Red Cross Workers Start Campaign

Red Cross Member
Campaign for Hall County starts this week, according to Young, drive chairman. This week listed names of persons in each community. He wants all persons who contribute to the Red Cross to realign half of the money raised in Hall County will remain in Young county. "This means that which come up in Memphis, Estelline, Lakeview, and elsewhere in Hall County, can be used if sufficient can be raised."

Community chairmen appointed by Young include the following:
 Memphis, Robert F. Spicer, chairman; Brian, Mrs. Starr Johnson; Plasko, Gene Koening; Jew, E. E. Davenport; Lester, Ted Montgomery; Key, Geo. Ray Colvin; and C. R. Russell, vice chairman; Farnell, I. D. Mullins; Rev. Albert Cooper; D. C. Mack; and Webers, J. B. Byars.

It was announced that Cole was a member of the home service committee, will handle all Red Cross cases for the Turkey county during 1952.

Bids Requested On Pavement Of Road To Harrell Chapel

Notice was received this week that bids for construction of approximately six miles of farm-to-market paving in Hall County will be approved March 19 in Austin.

The information was issued this week by Bill Hamm, resident engineer of the Texas Highway Department, of Childress. He notified Judge M. O. Goodpasture that sealed proposals for constructing 6.736 miles of paving from a point four miles south of Memphis east and south to a point near Harrell Chapel, would be opened in Austin within two weeks.

It is estimated that actual construction of the road should start soon after the bids are received.

Turkey To Hold Annual Livestock Show Saturday

Turkey will hold its 5th annual Livestock Show Saturday, April 5, Pat Brittain, secretary, announced this week.

The show is open to anyone residing in Hall or adjoining counties, Mr. Brittain stated. Cash prizes and ribbons will be awarded in all divisions of swine, beef dairy and shorthorn cattle.

Judging will begin promptly at 9:00 o'clock Saturday. Judges will be John Gillham of Clarendon, Marion Bruce of Amarillo and Glen Ross, Goodlet.

A registered Hereford heifer from the herd of Tommie Potts and a registered Jersey heifer from John Gillham's herd will be given away at the conclusion of the show.

Ballots Ordered For City Election Apr. 1

Ballots were ordered this week for the City election, which will be held on Tuesday, April 1.

The following names have been filed with D. L. C. Kinard, city secretary, for places on the ballot:
 For Alderman, Ward No. 1: O. L. Helm.
 For Alderman, Ward No. 2: H. J. Howell and O. M. Cosby Jr. Howell is a candidate for re-election to a two-year term. Cosby (Continued on page 12)

WINNERS—Left is John Luther Byars holding the halter of the Reserve Champion calf which he displayed at the 15th Annual Hall County Livestock Show Saturday. On the right is Raymond Martin and the Grand Champion of the show. In the background are W. B. Hooser, county agriculture agent, and J. A. Scofield of Vernon, judge of the show.

SALMON, HANCOCK, CAPROCK ANGUS FARM LEAD IN BREEDING CLASSES

Raymond Martin of Lakeview was exhibitor of the grand champion calf at the 15th Annual Livestock Show in Memphis Saturday. The reserve champion calf was shown by John Luther Byars, also of Lakeview.

In the breeding classes, which were judged on Friday, top honors were shared by Nolan Salmon, Jake Hancock and Caprock Angus Farm. Each of these owners exhibited the grand champions in their classes.

The Memphis Chamber of Commerce and Hall County Board of Development provided \$450.00 in premium money for the young showmen, and checks and ribbons were handed out at the conclusion of the judging of each class. The county-wide organization paid the auctioneer's fee.

Seventeen head of fat calves made the show, which was judged by J. A. Scofield of Vernon, Saturday. These animals were fed out by 4-H and FFA club boys. The show judge listed the following winners:

First place was shared by Nolan Salmon, Tommie Martin and Raymond Earl Hall.

Showing second place animals were Tom Hudgins, Royce Teel and Raymond Martin.

Placed in third place were Gary Cox, Raymond Martin and Raymond Earl Hall.

