

# "So Others May Play"

By  
Rolena Johns Graham

I'm just a little shaver and of course folks don't pay much attention to me but, Mister, I'm just like all kids. I like baseball and football and you know what, once when our team scored—I got so excited I swallowed my chewing gum.

I like marbles—gosh you ought to see my aggies. I like funnies, too, and I'd like to romp with my dog Stumpy. Daddy says he's not much of a dog but all the same I like him—he understands me. When I sit all quiet like he sneaks up close to me. Some times he sits up on his haunches and whines like he is saying he is sorry—and sometimes he just licks my hand. Yes, Stumpy understands.

I'll bet my Daddy is the best fisherman ever was. We used to go way up in the mountains to fish. Soon as we got the things unpacked we'd stick trout flies all over his hat and Mother would say, "Jim, don't you ever dare make fun of my hats." Then he'd put his hat on all crooked and say, "Come on Jimmy, this is no place for a couple he-men. Let's go fishing." He would grab my hand and away we'd go and I'd almost split my pants trying to take long steps like Daddy.

When we'd get to a good looking spot—little quiet pools or

ripples—Daddy would pull his waders up around his hips, step down into the stream and then wink at me and say, "Watch sharp, Jimmy, I'll show you how to catch 'em. I'm going to catch the granddaddy and he'd say, "Nope, I changed my mind. I'm going to leave old granddaddy right here for you to catch when you get big enough to wear my waders."

I wish you could see my Daddy shoot birds, Mister, I'll bet the best dog-gone shooter in the country, maybe in the whole world. He was teaching me to shoot. He used to call me Jimmy Retriever because when he'd shoot a bird in a grain field I'd get it for him. Sometimes I'd pick most of the feathers off—they were so soft and pretty and I liked to see them flutter away in the wind.

We used to have a lot of fun—Mom and Dad and Sue and me—well—things have changed at our house. Dad and Mom keep trying awfully hard to laugh like they used to but it doesn't sound the same—it isn't bubbly any more—leastwise not to me.

You see, Mister, I guess I won't ever romp with Stumpy any more. And I won't be able to wear Daddy's waders or catch that old granddaddy fish. I won't be able to go shooting or retrieve Daddy's birds. And I can't play marbles—or do any of the things boys

like to do, like play baseball or football.

And Sue, well Sue was my sister—Sue isn't here any more. Sue and I had polio and Sue—well she died. Me?—well, they say I won't ever walk again. So you see, Mister, how things have changed.

All I can do now is read the funnies, listen to the radio, and rub old Stumpy's head. Good thing I can use my hands, isn't it? I told you Stump understands—he gets as close to me as he can and looks right at me as if he was saying—I know all about it, Jimmy, I miss Sue too—I know you can't play—but I'm right here by your side. Folks won't pay much atten-

tion to what I say but they'll listen to you. So please won't you tell them not to forget to do their share! They don't mean to forget I guess. They sure wouldn't if they knew just how a guy feels when he sees other fellows running and playing, doing all the things he'd love to do—but can't ever do again. Makes a fellow feel all shivery and cold and achey inside. Sometimes when Daddy and I went fishing or hunting and walked a long way I'd cry a little at night because my legs ached. Now sometimes I cry because they won't ever ache any more from playing or walking.

A lot of the kids who have po-

performer in the rodeo world can make from \$10,000 to \$25,000 a year. Contrast that with the \$30 a month and chow which the rider on the range used to get!

"Many of the present-day riders were never actually cowboys at all and are really athletes," Elliott declared.

When asked whom he considered the greatest cowboy in rodeo history, "Mr. Rodeo" pondered, then said, "I wouldn't want to say Leonard Striud, who was at his peak around 1918, could do everything well. So could Hugh Strickland, who came along afterward. In recent years, I would rank Gene Rambo, as the best all 'round cowboy."

Among rodeo stars of the present, Elliott considers Bill Linderman the best, although Bud Linderman is probably the equal of his brother in ability but Bill takes the work more seriously, the producer said.

Both men will be seen in the Fort Worth stock show rodeo (greatest indoor rodeo in the world) as will nearly 400 other top-flight artists of theariat and saddle.

# Records Shows Not Enough Money Sent For Licenses

Austin.—Homer Garrison, Jr. Director of the Texas Department of Public Safety, announced today in Austin that a survey conducted at the end of the first week of the increased fees for driver's licenses indicated that 48 percent of the applications for renewal of operators and commercial licenses failed to include sufficient money.

This, Garrison pointed out, was in spite of the fact that newspapers and radio stations cooperated wholeheartedly in publicizing that the cost of both of these type of licenses were doubled by the 52nd

Legislature and became effective September 7th. The public Safety Director again reminds Texas motorists that the fee for an Operator's License is \$1.00 and for Commercial License, \$2.00. The price for a Chauffeur License remains at \$3.00. As before the Operator's License is valid for a period of two years and the latter two for one year period each. Remitting of the proper amount with your renewal application will expedite a more prompt return of your new license, Garrison said.

The National Foundation for Infantile Paralysis uses its March of Dimes funds for patient care, research, epidemic aid, and education.

The chief product of American Samoa is copra.

# Needle Craft Club Meets In Home Of Mrs. Mary Erwin

The Needle Craft Club met January 1 in the home Mrs. Mary Lou Erwin and the guests did needle work for her.

The president, Mrs. Morgan Baker presided over the business meeting.

Lovely refreshments consisting of a salad plate were served to the following members:

Mesdames Marion Long, Nat Bradley, Morgan Baker, Robert Cummings, Albert Gerlach, T. D. Weatherby, the hostess, Mrs. Erwin, and one guest, Mrs. Ballard.

The next meeting will be a luncheon in the home of Mrs. Robert Cummings and an election of officers will be held.

# Locals and Personals

M-Sgt. William N. Hoggatt who has been with the air force in Japan for three years arrived home last Saturday to spend a 30 day leave with his parents, Rev. and Mrs. I. T. Hoggatt of Lakeview. After his leave has terminated he will go to Hamilton Air Force Base, Calif where he will be stationed.

Mr. and Mrs. H. D. Gillis of Brownwood visited here last week with his sister and husband, Mr. and Mrs. Earl Pritchett.

Mr. and Mrs. Billy Johnson and son Bill of Hollywood, Calif. visited here over the holidays with Mrs. A. B. Jones and J. W.

Mr. and Mrs. T. J. Brock had

as their guests during the holidays all of their children and this was the first time in ten years that they had all been together. The list included: Mr. and Mrs. J. E. Brock and son of Amarillo, Mr. and Mrs. N. E. Dollar and children of Borger, Mr. and Mrs. O. B. Dollar and children of Fort Worth, Mr. and Mrs. Murrell Lemons and boys of Brice, and Miss oriel Broch of Tulia.

Mrs. Elmer Fisher of Pampa, Mr. and Mrs. B. W. Whitney and son Mark of Clifton visited here with Mrs. C. E. Gowan and Dorothy Gowan during the Christmas holidays.

The Navy plans to have 500 helicopters by the end of fiscal year 1952.

### Ten Points Make Safer Driving; Prevent Wrecks

Only last week the one-millionth traffic fatality occurred in the United States and already the toll has climbed beyond the one-millionth mark.

Every motorist has a real reason for careful and safe driving. "The majority of traffic accidents," the National Automobile Dealers Association points out, "are the result of an error committed by one or more of the drivers involved. These errors are usually the product of carelessness and ignorance."

"This ten-point program," says N. A. D. A., "if followed by every motorist, will at least push back the date when some of the victims make headlines."

1. Don't drive so fast that your stopping distance exceeds your seeing distance, or that you risk losing control of your car.
2. Use your rear-view mirror and signal your intentions, before moving out of the lane in which you are driving.
3. Pass only on the left side of other vehicles when overtaking them.
4. Give the pedestrian the right-of-way.
5. Make it a point to turn your head and look before backing up.
6. Don't follow the driver ahead of you too closely. You should allow a distance of at least one car-length between you for every ten miles per hour of speed.
7. Drive on the right side of the road.
8. Slow down and look both ways at traffic lights—even green ones.
9. Be careful that no train is coming when crossing railroad tracks.
10. Keep your car in the best operating condition at all times. Take it to your dealer for periodic inspections.

### LAFF OF THE WEEK

"... And we could start a completely new nation without women... we could call it 'STAG-NATION'!"

John L. Sullivan fought seventy-five rounds with Jake Kilrain in 1889, in the last of the bare-knuckle championship fights.

### Memphis Defeated By Hollis Tigers

The Memphis Cyclones lost their third game of the season last Friday night to the Hollis Tigers, 40-53.

Duane Miller, Cyclone center, was high pointmaker of the game with 17 points, followed by Keese who paced Hollis to their victory with 16. This was Hollis' first victory over the Cyclones after being defeated in Memphis December 28, 29-40.

