County's 70th Birthday Celebration To Be Sunday

Barbecuers Prepare 3 Beeves for Picnic

Highlighting the day-long Hall County Picnic celebration in observance of the county's 70th anniversary will be a free barbecue at the noon hour. The meal will be served at 12:45.

Three heeves have been donated by three local pioneer citizens. Giving the heeves were Mrs. J. W. Stokes, Mrs. Vera Dial Dickey and Hollis Boren. The animals were fed out by two local ranchers, Lowell Houston and Virginia Browder in the Houston lots.

An anticipated crowd of more than 2,000 is expected to attend the barbecue and picnic, Byron Baldwin, president of the organization, said this week. Pete Land will have charge of barbecuing the beef, using Flip Breedlove's equipment. Assisting with the barbecuing will be Ed Hutcherson, Pat Brittain and the members of the Memphis Volunteer Fire Department.

Mr. and Mrs. Joe Williams report that Mrs. Baird's bread is ready to be put into the ovens, Baldwin added. Other than furnishing the bread for the affair, the company is also furnishing a sound system.

Ottie Jones will furnish beans for the meal, and Roy Coleman and Herbert Curry have charge of the potato chips, onions and pickles. Elkins Fruit Company will furnish the onions.

Served with the other food will be apricots and those who desire

Former Residents Begin Arriving Here At Mid-Week

Visitors from far and near began arriving here at mid-week to attend the Hall County Picnic. Among the first to arrive were Mr. and Mrs. Fred Boon of Exeter, Calif.

An estimate of just how many pioneer residents will return has not been made; but indications are that many are planning to arrive early. Among those who have written that they will be here are the three children of the late Dr. J. M. Ballew, who are Tom A. Ballew of Los Angeles, Calif., Jim O. Ballew of Abilene, and Mrs. Walter Mesack of Tipp City, Ohio.

Others include Mr. and Mrs. Jet Fore of Los Angeles, Calif., Mr. and Mrs. John Read of Brownwood, Mr. and Mrs. Wesley Read of Lubbock, Mr. and Mrs. Chas. Read of Lubbock, and Mr. and Mrs. D. M. Foster of Canyon.

Jet, who is the son of the late Mr. and Mrs. W. M. Fore, who came to Hall County in 1891, is a brother of Mrs. Lena Milam. The Fore family established the first grocery store in Memphis, selling thousands of dollars worth of groceries to the Rocking Chair Ranch in Collingsworth County and to other area ranches each year. Mr. Fore advocated the raising of cotton before others saw the possibilities, and gave free seed to the settlers for experimentation.

The above is merely a sample of the early-day stories that will dominate the conversation at Sunday's gathering.

Perhaps a mere few in attendance will remember that day in 1889 when Hall County began to consider self-government. Several mass meetings were held and in April, 1890, a petition for organization was written and entrusted to S. A. Simpson, a druggist of Salisbury, to secure the required number of signatures. As time passed, feelings became bitter between Memphis, Salisbury and Lakeview, since all three were contestants for the county seat. Salisbury was the oldest town in the county and the only railroad (Continued on Page Twelve)

Over 2,000 Visitors, Residents Expected To Attend Special Festivities At Park

Local residents and out-of-town visitors, making up a crowd of more than 2,000, are expected in Memphis Sunday to attend the annual Hall County Picnic, Byron Baldwin, president of the association, said today. A special program is being featured this year in observance of the county's 70th anniversary including a free barbecue meal at the noon hour.

T. B. Roberts, Pioneer Farmer, Stockman, Dies

Funeral services for Turney Batson (Bob) Roberts, 72, retired farmer and stockman who had resided in the county for more than a half century, were held at 2 p. m. Sunday from the First Methodist Church with Rev. O. B. Her-ring, pastor, officiating, assisted by Rev. Fern Miller, pastor of the First Baptist Church.

Mr. Roberts passed away Saturday in the Hendrick Memorial Hospital in Abilene where he had been a patient for several weeks. He was first hospitalized early in the summer, but was able to return home for a time. He returned to the Abilene Hospital about a month ago.

Interment was in Fairview Cemetery under the direction of Spicer Funeral Home.

A native Texan, Mr. Roberts was born Sept. 16, 1887, in Dallas County. He was married to Miss Belle Batson Dec. 20, 1908, at Clarendon.

The young couple moved to Hall County soon after they were married and have resided here since that time.

Mr. Roberts has taken an active part in the growth and development of the community throughout the past 52 years. He was engaged in farming and ranching.

He was an active member of the First Methodist Church.

He is survived by his wife, Mrs. T. B. Roberts of Memphis; one son, J. C. Roberts of Abilene; three brothers, B. M. Roberts and Richard Roberts, both of Amarillo, and O. D. Roberts of Lelia Lake; four sisters, Mrs. Carrie Ballew of Amarillo, Mrs. A. Womack of Memphis, Mrs. Wm. Wilshire of Baltimore, Md., and Mrs. J. L. Butler of Lelia Lake; and (Continued on Page Twelve)

Katherine McPherson Burns

Katherine Burns Is Queen of Hedley Cotton Festival

Katherine McPherson Burns will reign over the coming Annual Hedley Cotton Festival. Queen Katherine is the daughter of Mr. and Mrs. V. T. McPherson of Hedley. Dates for the ninth annual festival will be Friday and Saturday, Oct. 14 and 15.

The festival will be run practically along the same lines as heretofore with continuous free entertainment throughout both days. However, the festival will be enlarged somewhat this year with more and bigger events and more food and resting places for the crowds expected.

The first day of the festival has been designated Old Settlers Day. The Donley County Pioneers Association will have charge of the program from 1 to 3 p. m. A program has already been arranged, headed by Honest Jess and His Cavaliers of radio and television Station KGNC, Amarillo.

Festival committees have been appointed, and more events are scheduled than have ever appeared before. Aubrey Cherry is general chairman with Harold White and Clifford Johnson acting as co-chairmen.

Art Workshop Will Be Held At Lakeview

An art workshop will be held Sept. 21 and 22 at the Lakeview Elementary School, Tops Gilreath, county superintendent, announced this week. Betty Jo Foster of the Milton Bradley Company will be the art consultant.

On Wednesday the workshop will be held from 2:30 p. m. to 6 p. m. Then on Thursday from 4 p. m. until 8 p. m. The Lakeview PTA will serve sandwiches and coffee at 6:30 o'clock.

All teachers in Hall County are invited to attend the workshop, and invitations have also been sent to teachers in Childress, Wellington, Quail, Hedley, Clarendon, Samnorwood, Silvertown and Quitaque.

Teachers are asked to provide for their own use a smock or apron, a soft rag or cellulose sponge, scissors, a container for water, a pound coffee can or large mouth container, a supply of newspapers.

A brief lecture and demonstration in each media will be given after which teachers may work with materials. Miss Gilreath explained. Instruction will be given in finger paint, crayons, tempera, water color, clay, block print and paper sculpture as time allows, the superintendent said.

Lakeview Eagles Play Darrrouzett; Estelline Goes To Vega Friday Night

The Lakeview Eagles will play Darrrouzett at Lakeview Friday night beginning at 8 p. m. Estelline will travel to Vega to seek their first win of the season.

The Lakeview squad lost last week to Miami, 28-0 in a District 1-B contest. Lakeview now has a one-one record in the district, two-game, round-robin playoff in eight-man football.

The Estelline squad suffered a crippling injury this week in a workout when Quarterback Noel

Long broke his arm. This will take him out of the lineup for the fourth year.

Long played a good game last week against the Cyclone, and will definitely be missed by the Bear Cubs.

Coach Paul Kitchens' Lakeview Eagles will be out to win their home game Friday night to try and stay in the running for the conference title. So far, Miami is leading, and is the conference favorite.

Cyclone, Skyrockets To Play Here Friday

The Memphis Cyclone will be host to the Wellington Skyrocket team Friday night at 8 p. m. at the Cyclone Stadium.

Memphis will be seeking their second win of the season.

A long history of the matches between Memphis and Wellington reveal a one-sided picture for the latter school. In 1955, the Cyclone defeated the Skyrockets, and the local eleven has not been on the winning end of the score since.

However, the two teams have not played every year, although there have not been many years they have not been matched together.

Only once, in the early 1950's, a Cyclone team played the Skyrocket squad to a 13-13 tie, with Memphis getting the non-conference nod for having more penetrations.

Injury-wise, the Cyclone squad has only one player out of action. Defensive Halfback Perry Wright

chipped his right elbow in Monday's workout and will not be in this week's lineup. However, he will be ready for next week's workouts, Coach Don Lambert announced.

The Skyrocket line will average 172 pounds and their backfield 161. Memphis' line will average 177 and the backfield 162.

The Memphis squad last year was defeated by the Wellington team 22-6, at Wellington. The Skyrockets are a 2-A squad.

The Skyrockets run a double wing-T formation on offense. They were defeated last week by the Hollis Tigers 16-0. The Cyclone will be playing the Tigers later in this season.

Sax Goodnight and Garland Moore, after being out for two weeks, returned to the Cyclone lineup. Moore is one of the tri-captains of the team.