Fourth place animals were exhibited by Don Hudgins, and Jake Hancock. Fifth place went to Winfred Russell and Jerry Byars; sixth to Tollie Lindley, and G. D. Hall placed in seventh.

Following the judging, the fat calves were sold at auction. Auctioneer of the sale was Jarvis Mitchell. (Continued on page 12)

Membership Drive Of Booster Club To Start Monday

Plans were taking shape this week for an intensive membership drive of the Memphis Cyclone Booster Club, Clint Srygley, president, started today.

"The club plans to erect a scoreboard and electric clock at Cyclone Stadium if sufficient funds can be obtained from our drive," Srygley stated. "We have set an additional goal of repainting the fence around the stadium if the public responds in sufficient number to finance it."

Heading the drive will be Louis Saied and Jim Beeson. Others of the membership drive committee are Arlis McBee, Dick Fowler, Pete Smith, Buster Helm, J. L. Marcum, Jr., Ace Gailey, J. W. Coppedge and E. S. Morrison.

A meeting of club officers, board members, and members of the drive committee has been set for Friday evening at 8:00 p. m. The group will meet at Clint's Barber shop, President Srygley stated, and map final plans for the drive.

Monday has been tentatively set as the date to start soliciting membership in the club, the president added.

"It will take the cooperation of everyone in the school district to put over the kind of athletic program we need for our schools. Therefore, we invite the wholehearted support of all athletic-minded persons in this community," he concluded.

Board Comments Coleman For Work With Local System

A tribute of gratitude was issued this week by the Memphis school board to Roy L. Coleman, long-time member. He received the commendation for "fifteen years of faithful and efficient service" in working with the operation of the local school system.

He resigned this week, and the board appointed Worth Howard of Plasko to fill out his unexpired term. Coleman declined to become a candidate for re-election in the annual election in April.

"Roy Coleman has served as secretary and president while he has been on the board," members stated. "He has been instrumental in keeping the Memphis Schools on a program of 'pay as you go,' and has taken a lead in helping build the Memphis system up to equal the best in the state. This man has always been a friend of our young people, and at the same time he has always insisted on getting a dollar's worth of education for every dollar of the taxpayer's money."

Cotton Acreage Goal Set At 175,000 Bales for '52

The cotton acreage goal for 1952 in Hall County has been set at 175,000 acres by the U. S. Department of Agriculture.

This announcement was made Monday by R. A. Eddleman, chairman of the Hall County Agricultural Mobilization committee. This year's goal will exceed the 1951 crop planted to cotton by 775 acres. Total acres planted in cotton last year, according to figures in the local PMA office, were 174,225.

Each year agricultural officials in Washington set production goals for all crops on a national level, Eddleman explained. These goals are broken down to state and county goals, and are used as guides by farmers to obtain the production that is needed for both domestic and export uses.

In addition to cotton, Hall County farmers are being asked to plant 25,000 acres to grain sorghums in 1952. This is an increase of 15,000 acres over the 10,000 acres planted in 1951.

The county's wheat goal of 40,000 acres was underplanted, it was announced. It is estimated that about 15,000 acres of wheat (Continued from Page One)

FARMERS MEET SATURDAY TO SET UP RAIN INCREASING ORGANIZATION

Hall County farmers who are participating in the rain increasing program will set up a permanent organization in a meeting at the court house in Memphis Saturday afternoon.

The goal of \$6,000.00 as Hall County's part of the nine-county project has been met, according to Clifford Farmer, temporary chairman.

The purpose of Saturday's meeting is to elect a permanent set of officers including president, vice-president, secretary, treasurer and three directors to represent Hall County in a District Weather Association. Other counties in the organization include, Childress, Donley, Collingsworth counties in Texas and five counties in Oklahoma. The meeting (Continued on page 12)

