## Livestock Show Fri. & Sat.

### 4-H Club & FFA Boys To Exhibit At Show & Sale

Plans were almost complete today in preparation for the 15th annual Hall County 4-H Club and FFA Livestock Show which will be held Friday and Saturday at the Memphis Compress building here.

More than 25 4-H Club and FFA boys have already consigned livestock to be shown and in connection with the show, a sale will be held of the animals Saturday afternoon.

Boys are to bring in their steers Friday and weigh them at Milam Coal & Grain Company where they will be classed.

Friday the adult breeders will hold an Angus and Hereford show and Clyde Bradford of Happy, an outstanding and well known cat-toman of the Plains, will be here to judge the show. Animals of many well known local breeders and livestock men have been consigned to the show.

None of the prize money will be awarded to adult breeders, but all of the nearly \$500 prize will be shared by 4-H Club and FFA youths showing animals in the show.

J. A. Scofield, district agent, at Vernon will be here Saturday to judge the 4-H Club and FFA livestock show. County Agent W. B. Hooser said the judging would probably start around 9 o'clock Saturday morning.

Four-H Club boys who have cattle in the show include Lloyd West and Bennie West of Memphis, Jimmie Bounds, Tommie Martin, Raymond Martin, Jerry Byars, John Luther Byars, Jake Hancock, Nolen Salmon, Mackie Salmon, Gary Don Hutchins, David Hutchins, Jr., and Diana Fowler, all of Lakeview.

Winfred Russell, Daniel and Willie Bob Davidson Jr., all of Esteline, Gary Cox of Tell and Gaylen Salmon and J. W. Lindley, also of Lakeview.

"The public is invited to attend the show Friday and Saturday morning and especially is everyone invited to attend the livestock sale which will start Saturday afternoon immediately after the judging", County Agent Hooser said.

The Memphis Chamber of Commerce is sponsoring the show.

### Saturday Deadline For City Candidates

Latest candidate to file with City Secretary D. L. C. Kinard is J. M. Ferrel, Jr., in Ward Three for the office of councilman.

Secretary Kinard reminded all citizens that March 1 is the last date that anyone may file in the primary scheduled in April.

ALL READY — A lot of people have been working and getting ready for the 15th annual 4-H Club and FFA Livestock Show scheduled Friday and Saturday. The camera caught Clifford Farmer, H. J. Howell, R. C. Lemons and W. B. Hooser talking things over for this year's show.

## Teen-Ager Leads Law Long Chase

After a two-day-and-night hunt over a four county area, Memphis' youthful teen-age jailbreaker, Jimmy Oakley, was back in jail Tuesday in Clarendon and faces seven more possible charges.

Before he broke jail at Clarendon last Saturday night he faced six felony charges in Donley county and two here in Hall.

Armed with a German Luger and a .32 pistol, Oakley meekly surrendered about 9:30 Tuesday morning when the stolen pickup he was driving was crowded into a ditch by officers on the Silverton-Clarendon highway.

He was captured by Donley County Deputy Sheriff Truett Behrens and Noel Cudd Jr., also of Clarendon who was riding with Behrens.

Oakley's bid for freedom came shortly after midnight Saturday night when he saved his way out of the Clarendon jail. After that he broke into the Heath Motor Company, taking about \$40 in cash and a .32 pistol and then stole a pickup belonging to Regan Bain.

He drove to Memphis where he abandoned the pickup because of a flat and he is said to have broken into two places here. Howard's Cotton office was entered and two guns stolen and some other things and then Oakley broke into the Foxhall Motor Company, opened the door and drove off in a new 1952 Ford Victoria. He stopped to buy some gas at Homer Burleson's station and was recognized.

Police Chief T. D. Weatherby was called but Oakley got away before T. D. could corner him.

After that Oakley told officers he drove to Quitaque, where he spent most of Sunday and Monday. He was recognized there late Monday and the hunt began again for him.

## County Spelling Bee Won By Sandy Smith

Twelve-year-old sixth grader, Sandy Smith is the champion speller of Hall County! He is the son of Mr. and Mrs. Paul Smith.

Sandy took top honors over students from Estelline, Turkey, Lakeview and Memphis in the annual Spelling Bee held last Friday morning at Memphis High school.

He first won the junior division and gained the right to enter the senior division contest and finally won over all spellers in that contest.

This is the second year that Sandy has been a spelling champion.

Second place winner was Estelene Lemons, 13-year-old girl in the eighth grade from Turkey. Julia Richburg, 11-year-old sixth grader from Estelline was the second place winner in the junior division.

Other school winners who took part in the Spelling Bee at MHS last Friday included Robbie Self (Continued on Page 8)

## Rites Held Fri. For Graham Baby

Funeral services for the infant son of Mr. and Mrs. Ted Graham of Memphis, who died at birth last Friday here in a local hospital, were conducted at the Murphy-Spicer Chapel Friday afternoon at 3 p. m.

The Rev. Roy Shahan, pastor of the First Baptist church, conducted the service and burial was at the Fairview cemetery.

The baby was named Richard Dale Graham.

Survivors include the parents, paternal grandparents, Mr. and Mrs. Mack Graham of Memphis and maternal grandmother, Mrs. C. H. Williams of Memphis and Mrs. Libbie Parks, great grandmother plus a number of other relatives.

Murphy-Spicer were in charge of funeral arrangements.

## Tomie M. Potts Recognized As Community Builder In Ceremony

Tomie M. Potts, Memphis civic leader, Tuesday was presented with a certificate naming him a "Community Builder" in a short ceremony before the Memphis Rotary Club.

He was the fourth citizen of Hall County to receive the certificate, which is being presented by the publishers of The Memphis Democrat. Other persons will be recognized by the newspaper in the months to come. Selection of men eligible to receive the award was determined by ballots which were mailed to a large group of citizens a few months ago.

The ceremony before the club was conducted by Herschel Combs, co-publisher of The Democrat.

In County Over 40 Years Potts, who came to Hall County in 1911, was born July 15, 1890, in a half-dugout on a farm in Frazier, Greer County, Texas, now known as Altus, Okla. In mentioning the place of

birth, Potts says that it has been located in three counties and two states—and never moved.

Potts finished high school at Ben Leonard, Ark., near Aexarkana, Tex. After graduation he finished a business course at Draughton's Practical College at Fort Smith, Ark.

Potts stated that his ambition, when a boy, was to manage and own (if possible) some kind of public business.

"I have always liked people, and like to make new acquaintances and friends," he said.

He has saved many lead pencils and bottles of ink through the years by having only one "m" in the name "Tomie."

Potts came to Lakeview in 1911, and managed a gin for Smith Lewis for three years. He remembers that he earned the handsome salary of \$75.00 per month for a beginning salary. However, after the first month, he received a \$10 raise. In 1914

## CLAUDE'S COMMENTS

By J. C. W.

An account of the funeral for Pvt. John M. Stanley appears on page 7, sec. 2 of this issue in a letter from A. J. Nabers of Valmeyer, Ill., who attended the military rites Feb. 14, at Jefferson Barracks National Cemetery near St. Louis. It will be recalled that John Stanley was killed with 122 other prisoners of war in the camp at Puerto Princess, Philippine Islands in December,

JOHN M. STANLEY 1944, and his body was brought to the States with a number of others for reburial in his home country. The mother, Mrs. Mattie Stanley, on account of ill health, could not be at the funeral, and the letter from Nabers (Continued on page 4)

## 2 C-C COMMITTEES APPOINTED TO CARRY OUT 1952 PROJECTS

More than 200 persons have been assigned to committees on the Memphis Chamber of Commerce and Hall County development program

for 1952, President J. W. Coppedge announced this week. The total number of committees has been changed to only twelve overall committees. President Coppedge explained that officers have done this to try and expedite Chamber business and that other changes will be made if they become necessary, either additional committees named or others discontinued.

