## Engineer's Report Puts Site of Proposed Upper Salt Fork Dam North of Memphis

### CONSTRUCTION WOULD BE FINANCED BY REVENUE FROM WATER USERS

A proposed dam on the Upper Salt Fork of Red River, a project on which a group of area residents have been working for about three years, should be located about 18 miles north of Memphis, according to the engineer's report which was received here Friday by local officials of the work... (Text continues in columns)

## RAIN!!

Reports received in Memphis this morning indicated that some points in the area had heavy rains during the previous six or eight-hour period. Other points had only showers but moisture appeared to be general... (Text continues in columns)

## Expect To Finish Laying Water Line On Seventh Today

Work of installing a 6-inch water main on the west side of South Seventh Street between Robertson and Mendon was expected to be completed today, barring unforeseen trouble, Bill Coursey, manager here for Community Public Service Company, said Wednesday... (Text continues in columns)

## County Residents In Amarillo For President's Visit

A group of Hall County residents were in Amarillo Friday for the visit of President Dwight Eisenhower and six state governors... (Text continues in columns)

## County Residents In Amarillo For President's Visit

Woolverton's survey indicated that the lake would have a dependable yield per year of approximately 25,000 acre feet. After the above-listed municipalities' present maximum needs were met, there still would be about 18,650 acre feet per year left for other purposes, the Austin engineer concluded after studying his survey... (Text continues in columns)

## Memphis And Lakeview Bank Deposits Off Nearly Million Dollars Past Year

Deposits in the two Memphis banks and the Lakeview bank at the close of business June 30 were nearly a million dollars less than a year ago, according to statements made in response to calls by federal and state banking authorities... (Text continues in columns)

## COUNTY ISSUES STATEMENT ON 1952 FINANCES

Elsewhere in The Democrat readers will find a statement of receipts and disbursements of all funds of Hall County during 1952. Figures include those of the jury fund, general fund, court-house and jail fund, road and bridge funds of the four precincts, courthouse bond sinking fund, consolidated road district 1 fund, road district 3 sinking fund, road district 4 fund, road district 4 bond fund, escrow 602A fund, permanent school fund, available school fund, road and bridge special fund, consolidated road district 1 bond fund, and social security fund... (Text continues in columns)

## Suggestions On Feeding Livestock In Drouth Areas Given By County Agent

Feeding to keep livestock alive is one thing while feeding to keep them producing is another, according to W. B. Hooser, county agent... (Text continues in columns)

## City Playground Named 'Thompson Community Park'

The playground in northeastern Memphis has been named "Thompson Community Park." The announcement was made this week by George Washko, president of the Memphis Junior Chamber of Commerce, one of the sponsors... (Text continues in columns)

Business men of Memphis are getting industrious these days. When I came to town early this morning, I saw wet sidewalks and presumed the merchants had swept and rinsed the walks. About that time, I heard pattering on my car top, and lo and behold, found it was not an artificial sprinkling, but the real God-sent Krick water coming down out of the clouds. The word "propitious" may well be used here, for the outlook for that long-felt drouth-breaker to visit this section is VERY propitious. (we hope).

On their trip to Florida last week, Reader No. 1 Hattye Dem Thompson, who is with the Ed Thompson party, sent a post card from Meridian, Miss., showing a picture of a cotton field. (Continued on page 12)

### Attorney General Shepperd Concludes Series On Work Of 53rd Legislature

In a previous article mention was made of six of the eleven proposed Constitutional Amendments which will be voted upon by the people in November, 1954. The five proposals not previously covered are:

- (1) Permitting the Legislature to determine the salaries of certain officials. The Constitution now sets the amount.
  - (2) Raising the limit of welfare expenditures for aged, blind, and needy children.
  - (3) Prohibiting the State from lending credit of the State to any individual, or corporation, etc., for toll roads.
  - (4) Requiring each county of less than 10,000 population to have a Tax-Assessor and Collector, beginning January 1, 1955.
  - (5) Permitting employees of the State and political subdivisions to be under the old age and survivors insurance of the Federal Social Security.
- A Small Claims Court with reduced expenses and costs was created to handle claims up to \$50; or, where a dispute is over wages or salaries, the claim can be as much as \$100. The Justice of the Peace serves as the judge of this court.
- There were also a number of

new laws concerning juries and jury service. Only dentists, doctors, and attorneys in active practice may be exempt from jury service. (Formerly 21 different occupational groups could be excused). Jurors in the county and district courts and grand jurors will now receive between \$4 and \$5 per day, the exact amount being set by the county commissioners' court.

The commissioners' court may also provide that jurors in felony cases be fed and lodged by the sheriff in addition to receiving pay for their services. Changes were also made in the amount of fees collected by justices of the peace, the county courts and county courts at law.

When stock is found running at large they can be impounded and the owner required to pay a new fee for the keeping of the animals. The fee is graduated from 15c to \$1 per head per day depending upon the type animal and whether impounded by a public pound or private individual.

It is now a criminal offense for cattle to be on a state or national highway. The provisions for stock law elections were also revised to permit elections concerning the confinement of a particular class

of animal.

A number of changes were made in local government. A total of 126 laws were passed dealing with counties and county officers while 52 laws were passed dealing with municipalities; and 54 bills dealt with schools and universities.

Bills on water, municipalities, counties and schools made up a little more than 50 per cent of the total number of bills sent to the Governor for signature.

