Cyclone B's To Face Wellington Tonight

The Cyclone B squad takes the field here tonight in their third game of the season against the Wellington Skyrocks B squad.

Coach Bob Blair has guided the Cyclone B's through one victory over Canyon 19-6, and one tie against Childress 13-13, although Memphis won on penetrations.

Named as probable starters by Coach Blair were Jack Montgomery and Omer Johnsey at ends, Max McCoy and Roy Don Coleman at tackles, Monty Clark and Jackie Boone at guards, Kenneth Cheek at center, Dempy Archer at quarterback, Davey Corley and Billy Vallance at halfback slots and Jimmy Davis as fullback.

Rogers, Barnett, Caulfield and Ferguson also are expected to get into the line-up, Blair said. Game time is 8 p. m. at Cyclone Stadium.

Rites Held Sunday For Allene Nolen

Funeral services for Allene Nolen, 34, were held at 2 p. m. Sunday in the Murphy-Spicer Chapel here with Rev. E. E. Pitts pastor of Newlin Baptist church, officiating.

Burial was at Fairview cemetery. Miss Nolen was killed in a traffic accident near Amarillo Thursday night. Officers said that Miss Nolen, a pedestrian, was struck by a car driven by Tommy E. Steele, Amarillo. Witnesses said Miss Nolen had just left a cafe and started across the highway, stepping from between two cars when she was struck down. No charges were filed.

She is survived by four brothers, Lewis E. Nolen, Memphis; Floyd and Howard Nolen, both of Wichita Falls; and Hennis Nolen of Illinois, and three sisters, Mrs. Susie Clifford, West Monroe, La.; Mrs. Lillie Utey, Hempstead, Tex.; and Mrs. Ollie Mantooh, Alice, Texas.

Memphis Polio Victim Reported To Be Better

Condition of Rebecca Wise, 18-month old victim of polio, was reported "good" Wednesday by attendants at St. Anthony's Hospital in Amarillo.

The child is the daughter of Mr. and Mrs. Robert Wise of Memphis. She was admitted to the Amarillo hospital Monday night.

LAKEVIEW—Rev. Alvin Mauldin, pastor of the Methodist Church at Miles, Tex., will conduct services next week during the All-Texas Methodist Revival at the Lakeview Methodist Church. He will be assisted by the Pastor, Bernard F. Seay.

Turkey Bootleggers Nabbed By Sheriff

Hall county Sheriff's deputies and Turkey officers arrested three men in Turkey last Saturday night and charged them with possession of liquor for purpose of sale.

Booked at Memphis jail were F. D. Pierce, Woodrow Kincannon and Sam Byrd. Pierce and Kincannon are out on \$1,000 bail. Officers confiscated 26 half pints of liquor from Pierce's residence and 13 half pints from Kincannon. Byrd was caught with three half pints.

Whirlwinds To Face Childress Fri. Night

Friday night the Memphis Whirlwinds meet the Childress Junior High football eleven in a conference battle at Cyclone stadium.

This marks the second time this season these two teams have met. Memphis won the first game 13-0 earlier this month. Friday night's game marks the opening of the second half of the round robin tournament. By winning over Childress, the Whirlwind could clinch the district title. So far they are undefeated this year. If Childress wins, Memphis still has a chance for the title by defeating Paducah next week.

Kickoff will be at 8 p. m. and admission will be 50 cents for adults and 25 cents for students. The public is invited.

Local Kindness Gets Memphis A New Citizen

Memphis has a new citizen, by adoption. Mrs. Mary Walker has been hospitalized here at Odom hospital since the night of September 27 when she was injured in an auto accident near here which killed one person and injured three others besides herself.

This week Mrs. Walker received an official membership card from the Chamber of Commerce making her an honorary member and a citizen of our city. Mrs. Walker, whose home is in California, has about decided to make Memphis her unofficial home.

"I've never been anywhere where the people have been as nice to me as people here in Memphis," Mrs. Walker said. Still hospitalized with both arms in casts, Mrs. Walker said regardless of how long she has to stay here, when she does leave she never will forget the kindness and friendliness she found here in Memphis.

Her son and daughter both have been here with her but returned to California this week.

CROP Committee Plans Program For Hall County

Walter T. Hightower of Memphis has been named Hall County Chairman of the Christian Rural Overseas Program for this fall after a meeting of directors this week.

Hightower is organizing the campaign for food contributions throughout the county. Other officials in the movement are: Omer Hill—Chairman of Commodities, O. E. Bevers—canvassing chairman, Hulon Clifton—special gifts, Mrs. Isabell Cypert—county secretary and E. A. (Pete) Smith—treasurer. George Ray Colvin of Turkey was named member of the executive committee at large.

The program calls for donations of food for persons overseas who cannot support themselves and are not being supplied through regular channels, Hightower said. Many people in camps, refugees seeking through the Iron Curtain and destitute persons in Japan and India will be assisted.

CROP is nationwide and sponsored by Catholic Rural Life, War Relief Services, Church World Service, serving 29 Protestant bodies and Lutheran World Relief, serving the 8 churches of the National Lutheran Council.

The Hall county Committee for CROP has set a goal of thirty bales of cotton to be contributed to the program.

Governor Shivers To Be In Memphis Early In January

Governor Allen Shivers today by phone told Memphis friends that he planned to be here for a speaking engagement Tuesday, January 15, 1952.

Local men said further plans would be announced later concerning the speech.

Methodist Church

Services for L. G. (Ren) Yarborough, 62, well known of this area, who died early morning were held at church here.

Bollo Davidson, pastor of the church, conducted the service. Burial was at Fairview cemetery.

District Legion Members To Meet In Childress

Seven hundred and fifty American Legionnaires of this district expect to honor State Legion Commander Charlie Gibson of Amarillo, Saturday and Sunday at a homecoming convention in Childress.

