Concert Trio To Open Season Here Oct. 22

The well-known Charles Roberts Trio will be at the High School auditorium 8 p. m. Wednesday, October 22. The concert is sponsored by the Town Hall Concert Association and admission is by membership cards only.

MRS. ROBERTS-SCHULZ

The group brings together several outstanding musical persons including Mr. Schulz, composer and pianist, and two vocalists, Mr. Nekolny, baritone and Mrs. Roberts-Schulz, soprano.

Trap Shoot Set For Gun Club Members Sunday

Members of the Memphis Rifle and Pistol Club will gather at the club range Sunday afternoon for the first scheduled trap shoot of the season. The event will start promptly at 2 o'clock according to Mack Wilson, president, who urged all members to take part.

Posey Returns As Minister Of First Christian Church

Rev. Tom Posey assumed his duties Sunday as minister of the First Christian Church in Memphis. He and Mrs. Posey and their three children returned here last week from Malden, Missouri where they had resided for the past four years.

Wells Takes Wells To Dallas, Houston

J. Claude Wells, editor and senior publisher of The Democrat, and chairman of the Hall County Democratic Executive Committee, left Tuesday morning for Dallas and Houston on a three-fold mission to obtain first-hand information on Texas' political questions.

Rogers Will Speak To Local Chapter Saturday

Walter Rogers of Dallas will speak before Memphis Saturday afternoon, Oct. 20, at the American Legion Hall. Rogers is a member of the Dallas chapter of the United Confederate Veterans of the Confederacy. He is a member of the U. D. C. members of the community. The subject of his speech is not known but the topic will be of interest to the women, the sponsors of the group said that the group is open to all women of the community, and provisions will be made to handle a large group.

J-C's Start Get Out Vote Drive Here

First project of the new Memphis Junior Chamber of Commerce will be a "Get-Out-the-Vote" Campaign. This decision was reached last Thursday evening when the members met in their first weekly session at Willeford's Drive-Inn. Highlight of the meeting was a discussion of proposals for different projects which might be sponsored.

Presiding was Joyce Dot Webster, president, who summarized the aims of the organization with these words: "I want to do anything I can to make this a better place in which to bring up my boy." This thought was carried out as different members entered into a discussion of the needs of the community.

Guest speakers before the group were Cliff Farmer and Herschel Combs. Farmer in his talk keynoteed the work of all chambers of commerce, and appealed to the Jayees to take an active part in community affairs.

President Webster announced that the goal for membership had been set at 150. Immediately afterwards, Buck Frisbie, treasurer, stated that 46 names were listed as paid-up members with promises coming from nearly a dozen more young men.

The "Get-Out-the-Vote" campaign will be handled by a special committee composed of Mac Connell, J. C. Henry, Homer Jones, Doug Lawrence, Rudolph Miller and J. L. Marcum. This committee met immediately after the regular session adjourned. The following day signs were being placed on service cars operating within the city limits. They also erected a sign in front of the press box at Cyclone Stadium. Plans were made to use a public address system immediately prior to the election to remind the people to go to the polls.

L-Day Starts Legion Drive For Members

Members of the Simmons-Noel post, American Legion, will enter into a state-wide membership drive Monday, Oct. 20, Raymond Ballew, commander, announced this week.

Taking the slogan "level for the Legion," the membership committee of the local post will be joined by other veterans, and start their annual drive for members on that date.

State Commander Albert Brown of Austin has urged every Legionnaire to dedicate "L Day" to talking to friends and neighbors about the principles of the organization.

Ballew stated that a letter will be mailed Friday to every Legionnaire of the Simmons-Noel Post, which will carry the "L Day" program to veterans of this area.

By proclamation, Mayor Pro Tem Buster Helm has named Monday as "L Day" in Memphis, and has urged all citizens and veterans to give special consideration to the Legion.

Accompanied by his wife, he made the first stop in Dallas. While there they heard the speech of Gen. Dwight Eisenhower, presidential nominee of the Republican party.

From Dallas, he and Mrs. Wells journeyed to Houston, where more politics will be discussed. He is an invited guest at a banquet this evening in Houston for the Hon. Wright Morrow, National Committee member for Texas on the Democratic Executive Committee. Wells and Morrow are long-time friends, and were both active at the national convention in Chicago last summer.

PRESIDENT—Joyce Webster who was recently elected head of the newly-organized Memphis Junior Chamber of Commerce.

Breakfast Will Start Annual Fund Drive For Scouts

Supporters of the Boy Scout movement in Memphis will start their annual fund raising campaign Tuesday morning, Oct. 21, when they attend a "kick-off" breakfast at Willeford's Drive-Inn. The meeting will start at 7 o'clock and will be attended by approximately 50 men.

Rev. Burr Morris and Rev. Lloyd Hamilton are co-chairmen of the drive this year, and will be in charge of the Tuesday meeting. They stated that no quota has been set for Memphis, but definite plans will be made at the breakfast.

The co-chairmen have named the following as captains to head the different teams of solicitors: Elmont Branigan, Arlis McBee, John Andrews, Bob Ayers, O. M. Cosby Jr., Jim Beeson and J. W. Coppedge.

Warning Issued About Tax-Free Cigarette Sales

Cotton Festival Scheduled At Hedley Oct. 31-Nov. 1

Thousands of Panhandle visitors are being invited to attend the First Annual Donley County Cotton Festival to be held in Hedley Oct. 31 and Nov. 1.

Official Ginning Figures Released

Official government cotton ginning figures, released this week, lists Hall County with 3,533 bales as of the last day in September. These figures were furnished by Ace Gailey, special agent of the Bureau of Census, U. S. Department of Commerce.

At this same date in 1951, farmers had ginned 4,237 bales. A check with county gins last week showed an unofficial total of 7,514 bales. This was obtained by The Democrat, and included ginnings to Oct. 9.

Co-Chairmen Are Named To Head Youth Program

Wm. H. Teague and W. E. Leslie were elected co-chairmen of the board of directors of the Youth Program at an organizational meeting held Thursday evening, Oct. 9, in the Chamber of Commerce office. Mrs. Edwin A. Smith, Jr., was named secretary-treasurer.

