First Shipment Of Hay Is Ordered For Cattlemen

Short Ceremony Friday Will Open New Red River Bridge

The new \$250,000.00 highway bridge across Red River will be officially turned over to the public at a ribbon-cutting ceremony Friday, Sept. 26. The ceremony will start at 3 p.m.

The bridge is located on Highway 256 southwest of Brice. The short ceremony will be attended by officials of the Texas Highway Department, county judges and commissioners of Hall, Donley, Briscoe, Hale, Floyd and Swisher counties, chamber of commerce officials and all persons who are interested in better highways.

Construction of the bridge is being finished this week according to Cliff Farmer, manager of the Memphis Chamber of Commerce and Hall County Board of Development. It is the result of several years' work.

"This bridge is the key to future development of the important east-and-west highway system," Farmer said. "Work is already in progress on the new road from Silverton to the bridge. The State Highway Department indicated that the road from Turkey north to the bridge should be started in the near future."

"Since this new bridge will serve both Highways 70 and 256, the ribbon-cutting ceremony should be attended by large delegations from Memphis and different communities in Hall County."

Few Reserve Seat Tickets Available

Football fans may still purchase reserve seat tickets for the remaining four home games of the Memphis Cyclone, Coach George Childress announced this week.

The diagram of the reserve seat section is on display at Fowlers Drug, and tickets may be bought there. Price is \$4.00 per book. The Cyclone Booster Club is in charge of the sale of these tickets.

Government Dept. Lists County In Area of Disaster

The first shipment of emergency hay for Hall County cattlemen will be received this week end, Lynn McKown, PMA officer, stated this week. Cattle raisers will receive seven carloads in this shipment.

Hall County was designated last Thursday as a disaster county by the United States Department of Agriculture. The designation placed this county among those eligible to participate in the PMA Emergency Hay Program. Immediately upon receiving the information the county PMA committee placed an order for the first shipment of hay.

Under the Emergency Hay Program, hay is purchased by the PMA county committee in the surplus hay areas of Wisconsin and Minnesota. It is then shipped to the different PMA committees in the drought areas under reduced freight rates, and is re-sold to farmers and ranchers at cost, McKown explained.

Three types of hay are being offered farmers and cattlemen of Hall County: prairie hay at \$28.00 per ton; mixed hay (prairie and legume) at \$32.00 per ton; legume hay (alfalfa or clover) at \$36.00 per ton. All prices on car at nearest shipping point.

Place Orders at PMA Office
All orders for emergency hay must be placed with the Hall County Committee in the office in Memphis, the PMA official stated. Orders must be placed by the person desiring the hay. At time of request, a deposit of \$5.00 per ton must be made.

Through Tuesday noon, Sept. 23, 464 tons of hay had been ordered by the Hall County PMA Committee.

High School Band Wins Third Place

The Memphis High School band won third place in marching and playing Tuesday afternoon in contests at the Texas-Oklahoma Fair at Iowa Park, Richard Highfill, director, announced today.

Ann Shankle took fourth place in twirling and Donna Webb won fifth.

The Iowa Park band was awarded first place while the Henrietta band won second.

Judge Milburn Carey, director of Phillips University band, Enid, Okla., stated the choice between the top three bands was difficult to make as only 10 points separated the three.

Mr. Highfill said he was well pleased with the band performance at this time of year and felt that Mr. Carey's decisions were correct and just.

Fifteen-inch trophies were awarded the three winning bands and the three directors were presented with desk sets adorned with replicas of the trophies.

I waited about four months for cooler weather so we could sleep comfortably at nights. Now, that time has come, and am I enjoying it? How does that old saying go about the seasons. Something like "Winter has went; Spring has sprung; Fall has fell, after a summer hot as h—." Several parts of West Texas received good rains first of the week. Places where it had not rained for two or three years. Hall county received a "trace." Farmers do not want it to rain here until they can get the bottom of stalks crops gathered, then they want a good season so they can sow wheat for winter grazing and probably a spring

125 Attend Family Night Country Club

Last Thursday at the Country Club started the 125th anniversary approximately 125 wives and children of the club members, newly-elected officers and their families gathered this week. This was a series of similar events which are being planned for the coming year.

The club's annual meeting of the new directors, J. W. Copp, elected vice president, and W. C. Harrison, re-elected as secretary-treasurer. Copp and Harrison compose the executive committee of the club.

Other officers of the club are: J. W. Copp, chairman; W. C. Harrison, vice chairman; J. W. Copp, secretary-treasurer; and J. W. Copp, president.

The Memphis Cyclone will face one of the toughest teams on its schedule Friday evening at Cyclone Stadium when they face the Lefors Pirates. No hint of overconfidence was apparent this week as the high school squadmen continued through rigid training workouts under Coaches Childress and Lane.

After trouncing the Canadian Wildcats to the tune of 15-0 last Friday, the squad immediately turned its attention to stopping the big Pirate aggregation next Friday, and ways to gather in a few touchdowns of their own. Coach Childress reported this week.

The coach said this will be a tough game from every angle. Listing a line which averages 190 pounds and a backfield pushing the scales to an average of 170 pounds, Childress recognized that his squad faces a supreme test Sept. 26.

The Pirates defeated Stinnett eleven last Friday by a score of 19-0—and played their second team most of the game.

"We know that Lefors has a big, experienced team," Childress said. "Scouting shows that they can run and pass, and are effective on defense."

Another factor in favor of Lefors was the prevalence of senior and juniors listed on their roster. Memphis will enter the fray with only minor injuries with the exception of Gayle Monzingo, who is currently listed as a casualty from the Canadian Game. The coach stated that the first-string tackle is improving from his injury, and may see action in Friday's contest.

A few changes in the line-up may take place Friday. Duane Miller is expected to start at left tackle. (Continued on page 12)

Saturday Is Last Day For Listing Cotton Guesses In Annual Contest

Only three more days remain in which to list estimates in the annual Democrat Cotton Guessing contest. The contest closes Saturday, Sept. 27, at 5 p.m.

As the contest draws to a close, more and more local people are coming into the office and listing their estimates, and many Democrat readers from other towns and states are mailing in their guesses.

Winner of the contest will receive a three-year subscription to the paper; second place receives a two-year subscription, and third place receives a one-year subscription. (Continued on page 12)

Funeral Services Conducted Wed. For E. Melton

Funeral services for E. Melton were conducted from the First Baptist Church in Memphis at 3:00 p.m. Wednesday, Sept. 24, with Rev. Roy Shahan, pastor, officiating assisted by Rev. C. H. Browning.

Mr. Melton died Sept. 22, at his home, 701 North 10th St., in Memphis. He was 79 years, 8 months, and 13 days of age at the time of his death.

A retired farmer and shoe repairman, Mr. Melton had lived in Memphis 19 years. He was born January 9, 1873 in Alabama.

He was a member of the First Baptist Church of Memphis. Interment was in Fairview Cemetery under the direction of Murphy-Spicer Funeral Home.

Pall bearers were J. M. Ferrel, Jr., Henry Hays, J. C. Wynn, Bob Ayers, M. L. Evans and Omer Hill.

