## Drouth Committee Raps Halting Of Disaster Program

A letter, protesting the suspension of feed shipments to Hall County, was drawn up here Friday afternoon by the Drought Committee of this county according to Lynn L. McKown, manager of the PMA office here.

The county committee met and took the step after announcement was made that all Panhandle counties had been removed from a "drouth disaster" status.

Tuesday, an announcement came out of Washington that all of these counties were off the list permanently.

The message from the county drought committee read as follows: "We, the undersigned members of the Hall County Drought Committee, have today reviewed in detail the present drought condition of Hall County and find no reason why this program should be discontinued."

"The drought is still unbroken (Continued on Page 12)

## John Pannell Rites At Baptist Church Friday Afternoon

Funeral rites for John Roland Pannell, former Hall County resident, will be conducted in the First Baptist Church here at 3 p. m. Friday by Rev. Fern A. Miller, pastor.

Burial will be in Fairview Cemetery, under direction of Murphy-Spicer Funeral Home.

Mr. Pannell, 42 years old, died suddenly Tuesday at Biloxi, Miss. after suffering a heart attack.

He had been living at Monahan's Tex., for several years but had gone to Biloxi to work. He was an automobile mechanic.

A native of Pontotoc, Okla., he was born July 21, 1911.

He came to Hall County with his parents, Mr. and Mrs. A. J. Pannell, a number of years ago. The family lived in the Plaska community until moving to Memphis several years ago.

John Pannell served in the army. (Continued on Page 12)

### Senior And Junior High Students Here Choose Class Officers For This Year

The various classes in Memphis High School and Memphis Junior High School met this week and elected officers for the current year.

Elected to head the Senior class were: Paul Hancock, president; Max McCoy, vice-president; Jim Walker, secretary; Yvonne McDaniel, treasurer; and David Francis, reporter.

Hancock appointed a committee who will discuss projects which Seniors may sponsor for the benefit of their class.

Some of the ideas up for discussion include different kinds of dances during the year and making ribbons for football games.

Members of the committee are Shirley Miller, Peggy Evans, Barbara Kulp and Jimmy West.

During the Junior class meeting the following officers were chosen: Carroll Gardenhire, president; Debs Cofer, vice-president; Pauline Hammons, secretary; Anita Hartzell, treasurer; and David

### MEMPHIS MAN IS CHAIRMAN OF USO DRIVE

A Memphis resident has been named chairman of District 6 in the Texas United Defense Fund campaign, for which a state-wide goal of \$775,000 has been set.

Heading the drive in this district will be O. L. Helm, Memphis banker. His appointment has been announced by Dudley K. Woodward, Jr., Dallas attorney, who is state campaign chairman.

The district is comprised of Hall, Childress and Briscoe counties.

### Entries In Cotton Guessing Contest Increase Rapidly During Past Week

Guesses on 1953 cotton ginnings in Hall County came pouring in this past week. Figures, like the cotton crop, in numerous instances took a downward trend, as one blistering day followed another.

Lowest estimate through Wednesday night was 14,500 bales while the highest was 40,842.

Readers may come to The Democrat office and make a guess or mail one in. No telephone estimates will be accepted.

The winning contestant will receive a three-year subscription to The Democrat. The runner-up will get a two-year subscription and the third place winner will be given a one-year subscription.

Ginning figures, issued by the Census Bureau of the U. S. Department of Commerce, will be used to determine winning entrants.

Estimates, received since last week's published predictions, include: Berta Lee Cassel, Amarillo, 27,893; George W. Nunnally, 16,002; H. A. Hodges, 20,998; Mrs. H. A. Hodges, 22,968; F. W. Foxhall, 22,760; Mrs. F. W. Foxhall, 19,850; Frank B. Foxhall, 17,320; G. H. Hattenbach, 16,095; C. W. Fleming, Topeka, Kan., 18,475; Mrs. C. W. Fleming, Topeka, 17,562; Mrs. Ode Gibson, 40,842; Vance Adams, 16,645; J. J. McMicken, 18,800; Jewell Short, 21,953; R. H. Shackelford, 24,999; Mrs. E. E. Lane, 17,900.

### Wellington Belcher Services Are Held Here Wednesday

Funeral services for Wellington Belcher, who died Tuesday morning at the Odom Clinic Hospital here, were held at 2 p. m. Wednesday in the Murphy-Spicer Funeral Home in Memphis.

Mr. Belcher, 69 years old, had been in Fairview Cemetery, under direction of Murphy-Spicer Funeral Home.

At that time, it was announced that construction would be of 6-inch compacted gravel with double curbing.

### LOCAL 'B' TEAM TO PLAY HOLLIS THERE TONIGHT

The Memphis "B" team will play their first game of the season against the Hollis "B" squad at Hollis tonight. The local squad has eight games on their schedule this fall.

Twenty-nine boys are coming out for the team. They have a lot to learn, Nolan Poteet, their coach, said this week.

Poteet said nothing was known of the Hollis team but that the "A" team tied Wellington Friday night, so the chances are that the "B" team is pretty good.

### Citizens Urged By Mayor To Sign Up Before That Date

Bryan & Hoffman Construction Company of Plainview have called a temporary halt to their paving operations here but are scheduled to return here around Oct. 1 to complete all paving for which contracts have been signed by the first of next month.

Mayor Harrison urged everyone who wishes to participate in the program to make needed arrangements by Oct. 1, as he said the construction company has set that date as the absolute deadline for completing contracts.

So far, South Seventh Street between Noel and Mendon streets, has been signed up solidly, the Mayor said.

At their regular meeting the first Tuesday of this month, council members voted to pave North Street from Noel Street to North Tenth Street.

Work of leveling South Seventh Street between Noel and Mendon streets has been completed.

The Plainview construction firm was awarded the paving contract here, Tuesday night, March 3. The company's bid of \$48,144.82 was the lowest of the 10 bids which were submitted.

At that time, it was announced that construction would be of 6-inch compacted gravel with double curbing.

## Expand Plan For '54 Spelling Bee

Hall County is planning to play a greater part in next year's Globe-News Spelling Bee, Miss Mary Foreman, county school superintendent said this week.