The Youth Program, which was started several weeks ago by the City Federal Youth Clubs, is now operating as a separate organization with its own officers and board of directors. At Thursday's meeting Mrs. L. McKown, assisted by Mrs. Burr Morris and Clifford Farmer, were named on a committee to outline activities for the organization.

Cyclone Tangles With Eagles At Canyon on Friday

Last non-conference game of the season will unfold for the local football squad when they meet the Canyon Eagles Friday night. The contest will be played in Canyon.

The Memphis team will be without the service of Davey Corley according to Coach George Childress. Corley is suffering from leg injuries. Clyde Tamplin and Duke Frisbie are recovering in good style from bruises, the coach reported, and are showing plenty of speed this week in practice. Another casualty for Friday will be Gayle Monzingo, who won't see action.

Childress reported that the Cyclones will face their toughest opponent so far this season when the whistle blows Friday night. Canyon has lost one game, tied one and won the rest. Last Friday they tied Olton, who was picked to win the game by several points.

"The Eagles will run three backs against us Friday night who are rated as among the best," the coach stated. "They run from the T-formation, and either of these three can go all the way. We realize we have a tough game on our hands, and the squad is working this week to handle any situation which might arise."

Referring to practice sessions, Childress stated that both Stevens and Hutcherson are showing near perfection in pass catching; Barnett and Moore getting more polish on defense, and other members carrying out their assignments better.

The coach commented upon Stevens' performance last week pointing to his heads-up playing on both offense and defense. Mention was made of Mackie Allen's performance, and Monty Clark's rugged action in the line in opening holes. Frisbie was in for recognition for calling his best game of the current season, as well as Hartman and Moore for air-tight defensive performances.

Next Friday Jenkins will see a

School Faculty—157 Students Absent

Again absenteeism holds the spotlight which confronts school officials and patrons. This is the result of another high total being reported for last week. Figures released Monday list 157 students as being absent from classes.

This is an improvement over the 170 figure which was recorded for the prior week.

Here are the figures as submitted by the four schools:

Travis Elementary	46 1/2
Austin Elementary	64
Junior High School	22 1/2
High School	24

Pathfinders To Hold Bake Sale At Tavers Sat.

The Pathfinders' Council will hold a bake sale Saturday at Tavers-Stanford Pharmacy, members announced today.

Special orders for pastries will be taken and deliveries made to those desiring this service. Orders should be placed with Mrs. J. J. McDaniel, phone 126, by noon Friday.

Price Clinic For Businessmen To Be Held Wednesday

A price clinic to provide information on the price stabilization program and assist local businessmen with any pricing problems they may have will be held at the Memphis Chamber of Commerce Wednesday, Oct. 22.

Clifford Farmer, manager of the C. of C., said that W. C. Reynolds, price specialist of the Lubbock Office of Price Stabilization, will conduct the clinic at the chamber office during the hours of 9 a. m. to 5 p. m.

Price clinics for businessmen have now been resumed in Memphis on a regularly scheduled basis, the manager said. He urged all businessmen who may need assistance with price regulations to meet with the OPS representative while he is in the city.

Second Poll Report For County Shows Eisenhower Preference

The Republican nominee for president continues to gain in popularity in Hall County if the "High Plains Poll" being conducted by The Democrat is considered as an indicator.

At 10 a. m. today, 107 persons had mailed or brought their "ballots" to the office. Presidential preference as shown by the poll is as follows:

For Eisenhower — 75
For Stevenson — 32

With speeches being made in Texas this week by both candidates, interest should pick up locally. For this reason, the poll form is printed below for use by all persons who have not sent in their preferences. Extra forms may be obtained at The Democrat office.

Area-Wide Totals
A report from Amarillo, furnished by the Amarillo Daily News, early this week showed that Gen. Eisenhower is running four-to-one over Gov. Stevenson. Nearly 7,200 votes were counted for this report, with Ike getting 943 and Adlai 243.

The poll is being conducted by newspapers in the Tri-State area. While straw votes are not conclusive, the report from the tally shows that Eisenhower backers are more vigorous in their support of the general than the folks boosting Stevenson.

Gov. Stevenson's greatest strength was shown in Shamrock where he leads 24 to 18. The Amarillo totals were 111 for Adlai and 110 for Ike.

If you have not listed your preference, use the form printed below, and send to The Democrat office.

Sportsmen of Area To Gather at Quanah For Annual Wolf Hound Show and Trials

The annual bench show and field trials of the North Texas-Oklahoma Fox and Wolf Hunters Association will be held at Quanah Oct. 2-24, David Hudgins president, announced this week.

At the same time, the president issued an invitation to all persons of this area to attend all or part of the show or field trials, stating that from 200 to 300 hounds will be in the field and over 1,000 fine animals on the grounds.

Site of the event this year will be the Neal Ranch, located approximately six miles southeast of Quanah. It will be one of the largest programs of its kind to be held in the nation, Hudgins stated, with plenty of trophies and ribbons ready for presentation to owners of hounds, which place in both the show and field trials.

J. J. Hunter, Lakeview, has indicated that he will enter his animals from his pack, and other men from this area may be listed with entries.

Bench show judge this year will be Rev. P. W. Walker of Denton. The ringmaster will be Lewis Ackres of Abilene.

Slated to start at the break of day each morning will be the field trials, Hudgins stated, at which time pack owners will cast their hounds in coyote chases. Another exciting event will be the horn blowing and wolf calling contest Wednesday night, Oct. 22. Master of ceremonies will be J. R. "Knothole" Wilson of Graham, Texas. "Tick" Underwood of Wilcox, Okla., will serve as master of hounds in all field trials, and will be assisted by Jimmie Shields of Willow.

The program Thursday night will be sponsored by the Quanah Chamber of Commerce. Highlight of this meeting will be the election of new officers and directors.

"The annual hunt is primarily for good sportsmen and is designed in every way to be clean, fair and friendly," Hudgins said. "Its primary purpose is to discover the best bench and field hounds within the area of the hunt."