STUDENTS EXCEL IN SOMETHING

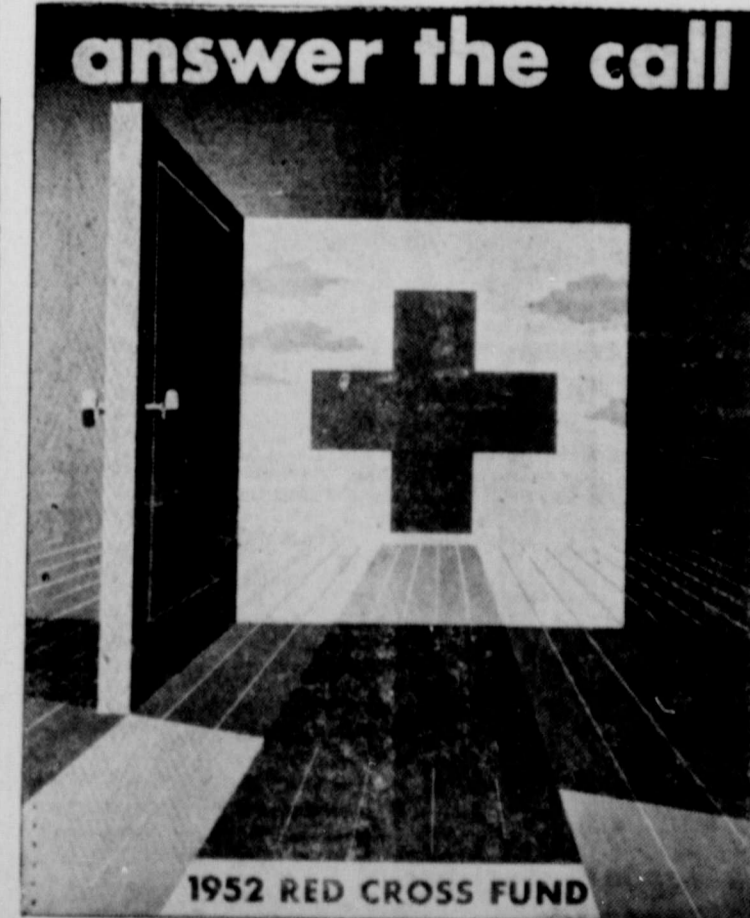

On page 2 of this issue is the complete roster of students enrolled in the Memphis School system. Opposite each, is the name of a subject or activity in which each boy or girl excels.

Teachers have studied each student to find out what each excels in. The list is imposing—and the persons who teach these students have found that Memphis has a—
School of Champs!

Date Of School Board Election Set For April 5

Announcement was made this week that the date of the annual election of school trustees for the Memphis Independent School District will be Saturday, April 5. All voting will take place in the City Hall.

Three places on the board will be filled at this election. To date, three candidates have filed their names with the board secretary. (Continued on Page 12)

CAMPAIGN POSTER—Featuring an open door and the spirit of the Red Cross entering the homes of America, the 1952 Red Cross poster asks all Americans to answer the call of humanity.

Board Re-Elects Estelline Faculty

The entire faculty of the Estelline School was re-elected when the Board of Education met on February 22, according to an announcement made this week by the board.

Superintendent C. O. Gregory who has served as superintendent of the school for the past three years and was high school principal for two years prior to that, was named for a two-year term.

Principals are R. B. Tucker of the high school and Huey C. Cook for the elementary school. Mr. Tucker has been principal of the high school for the past three years and Cook came this year.

Other teachers re-elected are: Mrs. A. D. Britt, Mrs. L. A. Tucker, Mrs. J. O. Miller, Mrs. Wesley Nivens, Mrs. R. B. Tucker, Mrs. Carrie Buchanan, Mrs. Arva Knight, James Carroll, Mrs. E. F. Kennedy, Leroy Scott, Mr. and Mrs. Rayworth C. Pardue, Mrs. Ida Bates is teacher for the colored school.

Mr. and Mrs. A. C. Hudson, art and music teachers, notified the board that they did not want their positions for another year.

Work Starts On Line Extensions Of Water Company

Material for the water main extension to Morningside Addition and to the City Park south of town are on hand, and work has been started on the line to the park, according to W. V. Coursey, Community Public Service Company manager.

Some material for the wells has been received, said Mr. Coursey, and the contractors, the Layne-Texas Company of Dallas, have advised that work on the wells will start as soon as all the material has arrived.

Mr. Coursey said his company anticipates little difficulty in completing the wells and pumps before the heavy summer load sets in.