### Texas Construction Shows Biggest Drop

Construction in Texas during November dropped far more than seasonal averages, the University of Texas Bureau of Business Research reports.

Preliminary estimates of November building permits total \$36,808,000—14 per cent less than October and 36 per cent less than November, 1950. The November, 1951 total is the lowest since February, 1949.

Carrie Chapman Catt was a leader in the campaign that led to the adoption of the 19th Amendment to the Federal Constitution, which granted suffrage to women on equal terms with men.

The Victory Bell at Annapolis is rung only on the occasion of a navy victory over the army, in football.

El Salvador is the only Central American republic without an Atlantic coastline.

A fathom equals six feet and is derived from the distance to which a man can stretch his arms.

### Platform Planks For '52 May Be Less Cost, Taxes

By BYRON C. UTECHT  
Austin, Tex.—Campaigns will soon begin for legislative, state and national office, and the wise candidate will adopt as his chief platform plank, "No more taxes and reduction of government costs". Many who say they expect to run for office in 1952 say they are aware of this fact.

People in Texas and over the United States are protesting more than ever before against mounting taxes, waste of public funds, corruption, and increased cost of living, for all now realize no matter how a tax is labeled it is passed on to the consumer in everything he buys State and federal taxes already are past the saturation point, to such extent chaos is just a step ahead unless we call a halt to these financial hayrides.

The last session of the Texas legislature, the fifty-second, enacted taxes that called for \$65,000,000 additional, which should be sufficient for many years to come. But if more money is needed by the state government it could readily cut off about \$15,000,000 or more annually out of the \$550,000,000 a year now being spent, an all-time high.

Although campaign after campaign in the past candidates for the legislature and for other state office said publicly they strongly opposed the creation of any new state boards, commissions or bureaus the record is since only 1945 there have been 47 new state agencies established and only 13 abolished but most of these 13 were already inactive, causing no expense for the taxpayers.

But the taxpayers did have to fork over to support the 47 new agencies. There was no public demand for these 47 new agencies. There was no public demand for these 47 new agencies and state offices now fill five office buildings in Austin.

As a federal spending and waste, to which Texas is forced to contribute, tax money is merely poured through a sieve. Non-defense spending alone, meaning federal taxes, is now three times more than in 1948 and 1952 is expected to witness the Washington government spending \$90,000,000,000, if you can grasp that figure. The people of Texas and the United States have plain-ly shown they are weary and fed up with the spend and spend and tax and tax boys.

Government is not owned either in Washington or Austin, though some bureau heads, especially located on the Patomac, think otherwise. Other states would cheer if Texas takes the lead to throw off the yoke of taxes, waste and corruption.

Candidates for the legislature and state office should rededicate themselves seriously to eliminate the inequities in the Texas tax structure. This is the only tax problem Texas faces, and these inequities violate the state constitution. Some Texas industries pay no state taxes whatever, some too much and some too little. Oil, gas and sulphur pay 75 percent of the state tax burden. Why are some allowed to escape? Where do punitive taxes get Texas?

HE WOULDN'T DROP HER IN THE WATER... or would he? This is one of the hilarious scenes in "Holiday in Hell"—romantic farm comedy film featured in the Ford Festival.

### Get handy KITCHEN UTENSILS IN MOTHER'S OATS

Every big square package of Mother's Oats offers an exciting double value! Because money can't buy a finer quality, more delicious, or more nourishing oatmeal than Mother's Oats. And packed in every package you'll find a valuable, useful premium such as aluminum kitchen utensils, famous "Fire-King" glass cup and saucer, beautiful "Wild Rose" pattern china or gay colorful Carnival Ware.

No waiting! No coupons! No money to send! Just ask your grocer for Mother's Oats with Premium, in the big square package.

# We Are Moving

Our Automobile Agency from 712 Noel Street ACROSS THE STREET

TO

## 707 Noel Street

... INTO THE BUILDING FORMERLY OCCUPIED BY KERMIT MONZINGO, FORMER CHRYSLER-PLYMOUTH DEALER

We're glad to make this move because it will give us more adequate quarters in which to operate. Also, We'll be in much better position to offer our customers the type of facilities and service they deserve.

### F. E. Monzingo Pontiac

707 Noel St. Memphis, Texas

# ANNOUNCING Change of Ownership

We wish to take this means of announcing that we have purchased the Massey-Harris dealership in Memphis from Moss Motor Co., and will operate this business in the future under the name of KEMP MACHINERY COMPANY.

We also bought the buildings, new and used farm equipment, and the stock of Massey-Harris replacement parts, which the dealer had on hand at the time the change took place. The building is now undergoing extensive remodeling, and will be set up to serve our customers in fine order.

It is our desire to be an active part in the affairs of this community; and want to invite the people of this area to come in and visit with us. We're not strangers to many farmers of Hall County, having operated a similar type of business in Donley for several years. We know the Massey-Harris line of farm machinery, and will do what we can to serve our customers.

# OPS To Try And Ease Feed Shortage

The Office of Price Stabilization has moved to relieve the critical situation facing livestock growers and feed dealers in Texas, Oklahoma and other southwestern states caused by local shortages of cottonseed meal, hulls, cake and pellets.

Alfred L. Seelye, OPS Regional Director, said that the revision of supplementary regulation 31 to the general ceiling price regulation is expected to alleviate shortages by permitting dealers to add to their cottonseed feed ceilings actual increases in transportation costs, caused by bringing in feed from other parts of the country. This should result, he said, in dealers being able to build up their feed stock to take care of their customers without undue financial hardship.

Growers have been feeding a record number of livestock much earlier and heavier than usual, Seelye said, due to the lack of hay and grass caused by drought conditions and insect infestation. Despite the fact that there is no actual shortage of cotton seed in the cotton producing areas, mills operating at capacity have been unable to crush seed fast enough for the huge demand.

Local stocks of cottonseed feed products in the hands of dealers largely have been depleted, according to the OPS Regional Director, creating a situation which could result in a reduction of the beef and lamb supply, since many animals might be sent to market too soon.

Price ceilings on cottonseed generally are established on local production with moderate, or in some cases, no freight charges included.

However, Seelye said, many southwestern feed dealers now are forced to obtain their supplies from surplus feed areas, principally the southeastern states, resulting in large increases in transportation costs.

Under the OPS emergency adjustment, effective until May 1, 1952, dealers can add the difference between these increased costs and the average of feed transportation costs during the base period of December 19, 1950 to January 25, 1951, to the retail ceiling price of each quantity of feed they have purchased.

## March Of Dimes Aid Urged Now By Texas Gov.

Governor Allan Shivers emphasized the impact of polio on the family, community, state and nation in officially designating the period from January 2-31 for the 1952 March of Dimes.

In an official memorandum, bearing the Seal of Texas, which was signed December 26, the Chief Executive cited the heavy expenditures of March of Dimes funds by the National Foundation for Infantile Paralysis in combatting four consecutive years of heavy polio incidence.

"As a result of these attacks," said Governor Shivers' statement, "thousands of patients from previous years as well as approximately 75 per cent of those stricken during 1951 have required financial assistance from the National Foundation for Infantile Paralysis."

"No one can predict when this upward curve of polio incidence will be curbed."

"Texas county chapters of the National Foundation for Infantile Paralysis continue to spend annually large sums of money in patient care and health education."

"During the March of Dimes, its sole source of revenue, the National Foundation for Infantile Paralysis asks for generous voluntary contributions to continue its laboratory research, professional and health education, and patient care programs."

"Therefore, I, as Governor of Texas, hereby designate the period January 2-31 for the 1952 MARCH OF DIMES in Texas, and urge every citizen to contribute as he is able to the success of this worthy campaign."

The unit, now stationed in the central sector, builds bridges, roads and installs combat fortifications such as barbed-wire and

Velveteen separates are among the most popular new fashions for winter wear. Proof positive is this smart ensemble created by Stephanie Korot in cotton velveteen. A slim skirt and boned torsolet are topped with a versatile pyramid coat, which can be worn over anything.

mine fields. Honeycutt is serving as a driver on the central Korean front. He is a graduate of the Samnorwood High School.

### Deep Plowing Field Show To Be Held Tues.

A field demonstration using a new three-disc deep-breaking plow and a new style three-row front mounted lister mounted on a Minneapolis-Moline Model U tractor will be held next Tuesday, Jimmy Anthony, of Hall County Farmers Supply announced this week.

The demonstration will be held at the R. E. Mann farm, located one mile west of Hedley on highway 287. It will be in progress all day and the public is invited to stop and see the equipment.

The deep-breaking plow is capable of going to a depth of 18 inches and turning the soil. The equipment will be handled by Hall County Farmers Supply in this area.

Patagonia is at the southern end of South America.

