

Miss Jewell Smith and Collie Orcutt Marry in Church Ceremonies at Denton

Miss Jewell Smith, daughter of Alice J. Smith of Denton, and Collie C. Orcutt, son of Mr. and Mrs. Cap Orcutt of Estelline, were married in a candlelight ceremony at 7 o'clock Saturday evening, May 26, in the Little Chapel-in-the-Woods, Denton.

Of the quite dignity of the beautiful chapel, Rev. Phillip W. Miller, minister of First Methodist Church, Denton, performed the double-ring ceremony.

The bride wore a floor-length gown of white imported organza trimmed with long, pointed lace and a fitted chantilly lace sash buttoned down the front with self-covered buttons. The full skirt with matching chantilly lace folds over a satin lining and was worn over a hoop. A fingertip veil of illusion with a scalloped hem fell from a scooped cap of matching chantilly lace. The bride's bouquet was a round orchid surrounded by lily-of-the-valley.

Miss Rebecca Smith, sister of the bride, was maid of honor. She wore a gown of baby blue imported organza over tulle and carried a colonial bouquet of pink rosebuds. She wore a crown of pink rosebuds.

William Orcutt, brother of the groom, was best man.

Miss Cristina Randall, organist, played prelude music which included "Liebestraum" by Liszt, "The Swan" by Debussy, "The Swan" by Schubert. She accompanied Miss Viola Johnson, vocalist, as she sang "Thank You for a Garden" and "The Lord's Prayer," and played traditional wedding marches for the recessional and recessional.

The bride approached the altar arm of her uncle, Henderson Orcutt.

Autumn Classic

You'll be snug at the stadium debonair on the boulevard in this free-swinging greatcoat that's lined with crimson crepe and interlined with lamb's wool. Tailored from Fortmann's gray broadcloth, the coat wins Cosmopolitan magazine's fashion endorsement for its cuffed buttoning sleeves and smooth, moulded shoulder line. Its high collar is rolled and notched and the pockets are slit into the side seams. The coat is made by M. J. Haberman Sons and sells for about \$80.00.

Mr. and Mrs. T. M. Cox Observe 50th Wedding Anniversary Sunday

Mr. and Mrs. T. M. Cox of Sudan, who came to Hall County in the early 1900's and lived here for more than 20 years, celebrated their 50th wedding anniversary in Memphis Sunday, May 27, at the home of a daughter, Mrs. Orville Goodpasture.

Native Texans, Mr. and Mrs. Cox were born and reared in East Texas. They were married at Little Hope, Wood County and lived there until they moved to Hall County. In 1931, they moved to the South Plains, living first near Muleshoe and later moving to Sudan.

They are the parents of 12 children, all living with the exception of one son. Ten children and their families were present for Sunday's celebration. One son, Howard Cox of Amarillo, was unable to attend.

A bountiful meal was served picnic style at the noon hour to 76 members of the family. The couple received many lovely anniversary gifts.

The ten children present were Mrs. Joe Forkner and Mrs. Orville Goodpasture of Memphis, Mrs. Ora Carter of Dallas, Mrs. Jack Lake of Fort Worth, Artie Cox of Muleshoe, J. D. Cox of Littlefield, James Cox of Plainview, Mrs. Floyd Scrapper of Clovis, N. M., Mrs. Lionel Bedoe of Santa Fe, N. M., T. M. Cox Jr. of Olton.

Club '51 Meets In Wood Home

Mrs. Carl Wood entertained members of Club '51 at her home Thursday afternoon.

Pleasant conversation and sewing were enjoyed throughout the party hours.

Mrs. T. O. Pounds, president, conducted a short business session, and announced the club had a perfect attendance record for the day.

Dainty refreshments were served during the tea hour to Meses. Homer Burleson, J. C. Beckham, Elmont Branigan, Gerald Hickey, D. S. Johnson Jr., Hubert Jones, Gene Lindsey, Herschel Pounds, T. O. Pounds, L. A. Richards, Jr., Lois Saied, Joyce D. Webster, C. J. Wynn, Herman Yarbrough, Chas. York, and hostess, Mrs. Wood, and one visitor, Mrs. Noel Clifton of Estelline.

W. Roy Adams and wife of Fort Worth visited his parents Mr. and Mrs. W. F. Adams of Lesley last weekend. Mr. Adams is working for Vultee Aircraft at Fort Worth.

Miss Mollie Harris, who is a teacher in the Coleman schools, is visiting her parents, Mr. and Mrs. Claude Harris.

Joyce Maxine Hoff and James Darden Marry In Impressive Service At Clifton

A wedding of interest to friends here is that of Miss Joyce Maxine Hoff, daughter of Mrs. Milford J. Hoff of Clifton and formerly of Memphis, to James Bennett Darden Jr., son of Mr. and Mrs. J. B. Darden, all of Clifton.

Rev. E. G. Tomkinson read the marriage service at 8 p. m. Saturday, June 9, at the First Baptist Church in Clifton.

Mmes. R. O. Bass and O. R. Jensen were organists and Van Kent, soloist.

Miss Ruth Shepherd of Colorado City was maid of honor and Mmes. Edwin Barlow of Greenville and Oleo Bakke of Clifton were bridesmaids. Misses Dorothy Ann Brown, Lydia Rystad and Marilyn Schramm were flower girls.

Calvert Helms of Clifton was best man and groomsmen were Vilford Bronstad, Oleo Bakke, Loyd Verne Homerstad, Cliff Jensen and Dan Amundson, all of Clifton.

Mrs. Bill Tendall and Mrs. Aubrey Roberts lighted the candles. The bride wore a candlelight satin gown and a fingertip veil of French illusion attached to a Juliet cap edged with seed pearls.

Immediately following the ceremony a reception was held in the home of Mr. and Mrs. O. R. Jensen.

Following a honeymoon trip to Monterrey, Mexico Mr. and Mrs. Darden will be at home in Clifton.

Attending the wedding from here were Dr. and Mrs. O. R. Goodall and daughter Betty and son Robert.

J. W. Messer Family Holds Reunion Here

Coming from various points throughout Texas and from the states of California and Arkansas, the nine children of Mr. and Mrs. J. W. Messer gathered at the family home, 417 north seventh street Sunday for a family reunion. This was the first time in 20 years all members of the family had been together.

Mr. and Mrs. Messer came to Hall County in 1915, and located near Memphis where Mr. Messer was engaged in farming for many years. After retiring, Mr. and Mrs. Messer moved to Memphis. Mr. Messer is 77 years old and his wife is 72.