Survivors include his wife, Mrs. Effie J. Melton; three daughters, Mrs. Jewel Henson of Borger, Mrs. Genevieve Gilreath of Gila Bend, Ariz.; and Mrs. Lou Mitchell of Amarillo and one sister, Mrs. T. V. Ward of Memphis. Six children preceded him in death. Survivors also include 16 grandchildren.

Rotary Works For Peace, Governor Tells Local Club

Rotary Clubs in 83 countries throughout the world are united in an endeavor to promote international understanding, good will and peace, according to Alton B. Chapman of Floydada, Rotary district governor. He was principle speaker at the luncheon meeting of the Rotary Club.

Prior to the regular meeting, the district governor met with Pres. Clyde Milam and officers and directors of the club.

"In addition to the activities of Rotary's 7,600 Clubs within their own communities to promote this objective," Judge Chapman explained, "Rotary International has spent more than \$1,000,000.00 in recent years through its program of student fellowship, which enable outstanding college graduates to study for one year in countries other than their own, as ambassadors of good will. Since this program was established in 1947, 394 Rotary Fellowships have been awarded to students in 48 countries. Two have been selected from this district, but only one, Jerry Briscoe of Amarillo, actual."

Tony Molloy Wins First Place At Swine Show Sat.

Tony Molloy, Lakeview 4-H Club member, exhibited the winning entry at the annual Hall County Swine Show Saturday in Memphis. His animal was judged top in the Sears class, and has been entered in the swine division at the Tri-State Fair in Amarillo.

Other winners in the Sears division include Charles Holt, second place; Don Molloy, third; Barthol Ray Jones, fourth; William Ferrel, fifth; Jimmy Hawkins, sixth; and seventh place went to G. D. Hall.

In the business men's division, first place was won by the animal owned by Roy Molloy. Taking second was Kyle Weldon Jones; third, Jay Pierce, and fourth went to W. L. Couch.

National Business Women's Week Sept. 28 - Oct. 4

Memphis will join communities over the nation in observance of National Business Women's Week, members of the local B. & P. W. Club announced today.

"The Ramparts We Build" is the theme of the observance. National Business Women's Week begins Sunday, Sept. 28, and ends on Saturday, Oct. 4.

Tentative plans for the observance of this special occasion by members of the Memphis Business and Professional Women's Club are as follows: group attendance at First Presbyterian Church on Sunday, at 6 p.m. Sept. 28; a special breakfast Tuesday, Sept. 30, in the home of Lenora Hankins; and Guest Day luncheon at Masonic building at noon on Oct. 2. Officers stated that a special radio program will be presented some time during the week from the Childress station with local members participating.

Serving the club this year are Nell Beeson, president; Mollie

Memphis Joins B. & P. W. Club In Observance Of Special Week

Carlos, vice-president; Margaret Davenport, recording secretary; Lucille Burnett, corresponding secretary; Myrtle Gibson, treasurer; and Wilma Leslie, parliamentarian.

The Memphis Business and Professional Women's Club was organized in 1946 and federated in 1947. President Beeson reported. Maurine Ward served the club as president for the first year. She was followed by Lois McCulloch, Mary Foreman, Roselyn Williams and Hattie Dem Thomas.

The purposes of the club, as given by the president, are: To give expression to the objects and program of the national federation; to offer business and professional women an opportunity to help create better conditions for men and women by the study of social, economic and political problems; to give its members an opportunity to participate in com-

munity life and enrich their social contacts through study and recreation; to build its program around individual community needs and interests, and to recognize its national, state and local responsibilities.

"These purposes are carried out by the functioning of the Vocations and Education Committee, International Relations Committee, Health and Safety Committee, and Public Affairs Committee through programs relating to subjects of local interest," Mrs. Beeson stated.

"The local club is a civic club and has assisted in all civic projects when needed," she added. "The members believe that this year's theme could not have been more timely; for the ramparts built today may mean the difference between enslavement and freedom in the future. Much progress has been made from a local standpoint in the carrying out of the club's purposes."

Ministers To Celebrate Publication Of New Bible

The Memphis Ministerial Alliance will cooperate with other ministers of the city in celebrating the publication of the Revised Standard Version of the Holy Bible, it was announced today.

The celebration will be held at 8 o'clock Tuesday evening, Sept. 30, in the Baptist Church. A program of singing and service and five copies of the new translation will be presented to five outstanding church-

men of Memphis. The evening's devotional will be given by the Rev. Don Guy. Rev. Lloyd Hamilton will tell of the English translations before the King James version, and Rev. Roy Shahan will explain the translations in English since the King James translation. Rev. Burr Morris will conclude the program with an explanation of the history of the use of the Bible in the Church.

The committee, composed of 81

of the country's foremost Biblical scholars, has labored for 14 years to prepare a new Revised Standard Version Bible which preserves the enduring beauty of the King James Version with words which are more clearly understood today. The New Testament was published in 1946, and the complete Bible is just off the press.

It has been authorized by the National Council of Churches of (Continued on Page 12)

Miss Hightower Is Honoree At Breakfast Sat.

As a courtesy to Miss Laura Mai Hightower whose marriage to Tucker Lilly will take place October 18, Mrs. C. R. Webster entertained with a two-course breakfast from 8:30 to 10:00 Saturday morning.

Guests were seated at a long attractively appointed table centered with an arrangement of yellow and bronze chrysanthemums. Other autumn flowers were used throughout the house.

The invocation was given by Mrs. Henderson Smith and Miss Imogene King gave a toast to the bride including a short history of her life.

At the conclusion of the meal Mrs. Webster gave a humorous and original reading of the bride and groom's future titled "In the Language of the Flowers."

Miss Hightower presented some request selections on the piano. All the guests assembled in the living room to view the lovely tea towels and jellies presented by the guests.

Taxes, Taxes

According to the National Industrial Conference Board, taxes collected in 1952 totaled \$86.5 billion, equal to \$557 for every individual in the country. This is an increase of \$16 billion or 22 per cent more than last year.

However, as the board points out, this doesn't mean the taxpayer was harder hit. Disposable income has been rising slightly faster than taxes and during the first quarter of this year, was per cent ahead of June, 1950.

A discrepancy that it would be interesting to clear up is the Gas Bureau's report that aggregate taxes were about \$82.6 billion, of \$414 for every individual. Evidently the bureau and board are far apart on how taxes (which never lie) should be handled.

DRUB out GRUBS

1. Flea flies terrorize cows laying eggs on heel and shank hairs.

2. Eggs hatch and grubs burrow into skin, causing sores.

3. Grubs migrate through body tissues to cow's back.

4. Grubs appear in bumps on back and open tiny breathing holes.

5. Grubs break through hide, drop off, and heel fly emerges.

TEXAS-BORN IKE ...a man of integrity

He is the Choice of Texas Democrats for President!

Texas Democrats for Eisenhower! That is the rallying cry of Texans who believe in the traditions and time-honored principles of the Democratic Party—but NOT in the policies and practices of Trumanism.

We are the Texas Democrats who have studied the candidates and platforms of the two major parties and are ready to announce: "We like Ike!"

