Phones Open Home Schedule Against Eagles Friday Evening

Church Homecoming

Christian Church of Memphis is holding a homecoming Sunday dinner on the 10th and a sermon in the evening by a former minister, among other things. A number of out-of-town friends are expected to attend. The church is also holding a homecoming service on the 11th, featuring a group singing. The service will be held at 8 p. m. and will be presided over by the pastor, Rev. J. H. Crowell, who presided at the homecoming service on the 10th.

Several Regulars Hurt And May Not Start Canyon Tilt

Several regular starters may not be in the Cyclone line-up Friday night when the game with the Canyon Eagles gets underway at Cyclone Stadium, Coach George Childress said Wednesday. The game will be the first home game of the season for the local team. The boys were injured in the contest with the Paducah Dragons at Paducah last Friday night and have not scrimmaged any this week.

Hurt in the Paducah fray were Carrol Gardenhire, Duke Frisbie, Clyde Tamplen and Jimmie Jenkins.

Childress believed Wednesday that all except Gardenhire will likely see action Friday night. Gardenhire will be given a check-up Friday and the outcome of this will determine whether he can play or not.

Gardenhire was knocked out early in last week's game, although he went back in for a short time in the second half.

Frisbie suffered a leg injury and Tamplen and Jenkins each had an ankle injured. All were initially injured in the tilt with Tulsa played a week earlier.

Childress said the injured boys were unable to play their usual games against Paducah and this played an important part in the Cyclone defeat.

Only one senior, Max McCoy probably will start the game, according to the coach.

Canyon is undefeated in two games this season and is reported to have a very strong squad. Childress declared, "The Eagles edged the Panhandle Panther last Friday night, 20-19, and outscored the Happy team the previous week." (Continued on Page 12)

ROBERTS HEADS 8-STATE MEET

Mills Roberts, division manager here for General Telephone Company, is in Salt Lake City, Utah this week, attending the convention of the Rocky Mountain Telephone Association. He is president of the association and is presiding over convention sessions.

The association covers eight Rocky Mountain states. The convention convened today and will be concluded Friday.

Roberts left Amarillo by air Tuesday morning and plans to return home Sunday.

County Swine Show Will Start Here Saturday Morning

Everything was about ready today for the Hall County Swine Show and Businessmen's Swine Show which will be held Saturday in Wynn's dairy barn, in the northeast part of Memphis. The show was originally scheduled to be located at the Memphis Compress.

Awards in both the Sears and Businessmen's sections have been completed, according to County Agent W. B. Hooser.

In the Sears division, prize will be: \$8 for first place, \$7, second, \$6, third, \$5, fourth, and \$4, fifth. Eight gilts are to be exhibited.

Four gilts will be shown in the Businessmen's division. Awards will be the same as for the first (Continued on Page 12)

First Move Made Toward Granting Hike In Gas Rate

Interest In Irrigation Prospects In This Area Shows Marked Increase

Considerable interest is being shown in possibilities for increasing the amount of irrigated farm lands in this area. Several wells already are being used to water land in the Brice area and others have been brought in recently or are in the process of being drilled in both the Brice and Plaska communities.

A well has been brought in on the J. C. Johnson farm, south of Brice, and is said to be flowing about 850 gallons a minute. Johnson drilled a well last year but met with failure. The new one was put down about 200 yards from the old location.

In the same area, T. H. Gatti is using three wells to irrigate around 270 acres, Jack Moreman on the Sam Foxhall farm, has two wells which are providing water for about 100 acres, and Wilbur Williams is irrigating about 250 acres from two wells, according to reports.

Moreman is using a sprinkler system while the others are utilizing a system of ditches.

Gatti has been irrigating for four years. This is the first year for the others.

Crops on the irrigated land are reported to be good, but cotton is said to have been heavily infested with worms.

The wells are reported to be

flowing from 750 to 1,000 gallons of water per minute.

All of the farms are located along Bitter Creek, which runs just east of Brice.

Bray Cook, who lives west of Brice, also has been doing some irrigating and is reported to be drilling a new well.

Dr. J. A. Odom has land in the Friendship area, southwest of town, in which he had a well drilled this spring. He experienced some difficulty soon after the well was brought in when earth caved in at the well site but is reported to have been irrigating approximately 60 acres this summer. He is using a sprinkler system.

SECOND READING AT MEETING OF COUNCIL, OCT. 6

The Lone Star Gas Company's application for rate adjustment affecting approximately 1300 residential and commercial customers in Memphis was passed on first reading by the City Council at a called meeting, Monday night.

The increase to the average residential user will amount to about 4 cents a day, it was pointed out by T. J. Bridges of Memphis, sub-district manager for the gas company. He stated that similar applications have been throughout Lone Star territories in Texas, and the requests have been granted in approximately 350 cities and towns.

The application for an increase in gas rates here will receive a second reading at the regular monthly meeting of the City Council, Tuesday night, Oct. 6. The meeting will be held on the second floor of the City Hall, beginning at 8 o'clock. The public is invited to attend.

Before it can become effective, the application must be read and passed three times.

Bridges expressed appreciation to the City Council for "consideration of the gas company's application."

The gas company manager emphasized that residential and commercial rates charged by Lone Star have not been increased generally within the last 25 years. The new rate is comparable with the standard rates in effect throughout Lone Star system and will be applicable to all cities and towns in this area including Childress, Chillicothe, Dodson, Electra, Quanah, Vernon, Wellington, and Memphis.

"Under the new rate," Bridges said, "over half of the increase per customer will go to various taxes, thus leaving less than two cents of the increase available to the Company."

"The Lone Star Gas Company has taken a great deal of pride in the fact that we have been able (Continued on Page 12)

HALL COUNTY FARM BUREAU HOLDS MONTHLY MEETING HERE MONDAY

Every Farm Bureau member has an obligation in helping his organization solve agricultural problems. Stanley Garnett of Spearman, declared Monday night at a meeting of the Hall County unit. The session was held in the courthouse here.

Garnett, who is state director from District 1 of the Texas Farm Bureau Federation, went on to say that no man can carry on operations, whether agricultural or otherwise, in this complex world without the help of others.

In another part of his speech, Garnett observed that labor and industry seem to want to keep agricultural income down so their incomes can be larger.

Garnett told the group that their membership of 225 persons gives them three votes in the state. He explained that the Texas Farm Bureau has a voting strength of 4 in the national organization but that membership should be increased so the state group can have a greater voice in the parent organization. He said a state membership of 100,000 is expected within the next three years.

Grain is the crop farmers resort to when cotton or wheat fails, with very few acres summer fallowed, Garnett said. He explained that diverted acreage poses a problem in keeping from infringing on other men's crops and causing a possible surplus.

Garnett said that while there are 1,200,000 classified wheat farmers, that only a small percentage are actually commercial producers. He said a program should be worked out for small, as well as large, farmers in wheat and other crops.

Farm Bureau members need to air their problems at the county level and send resulting resolutions to the state organization. (Continued on Page 12)

Frisbie Is Named 'Player Of Week' By Amarillo Paper

Duke Frisbie, Cyclone quarterback, was named "Player of the Week" in Class A, by the Amarillo Daily News last week.

Frisbie, playing his fourth year on the Memphis High School "A" team, "turned in one of his most memorable performances against Tulsa Friday, pacing the Cyclones to a 15-6 upset victory," Ray Franks, Daily News sports writer said in an article in the Sept. 17 issue, which announced the award.

According to the article, Frisbie carried the ball over for both Cyclone tallies but was actually credited with only one. On one of the scoring plays, he lost the ball in the pile-up but a team

Wheat-Guessing Entries Rise Contest Nears Conclusion

The Democrat's wheat-guessing contest for the current year has shown an increased interest. The contest is now in its final stages and will conclude on Saturday afternoon at 5 p. m.

Entries generally ranged from 15,000 and 30,000, although there were quite a few entries above and below that.

The estimate on 1953 grain in Hall County up to Wednesday has been 9,899 bales. The estimate for 1954 is 14,525 bales. People far away as California are entering the contest.

Entries must either be made in person or by mail. No telephoned entries will be accepted.

The contest is a three-year subscription. The second year subscription prize is a one-year subscription.

The figures, furnished by the Bureau of the Department of Commerce, will determine the prize.

Entries, get your guesses in by Saturday afternoon. Prizes, received since last year, are as follows:

Leo Wiley, 17,777; Frank Hamilton, 27,777; Mrs. W. E. Watson, 27,200; W. E. Watson, 27,200; G. H. Phillips, 22,540; O. D. Phillips, 17,567; John Campbell, Lakeview, 28,442; John Campbell, Lakeview, 23,200; Dan Parnell, Lakeview, 25,843; Larry Parnell, Lakeview, 32,500; Mrs. Don Rasco, 29,253; Mrs. E. H. Rasco, 25,260.