A large crowd of fans is expected at this game, as past attendance records of the matches indicate.

1894-1898—Do you remember the man above as Sheriff of Hall County? He is none other than S. S. Montgomery who was the county's fourth Sheriff, serving from 1894 to 1898.

More of Mr. Montgomery's friends associate him as a banker rather than a peace officer, but he does recall many interesting stories of his days as an officer during the early days of the county. Mr. Montgomery will be among the local residents who will be at the Picnic Sunday to greet old friends and acquaintances.

Trustees Approve Final Re-Evaluation Figures

At a Memphis School Board meeting Monday night, trustees approved final figures on the tax re-evaluation of the district, Board President R. C. Lemons has announced.

It was reported that the total 100 per cent value in the school district, including all real property, public utilities, and all personal property, by McMorries & Co., as certified by the school board, and is assessed and on the renditions, by the tax assessor, was \$20,318,950.00.

The board felt it was necessary to set the assessment at 35 per cent of the actual value to get an assessed value of \$7,111,632.00, and a rate of \$1.50 on each \$100.00 of assessed value, in order to bring in the needed \$106,674.46, which is necessary to operate the school on a current basis.

Before the re-evaluation, the trustees had thought about using the former values, an assessed value of \$5,913,986.00, and a tax rate of \$1.75 on each \$100.00 of assessed value, instead of the \$1.50 it had been using. This would have brought in \$103,494.75, based on 100 per cent collections.

However, a board of citizens of the school district pointed out to the school board that some of the properties were assessed at 10 per cent and some at 50 per cent. The board felt that a re-evalua-

tion program should be undertaken.

Under the 1959 tax roll, and assessments and rates, with 100 per cent collection, the total local tax to the school was \$88,709.79.

It was reported by the school board that for the past few years, the school has had to borrow money to pay its bills, over what was brought in from taxes.

"This amount has increased each year, just to pay up and borrow more money," they said.

Notes at the bank, at the present time, amount to \$16,500. The district needs \$106,000.00 to operate each year, it was reported.

In last week's Democrat, because figures of personal property in the district were not available for the re-evaluation, these were subtracted from the old tax figures. Listed under the old tax roll was \$1,367,330.00 as personal property.

A comparison of the total 100 per cent value of the property within the district under the old and new schedules gives these figures: new schedule, \$20,318,950.00; old schedule (considering a 25 per cent assessment) \$23,655,944.00. This shows that the district has a lesser total value under the new schedule, as prepared by McMorries and Co. and approved by the school board, than it did under the old schedule.

The Board of Equalization and representatives of McMorries and Co. have been meeting with citizens of the district this week, discussing individual cases.

Maddox Following Heart Attack

"Tooter" Maddox, 40, early Sunday morning in a hospital shortly after suffering a heart attack. He was a resident of Memphis and many years had been an employee of the General Telephone Co., being connected with the telephone department.

Funeral services were held at 10 o'clock Sunday morning at the First Church with Rev. Fern Miller, officiating, assisted by Tom Pusey, minister of the amount Terrace Christian Church in Amarillo, and former pastor.

Culture Club Holds First Meeting In Bruce Home

The Woman's Culture Club had its first meeting Sept. 7 at 4 p.m. in the home of the president, Mrs. Alma Bruce.

The devotional was given by Mrs. R. E. Clark, "The Three R's for Happier Living."

The presentation of yearbooks was made by Mrs. Frank Ellis who introduced the year's program theme, "Building for Tomorrow by Living Today."

Mrs. Nat Bradley reviewed the bylaws, after which the meeting was adjourned.

Lovely refreshments were served to Mes. Glenn Bruce, Ward Gurley, Robert Moss, R. E. Clark, Nat Bradley, Jeanette Irons, Grover Moss, Frank Ellis, Brode Hoover, L. A. Stilwell, Miss Sybil Gurley and the hostess, Miss Bruce; one guest, Mrs. S. G. Bruce.

The next meeting will be a family picnic at the city park, Sept. 22, at 7 p. m.

Lakeview FHA Club Meets In First Session

The Lakeview Homemaking Club held the first regular meeting of the school year on Tuesday, Sept. 6, with the president, Betty Driver, presiding.

During the business session, Kay Barclay was elected reporter. A discussion was held on the Freshman initiation. Members voted to hold the initiation service on Tuesday, to be followed by a party. Appointed to serve on the initiation committee were Betty Floyd, Sharon Smith and Betty Robertson.

Chapter yearbooks were given to each member.

Dr. and Mrs. Jack Rose and children were in Amarillo visiting their parents Saturday. Dr. Rose's parents are Mr. and Mrs. C. M. Rose while Mrs. Rose's parents are Mr. and Mrs. C. W. Guthridge.

A lean flanked horse was said to be "shad bellied."

MRS. JOE B. RUTHERFORD

Miss Carolyn Hall Becomes Bride Of Joe B. Rutherford In Memphis Rites

Carolyn Ann Hall, daughter of Mr. and Mrs. H. H. Hall of Lakeview, became the bride of Joe B. Rutherford, son of Mr. and Mrs. C. R. Rutherford, Sr., of Abilene, at 10 a. m. Saturday, Sept. 3, at the First Christian Church in Memphis.

Acel Clark of Tulia, former Minister of the Lakeview Church of Christ, read the double-ring ceremony before an archway of

greenery flanked by floor baskets of gladioli and branched candleabra holding lighted tapers.

Pre-nuptial selections were played by Mrs. L. G. Rasco who also accompanied Mr. and Mrs. F. P. Dourmeyer of Lubbock as they sang "I Love You Truly" and "Whither Thou Goeth." Mrs. Rasco also played the traditional wedding marches for the processional and recessional.

Given in marriage by her father, the bride wore a floor-length gown of white net styled with fitted bodice, long sleeves which tapered to a point at the hands and a full skirt. The frock was trimmed with beaded seed pearls.

The bride carried out the traditional bridal custom of wearing "something old, something, something borrowed and something blue" and the lick sixpence in her shoe. The something old was a gold bracelet belonging to her maternal grandmother.

Diana Fowler of Lakeview was maid of honor and bridesmaid was Linda Hall of Lakeview, sister of the bride. Both attendants wore dresses of turquoise velveteen fashioned with fitted bodice, scooped necklines and three-quarter length sleeves. They wore matching headpieces of velveteen.

Acel R. Rutherford of New York City, served as his brother's best man and Randy Hughes of Silverton, cousin of the bride, was groomsmen. Ushers were Paul Thompson of Abilene and Robert Hughes of Silverton.

Immediately following the cere-

mony, Mr. and Mrs. Hall were hosts at a reception in the church parlor. The table was laid with a white satin cloth trimmed in lace and was centered with an arrangement of white mums and turquoise candles. The three-tiered wedding cake was decorated with white roses. Mrs. Burton Hughes of Silverton, aunt of the bride, poured the punch. Assisting with serving were Mrs. Doyle Hall, Mrs. Elmer Teel and Mrs. C. B. Craghead.

Miss Gaylynn Hall registered the wedding guests.

For a wedding trip to Amarillo, the bride chose for travel a blue sheath dress accented with black accessories.

The bride, whose family has resided in Hall County for the past 25 years, is a graduate of Lakeview High School and attended Abilene Christian College.

The bridegroom is a graduate of Abilene High School and attended Abilene Christian College.

The couple will make their home at 2325 Beech Street, Abilene.

A man who came West from the East to go into the cattle business primarily for the money that was in it was often referred to as a "bootblack puncher" by the old cowhands.

"Kidney pad" or "kidney plaster" was the contemptuous name the cowboy gave the small riding saddle often used by Easterners.

TEL Class Has Meeting In Home Of Mrs. R. Lowe

The T. E. L. Class of the First Baptist Church met Thursday evening in the home of Mrs. R. E. Lowe, with Estelle Barber as co-hostess, for the monthly business and social.

Mrs. J. H. Smith gave the opening prayer. The president, Mrs. Emma Baskerville presided. Mary Bownds brought the devotional, reading the 100th Psalm. Margaret Phillips lead prayer.

Mrs. Henry Hays appointed a nominating committee for class officers for another year. Mrs. John Fitzjarrald conducted a Bible quiz for the social hour.

The class presented Mrs. Baskerville with a gift. Mrs. Grace Foxhall offered the closing prayer.

Refreshment plates were served to Mes. John Fitzjarrald, Margaret Phillips, Emma Baskerville, Alla Boswell, W. T. Hightower, Jean Lamb, Mary Bownds, J. H. Smith, Grace Foxhall, Stella Jones, Henry Hays, Grace Duke, J. S. Spencer, Jackie Watson, Frank Ellis, J. S. McMurry, Bob Scott, Nettie Bardin, and the hostess, Mrs. R. E. Lowe, and Mrs. Estelle Barber.

Parnell Club Opens Meetings Wed., Sept. 7

The Parnell Club met Wednesday, Sept. 7, with 13 members present, after a two month vacation.

The house was called to order and all repeated the Lord's Prayer, led by Roxie Orrett. Roll call was answered.

