winning II are awarded certificates. A division III is a Good rating.

Bringing You News About Memphis High School

## STUDENTS OF WEST WARD SCHOOL PRESENT "THIS IS AMERICA"

"This is America", a program in story and song, was presented by approximately 325 students of the West Ward School on Friday evening, April 27, in the auditorium. The program was sponsored by the West Ward P. T. A. and school faculty.

Miss America was portrayed by Carol Calloway, while Jerry Hickey played the part of Uncle Sam. The court, composed of Indians, Pilgrims, Colonial, and modern children, and the four freedoms, Worship, Speech, Assembly, and Press, was made up of children from each room of the entire school. The first grade gave the Childrens Polka and Yankee Doodle Dandy; the first grade boys played in a rhythm band. The second graders presented a Maypole Dance. A group of Negro Melodies sung by third graders. The fourth grade pupils danced, "Put Your Little Foot". The Virginia Reel and Texas Star was given by third grade students. A flag drill by the fourth grade preceded the pledge to the flag and Star Spangle Banner, in which the audience participated.

The narrator for the program

## FHA Delegates To Attend State Meet in Ft. Worth

The Memphis Homemaking Club is to be represented at the All-State Meeting which is to be held in Fort Worth the 4th and 5th of May. Jessie Faye Hammonds and Johnnie McDaniels are going to represent Memphis. These girls were elected on the points they earned in club work. During this meeting they will attend a business session, picnic lunch, fun night, chick wagon supper, and several more interesting and educational meetings. These girls will be accompanied by Mrs. Ben Wilson Jr., who is head of the Homemaking department at Memphis High School.

was Mrs. Bill Luedecke. In charge of the scenery was Mrs. Bob Ayers. Miss Esta McElreath was script writer and the accompanists were: Mrs. John Smith and the High School Band.

The West Ward teachers wish to again express their thanks for the help and co-operation of all whose assistance made the program a success.

## Vance Adams Places Third At Amarillo

Vance Adams, a young track star from the Sophomore class, took third place in the 440 yd. dash division of the Amarillo Invitational Track Meet on April 28. Track stars from Classes AA-A and B in the Panhandle who had won either first or second place in their Regional tournaments were invited to compete in this meet.

In winning third place, Vance won over three other boys, one of whom these being from Class AA. His time was 52.6.

Vance, accompanied by Coach York, will attend the State Track Meet in Austin on May 4th and 5th. He will run in the preliminaries on Friday morning and the finals will be held Saturday.

## LIBRARY HAS NEW BINDING

The M.H.S. Library has received a new black leather book binding to enclose the copies of Life Magazine. The back engraved in gold the words "Life, Memphis High School Library." This is a very useful article as the magazines are so easily destroyed and this will give more students a chance to read and enjoy the magazine.

Joyce Durrett, student at Abilene Christian College, spent the weekend here with her parents, Mr. and Mrs. B. M. Durrett.

## Sunday School Class Observes Tenth Birthday With Lovely Banquet

Thursday evening, April 26, members and 7 visitors of the Sunday School Class of the Methodist Church gathered for the seventh birthday party of the organization.

Wiley Whitley and her committee had used the "Gathering in the Parterre" for the party. The party was entwined with grass and brightly colored cornucopia filled with grains and wheat centered all the draw hats and overalls about on the walls; each portrayed a special feature of the harvest time; the centerpiece of the head table was a wreath of shellacked wheat

upon a mirror; place favors were small bags of wheat upon which had been stencilled "V".

Clenton Srygley, president for the past two years, in his capacity of toastmaster asked the group to gather about the tables and remain standing while Thomas Clayton led them in singing "Bringing in the Sheaves". Rev. Rollo Davidson, pastor, offered the invocation. After a family style dinner consisting of fried chicken, vegetables, salads, and relishes, the birthday cake was cut. It was a huge rectangle upon which, written in the class colors of red, white, and blue, was "Happy Birthday—Victory Class". Mrs. Ivan McElreath, chairman of the

social committee, was asked to blow out the candles and cut the cake. She was assisted by Mrs. Srygley.

After the ice cream and cake had been enjoyed, Toastmaster Srygley asked Mrs. Hester Bownds to give a history of the Class. She stated that the class was organized on April 26, 1944 by the pastor, Rev. E. L. Yeats.

Twenty-one members formed the charter roll: Mr. and Mrs. Bill Monzingo, Mr. and Mrs. E. Johnston, Mr. and Mrs. Clyde Reed, Mr. and Mrs. Gene Chamberlain, Mr. and Mrs. Frank Foxhall, Mr. and Mrs. Guy W. Smith, Mr. and Mrs. Jerry Wright, Mr. and Mrs. J. E. Roper, Mr. and Mrs. Clenton Srygley, Mrs. J. W. McCreary, Mrs. Hester Bownds, and Rev. Yeats.

The class was named "Victory" class in accord with the Christian and secular thought of the period; the colors were chosen for the same reason. Bill Monzingo was elected president and did so much work that the slogan was soon organized: "The Class that Bill Organized". Meetings were held in the parlor of the parsonage until it grew too small,

### SUMMER FAVORITE

The coat-dress is a summer fashion favorite, according to National Cotton Council fashion experts. This is one of the popular new cotton styles designed in lilac, the pacesetter color of the season. The attractive homemaker wearing the coat-dress made it at home with a McCall pattern.

and then the Men's Class graciously moved from the little annex and gave it to the Victory Class.

The class sends a sterling knife and spoon to each new baby of the members and assists in all church activities such as student center contributions, gifts for the Orphan's Home, and local programs. 17 members are working in other departments of the S. S.

During the past year 10 card tables have been purchased for the monthly 42 parties; monthly films of classical literature have been shown for the youth; the class room has been decorated and fluorescent lights installed; a new spinnet piano has been purchased 100 leather-upholstered chairs have been bought.

The highlight of the evening was the after dinner talk by Dr. D. D. Jackson of Texas Technological College. Dr. Jackson called his lecture "America's Years in the Sun." He scanned through some factual material which emphasized the idea that the United States with one-seventh of the world's land and one-sixteenth of the world's population produces 92% of the world's bath-tubs, 85% of the automobiles, 57% of the petroleum, 51% of the cotton; he repeated Franklin D. Roosevelt's memorable statement that we are indeed the "arsenal of democracy". Then he swiftly recalled the times when Persia, Greece, Rome, Spain, and England held their respective places in the sun and lost them.

"Why," Dr. Jackson asked, "do we now hold this significant place in the sun? For how many years will we hold it?" We hold it now, he said, not because we have the most natural resources because we don't; not because we are the most intellectual people on the earth, because scientific surveys have proved that we are not; not because we are good looking because artists have said the Latin Americans are the best looking people in the world. "No, none of these is the reason for America's years in the sun, but the fact that we are a Christian nation; we were founded upon the principle of the respect and dignity of Man; Christianity and Democracy walk hand in hand!" He concluded his masterful address with the challenge: "How much longer will America hold her place in the sun? How many more years do we have in the sun? It all depends upon the faith and work and intelligence and prayers of the Christian people."

Eleven charter members were recognized: the Chamberlains, Reeds, Ropers, Srygleys, Mrs. Hester Bownds, Mrs. Bill Monzingo, and Mrs. Viola Johnston. Guests were introduced. The officers of 1950-51: Clenton Srygley, president; Nelson Combest, vice-president; Gene Chamberlain, second vice president; Hester Bownds, secretary-treasurer; Mrs. J. E. Roper, Assistant Secretary-Treasurer; Mrs. John Smith, Pianist; and J. E. Henry, Song Leader, were retired. Officers for 1951-52: M. D. Gunstream, president; Clenton Srygley, first vice-president; Ivan McElreath, second vice-president; Mrs. Gordon Gilliam, secretary-treasurer; Mrs. J. E. Roper, assistant secretary-treasurer; Mesdames Arthur Gidden, John Smith, and Barney Burnett, Pianists; and Thomas Clayton and J. E. Henry, Song leaders, were installed.

The class theme song "Victory in Jesus" was led by Thomas Clayton.

Do the wheels on your car need balancing? If so, bring it to our shop for a guaranteed job Kermit Monzingo, Chrysler-Plymouth service. Adv

ton and Rev Davidson pronounced the benediction.

### Sodalitan Class Enjoys Party in Clark Home

One of the most delightful parties of the past week was the Sodalitan Class party of the Baptist Church held in the home of Mrs. R. E. Clark. Mrs. Henry Hays and Mrs. Henry Scott were co-hostesses.

The meeting opened with the class song, "Blest Be the Tie that Binds." Mrs. Byron Baldwin led in prayer.

Mrs. Henry Scott, president conducted the business session. Officers gave monthly reports and Mrs. A. W. Howard gave the class a love offering to be used on the carpet fund for the class room. Mrs. Henderson Smith gave an interesting report on the Sunday School convention which was held recently in Amarillo.

The afternoon's devotional was brought by Mrs. Byron Baldwin who used as her subject "Just for Today". Mrs. Dick Highfill of San Antonio sang three lovely numbers including the Lord's prayer. She was accompanied by her aunt, Mrs. T. L. Rouse.

Mrs. Henry Hays presented Mrs. L. O. McCoy with a lovely lamp from the class after which Mrs. Henry Scott presented Mrs. Hays, teacher, with a shower of birthday gifts from the members.

Following the program, members were invited into the lovely dining room where refreshments were served. The table was laid with a lovely acru cut-work cloth and centered with an arrangement of orchid and gold iris. A similar bouquet arrangement was used on the buffet. Patsy Hays served frosted punch from a crystal bowl. Mrs. Henry Scott assisted in serving.

Members and guests enjoyed this affair were Mmes Leon Randolph, Henderson Smith, A. W.

### Mrs. M. J. Crump To Observe 100th Birthday May 4

Mrs. M. J. Crump of Fort Worth, former Memphis resident and mother of Mrs. Claude Prather of Memphis, will celebrate her 100th birthday Friday, May 4.

A daughter-in-law, Mrs. Bess Crump, returned from a visit in Fort Worth last week with Mrs. Crump. She stated that for a person nearing her 100th birthday, Mrs. Crump enjoyed remarkably good health.

Mrs. Crump makes her home with a daughter, Mrs. Wootie Clonts, at 1501 Hammond St., Ft. Worth.

In addition to the two daughters named above she has one son, Walter Crump of Los Angeles, and a host of grandchildren and great grand children.