Miss Foreman met with other county superintendents of this region in Amarillo last week to lay plans for the 1954 contest, which will be held at Amarillo, Feb. 27.

Attempts are being made to get all sixth, seventh and eighth grade students in Hall County to enter the spelling bees, Miss Foreman said.

Prizes in the regional contest at Amarillo have been increased this year, Miss Foreman said.

A junior and a senior bee will be held in this county, as in the past. Fourth, fifth and sixth grade pupils will be entered in the junior contest, and seventh and eighth graders will compete in the senior section.

The junior bee winner will be eligible to participate in the senior contest. (Continued on Page 12)

### SON OF TURKEY COUPLE TAKING FLIGHT TRAINING

Recently starting primary flight training at the U. S. Naval Auxiliary Air Station at Whiting Field, Milton, Fla., was Charles B. Russell, son of Mr. and Mrs. C. A. Russell of Turkey.

Cadet Russell was sent to Whiting Field after graduating from the pre-flight naval school at Pensacola, Fla.

### Richards Premium For 1953 Cotton

Memphis Chamber of Commerce Saturday morning presented a \$50 check to Robert Richards of the Buck Creek community for bringing the first 1953 cotton to Memphis.

Richards sold the 485-pound cotton to J. H. Morris & Company here for 31 cents a pound Saturday, Aug. 29.

Attempts are being made to get all sixth, seventh and eighth grade students in Hall County to enter the spelling bees, Miss Foreman said.

### DROUTH PROGRAM ENDS—MAYBE

A good many Panhandle farmers and ranchers probably are finding it difficult to understand the ruling by the State Drouth Disaster Committee last week, removing the entire region from the "drouth disaster" classification.

Conditions in irrigated sections of the Panhandle may have improved enough recently to justify such action, although we are not in a position to know. However, reports of good crops and brighter pasture conditions have been circulating.

But in dryland areas, conditions certainly are no better, and likely are worse, than they were when they were included in the drouth disaster program earlier this summer.

Crop prospects have deteriorated fast in the past three weeks, and pastures are as dry and dead as they have ever been. Even in sections where cotton was relatively good, insects have caused heavy damage in many fields.

So it's no wonder if residents of these dry areas are puzzled—even aroused—by this precipitate step of the drouth disaster committee.

For if help was needed last summer, it is needed now.

Claude McCan of Victoria, committee chairman, said at the time the ruling was announced last week that the action is temporary as far as he is concerned and that the change was made on the basis of rainfall.

McCan apparently has been misinformed as to the extent of precipitation in the Panhandle, for it has been local—certainly not the type to warrant the suspension of aid to all of the counties.

Another—and different—reason for taking Panhandle counties off the "drouth disaster" list was voiced Friday by J. R. "Bob" Lyons of Amarillo, Texas PMA committeeman.

Speaking at a meeting of Panhandle farmers and ranchers at Amarillo, Lyons declared the counties were removed from the eligible list because the Commodity Credit Corporation was running short of cottonseed meal, cake, corn and oats. He went on to say that money, tabbed for the program, has been seriously depleted.

He explained that drouth relief eligibility was "suspended temporarily pending revaluation of the feed the CCC has on hand."

A check of available feed supplies may have been necessary but we are unable to understand why part of the counties, eligible for aid, had to be eliminated in order to do this.

As a matter of fact, we believe the state PMA committee exhibited undue haste, even questionable judgement, in taking this action.

But now that it is done, committeemen, the CCC, or whoever has the authority, should make a survey of present crop and pasture conditions as quickly as possible, so that farmers and ranchers who have not had sufficient rain, may receive the help they need.

If such help is not provided, it will hurt not only the farmers and ranchers but the communities and areas in which they live.

### QUOTING OUR NEIGHBORS

#### Press Paragraphs—

##### MAKING FAILURE PAY OFF

Failure is the sword of Democles that hangs over the head of every human being. In this competitive world it casts an ominous shadow over our lives.

Failure is not always measured by monetary values. It is the cheapest commodity on the market and can be acquired by the least effort. The smaller the effort, the more failure you have.

There are men in business who are terrified of expansion and refuse to grasp normal opportuni-

ties because they are convinced of their inevitable failure.

Perhaps of all professions the scientist is his continual research is one who profits most from his failures. If he tries something that fails, he has eliminated one thing that does not work, and it narrows down his field.

If he can eliminate enough he may eventually reach the one way that will work. For evidence, there are the early failures of Marconi, Bell and Edison—everything up to and including the atom bomb.

## 'WOW, WHAT A MELON!'

Man is infinitely potential. If he is given encouragement and proper guidance, there is scarcely a task he cannot perform—or a degree of mastery that he cannot attain.

Like the scientist, we can make stepping stones of our failures. We should realize that failure like success, can be one of life's great experiences.

—Hamlin Herald

#### NEED FARM CONTROLS

In view of the fact that all goods and services of almost all descriptions are government-controlled in one way and another, there seems to be no reason to add ruin to ruin by taking all control of agricultural products. To feed the cattlemen and dairy producers need drop to whatever price it will go in times of high surpluses and go up in the same manner

in time of scarcity has been proven ruinous not only to the farming industry but to the nation as well. Somewhere in between seems to be the ultimate goal that will be sought—a flexible arrangement similar in general to the Farm Bureau plan which calls for high supports in periods of scarcity to encourage production, low supports in periods of surpluses to reduce over-production.

#### THE GENERAL WAS CORRECT

Never have truer words been uttered than those of ex-general Douglas McArthur when he said, "There is no substitute for victory."

The best substitute that the United States and the United Nations have been able to arrive at can certainly be regarded as undesirable from the standpoint of the free world.

The prospect of improving this sad state of affairs by genuine full-scale "peace talks" is pretty dim, too. The United States is preparing to let nations which stood aloof while it stemmed the onslaught of communism in a foreign land, decide the issues of the futile war in which nearly 30,000 American boys were killed.

How degraded can we become? While we tediously observe the sanctimonious laws of modern-day statesmanship, our communistic neighbors indulge in every form of trickery, backhandedness, and deceit.