Classrooms Go To Homes As Observes School Week

Classrooms in the Memphis schools this week by parents and teachers, according to W. C. Davis, as he plans for observance of Public School Week.

Parents, teachers will visit as a group in the school district, Davis stated.

Parents, taking the children to the home," he said. "Teachers are visiting with the students. We are means of bringing our boys closer to the home, and becoming better acquainted with the mothers and fathers. We hope to be in a better position to teach and guide our children."

Public School Week is the design which has been applied to the schools. From this standpoint, the observance has been in-

structed to study each student under his or her instruction—and to find what each excels in.

"We are finding that there is no average child," the superintendent said. "We are recognizing that every youngster, from the first grader to the twelfth, has unusual talent in some line.

Two years ago the first observance of Public School Week was held in Memphis. During the week classes visited different business houses in the city as a group, and were instructed in that particular firm's operation. Last year, parents were invited to visit classrooms as the schools were in session, and observed the manner in which the students were taught.

First activity of the observance of Public School Week was general assembly in the high school auditorium Monday morning. Lew Foxhall was guest speaker. Subject of his talk to the students

was "Democracy in Action." Platform guests included Mrs. Foxhall, Mrs. Billy Thompson, Mrs. Henry Foster, Mrs. Harold Hodges, Temple Deaver, John Fowler and Ed Hutcherson.

Mrs. O. I. Seale was speaker before the student body Tuesday morning. Her subject was "Education in America—A Privilege." Platform guests of the school were: Mrs. Paul Montgomery, Jack Boone, Mrs. Roy Coleman, Mrs. J. J. McDaniel, E. L. West and M. D. Gunstream.

Wednesday morning's speaker at general assembly was Rev. Burr Morris, pastor of the Presbyterian Church. School guests included Clifford Farmer, Herschel Combs, Rev. Roy Shahan, Min. E. M. Litton and Min. Bedford Smith.

At 11 a. m. Thursday, Supt. W. C. Davis spoke to the student body in the auditorium. He traced (Continued on Page 12)

THE STATE OF TEXAS

TO: R. L. Rawlins and wife, Mrs. R. L. Rawlins, if living, and if dead, their heirs and unknown heirs and legal representatives, their heirs and unknown heirs, and legal representatives, defendants in the hereinafter styled and numbered cause:

You and each of you are hereby commanded to appear before the Honorable District Court of Hall County, Texas, to be held at the courthouse of said county in the City of Memphis, Hall County, Texas, at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance hereof, the same being the 14th day of April A. D. 1952, then and there to answer plaintiff's petition filed in said court on the 3rd day of July, A. D. 1951, filed in this cause, numbered 3405 on the docket of said court and styled Joe Weatherbee as plaintiff, and the following persons as defendants:

R. L. Rawlins and wife, Mrs. R. L. Rawlins, if living, and if dead, their heirs and unknown heirs and legal representatives, their heirs and unknown heirs and legal representatives, and the nature of said plaintiff's petition and motion, respectively, are as follows:

Suit in statutory trespass to try title as well as for damages to lots 7 and 8 and 9 in Block No. 3 of Brumley's Addition to the town of Memphis, Hall County, Texas, and that on 12 day of May, 1951 while plaintiff was lawfully possessed and seized of the same, the defendants unlawfully entered and ejected plaintiff therefrom to his damages in the sum of \$500.00; that in the alternative plaintiff claims good and perfect title thereto by virtue of having peaceable, con-

tinuous and adverse possession thereof, using, enjoying, cultivating and paying taxes thereon before due date under deeds duly registered in Hall County, Texas, for more than 5, 10 and 25 years limitations respectively, before the commencement of this suit.

Plaintiff's motion to set aside and hold for naught judgement heretofore entered in this cause by the court on November 28th, 1951 upon grounds that same is void on face of record and without jurisdiction, in that defendants were cited in citation by publication to answer to a wholly different and separate tract of land than that described in plaintiff's petition and in the said judgement.