We are the Texas Democrats who feel that best interests of our party, our state and our nation would NOT be served by another four years of Trumanism.

We are the Texas Democrats who stand ready to carry out the mandate of the State Democratic Convention which on September 9, 1952, resolved: "It is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

If you, as a Democrat, feel as we do—join us! Be a Texan—not a Trumanite... Vote Ike!

Chairman: CLAUD H. GILMER, Rocksprings
Vice Chairmen: MISS NAN PROCTOR, Victoria
TOM SEALY, Midland

I am a Texas Democrat for Eisenhower, and I want to work in my community to elect him. Please send me further information.

Delphian Club Meets In Home of Mrs. A. Anisman

Tuesday, Sept. 16 at 4:00 the Delphian Club held its annual meeting in the home of Mrs. A. Anisman.

The meeting was called to order by the president, Mrs. Gordon

Gilliam, and Mrs. C. D. Morris gave the opening devotional. During the business meeting Mrs. Henry Hays reported that Women's Clubs over the country were commemorating Constitution Day Sept. 17. Mrs. Clarence Morris reviewed resolutions adopted by the T.F.W.C. in their national convention. They concern national morality, war veterans, fair trade, tax on medical care, conservation education and mining laws pertaining to public domain.

Mrs. C. C. Hodges and Mrs. W. C. Dickey reported notes of appreciation from individuals who have received aid from the Delphian Club Scholarship Fund at W.T.S.C. in order to further their education.

The program, "Basic Training for Democracy," was presented by Mrs. J. L. Barnes. In the form of a symposium, Mrs. Roy Shahan, Mrs. Jack Boone and Mrs. W. C. Davis gave an informative program.

"Search for Security" was discussed by Mrs. Shahan. She told that there has not yet been a successful plan for peace for our nation. Despite efforts for peace, there have been wars for many years. In our search for security she pointed out that we need to trust and have faith in each other and above all, faith in God.

Mrs. Boone reported on "Civil Rights on our Capitol's Doorstep" in her discussion she told of racial problems, segregation in schools and gave some of the pros and cons concerning their solutions.

"Combatting Communism" was discussed by Mrs. Davis. She stated that one way to combat communism is to become informed on our way of life and the communist's way. The most important thing in combatting communism is to look to a higher power and

Methodist WSCS Features Special Study Course

The Woman's Society of Christian Service of the Methodist Church is meeting twice weekly on Mondays and Thursdays at 3 p.m., to study "Home Missions and Human Rights." The study will be completed in four sessions.

"These Rights We Hold" by Fred L. Brownlee is the next text for the study and "Accent on Liberty" by Shebley is being used as the supplement text.

A study of human rights and human relations, the lessons will be concluded with a study of the universal declaration of human rights as outlined from the United Nations.

FOR YOUR SECURITY

When You Start Saving, You Start HAVING

It's the best prescription in the world for a future that's free from financial worry. You've heard of the "haves and the have-nots." Which are you? When you start saving—you start HAVING . . . and this means the fulfillment of your dreams.

Make every "pay day" a Saving Day. Earmark a part of the dollars you make, whether from a salary, a business transaction or sale of products, to be laid aside and saved. Your nest egg will grow faster than you thought it could if you set aside this money regularly.

Come in and discuss your financial problems with one of our officers. They will explain the advantages of a Checking Account or a Savings Account. A confidential discussion may be the solution to your security.

FFA Senior and Junior Chapters Elect Officers

A meeting of the Memphis Future Farmers of America Chapter was held this week, the main purpose being to elect officers for the current school year. Officers for both the Senior and the Junior Chapters were elected. Boys enrolled in second and third year vocational agriculture make up the Senior Chapter. The officers of this group are James Diamond, president; Don Lee, vice-president; Don Ivy, reporter; Troy Moore, secretary; Jimmy Gibson, treasurer and Bobby Burnett, sentinel.

The Junior Chapter is made up of boys who are enrolled for their first year in agriculture. Their officers are Dean Sustaie, president; Therman Widener, vice-president; Jerry Smith, reporter; Warren Whitten, secretary; Hays Hammonds, treasurer and Jimmy Jenkins, sentinel.

Sunday guests in the Oran Adecock home were Mr. and Mrs. Kenneth Hawkins and family of Quail and Mrs. W. Z. Hawkins and Mr. and Mrs. Ilowe all of Memphis. Mrs. Larry Simpson of Wellington was a guest in the L. O. McCoy home Tuesday.

Estelline Meets Chillicothe In First Home Game

The football game for this week between the Estelline Bear Cubs and Chillicothe Eagles has been changed to Thursday night, Sept. 25. Game time is 8 p.m. This will be the first home game for the Cubs, who have won one game against the Childress "B" Bobcats and lost the conference tilt last week to Wheeler 26-12. Fans may see the return of two first stringers, Doyle Walker and A. D. Britt, who were injured earlier in the season. Duane Kennedy, freshman substitute, is taking part in light workouts this week due to a back injury.

Mr. and Mrs. Don Clemmons and Don Ray and Mr. and Mrs. Dudley Palmer and Joyce all of Borger were in Memphis Tuesday night where they attended the bridal shower of their niece Patsy Adecock.

In a test of leading coffees "WHITE SWAN BEST OF SIX TOP BRANDS!"

Coffee experts vote White Swan Coffee FIRST in survey of top-ranking coffees*

Here's amazing proof of the outstanding quality of White Swan Coffee — proof that YOU'LL find greater enjoyment in this richer, finer blend. In a recent impartial "blind" survey, independent coffee experts from all parts of the U. S. judged six leading brands of coffee — all coffees in unmarked containers, identified only by letter (A, B, C and so on). These coffee experts, who know more about coffee body, flavor and aroma than anyone else in the country — voted White Swan BEST among six leading brands!

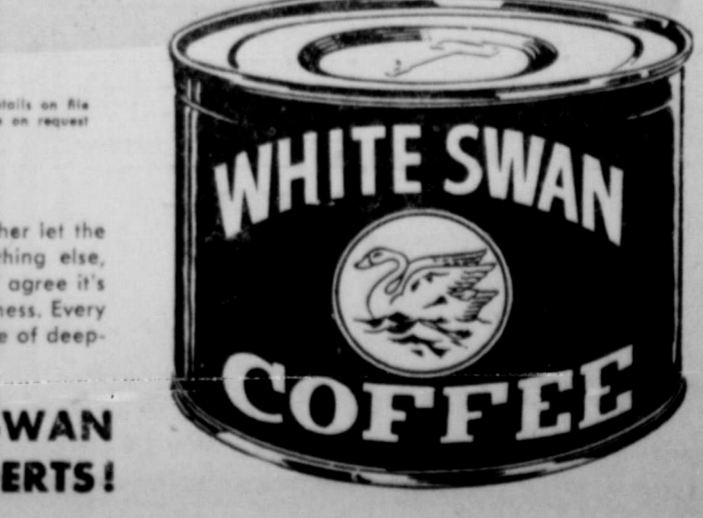

Here's How Experts Rated Top Six Brands—

RANK	1ST	2ND	3RD	4TH	5TH	6TH
COFFEE A		1 VOTE	1 VOTE	1 VOTE	3 VOTES	1 VOTE
COFFEE B		1 VOTE	1 VOTE	2 VOTES		3 VOTES

Cyclones Defeat Canadian 15-0

Marked by a strong defense, the Memphis Cyclone wound up the second game of the season Friday evening with a 15-0 victory over the Canadian Wildcat.

