Coursey, manager of the Public Service Co., said his company last week applied with the National Production Authority for permission to drill two wells and necessary water lines and to lay the line to Park and the line to the Addition.

Work was provided for in the plan granted last week by council to the Com- mercial Service Co.

Production Authority provide that applica- tions be filed 105 days be- fore the start. However, the authority has granted a permit to waive this re- quirement to start the work in the quarter of 1952 in or- der that the work be secured as early as possible and especially before the increase in consump- tion.

S. C. Harrison wrote a letter to the National Production Authority which was enclosed with the application, setting out in detail the need for im- mediate approval of the applica- tion.

meantime, surveys are being made to determine exact location of materials required and to locate and then to remove as approval is re- ceived.

Memphis Public Schools are holding Open House for parents. Parents are invited to attend classes in which their children are enrolled, Supt. W. C. Hunsicker announced.

Open House will be observed from 8-10. Classes this morning were dismissed for the evening during the Open House.

Open House is being held to let parents know what the school is doing and to let the school know what the parents are doing. Letting the public see what the school is doing is one of the main purposes of the program this summer.

Parents enter the school to be given a schedule of classes and to designate various classes in which their children will be enrolled. The cafeteria in which the Open House will be held.

Council members will help carry out the program. Students will help with parent visitation.

Classes will return the afternoon after classes are dismissed. Davis pointed out.

BANQUET HONOREES—Members of the Memphis High School band, shown above, were honored along with their director, Perry Keyser, at an appreciation banquet Monday evening in the school cafeteria. The affair was given by Band mothers and was in appreciation of the outstanding work done by the band and Keyser for the past several years.

Music Groups Honored

Perry Keyser, band director and head of the Memphis music department, and members of the Memphis High School band were complimented with an appreciation banquet Monday evening. The affair was held in the school cafeteria, and hosts were band mothers.

Gold and black, the school colors, were featured in table decorations. Gold and black musical instruments tied with ribbons of the chosen colors were used to center the long banquet tables and the speaker's table was centered with an attractive arrangement of gold and bronze mums and greenery. Streamers of black ribbon imprinted in gold letters, "MHS Cyclone Band" and "Perry Keyser" extended from the floral arrangement.

Jacky Gilbert, drum major of the band, served as toastmaster. (Continued on Page 12)

HOLMES McNEELY

M. H. McNeely To Head Music School At Rice

M. H. McNeely, son of Dr. and Mrs. M. McNeely of Memphis, who was a former member of the local school and town band, recently was named band director at Rice Institute.

Holmes McNeely will help set up the music department at Rice in addition to being band director.

He is a former Memphian and attended school here when Paul James conducted the school and town band, where Holmes got started in music.

He attended Texas Tech, Texas University and graduated from Hardin-Simmons University. He was a member of the Cowboy band in the 30's when they toured Europe.

Holmes took his master of music degree at the University of Michigan and later served as band director and music instructor at Talfurios, Navasota and at Jefferson Davis High School in Houston.

Whirlwinds To Battle Unbeaten McLean Sat.

Two undefeated Junior High School football eleven are preparing to lay their district crown on the line here Saturday night as they meet in a Bi-District play-off.

The Undefeated Memphis Whirlwinds, possessors of seven straight victories play host to the McLean Cubs, winners of six straight victories.

Game time will be 7:45 here at Cyclone Stadium Saturday night.

The only team both Memphis and McLean have played is Shamrock and the comparison there is small. The Cubs downed the Irish Junior Highers 37-6 and the Whirlwinds ran over the Sham-

rock club 41-0. McLean has record victories over Panhandle 41-6, Canadian, a 0-0 tie but McLean won on penalties, Lefors 27-6, Wheeler 39-7 and Skellytown 34-7.

The Whirlwinds this season defeated teams in a round-robin tournament in this district twice, Wellington 47-0 and 69-0, Childress 13-0 and 46-0 and Paducah 33-0 and 48-0.

Named on the strating line-up (Continued on page 12)

Cyclones To Face Bobcats In Last Game Of Season

Plagued with injuries the Cyclones football squad leaves for Childress tomorrow evening to face the Bobcats in the last scheduled game for the 1951 season.

Game time is 8 p. m. at the Childress stadium.

The Bobcats, favorites to win the district crown, tack only to whip the Cyclones for the championship. Already they hold victories over Paducah, 41-6 and Wellington, 21-0.

This is the 10th game for the local squad this season, they have a two-won and seven loss record so far this year.

Coach John Hansard said his Cyclones will be handicapped since several of the starting line-up are nursing injuries. Both Max and Harvey Kennedy have leg injuries. Duke Frisbie had to have several stitches taken in a facial cut after the Paducah game. Ronnie Smith and Freddy Vinson missed most of the week's practice due to flu, and Charles Moore also has been out with an injury.

Starting line-up for the Childress game will depend on which boys are able to play, Hansard said. This week the Cyclones have been trying to improve their blocking and tackling during practice.

Conference standings at present show Childress in first place with two victories, Wellington and Paducah tied for second with a defeat and a loss each and Memphis last with two defeats.

Rites Held Sun. For Infant Son Of C. H. Brownings

Funeral services for the infant son of Rev. and Mrs. C. H. Brownings, who died Saturday morning, were held Sunday at 1 p. m. at the home.