"Memories of School Days" Thank you cards were read from cheer leaders of Lakeview for the gift of money to make girls to cheer leading school.

Thirty sick visits had been made. All members voted to have a halloween party and donating a club quilt.

The meeting was dismissed with prayer led by Cordye Hood. Those present were La. W. Boney, Dorothy Damon, Elaine G. Boney, Rita Jean Hendrick, the Dunn, Dorothea Brink, Nell Burk, Lena Freese, Hood, Lena Hill, Lucille, Anna Bell Boney and Morehead.

When a cowboy wanted to praise a man for his ability, honesty, he was appraised as being "measured a full hands high."

Around and About

By HELEN COMBS

Enthusiasm is running high as the day approaches for the Hall County Picnic. Local residents are looking forward to visiting again with many former friends. . . . visitors are expected from points far and near. Numerous families are planning reunions, and relatives will attend from as far away as California and Ohio.

Three barbecued beeves, enough for everyone, is being prepared for the dinner at the City Park. The Picnic is for everyone and all local residents of the county as well as out-of-county visitors are urged to attend, according to Byron Baldwin, president of the Hall County Picnic Association.

So, plan now to meet your friends at the City Park after attending the Homecoming Services at the different churches Sunday morning.

We have acquired a new pet at our house, a six weeks old kitten, whose name is Adam. No, we did not select the name. It was given him by his former owner, Glynn Thompson. Seems some months ago Mary Jane and Glynn's Pekingese brought home a half-starved kitty. Being kind-hearted toward animals, they kept the kitten. Now the cat is grown and the mother of her first litter, which Glynn's decided should be named by using the first letter of the alphabet . . . so there is Adam, Abraham and Alice. Mary Jane says the next family's names will begin with the letter "B."

Speaking of names: amusing situations can arise at times. This week, Mrs. Harry Aspren was buying some items in a local store. As she was not sure the young clerk would remember her name, she said Aspren; and after a pause, repeated Harry. After they reached the checking counter, the clerk said, "what kind, please?" Not understanding what the clerk meant, Mrs. Aspren remained silent. After a brief pause, the clerk asked, "what kind of aspirin did you want, please?"

And, speaking of mistakes, we make them, too! This week we would like to say if you read in last week's paper where Mr. and Mrs. Bobby Pat Young visited his parents, Mr. and Mrs. W. D. Young—Please disregard the "Mrs"—because Bobby Pat is

still a handsome bachelor, and we were in error.

We'll see you at the barbecue and Picnic Sunday.

Mr. and Mrs. Gip McMurry visited in Amarillo recently with their son and family, Mr. and Mrs. Bobby Jack McMurry and children. Sandra McMurry returned to Memphis for a week's visit.

Visitors in the home of Mrs. Ora Denny and Gladys Power over the weekend were Mr. and Mrs. Carl Denny and Carol of Childress, Mr. and Mrs. Fritz Crisler and Courtney of Amarillo, and Mrs. Don Leary of Estelline. They also attended the funeral of T. B. Roberts.

Mr. and Mrs. Roy Guthrie attended a birthday dinner in Pampa Sunday.

Just a Reminder For You to Attend the Hall County Picnic

70th ANNIVERSARY CELEBRATION at the CITY PARK . . . MEMPHIS

Happenings of yesterday, as well as reports of the present, will be the subjects of conversation as former Hall Countians (and those who still reside here) meet and visit.

Also of importance will be the FREE BARBECUE, which will be served at the noon hour.

Through the help and cooperation of many civic leaders, the Picnic promises to be a success from every standpoint. Make your plans to be among those present!

Ballew Family To Be Here For Hall Co. Picnic

Children of the late Dr. J. M. Ballew, one of the pioneer doctors of this area, will be in Memphis this weekend for a reunion and to attend the Hall County Picnic.

The Ballew Family came to Hall County in 1902 and Dr. Ballew practiced medicine here for nearly 40 years. He passed away in 1939. One son, Raymond, has continued to make Hall County his home. Coming here this weekend for the reunion will be Tom A. Ballew of Los Angeles, Calif., Jim O. Ballew of Abilene and Mrs. Walter Messick of Tipp City, Ohio. One son is deceased.

We are glad that our parents brought us to Hall County over 50 years ago. We have had our ups and downs over these years, and sometimes seemed like more downs than ups. But when we had heartaches, we found kind, sympathetic and understanding people in Hall County.

If Diagnes were living today, in his travels when he reached Hall County, he could throw his lantern away.

Go to your Church Sunday and then come to the Picnic.

Local Women Attend Cannon Family Reunion

Mrs. Hulda Wilson and Mrs. Linnie Cauthen have returned from Imperial where they attended the Cannon Family reunion. The family gathering was held in the home of their sister and her husband, Mr. and Mrs. Carl Peabody.

Forty-seven members of the family were in attendance with all 10 of the brothers and sisters being present.

Brothers and sisters attending, other than Mrs. Wilson and Mrs. Cauthen, were Mrs. Lloyd Moreland of Clarendon, Mrs. George Bulman of Clarendon, Melton Cannon of Cleburne, Sam Cannon of Vernon, Richard Cannon of Clarendon, Jim Cannon of Channing and Joe Cannon of Vernon.

JOY Circle Has First Meeting Tues., Sept. 13

The J. O. Y. Circle of the Christian Church held their first meeting of the fall season on Tues. afternoon, Sept. 13. Mrs. E. C. (Red) Moore was hostess for the meeting which was held in the church parlor.

The meeting was opened with prayer by Mrs. Harry Aspgrren who was leader for the Bible Study. The lesson topic was from Acts 10: 1-6, "Cornelius and the Moral Man". All members present took part in the discussion.

Mrs. Joe Williams, circle chairman, presided over the meeting. The hostess served refreshments to Mes. Joe Williams, Gerald Knight, Walter D. Hicks, Herb Curry, Dick Fowler, M. E. McNally, Jr. and Harry Aspgrren, and one guest, Janet McNally.

The next meeting will be held on Tues. morning, Oct. 11, at the home of Mrs. Gerald Hickey.

Travis PTA Meets Tues. Night In Cafetorium

The Travis P. T. A. held the first meeting for the school year Tuesday night in the cafetorium.

The installation of officers was in the form of a style show of hats, each officer wearing a hat depicting her office. Mrs. Carl Wood narrated.

The recommendations and the program for the new year were read for approval.

Mrs. David Aronofsky gave a welcome address expressing her thanks to the parents for their interest in P. T. A. work.

In his response, Mr. Davis urged parents to attend P. T. A. meetings regularly and stated that by both teachers and parents coming to an understanding, the schools would continue to go onward and upward toward a final, successful goal.

A visitation by parents was made to each of the children's room and a very enlightening outline of the year's work was explained by the teacher in charge.

Refreshments were served during the social hour.

Mr. and Mrs. Rayford Hutcherson vacationed recently in Ruidoso and Carlsbad, N. M.

Morningside To Play Wellington Panthers, Sat.

The Morningside Panthers will take on the Wellington Panthers Saturday night at 8 o'clock here in Cyclone Stadium.

The Memphis squad has been working very hard under the coaching staff of G. M. Berry and D. L. McNeel.

The team is composed of 23 boys, five of these are lettermen from last year.

The Wellington team has had about the same amount of experience as the Morningside Panthers. As a whole, the teams should be evenly matched and should provide a good game for sports fans.

The teams in the district will play a round-robin schedule. This will be the second game for both teams.

The Morningside drill team will perform at half time.

The possible starting lineup for the Memphis squad will be: Earl Jenkins, lb; Clyde Davis, lt; T. J. Jenkins, lg; Clemmie Johnson, c; Eddie Lee Devorce, rg; Willie Fred Burden, rt; Charles Vester Smith, re; Bobby D. Scott, lbh; Gene A. Teal, fb; Starlin Johnson, rbb; Robert Brewer, qb.

Other members of the team are Ralph Galaway, Harry Rogers, Loyce Woodson, Robert Odell Lee, Billy Joe Berry, Lonnie Roy Lewis, Joe Willie Lamb, Frank Davis, Robert Barlow, John Cannon, Clarence Sims and Alonzo Smith.

"Calculated risk" seems to be a popular phrase for old-fashioned "gamble." But there's no place for either in preparing or dispensing pharmaceuticals.

Ever notice the letters U.S.P. or N.F. on a medicine label? The letters represent two official books that are recognized by federal law—the United States Pharmacopoeia and the National Formulary.

Together they are the pharmacist's "bible." They give approved standards of the quality, purity, and potency of most medicinal agents. Whatever your prescription calls for, we are prepared to fill it.

Cyclone Defeats Bear Cubs, 13-6, Here Fri.

By BILL COMBS

Memphis Cyclone, Friday before a good crowd of fans, defeated the Bear Cubs of Estelline 13-6 here last night, playing the second game of the week before last, played at the Cyclone stadium.

moving the ball to the Bear Cubs' 37. Then on a fourth down try, Cyclone quarterback Bunky Adcock, on a QB option play, swung wide around left end and scampered 34 yards to score. Cyclone guard, Dee Miller, kicked the extra point which put the Cyclone ahead, 7-0.