GOOD NEWS FOR BUTANE USERS

YOU CAN BE ASSURED OF WINTERTIME FUEL IF

You have ample storage And KEEP IT FILLED During the Summer

These are the FACTS About Gas Supply

There is no shortage of butane-propane. There never has been a shortage. There will be no shortage in the foreseeable future. Butane and propane are among the most plentiful products in our national petroleum reserves. However, every winter many users go without fuel. This is ONLY BECAUSE OF TOO SMALL STORAGE TANKS. Your butane dealer knows the amount of gas you use summer and winter. He has the right answer for your needs. He will give you fuel—not promises! Your tank may have been right when it was installed, for your family may have outgrown its original gas needs. To be safe you should KNOW just what size tank you need to fill these needs.

Now get the Facts about YOUR storage needs. We will give you a FREE analysis of your requirements.

Patsy Adcock and Major Lee McCanne Wed in Pretty California Service

Nuptial vows were solemnized at 8 o'clock Friday evening, October 10, at the Little Chapel of the Roses in Chula Vista, Calif., for Miss Patsy Jean Adcock, daughter of Mr. and Mrs. Oran Adcock of Memphis, and Major Lee McCanne, Petty Officer 3-c, son of Mr. and Mrs. Paul McCanne of Lakeview.

Rev. Purcer, pastor of the First Baptist Church, read the double-ring ceremony before a nuptial space decorated with greenery and branched candelabra.

The prelude of organ music included "Because", "I Love You Truly," and "Always."

Given in marriage by her uncle Grady Hawkins of Bakersfield, the bride was attired in a street-length velvet dress of baby blue. The frock was fashioned with full skirt and scooped Eton jacket which had a high collar and three-quarter length sleeves.

She wore a toast brown feathered hat with veil and carried a nosegay of white carnations centered with a white orchid. She carried out the traditional bridal customs. For something old, she wore her grandmother's ruby ring and the something borrowed was earrings and pen belonging to Eudine Gable of Memphis. She also wore a lucky six pence in her shoe.

Mrs. Billie Nase, aunt of the groom, was matron of honor. She wore a navy blue knit suit with champagne accessories and navy

blue nose veil. Her corsage was white carnations with gardenia center.

Clark Smoot, cousin of the groom, was best man.

Mrs. Oran Adcock, mother of the bride, wore a gray wool suit with black accessories and a corsage of pink carnations, while the groom's mother, Mrs. Paul McCanne, wore a coffee brown sharkskin suit with dark brown accessories and a shoulder corsage of bronze chrysanthemums.

Immediately following the wedding, a reception was held in the home of Mr. and Mrs. R. G. Lewis, aunt and uncle of the groom. The tiered wedding cake decorated in the bride's chosen colors of blue and white, was topped with twin hearts inscribed "Pete and Pat."

The bride is a graduate of the Memphis High School with the class of '51 and for the past year has been employed with the Western Cotton Oil Company. While in school, Patsy Jean served as drum major of the Memphis High School band two years and during her senior year was named "Football Sweetheart."

The bridegroom is a graduate of the Lakeview High School with the class of '48 and attended Texas Tech College at Lubbock. He volunteered for service with the U. S. Navy in December, 1950 and at the present time is stationed at San Diego after having served in the South Pacific.

Petty Officer 3-c and Mrs. Major Lee McCanne

Bobby J. McMurrys Move To Amarillo

Bobby Jack McMurry, son of Mr. and Mrs. E. (Gip) McMurry of Memphis, last week became manager of a branch of the First National Bank in Amarillo. The branch, which is located at the Amarillo Air Force Base will serve the personnel of the base.

Mr. and Mrs. McMurry and son, Tony, moved to Amarillo Monday where they will make their home. McMurry, a veteran of World War II, has been employed at the First National Bank in Memphis for the past four years. He will supervise the work of three additional employees at the base facility. The new banking facility will handle all banking functions with the exception of loans. These will be arranged at the downtown bank in Amarillo.

Both Mr. and Mrs. McMurry are graduates of Memphis High School. He entered the Navy in 1943 and was discharged in 1946 after seeing service in the Pacific. Mrs. McMurry is the former Marie Morris, daughter of Mr. and Mrs. Clyde Morris of Memphis.

Thomas Allen Slappy of Varner spent the weekend with his

grandparents, Mr. and Mrs. Dan homecoming activities at McCollum. Tommy's parents, Mr. Texas State College in Cary and Mrs. Jack Clappy, attended where they both attended school.

Meet The Seniors-

By DEBS COFER

Betty Leslie, five foot two blue eyed, red haired daughter of Mr. and Mrs. Bill Leslie has been chosen as one of the seniors for the week. Betty moved here last year but she has certainly made herself known around the Memphis High School Campus. Betty was elected to the position of Editor-in-Chief of the Annual Yearbook. Betty was born Jan. 2, 1934. She is 17 year old. She was a member of her Sophomore class at Memphis. She has been a member of the Cue and Curtain Club for two years and is now a Thespian. Betty's favorite pastime is her football games. Betty's biggest thrill came when she was elected Editor of the Annual Yearbook. Her favorite song is "Smoke on the Water Eyes."

Bob Browning is the senior of the week. He is the popular eyed son of Rev. and Mrs. H. Browning. He was born in 1934. At the present time he is vice-president of the Memphis High School Class. President of the Memphis Club, and manager of the Memphis Club. He weighs 155 lbs and is 5'11" tall. His favorite pastime is Handcraft. We are expecting great things from Joe Bob in the future.

WHERE NINE DIED IN TRAIN WRECK . . . Police, railroad officials and rescue crews work on one of the wrecked cars of the passenger train that jumped the track on the outskirts of Hamburg, Germany, recently killing nine persons and injuring 85. This car is wrapped around a bridge pillar and rescuers had to use torches to cut through the steel to free passengers.

Favorite pastime is Handcraft. We are expecting great things from Joe Bob in the future.