Before a packed grandstand, the Memphis High School team held their opponents to one first down during the first quarter. On offense, the local eleven drove over their tally in the second quarter as Rayford Hutcherson pulled Duke Frisbie's pass in the end zone.

In the third quarter, Don Moore pulled down Pat Tipps, flashy Wildcat back, behind the Canadian goal line for a safety and two points. Five plays later, Quarterback, Duke Frisbie scampered through a broken field for 45 yards—and another 6 points.

Penalties dogged the Cyclone, who were assessed seven for a loss of 75 yards. The Memphis team carried on the ground for a total of 332 yards, as compared to 103 for Canadian. Six passes were attempted with three completions. The Cyclone penetrated within the 20-yard line three times during the game; their opponents were never within threatening distance.

The entire first quarter saw both teams refusing to give up much yardage. Fumbles by both teams kept either from starting an effective offense. Only one first down was recorded, and that was made by Davey Corley who slipped through center for 11 yds.

On the first play after the second quarter opened, Harvey Kennedy circled right end for another first down. After being dogged by penalties for several minutes, Kennedy again picked up 17 and another first down. Then the pass to Hutcherson gave Memphis six points.

Memphis put the ball in play after the kickoff in the third quarter on their 25 yard line. After eleven plays the ball went over to Canadian on their 1-yard line. On the first play by Canadian, Moore tackled Tipps for the safety. After receiving the ball after the kick-off, the Cyclone drove over for another touchdown by Frisbie in four plays. Kennedy kicked the extra point.

In the fourth, Memphis picked up four first downs, and lost the ball on downs within five yards of pay dirt. Just before the quarter ended, the Wildcats drove out on three tries for a gain of 15 yards and their first down of the game.

Estelline 4-H's Organize Club

Estelline 4-H Club met last night and re-organized for the new year, enrolling 63 members.

Members elected the following: Gayle Morrison, president; Don Ferrel, vice president; Lecomte, secretary-treasurer; David Davidson, reporter; C. O. Gregory was named sponsor by the group, and Ferrel and W. D. Davidson, leaders.

A regular meeting date of the club was set for the third Thurs of each month.

The Estelline club, which includes several new members for the coming year, elected the following projects: poultry, beef, catfish, calves, hogs, garden, grain sorghums and cotton.

During the coming year, the club will enter the following projects: county-wide safety and sanitation programs; state contests; national poultry, dairy, meat animal, soil conservation and better methods.

Family Employment Covered By Social Security Act

Recent changes in the Social Security Act do not change the definition in the law that family employment, in general, is not covered by the Social Security Act. I. Sanderson, Manager of the Social Security Administration, says that work by a son or daughter, or a spouse, for another spouse, is not covered by the law and is not reported.

Work done by an employee for a spouse is covered if the employee is 21 or older. Also covered is work for a partnership unless the relationship excludes it. Thus, work by a parent for a partnership would not be covered, but would be covered if all partners were his children, but would be covered if one partner were not his daughter.

Rogers Accepts Position at Tulia

A. J. "Andy" Rogers of Memphis, recently elected State Representative, will leave Monday for Tulia where he will make his home. He accepted a position with the Hare Gin in Tulia, and will remain there until the legislative session begins at Austin.

School Fatality—95 Students Absent

Ninety-five students were listed as absent in the Memphis schools last week.

This information was released today by the publicity committee of the Citizens Advisory Board. The committee is publicizing absenteeism in an effort to show patrons how much the local schools lose by non-attendance. It was explained that the absences from class is the equivalent of two-thirds of one teacher.

The following records were submitted from the office of Supt. Davis for the week ending Sept. 19:

Enrollment 781
Ave. Daily Attendance . . . 681
Absent Loss 95
Cost Dist. per Day . . . \$10.56

James E. Galloway Now in Caribbean

Seaman Jerry E. Galloway, son of E. J. Galloway of Memphis, is serving aboard the heavy cruiser, USS "Pittsburg," according to a press release received this week from the Fleet Home Town news center.

The cruiser, flagship for the third 1952 Midshipman cruise, is now in the Caribbean Sea carrying a total of 640 naval reserve officers. In the squadron are four destroyer mine-layers. The crew is undergoing practical training in a program that ranges from simple general drills to complete battle problems.

HARP HEADS OLD TIMERS

Allen Harp of Childress was elected president of the Childress County Old Settlers Organization at a meeting of the Board of directors Tuesday. He was elevated to the post following the resignation of Wilbur Williams.

Harp, who is serving the 100th Judicial District as attorney, appointed assistant rodeo directors, and named two additional directors for the old settlers group.

harvest.

Jess Dennis, when asked how he is getting along gathering his cotton crop, replied, "Fine, I already have one bale picked and 35 acres on another."

Several farmers of the county report a better yield of cotton is being made than they expected at the beginning of the gathering season. . . . One man near Pliska said he expected to get an eighth bale per acre, but now believes he will get one-fourth, and some of the neighbors even more. . . . One man says he can gather his crop alone if he had a motor-scooter to carry him along the thin crop rows. . . . Another said he is having his sacks half-soled with tin so they will not wear out so fast.

Tomie M. Potts made some nice winnings at the Tri-State Fair this week with his Herefords. Tomie is president of the Panhandle Hereford association, and was guest speaker over KGNC Tuesday morning at 6:30.

Richard M. Nixon, the much-talked about candidate for the

vice-presidency of the United States on the Republican ticket.

will appear at the Tri-State fair grounds Friday about 6:45 and will depart for Tulsa at 7:45. He will make a 15-minute speech while at the fair grounds which will be broadcast over the TQN network. Nixon did not lose any ground when he broadcast Tuesday night concerning an \$18,000 contribution by friends for his campaign for Senator. In fact, it looked like he gained more support.

Much interest is being manifested in the forthcoming presidential election. Many Democratic leaders of Texas are going all out for Ike and Nixon, while many others are standing pat for Adlai and Sparkman. At this stage of the campaign, it looks like a toss-up between the two sets of candidates in Texas, and as the time grows shorter the voters will make up their minds and most anything can happen. Adlai has HST hanging to his coat tail and Ike has Taft holding him back. It is a shame that both Adlai and Ike are having to carry along two such unpopular men in the campaign.

off," Roan said. "The farms are now owned, debt free, by farmers who were at one time tenants."

A feature of the achievement day's program will be radio interviews of successful farmers who have followed FHA directions in their farming operations, Roan added.