Enjoying this family affair were W. J. Messer and four children of Memphis, Mr. and Mrs. Jess Route of Little Rock, Ark., Mr. and Mrs. Henry Bunch of Chillicothe, Mr. and Mrs. Henry Tull of Loeving, Calif., Mr. and Mrs. Arvel Messer of Plainview, Mr. and Mrs. LeRoy Messer of Amarillo, Mr. and Mrs. C. J. Messer of Memphis, Mr. and Mrs. Carl Messer of Memphis, Mr. and Mrs. W. H. Massengale of Odessa.

There were 29 grandchildren present, and 14 great grandchildren. Other relatives included Mrs. Stella Messer and two daughters of Shamrock and first Sgt. Louis Rhea and Sgt. Clifford McDonald of Sheppard Field, Wichita Falls and Pfc. Randolph Messer of Presque Isle, Maine, all of the air force.

T. M. Harrison is spending the week in Dallas with the T. R. Harrison family. Mrs. Harrison has been visiting in Dallas for several days.

Mr. and Mrs. Worth McCoy and family visited their parents in Clarksville this past weekend.

Mr. and Mrs. Glenn Jones and sons are vacationing in Galveston.

Mrs. Ira Foster, John and Shirley spent the weekend in Duncan, Okla., visiting Mrs. Willie C. Dampsey.

Mr. and Mrs. H. R. Cushmanberry of Quitaque visited with Mr. and Mrs. C. B. Hickey and family Sunday.

Pretty Home Service Unites in Marriage Virginia Smith and Joe Miles Kinard

That impressiveness which is found only in simplicity was noted in the wedding ceremony performed at 4 p. m. Friday, June 1, to unite Miss Virginia Smith and Joe Miles Kinard, both of this city. The nuptial vows were repeated in the home of the bride's parents, Mr. and Mrs. Frank Smith, 701 North 5th, before a background of hickberry and greenery flanked by baskets of gladiolus. Rev. Roy Shahan, pastor of the First Baptist Church, was the officiant.

Pre-nuptial selections as well as the wedding marches were played by Miss Jeanine Miller pianist.

Given in marriage by her father, the bride wore a lovely nylon street-length dress of white with white accessories. She carried a white Bible topped with a single orchid. For "Something old" the bride wore a heirloom pin belonging to the groom's mother, Mrs. Kinard, and formerly to his grandmother.

Mrs. D. W. Hawthorne attended her sister as matron of honor. She was attired in a pink street dress accented with black accessories, and a corsage of white gardenias.

Paul A. Kinard served his brother as best man.

The bride was reared in Memphis and is a graduate of the local high school. She attended Texas Technological College and at the time of her marriage was employed at Odom Hospital.

Son of Mr. and Mrs. A. A. Kinard of Memphis, the bridegroom attended school in Memphis and graduated from Estelline High School. He attended West Texas State College and is a graduate of Texas Western College, El Paso.

Following the ceremony a reception was held in the home of the bride's parents, Mr. and Mrs. Smith. Guests were registered in the bride's book by Mrs. Leon McCravy. Mrs. D. W. Hawthorne served the decorated three-tiered wedding cake and Mrs. Frank Smith Jr., presided at the punch service.

For a wedding trip to Colorado and Mexico, the bride traveled in a gold suit with white accessories.

Mr. and Mrs. Kinard will make their home in Memphis.

Beavers-Hood Nuptials Are Read In Church Service At Morton June 4

In a double ring ceremony solemnized at 7 o'clock Monday evening, June 4, in Morton, Miss Irma Rae Beaver became the bride of J. W. Hood of Estelline. Rev. Clarence Stephens, pastor of the Morton First Methodist Church, read the service in the home of the bride's grandparents, Mr. and Mrs. D. N. Bills.

Miss Beaver is the daughter of Mr. and Mrs. H. T. Beaver of Morton and Mr. Hood is the son of Mr. and Mrs. Zack Hood of Estelline.

Mrs. Alvin Carley, pianist, played "O Perfect Love," and "Indian Love Call," and the traditional wedding marches.

Given in marriage by her father, the bride wore a blue linen suit complemented by navy accessories. She carried a colonial bouquet of white orchids.

Mrs. Rhoades Allen of Munday, matron of honor, was attired in a pink dress accented by white accessories and a corsage of rose carnations.

Louis Nichols of Lubbock attended the groom as best man.

Immediately following the ceremony, the wedding party was feted with a reception in the home of Mr. and Mrs. Bills. The attractively decorated two-tiered cake and punch was served to 35 guests.

Following a brief wedding trip to New Mexico cities, the couple will be at home near Estelline after June 10, where the bridegroom is engaged in farming.

The bride is a graduate of Whiteface High School and Texas Technological college. She was a member of Tau Beta Sigma and Phi Gamma Nu.

The bridegroom is also a graduate of Texas Technological College where he was a member of the Wranglers' fraternity. He graduated from Estelline High School.

- PERSONALS -

Charles Cullin and Roddy Starogel visited over the weekend in Lubbock with Roddy's cousin, Charles Roberts.

Mr. and Mrs. Rudolph Miller and Mr. and Mrs. Herschel Combs and family visited in Wellington Sunday in the home of Mr. and Mrs. L. A. Dickey.

Mrs. T. J. Dunbar left Sunday for Dallas to attend the funeral services of a nephew, Aston Dunbar, who was killed in a car wreck Saturday. The latter part of the week she will go to Mineral Wells to join Mr. Dunbar where they will vacation for approximately two weeks.

Earl Cason of Childress was a business visitor in Memphis Monday.

According to word received here this week by friends Reuben Martin and Dorothy Welcome were featured over Radio Station KGFJ Los Angeles Wednesday in a two piano recital. Mr. Martin formerly lived in Memphis and is well known here.

Mr. and Mrs. Morgan Baker attended the quarterly meeting of the Texas Branch, National Chinchilla Breeders Association which was held in Lubbock Saturday night, June 9, at the Hilton Hotel.

Mrs. Claud Johnson and Mrs. H. H. Lindsey visited in Lubbock from Sunday until Wednesday with relatives. Mrs. Norman Heath who had been visiting here with her parents, Mr. and Mrs. Lind-

sey, accompanied them to her home in Lubbock.

Mr. and Mrs. R. L. Madden and Helen Madden arrived home Saturday night from Dallas where they had been for more than two weeks. Mr. Madden, who underwent major surgery while there is recovering nicely.

Mr. and Mrs. Billy Jack Talley and family of Clarendon visited her parents, Mr. and Mrs. C. T. Hayes over the weekend in Hedley. Mr. Hayes is working at Big Springs but was also home for the weekend.

Wayne Ewing of Borger visited here Saturday night with Mr. and Mrs. B. O. Shankle.