In these articles I have attempted to list the bills which, although important, have almost escaped notice. I cannot close without noticing that of the 41 bills submitted to our office for opinions, almost half were held void for legal reasons.

I would recommend that the following steps be adopted by the Legislature to avoid legal pitfalls:

- (1) Submit all bills to the Legislative Council or other technical agency by November 15 before the January sessions, so that they could be printed and checked before the session by members and by the Attorney General.
- (2) Print all debate by the members for later reference by the Legislature, the courts and the Attorney General. Only in this manner can the true legislative intent be determined.
- (3) Take a two-week mid-session recess to return home and consult voters in their districts on major issues.

**MEDIC HONORED** . . . Dr. Lloyd T. Koritz, 26, of Chicago, received Walter Reed Society award for courageous experiments resulting in new methods of artificial respiration.

### BRICE

Relatives who visited in the T. W. McAnear home Sunday were Mr. and Mrs. William Davis and three sons of Los Angeles, Calif., and Mr. and Mrs. Durwood Ray and family of Clarendon.

Mr. and Mrs. Roy Allred were in Silvertown Sunday visiting their daughter, Mrs. Shape Weaver, who is ill.

Mr. and Mrs. Preach Weaver and family visited Saturday in Dumas with relatives.

Mrs. Ben Brock and son, Benny, and Mrs. Hains and Pat of Amarillo visited Thursday and Friday with their parents, the John Hatleys.

Mr. and Mrs. Floyd Holcomb of Stinnett visited Friday with the Starr and J. C. Johnsons.

Charles Osborn, who has been visiting his parents, Mr. and Mrs. D. P. Osborn, left Thursday for Arizona where he will be employed. Mrs. Osborn and Clint will join him there later.

Mrs. Buck Johnson, Jimmy and Buzzy and Mrs. Wick Watson of Memphis visited relatives in Amarillo Monday.

Mr. and Mrs. D. P. Osborn visited in Memphis Sunday with her brother, Mr. and Mrs. Kerbie Hagins.

Mr. and Mrs. Ben Moss and children of Memphis spent the weekend with her parents, the O. B. Rampys.

Mr. and Mrs. Zack Salmon spent Saturday in Clarendon with her brother, Mrs. Churchman.

Mr. and Mrs. John Hatley spent the weekend with relatives in Oklahama.

J. J. Welcher, son of Mr. and Mrs. Jeff Welcher, was a visitor in El Paso and Old Mexico the past weekend.

### Unusual Amount Of Dysentery In Texas This Year

AUSTIN—Commenting on the unusually high incidence of dysentery in Texas at the present time, Dr. Geo. W. Cox, State Health Officer described dysentery as being an infectious disease characterized by diarrhea, pain in the abdomen, and toxemia. It is caused by a specific bacteria germ. These germs cause inflammation of the lining of the intestinal tract which produces pain throughout the abdomen and the discharge of many loose stools that frequently contain blood and mucus. Toxemia results from absorption of the poisonous substances produced by the germs.

"The germs gain entrance to the body through the mouth," Dr. Cox said, "and then make their way to the intestines in the same manner in which food does. When they reach the intestines they find conditions favorable to their growth, and there they establish themselves at the expense of the person infected and produce their harmful effects."

Dr. Cox warned that dysentery affects young children more often and more seriously than adults, frequently resulting fatally! However, he said it may occur at any age. It is usually more prevalent during the summer season, and the great number of cases now being reported are unusual for spring.

"The germ is always expelled with the excreta of persons sick with dysentery and may continue

to be expelled for some time after the patient recovers from the disease. Those persons who still discharge the germs after they recover are called carriers, and they occur more frequently in this disease than in the majority of other infectious diseases.

"Food protection and adequate sanitary measures are more urgently needed now than before if we control the possibilities of epidemic in this State."

Mr. and Mrs. T. E. Amarillo visited Mr. and Mrs. Prather, over the week

### It stands to reason... Chevrolet trucks must be the best buy!

Big truck users, small truck users, all users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want.

When you stop to think about it, the best proof of outstanding value in any product is continued public preference. That's the way it is with Chevrolet trucks. They're the best selling trucks in America today... for the twelfth straight production year.

This is a mighty important fact to consider before you buy your next truck. You want to consider that, while Chevrolet trucks give you more features you want, they're the lowest-priced truck line of all! Come in and talk it over with us.

### Hospital Shower In Meacham Home Nancy Stanford, Bride-Elect

Nancy Stanford, bride elect of Clarendon, had a hospital shower Saturday evening in the home of Mrs. C. C. Meacham. Meacham, Carl Harrison, R. C. Lemons, O. R. Goodall, Wylie Whitley, C. L. Goodall, Joanna Davis, Beryl Davis, and a miscellaneous group of friends were present.

### Hill-Archer Vows Are Read June 30 In Oklahoma City

In a double-ring ceremony performed on June 30, Miss Patricia Lou Hill, daughter of Mr. and Mrs. I. C. Hill of Oklahoma City, became the bride of Sgt. Kent Willard Archer, son of Mrs. Blanch Archer of Memphis.

Rev. R. K. Thompson, pastor of the Chason Place Baptist Church, read the marriage service in the home of the bride's parents.

The bride wore a ballerina-length dress of white lace over pink satin. She carried a bouquet of pink and white carnations showered with white satin streamers.