J. A. Ferguson, son of Mrs. Herman Peters enlisted in the navy and is now stationed at San Diego, Calif.

Last year, 35,000 Americans were killed in traffic accidents.

kerville, Benton, Mrs. Dick Highfill, Patsy Hays, Agnes Hays, Jo Ann New and Velma Hutcherson. Howard, Geo. Cullin, Earl Pritchett, Frank Ellis, Alfred Hutcherson, L. O. McCoy, J. R. Hannah, Bill Merrill, T. L. Rouse, J. R. Saunders, Bob Scott, A. J. Fowler, Grace Duke, Jean Lamb, Oattie Jones, Byron Baldwin, Bud Godfrey, Joe Reheis, H. Byrd, Herbert Estes, Henry Scott, Henry Hays, R. E. Clark, Emma Bas-

### City Federation To Meet May 12

The regular quarterly meeting of the City Federation which was scheduled for Saturday afternoon has been postponed to the following Saturday, May 12, Mrs. C. D. Morris, president, announced. The meeting will be held at 3:30 p. m. in the home of Mrs. Morris.

The date was changed in order that members may attend the play which is being presented Saturday by the 1913 Study Club. Mrs. Morris added.

### Nancy Jones Sets June Wedding Date

Mr. and Mrs. Dick Jones announce the engagement and approaching marriage of their daughter, Nancy Ruth, to Sgt. John E. Petty of Electra.

Vows will be exchanged on June 9 in the home of the bride-elect's parents with Rev. Roy Shahan officiating.

G. W. Sexauer returned Tuesday from Corpus Christi where he underwent two operations a few weeks ago. While in Corpus Christi he visited his daughter, Mrs. Ira Phelps and family. Mr. and Mrs. Robert Sexauer went to Dallas last week-end to attend a grand opera. From Dallas Robert went to Corpus Christi to bring his father home.

Let us help you keep your car in A-1 condition—One stop Service; wash and lubrication a specialty. Kermit Monzingo, Chrysler-Plymouth service.

### Meet the Seniors

Three Seniors that we have not introduced are Don Rasco, Allan Pierce and Troy Phillips.

Don is the 18 year old son of Mr. and Mrs. E. H. Rasco. One of his biggest thrills came when the Cyclones won over Wellington this year in football for the first time in 16 years. Another thrill came when the Cyclone basketball squad captured the State Title in 1949. Don's hobby is sports and he likes history better than the rest of his subjects. Mrs. Guthrie heads his list of teachers. He plans to major in physical education or history at T.W.C. in Fort Worth.

Allan Pierce, known as Peanut to all his friends, is the son of Mr. and Mrs. C. L. Pierce, and is 17 years old. Although, as his name suggests, he is one of the smaller Seniors, he is a real powerhouse on the gridiron. In 1951 he was chosen Best Lineman of the Cyclone Team and he is also a member of the Cue and Cur-tain. Peanut has been in both the Jr. and Sr. Class Plays and was especially outstanding in the Senior Play. He plans to attend North Texas State College in Denton and to major in radio and television electronics.

Troy Phillips is the 16 year old son of Mr. and Mrs. Phillips. Troy is a member of the projectors club, which is an honored organization made up of boys who have passed a required test. They must also be reliable and dependable. He is also a member of the 4-H and F.F.A. Organizations. Troy plans to be a farmer and enjoys most riding his horse, Smokey.

### Memphis Day at Vernon May 5th

"Memphis Day" at the Santa Rosa Roundup in Vernon, has been set for Friday, May 4, sponsors of the celebration announced this week. A special invitation has been extended to the citizens of the city to attend the show on this date.

Last day of the Roundup will

### CARD OF THANKS

We wish to express our sincere thanks to all our friends and neighbors for their acts of kindness and words of sympathy during our recent hour of bereavement. May you be comforted if sadness should come to your home by similar acts of kindness by your friends.

G. L. Stone  
Mr. and Mrs. J. J. McDaniel and family  
Mr. and Mrs. H. C. Owens and family.

### Brother of Joe And W. D. DeBerry Buried at Tenaha

Dr. W. E. DeBerry, brother of Joe and W. D. DeBerry, died Sunday morning at Shreveport Hospital following illness of several months.

Funeral services were held at Tenaha, Texas, the day and burial was in the local ground at Woods.

Born at Longview, DeBerry had lived and practiced since completing medical school.

In addition to his two sons, he is survived by his son Frank, and one daughter, T. J. Walker of Tenaha. Mr. and Mrs. Joe DeBerry attended the funeral services.

### United Council Of Church Women To Hold Meeting

The United Council of Church Women will hold a May Fellowship Day Meeting Friday, May 11, at 1 o'clock in the basement of the Methodist church. The affair will be in the form of a covered dish luncheon.

Mrs. O. V. Alexander, president of the Memphis council, has extended an invitation to all church members to be present.

A special invitation has been extended to members of the United Council of Church Women of Clarendon to be guests of the local council at this meeting. Mrs. Pete Kunz is president of the Clarendon organization.

Mrs. Myrtis Phelan of the Methodist Church will have charge of the luncheon, assisted by members of the Wesleyan Service Guild.

Mrs. Burr Morris of the Presbyterian Church will have charge of the devotional and music. Mrs. Millard Word of Clarendon will present the program titled "Women Working with Their Hands."

### OES Study Club Elects Officers

The OES Study Club met with Anna May Foster on Tuesday evening. Officers were elected for the new year which begins in June. They are as follows: president, Imogene King, vice president, Lola Webster, secretary, Clara Nelson.

A thorough study was made of the work required for a B certificate.

The president announced that the club would not meet on May 8 due to the fact that that is the date for the OES school of instruction at Childress.

A delicious refreshment plate was served to Lola Webster, Vera Gunstream, Elsie Gidden, Bill Odum, Clara Nelson and Anna Foster.

### Mrs. Weatherby Entertains Members Of Needle Club

Mrs. T. D. Weatherby entertained members of the Needle Craft Club on Tuesday afternoon, May 1, at her home in Memphis.

The party hours were enjoyed doing various types of needle work.

Dainty refreshments were served to Meses. Albert Gerlach, Morgan Baker, T. J. Hampton, J. M. Ferrel Jr., Nat Bradley, Robert Cummings, Mar'on Long, Henry Newman, one visitor, Mrs. Pearl Massey and hostess, Mrs. Weatherby.

The next meeting will be a covered dish luncheon in the home of Mrs. Robert Cummings. The meeting is slated for May 10.

### Softball Games Here

The Junior High School boys and girls met Lakeview boys and girls here for two very exciting games of soft ball. The girls played first, and Memphis won the game 22 to 1. The boys met next with Memphis also taking this game with the score 18 to 4.

participate in such hearing. The City Council reserves the right to make such changes in the budget as, in their judgment, the law warrants and the best interest of the tax payers of such city demands.

S. C. Harrison, Mayor  
City of Memphis, Texas.

### Mizpah Guild Meets For Study In Farmer Home

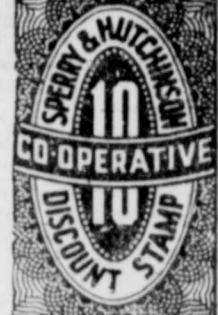

The Mizpah Guild of the First Presbyterian Church met Monday, April 23, in the home of Mrs. Clifford Farmer with Mrs. Thos. E. Noel, president, presiding.

The meeting was opened with the invocation. Minutes were read and approved. During the business session reports were heard from various committees.

Mrs. Ira Foster gave the Devotional on "The Church, the body of Christ." Mrs. Thos. E. Noel gave a special article on "Worry" by Norman Vinson Peal. Mrs. Burr Morris conducted the lesson on "What use shall we make of our Powerhouse."

During the social hour delicious refreshments were enjoyed by the following Meses. Ora Denny, Claude Ferrel, Frank Finch, Ira Foster, Boody Grundy, Buster Helm, Oren Jones, M. McNeely, Burr Morris, Thos. E. Noel, Pearl Ward, Mac Wilson, Misses Mary Noel, Tommye Noel, and the hostess, Mrs. Clifford Farmer.

Mr. and Mrs. M. B. Shive of Manhattan Beach, Calif., visited in the home of Mrs. Shive's aunt and uncle, Dr. and Mrs. M. McNeely from Monday until Wednesday.

## Lakeview Junior-Senior Banquet Highlights Year's Social Affairs

The Gypsy ballroom in the Lakeview High School was the scene Friday evening, April 27, for the annual Junior-Senior banquet when members of the Junior Class entertained seniors and guests.

The ballroom was decorated with colorful crepe paper, balloons, a Gypsy fortune telling booth, with three large cards, one a Queen, one a King playing cards and "YOUR FORTUNE" between them in huge letters.

The menu included, in Gypsy language, tomatoe juce cocktail, nut-cups, whole grain corn, English peas, hole new potatoes, Fried Chicken, pineapple salad, ice tea,

superintendent's office force.

Following the banquet, pictures of various groups were taken and the customary Jr. Sr. prom followed, with popular and western music being played from records.

The waiters and waitresses were attired in typical Gypsy costumes, wearing colored shirts, colorful skirts, and wearing earrings, bracelets, rings, and sashes.

Everyone enjoyed the Gypsy banquet as one of the highlights of the school year.

## Mrs. Lynn McKown Gives Report on Federation Meet

"Make your aim high — then work hard for achievement, for nothing is worth having that is not worth working for." Advised Mrs. Lynn McKown after attending the Seventh District Club Meeting at Amarillo, April 10-11.

Her report was given at the regular meeting of the Delphian Club, April 17 in the home of Mrs. Clarence Stroehle.

She gave the following excerpts from the address of Mrs. J. Howard Hodge, President of Texas Federation of Women's Clubs. Mrs. Hodge brought out that never before has the world presented to those who live in it a challenge so vital and keen, opportunity so limitless and responsibilities so great and awe inspiring. Women are either contributing or standing in the way of progress. It is no longer possible for women to shut the door of her home and look the world outside as her grandmother did. Today she is forced to take part in politics, science, education, business management. Time has come when women can decide whether the home remains secure—whether children live and die in a world of war and destruction.

Women can play a key role in the community. It is up to us to awaken to a grave progress in important issues. There are problems threatening the world and the individual's way of life. She continued that the American women has been the foundation stone of the home and community and pioneer women set the pace for those who followed. Mrs. Hodge pointed out that as women we should keep alive things of the spirit as a guarantee of perfect democracy tomorrow. Mothers, through their sons influence men in authority. She urged to write congressmen. Thirty five years ago, women could not speak up today, she is proving her ability in matters of citizenship.

In her report on the National convention, Mrs. Hodge pointed out that women fill three places. First, she is a woman; second, she is a homemaker; third, she is a citizen. Women have passed through a hundred years of reforms. In Texas, 16,294 women hire out. They have specialized in every field from Astronomy to Zoology. She has reached the top professionally and industrially.

Mrs. McKown stated the convention had three trends of study for the coming year. Youth Conservation, Gerontology and Better citizenship for women. There are 205 clubs in the seventh district with a membership of 4,526, 588 women registered for the convention. There was a mixture of enthusiasm and ambition for the coming year in the entire district for youth conservation.

## FAMILY PORTRAIT

Swimming is a family affair this summer. These water babies and their mother are dressed alike in tartan plaid cotton swim suits by Cole of California. The red, blue, and yellow plaid cotton sets off the rich tans they have acquired from the California sun.