Fire Prevention Program is Given At Assembly

By DONNA WEBB

In assembly Thursday afternoon, Thomas Clayton, Memphis Fire Chief and Harry Aspgren gave a fire prevention program in observance of fire prevention week. Mr. Clayton demonstrated several examples of how powders and dust can start fires under certain circumstances. Mr. Clayton put just plain dust in a can and struck a match to it, he then placed the lid on the can and pumped air into it causing an explosion. He did the same with several different powders such as flour, powdered sugar, plain starch and corn starch which was the most powerful of all and caused a very big explosion. Mr. Clayton gave some statistics on fires and he said there are about 580,000 building fires every year in the U.S. There were 3,100 fires in schools and colleges last year. Mr. Clayton emphasized the fact that there were millions and millions of dollars lost each year due to carelessness. He urged us to look around our houses for fire hazards and to be sure and have a metal wire over our barrels that we burn trash in.

Maryland is called the "Free State of Maryland" because it was the first and for many years the only state definitely to proclaim religious toleration.

Morning Watch-

By ELIZABETH GRUNDY

The morning devotions that were given last week were very impressive. Listening to these Morning Watch programs which are sponsored by Miss Neville Wrenn is really a wonderful way to begin the day at school. Those students reading the scriptures last week were Monday: Betty Lemons Tuesday, Donna Webb; Wednesday, Patsy Armstrong; Thursday, Anita Murphy; Friday, Sharon Harrison.

Many people carry "just a little" insurance just to ease their minds.

But insurance should really INSURE. In case of disaster, you want more than, say, a fifth enough or half enough to rebuild your house or pay off a damage suit or meet some other loss.

Many people forget that it would cost much more to replace their home and furnishings if they had a fire. Many people forget they may be sued for perhaps tens of thousands of dollars if they kill or injure someone with their car. Many people carry too little liability insurance.

Texas Clubwomen Launch "Get-Out-Vote" Campaign

WORTHAM, Oct. 9—SPL—Texas clubwomen launched plans for a voter's roundup this week with a "Get-Out-the-Vote" campaign headed by Mrs. John J. Perry of Sweetwater, state chairman.

Each clubwoman is asked to be responsible for getting ten people to the polls November 4, according to Mrs. Perry. She explained "We want to better our 1948 record, when only 25 per cent of the Texans who had the right to vote exercised their privilege."

Mrs. Van Hook Stubbs of Wortham, president of the Texas Federation of Women's Clubs, threw her full support behind the voter's roundup. She stressed that the project is bi-partisan, and underlined that getting people to vote is the object, not how they vote.

The Texas Federation of Women's Clubs is a non political organization with a membership of over 50,000.

The voter's roundup is directed by the federation's new Americanism department. Object is to build interest in our way of life and government, and to emphasize full citizenship responsibility.

Clubs participating in the contest to Get-Out-the-Vote are to report by November 15 to district chairmen in accordance with contest rules available at General Federation headquarters in Washington. District chairmen turn in the number of persons contacted by participating clubs and voting to the state chairman by November 20. Prizes up to \$500, depending on the size of the club, are offered by TFWC for the largest roundup of voters resulting from club efforts.

gives you a choice of two tires to fit your winter driving conditions

B. F. Goodrich Mud-Snow Tires for deep snow, steep snowy hills and mud

If you do much driving in deep snow, or steep snowy hills or on muddy country roads, the BFG Mud-Snow tire is for you. Impartial tests supervised by the Pittsburgh Testing Laboratory prove it. They show that in deep snow the BFG Mud-Snow Tire gives up to 24% more pulling power than regular tires, stop you 25% faster. In mud, it gives up to 25% more traction.

B. F. Goodrich "Life-Saver" Tubeless Tire for ice, light snow and wet pavement

If you live where deep snow and mud aren't serious problems, the BFG "Life-Saver" is a year-round tire that gives all the protection you need. On roads made slippery by rain, ice or packed snow, it outstays, outpulls regular passenger car tires. Patented lining replaces inner tube . . . protects against blowouts. A gummy layer seals punctures. The "LIFE-SAVER" gives more protection than any tire and blowout-protecting inner tube. Yet it costs less!

BUY THE TIRES YOU NEED TODAY

It's dangerous to drive on slippery roads with old tires that have lost their grip. It's a nuisance to be caught in the first snowfall with no traction or stopping ability. Trade in your old, smooth tires now—when it's convenient to make a change for the better and while your tires still have good trade-in value.

Delphian Club Meets in Home of Mrs. G. Gilliam

The Delphian Club met in regular session at 4 p. m. Tuesday, Oct. 14, in the home of Mrs. G. Gilliam.

The president, Mrs. Gilliam, presided over the meeting to order and Mrs. Roy Shahan gave the invocation.

Following the business meeting the meeting was turned to the program committee.

The topic for the day, was introduced by Mrs. J. L. Barnes. Four countries were discussed. These were occupied Austria, India and young Germany.

Mrs. M. D. Gunstream talked about Austria. She described the problems of Austria and told of how the people are solving these problems.

She said that peace is not a free people, she said. She was discussed by Mrs. Hill, who gave a most vivid picture of that country. She said it is a land of extremes, and old, poverty and rich customs and modern India is a trusted ally.

She said that the friendship we need and integrity we are assured, Mrs. Hill, a country in Africa, is patterned after the U. S. as discussed by Mrs. Ben Jr. She gave an interesting description of their agricultural problems and how they are solved. This country uses the American dollar and they speak the English language.

Germany was given by Mrs. Lynn McKown. She said that hope for Germany lies in its youth, and told of how the young people of Germany now live and described the program now in progress for educating them in the principles of democracy.

A new member, Mrs. George Campbell, was welcomed into the club.

The next meeting will be a joint meeting with the Atalantean Club on Tuesday, October 21, at 3 p. m. at the Legion Hall with Mrs. W. C. Dickey as hostess. Mrs. Raymond Harrah of Pampa will be guest speaker. The subject of her address will be "Public Affairs Must Become First Affairs."

The hostess served a tasty salad plate to the following members: Mmes. Sidney Baker, J. L. Barnes, Jack Boone, W. C. Dickey, M. D. Gunstream, Henry Hays, Earl Hill, C. C. Hodges, Weldou McCreary, Lynn McKown, J. L. McMurry, Roy Shahan, J. W. Stokes, R. H. Wherry and Ben Wilson, Jr.

Mrs. Wendell Harrison and Rosemary are in Sylvester this week visiting Mrs. Harrison's mother, Mrs. Ed Beck.