As is more fully shown by plaintiff's Petition and Motion on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and seal of said Court, at office in Memphis, Texas, this the 27th day of February A. D. 1952. Attest: Isabell Cypert Clerk, District Court, Hall County, Texas. 40-4c

REPORT FROM WASHINGTON

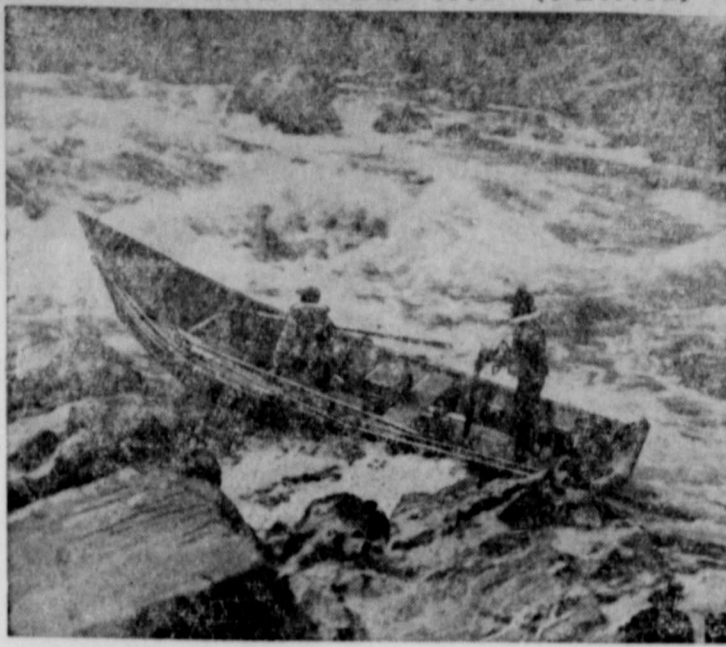

By Walter Rogers
Congressman, 18th District

THE ISSUE: This letter is written in the midst of debate on HR 5904. This debate has inclusions of every subject of the Roman possibility of the segregation with numerous in all subjects. The bill should be taken on the floor this letter reaches the Senate. The bill is extremely difficult at this time, it will still be a hurdle in the Senate. The proponents of a universal program for military information, and know-how to the other war are opposed to the bill. One of the causes causing primary all of the southerners of the Defense Department is the segregation is-

... Congressman J. B. Williams, of Mississippi, wrote that department for information on the subject. His letter was answered by Mrs. Anna M. Rosenberg, and I quote to you a portion of her letter concerning the segregation question:

"To give you specific answers to the three questions in your letter, the answer to your first question is that, in accord with present policies, outside the confines of the training installations, military personnel and trainees will be expected to conform to applicable state laws and to observe local practices and customs with regard to social relations with the civilian community. Further, when visitors from the local civilian community are present in our installations, every precaution will be taken that they will not be embarrassed by the required deviation from the social

customs and practices they expect in their own community. However, on the actual grounds of the training establishment, racial segregation will not be maintained among the trainees. As to your second question, it is not contemplated that racial segregation will be maintained. Trainees will be integrated into mixed racial units. In this regard the Services, insofar as possible, follow the normal percentage distribution of racial groups in the population in making assignment to training units. In answer to your third question, in accord with the policies indicated above, the answer is "no."

The third question referred to in the last sentence of the above paragraph dealt directly with whether or not segregation would be allowed. Of course such a policy is in direct discord with the traditions of the South and it is not surprising that such a policy, when applied to teen-aged boys, is alarming to the representatives of the South and the Southwest. It is also argued by many that the provisions of the bill concerning medical care and health of the trainees if carried to their possible, if not probable, conclusion, could actually result in a socialized medicine program.

ALASKAN STATEHOOD: The Senate by a vote of 45 to 44 re-committed (which means in effect killed) Senate Bill 50, providing for the statehood of Alaska. The vote on this measure reflected an almost solid front of southern senators against the admission of Alaska. Senator Kefauver cast his vote with those favoring the admission of Alaska. Senator Taft cast his vote with

those against the admission. Senator Henry Cabot Lodge, who is heading Eisenhower's campaign, did not vote. The two Texas senators voted with those opposed to the admission of Alaska.