Men who live by the sword understand only brute force. Words are mere prattle to them. Treaties are scraps of paper.

Hundreds of our boys who held up their hands when they knew they hadn't a chance believed they would be treated as prisoners of war in accordance with standard-

April 13, 1922  
**COUNTY IS OFFERED NEW COURTHOUSE FOR PRESENT SITE**—An out-of-town firm has offered to build a new courthouse on a suitable nearby site, in exchange for the present Hall County courthouse and the plot of land on which it is located.

The new structure would cost \$100,000 and be of modern fire-proof construction. It would consist of three stories and a basement and have elevators, a heating plant and plumbing, according to the proposed plan.

After a conference, commissioners have expressed a willingness to hear and consider the proposal further.

**TURKEY ENJOYS VISIT OF HALL COUNTY BOOSTERS**—A number of Memphis men, and the Memphis band, made a trip through the southwestern part of the county this week in the interest of the Memphis Chamber of Commerce. Stops were made at Wolf Flat and Bridle Bit before reaching Turkey.

## Mrs. J. H. Wright Dinner Hostess At Estelline Sunday

Mrs. J. H. Wright was hostess at a dinner in her home at Estelline Sunday.

Guests were Capt. and Mrs. J. H. Wright, Jr., and children, Mrs. Nell Curtis of Estelline, and Mr. and Mrs. C. F. Stout and Charles Stout of Memphis.

Mrs. Wright is the mother of Captain Wright and the sister of Mrs. Curtis and C. F. Stout.

Captain Wright and his family have been living at Shreveport, La., where he was stationed at nearby Barksdale Field. He is scheduled to sail for England soon and expects to be overseas three years. Mrs. Wright and the children plan to join him sometime after the first of the year. In the meantime, they will live at Amarillo, where Mrs. Wright's parents, Mr. and Mrs. T. M. Gregory, reside.

Mr. and Mrs. Don Armstrong, Mr. and Mrs. George Stall and Mrs. L. L. Bennett, all of Amarillo, visited here Saturday with Mr. and Mrs. H. B. Bennett. Mr. Bennett, who has been seriously ill for several days and confined to a local hospital, was reported to be much improved the first of the week.

# The Greatest Gasoline Development in 31 Years

# New Conoco Super Gasoline

# with TCP\*

Boosts power as much as 15%! Increases spark-plug life up to 150%! Gives you extra gas mileage, too!

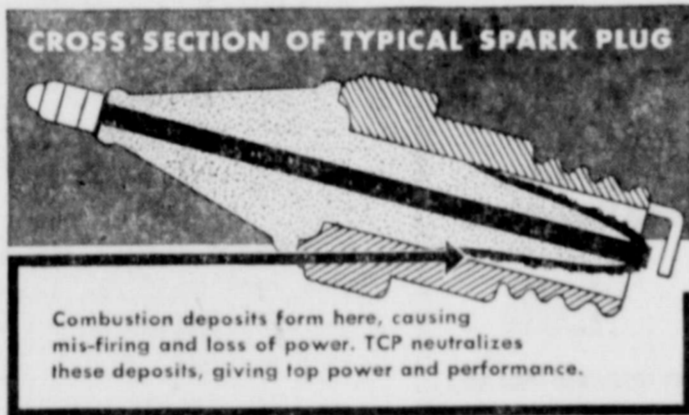

Here's the most revolutionary advance in motor fuels since the introduction of tetraethyl lead in 1922—new Conoco Super Gasoline with TCP, brought to you by special arrangement with Shell Oil Company. TCP is Shell's trademark for the remarkable additive originally developed for aviation fuels.

Now you can actually enjoy the benefits of an engine tune-up—just by changing to new Conoco Super Gasoline. Chances are, by the time you've finished your second tankful, you'll feel the increase in power. And you'll keep that extra power just as long as you use Conoco Super.

For Conoco Super with TCP is a new kind of gasoline. It overcomes the greatest single cause of power loss affecting most of the cars on the road today. Now, you can enjoy all the power that was built into your car.

### Why you need Conoco Super Gasoline with TCP

In the average automobile, the by-products of fuel combustion constantly build up deposits on spark plugs and in combustion chambers. These deposits can "cheat" you of power in two ways. First, they actually short-circuit your spark plugs. This causes mis-firing. Second, deposits in the combustion chamber get red hot and cause the fuel to ignite before it should. This is called pre-ignition or "wild ping." The effect of fouled spark plugs and pre-ignition is a loss in power and a waste of gasoline.

### How TCP works

TCP is a special chemical additive which is added to Conoco Super Gasoline. It was specifically developed to overcome the loss of power and fuel caused by combustion deposits. TCP neutralizes harmful deposits on spark plugs—your plugs spark as they should. It prevents deposits in the combustion chambers from causing pre-ignition—"wild ping" is controlled. Thus, every time you fill up with new Conoco Super, it's like getting your spark plugs cleaned and your engine tuned-up.

### TCP helps your car, whether new or old

If you are driving a new car, with a high-compression engine, you need Conoco Super Gasoline to keep your car delivering all the power that was built into it. It will actually increase spark-plug

life up to 150%. If you drive an older car, with tens of thousands of miles on the speedometer, Conoco Super can restore much of the "new car" performance and power you've been missing.

Yes, a great new era in motoring is here for you. Drive into your Conoco station today and fill your tank with new Conoco Super Gasoline with TCP. You'll feel the difference by the second tankful!

### Questions and answers about New Conoco Super Gasoline with TCP

- Q. What is TCP?**  
Answer. It is a cresyl compound, originally developed for aviation gasoline and used with great success in both military and commercial aircraft.
- Q. Has TCP been tested?**  
Answer. Yes, for millions of miles, in all kinds of cars, under all kinds of driving conditions.
- Q. What does TCP do?**  
Answer. It overcomes the power loss caused by deposits on spark plugs and in combustion chambers.
- Q. What does TCP do for new cars?**  
Answer. It helps them keep their original power.
- Q. What does it do for older cars?**  
Answer. It's like cleaning your spark plugs and getting a motor tune-up. You'll get back much of the power you're now missing.

