CLASSING SAMPLES— Pictured above are the eight classers and their clerks, grading samples at the USDA Cotton Classing office here. The room in which the grading is kept at a constant temperature and humidity. Upon completion of grading, the resulting cotton is placed on the conveyor belt (center of picture) and collected at the north end of the room.

Cotton Classing Office Grades 135,730 Samples

Cotton classing figure this week was 135,730 samples Wednesday according to A. E. Anthony, in charge of the USDA Cotton Classing Office here, which serves the county area.

Anthony said that the cold weather has not slowed down the classing of samples so far; however, there would be a slack off in the next few days.

He said the office was still three and a half days behind in classing the samples and eight classers are working.

This year, the organization has added a new, assembly line micronair system to the office. The system is a Fibertrol System manufactured by Motion Control, Inc., of Dallas. The system is the latest in assembly line micronair equipment.

The classers use the equipment as a guide in grading waxy cotton, and it can handle from 300 to 525 samples per hour.

The 12 counties the office serves are: King, Cottle, Motley, Childress, Hall, Briscoe, Donley, Armstrong, Collingsworth, Carson, Gray and Wheeler.

at Altus, Okla. He is a graduate of Texas A & I at Kingsville.

He, his wife, Joyce, and their one-year-old son, Kevin, are living in Memphis until the office closes.

The building and equipment of the classing office is owned by the Rolling Plains Cotton Producers, Inc., an organization of farmers in the 12-county area which the office serves.

This year, the organization has added a new, assembly line micronair system to the office. The system is a Fibertrol System man-

ufactured by Motion Control, Inc., of Dallas. The system is the latest in assembly line micronair equipment.

The classers use the equipment as a guide in grading waxy cotton, and it can handle from 300 to 525 samples per hour.

The 12 counties the office serves are: King, Cottle, Motley, Childress, Hall, Briscoe, Donley, Armstrong, Collingsworth, Carson, Gray and Wheeler.

Wildcat Well Was At 5,390 Feet Mark Wednesday

Late Wednesday afternoon, drilling at the Speer wildcat oil well, two miles northwest of Memphis, had reached 5390 feet.

The crew was drilling through lime, shell and a little granite wash, core samplings showed.

It was not known how deep the drilling would go before the well was abandoned; however, the contract called for a 7,800-foot well if there were good indications.

JOHNNY FUSTON

Jenny Fuston Elected Chairman Of 4-H Dist. 111

Johnny Fuston, a Hall County 4-H Club boy, was elected chairman of the District 4-H Club Council of District III which includes 22 counties, on Dec. 3.

He was scheduled to introduce the main speakers on television at the District Gold Star Banquet in Abilene Wednesday, Dec. 7.

Two Young Men Are Killed By Asphyxiation

Two young men died last night from asphyxiation in an apartment which they rented yesterday. They were found dead this morning about 5 a. m.

A. V. Taylor, son of Mr. and Mrs. Wade Taylor, 17, of Memphis, and Donald Roy Dickerson, 20, whose parents live in Littlefield, were found in an upstairs garage apartment owned by Charlie Weir, on South 6th Street.

The boys rented the apartment yesterday, and last night was the first time they stayed there. A fire was burning in the four-room apartment when they were found. Taylor was an employee of the

Martin Conoco Service Station here and was born June 19, 1943. He has lived in the Memphis area 16 years, attending both Memphis and Quail schools.

Dickerson has been employed for the past six weeks at Goldsmith Dairy here, and was born April 19, 1940.

Funeral services for both boys are pending at Spicer Funeral Home.

Memphis Boys Win, Girls Lose To Lakeview

The Memphis and Lakeview basketball teams split games Tuesday night at the Lakeview gymnasium.

The Lakeview girls pulled ahead in the fourth quarter to defeat the local cager team 62-42. The third quarter score in the game was 37 to 36.

Winnie Neighbors was the high scorer of the game with 24 points. Sondra Stargel scored 13 points, Carleen Harrison and Jo Ann Widener each scored 12 points for the local Cyclonettes.

In the boys game, Jackie Bridger scored 21 points to lead the local cagers to a 57 to 29 win over the Lakeview boys.

The score was 26-20 at the half and 38-23 at the end of the third period of play.

The local squads' next ball game will be with Lakeview here, next Tuesday night. The girls will play at 7 o'clock and the boys will start at 8:30, or slightly afterwards.

Trapshoot Planned For Sun., Dec. 11

A trapshoot for local sportsmen will be held here Sunday, Dec. 11, according to Charlie Snowdon, president of the Memphis Rifle and Pistol Club, sponsoring organization. Shotgunners will start firing at 1 p. m., and continue throughout the afternoon.