Late in the second quarter the Bear Cubs started a drive which carried them deep inside the Cyclone territory. However, with only seconds left on the clock, Estelline FB Paul Corona fumbled the ball behind the Cyclone goal line, and

Memphis recovered for a defensive safety.

However, late in the third quarter, Jesse Corona, HB, for the Bear Cubs, carried over on an end sweep around right end to score for his squad. A pass attempt for the extra points was incomplete, so Memphis remained ahead, 7-6.

Then, Memphis received the ball on the kickoff and marched 69 yards in 16 plays to score. Lacy Montgomery, HB for the Cyclone, turned in the scoring punch for the squad on a line plunge. The attempt for extra points was no good so the score was 13-6.

One statistic of the game which partially explained the scoring difference between the two matched teams was that Estelline lost five fumbles to the Cyclone squad. One of these fumbles was behind the Cyclone goal line.

Memphis Guard Miller kicked off to Estelline to open the game, and Jesse Corona took the ball and returned it to the Estelline 33. In two plays they moved the ball to the Cubs' 49 and a first down. However, here, a fumble lost them the ball, and Memphis started on their TD march.

In a series of six downs it was first and 10 for the Cyclone on Estelline's 37. Memphis fumbled but was able to retain the ball for a one yard gain. Then, Lacy Montgomery was stopped on the line of scrimmage on the next down and Larry Craig made 3 on a line buck. With it fourth and six, QB Adcock called a QB option play which scored for the Cyclone. Miller place kicked the extra point.

Memphis kicked to Estelline and after a runback by Jesse Corona, the Bear Cubs took over the ball on their own 30. Memphis drew two off sides penalties, and Paul Corona made nine yards for Estelline's first down. Then a pass play to Billy Ferrel carried for 18 yards and another first down. However, with the ball resting on the Cyclone 37, Estelline's scoring hopes were snuffed out when a Cyclone lineman recovered a Cub fumble.

The Bear Cubs held Memphis, forcing them to punt. Adcock kicked the ball 37 yards. Estelline was also unable to move the ball, so Memphis took over on their own 48. Adcock, Eddie Jones, and Montgomery netted seven yards, and Adcock on a keeper play failed to pick up the necessary three for the first so Estelline took over on their own 43.

On the first play, the Cubs were penalized 5 for off sides. Then the QB picked up 10 yards; Jesse Corona added 12 more in two carries

and the first down. Jesse picked up another 20 yards through the center of the line for another first to the Cyclone 20. But here, again, a lost fumble stopped the Estelline drive.

Memphis took over on their 18 yard line. On the first play, Craig carried for 13 yards and a first. Then he scampered around right end for 33 yards and a first.

However, here the drive ended when a fourth down carry fell short. Estelline took over on their 28 yard line.

The Bear Cubs failed to gain, and punted. Paul Corona's long punt was returned by Wright, and Estelline received a 15-yard penalty which moved the ball to their 31. Later Memphis received a 15-yard penalty, which presented a first down being gained.

A long right end sweep by Estelline netted 35 yards, and placed the ball on the Cyclone 25. A pass netted 9 and P. Corona added two more yards for a first.

Then in a series of four attempts, Estelline moved the ball over the goal but lost it when the Cyclone recovered the fumble. The half ended before Memphis could get a play started.

Estelline kicked, and a runback by Adcock carried to the 32. In two attempts, Craig netted 31 yards to Estelline's 37. Gardner, Adcock and Jones moved the ball to the 28, then Memphis drew a 15-yard penalty. On the following series of downs, the Cyclone failed to make a first. On the last play of the series, clipping was ruled against Estelline, and they drew a 15-yarder, which made it first and 25 on their own 15.

P. Corona, on the fourth down, punted one of the longest kicks of the night which left Memphis on their 8 yard line. However, Craig, Jones and Montgomery made a first, but the team could

not move any more. Adcock punted, and a fine run-back by J. Corona took the ball back to the Memphis 29. The Corona boys in two plunges moved to the Memphis 6. Then Paul added 5, and Paul circled end to score.

Adcock returned the Estelline kickoff to the Memphis 31, and the Cyclone scoring drive was underway. Gardner failed to gain, Montgomery made 11 and a first. Craig made 3 and Gardner advanced down to the Estelline 41 yard line and a first. Memphis received a 15-yard penalty for holding. Gardner immediately made 11, then 7 more on his second attempt. Craig added 4 more to get a first down. Montgomery and Gardner carried on the next four plays, netting 12 yards and a first to Estelline's 9. Then Adcock on a keeper plunge to the 8, Montgomery added 4 and another first. Two plays later, Montgomery plunged over to score the Cyclone's second touchdown.

With only a few minutes left, the Cyclone held Estelline on their own 42, and the clock ran out with Memphis controlling the ball on line plunges.

Memphis backs carried the ball 60 times during the game. Craig carried 14, gaining 99 yards for a 7-yard per carry average. Adcock carried 7 times for a total of 44. Robert Gardner carried 13 times for 54 yards; Montgomery 21 times for 78; and Jones, who played on defense for the Cyclone

most of the night due to a pulled muscle, carried 5 times for 16.

The "Oregon puddin' foot" was a type of horse which was developed when a riding horse was crossed with a draft horse. That type was developed in Oregon for mountain work.

A "boar's nest" was the cowboy's name for a line camp. It got this name because the man who occupied the camp was more interested in his duties as a cowhand than in housekeeping.

The Danger of Red China
Part III: Brave New World:
China is the homeland of civilization's most enduring dictatorship — the very Alpha and Omega of despotism. Its hand of oppression reaches back from the Atomic Age and touches the ancient patriarchs who walked in the dawn twilight of history. In allegiance to totalitarian doctrine outlives the Pyramids, the Code of Hammurabi, or the Laws of Moses. And when Mao Tse-tung's triumphant army marched into the Forbidden City of Peiping on February 3, 1949, five thousand years of dignified but tortured Chinese looked down with profound silence.

The communists are thus not the first masters of China, but they may well be the last. The degree of regimentation and repression of the people, planned or already afoot, is one of the truly revolutionary developments in all of man's experience. For life in China today seeks nothing less than the destruction, in large measure of a part of human instinct itself. Indeed, the image which this land has presented in the past few years calls to mind a passage from Aldous Huxley's book of the 1930's "Brave New World."

"People are happy; they get what they want, and never want what they can't get. They're well off; they're safe; they're never ill; they're not afraid of death; they're blissfully ignorant of passion and old age; they're plagued with no mothers or fathers; they've got no wives, or children, or lovers to feel strongly about; they're so conditioned that they practically can't help behaving as they ought to behave . . ."

None of this, of course, has quite come true for China today. But as one sees more and more of the incredible upheavals within Chinese society, the picture which Huxley has painted appears less and less imaginary. The people who live under the Peiping regime are not only subjected to the familiar naked power of a police state. Something new, a more positive factor, has been added. The people cannot merely endure, they must appreciate; they cannot simply parrot communist doctrine, they must actively enshrine it; they cannot even hope to die, but must publicly and convincingly expound the glories of life in the mass.

What are the outlines of this life? Pack five thousand families onto a 10,000 acre farm. Work them ruthlessly for an annual salary of about \$35. Place their children in remote nursery centers. Shuttle them about ceaselessly, without regard to separations of husband and wife. Brainwash them daily in small "study groups." Drill them incessantly under full military discipline. Feed them at a common trough in gigantic mess halls. Develop an extreme emotional insecurity with an intolerance for and hatred of all other social and political beliefs. The result is roughly equivalent to commune life.

Four hundred million Chinese — three of every four rural dwellers — live in such a nightmare every day. And the movement is aiming toward the eventual development of the entire population. It is more than the physical terror of a Stalin or a Hitler. It is a purge of the mind and the past, a systematic blotting out of virtually all loyalties except those to

the regime. Patriotic songs, street corner skits, fanatic slogans, and official ideology all penetrate to the most remote homes with all the endless pitter-patter of a carnival huckster.

More than half a billion people are neatly divided into "voluntary" study groups containing no more than a dozen members. Here the Psychology of the Herd is employed with insidious efficiency. Silence is impossible. Regular meetings require not only a thorough understanding of official doctrine, but an application of this doctrine calculated to discredit one's own ideas in light of

the orthodox version. A crusading fervor combines with an understandable urge to belong and produces an irresistible and positive conformity unprecedented in human experience.

China, when the communists took over in 1949, had but one trump card: the most abundant population in the world. Mao and his followers have played that card with all their might and at every conceivable opportunity. The people were China's only natural resources, and they have been refined and molded far beyond the limits of reality. For all its horrible achievement, there is a sort of permanent danger of failure bound up with the entire process. As Winston Churchill once said in relation to another power, "Dictators ride to and fro upon tigers they dare not dismount. And the tigers are getting hungry." The stress of China's mental as well as physical diet may keep the tigers hungry for many years to come.