### Report From Washington

By Walter Rogers  
Congressman, 18th District

The First Session of the 83rd Congress passed 208 bills. Nine of these were vetoed by the President. Many important bills were left on the calendar or pending in committees. These will no doubt be some of the first measures to be considered in the 2nd Session of the 83rd Congress, which begins in January, 1954. The present status of the tax laws will almost necessitate some kind of tax legislation early in the session. This does not mean higher taxes but it will no doubt mean a re-adjustment and realignment of taxing procedures. Much thought is being given to a general sales tax, which will be in addition to the individual income taxes, but is supposed to replace some excise taxes and other special tax items. The proposal has been to set this up where it can be collected at the source, that is, from the manufacturer. This for the reason that it is supposed to save much administrative costs and reduce some tax evasions. The expiration of some excise taxes plus the automatic termination of the increased individual income taxes has caused much concern in Washington circles. These expirations will reduce tax income revenue by between ten and twelve billion dollars. If present expenditures are continued (and I hope they will not be), these expirations will mean a larger deficit. There are two ways of balancing the budget. One is to increase taxes and the other is to reduce expenditures. Frankly, I am a strong supporter of the latter.

THE UN: The Un can expect to be in for some tough sledding as long as employees whose activities have been suspicious are kept on the pay roll. The recent decision to reinstate some of those who had been suspended does not meet with the approval of the American people who are paying most of the bill. In fact, they strongly condemn it. UN employees, like Caesar's wife, should be without suspicion. The sooner these questionable people are removed from these places of international importance, the greater will be the chances of the realization of the original purpose for which the UN was established, that is, the promotion of world peace.

SMALL BUSINESS ADMINISTRATION: The Small Business Administration was created by Congress during the last session. It will assume the duties of the former Small Defense Plants Administration with expanded authority in other fields of small business as well as the small loan functions of the RFC. It cannot accept applications for loans until about October 1. Applications for loans in this area should be submitted to the Regional Office Small Business Administration 1114 Commerce Street, Dallas 2 Texas.

### Pig Show Scheduled Here Today, Sept. 26

County Sears and Swine Show will be held at the Memphis Compress, Sept. 26, County Agent Hooser announced this morning.

The show will be offered in both divisions, according to Hooser. The county show will be as follows: \$8, first; \$6, third; \$5, fourth; \$4, fifth.

The other division will be determined but in past years, Hooser said, contests have been entered in both divisions, and four will be awarded to the division by Sears, will be on Sept. 26.

The show is scheduled to begin at 10 a. m. Frank Wendt of Wabarger County agent, who will be in charge of the animals. Wendt was in the show last year, Hooser said.

The businessmen's swine show will be given by the Memphis Chamber of Commerce.

The prize which is judged to be the best in the county show will be a show at the Tri-City grounds at Amarillo, Saturday.

### County Bureau Members Attend Amarillo Meeting

Members of the Texas Farm Bureau would like to see legislation passed during the meeting at Amarillo Friday, according to H. A. Hodges, president of the Hall County Farm Bureau.

The county group is a member of the district committee of the county farm bureau, and attended the session which the district committee was present.

On the day, the Hall County group and similar groups, including Clifford Hope of chairman of the House farm committee, and Walter, congressman from the district.

Matters discussed at the meeting included the removal of counties from a "drought" status, and how counties which are drought-stricken can be classified.

The regular monthly meeting of the Hall County Farm Bureau will be held in the county courtroom here Monday night, starting at 8 o'clock, H. A. Hodges, president announced this week.

### Tippett Given 10-Year Sentence

Tippett of Tell, was found guilty and sentenced to two years in the penitentiary Friday. In District Court here, on a charge of swindling by worthless checks, according to County Attorney William B. Teague. Tippett was given a bad check to an insurance firm.

Tippett was returned to the penitentiary last week, after his appeal against him was found to be defective. The county jury, meeting in a called session Friday morning, returned a new indictment in the case.

### Methodist Church Educational Drive Interest Growing

Increased interest in the needs and benefits of the church has resulted from the Educational Campaign, now under way at the First Methodist Church, Rev. Lloyd Hamilton, pastor, said this week.

Effects of the campaign has been shown by a marked rise in attendance, and a new enthusiasm is reflected in the activities of all departments.

At last Sunday morning's service, Tomie M. Potts, a layman, briefly outlined the need for co-operation, particularly stressing co-operation between church members and pastors.

At one point in his talk, Potts said, "It is our privilege to worship in this church and support it. We should never consider it a task or duty."

Reverend Hamilton, in his morning message, emphasized the need of using the talents entrusted to us.

"There is a place for you in this church," he said. "This can never be a Church of God until all, rich and poor alike, give of their substance, time and prayer."

### Monthly Meeting Of County Bureau Monday Evening

The regular monthly meeting of the Hall County Farm Bureau will be held in the county courtroom here Monday night, starting at 8 o'clock, H. A. Hodges, president announced this week.

Stanley Garnett of Spearman state director of District 1 of the Texas Farm Bureau Federation, is scheduled to attend the session. Garnett has spent much of his time in Washington, DC, working on the agricultural program.

Hodges urged every person, interested in the farm program, to attend Monday night's meeting whether he is a Farm Bureau member or not.

During the session, resolutions related to the farm program which were drawn up Wednesday night by the county resolutions committee, will be discussed.

### Lakeview Junior Team Loses, 13-7

The Lakeview Junior High School team lost a hard fought contest to Matador Monday night, 13-7, in a game played at Matador. Although defeated, Coach Barney Joe Bevers' boys, gave Matador plenty of trouble. It was the team's first game of the season.

The squad will meet the Turkey Junior boys at Lakeview Tuesday night. Kick-off time is 7:30 p. m. Admission is 25 cents.

### County Budget Of \$273,500 Approved By Commissioners

A county budget of \$273,500 for 1954 was approved here Monday by the Hall County commissioners court, according to County Judge Tracy Davis. The commissioners also decided to keep the tax rate at 95 cents on the \$100 valuation. The state rate is 42 cents on the \$100.