Rev. Eddie Hundley of Berger conducted the services and burial was at Turkey where Rev. A. L. Beggs, pastor of the Assembly of God church there, conducted graveside rites.

Rev. Brownings is pastor of the Assembly of God church here. The baby is survived by its parents one brother and four sisters and grandparents, Mr. and Mrs. J. H. Hawkins of Turkey.

Census Report Shows 18,159 Bales Now Ginned

Census report on cotton ginning for November 1, shows that 18,159 bales of cotton have been ginned in Hall county so far this year from the 1951 crop.

This compares with only 9,899 ginned as of the same date last year.

Bureau of Census recorder Ace Gailey turned in the ginning figures this week.

Lakeview Pioneer Thomas E. Walls Buried Saturday

Services for Thomas Edward Walls, 64, a resident of Hall county and this territory for more than 50 years, who died at his home near Lakeview Friday were held last Saturday morning at the Church of Christ in Lakeview.

Burial was at Lakeview cemetery under the direction of Murphy-Spicer Funeral Home of Memphis. Rev. F. N. Allen and Minister B. M. Litton officiated the service.

A farmer, Walls had lived in Hall county for 46 years and moved there from Antelope Flats in Briscoe county where he had lived since 1900. He was born in Hood county Texas in 1887.

Walls is survived by his wife, one son, Boyt E. of Memphis, three daughters: Mrs. Kermit Hopper, Lakeview, Mrs. Travis Pitts and Mrs. W. H. Spruill, both of Memphis; a sister, Mrs. F. N. Kent of Stanwood, Wash., and a brother, Jack R. Walls of Sand Springs, Okla.

Pall bearers included Roland Rudolph, George Hancock, Lee Roy Scott, Troy Payne, Herbert Payne and Walter Bownds.

J. B. Black Rites Conducted Sunday

Funeral services for J. B. Black 66, former cafe operator here and at Lesley, who was found dead on a local street here Friday night, were held Sunday at the Lesley Baptist Church. Death was attributed to a heart attack.

The Rev. Young Tucker, pastor of the Lesley Baptist church, assisted by the Rev. Wayne Naylor of the Brice Baptist church, conducted the service. Burial was at Lakeview cemetery.

A resident of Hall county for more than 30 year, Black is survived by a son, Sam Black, address unknown.

Pall bearers were Theodore Adams, Kirby Hagin, Earl Mitchell, Q. N. Clark, Ted Montgomery and Troy Davis.

Funeral arrangements were handled by Murphy-Spicer.

STATE RETURNS SHOW ONLY ONE TO BE PASSED

Voters here in Hall county didn't agree with other Texans throughout the state on the five amendments which voters acted on at the polls Tuesday.

In the state, only one of the amendments carried, number 4, the one for expanding veterans land program by raising from \$25,000,000 to \$100,000,000 a permitted state bond issue for loans. The other four amendments were defeated statewide.

However here in Hall county voters approved both amendment number four and number five, concerning state welfare payments.

Results showed a few more than 400 persons cast ballots here in this county and results considered decisive by the Texas Election Bureau late Wednesday showed that more than 200,000 Texas voters expressed their will this way:

1. County pensions, approval 64,938, against 120,670.
2. University fund, approval 85,678, against 97,626.
3. Rural fire prevention, approval 66,786, against 117,002.
4. Veterans land fund, approval 99,807, against 86,899.
5. State Welfare payments, approval 84,136, against 108,289.

Local county balloting on the five amendments went thus:

1. County pensions, approval 86, against 45.
2. University fund, approval 164, against 247.
3. Rural fire prevention, approval 96, against 315.
4. Veterans land fund, approval 322, against 129.
5. State Welfare payments, approval 238, against 174.

Thus state wide, Texans said by their votes they didn't want changes which might boost their taxes.

Three proposals that might hit their pocketbooks through added costs of government—retirement and disability pensions for county workers; higher tax rate in rural fire prevention districts, and \$7,000,000 more yearly state. (Continued on page 12)

District Title To Be Decided At Lakeview Fri.

The District 2-B Championship game will be played at Lakeview Stadium, Friday, at 7:30 P. M. The Lakeview Eagles and the Silverton Owls will be battling for the 2-B Crown.

In conference play both teams have shown strength and power. Silverton defeated Matador 20-0, Quitaque 14-0, Turkey 39-0 and Estelline 49-0.

Lakeview won over Matador 32-12, Quitaque 18-7, Turkey 33-7 and Estelline 53-0.

The Lakeview team and school will honor their parents declaring Friday, "Parents Day," Supt. Loren Denton said.

Dodge Displays New 1952 Models Here

The new 1952 Dodge went on display in the dealer showroom of Hickey Motor Company last Saturday here in Memphis.

The new models have styling refinements inside and out and, as an optional feature, Dodge Tint Safety Glass windows and windshields. Dodge officials predict that this feature, which gives a slight greenish tint to the glass, will be in strong demand from motorists because it makes daylight driving easier on the driver's

eyes, reduces interior heat on warm days and enhances the appearance of the car.

Exterior changes include modifications in the design of the front grille, new wheel covers and hub caps, a new tail light assembly and modified rear fender trim. Interiors of the new models are lighter and brighter. Dodge is using new texture weave upholstery fabrics with distinctively modern designs. The fabrics in Cornet models are made of combinations of rayon and cotton for greater durability and convenience. They are cooler in warm weather, easier to keep clean and smoother so that passengers find it easier to get in and out of the car.