Mrs. B. P. Kinsey, sister of the groom, served as matron of honor.

B. P. Kinsey was best man. Immediately following the ceremony, the bridal party was feted with a reception.

Following a short wedding trip to Carlsbad Caverns and other scenic points they will be at home at 3531 S. Delmar Ave., Tucson, Ariz., where Sgt. Archer is stationed at Davis-Monthan Air Force Base.

### Newlin Mothers Meet Thursday

The Newlin Mothers Club met Thursday, July 9 in the home of Mrs. Bill Kesterson with Mrs. J. M. Robinson as assistant hostess.

Nine members answered roll call and three guests, Mrs. Reid Roberts, Mrs. W. C. Prater and Mrs. Prater's mother, Mrs. Easter Wood of Amarillo.

During the business meeting, presided over by Mrs. Elmer Gardenhire, vice-president, it was decided that the annual picnic would be held Saturday evening, July 12 at the home of Mr. and Mrs. D. C. Lawrence at Newlin. A date will be set later for the cemetery working.

The hostesses served homemade ice cream and angel food cake.

The next meeting will be held in the home of Mrs. Don Sweatt with Mrs. Tom Sweatt as co-hostess.

### Methodist Class Enjoys Luncheon

Members of the Truth Seekers class of the First Methodist Church enjoyed a luncheon at the church Thursday, July 9.

Following the luncheon, Mrs. C. E. Gowan, president, conducted a business session and a short program was presented. All officers and teachers were re-elected for another year.

"What a Friend We Have in Jesus," the class song, was sung as the opening hymn. Mrs. C. Gerlach brought the devotional using for her text "Liberty is Our Calling," a sermonette by Dr. Edward L. R. Elson.

Mrs. W. I. Glosson led in prayer and Mrs. L. C. Yarbrough brought a story titled "Come Without Warning." Mrs. J. W. Burks conducted the Bible lesson. The group then sang "Blest be the Tie That Binds," and Mrs. Ella Johnson led the Lord's prayer.

Members enjoying this affair were Mrs. Wm. Gerlach, J. M. Baker, Guy Kercheville, W. I. Glosson, C. Gerlach, L. C. Yarbrough, A. B. Jones, C. E. Hankins, J. W. Burks, R. S. Bradley, C. E. Gowan, Pearl Massey and Ella Johnson.

Mr. and Mrs. W. Clifton and daughter of Lamar visited his mother, Mrs. W. T. Clifton, over the weekend.

### Adcock Family Holds Reunion In Anton July 12

Several members of the Adcock family of Memphis went to Anton Sunday, July 12, to attend a family reunion. The affair was held in the home of Mr. and Mrs. J. T. Whitten with 46 relatives and one visitor in attendance.

Going from here were J. A. Adcock, Mr. and Mrs. Oren Adcock and family, Mr. and Mrs. E. H. Saunders and family and Mr. and Mrs. Thurman Eller and son, and Mrs. M. L. McCanne.

Other relatives present included Raymond Adcock and family of Wichita Falls, Joel Adcock and family of Midland, Arthur Adcock and family of Midland, Elbert Lewis and family of Hobbs, N. M., Andy Hamel and family, J. B. Whitten and family, R. B. Smith and family, Mr. and Mrs. Dalton Lindley, Glen Saunders and Tony Boone, all of Amarillo and Mr. and Mrs. J. T. Whitten and family of Anton.

### Doyce Durrett Is Party Honoree On Birthday Thursday

Mrs. V. C. Durrett entertained with a swimming and slumber party on Thursday evening to honor her daughter, Doyce, on her 13th birthday anniversary.

After enjoying swimming at the Memphis pool, the group returned to the Durrett home for refreshments.

Attending were Sharon Brown, Dixie Osborn, Nelda Jones, Martha Reed, Deborah White, Patsy Neighbors, Maurice Revell and honoree, Miss Doyce Durrett.

### Melissa Barbee Is Party Honoree On Third Birthday

Little Miss Melissa Barbee, three year-old daughter of Mr. and Mrs. J. H. Barbee, Jr., was complimented with a birthday party on Friday morning when her mother entertained in her honor. The party was held in the home of Melissa's

grandmother, Mrs. E. T. Prater. A circus motif was featured in party decorations. The birthday cake was topped with a small circus tent which sheltered small miniature clowns and animals. Giant balloons were given as favors.

Ice cream and cake was served to the following guests: Cathy Pyeatt, Judy Burleson, Sherel and Ferel Shelton, Rege Fowler,

Tony Pounds, Judy and John Treeman Elliott, Jack Holland Wolfe, Cindy and Grenda Gresham and Donnah McCulloch. Also Mrs. Dick Fowler, Mrs. Benny Pyeatt, Mrs. Homer Burleson, Mrs. Dick Shelton, Mrs. T. O. Pounds, Mrs. Harmon Elliott, Mrs. Roy Gresham, Mrs. Jack Wolfe and the honoree and hostesses.

Darrell Grundy of Amarillo visited here with friends Sunday.

## FIRST STATE BANK

Member F. D. I. C. Memphis, Texas

**Locals and Personals**

**Mr. and Mrs. J. N. Coursey of Hollis, Okla., were visitors Sunday in the Claude Prather home.**

Visiting with friends in Lubbock Sunday were Mr. and Mrs. Jeff Welcher.