This year's receipts are estimated at \$259,075. In 1952, actual receipts came to \$285,344.14. The county's assessed valuation is 11 million dollars, just slightly more than this year's figure.

Ad valorem taxes next year are estimated at around \$104,500. Other collections are expected to total about \$107,100, and an estimated cash balance of \$61,900 should add up to next year's budget.

### Rites At Amarillo For Brother Of Local Residents

Funeral services for J. A. Batson, brother of four residents of Memphis and vicinity, were conducted Tuesday afternoon in Blackburn-Shaw Memorial Chapel in Amarillo.

Dr. Eugene Slater, minister of the Polk Street Methodist Church at Amarillo, officiated. Burial was in Llano Cemetery, Amarillo.

Mr. Batson, 66 years old, died Sunday in Northwest Texas Hospital at Amarillo. Survivors included two sons, a daughter, three brothers and nine sisters.

Four of the sisters are Mrs. Brice Webster, Mrs. Allie Caviness, Mrs. Bob Roberts, all of Memphis, and Mrs. David Hudgins of Brice. Another sister, Mrs. Gur-Rasco, recently moved from here to Birmingham, Ala.

Mr. Batson lived at Lelia Lak before going to Amarillo a number of years ago to engage in oil operations. He was a member of the Methodist Church and Elks Lodge.

### Animal Specialist Outlines Control Of Cattle Grubs

AUSTIN—The best way to control cattle grubs is to attack them while they are in the hide of an animal, William J. Sheffield, University of Texas specialist in animal-health pharmacy, reports.

Cattle grubs—also called "wool-ives" or "warbles"—are the midget stage of heel flies. The U. S. Department of Agriculture estimates grubs cause an annual loss of \$50,000,000 to \$100,000,000.

Preventive measures so far have been ineffective or impractical. Sheffield writes in the current issue of The Texas Druggist. However, systematic destruction each year of all grubs in the backs of cattle will prevent the pests' multiplying.

In areas where cattle may be examined and treated systematically, grubs may be reduced to a great extent in two or three years, Sheffield says.

Treatments recommended are squeezing the grubs out of an animal's back by hand, and applying rotenone, benzene or iodoforn ointment. Rotenone is especially effective in treating large cattle herds because it can be applied by the dip method or by spraying. Sheffield declares.

"Treatment for cattle grubs should be started before the first

grubs begin to drop from the backs of infested cattle and should be repeated at 30-day intervals as long as necessary," he points out.

Grubs appear as early as August 1 in South Texas and as late as

# Cyclones Defeat Hornets In Opening Tilt Of Season

The Memphis Cyclones launched their 1953 football season Friday night by thumping the Tulia Hornets, 15-6, on Younger Field at Tulia. The contest was witnessed by a large crowd, including a sizable number who made the 90-mile trip from Memphis and vicinity.

The game was fairly close all the way, the half-time score being 8-0. In the second half, Memphis added another touchdown and an extra point, while Tulia made their lone touchdown.

Hayes Hammond scored the initial Memphis touchdown, Dean Sustaire, accounted for two points when he trapped a Tulia player behind the player's own goal line, and Duke Frisbie, veteran Cyclone quarterback, added the second touchdown and an extra point.

The Hornets made their only tally through the air in the fourth quarter.

Tulia won the toss and chose to receive. Frisbie's kick went across the Tulia goal line and the ball was brought out to the 20-yard stripe.

Dutch Tucker made 2 yard-over left tackle, and on the next play, Jeff Carlile skirted right end for 18 yards, and a first down. Memphis took over on the 43-yard line on the next play, however, by recovering a Hornet fumble.

Jimmie Davis struck through right tackle for 6 yards, followed by a 9-yard pickup over left tackle by Clyde Tamplen, giving the Cyclone a first down on Tulia's 28-yard line.

Jenkins plunged over guard for 4 and Tamplen made 1 but Memphis was penalized and the ball was put down on the Hornet's 28.

Frisbie tossed to Jack Montgomery for 8 and Davis picked up the same yardage by ramming center to chalk up another first down for Memphis and place the ball on Tulia's 13.

Tamplen swung around left end for 7 yards, Jenkins made 2 yards over center, and Davis added another through the same position to tally another first down for the Cyclone and leave the ball on the Hornet's 3.

Dean Sustaire made 1 yard through left guard, another yard

was added with a plunge across center, and the Cyclone drive paid off with Hamind over for a touchdown and 6 points.

Memphis kicked to Tulia's 27 yard marker and the ball was returned a yard. On the next play Sustaire caught a Hornet player behind his goal line and Memphis added 2 more points, to make it 8-0.

Tulia kicked off from their 20-yard stripe. Frisbie took the ball and returned it to the Hornet 48. Sustaire added 5 yards around left end but the Cyclone was penalized 5 for too much time out, putting the ball on the Hornet's 49.

Davis swirled around right end for 8 yards but this was nullified when Memphis was penalized for being offside. A pass was incomplete and Frisbie failed to gain on the following play. Frisbie punted to Tulia, who returned 32 yards to their 47-yard line.

Harold Caraway picked up 3 as the first quarter ended.

Babo Hamilton made 4 for Tulia on the opening play of the second quarter and Caraway added 3 for the Hornet's initial first down of the game, putting the ball on the Cyclone's 43.

Caraway got 1 yard over right guard, an attempted pass was incomplete, Carlos Newby made 1 across right guard, then failed to advance the ball, giving it to Memphis on their own 38.

The Cyclone was held for no gain, then Davis picked up 3 yards through right tackle and Davis made a yard over left tackle. On fourth down, Frisbie punted out of bounds on Tulia's 21.

Tucker smashed left tackle for 2 yards and Memphis was penalized 5 yards for offside, to the Hornet's 26. A pass was incomplete and Caraway picked up 1 yard over center. Tulia fumbled but recovered on their 21, then punted to Frisbie, who returned 12 yards to the Tulia 43.