I wish that I could put in this letter the entire context of the Senate debate, but this impossible. There is one pertinent point that had great weight. The records reflect that as of 1950 Alaska had a population of 128,643. Had Alaska been admitted as a state, she would have been entitled to two members in the U. S. Senate, which would be composed of 98 members. On a comparison basis, Texas with over 6,000,000 people would have two senators, while Alaska, with a population of less than that of Pettey, Gray and Hutchinson counties, would have the same number of Senators. This would hardly be equal representation as far as a Texan is concerned.

The party division on this vote was very interesting. Twenty-five southern-led Democrats were joined by twenty Republicans to send the bill back to committee. The forces for admission of Alaska consisted of twenty Republicans and twenty-four Democrats. The party platform of 1948 was as follows: Democratic platform—"We urge immediate statehood for Hawaii and Alaska." Republican platform: "We favor eventual statehood for Hawaii, Alaska and Puerto Rico." If the vote on the Alaskan issue was my indication, it would appear that the southern democrats didn't agree with either platform.

THE VIRUS EPIDEMIC: The virus epidemic has hit Washington in full force. It caught the

Vets In Farm Training Must Report Incomes

Veterans in West Texas taking GI Bill institutional on-the-farm training were reminded this week by the Veterans Administration reports of their 1951 earnings must be submitted to the regional office at Lubbock not later than March 1, 1952.

Failure to submit the reports by the deadline may result in discontinuance of GI subsistence payments until such time as the reports reach the Veterans Administration, stated Robert W. Sisson, manager of the regional office.

This year, in addition, farm trainees must send in a second report—a certification as to the period of time they may have been engaged in employment outside the farming activity. This, too, must go to VA before March 1.

The earnings reports—covering only income from productive labor for the calendar year 1951—serve a double purpose, Sisson said. First, they are used by VA as the basis for adjusting each veteran's subsistence for the current year 1952. And second, they are part of the veteran's course of instruction in farm accounting,

Public Schools—Democracy in Action

This is Public School Week in Texas and is a week set aside for a reevaluation of all factors involved in this important part of our lives.

Education is nothing new. Classical education evolved in the nation of Ancient Greece. It survived the centuries of the Dark Ages, and was born again in the colonies that became the founding states of this nation.

The public free school, as it exists today, is a distinctive educational development. In no other country in the world are so many offered so great an opportunity to obtain an education.

We believe more thought should be given to our public school system, and the local schools and administrators. Our schools—along with our churches—are playing a paramount part in our progress.

It's time to recognize those things which time has proven to be good. It is only by this continued interest in the educational system that "Texas Public Schools—Democracy in Action" can be preserved and kept strong.

MARCH WINDS IN NEW HAMPSHIRE

Press Paragraphs—QUOTING OUR NEIGHBORS

Remember the good old days—when a fellow who wouldn't work was called a bum instead of "one of the underprivileged?" —Folsom (Calif.) Telegraph

If you and I would spend the same amount of time preparing ourselves to fill in the box on the ballot at election time as we do in filling in the blanks in our income tax returns, this would probably be a greater America. And it goes without saying, we might not have so many taxes to pay. —Calumet (Okla.) Weekly Citizen.

Our prediction last week that the OPS was going to de-control the prices on door knobs, corn cobs, fog horns and glass eggs was in error. The items removed from price control were dinosaur skeletons, sun dials and gold-plated toothpicks. —Forsyth (Mont.) Independent

Unless the people restore the constitutional limitation on the powers of the President and Congress, our individual rights must continue to disappear. In the operation of a Welfare State, without constitutional limitation on what a President or Congress may do, the President will continue to make bids for the votes of various groups. —Bere (Ohio) Enterprise.

We read that a machine has been invented that thinks faster than the human brain. It is being used in handling planes and bombs. It looks like such machines could be used to an advantage in Washington. —Commerce (Tex.) Journal.

Nero had four strings on his fiddle when he played while Rome burned. Truman has 88 strings on his piano. —Carrollton (Mo.).

"It may be that the administration looks upon the war in Korea, with its 100,000 American casualties, and 8,000 Americans murdered, as a triumph in foreign policy, but it will be hard to convince the American people that this is true. —Babylon, N. Y., Eagle.