Winners of the contests will receive prizes consisting of turkeys, hams and bacon, Snowdon said.

The public has been invited to enter and fire for the prizes. In case of inclement weather the shoot will be postponed for one week.

The two regulation trapshooting layouts are located at the Memphis Airport.

Delphians To Sponsor Tour of Christmas Homes

A gala Christmas tour of homes and tea on Sunday, Dec. 18, is being sponsored by the Delphian Club of Memphis. Mrs. Mildred Stephens, president, announced this week. Featured for the first time last year, the social proved so successful and popular that members decided to make the event an annual affair, the president said.

Open to the public will be nine homes which will feature a variety of Christmas decorations ranging from the old-fashioned Christmas of yesteryears to the ultra-modern days of the space-age.

All local residents as well as visitors from neighboring towns are invited to enjoy the guided tour. Tickets are \$1.00 for adults and 50 cents for students. Tickets may be purchased in advance from Delphian Club members or at the beginning of the tour.

The tour is planned from 2 to 5 p. m. and will begin at the Hall County ASC building on the northeast corner of the square. Homes to be visited include Mrs. W. C. Dickey, Dr. and Mrs. H. R. Stevenson, Mr. and Mrs. Herbert Curry, Mr. and Mrs. Gerald Hickey, Mrs. D. L. C. Kinard, Mr. and Mrs. Eddie Foxhall, Mrs. R. E. Clark, Mr. and Mrs. Frank Ellis, Mr. and Mrs. W. H. Reed, Jr.

A tea hour will be enjoyed at one of the homes during the tour.

Vote On 1961 Cotton Acreage Control Set For Tuesday, Dec. 13

Hall County's 1961 Upland Cotton Acreage Allotment Is 104,523 Acres

According to Lynn McKown, manager of the Hall County ASC office here, the county acreage allotment for the 1961 crop of upland cotton is 104,523 acres.

This is 14,948 acres above the upland cotton allotment for Hall County in 1960, McKown said. This year's allotment was 89,575.

It was also pointed out that county farmers will receive their farm's cotton allotment before the December 13 referendum.

According to an Extension Service release from Texas A and M, the upland cotton allotment for Texas was set at 7,849,196 acres, which includes 10,686 acres as the State's share of the national reserve.

The Agricultural Act of 1958 authorized a national acreage reserve of 310,000 acres for apportionment among the states on the basis of the estimated needs for additional acreage to establish minimum farm allotments as provided by legislation.

The extra long staple acreage allotment for Texas was set at 21,893 acres out of the national allotment of 63,740 acres.

The state allotment will be ap-

portioned among the counties to establish county allotments, and these will be further broken down among the individual farms of the counties in accordance with the provisions of the law and regulations issued by the Secretary of Agriculture.

Farmers who were engaged in the production of cotton will vote in a national referendum on Dec. 13 to determine whether marketing quotas will be operative for the 1961 crops, upland and extra long staple. At least two-thirds of those voting must approve quotas if they are to continue in effect.

Only one allotment-price support program will be available to upland cotton growers for 1961. If marketing quotas are approved in the referendum, price support will be available to upland growers who comply with their farm allotments at a level within the range of 70 to 90 per cent of parity. The exact level of support will be announced at a later date.

If quotas are not approved, allotments will remain in effect and price support at 50 per cent of parity will be available to upland growers who comply with the allotment program.

The date for all Hall County cotton farmers to remember is Tuesday, Dec. 13, when the referendum will be held on the 1961 Cotton Marketing quota.

"Cotton is 'King' in Hall County. Every person in the county has a personal interest in the price and the production of this crop which determines our standard of living," Joe C. Montgomery, chairman of the Hall County ASC committee, said. "When a question concerning this important crop comes up for consideration, it is the personal interest of everyone to participate in determining the answer."

The results of the voting on December 13 will determine the national program for cotton during 1961. If two-thirds of the votes cast are for the quota, cotton will be supported at not less than 70 per cent of parity for 1961. If there is not a two-thirds majority in favor of the program, the support will be 50 per cent of parity for those farms who comply with their allotments.

Those responsible for conducting the referendum on Tuesday, Dec. 13, will be the farmer-elected community committeemen in each community. The committees and the voting places are as follows:

A—Lesley, Adams Grocery Store with J. W. Hatley, Jr., chairman, Joe N. Berry and Carroll Fowler.