District Commander Rhea Smith of Amarillo said that the annual fall convention of the 45 American Legion Posts of the 18th Congressional District will be dedicated to Gibson, the first World War I veteran to head the organization in several years.

Legionnaires from Texas and New Mexico will convene in Childress to honor Gibson.

Legionnaires and their families have been invited to attend the Child Welfare Banquet at 7:30 Saturday night in the Legion Hall of the hosting Childress Post. A dance will follow the banquet.

Methodist Plan Revival

The United Evangelistic Mission in the Methodist Churches of this district will begin Saturday evening with a Youth Rally at Wellington at 7:30 p. m. under the direction of Rev. Roy May of Brady, and more than 500 young people from the Clarendon District are expected to attend.

Each Methodist church in the North Texas and Northwest Texas Conferences will hold evangelistic services next week. At the local church, the Rev. Leslie A. McDaniel of the First Methodist church at Hondo will be the evangelistic preacher.

Rev. Rollo Davidson, local pastor, said Rev. McDaniel has had wide experience in evangelistic services and is a forceful speaker.

Public Invited To School Carnival On Hallowe'en Night

A Negro comedy skit under the direction of Mrs. Roy Guthrie, will be presented by the High School Speech Club in the auditorium at 7:30 p. m. as part of the Hallowe'en Carnival October 31, at the high school, sponsored by the Parent-Teacher Associations.

The Carnival part of the program will be held in the school gym after the skit. The entire family is invited and PTA representatives have announced there will be plenty to eat as the cafeteria opens at 6 p. m. Entertainment will be provided all members of the family.

Included in the carnival will be a real magician, all types of side shows, fishing pond, horse shoe pitching contest, cake auction.

Mill Iron Sells 525 Range Bulls

Mill Iron Ranches, rich in the history of the old West, upheld the tradition of their colorful and dramatic cattle sales as they sold 525 Hereford range bull calves, all registered in Estelline Monday.

Lafayette M. Hughes, top Mill Iron boss who came from Denver for the annual event, said the animals went to 144 buyers in some 17 states.

Sears-Roebuck Foundation, for years a good Mill Iron customer, this time purchased 174 bulls, more than any other buyer. The Sears people are distributing bulls to state associations, Future Farmers of America, in about 10 southern states. FFA chapters use the prospective sires to improve the bloodlines of beef cattle in local communities.

Such distribution gives the Mill Iron a leading role in rebuilding the old South. Millions of acres are being diverted from cotton to improve pasture in such states as Arkansas, Tennessee, South Carolina, North Carolina, Georgia, Louisiana, Mississippi, Florida and Alabama. This is one of the most important agricultural developments in the nation.

Buyers drew lots for selection Sunday at Childress. They selected bulls according to the numbers they drew, beginning with one and continuing through 525. All bulls were sold across the board at \$200 a head.

Old buyers were given priority on a top cut of 107 bulls. New buyers had second priority. Dozens of cattlemen unable to buy calves this year asked to be placed on the Mill Iron list for future sales.

Three leading cattle judges selected bulls for the sale. They were John Burns, Fort Worth; Dean Blizzard of Oklahoma A & M, Stillwater, and Raymond W. Lewis, Colorado Springs.

Jim Morton prepared barbecue for 2,500 persons. Besides the buyers, guests included hundreds of local people whom the Mill Iron management is good neighbors with around spreads in Hall and Collingsworth counties.

Polly O'Neil said Mill Iron cowhands processed 75 bulls an hour through the morning. They had checked 370 bulls by noon, 125 more than ever had been processed before. Registration papers were ready on each bull as the owner loaded the animal at the ramp.

Other states receiving bulls in the sale included Utah, New Mexico, Colorado, Kansas, Iowa, Oklahoma, Virginia and Texas. Dozens of Texans called for their purchases in trailers and pickups.

First Concert Scheduled Here Thursday Week

Lillian Moore, internationally famed American dancer who will appear in Memphis November 8, at the High School auditorium in the first of the 1951-52 concerts, is one of the few ballerinas to combine virtuoso technique with outstanding abilities as a satirist and comedian.

A member of the Metropolitan Opera Ballet, she has appeared in such operas as "Faust", "Lakme", "La Traviata", "Samson and Delilah" and "Tannhauser".

She has been premiere danseuse and ballet mistress of the Cincinnati Summer Opera Company for six years. She toured the Pacific during World War II and since has appeared for occupational forces in Europe. While in Europe she developed a special tragic-comedy dance and toured Italy, Sicily, Austria and Hungary, where she was hailed as the "Charlie Chaplin of the dance".

Her program in Memphis will include classical and satirical dances, with the emphasis on the humorous side.

Sheppard Commends County Parole Board

Work of the Hall county voluntary parole board was among those throughout the state commended for their efforts in restoring parolees to useful life by Texas Secretary of State John Ben Sheppard.

Members of the local voluntary parole board are Allan Dunbar, O. E. Bevers, J. A. Lamb and T. J. Cope.

The entire Texas voluntary parole system is functioning economically and satisfactorily, Sheppard reported this week in a letter to Dunbar, chairman of the county board.

Army Officer To Be Here Sat., Sun.

Major Martha E. Moseman, Medical Specialist Corps, is visiting from the Surgeon General's office at Fort Sam Houston in Memphis this weekend.

She is a member of the Business and Professional Women's Club district.

REPORT FROM WASHINGTON

By Walter Rogers
Congressman, 18th District

TAXES: This news letter is being written just after my return to my office from casting a vote on the new tax bill. That is the tax bill that would increase taxes in order to gather another 5-1/2 billion dollars—the same tax bill that failed to pass on October 9th.