Mrs. W. E. Collins, Former Resident, Buried At Carey

Funeral services for Mrs. W. E. Collins, 72, former Memphis resident, were held at 3:30 p. m. Sunday from the Baptist Church in Carey. Rev. Luther Bradley, pastor of the Childress Bible Baptist Church, officiated assisted by Rev. Gordon Highfill, pastor of the Calvary Baptist Church of Childress.

Burial was in Carey Cemetery, under the direction of Spicer Funeral Home.

Mrs. Collins had made her home in Childress County for the past 14 years, but prior to that time had resided in this county.

New Regulations For Farm Housing Now In Effect

The U. S. Department of Agriculture recently announced a change in the regulations governing farm housing loans made under Title V of the Housing Act of 1949.

Effective immediately, any farmer who annually produces for sale or home use at least \$400 worth of commodities (based on 1944 prices), and who meets other eligibility requirements, may be

member, W. B. (Boyce) Waddill, first alternate, Chester H. Carson, second alternate.

Estelline—Crumpp W. Ferrel, chairman, Jerrel B. Rapp, vice chairman, Willie B. Davidson, member, Clinton Richburg, first alternate, Leon Phillips, second alternate.

Turkey—Buster Hanna, chairman, Lynn C. Davis, vice chairman, Eldon D. Lyles, member, J. D. (Jack) House, first alternate, and Robert F. Scrivner, second alternate.

"Hall County farmers are to be commended for the interest shown in their ASC community committee election. There were slightly over a half of the ballots cast that were mailed out," a spokesman said.

able to obtain a farm housing loan. To be eligible, the applicant had to own a farm which would produce a substantial amount of the operator's income. Farm housing loans, which are made by the USDA's Farm Home Administration, are used to construct and service buildings, houses and service buildings. USDA said its experience indicates that there are farmers who can properly use and repay from farming operations the type of credit, but whose income does not constitute a substantial part of their total income.

Other eligibility requirements for farm housing loans remain unchanged. These requirements require that the applicants must have sufficient income from other sources to pay farm operating and family living expenses from meetings on his debts.

Camp Ford Held
In northeast Texas, near Smith County, you can see the site of an old Confederate Camp Ford, where 2,000 Federal prisoners were held from 1862 to 1865.

Major General Richard and his Confederate troops are the invading Federal General Banks and thousands of his men. This battle ended all Federal attempts to invade Texas.

The Whole Town's YAPPIN' about

THE Hall County Picnic NEXT SUNDAY!

In using the slang expression, we really mean the whole town, the whole county—and former citizens residing all over the United States—are making their plans to be in Memphis next Sunday. They're talking about the FREE BARBECUE, the full day of entertainment, a program that is slanted to yesteryear but tied in with the facts of today.

Make your plans now to be in Memphis Sunday, Sept. 18th. Be at the City Park for the barbecue and the afternoon's program. Take part in the reminiscing, the visiting and renewing of old acquaintanceships. Remember, those who formerly resided in Hall County, and those of us who live here today will take this occasion to celebrate the

70th ANNIVERSARY OF HALL COUNTY

This organization, too, is an "old timer" in this county. Through all the years we have cooperated with our farmer friends, the cotton merchants and gins, as well as the business firms. We recognize our responsibility in helping our schools, churches and civic groups, and hope that, in our small way, we might have been partly responsible for the growth of our county during the years since we had our modest beginning here.

Again this year, as in the past, we stand ready to work for and with this community. Special emphasis will be placed in our endeavors to help in promoting the future for cotton, the undisputed financial backbone of Hall County.

SENATOR ☆☆☆ Yarborough's Report

low Texans: With a long session of Congress completed and a new session looming only 100 days away, it is a good time to review some of the legislation passed and to consider those that we will bring up again in January.

To begin, it seems fitting to look at the list of more than a dozen bills that passed which I personally authored or co-sponsored. One of the first ones was the Federal Airport Act, which I co-authored with Senator Mike Mansfield of Oklahoma. With this program, airports are being built from many Texas cities and the nation are being improved. Two examples are the fine Corpus Christi and the new airport at Austin.

Another bill that is important to millions of people was the extension of the Veterans Housing program. This is the plan under which purchase homes at low down payments and under government guaranteed loans. Over 9 million veterans of World War II are eligible to purchase homes under this program as a result of the bill which just passed Congress. As chairman of the Veterans Affairs Subcommittee, it was my privilege to work for extension of this important veterans housing program. It not only provides homes for families of veterans, it meant jobs in the building industry and business for the veterans.

Another bill passed which I authored in the Senate, and which Congressman Homer Thornberry of Austin authored in the House, is the War Orphans Education Act. It provides that the children of soldiers killed in line of duty while serving in the so-called Cold War may have assistance in going to college. It is an act of justice to assure that those youngsters who lost their dads in the military service may be assured of a higher education.

Handreds of thousands of Texans will benefit from the Library Services Extension Bill which I co-authored. As a result of the prior library services have been improved in 29 Texas counties. This extension of the act will permit approximately 50 more Texas counties. Texas has benefitted more from this Library Act than any other state in the nation. We have obtained more library facilities in more counties, more money

has been spent in Texas than in any other state simply because we badly needed books in Texas.

An important bill from the standpoint of conservation of prosperity in South Texas and the building friendships with our good neighbors South of the Border, was the legislation for the joint construction of the Amistad Dam on the Rio Grande above Del Rio. Senator Lyndon Johnson took the lead in this measure in the Senate, and it was my pleasure to support it in every way. It was my privilege also to support every water conservation measure in the United States Congress including that of the great McGee Bend Dam in East Texas on which further progress was made. The effective work of Congressman Jack Brooks of Beaumont in pushing the great McGee Bend project for years should be noted.

Of course, we didn't get some of the legislation that we worked on the longest and hardest. Two of these which didn't quite make it were the Cold War Veterans G. I. Bill to educate 4 million Cold War Veterans, including 200,000 in Texas, which we passed in the Senate 57 to 31, and also, my proposal to establish a National Seashore Park on Padre Island, But, fellow Texans, as John Paul Jones said, "I've just begun to fight."

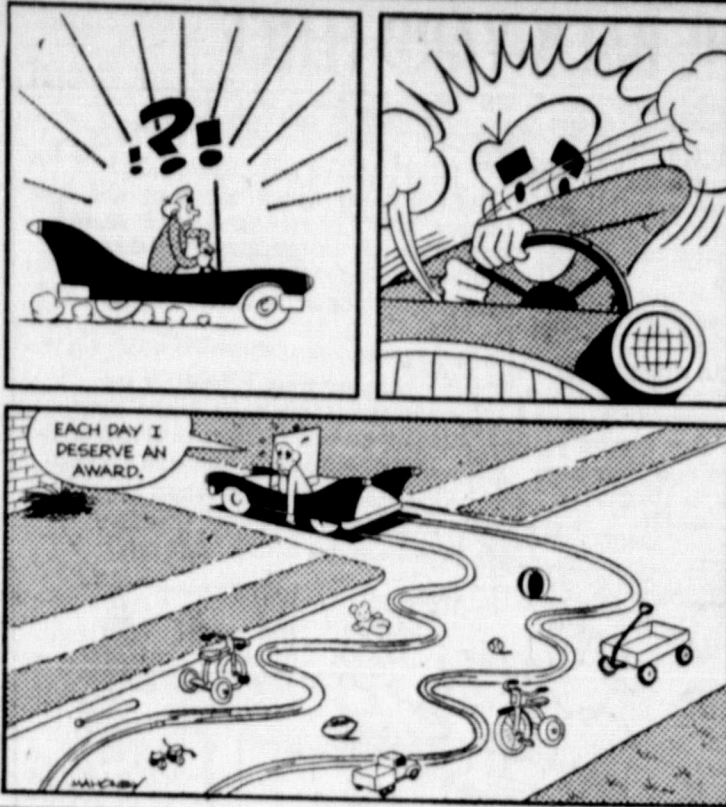

I Give You Texas

By BOYCE HOUSE

My debating coach in high school days taught commercial law and I recall one of his stories. Mr. Highsaw told about a rancher who had been on a trip. He wired to his foreman, "Am arriving on Tuesday morning train. Meet me. Bring Shep." Shep was his favorite dog. But the telegraph company delivered the message with the wording, "Bring sheep." So the foreman set out in the middle of the winter with several hundred head of sheep and most of them froze to death. The rancher sued the telegraph company. Did he win? Don't ask me—but I do remember the story.

I was leaving the Picadilly Cafeteria in Austin recently when a man asked, "Didn't you use to live in Ranger?" I confessed this was true. He said, "You wrote me up when I played high school football. I still have one writeup." He was Richard Conley, now with the City National Bank in Austin who,

THE BAFFLES By Mahoney

around 1930, played in the Bulldog backfield.

Only a few days before, as I was leaving the T. C. U. stadium after the Baylor game, a broad-

shouldered individual asked, "Aren't you Boyce House?" I owned up that I was me and he said, "I played guard at Ranger and you picked me on your all-state team." (His name: W. E.

Mitchell, now living in Glade-water.)

You know, every now and then, an old sports writer has his day brightened up.