TIME OUT FROM COFFEE—Chamber of Commerce and General Telephone Company officials and their wives or husbands met at the Memphis Country Club Sunday afternoon for an informal "coffee." Among those present were, from left: W. A. Leigon, Clifford Farmer, H. E. Craig, Allen Dunbar and Mills Roberts. Roberts is division manager and Leigon is plant superintendent in the telephone company's division office here, and Craig is district manager for the company. Farmer is manager and Dunbar is president of the local chamber of commerce.

HEDLEY FESTIVAL TO BE BETTER THAN LAST YEAR

The second annual Hedley Cotton Festival, to be staged Oct. 9-10, will be larger and better than last year, officials announced this week.

A number of new features are being added to make the exposition even more interesting to visitors than last year's.

Several riding clubs have announced they are going to attend and participate in the grand parade at 1 p. m., Saturday, Oct. 10. More bands are expected to be in the line of march than last year and floats and industrial entries should be greater.

Another attraction this year will be the Paul Roads Rides from Thompson Park at Amarillo. They will be located one block west of Hedley's Main Street and in plain sight of the highway.

Six square dance teams have promised to come to the festival (Continued on Page 12)

HEARING ON 1953-54 SCHOOL BUDGET SET

A public hearing on the tentative 1953-54 budget of the Memphis Independent School District will be held at the regular monthly meeting of the school board, Monday night, Oct. 5. The session will be held at the high school, in the office of Supt. W. C. Davis, starting at 8 o'clock.

Announcement of the hearing was made Tuesday by Ace Gailey, president of the board.

The proposed budget calls for expenditures, totaling \$167,889. This compares with \$174,637.51 for the 1952-53 school year.

Receipts for 1953-54 are estimated at \$161,497.15, based on 100 per cent collection of local taxes, Davis said. Receipts this past year were \$167,664.17.

Expenditures, under the proposed 1953-54 budget, are divided as follows: Business administration—Clerical and supplies, \$12,076; Instruction (White)—Supervisors, principals, teachers, substitutes, librarians, and teaching supplies \$117,239; Salaries (Colored), and supplies, \$13,635; Salaries—Janitors, utilities, supplies, and cafeteria, \$18,905; Maintenance of plants—Supplies and contract services, \$1,000; Transportation—maintenance and operation, \$1,000; and Fixed charges—Insurance, and interest on borrowed money, \$4,034.

Income is divided as follows: School lunch funds, \$2,500; Per capita payments, \$64,895.15; Salary and operation, \$37,902; Vocational education, \$1,500; County available fund, \$340; and Local maintenance \$54,436.

School bonds, amounting to \$12,750, were redeemed the past school year, and a like amount is expected to be paid off this year under the tentative budget.

Interest on bonds last year came to \$13,922.50, and \$14,000 has been allotted to meet that obligation this year.

POTTS EXHIBITS TOP HEREFORDS In TRI-STATE FAIR

Tomie M. Potts exhibited the reserve champion bull in the Hereford division at the Tri-State Fair, which is going on this week. Judging in this division occurred Tuesday.

The reserve champion is TP Larry Domino 15, the sire of which was Dandy Larry Domino 41. The dam was HT Bonnie Tone 2nd.

TP Larry Domino 15 also was judged to be the top senior bull calf in the Hereford section.

Potts won a number of other prizes in the division.

TP Dandy Larry D-7 placed fifth in the junior yearling bull classification, and TP Larry Mixer took second among summer yearling bulls. TP Mixer Larry 2nd was ninth in this class.

Among senior bull calves, TP Dandy Larry Domino 18 was third, and TP Dandy Larry D 16 was fourteenth.

Potts' animals won third and fourth places in showings of three bulls owned by one exhibitor, and took third and sixth places among showings of two bulls bred (Continued on Page 12)

Several Regulars Hurt And May Not Start Canyon Tilt

Several regular starters may not be in the Cyclone line-up Friday night when the game with the Canyon Eagles gets underway at Cyclone Stadium, Coach George Childress said Wednesday. The game will be the first home game of the season for the local team. The boys were injured in the contest with the Paducah Dragons at Paducah last Friday night and have not scrimmaged any this week.

ROBERTS HEADS 8-STATE MEET

Mills Roberts, division manager here for General Telephone Company, is in Salt Lake City, Utah this week, attending the convention of the Rocky Mountain Telephone Association. He is president of the association and is presiding over convention sessions. The association covers eight Rocky Mountain states. The convention convened today and will be concluded Friday. Roberts left Amarillo by air Tuesday morning and plans to return home Sunday.

County Swine Show Will Start Here Saturday Morning

Everything was about ready today for the Hall County Swine and Businessmen's Swine Show which will be held Saturday in Wynn's dairy barn, in the northeast part of Memphis. The show was originally scheduled to be located at the Memphis Compress.

Awards in both the Swine and Businessmen's sections have been completed, according to County Agent W. B. Hooser. In the Swine division, prizes will be: \$8 for first place, \$7 second, \$6, third, \$5, fourth, and \$4, fifth. Eight gilts are to be exhibited. Four gilts will be shown in the Businessmen's division. Awards will be the same as for the first (Continued on Page 12)

Interest In Irrigation Prospects In This Area Shows Marked Increase

Considerable interest is being shown in possibilities for increasing the amount of irrigated farm lands in this area. Several wells already are being used to water land in the Brice area and others have been brought in recently or are in the process of being drilled in both the Brice and Plaska communities. A well has been brought in on the J. C. Johnson farm, south of Brice, and is said to be flowing about 850 gallons a minute. Johnson drilled a well last year but met with failure. The new one was put down about 200 yards from the old location. In the same area, T. H. Gattis is using three wells to irrigate around 270 acres, Jack Moreman on the Sam Foxhall farm, has two wells which are providing water for about 100 acres, and Wilbur Williams is irrigating about 250 acres from two wells, according to reports. Moreman is using a sprinkler system while the others are utilizing a system of ditches. Gattis has been irrigating for four years. This is the first year for the others. Crops on the irrigated land are reported to be good, but cotton is said to have been heavily infested with worms. The wells are reported to be

SECOND READING AT MEETING OF COUNCIL, OCT. 6

The Lone Star Gas Company's application for rate adjustment affecting approximately 1300 residential and commercial customers in Memphis was passed on first reading by the City Council at a called meeting, Monday night. The increase to the average residential user will amount to about 4 cents a day, it was pointed out by T. J. Bridges of Memphis, sub-district manager for the gas company. He stated that similar applications have been throughout Lone Star territories in Texas, and the requests have been granted in approximately 350 cities and towns. The application for an increase in gas rates here will receive a second reading at the regular monthly meeting of the City Council, Tuesday night, Oct. 6. The meeting will be held on the second floor of the City Hall, beginning at 8 o'clock. The public is invited to attend. Before it can become effective, the application must be read and passed three times. Bridges expressed appreciation to the City Council for "consideration of the gas company's application."

Formal Opening Of Municipal Pool Sunday Afternoon

Formal opening of the municipal swimming pool is set for Sunday afternoon at 2 o'clock, according to an announcement made Wednesday. The pool is considered one of the best in this entire area. On the program are to be a dedication prayer by a Memphis minister and brief talks by Mayor Carl Harrison and Chamber of Commerce President Allen Dunbar. The pool is to be operated by Hubert Dennis for two weeks or as long as weather permits. Sunday hours will be from 2 to 7 p. m., and week day hours will be from 4 to 8 p. m. Charges will be 20 cents for students under 12 years, and 40 cents for older students and adults. At the opening Sunday afternoon, 10 one-dollar bills are to be awarded to lucky swimmers. Residents of surrounding towns have been invited to be present. On the city council committee which was in charge of the project were H. J. Howell, W. E. Leslie and Lloyd Ward.

TIME OUT FROM COFFEE—Chamber of Commerce and General Telephone Company officials and their wives or husbands met at the Memphis Country Club Sunday afternoon for an informal "coffee." Among those present were, from left: W. A. Leigon, Clifford Farmer, H. E. Craig, Allen Dunbar and Mills Roberts. Roberts is division manager and Leigon is plant superintendent in the telephone company's division office here, and Craig is district manager for the company. Farmer is manager and Dunbar is president of the local chamber of commerce.