PROCLAMATION

WHEREAS, The National Federation of Business and Professional Women's Clubs has declared National Business Women's Week to be observed during the week of September 28 to October 4, 1952; and

WHEREAS, the purpose of this week is to pay tribute to the accomplishments of women everywhere in business and professions; and

WHEREAS, the observance of this week will give the Memphis Business and Professional Women's Club an opportunity to arouse public interest in Federation objectives and to relate to the community the local objectives,

THEREFORE, I, S. C. Harrison, Mayor of the City of Memphis, by the authority vested in me, do hereby declare SEPTEMBER 28 to OCTOBER 4, 1952, BUSINESS WOMEN'S WEEK.

marked by a strong defense, the Memphis Cyclone wound up the second game of the season Friday evening with a 15-0 victory over the Canadian Wildcat.

Before a packed grandstand, the Memphis High School team held their opponents to one first down during the first quarter. On offense, the local eleven drove over their tally in the second quarter as Rayford Hutcherson pulled Duke Frisbie's pass in the end zone.

In the third quarter, Don Moore pulled down Pat Tipps, flashy Wildcat back, behind the Canadian goal line for a safety and two points. Five plays later, Quarterback, Duke Frisbie scampered through a broken field for 45 yards—and another 6 points.

Penalties dogged the Cyclone, who were assessed seven for a loss of 75 yards. The Memphis team carried on the ground for a total of 332 yards, as compared to 103 for Canadian. Six passes were attempted with three completions. The Cyclone penetrated within the 20-yard line three times during the game; their opponents were never within threatening distance.

The entire first quarter saw both teams refusing to give up much yardage. Fumbles by both teams kept either from starting an effective offense. Only one first down was recorded, and that was made by Davey Corley who slipped through center for 11 yds.

On the first play after the second quarter opened, Harvey Kennedy circled right end for another first down. After being dogged by penalties for several minutes, Kennedy again picked up 17 and another first down. Then the pass to Hutcherson gave Memphis six points.

Memphis put the ball in play after the kickoff in the third quarter on their 25 yard line. After eleven plays the ball went over to Canadian on their 1-yard line. On the first play by Canadian, Moore tackled Tipps for the safety. After receiving the ball after the kick-off, the Cyclone drove over for another touchdown by Frisbie in four plays. Kennedy kicked the extra point.

In the fourth, Memphis picked up four first downs, and lost the ball on downs within five yards of pay dirt. Just before the quarter ended, the Wildcats drove out on three tries for a gain of 15 yards and their first down of the game.

Recent changes in the Social Security Act do not change the definition in the law that family employment, in general, is not covered by the Social Security Act. I. Sanderson, Manager of the Social Security Administration, says that work by a son or daughter, or a spouse, for another spouse, is not covered by the law and is not reported.

Work done by an employee for a spouse is covered if the employee is 21 or older. Also covered is work for a partnership unless the relationship excludes it. Thus, work by a parent for a partnership would not be covered, but would be covered if all partners were his children, but would be covered if one partner were not his daughter.

A. J. "Andy" Rogers of Memphis, recently elected State Representative, will leave Monday for Tulia where he will make his home. He accepted a position with the Hare Gin in Tulia, and will remain there until the legislative session begins at Austin.

"FREEDOM FROM GOVERNMENT"

The Saturday Evening Post recently ran an editorial called "The America We lost," by Dr. Mario A. Pei, who emigrated to this country from Italy in 1908 and is now Associate Professor of Romance Philology at Columbia University.

Dr. Pei's theme is one that should be pondered by every American who loves this country, its traditions, and what it has stood for. He writes, "When I first came to America, 44 years ago, I learned a new meaning of the word 'Liberty'—freedom from government." He had come from a country which was dominated by an octopus-like bureaucracy. The simplest activity resulted in government intervention. In his words, "America in those days made you open your lungs wide and inhale great gulps of freedom-leaden air, for here was one additional freedom—freedom from government."

This, Dr. Pei finds with sorrow, is the America we lost. To quote him once more, "Foreign-born citizens have been watching with alarm the gradual Europeanization of America over the past 20 years. They have seen the growth of the familiar European-style Government octopus, along with the vanishing of the American spirit of freedom and opportunity and its replacement by a breathless search for 'security' that is doomed to defeat in advance in a world where nothing, not even life itself, is secure."

"Far more than the native-born, they are in a position to make comparisons. They see that America is fast becoming a nineteenth-century-model European country. They are asked to believe this progress. But they know from bitter experience that it just isn't so."

Those who, like Dr. Pei, came to us from across the seas in search of opportunity and freedom and the right and the chance to become their own masters, are far wiser than many of us whose roots go back to the very beginning of America. We were given the most glorious heritage that any people can have—the heritage of freedom. We have been losing it—through inertia, blindness, the spineless seeking for an impossible security, the following of false prophets. We can only save it by turning our backs squarely on political philosophies which have made much of the world into a vast slave camp.

Weeping Iranian Premier Mohammed Mossadegh had better learn that water in oil will gum up any machinery—even political.

Former Memphis Pastor Has Polio

Rev. B. J. Martin, pastor of the First Baptist Church of Childress, and formerly of Memphis, was taken to Wichita Falls last week. He is a victim of polio. Rev. Martin is a former pastor of the local church.

Word was received from Mrs. Martin that his condition is gradually improving. Thus far, there is no paralysis. The doctors have called it a slight form of polio.

Mrs. L. D. Campbell and daughter, Patricia, of Houston are visiting with Mr. and Mrs. T. E. Harrell.

Mr. and Mrs. A. L. Musgrove, Mrs. Drumgoole and son, Tony, and Mrs. Calvin Callahan and daughter, Shirley, visited in Okemah, Okla. with friends during the past week. They also visited in Norman, Okla. with Mrs. Musgrove's sister.

QUOTING OUR NEIGHBORS

Science Maps Space Aches

Better make sure your space suit is not full of holes and your rocket ship has a pressurized cabin before you take off for the moon.

Otherwise, the chances are pretty slim that you'll live to tell the boys:

"There I was, 52,000 feet up, when the cabin seams split and my oxygen supply quit."

The scientists say that about that time, your blood will start boiling and you'll drown in your own vaporized breath.

What the best-informed brains of the nation figure are the odds that you'll really be buying a ticket on the moon express are contained in a book from the University of New Mexico Press. The 650 page volume is called "Physics and Medicine of the Upper Atmosphere."

"The conquest of the atmosphere is a revolutionary event comparable to the transition of aquatic animals to land animals in geological time," writes one of the scientists. "That took 100 million years." But most of the advances in space research have been in the past decade, many of them at White Sands proving ground in southern New Mexico.

The book is a result of a roundtable on rocketship travel in San Antonio, Texas, last November, and incorporates the findings of 35 military, scientific and medical minds. They conclude, in effect, that a trip to the moon certainly isn't possible.

Dr. Lincoln La Paz, associate editor of the book and head of UNM meteorite department, goes even farther.

"The next step probably will be sending men up in the rockets," La Paz said. "It may well have happened already—although that's only an educated guess."

But he says meteoritists—metal fireball experts—have been asked to check into the possibilities of a rocket traveler's (1) running head-on into a meteorite in a lunar traffic jam and (2) his being cooked alive in radiation from cosmic rays.

Further, he says the picture in front of the book—taken nearly a year ago—is an early model of the Navy's skyrocket jet plane, which recently flew more than 1,200 miles an hour—twice the speed of sound—at an altitude of more than 79,000 feet.