In the Middle Ages, if a man was accused of a crime, he was tried by ordeal. He was thrown into a river and if he didn't drown, this proved he was guilty and they hung him. If he drowned, this proved he was innocent and they buried him.

In the time of Charles Dickens, if a man didn't pay his debts, he was imprisoned. If a man couldn't pay his debts when he was free, how could he pay them if he was in jail, without a chance to work and earn?

I reckon I'm just stupid not to be able to understand these things.

Cotton Market News Reports Now Available

Four cotton market news reports of interest to farmers and the cotton trade are available from the Agricultural Marketing Service, according to John L. McCollum, manager, Southwest Area, Cotton Division, Dallas.

These reports are designed to keep all interests abreast of cotton and cottonseed developments

during the market season. They include, The Cottonseed Review, The Cotton Quality Report, The Cotton Classing Report, and the Weekly Cotton Market Review.

The Cottonseed Review, released weekly during the active ginning season, covers the movement of cottonseed, changes in price and quality, and harvesting conditions. Information in this report is limited to areas where cottonseed is officially graded.

The Cotton Quality Report, a monthly release, shows the percentage distribution by districts of the grades and staples of cotton ginned during the month, cumulative for the season and year ago comparisons.

The Cotton Classing Report, released each Monday during the harvesting season, shows grade, grade index, staple length and the number of samples classed under the Smith-Doxey Act by various classing offices.

The Weekly Marketing Review, the only report issued throughout the year, reports market conditions with respect to demand, inquiries, prices, offerings, domestic and export sales, crop developments, harvesting conditions and other pertinent or seasonal market conditions.

These reports are mailed free upon request. Farmers and others in Texas and Oklahoma should address inquiries to: Cotton Division,

AMS, U. S. Dept. of Agriculture, Room 404, 708 Jackson St., Dallas, Texas.

Buffalo Tracks at Colorado

"Seven Wells" was the last watering hole for the buffalo and their tracks still are imprinted in the sandstone rock.

It used to be an old Indian camp but now is a popular picnic ground. The "Seven Wells" are located 7 miles Southeast of Colorado in North West Texas' Mitchell County.

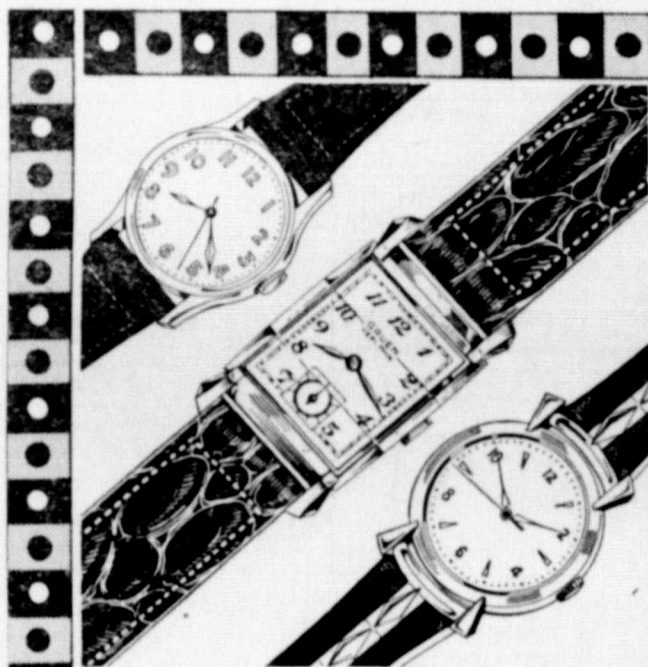

They're inexpensive, too... and you'll like the results!

Issues In The 1928 Election

Republicans who are saying that a Catholic cannot carry Texas and citing 1928 as proof, are stoutly refuted by two eminent political experts.

Recollections 32 years old are sometimes poor. But former Governor William P. Hobby and Professor McKay of Texas Tech, whose history of Texas politics was written with the refreshment of reading back to the times, both conclude that the wet and dry issue was paramount when Quaker Herbert Hoover beat Catholic Al Smith in Texas.

A study of the election returns bears out their recollections. It shows in general that the counties which were dry-minded on beer and liquor in 1928, and which for the large part remain dry today, voted Republican that year. The counties which are wet today almost all voted for Smith, who had come out for repeal of Prohibition.

The strength of this issue is noted by Professor McKay in his study of the counties in which Texans of German ancestry predominate, and which have traditionally voted Republican. Their wetness overcame their Republicanism that year, and all but two of the 10 "German counties" voted for Al Smith and the Democratic ticket.

Senator John Kennedy has a factor on his side Smith did not have — a Texan running mate. Hoover carried most of West and North Texas, and all counties to a line just east of Waco. This is "Johnson County" where the Senate majority leader has always run well.

East Texas stayed with the Democratic ticket in 1928 almost solidly, but could not quite overcome the heavy dry votes of West and North and Central Texas. So Hoover carried Texas by a slim margin of 20,008 votes.

It didn't take Texans long to realize their mistake. After four years of Hooverism, they turned back to the Democratic Party by the biggest majority of any state. In 1932, the Democratic ticket of Roosevelt and Garner carried Texas by an overwhelming majority.

Benefits of Research

A better-informed public is gradually recognizing the value of research in combating the ills which take human lives. But the item of cost is sometimes mentioned.

Recently the Texas State Department of Health publicity release to newspapers discussed this with the introduction, "How much does research cost?" The next comment is "what is it worth?" This brings out the pertinent facts which the people are getting.

Medical research has brought about many outstanding drugs and spectacular operations which save individual lives and relieve suffering, but more outstanding and spectacular are the advances in preventive medicine that have been made which stop suffering before it starts.

Economically speaking, preventive medicine has saved the people of the United States countless dollars. A case in point is retrolental fibroplasia, an eye condition marked by the formation of fibrous tissue behind the crystalline lens. Prematurely born babies are often stricken causing partial or total blindness.

At first premature births were blamed. However, research financed by federal and private means discovered the cause to be the excessive administration of oxygen—employed regularly in incubators for premature infants.

This study cost approximately \$50,000. In the U. S. 5,000 children are blind because of retrolental fibroplasia. Each child will cost an estimated \$100,000 for education, training and support from birth to death — or a grand total of \$500 million.

Caring for these 5,000 children in our generation will cost 100,000 times more than the cost of the research which prevents the disorder.

Other items developed solely through research include the Salk vaccine and steroid (cortisone) compounds — which prevent blindness, relieve arthritis, and aid skin diseases and allergic conditions.

Who can put a price on the suffering and crippling averted because of them? The life expectancy of Americans now born is past 70 years of age. In just 17 years — 1937 to 1954 — it increased 9.6 years.

This means, because of the decline in the death rate, over \$770 million additional federal income taxes was received in 1955 alone, plus the accompanying rise in earning power and productivity from an increased span of life.

As facts are gathered, we find that research is indeed the proverbial "stitch in time."

Red Leader Bows Out

With a characteristic taunt, Premier Khrushchev of the Soviet Union bowed out of the American election with the statement that Vice President Richard M. Nixon and Senator John F. Kennedy look equally undesirable to the communist world.

"They are a pair of boots," was Khrushchev's unflattering estimate. "Which is better, the right or left boot? It would be difficult to distinguish between them."

Khrushchev said he was giving his estimate of the two candidates in order to put an end to talk that he favors one or the other. That talk arose out of his own statement in Paris, when he torpedoed the summit conference. He said then that he would wait for the American election this fall to raise a man with whom he could meet and, if it did not, then he could wait four years if necessary.

It also followed his contemptuous dismissal of Vice President Nixon as a possible alternate for President Eisenhower at the same summit meeting. Then he called him a grocery clerk, not a politician, and said it would be like sending a goat to the cabbage patch.

The Russian language is rich in figures of speech, and Khrushchev draws on the homiest of them to add color to his conversation. This time, we hope he is wholly accurate in his estimate of the two presidential candidates. For if they look equally bad to the communist world, they are equally good to the free world. And that would equate them on the great issue of the campaign, the

realization that the spread of communism must be checked before it overcomes us.

We have never doubted that both candidates shared this view. The only question, and nothing that Khrushchev can say or do can affect it, is which of them can come up with the formula that will stop the spread of communism and which of them can muster the leadership to make this formula succeed.

Mrs. D. L. C. Kinard Returns Following 5-Week Tour of European Countries

Mrs. D. L. C. Kinard arrived home this week following a five-week vacation on the continent of Europe and England. Traveling with the American Express Tour, she was one of 12 people to make the trip. The party was made up of persons from Florida, California, Pennsylvania, Washington, D. C., New York and Texas. "It was a most exciting and enjoyable trip," Mrs. Kinard said. "We traveled by jet airliner from Dallas via New York to Paris, and returned from London via New York to Dallas, traveling 550 miles per hour." "We loved Paris and all of France, especially the French Riviera, Nice, Cannes and Monaco. We spent 11 days in sunny Italy, and were in Rome, Florence, Genoa, Naples, Venice, Milan and one day on the Isle of Capri. Highlight of our stay in Italy were the ruins of Pompeii, Vesuvius, Amalfi Drive, Tivoli Gardens near Rome, Olympic Village, gondola ride in Venice, the Catacombs and many other interesting places of historical, ancient and medieval, fame.