"A talk given over the radio recently contained the statement that graft and greed are not to be found in one political party only. This is true, but when one party is in power for a longer than usual period, naturally, they also accumulate more of this type of person." —Oconto Falls, Wis., Herald

"Horrible to contemplate, isn't it, that America is running, not walking, toward a totalitarian dictatorship? So what are we who cherish our freedom going to do about it? For one thing, we can lend encouragement to those Congressmen who gallantly are fighting this centralization of power in the hands of the bureaucrats in Washington." —Morrison, Ill., News.

What can we do? The government puts curbs on everybody else: Let's just write our Senators and Congress and tell them to put curbs on the government. The bureaucrats say to us, "You can

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size. Money back if not satisfied. Mail bottle to Box 280, N. Y. 18, N. Y. DR. CALDWELL'S SENNA LAXATIVE. Contained in pleasant-tasting Syrup Pepsin.

M. LaFont Candidate For Senator Post

Judge Harold M. LaFont announced today his candidacy for the 30th Senatorial District of Texas. In making his announcement, Judge LaFont stated the following state-

HAROLD M. LaFON

"making the laws that govern over 7,000,000 people of the State of Texas. These laws directly affect the daily lives of practically all of us, and serious thought and consideration should be given to each and every law that is passed by the Legislature. It is my humble judgement that men who fill these offices of responsibility and in whom we place our trust and confidence, should be experienced, honest, sincere and capable.

"As citizens, all of us are interested in the progress and welfare of our Senatorial District and of the State of Texas as a whole, and we have a right to expect our fair share of those things for which our tax money is spent. These include educational assistants, police protection for our families and property, a good system of state highways and farm-to-market roads. All of these items of state government help make our district a better place in which to live and to rear our families.

"My home is located on an irrigated farm about three miles Northeast of the town of Plainview. I am married and have a

son 11 years of age and a daughter 7 years of age. "I am now serving as Representative of the 120th Representative District of Texas, which includes eight of the fifteen counties in this Senatorial District. At the close of the last session of the Legislature, the Speaker of the House of Representatives appointed me as a member of the Legislative Council of Texas, which consists of ten members of the House of Representatives and five members of the Senate, whose duty it is to study state-wide problems.

"Having served as County Judge of Hale County, Texas, from 1932 to 1939, and District Attorney for six counties in this Senatorial District from 1942 to 1949, and having practiced law for twenty-two years, I believe that this experience should qualify me to represent our people in this new Senatorial District.

"It is my plan to make this race on whatever merits I may have and not on the demerits of anyone else who may run. It will be my endeavor to see every voter in the district, and, if elected, I assure you that no one will try harder to serve all of the people of the 30th Senatorial District of Texas."

LEGAL NOTICES

THE STATE OF TEXAS

TO: T. J. Wood, Jr., the Heirs, Unknown Heirs and their Heirs, of the said T. J. Wood Jr., and the Legal Representatives of each and all of said Defendants Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 24th day of March, A. D. 1952, at or before 10 o'clock A. M., before the Honorable District Court of Hall County, at the Court House in Hall County, Texas.

Said plaintiff's petition was filed on the 9th day of February, 1952. The file number of said suit being No. 3456.

The names of the parties in said suit are Emma Kinard as plaintiff, and T. J. Wood Jr., the heirs, unknown heirs, and their heirs, of the said T. J. Wood Jr., and the Legal Representatives of each and all of said defendants, as defendants.

The nature of said suit being substantially as follows, to-wit: Said suit is an action in trespass to try title, as defined by the Statutes of the State of Texas and as prescribed the Rules of Civil Procedure, alleging ownership in fee simple by plaintiff Emma Kinard and seeking recovery by said plaintiff of the title to and possession of all of Lots Nos. 1 and 2, in Block 44, of the Original Town of Memphis, in Hall County, Texas; alleging additionally that plaintiff has title thereto under the Ten Year Statute of Limitations; that if said defendants ever had any interest in said property, which is denied not admitted, said interest is cut off and barred by the said Statute of Limitations of Ten Years; plaintiff praying for the title and possession of said land and premises, for costs of suit and general relief.