My vote was cast against this tax increase on Tuesday and was cast against the bill on Friday. There is much that can be said both for and against the bill, and I have done my best to give deep and conscientious consideration to all of the amendments on both sides.

I have never seen the House of Representatives quieter or more tense during the roll-call on this bill. The final vote was 185 "yeas" to 160 "nays." Lack of space will not permit me to tell you of the many interesting incidents that occurred during the past week, especially concerning this tax measure, but I hope to be back in the district before long and will try to do it then.

PUBLIC DEBTS: I told you in my letter last week that I would try to give you the present per capita public debt in the European countries as compared with the per capita debt of this country. Here are some of them:

United States \$1660.00; Belgium \$511.00; Denmark \$274.00; France \$226.00; Iceland \$98.00; Italy \$91.00; Luxembourg \$353.00; Netherlands \$632.00; Norway \$440.00; Portugal \$40.00; United Kingdom \$1277.00.

You will note that the nearest approach to the per capita debt of the United States is that of Great Britain. The figures on the foreign countries are based on the end of the 1950 fiscal year, except Great Britain, which is March 31, 1951. The figure for the United States is as of October 10, 1951.

FARM INCOME: Here is some information that I know will be of interest to the farmers, since it seems to be the policy that every time a farmer gets his head above water, someone wants to hit him with an oar. Most of you know that the farmers have been subjected to much criticism about high prices, and this information is given you to show that the farmer is not to blame.

For instance, according to present statistics, on an average basis, bread that is now selling for 16 cents a loaf was selling for approximately 2 cents less per pound in 1948. In January, 1948, wheat was selling at \$2.79. It is now bringing \$2.07.

This shows that the farmer is getting over a cent less per pound for his wheat, while the consumer is paying two cents more for the bread. The same situation is true as to milk. The Texas average price is about \$6.35 per hundredweight, while in 1948 it brought Texas farmers an average of \$6.60.

In New York City the man who delivers the milk gets as much for this service as does the farmer for the same milk, and it must be remembered that the farmer not only provides the investment in his farm, his equipment and his cows, but must also feed and milk the cows.

Hogs are now worth \$19.70. In 1947 hogs sold for 27.10. Eggs are now bringing farmers 55 cents over the country. Last year they brought 65 cents. It all adds up to this: Those who blame the farmer for higher retail prices are just not acquainted with the facts.

THE FARM LABOR PROBLEM: Several of the Texas congressmen met again with officials of the Department of Labor this week in an effort to try to work out the problem that the farmers are facing in getting their cotton harvested. Other than myself, George Mahon, Clark Fisher, Olin Teague, Frank Ikard and Graham Barden, of North Carolina, were present at the meeting, and Omar Burleson of Texas, was represented. We had worked long and hard for a solution of the problem and presented it to these officials, but it is my opinion that they are not going to do anything about it. We intend to continue our efforts for an amendment to the Fair Labor Standards Act if the Labor Department does not straighten out the situation, and I firmly believe that we will be able to muster enough support to get this amendment through the first of next year.

This is not going to help the farmers this fall, but, as most of you know, many of these battles up here are up-hill fights. We have some valiant warriors on our side in this fight, and certainly hope to win before long.

Three Texas medical schools—the University of Texas Medical School at Galveston, Southwestern Medical School in Dallas, and Baylor Medical School, Houston—have received research grants from March of Dimes funds this year to add to the storehouse of knowledge about polio.

Former Memphian Promoted in Korea

A promotion to the rank of sergeant for "excellent performance of duty in action" was earned recently by Willard P. King, son of Amarillo, formerly of Memphis.

A squad leader in Company A of the Seventh Division's 31st "Polar Bear" infantry regiment, King earned the promotion during a recent drive across the 38th parallel into North Korea.

He entered the army in April 1950 and wears the Combat Infantryman Badge and the Korean Service ribbon with three campaign stars.

King is the grandson of J. M. King of Memphis.

During the past three years Texas has received \$1,998,423 from the National Foundation for Infantile Paralysis while contributing \$1,622,715.

How to Avoid Party Line Traffic Jams

For better party-line service, use your telephone sharingly. When you do have a lot of calls to make, remember to space them. When your call is finished, hang up the receiver carefully.

This kind of cooperation is the keynote of good party-line service. Try it on your party line. You'll enjoy the smoothly running service it helps to create.

Mr. and Mrs. J. L. Richburg Honorees At Dinner On 47th Wedding Anniversary

In observance of their 47th wedding anniversary, Mr. and Mrs. J. L. Richburg of Lakeview, Hall County residents for the past 45 years, were complimented with a dinner Sunday in the home of their daughter and son-in-law, Mr. and Mrs. Cecil Adams.

Twenty-five guests were in attendance for this gala occasion and included all of Mr. and Mrs. Richburg's children and grandchildren.

Mr. and Mrs. Richburg were married in Wise County in 1904 and two years later, in 1906, they moved to Hall County by covered wagon.

Traveling was not so easy those days as it is today, Mr. and Mrs. Richburg recall.

In speaking of the journey to Hall County Mr. and Mrs. Richburg said they left Paradise, Texas, the first Monday in July. The trip was made without mishap until they reached the Peas River on the fifth day of travel. There they found the river at flood stage and the bridge washed out.

They were forced to leave the team and wagon in a wagon yard in Vernon and continue the journey by train to Estelline. A week later Mr. Richburg returned to

Vernon for his wagon and team. The water had receded enough to ford the river, but the water was some 6 inches in the wagon bed.

Those present for the noon feast were Mr. and Mrs. Clinton Richburg and family, Mrs. J. H. Wright and Miss Barbara Adam of Estelline, Mr. and Mrs. Byrre Richburg and family of Dumas, Mr. and Mrs. James Richburg and Joyce of Lakeview, Mr. and Mrs. Ames Spencer of Houston, Mrs. Ferschel Belew and children of Betty, Mr. and Mrs. Richburg honorees, and hosts, Mr. and Mrs. Adams and Bobby.