Heidelberg one of the most interesting old cities. A trip on a river steamer up the Rhine, where we saw many old castles and the capital of Bonn, was very relaxing. Cologne, Mannheim and Dusseldorf were busy cities of this industrial area. "Brussels in Belgium came next and then Amsterdam, Rotterdam and the Hague. London had its usual misty and foggy weather. We toured points of interest in the city and countryside. "We made shopping tours in each of the countries visited, and soon learned about currency exchanges. We had no problem anywhere except in English currency," Mrs. Kinard concluded.

Baptist Workshop To Be Held In Amarillo Sept. 20

The District 10 annual WMU workshop will be held Sept. 20 at the First Baptist Church in Amarillo, it was announced this week. The conference will open at 10 a. m. and those attending are requested to assemble in the church sanctuary at 9:30 a. m. The meeting is for local, associational and district women. Members are requested to bring sack lunch. Drinks can be secured in the church dining room. Nursery facilities will also be available. The Baptist Book Store will have available books, helps, visual aids, etc., for teaching the mission study books, Mrs. Frank Ellis, district prayer chairman, said. Those who will attend from here are: Mmes. Fern Miller, Cliff Pedersen, Omer Hill, Jack Rose, Bill Billington, Henderson Smith, Eobert Moss, and Henry Hays. Mr. and Mrs. Earl Miller returned recently after a 10-day trip to Tennessee and Arkansas where they visited relatives.

Dr. Jack L. Rose Attends Lectures In Amarillo Sunday

Dr. Jack L. Rose attended a series of lectures in Amarillo Sunday. They were presented by Dr. A. E. Reynolds of Tulsa, Okla., one of the nation's leading contact lens authorities. Dr. Reynolds has just developed a new way to measure the eye for contact lenses that should eliminate much of the discomfort in wearing the lenses, because of more complete fitting of the whole eye, Dr. Rose reported.

Mr. and Mrs. George Goffinett of San Antonio spent the weekend with Mr. and Mrs. W. J. Goffinett. Kelder, their son, returned home with them after visiting in Memphis and Lakeview with relatives the past two weeks.

Mrs. W. L. Morrison left for her home in Lindsey, Calif., last Saturday after spending two weeks here visiting in the home of her sister, Mrs. Lucy Phillips.

Mr. and Mrs. Rudolph Miller and Rena of Wichita Falls, Mr. and Mrs. L. W. McClure and Mrs. Paul Brewer, all of Wellington, were guests in the home of Mr. and Mrs. Roy McClure and Nancy Sunday.

Mrs. R. O. Nelson of Estelline visited in Memphis with Mrs. Lucy Phillips on Wednesday of last week.

Mrs. Orville Goodpasture spent last week in Albuquerque visiting her daughter, Mrs. Dempsey Archer, and family.

Miss Gladys Buchanan and Katherine Hawthorn, both of Abilene; and Mrs. John T. Ward of Aspermont spent the weekend with Mrs. Estelle Barber.

Atalantean Club Has Hunt Brunch In Foxhall Home

The Atalantean Club met in the home of Mrs. Eddie Foxhall Wednesday morning, Sept. 7, at 9:30 for a Hunt Brunch.

Mrs. Foxhall was assisted by the program committee: Miss Imogene King and Mrs. Cecil McCollum.

As members arrived they were served punch by Mrs. J. W. Coppedge.

Members were then invited into the dining room where a menu of dainty tidbits with tea and coffee was served.

Grace was offered by Mrs. Bill Cosby. The dining table was centered with a bowl of various colored flowers representing a rain-

bow with a pot of gold at the end. Gold coins were scattered over the rainbow on the table.

Mrs. J. W. Coppedge, president, presided during the business session.

The Club Collect was given by Miss Imogene King.

Mrs. Coppedge brought an interesting and inspirational message on "Treasures We Seek".

She said, "It is good to be entering a new club year. We always feel enthusiastic and challenged when we do begin new year's work. September is the month for a harvest moon—beneath its light we might find it a good time to make an appraisal of what we expect. Club work fills an important place in any woman's life, and I am sure we would find if we were to question each one, that it has a different meaning to each individual. Webster defines treasurer as a thing of great worth."

"We each seek different trea-

Cotton Quiz

asures, and it is interesting to note that the treasure that we really seek, we most generally find.

"In every phase of life, we could make an extensive list of valuables for which we might seek and as a clubwoman those treasures might be such things as Community Betterment; to gain a broader knowledge of world affairs and problems we face today so we might be in a better position to help solve those problems.

"As a matter of fact, the Texas Federation theme is: 'Applied Knowledge is Power.' Mrs. Griffith, in announcing her theme said, 'Through the federation departments of conservation, education, fine arts, home life, international affairs, and the Texas Heritage, we will have opportunities opened up for us through which we may acquire new knowledge, but how well we apply the knowledge is up to each individual club member. We must have an aim, and we must be strong in spirit to attain our goals.'

"Our Santa Rosa District theme is 'Building a Better Heritage for Youth.' Good themes and it is up to us to put them across. We are more relaxed to not study, when we do study we find a world full of controversy, friction, even combat, injustice, inequality, insecurity. We should not be satisfied with these conditions, and we are not satisfied. Women are powerful, and I do believe that Mothers are ready to try to improve the outlook on the future for their children.

"Other sought-after treasures might be broader scope of friendship, or understanding our neighbors without barriers. These are a few of the things we would seek as club members. If we try to tabulate a list of treasures that we have or would like to have from life perhaps we would find that we would each make a list of earthly desirables such as health, love, security, talent, power, riches and fame. If a person could possess all of these, life would be complete. One thing is omitted and everything else stems from it. But this final ingredient, though insignificant as it seems, most men are never blessed with, and that of which I speak are the three syllables: 'Peace of Mind.' The sum of all other possessions does not necessarily add up to peace of mind; yet we have seen this inner tranquility flourish without the material supports.

"To have peace of mind we must seek for the treasures on your list and my list. We must be a well-rounded individual; we must make every phase of our lives mean something that is real to others; we must be more toler-

ant of other peoples ideas and beliefs; we must put the right emphasis on things of importance. If we choose to do so, we can let this club year serve as a springboard to launch us into a pattern that will be meaningful to others—this will bring Peace of Mind," Mrs. Coppedge concluded.

Torchbearer, Mrs. Eddie Foxhall, distributed the yearbooks to the members in a unique way. The books were taken from a "treasure chest" which belonged to her great grandmother. The chest was decorated with old pearls and other kinds of jewelry. Mrs. Foxhall gave brief comments on the year's programs.

Members present were: Mmes. Earl Allen, D. H. Aronofsky, J. W. Coppedge, Bill Cosby, Herbert Curry, W. C. Dickey, Eddie Foxhall, N. A. Hightower, Claud Johnson, L. C. Martin, Cecil McCollum, J. H. Norman, J. A. Odum, Myrtis Phelan, Jack Rose, W. R. Scott, Robert Sexauer, Robert Spicer, Ralph Williams, D. A. Neeley, Misses Imogene King and Gertrude Rasco.

Mr. and Mrs. John Smith took their daughter, Walter, to Denver, Colo., over the weekend where she entered school at Colorado Woman's College.

Scott Family Holds Reunion In City Park, Sept. 3, 4

The family of the late Mrs. Lizzie Scott met Saturday evening and Sunday, Sept. 3 and 4, for the third annual family reunion.

Saturday evening the family enjoyed a hamburger and sandwich supper with home made ice cream and cake.

All members spent the night in the park and cooked their breakfast next morning and at the noon hour a bountiful meal was served.

Members attending were: Mrs. Lula Souder and daughter, Betty Lou and husband, Henry Oats of Fort Worth; Mr. and Mrs. Charlie Pullen and son Scottie Ray and wife and children, Rebecca, Scott and Susan of Borger; Mr. and Mrs. Clyde Terry and children, Bill Don and John Henry of Amarillo; Pearl Youree of Amarillo; and son Jack Youree and wife of Borger.

Mr. and Mrs. Ernest Parsens and son Larry of Canyon; Mr. and Mrs. Howard West of Memphis;

and son Bobby Earl and wife and daughter, Margo, of Amarillo; son, Jimmy West of Sunray. Mr. and Mrs. Henry Scott of Memphis and daughter Gloria Tension and husband Robert of Wichita Falls; daughter, Tana Battle of Wichita Falls; and guests, Ida May Long and Mr. and Mrs. Charlie Crow of Memphis.

Jean Foxhall Is Nominated Queen Candidate At SMU

WELCOME TO HALL COUNTY'S 70th Anniversary Celebration and Picnic At the City Park Sunday, Sept. 18th

Hall County will be host to approximately 2,000 local residents and visitors Sunday, Sept. 18, at the Hall County Picnic. The celebration is in observance of the county's 70th Anniversary.