Mr. and Mrs. Tommy Hulsey of McLean are visiting here this week with her parents, Mr. and Mrs. Roy L. Guthrie.

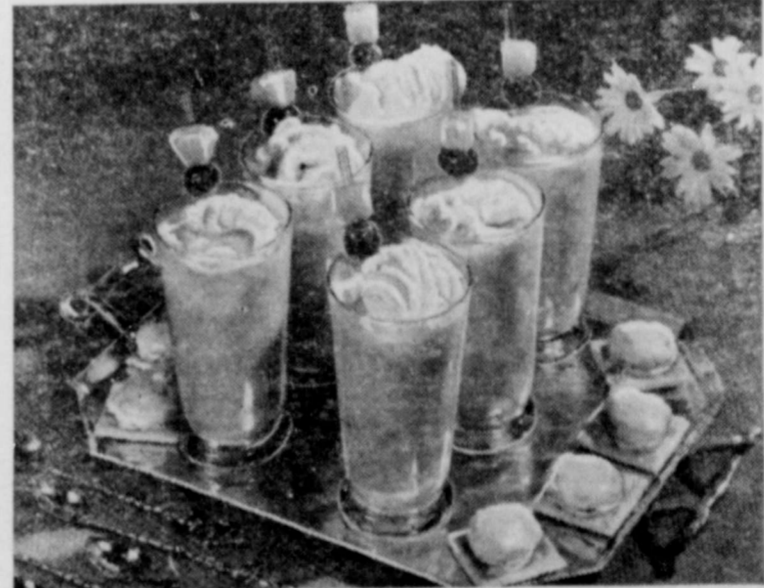

Mrs. Mary Bounds of Amarillo visited here over the weekend with friends, and relatives.

Jo Lamb, Mrs. Jean Lamb and LaVern Dodson of Amarillo visited Mrs. Joe Lloyd Mothershead in Parnell Sunday.

Birdie Sanderson, Effie Gipson and Mr. and Mrs. Lewis Conn spent the weekend at Vigo Park with Mr. and Mrs. Lloyd Bullock and children.

Mrs. E. F. Storey, Mike and Lorin of Ft. Worth, and Evelyn Krueger of Riesel have been visiting in the home of Mr. and Mrs. David T. McVey.

MILK COOLER PERKS APPETITES

When planning your family meals keep in mind the fact that nutritious milk is needed for energy and growth for every member — young and old. Milk is an economical source of high quality protein, many essential vitamins and important minerals. Of all the foods you eat, it is the best source of calcium and riboflavin. Milk to drink is the simplest way to include these high food values in meals. Cooling summer drinks will help you give the family the milk they need each day.

What could be more enticing to summer's flagging appetites than this frosty milk drink. Made with nourishing milk and ice cream, Mint Delight will pep you up in spite of warm weather. Whether it's a back yard party for the youngsters or a friendly porch get-together, the cooling appearance of this beverage tray will win approval.

The green color and minty flavor are a perfect complement for scoops of ice cream on top. An added attraction is the clever fruit garnish for sippers. Cubes of pineapple and whole maraschino cherries are speared through with glass or paper straws. Serve with crack-

er-marshmallow snacks which have been browned under the broiler or with marguerites. Mint Delight makes any time refreshment time.

MINT DELIGHT
6 cups milk
4 tablespoons sugar
1 1/2 teaspoons peppermint extract
5 to 6 drops green food coloring
Few grains salt
1 pint vanilla ice cream
Maraschino cherries and pineapple chunks

Add sugar, peppermint, food coloring and salt to cold milk, stirring to blend. Pour into cold glasses, top with vanilla ice cream and garnish with maraschino cherries and pineapple chunks on sippers. Serves 6.

Harrell Chapel Club Meets Mon.

The Harrell Chapel Needle Club met Monday afternoon at the community house with Mrs. Louis Richards as hostess. The afternoon was spent quilting.

Members present were Meses. Roy Widner, Otis Cobb, R. B. Phillips, J. N. Helm Jr., Clifford Jester, Mack Richards, Orval Phillips, and Miss Joyce Widner, and hostess, Mrs. Richards.

Two visitors, Mrs. L. L. Jester and Miss Uleta Jester of Altus, Okla., were also present.

The club adjourned to meet July 9 with Mrs. Orval Phillips as hostess.

Editorial

There Must Be A Better Way

One of the principal issues before the American public today is the current beef rollback which the Office of Price Stabilization has decided must be put into effect.

Cattle people, from the big city packer to the rancher and wondering cowboy, tell us that such a rollback won't work. But their words seem to fall on deaf ears in Washington.

We agree with the cow people! It won't work, not the present program, and here's why:

Price Stabilizer Michael V. DiSalle and his crew seem to be trying to play the housewives against the cattlemen.

Now the cattlemen are for lower prices just as much as the housewives, but you can't lower prices one place when everything else is out of line!

The OPS seems to be trying to play the one segment of the American economy against the other.

The current beef roll back will not work for the reason that you can't put a price control on an industry like the cattle industry in the middle group as they propose to do.

There are no rules or laws about what a rancher can sell his cattle for and with the high prices of feed and range land, he certainly is going to get every cent he can for them just like you would if you had some cattle to sell. Thus when he does find a market at the current trends, and it is high, the packer or slaughterer who must buy these cattle in competition at a sales or auction ring, certainly can't be expected to take a decreased profit for his labor, just so the American housewife can buy meat from her butcher for a few cents cheaper.

Already there is a meat shortage. Mr. DiSalle claims this will remedy itself shortly. But if you were a packer and stood to lose on each cow you butchered would you be in any hurry or rush to lose your money? Well, packers and slaughterers are no different. They are in business to make money, just like anyone else, and if necessary, many of them are going to go out of business before they operate under such conditions.

Now, in case you are among those that agree that beef is too high and want to see a decrease in price, we agree with you that it is high, but we don't believe in discriminating against one group in the industry to get those low prices.

The government is sitting uneasily on the price lid, and well it should be.

What happens when more people find less goods? What happens to prices? Of course, you know the answer.

Prices in the meat industry are no more out of line than the prices in the automobile line, the grocery line, the household supply line or any of a number cost-of-living items.

Since World War II wages have increased and increased, goods have become shorter and more scarce, and when such a condition exists, any economists can tell you prices are going to be high.

And no price lid can make them cheaper and be a successful program. In the American system of economics, one group cannot be sacrificed for the sake of another.

Therefore, we believe that the Office of Price Stabilization should study their roll back program and see if they can't adopt one that is fair to all concerned.