Chairmen have been named for all 12 committees and members appointed to work with them. Committees are as follows:

**Agriculture**  
Charlie Williams, Jr. Chairman  
M. C. Allen, Nat Bradley, Tracy Davis, Andy DeWees, F. A. Finch, Rufur W. Grisham, Carl Harrison,

## Henry Services Held At Chapel Fri. Afternoon

Funeral services for Eddie Eugene Henry, 6 year old son of Mr. and Mrs. O. F. Henry of Memphis, who died last Wednesday in an Amarillo hospital were held last Friday afternoon at 4 p. m. in the Murphy-Spicer Chapel.

The Rev. Roy Shahan, pastor of the First Baptist church, officiated and burial was at Fairview cemetery.

The boy was born in Memphis, November 11, 1945.

He is survived by his parents, five brothers: Clarence of Shamrock, Dewey, Roy Lee, Fred and Horace, all of Memphis; and three sisters: Mrs. Dorothy May Marshall of Sherman and Mrs. Buster Moore and Jo Ann Henry both of Memphis.

Murphy-Spicer was in charge of funeral arrangements.

## Wellington Man Temporary REA Manager Here

Announcement was made this week that C. L. Pierce has resigned as manager of the REA here in Memphis and that R. B. Johnson of Wellington has been named temporary manager.

Mrs. Dorcas Ruth Foster, book-keeper at the REA, also resigned according to REA directors. Johnson said Wednesday that he will remain as temporary manager here until the organization goes through the legal procedures and a new manager is hired. Pierce said Tuesday that he plans to open his own electrical business here in Memphis.

## METEOROLOGIST EXPLAINS CLOUD SEEDING PLANS

(Editor's Note: From time to time The Democrat will carry articles on various phases of the rain increasing program recently explained to farmers and ranchers in this area. This is the first, by Dr. Krick, head of the Water Resources Development Corporation.)

By DR. IRVIN P. KRICK

The term "rain maker" is not entirely accurate in the description of the meteorologist engaged in cloud seeding or artificial nucleation.

No one can make it rain when it isn't going to rain anyway. What the meteorological trained scientists can do is to help nature along by increasing the volume of rain fall available from any favorable cloud formation. The scientists cannot, however, make rainfall occur unless conditions are such that some rain would have fallen from the clouds (Continued on page 5)

### Estelline School Makes Plans For Public School Week March 2-8

A planning committee for the Estelline Public School Week met recently and set up the following program. Each school patron and community citizen is urged to visit the school during the week. Each day will have a special emphasis and parents in these groups are invited to eat at the school cafeteria on the days designated for the groups.

Monday, March 2 is for seventh

and sixth grades.  
 Tuesday, March 3 is PTA day with a regular meeting in the afternoon.  
 Wednesday, March 4 is for first and second grades.  
 Thursday, March 5, is for third fourth and fifth grade.  
 Friday, March 7, is for high school. On this day at ten in the morning a special assembly program will be given in the audi-

torium. On Thursday, Friday and Saturday, the Grade School Basketball Tournament will be held.

The committee was composed of: Mr. C. O. Gregory, Mrs. E. F. Kennedy, Mrs. L. A. Tucker, from the faculty; Mr. Barney Russell, Mr. Jake Crisman, and Mr. C. E. Wilkinson, Mrs. G. C. Gardenhire, Mrs. Jake Crisman and Mrs. Jim Wright.

### TFWC Slates Workshops In District Seven

Carrying out the theme of taking the Texas Federation of Women's clubs to the women, Mrs. O. M. McGinty of Spur has announced details for the three one-day workshops to be held in Lubbock on March 4, in Amarillo March 5, and in Wellington on March 6. These three workshops will be similar, except for the differences in the individual speaker's addresses, according to Mrs. McGinty. All members of the women's clubs in the seventh district are urged to attend the meeting nearest to their home club. Over all theme will be "The Mechanics of the Federation."

The following federation officers will be at all workshops:

Mrs. W. E. Cantrell, regional vice-president of Lometa, who will deliver the keynote address at 10:50 a. m. at each workshop speaking on "Objectives and Policies of the Federation."

Mrs. J. W. Walker of Plainview, member of the General Federation of Women's club board and the Texas state board, will discuss "The State Looks at the District" at all three of the workshops at 11:30.

Mrs. Wayne Boren of Snyder, district chairman of club reports, will discuss proper instructions concerning the reports to the women who attended the workshops.

Mrs. McGinty will also be present at all three of the workshops.

Mrs. D. L. C. Kinard of Memphis, is assisting with the arrangements for the meetings under the direction of Mrs. Cantrell.

In Wellington, Mrs. Merl Kincaid of Crowell and Mrs. D. L. C. Kinard of Memphis, state treasurer, will appear on the panels. This meeting will be held from 10 until 3:30 p. m. on March 6 in the Community building at 801 Tenth street. Reservations for this session should be made before February 28 to Mrs. Des-

### W. B. Hooser Is Guest Speaker At Culture Club

W. B. Hooser, County Agent, was guest speaker at the Woman's Culture Club Wednesday afternoon, February 20, at a meeting held in the home of Mrs. Coy Beckham.

Mr. Hooser spoke to the group concerning soil conservation. He stated that Hall County has more improved land than any other county in the state with approximately 85 percent of the land in this County either terraced or contoured.

Mr. Hooser concluded his talk with a film showing how soil reflects upon the people who live on it.

During the social hour, Mr. Hooser answered questions asked by the group concerning fertilizer, plant disease, seeding clouds for rain and insect extermination.

Refreshments were served to the following: Mmes. D. A. Grundy, R. L. Madden, Gene Chamberlain, Burr Morris, Ward Gurley, L. A. Stilwell, Joyce Webster, Robert Moss, Frank Ellis, C. D. Morris, Miss Alma Bruce, Mr. Hooser and hostess, Mrs. Beckham.

### Women's Council Meets For Study

The Woman's Council of the First Christian Church met in the lounge of the church at 3 o'clock Monday afternoon with Mrs. Clyde Milam and Mrs. J. W. Stokes.

"Preaching the Word in Canada and Alaska" was the program topic for the afternoon with Mrs. Gerald Knight as leader.

After the group sang "We've a Story To Tell", Mrs. Inez Aspreen gave the devotional.

Mrs. Roy Coleman discussed

kin Wells in Wellington. Reservations here are \$1.85, and the early reservation date is due to the fact that the luncheon is being served by an individual.

Topics to be discussed during the workshops include "A Good Club President," "A Good Club Member," "Club Program," "Club Ethics," "Club Finance," and "Club Publicity."

Announcements concerning the convention in Borger will be made, and following the discussion periods, question sessions will be held. Clubwomen are urged to bring their problems to the workshop for discussion, Mrs. McGinty said.

Edmonton, Alberta, Canada and Grande Prairie, Alberta, Canada was given by Mrs. Bill Maddox. Mrs. J. A. Odom gave a paper on Kenai, Alaska and Mrs. Jo Moore discussed Wasilla, Alaska. Mrs. Lucille Randel told about Fairbanks, Alaska.

Johnna Sue Smith and Carolyn Kay Smith concluded the program with a duet, "In the Garden."

Sandwiches, cake and coffee were served to Mmes. Jeff Adudle, Inez Aspreen, Roy Coleman, Gerald Knight, Cicero Milam, Bill Maddox, J. A. Odom, Seth Pallmeyer, Lucie Randel, J. W. Stokes, Bedford Smith and Jo Moore. Guests present were Johnna Sue Smith and Carolyn Kay Smith.

The next meeting is slated for March 24 in the church lounge.

The residence of the President of Argentina is called the Casa Rosada, or the Pink House.

Mr. and Mrs. S. W. Jackson and daughter visited their daughter and sister, Minnie Lee, who is attending WTSC in Canyon, Saturday.

### Tomie Potts-

(Continued from Page One) at Lakeview, and the following year Potts purchased Wren's interest. He continued to operate this gin until 1928, with the exception of being associated with the First National Bank at Lakeview for one year.