Gerald Hickey announced that all models in the 1952 line will be available with Gyro-Matic transmission. All models will have waterproof ignition, electric windshield wipers and Oriflow shock absorbers.

The eight models which make up the 1952 Dodge line are Cornet four-door sedan, Diplomat, Sierra, convertible coupe and club coupe, the Meadowbrook four-door sedan and the Wayfarer two-door sedan and business coupe. The Diplomat is a convertible-styled, six-passenger car with a permanent steel top.

The privilege of volunteering for the "Service of your choice" after receipt of a pre-induction notice, expires at midnight November 30th. This was announced by the Amarillo Navy recruiting station today.

Men in this category desiring to volunteer for enlistment in the Navy should make application immediately. Several days are required to process pre-enlistment papers prior to the date of actual enlistment.

Estelline Man Uses Vetch For Protection

The Farmer-Stockman in a recent issue carried a story on H. T. Williams of Estelline and how vetch has helped him with soil building.

"H. T. Williams of Estelline has found vetch has real value as a soil builder, and to furnish winter protection for land in cotton. He has been growing the legume for several years.

Williams seeded vetch in his standing cotton this fall and, if the weather permitted, planned to plant this crop in his 240 acres of cotton.

He uses a grass drill attached to his tractor, having removed the plows in line with the cotton rows. Four rows are drilled in each cotton middle. For plantings this year, Williams is using seed he combined on his farm last year.

He adds 10 percent by weight of rye to the vetch to furnish support for the legumes.

MONEY Is Our Merchandise

We deal in money, just as a shoe store deals in shoes . . . an insurance man in policies . . . a farmer in livestock, grain and cotton.

And there are lots of other parallels between our business and yours

First—Like any business man, we want business.

When you come to us to open an account or to arrange for a loan—we are not doing you a favor, you are doing us a favor . . . and we hope our attitude will always show it. Second—while money is our merchandise, our customers—like yours—are PEOPLE! And, like any good business man, we know that the way to please people—to keep them coming back—is to show real interest in their problems, make a genuine effort to help them and give them personal attention.

And Third—like most business, we want small and medium size accounts. These accounts are valuable to us. They add strength and stability to our business.

We believe that our attitude toward them—the attention we give them—demonstrates this.

To us, there's nothing cold and mysterious about banking. We're in business . . . a business we enjoy. The good will of our customers is our greatest asset. It's a pleasure to serve them. It will be a pleasure to serve you.

ENGAGEMENT REVEALED—Mr. and Mrs. G. W. Bleuthman, 3301 W. Biddison, Fort Worth, have announced the engagement of their daughter, Miss Mary Beth Bleuthman, to Kenneth McQueen, son of Mr. and Mrs. Ira McQueen of this city. The couple will be married at 7:30 p. m. December 1 at the Bleuthman home by Rev. W. Ray Watson. The bridegroom attends TCU, where his fiancee studied two years.

Atalantean Club Features Round Table Discussion

The Atalantean Club met Wed. Nov. 7th in the spacious country home of Mrs. Robert Sexauer. The invocation was given by Mrs. J. H. Norman. The president, Mrs. Edwin A. Smith Jr., conducted the business session. The meeting was then turned over to the program chairman, Mrs. S. B. Pallmeyer.

Each member answered roll call with a short talk about her assigned subject. "Art in Your Personality" was the general topic for a round table discussion and the leaders were Mrs. J. H. Morris, Mrs. C. W. Kinslow, Mrs. D. A. Neeley and Mrs. W. C. Dickey.

Mrs. Morris, in discussing the art of living individually, stated that we unconsciously influence others with our personalities. Art in the home reflects the personality of the occupants. The art of living intellectually was ably discussed by Mrs. Kinslow. "As a man thinketh, so is he," she said. "Friendliness is the greatest gift you can give another. It is the greatest quality of charm," said Mrs. Neeley in her talk on the art of living socially. Other social arts are that of leadership, correspondence and conversation.

Mrs. Dickey gave an informative discussion on the art of living physically. The body is what we made it by what we eat. A tired, run-down body is not conducive to a healthy mind. Questions were asked and other points brought out by members other than the leaders of the round table. Tasty refreshments were served to one guest, Mrs. Frances Finck Ray, a former club member, and the following members: Mmes. Earl Allen, J. W. Coppedge, Bill Cosby, W. C. Dickey, H. B. Estes, John Fowler, N. A. Hightower, H. J. Howell, T. M. Isham, Claud Johnson, C. W. Kinslow, Ed Monzingo, J. H. Morris, J. H. Norman, J. A. Odom, Myrtis Phelan, S. B. Pallmeyer, Edwin A. Smith, Jr.

OES Chapter Holds Meeting At Masonic Hall

Memphis Chapter No. 351, Order of the Eastern Star, met Tuesday evening, November 6, in the Masonic Hall with the worthy matron, Mrs. Elsie Gidden, presiding.

A jar of colorful trailing colons graced the East.

The officers performed the opening march and the chapter opened in regular order. During the business session, Mrs. Mable Lavender gave a very interesting report from Grand Chapter and presented the worthy matron with a certificate for Memphis Chapter having attained 100 per cent to the International temple fund.

Mrs. Gidden then presented this certificate to the Chapter. The meeting closed and the members were invited to the West room where Chapter Anniversary refreshments were served.