# Announcement

It is with pleasure that we announce that the Massey-Harris tractor, combine and implement line has been sold, along with the business buildings we formerly occupied, to

**MR. H. KEMP**

formerly Massey-Harris dealer at Clarendon, Texas

Mr. Kemp is an experienced implement dealer capable of carrying on this fine machinery line in an efficient manner, which will be a great benefit to the agricultural trade of Hall County. The Massey-Harris line is a quality line of farm implements that deserves your consideration in any purchase of farm equipment.

Mr. Kemp is remodeling, and will appreciate any consideration you might give him in your purchases of farm machinery.

We wish to thank our many friends and customers for their consideration and patronage in the past while we were dealers. We hope 1952 will be a good year for you in every respect.

All accounts due the Moss Motor Co. can either be paid at the Kemp Machinery Co. or mailed to Grover Moss, Memphis, Texas. We would appreciate your immediate attention to settling these accounts so that our books can be closed.

## Pearls of Wisdom

Strung by J. H. R.

### The Road Ahead

Just this week the bells rang out the old year and rung in the new. Toy horns, confetti and gray serpentine papers sounded off in greeting to the Baby New Year of 1952.

Wonderful and solemn resolutions were made, probably to be broken, new leaves were turned over and slates were wiped clean to make ready for "the Chalkings" of the coming year.

As we meditate the year just past and contemplate the one just beginning, many questions, doubts and hopes go scurrying through our minds. In a recent issue of Readers Digest, A. J. Cronin posed a pertinent question then proposed some likely answers. The caption of the article and the question asked was "Quo Vadis?" Mr. Cronin's philosophizing in answer to this Latin query, "Whither goest thou?", makes excellent reading as one begins the New Year.

It seems, according to legend, the apostle Peter, terrorized by the threats of Nero, was fleeing pagan Rome. In the throes of his frantic escape, he was confronted in a vision by his reproachful Lord with the question "Quo Vadis? Needless to relate, this served to direct Peter's thoughts into saner channels and renew his courage for trials.

True, the best laid plans go awry, nevertheless, the architect blueprints his building design, the artist sketches his early ideas before beginning a canvas, and the seamstress follows a pattern. Not only 'whither goest thou' but have you mapped the way and are you equipped for the journey? Have you some scheme for achievement in mind or are you plodding aimlessly along with no particular design for living in 1952?

Though we approach it by many and different routes, the ultimate destination of most of us is personal security and peace of mind. The way is tedious and fraught with difficulties at times at times as was Pilgrim's progress in John Bunyan's memorable parable.

As one writer says, "The happenings around us reveal a number of surprising contradictions;

there is little doubt concerning our material progress but there is grave doubt about our emotional security. We are (financially speaking) a rich nation; yet thousands of individuals are experiencing a severe impoverishment of ideals and motivation."

So, don't only decide "whither goest thou", check your personal gear, plot your course, and decide whether or not the journey is worth the taking. If you, in the coming year, arrive as planned by the time another January first rolls around, you should be able to say with Don Blanding:

If the rest of the road is half as good  
As the half that has gone before  
I'll swing along with a singing heart  
And pray to the Lord for more.

How long? How far? How hard?  
How fine?  
How heavy or light the load?  
It's half as good as the half I've known  
Here's hail . . . to the rest of the road!

### Election Shows WTU Employees Vote Down Union

Production department employees of the West Texas Utilities Company last week voted down an attempt by the National Labor Relations Board to establish an agency of International Brotherhood of Electrical Workers among WTU employees.

Votes counted Thursday night in San Angelo by field representatives of the Board in the presence of the union and Company observers indicate that the International Brotherhood of Electrical Workers failed to win a certification as bargaining agents.

Of the 152 votes cast, 45 were challenged votes. Nearly all of the votes challenged were challenged by the Labor Board and union men. Because the number of votes challenged (mainly by these men) will necessarily determine actual

results of the election, the Labor Board field men had to refuse to certify the results of the election until such votes are given proper consideration.

Lee Smith, attorney representing the Company at the election, said that in his opinion the majority of the challenged votes were votes of operators of diesel plants which the Company operates for auxiliary service in 14 towns served by the Company.

Smith continued, "The Company will do everything possible

to see that its employees are allowed their democratic constitutional rights."

The National Foundation for Infantile Paralysis headquarters plans, inaugurates and finances—through grants to laboratories and universities—a nationwide program of research into the cause, prevention, and cure of poliomyelitis.

San Juan is the capital of Puerto Rico.

### Korean Veterans Honored At Dinner Party

Two Korean veterans, Sgt. Vernon Hawthorne, and Sgt. Buddy Murdock were honored with a dinner Sunday, Dec. 30 at the home of Mr. and Mrs. W. C. Hawthorne of Eli. Both boys have been home on 36 day furloughs with their

parents, Mr. and Mrs. W. M. Murdock of Memphis and Mr. and Mrs. W. C. Hawthorne of Eli.

Among those who attended the dinner party were: Royce Murdock, Mickey Murdock, Mr. and Mrs. Fred Howard, Pauline Tabor, Shirley Ann Tabor, Ella Curtis, Alie Kennemerm, Eddine Smith, Mr. and Mrs. James Smith, Ona Smith, Grandmother Jackson, Grandmother Hawthorne, Donnie Stewart, Mr. and Mrs. W. 1952 PLYMOUTH — ON DISPLAY FRIDAY

# We Are Glad To Announce That We Have Purchased the Chrysler-Plymouth Dealership

IN MEMPHIS

## from Kermit Monzingo

In a transaction, effective Jan. 1, 1952, we have obtained the Chrysler-Plymouth dealership formerly operated by Kermit Monzingo, and are now selling and servicing these two popular automobiles. This dealership will be operated at our implement building, 111 Front Street.

In the sale, we obtained the entire stock of Replacement parts carried by Mr. Monzingo, as well as all service department equipment and supplies. This means we're ready to do all kinds of auto servicing, and have the tools and equipment to be used in this specialized work. William Lavender, factory-trained mechanic, is now with this firm to handle auto servicing and repairing.

## the New 1952 Plymouth

Will Be On Display Friday, Jan. 4th In Our Showroom

Come in and see this newest of the Chrysler-built line of cars! A long list of improvements has been incorporated in the new Plymouth. You will find them in the engine, the brakes, the electrical system, the chassis, and the body. They are engineered for your driving pleasure . . . built around the 97 horsepower, high compression engine with the improved combustion chamber.

### MHS Band Works On Contest Music

The Cyclone Band House is no longer filled with the sound of marches for the Band is now settling down from a hard marching season and is working on overtures.

The Band is preparing for their annual Sweetheart Concert where they will crown their Sweetheart, Marilea Pruett, and also for the Spring Concert Contest held in Canyon each year.

Numbers the Band is now working on are "Citidale", "The Town Crier", "Bagdad", "Olympia", and "Janus."

### Vet Insurance—

(Continued from Page One)

they were in active service so as to take advantage of the free indemnity protection, they must act within 120 days of their release or separation to reinstate their policies or to apply for new permanent plan insurance.

As used in this article, permanent plans of Government life insurance mean any of the permanent plans issued under National Service Life Insurance or U. S. Government Life Insurance, such as ordinary life, 20-pay life, 30-pay life, and the various endowment plans.

Under the Servicemen's Indemnity and Insurance Acts of 1951 that became law April 25, 1951, persons in active military service on and after that date could take any one of three courses with their permanent NSLI or USKLI policies.

They could: (1) continue to pay the full premium as in the past; (2) apply for waiver of a part of their premium, or (3) surrender their policies for the cash value and be covered by the free indemnity protection.

Those who elected to pay the full premium must continue to do so immediately after release or separation from active service if they wish to keep their policies in force thereafter.

Those who were granted a waiver of part of their permanent plan premium (under Section 622 of the NSLI Act) were instructed to pay the full premium while they were in active service and VA would refund the waived portion.

When these persons are released or separated from active service, they should continue to pay the full premiums, when due, directly to Veterans Administration, Washington 25, D. C. That portion of the waived premium which is paid under this arrange-

### Basketball Tourney—

(Continued from page 1)

Thursday at 1:45 p. m. At 6:15 p. m. Lockney meets Lelia Lake and Thursday night at 8:45 p. m. Memphis meets Hedley.

Friday morning Lakeview meets Quail at 8:45 p. m. and Kirkland meets the Quail "B" team at 9:45 p. m. The Paducah-Carey winner meets the Memphis-Hedley winner at 6:45 p. m. Friday and the Memphis "B" squad plays the Lockney-Lelia Lake winner at 9:30 a. m. Saturday.

Other games will be played Saturday afternoon with the championship that night at 9 p. m.

Officials selected for the tournament include Troy Wiley of Clarendon, Bill Phillips of Quail and J. W. Coppedge of Memphis.