## Delphian Club Hears Program On Gardening

"Over the Garden Gate, Down to Earth" was the theme of the program introduced by Mrs. J. L. Barnes at the Delphian Club meeting Tuesday, May 1, in the home of Miss Zady Belle Walker.

Mrs. O. R. Goodall read the Gardener's Collect by Mrs. Warner Irwin Higgins.

"Bulbs are the easiest flowers to raise in Memphis," said Mrs. R. H. Wherry in her part of the symposium: Our Favorite Flowers—How We Grow Them. "They are really a spring tonic but sometimes their eagerness to bloom early get them in trouble. Crocus, Hyacinths, Tulips, Iris and other bulbs can be planted in the small spaces under shrubs or around trees to add a variety of color."

Mrs. J. W. Stokes in her discussion advised that roses if they are not successful in the present location, be moved to a new location for another year. The space between roses can successfully be used for planting onions and the affect is surprising.

"Tuberous Begonias," said Mrs. Stokes, are very easy to grow. They are inexpensive, require little care and as for use in corsages, they rank next to the orchid in beauty. The Begonia should be cultivated much like the Dahlia."

Mrs. J. S. McMurry likes to use shrubs and trees in her flower garden and yard. She has planted dahlias, cannas, chysanthemums, periwinkles, petunias, zinnias, marigolds and verbenas and has Peonies ready to bloom. She suggested the use of Lettuce and Beets as border plants.

"A garden" said Mrs. Henry

Many clubs including the Delphian Club of Memphis have entered the national contest "Build Freedom with Youth."

Mrs. R. H. Wherry, federation counselor for the club gave an interesting discussion on "Why Federate." to the twenty members present

Hayes, "is nature's cure for man's distemper". She quoted Elsie Robinson as saying she had a grave distrust for a person who does not yearn for a trowel and a package of seed in the spring. Next to the trowel and seeds, ranks the fishing rod and bait. Without a desire for these a man must have a soul of a "slug", was the final decision of Miss Robinson.

Mrs. Hays quoted Mary Daggett Lake, the originator of botanic gardens in Dallas, as saying "A garden is a good place to find health and happiness. It is good

for what ails you, and it is a lovely hobby.

The seventeen members present answered roll call with "Country things I love most."

After an enjoyable social period and lovely refreshments the club was adjourned to meet at the home of Mrs. R. H. Wherry, May 15.

Mrs. Raymond Womack of Abilene is spending a two weeks vacation here with her mother, Mrs. Mattie Bell Hutcherson.

Mr. and Mrs. L. G. Yarbrough returned Sunday from a week's visit with two of their daughters, Mrs. C. F. B. and family of St. Louis, Mo. Mrs. Jack Miller and family of Oklahoma City.

Miss DeEllen Durrett, who has been visiting in Santa Ana, Calif., for the past two weeks arrived home last week.

Charline Hall visited in ger over the weekend.

My Family Enjoys Coffee Every Day—that's why I KNOW GOOD COFFEE, TOO!

There's hearty enjoyment in White Swan Coffee... its full-bodied flavor, fragrant aroma... unvarying high quality. It's the coffee I'm always proud to serve to my family and guests. Economical, too... White Swan Coffee goes farther, gives more cups per pound!

tastes less... tastes best!

He spent boat leave with his folks, left last Thursday by plane, went aboard ship at once and sailed Saturday.

New Farm-Ranch Magazine Editors To Serve Public

Effective immediately, the directors of the Farm and Ranch Publishing Company have designated L. R. Neel, Senior Editor, and Frank A. Briggs as Editor-in-Chief of FARM AND RANCH-SOUTHERN AGRICULTURIST. Each of the three editions of Farm and Ranch-Southern Agriculturist has its own editorial staff, and the coordination of these activities has been assigned to Charles E. Ball. Mr. Ball is a graduate of Texas A. and M. and has a Master's Degree from Iowa State College. He has associated with Farm and Ranch-Southern Agriculturist for several years. Other additions to the editorial staff include H. M. Simons, Jr., Associate Editor and R. E. Stevenson as Youth Editor. Mr. Simons was formerly Assistant Agricultural Editor at Clemson Agricultural College in Clemson, South Carolina; and Mr. Stevenson is a graduate of Alabama Polytechnic Institute. Farm and Ranch-Southern Agriculturist was formed more than a year ago by merging Farm and Ranch and Southern Agriculturist two magazines which have served Southern and Southwestern farms and ranches for 68 and 82 years respectively. Farm and Ranch-Southern Agriculturist has been outstanding in its championship of the American economic system and will continue this policy. With a guaranteed total of 1,290,000 subscribers all in the South and Southwest, the magazine today enjoys the largest circulation of any magazine in the Southern states. Let us help you keep your car in A-1 condition—One stop Service; wash and lubrication a specialty. Kermit Monzingo, Chrysler-Plymouth service. Adv.

Piano and Speech Arts Pupils to Give Recital

Gertrude Rasco will present her piano students in recital Sunday afternoon at 3 o'clock at the Presbyterian church. They will be assisted by a group of Speech Art students of Mrs. T. M. Harrison. Piano students appearing will be Cynthia Combest, Glenna Fae Harrison, Leslie Helm, Don Hudgins, Lera Kate Hutcherson, Patsy Ruth Jarrell, Pamela Lindsey, Tony Monzingo, Terry Monzingo, Mrs. Ed Monzingo, Marjorie Morrison, Dianne Phillips, Beverly Snell, Betty Jeane Stewart. Speech Arts students will be Audrey Beth Burnett, Drubette Cook, Sharon Duren, Carolyn Ferrel, Henry Foster, Sharon Kay Hooser, Edna Earl Gardenhire, and Barry Phillips.

Piano Pupils To Play At Amarillo

Ten piano pupils of Gertrude Rasco will play in the National Piano playing audition, sponsored by the National Guild of Piano teachers, today in Amarillo. Pupils who will play are: Barbara Allen, Beverly Bowerman, Patsy Jarrell, Carolyn Hoover, Reatha Ranson, Georgia Saied, Beverly Snell, Beverly Stilwell, and Jeane Valtance. Tereso Beckham will not be able to play due to illness.

Card of Thanks

I want to take this means of thanking the many friends who remembered me with flowers and the lovely get-well cards while I was in the hospital. I sincerely appreciated each act of kindness and the prayers offered by such thoughtful friends. Mrs. Frank Smith Sr.

-BIRTHS-

Mr. and Mrs. Lawrence Bockelman of Turkey announce the birth of a son, Stephen Lynn, born April 23, weighed 7 pounds 2 ounces. Mr. and Mrs. B. G. Thonberry are the parents of a son, William Don, born April 28. He weighed 8 pounds, 6 ounces.

**SEE IT! DRIVE IT!**  
**The New V-8 Chrysler**  
 powered by the great new **Chrysler FirePower Engine**  
**COME IN AND DRIVE THIS SENSATIONAL COMPLETELY NEW CAR! IT'S EQUIPPED WITH HYDRAGUIDE STEERING THAT ACTUALLY PERFORMS FOUR-FIFTHS OF THE STEERING FOR YOU.**

In PRESENTING this new Chrysler, we do so with the greatest pride and pleasure, and with the deep-rooted conviction that it is one of the really great automobiles built anywhere in the world today.

It is, unquestionably, the finest car, in every respect, we have ever shown. And we believe that the months ahead will establish it, very definitely, as the finest car and the greatest performing car built in America, which means, as far as we are concerned, the finest car in the world.

We are supremely confident that no other car anywhere has an engine comparable with the sensational new Fire Power V-8 Engine of 180 horsepower, and it is certain that this engine heralds a newepoch in design, efficiency and performance, not only in America, but throughout the world.

Our confidence in the supremacy of the Fire Power engine stems from our knowledge of what the engine will do, how it does it, and how it compares with other V-8 engines, based on many months of exhaustive comparative tests.

It might be interesting and informative to point out that Chrysler engineers, designers, and metallurgists devoted more than five years to the research, designing, developing and testing of the FirePower engine.

During this time, the engine was tested for more than one million miles . . . the most exhaustive and grueling tests that have ever been given any Chrysler engine.

FirePower has been tested for nearly half a million miles on the road, in every section of the country, under all kinds of driving and climatic conditions.

In the laboratory, the engine has been tested for thousands of hours on the dynamometer.

For hundreds of hours at a stretch, it has been run at speeds faster than any other car can travel.

These many months of testing the FirePower engine and comparative tests with other leading V-8 engines, prove conclusively that FirePower is the most powerful, the most efficient . . . and the best constructed engine built today.

With absolutely no intention of belittling, it is accurate and safe to say that FirePower will outperform any other engine in any other automobile today.

### KIDNEYS MUST REMOVE EXCESS WASTE

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

### DOAN'S PILLS

# The Cyclone News

## Senior Class to Present 1951 Follies Fri. Night

Annual Senior Follies will be presented Friday night at 8:00 in the High School Auditorium. The program is sponsored by the Senior class.

Show will be enacted from the early morning programs through the sign-off. Such programs (or reasonable facsimiles) as Break the Bank, Ida Red and Her Kentuckians, Wild Bill Hit-up, Ma and Pa Kettle and Recipe Hour, will be enacted along with several "brief commercials" and the

housewife's love, soap operas. The show will close with Tallula Blank head's Big Show.

### Cyclone Cut-ups

Now I lay me down to sleep; THUD ! ! !  
Dedicated to the Cyclone News Staff for the night after the paper has gone in.

Coach Fred Wright—"Yes, Carl what is it?"  
Carl Lee—"I don't want to scare you, Coach but my dad says if I don't get better grades, somebody's going to get a licking."

If you know that you don't don't know much, you still know more than most people do.

Mrs. Guthrie, English teacher, asked the class to write a theme about "What I Would Do If I Had \$50,000".

Cletus Lewis turned in a blank paper.

"Why have you written nothing on your paper?" Mrs. Guthrie asked.

"Because," replied Cletus, "that is what I would do if I had \$50,000."

One old timer said to another, while dropping grains of corn into the ground, "We had to plant some corn this year—runnin' out of pipes!"

Hope for a full hand.—

The boarding house cook brought in a plateful of extremely thin slices of bread. The hungry men at the table were dismayed.

"Did you cut these, Mrs. Brown?" asked one.

"Yes I cut them," was the stern reply.

"All right," returned the boarder, "I'll deal."

Are they starving too?  
Customer (to head waiter): "Just as a matter of curiosity, did the waiter who took my order leave any family?"

### Call For Our Emergency Service

When you have trouble, give us a ring. During the spring rush our shop will stay on the job extra hours to keep your equipment rolling. In-the-field service may be what you need for some jobs.

It is wise to check up on all your equipment and make needed repairs ahead of time. Keep your farm machinery in good shape.