The table was covered with a lovely cloth. The centerpiece was a bouquet of beautiful yellow chrysanthemums and a breezier white birthday cake decorated with white lacy icing and tiny green leaves.

The cake was inscribed with the words "Happy Birthday."

Chapter members gathered around the table were a group picture was made before the cake was served.

Mrs. Elsie Gidden welcomed the members and paid special tribute to Chapter members. Mrs. Lola Webster, a charter member, then made a wish for the Chapter and cut the first piece of cake.

Mrs. Winnie Johnson and Mrs. Jessie Snell presided at the beautiful silver service where delicious spiced tea was served.

The cake was made and decorated by Mrs. Lena Pearl Gunstream.

The next meeting is to be a

banquet dinner honoring past matrons and past patrons. The affair will be held at 6:45 on November 20 in the masonic hall and all members, husbands and wives are invited to attend.

"American Home" Is Program Theme At Delphian Meet

Mrs. Harold Smith was hostess to members of the Delphian Club on Tuesday afternoon, November 6. Mrs. Lynn McKown, president, opened the meeting with a minute of silent prayer for peace, followed by the Lord's Prayer read aloud in unison by the members.

During the business session, the members were urged by the legislative committee to vote on the proposed amendments. Mrs. Good all thanked the club for the scrapbook sent to the Goodall Hospital.

Mrs. Clarence Morris, program committee member, introduced the "American Home" program. The home department is one of the main branches in the sturdy tree of the year's study. In presenting the program, Mrs. Morris said that "as the twig is bent, so is the tree inclined" and that the home is truly the "school of schools."

"Along The Roads To Comradship" from the book "Children are People Too" by Emily Post, was given in a most interesting manner by Mrs. Jack Boone. She gave some ways to build the foundation of an enduring comradship between parents and children by combining the cultivating advantages of yesterday with the advances of today. Mrs. Boone said that perfect adjustment is almost a miracle, but that the road that is built of complete understanding at the start is an enduring one, and those who walk it side by side when one is small and the other big, are almost certain to walk shoulder to shoulder when the little one has grown big.

Mrs. J. S. McMurry gave a very thought provoking talk on "The Permanent Influence In The Home," also from Emily Post. She said that home is the symbol of all that is good and lovely in this world, also that the beauty of the home is not made with wood, stone, or paint, but is created by the personalities of a father, mother and children. Mrs. McMurry said "Let it be remembered that these are the qualities in the home which holds the heart," good character, sweetness of temper, patience, courage, loyalty to each other, much power, and enduring faith in God.

As a conclusion to the program, a Devotional Skit entitled "The Better Life" was given by Mrs. Wayne Hutcherson, Mrs. M. D. Gunstream and Mrs. Weldon McCreary. This skit was about three sisters whose parents were away.

"The House of Better Values"

REPORT FROM WASHINGTON

By Walter Rogers
Congressman, 18th District

Some information on appropriations passed in the session of the 82nd Congress which I think will be of interest to you. I did not vote for appropriations bills that House, and I voted to cut many of the appropriations that finally did pass.

116,000,000 was provided in the form of permanent allotments which are made automatically every year to cover such payments as interest on the national debt and other recurring statutory items.

This \$91.6 billion represents an eleven percent increase over the \$82.0 billion provided by the preceding session of Congress for fiscal 1951. On a per capita basis, the approved federal spending amounts to about \$636 for every man, woman and child in the country. The final amount of money voted was about \$4.4 billion less than the original amount requested by the Administration.

By far the greatest share of these appropriations is for national defense and defense-related activities. Funds voted to pay for past wars and for preparation for any possible new ones amounted to \$75.0 billion or 81.9 percent of all money provided in the session which just closed. Some of the larger items are as follows: \$56.9 billion for the Department of Defense with Army, Navy and Air Force getting \$20 billion, \$16 billion and \$21 billion of this respectively. To provide for aid and the defense of other countries against Communist aggression, Congress voted \$7.3 billion for mutual security. For such other activities as veterans' services \$4.1 billion was provided, and \$1.6 billion will be available to continue atomic energy programs.

Appropriations for non-defense activities took a much smaller share or 10.7 percent of the total federal spending provided. The amount voted for domestic programs amounted to \$9,785,086,341, and was about one billion dollars less than that requested by the Executive.

Large amounts were appropriated for the following public works programs: \$597 million for flood control, \$363 million for grants to states for public roads, and \$71 million for public power construction work. Relief payments to states will continue to be large with \$1.1 billion for such purposes. Public health programs will

have about \$359 million to spend with greater opportunity for research in heart disease and cancer.

Congress has provided \$803 million for such agricultural programs as aid to farm operators, subsidization of soil building, conservation practices and the school lunch program. The federal government will continue to encourage education with \$141 million available to promote the various programs.

While large sums have been appropriated for the fiscal year 1952, it is not expected that expenditures will rise to this same height. This is largely due to the fact that contracts for such items as planes, ships, tanks and guns may be let in 1952 for delivery in 1953, at which time payment will be made. The Budget Bureau has estimated that about \$67 billion will be spent by the Government in the fiscal year which ends next June.

About Memphis, Hall County

Local fans have one more chance to see a football game at Cyclone stadium.

Saturday night the Junior High School Whirlwinds meet the McLean Junior High school in a bi-district play-off game here at 7:30.