The public is invited to all of the games. All games will be played in the high school gym.

### Vehicle Inspections To Start Here Soon

Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today that his department has just issued the first certificates of appointment as authorized motor vehicle inspection stations under the State's new vehicle inspection law.

Thirty hundred applications were included in the initial list and an additional 2200 are currently in the process of issuance.

Garrison estimates that actual inspection of autos will get under way by some of these stations during Christmas week and he urged all automobile owners to get their inspections as soon as a location is approved and licensed in their vicinity in order that the big rush may be avoided just prior of April 1, 1952. The new law requires that a vehicle must pass inspection before it can be registered. The 1952 registration year begins April 1st.

At present none of the three stations in Memphis are able to give inspections. Foxhall Motors, Sisk Buick Co. and Potts Chevrolet are among those qualified, but a check this week found them without certificates and equipment in working order at this time. All plan to be ready to provide inspections soon.

George Busby, Chief of the Public Safety's newly organized Motor Vehicle Inspection Division also appeared to motorist to have a preliminary check of the safety features of their cars made by their regular mechanic pending the actual inspection by an official station. He pointed out that it is not wise to assume that your auto will necessarily pass the test because it is new.

"A little research has shown us," Busby said, "that approximately fifty percent of brand new autos would fail to pass the tests because of a need for some minor adjustment such as headlights or wheel alignment."

"The first few miles of road use," he continued, "plus the new metal parts of the auto often work together to throw some of these parts out of adjustment and a pre-check by your mechanic will easily assure you that your auto will pass inspection."

Busby also pointed out to owners of new and old autos as well that only the safety features of the vehicle will be inspected. These include brakes, lights, horn, windshield wipers, etc.

The yard, as a measurement, was established by Henry I, according to legend. It was the distance between the point of his nose and the tip of his thumb when his arm was stretched out.

The National Foundation for Infantile Paralysis provides funds for training physicians, nurses and physical therapists in modern methods of polio treatment.

ment will be refunded, with interest, for the period that the waiver is in force.

Those who surrender their permanent plan policies for cash may adopt one of two courses of action if they wish to replace or restore the surrendered permanent plan of insurance. In either of these two courses, the requirement for reinstatement or issuance of new insurance must be met within 120 days following release or separation from active service. The two courses of action are:

1. They may apply to Veterans Administration, Washington 25, D. C., in writing, without a physical examination, for the issuance of a new permanent policy on the same plan and not in excess of the amount of the policy surrendered for cash, and pay the required premium; or,

2. They may reinstate their surrendered permanent plan of insurance, without a physical examination, by paying the required reserve and the premium for the current month. Applications for reinstatement should be mailed to Veterans Administration, Washington 25, D. C.

For further information, veterans should contact their nearest VA office as soon after separation or release from service as possible.

ness. McDaniel Brothers have operated their International Harvester Implement Company from their new building completed a few years ago on South Front Street. They plan to handle a complete line of parts and offer service to all automotive owners in addition to their present tractor and implement business.

Massey-Harris Change  
Haskell Kemp of Clarendon is a former Massey-Harris dealer and also a former automobile dealer in Clarendon. He will continue to operate the business from the old Moss Motor Co. location at present and plans to offer farmers of this area complete tractor and parts service. The Moss brothers announced they are returning to their farming operations.

Service Station  
B. N. (Bob) Evans has taken over the Texaco Service Station formerly operated by the Bruce Bros., who also said they were going to farm.

Evans is an experienced service station man having worked many years in Amarillo at various service stations. He is formerly of Memphis. He plans to offer complete automotive service and will handle all Texaco products.

### Postal Changes—

### Jeffers-Ballew Nuptial Vows Are Solemnized Here On December 31

Nuptial vows were performed at 7:30 o'clock Monday evening, December 31, to unite in marriage Helen Lindsey Jeffers and Bill Ballew, both of Memphis. Rev. Roy Shahan, pastor of the First Baptist Church, read the double-ring service at the parsonage.

The couple's only attendants were Mrs. John Lindsey, sister-in-law of the bride, who served as matron-of-honor, and Dutch Wheeler who was best man. Mrs. Lindsey was attired in a grey suit with black accessories. Her brother, John Lindsey gave her away.

For her wedding the bride chose a blue frock fashioned with basque waist, cap sleeves and low neckline edged in lace and a full skirt. Her accessories were white.

Both Mr. and Mrs. Ballew are well-known here. Mr. Ballew was born and reared in Memphis and Mrs. Ballew has lived here for a number of years. They own and operate the Memphis Studio.

Wedding guests include John Lindsey, Mrs. Dutch Wheeler, Billie Jo Perkins and Major Jeffers, the bride's son.

Texas County Chapters of the National Foundation for Infantile Paralysis spent \$1,634,007.28 in 1950. Of this amount, only \$39,930.49 was for office and administrative expenses.

"January" is derived from the two-faced Roman god "Janus" who looked into the future and the past at the same time.

# In 1952

WE WISH FOR YOU THE BEST OF EVERYTHING: GOOD HEALTH, FAMILY HAPPINESS, PROSPERITY, AND DEFINATE DECISIONS POINTING TOWARD A PERMANENT PEACE.

In spite of many unfavorable conditions, some of which affected us directly, we have enjoyed a fairly good year in business here in Memphis. For this we are very thankful, and wish to take this opportunity to pass this sentiment on to our customers. We are appreciative of the manner in which the citizens of this area have treated us; and hope, from our standpoint, that we have done our small bit toward serving this community during the past year.

## We Pledge . . .

to continue to give our customers the best values we can. This is but a re-statement of our policy, which we have abided by for over 30 years:

"The Finest Foods At The Lowest Possible Prices"

Our methods of operation—low overhead, self-service, and large quantity buying—will continue to make this policy of food merchandising possible during 1952.

### Stephen F. Austin Pupils Give Program At PTA Meeting

A Christmas program was presented to the guests and members of the Stephen F. Austin PTA Thursday afternoon, Dec. 26. The school had a festive air. The and halls had been attractively decorated by the teachers and students with many Christmas stars, and trees.

The 2nd grade pupils of Stilwell's room gave a choral reading about the Christmas story. The 6th grade portrayed scenes and characters of the Christmas story and read the scriptures from the Bible. They were accompanied by lovely Christmas chorals of 5th grade pupils.

After a brief business session presided over by Mrs. Hester, president, the group journeyed to the cafeteria where members enjoyed the delicious refreshments and mas corsages were presented by Mrs. E. W. Godfrey, Jr., and Darryl Brown.

### Locals and Personal

Lt. Lesley Calhoun and Miss of Liberal, Kan., spent the days here with his parents, Mrs. Calhoun's parents, Mrs. Mrs. A. W. Howard.

To the right of them in the background is a flower-framed photograph of Mr. and Mrs. Walker taken on their wedding day, 50 years ago. Photo by Memphis Studio

## Mr. and Mrs. E. E. Walker, Pioneer Couple, Observe 50th Anniversary

Mr. and Mrs. E. E. Walker, well-known Memphis pioneer couple, observed their Golden Wedding Anniversary Sunday, December 23, when their sons and daughters entertained with a reception in their honor at the family home, 520 south ninth.

Guests, calling between the hours of 3 and 5 p. m., were met by Miss Zady Belle Walker, who in turn presented them to her parents.

Penny Walker and Ann Vaughn, daughters, presided at the reception.

Mr. and Mrs. Walker were married at the home of her mother, Mrs. W. C. Adams, near Lindale, Smith County, Texas. They came to Hall County in July, 1911 and have made their home in Memphis since that time.

Both Mr. and Mrs. Walker have been an active part in the growth and development of the community. They are members of the Baptist Church. Mr. Walker has served on the board of deacons for many years and at the present time is chairman of the board. He is a member of the Masonic lodge.

All of the Walker children are graduates of the Memphis high school with the exception of one daughter who graduated from Abilene high school. Two children, H. E. (Chesty) Walker and Zady Belle Walker, have served as teachers in the local schools and at the present time Miss Walker is

principal of the Stephen F. Austin Elementary School.

For the festive occasion many lovely floral arrangements of yellow roses, mums, carnations and snapdragons, sent by friends of the couple, adorned the receiving rooms.

The refreshment table was laid with an Irish linen cloth brought from Ireland by Miss Walker. The centerpiece of yellow roses was especially beautiful to the honorees for it was a duplication of similar ones for the past 28 years, since the last child was born. Flanking the floral arrangement were crystal candlesticks, decorated with gold mums, bearing gold lighted tapers. Of special interest was a flower-framed wedding picture of Mr. and Mrs. Walker which hung on the wall back of the service table.

The three-tiered cake, decorated with yellow roses and gold numerals "50", was served by a daughter, Mrs. R. E. Higginbotham. Mrs. R. E. Vaughn, another daughter, presided over the coffee service.

