Scouts Plan Trip Camp Ki-O-Wah

Two Memphis Boy Scouts of Troop 35, sponsored by the Ki-O-Wah Camp, will attend the Ki-O-Wah Council's Camp Ki-O-Wah for a week, June 10-16, under the leadership of Scoutmaster J. L. Byars.

Scouts will learn to do things during their week's trip including swimming, hiking, map reading, campsite inspection, pathfinding and camping technique.

The fee for each Scout is \$12 for seven days. Myers asked Scouts bring the balance of money to the Scout meeting.

It is necessary that each Scout be examined by his family before going on the trip.

Scouts are also examined at camp when they arrive. Precaution for their trip is taken. At the camp they are quartered in 8 x 10 foot tents pitched over a wooden floor. Food menus are prepared of the highest nutritional values in mind.

Relations of Scouts there are the best, as each troop is led by an adult in attendance during the seven-day trip. Scouts meet other Scouts from covering a 15-county area. Visitors are welcome at the camp on Thursday evening of each week.

Ki-O-Wah is the high point of the Scout year. It is the time of all overnight and camping trips taken all over the county.

Patrols will be represented by Troop 35, including Com. Panther, Flaming Arrow and Scoutmaster J. L. Byars.

Attending Camp Ki-O-Wah are Patrol Leaders John Deaver, John Veitoe and C. L. Wynn; Scoutmaster Dan Durst; and Scoutmaster Truman Smith.

and Scouts Jimmy Hill, Cleve Evans, Billy Cheek, Don Howell, Bobby Scott, Kenneth Taylor, Coy Johnson, Teddy Wheeler and Roddy Bice; Explorer Scouts Jimmy Davis, Philip Patrick, Jackie Boone and Leron Roberts; Scribe James Moss, Senior Patrol Leader Jerry Hill and Scoutmaster Ted Myers.

Other information concerning the camp may be obtained from Jerry Hill, James Moss or Scoutmaster Myers.

Hightowers Sell Greenhouse To W. E. Leslie

Announcement was made this week of the change in management of the Hightower Greenhouse to Mr. and Mrs. Will E. Leslie of Llano, effective June 1.

Walter Hightower in making the announcement stressed that he and Mrs. Hightower will still be associated with the firm on special occasions and when the Leslies need their help. The same staff will continue to fill orders and serve the people of Memphis and Hall County.

"Since the opening of our first flower shop in Memphis Dec. 1, 1924, we have enjoyed serving the people here," Mr. and Mrs. Hightower stated. "Now we are looking forward to enjoying our first vacation in 25 years."

Leslie, former city manager of the city of Llano is no stranger to the flower business, having been associated with his brother in the floral business in Decatur for several years.

He and Mrs. Leslie have four daughters, Betty, Linda, Kay and Celia. Mrs. Leslie and the girls will move to Memphis next week. The business will continue to be known as Hightower Greenhouse.

Turkey Soldier Receives DSC Posthumously

TURKEY.—Cpl. Raymond E. Nall, who was killed Feb. 16, in action in Korea, this week was posthumously awarded the Distinguished Service Cross.

The son of Mr. and Mrs. W. L. Nall of Turkey, Cpl. Nall was an army medical corpsman attached to the Seventh Regiment of the Third Division. He was a veteran of World War II and in 1945 received a citation for devotion to duty as an ambulance driver. He served in the European Theater of Operations.

Nall went to Korea in November last year and saw action in the battles of Hamhung and Hungnam, evacuating the Marines last Christmas.

Award of the DSC was made from Army General Headquarters in Tokyo.

Softball Teams To Be Organized Sunday Afternoon

Softball teams in the Junior and Intermediate Leagues will be organized Sunday afternoon at the Carnegie Library Park.

All captains of last year's teams are asked to be on hand at 1:30 p. m. to complete plans for league play, scheduled to begin Friday evening, June 1, according to Director Ted Myers.

Boys who want to begin a new team are also invited, Myers said. Teams in the Junior League last year were the Red Devils Longhorns, Bearcats, Eagles, Wildcats, Lesley and Esteline. Teams in the Intermediate League were the Renegades, Rebels, Tornados, Cardinals, Esteline and Lakeview.

Myers also said he would like to meet with boys below 12 years of age to discuss a Peevée League.

During the past four years the Chamber of Commerce has supported the Junior and Intermediate Leagues with full cooperation and Myers said he expects this year to be a bigger season. This is Myers' fourth year as league director.

X-Ray Meeting To Be Held Monday Night

A county meeting will be held at 7:30 p. m. next Monday night in the City Hall for preliminary organization of a mass chest x-ray in this county, according to Dr. C. B. Dryden.

Delegates from other communities are invited to this meeting and plans will be formulated for the program. Additional announcements concerning the x-raying will be made later.

L. L. Moses Dies After Heart Attack

Funeral services for L. L. Moses, 70, longtime resident of Memphis who died of a heart attack here Friday, were held Saturday at the Murphy-Spicer Chapel.

Burial was at Fairview Cemetery. Rev. Rollo Davidson, pastor of the First Methodist Church, officiated at the service.

A dry goods clerk, Moses had lived in Memphis for more than 45 years. He was born in Camden, Ark., on Christmas Day, 1880. He came to Texas in 1901 and married Miss Salye Johnsey in 1902. They moved to Memphis in 1906.

He was preceded in death by one son, Clifford, who died in 1935. He is survived by his wife, two daughters, Mrs. Mozelle Stout of Memphis and Mrs. Lester Grimes of Lockhart; two sisters, Mrs. J. H. Johnsey of Dallas and Mrs. K. D. Cannon of Campbell, Tex.; one grand son and one grand daughter.

Pall bearers were Homer Tribble, R. C. Lemons, Chester Grimes, M. E. McNally, Jr., B. B. McMillan and L. W. Stanford.

Funeral arrangements were handled by Murphy-Spicer.

Out-of-town guests here for the funeral included Mrs. K. D. Cannon, Ray and Mildred, all of (Continued on Page 8)

CC CONDUCTING HOUSING SURVEY

Members of the Chamber of Commerce were contacted this week by Bob Batton, manager of the Childress Chamber of Commerce as tasked to conduct a housing survey in Memphis which will be used with similar surveys of Wellington and Childress in trying to re-activate the Childress Air Field.

Manager Clifford Farmer said the survey was being made by telephone at present but would be made by door calls later.

Listings of rental units, houses, apartments and rooms, either full or empty will be made, Farmer said.

Batton reported the inadequate housing facilities of many smaller towns were factors which prevented establishment of army posts and air fields in many locations. This survey in these three towns will provide the Childress officials with an accurate estimate of available housing.

Weeks Rainfall Almost 3 1/2 Inches

More than 3.47 inches of rainfall were recorded by J. J. McMicken, local weather recorder, during the past week in Memphis.

Temperatures ranged from a low of 52 to a high of 90 degrees Monday afternoon. Last Thursday night 1.62 inches of rain fell, followed by an inch on Friday and .56 of an inch Sunday and .29 of an inch Monday.

Rough Riders Slate 1st Ride Friday Evening

The newly organized riding club of Hall County selected the name, "Hall County Rough Riders," at a recent meeting.

The club held a picnic at the City Park, May 11 for members, wives, husbands, families and guests.

Plans were made for the club's first ride which will be held Friday evening.

The Rough Riders are to gather at the court house on their horses at 6 p. m. They will ride a loop around the cemetery road and along the road north of the Compress to Andy DeWees' house for a picnic lunch.

Each member has been requested to bring their own lunch, and are asked to gather promptly and in proper dress or attire.

Owls Schedule Practice Games Tonight, Sat.