This is nearly four miles higher than the space studies contained in the book, and La Paz says current space charts he has seen indicate that rockets have gone as high as 500 miles although not with a pilot aboard.

If this is the case—and any confirmation still is in the drawer marked super-duper top secret—it tops the previous record

altitude mark set two years ago by a two-stage rocket launched at White Sands. That WAC corporal, shot from the nose of a V-2, went only 240 miles up.

But before you head for the moon, half-cooked, take a look at what you'll need besides that space suit:

An ejector pod to catapult you from the rocket ship in case anything goes wrong, automatically opening a parachute to let you safely to earth.

A parachute made of something that won't melt when you generate a heat of 540 degrees Fahrenheit—more than twice the boiling point—by falling 500,000 feet at 100 feet a second. Nylon melts at 480 degrees. The Air Force is working on something that won't Intestinal Fortitude.

SENTIMENT REGARDING OIL IN MEMPHIS TERRITORY VERY OPTIMISTIC—A gradual but very decided change in sentiment regarding oil development in this section has taken place within the past few weeks. This has, doubtless, been due in part to favorable news from almost every part of the Memphis territory, and similar news from other nearby sections; but particularly to the growing impression that real production has been found at the Bark Well near Newlin. Many of those who were then the most skeptical are now among the most optimistic and the loudest boosters.

Work at the Columbus Securities, on the Empire lease, just north-east of town is progressing without interruption. This well is probably down over 3,000 feet, and we understand that assurance has been given the test will go down 4,000 feet, or deeper if necessary.

Dodge Long Life Records give you proof of Extra Value!

When you invest in a new car, you have a right to expect proof that the value is built in to stay. You get that proof in a Dodge. Registration records prove that by a substantial margin, Dodge automobiles have longer life than the average car. Such engineering features as the extra-rugged double-channel frame and rubber-mounted Safety-Steel body make a Dodge stand up under all driving conditions. It's the best driving investment you can make today.

DOUBLE-channel side rails of massive strength add rigidity to the chassis. Dodge stays new longer!

Drift-free ride control is SEALED IN for the life of the shock absorbers. Smooth ride reduces wear.

TWO hydraulic cylinders in each front wheel give surer stops over more miles. Extra value is built in.

Study Club Opens Year's Work Coffee In Grisham Home

The Study Club began its work with a morning coffee at the home of Mrs. Rufus Grisham, 608 S. 6th, Wednesday.

Ace Gailey, president, conducted the business meeting and an interesting and timely talk on the subject "Public Becomes Your Priority." Her talk was high in thoughts such as charity, public interest, and how the club should begin its work.

We have shirked our duty in the past years and have allowed "Let Harry do it" to become a habit. Every club should be a qualified, efficient organization; we should study the needs of our community and the needs of our people. If we are to maintain the American way of life we must take care of our private affairs."

The constitution and by-laws were reviewed by Mrs. Frank Hanna, son of Mr. and Mrs. G. R. Hanna, left Tuesday for Abilene where he will enroll as a junior at Hardin-Simmons University.

advice about the programs, quoting from the Club Woman's Magazine: "Don't let your part on the program be like a mother Hubbard covering everything and touching nothing; but fitting like our modern dresses and of an attractive length. We are studying American history, not as we did in school, but with mature minds. Let us learn what Americans have done in the past so we may face the future more bravely."

The hostess served fruit, brown bread and coffee to the following members: Mmes. E. M. Wilson, T. J. Dunbar, D. L. C. Kinard, Mac Tarver, Bryon Baldwin, R. C. Walker, Herschel Combs, Gene Lindsey, T. M. Harrison, Paul Montgomery, Buster Helm, Lewis Foxhall, Jack Baldwin, Frank Foxhall, Ace Gailey, Brown Smith, R. S. Greene, the hostess and one guest, Mrs. T. R. Harrison of Dallas.

TFWC Board to Meet October 2 In Canyon

A new project on Alcoholism will be introduced by the division of Mental Health of the 7th District of the Texas Federation of Women's Clubs, when they hold the annual fall meeting of the Board of Directors and Club presidents on Oct. 2, at Canyon.

The meeting will take place in the auditorium of the Branding Iron Theatre on the West Texas State College Campus at Canyon, from 9:45 a. m. to 3:45 p. m. Thursday, October 2.

Nelson Brown, executive director of the Texas Committee on Alcoholism, will be one of the speakers. He is from Austin.

This is the mid-term board meeting, called by Mrs. O. M. McGinty, president of the district, from Spur. Since the last board meeting the organization has added new departments to conform to the General Federation of Women's Clubs standard, and the new departments and divisions will be presented.

Major emphasis in statewide club work is being laid this year on the big Texas "Aid to Austria" project that the whole General Federation is watching, because it's a new experiment in club work. The already launched project will be explained at the board meeting.

Austria was selected because it is resisting communism and Russia and is having a rough time. By helping them the Texas Federation hopes to help further Americanism, as it will be another mile down the road to peace.

Mrs. W. E. Cantrell, regional vice-president TFWC from Lometa will be present and present information particularly for club presidents. Time will be allowed for board members to present plans, projects and requests and to announce awards in different fields.

The Federated Clubwomen of Canyon are the hostesses and luncheon will be served at noon. Registration is 50c and reservations for the luncheon are \$1.75. Advance registrations should reach Mrs. Lee Foster, Canyon by Sept. 29.

Women's Council of Christian Church Enjoys Covered-dish Luncheon Monday

The Women's Council of the First Christian Church enjoyed a covered dish luncheon Monday, Sept. 22 in the Church Dining Room. Mrs. Herb Curry and Mrs. Roy Coleman were hostesses for the event.

Mrs. Seth Palmeyer, in the absence of Mrs. Jeff Aduddell, acted as program leader and effectively introduced the topic which was "Preaching the Word in India." Varied discussions were given on missionaries of India by Mrs. Pauline Wallace, Mrs. Dorothy Stargel, Mrs. Vee Knight, Mrs. Helen Godfrey, and Mrs. Clyde Milam. The scripture, Acts 17:16-34, were read by Mrs. Roy Coleman.

The opening song was "We've a Story to Tell to the Nation," which was followed with a prayer given by Mrs. J. H. Norman. Mrs. Lucille Randall gave the devotional. "Jesus Saves" was the closing song.

Luncheon was served at 12:00 noon from the covered dishes brought by the members.

Present were Mmes. Inez Aspreen, Opal Curry, Susie Coleman, Helen Godfrey, Vee Knight, Lena Milam, Katherine Milam, Faye Maddox, Ella Norman, Belle Odum, Lucille Randall, Leola Stokes, Edith Webster, Pauline Wallace and Dorothy Stargel. One guest Mrs. W. W. Morton of Graham was present. She is the sister of Mrs. J. H. Norman.

The next scheduled meeting is for Oct. 27 in the Church Lounge at 3:00 p.m. with Mrs. J. A. Odum as leader.

Margaret Holcomb returned Tuesday from an 8 week trip, during which she visited various friends and relatives in Tucson, Ariz. she visited her grand-daughter and family. She visited her sister, Mrs. E. J. Evans, in Los Angeles, Calif.