This promises to be a real battle as both these teams are undefeated so far this season. Our own Whirlwinds have ran wild over all the teams in this district and they may meet their first real test Saturday night. I promise to be a thriller, so if you like football, don't miss it.

I understand the merchants.

here and elsewhere, who haven't already started their Christmas displays are only waiting until after Thanksgiving . . . then everything will point towards Christmas. After all there are only 32 shopping days until Christmas now.

Things to come: The toymakers continue to dream up new gadgets for the Christmas trade. One of the newest is a mechanical bird, in a plastic cage, that actually sings . . . another is a toy telephone switchboard that looks like the real thing. The phone doesn't work, but the board buzzes and rings . . . The housewife who has trouble getting her husband to undertake home repair jobs will like a new white adhesive tape imprinted with the words "Please Fix Me!" which may be easily affixed to things needing maintenance.

Have sat in on a few rehearsals of the Little Theatre play "See How They Run," and it certainly promises to be a hilarious production. It's a comedy about two Americans in England and full of fun and spice. Be sure and see it if you possibly can. It will be presented November 29.

Someone called to my attention that last week in The Democrat in this column I gave the Amendments that were to be voted on Tuesday and come out against one amendment. Mr. Wells on the other hand in his column told his readers that he was in favor of it, the same amendment.

I think that is a wonderful example of freedom and democracy. When two persons on the same paper don't see alike yet, both were free to voice opinions. Actually it doesn't matter who was on the winning side. We both got to vote for what we believed was right, and that, always, is the important thing, the freedom of your own ideas!

Just think, a week from today is Turkey day, Thanksgiving. When you pause and think of all the many blessings and things we have to be thankful for, it's rather amazing, isn't it.

The Democrat will be out a day early next week. We will go to press Wednesday and be out either late Wednesday afternoon or that evening, since Thursday is a holiday.

Saw a cartoon over the weekend that I liked. It showed an irate visitor addressing an Inter-

nal Revenue man as follows: "So you mean to tell me that after paying taxes to the government all these years I can't list it as a dependent?"

Self-fakery is the worst type of phoniness.

Will Rogers once said: "Every body is ignorant, only on different subjects."

Did you ever read those of quoted lines of Kipling's— "If you can talk with crowds and keep your virtue, Or walk with Kings— or lose the common touch; If neither foes nor loving friends can hurt you, If all men count with you, but none too much; If you can fill the unforbearing minute With sixty seconds' worth of distance run, Yours is the Earth and everything that's in it, And—which is more—you'll be a Man, my son!"

It seems that several farmers and cotton men got quite a kick out of the story I wrote last week concerning the young cotton blooms not yet fully developed. O. K. so I was a little mixed up. I had rather write a story that someone doesn't agree with or talks about than one that people read and never comment on. Our cotton report on how many bales ginned runs a little behind the actual count. But that won't make anyone mad I guess.

Editorial

A Misconception

This past week one of the Republican Party's top men, Pennsylvania's Senator James Duff, has been in Texas making several speeches in behalf of Gen. Dwight Eisenhower and he is quoted as saying he believes Texas will go Republican if General Eisenhower runs on that ticket.

Well now that's quite a statement. One which we just do not agree. Not one little bit. Texas may vote for Eisenhower but not as a Republican.

It is true that many Texans are fed up with the present administration's mess . . . but these Texans as well as millions of other Americans know that just a change of parties, from Democrat to Republican, will not insure a better form of government or straighten out the present administration.

And these Texans haven't conceded that there aren't still a lot of good Democrats in the present administration. True, they may not be the ones in power, but Democrats here in Texas and elsewhere in the country think and believe they can form an administration for 1952 that will lead this country to better government.

There are a lot of good Democrats in our government. This is evident by the fact that President Truman didn't get his way with his all-encompassing social welfare program.

Truman can't blame these setbacks—which obviously rankled him hard—on the Republicans alone. The Democrats have small majorities in both branches of Congress. But a great many of these Democrats are as opposed to the President's ideas on social and kindred legislation as any Republican. These Democrats are not all from the traditionally conservative South. Some of them have Northern and Mid-Western constituencies where Mr. Truman's following is supposed to be strong.

One development, in view of many, is likely to overshadow all other domestic issues during the next campaign—corruption and irregularities in the government. Even such burning issues as taxation and government spending could conceivably be subordinated to it. In the past, nothing, save war, has so inflamed the hearts and minds of the American people as scandals in high places and graft in the government bureaus.

The disclosures that have so far been made, it is believed, merely foreshadowings of even more shocking revelations.

This is the kind of thing which has roundly beaten candidates and parties before.

Many Democrats know this fact and they are already taking steps to correct it before the elections for 1952 roll around.

WARM-UP TIME

Press Paragraphs—
QUOTING OUR NEIGHBORS

Taxes Cost More Than Food!

According to the president of the Grocery Manufacturers of America, the American consumer now pays more in taxes than he pays for his food! In 1940, the nation spent \$17,100,000,000 for food and paid \$12,700,000,000 in taxes. Last year, by contrast, the food bill was \$52,500,000,000 and the tax bill was \$57,000,000,000.

This does not take into account the increases in taxes that have occurred during the current year, nor the additional increases which are in prospect.

Here is more proof of the fact that the tax bill is the biggest item of expense the American people face. Some of our taxes we pay directly, in income, property, inheritance and similar levies. Others we pay indirectly, as in the case of excise and so-called "luxury" taxes. Others still are hidden in the cost of every service and article we buy. All told, taxes now consume close to a third of the national income.