Mr. and Mrs. Harley Gordon and family moved to Clarendon recently from Amarillo. The Gordons will operate a hardware store in Clarendon. Mrs. Gordon is the daughter of Mr. and Mrs. Louie Goffinet of Memphis whom they visited here over the week end.

Mr. and Mrs. Thos. E. Noel and daughter, Tommie, of Denton visited here with relatives last week. While here, they attended the funeral of Mrs. E. S. West. Mr. Noel also transacted business.

They'll Try To Get Out The Vote

Are you going to vote in the general election November 4? Or, are you one of the 40,000,000 adult citizens of this nation who will stay away from the polls?

These, and other questions may be asked by the members of the Junior Chamber of Commerce who have adopted as their first project a "Get Out the Vote" campaign. They intend to ballyhoo the election with signs, placards and by the use of a public address system. Other things will be done to remind the people to go vote when election day rolls around. Another feature of their vote drive will be free transportation to and from the polling places. This will be offered to all persons who do not have a vehicle for this type of use.

Among the reasons which the Jaycees have considered before deciding upon this project is the fact that only 26 percent of the eligible voters can determine who is going to fix taxes, pass laws, run the government—and individual lives. You might say: why only 26 percent? The Jaycees will tell you that about half the citizens of this country usually vote in general elections; so a majority of those who vote (26 percent) actually make the decisions for the remaining 74 percent.

The Jaycees knows that every good citizen recognizes his own duty and votes because he or she wants a voice in the school board, city council, state legislature, national congress—and the White House.

The members of Memphis' newest organization are now pointing to the election next November 4. But their desire for a large turnout of voters will not end there. They will take an active part in all elections insofar as getting people to polling places.

How will the Jaycees vote? Why, they will vote individually for the man they sincerely think will be the best person to hold office. This decision will be reached after each member carefully weighs the candidates and issues.

But—one thing is certain: every one of them will be voting, and will be helping their neighbors to go to the polls.

QUOTING OUR NEIGHBORS

The Good Book Takes on New Interest

The Bible, for centuries the most widely read book in the world, has taken on new interest with the publication of the Revised Standard Version which is being introduced this week to millions of people all over the world.

The new translation is the work of scores of scholars and theologians spread over a period of 15 years. It is actually a translation from the King James version into the language of today and passages which have been compared show it to be much more understandable to the average reader than the stilted English of the Elizabethan era.

The Bible first appeared in the ancient Hebrew; then it was translated into the Greek by scholars who labored many years over the difficult task of translation from Hebrew. Later, other scholars and theologians translated the Bible

into Latin because that language had become the language of the common man in early Christian era.

Each time there was a translation more and more people were able to read the "Word of God" for themselves. Thus the Bible came to have greater meaning for the individual and was no longer regarded as belonging only to the few scholars and clergy who were able to read it in Hebrew or classical Greek.

King James further advanced the popularity of the Bible when he ordered its translation from Latin to English of his time. Eminent scholars of that period (1600 to 1611) labored over the original texts in the Hebrew, the Greek and the Latin to bring out in the language of the day the King James Version. A little earlier Martin Luther who had pulled away from the Catholic church in Germany, made his translation

from Latin into German (the language of his day) and countless other men had the Bible given to them in a language they understood.

Thus, through the ages the Bible has been brought up to date in its common appearance to the masses of every age.

The Standard Version has already caused renewed interest in the reading of the Good Book by the masses. Thousands of columns of printed word has heralded its release by the publishers. Interest in the history of the Bible has been reawakened. Laymen and ministers all over the English speaking world are heralding the publication with special services to which the public has been invited.

Long recognized as the gem of literature, the Bible has meant much more than that to the people of the world who have received knowledge and enlightenment and inspiration from its pages by con-

Memphis Wins From Hedley—
In a snappy game played here Wednesday afternoon between the local W.O.W. ball team and the Hedley team, Memphis won by a score of 5 to 1.

The Hedley team, however played a better game than the score would indicate, the game being very interesting with plenty of action.

Pat Arnett and Deerwood McCool pitched for Memphis.

The Memphis boys are playing a surprisingly fast game, considering the short time they have had to practice, and give every promise of doing fine work during the summer.

ANITA MURPHY Photo by Memphis Studio

Anita Murphy is Chosen Sweetheart Of Cyclone Band for 1952-1953

Anita Murphy, seventeen-year-old daughter of Mr. and Mrs. E. M. Murphy, was recently chosen sweetheart of the Cyclone Band for 1952-1953.

Anita, who will be 18 come March 3, is a Senior whose brown hair and blue eyes are well known around Memphis High. 'Nita, as her friends call her, stands five feet six and one half inches tall and weighs 128 pounds.

On 'Nita's list of favorites are tennis, a sport in which she excels. Last year she copped the second place title in the interscholastic League Tennis Tournament. Aside from this phase of recreation, her favorite entertainment is listening to the Hit Parade.

'Nita's high school days have been flavored with honors. She was chosen favorite of her Freshman class. Her Sophomore year found 'Nita singing soprano in the sextet and holding an office in the choral club. She served as class officer during her Junior year and placed third in the Beauty Contest.

Anita, who currently plays a flute in the band, has been a member of the Cyclone Band for 5 years.

During the summer months, Anita is employed as a nurse's aid at Odom Clinic Hospital. Future plans include attending Hardin-Simmons University in Abilene after graduation.

Mr. and Mrs. Don Knox and sons of Spearman visited in Lakeview over the weekend.

Mrs. J. H. Morris Gives Account of European Trip

Mrs. N. A. Hightower was hostess to members of the Atalantean Club Oct. 1 at 3:00 p. m. in her home.

The invocation was given by Mrs. W. C. Dickey after which the members responded to roll call. Mrs. S. B. Pallmeyer, president, presided over the business meeting.

Mrs. Henry Foster, program chairman, revealed the afternoon's program topic as "Influence Reflectors." She introduced Mrs. J. H. Morris who spoke of "Pro and Con Reflectors Gleaned from My Trip to Europe."

Mrs. Morris presented her talk in an interesting manner, relating several experiences abroad. She complimented the European people for the way in which they acted toward visitors.