Mr. and Mrs. A. Anisman were in Amarillo Friday night and Saturday.

Mrs. R. S. Greene Writes Play For Childress Tea

"Now and Then," a play written and directed by Mrs. R. S. Greene, was presented by members of the 1913 Study Club at the Golden Jubilee Tea of the Woman's Department Club in Childress last Wednesday. The Childress club was celebrating its 50th anniversary.

Mrs. Greene, who is Seventh District Chairman of Drama and Pageantry wrote the play especially for this occasion. The play was based on the history of the Childress organization.

Taking part in the play were Mrs. T. M. Harrison, Mrs. Mac Tarver, Mrs. Frank Foxhall, Mrs. Bryon Baldwin, Mrs. Rufus Grisham, Mrs. Ace Gailey, Mrs. O. L. Helm, Mrs. D. L. C. Kinard, Mrs. Brown Smith, Mrs. C. B. Dryden, Mrs. Herschel Combs, Miss Mary Foreman and Mrs. Paul Montgomery.

Members of the 1913 Club who attended the tea in addition to the cast were Mrs. R. S. Greene, director, and Mrs. T. J. Dunbar, Mrs. F. A. Finch, Mrs. Mac Wilson and Mrs. R. C. Walker.

Other Memphis federated club members attending the tea were Mrs. R. E. Clark and Mrs. Homer Tribble of the Woman's Culture Club; Mrs. Anna Dickson and Mrs. Gene Chamberlain of the Pathfinders' and Mrs. Henry Hays, Mrs. Jim McMurry, Mrs. R. H. Wherry, Mrs. C. C. Hodges and Mrs. Roy Shahan of the Delphian Club.

Jimmy Queary Has Birthday Dinner

Jimmy Queary celebrated his fourth birthday Sept. 20 with a dinner at his home.

The menu consisted of fried chicken and all the trimmings and a birthday cake.

His grandparents, Mr. and Mrs. G. R. Hanna, and Carol, and his great-grandparents, Mr. and Mrs. J. J. Smith, attended the party. Jimmy received several gifts in honor of his birthday.

Wm. B. Travis Elementary School P.T.A. Holds Opening Meeting

Using the tenth chapter, verses 25 through 37, of the Gospel according to Luke, as the basis of her remarks, Mr. Bray Cook, president, brought the opening message "Appreciating Our Neighbor," for the 1952-53 year's program of the Travis P.T.A. Thursday afternoon, Sept. 11, at the first meeting of the year conducted in the school's cafeteria. Mrs. Cook stressed the fact that since the beginning of the P.T.A. movement emphasis has been placed on developing a more "neighborly" relationship between parents and those who teach, and further pointed out that this sort of friendly relationship is so necessary if the child is to benefit to the maximum extent from school experiences. "There is nothing mysterious about this relationship," she concluded, "it ought to be the normal and natural situation. It can be so. It must be so, for the child's sake."

During the business sessions, revisions of the by-laws were adopted. In addition the association adopted the following recommendations:

1. To make monthly awards of \$1.00 to the room having the greatest number of parents present at P.T.A. meetings.
2. To provide a nursery attendant for preschool children so that more mothers will be able to attend P.T.A. meetings.
3. To sponsor a Halloween carnival in cooperation with the

Stephen F. Austin unit in order to provide wholesome entertainment for our boys and girls at this season.

4. To provide funds for the expenses of a May program when given by the faculty.

Mrs. W. Middleton outlined the proposed program for the year, "Strengthening Our Faith in Our Congress Platform of Service," pointing out that in these critical times when we hear so much about what is WRONG with our institutions, the program committee chose to stress what is RIGHT with them.

The proposed program was approved and plans discussed for the establishment of a used clothing storeroom to be used by the teachers to provide clothing for needy children.

Mrs. Odell Anthony, membership chairman, announced the room representatives as selected by the teachers as follows: Miss McElrath, Mrs. J. A. Anthony; Mrs. Newton, Mrs. C. B. Wallace; assisted by Mrs. T. O. Pounds; Mrs. Cox, Mrs. B. M. Litton assisted by Mrs. Foy Young; Miss Milam, Mrs. Frank Goffinet; Mrs. Stroehle, Mrs. Cecil Stargel; Mrs. Gurley, Mrs. Louis Saied; Mrs. McMillan, Mrs. Ira McDaniel assisted by Mrs. Herman Vallance; Miss Hillhouse, Mrs. R. Ann Craven Is Home Economist For Gas Company

Appointment of Miss Ann Craven as home economist to serve Lone Star Gas Company customers in Vernon, Childress and Electra districts has been announced by R. H. Gray of Abilene, division superintendent. Miss Craven will be available for consultation on modern gas cooking, homemaking information, and meal and kitchen planning. Mr. Gray said, all of which is available without cost to women of this area.

A graduate home economist with a degree from Oklahoma College for Women, Miss Craven joined Lone Star last July. She was born in Hastings, Okla. Her hobbies are swimming and spectator sports. She is a member of the Methodist Church.

presented by Mrs. Gene Chamberlain, the meeting was adjourned, and iced punch was served by the hospitality chairman, Mrs. M. D. Gunstream, assisted by Mrs. B. M. Litton and Mrs. C. B. Wallace.

Annual Reunion Of Co. H Vets To Be Held At Childress

Members of Co. H. of the 142nd Inf. of World War I will hold their second annual reunion in Childress Oct. 4-5 at the Veterans Building, Roy L. Guthrie announced this week.

Guthrie urged all former members of the company who reside in Hall County to make plans to attend the reunion. Registration will start Saturday evening, Oct. 4, at 4 p.m. in the Veterans Building in Childress, and a program has been arranged for that night.

At 10 a.m. Sunday memorial services will be held with E. A. Simpson of Amarillo, former captain of the company, giving the address.

At the first reunion, which was held Sept. 2, 1951, 23 former members were present. Guthrie said this year's plans include preparation for a much larger attendance.

Several Hall County men are former members of company H.

Mrs. Hoyette Hodges of Lockney visited from Friday to Thursday with friends and relatives in Memphis.

REPORT FROM WASHINGTON

Congressman, 18th District
By Walter Rogers

...IONS IN THE MINDS OF THE PEOPLE: Although my opinion to the contrary, the people of the United States are doing a great deal of thinking about the issue presented in this election. Certainly this is true in the 18th District of Texas. My many verbal inquiries to me on my recent visit to the district are conclusive which I base my opinion on.

was intended to put a curb on unlimited debate, and thereby do away with filibustering. Under the original rule, debate could be limited by a two-thirds vote of the Senators present and voting. However, in 1949 changes were made so that limitation of debate could be imposed only by the vote of two thirds of all Senators. This meant that a Senator, by absenting himself from the Chamber, could have the same effect on permitting unlimited debate as if he was present and voted "No" on a motion to limit debate. At the time debate can be limited or halted only if sixty-four of the ninety-six Senators vote to so limit it. The great interest on this particular matter is caused by the controversy over civil rights legislation. Should the rules be changed so that a bare majority of those present could invoke cloture, it is highly probable that much legislation would be brought to a direct vote on the Senate Floor, including civil rights legislation, FEPC, statehood for Hawaii and Alaska, and other highly controversial measures.