Taxation on this level destroys incentive. It dries up "risk capital"—why should a man take a chance on a venture when he must pay the whole cost if he loses but will gain little for the small business to grow—the money that would be used for expansion goes, instead, to the government. It discourages production and progress. There is but one solution—rig-

orous economy in nonessential government spending, all the way from the village to Washington. At best, taxation must be heavy. If the present trend continues, it will prove ruinous.

"Did anyone ever ask how to increase their take home pay the quickest and easiest? Did anyone ever think that by cutting down on the great masses of rats which are gnawing away at the paychecks of every man, he could get an immediate lift in that take home pay? It's just like a barnful of grain. As long as the rats continue to carry it away, you have to work that much harder to

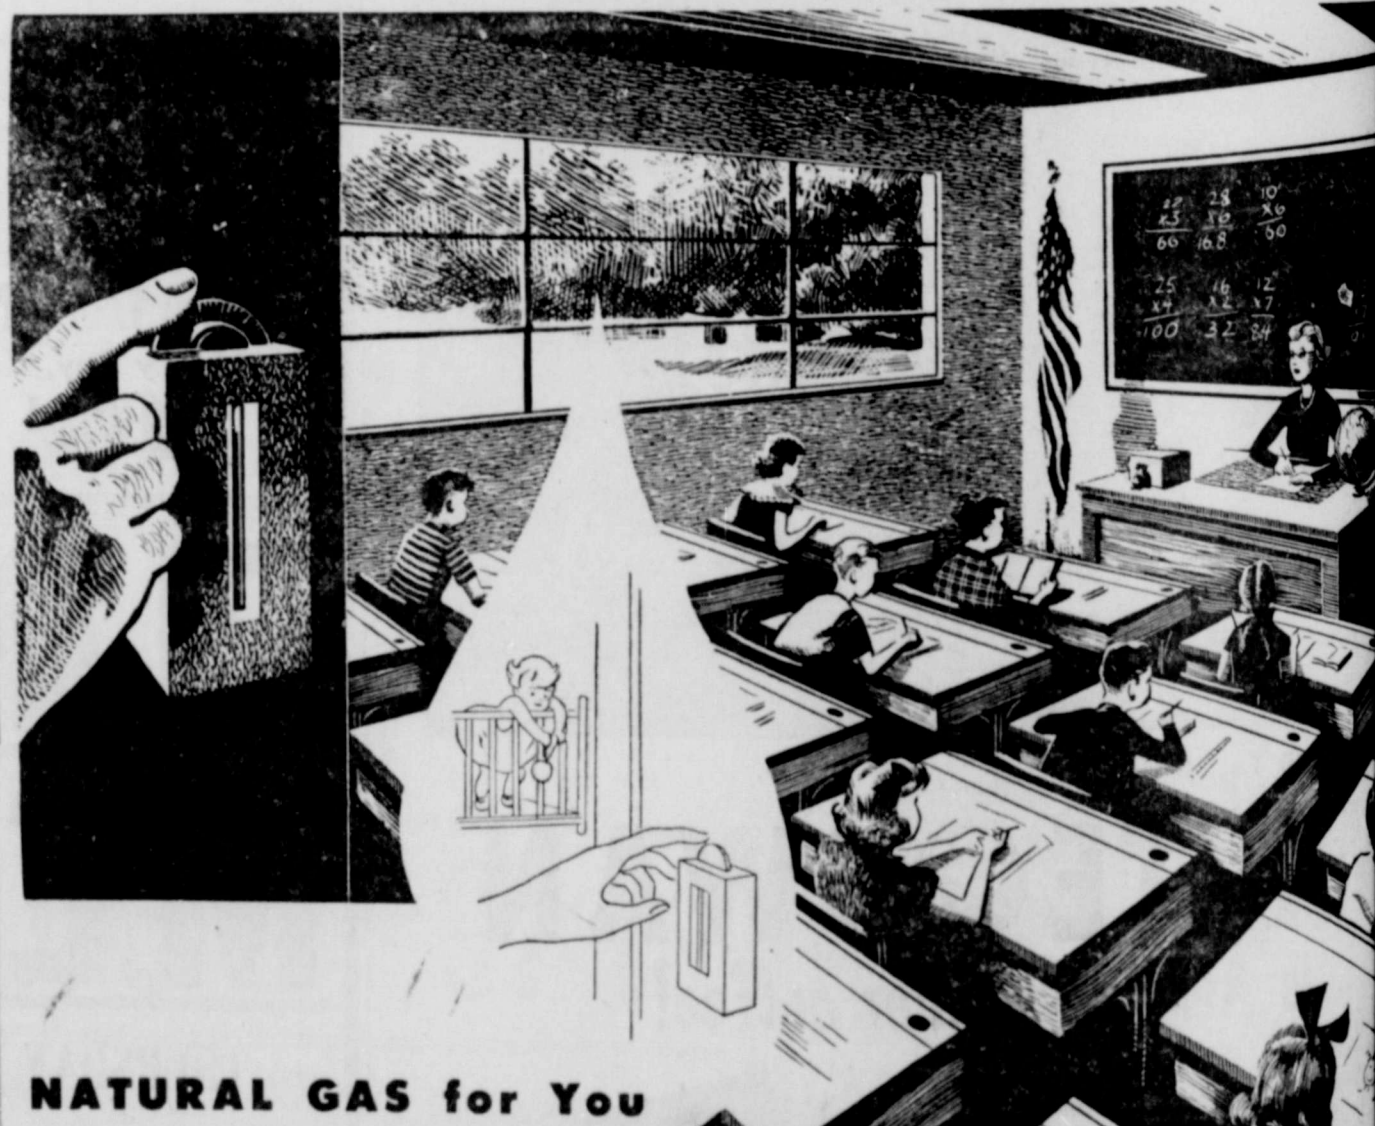

raise more to take up the losses. These Federal rats have waxed fat over the years, and they have grown more and more defiant of the public, by the protection which the government has given them. They reached a point of an army of rats which not only will not be dislodged, but demand more and more of the public money."

—East Rochester, N. Y., Herald
"Truman's time would be better spent policing government bureaus directly, than putting a ban on all information concerning government bureaus, except that which the head of the bureau deems fitting."
—Sebastian, Fla., Indian River News.

Men Carnis Durham Wined at Halftime

Ceremonies for the Paducah game were well as intricate. The football team crowned Sweetheart, Carnis, in the midst of a unique ceremony.

drum-majored by the marching band, played "College Medley" and the 50 members of the band, and formed a star. The twirlers, who were dressed in white, moved into a circle and crowned the Queen and her attendants.

and Patsy Jarboe brought onto the field a convertible driven by the band.

came to a halt and the band played "Let Me Call You Sweetheart". Carnis, the captain, who in turn crowned Queen Carnis and claimed the traditional carnation bouquets to present to the attendants.

As the group entered the heart, the band played "Let Me Call You Sweetheart". Patsy presented the helmet to Charles, the captain, who in turn crowned Queen Carnis and claimed the traditional carnation bouquets to present to the attendants.

Margaret handed the bouquet to Duane, co-captain who presented it to Carnis and also followed the tradition. Patsy and Margaret received their bouquets from Max and Freddy and the coronation ended.

The Queen and her attendants were then escorted back to the convertible, pictures were snapped and the car was driven slowly off the field.

The band entered regular formation and marched off the field playing "Army Air Corps."

Whirlwinds Win Last District Game 48-0 From Paducah Jrs.