POTTS EXHIBITS TOP HEREFORDS In TRI-STATE FAIR

Tonie M. Potts exhibited the reserve champion bull in the Hereford division at the Tri-State Fair, which is going on this week. Judging in this division occurred Tuesday. The reserve champion is TP Larry Domino 15, the sire of which was Dandy Larry Domino 61. The dam was HT Bonnie Tone 2nd. TP Larry Domino 15 also was judged to be the top senior bull calf in the Hereford section. Potts won a number of other prizes in the division. TP Dandy Larry D-7 placed fifth in the junior yearling bull classification, and TP Larry Mixer took second among summer yearling bulls. TP Mixer Larry 2nd was ninth in this class. Among senior bull calves, TP Dandy Larry Domino 18 was third, and TP Dandy Larry D 16 was fourth. Potts' animals won third and fourth places in showings of three bulls owned by one exhibitor, and took third and sixth places among showings of two bulls bred (Continued on Page 12)

HEARING ON 1953-54 SCHOOL BUDGET SET

A public hearing on the tentative 1953-54 budget of the Memphis Independent School District will be held at the regular monthly meeting of the school board, Monday night, Oct. 5. The session will be held at the high school, in the office of Supt. W. C. Davis, starting at 8 o'clock. Announcement of the hearing was made Tuesday by Ace Gailey, president of the board. The proposed budget calls for expenditures, totaling \$167,889. This compares with \$174,637.51 for the 1952-53 school year. Receipts for 1953-54 are estimated at \$161,497.15, based on 100 per cent collection of local taxes, Davis said. Receipts this past year were \$167,664.17. Expenditures, under the proposed 1953-54 budget, are divided as follows: Business administration—Clerical and supplies, \$12,076; Instruction (White)—Supervisors, principals, teachers, substitutes, librarians, and teaching supplies, \$117,239; Salaries (Colored), and supplies, \$13,635; Salaries—Janitors, utilities, supplies, and cafeteria, \$18,905; Maintenance of plants—Supplies and contract services, \$1,000; Transportation—maintenance and operation, \$1,000; and Fixed charges—Insurance, and interest on borrowed money, \$4,034. Income is divided as follows: School lunch funds, \$2,500; Per capita payments, \$64,895.15; Salary and operation, \$37,902; Vocational education, \$1,500; County available fund, \$340; and Local maintenance \$54,436. School bonds, amounting to \$12,750, were redeemed the past school year, and a like amount is expected to be paid off this year under the tentative budget. Interest on bonds last year came to \$13,922.50, and \$14,000 has been allotted to meet that obligation this year.

Bronneck of Vienna, Austria, Visits To Memphis Women Tuesday

For you to hope with the darkness has ended in Austria may look up to the future," said Frau Bronneck Tuesday afternoon speaking to the club of Memphis as guests of the Austrian Club at the First Church.

FRAU BRONNECK

"Austria so well," she like a mother knows her Austria needs much understanding. Nature doesn't change a country its appearance. Tourists are disappointed when the waters of the Danube are not really gray; but if they stay they become romantics and the waters of the Danube become blue. One epoch of history changed the appearance of the country. With Hitler and false promises—then there was a Vienna named Hitler. Then came Stalin and the Austrians hope their name may be changed to an Austrian name as the Vienna are named.

long as they are just tourists. Only those people who delve into politics and those who know too much are in danger."

Renee told of the many 'coffee houses' in Austria. "There are about one-thousand in Vienna," she said. "Here one may get a good meal or one may order just one little cup of coffee to get the best of service including a stack of magazines and newspapers in various languages to entertain one's self."

"The shops in Vienna have everything one may want. The setback, she added, is that people do not have the income with which to buy the wares. There are not any cars except those of highly professional men. There are no refrigerators nor washing machines; the things that you in America take for granted."

There are nine provinces in Austria. Pictures that Frau Bronneck showed that each province has its own costume dress which are hand-made by peasant women and passed down through generations. They are never worn on the streets; sometimes they are seen in the country and are worn for special occasions such as weddings, added Frau Bronneck.

"Austria," said Frau Bronneck "is a land of sports. It is a paradise of skiers. If the mountains are too steep for tourists to climb, then the cables may be used. Cable lines are all over Austria. Horses riding is an exclusive sport but many enjoy it."

"Austria is famous for festivals. There are outdoor theaters one with the stage floating in the center of a lake where music may float out across the waters in the still of the night. Austrian people are a gay, romantic people and music is everywhere."

"Austria is beautiful in every season with many beautiful garments to wear. In the summer, when it is very hot; and that would be very cold as you in Texas describe it, the century old chestnut trees adorn themselves with a cloak of pink and white blossoms and flowers are everywhere. In the winter, the white glaciers command the steep landscapes and lend an air of serenity. Austria boasts of many beautiful buildings and parks. It is especially proud to claim ownership of the largest library in Europe many of the volumes being original handwritten volumes."

Frau Bronneck came to Seventh District as a guest of Mrs. B. M. Little of Littlefield, Texas whom she met in Copenhagen last year while Mrs. Little was touring Europe with her husband. She is sponsored by the Texas Federation of Womens Clubs since her talk tie in with the Aid to Austria program supported by Texas and the General Federation of Womens Clubs.

1913 Study Club Meets For Initial Meeting Wed.

The 1913 Study Club met in the home of Mrs. Mac Tarver for the initial meeting of the club year.

The new president, Mrs. Frank Foxhall, presided over the business session.

Mrs. Boyd Rogers gave a resume of the course of study entitled "Our American Life and Times—1900-1950."

Mrs. Frank Foxhall spoke of "The American Task," and Mrs. R. S. Greene gave "Americanism at Work." Mrs. O. L. Helm, in costume, presented "The Statue of Liberty Speaks."

Tasty refreshments were served during the social hour to the following members: Mmes. L. G. DeBerry, Herschel Combs, H. A. Finch, Frank Foxhall, Rufus Grisham, R. S. Greene, O. L. Helm, D. L. C. Kinard, Clyde Milam, Boyd Rogers, Brown Smith, Bluford Walker, R. C. Walker, E. M. Wilson, T. M. Harrison, Paul Montgomery and two new members, Mrs. Allen Grundy and Mrs. Mills Roberts who were welcomed into the club. One guest, Miss Temmye Noel of Denton, was also present.

The next meeting will be in the home of Mrs. Kinard with Mrs. Dunbar as co-hostess.

Ophelia Club Of Estelline Enjoys Luncheon Meeting

Members of the Ophelia Junior Club of Estelline enjoyed a luncheon meeting in the home of the president, Mrs. Jim Hutchins on Monday, September 14.

Following the meal, Mrs. Hutchins conducted a business session during which members voted to meet monthly.

The second Tuesday of each month was selected as the regular meeting day.

A clever skit was presented by

Mrs. Jack Kinard and Mrs. Bill Abram as the program. Mrs. Anna Dickson returned home last Thursday and is feeling much better, after spending 11 days in a local hospital.

We Recognize Our Responsibilities to This Community

More and more people are today thinking of their Bank as an essential institution devoted to the community welfare and progress. The day is disappearing when banks are considered as mere money-lending agencies.

It is our hope to have our entire community think of the First State Bank in these larger terms. On our part, we recognize our duties, and our plans are made to carry out our three primary responsibilities:

FIRST—To safeguard the deposits of our patrons.

SECOND—To make money available and useful to the people of this community.

THIRD—To work for the advancement of this area.

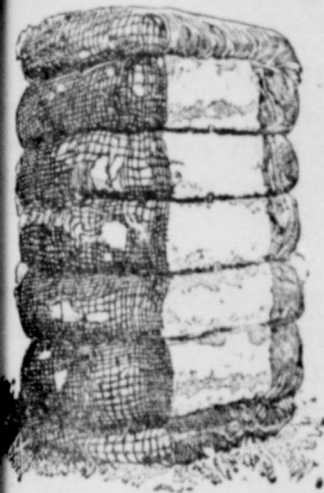

You are invited to discuss your problems and ideas with one of our officers.

For CAREFUL and EFFICIENT Ginning

Bring Your Cotton To The **J. M. Tindall Gin** In Memphis

For the best sample and turnout, bring your cotton to this gin. Every unit in our plant has been checked and placed in top shape for this ginning season. Our crew has instructions not to run stands so fast that saws might tear your cotton. Therefore, we will do all we can to give you a clean and well-ginned bale and preserve your staple.

This type of ginning means more money to you. In addition to careful ginning, your cotton will be turned out without undue delay. Give us a trial if you are not already ginning here. That's all we ask for we think you will be satisfied.