HE WHO NEVER LEARNS

Press Paragraphs—

QUOTING OUR NEIGHBORS

OPS is out to ruin you . . .

This may sound like a strong statement, but we can draw no other conclusion from the edict issued by OPS Administrator DiSalle on May 11, 1934!

On that day which will go down in the minds of locker operators as a black one, DiSalle issued his OPS Ceiling Price Regulation 25, Amendment 1. This regulation prohibits the vast majority of locker plant operators from making any profit on the sides and quarters of beef they sell to consumers!

The facts in this case clearly show that Mike DiSalle and his cohorts in the Office of Price Stabilization are apparently out to "get" the locker plant industry. Virtually every other industry including the retail meat markets, have been permitted their normal markups and in many cases ever greater. But the locker plants are forced by DiSalle to sell quarters and sides of beef at a loss. Why? That's what the locker plant industry would like to know.

Mr. DiSalle and his lieutenants certainly knew the markups which locker plants were accustomed to in selling sides and quarters of beef for Robert Madeira, executive secretary of the National Frozen Food Locker Institute had informed OPS officials Arval Erickson and L. H. Rhodes of the normal profit margins which locker plant operators charge.

Mr. Erickson assured Bob Madeira that locker plants would be permitted a 15% markup on sides and quarters of beef sold, this figure to include processing fees. But when Ceiling Price Regulation 25 came out it permitted a mark-up of only 1 1/4c per pound. After Madeira protested this ridiculously low margin OPS issued an amendment permitting locker plants to charge 2 1/4c per pound. This provides very little relief and when Madeira showed Mr. Rhodes an official survey made by the National Frozen Food Locker Institute as to just what locker operators had been getting last year for handling sides and quarters of beef for customers, Mr. Rhodes poo-hoed it and said it didn't carry any weight because the survey was not by the government!

OPS officials know what profit margin locker operators made last year on sides and quarters of beef, who do they refuse to let operators make the same profit this year? Locker men can't be expected to lose money on the meat they handle. And if they stop selling beef at wholesale millions of Americans will have to buy it at retail and pay a much higher price for it. Could this be what OPS wants? Apparent as long as OPS is out to make consumers pay more for beef and ruin the business which the locker industry had of selling 25,545 sides of beef a week at wholesale . . . so you had better ruin it first!

From the Locker Management

ELMER (N. J.) TIMES says: This much is to be said for Truman: His Administration has been consistent. Every year brings a lower tone of public morals in Washington—and higher taxes.

PIQUA (OHIO) DAILY CALL (Rep.) says: For the first time in history the United States is fighting a war according to rules laid down by this nation's so-called allies. It is this situation which brought about the recall of General MacArthur, who insisted that if U. S. forces were to do most of the fighting they should be permitted to do so on their own terms, without being handicapped by the selfish views of the heads

of other nations.

The policy currently being followed has made the situation in Korea all but impossible, and precludes any chance of victory for the U. S. . . .

BURR OAK (KAN.) HEARLD (Rep.) says: A short time ago we remarked that the Federal government was adding a lot of new employees, without knowing at the time just how the figures now to substantiate the statement: The Federal government added 60,594 employees to the payroll in Jan-

Picture Windows
 Some time now there has been a craze for "picture windows" in homes to allow the outside world to see a better view of the inside. But, any window, great or small, becomes a picture window when the air is filled with sweet scents and the garden is in bloom. The call of Nature rings in our ears and God's creation weaves a magic spell round our will power, making us powerless to resist its compelling beauty. It's little wonder that those born in the month of June are alternately industrious and lazy; hap-

"O, what is so rare as a day in June
 If ever come perfect days!
 Then the wind tries the earth if
 if be in tune
 And over it softly, her warm ear
 lays".

With the coming of June, we are seized with an urge to dig worms and go fishing, to pack a picnic basket complete with the Flit gun and head for open country. The call of Nature rings in our ears and God's creation weaves a magic spell round our will power, making us powerless to resist its compelling beauty. It's little wonder that those born in the month of June are alternately industrious and lazy; hap-

MAYOR McGUP By John Jarvis

my West, Coy West, Johnny Pritzil and Jerry Monzingo.

Heavy hitters for the Red Devils were Cleve Evans, Jerry Hill, Jimmy Hill, John Deaver, Kenneth Taylor, James Moss, Campbell Morris, Billy Cheek and Johnny Chamberlain.

First home run of the Junior League season was hit by Jerry Hill. Hill was the winning pitcher and C. L. Wynn pitched for the Wildcats.

Intermediate League

The Duanne Miller Cardinals opened their season by tromping the Torrados 27 to 1. The Cardinals scored 7 runs in the first inning, 6 in the second, 4 in the third, and 4 in the fifth. The Torrados scored in the third inning but after that were unable to get any hits off of Lloyd West's pitching.

Duane Miller, Carl Lee, Duke Frisbie, Troy Taylor, Jimmie Gibson, Charles Hartman, Rayford Hutcherson and Lloyd West all collected hits while Kenneth Cheek was the only Tornado who collected a hit.

Games scheduled this week include the Swayne McCauley Jets versus the Bobbie Morris Cats in the Pee Wee League at 6:45 p. m. Friday and the Junior League game at 7:45 p. m. the Don Ivy Eagles versus the Rodney Veteto Wildcats and the Intermediate League game at 8:45 p. m. with the Cardinals versus a team to be announced later.

At birth, a baby giraffe is about four feet tall at the shoulder.

In a sneeze, the expelled air travels about 100 miles an hour.

KIDNEYS MUST REMOVE EXCESS WASTE

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts. If reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 60 years. While often otherwise caused, it's amazing how many times Doan's gives happy relief from these discomforts—helps the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Softball Teams Start Season With Scoring Sprees In Two Games

Softball season started in Memphis with an explosive bang June 1 as the James Moss Red Devils

defeated the Rodney Veteto Wildcat by a top heavy 14-4 scoring spree.

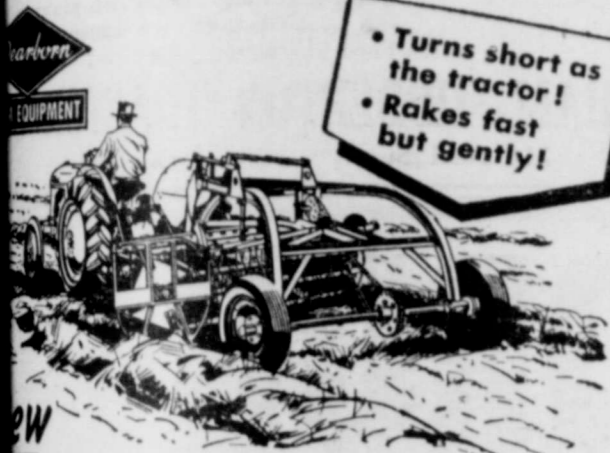

The Red Devils pulled ahead in the first inning with 6 runs but the Wildcats advanced in the second and third innings with 4 runs.