"Between ginning seasons, I would always visit my parents near Texarkana," Potts stated. "It is quite natural that home holds an attraction for anyone. It so happened that I had a more lovelier attraction near Texarkana than home. Her name was Miss Minnie Lou Mahone. Her parents were engaged in farming and cattle raising."

They were married Jan. 23, 1917.

Their daughter, Tommie Ruth, is now Mrs. Homer W. Tucker of Memphis.

"We decided to spell her name with two 'm's'—sounds better for a girl," he recalls.

Mr. and Mrs. Potts now have two grandchildren: Tomie Michael (one "m"), age 9, and Lucheryl, age 3.

He moved to Memphis in 1928, becoming co-owner of the Chevrolet dealership here with B. E. Davenport. In 1932 he purchased the interest of his partner, and established Potts Chevrolet Company, which is still operating under the same name. His son-in-law, Homer Tucker, obtained an interest in the firm in 1948, and is now operating with Potts.

### Entered Cattle Business

In 1942 Mr. and Mrs. Potts entered the cattle business by purchasing their first registered Herefords from owners of fine herds located in this section. Prince Deming, Timberline and Hazlett breeding were decided upon as their foundation herd, and consisted of 25 cows and one bull.

"We first began raising registered cattle more or less as a hobby," Potts recalls. "It soon got under our skin, and has developed into a business." Our intention has always been a build a select small herd of cattle that can be shown with pride and pleasure."

Today there are 125 choice cows in the Potts breeding herd.

**Civic Leader, Through the Years**  
Tomie M. Potts has been active in civic affairs during the time he has resided in Hall County. Offices he has held, and is holding are many, and include: President, Panhandle Hereford Breeders Association; president, Memphis National Farm Loan Association.

He is a past president of the Memphis Chamber of Commerce, and has served as a director for

23 consecutive years. Also, a past president of the board of trustees, Memphis Independent School District; Memphis Rotary Club, and Brookhollow Country Club.

Potts is serving on the executive board of the Texas Hereford Association; a director of the Santa Rosa Roundup Association, and is area chairman of the Texas Automobile Dealers Association.

He is completing his 23rd year as a member of the board of Stewards, First Methodist Church; is a member of all bodies of the Masonic Lodge and of Khiva Temple, Amarillo.

"Mrs. Potts and I definitely love the Hereford business, and take pride in the operation of our automobile dealership here in Memphis," he stated. "In fact, we have found that cattle and cars can mix well together, and there is never a dull moment."

### CARD OF THANKS

We wish to express our sincere thanks to all our friends and neighbors for their kind words of sympathy during the illness and passing of our dear wife and mother. Especially do we thank the ladies of the Victory Sunday school class and friends on Robertson St. for the food and to those who sent flowers.

May God's richest blessings come to you is our prayer.  
The W. A. Henry Family.

A lot was said and written during the poll-tax paying period about citizens doing their duty toward their country by paying poll taxes so as to be eligible voters this year. While Hall County did not increase much in number of poll taxes secured, a group

of women in Memphis did do something. Hattie Dem Thompson, (Comments reader No. 100), president of the B. & P. W. Club, announces the membership is 100 per cent in paying polls. This club has been doing a lot of studying about citizenship duties and governmental affairs. It is to be regretted that a lot of men do not think enough of their responsibilities to become qualified voters.

The men have made such a mess of running the government. I am in favor of putting the women in the lead for awhile. They certainly could not make matters any worse.

The 4-H and FFA Livestock show here Saturday should be attended by a lot of folks. This is one movement that should be encouraged, for it leads to better livestock growing, and along with it goes better farming methods. When one takes into consideration that this is strictly an agricultural, dairying and livestock growing it is easy to understand why such things should be encouraged.

Speaking of Hall County agriculture, those who saw the motion picture at Rotary luncheon

 help. The scientist  
 the volume of rain  
 during a given storm  
 ing from 50 percent  
 cent. He should be  
 rain increaser" rather  
 a maker."  
 seeding from ground  
 can best be explained  
 by a description  
 of a fall occurs in nature.  
 A raindrop that falls from  
 during a storm has  
 around a tiny par-  
 ticle of substance. This could  
 be a speck of dust drawn  
 from the surface by gusts  
 of wind, or it could be a minuscule  
 particle of sand or quartz or any  
 of the hundreds of other minute  
 particles visible to the eye but  
 invisible to the microscope.  
 The raindrop floats thru the air  
 before any such parti-  
 cle is able to make rain it  
 must enter a super-cooled  
 atmosphere where temperatures are be-  
 low the freezing point.  
 Some of these particles  
 are of such size that they  
 are able to survive in a super-  
 cooled atmosphere. As the  
 raindrop grows, it becomes a  
 crystal or snowflake of  
 ice. The weight of the  
 snowflake causes it to fall from  
 the clouds. If the  
 temperature below the clouds are  
 above the freezing point, then it  
 melts and falls as rain. If the  
 temperature is below the freezing  
 point, it falls as snow. In  
 a snow storm this process is  
 repeated literally billions  
 of times.  
 The process of introducing  
 these particles into the  
 atmosphere to aid the  
 process of rain making  
 by nature, generators  
 of these particles and  
 they become, first ice  
 and then either snowflakes  
 or raindrops.  
 A silver iodide generator is a  
 small device about the size of a  
 pocket watch. It contains a  
 small amount of silver iodide  
 which is heated to a temperature  
 of between 2500 and  
 3000 degrees Fahrenheit. At that  
 temperature silver iodide is ex-  
 panded into a gas.  
 When the gas reaches the  
 atmosphere, it is transformed into  
 billions upon billions of  
 tiny particles of solid silver iodide.  
 These particles are quickly  
 carried into the clouds.  
 In brief, is the story of  
 rain making thru the pro-  
 cess of silver iodide particles  
 from ground genera-

### BIRTHS

Mr. and Mrs. W. T. Hart of Hico announce the birth of a daughter, Linda Franis, born Feb. 5. She weighed 7 pounds, 2 ounces. Mr. and Mrs. Hart were former residents of Estelline.

An answer to the question, why can't a farmer or rancher build a generator himself, but some silver iodide and turn it on when he sees a cloud, is that the work must be attempted under the guidance of an experienced meteorologist because unsuper-vised seeding can actually de-crease the volume of normal rain-fall that would have occurred.

A meteorologist trained in the technique of cloud seeding can measure this moisture potential and is able to judge how much silver iodide should be projected. Further more, the most advan-tageous sites for the generator can vary from storm to storm and the trained meteorologist's know-ledge of surface and upper air wind currents is important in choosing the sites best suited at exactly the correct time for ac-tual seeding operations under any given conditions.

Just as you cannot use high octane gasoline in a kerosene motor, so you must measure the volumes of silver iodide to be used under varying meteorological circumstances.

That is why the presence of a meteorologist is imperative in this work.

Chief and Mrs. T. D. Weatherby spent Wednesday night and Thursday in Dumas visiting with Mr. and Mrs. Guy Crawford.

"Dodge 'Job-Rated' Trucks are the best we've ever used!"

... says PAUL CRUCE, Cruce Butane Co., Tulsa, Okla.

"We do a lot of driving on narrow roads, in and out of driveways, in small yards and other tight spots. We need trucks that are real easy to handle, so we switched to Dodge. They'll turn on a dime!"

"We service oil wells, too, and that's the toughest off-the-road hauling there is. We need plenty of pulling power. For mud and heavy pulling, Dodge 'Job-Rated' trucks are dependable and economical to operate."

## How to get what you want and need in a truck

SUPPOSE that you need a 1 1/2- or 2-ton truck. Naturally, you'll want one that costs less to run. You'll want one that's engineered to last for years and years. Above all, you'll want a truck that fits your job to a "T".

That calls for a truck in which every unit that moves the load is engineered to meet the most severe operating conditions—one in which every unit that supports the load is engineered to provide the strength and capacity needed. What's more, both load-moving and load-supporting units must be engineered to work together.