Assisting with the greeting and serving were the other children and grandchildren including Mr. and Mrs. H. C. Walker and Penny and Betsy of Phillips, Mr. and Mrs. W. L. Walker and Sue and Thelma Ruth of Borger, Mr. and Mrs. K. C. May and Lynn of Slaton, Mr. and Mrs. Ned Pilcher and Kay and Ned Jr. of Snyder, R. E. Vaughn, Dan Walker and Ann of Spearman, R. E. Higginbotham and Zaly and Robby of Lockhart, Jimmie Rex Walker of Sheppard Air Base, Wichita Falls.

Many gifts, congratulatory cards and telegrams were displayed for the many guests who called some of whom were from Amarillo, Clarendon, Lesley and Lakeview.

All of the children were present for the reception, with the exception of one grandson, Lt. Robert E. Vaughn Jr., and his wife, who called the honorees from Camp Pendleton, Calif., to offer congratulations and one daughter-in-law, Mrs. Siegle Walker, who called from Albuquerque, N. M. to extend congratulations.

## Locals and Personals

Mr. and Mrs. Woodrow Martin of Springfield, Tenn., visited here during the holidays with Mr. and Mrs. G. M. Duren.

Mr. and Mrs. Burr Pruett visited in Wheeler Sunday with Mr. and Mrs. Bus Dorman.

Mr. and Mrs. Bill Dunn and Mr. and Mrs. Brode Hoover attended the Cotton Bowl game in Dallas Tuesday.

Mr. and Mrs. Bailey Gilmore and Brenda Gayle of Dallas were here for the New Years weekend.

Those who visited with Chas. Drake during the Christmas holidays were: Sgt. and Mrs. Al Tinsley and daughter of Dallas, Mr. and Mrs. Tom Draper and children of Amarillo, Mr. and Mrs. Clyde Drake and children of Wellington.

Mr. and Mrs. Dean Morgenson of Oklahoma City are visiting here with friends.

Mr. and Mrs. Perry Keyser and boys visited during the Christmas holidays with Mrs. Keyser's parents, Rev. and Mrs. G. S. Dowdy in Tulsa, Okla., and also Mr. Keyser's parents at Perry, Okla.

Those visiting with Mr. and Mrs. E. E. Roberts during the holidays were their children, Mr. and Mrs. A. L. Derr of Fort Worth and Mr. and Mrs. Evan Roberts and family of Lubbock. Mr. and Mrs. Roberts' granddaughter is staying with them for a short visit.

Dr. and Mrs. Alvis Baldwin and children of Dallas visited here during the holidays with his parents, Mr. and Mrs. A. Baldwin.

Those who visited in the home of Mrs. Emma Baskerville during Christmas were Mr. and Mrs. Chas. E. Champion and son, Chas. Jr. and Jackie of Midland, Mr. and Mrs. Olin Bain and son Robert of Clarendon, and Mrs. Chas. E. Champion Sa. of Tyler.

PFC. AND MRS. CURRY F. GRIFFEN

## Double-Ring Service Unites In Marriage Marie Bruton And Pfc. Curry Griffen

Miss Marie Bruton of Memphis and Pfc. Curry F. Griffen of Phoenix, Ariz., were united in marriage in an impressive double-ring ceremony Friday evening at the home of the bride's parents, Mr. and Mrs. B. P. Bruton, in Memphis. Rev. Rollo Davidson, pastor of the First Methodist Church, read the marriage service.

The groom is a son of Mr. and Mrs. Lee Griffen, formerly of Memphis, now living in Phoenix, Ariz.

For her marriage, the bride chose a tan suit, eggshell blouse and other accessories in dark brown.

Miss Muriel Bruton, sister of the bride, was matron of honor. She wore a check suit accented with red accessories.

Travice Griffen of Phoenix, Ariz., served as his brother's best man.

Mrs. Griffen graduated from Memphis high school with the class of 1949 and attended Draughons Business College in Amarillo. The groom has been serving in the U. S. Army for the past 3 years and is now stationed at Phoenix, Ariz., after having served 27 months in Korea.

The newlyweds were feted with a reception held the following day at the home of the bride's parents. The refreshment table was covered with a lace cloth and centered with lighted tapers. A tiered wedding cake, topped with miniature bride and groom, was served with ice cream and coffee.

Following a short wedding trip to Amarillo, Mr. and Mrs. Griffen will be at home in Phoenix.

Out-of-town guests included Mr. and Mrs. M. D. Bruton, Mr. and Mrs. Thurman Cannon, M. and Mrs. Weldon McGoughey, all of Wichita Falls, and R. L. Bruton of Henrietta.

## Lakeview FHA Members Enjoy Christmas Party

Members of the Lakeview FHA Club and guests enjoyed a Christmas party Wednesday evening, Dec. 19, in the Lakeview gymnasium.

Approximately 75 members and their guests were present. Group games and dancing were enjoyed throughout the party hours.

Refreshments of cookies, cakes, and candy were served after which gifts were exchanged from a Christmas tree.

Mr. and Mrs. E. J. McKnight are sponsors of the club and other chaperones were Mr. and Mrs. B. Byars, Mrs. Roland Salmon and Mr. and Mrs. Doyle Hall.

Those visiting with the Don Wright's Sunday afternoon were Mr. and Mrs. Del Wells, Mrs. Paul McCanne, Mary McCanne, Mrs. Billie Nase and son Mike, of Lakeview and Mrs. Herbert Sisk.

Mr. and Mrs. Frank Blevins of Houston visited her mother, Mrs. A. C. Hoffman, and her sisters, Miss Ruby Hoffman and Mrs. Jim Beeson.

Dan McCollum spent the Christmas holidays with his mother, Mrs. A. B. McCollum in Shqulock, Miss.

## Monica Helps Kids' Day

Monica Lewis, M-G-M's singing star currently seen in a new picture with Mickey Rooney, pins large-sized replica of a National Kids' Day button on young Edward George, 10, of Hollywood, Calif. Several million of these buttons will be sold and worn throughout the country on National Kids' Day, September 22nd. All funds raised in a community by Kiwanis clubs through the sale of buttons or other money raising programs on Kids' Day remain there for the benefit of underprivileged children.

## Cullin Home Is Scene For Annual Sodolitan Party

The home of Mrs. George Cullin, 1419 Brice, was the scene for the annual Christmas party of the Sodolitan Class of the First Baptist Church on Thursday, Dec. 20.

The entertaining rooms were attractively decorated with the holiday motif. Tasty refreshments, also carrying out the yuletide theme, were served from an attractively laid table in the dining room.

Mrs. Henderson Smith read the story of the birth of Christ from the book of Luke and the Christmas story was given by Mrs. Henry Hays who selected "Keeping Christmas" by Dorothy Crowell.

Mrs. Emma Baskerville concluded the program with a piano solo, "Christmas Chimes."

Assisting Mrs. Cullin with hostess duties were Mrs. Henry Scott, Mrs. Theodore Swift, Mrs. Otis Jones and Mrs. Emma Baskerville.

Members enjoying this affair were Mrs. Frank Smith, Stella Jones, Henry Hays, Allie Caviness, Leonard Wilson, A. J. Fowler, H. Byrd, J. W. Fitzjarrald, Henderson Smith, Grace Duke, T. L. Bause, R. E. Clark, Mary Burrows, Roy Patton, Jean Lamb, and Jo Reheis.

## Parsons-Vallance Marriage Rites Are Read In Clovis

Miss Mary Parsons of Mena, Ark., became the bride of Alvin R. Vallance Sunday, Dec. 30, at the home of the Justice of Peace Walter McConnally in Clovis, N. M., with Mr. McConnally officiating.

The bride is the daughter of Mr. and Mrs. Frances of Mena, Ark., and her groom is the son of Mrs. Pearl Vallance of Memphis.

Mrs. C. W. Vallance of Hedley was the bride's only attendant.

The newly-weds will reside at Plaska where the groom is engaged in farming.

## Estelline Class Holds Reunion

A reunion was held Thursday by the graduating class and their guests of the Estelline High School. Mr. and Mrs. Gerald Fowler acted as hosts for the affair.

As no program was planned the guests enjoyed visiting and talking over old times. This was followed by a trip to Childress where a steak dinner was served and then a movie concluded the evening's entertainment.

Among those present were: Mr. and Mrs. Don Davis, Mr. and Mrs. Gerald Fowler, Jim Moore, Wanda Bell, Bill Winkler, Ted Hood, Gayle Fowler, Weldon Fowler, Jo Shoffner, Edward Cooper, Clea Fern Ferrrell, Johnny Patterson, Carrol Cheatham, Sandra Bell, Wallace Joett, Duane Kennedy, Gary Wynn, Lorin Beverly, Gerry Kennedy and E. F. Kennedy who was the class sponsor.