The game then settled down until the top of the sixth inning when the Red Devils pushed their other runs across. Crossing home plate for the Wildcats were Jim-

py and miserable; capable of great good and great evil. The beauty of the world about them is so disarming. Furthermore, June-born folks have great imagination and a liking for parties, people and excitement. A rose is the flower and pearl the birthstone of June.

Quite naturally June rhymes with spoon, croon and honeymoon as it is the month of wedding bells and orange blossoms. And fittingly Brigham Young, the man of many wives, iron-willed president of the Mormon Church and great builder of the West was born 15 years ago the first day of this June.

For a cap of bells our lives we pay,
 Bubbles we buy for a whole soul's tasking;
 'Tis heaven alone that is giver away,
 'Tis only God may be had for the asking;
 No pride is set on the lavish summer;
 June may be had by the porrest comer.
 (J. R. Lowell)

- and then some!

There are a lot of reasons you can expect a new GMC to keep hauling a lot longer than any other truck you can buy.

First is the fact of horsepower. Whether it's a gasoline-powered 1/2- to 2-tonner with horsepower unbeaten in its class, or one of the new heavy-duty Diesels—you can't beat a GMC for "go"!

But the extra value you find in these great trucks doesn't end at the power plant.

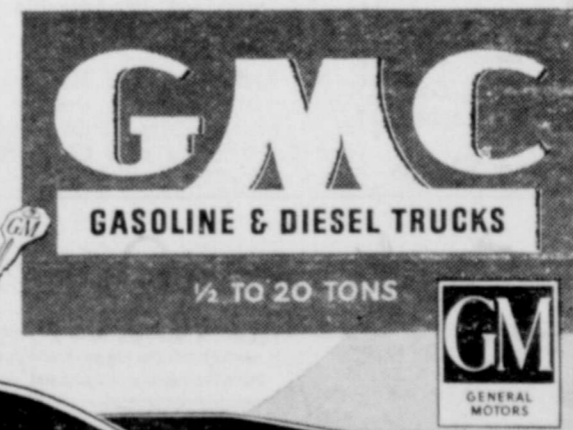

There's the smooth GMC Synchro-Mesh Transmission linked to a sharp-shooting drive line, pouring every ounce of power back to the rugged rear axle. And the solid way horsepower becomes wheel-action—you know there's extra depth of truck performance engineered right down through

the broad-shouldered frame of a GMC!

And standing guard over these long-time trucks are husky brakes with more area than most—the surest, easiest steering ever devised to direct a pay load home—all controlled from a spacious "Six-Footer" Cab that's Weathersealed for a lifetime.

GMC's are made in the widest variety of engine-body-chassis combinations to meet any trucking need. And the prices? No better buy anywhere! Come see for yourself.

Get a real truck!

El Paso to Stage Air Force Aid Drive June 30

All the pomp and ceremony of a gala Hollywood Premier will explode upon El Pasoans when the 1951 Biggs Air Force Aid Society Drive gets under way Saturday, June 30.

Perhaps the greatest array of motion picture celebrities to ever descend upon the Southwest will arrive in El Paso via the "Biggs Hollywood Airlift" to participate in the frivolity and excitement that will mark the "kick-off" of this giant charity drive. The group will feature a bevy of lovely and glamorous feminine stars plus an escort of handsome leading men from among Hollywood's top names.

Five days of prizes, thrills, excitement, gaiety and laughter will mark the gala fiesta titled "Carnival Daze", to be held on the premises of Biggs Air Force Base from June 30th through July 4.

The free show is sponsored by the Air Force Aid Society whose mission is to better the morale and welfare of all Air Force Personnel by rendering needed assistance in the form of non-interest bearing loans, direct cash grants in times of unforeseen emergencies, and educational loans and grants to Air Force personnel and their dependents.

Biggs' old main gate area will be the site of the colorful spectacle with thirty-two different, gaily bedecked concession stands marking the fun section. The smell of pop corn will be in the air. Cotton candy, soft drinks, hot dogs and all the trimmings needed to rend the atmosphere with a feeling of holiday festivity will be present.

There'll be rides for the kiddies including special tiny tots ferris wheel, merry-go-round, miniature train and airplane. For the adults, a wide variety of entertainment and games is planned to include such things as a dart game, snake pit, penny arcade, mice race, drop the milk bottles, ring the bell, and salami throw. A few of the features to be seen across the midway will be the ever popular Monkey Dunk, a real western style Crooked Deal Saloon, and the oriental intrigue of the Little Egypt Show.

In addition, a giant jackpot of prizes will be awarded. Over \$20,000 worth of wonderful door prizes will be given away to persons holding Air Force Aid Society Membership cards. Sale of these membership cards is being handled by the Officers and Air-men's Wives Clubs. These are available for purchase now.

Col. James Y. Parker, Commanding Officer of the 97th Air Base Group has extended a wide open invitation to all civilian and military personnel in and around the El Paso area to attend the free "Carnival Daze" extravaganza June 30th at Biggs Air Force Base.

Attorney General Price Daniel, left, obtains a court order from District Judge Jack Roberts of Austin stopping the Maceo gambling syndicate of Galveston from using telephone wires and equipment to bring horse race gambling information into Texas.

State Halts Wire Service To Maceo Gambling Group

Austin—The past week witnessed Texas' biggest crackdown on gambling and organized crime.

The House Crime Investigating Committee held closed hearings which blew the lid off secrets of the Maceo gambling syndicate in Galveston and revealed an annual gross income in excess of \$3,000,000 from slot machines, tip books, dice tables, roulette, horse race betting, and related businesses. A public hearing is tentatively scheduled for June 25.

Attorney General Price Daniel who helped the committee in its investigation, followed through with a law suit against the 16 Maceo partners, Southwestern Bell Telephone Company and Southwestern Associated Telephone Company, to stop horse race gambling information from being brought into Texas over telephone wires.

District Judge Jack Roberts of Austin granted Daniel's request for a temporary restraining order and set the hearing for a temporary injunction for June 18.

By 3 o'clock on the afternoon of filing suit the five elaborate Maceo gambling parlors had closed down because their wire service had been stopped by the courts order.

Daniel's suit was similar to the one he brought in 1949 against Western Union Telegraph Company and the Texas "front" for Continental Press which resulted in the first state-wide injunction in the country against transmission of gambling information.