Refreshments were served from an appointed tea table, at which Mrs. Ed Monzingo presided. Present were Meses. C. R. Webster, Earl Allen, J. W. Coppedge, W. C. Dickey, H. B. Estes, Henry Foster, John Fowler, H. J. Howell, T. M. Isham, Claude Johnson, Ed Monzingo, J. H. Morris, J. A. Odom, Myrtis Phelan, S. B. Culture Club of Estelline Meets In Jackson Home

The 1913 Culture Club of Estelline met Tuesday, October 7, for its regular meeting in the home of Mrs. B. T. Jackson.

During the business session with the president presiding the club set Saturday, October 11, for its annual rummage sale. Since the Estelline school has turned out for two weeks, it was voted to postpone indefinitely the coffee honoring the women teachers and the wives of men teachers.

A very clever program portraying "Successful Women" was presented. Mrs. Don Leary gave a sketch on Valentina, the designer. Margo Jones, the play director was presented by Mrs. J. L. Phillips. The life of Mary Margaret McBride, the radio columnist, was reviewed by Mrs. J. L. Mothershed. Sarah T. Hughes was the presentation of Mrs. E. F. Kennedy. The program was concluded with a summary of the life of Eleanor Roosevelt by Mrs. Joe Eddins.

An attractive Hallowe'en plate was served by the hostess to the following members: Agnes Bailey Gladys Ballard, Hazel Cooper, J. Davidson, Alice Eddins, Mary Ellen Eddins, Lillian Jackson, June Leary, Mildred Mothershed, Thelma Phillips, Susie Rapp, Margaret Waldron, and DeAlay Wood.

The guest list included Mrs. E. F. Kennedy and Mrs. Greene of Childress, sister of the hostess.

Cyclones Take 56-0 Victory Over Clarendon

The Cyclone from Memphis High School swept the Broncho eleven from one end of the field to the other Friday night as they ran up the one-sided score of 56-0. Mixing a ground with aerial Coach George Childress' team made two touchdowns each quarter with the exception of the action-packed third, which saw three 6 pointers tallied.

Touchdown plays went through center, through guard, around the ends, and through the air. The variety of attack kept the Clarendon team rocking throughout the

full 48 minutes of playing time. Kennedy was credited with 20 points, Morrison 6, Corley 12 Tamplin 6, Miller 6 and Stevens 6.

In addition to the offensive which was the smoothest seen by local fans this season, the Memphis line was the limelight much of the time. Montgomery gave quarterback Johnson of the Broncho squad plenty of trouble when the latter attempted to pass. Hartman and Moore were also cracking the Broncho line time and again, and Mackie Allen turned

in a first-class performance, being especially effective with tackles.

The game started with a kickoff by Memphis going the goal line. Clarendon put the ball in play on their 20 yard line. On their third attempt, the Bronchos fumbled and Memphis recovered on the 30. Corley went over for a touchdown on the first play, but it was called back. The next play consisted of a pass and lateral with a fumble thrown in, which was recovered by the Cyclones over the Clarendon goal line for the first 6 points. Later in the same period, Corley picked up 22 yards through right guard, Hutcherson caught a pass for 16 more, and Morrison circled left end for 22. Corley then ripped through right tackle for the remaining 12 yards and another touchdown.

On the first play after the second quarter started, Duane Miller carried 5 yards for another touchdown—and again it was nullified by a 5-yard penalty. Frisbie picked up 6 through center, then Tamplin sent over for the 6-pointer. Later Clarendon threatened, going to the Memphis 11. But they lost 9 yards then 6 yards while attempting to pass. Taking the ball on their 30 yard line on downs, the touchdown parade started on the first play when Kennedy took a hand off from Frisbie and circled right end for 70 yards and another 6 points.

Two plays and a 46-yard dash by Kennedy gave the Cyclone six more points to open the second half. Five minutes later, a pass to Gardenhire, who lateraled to Kennedy gave Memphis 6 more points. After the kickoff, the Bronchos fumbled. Memphis recovered, and on the second play, a 19-yard pass to Stevens gave the local team six more points.

In the fourth quarter, Corley flashed to pay dirt again, going

Local Pastor's Parents Chosen Christian Couple

Observance of the publication of the new Revised Standard Edition of the Bible, the General Assembly of the Presbyterian Church in the U. S. A. in Dallas, Tex., will be the subject of a ceremony held last night in the Will Rogers Memorial Presbyterian Church.

Local interest in the selection of the new Bible is being shown by the typical Christian couple, the parents of Arthur Morris, pastor of the Memorial Presbyterian Church.

At the Star Telegram Press Club, an article and picture of the new Bible was presented by Louise Hooper, tells of the ceremony of the Morris family to the church-going family of Mr. and Mrs. Morris, of Beulah, Okla., who were told of the new Bible at the regular Sunday services at the Memorial Presbyterian Church.

Their reaction was one of interest.

Morris has three other children besides their son in Memphis. Their other son, Charlie (Berk) Morris is also a

Presbyterian minister. His church is located in Prairie City, Ill. The Morris girls also followed the religious fields. One daughter, Mrs. William B. Teems, of Ft. Worth received a degree in religious education from TWC, and only marriage changed her plans to be a full time director of religious education in a church. Eighteen-year-old Jeanette, a TWC sophomore, is majoring in religious education.

stant reading and study.

The Christian devoutly believes the Word of God.

It is the Good Book—and this new version will make its meaning clear because it is written in the language the average man speaks on the streets today.

It is fairly safe to say that it will lead all other books in sales during the years to come—just as it has for many many years in the past.

Count Your Blessings

In all the talk of high prices, a few important facts are often overlooked.

One of these facts is that America has the highest living standards in the world, by tremendous margin. Nowhere else does the average family enjoy such an abundance

THE BAFFLES By Mahoney

of both necessities and luxuries.

Another is the fact that in America the average wage-earner has to work much less time to earn enough to buy food, a car, a suit of clothes, or practically anything else, than in the other nations of the world.

Still another is that—because of our system of free competitive enterprise—we have a system of production and distribution of goods and services which is absolutely unrivalled.