## I'll match my Dodge with any car on the road for Value and Dependability

—says MICHAEL OPPENHEIM

"Sure, I've owned and driven other make cars," says Michael Oppenheim, Bellerose, N.Y. "But since 1941 my cars have all been Dodges. I know how dependable Dodge cars are, how little they cost to run."

You could pay up to \$1,000 more and not get all the room, comfort and rugged dependability of Dodge. So compare what Dodge gives you with what other cars offer. You'll understand why Dodge says they'll match Dodge on any car on the road. You get the riding comfort for extra head room, leg room and shoulder room... the safety of "Watchtower" visibility. Dodge Gyro-Matic—the lowest priced automatic transmission—lets you drive without shifting. See and drive Dodge today.

## Regional Meet Held Here Friday At Morningside

The University Interscholastic League, Regional contest, was held in Memphis Friday evening at the Morningside school.

Competing in the contest were Lakeview, Clarendon, Estelline, Hollis, Turkey and Memphis.

Memphis Morningside school placed first in the track meet with a high score of 61 points. Hollis won second place with 53 points and Clarendon third with 43.

The music contest was held Friday night at the Morningside Baptist church. Winners of this event

were Clarendon, Hollis and Lakeview. Each group competing were requested to sing one classic, semi-classic and spiritual.

Declamation contest winners were: Memphis, 1st; Clarendon, 2nd; Hollis, 3rd. Senior winners in the declamation contest were Memphis, 1st, 2nd, and 3rd.

Other events and winners are as follows:

Senior Spelling: Memphis, 1st; Memphis, 2nd.

Junior Spelling: Lakeview, 1st; Estelline, 2nd; Memphis 3rd.

Third and Fourth Grade Spelling: Memphis 1st; Turkey, 2nd; Memphis, 3rd.

Grammar School Arithmetic: Lakeview, 1st; Estelline, 2nd; and Memphis 3rd.

Number Sense: Memphis, 1st; 2nd; and 3rd.

Pole Vaulting: Memphis, 1st;

Clarendon, 2nd; Memphis, 3rd. 50 yd. dash, Junior boys: Clarendon, 1st; Hollis, 2nd; and Memphis, 3rd.

50 yd. dash, Senior girls: Memphis, 1st; Clarendon, 2nd; Lakeview, 3rd.

440 Relay: Lakeview, 1st; Hollis 2nd; Memphis, 3rd.

100 yd. dash: Hollis, 1st; Lakeview, 2nd; Memphis 3rd.

Softball Throw: Hollis, 1st; Clarendon 2nd and 3rd.

Basketball Throw: Clarendon, 1st; Memphis 2nd; Hollis 3rd.

Measure for measure—

Husband: "I saw Jack David down-town today and he didn't even speak. He thinks I'm not his equal I suppose."

Wife: "Why, that stupid, brainless, conceited little moran ! ! ! You certainly are his equal."

**Estelline Grass Judging Team Wins First in Contest**

The Estelline Grass judging team, composed of Winfred Russell, Wallace Cooper and Charles Gardenhire, won first place in the Texas Tech Vocational Agriculture Judging Contests in Lubbock, Saturday, April 28. One hundred forty-eight schools were represented by about 2,000 FFA members at the contest.

The grass judging contest was divided into two divisions: classification and identification. The Estelline team won first in each division. Wallace Russell won a medal for being second highest individual judge. Wallace Cooper was fourth high individual and Charles Gardenhire was tenth.

Norman C. Duke, a graduate of Texas Tech, is agriculture teacher at Estelline. The Estelline team also won first in the recent judging contest at the Tri-state Fair in Amarillo. High placing teams are eligible to compete next Saturday in the state contest which will be held at Texas A & M College, College Station.

Duke took a dairy judging and stock judging team to the contest also. The dairy team was composed of Lowell Richburg, Bill Jenkins, and Donald Kinard. The livestock judging team was composed of A. D. Britt, Gus Orcutt, and Ted Fowler. These teams placed in the upper brackets, but not in the top ten.

**Chief Warns Dog Owners to Get Tags for Animals**

Chief of Police T. D. Weatherby this week warned dog owners to have their animals vaccinated against rabies, and get tags. He said that stray dogs found roaming city streets without tags would be killed. Tags may be purchased at the office of G. L. Carlos, city tax collector.

Weatherby also asked for the full cooperation of motorists who drive on the city streets in an effort to eliminate double parking. "It is our desire to keep traffic moving on city streets as smoothly as possible," the chief said. "Everyone is urged to help us eliminate the problem of double parking as much as possible."

**Concert Groups—**

(Continued from page 1)

bring outstanding artists to the city. Concerts are furnished through the Pryor-Menz Concert and Lecture Services.

"Memberships in the organization offers an unlimited opportunity to see outstanding concerts at a very low admission charge," Mrs. DeBerry stated.

"Memberships purchased here also are good for concerts presented in Clarendon and Wellington throughout the year. For a \$4.80 adult membership, members are entitled to see at least three concerts in Memphis, three in Wellington and three in Clarendon," Mrs. DeBerry pointed out.

An effort will be made to contact every family. However, officers of the organization stated that all persons who are contacted and would like membership are asked to call any of the members listed below.

Division chairman for the drive include Mrs. Clifton Burnett, Mrs. T. M. Harrison, Mrs. R. S. Greene, Mrs. Henry Foster, Laura Mai Hightower and Mrs. C. L. Sloan. Captains are: Mrs. Frank Monzinger, Mrs. Earl Allen, Mrs. H. W. Spear, Mrs. C. V. Murff, Myrtle Howard, Mrs. Bray Cook, Miss Gertrude Rasco, Mrs. T. J. Way, Miss Inez Mason, Mrs. Gene Lindsey, Mrs. Herbert Sisk, Mrs. Buster Helm, Mrs. Ed Monzinger, Mrs. L. G. Rasco, Mrs. Chas Williams Jr., Mrs. Claud Ferrel, Mrs. J. A. Odum Sr., Mrs. Herschel Combs, Mrs. A. Anisman, Mrs. C. D. Morris, Miss Mary Freeman, Mrs. D. L. C. Kinard, and Mrs. Charles Russell of Turkey.

**Patrons to Vote—**

(Continued from page 1)

to declare ballots as "mutilated," which would happen if they were marked otherwise. Wording of the three propositions to be found on the ballot are as follows:

No. 1—"For the issuance of bonds and the levying of the tax in payment thereof." "Against the issuance of bonds and the levying of the tax in payment thereof."

No. 2—"For maintenance tax." "Against maintenance tax."

No. 3—"For the assumption of indebtedness and levying of the tax in payment thereof." "Against the assumption of indebtedness and the levying of the tax in payment thereof."

Morgan Baker will be presiding judge of the election. The election judge will be Mrs. Art Miller, and Mrs. L. W. Stanford and O. V. Alexander will serve as clerks.

might be trapped. These are reasons enough why I think we need a new school building for Memphis.

By Lera Kate Hutcherson  
If there was a fire all the children lives would be in danger. Several of us would lose our lives because we cannot get out fast enough. It is not safe at all. It doesn't have enough room for our books.

The stairways are too narrow and steep. The floors are caving in at the landing spot. The building is very old and uncomfortable. We freeze in the winter and burn in the summer. The desks are carved with the names of some of the grandfathers of this town.

By Bobby Jack Maddox  
My reasons why we need a new school are, first we need a safe place to go to school. The present location is on a main street in Memphis and their is too much traffic.

The classrooms are crowded, the restrooms and drinking fountains are not very modern and convenient.

Small children like we are, do not need more than one story in their school buildings. In case of fire the small children might not get down stairs or some might be injured.

We need modern and comfortable seats and desks. We need better lighting facilities so that our eyes might be taken care of. Therefore I think Memphis should get the new school building.

By Monty Menzinger  
I want a new school building chiefly because it will offer the students of the Memphis schools a better education and a safer school.

The conditions of the present buildings are very bad. For example the wooden floors of our West Ward building have been oiled for a number of years and should a fire start this building would be a death trap for a lot of people that may some day be the leaders of our country.

Another reason I would like a new school is that the smaller children would be going to a school that would be closer to their homes, a division of the school would offer better opportunities for the teachers to give attention to each pupil.

I would really like the new building because of its modern conveniences and because it is a good recommendation for any town to have good school buildings and churches.

It is my one wish that the parents and voters see fit to give us this new building.

By Ann Litton  
I have heard of mothers who became very anxious when they heard the fire siren. They would say "I hope that is not the school on fire for it would really be a fire trap." Other mothers have

said "I would go to PTA today, but I am too tired to climb those stars." I think these are two major reasons for a new school building.

The younger children, like myself, should be able to attend school where there is not so much traffic. We need better lighting and a better heating system. We younger children need a cafeteria of our own in order that we may be properly served in comfort. Inquire for yourself and see how many children take advantage of the cafeteria as it presently is.

It has been said that our floors are so old and have been oiled so many times that if a lighted match were dropped on them the results would be disastrous.

Fellow citizens, let's do something before we have a tragedy like New London.

By Judy Lemons  
Our school has grown in enrollment and we only have three schools so it would really help the crowded condition to have the new school building.

We need a new building because our old one is worn out and it is very dangerous. If we ever had a fire it would burn very quickly because the floors have been oiled so much.

We do not get heating from our own building therefore we do not get enough heat in the coldest of weather.

We also need a cafeteria of our own so we can serve the children better.

We really need a larger play ground because our old one is so crowded and dangerous too.

Our lighting system is very old and not safe, neither is it suitable for our eyes.

Some of our rooms are too small and do not furnish enough light. The light is not distributed evenly.

The black boards are too tall for some of the children.

If and when we get our new building we want all the rooms on one floor. We also want a building that will be fireproof.

The floors are very weak and have splinters.

We would like lockers of our own. We also need more storage space.

The pressure in the water fountains is very low, therefore, we need more fountains with higher pressure. We need a bus room also a music room too. The restrooms are very small and we need more of them with so many children. The school is near a traffic zone and is dangerous for children.

When we do get our new school we will take the best of care of it.

**Looking Ahead**

May 4—Senior Follies  
May 4 and 5—State Track Meet, Austin  
May 7th—Dinner for Child Growth and Development Class.  
May 11th—Jr. and Sr. Banquet.

**Comments—**

(Continued from page 1)

shrubs and flowers, and that means more work. Anyway, it is much better to have stuff growing from moisture, even with the wild rye and weeds mixed with the flowers, than have nothing growing because of dry weather.

Quite a bit of face-lifting has been and is being done to a number of business houses here lately. Right now the First National Bank and Potts Chevrolet building are in the big middle of improvement. Lately, the Memphis Tire & Supply Co., Memphis Grocery and First State Bank buildings have been changed up to the extent that they have that pleasing appearance. Other improvements are being planned in the business section. Besides business improvements, a lot of face lifting has been going on all over the city in the residential sections.