The Memphis Owls will play a non-league baseball game tonight against the Morningside Colored team at Estes Park, Burr Pruitt, Owl manager announced. The game will start at 8 p. m.

Saturday night the Owls are scheduled to play the Childress squad in a non-league game also at Estes Park at 8 p. m.

Sunday afternoon the Owls go to Quanah for their third league game. Last Sunday the Owls won their first game from Quanah.

County Purchases Two-Way Radio Set for Sheriff

Members of the Commissioners Court voted recently to purchase the two-way radio equipment in use in Sheriff E. S. Morrison's office.

The equipment was owned by former Sheriff Earl Hill. Morrison and Deputy Sheriff Bill Batton have had mobile units installed in their automobiles which enables direct contact between the office and the officers anywhere within Hall County.

The radio can also be used to communicate with officers at Childress.

The sheriff's force, including Morrison, Batton and Deputy Jack Peabody, expressed their appreciation to the court members, Roy Patton, Fred Berry H. W. Spear, John Bush and County Judge M. O. Goodpasture.

Buddy Poppy Day To Be Observed Here Saturday

Saturday will be "Buddy Poppy Day" in Memphis as well as in every city and town throughout the United States as tribute will be paid to those who lie in Flanders and the other cemeteries throughout the world.

Members of the Girl Scouts will aid the Veterans of Foreign Wars Auxiliary here Saturday and sell the poppies in downtown areas.

This annual sale of poppies serves two great purposes, sponsors of the local campaign stated. It fosters the custom of wearing these symbols once a year in mute (Continued on Page 8)

BOWLING FOR BLIND . . . A new regulation bowling alley is seen in use by one of the blind at the Lighthouse of the New York Assn. for the blind in New York City.

The one big subject on which there are major differences of opinion is shotguns for big game. No matter what gun you have been using in your state, you will find it's illegal in some other state. California and Arizona are among the states which prohibit the use of shotgun on deer. Massachusetts and New Jersey go to the other extreme and specify that only shotguns shall be used on big game. New York, Minnesota, Michigan and other states split the difference and permit rifle or shotgun in some areas and require the shotgun only in certain other areas. Washington permits the shotgun on deer but forbids it on elk.

It's bad enough that there is this disagreement on the matter of rifle versus the shotgun, but even in those places which permit

the use of the shotgun on big game there is no agreement on the matter of load you can use. And you can expect there will be more and more states setting up certain ballistic standards for rifles used on big game. Incidentally, a large number of states prohibit the use of rifle or pistol for taking upland game birds. Adding this all up, it looks like you'd better look at your local game laws before you rush down and buy a gun. You might get caught with one that is now, or soon will be outlawed.

Rain Maker To Give Talk At Amarillo

Is there any truth to the claims made by those who say they can increase rainfall, temper hail and electrical storms, and even withhold precipitation and still keep skies cloudy?

The Amarillo Chamber of Commerce is going to give ranchers and farmers in the Panhandle a chance to answer these questions for themselves.

Arrangements have been made to have Lee Cox, field representative of the Water Resources Development Corporation, present an illustrated talk at Amarillo Municipal Auditorium Saturday, May 26, at 10 a. m.

There will be no admission charge for the event. Movies of actual rainmaking activities will be shown and factual printed ma-

terian will be made available to those interested.

Dr. Irvin P. Kirk, reputed to be one of the nation's foremost rainmaking authorities and founder of the WRDC, has devised a process of increasing rainfall by heating silver iodide crystals to 3000 degrees F over a coke fire.

The minute crystals as they are heated, ascend into moisture-laden clouds and become nuclei for snowflakes which melt as they fall, producing rain.

It is not a "rain-making" proposition, Dr. Kirk emphasizes. There must be a cloud to "seed" before results can be obtained.

Perry Keyser
Presents Pupils
In Recital

A formal recital by the music students of Perry Keyser was given in the Band House on Tuesday, May 15th.

Students taking part in this recital were: Judy Miller, Elaine Clayton, Johnny Chamberlain, Betty Gidden, Monty Monzingo, Paula Blevins, Monta June Saye, Harold Aspgren, Linda Kay Saye, Billie Jean Stroehle, Mary Frank Garrett, Sue Miller and Patsy Sue Hays.

During the program students who played in the National Piano Auditions were presented with certificates of achievements and NFSM pens. Monty Monzingo received local honors, Mary Frank Garrett and Sue Miller state honors. Judy Miller and Patsy Sue Hays received national honors. Patsy Sue Hays also qualified as a High School Diploma winner in the National Guild. This honor will cause her picture to appear in the National Guild Annual.

tower, Bob Roberts, John W. Smith, Clyde Reed, Charles Dryden, Rufus Grishma Sidney Baker and Miss Martha Perkins.

Former Pastors
Attend Homecoming

Two former pastors, Rev. M. O. Evans and Rev. W. C. Stockett attended the Homecoming held this past weekend at Brice.

Rev. Evans, now pastor at Skel. Lytown spoke at the morning worship and Rev. Stockett now pastor at Samnorwood spoke Sunday afternoon.

Rev. Young Tucker delivered the evening sermon. Attending were Mr. and Mrs. Jim Estice and Mr. and Mrs. Gregory of Memphis. Mrs. A. P. Todd, Mrs. M. L. Pittman, Mrs. Dewey Hendrix and the Odel McBrayer family, of Clarendon, Mr. and Mrs. C. R. Cross of Goodnight, Mr. and Mrs. James Smith of Lelia Lake, Howard Rhodes and family of Tell and D. C. Hall and family, and Mrs. Leon Fowler and children, all of Lesley.

Billy Rowe, long-time pioneer resident of Newlin is in Goodall hospital. Visitors are invited, according to relatives.

This is also the third year for Patsy Sue to receive National membership.

A. C. Hoffman and Mrs. Hall Nelson as hostesses.

Monday's session was a "results" meeting of the progressive visitation links which have met to renew interest and secure new members.

After the members sang a hymn Mrs. T. J. Way presented an inspiring devotional on the dedication of talents.

Mrs. W. D. Young and Mrs. W. H. Monzingo gave a clever radio skit entitled "My Hobby is Humanity."

Mrs. M. G. Tarver, as chairman of the membership committee, welcomed the new members and expressed her appreciation of the work done by the leaders of the visitation links.

Mrs. Frank Foxhall summarized the work done this past year and reviewed the four advance goals to be worked toward in 1951-52. She also explained the Atlas Pledge plan whereby each woman can support the entire work of the Woman's Society in 26 countries around the world for a certain length of time, according to the amount of her pledge. Each member signed her pledge. A memorial service was held for the last charter member, Mrs.

R. T. McElreath, who passed away in February. While Mrs. Barney Burnett played "More Love to Thee", Mrs. W. F. McElreath put a rose in a vase and lighted a candle in memory of her mother-in-law. Mrs. M. G. Tarver sang "Near to the Heart of God" in beautiful soft tones to Mrs. Barney Burnett's sweet accompaniment.

Mrs. Broome presided at the new membership record book presented to the society recently by Mrs. C. R. Webster. She first signed Mrs. R. T. McElreath's name as a charter member then Mrs. C. R. Webster at the head of the membership list. The other members signed the book, leaving their pledge cards in the offering plate.

Besides those already named delicious refreshments were served in the church parlor by the hostesses to the following members: Meses. Rollo Davidson, Albert Gerlach, Clara Cummings, T. J. Hampton, Dan McCallum, Fred Erwin, Bess Crump, Harold W. Smith, Brice Webster, David Hudgins, Geo. Payne, C. T. Vickers, D. B. Kennedy, Jesse Baker, W. F. Ritchie, N. A. High-

Local Men to Open Farmers Supply Store

Announcement was made this week of the purchase by Dick Shelton and Jimmy Anthony of the Minneapolis-Moline dealership in Memphis from Kermit Monzingo.