Daniel alleged that the gambling information was being assembled from race tracks throughout the nation by "a so-called news service known as the Continental Press." He said, "this organization is substantially influenced and in some places controlled by the Capone Crime Syndicate, which steals or otherwise obtains racing information from most tracks in violation of state laws."

Daniel said his assistants and investigators had been working on

Mr. and Mrs. Conrad Lohoefer visited in Amarillo over the weekend with his parents, Mr. and Mrs. D. H. Lohoefer and her parents, Mr. and Mrs. Walter J. Caserta. Mr. Lohoefer returned home Monday morning while Mrs. Lohoefer remained in Amarillo to visit this week.

Mr. and Mrs. Bert Miller are visiting in Clovis this week with their daughter, Mrs. Ervin Brewer and family, and son, Clyde Miller and family.

Farm Income 53% Higher Now Than Last Year

Texas farm income in the first third of 1951 was 53 per cent higher than the same period last year, the University of Texas Bureau of Business Research reports.

Only cotton, cottonseed, wheat, fruit and vegetables showed a downward trend in income.

Total farm cash income, January through April, was estimated at \$378,316,000. More than a third of the total came from cattle sales, 63 per cent higher than during the like period in 1950.

Other impressive gains were made by milk and milk products, up 80 per cent, and hogs, up 60 per cent.

Wool and Mohair prices have more than doubled since April, 1950. Consequently, in spite of nearly equal marketings, income from those items has risen 71 per cent for mohair and much more than that for wool. The 95 per cent decline in income from wheat is reportedly a result of a poor crop and correspondingly-reduced marketings.

Texas farm products prices continued their slow but steady climb in April. The department of Agriculture mid-April index was up three points, nearly one per cent higher than in March.

Automobile Bill For Amputee Vets Expires June 30

Disabled veterans of World War II who may be entitled to government financial aid in acquiring an automobile or other conveyance were reminded by Veterans Administration today that the deadline for applications under existing law is June 30, 1951.

The law provides that VA shall pay up to \$1600, toward the purchase price of a car, truck, tractor or other automobile conveyance for a World War II veteran who lost the use of one or both legs at or above the ankle due to service.

VA said every effort would be made to adjudicate prior to expiration of the law all claims received on or before June 30 but advised eligible veterans to get there applications in as early as

Amazing Discovery by Helena Rubinstein

Deep Cleanser removes the dirt which old-fashioned face creams left behind.

New "Deep Cleanser" penetrates deeper into pore openings!

Helena Rubinstein's revolutionary DEEP CLEANSER makes old-fashioned cleansing creams obsolete. It penetrates deeper into pore openings, removes the dirt and make-up which other creams left behind.

And this mild, quick-acting fluid contains super-emollients which counteract dryness.

Helps prevent surface blemishes. Ordinary creams don't destroy bacteria which commonly cause blemishes—they merely work some off the surface of your face. The bacteria left behind can easily enter pore openings and make your skin "break out."

Helena Rubinstein has incorporated a sensational new anti-septic in DEEP CLEANSER. Mild, pure R-51 penetrates deeper and destroys the bacteria.

Helena Rubinstein has included two remarkable cleansing agents in DEEP CLEANSER—"hydrophylic" to remove grime containing water, "lipoidphylic" for grime containing oil.

Result: DEEP CLEANSER penetrates deeper and floats away both kinds of grime. Your face is left immaculately clean—and germ-free.

Costs less than any other cleanser. One drop of DEEP CLEANSER goes so far, only ¼

teaspoon will cleanse your whole face. The huge economy-size bottle contains 160 cleansings, yet costs only 1.50 (less per cleansing than ordinary creams). Used every night this amazing cleanser costs less than a penny a day!

Deep Cleanser comes in a handy plastic squeeze bottle. Keeps contents at high-purity 150¢ per tin

Must Apply Before July 25 GI Training

Other veterans, in school under the GI Bill during the regular school year have asked whether they will be required to attend summer school in order to return to class this coming fall, after the cut-off date.

Those veterans need not attend summer school, VA replied. Their summer vacation will be considered an interruption which is normal to all students—and therefore beyond their control—and they will be permitted to resume this fall in the same field of study.

A number of veterans who have had GI training some time in the past have been asking whether, because of the fact, they would be exempt from the July 25 cut-off date, and could start new courses after that date.

The cut-off date will apply to them, VA said, unless they have returned to military duty and won't be able to start a course on July 25 for that reason.

Many World War II veterans who have gone back into uniforms have been concerned about the forthcoming cut-off date and how it will effect their future plans for GI Bill study VA stated.

VA's answer is that a veteran who interrupted GI Bill studies since that time has re-entered service will be permitted to continue his training after discharge even if he gets out after July 25. His postservice training, which must begin within a reasonable time after discharge will be limited by his remaining entitlement and the July 25, 1956, windup of the program.

But a veteran who has never had any GI Bill training, and has gone back into service, will be bound by the July 25 date, VA said.

Price Daniel Authors Book on Texas Laws

All Texas laws relating to public notices are now available in one volume, for the first time in a 256-page book entitled Texas Publication Laws.

Author of the work is Attorney General Price Daniel. It is published by the Texas Press Association, in Austin.

Compilation of the material in book form was made by Attorney General Daniel, as a public service at the request of the Texas Press Association, according to Fred Massengill, Jr., Terrell Tribune publisher and TPA president. "The book was written to satisfy a great need for keeping Texas citizens informed," said Massengill.

"Because there are a great number of laws and rulings on the Texas statutes, having to do with public notices of one kind or another, there has been, in the past, much confusion as to who was responsible for such publication, as well as to details governing the specific type of notices on which state laws require publication.

There has never before been a convenient reference book to which officials could refer. With the book of Texas Publication Laws at hand in newspaper and city and county offices, most of that confusion can now be entirely avoided," he stated.

The book is available, in limited supply, on a cost-of-production basis, at \$5 per copy. Material in the volume is divided into two parts. Part one deals with the General Publication Act, the Mandatory Publication Act, Label and Contempt of Court.

The Mandatory Publication Act became law following passage, during the 1949 sessions of the legislature. It is a law making it mandatory that public officials who are required by law to do so publish legal notices as called for by the Texas statutes. Penalties for failure to do so are provided in the act.

Part two of the book of Texas Publication Laws is a compilation of all constitutional provisions, statutes, and rules relating to newspapers and publication of legal notices. In addition, there is a detailed, cumulative index covering all subject matter and officials referred to in the entire book. Under the name of each public office there is a list of all publication laws which relate

specifically to the duties of that particular official.

The book is dedicated to Texas newspaper publishers, editors, lawyers, and public officials.