In line with building improvements, a lot can be done toward making a city beautiful by cleaning up, painting, and otherwise dressing streets, alleys, yards, etc. And it can be done if every citizen will devote just a little time and effort to the task. This should not be put off, but should be done—not r-a-t, an animal, but "rat now."

It seems that there will be a very little amount of wheat harvested in this county and the whole Panhandle this year, due to dry weather, green bugs, cut worms, etc. One farmer remarked the other day, "I am not a wheat farmer. I am just a wheat planter." With the good season, a lot of cotton and feed planting will be done soon.

Since my report last week concerning the Jay Taylor and Eddie Johnson proposal to establish a feeding lot in Memphis, I had the pleasure of a conference with Jay Taylor. He seemed very much disappointed, as the Memphis location is a "natural." So much better location than any offered at any other town. "We had made arrangements for all the material, and for a construction company to start on the work right away," he said, "and had already secured the promise of the Denver Road officials to run a spur track to the location, so the fat cattle could be loaded without driving a lot of fat off them. Since Memphis already has a livestock sales barn,

it would have given us an opportunity to buy a lot of cattle to feed right near our pen, and would have drawn cattle from all the counties surrounding Memphis. We expected to buy not only cotton seed products right at the lot but would have furnished a market to the farmers who had feed and roughage for sale, which would have brought to them hundreds of thousands additional dollars every year. When fat, we expected to load the cattle right on the train and ship them to our packing plant in Amarillo. We would have kept down flies and smells, for these would have interfered with the animals putting on flesh. To say we were disappointed that Memphis did not want the plant, is putting it mildly," Taylor concluded.

Mrs. D. D. Adkisson of Tullahoma, formerly of Memphis, writes: "Thank you for making it easy to renew subscriptions. You are giving us a good paper, and for those out of the county, it is like a letter from home."

Another letter is from Edward Even of 1045 Redondo Ave., Long Beach, Calif., who renewed his subscription with these flattering words: "Please find money order for renewal to the Biggest Little Paper in the World . . . I will do without a lot of things before I give up my Memphis Democrat. It is such a great pleasure to me, although many of the names are unknown to me. But the paper is a grand way to visit one's home town when he can't be there in person. So, may you and yours, and the good old Democrat continue to grow and prosper for many, many years to come—and to all my friends, a Happy Remembrance."

a member of the Boy Scouts of America, attaining the rank of Eagle Scout. Last summer he attended an encampment at Valley Forge. He has been an active member of the Estelline F.F.A. chapter for four years, and has won district honors in public speaking. Young Cooper will deliver the valedictory address at the graduation exercises of his class in Estelline on May 18.

Miss Davis was honored this year by the student body and community by being elected and crowned "School Queen." Last year she received a medal for being the faculty choice of best "all round girl in high school, and was elected football queen of the 1949 season. She has been a class officer each year while in high school, has lettered in basketball and volleyball for three years, and was a member of the F.H.A. for two years. Other accomplishments include that of pep leader for three years, class queen her freshmen year, and was chosen

class favorite both as a junior and senior. In addition to participating in the choral club for two years, Miss Davis has won recognition as an actress. She has served as editor-in-chief of the school annual, and assisted in the student's office. The annual grand assembly the evening of May 11 will be dedicated to "Queen Bobbie Davis."

### IT'S A PUT-UP JOB!

A pretty homemaker was snapped by a passing cameraman as the... of spring inspired her to get busy at the annual job of... canvas awnings on her windows. She absorbs her quota of... in a brief shorts outfit made of cotton canvas, while she puts... wings to protect her home from the sun. She may be a put-up... but she also qualifies as a pin-up!

### Stephanie Caserta, Conrad Lohoefer Wed Service Read at Amarillo Church

Stephanie Caserta, daughter of Mr. and Mrs. Walter J. Caserta of Amarillo, became the bride of Conrad L. Lohoefer of Amarillo, in a wedding ceremony solemnized on Saturday evening in the chapel of the First Street Methodist church. Rev. Robert Thompson officiated at an altar flanked by large candelabra holding fringed palm fronds. The bride wore a white gown with a pink sash and a white sash ribbon and white satin holding a spray of the valley outlined the aisle.

with loops of pink pearls and tied with white shower ribbon knotted with stephanotis. Mrs. Henry Bates was matron of honor and wore a shell pink embroidered organza over taffeta gown. Her crownless halo was covered with pink hair braid and featured a small braid veil. She carried a pink pear-handled basket of small daisies in a cascade arrangement. Bridesmaids were Mrs. Don Purdon of Lubbock and Mrs. Samuel K. Keykendall, of Houston. Both wore aqua gowns and hats styled identically to the matron of honor. They carried an arrangement of daisies in aqua-handled baskets.

#### Attends Sister

Flower girl was Rozanne Caserta, sister of the bride. She wore orchid nylon net over taffeta designed similar to that of the other attendants. Her hat was a halo of daisies covered with orchid net. She carried a basket of rose petals. Lloyd L. Davis was best man and other attendants were George A. Gwyn and Bill Grundy.

Mrs. Caserta selected for her daughter's wedding a peach silk shantung dress with lace shoulder cape. Matching accessories and a gladioli corsage completed her costume.

The bridegroom's mother wore a navy blue silk faille suit with white and navy accessories. Her corsage was of white gardenias.

#### Reception

A reception was held in the church parlor immediately following the exchange of vows. The ivory linen damask cloth and centered roses and huckleberry foliage. White satin streamers tufted with lilies-of-the-valley and white doves extended from the center-piece to each corner of the table.

For their wedding trip by car to Albuquerque, Santa Fe and Taos, N. M., Mrs. Lohoefer selected a white silk print dress with a forest green linen redingote, a white pique hat and brown accessories. A corsage of white roses completed her ensemble.

After May 5 the couple will be at home in Memphis.

Mrs. Lohoefer is a graduate of Amarillo high school and attended Amarillo college, where she was a member of Sigma Phi Chi sorority. She has been employed in the production department of the Phillips Petroleum company.

The bridegroom was graduated from Amarillo high school, Amarillo college and the University of Missouri School of Journalism. During World War II, he served in the eighth Air Force in England. He is a member of 20-30 International and is employed as news editor of the Memphis Democrat.

Mr. and Mrs. D. H. Lohoefer were hosts for the rehearsal dinner Thursday evening.

Mr. and Mrs. Zeb Moore of Amarillo were visitors in the George Greenhaw home Sunday.

Mrs. E. P. Thompson and Ruthie, E. O. Thompson and Mr. and Mrs. Billy Thompson and children Billy Edd and Carol visited in McLean Sunday with Mr. and Mrs. Lester Campbell.

## Society News

### Mrs. Ethel Tucker, Pioneer Estelline Resident, Celebrates 83rd Birthday

Mrs. Ethel Tucker, pioneer resident of Estelline, who was 83 years old on April 21, enjoyed relatives as weekend guests to celebrate the occasion.

The affair was held at the home of Mrs. Tucker's daughter, Mrs. Dave Waldron, who planned and prepared the celebration. A sumptuous birthday dinner was served Sunday.

The nine living children of the late Dr. Miller of Estelline, nieces and nephews of Mrs. Tucker

were all present, as were other close relatives.

Those attending were Mr. and Mrs. H. M. Nelson of Buckeye, Arizona, Mrs. Ralph Baskett of Peoria, Arizona, Mr. and Mrs. Jim Miller of Valley View, Texas, Mr. and Mrs. Ewell Grundy of Lubbock, Mr. John Miller of Amarillo, Mr. Paul Miller of Tulsa, Mr. and Mrs. M. E. Jones of Eden, Texas, Misses Hattie and Mary Miller and Mrs. Abe Vinyard and Mr. and Mrs. C. W. Vinyard and children of Turkey, Texas, r. and Mrs. C. O. Green of Clovis, New Mexico, Mr. and Mrs. R. R. Fauntleroy of Wichita Falls, Texas, Mr. and Mrs. Mack Lee of Hobbs, New Mexico, Mr. and Mrs. John R. Lee and Donna of Andrews, Texas, Mrs. Thurman Hutchins, Mr. and Mrs. Dave Waldron and the honoree, of Estelline, Texas.

### Estelline OES Holds Friendship Night Program

The Estelline Chapter of the Order of the Eastern Star held a friendship night program on Saturday evening, April 6. Chapters from Childress, Memphis and Turkey were invited.

A patriotic program was presented. Miss Nell McLean represented the Spirit of America; Mrs. C. E. Wilkins was vocal soloist, and Mrs. Carl Hill was accompanist. Officers of the Estelline lodge were dressed formally.

Visiting worthy matrons were presented with white aprons decorated with red ruffles and with pockets representing the Star motif. Worthy patrons received leather key cases with Star motif.

The refreshment table was attractive with spring flower centerpiece. Cake, coffee and chocolate were served to approximately sixty members and guests.

### Former Memphis Man to Marry Brownfield Girl

Mrs. Anna Belle Barrow of Brownfield is announcing the engagement and approaching marriage of her daughter, Judy, to Pfc. Craig Lewis son of Mr. and Mrs. Loy Lewis of Tokio and formerly of Memphis. The wedding is set for May 19, at 7:30 p. m. in Crescent Hill Church of Christ, Brownfield, with Jimmie Wood, minister of the church, reading the vows.

Miss Barrow is a graduate of Brownfield High school and is an employee of the Terry County Tax Assessor. The prospective bridegroom is a graduate of Union High school and North Texas State College. He is stationed at Camp Chaffee, Ark.

### Hints & Tips on Gardening

Now that the long awaited spring rains have given us the where with to grow flowers and improve our lawns, you'll be out of style if you aren't found in your yard.

If you are planting pyracantha be sure to put them where they will not get too much water when watering other plants. They are one of our dry weather plants.

It is an ideal time to plant cannas, verbenas, sanndragons, pheon, mums and potted roses. If you haven't divided your daisies, that too should be done.

Don't forget to spray or dust roses once a week. Black spots on roses can be prevented largely by this method, but not cured, once it has attached.

Dahlias may still be planted as well as more glads in rich, loose, well drained soil.

Mark your iris for colors so that when you're ready to re-set them you can make a pretty color combination for another year.

Looking forward to future flower shows, keep the names of new plants or shrubs for information of others, who may want the same varieties.

Don Wright, students at Midwestern spent the weekend here with his parents, Mr. and Mrs. Don Wright.

### Pamela Lindsey Is Party Honoree On 5th Birthday

Mrs. Gene Lindsey entertained with a "Ho-Bo" party at the City Park Wednesday honoring her daughter, Pamela, on her 5th birthday anniversary.

Arriving at the park at 11:30, the small guests were given picnic lunches wrapped in bandanas and tied to long sticks. Favors were cellophane hats.

Following the meal, out-door games were enjoyed under the direction of Mrs. Lindsey.