Stephen F. Austin PTA Has More Than 100 Members

One hundred and six paid memberships in the Stephen F. Austin Parent-Teacher Association were reported at the second monthly meeting of that organization, Wednesday, October 17.

Mrs. Henry Foster, president, presided and the results of the membership drive was announced by Mrs. Ross Gentry, chairman.

During the business session room taken and the first grade room for the award for having the most parents present. Mrs. Ross Gentry reported that the organization now has 106 paid memberships.

Mrs. Worth Howard featured the publication committee and launched a drive to obtain subscriptions for the Texas-Parent-Teacher and the National Parent-Teacher Magazines.

Mrs. John Smith reported that much progress is being made toward the Halloween carnival plans have been made to have plenty of entertainment for both adults and children. Mrs. Johnny Brewer gave a report on plans for a food booth.

Home was held the Texas Parent-Teacher birthday which was October 19.

Mrs. John Smith brought the devotional. She read several scriptures from the Bible including "Apply thine heart unto instruction, and thine ears to the words of knowledge." Proverbs 23:12

She stated that the seeds planted in the garden will be the harvest reaped in later years. All good things come from God, so let us consider this passage of scripture in order that we may be better fitted for our tasks: "Study to show thyself approved of God, a workman that needeth not be ashamed, rightly dividing the work of truth." II Timothy 2:15, Mrs. Smith concluded.

An interesting, inspirational and most instructive panel was given on "Who Bends the Twig?" Billy Tate was the leader.

Mrs. R. S. Lemons discussed the subject from the standpoint of a parent, Mrs. C. D. Morris a teacher, Rev. Rollo Davidson a minister, and M. O. Goodpasture a judge.

Many challenging thoughts were given. The speakers pointed out that there needs to be a mental, spiritual, social, and emotional range incorporated into each personality that gives the individual regardless of chronological age, sensitiveness to negative influences. Educating the child so that this sensitiveness is a part of personality is primarily the parents' responsibility.

The hands that touch our youth as they grow to maturity, shaping the twigs of their development with these factors, are building an America that will have an inner strength no adverse force can move, the speakers said.

It is you and I, as well as the parents, that bend the twigs of youth in our community. He who bends the twig shapes the tree. He who touches the life of a child shapes the man and thus contributes to the design of total hu-

Al Evans of Amarillo Is Guest Speaker At Atalantean Club Social Tuesday

Members of the Atalantean Club and their guests heard an inspiring talk by Mr. Al Evans of Amarillo Tuesday Evening, Oct. 16th at the First Christian Church.

Mrs. Edwin A. Smith Jr., club president, welcomed the guests and Rev. Bedford Smith gave the invocation, "...is Jesus Boy?"

Mr. Evans came to Memphis thru the courtesy of Radio Station KGNC and the Amarillo Globe News. He conducts the tri-weekly radio program "Philosophical Fiddle Fadd" also a Sunday afternoon program.

In observance of National Bible week, Mr. Evans based his talk on some of his favorite passages from the Bible, the best seller of all times.

He pointed out that every type of literature can be found in the Bible. Nowhere in the writing of Voltaire is the satire so great as that found in a chapter of Corinthians which was read by Mr. Evans. After a part of Christ's "Sermon on the Mount", the speaker implanted the thought that each person who passes criticism is setting himself up as an authority.

Love for Christ and for our fellow men can be the greatest influence toward having a peaceful word and happiness for all people.

Following the program, a social hour was enjoyed by all present, and delicious refreshments were served from a lovely tea table.

manity. The human twigs are in our hands. How bend we the twig?, the speakers ask.

The hostesses for the occasion were Mrs. Earl Allen, Mrs. T. M. Isham, Miss Imogene King and Mrs. C. R. Webster and were assisted by members of the social committee, Mrs. Henry Foster, Mrs. H. J. Howell and Mrs. J. W. Coppedge.

Cyclone B's Tie Childress, 13-13

Memphis' A reserves outplayed the Childress Bobcats in practically all departments in windswept Bobcat Stadium last Thursday night, but could manage only 13-13 deadlock at the final gun.

Only a handful of spectators braved the chilly winds as the Bobcats went out after the second consecutive win of the season. The little Cyclones outgained Childress on the ground, 225 yards to a net of 69, and racked up eight first downs to Childress five.

An alert pass defense helped the Memphis cause along, with visitors snaring three wayward aerials tossed by the Childress B's.

Long runs were a feature of the contest, with runs of 40 yards or more bringing three of the games four touchdowns.

Memphis tallied first, in the second quarter, when Davey Corley took a handoff from quarterback Dempe Arche, found a gaping hole in the Childress line, and scampered 66 yards for six points.

A bad pass from center ruined the Cyclones' chances for the extra point, and Arche was smothered as he tried to pick up the ball and run it over.

Later in the same period, Lowell Landrum broke through to block a Memphis punt on the Memphis 23, Leland Cagle shagged the ball and carried it over to tie the score.

The kick was no good and the half ended with the score tied at 6-6.

The game rocked along through the third quarter with no further

score. Memphis received the kickoff and managed to control the ball most of the quarter. Childress had the ball for one play, after being set back on a 57 yard quick kick, but promptly kicked back.

Later, Arnold Crawford deflected a Cyclone pass, then intercepted it, and the Bobcats got three more plays before punting from their 39.

Childress recovered a Memphis fumble on the Memphis 40 midway through the fourth period to set up their second TD.

On the next play, Irving Mills broke through the line for the entire 40 yards to put Childress ahead, 12-6.

Cagle made the kick good, and the score stood at 13-6.