# Smooth, Easy Performance Offered in New Plymouth

The new Plymouth for 1952 will go on display in dealer showrooms throughout the United States and Memphis tomorrow.

It may be seen at the Marcum Bros. Motor Co., Hickey Motor Co. and at McDaniel Implement Co. Showrooms.

A long list of improvements—46 in all—has been incorporated in the engine, the brakes, the electrical system, the chassis, and to the inside and outside of the body.

The new car, according to local dealers has been improved and refined to provide "the most gentle ride, the smoothest engine performance and the greatest safety ever built into a car for the lowest price field."

Exceptional engine smoothness is produced through a newly designed combustion chamber; brakes are stronger and longer-

lasting; Plymouth's famous Safety-Flow ride has been made even more comfortable by improvements in the springing and the Oriflow shock absorbers; and the car's beauty is enhanced by numerous styling refinements.

The Plymouth has a road-hugging, sweeping appearance, accentuated by changes in the external adornment. A new luxurious standard for interiors is attained with the high quality upholstery fabrics in harmonious colors which blend beautifully with the instrument and door panels.

The smart hardtop club coupe, the Belvedere, is the pace-setter in the lowest price field with its new concepts in styling and beauty. The car has glistening, lively two-tone colors which set it apart and give it the continental look. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and down over the rear deck. Sparkling chrome molding outlines the top and carries back to separate the two colors at their junction at the rear quarter-panel. Interior of the Bel-

vedere is luxurious, with colorful quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior. Long wearing carpeting—also in complementary colors—rounds out the ensemble. The following combinations are available for the Belvedere: Suede Tan with Sable Bronze top; Belmont Blue Polychromatic with Sterling Grey top; Mint Green with Black top.

There are ten body types in the new Plymouth line, available in an array of eight regular, and two special sparkling new colors. The traditional interior roominess and the many "high-priced car" features for which Plymouth has been retained throughout the new line.

### Smooth Performance

A new, smoother flow of power results from the newly designed combustion chamber in Plymouth's famous floating power engine. The six-cylinder, 97 horsepower engine has a 7 to 1 compression ratio. Longer life for both the main and rod bearings is achieved through an improved type of base metal.

To further insure smoothness of performance and faster getaway, several refinements in the new Synchro-Silent transmission permit faster, easier shifting, and more rapid and positive engagement of gears. The rear axle is improved, and there are provisions which permit more accurate gear and bearing adjustments.

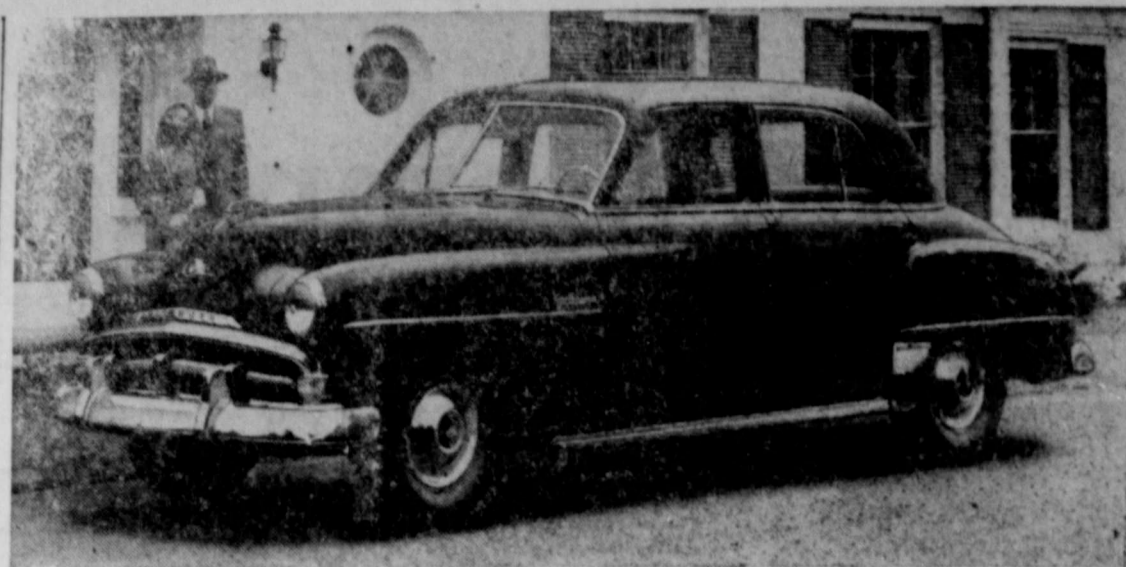

The traditionally sturdy Safe-Guard Hydraulic brakes have been given greater ease of operation, and much longer life. New Cycle-hond brake linings provide greater braking area and longer braking life.

There are heavier backing plates on both the front and rear brakes; an improved drum design on the front brakes for smoother operation and better cooling; an easier operating brake pedal return spring; and a redesigned steering knuckle to provide more positive protection from road splash.

Texas Christian University maintained a law School from 1915-1920.

Dr. Newton Gaines of Texas Christian University is nationally known for his research in high intensity sound.

Texas Christian University has more than 60 student societies.

ON DISPLAY—The new Plymouth for 1952 which features 46 important improvements will be on display here in Memphis tomorrow in the showrooms of three Plymouth dealers. Hickey Motor Company, Marcum Bros. Motor Co., and McDaniel Implement Company. Shown above is the new four-door Cranbrook sedan.

## BRICE

Relatives visiting in the David Huggins home this week were: Elsie Berry of Fort Worth and Mr. and Mrs. Naith Hudgins of Dallas.

Mr. and Mrs. Hope Lemons had all of their children home Sunday. Those present were: Mr. and Mrs. Merle Lemons and boys, also Miss Velma, all of Brice, Mr. and Mrs. John Lemons and family of Clarendon, Mr. and Mrs. Jim Longshore and son of Los Alamos, N. M. Mr. and Mrs. Jake Holcomb and Ruth and Mr. and Mrs. Slaughter and children of Amarillo.

Sgt. Don Biestle has returned home from Korea, he and Mrs. Biestle are visiting their relatives the Salmon's.

Mr. and Mrs. D. P. Osborne spent the weekend with their son Charles Osborne and family at

KEEP YOUR CAR IN GOOD REPAIR

If your food had stayed as low in price as electricity for the past 10 years you'd get this much

for what you now pay for this much

It's startling when you think of it! The average family served by the West Texas Utilities Company pays less per kilowatt-hour of electricity today than it did ten years ago!

Living costs have gone 'way up. The cost of materials, fuel, manpower and everything else needed to provide your electric service has gone 'way up, too. But your rates have stayed low. Your electric service is still the biggest bargain in the family budget!

### REPORT FROM WASHINGTON

By Walter Rogers  
Congressman, 18th District

**HUNGARIAN EPISODE:** Hungarian communist officials concerning the four American fliers was not much of a surprise. Although these fliers are not free at the time this letter is being written, it is hoped that by the time it is published those four American boys will be safely on this side of the Iron Curtain. To those of you who read this letter, the action of the

**SPECULATION FOR 1952**—Presence of Price Daniel, Attorney General of Texas, and his family in their home town of Liberty during the recent holidays increased speculation of the Attorney General's political aspirations for the coming year. Daniel has been talked of as the next Texas Governor or United States Senator. Pictured above are the Attorney General, Mrs. Daniel and their four children, Price Jr., Jean, Houston Lee and John.

communist court should have resulted in the immediate release of these boys. However, since life is held so lightly by those international racketeers, it probably did not occur

to them that we in this country do not hesitate when the choice is between human life and property. The speedy reply of this government, together with the immediate reaction on the part of all American citizens, to this unwarranted, inhuman and inconceivable demand is undoubtedly causing those communist officials to do some thinking. They are either thinking that they should have asked for more, or that they made a very foolish move in asking anything. The folly of their action is already of record, and it is my opinion that they should immediately release these fliers and retract the sentence and try to do something to undo the grievous crime that they have committed against these boys and the United States.

Like most gangsters, racketeers and kidnapers, they are going to find out that the \$120,000 will be the most costly blood money that they have ever extracted from anyone or any people. The action of the communist officials in this case will not be forgotten by the American people. Much has been said as to whether or not money should be paid. Frankly, I see no other course under the circumstances. The lives of four American boys are at stake, and it seems to me that the primary issue at hand is to get these boys to the safe side of the Iron Curtain. When this is done, retaliation can then come into being. Certainly, the loved ones of these boys should be taken into consideration and the welfare of the boys considered, just as any of us would expect if it were our son who was being held in Budapest by an international kidnapper, or our ten-year-old child being held in a secret hiding place by some vicious kidnapper criminal in this country.