The way to get such a truck is to see us about a Dodge "Job-Rated" truck—one that's factory-engineered to your kind of work!

Yes...when it comes to your hauling job, you'll find everything you want and need in a Dodge "Job-Rated" truck!

**Time-saving performance.** Low loading height on 1 1/2- and 2-ton models and hinged center sections on stake bodies make loading easier. 5-speed transmission available on most models for more power, speed.

**Power with economy.** The big high-compression engine of a Dodge "Job-Rated" 1 1/2- or 2-ton truck operates with outstanding economy. You get chrome-plated top piston rings, and exhaust valve seat inserts.

**Easy handling.** Exceptional handling and steering ease is made possible by wide front tread and short wheelbase. Thanks to shorter turning diameters, you can turn sharper either right or left—back into tight places easier.

**Teen-Agers—**

(Continued from Page One) way to Quitaque passed Oakley near Antelope Flat but by the time Morrison could turn around and give chase, Oakley had eluded him.

Local authorities plus law enforcement officers from surrounding counties took up the search after Morrison's encounter with Oakley and late that night, about 9:30, they found the new Ford which Oakley had abandoned. It was out of gas.

When Morrison had lost Oakley he had turned off the road into the Cushion ranch which is about 1 1/2 miles from the road. Finding no trace of Oakley when they found the car, officers kept searching and found footprints here he had started walking.

Oakley told officers that after he left the car, he entered the Cushion house where he took a box and a half of shells and an old jacket, then he said he started hiking across wild country toward Silvertown.

After his all-night hike, about 8:30 Tuesday morning he arrived at the Bill McWilliams farm, six miles east of Silvertown where he took a pickup truck. It was in this truck that officers caught him about an hour later.

New charges which can be filed against Oakley include one for burglary and one for car theft in Donley county, two for car theft in Hall county, one for car theft and one for burglary in Briscoe county and one for carrying a pistol in any of the three counties.

Additional charges have not yet been filed against the youth. Clarendon Sheriff Guy Wright said, Oakley will be 17 years old in April.

**Druggist Attends Rexall Meeting**

Medical research is lengthening the age span, and as a result of the new field of geriatrics—medical care of the aged—has become increasingly important, John Fowler, reported on his return from Fort Worth where he attended a luncheon meeting of the Texas Rexall Club.

Fowler said that Joseph A. Hailer, manager of the Rexall pharmaceutical department, was the principal speaker and he spoke on work in geriatric research.

"Many elder persons may not be chronically ill," Fowler said, "but with special attention to diet essentials, their health can be improved and their lives lengthened."

## Dr. James Cornette, President Of WTSC, Is Speaker At Delphian Club Social

"In order to try to understand in a small part, the turmoil and confusion of the world today, we need to look at our world from a long way off," Dr. James P. Cornette, president of West Texas State College, told members of the Delphian Club and guests at the Family Date night social Tuesday evening, February 19, in the home of Mr. and Mrs. C. C. Hodges.

Speaking on "World Affairs," Dr. Cornette pointed out that conception present of "Poetic Justice" is a somewhat radical idea compared to the age-old idea, "Survival of the Fittest," which began 2000 B. C. and is still believed and accepted by most of the peoples of the world today.

"During our lifetime we cannot hope to change this age-old idea of 'Might Makes Right' but we have made tremendous trends in the right direction. We should not give up hope for peace, but continue to work toward this goal, keep our basic faith in God and eventually, perhaps not even in our time, but eventually—the turmoil and confusion will come to an end, and there will again be peace," he concluded.

Guests were greeted by C. C. Hodges and Mrs. Lynn McKown, president of the club, and then presented to Dr. and Mrs. Charles Cornette.

The entertaining rooms were attractively decorated with bouquets of jonquills. Foursome tables were beautifully laid with gleaming crystal and silver and centered with a rosebud. Place cards carried out the Washington Birthday motif featuring flags and hatchets for decorations.

Minister Bedford Smith offered the invocation.

## ENGAGEMENT REVEALED—Mr. and Mrs. W. E. Beckham of Memphis announce the engagement and approaching marriage of their daughter, Billy Jean, to Paul A. Kinard, son of Mrs. A. A. Kinard and the late A. A. Kinard of this city. The wedding will be an event of March 4.

Members enjoyed an afternoon of pleasant conversation and needlework. A short business session was also conducted by the president, Mrs. Beckham.

During the social hour, dainty refreshments were served to the following members: Mmes. Bes-Yarborough, Dollie Saied, Lenora Wood, Katherine Jones, Mary Johnson, Doris Ann Hickey, Foreta Branigan, Naomi Pounds, Dixie Wynn, Doris Pounds, Rolly Brown and hostess, Mrs. Beckham.

The stage was attractively arranged with the Valentine motif. Following the program the group enjoyed refreshments in the school cafeteria.

On the afternoon of February 29 the PTA met in regular session in the high school building. Mrs. G. C. Gardenhire, president, conducted the business discussion. The program was presented by Mrs. J. A. Ballard, who in a most interesting discussion spoke on "Adult Education". Approximately 25 members were in attendance.

Members and guests were greeted by Mrs. W. H. Monzingo, Mrs. Gene Chamberlain, Mrs. Robert Spicer, Mrs. Anna Dickson and Mrs. Robert Breedlove, who were all attired in old-fashioned costume.

Mrs. Chamberlain, president, introduced Mrs. W. F. McElreath who in turn presented the artists appearing on the afternoon's program.

Standing back of a befruffled picture frame which made them appear as figures on an old-fashioned Valentine, Mrs. Earl Hill and Mrs. Anna Dickson gave costume readings. Mrs. Hill read a humorous poem, "Ma and the Auto Ride," while Mrs. Dickson gave two readings, "My Valentine" by Grace N. Crowell and "Just for a Day" by Edgar A. Guest.

Musical selections were presented by Betty Lemons and Linda Fields, who played piano numbers; Johnnie McDaniel who gave a flute solo, accompanied by Gene Davidson and Helen Kulp who played several accordion selections.

Centering the serving table was a beautiful arrangement of spring flowers and potted plants were used throughout the home for decoration. Also noted on the table were dainty old-fashion onegays for members and guests. Mrs. Robert Breedlove presided at the tea service, assisted by Mrs. Gene Chamberlain.

Guests present included Mmes. L. L. Brown, J. A. Ballard, Mary Lou Erwin, M. N. Orr, A. Baldwin, D. A. Neeley, S. O. Greene, J. B. Wrenn, Velma Cannon, Henry McCann, C. T. Harris, C. E. Hankins, Mrs. Harris and Mrs. Howard.

## Parent-Teachers Association Honors Past Presidents At Founders Day Tea

Past presidents of the Stephen F. Austin and West Ward Parent-Teacher Association were honor guests Thursday afternoon when the two units entertained with a Founder's Day tea in the high school cafeteria.

More than 90 guests were greeted at the door by Mrs. Ross Gentry and Mrs. Robert Moss. Mrs. Robert Breedlove and Mrs. N. D. Calloway registered each guest.

Mrs. Lloyd Phillips introduced the afternoon's program, and the invocation was given by W. C. Davis, superintendent of Memphis schools.

The group then sang "America the Beautiful" led by Mrs. Garner Lee accompanied by Mrs. Bedford Smith at the piano.

Mrs. O. I. Seale, president of the West Ward unit, welcomed the guests.

Mrs. Henry Foster, president of the Stephen F. Austin Elementary unit, paid tribute to the presidents of the local PTA for the past 20 years. "Too much praise can not be given these past presidents for the work, time, effort and courage they gave to the growth and develop-

ment of this organization," Mrs. Foster stated.

After each past president had lighted a candle representing her year as president, Mrs. Foster presented her with a past president's pin.