Sustaire lost 2, followed by an incomplete pass. Memphis was penalized 5 for intentionally grounding the ball, putting the ball on the Cyclone 49. Davis made 3, then Frisbie punted and Memphis was penalized 15 yards for holding, leaving the ball in Tulia's possession on the Cyclone 45.

Tulia was penalized 5 yards, then made 12. On the following play, Memphis recovered a fumble. Frisbie made 11 around end, to put the ball on Tulia's 42, for a first down.

Frisbie lost 5 and Tamplen 1, then Frisbie went around right end for 12. On the next play, Tulia recovered a Cyclone fumble, to give them the ball on their 32. After one pass was incomplete another was intercepted by Memphis and returned to Tulia's 29.

Davis picked up 4, then 5, followed by an incomplete pass, and a 5-yard penalty against Memphis, placing the ball on the Hornet's 29.

The first half ended as a pass went incomplete, with the score being 8-0.

Starting the second half, Memphis kicked to Tucker who returned 5 to his 27. Tucker made 3 and Newby 2 through center. After Hamilton lost 3, Tucker punted to Frisbie, who fumbled, Tulia recovering on Memphis' 42.

Tucker made 2, an attempted pass was incomplete, and Carlile lost 1, then picked up 4, but the ball went over.

Frisbie made 12 but Memphis was penalized 15 for clipping. Frisbie swung around left end for 18 and a first down. Memphis lost 12 yards on two fumbles, then Frisbie got 6 yards before punting out of bounds on Tulia's 38.

Hamilton got 2, Bill Bivens made 1 and Hamilton lost 4, before Tulia punted to Frisbie, who returned 13, to put the ball on Memphis' 43.

Davis made 3, then was held, and Jackie Boone lost 5, then Frisbie punted to Tucker, and the ball ended up on Tulia's 21.

Newby lost 1. Tulia fumbled and the Cyclone recovered on the Hornet's 19. Davis failed to gain as the quarter ended with the score still 8-0.

On the opening play of the fourth quarter, Tamplen picked up 8, followed by a fumble by Jimmie Jenkins, which was recovered by Tulia.

After being held on the 9 Tulia made 2 yards on a pass, and then recovered a fumble on their 1. The Hornet's punted out of

bounds on their 22-yard line.

Davis made 5 but Memphis was penalized 5. Davis failed to advance, then Frisbie on a keeper play swept around left end for a counter, pushing the score to 14-0. Frisbie's kick was good, giving the Cyclone another point.

Memphis kicked off to Tulia over the goal line and the ball was brought out to the 20. Tucker picked up 8, an attempted pass was no good, then Memphis received a 5-yard penalty for offside.

Tucker failed to gain, then lost 3, and Memphis was penalized 15 yards for roughness, giving Tulia a first down.

A pass advanced the Hornet from Memphis' 44 to the 23. The Cyclone recovered a fumble on their own 30.

Frisbie lost 3, Davis failed to gain, then a punt was blocked and it was Tulia's ball on the Memphis 18, from where Tulia passed for a touchdown. The try for point was no good, leaving the score 15-6.

Tulia kicked to the Cyclone and the ball was brought back to the Memphis' 40. Sustaire made 10 for a first down, and Davis added another first down. Starting on Tulia's 27, Sustaire picked up 3, Davis, another 3, and Frisbie made 22 around left end.

Memphis was penalized 15 for holding, putting the ball on Tulia's 29. Davis lost 2 yards, then Frisbie carried to the Tulia 2, as the contest ended.

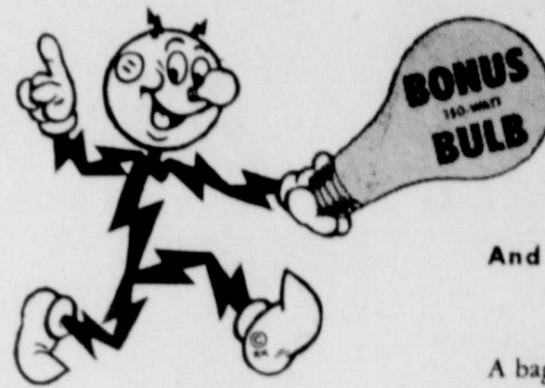

Starting lineup for Memphis was: Jack Montgomery and Caril Gardenhire, ends; Kenneth Cheek and Leon Rogers, guards; Jerry McQueen and Hayes Hammond, tackles; Max McCoy, center; Duke Frisbie, quarterback; Jimmie Davis and Clyde Tamplen halfbacks; and Jimmie Jenkins fullback.

## Miss Wanda Bell Becomes Bride Of Jim Moore In Pretty Home Service

In a double-ring ceremony performed at 6 o'clock Saturday evening, Miss Wanda Bell, daughter of Mr. and Mrs. Jim Bell of Estelline, became the bride of Jim Moore, son of Mr. and Mrs. Clarence Moore, also of Estelline.

Rev. T. H. Costain, pastor of the Estelline Methodist Church, read the marriage service in the home of the bride's parents. White gladioli and greenery were used to form a background for the service.

Given in marriage by her father, the bride wore a royal blue original model suit with a white felt hat trimmed in pearls. Her corsage was an orchid.

The bride's only attendant was her sister, Miss Wynnell Bell. She was attired in a beige and cocoa suit with brown accessories, and a chapeau corsage.

Bobbie Lee Adams was best man.

Following the ceremony a reception was held. The bride's table was laid with a linen embroidered cloth, and centered with an arrangement of white gladioli. The three-tiered wedding cake was topped with a wedding bell. Mrs.

Al Robertson, sister of the bride, served golden punch and Mrs. A. J. Gilbert, Jr., sister of the groom, served the cake. Napkins were inscribed in gold "Wanda and Jim."

The bride, who was born and reared in Estelline, was a popular member of the 1953 graduating class of Estelline High School. She participated in all school activities. She was cheer leader, football queen in 1950, editor of the annual in 52-54, most popular girl in high school in 1951 and best all-around girl in 50-51.

The groom is also a graduate of the Estelline high school with the class of 1951. He is now a junior student at Texas Tech College at Lubbock.

The newly weds are now at home in Lubbock, where the groom plans to continue his studies at Tech.