Issued this 9th day of February, 1952.

Given under my hand and seal of said Court, at office in Memphis, Texas, this 9 day of February, A. D. 1952.

Isabell Cypert, Clerk, District Court, Hall County, Texas.

SHERIFF'S SALE THE STATE OF TEXAS COUNTY OF HALL

NOTICE IS HEREBY GIVEN THAT by virtue of a certain ORDER OF SALE issued out of the Honorable District Court of Hall County, on the 20th day of February 1952, by Isabel Cypert Clerk of said Court for the sum of Thirteen Thousand, Six Hundred, Eighty-Eight and 70/100 dollars and costs of suit, under a judgement, in favor of Cicero Smith Lumber Company in a certain cause in said Court, No. 34-37 and styled Cicero Smith Lumber Company vs. Gus Rasco and Ruby Rasco placed in my hands for service, I, E. S. Morrison as Sheriff of Hall County, Texas, did on the 20th day of February 1952, levy on certain Real Estate, situated in Hall County, Texas, described as follows, to-wit: Being all of Lots Nos. 21, 22, 23, and 24, in Block No. 53 of the Original Town of Memphis, Hall County, Texas.

That I will sell the West 90 feet of said Lots Nos. 21, 22, 23 and 24, in said Block No. 53 and if the proceeds thereof be insufficient to satisfy said judgement, that I will next sell the East 50 feet of said Lots Nos. 21, 22, 23, and 24, in said Block No. 53, in satisfaction of said judgement.

That the above-described real property was levied upon as the property of Gus Rasco and Ruby Rasco and that on the first Tuesday in April 1952, the same being the 8th day of said month, at the Court House door, of Hall County, in the town of Memphis, Texas, between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said Order of Sale.

I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Gus Rasco and Ruby Rasco.

And in compliance with law, I give this notice, by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Memphis Democrat, a newspaper published in Hall County.

Witness my hand, this 20th day of February 1952.

E. S. Morrison, Sheriff, Hall County, Texas.

Social Security News

Wage earners and self-employed persons planning to retire this year under the new Social Security Act should get in touch with the Amarillo Social Security Office, John R. Sanderson, managers announced today. Because of the nature of certain changes in the law, it is important that these persons know just how they may be affected by them before actually retiring.

"Those who retire before July 1, 1952, will not qualify for the maximum benefit—except in rare cases," he declared. "And only in a few instances can the \$80 monthly benefit be paid before January 1953. This is the main reason why those planning retirement this year should ask us where they stand."

The maximum retirement payment under the new formula is \$80 a month and the minimum is \$20 monthly—depending on the average monthly earnings.

"Beginning April 1952, two new factors entered the old-age and survivors insurance picture," Sanderson said. "One, the new formula for figuring benefits may be used for the first time. And secondly, those aged persons whose work came under social security for the first time beginning January 1951 may, by April have enough credits to qualify them for benefits."

The manager pointed out that beginning January 1951 regularly employed domestic and farm workers, many self-employed persons, and others were brought under the provisions of this Federal insurance system for the first time in its history.

A representative from the Amarillo Social Security Office will

Truck owners should know about hauling bigger payloads

WANT to know why you can carry more payload with Dodge "Job-Rated" trucks? First, they've got better weight distribution. This means that bigger payload capacity is engineered into a Dodge "Job-Rated" truck. Many trucks carry too much weight on the rear axle, not enough on the front. But in a Dodge truck, the right proportion of the load is carried on each axle.

Besides this better weight distribution, a shorter wheelbase provides easier turning, easier parking. Come in and try one of these payload-packing, easier-handling trucks for yourself. Get all the facts about hauling bigger payloads.

Carry more! In Dodge "Job-Rated" trucks, the engine is placed forward and the front axle back—for better distribution of the load. You can carry bigger payloads—without overloading.

Haul faster! Dodge "Job-Rated" trucks are powered by high-compression engines to give you top performance with rock-bottom economy. Big power gives you pull and speed that save time.

Get longer life! There's a Dodge truck that's "Job-Rated" to fit your road and load condition—with load-carrying and load-moving units factory-engineered to stand up on toughest service.