The lead was short lived, however. Memphis took the kick and returned to their 39.

Here again, the Archer to Corley handoff paid off well, with Corley stepping through tackle before the Bobcat defenders knew what was happening, and raced all the way, 61 yards, almost all alone.

A pass, Archer to Kenneth Cheek, was good for the conversion, and the score was tied at 13-13.

Both teams took to the air during the remainder of the game.

FHA Program Committee Plans Year's Work

The FFA Program Committee met Tuesday, to plan the year's program for regular monthly meetings. Members of the committee are: Yvonne McDaniel, chairman; Barbara Edmondson, co-chairman; Ann May and Janice Anthony.

One of the most interesting programs of the year is planned for Oct. 24 which is United Nations Day. The program will be composed of songs and displays of articles from foreign countries.

The girls are making a United Nations Flag which will be put on display.

Band Performs For Celebration

Dressed in full uniform, the Memphis High School band paraded down town Friday afternoon to welcome the movie stars.

The band marched around the square and to the designated place where the movie stars were to be. The band played in front of the Place Theatre until the stars appeared.

As the stars left on their chartered bus, the band played the Old Grey Mare.

Immediately following the departure of the movie stars, a Pep Rally was held. The football players were seated on the platform in front of the audience and yells were given to their honor.

The Pep Rally was dismissed with the School Ala Mater.

Girls Workout For Cage Team

The girls basketball team coached by Miss Hornbeck was selected by a process of elimination throughout last week. There are now eighteen girls working out during a regular class period who will make up the A and B team.

The girls are: Margaret Massey to Anne Webster, Opal Ray Greene, Mickey Murdock, Norma Townsend, Jessie Hammonds, Katherine Wright, Carolyn Kay Smith, Carol Ann Monzingo, Nadine Padgett, Billie Hartman Janis Clayton, Betty Spencer Ann May, Rita Benton, Betty Floyd, Anita Hartsel, Annetta Miller and Della Jo Kennedy.

Bulletin Board To Carry Motto

Students have been asked to pay attention to the bulletin board in the library where mottoes are posted each week. Later, notices of new books in the library will be posted on the board.

Students should also have noticed that the American Flag is being displayed on the south wall of the study hall. Other additions are two large attractive pictures in gold frames.

SPORTS AFIELD

By Ted Kesting

Ducks have never been trained to follow a fixed program when they are coming in on the hunter. They may come in high, and drop down rapidly, or they may come in low, from behind, from in front, from the side; or they may circle and look the situation over carefully. According to veteran hunter Jimmy Robinson, it all depends. Here's what he has to say:

How much do I lead a duck? Frankly, I don't know, so how can I tell you? That is something each shooter must learn to judge for himself. Take a good lead—that's the secret of hitting ducks. Some experts say lead the average duck by four feet at 40 yards. But how can I tell you to lead a duck four feet when I don't know how fast that duck is flying or at what angle? Some ducks loaf along looking for feed at 30 miles an hour. Others sweep down a lake at 60, or maybe 90 with a stiff breeze.

The fit of your shotgun is as important as the fit of your hat. You may be using a gun with too much drop in the stock. That's why I believe in shotgun instructors. They can tell if your gun fits you after you have shot a few rounds, and if it doesn't how to correct it. They can correct your stance, and give you other valuable tips that will help you in the field. I advise all young hunters to try a few rounds of skeet or trap. If you learn to hit 20 out of 25 at skeet, then

edwera a gourd powder-horn of Revolutionary days, a photograph of the only known buffalo team in the world, a quilting lamp, a hand-woven "counterpane", a silver butter dish, and a pair of white satin embroidered wedding slippers belonging to the grandmother of Mrs. Wilson.

In keeping, too, with the theme of the program, the ingenious hostess served old fashioned boiled custard, Boston brown bread,

homemade pickles, and pound cake (from a quaint glass cake-stand). Reminiscent, too, of grandmothers day was the earthenware pitcher filled with marigolds as table decoration and the spoon-holder. Mrs. Ace Gailey presided at the tea service.

The club was delighted to welcome Mrs. Buster Helm into active membership. Adjournment was proposed by the President and accepted by the members.

1913 Study Club Hears Review At Wednesday Meet

The 1913 Study Club met in the home of Mrs. Byron Baldwin the afternoon of October 17. Following the call to order by the president, Mrs. E. M. Wilson, attention was given to the committee reports and usual club business.

During the program interlude those present were entertained by Mrs. D. L. C. Kinard's review of the historical novel, "The Peabody Sisters of Salem". The book told of the lush literary and cultural era of Hawthorn, Emerson, and Horace Mann, the father of American education. These three worthy gentlemen were husbands of the Peabody sisters and an account of their romances and problems made interesting listening for nineteen active members, one associate members of the club, and one guest, Mrs. Jeff Ray.

Also, highlighting the program and adding suitable background atmosphere for the early American novel was a display of Early American souvenirs and bric-a-brac. Among the trinkets exhibit-

Fred Etchen, famous field shot and instructor, has taught more people how to shoot than any other man. I asked him what was the first thing he taught a new shooter and he replied, "Follow through."

A common fault with many hunters is that they pull and "bang" when a duck flushes. They don't take time to point out their bird. This generally results in a miss or a crippled bird. You should be calm at all times and point out your bird before pressing the trigger. Don't let the bird bluff you into shooting too fast.

And one final point. The mediocre shot—and that means most of us—should use a modified or improved-cylinder choke instead of a full choke.

CYCLONES DROP FIFTH GAME TO WYON HERE FRI. NIGHT, 20-6

Canyon Eagles struck hard here last Friday although their first play ended them a touchdown by a penalty, the never seemed able to get late in the fourth quarter the Eagles had a 20-6 victory.