New offices and location of the business will be at the corner of 7th and Robertson streets. The firm will be known as Hall County Farm Supply. Shelton and Anthony will handle new tractors and farm equipment plus used tractors and equipment and replacement parts and supplies. The building has been redecorated inside and is being stocked with supplies.

"In the future we intend to supply the ranchers and farmers of this territory with just about anything they might want," Anthony said.

"Later we intend to add other items to the M-M line," Shelton added. "All we want to know is what you farmers need in the way of supplies and equipment and we'll sure try and get it for you."

Shelton and Anthony plan to operate a regular farmers supply store carrying all kinds of farm necessities. At present they have on hand crop sprayers and dusters, cultivator sweeps, lister points, tires and tubes, go-devil knives, cotton hoes all kinds of hand tools, baling wire and various supplies.

"Come on over and visit with us anytime," Anthony invited. "We want to be of service to the farmers and ranchers."

Both Anthony and Shelton are farmers and know the problems that can arise when a farmer needs supplies. Shelton was raised in Donley County and has lived here since his discharge from the service in 1946. Anthony has lived in Hall County for about 40 years.

Does the wheels on your car need balancing? If so bring it to our shop for a guaranteed job. Kermit Monzingo, Chrysler-Plymouth service. Adv.

FARMERS and RANCHERS

We Have Purchased the

M-M DEALERSHIP

And Are Establishing a Complete

FARMERS SUPPLY STORE

We are happy to announce that we have purchased the M-M dealership in Memphis from Kermit Monzingo, and are now setting up our new farmers supply business at the corner of 7th and Robertson streets. In the transaction, we obtained all the new tractors and farm equipment owned by the former dealer, as well as his entire stock of Minneapolis-Moline replacement parts and equipment supplies.

It will be our aim to take care of the farmers who are now using the famous line of M-M equipment as well as continue to sell new tractors and implements. Delivery of some of these units is limited at this time. This shortage is out of our control, but we will do all we can to meet the demands of the farmers of this area.

IN THE FUTURE WE INTEND TO SUPPLY THE RANCHERS OF THIS TERRITORY WITH JUST ABOUT ANYTHING THEY MIGHT WANT

We have made several contacts, and will be adding many items to the M-M line from time to time. All we want to know is what our customers want—and we'll get it for them. Merchandise needed to supply farmers and ranchers is already coming in, and orders have been placed for other things which are scheduled for arrival soon.

Come in and see us. Let us know what you will be needing and we'll get it for you!

Just Received . . . A Small Shipment of

BAILING WIRE

All you folks who are planning on bailing your hay should see us at once for this wire. It's hard to find, and we're glad to report that we have a limited stock on hand at this time.

Make your plans to do business with us. When we say this business is strictly a "Farmers Supply" establishment, we mean just that.

At the present time we have:

- CROP SPRAYERS & DUSTERS — TIRES AND TUBES
- CULTIVATOR SWEEPS - LISTER POINTS - GO-DEVILS KNIVES
- COTTON HOES — HAND TOOLS

and many other items

Soon to arrive will be such items as:

- WINDMILLS - PRESSURE PUMP SYSTEMS - FENCING SUPPLIES

and Hundreds of other things you will want.

Hints & Tips on Gardening

As the foliage on your daffodils, tulips and etc. get limp and yellow you may move and reset your bulbs if you care too. Give them drainage and rich, sandy soil to which plenty of bonemeal has been added. Set each bulb in a "cup" of sand and they can be left undisturbed for years. In fact bonemeal should be used with most plants. It will not burn the roots as most fertilizers do and can be used even where you are planting annuals, such as zinnias, marigolds and etc. Choose a sunny day and cut flower stem off your iris, cut them clear to the ground.

BIRTHS

Mr. and Mrs. Gay W. Smith of Tulla announce the arrival of a son, Cecil David, born May 17.

Mr. and Mrs. C. E. Maddox are the proud parents of a daughter born May 22, weighed 5 pounds, 8 ounces. She has been named Karen Jean.

Mr. and Mrs. W. S. Crawford, Jr., of Childress announce the birth of a daughter, Mary Evelyn, born May 17. She weighed 8 pounds, 8 ounces.

Mr. and Mrs. J. T. Hill of Clarendon are the parents of a daughter, Neva Jane, born May 19, weighed 4 pounds, 2 ounces.

Mr. and Mrs. M. L. Martin announce the birth of a daughter May 20. She has been named Deborah Gay and weighed 6 pounds, 15 ounces.

Mr. and Mrs. H. E. New of Hedley announce the birth of a son, James Doyle, born May 20, weighed 7 pounds, 9 ounces.

If you plant peonies in September, it would be better to prepare your soil now, giving it time to ripen and the earth to settle. Dig a hole two feet deep, put in at least four inches drainage, mix barnyard fertilizer and top soil, half and half. At planting time add a cup or two of bone-meal. They are heavy feeders, but they pay off.

Miss Jean Weatherby of Waco, Mr. and Mrs. Howard Weatherby and Howard Frank, of Shamrock were dinner guests of Mr. and Mrs. T. D. Weatherby last Friday. Miss Jean Weatherby was on her way to Waco to attend summer school. She will return to Shamrock to teach next fall.

Clarendon J. C. Gives Program

Wednesday the Clarendon Junior College students presented the assembly program at Memphis High School.

Tommy Murphy served as master of ceremonies and introduced the Male quartet. A former Memphis student, Ray Crawford, then gave an impersonation of a Negro preacher. The girls sextette then sang and a Western band was pre-

sented. The program was closed with a girls' quartet tap dancing to piano music.

Mr. and Mrs. Ed Mathes arrived in Memphis Wednesday to spend several days with Mrs. Mathes' parents, Mr. and Mrs. Odie Sturdevant. They will make their home in Dumas, where Mr. Mathes will pitch for the Dumas baseball team and Mrs. Mathes will be employed at a Dumas Hospital.

HOW FREEDOM RINGS

America's 42 million telephones present overpowering evidence of freedom of speech in this country. Here is an immense highway of communication far greater than the combined telephone systems of the rest of the world. Here, too, is stirring evidence of what private enterprise, dedicated to public service can do. Surely no other system should challenge our method unless it is prepared to do better. History has shown they can't, even at the cost of sacrificing human liberty. Surely, then, freedom, free enterprise and achievement go hand in hand.

Students Win College Honors

Three former M.H.S. students Dorothy Hutcherson, Joyce McDaniel, and Sammy Rasco, have been selected for high honors at T. W. C.

Dorothy, daughter of Mrs. Ida Hutcherson, was elected secretary - treasurer of the Students Council for 1951-52. She is a junior and is class secretary, and also president of the Baptist Union. She was selected as Campus Sweetheart for 1951, and is a member of the Court of Honors for Homemaking May Fete.

Sammy Rasco, son of Mr. and Mrs. E. H. Rasco, was elected vice-president of the junior class. Sammy has played basketball two years.

Joyce McDaniel, daughter of Mr. and Mrs. Jerald McDaniel, was elected treasurer of her class to serve the ensuing year. Joyce was a candidate for Smile Girl this year.

Estelline JP James Butler Buried Sunday

ESTELLINE—Funeral services were held for James William Butler, 85, at the First Baptist Church Sunday afternoon, and burial was in the Estelline cemetery.