Mr. and Mrs. T. J. Bridges and grandson, Randy Smith, returned Sunday night from a nine-day outing in the Eagle Nest country of northern New Mexico. Randy is the son of Mrs. O. M. Smith of Pasadena, daughter of Mr. and Mrs. Bridges. Bridges said blankets felt good at night. He added that fishing was fair. The Bridges saw several good rains while gone.

Mrs. U. C. Ervin left Friday for her home in Nashville, Tenn., after a two-weeks visit with her father, Charles Drake. Mr. Drake accompanied her to Amarillo and attended the public meeting of farmers and ranchers in the Municipal Auditorium. Governors of seven states were present and President Eisenhower made a brief address.

A/2C and Mrs. Victor Alvin Shelton, 424 West Prescott, Salina, Kan., announce the arrival of a daughter, Cynthia Kay. The baby was born June 25 and weighed 8 pounds and 3 ounces.

Mrs. Ray Childress and daughter, Connie returned recently after a three weeks visit in Austin with their mother and grandmother, Mrs. J. H. Read. They also vacationed one week in Galveston and were accompanied by Mrs. Childress' sister, Mrs. Ouida Baldwin.

Ed Foxhall, Dr. O. R. Goodall and daughter, Betty and Dr. Goodall's mother flew to San Antonio recently. Mrs. Goodall remained in San Antonio to visit with a daughter. Dr. Goodall's parents are spending the summer here.

Mrs. Whitey Middleton and son left recently for California where they will visit with Mrs. Middleton's sister and brother. They planned to be gone two weeks.

Texas pastures and ranges on June 1 were estimated at 75 per cent of normal. This is the lowest reported condition on this date since 1925.

**RAYMOND BALLEWS RETURN FROM TRIP**

Mr. and Mrs. Raymond Ballew and Monte returned Tuesday night from a trip through the Midwest. They left here Thursday, June 25.

While gone, the Ballews visited at South Bend, Ind., with a son, Raymond Ballew, Jr., and family, and at Benton Harbor, Mich., with a daughter, Mrs. Henry Fisher, and family. From there, they traveled through Illinois and Wisconsin to Rochester, Minn., where they stopped at Mayo Bros. They stayed there six days.

Ballew said there were good crops and plenty of moisture everywhere except in this region. He said it was cool while they were gone and they had a wonderful trip.

**design school and business clinic. He left here Sunday.**

The event was built around an intensive, daily-session design school, a practical business clinic and business meetings.

The Texas Farm and Ranch Safety Committee urges every citizen to be careful with fire. Pastures, ranges and woodlands are in critical danger and as never before every pound of forage is needed by livestock. The continued hot, dry weather is increasing the fire hazard and the committee recommends that communities organize for fighting grass and woods fires.

**Club Members**  
**Nation-Wide**  
**Campaign**

The largest volunteer organization for a peaceful world is now "invading" rural communities across the Nation. It consists of more than 600,000 4-H Club girls whose objective is to help the people of the world to prevent wars and fires which result in deaths and 1 1/2 million unemployed farm people, as well as destruction of millions of acres of buildings and crops annually.

Percent for 36 per cent of accidents in farm homes per cent outside. More per cent of all fatal accidents working with farm machinery tractors, and over-

AND ANOTHER FEATURE OF THIS TIGER SPECIAL IS THE POWERFUL 350 H.P. ENGINE...GREATEST EVER BUILT!

AND THIS FEATURE-GYRO-POWER-STEERING AS STANDARD EQUIPMENT! AND YET ANOTHER GREAT POINT OF THIS LITTLE BEAUTY IS THE JET-O-MATIC TRANSMISSION. THIS CAR IS FULL-JUST FULL OF OUTSTANDING FEATURES!

I KNOW A BAD FEATURE YOU DIDN'T MENTION.

W-WHAT?

THE PRICE! I CAN'T AFFORD IT!

turning accounts for more than half of the tractor accident fatalities.

Safety experts give considerable credit to the contributions made by 4-H'ers for the reduction of one-fifth in the number of fatal accidents to farm people in 1951—the last year for which estimates are available—from the estimated annual rate in 1941, the first year of the National Farm Safety Wtek, which will be observed this year July 19-25.

Illustrative of the 4-H'ers do "approach" to the accident problem, a Tennessee club girl reported that she picked up broken glass, rusty nails protruding from boards, and other sharp articles in the farm lot; helped her father and brother become safety conscious in working with farm machinery; had a ladder with two broken rungs repaired; persuaded her mother to use a step-ladder in reaching high places in the house, and to always wipe up grease or water immediately if it is spilled on the floor.

A Texas 4-H boy reports that their farm tractor often was filled with gasoline to overflowing when the engine was warm. He caled this unsafe practice to tht

attention of his father and brother and now the tractor is filled correctly. His small brothers frequently asked to ride on the tractor, but this safety enthusiast taught them to understand how hazardous it was to hitchhike a ride on a tractor.

Similar reports of the 4-H'ers participating in the National 4-H Safety program are legion. Instead of using "don't" admonitions, expressions such as "Let's Correct This Hazard" prevail.

Outstanding 4-H records of achievement in safety are rewarded with awards provided by General Motors for the ninth consecutive year. They include sterling silver medals for the blue award group in each qualifying county, and an all-expense trip to the National 4-H Club Congress in Chicago next November for the state winner. Six state winners will be chosen to receive a national award, which is a \$300 college scholarship. A handsome plaque, appropriately embossed, will be awarded to the county reporting the most outstanding county-wide 4-H safety program.