The Cyclones ragged the halfback, big Red Morrison, who had been excellent blocking by his teammates to score all three touchdowns and then an extra point.

Morrison finally started the offense by clicking late in the fourth quarter and rallied the team to a 20-6 victory.

Head Coach John Hansard remarked that this made two games in which the Cyclones couldn't seem to get started until the second half.

Practice this week and next before they face the Wellington Skyrocks in their first conference tilt here November 2, may help the Cyclones to snap out of their first half slumps.

The Eagle tilt gave the Cyclones a won-two and lost-five record for the season in non-conference play. They have three games left on their schedule, all conference, two to be played here at Wellington and Paducah, and then the Cyclones journey to Childress for their last game November 16.

During the first quarter injuries plagued the Cyclones as several of the boys either received injured legs or had the wind knocked out of them.

Standout players for Canyon were Ratliff and big Ray Burris 210-pound over six foot right end. Other standouts for Memphis besides Frisbie and Morrison were Duane Miller and Charles Messer, both on defense and offense.

Gayle Monzingo received a wrenched knee in the first quarter and will probably be out of the line-up indefinitely, Coach Bob Blair said.

In reviewing the game, Head Coach John Hansard remarked

that this made two games in which the Cyclones couldn't seem to get started until the second half.

Lakeview Schools Plan Carnival Wednesday Night

The Lakeview Junior Class is sponsoring a Halloween carnival next Wednesday night in the Lakeview gymnasium, school officials announced this week.

Fifteen games will be offered for entertainment including bingo, fortune telling, fishing, dominoes and throwing balls at bottles.

A refreshment stand will have sandwiches, soda-pop, coffee, candy, peanuts and gum. Prizes will be given away including a turkey.

Highlight of the evening will be the crowning of a king and queen from grade school and a king and queen from high school.

Candidates include first graders Harry Skinner and Linda Miller; second graders Rodney Clark and Lana Kay Payne; first graders R. B. Spruill Jr. and Barbara Sue Mitchell; third graders V. A. Wallace Jr., Sharon Duren, Kay Barclay and Jimmy Whitefield; fourth

graders Sherman Medford and Linda Campbell; fifth graders Billy Wallace and Keith Robertson; sixth graders Rita Durrett and Bobbie Don England.

High school candidates include seventh graders Delmar Turner and Glynda Lewis; eighth graders Marion Ariola Marietta Byars; freshmen Donald Geen Clark and Betty Nell Neighbors; sophomores Joe Marler and Katrina Nabers; juniors William Verder and Wanda Kennard and seniors Ronnie Gowdy and Patsy Davenport.

Proceeds from the Lakeview carnival will go towards the annual junior and senior banquet to be held next spring.

Everyone is invited.

YEARBOOK

Sales of the Cyclone Yearbook will end November 1st. Mrs. L. L. Thomas, sponsor, reported 372 annuals had been sold so far. The yearbook staff met and chose the cover for the annual for this year.

Student Council Representatives Elected Wednesday

Separate class meetings were called for the grades 9 through 12 Wednesday October 9 to elect a boy and a girl from each class to act as representatives for the Student Council.

The aim of the council is to create a better spirit among the students.

Requirements to become a member of the council are: 1. passing grades in all subjects taken in high school, 2. attitude toward school in general, 3. regular in attendance and 4. appreciation of public property.

Members of the council are: Seniors, Carnis Durham and Max Kennedy; Juniors, Betty Burnett and Rayford Hutcherson; Sophomores, Peggy Evans and Roy May; Freshman, Ann May and Jackie Boone.

Band Forms House During Halftime

The Memphis Cyclone Band presented unique formations for the fans at half-time of the Memphis-Canyon game.

The band marched onto the south end of the field with the drum roll-off and College Medley. They marched the length of the field, counter-marched, the drummers then gave the roll-off and the band played Our Director while executing a column right.

The band then formed a house, complete with a door, window, and a snare drum for the door knob.

Jacky Gilbert, drum major, gave the signal and the band played Home On The Range and Oh, Susanna.

The moved into regular formation, counter-marched; and forming an airplane, played Army Air Corps. The band did a column left, marched to the goal post and singled-filed off the field.

MORNING WATCH

The students who read the selections on the "Morning Watch" this week were: Terry Monzingo 8th; Tanya Fletcher 7th; Jo Anne Webster, senior; Charles Hartman Junior; and Johnnie McDaniel, Sophomore.

Something To Remember

A couple of weeks ago the nation observed Fire Prevention Week. Or did we?

We ran a story in the paper on how to be careful of fires, and members of the Fire Department put up posters around town urging people to check fires and be cautious. Yet did the significance of the whole idea ever make us stop and think what it is to prevent a fire.

Did you know that more pre-school children die from burns than any other accidental cause except automobile accidents?

What causes these fires? In this modern world anything can start a fire. The backfire from an automobile, a static electricity spark, friction from a running machine, a child playing with matches, all are among the comparatively insignificant things that can cause a fire.

The moral we can draw from all this is to be prepared for fire at any time.

Members of our fire department do and can do a remarkable job once the fire has started. But what they had rather see happen, is that by being alert, we prevent that fire from ever starting.

Now, more than ever before, we ought to be fire cautious. With America again the grainary as well as the arsenal of democracy, it has become imperative to save buildings, production and storage facilities and food from destruction by fire.

Fires on farms take an estimated 3500 lives annually, as well as destroying about \$100,000,000 worth of property.

American home fire safety has become a national defense problem because of the threat of widespread home fires resulting from a possible atomic bomb explosion.

Fire departments will face a gigantic task to get through rubble-filled streets in the event of an atomic explosion. Water service may be disrupted, people at home may have to rely on their own fire-fighting equipment, and accordingly, should be prepared.