As an example, the retail store you take for granted is so far superior to its counterpart in most other countries as to be beyond comparison. That goes for big stores and small ones, chains and independents. Foreigner after for-

eigner, on their first visit to America, have been actually awed by the endless and infinitely varied arrays of foods and manufactured wares. And they've been amazed by the fact that almost everything which is displayed and sold is within the means of the average family. Many of the things we look upon as near-necessities are regarded as unobtainable luxuries in other lands.

So next time you enter your favorite retailers' establishment see it with fresh eyes. See it for what it is—the show window of America. And count your blessings.

OCT-12-18 THIS IS OIL PROGRESS WEEK

Progress 1952

Texans have a natural interest in the oil industry, which is so important in our State, and in the progress made since Oil Progress Week was last observed. Here are a few quick facts:

New Wells—During the twelve months ending August 31, 1952, the Texas oil industry drilled 17,000 new wells, at a cost of over \$700 million. Most of the expense of drilling these new wells is paid from earnings plowed back into development of the State's oil resources.

Production—Production has reached a record level. Texas currently is producing about 46 per cent of all the crude oil produced in the U. S. In the year ending August 31, Texas production totaled about 1,015 million barrels. There are now 133,800 producing oil wells in Texas.

Refining—The Texas refineries will have a big year. They now employ, in round numbers, 46,000 Texans, and process about 28 per cent of all the oil refined in the U. S. The daily refining capacity of all Texas refineries exceeds 2,000,000 barrels. A program to expand and improve these facilities has been general throughout the industry.

Taxes—The Texas oil industry continues to be the largest tax-payer in the State. Through the year ending August 31, gross production taxes alone on Texas oil and natural gas amounted to more than \$137 million; in addition, the industry pays large amounts in other taxes.

Reserves—Proved oil reserves in Texas of 18 billion barrels represented 57 per cent of the U. S. total at the beginning of 1952. During 1951, the last year for which figures are available, proved reserves increased two billion barrels. These are developed oil reserves and the figure is important: developed reserves supply our needs currently and provide reserve capacity that is immediately available when we need it.

Transportation—The total mileage of trunk pipe lines for oil and finished products is over 29,000. This low-cost transportation system is a major factor in maintenance of the low prices you pay for petroleum products.

HUMBLE

TEXAS OPERATIONS

Twelve Months Ending August 31, 1952	
Wells Drilled	17,000
Average Production, in barrels daily	330,100
Employees in Texas, August 31	17,775
Crude Refinery: Average crude runs to stills, in barrels daily	249,310
Humble Pipe Line Co. operates 5,395 miles of trunk lines for oil and finished products, which had transported a daily average of 722,600 barrels in the year ending August 31.	

In brief, the Texas oil industry during the past year continued to do its part in meeting the demand for oil. It has expanded pipelines to provide low-cost transportation. It has improved facilities for making more and better petroleum products for your use. Today, two gallons of gasoline do work that required three gallons in 1925; and the gasoline costs no more than it did then.

In ordinary mattresses (left), wired-together springs sag down together. In Beautyrest (right) all 837 springs are individually pocketed—act separately—can't sag.

A. Slant of black tape on spine of figure on ordinary mattress betrays that wired-together springs sag down together. Result: distorted body, improper rest.

B. BEAUTYREST IS POSTURE-RIGHT. Straight line of tape on spine of figure on Beautyrest shows that each coil adjusts to weight above it. Result: perfect support, correct alignment of organs, healthful sleep.

BEAUTYREST LASTS LONGER
Torture tests by U.S. Testing Co. prove Beautyrest can take it. Beautyrest lasted twice as long as any mattress tested. Simmons guarantees Beautyrest for 10 years!

Formal Installation and Initiation Is Held by Memphis Chapter of FHA

By BOBBIE NELL LONG
The Memphis chapter of Future Homemakers of America's formal installation and initiation was held in the cafeteria Oct. 13 at 7:00 o'clock.

While the guests were seated the officers came into the candle-lighted room to the melody of Star dust.

Nancy Brewer, out-going president, lighted a red candle symbolizing the flame of Home Economics. Marthlyn Burnett, out-going parliamentarian, lighted two white candles representing the first two purposes. Yvonne Sturdevant, out-going reporter, lighted two white candles representing two more purposes. Shirley Miller, out-going secretary, lighted two white candles and Billye Hartman, out-going historian, lighted the last two white candles.

Each in-coming officer repeated the pledge to the office for which they were elected.

Glenna Widener, parliamentarian, presented new members as candidates for membership. Carol Ann Monzingo, secretary-treasurer, reported that the record of each candidate was clear and that each candidate was eligible for membership in the Memphis chapter of F. H. A. Bobbie Nell Long, reporter, and Nancy Brewer, song leader, again reviewed the purposes for the benefit of the new members. Following Anita Hartwell's explanation of the creed and emblem, the initiation and installation ended with the entire club singing the F. H. A. Prayer Song. A get acquainted game, "Gos-

sip" was led by Betty Floyd, social chairman, in which the guests who were mothers and teachers were introduced.

Mary Frank Garrett presided at the punch bowl and was assisted by other members of the social committee, Wynema Edwards, Ju. anella Goffinett and Della Jo Kennedy.

During the short business session, the F. H. A. Ideal for the year was elected. This election is something new for the club and it is quite an honor for the boy who meets the high standards of the F. H. A. club as an ideal. This year the honor goes to Gayle Monzingo.

Another business matter discussed was the club's attending church together on November 9, the close of the National F. H. A. week. It is traditional that the club do this each year. Last year the club attended the Presbyterian Church, the year before the Baptist Church, and the year before that the Methodist Church. This year the club will attend the Christian Church.

Approximately 80 people were present.

Visiting in the Frank Goffinett home Sunday were Mrs. Goffinett's mother, Mrs. Janie Richardson and her sister and brother-in-law, Mr. and Mrs. J. P. Long of Amarillo. Also visiting were Mrs. C. E. Richardson and daughter and Mr. and Mrs. Dean Collins, also of Amarillo.

'Musical Musings' Is Program Theme At Harmony Meet

The Harmony Club met in the home of Mrs. Charles Meacham Wednesday, Oct. 8, at 4 p. m. with Mrs. Dick Shelton and Mrs. T. A. Hunt sharing hostess duties.