Special tribute was given Mrs. A. Baldwin who served as president of West Ward unit 32 years ago. She lighted a large candle in tribute to all parents who had served as president of the high school PTA and the Memphis PTA Council, organizations no longer active, before 1931, and to all members who had served these organizations throughout the years.

Another large candle was lighted by Mrs. Ace Gailey for her mother, Mrs. D. L. C. Kinard, who was ill and unable to attend. In recognition of untiring service to Parent-Teacher work throughout the years she was presented with a Texas PTA Lifetime pin. In addition to having served as president of all three local PTA units, Mrs. Kinard is a past president of this district.

Mrs. Lloyd Phillips introduced the guest speaker, Mrs. Ace Gailey, who gave a talk on "Looking Back — Looking Forward."

Mrs. Bray Cook explained why the PTA has a silver offering for Founder's Day. There was an attractive miniature school building on the table where the silver offering was placed. Miss Zady Belle Walker and Mrs. Perry Keyser presided at this table and answered any questions pertaining to the Founder's Day program. \$21.32 was contributed at this time.

Dainty refreshments were served from a table laid with a beautiful hand-made linen cloth from Brazil. Centering the table was a two-tiered birthday cake topped with the gold numeral, "55" and surrounded by candles. Lovely cake squares with PTA inscribed in gold were served with golden punch.

## Baptist Class Enjoys Wiener Roast and Movie

R. B. Phillips and Paul Collins entertained the Intermediate Baptist class of the Estelline Baptist Church on Tuesday evening.

The group enjoyed a wiener roast in Memphis Park and later attended the movie, "Mr. Texas," which was shown in Memphis High School auditorium.

Attending besides the teachers were Duane Kennedy, Billy Mack Burnett, Jimmie Don Adams, Kenneth Crump, Bobby Sprull, Bobby Hayes, Johnny Hudlow, Jack Johnson and Billy Wayne Hayes.

# REPORT FROM WASHINGTON

By Walter Rogers  
Congressman, 18th District

MARCH 31, 1952, AN IMPORTANT DATE TO MANY. The 82nd Congress on April 5, 1951, by Public Law 16, extended the date for filing claims under the War Claims Act of 1948, as amended, from March 1, 1951, to March 31, 1952. Therefore, those of you who are entitled to file claims under provisions of the War Claims Act should make immediate arrangements to file your claims.

The War Claims Commission is most anxious that everyone having the right under the provisions of such act be fully advised as to the deadline for filing claims. If any of you are in doubt as to your rights to file claim under this act, please write to me or to the War Claims Commission. Any letter coming to me on the matter will be promptly submitted to the War Claims Commission for full processing and consideration.

IT PAYS TO CHECK THE FACTS: When you hear some story going the rounds that could be dangerous or detrimental either to an individual, or organization, or the government, always be sure to check it for factual basis before repeating it. We all know how dangerous unfounded gossip can be. No one realizes that better than the powers that be in the Kremlin.

The entire unrest and confusion that resulted in the downfall

of the free governments in many of the satellite countries was commenced by planted gossips and tale-bearers whose first allegiance was to Moscow. Unfounded gossip is like a prairie fire. It is easy to start and almost impossible to stop.

A good example came to my notice the other day. One man had heard a story that intruded him very much, but instead of repeating it, he wrote me a letter and asked me to find out the facts. I had heard the story before and knew the facts, but I did not know that the story was being circulated again.

Here it is: On the 1951 fifty-cent piece there is an image of Benjamin Franklin and stamped on his neck are the initials "J.R.S." The story is being circulated that these are the initials of Joe Stalin. Here are the true facts. The initials on the neck of Benjamin Franklin are the initials of John Ray Sinnock, formerly Chief Engraver at the Philadelphia mint. The reason they are on there is because many years it has been a tradition and a custom for the initials of the designer of the coin to appear on it. In 1946 the initials of the first and last name of Mr. Sinnock, to wit, "J. S.", appeared on ten-cent coins. The story was circulating at that time that they were the initials of Joe Stalin. This story of course created many protests. In view of these protests and the misunderstanding created by the circulated story, Mr. Sinnock's middle initial, "R", was also placed on the coin so that there could be no further misunderstanding.

According to "Internation Who's Who", published in London, Stalin's full name is Josif Vissarionovich Stalin. So far as the available records show, Josif Vissarionovich Stalin is still living.

According to the American records, Mr. John R. Sinnock, former Chief Engraver at the Philadelphia mint, is deceased. The American people are entirely too intelligent to be sucked in by wild unfounded stories, and I am proud that this constituent wrote me concerning this matter when he heard it.

Russia the people must depend on gossip because their slightest question concerning any story they might hear could easily result in a quick trip to Siberia. I thank the Almighty Father that such is not the case in this country. Whatever the story might be, you have the right to know the facts behind it, and you may be assured that I will do my best to get them for you.

FARM INCOME: Contrary to the beliefs of many big city folks, the net farm incomes are still far below those of the non-farm individuals. The per capita income

POET'S FATE . . . Darling of the Greenwich village Bohemians in the 20's, Maxwell Bodenheim, poet-novelist, sits in center of his living room after release on bail following arrest as common . . .

of the American farmers last year from all sources was \$1020.00, compared with a per capita income of \$1707.00 for the non-farm population. The income from farming alone amount to \$806.00 per capita.

MOISTURE AND WIND EROSION CONDITIONS IN TEXAS: The latest report, from the Soil Conservation Service shows the major part of Texas severely hit by drought. The hardest hit is the entire southwestern portion of the state, from the lower reaches of the Rio Grande to the western edge of the 18th Congressional District.

The northeast corner of the Panhandle appears to be in the best shape for moisture, and cover. Those counties lying below the Caprock are the hardest hit in our section. The entire central portion of Texas is hard hit. Recent rains in Eastern Texas have changed soil moisture and plant cover conditions, and this section is in good shape. Most of the Panhandle seems to have good cover except for a few small areas. These small areas can certainly produce a lot of dust when the wind gets to blowing.

FOREIGN AID: I have recently obtained some figures on foreign economic and military aid since July 1945. I wish I had the space to put them all in, but will have to wait until later to do that. I thought you might be interested in the totals. The total economic aid from July, 1945, to September, 1951, was \$31,191,091,000.

Military aid was \$4,500,799,000. The economic aid includes grants and credits utilized. The biggest sum, as you perhaps suspect, went to the United Kingdom. In economic aid grants it received \$2,370,289,000, plus credits utilized in the amount of \$4,727,826,000. The military aid amounted to \$349,495,000. The total 35 1/2 billion plus was divided among approximately 90 countries and possessions of countries. I will tell you more about it later.

To the winning team of fourth, fifth, and sixth graders from Stinnett will go a 19-volume set of Britannica Junior. Team members took home gold medals and red-white and blue mechanical pencils.

The runner-up team from Memphis will receive a Rand-McNally World Globe. Team members were awarded silver medals and red, white and blue pencils.

Team members from Stephen F. Austin School of Memphis were: Jan Mitchell and Jeff Jeffers, fourth graders; Joyce Ann Hull and Linda Kay Collins, fifth graders; Danny Ray Lee and Audrey Beth Burnett, sixth graders, and Glenda Jean Noah, Lera Kate Hutcherson and Beverly Bowerman alternates.

**Penney Manager Attends Golden Jubilee Meeting**

H. J. Howell, manager of J. C. Penney Company department store here, left Wednesday to attend the Company's Golden Jubilee convention which is being held in Chicago this weekend.

"This year marks our 50th Anniversary of serving the American people", Howell said, "and our convention has been built around that theme. Naturally we are proud of our past - from a single store in 1902 to one of the largest of its kind in the world."

J. C. Penney, founder of the Company and its board chairman today, will make the keynote address at the two-day meeting.

A. W. Hughes, president of J.

C. Penney Company will deliver the principal convention address.

Lieutenant Jim Deaver, who is stationed at Vance Air Force Base at Enid, Okla., spent the week end here with his parents, Mr. and Mrs. T. H. Deaver and family. Lt. Deaver is receiving pilot training at the base.