A blast from an A-bomb would dislocate furnaces, stoves and heating appliances. Such a jolt would start many fires, which, if not fought promptly, might easily spread to city-wide conflagrations.

Five steps that every homemaker can take to prevent fire in his home—in peace or emergency—are: 1. Make it a weekly program to clean out all combustible rubbish in the closets, attic, cellar. 2. Get rid of gasoline and benzine. Keep other flammable liquids in tightly closed cans. 3. Put oily rags, paint, cloths in covered metal containers or dispose of them. 4. Keep electric wiring, extension cords, electric appliances in good repair. 5. Install basic home fighting equipment. Also a garden hose, a bucket or two and some sand are handy items to have when fighting a fire.

Some people will think these precautions foolish and unnecessary. But stop and think a minute. You know there are such things as the atom bomb. They have been dropped before. If total war comes, they may be dropped again. If so, these precautions aren't so foolish.

WILL HE SWING BACK?

Press Paragraphs—
QUOTING OUR NEIGHBORS

They've Set a Good Example

Attorney General Price Daniel has made the public statement that he is against the re-election of President Truman. Governor Shivers says that he opposes some of the administration policies, and wants an unstructured delegation from Texas to the Democratic national convention. Let's hope that other Democrats will follow the example set by these two officials that we are going to demand honesty and efficiency in office—even from those who wear our party label.

From May 1, 1945 to June 20, 1951, A little over six years — \$260,417,309,430.

In just a little over six years, President Truman collected \$12,068,914,480 more than all his predecessors collected in 156 years.

And yet—there are still many who think that the present administration is giving them "something for nothing"—Big joke, eh? — Or is it?

ED ERARD'S FOUR-H CLUB

Well, we're still running all over the world trying to tell other people how to run their business, and here at home we're smashing the ten commandments and viola-

ting the Constitution with an enthusiasm that has Moses and Jefferson shedding salty tears in their heavenly beer.

Boyle, the Big Chief of the Donkey tribe, and Gabrielson, the GOP's elephant boy, both got sprayed with the RFC's pole-cat perfume. Harry the Haberdasher stays with his boy, Boyle. Harry never could see any harm in a little friendly game of embezzlement anyway. But all the Republican big-wigs refuse to talk to Gabrielson without a gas mask.

It was thus, Harding's gang staged the Tea Pot Dome deal. Cal Coolidge took over when Harding shuffled off the mortal coil. He

told the Attorney General to lay off the case, and he named two outstanding prosecutors, a Democrat and a Republican. Between them they sent a GOP cabinet member to the clink.

This RFC mess makes Tea Pot Dome look like a soggy sack of Lipton tea that has been debauched by Arthur Godfrey, but folks are so crazy about these 50-cent dollars themselves they don't seem to blame others for a little larceny. They are too dumb to wake up to the fact that it's their pocketbooks that are being picked.

Maybe they'll vote for Truman, Corruption, Inflation, War, State Socialism and Dictatorship. But me, I'm joining the 4-H Club. It's object, Help Hurry Harry Home! —Kingsville (Tex.) Record

Jimmie Martin Becomes Bride Of Frank Gwynn

Miss Jimmie Martin, daughter of Mrs. J. D. Wooten of Pampa and W. W. Martin of Memphis became the bride of Frank Gwynn, son of Mrs. Lessie Barnett of Amarillo, on September 28.

After a short wedding trip, Mr. and Mrs. Gwynn are at home at 733 N. Aldridge, Amarillo. Mr. Gwynn is employed by the American Optical company of Amarillo. Mrs. Gwynn is the granddaughter of Mr. and Mrs. J. H. Butler of Memphis.

Mr. and Mrs. T. W. Harrison left Sunday for Clovis, N. M. on a business trip.

Pfc. Jimmy Rex Walker of Shepherd Field spent the weekend here with his grandparents, Mr. and Mrs. E. E. Walker.

Mr. and Mrs. Eddie Pate and children of Waco spent the weekend with her parents, Mr. and Mrs. Elmer Prater.

Mr. and Mrs. Ernest Parsons of Amarillo and Mrs. Elzelle Scott visited in Fort Worth over the weekend with their sister and daughter, Mrs. Chester Souder.

Delphian Club Meets in Home of Mrs. W. C. Dickey

The Delphian Club met Tuesday afternoon, October 16, at 4 p. m. in the home of Mrs. W. C. Dickey.

The president Mrs. Lynn McKown conducted a short business session and reports were given by committee chairmen. Mrs. Carl Kulp reported that scrapbooks have been made and set to local hospitals. The club voted to send a CARE package to Korea.

A new member, Mrs. Harold Smith, was welcomed into the club. Mrs. Henry Hays introduced the program on public affairs with government representing the "trunk" of our "sturdy tree."

Mrs. W. C. Dickey gave a most interesting talk on "The Development of the Law." Starting with the Roman Republic and its magistracy and continuing on through the centuries down to the Bill of Rights and our time, Mrs. Dickey showed pictures which depicted phases in the development of law. She stated that justice through law has been one of the supreme purposes of society through the centuries. She defined justice as equality and peace, and showed that it is not a word of precise and fixed meaning but that its meaning changes as civilization grows and changes.

"The Wellspring of America's Strength" was ably given by Mrs. I. W. Stokes. Her talk was centered on the idea that the faiths we hold, the moral sense of our people, are the chief armament of our democracy, rather than our possession of the atomic bomb.

Mrs. W. C. Davis spoke on "Blueprints for Defense." She brought out that for the first time in 135 years, an enemy has the power to attack our cities in strong force with little or no warning. And because of this, our civil defense program should be in constant readiness. She outlined some important things everyone can do, and suggested especially home nursing and first aid for women. We should all train ourselves to be calm, to avoid panic, to control our fears and emotions. Mrs. Davis reminded the club that the immediate need for blood donors is urgent. Following the program, members answered roll call with designated topics which included all the departments of the TFWC.