Butler died last Friday. A widower, Butler had lived in Estelline for more than 45 years and had served as Justice of the Peace for more than 20 years in Estelline.

Born in Statesboro, Ga., in 1865, Butler moved to Waco in 1885. In 1886, he married Miss Francis Edwards of Statesboro and they made their home in Waco. She died in 1893 and Butler was married to Miss Mary Edwards in 1894. They moved to Estelline in 1906.

His wife preceded him in death in 1928 and since then Butler had made his home with his daughter, Mrs. Bessie Coppage in Estelline. He was a member of the Baptist church.

Survivors include his daughter Mrs. Coppage, four sons: Price, W. P., J. B., and Robert H., all of Estelline, 15 grandchildren, 19 great grandchildren and one great, great grandchild.

Pall bearers were Lonnie Richburg, Ronnie Murphy, Arless Crump, John Russell, Arthur Edleman and Dowell Curtis.

Every dime or dollar which you give goes into a special fund, which will be used to help rehabilitate some of America's disabled veterans or their families.

CAA Men Here To Discuss Airport Status

Members of the City Council, and other Memphians met two officers of the Civil Aeronautics Administration at the airport this morning for a conference concerning possible improvements of the airport.

Chamber of Commerce Manager Clifford Farmer, Airport Operator Eddie and Louis Foxhall, Council Members O. V. Alexander, Buster Helm, Wendell Harrison, and J. W. Johnson met with E. S. Travis Jr., Chief of the Airports Division of CAA for this region and J. D. Church, District Airport Engineer.

CAA officials praised the location of the Memphis airport and condition of the runways.

"Purpose of the conference was to discuss possible improvements of the airport to make it acceptable as an auxiliary field if the Childress Air Field is reactivated," Farmer said.

Bennie Henson Services Held In Borger

Funeral services for Bennie David Henson, 14-year-old son of Mr. and Mrs. W. W. Henson of Borger and formerly of Memphis, were held Friday at the Calvary Baptist Church in Borger with Rev. Jeff Moore officiating.

Bennie had been ill for several months. He was a member of the Baptist Church and an Eagle Scout.

Pall bearers were members of

Cpl. Geo. Wiggins Helps Set Record In Korean War

Cpl. George Wiggins, Jr., son of Mr. and Mrs. George Wiggins of Memphis, as a member of the Heavy Mortar Company in Korea, has helped to set a world's record.

Wiggins and his fellow mortar-men have fired 106,532 rounds of 4.2 mortar shells since the landing at Inchon last September. But that's not the feat he's most proud of.

The record he can back up is that his company recently fired 4610 rounds in five hours in support of the 32nd Regimental Combat Team.

Wiggins can claim another "first" too. As a member of the 7th Infantry Division, he belongs to the most-traveled division in the Far East. The 7th has made two amphibious landings, traveled from Pusan to the Yalu River, and fought on both coasts of the Korean Peninsula.

Free Farm Movie To Be Shown Tues. On Cotton Stripper

The Howard A. Finch and Andy DeWees Implement Company announced this week that a free movie "The Cotton King" will be

Bennie's Scout Troop.

In addition to his parents, he is survived by three brothers, Ralph, Charles and Ray; one sister, Sue; and his grandparents, Mr. and Mrs. E. Melton of Memphis, and other relatives.

shown at 8 p. m. Tuesday in the high school auditorium.

The film is based on action of the Allis-Chalmers cotton stripper machine. The stripper fits any Allis-Chalmers All-Crop Harvester and can be installed with a minimum amount of changing without interfering with operation of the combine on grain.

The Allis-Chalmers WD will be shown and also the new CA, Manager Andy DeWees stated.

"This show is entirely free and we especially invite everyone to attend," DeWees said.

1932 Culture Club Installs New Officers

New officers of the 1932 Culture Club of Estelline were installed in a most impressive candle-lighting ceremony at a meeting this week in the home of Mrs. Lester Phillips.

Assisting Mrs. Hutchins with the installation ceremony were three charter members of the Club. The theme of the installation was "Opportunity." The floral arrangement on the reflector contained a miniature gate, the opening of which began the installation. The slogan was "Open the Gates of Opportunity now." Mrs. Albert Bailey gave a most interesting and impressive talk on the opportunities to be better women. Mrs. Walter Whaley accompanied the ceremony with soft piano music and Mrs. H. C. Clifton conducted each new officer to the installing officer to receive her charge. Each one lighted the candle of the next, and the circle represented the need for cooperation.

Officers installed were: President Mrs. C. E. Wilkinson; vice-president Mrs. Don Leary; second vice-president Mrs. C. O. Gregory; secretary Mrs. Dave Waldron; treasurer Mrs. L. E. Phillips; reporter Mrs. E. F. Kennedy; historian Mrs. Ben Jackson.

Mrs. C. E. Wilkinson, new president responded, to the message by expressing the hope that close friendship and cooperation would exist throughout the new year. She also thanked the club for selecting her as outstanding member this year and Mrs. D. T. Edkins for the gift. Mrs. H. C. Clifton received the gift for the departing president.

Mrs. Albert Bailey read the historian's report for the year. The hostess served strawberry short cake and coffee or tea.

Other than those mentioned above who attended were Mesdames Jerrell Rapp, F. O. Cooper and W. B. Davidson.

Bucilla Club Enjoys Luncheon In Crump Home

Members of the Bucilla Needle Club enjoyed a covered dish luncheon in the home of Mrs. Bess Crump, Tuesday, May 17.

Members quilted a quilt for the hostess during the day and a short business session was also conducted by the president, Mrs. Chas. Webster.

Mrs. A. Gidden was welcomed into the club as a new member. Those attending were Mesdames Burl Smith, Henry Scott, Chas. Webster, A. Gidden, R. C. Cummings, T. J. Hampton, Brice Webster, Earl Pritchett, members; one guest, Miss Sina Harrison and hostess, Mrs. Crump.

Mrs. L. B. Madden Presents Pupils In Recital Thursday

Mrs. L. B. Madden presented her music pupils in a recital at 7 o'clock Thursday evening, May 17, in the Methodist Church.

A varied program of piano and organ numbers were presented before an appreciative audience of relatives and friends.

Pupils appearing on the program were Drubette Cook, Marie Davidson, Morris Davidson, Shelia Killian, Roberta Nelson, Inez Martin, Patsy Nell Combs and Gene Davidson.

MEMORIAL

The Veterans of Foreign Wars Durrett-Brown Post 7109, and the Ladies Auxiliary, will hold a regular Memorial Service at the Lakeview Cemetery, at the grave side of Durrett and Brown, at 4 p. m. Sunday. The public is invited.

GENA DEVIN

Gena Devin Is Featured As Violin Soloist

Gena Devin, daughter of Mr. and Mrs. R. F. Devin of Amarillo and formerly of Memphis, was featured as violin soloist in Amarillo recently when the sophomore choir of Amarillo High School and the Amarillo Youth Symphony gave their joint annual spring recital.

Miss Devin, a former music pupil of Mrs. L. B. Madden and Mrs. Conley Ward of Memphis, received the right to solo with the orchestra when she won top honors in the annual competition held each spring.

Gena is a senior student at Amarillo High School where she is also concertmaster for the AHS orchestra. At the annual banquet of the orchestra she was voted most valued member of the group.

In addition to her work with the high school orchestra, Gena is also a member of the Amarillo Symphony, this being her first year with the senior group. She plans a musical career, either in teaching, or in symphony work.

During the time they lived here Mrs. Devin was a member of the Memphis school faculty.

WSCS Members Attend Clarendon District Meeting

Several members of the local WSCS of the Methodist Church were in Clarendon Mon. May 14 to attend an all-day meeting of the Clarendon district of WSCS which was held at the First Methodist Church.