The West Texas Utilities Company won another round in the labor election among the company's production department employees last December, according to a decision and order of the National Labor Relations Board received at the company's office in Abilene last Friday.

The election, ordered by the NLRB, was to determine whether the International Brotherhood of Electrical Workers should be certified as bargaining agent.

Of the 152 votes cast, 45 were challenged. Of the 45, the board agreed on the challenge of only 12 votes and order that 3 votes be county without further delay.

**Buick even keeps the Sun in its Place**

course, this new glass—  
 which reduces glare and  
 becoming sun-heat—  
 is a Buick feature in '52

WITH all the new things we've had to talk about in 1952 Buicks, we're just getting around to this one.

It's called "Easy-Eye Glass"—a new kind of glass with a cool, soft, blue-green tint, which filters the sun's rays entering your car—cuts down their glare and heat.

You'll appreciate the "glare control" at any time—and when you hit your first stretch of hot-weather driving you'll find that this glass does a great job of keeping the heat out of your lap.

We know—because thousands of happy Buick owners already have this new comfort feature. The rest of the automobile industry is just beginning to discover what Buick discovered a year ago. It's a great idea, which costs you very little extra if you order it when you're buying a new car.

But this still leaves the other folks with a lot of catching up to do.

You'll look a long way before you'll find any-

thing that approaches a Buick's million dollar ride.

You'll look a long way before you'll find anything so completely satisfying as Dynaflo Drive.\*

You'll find it hard to match the style and beauty and harmonious good taste of a 1952 Buick's interior trim and fabrics.

And when it comes to what you get for what you pay—we'll gladly match price tags with the field.

Have you had a good look at the '52 Buicks? That's something you ought to do soon.

Equipment, accessories, trim and models are subject to change without notice. \*Optional at extra cost—available on most models. (Not presently available in Massachusetts.) \*Standard on ROADMASTER, optional at extra cost on other Series.

The mist and moisture Saturday and Sunday wasn't hardly enough to register. In fact Sunday night it froze in the gauge so they couldn't measure it. Got pretty cold though, understand it was down around 15.

Well, things are beginning to straighten out around our house. The daughter is getting to be an old hand at having her way now. We, (my wife and I) keep telling each other, "We aren't going to spoil her now." I wonder who is kidding who? But considering she is just a little over three weeks old, I guess things are quite normal!

I want to take this means to thank all of you nice people who have told me you read this (?) column and that you enjoy it. I consider that quite a compliment and it has made me very happy for this was an experiment more than anything else to find that it has been enjoyed by some, is a nice thing to know. However, you will be spared any further tasks of trying to figure out what I mean in these lines.

This, I guess is the last Notes About Memphis and Hall County that you will find here in The Democrat. My family and I are moving to Pampa. It isn't always all pleasure when you move from one town to another. There are many things here that we will miss. But as the old story goes, we have another in our family to think of now and we must consider our future.

We have been very happy here in Memphis. My wife and I. We'll always retain many precious and happy memories. I don't believe people anywhere could have been any nicer than everyone here has been to us. This we appreciate more than we can say. Thanks again for everything you all have done for us and, if

you are ever in Pampa, stop and see us. Are you all taking advantage of all these business houses that are having open houses and various "days" around town here and offering free coffee and donuts? I'm certainly in favor of this practice . . . sure makes for an easy and pleasant cup of coffee and a little fellowship with friends.

Ross & Lemons Men's Store has had a new paint job, inside and out, sure looks different. They used a soft pleasing green shade on the interior of the store and almost made a new store.

"Hello," said the neighbor, "back from your hunting? Have any luck?" "Rather," said Jones proudly. "I got two bores!" His neighbor nodded approvingly. "Were they wild?" he asked. "I can't say they were, exactly," Jones replied. "But the farmer who owned them certainly was."

Quite a lot of excitement here over the weekend. I hear the REA has a new manager, burglars broke into and knocked the knob off the safe at the Hall County Farmers Supply, Police Chief Weatherby said he saw escaped jailbreaker Jimmy Oakley in town Sunday, someone broke into Foxhall Motor Company and stole a brand new 1952 Ford, Howard's cotton office was broken into and a gun stolen . . . yep, lots of excitement here over the weekend.

Farmers and other persons at the rain meeting last Wednesday heard quite an interesting talk by Foard Hubbard, a representative of the Water Resources Development Corp. Hubbard gave us some information on rain and from time to time we will carry stories in The Democrat. They explain how the

rain increasing program operates. Men can only learn as fast as their humility will let them.

It was Will Rogers that said: "Everybody is ignorant, only on different subjects."

"Pa, what's a necessary evil?" "One we like so much we don't care about abolishing it, my son."

Remember, every contact that you make with others is either a bridge built or a gulf dug.

That's all for now, and thanks again for all your kindness. That is 30.

## Yacht Club Wednesday Mrs. Monzingo

The Yacht Club met in the afternoon, February 27, at the home of Mrs. Ed Monzingo. The meeting was opened with a prayer given by Mrs. Ed Monzingo, Jr., club president. Business followed. The subject for the afternoon was "Creating One World Through the Observance of National Week." Mrs. S. B. Monzingo opened the program with a reading of the following lines written by her: "All men are our Creator with intent; among these are the men who are the pursuit of life."

ed to live each following day in that same way. That is one of the characteristics of the Chinese people.

The highlighting of the afternoon's program was an interesting and informative talk given by Miss Blanche Groves, Baptist Missionary who has just returned from China after 30 years of work there. Miss Groves wore the native Chinese costume and told of many interesting customs and characteristics of the Chinese people. She vividly described the occupation of China by the Communist. In conclusion, questions were asked by members present.

Delicious refreshments were served to one guest, Miss Groves, and the following members: Mmes Earl Allen, J. W. Coppedge, Bill Cosby, W. C. Dickey, H. B. Estes, Henry Foster, N. A. Hightower, H. J. Howell, Claud Johnson, C. W. Kinslow, J. H. Norman, J. A. Odum, Myrtis Phelan, S. B. Palmeyer, O. I. Seale, Robert Saxauer, Edwin A. Smith, Jr., Miss Imogene King and the hostess, Mrs. Monzingo.

## On 13th Birthday Patricia Gammage Is Party Honoree

Patricia Gammage was honoree at a party given Wednesday evening at her home, 608 North 10th. The occasion was Patricia's 13th birthday anniversary.

Party games were enjoyed throughout the evening and refreshments of punch and cake were served.

Included on the invitation list were Billy Allen Combs, Linda Fields, Jo Ann Miller, Robert Goodall, Jean Foxhall, John Deaver, Betty Lemons, John Freeman, Mary Frank Garrett, Buzzy Patrick, Dorelle Stargel, Jackie Ben Boone, Betty Lou Wells, Terry Monzingo, Cleve Evans, Monta June Saye, Jerry Hill, Betsy Godfrey, Johnny Chamberlain, Glenda Ellis, Dan Durham. ## Windy Verden Is Sweetheart Of FHA Chapter

Windy Verden was chosen as sweetheart of the Lakeview Chapter of Future Homemakers of America for the year 1951-52 at a meeting held Tuesday, February 19.

Miss Sidney Hulsey, club president, will crown the sweetheart Friday night, February 29, when the organization entertains with a party. Attendants will be Royace Teel, Fay Dean Byars, Shelby Hignight and Sonya Verden.

Named to serve on the decoration committee for the coronation were Wanda Kennard, Shellah Killian, Sherry Denton, Peggy Proffitt and Sybil Harry. In charge of the refreshments will be Retha Mitchell, Betty Neighbors, Ila Faye Hubbard and Dollie Rousseau.

Also during Tuesday's meeting plans for a yearbook were discussed and a committee appointed to make plans for the yearbook. Named on this committee were Sue Hall, Fay Dean Byars, Sonya Verden, Jettie Sams, Doris Arnold and June Payne.