WE ARE BUYING COTTON

— or —

CAN HANDLE YOUR GOVERNMENT LOAN

We are paying top prices for cotton and cottonseed. Or, if you want to place your crop in the Government Loan, we will process the papers right here in our office, and hand you your LOAN CHECK immediately. Come in and ask about this convenient program.

Money Raising: Mrs. Paul Thompson, J. B. Byars and Mrs. V. C. Durrett.

Scrapbook Committee: Mrs. Earl Hill, Mrs. J. B. Byars and Mrs. Gaston Medford.

Yearbook: Mrs. Leon Robertson.

CARD OF THANKS

We gratefully thank our many fine friends and neighbors for the kindness shown us during the illness and death of our father, The Belcher Family.

Mr. and Mrs. E. M. Wilson made a flying trip to Durango, Colo., last weekend in celebration of their 29th wedding anniversary, which occurred Sunday. The couple returned home Monday night.

Truth Seekers Class Meets With Mrs. J. M. Baker

Mrs. J. M. Baker was hostess to the Truth Seekers Sunday School Class at her home, 701 N. 16th Street, Thursday, September 10.

Mrs. C. E. Gowan, president, presided. The meeting opened with the class song, "What a Friend We Have in Jesus." Mrs. A. B. Jones, secretary, read the minutes of the July meeting. It was reported that the class purchased a piano for the class room in August.

Mrs. Ella Johnson brought a very interesting devotional using for her subject the 23rd Psalm.

Mrs. Wm. Gerlach led in prayer and Mrs. Gowan gave a reading entitled "Brotherhood."

Mrs. C. E. Hankins conducted the Bible lesson. The class sang "Blest be the Tie That Binds." The meeting closed with the Lord's prayer in unison.

Refreshments were served to the following members: Mmes. L. G. Yarbrough, Guy Kercheville, C. Gerlach, J. B. Wrenn, Wm. Gerlach, C. E. Gowan, A. B. Jones.

J. W. Burley, C. E. Haskins, Johnson, Miss Rena W. Johnson, the hostess, Mrs. Baker.

Stalactites are ice-like formations which hang from the ceiling of a cave.

Bring Your Cotton To Your Gin

By Keeping Us Busy Throughout The Ginning Season You Will Earn Bigger Rebate Checks Next Spring!

This gin is now turning out good samples for the farmers of this area, after being completely overhauled during the summer months. Some new machinery has been installed and the plant is in tip-top shape throughout. In addition to being in perfect shape mechanically, your plant is being manned by an experienced crew of workmen.

Right now as the season gets underway, it is well that you remember the importance of bringing your cotton here. By keeping your gin busy, you will be making it possible for us to pay you a greater dividend next spring.

COME TO US FOR FIELD HANDS

Again this year, we will work with our customers in every way we can to assist them in harvesting their crops. We believe we will have plenty of hands to fill our customers' needs. Let us know if you need help and we will do what we can for you.

We will help in filling out necessary papers if you wish to place your cotton in the government loan. If you want to sell, there will be cotton buyers coming by the gin every day who will make you a price on every bale you wish to sell.

Make your plans now to bring your cotton to this gin. We will be here 24 hours every day if the volume of ginning demands it. At the same time your gin plant will be giving you the best turnout and samples it is possible to give.

REMEMBER.....

The more you gin here—the more your dividend check will be!

Paducah Dragons Defeat Cyclones Fri. Night, 18-0

Paducah to open the game. Kelly Biddy took the ball and returned it three yards to the Dragon 31-yard line. Herschell Thaxton plowed through center for six yards and Hal Sandefur added six more through the same spot to pick up a first down and place the ball on the Paducah 43-yard line.

Thaxton picked up two yards through center, Kenneth Buckley, seven yards over right tackle, and Thaxton, another nine yards across right guard, to get another first down on Memphis' 43.

Buckley slammed right tackle for eight yards and Thaxton hit center for three more and the Dragons' third first down, to put the ball on the Memphis 32.

David Morris fumbled the ball

yards for unnecessary roughness, leaving the ball in Memphis' possession on the Paducah 45.

Memphis lost one, then Frisbie and Tamplen, another three over the left tackle slot. Memphis failed to gain the next play and the ball went over to Paducah on the Dragons' 38.

Buckley made four through left tackle, Sandefur, five around right end, giving Paducah a first down on their 47-yard stripe.

Buckley scooted around right end for nine, then Paducah lost a yard and was penalized five yards for backfield in motion, putting the ball on Memphis' 47.

After a pass went incomplete and Buckley failed to gain, Morris took a pass for a five-yard gain, adding another first down for Paducah and placing the ball on the Cyclones' 41. Sandefur knifed through left tackle for 11 yards, and a first down, as the first half ended with neither team having tallied.

The second half opened with Paducah kicking off to Memphis' Dean Sustaie, who returned three with the ball being put down on the Cyclones' 41.

Davis made five across right tackle, and another four over left guard. A pass went incomplete. Jenkins made no gain and Paducah took the ball on their 49.

Thaxton made eight but Paducah was penalized five for off-sides. Buckley failed to gain, then a pass to Morris was good for eight. Buckley ripped right tackle for about 30 yards and a first down, putting Paducah on the Memphis' 10.

Thaxton hit right guard for two, and Sandefur pushed through the same spot for another two. Thaxton took the ball across for the Dragons' first touchdown. The try for point was no good, leaving the score, 6-0.

Paducah kicked to Memphis, Gardenhire making a seven-yard return and putting the ball on the Cyclones' 35.

Frisbie failed to gain, then made three over left tackle. After a pass failed, Frisbie punted out of bounds on the Paducah 49.

Biddy jabbed left tackle for two, a pass was good for five, and Buckley picked up nine for a first

down and the ball was set down on the Cyclones' 35.

Morris failed to gain, Biddy slipped through left guard for five yards—short of a first down—and the ball went over.

Memphis was penalized 15 yards, putting the ball on their 15-yard line.

Frisbie's punt was partially blocked and the Dragons' recovered the ball on the Cyclones' 19.

Biddy went through right guard for four, Jackie Tye slammed left guard for a like distance, then Biddy was held, as the third quarter closed, with the ball on Memphis' 11.

On the opening play of the final quarter, Sandefur picked up four around right end for a first down. The ball was resting on the Cyclones' seven-yard stripe.

Buckley made one through left guard, an attempted pass was no good, Sandefur swooped around right end, and on the following play, the Dragons tallied, to boost the score to 12-0. The kick for extra point failed.

Paducah kicked off to the Cyclones, Jenkins took the ball and returned six yards, placing the line of scrimmage on Memphis' 37.

Frisbie to Kenneth Cheek picked up 28 yards and a first down on Paducah's 35.

A pass went incomplete, Frisbie swept right end for three yards, and another pass failed. Frisbie made five yards around right end but this was short of needed yardage and the ball went over on Paducah's 27-yard stripe.

Thaxton made four over right guard, Buckley, one through center, and Sandefur, eight around right end, giving Paducah another first down and leaving the ball on the Dragons' 40.

Thaxton made a first down on a pass was good for seven, and Thaxton made a first down on a two-yard pickup across right guard, the ball being placed down on the Cyclones' 49.

On a handoff, the Dragons fumbled and Memphis recovered on Paducah's 44.

Frisbie was thrown for a five-yard loss, then a pass was intercepted by Paducah and the ball was set down on the Dragons' 31.

Thaxton rammed center for nine, then Memphis was penalized five for delaying the game, giving

Paducah a first down on their 43-yard line.

Sandefur split right guard for four, and Thaxton for seven, making another first down for the Dragons on the Cyclones' 45.

Thaxton made another first down on an 11-yard pickup through left guard, putting the ball on the Cyclones' 34.

On the next play, Thaxton swept through center for a 34-yard touchdown gallop, to push the score to 18-0. The extra-point try failed.

An on-side kickoff allowed Memphis to take possession of the ball on their 41, then the Cyclones were penalized five for delaying the game, and an attempt around left end failed as the game ended.

Starting for Memphis were: Duke Frisbie, Dean Sustaie, Jimmie Davis and Clyde Tamplen in the backfield, and Jack Montgomery, Jerry McQueen, Leon Rogers, Max McCoy, Roy Don Coleman, Kenneth Cheek and Carrot Gardenhire in the line.

Reports from the counties covering the 1953 Texas Hybrid Corn Program are due in the state office by October 15.

LONE STAR GAS COMPANY

STRETCH YOUR MILEAGE!