The Paducah Jr. High went down in defeat in the strong storm caused by the Memphis Whirlwinds last Thursday night at Paducah 48-0.

The win gave the Whirlwinds the second District title in three seasons, scoring 279 points and have not been scored upon.

Jenkins, Weddell, and Sustained led the scoring, while Hammonds, Simmons, and McQueen were the defensive standouts.

Bringing You News About Memphis High School

Sue Miller Named Queen Of Spanish Club

Sue Miller, recently elected Queen of the Spanish Club, is the daughter of Mr. and Mrs. Bill Miller. She was born in Memphis, November 11, 1935. Sue is now a beautiful green-eyed blond haired girl of 16.

She is a popular member of the Sophomore class and the activities she participates in are Band, Spanish Club, Home Ec. Club and Cue and Curtain Club.

When Sue isn't studying Public Speaking or out swimming, you will find her enjoying a Hamburger steak with French Fries or playing the piano or listening to music.

After Sue finishes school, she plans to attend Hardin Simmons and major in music. Sue's ambition is to have a Christian home of her own. Her favorite movie stars are Doris Day and Burt Lancaster.

Sue's greatest thrill was when she was elected Spanish Queen.

Vonda Blackmon Thrilled As Hallowe'en Queen

Vonda Blackmon, the daughter of Mrs. Mary Blackmon, born 17 years ago in Memphis says her biggest thrill was being chosen to reign as Hallowe'en Queen of M. H. S. for 1951-52.

A senior in M. H. S., Vonda's favorite subject is shorthand and her favorite teacher is Mrs. Guthrie.

When she isn't in the kitchen looking for banana pudding or potato salad, you can find her listening to "Sunrise Serenade" on the radio.

Vonda doesn't plan to attend college, but her ambition is to work in a bank.

Students Form Thespian Society At High School

The National Thespian Society was organized for Memphis High School last Tuesday, for the school year 1951-52. Jacky Gilbert, the only charter member remaining in MHS, was elected president; Margaret Massey, vice president; Charles Messer, Secretary and treasurer; and Clinton Jones, historian.

Membership in the Society is gained on a point system. Points are obtained by various forms of public appearances. Members who have twice the number of necessary points are known as One-Star Thespians and are entitled to add a star to their pin. One-Star Thespians for MHS are Margaret Massey, Jacky Gilbert, and Clinton Jones.

Other members of the Society are Max Kennedy, D'Arman Peabody, Betty Kennon, Bobby Dick Hutcherson, Freddy Vinson, Frank Norman, Gloria Harris, Jo Anne Webster, and Beverly Snell.

Going Steady?

WHAT DO YOU THINK ABOUT HIGH SCHOOL STUDENTS GOING STEADY?

Sr. Vonda Blackmon—I don't know why they shouldn't.

Sr. Raymond Whitten — It's wonderful, but I don't indulge.

Fr. Juasetta Messer—I think they should.

Sr. Coy Smith—For a Senior, it's O. K.

Fr. Betty Claude Hickey—It's all right, if you like your steady.

Sr. Dempsey Archer—It trains you for co-operation. Makes a man out of you.