## American Week Is Observed By Federated Clubs

Mrs. R. S. Greene, Americanism chairman of the 1913 Study Club stated today that the local club is joining with the other 1,200 Texas Federation of Women's Clubs throughout the state in the observance of Americanism Week, September 13-19.

Governor Allan Shivers initiated Americanism Week with a radio broadcast on Saturday, September 12.

Faith in God is the foundation from which respect for the rights of the individual and democracy's boundless opportunities for achievement rise, the clubwomen sponsoring the week, point out. Altogether, 6 million American Clubwomen are mobilizing to back the week-long stress on a new awareness of America's heritage.

Each local club is sponsoring assembly programs in the public schools and providing speakers to stress the basic tenets of American democracy and acquaint today's children with their heritage, Mrs. Van Hook Stubbs of Wortham state president, stated.

Mrs. Florence Johnson Scott of Rio Grande City, TFWC Americanism chairman, said that either by school programs, club forums or civic activities, every federated club in the state will share in the educational program on what America stands for, and its advantages over Communism.

### New Premium Fuel Placed On Market By Continental Oil

HOUSTON—A million-dollar advertising campaign to introduce Continental Oil Company's new Conoco Super gasoline with TCP, described as "the biggest improvement in gasoline in 31 years," is being launched this week as Conoco's new premium fuel goes on sale at 8,500 Conoco service stations and other outlets in 23 states. TCP, the additive that gives car engines more power and greater fuel mileage is being added to Conoco's new gasoline by special arrangement with Shell Oil Company, it was revealed by Harry J. Kennedy, vice president in charge of marketing.

TCP, the trademark for the power-boosting additive used in the new Conoco Super gasoline, is a special chemical compound originally developed to prevent spark plug failure in the Air Force's giant B-36 bombers, said Mr. Kennedy. He explained that TCP provides better engine performance in two ways. First, it neutralizes spark plug deposits that cause short-circuiting and misfiring. Second, it changes chemically the deposits in combustion chambers that cause "wild-ping" and pre-ignition with resultant power loss. Both conditions are common in both new and old cars.

"Conoco Super is a wholly new kind of gasoline," Mr. Kennedy pointed out. "And Conoco customers will be the first in their vicinity, except for scattered points where both Conoco and Shell market gasoline, to get the benefits of the most important advance in motor fuels since we began adding tetraethyl lead to gasoline back in 1922."

"In actual road operation motorists have experienced noticeable improvement in car performance after using as little as two tankfuls of gasoline with TCP. They also have obtained as much as a 15 per cent boost in usable power, better gasoline mileage and up to 150 per cent longer spark plug life."

"As usual, newspapers are carrying the heaviest load in Continental's intensified advertising campaign to help launch our new Conoco Super gasoline," Mr. Kennedy said. Conoco is using ads in more than 1,000 weekly and daily newspapers with a combined circulation of 11,500,000 in addition to spot radio announcements on 98 stations in 56 cities; television commercials on 21 TV stations in 14 cities, and 5,350 outdoor posters in 1,217 communities.

You're "sitting pretty" behind the wheel. Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around. You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power with less gas. That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide\* models, you get the most powerful engine in

rolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide\* A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

And it's the lowest-priced line. A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

## National Jamboree Film Is Shown At Local Scout Hall

A motion picture, taken at the recent Boy Scout National Jamboree in California, was presented at a special showing at Scout Hall here Monday night by Clyde Price of Clarendon.

Members of Troop 35 of Clarendon were guests of Troop 35 of Memphis, according to Ted Myers, Scoutmaster of the local group.

Highlights of the jamboree, held at Santa Ana, Calif., July 11-25, featured the presentation.

Scouts seeing the film were Bobby Morris, Gyle Wells, Jimmy Dunn, Don Deaver, Jimmy Jeffries, Johnny Jeffries, George Stanley, Jerry Burnett, Wayne Lesley, Dudley Gillespie, Tommy Snowden, Gayle Gilreath, Charles Massey, Marvin Middleton, Swayne McCauley, Garland Moore, Donald Aroon, Jimmy Carter and Neal Carter. Mr. and Mrs. A. C. Carter of Clarendon were present.

Scouts, advancing in Troop 35 at a recent Board of Review, are as follows: Second class, Swayne McCauley, Gayle Gilreath, George Stanley, Tommy Snowden, Don Deaver, Gyle Wells, Charles Massey, Garland Moore and Paul Nelson; and First class, Marvin Middleton, Henry Seale and Neal Foxhall.

Boys, receiving merit badges were Jackie Don Hankins, Dudley Gillespie, Bobby Morris, Sandy Smith and Don Durham.

Scouts of Troop 35 are going camping Saturday. All Scouts should be at Carnegie Library at 4 p. m. Plans are for the group to make an overnight trip north of Clarendon.

of all of them. I've never seen a bunch of boys fight harder." Cyclone players need to improve their blocking, Childress said, and considerable time was to be spent this week on individual blocking assignments. The boys were blocking last Friday night but frequently not getting the men they should, Childress explained.

Some time also was to be devoted to pass defense, to coming out of huddles faster, and to the execution of plays, added Childress.

"But when boys have the spirit, ours had Friday night, they can improve their playing," the coach declared.

"That was the reason for Tullia's upset," he went on. "They weren't expecting a team with the fighting spirit our boys had. Our boys were pretty sharp on defense, except on passes."

Second string and "B" team players scrimmaged against the Esteline squad here Monday afternoon, to give the local boys needed experience.

## Tri-State Fair Begins 6-Day Run Monday Morning

The 1931 Tri-State Fair and Livestock Exposition at Amarillo is scheduled to open Monday and continue through the following Saturday, according to Delbert Dalby, president. Rex Baxter is fair manager.

Intermingled with the landmarks of the fair, such as the livestock judging, horseshoe, cutting horse contest and the Bill Hames Arena show and thrilling free acts.

Close to 200,000 persons clicked turnstiles at the fairgrounds last year and this number is expected to be exceeded this year.