If you're reaching out for ways to save money, remember that gasoline economy depends on gasoline efficiency. Phillips 66 Gasoline is packed with Hi-Test elements which are controlled to provide (1) easy starting (2) fast warm-up (3) quick acceleration (4) full power output—under all conditions.

Another way to stretch your mileage is with Phillips 66 Heavy Duty Premium Motor Oil. It provides an extra measure of protection against wear and corrosion... keeps engine power up and gas consumption down over a long period of time.

USE PHILLIPS 66 GASOLINE AND PHILLIPS 66 HEAVY DUTY PREMIUM MOTOR OIL

Keeps its value better than any other car!

Used car dealers report that

Fords return more of their original cost than any other car—and there are 41 reasons why:

Take power. Ford's two high-compression engines are real leaders in their class. Ford's the only car in the low-price field to offer you the smooth power of a V-8 engine. And no other car in any field has so modern a Six.

Take build. Ford's one-piece Crestmark body gives you style-setting beauty with rugged "build" underneath. Where many other cars are bolted, Fords are welded hull-tight to keep out rust-causing weather and dirt.

Take ride. Ford's wonderful, new ride reduces front end road shock up to 80%. And Ford's new, more responsive spring and shock absorber action gives you the comfortable easy ride you want without gas-eating extra weight.

Take savings. Ford's economy-minded Automatic Power Pilot saves you money on every gallon of gas. It automatically adjusts carburetion, ignition and combustion to make every drop of gas ("regular" at that) work its heart out.

Take visibility. Ford gives you the "all-around" view you need in today's fast-moving traffic. A curved one-piece windshield, car-wide rear window and large "picture windows" all stretch wide so you have Full-Circle visibility.

Take drives. Only Ford in its field gives you a choice of a completely automatic drive, Fordomatic, the finest, most versatile automatic you can buy... fuel-saving Overdrive... or easy-shifting Conventional Drive.

The swing is to

FORD

WORTH MORE WHEN YOU BUY IT...
WORTH MORE WHEN YOU SELL IT!

F.D.A.P.

FOXHALL MOTOR COMPANY

616 Noel Street Memphis, Texas

By VERN SANFORD
Texas Press Association
AUSTIN, Tex.—Auto inspection stations are now ready to look over your car and issue a new sticker to replace the old one on your windshield.

You have until next April 15 to get the inspection made, but after that you'll be subject to a fine if the sticker is not in place. It's a pretty, little job, printed in gold and cut in the shape of Texas.

The new auto inspection law is not as tough as the old one (which was not enforced), but you must have the right kind of lights, brakes, horn, and windshield wipers.

It doesn't matter about your steering gear. As far as the inspection law is concerned, it's all right if the guiding apparatus goes out of whack and you crash at the next intersection.

Plans progressed for erecting tourist facilities in Inks Lake Park near Burnet and Marble Falls and in Eisenhower State Park near Denison Dam.

John Edwards, representing an Oklahoma-Texas investment banking firm, said he is ready to purchase revenue bonds which would provide financing for the projects.

Opposed to the projects is Representative Jack Fisk of Wharton, who thinks that state-owned lodges would be contrary to private enterprise.

"I am going to fight it every way I can," said Fisk.

Texas' prison system is in a position to make a million dollars profit in the year ending August 31, 1954.

During that year the system will take in an estimated \$2,100,000 from cotton production, \$125,000 from the manufacture of license plates, and \$75,000 from other sources. Legislative appropriation is \$301,266.

It is something unheard of.

said French Robertson of Abilene, chairman of the prison system, for such a profit to be shown, and "now we can make countless improvements of a permanent nature with our own money."

Weldon Hart, chairman of the Texas Employment Commission, told something of that agency's work in a speech here.

For the week ending September 3 the commission received 30,639 claims for unemployment compensation and paid 12,088 claimants a total of \$209,265.

And during August the commission placed 156,199 workers on jobs.

Around the capitol, there was little doubt that Ralph Yarbrough, who ran for governor last time, would try it again.

In Chicago for the Democratic Party's national conference, as a guest of National Chairman Stephen A. Mitchell, Yarbrough said he didn't know whether he would be a candidate. But, added:

"Immediately after the primary election last year, I began getting letters urging me to run again. And after Governor Shivers turned Republican last Fall the number of such letters increased."

That sounded very much like a man who only needed a little encouragement.

"We've had committees studying water for four years, and now the Rio Grande has gone dry." So said a member of the last Legislature, when new water laws were being considered.

Last week a new committee, created by that Legislature, went to work.

Members agreed that the problem was serious. Some comment: Governor Allan Shivers: "I can't emphasize too much the necessity of solving our water problems."

Senator John J. Bell of Cuero: "Next to war and peace, water is the biggest problem facing Texas today."

Representative John Kimbrough of Haskell: "800 million feet ran down Texas streams last year, but only 10 million acre feet were put to use."

For the biggest problem facing Texas today, after war and peace, the Legislature appropriated \$10,000.

But there was hope. Not just one committee, but three, were concerned with the water problem.

That created by the last Legis-

SAILS ATLANTIC . . . Mrs. Ann Davison of England waves happily on arrival in Miami, Fla. on solo trip of 15 months in her 23-foot sailboat.

lature, and mentioned above, is known as the Water Resources Committee.

There is a water Pollution Advisory Council, also created by the last Legislature.

There is also a committee of 100, appointed by Governor Shivers and headed by J. B. Thomas of Fort Worth.

Governor Shivers asked this committee to continue its work.

As these committees toiled, 48 Texas counties remained on the disaster relief list, eligible for federal aid.

Texas led all the states in drought loans, according to R. B. McLeish, head of the Farmers Home Administration in Washington.

There were 283 loans to ranchers and farmers, totaling \$3,500,980, and there were 92 applications pending for \$1,603,825.

Even so, the administration's drought relief program was one of "political chicanery," said Texas Commissioner of Agriculture John C. White.

"When we needed hay, we were offered government surpluses of feed concentrates," the commissioner declared in a speech at Corsicana. He added that the concentrates were useless without hay roughage.

As the governor deliberated about calling a special session of the Legislature in October, the drought emergency diminished by virtue of rains over the state.

And there was still a lack of progress with the teachers about an agreement on increasing their pay—another question that would come before the session.

Reductions in oil allowances cut down on the prospects that there would be money in the treasury to give the pedagogues more money. Their best chance seemed to be in the gas gathering tax, now being contested in the U. S. Supreme Court.

Now being collected and held, pending outcome of the suit, the tax brings in about \$1 billion a month.

Should the court decide for the state in this case, there would be money for the teachers, if the Legislature appropriated it to them.

SHORT SNORTS: James P. Hart, Chancellor of the University of Texas for the past three years, has resigned to return to law practice. His resignation becomes effective Jan. 1. Hart is a former associate justice of the State Supreme Court . . . Counties now have the right to deal with cities for rural fire protection, according to a ruling of the attorney general . . . Judge Bruce W. Bryant and C. K. Richards were honored upon their retire-

Hunting-Fishing Digests Are Ready

AUSTIN—Three hundred and fifty thousand copies of the Game and Fish Laws Digest are being mailed out for the benefit of Texas hunters and fishermen.

V. E. Skaggs, chief clerk of the Game and Fish Commission, said these official guides to all hunting and fishing regulations are consigned to Game Wardens County Clerks and Licensed Deputies.

He said a limited supply of a digest supplement, covering migratory game birds such as waterfowl and doves, has been sent to each of the individuals and agencies handling hunting and fishing licenses. The supplement was necessary since the regulations for migratory game were set after the printing deadline for the regular Digest.

The information in the combined pamphlets, according to the Chief Clerk, is designed to advise Texans as to the what, when and how on hunting and fishing. He suggested that persons finding the material inadequate should contact their local game warden.

ment from the attorney general's department . . . Sen. Jimmy Phillips of Angleton was governor for a day when, as president pro tem of the Senate, he took over when both Governor Shivers and Lieutenant Governor Ben Ramsey were out of the state . . . Dr. J. D. Copeland of San Antonio is the new chairman of the State Board of Health, replacing Dr. O. B. Kiel of Wichita Falls . . . The elections took place at a quarterly meeting of the board . . . Also chosen were Dr. George Turner of El Paso, vice chairman, and J. P. Burden of San Angelo, secretary (re-elected) . . . Emanuel Coglakis has taken to the Texas Supreme Court his effort to get a union labor organizer's card . . . His application was rejected by Secretary of State Howard Carney because Coglakis' International Fur and Leather Workers Union has been called, by federal investigators, communist-dominated.