B—Lakeview, rear of First National Bank with Aubrey Robertson (Continued on Page Twelve)

Icy Weather Brings Harvest To A Halt

The cold, icy weather most of this week has brought most of the ginning in the county to a halt, until the strippers can get back into the fields.

However, an estimated 43,239 bales have been ginned so far, a partial telephone survey of county gins revealed. The two gins at Turkey could not be contacted Thursday morning due to an ice storm which deadened telephone lines in that area.

However, reports from that area show that most of the ginning has been done. The 43,239 bale figure was derived by an estimated total from the Turkey gins.

A few of the county's gins reported cotton was still on their

yards. However, most managers said that they would be caught up by tonight.

Reports also indicate that about 30 per cent of the crop has not been gathered. If the estimated figure is anywhere near correct, this would indicate that during the past eight days the gins have processed 11,619 bales.

Low temperatures the past three nights have been below freezing, according to J. J. McMickin. Also, .08 of an inch of moisture fell Tuesday and .02 of an inch fell last Friday.

High-low temperatures recorded were: Wednesday 40-29, Tuesday 52-27, Monday 65-29, Sunday 64-55, Saturday 61-40, Friday 59-27 and last Thursday 51-28.

Unusual Shoplifter Makes Off With Box Of Shotgun Shells

From time to time, Memphis merchants encounter different types of shoplifting. But last week an oddity in that line was found at Vallance Food Store, according to Herman Vallance.

He was busy Saturday afternoon straightening shotgun shell boxes after the busy hunting season of the past few days when he noticed a box that felt light. Wondering about it, he opened up the box to find it filled with shells that had already been fired.

Some hunter had simply walked in with the empties and exchanged them for a box of unfired shells!

Junior Play, 'Off The Track' Planned for Tonight At MHS

It was announced this week that there has been a change in the title of the Junior play, "Off the Track."

The play will be held tonight at 8 p. m. in the Memphis High School Auditorium. The admission price is 75 cents for adults and 50 cents for students. Reserve seats \$1.

The cast includes: Dr. John Morgan played by Phillip Duncan, Silas Nelson played by Lynn Koen, Deeda Hickey, Phillip by Celia Leslie, Joan by Sue Pounds, Mrs. Guarney by Barbara Elem, Antonia by Teresa Beckham, Bill by Ronald Ables, Mrs. Osborn by Donny Spicer, Woodson by Bob Alewine,

Evalina Bumpass by Beatrice Hook, Mrs. Reginald Vanderventer by Joy Baten, Mrs. Pidgie McDougal by Cleta Lebow, and two colored women: Melissa by Leslie Helm and Elmira by Sondra Stargel.

The setting for the play is in a waiting room of a small wayside railroad station on a dark and stormy night. A strange assembly of people are thrown together when a fast passenger train is derailed and its passengers are forced to wait for a relief train.

Among these characters are three peppy and attractive college girls, a young law student, a fat middle-aged, good-natured Italian woman and her children, haughty and wealthy Mrs. Reginald Van-

derventer, a nosy old maid, Miss Fidge McDougal, a deaf man who holds a mysterious old suitcase which whets Miss Pidgie's curiosity, an engaged couple. The best comedy part is that of Silas Dobbins, who works around the station, sweeping and putting coal into the old stove. He keeps the others laughing with his native wit.

The plot for the play is set when Mrs. Vanderventer discovers her \$10,000 string of pearls is missing. An innocent party is accused but freed by the young lawyer, and Miss Pidgie satisfies her curiosity about the old suitcase, much to her regret.

The play promises to be one of the most entertaining of the sea-

JUNIOR PLAY— Pictured above are the Junior class cast and production crew. The production crew, pictured in top picture, is composed of from left to right: Jimmy Fields, Beverly Fulton, Jimmy Roden, Helen Howard, Bunky Adcock, Don Gailey, Mary Snider, Barbara Mauck, Patricia Srygley, Sharon Davis and Robert Moss. The play cast shown in the lower picture is composed of: Joy Baten, Phillip Duncan, Beatrice Hook, Bob Alwine, Donny Spicer, Lynn Koen, Deeda Hickey, Sue Pounds, Celia Leslie, Cleta Lebow, Ronald Ables, Sondra Stargel, Leslie Helm, Barbara Elem, Teresa Beckham, Linda Clayton, student director is shown in the foreground.

Third In Series

Fertilizing, Cattle On Farms Increase In 1959

(Editor's Note: Following is the third in a series of articles The Democrat is running concerning farm facts in Hall County as set forth in the 1959 Census of Agriculture Preliminary report.)