Among fair highlights are an ice extravaganza, "Ice Ahoy," whose cast includes Clyde McCoy and his Sugar Blues Band, Candy Candido, master of ceremonies on the Jimmy Durante show for five years, the Martez and Lucia duo and Hubert Castle, tight-wire artist.

Free acts daily will feature Adrianna and Charley, experts on the trampoline, and Nita and Peppi, who perform acrobatic and balancing acts.

Cutting horse contests will be held Thursday, Friday and Saturday afternoons.

The 29th livestock exposition will have outstanding entries from Texas, Oklahoma and New Mexico with more than \$20,000 in premiums.

help peoples of other countries help themselves but if they are not willing to do this, any aid we give them is wasted.

In conclusion, he declared that if the American people remain steadfast and continue to follow the Christian way, everything will come out all right.

J. Claude Wells, master of ceremonies, introduced Rogers.

The dinner meeting was called to order by Ace Galley, president of the Lions Club. Buster Helm led in group singing and Judge M. O. Goodpasture offered the invocation.

After dinner was concluded, Galley turned the meeting over to Wells. Under his direction, Galley introduced members of the Memphis school board and then wives and special guests and Supt. W. C. Davis introduced faculty members and their husbands or wives.

Approximately 125 persons attended the dinner.

## Double Sorrow Visits H. E. Craig

Double sorrow has come to H. E. Craig, district manager of the General Telephone Company here within the past 10 days.

His mother, Mrs. F. C. Craig of Fort Worth, died Monday of last week, as the result of a heart condition. She was 60 years old. At the time of her death, she was attending her mother, Mrs. Julia Ann Smith, 80, who had suffered a stroke several days earlier. Mrs. Smith died Sunday at Ft Worth.

Funeral services for Mrs. Craig were conducted last Thursday in the Gause-Ware Funeral Chapel in Fort Worth. Burial was in the Rose Hill Cemetery there.

Rites for Mrs. Smith were held Tuesday in St. Luke's Methodist Church of Fort Worth. The body was taken to the Pollard community, near Idabel, Okla., for burial services Wednesday morning.

Mr. and Mrs. Craig and family attended the services for his mother and had come home where word of his grandmother's death was received. Mr. Craig returned to Fort Worth for Mrs. Smith's funeral.

A brother of Mr. Craig died several months ago.

in this county. Only favored sections of the county have received sufficient rain to be of benefit to late feed. Native grass has made no recovery and most of our late feed has burned up. Within 60 days 90 per cent of all livestock in Hall County will be on fall feed.

"It is the hope of this committee that the continuance of feed orders will be left to the discretion of this committee; then feed can be ordered when and how it is needed. We feel this decision can be made fairly only on a county level."

The letter was signed by R. A. Eddleman, Estelle, chairman, J. J. Roan, Jr., Memphis, county supervisor of the Farmers Home Administration, and Alga Turner, Turkey, producer.

At the Friday meeting, committee members expressed themselves as being of the opinion that if the emergency feed program was discontinued, many stockmen in this section would be forced to send their cattle to market further depressing an already weak market, McKown said.

Robert Koch isolated the bacillus which causes tuberculosis.

After living in Van Zandt County a few years, the couple came to the Panhandle about 1914 and settled at Claude. Mr. Stephens was a farmer.

Mr. Stephens died at Claude about 10 years ago and soon afterwards Mrs. Stephens moved to Amarillo to make her home with a daughter, Mrs. W. O. Comingoer.

Mrs. Stephens was a member of the Methodist Church at Claude.

Survivors, other than the son and daughter, include: another son, Jack Stephens of Panhandle; two sisters, Mrs. A. M. Posey Amarillo, and Mrs. Della Wheeler Mabank, Tex.; a brother, John Mitchell, Corona, Calif.; and two grandchildren.

## EIGHTH GRADE PUPILS AT LAKEVIEW MOVE

Two members of the eighth grade in Lakeview Junior High School recently have moved away, according to Elizabeth Anne Pierce, eighth grade reporter. Sharon Elizabeth Brown moved to Arizona, and Neely Carl Rice went to California.

## Social Security Problems Listed

Two major problems in posting individual wage record accounts are encountered by the Social Security Administration, according to J. R. Sanderson, manager of the Social Security field office in Amarillo.

One of these is the receipt of tax returns with missing social security numbers and the other is tax returns, bearing incorrect numbers.

If the employee allows each new employer to copy his name and number directly from his card, problems of both incorrect and missing numbers will be eliminated.

A representative from the Amarillo field office of the Social Security Administration will be in commissioners courtroom here starting at 10 a. m. Tuesday.

**National Jamboree Film Is Shown At Local Scout Hall**

A motion picture, taken at the recent Boy Scout National Jamboree in California, was presented at a special showing at Scout Hall here Monday night by Clyde Price of Clarendon.

Members of Troop 35 of Clarendon were guests of Troop 35 of Memphis, according to Ted Myers, Scoutmaster of the local group.

Highlights of the jamboree, held at Santa Ana, Calif., July 11-25, featured the presentation.

Scouts seeing the film were Bobby Morris, Gyle Wells, Jimmy Dunn, Don Deaver, Jimmy Jeffries, Johnny Jeffries, George Stanley, Jerry Burnett, Wayne Lesley, Dudley Gillespie, Tommy Snowden, Gayle Gilreath, Charles Massey, Marvin Middleton, Swayne McCauley, Garland Moore, Donald Aaron, Jimmy Carter and Neal Carter. Mr. and Mrs. A. C. Carter of Clarendon were present.

Scouts, advancing in Troop 35 at a recent Board of Review, are as follows: Second class, Swayne McCauley, Gyle Gilreath, George Stanley, Tommy Snowden, Don Deaver, Gyle Wells, Charles Massey, Garland Moore and Paul Nelson; and first class, Marvin Middleton, Henry Seale and Neal Foxhall.

Boys, receiving merit badges were Jackie Don Hankins, Dudley Gillespie, Bobby Morris, Sandy Smith and Don Durham.

Scouts of Troop 35 are going camping Saturday. All Scouts should be at Carnegie Library at 4 p. m. Plans are for the group to make an overnight trip north of Clarendon.