Mr. and Mrs. B. Webster have returned home following a two weeks visit in Houston with their son, Scott Webster and family. While they were there, a six pound daughter, Debra Lee, was born to Mr. and Mrs. Billy Scott Webster, on September 17. Mr. and Mrs. Webster are the great grandparents of the new baby while Mr. and Mrs. C. W. Broome of Memphis are the great-great-grandparents.

Future Readers of The Democrat

Report From Washington

By Walter Rogers

Congressman, 18th District

WORLD ARE FARM PROGRAMS?

legislation providing for bringing agricultural products into line with demand, to bring about a more equitable distribution of commodities in short supply and to protect farmers from unreasonably low prices, are being introduced in the 80th Congress.

July 15, 1953, was 259 (1910-14 equal 100), down about 12 per cent from July 15, 1952 index of 295. During this same time the index of prices paid by farmers dropped less than 3 per cent, from 286 on July 15, 1952 to 278 on July 10, 1953. During this past year the ratio of prices received by farmers to prices paid dropped from 103 on July 15, 1952 to 95 on July 15, 1953. This is a decline of about 10 per cent. In other words prices received by farmers for their products have declined more than prices paid for items used in production, interest, taxes and wage rates during the same period. To state the problem more simply, farm prices have been falling while farmers' costs in effect have been increasing.

THE RETURN TO WASHINGTON WITH THE FAMILY:

Mrs. Rogers and the children have returned to Washington and the children have re-entered school. I drove them to Memphis, Tennessee and turned the job over to Mrs. Rogers there. She always does a better job than I do, so they made it back to Washington all right. I came back to Amarillo and will be here until around the 25th of September. I will return to Washington for a short stay and be back in October.

District 1 Bureau Meeting Set Here Thursday, Oct. 1

Representatives of District 1 of the Texas Farm Bureau Federation will gather here, Thursday, Oct. 1, according to an announcement this week by H. A. Hodges, president of the Hall County Farm Bureau.

Members from other districts have been invited to attend the session, which will start at 9:30 a. m.

Purpose of the meeting is to discuss resolutions from the various county Farm Bureaus in this district. Committees from the district, which is comprised of 17 counties, are expected to be here Hodges said.

Stanley Garnett of Spearman state director from District 1 of the state organization, will be in charge of the meeting.

A Farm Bureau man, who is acquainted with current wheat and cotton problems, will be present to discuss these matters.

Everyone who has an interest in agriculture, is welcome to attend the meeting and participate in proceedings.

The United States produces the greatest amount of iron and steel in the world.

Communicable Ills Of Children Rise When School Begins

AUSTIN—Communicable diseases common to children reach their low point, as to number of cases, late in the summer. Then when school opens, and children are closely grouped together in classrooms, germs begin to spread and the increase runs to thousands of cases of illness causing much time lost from school, discomfort for the children and untold hours spent in nursing them

back to health, declared Dr. Geo. W. Cox, State Health Officer.

Some children die and others suffer permanent damage to their health. The really tragic part of this situation is that it is, in a large measure, preventable. If parents would change their indifferent, negligent attitude toward diseases such as measles, whooping cough, scarlet fever, and chickenpox, and would cooperate with school and health authorities these common communicable disease epidemics could be reduced.

Dr. Cox says these are the important ways to protect the health of our school children; immunize every child against diphtheria and small pox, have daily inspection

of school children, with isolation or separation of the suspected case of disease, sending home any child showing signs of illness, such as paleness, sore throat, skin eruption, fever or any other symptom that apparently needs the attention of a physician; keep children home who show signs of illness. Call the physician and let him interpret the symptoms.

Readmission to school should be based on permission of the family physician or health officer. Inspection should be made at the beginning of school and at mid-term for minor skin infections and head lice, with exclusion of all infected children from school. The development of good personal habits in

every child is very essential to the control of all contagious diseases.

For the sake of our children—their physical health and progress in school, let's stop the inroads of needless illness, and give them a fair chance for normal development, physically and mentally.

The fair season is on in Texas. Visit them to see the exhibits for the latest in machinery and production methods, in addition to displays of farm and home products, may give you the answer to a pressing farm or home problem.

Mongolia's great desert is called the Gobi.

Certified seed producers have on hand a plentiful supply of the new barley, Cordova. It is especially recommended for the central and north Texas areas. Produces good grazing and is tops in the above areas for grain production among the available barley varieties.

St. Elizabeth was the mother of John the Baptist.

PAVING GOING BEGGING

In our opinion, the present paving program gives residents of Memphis a fine opportunity to improve their streets at a bargain but apparently many of them don't think so, because the project has been kicking around since March and only a few blocks have been signed up so far.

We have had short crops the past several years and money isn't as plentiful as it has been but it still seems to us that Memphis citizens will be making a mistake if they don't jump at this chance to get themselves some all-weather streets.

The cost is very reasonable, we believe. For example, it will cost only \$65 to pave in front of a 25-foot lot and \$130 to put down paving in front of a 50-foot lot. This includes concrete curbing and gutter. The paving is to be of 6-inch compacted gravel with double asphalt surfacing, according to specifications.

We remember that when the first streets were paved here years ago, the cost was about three times that. Of course, the pavement was brick on a concrete foundation but with reasonable care, the type of paving to be used in the present project should give good service. One has only to consider the black-top highways which crisscross the nation and the beating they take every day, to know what a wonderful investment they have been.

By participating in the current paving program, citizens will get streets which will be free of dust during dry weather and free of sticky, annoying mud whenever it rains or snows. In addition, property will be more attractive and its value should be greater.

But, above and beyond all these, as important as they are, will be the contribution residents will have made to their home town, in making Memphis a better, more modern place to live.

Mayor Carl Harrison says the City of Memphis has money available which can be used to help pave a large number of the streets and has declared that he would like to see the present program grow until it becomes community-wide.

But time is growing short. Bryan & Hoffman Construction Company of Plainview, who will do the work, have been very patient, we think, but recently set an October 1 deadline for getting in on the project.

There's an old saying which says in effect that nothing ever stands still, that it either goes forward or backward.

We believe wholehearted participation in the paving program will keep this community headed in the right direction.

What do you say, citizens of Memphis?

QUOTING OUR NEIGHBORS

Press Paragraphs—

WORKERS HAVE JOBS

There is considerable concern prevalent in the Hamlin region, as well as over the rest of the nation, about prospective unemployment as a result of receding business conditions—whether these recessions are real or imaginary.

But we rise to express the opinion of many business concerns and individual employers that the loyal, hard-working employee has little to fear even if cut-backs and retrenchments become necessary.

Too few employees give the folks who make their jobs possible their best efforts and devotion; too many of them are working for pay-day rather than for the person or firm providing the pay-day. Certainly there are some employees who give their

employers their best efforts, but economists and business analysts declare they are in the minority.

We repeat, the honest employee who will deliver the goods and make money for his employer... has job security ahead of him. —Hamlin Herald

A CITIZEN'S DUTY

The editor feels it appropriate in these controversial times, to point out to readers that they have certain obligations as citizens of the most powerful country in the world, which must be met if the electorate is to be able to act intelligently. One of the first duties of every citizen is to be informed on the issues of the day.

This may sound trite, but keep in mind that knowledge is power and also that no citizen can act or talk intelligently if he is not acquainted with the events of the

day. Also keep in mind that misinformed citizens, who make both inaccurate and confusing statements, do nothing to lift the level of understanding and intelligence in the community.

Too often in this community, as in other communities, business men and others interested in material pursuits spend little time trying to acquaint themselves with the true facts involved in the issues of the day. Every citizen should devote time each day to an honest search for the accurate news. That news is not necessarily found in the words of commentators. From these sources, one gets opinion, although, quite often, news as well.

One should take advantage of these sources of opinion to become acquainted with the various viewpoints, but each citizen should form his own opinion concerning

the issues of his time.

Therefore, every citizen of this community should make the effort to read some good books regularly, read the columns of the newspaper, and occasionally, glance at an atlas or some map which would acquaint him somewhat with the geography of the world. The search for the facts should not be confined to national or international issues, but also those about which much misinformation is usually involved. Our community will be a far more enlightened one.

—Shamrock Texap

The most favorable conditions since 1949 exist over much of Texas for seeding fall grain and because crops and the need has seldom been great for crops which will produce abundant winter grazing and at same time improve the soil.

Memories Turning Back Time From The Democrat Files

31 YEARS AGO

April 20, 1922

MASS MEETING AT TURKEY DISCUSSES RAILROAD PROJECT—An enthusiastic meeting was held at Turkey today at which C. H. Powell of Chicago explained his project for a railroad to connect Fort Worth with the Panhandle.