The National 4-H Safety program is conducted under the direction of the Cooperative Extension Service.

**LIBERTY**

By Mrs. W. F. Hodnett

Mr. and Mrs. Floyd Stepp and family visited in the home of Mr. and Mrs. George McGuire Friday night.

Mrs. Willie Smith is visiting in the home of her daughter and family, Mr. and Mrs. Ray Opella, in Memphis.

Mr. and Mrs. W. F. Hodnett and Carolyn, Mr. and Mrs. A. C. Hodnett and Vera of Amarillo, Miss Minnie Cantrell of Cheyenne, Okla., and Mrs. Guy Edens of Brice spent a few days last week in Gatesville and Lockhart visiting friends and relatives.

Mrs. Doyle Edens and Darla Sue visited in the home of his grandparents, Mr. and Mrs. W. F. Hodnett Thursday.

Willie Mitchell is in the Odom Hospital this week. We hope he will be home again soon.

Jimmie Lee Hodnett is visiting his grandparents this week.

Mr. and Mrs. Floyd Stepp and family will leave this week for Jasper, Ark., for a few weeks vacation.

**Pvt. O. C. Archer Arrives In Japan**

Army Private O. C. Archer recently arrived in Japan for duty with the 24th Infantry Division. He is the husband of Mrs. Nadine Archer, and the son of Mr. and Mrs. Cloyd Archer, all of whom live here.

Private Archer is a member of the 21st Regiment. He entered the Army in December and received basic training at Camp Roberts, Calif.

The 24th Infantry Division, which fought in Korea for 19 months before being relieved early last year, is part of the security forces for the Japanese Islands. The division is now receiving intensive field training.

**REVIVAL AT NEWLIN CHURCH**

A one-week revival is scheduled to begin at the Newlin Missionary Baptist Church, Sunday. The pastor, Elder Elvis E. Pitts, will do the preaching, with services starting at 8 o'clock each night. The revival will end, Sunday, July 26. Everyone is invited to attend.

W. E. Ewen of Long Beach, Calif., arrived last week to spend several weeks here visiting with his sister, Mrs. J. T. Nelson.

**Here's the most for your truck dollar — the price tag proves it!**

**GMC HYDRA-MATIC TRUCKS**

WHEN you look at a light-duty truck price, you've got to know what you get for your money.

In a GMC, it gets you Dual-Range Truck Hydra-Matic.\* 3 speeds for stepping smartly through traffic—4 for economical open highway travel. Clutch repairs or replacements are never necessary. Engine and drive line can't be strained. Getaways are quicker at every stop.

In a GMC, it gets you 105 horsepower and 8.0 to 1 compression. Up to 19% more power than comparable sixes offer. Crisper response. Mileage noticeably better. And you get all this on non-premium fuel.

In a GMC, you get: new, self-energizing brakes—Synchro-Mesh transmission—recirculating ball-bearing steering—a 45-amp. generator—double-acting shock absorbers—a big, "Six-Footer" cab.

Remember, a GMC price-tag gets you all these things. That's what makes a GMC the biggest bargain you've ever driven! Come in and see for yourself!

*\*Standard equipment on Package Delivery model; optional at moderate extra cost on all others.*

Make your double-date with a "Rocket 8".

*\*Optional at extra cost.*

### State And County Officials Here For Meeting Of Bureau

A number of prominent visitors are slated to be present Monday night, at the regular monthly meeting of the Hall County Farm Bureau in the courthouse here. The session is scheduled to start at 8 o'clock.

Among those expected to be present are: Elbert Reeves, Matorador, state representative; O. K. Hoyle and Austin Crowover, of the state Farm Bureau; and John Hunter and Frank Price, president and secretary, respectively, of the Motley County Farm Bureau.

The August meeting of the Hall County group will be held in Turkey.

Harold Hodges, Memphis is county president, and Bruce Gibson, Turkey, is vice-president.

### Local Winners In Ball Tournament Listed By Lopez

Local winners in the Ball Tournament at the Memphis Country Club Sunday have been announced by Joe Lopez, club pro.

Frank Foxhall, without handicap, shot a par 68 for 18 holes, to lead the field.

Other scores, as tabulated by Lopez, with medal score first, followed by handicap, are: J. C. Ross, 79-10 for 69; Rufus Grisham, 78-8 for 70; Jim Walker, 79-8 for 71; Oren Jones, 85-10 for 75; Bill Davis, 88-12 for 76; Ace Gailley, 86-9 for 77; and H. R. Crawford, 102-24 for 78.

A similar tournament is slated for next Sunday afternoon, Lopez said. He urged members to start playing the course more regularly in preparation for the annual City Tournament, scheduled to be held within the next few weeks.

**SCOUT MEETING SET WEDNESDAY NIGHT**

An Explorer Scout meeting is scheduled for Wednesday night at 8 o'clock in the Carnegie Library. Important details of Explorer Scouting will be discussed by leaders. Ted Myers, Scout official, urges every registered Explorer to attend the session.

An Explorer meeting will be held each Wednesday night in the future, according to Myers.

### Rain -

(Continued From Page 1)

the way from Childress to Red River this morning, en route here.

Weather the past week has been more pleasant than for some time and chances for beneficial moisture appear to have improved. Temperatures during the period have been cooler, on some days considerably so.