Announcements were also made in regard to spring activities planned by the chapter. Included on the calendar is the annual Mother-Daughter Tea which will be held on May 8. Fathers will also be invited this year and an invitation ceremony for freshmen will be featured.

Other events will include a party for the FFA Club in April, and a style show which will also be held in April with all classes participating.

Mrs. McKnight, sponsor, announced that the delegates to the state meeting, April 24, 25, 26 will be selected by the faculty.

After singing the FHA song, The Prayer Song and reciting the Girl's Creed, the meeting adjourned.

Mary Jo Davenport, who is attending Brantly-Draughons business school in Fort Worth, visited over the weekend with her parents, Mr. and Mrs. David Davenport.

## 1913 Study Club Meets In Home Of Mrs. M. G. Tarver

Mrs. M. G. Tarver was hostess to the members of the 1913 Study Club which met in regular session the afternoon of February 21. The meeting was called to order by the President, Mrs. M. E. Wilson, who led the club in a sentence prayer and the club collect.

Following the usual matters of business, the program subject for the afternoon, "Women In Literature" was ably handled by Mrs. Rufus Grisham and Mrs. Lewis Foxhall. Mrs. Grisham, citing Pearl Buck as her "woman in literature," reviewed the story of "The Fighting Angel." The father of Mrs. Buck, who for many years was a missionary in China, was dubbed "the fighting angel" in the interesting biographical sketch written by his daughter. Mrs. Grisham did an excellent job as a review artist.

In a lighter vein was the book, "Harem Scare 'Em" by Rosemary Taylor. It was, as the title indicates, an hilarious account of the experiences of a girl reporter in Europe. Mrs. Foxhall, having been a newspaper war correspondent in Europe during World War II, was especially fitted to do justice

to this humorous tale of a would-be feminine Floyd Gibbons.

In keeping with the season, flags were included in the house decorations and cherry pie and coffee refreshed those present. Eighteen members and one guest, Mrs. Jeff Ray enjoyed the afternoon's festivities.

## Childress Woman Is Speaker At Estelline Club

"Public Affairs are Personal Affairs" was the program theme for the evening when the 1932 Culture Club of Estelline met in the home of Mrs. C. O. Gregory on Tuesday evening.

Mrs. J. A. Ballard introduced the guest speaker, Miss Mary Carter of Childress, who in a most interesting manner reviewed the book, "The Red Masquerade" by Angel Caromiris.

Miss Carter pointed out that this book shows the dangers of Communism to our country and

About Memphis, Hall County

By C. L. L.

Be sure and attend the 4-H Club and FFA Livestock Show this weekend if you can.

These boys work hard all year to get their animals ready and they like for you to see them. It's your chance to see some top livestock that has been raised right here in our own county.

The Angus show will be held Friday afternoon, the Hereford and Junior Angus show Saturday morning and the Show Sale Saturday afternoon.

It's all free so be sure and attend. It's at the Memphis Compress buildings.

The mist and moisture Saturday and Sunday wasn't hardly enough to register. In fact Sunday night it froze in the gauge so they couldn't measure it. Got pretty cold though, understand it was down around 15.

Well, things are beginning to straighten out around our house. The daughter is getting to be an old hand at having her way now. We, (my wife and I) keep telling each other, "We aren't going to spoil her now," I wonder who is kidding who?

But considering she is just a little over three weeks old, I guess things are quite normal!

I want to take this means to thank all of you nice people who have told me you read this (?) column and that you enjoy it.

I consider that quite a compliment and it has made me very happy for this was an experiment more than anything else to find that it has been enjoyed by some, is a nice thing to know.

However, you will be spared any further tasks of trying to figure out what I mean in these lines.

This, I guess is the last Notes About Memphis and Hall County that you will find here in The Democrat.

My family and I are moving to Pampa.

It isn't always all pleasure when you move from one town to another. There are many things here that we will miss. But as the old story goes, we have another in our family to think of now and we must consider our future.

We have been very happy here in Memphis. My wife and I. We'll always retain many precious and happy memories.

I don't believe people anywhere could have been any nicer than everyone here has been to us. This we appreciate more than we can say.

Thanks again for everything you all have done for us and, if

you are ever in Pampa, stop and see us.

Are you all taking advantage of all these business houses that are having open houses and various "days" around town here and offering free coffee and donuts?

I'm certainly in favor of this practice . . . sure makes for an easy and pleasant cup of coffee and a little fellowship with friends.

Ross & Lemons Men's Store has had a new paint job, inside and out, sure looks different. They used a soft pleasing green shade on the interior of the store and almost made a new store.

"Hello," said the neighbor, "back from your hunting? Have any luck?"

"Rather," said Jones proudly. "I got two bores!"

His neighbor nodded approvingly. "Were they wild?" he asked.

"I can't say they were, exactly," Jones replied. "But the farmer who owned them certainly was."

Quite a lot of excitement here over the weekend. I hear the REA has a new manager, burglars broke into and knocked the knob off the safe at the Hall County Farmers Supply, Police Chief Weatherly said he saw escaped jailbreaker Jimmy Oakley in town Sunday, someone broke into Foxhall Motor Company and stole a brand new 1952 Ford, Howard's cotton office was broken into and a gun stolen . . . yep, lots of excitement here over the weekend.

Farmers and other persons at the rain meeting last Wednesday heard quite an interesting talk by Foad Hubbard, a representative of the Water Resources Development Corp.

Hubbard gave us some information on rain and from time to time we will carry stories in The Democrat. They explain how the

rain increasing program operates. Men can only learn as fast as their humility will let them.

It was Will Rogers that said: "Everybody is ignorant, only on different subjects."

"Pa, what's a necessary evil?" "One we like so much we don't care about abolishing it, my son."

Remember, every contact that you make with others is either a bridge built or a gulf dug.

That's all for now, and thanks again for all your kindness. That is 30.

#### Childress Veterans To Hold Dance

Commanders of the American Legion and Veterans of Foreign Wars of the Childress Posts announce that the newly remodeled Officer's Club at Childress Airfield will be formally opened next Thursday evening with a dance. All persons in Memphis are invited and Bob Wills and his Texas Playboys will provide the music.

Admission is \$4 for couples and \$3 for stags.

#### ATTEND HAMMOND FUNERAL

Among out-of-town relatives here to attend funeral services for Mrs. Martha Jane Hammond were Mr. and Mrs. Joe Hammond of Long Beach, Calif., James and John Hammond of Portales, N. M., Mr. and Mrs. H. B. Newman and Cynthia of Amarillo, Mr. and Mrs. Clint Wilks and Rowe Newman of Denton, Mr. and Mrs. Jay Sheppard and Susan of Amarillo, Mr. and Mrs. Bruce Tipton and Mrs. Marvin Branch of Fort Worth, Homer Horton of Nocona and Mr. and Mrs. T. B. Brooks of Childress.

If you need a home, business or farm in or near Memphis see Walter Hightower, 908 Noel St. or Phone 163.

Your Community

Are you interested in your community?
Are you interested in such a way that you work and help
it become prosperous . . . even though it may cost you a little?
Someone once said that you always get more out of a thing
than you usually put into it. How much are we putting into
this community of ours, and how much are we getting in re-
turn.

Did you ever try to look at this community from the other
fellow's point of view. It's easy for us to become accustomed
to local conditions at which a visitor might throw up his hands
in horror.

Chambers of Commerce all over the country are seeking
answers to stabilize their community's incomes.

If Memphis is to progress and grow, how does our town
stack up with other communities and towns making bids for
things to attract money to their towns?

Not long ago the American Society of Planning Officials
asked a number of big industries what they considered essen-
tial in a community before locating a plant there.