The theme of the meeting was "Be Still and Know That I am God." The devotional on this theme was given by Mrs. W. E. Hamilton in an impressive manner. Mrs. Hamilton is the wife of the District superintendent.

A duet, entitled "My God and I" was sung by Mrs. Bill Williams and Mrs. Bob Moss.

The president of the district, Mrs. L. S. Griffin of Shamrock, presided during the roll call and reports of the local presidents of the district.

The guest speaker, Miss Lydia Gerhart gave an inspiring and informative talk on the great work of the Woman's Society of Christian Service of the Methodist Church is doing all over the world. She gave each member a vivid picture of how she is bringing the light to darkened areas by cooperating in the work of her local society.

Miss Gerhart is a field worker of the North Central jurisdiction sent to the district from the Woman's Division.

Those attending the meeting from Memphis were: Mesdames Hall Nelson, Brice Webster, W. F. Ritchie, Frank Foxhall and Miss Martha Perkins.

Mrs. Rasco To Present Pupils In Recital Sun.

Mrs. L. G. Rasco will present her piano pupils in recital at 4 o'clock Sunday afternoon in the Baptist Church annex.

The public is cordially invited to attend.

Bennie Dennis was in Amarillo Tuesday on business.

Junior High PTA Concludes Year's Activities Thursday

Installation of officers was featured at the Thursday meeting of the Junior High Parent-Teachers Association. This meeting concluded the activities for the year and was held in the Junior High auditorium.

Officers were installed by Billy Tate, teacher in the Junior High school, and included the following:

Mrs. O. I. Seale, president; Mrs. W. E. Godfrey Jr., vice-president; Mrs. Bedford Smith, secretary; Mrs. Nelson Combest, treasurer; and Mrs. N. D. Calloway, reporter.

Pupils of Mrs. Compton's room gave a clever program. An interesting talk on "Let's Summerize" was given by Mrs. H. J. Howell who stressed the value of PTA training and offered suggestions on how to improve the organization throughout daily efforts.

The president, Mrs. Chamberlain, presided during a short business session. George Childress, principal, made a most gracious speech thanking the PTA for cooperation and work throughout the year.

Miss Pyeatt's room won the award.

The organization presented Mrs. Chamberlain with a lovely gift, expressing appreciation of her year's leadership.

Club 51 Meets Thursday With Mrs. Webster

Club 51 met in the home of Mrs. Joyce Dot Webster on Thursday afternoon.

Mrs. T. O. Pounds, president, conducted the business session. Members voted to buy a gift for Mrs. D. S. Johnson and baby.

The club enjoyed an afternoon of pleasant entertainment. Three new members, Mrs. Herschel Pounds, Mrs. Gene Lindsey and Mrs. Louis Saied, were welcomed into the club.

Others present then those named above were Mesdames Gerald Hickey, Elmont Branigan, Charles York, Herman Yarborough, Lewis Richards, Jr., Coy Beckham, Carl Wood, C. J. Wynn Jr., Herbert Jones.

Methodist Class Meets Thursday In Massey Home

The Truth Seekers Class of the First Methodist Church met Thursday, May 10, in the home of Mrs. Alvin Massey with Mrs. Pearl Massey and Mrs. A. Womack as hostesses.

The program was introduced with the class song, "What a Friend We Have In Jesus," and Mrs. Anna Dickson brought the devotional using as the scripture text the 10th Chapter of Luke.

Mrs. Dickson offered prayer and Mrs. C. W. Broome gave a reading, "The Clothesline Angel." She also read a poem, Rita Jane Hankins played a piano solo, "Morning Calls."

Abbie Massey gave a reading "Title Sprinkling" and Mrs. C. E. Hankins conducted the Bible quiz. The meeting closed with the group repeating the Lord's prayer in unison.

Mrs. Hankins, president, conducted a short business session. It was reported that a nice box of dish towels had been sent to the Home in Waco.

Refreshments were served to two guests, Rita Jane Hankins and Abbie Louise Massey, and the following members: Mesdames Henry McCanne, C. Gerlach, Wm. Gerlach, C. W. Broome, J. W. Burks, Sam Bradley, Anna Dickson, E. S. West, C. E. Hankins, C. E. Gowan, Anna Kercheville, and hostesses.

Beyond the Night

What lies beyond the night? What lies beyond the day? Some of us today will never know what lies beyond this day and what lies beyond the night. For we may not be here. But this week, tomorrow night especially, it is important for some in our midst to pause and reflect. What lies beyond the night.

Tomorrow night, members of the 1951 Senior Class, will receive their diplomas, thus accomplishing a definite part and period of their lives.

What lies beyond the night? Graduation has been creeping up on you for quite a while and yet it somehow seems incredible that the end is here.

There accompanies graduation tinges of regret, of thoughtful fun experienced during the years that we somehow hate to give up as part of the past, so to the members of the class of 1951 we would say, as you go your separate ways down the path of life: remember that you and your associates and friends of now will never be completely lost to one another because of your one common past.

Because of the letters MHS on your class rings, because of the memories of your senior trip, of your class play, of just classes, you will always have a tie that binds you to Memphis and the people here.

So when you pause to wonder, What lies beyond the night we who you have left here have no doubts of your success in whatever you find beyond Friday night.

We wish to you, each member of the 1951 Senior Class lasting success in your chosen work. We do not wish you easy success or success without working, for experience has taught us that such success is not worthy to be wished for someone else.

We are proud to have known you in your years at Memphis high school. We hope we have helped give you a few enjoyable moments and that you will long remember your years here.

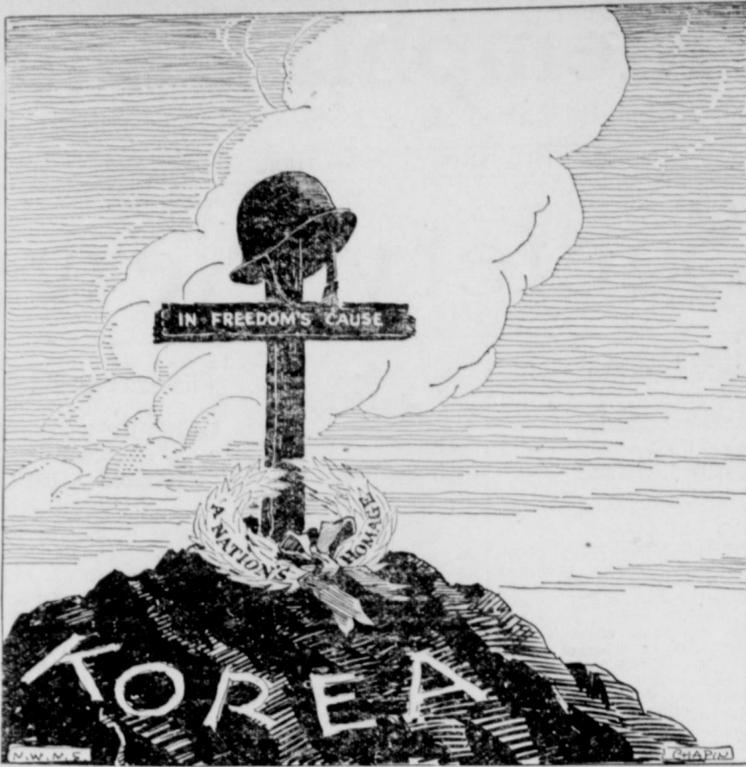

As you plan and think of what lies beyond the night for you, there is little advice that we would have you remember . . . for though you are young and there is much for you to learn, we have faith in you, faith that we believe in you, and that you can and will do whatever you desire.