Sunday was cloudy most of the day and a sprinkle occurred early in the morning. It was cloudy throughout Wednesday morning and remained pleasant even after the sun shone in the afternoon.

Mercury extremes during the past week, as recorded by McMicken, were as follows: last Thursday 69-101; Friday 70-97; Saturday 68-105; Sunday 70-78; Monday 62-95; Tuesday 61-94; and Wednesday 65-92. Low temperature this morning was 68 degrees.

### Rites Are -

(Continued from page 1)

nell community in Hall County in 1924. After residing at Parnell for 19 years, they came to Memphis. Mr. Allen died here, Jan. 24, 1946.

Mrs. Allen had been making her home in California since 1947. She became a member of the Missionary Baptist Church at the age of 15 and had been an active church worker since.

Survivors include: four sons, Hubert Allen, Ingewood, Calif.; Buford Allen, Buena Park, Calif.; Uris Allen, Santa Maria, Calif.; and Aubrey Allen, Phoenix, Ariz.; and 13 grandchildren.

Pallbearers were R. N. Motherhead, Tom Cope, Zack Hood, Arch Bumpas, William Wellman and Carl Hill.

Miss Mary Foreman, Hall County superintendent of schools, is in Austin this week attending a work conference on "State Action for Powerful Schools," which is being held at the University of Texas.

### Clay And Claude Play Baseball Hedley Sunday

Clay and Claude will be primed to get Sunday afternoon when they play Hedley in a League baseball game. The game will start at 3 o'clock.

Clay's squad defeated Hedley in a recent game at Groom. Hedley took the contest by a close 1-0 score. Hedley took third place in the league game behind Groom and Hedley who are tied for first.

Hedley, pitching for Hedley, Groom batsmen only three in a walk and a scratch hit from a tally on a hotly contested decision at home plate.

The winning pitcher, also an air-tight game, giving four hits.

Clay and Claude will be primed to get Sunday afternoon when they play Hedley in a League baseball game. The game will start at 3 o'clock.

Clay's squad defeated Hedley in a recent game at Groom. Hedley took the contest by a close 1-0 score. Hedley took third place in the league game behind Groom and Hedley who are tied for first.

Hedley, pitching for Hedley, Groom batsmen only three in a walk and a scratch hit from a tally on a hotly contested decision at home plate.

The winning pitcher, also an air-tight game, giving four hits.

### Engineer's Report

(Continued From Page 1)

ation members were told that actual work on the project must start in the ensuing year or the rights would not be extended, according to Farmer.

The reason for this, Farmer explained, is that a dam is in the planning stage in the Altus, Okla. area, the watershed of which would include the portion the association expects to use.

During a conference in Austin in February, water board members recommended employment of a capable engineer. Hiring of Woolverton followed.

Hall, Donley and Collingsworth counties all are taking active part in the dam project.

Efforts have been made for several years to obtain aid in constructing lakes in this area, Farmer said.

He added that Bureau of Reclamation personnel have made tests of water, including quality and possible flow, in this section for several years.

Drouthy conditions which have held throughout this region for the past several years may bring the need for additional sources of water into sharper focus, Farmer declared, and heighten chances of projects, like the proposed dam on Upper Salt Fork. He said construction of the dam probably would furnish employment for several thousand persons.

Farmer and W. S. Whaley, for-

mer Clarendon Chamber of Commerce manager, who participated in early stages of the project, obtained a copy of the Bureau of Reclamation report. This report indicated that the highest quality of water for domestic use is obtainable in the Upper Salt Fork basin, Farmer said.

If present plans are followed the dam would be situated in Donley County below Whitefish Creek, about three miles west of the east line of the county, according to the Hall County chairman.

Other county directors are Herschel Combs, Tomie M. Potts and J. W. Coppedge, all of Mem-

### Memphis Jaycees Attend Bi-Regional Meeting At Dumas

Five members of the Memphis Junior Chamber of Commerce were in Dumas Sunday for a bi-regional meeting of the organization.

Composing the group were

Association officers include: C. B. "Cap" Morris, Clarendon, president; and Rayburn L. Smith, also of Clarendon, secretary.

George Washko, president of the local unit; Joyce Webster, a state Jaycee director; Homer Jones, second vice-president of the local club; Bill Ballew, a director; and Wayne Hutcherson, chairman of the youth committee.

Washko gave a report on activities of the Memphis unit since a bi-regional session at Childress in December.

The local group received credit at Dumas for establishing a Junior Chamber of Commerce at Clarendon about a month ago. The Clarendon group has 31 members at present.

Memphis Jaycees will meet Clarendon members in a donkey

ball game at Clarendon Monday night. Proceeds will go to the Clarendon group to help them in getting started.

Mrs. Gill Wilkerson and son, Kenneth, of Tacoma, Calif., arrived Monday for a visit with their parents and grandparents, Mr. and Mrs. Chas. Oren.

George Washington never did occupy the White House.

**Clarence Baxter Company Sells International Harvester Line**

International Harvester dealer for the Memphis area is Clarence Baxter Company, 217-19 Front Street. Clarence Baxter has owned and operated the company since February of this year, purchasing it from Ira and J. J. McDaniel.

Baxter returned to Texas from Colorado after a several-years absence, to take over active management of the firm.

Among International Harvester products sold by Baxter's company are trucks, tractors and implements, with a complete line of parts for all of them.