Here are ten things that industry representatives list as be-
ing needed by a community to attract plants: And other busi-
nesses besides industry may have similar points:

- 1. A clean general appearance with good police and health
record. Generally, the record of job absenteeism can be ex-
pected to be lower in these cities and the plants and grounds
better maintained.
2. An aggressive town spirit, in which the townspeople are
entered in doings for their community.
3. A local government that is alert, progressive and business-
like. Industry also prefers cities with balanced budgets and a
comparative low debt per capita, but with a reputation for
good municipal facilities.
4. A good educational system with an adequate, well-equip-
ped library, as well as other cultural facilities.
5. Churches representing all denominations.
6. Adequate health services and hospitals.
7. Adequate recreational facilities and places of congregation
where people can play or visit together.
8. Suitable housing at costs which employees can afford.
9. Good shopping places.
10. A local paper that does a good job of keeping the
people informed, especially on local news.

These things indicate that people are interested in their
own community. We think most of them are true about Mem-
phis and Hall County. We hope you do too!
Let's all of us work for our community.

"HIS MASTER'S VOICE"

Press Paragraphs—
QUOTING OUR NEIGHBORS

"The government is like any
family. There are many desirable
things each wants, but they should
not be purchased until such time
as they can be afforded. Now is
the time to economize, and the
sooner Congress and the Presi-
dent realize it the better." —Cor-
vallis, Ore., Gazette Times.

"Now, while we are supposed
to be fighting for the freedom of
the world at large, our federal
government has gone into Califor-
nia and grabbed an entire riv-
er that has been supplying irri-
gation for farms and villages
for fifty years in undisputed pos-
session.—It looks like we had bet-
ter do a little fighting at home
to put the federal government in
its place or we will be as badly
off here as the Russians are."
—Ouray, Colo., County Herald.

"The place to insure good gov-
ernment in the future is in the
caucuses and the primaries. If the
qualified voters neglect the cau-
cuses and primaries and permit
designing politicians to foist
grafting office seekers on them,
(the people) they should not com-
plain. Our election laws plainly
vest the right of selecting candi-
dates in the people. If the peo-
ple fail to exercise their right it
is their own fault." —Fairfield
Iowa, Daily Ledger.

"The thought came to us that
if you want to know the results
of letting the government take
over every department of your
life, all you have to do is look at
an Indian reservation, where there
is no opportunity and no hope for
advancement." —Eagle River,
Wisc., News-Review.

Imagine the city of Dallas with
a population of more than half
a million people casting less than
13,000 votes in a bond election
that involved the progress and de-
velopment of that entire metro-
polis. The great mass of humani-
ty is about the same in little cities
and big cities—asleep as to the
political and economic interests
of their town, county and nation.

UNITED INVESTS MANY MILLIONS TO PROVIDE GAS SERVICE

Every time you light a burner
on your gas range, remember
that dependable natural gas
service doesn't "just happen."
Our company alone has in-
vested some 290 millions of
dollars in wells, pipe lines and
other equipment in the last ten
years to provide dependable,
low-cost natural gas service.
That is three times the amount
we invested for this purpose
in the ten preceding years.
But we have more than money
invested in the Gulf South. We
have our faith in the future . . .
our hopes for finer and greater

LETTERS TO READERS

Valmeyer, Ill. February 15, 1952

Mrs. Stanley, I can tell you in a letter what you would like to know about the Group Burial Cemetery at St. Louis, Mo., Feb. 15, 1952. I want to say that I received both of your letters: the one giving me authority to take the pictures, and the one concerning the funeral.

read them one in particular caught my attention: it read something like this "All visiting is prohibited." This pretty well does away with any molesting that often takes place in cemeteries. The entire cemetery is surrounded by a tall rock wall with iron gates at the entrances. Again, I will say that it is a very beautiful final resting place, and I do hope that you can derive some comfort from this fact. During the coming summer I will send you some pictures from time to time so that you will get a better idea of what it is like and as quickly as the memorial has been erected I will send you a picture of it.

Now to tell you about the funeral. Since my wife could not attend Fanny Sue and her husband went with me. As you noticed from the papers I am inclosing which were given each of us at the cemetery, there were 123 remains in 109 caskets. When we arrived at the cemetery at 8:45 Thursday morning, these caskets were all lined up in rows with isles between each row and protected from the foggy, misty weather by a huge tent. The caskets were all identical and of a copper color; to each was sealed the boy's identification tag, better known as dog tag. We were allowed to walk through the isles, but were unable to find John's casket, as many of the tags were so marred and disfigured that they were nearly illegible. At 9:45 they, the soldiers, began covering the caskets with the flags so

the saddest thing I have ever seen as mothers would try to be so brave and step up as their names were called and when they go the flag in their hands would begin sobbing, screaming, break down, or faint and have to be carried away. It was really heartbreaking.

I am sure you felt badly that you could not be here, but I think you did the right thing by not coming as I don't believe John would have wanted you to have gone through the ordeal. Oh, how my heart ached for those mothers. I don't think there was a person there who did not shed tears at some time during the service.

After your name was called and I received the flag in your stead then stepped back to my place, a man came up to me and introduced himself as Mr. Ray Palmer of the National Red Cross 1709 Washington Avenue, St. Louis, Missouri. He said that he had been making pictures for the Stanley family at the request of the Memphis Red Cross and the American Legion and that he wanted to take my picture receiving the flag. So he got a Sgt. Jack Cross to re-present it to me while he took the picture.

Fanny Sue then moved "your flowers and the ones we sent up in front of the tables so that he could make a movie of them for you also. He said that you would receive the film in about two weeks. Mr. Palmer seemed to be very nice and he should have some very good pictures for you as he was there all morning taking them. I must say that if the good people of Hall County did this for you, it was nice of them and I am sure you will have something you will treasure for a long time.

Mrs. Stanley, I do hope that I have told you most of the impor-

Local Boy Arrives In Philippines

tant things about the services and in a way that you can understand them. If I have helped in any little way lighten the load for you it makes me extremely happy, and I was glad to be there in your place. If there are any questions in your mind that I have not answered please feel free to write me and I will answer them to the best of my ability. I am sending you the clippings from the paper and also the pictures from them along with this letter.

Later I will send some kodak pictures which we took if they are any good. I will be coming down to "Good Ole Hall County" the first of July, so then I will talk with you, but until then I will be thinking of you and wishing you the best of everything.

Sincerely, A. J. Nabers.

we didn't have much time to look. When we arrived at the cemetery there were many flowers there, but by 10:30 there was a complete circle of them surrounding the caskets. (That is the entire group of 109 caskets as they could not be placed on the individual caskets since each was covered with a flag.)

The flowers were a beautiful sight to see for they were of all colors varieties and shapes of bouquets. To each bouquet, or wreath, was attached a card showing whom it was for and from whom it was sent. We found your wreath which was made up of beautiful redroses, clipped some of them and will send them along with some we sent and the flag. We also took pictures of them, these we will send later.

The time between 8:45 and 10 was spent looking at caskets, flowers and also talking with many broken hearted mothers, fathers, wives and so on. At 10:00 all of the people, some 350 of them, gathered at the cemetery office and chapel, which of course was not nearly large enough to accommodate such a large crowd. From here the funeral march proceeded led by the Scott Air Force Band, followed by several active soldier units, American Legion

Units, Gold Star Mother Units, Legion Auxiliary Units and last the mourners. (This was a sad sight.)

After the funeral march, the next of kin were all seated under a large tent just south of the caskets. Here the services were held. Three chaplains, a Protestant, a Catholic, and a Jewist, officiated in a part of the service with a short talk and prayer. After this a Gold Star Mother placed a wreath of flowers in the center of the caskets. Then a group of men and women one each of the V.E.W., American Legion, Gold Star Mothers and the Legion Auxiliary marched in and made a short talk. Next the Scott Air Base Band played the beautiful and appropriate song "Nearer My Go To Thee".

Then the Firing Squad took charge; which was followed by the "Blowing of Taps" by the Buglers, one of them standing at the east end of the caskets, another over a hill another a further distance away. When this was finished the Superintendent of the Cemetery took charge announcing that they would then call the next of kin and that each when called should step forward and receive the flag.

I do want to say that this was