So, it is with happiness that we congratulate each member of the senior class, as you close your high school education. Good Luck and What Ever Lies Beyond the Night, for you, we wish you success.

Press Paragraphs— QUOTING OUR NEIGHBORS

Survey On Inflation will buy less today than two or three years ago. Which one of these three reasons is most to blame: labor unions pushing up wages; high company profits; which this question was asked: "Because of inflation, the dollar

WIDENED MEMORIAL DAY HORIZONS

Of the 5,000 people interviewed 49 per cent said government spending and borrowing; 18 per cent said rising wages; 14 per cent said big profits, and 19 per cent were uncertain. In all income and educational groups, the answers were in about the same proportion.

The fact that nearly half of this typical group of citizens realize that government spending and fiscal policies are the major cause of inflation is a fine sign. In the past, a great many of us have fixed our attention on the symptoms of inflation while totally overlooking the causes of this economic disease. A good example of that failure to see the forest because of the trees is found in periodic demands that retail stores at once cut their prices or face consumer boycotts. Here is a case where one of the victims of inflation is made a goat. The retailer has no control over the prices he must pay for his goods, his profit margins are very small and he is as helpless as the rest of us.

In any event, the only hope for checking inflation lies in a vigorous reform within the government, and an about-face in present spending and borrow policies. An awakening public must demand that that be done, and without procrastination.

They'll Do It Every Time
We wonder how many, if any so-called Texas Democrats who are now howling long and loud about the tidelands steal, gave their support to Governor Strom Thurmond, a Democrat, when he was a candidate for President in 1948. Thurmond stood for everything we are now contending for in the tidelands dispute, as well as for every other time-honored principle of the Democrat Party. But most of our leaders were more interested in party "loyalty" than in supporting a man who represented their ideas of government. And we'll predict that many of them will do the same thing again next year—even if Truman is the nominee under the Democratic label.

Grass Roots Opinion
MONTICELLO, N. Y. —"Jefferson looked with apprehension on the laws of Virginia which supported the Anglican Church of England. He opposed the laws

which provided for public taxation for the support of the established church. Jefferson provided his answer to this question by writing in 1776 a statute to change these laws . . . The bill finally was enacted January 16, 1786. Americans today owe a great debt to Thomas Jefferson for his brave and courageous fight for this principle which he thought was right and just—the principle we take for granted—the principle that in matters of religion every man shall have the freedom to worship his God as he desires without dictation from the government."

SOMERSET, KY.: "One of the most precious things about this country is every man's right to express his own personal opinion on any subject without fear of punishment or retribution. We must stand united in our opposition to anything that would deprive us of this privilege."

OLYMPIA, WN.: "Mr. Jefferson was a strong supporter of republican government. He championed the sovereignty of the people. He believed in freedom of thought and speech. He preached economy in government, and small public debt. He stood for

Before you buy any pick-up, let us give you a demonstration in a Dodge with Fluid Drive! You'll discover driving ease, convenience, load protection, and safety offered by no other pick-up.
Only Dodge has it! This Dodge exclusive—available on 1/2-, 3/4-, and 1-ton "Job-Rated" trucks—gives wear and tear on more than 80 vital parts. It reduces repairs . . . lengthens truck life. It makes driving easier . . . protects your load. It helps avoid wheel-spinning . . . increases tire mileage.

FIRST in Load Space!

Haul more payload with a Dodge 1/2-ton pick-up. Take your choice of a low-side body with 31.41 cu.-ft. capacity or an optional high-side body with 44.16 cu.-ft. capacity—more load space than any other popular pick-up of comparable wheelbase. These trucks also have lower loading heights to save work, time.

WINNER in Visibility!

Drive in safety—with the biggest windshield of any popular make! Enjoy wide, clear, forward vision through an area of more than 900 square inches. You'll get a "good close-up" of the road—with the new, lower hood line. You'll have excellent side- and rear-visibility, too!

CHAMP in Easy Handling!

It's a cinch to maneuver, park, and drive these pick-ups in traffic! They turn sharper than comparable trucks—because Dodge gives you cross-steering, wide front tread, and short wheelbase. They steer easier, too, thanks to the worm-and-roller steering gears and a new, more comfortable steering wheel angle. Try 'em and see!

TOPS in Plus Features!

Only Dodge gives you all these extra-value features: Revolutionary new "Oriflow" shock absorbers for matchless riding comfort on any road. Four-ring pistons with chrome-plated top ring for dependability and economy. Exhaust valve seat inserts to reduce valve grinding. Moisture-proof ignition. Wide running boards for safe footing. 45-ampere generator. Independent hand brake. Two fuel filters. Heavy-duty radiator.

Memphis Seniors, Class of 1951

OTHER FOR THE LAST TIME—Pictured above are the 38 members of the 1951 Senior graduating class of Memphis High School who will be together for the last time tomorrow night as they receive their diplomas. Most of them will leave Monday on their Senior Trip which will be to Colorado Springs this year.

Faculty Holds Sunrise Breakfast

The Memphis faculty held a sunrise breakfast at the City Park Wednesday morning. This breakfast is a monthly affair to honor the teacher of the month. Mrs. Reba Stroehle was honored this month.

Meet The Seniors—

This week closes the "Meet the Seniors" column with a hope that it has explained what makes Seniors as they are, their likes and dislikes, their favorites and personality. After being introduced to a part of the class of '51 each week, the wish is that everyone knows them and likes them because (or in spite of) this endeavor.

Blonde Bennie West, Mr. and Mrs. Lamar West's 18 year old son, lives at 621 N. 14th St. Bennie, who celebrates his birthday on October 11, favors English above his other studies. Mrs. Guthrie leads his list of teachers. Bennie is an avid fan and played on the Cyclone Basketball Team in 1950. Also active in agriculture. He attended the 4-H Club Congress in Chicago, which was his biggest thrill. Activities of the Cue and Curtain Club and Projector's Club also hold Bennie's interest. Bennie, though undecided as to his college preference, is a well-liked active Senior who is bound to reach his goal.

Blue-eyed Kenneth Wesson, who resides at Lelia Lake, Texas, was born March 9, 1933. This blonde lad is the son of Mr. and Mrs. Bill Brown. Kenneth, an active FFA member, chooses Agriculture as his favorite subject. His favorite phase of agriculture is livestock farming. Mrs. Guthrie is Kenneth's favorite teacher. For a pastime he chooses reading. Having seen the serious, studious character Kenneth displays, it is

Seniors To Leave Monday On Trip

The 1951 Senior Class and their sponsors, Miss Laura Mai Hightower and Q. D. York, will leave May 28 for the Senior trip to Colorado.

McLaughlin's Lodge, a tourist's haven, was decided on as destination of the group. The lodge covers 300 acres and is located from the west city limits of Colorado Springs to the city limits of Manitou Springs. A wide variation of sports and sight seeing tours are offered at special rates to Senior Classes.

Among these are horseback riding, square dancing, ice skating, hayrides, swimming, and golf; some interesting sights are Pikes Peak, Colorado State Prison and the Royal Gorge.

The bus will leave Memphis at 4 A.M. Monday morning and will return late Thursday afternoon, May 31. The money has been secured for this trip by members of the Senior Class in the Senior Play, "Cracked Nuts" and the Senior Follies.

Seniors making the trip will be: Pat Goodnight, Nancy Stanford, Betty Goodall, Troyce Rhudy, Lee Bloxom, Patsy Jean Adcock, Patricia Combs, Patricia Alexander, Shirley Foster, Minnie Jackson,

FFA-FHA Hold Annual Picnic

The FFA and FHA Clubs of Memphis High School held their annual picnic, Tuesday night, May 15. The members and their sponsors, Mrs. W. B. Wilson, Jr., and J. W. McCreary, assembled at the school building, and journeyed to the City Park. Following a softball game, a picnic supper was served by the FHA girls.