I have always supported unlimited debate in the Senate, will continue to do so. Debate is limited in the House of Representatives, for the reason that there are so many members it would be impossible to properly attend to business without some limitation on the amount of time each member can talk. However, the smaller membership of the Senate provides a forum in which all segments and phases of legislation may be thoroughly and completely discussed and debated without undue delay in legislative processes. The unlimited debate in the Senate provides a safeguard against legislation passed too hastily in the House of Representatives and without sufficient discussion and debate. True government by the people demands that expediency yield to a full, thorough and competent under

PROCLAMATION

WHEREAS, The well being of our city can rise no higher than the character of our people and the integrity, good will and social concern so greatly needed in our community are character traits nurtured by high religious devotion.

WHEREAS, The effective and faithful teaching now being carried on in our churches and homes should be more generally recognized by our people as being basic to the welfare of every aspect of desirable community and family life:

NOW THEREFORE, I Carl Harrison, Mayor of the City of Memphis, hereby proclaim the period beginning Sunday, September 28, and continuing through Sunday, October 5, 1952 as the Twenty-second Annual Christian Education Week; call attention to the fact that our city will hold inter-church services of thanksgiving and dedication for The Bible Tuesday, September 30, on the day of the first public appearance of the Revised Standard Version of The Bible and hope that the message of the Holy Scriptures will come alive for our people in new, compelling power.

(Signed) CARL HARRISON, Mayor

standing of the issues involved in the laws passed and the possible effect of such laws upon the people to be governed thereby.

QUESTIONS ON FEPC: Many people have asked me about the FEPC and what the party platforms said on the subject. The

Constitution. One man stated that he had heard that the President and Vice President could not come from the same state and wondered if this was a matter of law or politics. It is a matter of law. In fact, it is controlled by the Twelfth Amendment to the Constitution, which states that the President and Vice-President may not be inhabitants of the same state.

YOUR DUTY TO VOTE. Many people say that they have only one vote, and certainly it could not change the outcome of an election. However, such is not the fact. It is everyone's duty to vote. Many elections have been determined by one vote, in fact, so many that there is not enough space here to list those elections. I will point out, however, that from 1949 to 1952 there were 17 tie votes in the Senate on important issues. On eight of these issues the Vice-President cast the deciding vote. It was his vote on such a tie that established the Special Committee to Investigate Organized Crime in Interstate Commerce. On 24 other votes in the Senate the matter was decided by a single vote. The Alaska statehood was recommitted to the Committee in 1952 by a single vote. In 1950 the Korean Aid Act was defeated in the House of

Jerry Byars New President of 4-H Club at Lakeview

Jerry Byars was elected president of the Lakeview 4-H Club at a re-organization meeting last Thursday. At the same time, members elected the following officers: Jerry Gowdy, vice-president; Rita Durrett, secretary-treasurer; Jimmy Molloy, reporter; and J. B. Byars and A. W. Molloy, adult leaders.

A total of 69 members were enrolled at the meeting. Projects of the members at Lakeview include poultry, beef cattle, dairy calves, hogs, gardens, cotton, grain sorghums and rabbits.

The club voted to enter the following contests: County-Wide Safety Program, County-Wide Electrification Program, National Poultry Contest, National Safety Contest, National Dairy Contest, National Meat Animal Contest, National Conservation Contest, National Better Methods Electric Contest and State Cotton Contest.

Representatives by a vote of 192 to 191. Don't fail in your duty to your country and your fellow man. Exercise your right to vote.

What about Women in Politics?

Just about every politician is out gallantly courting the ladies today. Fact is, woman's political power is here to stay!

For one reason, Mrs. America has more time to work for affairs of state and nation. "Woman's work" now gets done in far fewer hours, thanks to low-cost electric service. Right now—all over this country—electricity is helping wash the laundry... iron the clothes... vacuum the rugs... brew the coffee... toast the bread... taking the work out of housework!

Think, for a moment, how much comfort, convenience, pleasure and leisure time electricity gives YOU! Compare how much it does with how little it costs! Bet your vote for the Biggest Bargain in the Family Budget goes for dependable electric service!

Hall County Breeders Take Prizes At Fair

Hall County breeders of registered beef cattle topped 23 places at the Tri-State Fair in Amarillo this week.

Heading the list was Tomie M. Potts, who exhibited the Reserve Champion Female in the Hereford division. The summer yearling calf, TP Larrayn, was the first calf of Potts' Dandy Larry D. 61.

In the Angus division of the show, C. A. Rapp & Son of Estelline won five places, and Caprock Angus Farm earned three places with their entries.

Two Hall County 4-H boys won in the swine division. Tony Martin of Lakeview won second place in the open division with his senior yearling boar. Tony Molloy, also of Lakeview, placed fifth in the junior sow pig class and seventh in the Sears class.

In the registered Hereford division of the show, Potts won the following:

Lakeview Eagles Meet Wellington "B" Team Tonight

The Lakeview Eagles tangle with the "B" team from Wellington tonight. The game, scheduled to start at 8 p. m., will be played on the Lakeview gridiron.

Last week the Eagles walloped the Shamrock Irish "B" team by the top-heavy score of 38-6. Carrying over for Lakeview were Verden for 12 points, Lindley 6, Denton 6, Melton 12, and Kirk 2.

Tarver Is Field Representative For Hereford Assn.

A former Hall County and resident of Memphis was recently named field representative of the Texas Hereford Association. He is Don Tarver, a native Memphian, who for the past two and a half years has been an associate editor of The American Hereford Journal in Kansas City, Mo.

Tarver assumed his new duties Sept. 15 and will make his home in Fort Worth. He has achieved wide publicity in the registered Hereford field and has written a number of articles pertaining to the nation's leading beef cattle industry. Among his last articles written in The American Hereford Journal was a feature story on Tomie M. Potts, a well known Hereford breeder of Memphis.

Tarver will travel over the state working with breeders of both registered and commercial Herefords. He is married to the former Miss Martha Allen, and the Tarvers have a girl, Carol, 20 months old. Mrs. Tarver is the daughter of Mr. and Mrs. Earl Allen of Quail.

CARD OF THANKS

We want to thank the Memphis Fire Department and the Telephone operators for the prompt and efficient service rendered on Wednesday when fire occurred at our home. It was through the speedy efforts of these two organizations that the fire was extinguished preventing serious damage to our property.

Miller may see action from a line spot, and other regulars may be shifted to different positions, the coach stated.

"We will be faced with a so-called 'split-T' line Friday night, he said. "This is unusual in our district. The Lefors backs will run from a wing-T formation, which may prove troublesome. Whatever kind of attack we are confronted with, we'll be making changes to stop it. At the same

time we're working on some offensive tactics of our own. "The boys aren't cocky. We're expecting to have a tough game. The entire squad is in fine spirit, and each member will be out there giving all he's got every minute."

Spectators will see the game played on one of the best-lighted gridirons in this section, the coach reported. Work is being done on the lighting system which should increase the illumination tremendously.