Delicious refreshments were served to the following members: Mrs. J. L. Barnes, Jack Boone, W. C. Davis, M. D. Gunstream, Henry Hays, C. C. Hodges, Bill Keaton, Carl Kulp, Lynn McKown, J. S. McMurry, J. W. Stokes, R. H. Wherry, and Harold Smith.

About Memphis, Hall County

Welcome to all delegates who will be in our city this weekend for the Business and Professional Women's Convention.

We are glad you decided to come to Memphis and we hope enjoy your visit with us.

New things department: I hear that in the big cities now you can buy a carton of cokes in a new size . . . a carton that contains 12 bottles instead of six. The six-bottle carton idea went over so good with the public that all major bottle drink manufacturers adopted it. Now Coca Cola seems to have the jump on the others with the 12-bottle carton idea. Wonder if any of our local grocery stores have the 12-bottle cartons yet?

Most of you folks listen to KG NC part of the day I imagine. Last Week one of their announcers Al Evans was here in Memphis to give a program and he said

something that has stayed with me.

At the football game Friday night I was reminded of what Al said time and time again. He was talking of the Bible and of a passage which speaks of criticizing others. Evans went on to say that when you criticize another or something another has done, you are setting yourself up as an authority, thus giving you the right to criticize.

How many of us are authorities which gives us the right to criticize.

I wonder how many of the folks who were criticizing the way the Cyclones played last Friday night are authorities on football?

The next time you start to criticize, remember what Al Evans said. "To criticize, you set yourself up as an authority."

Bonnie Hooser called up early Monday to tell us three Hall county boys won honors at the State Fair in Dallas last week. Jimmy Bounds and Winfred Russel in the 4-H Club boys and Bobby Adams in the FFA group.

While the Cyclones have a rest this week, there will be two football games played at Cyclone Stadium. Thursday night the Cyclone B squad has a game and Friday night the Junior High Whirlwinds, undefeated this season, will play.

There is no greater disloyalty to the great pioneers of human progress than to refuse to budge an inch from where they stood.

She: I suppose you'll want me to give up my job when we're married?

He: How much do you earn?

She: \$85 a week.

He: That isn't a job, that's a career and I wouldn't want to interfere with your career, dear.

Love is like hash. You have to have confidence in it before you can enjoy it.

—From "Leave It To The Girls"

Notice how many people are getting their automobiles fixed up for winter? Service stations say the antifreeze business has more than doubled the past week. From the quantity on hand at some merchants, don't think there will be a shortage this year.

It's Hallowe'en time again. All the kids are afraid all the masks and funny faces will be sold before they get to get theirs and Mom and Pop are afraid they won't be sold . . . the schools are

planning carnivals for Hallowe'en and I guess goblin time is here!

It's subscription time again at The Democrat office for anyone who wishes to save money subscribing to the Fort Worth Star Telegram, Wichita Falls Record-News or Amarillo Globe News and the Democrat. If you wish to renew or began subscribing, you can do so at a reduced rate.

If you want to see a football game in which Memphis boys really play to win, drop out Friday night when the Whirlwinds meet the Childress Junior High Squad. The Whirlwinds not only are undefeated, they haven't even been scored on, yet this season. They met Childress once this season and only managed a 13-0 win, so Friday night's tilt promises to be a thriller. It starts at 7:45 p. m. at Cyclone Stadium.

That's 30.

Horace Tarver flew to Manhattan, Kans. last Wednesday to be with his daughter, Mrs. Dale Dronberger and new baby, Lisa Jan. He also visited his son, Don Tarver in Kansas City. While there he attended the Kansas Royal and returned home Friday night.

Mr. and Mrs. S. G. Bruce had as guest over the weekend, Mr. Bruce's sister and husband, Mr. and Mrs. Ray Martin of Sherman and their daughter and son-in-law, Mr. and Mrs. J. E. Jones of McKinney. Mr. and Mrs. Jones were over night guests of Mr. and Mrs. Glenn Bruce.

LAKEVIEW'S G. D. HALL NAMED PLAYER OF WEEK BY GLOBE NEWS

G. D. Hall, a converted guard whose basic idea of football is to score touchdowns or help the other fellow score them, grabs the Panhandle's Class B football spotlight as the News-Globe's player of the week.

Hall, operating from the left halfback slot for the Lakeview Eagles of District 2-B, played a brilliant game last week against Turkey to earn recognition as the outstanding Class B player of the week.

He ran like an electrified kangaroo, play defensive ball with the best of them and do just about anything a football player is called upon to do.

Last week against Turkey, Hall scored three touchdowns. He rumbled through the middle of the line for 10 yards on the first one and slashed through tackle for 53 yards for the second and hit off tackle for another 53 yards on the same play for the third counter.

Coach E. J. McKnight says he's also a hard blocker on offense. Four times last week when Lakeview needed three or four yards on fourth down for a first, Hall chased through for the necessary yardage.

On defense he knocked down four of Turkey's passes.

Hall is also used as a punter, but he's a little out of practice since Lakeview has had to punt

at twice all season. The Eagles are the only undefeated Class B team in the Panhandle, having won six and lost none.

McKnight says Hall isn't an exceptionally fast runner, but once he breaks through the line he's hard to catch because he uses his head. And it's the quick and smart thinker that gets the job done.

Truckers Overload Somewhat Costly

Hall county is about \$1000 richer in fines today after State Highway Weighing checkers stopped six big trucks loaded with oil well equipment out of Louisiana passing through here.

All were overloaded. Judge J. S. Grimes fined five five of the ruckers \$50 and cost each; and one was fined \$25 and cost. In addition the trucks had to be re-registered here with declaration of their weights.