Those attending the picnic were: Betty Kennon, Janice Anthony, Bobbie Ann Shaw, Yvonne Sturdevant, Cornelia Bufkin, Betty Burnett, Jessie Hammonds, Billie Hartman, Peggy Smith, Patsy Armstrong, Marthlyn Burnett, Jo Ann Huggins, Inez Martin, Johnnie McDaniel, Yvonne McDaniel, Shirley Miller, Sherry Trulove, Rayford Hutcherson, Charles Hartman, Troy Moore, Delbert Hightower, Duane Miller, Oscar Ferguson, Bobby Mitchell, Vance Adams, Edward Cady, Doyle Collins, Kenneth Cheek, Jimmy Gibson, Larry Gillespie, Harvey Kennedy, Joe Bob Browning, Don Ivy,

West Warders Take Choo-Choo Trip

The West Ward 3rd grade students journeyed to Childress on the 11:15 A.M. train last Friday.

The students were chaperoned by the third grade teachers, Mrs. Davis, who sponsored her class of twenty, Mrs. Estes sponsored twenty-five and Mrs. Stroehle took twenty-nine.

The students were taken to the depot from the school by the school buses where they boarded their train for Childress. They were very excited while crossing Red River as most of them hadn't seen a river while it was up.

When they arrived in Childress, the Childress school bus met them. They had a picnic at the City Park. Most of the mothers were at Childress waiting to take their children back home.

HULVER WORK DAY

Next Wednesday has been scheduled as "Work Day" by community citizens at the Hulver cemetery.

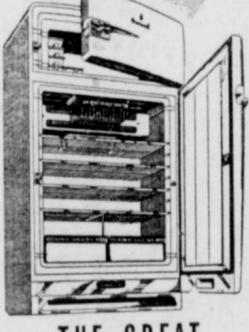

Everyone is invited to bring their tools and lunch and to help fix-up the cemetery. Lunch will be spread on the ground.

Journalism Class of Memphis High School was honored at a slumber party Friday night at the home of Mrs. Irons.

But how much would it cost to REPLACE IT?

The average home owner today carries only 40% enough fire insurance. He's thinking backward to what his property cost, instead of forward to what it would cost to REPLACE IT.

Face the facts. Your home or place of business (and contents) may burn tonight. Is your fire insurance big enough to enable you to start to rebuild and refurnish or restock tomorrow?

Quit kidding yourself that you won't have a fire or that you are fully protected. It's no fun to be half-ruined.

Wilbur Shaw thinks so much of this new Chrysler, he has selected it as Pace Car for the 1951 Indianapolis 500-mile race.

I've just driven the most powerful car* in the U.S.

WILBUR SHAW, AMERICA'S MOST FAMOUS DRIVER, DRIVES NEW 1951 CHRYSLER—REPORTS TO YOU ON REVOLUTIONARY FIREPOWER ENGINE AND HYDRAGUIDE POWER STEERING

Here are Wilbur Shaw's reactions—in his own words—as taken down by a recording machine in the car:

"The '51 Chrysler has it! With this new engine and power steering, the first on any U.S. car, it's a whale of an automobile. "I'm completely bowled over by the ease of steering! "This steering combined with the automatic trans-

mission... is the nearest thing to an automatic pilot for a car I can possibly imagine. "This engine... I can't get over the amount of power and snap in this engine... it's incredible! "I drove 111 miles with the feeling I had expended no more effort than in driving around the block. "When Mrs. Shaw drove, her comments just about squared with mine. Here's what she thinks of the 1951 Chrysler..."

Mrs. Shaw: "At first I could hardly believe the ease with which I could turn the wheel. That's important... especially in the summertime.

"Often after I have parked a car in the average parking space, I feel I should taxi home, shower and get dressed again. But with Hydraguide Power Steering I parked it with one hand. It practically drives itself."

Wilbur Shaw: "It's hard to describe this new Chrysler without going off the deep end... it has it in every department.

"In fact, I think so much of this car, I've selected it as Pace Car of the 1951 Indianapolis 500-mile race!" (Mr. Shaw's comments are reprinted through the courtesy of Popular Science Magazine.)

*Mr. Shaw refers of course to standard passenger cars—not racing cars or special models.

VET PROBLEMS AND ANSWERS

Q. Is there any deadline on VA hospital care, as there is on a number of other VA-administered benefits?

A. There is no deadline for VA hospitalization. Veterans may be admitted to hospitals at any time, so long as they meet eligibility requirements.

Q. I would like to appear before the VA Rating Board on my own behalf, in connection with a compensation claim. May I do this?

A. Yes, but a definite appointment should be made beforehand.

Q. I am receiving a VA pension for a nonservice-connected total and permanent disability. Does that entitle me to Public Law 16 training since I am a World War II veteran?

A. No. One of the eligibility re-

quirements for Public Law 16 training is a service-connected disability which would entitle the veteran to compensation. You may, however, be entitled to GI Bill training if you have a discharge other than dishonorable and served at least 90 days, part of which was between September 16, 1940, and July 25, 1947.

Q. I am a patient in a VA hospital and expect to be discharged soon. Before I leave, is there anything I can do to learn about veterans' benefits that might be helpful to me once I am back home?

A. See the VA contact representative at your hospital. Contact representatives are on duty at all VA hospitals.

Biology Members Present Reports

The members of the biology class gave individual reports on preserved specimens and pictures to the highest.

Among these varied specimens were a sea horse, brain coral, and a collared lizard. A member of the class brought a large rock-like object found in a gravel pit to class. It is believed to be a fossil of a tooth and will be sent off for a definite classification. This is a unit which Miss Nivens, instructor, entitled "Sweet Mystery of Life." This is an annual event in which all students participate.

There were approximately 85 guests of students and teachers.

expected" brand of weather.

If the time comes when man can manufacture weather to order think of the forlorn meteorologists, almanac publishers, and weathermen . . . not to mention the lulls in friendly conversation. We can't all be grandmothers with grandchildren to talk about. However, this "made-to-measure" kind of weather may save face for the farmer as a weather prophet. Since weather science has become so full of "occluded fronts," "dual variations" and other fancy terminology the average layman or farmer may feel outmoded with his homespun weatherlore. However, regardless of what "them city-slickers" are able to do about it and though "all signs fall in dry weather" many a man will continue to believe in his own weather proverbs and signs. Such as: Ringing in the ears at midnight indicates a change of wind; bats and swallows skimming close to the earth in the evening mean a storm is approaching; rainbow in the morning sailor's warning; rainbow at night, sailor's delight; odors become stronger just before a storm; birds flying high portend fair weather. To mention a few.

Let come what may, how pleasant it is to enjoy the present than to bemoan the past or fret about the future. As someone has said "Spring, fullblown, wanders over the hill toward summer, and the beauty of the land is enough to stop the heart. How can the violence of man withstand the soft answer of blossoming earth? May the "voice of the turtle" be heard around the world". For truly, The lark's on the wing The snail's on the thorn God's in His Heaven . . . All's right with the world. In the merry, merry month of May!

Fire Destroys Collins Home

Fire gutted and destroyed all furnishings of the Archie B. Collins home, 821 S. 9th street last Friday afternoon shortly before 3 o'clock.

Cause of the stubborn blaze which firemen fought for more than 30 minutes was not known. No one was at home at the time fire broke out. Collins had left a few minutes earlier and stated that he had had no fires on in the house.