Mrs. D. L. C. Kinard presided over the business session, during which the club members voted to help with the Founder's Day program.

"Musical Musings" was the topic of the afternoon. Mrs. Henry Foster, program leader, reported on an article of interest which concerned the life of a German family. The title of the story was "Bringing Up My Boy Without Television."

The following musical numbers were presented: "Barcarolle" by Godard, Mrs. T. A. Hunt; Theme from Piano Concerto in A Minor by Grieg, Mrs. Lloyd Hamilton; "You Ought to Hear Me Hum" by Pickens; "Begin the Beguine" by Cole Porter, Sextet consisting of Mmes. Dick Shelton, Richard Highfill, D. L. C. Kinard, Ed Monzingo, Dick Fowler and C. H. Compton. The sextet was accompanied by Mrs. Carl Smith at the piano.

Pumpkin pie, coffee, and mints shaped like pumpkins were served to Mmes. C. H. Compton, I. G. DeBerry, Andy DeWees, Henry Foster, Dick Fowler, Gordon Gilman, R. S. Greene, Lloyd Hamilton, Richard Highfill, Carl Smith, Clyde Milam, Conley Ward, Bluford Walker, T. L. Rouse, D. L. C. Kinard, Miss Esta McElrath and the hostesses, Mrs. Dick Shelton and Mrs. T. A. Hunt.

PROCLAMATION

Whereas, Monday, Oct. 20 is the beginning of another fiscal year for the American Legion, the largest veterans organization in the history of mankind, and

Whereas, the department of Texas through its executive committee and its state commander, Albrecht D. Brown, has set aside the above date for special emphasis upon the American Legion and its program, and

Whereas, the Simmons-Noel Post of the American Legion has over a long period of years contributed to the welfare of this community and area and has constantly fought for veterans' benefits and for the widows and orphans of veterans;

Therefore, I, O. L. Helm, as mayor pro tem of the City of Memphis, do hereby proclaim Monday, Oct. 20, as "L" Day in honor of the American Legion and urge all citizens and veterans to give special consideration to this great patriotic organization upon this day as its members go forth to get members for 1953.

Given under my hand and seal this 14th day of October, 1952.

Warning Issued

(Continued from Page One)

The price quoted does not include the state tax stamps of 40 cents per carton. Stamps must be purchased and placed on each package and the purchase must be reported to the comptroller or the user will be subject to heavy penalties, Calvert warned.

The mere possession of cigarettes not bearing the state tax stamp is punishable by \$25 to \$200 fine. Failure to report the purchase of unstamped cigarettes is punishable by maximum fine of \$5,000 or two years in prison or both.

Unless this falsely glittering offer is refused by citizens of this state the State Available School Fund, Old Age Pension Fund and the fund for state hospitals and special schools taking care of unfortunate state wards will suffer a substantial loss as will local legitimate dealers, Calvert said.

Any person receiving literature as described should contact the comptroller in Austin or any one of the branch offices. Communications may be addressed to Box 309, Amarillo, or the Lubbock National Bank Bldg., Lubbock.

Cotton Festival

Both Memphis Explorers and Scouts have been issued an invitation to attend along with all 87 units within the Adobe Walls Council of the Boy Scouts of America, he said. Scout Executive Paul Beizenherz of Pampa will be in charge of Scout activities.

"All persons attending will find a full-fledged carnival within the Festival grounds," Harris said. "They will also see exhibits, concessions, street entertainments, fireworks and the Grand Parade, which is scheduled for Saturday, Nov. 1."

The Amarillo Air Force band will head the parade. Also appearing will be approximately 10 bands and 25 floats. Fireworks the coronation, queen's ball, and many other events will keep visitors busy both days, the chairman added.

The Finch & DeWees Implement Co. of Memphis is joining with Al Chalmers dealers from Clarendon and Wellington in setting up one of the largest equipment displays to be featured at the Festival, it is reported.

great deal of action according to the coach. Cleve Evans has been moved up to the first squad, and may relieve Frisbie a few times at quarterback during the game. Sustaire and Davis will be called upon several times to carry the ball against the Eagles.

Other games Friday night by 3-AA teams will be: Dumas at Wellington; Electra at Paducah; Childress at Vernon, and Shamrock at Phillips.

Seasonal standings of the teams

In this district show Memphis with four wins and one tie; Wellington won three and lost two; Childress won two and lost three; Paducah lost four, and Shamrock won one and lost three.

IN MEMORY OF LEE BLOXOM

headquarters placed in the mail quotas to local boards calling for examination of 7,655 men in November.

"This does not mean that every young man 19 years and 11 months old will be examined," Lt. Col. Morris S. Schwartz, deputy state director said. "Local boards are required to send all those 21 and over first, then dip into the 20-year-old group, then below 20 if necessary."

"We are lowering the minimum age level," he continued, "just as a safety measure. If a local board can't fill its quota with older men, this authorizes the board to call on the men who have reached 19

years and 11 months. "The manpower situation is getting tight enough that we are afraid some local boards might not have enough men if we held to the 20-year minimum," Colonel Schwartz concluded.

State draft headquarters last week also mailed November quotas for induction to all state local boards, involving orders to report for induction for 2,802 men.

A state quota calling for the re-examination of 942 4-Fs was mailed to local boards having such 4-F registrants. Altogether, a total of 11,399 Texas men are scheduled to be transported for examination, re-examination, and induction during November.

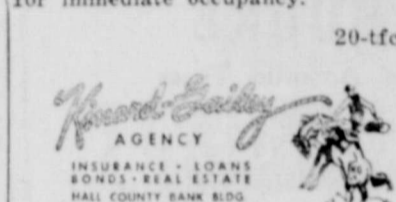

Both examinations and inductions will be held in Abilene, Amarillo, Corpus Christi, Dallas, El Paso, Houston, San Antonio and Shreveport.

Mr. and Mrs. W. B. Funk had as guests Tuesday afternoon Mr. and Mrs. Edd True of Clovis, N. M., and Mr. and Mrs. Snowed True of Hale Center. The True brothers were Mr. Funk's pupils in 1896 and 1897 at Rusk Branch in Wise County. This was their first meeting in 44 years.