Enjoying this affair were the honoree, Pamela; Kathryn Fitzjarrald of Amarillo, Rita Faith Queener, Velma Jo Hutcherson, Kay Hill, Janice Sue and Ann Pounds, Georgia Kay and Lou Carroll Saied, Jone Ward Nina Nelson, Vickie Jones, Carrol Ann Dryden, Barbara Smith, Kay Wines, Peggy Parker, Cheryl Foster, Bill Jay and Mike Pounds. Hoot Jones, Barry Ferral, Paul Gene Nelson, Robert Mack and Jerry Moss, Robert Lynn Gardner, Bill Stewart, Stevie Stewart, James Adrian Odom, and B. H. Cook Jr.

### Stitch and Clatter Club Meets Tues.

Mrs. Gertrude Raley, assisted by Mrs. Fannie Jones, entertained members of the Stitch and Clatter Club Tuesday afternoon, April 24.

The afternoon was spent in visiting and doing needle work.

Ice cream and cake were served to Mes. Zella Masterson, Lura Eddleman, Winnie Hutchins, Myrtle Darby, Iva Richburg, Mary Ellen Eddins, Ola Price, Clorine Morrison, Broxie Arrington, Willie Richburg, Pet Powers, Byrdie Holland, Lillie Jones, Jessie Orcutt, Jewel Marcum, Eula Adams and Edna Winkler.

Three guests Mrs. Orval Caldwell, Mrs. Ruby Johnson and Miss Sandra Richburg were also present.

### YMC Club Meets In Webster Home

Mr. and Mrs. Joyce Webster were hosts to members of the Y. M. C. Club on Friday evening. Games of forty-two were enjoyed throughout the party hours.

Following the games a salad plate and coffee was served to Mr. and Mrs. Alvin Phillips, Mr. and Mrs. Grover Roden, Mr. and Mrs. William Moss, Mr. and Mrs. R. B. Phillips, Mr. and Mrs. O. R. Saye, Mrs. Rhubert Wynn and Miss Roselyn Williams.

### Locals and Personals

Mrs. Don Leary and Mrs. Joe Ballard of Estelline attended the grand opera Madame Butterfly, in Dallas over the weekend.

J. G. Clifton of Dalhart visited over the weekend with his mother Mrs. W. T. Clifton and other relatives.

Mr. and Mrs. Glen Carlos visited relatives in Mangum Sunday.

Mr. and Mrs. J. Claude Wells returned home Monday after two and a half weeks visit with friends and relatives in Amarillo.

Mrs. W. A. Godfrey and Joe Bill of Montgomery, Ala., are here visiting in the home of Mr. and Mrs. J. P. Gorfrey.

Mr. and Mrs. Ode Gibson, Murita and Jimmy, visited their son and brother, Jelly Gibson and family in Amarillo Sunday.

Mr. and Mrs. J. P. Godfrey and Linda, Mrs. W. A. Godfrey and Joe Bill were guest of Mrs. A. Johnson and Betty Jane Sunday in Pampa.

Mr. and Mrs. Ode Gibson and Murita visited Mr. and Mrs. Howard Leake in Shamrock Friday night.

Mrs. A. C. Hoffman had as weekend guests her son and family, Mr. and Mrs. C. L. Hoffman of Lubbock. The Hoffmans also visited in the home of his sister, Mrs. Jim Beeson.

RECEIVES CAP—Miss Norma Barnes, daughter of Mr. and Mrs. Ted Barnes of Memphis, was one of twenty-one students receiving caps at the capping ceremony of Northwest Texas Hospital School of Nursing April 27 at the St. Andrews Episcopal Church in Amarillo. A graduate of Memphis High School with the class of 50, Miss Barnes has completed the first 9 months of nurses training. Following the ceremony a reception was held in the church parlor. Attending the ceremony from here were Mr. and Mrs. Ted Barnes and family, Mr. and Mrs. J. M. Ferrel Jr. and family and Bob Paris

### Estelline Juniors Honor Seniors With Annual Banquet Friday Evening

On Friday evening, April 27, the Estelline Junior Class and sponsor, Mrs. Arva Knight, held the annual Junior-Senior Banquet to honor the 1951 graduating class, faculty members, board members, and ministers.

The high school banquet hall was beautifully decorated to carry out the Hawaiian theme. Simulated mountains, blue skies, mirrored lakes, cut flowers, lighted tapers, and favors made a dream-like, idealistic, beautiful setting for the formal affair. Plate markers were attractive booklets and golden shell nut cups. Potted palms and green grass mats added to the island atmosphere. As each guest stepped upon the "Isle of Golden Dreams" a lei was placed about his neck. Beautiful Hawaiian maidens, dressed in grass skirts leis, hand made blouses, and no shoes waited upon the group.

The invocation was given by Reverend R. L. Self, Don Smith, president of the junior class, gave the welcome. Response was made by Don Davis, senior president. Mrs. C. L. Sloan played Hawaiian melodies and accompanied Mrs. C. E. Wilkins who sang two solos. Mr. C. O. Gregory introduced the speaker, Mr. Bob Wear, popular after-dinner speaker from Hereford, who brought a pertinent message with the theme: "You are what you think". His address was humorous enough to catch the attention of his audience and inspirational enough to hold it. The benediction was given by Reverend A. W. Cooper.

Junior mothers prepared and served the food. Guests included the seniors, faculty members with their wives or husbands, board members and their wives, ministers and their wives, and Mr. and Mrs. Bob Wear and son of Hereford.

#### CRISP AND COOL

Typical of the cool, crisp summer fashions that soon will be seen everywhere is this smart tissue checked cotton with white pique collar and cuffs. Fine scalloped add a feminine touch to this fresh style by Nali-Bee in wrinkle-shed cotton. National Cotton Council fashionists report that tissue check cottons are among the most popular summer fabrics.

#### DOUBLE DUTY

Whether it's sleepy-time or play-time this pretty miss is outfitted in checked gingham and white. To be worn as a sports ensemble or as pajamas. The double duty Tommie shorts set was designed by Harry Berger.

## Editorial

WE, WHO PAY

In our paper recently was a story concerning the increase in number of passenger cars, commercial and farm vehicles that were licensed last year over 1950.

All over the country the increase was noticeable. This, taken into consideration shows in our taxes that the pocketbook of the American motorist is the main support of state government.

It paid 29 percent, or over two and a quarter billion of the nearly eight billion dollars in taxes collected by the 48 states in 1950—\$1,548 million in motor fuel taxes and \$749 million in motor vehicle license fees, according to a summary of trends in state taxes compiled by the family economics bureau.

Sales taxes rank No. 2 as a source of state revenue and are coming up fast—though only 28 states levy general sales taxes these furnish 21 percent of total state tax collections in the United States for 1950, or \$1,679 million, compared with 15 percent furnished from this source in 1940, and less than one-half percent in 1930.

State income taxes are also mounting in importance as a source of state revenue, the analysis observes, yielding 16 1/2 percent of total state collections in 1950, or \$1,321 million, compared with 11 percent of total tax revenues in both 1940 and 1930.

Alcohol and tobacco taxes yielded 11 1/2 percent of total state tax revenues in 1950, or \$919 million. Property taxes, which were formerly the main reliance of state governments, and furnished over 50 percent of all state tax revenues prior to World War I, fell to less than 4 percent of the total in 1950, or \$305 million, the analysis indicates.

As the times of the country changes in the ever immediate industrial revolutionary cycle, we as people must change also, or left behind . . . change is the stimulate of growth.

### Press Paragraphs—

#### QUOTING OUR NEIGHBORS

**A Give Away that Will Save**  
A routine news story which appeared in most daily papers last week shed a more glaring light on the inefficiency of government in business than all the editorials that have been written and spoken in a dozen years.

It was a brief note to the effect that the U.S. Government is now issuing a \$10,000 life insurance policy to every man and woman in the armed forces free of charge because government economists have found that it is cheaper to give away the insurance than to charge for it and keep records on each individual policy.

This was a frank admission that the cost of administering the GI Insurance policies during World War II was far in excess of the amount which veterans paid for these policies. As a matter of fact, all of the clerical and administrative cost of the National Service Life Insurance program during World War II was paid by federal appropriation . . . None of it was charged to the premiums which individual GIs paid for their insurance coverage. The U. S. Taxpayer would have been saved billions of dollars if these policies, too, had been given away free of charge.

The two-and-a-half billion dollar "dividend" paid GI policy holders last year was a gigantic

fraud. National Service Life Insurance never paid its own way . . . much less paying a dividend. But Veterans Administration chief Carl R. Gray has already announced plans for paying another big dividend on the policies this spring.

To veterans who will receive the dividend however, (and this writer is among them) the dividend check will be a welcome bonanza . . . it will help pay the veteran's share of the big Federal tax load which will be used, in turn, to help pay for the clerical cost of administering the insurance business and make another "dividend" possible.

If this is true of National Service Life Insurance, which covered, at most, some fifteen million men, then we shudder to think what must the clerical cost of administering the Government Social security program which is being broadened to include four times that number.

Add to that Harry Truman's pet project to offer us Government Health Insurance (Socialized Medicine) which our Great White Father would extend to all 160 million of us, and you'll get a life-size pre-view of the most gigantic bankruptcy in world history.

—The Canadian Record

## R-U-AWARE

The Raccoon Dog, of Japan, is in all outward appearances a raccoon, but its feet are digitigrade, not plantigrade, and it is a true dog.

It's true that warped or corroded cylinder heads and manifolds will cause cylinder wall distortion, valve port distortion, loss of power, increased oil consumption, oil dilution, blown-out gaskets and many other costly repairs. Don't . . . see the SISK BUICK COMPANY today.

## NEVER ENDING REPERCUSSIONS

### Grass Roots Opinion

BRISTOL, R. I., PHOENIX—

"With taxes steadily increasing on all levels, local state and Federal, it becomes more necessary than ever that we choose wisely those things for which we shall not spend our money . . . The average tax load per family today is equal to about \$2,137 as compared to \$360 in 1939."

**SALAMANCA, N. Y., INQUIRER**—"Despite the metropolitan belief that farmers make money without working and receive vast sums from the government, there is no rush to the farms."

**ABILENE KANS., DAILY REFLECTOR—CHRONICAL**—"A personal visit to England by a competent correspondent gives a rather grim picture of life over there under socialism. The state now runs banks, utilities, the railroads, the coal mines, iron and steel industries, controls land sales, medicines and generally runs the country. Nobody can get a job except working for the government . . . Living is costly."

**PALM BEACH, FLA., POST**—"There is no end but ruin dealing with inflationary spirals, except they be dealt with summarily. The politicians have demonstrated in this field, as they have almost universally in other fields, a freakish incapacity to grasp what happens."

### Production True Key To Victory

As our troops struggle in Korea's mountains and plains in spirited advance or dejected retreat, every true American breast swells with zeal to help.

Unfortunately, most of us can't play star parts at the front. But each of us can play a part in the battle of production. And more production is the key to ultimate victory.

More production means that our fighters at the front will have more and better weapons—not "too little and too late." More production means that we can turn out those weapons and still maintain civilian health.