Powell explained his plans in a general way and spoke of the great amount of preliminary work which is being done to insure the success of the project. He also touched briefly on how residents could assist in bringing it to realization.

The proposed enterprise would extend from Tucumcari, NM through the plains country of New Mexico to Friona or Farwell on the Santa Fe. From there, it would run through Dimmitt, Tulla, Silverton, Quitaque, Turkey, on to Crowell and Seymour or to Quanah.

LOCAL AND FEDERAL OFFICERS CAPTURE STILL AND LIQUOR—Yesterday morning Sheriff Pressley, Constable Thomas and J. Y. Snow, accompanied by Special Officer Bob Sullinger and Federal Enforcement Officer Watson of Amarillo, made a raid on a still near Tell. With them was Sheriff Jim Crane of Childress.

They captured an almost new copper still, of about 40-gallon capacity, thirty feet of copper coil, four barrels of mash, and about 5 1/2 gallons of corn whiskey.

NEW BRIDGE ON OIL MILL ROAD - MAIN STREET BRIDGE TO BE REPAIRED—A compromise was reached today at a special session of the commissioners court concerning the question of building a new bridge on the oil mill road or moving the Main Street bridge to that location.

It was decided to build a new piling bridge on the road, just below the railroad and to repair the Main Street bridge, with the city paying half the cost.

APPEALING CASE BROUGHT TO LIGHT OF CHILD—Deaths last Tuesday night claimed the four-year-old son of a destitute family who came to work in the cotton harvest.

The child was Carl Lee Duffie, son of Mr. and Mrs. H. McDuffie. He died after becoming ill last Sunday. The McDuffies came to their five children and help of work to do during the difficult to have enough for themselves and to get their children warm.

The family lives in a dugout on East Main. Among items in the cellar, bed, a stove and a table.

McDuffie said he is a but that the section of where he was formerly in was in bad shape economically he had been forced to try work in order to feed his family.

New word for GETAWAY

"TT" DYNAFLOW!

WORLD'S ONLY VERTICAL VALVE V8

The 1953 Buick Super Riviera. Wire wheel covers, aluminum optional at extra cost.

We'll get right to the point.

The comments we've been getting from many new Buick owners about the new Twin-Turbine Dynaflow are terrific.

And the reason is—this fully automatic transmission is, in itself, terrific.

It has a new, firm, solid "take-hold"—gives you instant getaway response.

It has new quiet—you can barely hear the acceleration build-up.

It has unique and utter simplicity of operation. You just move your Selector into Drive range, press the pedal, and go. That's all.

But the sweetest thing of all about TT Dynaflow is its smoothness.

You move from standstill to your legal speed in one progressive build-up of power delivery.

You feel a constant "carry" of forward motion, unbroken in any way—because here no gearshifting takes place, either manually or automatically.

Even your deceleration is infinitely smooth and gradual, with the cushioned control of flowing oil slowing down.

Wouldn't you like to sample this wonderful new getaway and pleasant quiet and immaculate smoothness?

We'll be glad to seat you at the wheel of a new 1953 Buick with Twin-Turbine Dynaflow—and let the thrills come where they may. Drop in soon, won't you?

WORLD'S ONLY CAR with all these features:

Mrs. D. L. C. Kinard Is Presented For State TFWC Office By Local Clubs

The Memphis City Federation of Women's Clubs and the 1913 Study Club are presenting Mrs. D. L. C. Kinard as a candidate for the office of a Regional Vice-president of Texas Federation of Women's Clubs for the term 1953-1955, according to an announcement made recently.

"We feel that Mrs. Kinard is fully qualified to serve the Texas Federation of Women's Clubs as a Regional Vice-president," members of the club stated in making the announcement.

Mrs. Kinard, who is now serving as recording secretary of Texas Federation of Women's Clubs, has been a member of the State Board of Directors of Texas Federation during five administrations.

A past president of Seventh District, TFWC, Mrs. Kinard has been on Seventh District Board continuously since 1934 serving as chairman of various committees and also on the executive board for three terms. She served as vice president of the District from 1945 to 1947 and president from 1947 to 1949. In 1953 she was elected to district life membership.

Mrs. Kinard has served the 1913 Study Club in every official capacity having been president

MRS. D. L. C. KINARD

for three terms. She is a member of the Memphis Little Theatre immediate past president of Harmony Club which is affiliated with the TFM Clubs; an active member of Memphis Federation of Women's Clubs. She is a member of the First Baptist Church.

In addition to club and church work, Mrs. Kinard has been an active member of Parent-Teacher Association for many years, serving in local units as president and also president of the City Council.

Atalantean Members Hear Program On 'American Home'

"The American Home" was the title of the symposium presented before members of the Atalantean Club meeting in the home of Mrs. Myrtis Phelan on Wednesday afternoon, September 16.

Taking part on the program were Mrs. N. A. Hightower who talked on "The Child"; Mrs. Edwin Smith who spoke on "The Adolescence"; and Mrs. Robert Sexauer who gave "The Adult."

Members responded to roll call with quotations from great men.

Refreshments were served during the tea hour to the following members: Mmes. S. B. Palmeyer, J. W. Coppedge, Bill Cosby, W. C. Dickey, Earl A. Allen, J. H. Norman, J. A. Odom, Claud Johnson, J. H. Morris, Robert Spicer, H. B. Estes, C. R. Webster, Robert Sexauer, N. A. Hightower, Edwin A. Smith, Miss Imogene King and one guest, Suzanne Sexauer.

Mrs. Kinard was endorsed for a state elective office by the Executive Board, Board of Directors and delegates of Seventh District TFWC at the annual spring convention.

Lakeview FHA Plans Initiation Week For Nov. 2-6

The F. H. A. Club of Lakeview High School met Thursday evening at 8 o'clock with the new president, Faydean Byars, presiding. Other officers present were Sarah Williamson, vice president; Herminia Sahagun, secretary; Katrina Nabers, treasurer; Gaye Salmon, reporter; and Sherry Denton, song leader.

During the meeting the president appointed the following committees: program, Sonya Verden, Evelyn Revel, Jo Ann Melton and Sherry Denton; party, Jean Sams, Shirley Nabers, Marietta Byars; initiation, Faye Hubbard, Faye Thompson, Martha Reed, Ann Ariola and Betty Wiley; yearbook, Herminia Sahagun and Gaye Salmon.

Club Mothers were elected and included Mrs. Zip Durrett and Mrs. R. D. Revel. Plans were made to attend the Amarillo Fair on Sept. 26.

The club will meet monthly and refreshments will be served by the various classes.

Following the regular meeting the initiation committee met to make plans for F. H. A. Initiation Week which will be November 2 to 6.

Many activities were planned for the week and rules and regulations set forth for new members. Monday, November 2, was named as Hobo Day. Each day of the week new members are required to wear various kinds of regalia to school. Girls who do not comply with the rules will be penalized. Tuesday night, November 3, where an initiation party will be held.

Girls attending the Thursday meeting were Seniors, Faydean Byars, Betty Wiley, Kathrine Nabers, Martha Reed, Joan Hill and Herminia Sahagun; Juniors, Faye Hubbard, Gaye Salmon, Faye Thompson, Sonya Verden, Doris Arnold; sophomore, Sherry Denton, Shirley Nabers, Marietta Byars, Ann Ariola, Jo Ann Melton, Jean Sams, Edith Murdock, Janie Moore, Dorothea Proffitt, Evelyn Revel; freshman, Shirley Ariola, Elizabeth Casteel, Carolyn Hall, Elizabeth Harris, Orville Hubbard, Glenda Lewis, Oneta

Estelline Club Meets In Home Of Mrs. Joe Eddins

The 1932 Culture Club of Estelline met Tuesday evening, Sept. 15, in the home of Mrs. Joe Eddins with Mrs. R. V. Wood, president, presiding.

Mrs. Albert Bailey, spiritual chairman, gave the opening prayer and led the pledge of allegiance to the flag.

A humorous one-act play entitled "A Comedy of Errors in Parliamentary Law" by Mrs. W. J. Hagerty was presented by Mrs. F. O. Cooper, Mrs. J. B. Rapp and Mrs. Albert Bailey.

Mrs. J. A. Ballard, Americanism chairman, reported the club had

observed Americanism by sponsoring lectures for students and by presenting school with flags. During the social refreshments were given by Mrs. Albert Bailey, W. B. Davidson, D. T. Kennedy, Don Leary, J. S. Phillips, J. B. Rapp, W. M. Wood and Rab Holman.