The firm also has International Harvester refrigerators, home freezers and refrigerative-type air conditioners.

Tractors to fill any agricultural need are available. There are the Super M, four-row, the Super H, two or four-row, or the Super C, two-row.

Implements include cotton strippers, listers, cultivators, mowing machines, rakes, go-devils, rotary hoes, and wheat drills. Wheat drills range from the 3-foot, one-

row type for planting between rows, to a 13½ foot model. Either surface drills or semi-deep furrow drills are available, with 6 to 10 inch spacing.

Graham-Hoeme plows, sprayers of various sizes and International Harvester cream separators are carried by the company.

Trucks range from half-ton pickups to super-powered models, capable of hauling heavy ton-nages.

The International Harvester refrigerator line comes in a number of sizes and models. Capacities of home freezers run from 7 to 20 cubic feet.

The 1953 refrigerators feature fronts which match the color schemes of their surroundings. Various patterns of materials, attached to the doors of the refrigerators, can be changed whenever homemakers wish, or when color schemes are altered.

Packing materials for wrapping foods before placing them in home freezers or freezer compartments of refrigerators can be bought at Clarence Baxter Company.

Of special interest to vacationers and sportsmen is the Travel-All station wagon, which can help make any hunting, fishing, or outdoor trip more enjoyable. It will furnish ample facilities for a good sized group, and features back seats, which can be taken out, so that a bed may be made within the vehicle, according to Baxter. It is a versatile machine, of many uses, including utilization as a small school bus.

In addition to the above-listed new items, the company also has used cars, trucks, tractors, cotton strippers, cultivators and listers, Baxter said.

Ira and J. J. McDaniel, former owners of the company, had operated the International Harvester agency here since Oct. 15, 1945. The company was located for five years on Fifth Street, just north of the square, until the present company building was constructed in 1950.

Clarence Baxter was born at Elk City, Okla., in 1912. In the years that followed, his parents (Continued on back page)

### CONSTRUCTION OF MUNICIPAL POOL ABOUT ON TIME

Construction of the municipal swimming pool in the south part of City Park appears to be proceeding satisfactorily.

The concrete floor has been completed and approximately half of the concrete wall had been poured Wednesday. The section of wall already completed is at the south, or deep end of the pool.

The floor of the bath house also has been poured. The bath house is located at the north end.

Pouring of the wall was expected to be completed today and brick work begun.

Some plumbing already has been installed.

Timmons Construction Company of Amarillo has the contract for the pool.

Plumbing work is being done by R. A. Massey Plumbing & Heating, and Gidden Electric will do the electrical work.

When Timmons was awarded the contract by city council members, May 5, a representative said the pool likely would be completed around Sept. 1. The Amarillo construction firm submitted the low bid—\$51,888.

Bonds, totaling \$55,000, were voted Feb. 3 to finance the project.

### County Issues —

(Continued From Page 1)

lished once in some newspaper within the county, according to Teague. If no newspaper is published in the county, then a copy of the report is to be posted in a public place in each county precinct.

A copy of the report also is on file in the county clerk's office.

The first women colonists came to Virginia in 1608.

### Applications For Emergency Feed Total About 450

Applications for feeds at the PM9 office here, under the drought emergency program, totaled approximately 450 through Wednesday, Lynn L. McKown, office manager said.

So far, only one car of feed has been received here and no others were en route, McKown said. The car which has reached here, arrived last Wednesday morning and contained about 20 tons of cottonseed pellets.

Ordered by farmers and ranchers of the county through Wednesday were the following feeds, with the amounts: cottonseed pellets, 604,110 pounds; cottonseed meal, 108,880 pounds; corn, 435,950 pounds; oats, 476,057 pounds; and wheat, 43,215 pounds. This made a grand total of 1,668,212 pounds, according to McKown.

Applications are being received at the PMA office here and are processed by a five-man committee.

Composing the committee are: Arthur Eddleman, Estelline, PMA county committee chairman; W. R. Hooser, Memphis, county agent; J. J. Roan, Memphis, Farmers Home Administration supervisor for Hall County; L. C. Martin, Memphis banker; and Alga Turner, farmer of Turkey. McKown is acting secretary.

Feed, provided under this program, is for foundation herds only.

Feed, provided under this program, is for foundation herds only.

### Bernard F. Seays Return From Trip Through The East

Rev. and Mrs. Bernard F. Seay and children returned to their home in Lakeview last week from a motor trip which carried them through 13 eastern states and the District of Columbia. In all, they traveled 3,669 miles.

The trip was made possible by the members of the Lakeview Methodist Church, of which Reverend Seay is minister.

While gone, the Lakeview minister attended "The World Methodist Convocation of Evangelism" in Philadelphia, Pa., held in celebration of the 250th birthday of John Wesley, the founder of Methodism.

Mrs. Seay and Sharon and Dona Carol remained with his parents. Rev. and Mrs. John W. Seay, of the New York Hill Methodist Church in Brunswick, Md., while Reverend Seay was at the Philadelphia meeting.

States through which the Seays traveled were: Oklahoma, Kansas, Missouri, Illinois, Indiana, Ohio, West Virginia, Virginia, Maryland, Pennsylvania, Tennessee, Arkansas and Texas.

operated farmlands near Elk City and later in the vicinity of Friona, and Baxter assisted them. At Friona, the family engaged in wheat farming and cattle raising.