The proper time for retaliation is after the boys are released. Otherwise, their lives and their safety will be jeopardized. The immediate response of the American people to raise by pri-

vate subscription all of the money necessary to bring about the release of these boys should be sufficient notice to the Kremlin crawlers that this country is still united and that the American public believes in going to the aid of their fellow man.

**THE DOMESTIC ECONOMY:** The increased buyers' resistance is having a telling affect and will undoubtedly reduce prices of many items. Although Christmas sales this year were tremendous in all lines, they were not keeping with the tremendous stocks that had been accumulated by many merchants.

The report is that the mail-order catalogs are reflecting reduced prices on many, many items because of surplus stocks. The recent announcements that anticipated shortages in many lines had not developed will also be helpful in curbing the usual buying sprees in materials that might be

short. This will of course add fuel to the fire of the buyers' resistance move.

**CONGRESS:** Congress reconvenes on January 8th for what appears to be a tempestuous session. The recess between sessions has enabled the members to visit at length with their constituents and to more clearly understand the desires and views of the people that pay the taxes.

This will be most helpful in avoiding any further tax increases and could well result in the beginning of some much needed tax reduction.

Those visiting in the Ted Barnes home during the Christmas holidays were: Miss Norma Barnes of North West Texas Hospital in Amarillo, Mrs. Lela Moore of Floydada, Mr. and Mrs. F. O. Hodge and family of Clarendon, R. V. Smith of Lubbock and C. M. Mears of Littlefield.

### M. O. Goodpasture Candidate For County Judge

This week, M. O. Goodpasture, county judge, authorized The Democrat to announce his candidacy for re-election to the office he now holds. His announcement to voters of Hall County is as follows:

For another time I respectfully announce as a candidate for county judge of Hall County, subject to the action of the Democratic party.

As an ideal of duty on my part, if I am elected, I hope all good people will help me to live up to Robert E. Lee's statement: "Never do a wrong to make a friend or to keep one." Every official honored by the people by election should, I think, keep as a guiding principle.

However, such is not a one-sided obligation. A righteous public also has its duties if our way of life is to endure. It was Abraham Lincoln who said: "With public opinion nothing can fail; without it nothing can succeed."

You and your officials can join hands under the precepts of these principles and secure the blessings of a better world. I mean officials all the way from president of the United States down to our local officers of every kind.

With best wishes to all and thanking you, I am  
Very truly your,  
M. O. GOODPASTURE.

Mrs. C. E. Garner of Houston is a house guest of Mrs. W. C. Hickey.

foreign countries also listen regularly, consequently the total listening audience of Armed Forces Radio Service is estimated at 90 million people.

All of the popular programs are recorded off of the major American networks, and then re-broadcast on short wave world wide. Six powerful transmitters are utilized on the west coast, together with nearly 60 branch stations around the world.

Besides these state side favorites, the Armed Forces Radio Service has a complete sports coverage, beaming all of the nations top sports events over seas. An example of this was the recent Texas-Texas A & M football game in college station, when, less than 12 hours after it was played, it had been broadcast world wide through the facilities of A. F. R. S.

The greatest sporting events of the year, such as the Rose Bowl game, are not recorded, but are broadcast live directly to our men overseas. Many of these sports boardcast are taken from the major networks, but a number of them are done by members of the sports staff of A. F. R. S.

Another one of the major items for broadcast is news, and the A. F. R. S. newsroom is serviced by every major American news service (as well as a separate sports wire, and a direct wire from the Voice of America.

At the world headquarters in Hollywood, more than 120 personnel work to produce, direct, and broadcast all of the programs emanating from here, one of the finest being an hour long program entitled "March of Events" presented weekly, and is a re-cap of the major history making events of the preceding week.

It is produced and directed by an ex foreign correspondent for

the National Broadcasting Com-

pany. I am at present in the sports department, assisting in the production and announcing of several sports shows, as well as doing color work during half time and at time outs in the basketball games we record from a major network. I also record different programs from all of the major networks.

The PB4-2 Navy patrol aircraft is the type used by the Navy in hurricane-typhoon reconnaissance in the Atlantic and Pacific areas.

### Local Youths Attend Rally In Amarillo

Elizabeth Grundy and Sharon Harrison attended the Amarillo Presbytery Westminister Fellowship rally in Amarillo on Thursday and Friday of last week. Rev. Burr Morris accompanied them.

Sharon Harrison took part in one of the meetings being in a play. The officers who were elected and will be installed at the

summer rally include Scotty Grundy as Moderator and Elizabeth Grundy as Outreach Chairman.

Sybil Gurley visited in Shawnee Okla., last week with her sister, Mrs. J. E. Polston and family.

WHO ELSE BUT US

Every day we hear people talk of the corruption and bad government we now have. The latest insult to the American Nation and its people is the blackmail that our Government evidently is going to let Hungary get away with.

No one will deny that it was and is right to get the American flag back . . . but to let another country insult the American flag and the American people as Hungary has done . . . is that the freedom and Democracy our forefathers died to give us?

And even more important, is that the freedom and Democracy that we, the present generation, wish to leave to our children and grandchildren.

Somehow I can't forget the friends and loved ones we had that gave their lives in Korea, World War II and others can remember those who paid the greatest debt in the first World War.

For several years now, it seems that the policy of our government and State Department is to appease all who are against us. Whether it be Communist, the English, the French or the people of India.

The State Department has bled the American Taxpayer of untold billions of dollars which was poured into European countries as part of the Marshall Plan. And though it isn't nice to think of it, some of that money found it's way to Hungary.

In view of all this, what can we the average American do about it.

This year is an election year.
This year is the time to change.
Change to what?

Certainly only a change of political parties will not solve anything. There are bad Republicans just as well as they are bad Democrats. But there are also good Republicans and good Democrats.

What we, the average citizens, must do, to take a step to change our government, is to make known that we are tired of all the corruption, the stealing of tax money, the cover-ups, the mis-government, the political influence, the undesirable officials now in office.

Who should we make this known to?

The person closest to us and then instruct them to make it known to others higher up the ladder.

If every person dissatisfied with the present form of our government made his dissatisfaction known to his state senators, representatives, national senators and representatives and to local party members and chairmen . . . next summer when primary election rolls around there would be a changed platform of all parties seeking re-election.

This government which we have come to like so well from its origin a little more than 200 years ago, cannot progress by itself . . . in fact if we the people don't take an interest in its progress . . . it will go backward as it now seems to be going, instead of progressing.

That's why we urge you to voice your dissatisfaction to your representatives and members of your local political party.

National-wide the politicians have already started band-

STYMIED

wagons for the election later this year. It isn't too early for us to make it known that the planks in those bandwagons this year must be honesty, integrity and other principal that are now absent in our government.

Not all officials in government are corrupt or of the Truman faction . . . many of them are just as loyal as you and I, it must be our job to make these employees and servants, examples instead of scapegoats.

Let us return our government to the ideals of our forefathers and make honesty, and fair-dealing our regular symbols.

We can no longer sit back . . . we must start work now.

Regardless of who you vote for this coming year, make it known that your party candidates must be honest and must fight for the right ideals in our government.

Press Paragraphs—
QUOTING OUR NEIGHBORS

Education or Catastrophe

Many will look back over the year 1951 with a feeling bordering on despair. The cause of free men has had tough sledding. It is impossible to adequately describe the suffering and frustration in Korea just as it is impossible to sum up in a few words the political, economic and social milestones of the past twelve months. It is clear now that corruption in government has become a factor on the American political scene of incalculable importance. It is also clear that debt, taxes and controls are a threat

to military security and a virtual death sentence to the economic security of the average individual.

In spite of these grim items on the debit side of the ledger Americans must face the new year with courage. They can count among their blessings assets possessed by no other nation. Years ago one of the country's leading economists and columnists who apparently saw the handwriting on the wall wrote to the effect that the greatest gifts parents could leave their children were good health and a good education. We are the healthiest and most literate of the major nations. These basic tools if properly used are now our best hope.

One of the most significant stories of 1951 has rated no headlines. That story is the tireless manner in which our free press has hammered home day after day, chapter by chapter, shocking facts about the incompetence and corruption of countless public officials to say nothing of the grand schemes of bureaucratic spenders of tax funds to socialize and control industry, workers and consumers. Never in the history of this country has a free press stood more solidly between private citizens and oppression. We all owe it a permanent debt of gratitude for the manner in which it has ferreted out weakness, dogma, and white-wash in matters ranging all the way from foreign policy to government administration.

Few people appreciate the scope of the American press. It is as vast as it is unique. It consists of highly efficient wire services, several hundred metropolitan publications, many of whose names are bywords in the home, plus more than eleven thousand country daily, and weekly newspapers owned and operated by thousands of editors who fully realize that back of all our political, international, labor, tax, industrial and inflation problems stand simple principles we must adhere to in order to make our country tick. They know that to enjoy the liberties our forefathers fought for, we must save the system which they built to guarantee them. A major item of good news is the fact that such editors in every corner of the land have risen with unprecedented vigor to challenge the threat to personal freedom and national survival that faces the nation from within.