The average human heart weighs about 11 ounces.

A Chinese radish may weigh as much as 50 pounds.

Livestock Shipments Up For March, April

Shipments of Texas livestock rose 87 per cent from March to April, reaching a level 6 per cent above April, 1950, the University of Texas Bureau of Business Research reports.

Cattle shipments increased from 3,669 carloads in March to 7,721 in April. Sheep shipments were up 198 per cent over the same period.

Hog shipments dropped 5 per cent from March to April but maintained a 15-per-cent margin over April, 1950. Cattle and calf shipments in April were 6 and 17 per cent more, respectively, than in the same period last year, while sheep shipments decreased 3 per cent.

HERE ON LEAVE

Pfc. and Mrs. Carl M. Wilson are visiting here with his parents, Mr. and Mrs. Carl M. Wilson Sr. Wilson, who has been stationed at the marine base at Point Mugu, Calif., will report to Camp Pendleton, Oceanside, Calif. on June 18, following a 15-day leave.

Mr. and Mrs. Parks Mitcham have had as guest the past two weeks their daughter, granddaughter, and great grandchildren, Mrs. H. A. Vawter, Mrs. J. B. Fonteno Jr., and Sherye and Don Marvin of Los Angeles, Calif.

PLENTY DEGREES COOLER INSIDE

THESE folks are enjoying something that's being pioneered by Buick.

It's freedom from the blinding glare of bright summer sunlight.

It's freedom from hot laps—caused by the sun's rays beating down through the broad expanse of windshield.

These freedoms trace to a new feature you may have noticed in '51 Buicks—a new kind of glass! with a cool, soft, blue-green tint, in every glass area of the car, front, side and back.

Buick engineers tell us that this "Buick first" reduces glare 18% over conventional glass—cuts sun heat as much as 45%—and Buick engineers are very conservative fellows.

This glare-and-heat-reducing Easy-eye glass is factory-installed at moderate extra charge. It gives you a built-in transparent "sun visor" right in the windshield—and it also dulls the dazzle of oncoming headlights at night.

As we've said, this is something Buick owners were the first to enjoy. It takes

its place with such exclusives as the valve-in-head Fireball Engine—coil springs on all four wheels—the firm power linkage of torque-tube drive—and the magic of Dynaflo.*

As we've also said—rather modestly—"Smart buy's Buick."

Come in soon and find out what an understatement that really is.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other series.

No other car provides all this!

- DYNAFLOW DRIVE* • FIREBALL ENGINE
- 4-WHEEL COIL SPRINGING • DUAL VENTILATION
- PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

When better automobiles are built BUICK will build them

"Smart Buy's Buick"

*Optional at extra cost—available on most models. (Not presently available in California and Massachusetts.)

Lakeview Seniors See New Orleans on Trip

(Editors Note: The following article was written by Mary McCanne, Lakeview Senior, and gives the highlights of the trip to New Orleans by the Lakeview Senior Class and sponsors. The group left Lakeview on May 19 and returned May 25.)

The Senior Class of Lakeview, together with their sponsors, Mr. and Mrs. Jesse Whittington, Mrs. Paul McCanne and Mrs. Lance Leggett, started their senior trip at 4 a. m. Saturday, May 19.

Since the scenery the first day was familiar to many of the seniors, they took advantage of the time in "Catching up" on sleep lost the few nights of Senior activities. We carried lunch for the first day and enjoyed a picnic. Nothing of unusual interest was noted until we reached Shreveport about 3:30 p. m. and we noticed it's large Negro population. After getting settled in our courts, we decided to attend the

Louisiana Hayride. We all enjoyed the evening of music and fun. One member of our class, Mary McCanne, was chosen to appear on the program. Because she could answer some questions pertaining to musical program, Mary won a number of prizes.

When we left Shreveport the next morning, we began to notice a great change in geographical conditions. Here we began to notice the Spanish moss and the beautiful wooded sections. Near Baton Rouge, we saw our first Magnolia and Mimosa trees. At Baton Rouge, we saw the capitol building, then had lunch. Our sponsors were quite perturbed upon learning that we had all chosen fried chicken for lunch, in spite of the fact that we were eating at a restaurant well known for it's sea food.

By 4:30 p. m. Sunday, we had checked in at our courts at New Orleans, had our luggage all unpacked, and were deciding where to go that evening. Lake Ponchartrian was chosen for Sunday evening's entertainment. Everyone enjoyed the rides and other concessions at "Little Coney Island."

Next morning we began our sight-seeing tour. Thanks to the skill and willingness of our driver, Kenneth Sams, we were able to do a lot of sight-seeing on our bus. He showed dexterity in driving the bus through the heavy traffic in down-town New Orleans and had no trouble in taking us wherever we wanted to go.

We took the 3 1/2 hour boat trip up the Mississippi, but were disappointed because the "Father Waters" was so muddy and ugly. We especially liked the French quarters with their old-world atmosphere. During this tour, we regretted that we hadn't spent more time learning History. Of course, we were shown the plantation houses with slave quarters.

On our road out of New Orleans, we crossed the famous Huey P. Long bridge—a truly wonderful work in engineering. Between New Orleans and Galveston we observed more agriculture. The main crops were sugar cane, rice and sweet potatoes. It was interesting to note that Brahma cattle were being used to cross with the other breeds.

Another experience to be remembered is the Ferry crossing at Bolivar's Ferry. For most of us, this was the first ferry ride. Our night in Galveston was somewhat marred by a robbery. Three of the boy's wallets were stolen. In spite of this, we liked the swimming and fishing in the Gulf.

To some of us, the climax of the trip was the stop in Houston. Here we went through the Sam Jacinto monument and The Battleship, Texas.

From Houston, we went to Austin and spent Thursday night in our capital city. After going through the capitol, we feel ever greater pride in being a Texan. The drive from Austin to Lakeview was not so important for it's historical value, but it meant a lot to us because we were on our way home.

We reached Lakeview on Friday at 7:15 tired, dirty, and sunburned, but with enough beautiful memories to last for years.

Mrs. W. J. Bragg is visiting her son, J. W. and his family in Amarillo this week.

Local Seniors Return From Five-Day Trip

The graduating class of Memphis High School returned home from a five-day trip to Spring Springs and Manitou Springs.

The annual senior trip was held while the Garden of the Gods was in bloom. They visited the Garden of the Gods and other places of interest between the two towns and participated in horseback riding, fishing and swimming. They attended the Ice Follies.

The trip was made by Charter and most of the expense was paid by the class.