No estimate was made of the damage and Collins stated that the house was only partially covered by insurance.

Approximately 30 volunteers reported and helped fight the fire with members of the fire department.

Weather or No! When everyone talked about whether but no one did anything about it in Mark Twain's . . . not any more. When Dr. Morgan's Convalescent Home NOW OPEN at Childress 7th st., S.W. Ph. 977 24 Hour Nurse Service Home Surroundings

Irving Langmuir began poking into the subject, things began to happen or, at least the foundation for "happenings" was laid. Four years ago Dr. Langmuir an energetic sixty-nine year old scientist with the General Electric Co. was the first to do something about the weather. By spraying dry ice or silver iodide into fat, moisture-laden clouds thus causing them to disgorge their watery vapors, Dr. Langmuir was able to produce rain.

The sequel to this phenomenal discovery is the recent contract between The Water Resources Development Corp. of America and a representative committee of the Texas and Oklahoma Panhandle citizens. By this legal instrument in exchange for some \$63,000 this

company of "rainmakers" has promised a thirty inch rainfall in the coming year. We shall see what we shall see! Mother Shipton prophesied many things but never this!

I, for one, think the old adage, "Variety is the spice of life" applies to the weather. Purely from a pleasurable and not a beneficial standpoint, a certainty of the weather will be very upsetting. Speculation and anxiety will be robbed of their savour if we know for sure what the weather is to be days ahead. As one writer said, "Everyday life has become too certain. We move a switch, the light blazes; we turn a tap, and the water pours. Weather . . . by which I mean remarkable weather . . . knits people together, heals petty differences, promotes co-operation". I'm sure the farmers and ranchmen could sleep more soundly with an assurance of rainfall but I prefer the "Un-

KIDNEYS MUST REMOVE EXCESS WASTE

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's gives happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

ALWAYS BE CAREFUL DRIVING

The difference goes more than Skin-Deep

Nobody wonders what you're driving when you roll by in this one.

In the 1951 line-up, its brand-new front-end styling stands out with a beauty all its own.

You're the proud owner of a Buick—and the whole world knows it.

But you—at the wheel—enjoy a long list of differences that go far deeper than looks.

The ride is different—level and true. You sit the road with special assurance—because Buick's torque-tube drive keeps rear wheels firmly aligned—soft coil springs on all four wheels soak up the bumps and bobbles—honest weight keeps you on a steady keel.

The power is different—eager and sure. Buick's high-compression Fireball engine does wonders with fuel—and no matter what you demand in emergency, there's horsepower to spare.

Handling is different—this car seems to steer itself on straightaway or curve—and swings lightly into parking spots inches shorter than you'd think you need.

Capping it all, there's the silken versatility of Dynaflo Drive,* that takes

all the tenseness out of driving—responds to your slightest wish with a surging swoop of power.

No doubt about it, what you get in a Buick is far more than just a new car—it's a whole new experience in getting pleasantly from here to there.

So why not explore this difference? Come, take a Buick over and find out how very much satisfaction smart money can buy.

Equipment, accessories, trim and models are subject to change without notice.

No other car provides all this:

DYNAFLOW DRIVE* • FIREBALL POWER
4-WHEEL COIL SPRINGING • DUAL VENTILATION

Blue Bonnet Needle Club Entertains With Gentlemen's Evening Friday

The Blue Bonnet Needle Club, through its social committee, consisting of Mesdames Claud Johnson, Otho Fitzjarrald, C. C. Meacham, T. B. Rogers and Lloyd Phillips, observed Gentlemen's evening in the newly decorated home of Mr. and Mrs. C. C. Meacham, Friday evening, May 18th.

Summary of Year's Study Concludes Delphian Programs

With an inspirational talk on "Bearers of Light with our Alley Upstairs", Mrs. C. S. Morris concluded the year's study of The Delphian Club at a meeting Tuesday afternoon, May 15, in the home of Mrs. R. H. Wherry.

Mrs. Morris repeated the study topic for the year, "Spotlight on America" and pointed out that this spotlight was first focused on our objective, namely—"to uphold the American way of life, to provide incentive for guarding the freedom of the America we love, its design."

She brought out that after having our economic, political, educational, industrial, scientific and spiritual America, we see that American democracy is not without flaws, because it is geared to human nature. She concluded by saying that though today we live in a world beset by war and rumors of war, with God as our upstairs, we can all hope for a new day of peace.

Mrs. Stokes, retiring president, conducted a short business session after which she installed the incoming officers.

The program was concluded by the singing of "Love and Grow" by the club chorus.

Delicious refreshments were served by the hostess, Mrs. Wherry, to 15 members as follows: Meses. Sidney Baker, J. L. Barnes, Gordon Gilliam, Henry Hays, Bill Kesterson, Carl Kulp, Weldon McCreary, Lynn McKown, J. S. McMurry, Maud Milam, C. D. Morris, J. W. Stokes, Ben Wilson, Jr., M. D. Gunstream and Dell Rich.

men and graced with bud vases of white iris.

The menu consisted of fried chicken, gravy, fresh vegetables, salads, relishes, hot biscuits, iced tea and coffee, individual meringue cream pies topped with whipped cream and strawberries.

Following the dinner, games of forty two were enjoyed by some, while others visited in the new, spacious back living room.

Those present were one guest Mrs. Emory Barton of Denton, and the following members: Mr. and Mrs. Jim Vallance, Mr. and Mrs. Ottilie Jones, Mr. and Mrs. Jack Boone, Mr. and Mrs. Lloyd Phillips, Mr. and Mrs. Ollie Lee, Mr. and Mrs. George Cullen, Mr. and Mrs. H. H. Lindsey, Mr. and Mrs. Claud Johnson, Mr. and Mrs. T. B. Rogers, Mrs. Otho Fitzjarrald and Mrs. O. R. Goodall.

American Legion Auxiliary Elects Officers Thursday

Election of officers was featured when the American Legion Auxiliary met May 17 in regular session at the Legion Hall.

Mrs. Doris Pounds was named president and elected to serve with her on the official staff for 1951-52 were:

Mrs. Mac Tarver, vice president; Mrs. Estelle Guthrie, first vice president; Mrs. J. W. McQueen Jr., secretary and treasurer; Mrs. Edd Lane, historian; Mrs. Hulda Wilson, chaplain; Mrs. Harold Smith, publicity and Dink Dennis, sergeant-at arms.

Following the business session members made poppy wreaths for Memorial Day.

MEMPHIANS MOVE TO AMARILLO

Mrs. J. H. Read and Mrs. Oujda Baldwin and daughter Jeanette recently moved to Amarillo where Mrs. Baldwin has accepted a civil service position at the Air Force Base.

She is employed as secretary to Col. Hall, flight surgeon.

Visitors over Mother's Day and the past week at the R. C. Walker's home were his daughter and family, Mr. and Mrs. A. D. Ray of Palinvew.

Patsy Sue Hays To Give Recital Sunday Afternoon

Patsy Sue Hays' 16-year-old daughter of Mr. and Mrs. Henry Hays, 313 South 9th Street, is to be presented in her senior piano recital by her teacher Perry Keyser at 5 o'clock Sunday afternoon in the Memphis High School Band House.

Patsy Sue is an outstanding music student. She has been a four year member of the Cyclone Band, playing both the French horn and cornet. For the past two years she has served as accompanist for the Senior Choral Club and also accompanied several vocal ensembles and soloists.

Patsy Sue has won national honors in the National Guild Piano auditions during the past three years. This year she was declared a High School diploma winner in the National Guild. This diploma is to be presented to her during the intermission Sunday.