Soph. Marilea Pruet—I think it's a good idea, because you always have a date.

Sr. Bobby Dick Hutcherson—I don't think it should be any other way.

Jr. Billy Rarrell Roden—It's a pretty good idea.

Teacher, Coach Hansard—It teaches the students personality to settle down to one person so early in life.

TYPEWRITERS
The Commercial department of MHS received three more new typewriters last week to total the number of new ones this year to eight. The other typewriters are expected to be in at a later date, according to Mrs. L. L. Thomas, head of the Commercial Department.

NEW STUDENT
The snooping reporter of MHS found a new student this week Billie Hogeland who is in the 11th grade.

A WORD OF APPRECIATION

Words can not express my appreciation for all the kindnesses that were shown to me during the eight weeks that I was in the hospital. I want to thank, in my feeble way, everyone who had a part in my recovery.

Especially do I want to thank Dr. Hunt, Dr. Dryden, and Dr. Odum for their untiring efforts to make me comfortable and to speed my recovery.

To the entire staff at the hospital—all the nurses and Mrs. Lockhart and Mrs. Lester—for all their acts of kindness I want to say Thank you.

I appreciate the visits of Brother Davidson, Brother Shaban, and Brother Litton, and all other friends. Their visits and prayers meant much.

I also want to thank Mrs. Walter Jameson for her thoughtfulness in presenting my "money tree" and all who made a "green leaf" grow on the tree, and Mrs. Ode Gibson for her kindness.

May God bless each of you and keep you well.

Mrs. J. M. Hammond.

Dragons Down Cyclones 19, In District Play

kick behind the goal early in the fourth and a successful conversion by the Paducah Dragons by a one point margin Friday night as they on top of a 20-19 struggle.

the first conference of the Dragons and the Paducah is now tied for second place in the conference. Childress leads the victors and Memphis follows.

Dragons rallied to score on Paducah Dragons after a punt in the last quarter they missed the extra point and lost the game.

Paducah forced the Cyclones in the first on the Paducah 37-yard line with a pass interception. However a penalty nullified the TD and the half ended with the score still tied 7-7.

After the third quarter got underway the Cyclones drove into Paducah territory as Clyde Tomplin picked up a first down on the Dragon 20-yard line. Then Duke Frisbie again scored a touchdown

with the game less than five minutes old.

The Cyclones began to roll after the kickoff but Max Kennedy had a punt partially blocked and Paducah took over on their own 43. However Green fumbled and Memphis got the ball on their own 47-yard line. They bulled over a first down with Harvey Kennedy and Clyde Tomplin lugging the ball after Ronnie Smith picked up 16. However a penalty set them back to the 42 yard line. But on the next play Harvey Kennedy got loose and danced 42 yards for Memphis' first touchdown. Ronnie Smith then kicked the extra point and the game was tied, 7-7.

Early in the second quarter Duke Frisbie went 32 yards on a beautiful broken-field run behind good blocking for a touchdown after Davey Corley set the play up on the Paducah 37-yard line with a pass interception. However a penalty nullified the TD and the half ended with the score still tied 7-7.

After the third quarter got underway the Cyclones drove into Paducah territory as Clyde Tomplin picked up a first down on the Dragon 20-yard line. Then Duke Frisbie again scored a touchdown

around his own right end and Memphis forged ahead 13-7. The try for extra point was no good.

However only a few plays later Bobby Tomison broke through the Cyclone line into the secondary and romped 66 yards to put Paducah back into the game and the score all tied up 13-13. Their try for extra point was no good.

On the first play of the last quarter, Tomison again got loose and ran 26 yards to the Memphis 9-yard line. One the next play Pat Green fumbled and the Cyclones recovered to stall the touchdown drive.

After one running play lost about 6 yards the Cyclones tried to punt and Max Kennedy's kick was blocked and Paducah recovered for their third touchdown. Green then kicked the extra point and Paducah led 20-13.

Davey Corley returned the kick-off to his own 47 yard line on a beautiful broken field run. Julius Stevens, playing end, hauled a tall pass down out of the air with a marvelous one-handed catch for a 22 yard gain and the Cyclones began to roll.

However an offense interference penalty called against Charles Messer on a pass play cost the Cyclones 15 yards.

Frisbie then passed to Harvey Kennedy on a play that netted the Cyclones 40 yards and a first down on the Dragon 8-yard line.

Davey Corley then began pounding the line and went over on the third play as Memphis pulled the score up to 20-19.

A fumble on the extra try lost the Cyclones a chance to tie the game as the final gun sounded, and Paducah won 20-19.

In the statistic department Memphis had 9 first downs to 11 for Paducah. Yards rushing: Memphis 108 and Paducah 274. Passes: Memphis 8 for 59 yards, Paducah 4 for no gain. Punts: Paducah 3 for 36 1/2 yards, Memphis 8 for 22 yards, one blocked. The Cyclones were penalized 12 times for 70 yards and Paducah twice for 5 yards. Memphis fumbled once and Paducah 4 times.

Outstanding for the Cyclones were Davey Corley, Duke Frisbie, Harvey Kennedy, Julius Stevens, Freddy Vinson and Jimmy Morrison.

Paducah's Pat Green, Bobby Tomison and Calvin Luttrell were Outstanding.

Both teams have one remaining game in the conference. Paducah against Wellington and Memphis against Childress, this week.