For those reasons, the test of good government, good management, and good labor in the period ahead is how much each can contribute to increased production. We can't all be heroes in the battle for Korea, but each of us—man and woman, 4-F and those too old for service—can all be valiant in the battle of production if we devote hearts, our minds, and our bodies to hard work at our allotted tasks.

### REPORT FROM WASHINGTON

By CONGRESSMAN WALTER ROGERS

**APPROPRIATION BILLS:** You reading in your daily and papers of the present act of Congress in appropriation matters, but there are a few that I would like to bring which are not contained in the regular news stories. It is interesting to note that in all appropriation bills not connected with national defense there are many amendments cutting down expenditures. Committees from which these amendments have done a wonderful job of cutting down expenditures, but the committee cut-downs do not satisfy the whole and numerous cuts are made on all of these bills. On the other hand it is interesting to note that the unanimous approval of the appropriations bill was before the House yesterday authorized

### COTTON QUIZ

WHERE DOES COTTON MUSLIN GET ITS NAME?

ANS — FROM THE CITY OF MOSUL IN MESOPOTAMIA... A CITY THAT WAS FAMOUS FOR ITS CLOTHS OF GOLD!

of the leading proponents of facism in this country. William L. Patterson, the negro communist leader, was also tried here, but his trial resulted in a hung jury, which was 9 to 3 according to the reports. His counsel consisted of Vito Marcantonio, a former member of Congress from New York, and also one of the lawyers who represented the 11 communists before Judge Medina. A great deal of the testimony in Patterson's case centered around a heated argument in the Congressional hearing between him and a Georgia congressman by the name of Henderson Lanham. The argument of course was on a racial basis. It is my understanding that Patterson is to be retried.

**DISCREPANCIES IN GOVERNMENT CONTRACTS:** In a previous news letter I called to your attention some discrepancies that had been discovered in payroll matters in connections with the Sampson Air Force Base in New York. These discrepancies were uncovered by the Appropriations Committee.

It was practices of this kind that cost the taxpayers during World War II, and this Congress is not going to stand for any recurring of this sort of thing. The "Renegotiations Act" this time is going to have teeth in it and is going to be used, and leeches on the Government are going to be shaken loose and required to answer for all shady practices. I am sorry that space will not permit me to go further into this matter, but will do so later on.

**VISITORS:** Visitors from the Panhandle this week include Herb Budke, of Amarillo, J. W. Miller, of Tulsa, Horace Smith, of Miami, Frank Triplett, of Amarillo, S. B. Whittenburg, R. B. Norman and B. E. Walker, of Amarillo.

Betty Paschall attended the rodeo in Vernon Monday.

Bobby Paris, who is attending NTSC, Denton, spent the weekend with his parents, Mr. and Mrs. L. C. Paris.

**Chas. Oren, O. D. OPTOMETRIST**

"I got the story on  
**50,000 Miles-No Wear**  
and changed to New Conoco Super Motor Oil"

says Arnold B. Bangerter, Jr.  
Owner, Radio Cab Company  
Salt Lake City, Utah

"Since I changed my 14 cabs over to Conoco Super, I've cut oil consumption almost 50 per cent. With at least 85,000 miles on each, there's no sign of needing new engines yet!"

**NEW CAR DEALER**

"It's a pleasure to have satisfied customers, thanks to Conoco Super," says Walt Winters, Chrysler-Plymouth Dealer, Westside, Iowa. "My customers depend on my judgment about the oil to use in their cars, and Conoco Super is the one I recommend."

**TRAVELING SALESMAN**

"When I purchased my new Pontiac, I put in Conoco Super," says Melvin L. Beyer, Traveling Salesman, Pampa, Texas. "I average about 4,000 miles a month and Conoco Super has given me the best of service—even helped to increase the miles per gallon of gasoline."

### "50,000 Miles-No Wear!" Proved Here:

After a 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that Conoco Super can keep your new car new.

Ask Me About "50,000 Miles No Wear!"

matter that cannot wait. It is also said that there might be some consolation in the fact that no other major power is at present prepared to wage a full scale war against us; the logic being that if Russia was so prepared, she would have already commenced hostilities on a full scale measure. There is no definite assurance that this logic is correct. No one knows just what Russia has. We do know that she has proceeded in the past by the infiltration method and by instigating internal strife and turmoil. It is against these weapons that we must be ever vigilant. We cannot let down our guard for an instant.

**TRIAL OF RUMELY AND AND PATTERSON:** A District jury here convicted Dr. Erwin A. Rumely for contempt of Congress for failing to fully disclose the source of the funds used in carrying on his lobbying activities. He will be remembered as the head of the "Committee for Constitutional Government", and the same man who was convicted after World War I for violating the "Trading with the Enemy" Act. His conviction there grew out of his activities with the Imperial German Government during the war. He has been called one

## 29 Important Improvements

- give you **GREATER POWER**
- SMOOTHER, MORE EFFICIENT AND QUIETER OPERATION**
- EASIER HANDLING**
- ADDED RUGGEDNESS**
- LONGER LIFE**

For many months, Ford Tractor engineers have been refining, developing and improving the Ford 8N Tractor. The result is that the Ford Tractor we offer you today is a better tractor than ever before... in 29 really important ways.

The Ford Tractor has always been an outstandingly good tractor and has made a lot of farmer friends around here. Now we think you will be interested in the ways the engineers have found to make the Ford Tractor still better. Now, more than ever, it is worth your while to ask us for a demonstration of the Ford Tractor.

### We're Ready with PROOF on Your Farm

Just phone us. We'll bring out a Ford Tractor—the very latest, with all the improvements we've been telling you about—along with one or more Dearborn Implements. We'll give you a demonstration, then let you take the wheel. There's no obligation, and you are to be the final judge. Phone us today for your demonstration.

### Estelline Man Invents Rocket Apparatus

James E. Masterson, Jr. son of Mr. and Mrs. J. E. Masterson of Estelline and a former high school teacher of Estelline, has invented an apparatus to be applied in use on the rockets being proved at the White Sands Proving Grounds.

Masterson has been working since receiving his M. S. degree at Texas Tech on the White Sands Proving Grounds and using the facilities of the laboratory at New Mexico State College at Las Cruces. He was called to Washington, D. C. for discussion and investigation of the apparatus.

### Estelline Boy Home From Korea

Doyce Longbine, son of Mr. and Mrs. Jim Longbine of Estelline, was flown home by the Red Cross this week to be at the bedside of his father, who underwent a serious operation in Amarillo this week.

Longbine was fighting on the front when negotiations began to get him home. He is in good spirit and fair physical condition.

### Baptist Association Meets Tuesday In Estelline

The Panhandle Association of the Baptist Churches met with the Estelline church on Tuesday of this week. More than one hundred persons representing the seventeen churches of the association were in attendance.

Dinner was served by the host church. A most inspirational program was enjoyed. Reverend R. L. Self, new Estelline pastor, preached the afternoon sermon.

### Locals and Personals

Adrian Combs, who is attending Texas Tech, spent the weekend with his parents, Mr. and Mrs. Herschel Combs.

Andy Gardenhire, student at Texas Tech Lubbock, spent the weekend with his parents, Mr. and Mrs. P. E. Gardenhire.

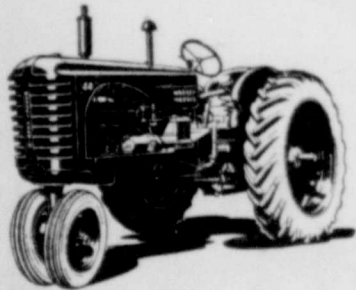

Those visiting in the George Greenhaw home Sunday were Mr. and Mrs. Preston Greenhaw of Plainview and Mr. and Mrs. Regnal Greenhaw of Amarillo.

Mrs. George Richards and daughter, Mrs. O. N. Northfleet and daughter, Susan of Olton visited in the home of Mrs. George Greenhaw Thursday. Mrs. Richards and Mrs. Greenhaw are sisters.

# WE ENDORSE

## THE PROPOSED

# School Improvement Program

## of The Memphis Public Schools

And Urge Every Qualified Voter to Go to the Polls Next Saturday and Cast Their Ballots for the Propositions Listed

WE DO HAVE THE ABILITY TO PAY FOR THIS IMPROVEMENT PROGRAM, AND IT IS POSSIBLE WITHOUT DISTURBING PRESENT FINANCIAL SITUATION.

The proposed program of improvement will include: 1. Construction of a new elementary school building; 2. Remodel and repair present junior high school building; 3. Repair high school building; and 4. Extensive reconstruction of old west ward building.

Every person who has inquired into the matter knows that more room must be made available for students in the lower grades. They also realize that more and more students are entering the high school grades each year. Since this community is confronted with the problem of providing this, it is our duty to get busy and vote for all the program.

In addition to the above, this community needs facilities to have: adult classes, a recreation center, trade and industry classes, special classes in art, music and commerce, and kindergarten classes.

FOR THE REASONS GIVEN ABOVE WE, THE UNDERSIGNED, PROFESSIONAL MEN AND BUSINESS FIRMS, ENDORSE THE SCHOOL IMPROVEMENT PROGRAM, AND URGE THE PEOPLE OF THIS DISTRICT TO VOTE THEIR SENTIMENTS NEXT SATURDAY.

**VET PROBLEMS AND ANSWERS**

Q. Is it possible to enroll in two schools at once under the GI Bill?

A. Yes, but only under three conditions: (1) the one complete course you are taking is not available at a single institution; (2) your principal school prescribes a course and approves enrollment in a second school, and (3) the training furnished by the second school is part of your one elected course and can be scheduled satisfactorily.

Q. May I claim my grandmother as a dependent parent for GI Bill subsistence allowance purposes? She raised me ever since I was a child.

A. Yes, but only if you can establish that she is your foster mother and actually takes the place of a parent. Under those conditions, you may be granted increased benefits for a dependent parent.

Q. I submitted a claim for increased disability compensation and failed to show up for my physical examination, since it simply slipped my mind. What should I do?

A. Your claim for the increase has been considered abandoned. You should file a new application and make arrangements for a new physical examination.

Q. My daughter is receiving death pension payments from VA based on the facts that she is the child of a deceased World War I veteran and that she is attending an approved school and is not yet 21. Will the payments continue through the summer vacation even though she temporarily will not be in school?

A. So long as evidence is submitted to VA showing that she was in school and intends to go back at the end of the summer vacation.

**Texas Tech Rodeo Set for May 3-5**

Date of the Second National Intercollegiate Championship Rodeo has been set for May 3, 4, and 5 at Jones Stadium, Texas Technological College, Lubbock. This announcement was made last week by the Block and Bridle Club of the college, who are co-sponsors with Tech Rodeo Association.

The rodeo will feature cowboy contests in calf roping, bareback riding, saddle bronc riding, bull riding, steer wrestling and ribbon roping. Two events for cowgirl contestants, goat tying and cloverleaf barrel racing are included.