That this threat is real and imminent should be ominously evident to all. More Federal taxes have been collected from the American people in the last seven years than in all preceding years since the founding of the nation—some \$260,000,000,000 as against only \$250,000,000,000 from 1789 through June 30, 1945, which includes of course the years of World War I and II. From 1940

to 1950 there was an astronomical rise in "normal" spending by regular departments of the federal government, to-wit: Commerce \$75,000,000 to over \$800,000,000—an increase of more than a 1000 per cent; Interior, \$71,000,000 to over \$500,000,000—an increase of nearly 700 per cent; Labor, \$18,000,000 to more than \$250,000,000 — an increase of 1200 per cent; State, \$20,000,000 to more than \$360,000,000—a 1600 per cent increase. And so the list goes. The increase in government spending has far outstripped the growth and productive capacity of the country. It has resulted in bureaucracy, corruption, depreciating money and regulation wholly incompatible with a free nation—and a free press.

LATE NEWS FROM TEST
WELLS IN WILDCAT FIELDS—
The Estelline-Red River Oil and Gas Company spudded-in their well just west of the corporate limits of Estelline today. Also needed supplies for the Home People's well, at Deep Lake are expected to be here today and work on the well will be immediately resumed. The Coble well, just south of Memphis, is awaiting some parts for the gasoline engine. Drillers plan to "shoot" the well soon. The Burk-Harlin-Hilton well, east of Newlin, has been held up several days because of lack of fuel-oil. A report from the drill is again in grey line and that steady, but slow, progress is being made.
MEMPHIS MAN MADE PANHANDLE BANKERS ASSN. SECRETARY—D. L. C. Kinard, of the First National Bank here, was chosen as secretary of the Panhandle Bankers Assn. at the annual meeting held last week at Clovis, N. M. Others from Memphis attending the meeting were Ewel Noel, W. B. Quigley, L. Madden and Henry Ross. BURGGLARS ENTER TAVERN SHOP — Burglars entered the Ross Tailoring Company, north side of the square, Monday night by prizing up a window. Several men's suits and clothing articles are missing.
STRICTLY PERSONAL—
and Mrs. Lee Rushing and Margaret Garrott visited at Childress Sunday. R. W. of Nocona, has bought the sell Brothers grocery store will continue the business. Brodie, who was formerly employed as driller on the Home People's well, was here visiting week. Mr. and Mrs. Joe returned Sunday from Childress. Dr. Clark and Tom land, of Estelline, were here visitors Wednesday.

Thursday, March 10, 1927
DISTRICT COURT TRIES SENTENCES AND TRANSPORT CRIMINAL TO PEN ALL THE SAME DAY—Tried, sentenced and started on his road to the penitentiary in less than a days time, is the record set by District Court this Thursday in the case of W. P. Moore, who was charged with Burglary of the L. B. Isabell residence.
REMODELING OF COBB HOTEL NEARLY COMPLETE — The work of remodeling the Cobb hotel, recently purchased by Holborn Boren, is about complete. Boren announced this week. Entire inside of the hotel has been remodeled and new furniture has been provided.
LOCAL COUPLE CELEBRATES 59th WEDDING ANNIVERSARY—Mr. and Mrs. R. D. Land of this city, celebrated their 59th wedding anniversary Tuesday, March 8, by having a big dinner and visiting with their friends and relatives. More than 40 plates were served at the dinner.
CLARENDON MAN IN BUSINESS—G. F. Lane of Clarendon this week purchased Farmers Produce from J. E. it was announced by Lee.
CLARENDON'S COL. GOES NIGHT TAKES BRIDE—Charles Goodnight celebrated 91st birthday Friday by marrying a 26-year-old Montana telephone operator who had come to visit him. The girl, named to him, also was named Corrine.
STRICTLY PERSONAL—
A. W. Read went to Canyon week to visit her daughter, D. M. Foster. Harry L. Sofield of Vernon was here visiting his father, Dr. H. F. School last week. Mrs. E. A. Thomas as her guest Sunday her best W. W. Burnett and his wife, her sister, Mrs. T. E. Wynn of Dumas. T. C. Delaney and Denny visited in Plainview Sunday and Sunday. Mrs. Lillie visited with friends and relatives. Mrs. T. D. Weatherbee of Ranch visited her aunt, Mrs. C. Brewer Wednesday.

A YEAR OF OPPORTUNITY

Will the year 1952 be one of opportunity for you? Each of us ponders this question as we begin to make plans for the next twelve months. There are two things of which we are certain—

DECISIONS WILL HAVE TO BE MADE.
PROBLEMS WILL HAVE TO BE SOLVED.

The officers of the First State Bank will welcome the opportunity to talk over with you your financial problems for '52. Whether you are in need of a loan, or want to discuss future endeavors which are now in the planning stage, our advice is yours for the asking.

In the future, as in the past, our patrons will be offered a complete banking service. Our actions are aimed primarily at sound community growth and development, which will result in mutual progress. At the same time we shall safeguard your interests as dictated by sound banking principles.

# Notes

## About Memphis, Hall County

All the lights are about down, most of the wreaths and other decorations have been removed all but the memories of Christmas, 1951 are gone.

Did you stay up and see the old year out and the new year in? A fellow I know, said, that one sign by which he knew that he was growing up . . . on New Years instead of celebrating like mad, he now goes to bed and enjoys a good night's sleep.

"Either the state exists for the individual or the individual exists for the state. In the latter case you have dictatorship, whether

you call it Communism, Fascism, or Peronism, and how far the dictator goes depends on his own ruthlessness and the character of the people under him." —The Wall Street Journal.

Two old coon hunters were swapping tall stories about their dogs. "Why, said one of them, "I had a yaller hound oncet and every time 'just before I went hunting I'd whittle out a board in the shape of a coon-hide stretcher, just to show him the size of the one I wanted, then I'd set it outside where he could see it. Well, sir, one day my wife set the ironing board outside and that yaller hound ain't come back yet!" —Rotarian

Over the weekend I read Roger Babson's Annual business and financial predictions. Don't know whether you care for Babson or not, but he is a pioneer in the field of business and financial statistics and has an unusual record of accuracy in his annual forecasts.

He predicts that the volume of business in '52 will be good, but somewhat less than this past year. However he states that farm income will continue high in 1952.

He says: "Democrats as well as Republicans, in Congress will make every effort to avoid antagonizing farmers in 1952—as in 1948—the farmers will hold the balance of power in the presidential and many congressional elections. Midwestern states can make or break the presidential candidates. The labor vote is overrat-

interesting year for politicians. I imagine their platforms will be rather interesting to study. I don't believe this will be a year in which idle promises will be accepted. More of politics later in the year.

Have you paid your county and state poll tax for 1952?

This is the last month you have in which to pay it. Only costs \$1.75 and it is the first step you can take to start the great change needed in our government.

Remember you can't expect the other fellow to do it all. Buy your poll tax receipt then you will be ready to deal with our local Democratic committee for the coming elections of 1952.

Understand the McDaniel Bros. are expanding their business to include an automobile agency. They have bought Kermit Monzingo's Chrysler-Plymouth agency.

Also Bobby Evans has bought out Bruce Brothers Service Station lease, and Moss Motor Co. has changed hands.

Now milk has been increased another 1c per quart. Boy old Harry's price regulations are sure working! Working for everyone except the guys they should work for . . . well maybe we can join the 4-H club this year . . . the one to Help Hurry Harry Home!

That's 30 for the first week of 1952!

Mr. and Mrs. D. Jack Battle and daughter Tanya of Beaumont, and Mr. and Mrs. C. E. Tennyson and son Robert of Wichita Falls spent the Christmas holidays with Mr. and Mrs. Henry Scott.

Texas Christian University's Fine Arts Building is the largest of its kind in Texas and cost almost \$2,000,000.

In high altitudes the llama is used as a beast burden.

# Buy on these Plain Hard Facts

See for yourself how a Chevrolet truck can cut your costs in every way

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

- FACT No. 1—Costs Less to Buy
- FACT No. 2—Saves Money on the Job
- FACT No. 3—Right Truck for Every Load
- FACT No. 4—Keeps Its Value Longer

AMERICA'S truck users buy on down-to-earth facts, not fancy phrases.

That's why more of them buy Chevrolet trucks than any other make . . . nearly as many as the next two makes combined!

What they get for their money is a rugged, sturdy, dependable truck that's factory-matched to their jobs and payloads—right power, right capacity, right price—with savings in purchase over other trucks of comparable specifications, and a record of savings on the job that can't be topped.

Come in and let's get down to cases on how a Chevrolet truck can cut your hauling or delivery costs. You can't make a better buy—to save your money!

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!