Mrs. E. H. Standford home Tuesday following visit in Abilene with Mrs. Helen McHenry Stanley.

Frisbie Is

(Continued From Page One) mate, Hayes Hammond, came up with it. "In addition to his fine runs," the story continued, "Frisbie 'kicked Memphis' only extra point and fired a 35-yard touchdown pass which was called back. In three kick-off attempts, he kicked the ball into the end zone every time. On one of the boots, a Tulsa player was caught in the end zone netting Memphis a safety." The article said Frisbie "wanted to go on and play college ball and undoubtedly will be wanted by many top schools." "He is truly a great quarterback," the newspaper quoted George Childress, Cyclone coach as saying. Frisbie is the son of Mr. and Mrs. B. D. Frisbie.

Potts Exhibits

(Continued From Page One) and owned by one exhibitor. In the female portion of the division, TP Larryann 14 copper third place among the summer-yearlings, and TP Larryann 21 was twelfth among senior heifer calves. Other Potts' winnings were: Two females bred and owned by one exhibitor, fifth; pair yearlings, fourth; get of sire third, get of Dandy Larry 61; pair of calves, first and third; and Panhandle Hereford Special, first and second.

Queen Of Hedley Cotton Festival Is To Be Named

Thirty girls who are competing for the 1953 Hedley Cotton Festival Queen will appear on the stage of the Hedley Theatre tonight at 9 o'clock. The contest closes Monday night. The winner will reign over the second annual Hedley Cotton Festival, to be held Oct. 9-10. Miss Wanda Ann Hansard, 1952 Queen, and her Court will reign until the incoming queen is crowned at coronation ceremonies the first night of the festival. Joe Phillips of Amarillo, Lions Club district governor, will crown the new queen.

'B' TEAM LOSES TO HOLLIS, 28-0

The Hollis "B" squad defeated the Memphis "B" team, at Hollis last Thursday night, 28-0. It was the first game of the season for the local boys. Van Howard had his left shoulder knocked out of place during the game but was back in school this week, according to Nolan Poteet, "B" team coach. Poteet said the boys looked pretty good but that the Hollis players were much larger. The Memphis team got the ball down on the 3-yard line one time but were penalized five yards, preventing a score. The team threatened several times, Poteet said. All of the boys, except Howard will be ready to go tonight when the team meets the Childress "B" squad at Cyclone Stadium here. Poteet said Tuesday. The contest starts at 7:30 o'clock.

Cyclones Open

(Continued From Page One) vious week, 18-6. However, Childress said the Cyclones will give the visitors a battle. "The team has shown a lot of spirit this week, and whether they win or lose, they will be giving their best and be in there trying. The game will be worth seeing." The Cyclone will play four home games in succession. The team will meet Crowell, Oct. 2; Lefors, Oct. 9, and Canadian, Oct. 16. Then the squad will play two-out-of-town contests, one with White Deer, Oct. 23, and the other, with Clarendon, Oct. 30. Nov. 6 will be an open date. The final home game will be against Panhandle, Nov. 13, followed by the last game of the season on Nov. 20, when the Cyclone meets McLean at McLean.

Hedley Festival

(Continued From Page One) and considerable time will be devoted to them Friday and Saturday nights. Festivities will commence with a kickoff breakfast Friday morning, followed by an old fiddlers' contest at 8:30 a. m., and a kids' pet parade at 10:30 a. m. There will be continuous entertainment all day, climaxed by the Queen's Coronation at 8 p. m. in the Hedley High School auditorium. Saturday, entertainment also will be continuous throughout the day. Among features will be: the Kwahadi Indian Dancers from Amarillo; the grand parade at 1 p. m.; and the tumbling team from the Maverick Club at Amarillo. There will be square dance exhibitions and dancing on Main Street both nights, as well as concessions and rides, many of which will be in operation the day before the festival.

Hall County

(Continued From Page One) Garnett declared. O. K. Hoyle of Seymour, field representative of the Texas Farm Bureau, discussed membership and the draft and administration of resolutions on the county, state and national level. A group of resolutions were presented by the county Bureau's resolutions committee. They were discussed but action on them was deferred until the next meeting, to be held in the county courtroom here, Oct. 19, at 8 p. m. Also on the program were brief talks by Gene Koeninger and Jack Wolf, of Plaska, service men for the county group. H. A. Hodges of Memphis, president, was in charge of the session.

DON WRIGHT UNDERGOES SURGERY IN GERMANY

Don Wright, who is serving with the U. S. Army at Stuttgart, Germany, recently underwent major surgery. His mother said today that he is recovering nicely but will be off duty for six weeks. He is in the 5th General Hospital at Stuttgart.

BIG SHIP . . . Launched at Camden, N. J. shipyards, "Empire State Mariner" is largest and fastest cargo vessel in world.

Town Hall Board Will Meet Friday

A meeting of Town Hall Concert Association directors has been called for Friday afternoon by Miss Mary Foreman, president. The board will meet in Miss Foreman's office in the courtroom, at 5 o'clock. Miss Foreman said it is a very important meeting and all members are requested to attend. The fall drive for association members is underway, according to Miss Foreman. The Schulz Trio is scheduled to appear in the local high school Monday night, Oct. 12. This will be the first Town Hall presentation this season.

FFA OFFICERS CHOSEN HERE

Officers for the current school year have been elected by both the Senior and Junior Future Farmer of America chapters at Memphis High School. Officers of the Senior chapter are: Warren Whitten, president; Rodney Lewis, vice-president; Hayes Hammond, secretary-treasurer; and Jimmie Jenkins, reporter. Junior chapter officers are: Campbell Morris, president; Royce Young, vice-president; Truman Smith, secretary-treasurer; and Eddie Piland, reporter. Hershel Potts, vocational agriculture teacher, is sponsor of both groups.

Court Of Honor Held At Wheeler

About 250 persons attended a district Court of Honor Tuesday night at Wheeler, Ray Young Scout executive of the Southern District, said Wednesday. Kellerville won the right to have the next Court of Honor by having the most participants at the session. Every boy in the troop advanced a rank and the entire troop committee was present. Ted Myers, Scoutmaster of Troop 35 here, was awarded the Silver Palm, highest palm in Scouting. Virgil Jamison of Wheeler, district Scoutmaster training chairman, was in charge of the court. Towns represented were Shamrock, Wellington, Kellerville and Wheeler.

County Swine

(Continued From Page One) four winners in the other division. A boar, which was awarded to this county by Sears, will be exhibited. O. R. "Doc" Saye donated two of the pigs in the Businessmen's section, and N. W. Durham and the local chamber of commerce donated one each. Frank Wendt of Vernon, Willbarger County agent, who will be the judging, is slated to get proceedings underway at 9:30 a. m. Saturday. The Sears gilt that is named champion here will be exhibited in a show at the Tri-State fairground at Amarillo, Saturday, Oct. 3.

First Move

(Continued From Page 1) to furnish a good, adequate and dependable fuel service to our customers at the lowest possible price conducive to good business and sufficient earnings," he continued. "Our application for the rate revision here represented only economic conditions. We believe it highly conservative. "The additional revenue," he said, "is required to meet losses in net income due to increased taxes, costs of gas in the field, rising costs for gas exploration and development, wages and salaries and numerous other items. We are confident that our customers as well as regulatory bodies understand our situation because all businesses—and individuals too—have had to wrestle with the problem of rising costs."

Maverick Night Set For High School

Maverick Night will be held in the high school auditorium here Tuesday night at 8 o'clock, Ray Young, Scout executive of the Southern District, said Wednesday. All boys who indicated in a recent survey made by Supt. W. C. Davis, that they would like to become Scouts or Cub Scouts, and all parents who indicated they would like for their sons to participate in Scouting activities, are urged to be at the meeting. Mrs. M. D. Gunstream is Maverick Night chairman.

Christian Church

(Continued From Page One) yon; Mr. and Mrs. Bedford Smith and family, Crowell; Mr. and Mrs. Jeff P. Watson, Lubbock; Mr. and Mrs. C. L. Odom, Portales, NM Mr. and Mrs. Nay Hale and family, Amarillo; Mrs. C. R. Burks-Shamrock; Mrs. Bernie Davts Paducah; Mrs. G. T. Goodson, Jr. Amarillo; Mr. and Mrs. T. B. Rogers, Jr., Pampa; Sue Meason and Francis Kincaid, Crowell; and Mr. and Mrs. E. M. Glass, Giles. Aristides won the first Kentucky Derby in 1875. John Adams is credited with the motto "E Pluribus Unum."