Four performances of the rodeo will be presented following the opening parade Friday afternoon, May 4. Night performances for three nights will begin at 8 p. m. and a Saturday matinee will be presented at 2 p. m.

Mrs. L. O. Dennis and son W. C. are visiting in Muleshoe with her sister, Mrs. Oscar Holley and family.

**REPORT FROM AUSTIN**

By A. J. ROGERS  
Rep., 121st. District

There are many amazing by-products of our Democratic form of government and its supporting political system. Some of these are extremely revolting. None is more so than the phenomena which sees some of the people elected Representatives consistently voting for and sponsoring any and all legislation that costs more money, and at the same time, refusing to vote for any taxes. After so doing, they very pointedly tell the people who get the benefits of the money how they have labored for their welfare. Then they turn to the general public and tell how strongly they fought to prevent new taxes or even to lower existing ones. There are many such men in your Texas Legislature and in other State positions. They are nothing but politically ambitious hypocrites. After they have succeeded in passing laws to spend more money, it falls upon the shoulders of many honest and more statesmanlike public servants to comply with the new laws and thereby raise new taxes. This is the situation in your State today.

Perhaps you wonder how men who indulge in such schemes master majority votes to spend more money and yet cannot get a majority to defeat the measure, the resulting tax plans. In the first place they do wish to defeat the tax bills—if this were done, they could not brag to different groups of how they had been aided. Of ten these types of politicians will speak loudly against a tax bill but will not vote against it. By not voting at all, they leave a majority comply with the measure and pass new tax bills.

The question of what kind of new taxes we will have has been the source of bitter controversy. By now it is clear that any new revenue will come from either a natural resource tax or a sales tax. Governor Shivers and his friends have used every political maneuver to pass a sales tax. It seems they will succeed. This is

the kind of tax that places the biggest burden on folks with incomes under \$6,000 per year. It is the kind of tax economists call a "tax on poverty". That is a pretty accurate name for it. It is directly opposed to the theory that every man and woman shall pay an equal proportionate share of taxes, based on his income. The proponents of this sales tax attempt to hide it by calling it on "Omnibus" tax and a "Broad-base" tax. It places extra taxes on radios, cars, lipsticks, face powder, cement and many other items. To further hide the real purpose of this so-called "mnibus tax", an extremely small tax is placed on natural gas and oil.

Your Representative has voted against every bill to increase spending this Session and has voted against all taxes except on natural gas. This has been in accord with the hundreds of letters from citizens of our District and with my own sentiments.

Many grocerymen and other merchants will find relief from a new hot check law your legislature is passing.

Sex crimes against children in Texas has always been a minor legal offense. Legislation now pending would access a penalty of from five to fifteen years imprisonment for such acts.

**There's Plenty for You  
and Industry, Too**

**Yes, in the Gulf South there's plenty of  
NATURAL GAS FOR YOU and INDUSTRY, TOO**

In each of the past 21 years, much more gas was found than was used in all of the United States. For years now the amount of known gas reserves has climbed higher and higher. The consumption of gas is increasing, to be sure, but annual discoveries have met the current requirements and added trillions of cubic feet more to the known supply.

Nearly two-thirds of all the deposits of natural gas known to exist in the country are in gas fields in

Texas, Louisiana and Mississippi—and more than 200 of those fields are connected to the great integrated pipe line system of United Gas. Each year more fields are tied in to the United Gas system . . . to the end that we can assure our customers, now and in the future, there's plenty of gas for you and industry, too.

Industries seeking locations in the area served by United Gas can rely on an adequate supply of natural gas at fair and reasonable rates.

### Legal Notices

#### SHERIFF'S SALE THE STATE OF TEXAS, COUNTY OF HALL

NOTICE IS HEREBY GIVEN That by virtue of a certain execution issued out of the Honorable 90-District Court of Stephens County, on the 20th day of April 1951, by W. B. Clint, Clerk of said Court for the sum of One Thousand, Three Hundred Eighty-nine and 30/100 Dollars and costs of suit, under a judgment, in favor of The Independent-Eastern Torpedo Company in a certain cause in said Court, No. 14,546 and styled The Independent-Eastern Torpedo Company vs. W. W. Lamkin and Tag Oil Company, composed of W. W. Lamkin and L. L. Bailey, placed in my hands for service, I, E. S. Morrison as Sheriff of Hall County, Texas, did on the 30th day of April 1951, levy on certain Real Estate situated in Hall County, Texas, described as follows to wit: an undivided one-half interest in lots 17 and 18 in Block 96 of the Original Town of Memphis, Hall County, Texas as said lots are shown by the map or plat of said original town recorded in the deed records

of Hall County, Texas and levied upon as the property of W. W. Lamkin and that on the first Tuesday in June 1951, the same being the 5th day of said said month, at the Court House door, of Hall County, in the City of Memphis, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said execution I will sell above Real Estate at public vendue, for cash, to the highest bidder, as the property of said W. W. Lamkin.

And in compliance with law, I give this notice by publication, in the English language, one a week for three consecutive weeks immediately preceding said day of sale, in the Memphis Democrat, a newspaper published in Hall County.

Witness my hand, this 30th day of April 1951.

E. S. Morrison, Sheriff  
Hall County, Texas,  
by W. P. Baten Jr., Deputy.

48-3c

Mrs. Zelma Lamkin returned recently from Temple where she went through Scott and White Clinic. She stated that she received a very good report and wanted her friends here to know that she did not have cancer.

the rubbery gum of the chico zapote tree. The gum-chewing habit was never a pretty one even before the days of bubble gum, when all excuses for our indulgence in this custom fail, we can say it aids digestion.

The gum-chewing girl and the cud-chewing cow, Are somewhat alike, but different somehow, What difference? Oh, yes, I see it now, . . . It's the thoughtful look on the face of the cow.

## Pearls of Wisdom

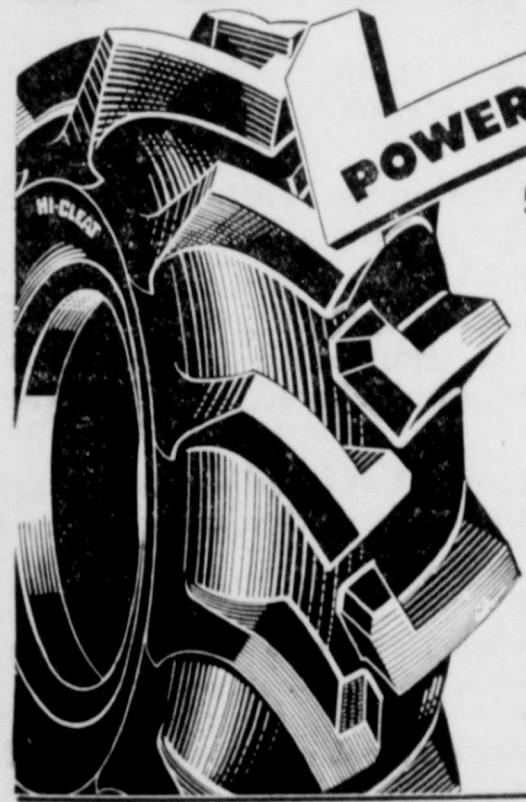

Strung by J. H. R.

live there ten months out of the year to provide Americans with chewing gum. The native tribes of these remote regions will not undertake the dangerous work so chicleiros come from all parts of Mexico to scale the trees and gather the gum. Though the working season opens in May with a gala fiesta at Tenosique where the workers stop to buy their tools and supplies before bidding adieu to civilization, their life is far from carefree and gay. Driven by the overseers and tormented by hazards of jungle life, their days become a struggle for survival until the season ends in February and they return to civilization. The workers are paid according to the amount of latex they bring in. A good chicleiro can produce about 1,000 pounds worth about \$260 to him. This latex is then boiled down to convert it to solid from liquid and is shipped in rough gray bars to the chewing gum factories.

We in America spend \$10,000,000 annually on chewing gum and it follows our boys to all fighting fronts the world over. Thanks to the Maya Indians who first used

## POWER-CURVE TRACTOR TIRES

give you maximum traction

Feel the positive traction, the deeper bite of those hard-nosed Power-Curve cleats. Notice how the cleats mesh with the soil like the teeth of a gear. That's because the curved cleats are evenly spaced, the same distance apart at the center as they are at the shoulders. Cleats are parallel to form an unobstructed channel which allows natural cleaning. The tire stays clean — another aid to maximum traction.

### MORE TREAD RUBBER GIVES YOU LONGER WEAR!

Power-Curve cleats are higher in the center than the cleats of the other leading brands. This extra cleat height means you may get an extra year of wear. Stop in today. See the tire that will pull for you!

### GET FRONT TRACTOR TIRE EFFICIENCY

**SKID RING** — Popular "easy steering" tire. The skid ring acts as a rudder — you steer straight, make even, safe turns. Built for trouble-free wear.

**MULTI-RING** — Use it in semi-soft soils. Center ring makes steering easier. Outside shoulder rings support the tire, give you longer wear.

# VOTE FOR THE

## *School Improvement*

### *Program*

## SATURDAY, MAY 5

Next Saturday, the patrons of the Memphis Independent School District will decide whether this community will have a \$275,000 building, repairing and improvement program.

This is the date when the people will determine whether this community will have a MODERN SYSTEM of schools. The proposition before the voters is the construction of a new school building, and improvements on the old buildings. Time has caught up with us. Everything listed in the School Improvement Program is urgently needed. Aren't our children as deserving of the latest in educational facilities as any children anywhere?

This community can afford to provide them with these facilities as shown clearly by statements of the school board, which emphasized the fact that TAXES ARE AS HIGH AS THEY CAN GO.

WE THE MEMBERS OF THE WEST WARD and JUNIOR HIGH PARENT-TEACHERS ASSOCIATIONS, WHO HAVE CHILDREN ENROLLED IN THE MEMPHIS SCHOOLS, BELIEVE THE PATRONS OF THIS COMMUNITY SHOULD

**Vote for the Program**

**West Ward and Junior High  
Parent-Teachers Associations**

## BECAUSE . . .

1. The West Ward School building is a fire trap.
2. Too many boys and girls are crowded into a limited number of rooms in this building.
3. The 5th and 6th grade pupils should be taken out of Junior High School and placed in elementary schools.
4. All 8th grade students should be placed in the Junior High School.
5. Drinking facilities at the West Ward School building are not adequate for the children.
6. Rest room facilities in the West Ward building are inadequate to take care of the children.
7. Out-moded heating system in building not being used at present. Heat to rooms being furnished by plant in high school building, and relayed to West Ward.
8. Electrical system in this building inadequate and an overloaded condition exists when most of the lights are turned on.
9. Inadequate parking and bus loading space under present set-up
10. Location on main street creates a traffic hazard for the young children.
11. No way to beautify or landscape the building.
12. We think our children are entitled to the modern facilities that other schools provide.