Those who made the trip were: Foster, Frances; New Patsy Combs, Patsy; Ann Spoon, Patricia; Minnie Jackson, Betty; Edine Gable, Nancy; Patsy Goodnight, Beryl; Ables, Margaret; Shirley Halle, Don; West, Johnny; Freelen, Eddy; Lee Bloxom, Alvin; Alvin Bishop, Al; Carroll Foxhall, Harold; Bill Cowan, Roddy; and Donald Payne.

The group was accompanied by Miss Laura Mai Hieb, Mrs. Phaton Alexander, and Mrs. George Chil-

IRA 'BONES' McQUEEN of Memphis admitted being a bit jealous when the above picture was snapped. The 80-pound, 5½ foot tarpon, had just been hauled in by Mrs. McQueen, when the couple was on a fishing trip to Port Aransas. "I'll never bait her another hook," he said. Mrs. McQueen hauled in the big catch in 20 minutes. As for her husband — well, all he could do was pose with her prize catch.

Legal Notice

THE STATE OF TEXAS COUNTY OF HALL NOTICE is hereby given that, whereas on the 10th day of April 1951, by order of the District of Hall County, Texas, in cause No. 3389, styled Mae Paul vs Horace Paul, et al in the District Court of Hall County, Texas, he undersigned E. S. Morrison was appointed Receiver to sell at public sale as under execution all that certain lot, tract, or parcel of land lying and being situated in Hall County, Texas, described as a part of Section No. 23, Block A, AB&M Survey in Hall County, Texas, described by metes and bounds as follows: Beginning at a stake 475 varas North from an iron pipe, the Southwest Corner of said survey No. 23; Block A, AB&M Thence North 1425 varas to a stone, the Northwest corner of said Section; Thence East 515 varas to a stone; Thence West 515 varas to the place of beginning, containing 130 acres of land, more or less.

Now therefore, I, E. S. Morrison, Receiver aforesaid, hereby give notice that I will accordingly, after due publication of this notice in compliance with requirements of law and said order of court, sell at public vendue to the highest bidder, for cash, at the Courthouse door of Hall County, Texas, in which such property is situated, between the hours of ten o'clock A. M. and four o'clock P. M. on the first Tuesday in July next, the real property hereinabove set out and described.

Witness my hand this 1st day of June A. D. 1951.

E. S. MORRISON Receiver.

Memphians Enter Horses In Raton Races Next Month

Three horses owned by Memphians are being trained at La Mesa Park, near Raton, N. M., by E. L. Wood of Wellington in preparation for the thoroughbred and quarter horse racing season which begins July 7 and continues until September 10.

The horses, Peaches Howard,

owned by A. W. Howard and Way Jean, owned by Bill Crowder and Blind Chip owned by both Howard and Crowder.

The first annual La Mesa Park Palomino and quarter horse show will be held at the racing grounds June 9 and 10.

cent fewer than in April, 1950. The University of Texas Bureau of Business Research reports.

Agriculture Class Visits Potts' Ranch

The Childress agriculture class and Instructor L. R. Armstrong visited the Potts ranch Tuesday and inspected and judged some of the Registered Heffords and improvements of the ranch.

The boys were conducted on the tour by Tommie Potts who explained his ranching set-up and showed his cattle.

Members of the class were G. W. Lerner of Carey, Roy Neeley of Tell, E. R. Howard of Goodlet, Clem Timmons of Northfield, W. S. Wall of Quanah, Forrest Word of Quanah, C. G. White of Tell, E. B. Sisco of Childress, Walter W. King of Kirkland, R. C. El-Hott Jr., of Tell, John Epps of Childress, Paul Bennett of Childress, V. W. Eason of Kirkland and P. D. Moore of Kirkland.

Myrtle Howard Wins Rexall Award

Myrtle Howard, member of the sales staff of Fowlers' Rexall Drug Store is the recipient of the Rexall Citation of Merit awarded by the Rexall Drug Company of Los Angeles. John Fowler, store proprietor, said the award was made in recognition of Mrs. Howard's sincere enthusiasm and desire to serve and "in acknowledgment of unusual initiative."

Of all the salespeople who sell Rexall Drug Products, and who work in the ten thousand independently owned Rexall Drug Stores, only a limited number are selected each year to receive this award.

Bible School To Start Monday At Leslie Church

Vacation Bible School at the Leslie church began last Monday afternoon according to Supt. J. B. Adams.

Class will be held from 3:30 to 5:45 p. m. and there will be classes for each age group from beginners to the intermediate. Hand work and manual training will be taught.

Everyone is invited, Supt. Adams said.

Here's 180 Horsepower... on regular grade gas—Now!

It's always interesting to hear about future-looking experiments with new super engines to run on new super-octane fuels...someday.

But it's even more interesting to hear today's real life, on-the-highway talk about Chrysler's new super-performing FirePower engine. FirePower takes any regular grade gas you care to buy... and adds its own new mechanical octanes to the power-giving octanes of the gasoline itself. The result is 180 horsepower performance such as no other passenger car built in the U.S. today can equal.

If you haven't driven Chrysler FirePower yet, your Chrysler dealer invites you to do so now. It's the most revolutionary engine in 27 years. It offers highway satisfaction and safety such as you've never known.

And it's a sounder engine other ways than any other on the road. Its new design keeps it almost completely carbon-free. It is smooth and quiet... but also rugged and strong and free from need for great attention and repair.

Now remember that this same new Chrysler offers you the new Hydraguide power steering... plus the amazing new rough-road stability of Oriflow shock absorbers... plus Water-Proof Ignition, and Vacuum-Ease Chrysler Cyclebonded super-brakes... then come see what we mean when we say the car of your tomorrow is right here for you to drive... today, and for years to come!

*Hydraguide regular on Crown Imperials, optional at extra cost on other Imperial and New Yorker models.

180 HORSEPOWER Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower

finest engine ever put in an automobile

ROTARY HOE Controls Weeds in the row

REDUCES HAND HOEING

Quoting Mr. D. L. Jones, superintendent, Texas A & M Experiment Station, Lubbock: "At present, this is practically the only tool that will control weeds in the drill row before close sweep cultivation is possible."

Here are some advantages of the rotary hoe:

1. Uproots weed seedlings in the row; allows topsoil to dry, preventing further weed growth.
2. Works best at high tractor speeds, without damage to cotton or corn plants—up to 60 acres per day.
3. Definitely stimulates young crops.
4. Breaks soil crust, helping crops to come up.

Allis-Chalmers rotary hoes are front-mounted, where you can watch them easily without turning your head. You can keep the teeth exactly on the row, getting rid of the weeds that cause the most trouble.

See us right away about an Allis-Chalmers Rotary Hoe for your farm.