As a youngster, Baxter attended the Elk City and Friona schools. This was followed by a brief period at Hill's Business College in Oklahoma City.

On Nov. 4, 1933, he was married to Miss Eva Dilger of Friona, at Clovis.

The couple has a son, Joe, 18 years old, and two daughters, Mary, 11, and Helen, 7.

The family moved to Springfield, Colo., in 1945. Baxter operated a ranch, 40 miles northwest of there until coming here early this year.

The son was graduated from the Springfield High School in May and is now employed in the parts department of his father's company.

The family purchased the Jerold McDaniel home at 716 Harrison and moved into it last week after having it remodeled.

Mr. and Mrs. Baxter are members of the Church of Christ.

Other personnel of the Clarence Baxter Company are: Daphne Hillhouse, bookkeeper; and Buddy Melton and William Lavender, mechanics.

### Disaster Loans —

(Continued From Page 1)

ing June 31, totaled \$123,015, Roan said.

The Hall County FHA supervisor said in view of recent developments there likely will be some changes in the FHA program.

Three county land owners compose a county committee which passes on applications for loans, received by the Hall County FHA. The committeemen are Doc Messick, Memphis, Joe Eddins, Estelline, and Del Wells, Lakeview.

Benjamin Franklin was the first Postmaster-General of the United States.

### Suggestions On —

(Continued From Page 1)

pounds of cottonseed and 6 pounds of hay will.

Under extreme conditions, sheep and perhaps cattle can survive on only concentrates, such as cottonseed cake. And stock can live on about one pound of feed daily per 100 pounds live weight, after they have lost considerable flesh.

However, Hooser advises selling stock before matters reach this point.

Protein is an essential in the utilization of low grade fibrous roughage, such as forage left in a droughty region. Historically, Hooser says, 41-43 per cent protein has been fed as the supplement.

Cotton seed meal is the cheapest source of protein, according to Hooser. Wheat comes next.

Oats is good feed for young, growing stock and can be fed without grinding. Corn is the cheapest source of straight energy.

Corn, oats and wheat must be ground or rolled for aged cattle, which adds to the cost.

Alfalfa hay seems to be the best solution, where, cattle are deficient in carotene because this hay also will furnish needed bulk and protein.

Approximately 70 pounds of corn and 30 pounds of cottonseed meal will provide a 20 per cent protein feed, as will dehydrated alfalfa pellets and cotton seed.

Cottonseed meal is a good source of phosphorus when fed at the rate of 2 pounds daily per head.

When buying 20 per cent protein supplements or cubes, choose those which guarantee as much as 52 per cent N. F. E. or higher, as this provides protection against the inclusion of large amounts of fibrous roughage materials, Hooser says.

Water content should be watched and should not be over 12 per cent, with 7 to 10 per cent more desirable. Crude ash content also should be noted as it indicates sand and dirt. Anything above 8 per cent is fairly high, the county agent says.

Mr. and Mrs. Horace Leggett have returned from a two-weeks vacation and fishing trip at Creede, Colo. They were accompanied home by Katherine Wright who had been visiting in Monte Vista, Colo., with Jonna Sue Smith.

### Graveside Rites Held Monday For Lloyd Ward Baby

Graveside rites for Lloyd Alvin Ward, infant son of Mr. and Mrs. Lloyd Ward of Memphis, were conducted in Fairview Cemetery here at 11 a. m. Monday.

Rev. Lloyd Hamilton, minister of the First Methodist Church, and Tom Posey, minister of the First Christian Church, officiated.

Burial was under the direction of Murphy-Spicer Funeral Home.

The baby died late Sunday evening in a local hospital.

Survivors, other than the parents include: a sister, June; and three grandparents, Mr. and Mrs. T. V. Ward, and Mrs. A. B. Jones, all of Memphis.

### Comments —

(Continued From Page 1)

Maybe, by the time they get home, this section will have some good looking cotton crops also.

Recently the Amarillo Globe-Times editor, T. E. Johnson, had this sketch in his column concerning a former Memphis product: "Vance Johnson, who for the past six years has been in charge of the San Francisco Chronicle's Washington bureau, is busy on a new venture. He's starting The Texas Letter, a confidential report to Texas businessmen, on the order of Kiplinger's letter but with special attention to what affects Texas and what businessmen there may expect in Washington. Some Dallas businessmen are investing money in the project."

Life in Memphis is not so dull as some would have us believe. Each morning a mockingbird perches on the topmost part of the Presbyterian Church and trills his various tunes to the delight of all in the neighborhood. He is happy and is doing his bit to gladden folks. In

other words, he provides a silver lining.

Work on the swimming pool at City Park is progressing nicely. The contractors hope to have it ready by Sept. 1 so people may get in a few swims before the pool is shut down for the winter. The pool is 90x90 feet, and the deep part, where divers can sport, is not so wide but plenty ample for such sport. The larger part, where the most swimmers will disport themselves, is plenty large for all who will indulge. The pool will add to the already attractive park and will also bring more people to Memphis instead of their having to go elsewhere for such pleasures.

Those people who went to the cool mountains for relief from the heat, certainly missed our fine weather of the past few days. Bet we enjoyed it more than they enjoyed the mountain weather!

It has been announced that paving will be started soon on some of the streets. Also, that Front Street will be black-topped. The highway department should do this work, but will not without the city spending many thousands of dollars to widen the right-of-way.