Guests are coming from far and near . . . many old-time residents are expected to return for the celebration to meet with former friends and neighbors.

Final arrangements have been completed for the celebration which will include a FREE BARBECUE MEAL at the noon hour, and an informal program and afternoon of visiting.

Homecoming at all the churches will be featured Sunday morning. Local residents as well as visitors are invited to attend the church of their faith Sunday morning, going directly from the service to the City Park for the noon meal.

Many members of the famed Gold Medal Band which won acclaim for the county back in the 30's will attend the picnic, according to information received here. Band members will be recognized and presented badges.

Another feature of the homecoming will be a display of antiques and relics in down-town store windows. Various club women of the city are in charge of this phase of the event. Displayed will be many items of yester-year which will be of interest to pioneer residents as well as to the younger generation.

The entire community is co-operating to make this a red-letter day for the County. Everyone is working on the project.

Several Plead Guilty Before Judge Gribble

Odis Clifford Lopez and Clifford Ben Dawson pled guilty to the burglaries of the Cicero Smith Lumber Co. and Doc Rogers Store in Estelline, which took place April 28, 1960, in district court here this week.

They were sentenced to five years on each violation, to run concurrently, in the state penitentiary at Huntsville. Judge Luther Gribble in the 100th Judicial District Court issued the sentences after the men pled guilty.

John Ayde Hanson and wife, Laura Mae Hanson, each received five-year sentences after pleading guilty to a forgery charge, having passed a "hot check" on Crump Ferrel while he was operating Ferrel's Men Store, on Aug. 21, 1959.

Judge Gribble ruled that Ephron Gooden Jr. had violated his parole when he went to California. He was put on probation in 1957 for child desertion, at that time a felony offense. He has been sent to Huntsville to serve out his three-year sentence.

Hall County 4-H Swine Show Set For Saturday

The Hall County 4-H Swine and Businessmen's Swine Show will be held at the old VFW Hall, near the City Park, Saturday, W. B. Hooser, county agriculture agent, said this week. Bill Palmeyer, county agriculture agent of Motley County, will be the judge at the show, Hooser announced. Palmeyer was formerly the assistant county agent of this county in 1955.

The boys are to have their animals in the pens by 9 a. m. Saturday morning, and judging will start around 10:30. Prize money is offered for two classes, Sears gilt, businessmen's class. The Sears board will be shown at the show for the judge's comment.

C. L. KAY

C. L. Kay To Speak To Rotary Club Sept. 20

C. L. Kay, dean of student life at Lubbock Christian College, will speak to members of the Memphis Rotary Club at the noon luncheon Tuesday, Sept. 20, Sim Goodall, program chairman, announced this week.

Kay, who is vice president for Public Service and Industrial Relations, will speak to the members on the college's "Citizenship Training Program."

Goodall said that Mr. Kay is a member of the Southwest Rotary Club in Lubbock. He is also a member of the following organizations: Southwestern Association of Student Personnel Administration, the Texas Association of Student Personnel Administration, American Personnel Guidance Association, Speaker's Bureau of Project Alert, and Lubbock Christian College's Speaker Bureau for the Citizenship Training Program.

Kay graduated from East Technical High School of Beaverdale, Penn. He attended Freed-Hardeman College in Henderson, Tenn., Eastern New Mexico University in Portales. He received his B. A. degree in 1952 and his M. A. degree one year later. He has done additional graduate work at the University of Colorado and Texas Technological College.

Goodall stated that Kay was an experienced speaker, having made over 350 addresses to organizations in the past two years.

In addition to Kay's duties as dean of student life, he is professor of history and government. He has recently been appointed vice president for Public Service and Industrial Relations.

Patrons Reminded To Pay Box Rent Before Oct. 1st

Patrons of the local post office were notified this week that box rent must be paid before Oct. 1, 1960.

"We want to remind everyone that it is required by law that rent on a post office box must be paid in advance," Postmaster Jim Vallance said. "Therefore, in order that we may continue the assignment of a box, it is necessary that each patron make payment of the rental on or before the last day of this month."

If box rent is not paid by due date, boxes will be closed, and mail will be placed in the General Delivery section of the office, the postmaster added.

Box rent may be paid annually or quarterly. Annual payments must be paid prior to July 1. Quarters begin July 1, October 1, January 1, and April 1.

town, since Memphis had yet been unable to induce the Fort Worth & Denver Railway Company to stop trains at that point; Lakeview was an inland town then situated near Goat Island, the geographical center of the county. Each town employed its own lawyer, J. C. Sherwin for Salisbury, Ben H. Kelly for Memphis, and Jim Cecil for Lakeview. When it became evident that Memphis would control the greatest number of votes, the promoters of Salisbury influenced a number to erase their names from the petition and thus delayed the organization. J. C. Montgomery of Memphis accompanied by several others went to Salisbury and demanded the petition, which Mr. Simpson was glad to deliver. Rangers were called from Quannah by a frightened citizen of Salisbury that day, but no trouble developed. Another mass meeting was held at the Shoe Bar Ranch headquarters on Oaks Creek May 4, at which time final details were completed. At a regular session of the Commissioners Court of Donley County, May 12, the petition was presented. The court granted the petition, and set the date of election for June 17, 1890.

Another month of strife and excitement followed. Newspapers at Salisbury and Memphis took up the fight, and bloodshed was narrowly averted several times. Each town began a building program. Laborers were brought into Salisbury, whose votes the promoters expected to control; Memphis gave town lots to all cowboys who would promise to vote for that town; Lakeview invited former citizens to return and participate in the election and based its claim on location. On election day, all voting boxes were closely guarded by representatives from each contesting town and great excitement prevailed, but the day passed without serious trouble. The final tabulation revealed the following votes: Memphis, 84; Lakeview, 43; and Salisbury, 19. Since Memphis was situated in the extreme northeast corner of the county special legislative acts were necessary to sustain the election.

ges will be pinned on each person attending. Members of the Gold Medal Band will have special badges and later will be individually recognized on the program.

Bill Baten, local sheriff, will be in charge of parking the cars.

Program

During the afternoon, an informal program will be presented. Tomie Potts will serve as master of ceremonies for a phase of the program entitled "Historical Events." All old-timers are asked to bring historical events and be prepared to tell them.

Members of the Gold Medal Band will be recognized as well as present county officials and employees, and all past county officials. Dwight Kinard will recognize members of the Gold Medal Band. Tops Gilreath will recognize county officials.

Prizes will be awarded in various fields by Bob Ayers and Wendell Harrison.

Mrs. Ace Gailley, county music instructor, will be in charge of special music and songs. Song leaders will include Harry Delaney of Lubbock, T. E. Noel of Denton and Buster Helm of Memphis.

Concluding the program will be a short memorial service conducted by Walter Hightower.

Serving on the finance committee is John L. Burnett, J. M. Ferrel, Jr., Oren Jones and Frank Monzingo.

John Fowler has served as special events chairman.

Antiques

Displayed in downtown store windows is an interesting and historical display of everyday relics and antiques. Shown are such items as a pea sheller, kraut board, stove, clothing of more than half a century ago as well as other items.

This display will be of equal interest to oldtimers and young people as well. Clearly revealed is the progress made in the county in the last half-century.

Directors Of Rolling Plains Cotton Producers, Inc. Meet Here Saturday

(Continued From Page One)

The board of directors of the Rolling Plains Cotton Producers, Inc., met Saturday at the Cyclone Drive Inn cafe in Memphis. The organization, owners of the classing office here, is composed of cotton producers of the 12-county area with a director representing each county.

The annual audit was ordered by the directors and the president, V. C. Durrett, appointed an audit committee composed of Hutch Hunter, vice president, J. W. Reed, secretary-treasurer, and Dick Sweatt.

The directors, and the counties they represent, are as follows: Dudley Shewing, Cottle and King counties; Dick Sweatt, Collingsworth; J. R. Hefley, Wheeler; B. K. Blankenship, Briscoe; H. S. Mahaffey, Donley; A. J. Garland, Armstrong; L. B. Collins, Carson; Leamon Andrews, Gray; V. C. Durrett, Hall; Hutch Hunter, Childress; and J. W. Reed, Motley. Mrs. Sue Hutcherson is employed

as executive secretary. The cotton classing office, located in Memphis, is one of the most modern and up-to-date plants in the entire United States, with the very latest equipment being used to improve classing service, the directors said.

Initial construction costs, maintenance and improvements of the office is being financed by voluntary contributions of 25 cents per bale by cotton producers in the 12-county area. Gins in the district serve as collecting agents. The building and equipment will be owned by the contributing producers.

The government pays all operating costs of the plant, including

the salaries of the personnel employed there, the directors explained.

Original plans called for a one-year program to finance the construction of the office, but in order to meet additional expenses of constructing a first class plant and establish a reserve fund to meet future obligations of maintaining the building and equipment, it will be necessary to continue the program for another year, the directors said.

All producers as well as those engaged in the cotton business in this district are invited to see the classing office and see how conducted there, they said.

According to a USDA official the tentative date for the opening of the cotton classing office in Memphis has been set for Sept. 26.