The 1959 Census of Agriculture for Hall County showed there was a large increase in the use of fertilizer and fertilizing materials during the period of 1954-59. In 1954 there were 18 farms reporting the use of commercial fertilizer and fertilizing materials

on 1,580 acres. However, in 1959 the report indicated there were 97 farms fertilizing 8,443 acres of land.

Twelve farms reported they used fertilizer on 821 acres of hay and cropland pasture while 91 farms reported they fertilized 7,618 acres of cotton.

Livestock and Poultry on Farms

The report showed that there are fewer farms with livestock and poultry on them, however, the total number of these farm animals has increased in several instances.

There were 391 farms reporting cattle and calves in 1959, while in 1954 there were 593 farms. However, in 1959 there were 27,636 head of cattle reported while in 1954 there were only 14,834.

These figures on cattle and calves were further subdivided by the report.

The report stated there were 391 farms having cows, including heifers that have calved. They reported 14,175. In 1954 there were 568 farms with a total of 7,829. Of this in 1959, 145 farms listed a total of 405 milk cows. This is a sharp decline in the number of milk cows in the county in 1954. The '54 figure was 1,019 milk cows on 405 farms.

There were 325 farms reporting 6,575 heifers and heifer calves in last year's agriculture census. In 1954 there were 421 farms listing 3,706 heifers and heifer calves.

There were 6,886 steers and bulls, including steer and bull calves, listed by 305 farms in the county in 1959. In 1954 there were only 3,299 steers and bulls on 421 farms.

The report listed 130 farms having 318 horses and mules in 1959. This is a slight decrease from the 1954 figures.

Also shown by the census report, there has been a rise in the number of hogs and pigs in the county. In 1959, 2,296 are listed from 176 farms while in 1954 there were 1,596 on 255 farms. The report lists only a few sheep and lambs in the county.

The figures show a decrease in the number of chickens four months old or older in the county. In 1959 there were 294 farms reporting 14,947 chickens while in 1954 there were 27,506 chickens on 443 farms. Ten farms reported

TOSSING A PASS . . . Judy Lynn Prince gets set to toss a pass at Gainesville, Fla., where she's a coed at the University of Fla., even though her football is made of flowers.

they keep 63 turkey hens for breeding.

Livestock, Poultry Products Sold

Most of the 1959 figures listed in the 1959 Census of Agriculture Preliminary report on livestock and poultry products sold, are a representative figure drawn from one-fifth of the farms reporting. The 1959 figures may not be very

accurate with only a one-fifth sampling.

Three hundred and forty-four farms reported selling cattle in 1959 while in 1954 there were 382 farms reporting these sales.

A total of 7,934 cattle were sold from 160 farms, and 5,812 calves were sold from 266 farms in 1959. In 1954, 2,062 head of cattle and 4,879 calves were sold from 180 and 338 farms respectively.

The number of hogs and pigs sold alive in 1959 from 66 farms were 1,371, while in 1954, 1,029 were sold from 98 farms.

There was a sharp decline in the number of chickens, including broilers sold. Only 37 farms sold chickens the report showed, while in 1954 there were 178 farms. The 37 farms sold 3,318 chickens while in 1954 the 178 farms sold 12,515.

There were no farms selling milk and cream the report showed in 1959.

Chicken egg selling was also below that of 1954 with 96 farms reporting they sold 44,836 dozens of eggs, while in 1954, 205 farms sold 66,172 dozens. Turkey sales almost doubled, the report stated, with 11 farms reporting the sale of 295 birds. Eight of these farms sold eggs from turkey, ducks, geese or other miscellaneous poultry.

Harless Robertson, and Mrs. Mona Robertson of Memphis, Mrs. Morris Robertson and L. J. Robertson of Lakeview, Mrs. Lura Stinebough of Lockney, Mrs. Minnie McDough of Petersburg and son Earl McDough of Plainview, went to Louth Sunday to attend the Golden Wedding anniversary of Mr. and Mrs. Claude Whitfield. Mr. and Mrs. Whitfield are friends of long standing of the Robertson family.

Mr. and Mrs. Eddie T. Harrell of Lubbock visited last weekend with his parents, Mr. and Mrs. Jess Roden.

Visiting in the Elmore home Sunday were Mr. and Mrs. Gilbert Petty, Duane and of Frieh.

Funeral Services For Carl Jones Held At Estelline

Funeral services for Carl M. Jones, 68, of Lubbock, former resident of Estelline, were held at 2 p. m. Sunday from the First Methodist Church in Estelline with Rev. James J. Futch, pastor, officiating, assisted by Rev. Joe W. Allison, pastor of the First Baptist Church of Estelline.

Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Mr. Jones died Friday morning at his home in Lubbock.

He was born June 10, 1892, in Navarro County. He was married to Miss Lois Cobb Dec. 10, 1922, at Newlin.

Mr. Jones served as manager of the Cicero Smith Lumber Co. yard at Estelline until 1936 when he moved to McLean and became manager of the yard there. He held that position for 20 years before his retirement.

After retiring, he and his family moved to Lubbock. At the time of his death Mr. Jones held farming interests at Anton.

He was a member of the Baptist Church and was also a member of the McLean Masonic lodge.

Survivors include his wife, Mrs. Carl M. Jones of Lubbock; one brother, Tracy Jones of Estelline, and a sister, Mrs. Albert Bailey of Estelline.

NOLAN SALMON

Nolan Salmon To Get Anderson, Clayton Grant

Nolan Salmon, an outstanding Hall County 4-H Club boy for 10 years and junior agriculture student at Texas A and M College, has been awarded a \$500 scholarship, as was announced last week. The money is from the Clayton Fund, a program of Anderson, Clayton and Company, initiated

by Will L. Clayton, founder of the firm. Nolan Salmon is majoring in entomology and agronomy at the college.

He attended the Texas 4-H Round-Up as a member of the Hall County 4-H Livestock Judging Team in 1955. The Lakeview 4-H Club honored him by electing him president twice. He attended the district encampment four years, and he took part in all county club activities.

Nolan's 4-H achievement record, FFA record, school record, letters of recommendation, and record as agronomy and entomology student at A and M were sent to the Anderson, Clayton and Company in order for him to win the scholarship.

He is working his way through college, with four jobs. He is a waiter in the mess hall, has a program concession at ball games, works for the building and grounds department, and for a dude ranch, located in the northern part of the United States, during the summer.

Salmon was high ranking boy in Lakeview High School his senior year.

He received over 50 awards and trips for his FFA and 4-H club work; and was an all-around performer in athletics, student representation, church and community affairs.

He is the son of Mr. and Mrs. Ronald Salmon. The Lakeview Lions Club honored him by sending him to Austin to Boys State. While there he served as attorney general.

Countywide 4-H Club Meeting Set Sat. At Turkey

The Hall County-wide 4-H Club will hold the second regular meeting Saturday, Dec. 16, at 7:30 p. m. at the Turkey School cafeteria. W. B. Hooser, county agent, announced this week.

The following business will be discussed:

Discuss projects information

with the new members needing assistance in choosing and planning.

Make plans to attend the major shows of Texas and the necessary plans to take the van to the larger shows.

Make plans to build a fence around the Show Barn in order to protect the building and equipment and to improve it for county-wide meetings.

Establish plans, goals, and objectives for the year.

Make plans for the Joint-District Encampment, and to make

plans to attend the Boys District Encampment.

Plans will be made to enter the County, State, and National Contest Award Programs, discussing requirements of contest, record, and the assistance of parents, adult leaders and county agent.

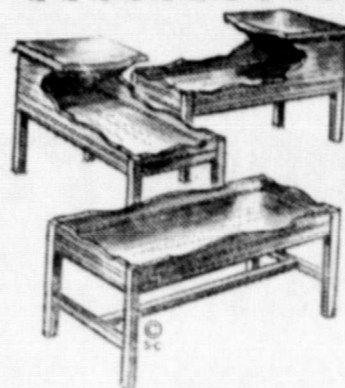

Also Chicago trips, State 4-H Round-up, covered.

County Agent Hooser will have 4-H club members to meet at the meeting.

MR. AND MRS. BOBBY SCOTT

Miss Nila Rae Holt Becomes Bride of Bobby Scott in Lakeview Rites

Double ring vows were exchanged Saturday, November 26, at 7 p.m. by Miss Nila Rae Holt and Bobby Scott in the First Baptist Church of Lakeview. Parents of the couple are Mr. and Mrs. H. A. Holt of Lakeview and Mr. and Mrs. W. R. Scott of Memphis.

Rev. Fern Miller, pastor of the First Baptist Church of Memphis, read the service as the wedding party stood beneath an arch of greenery decked with white mums and wedding bells. The arrangement was flanked at each side by branched candelabra holding blue cathedral tapers. Family pews were marked with white satin bows.

Mrs. Shorty Spear presented a

edged in white lace which was repeated at the hem. She carried a white basket of mum petals.

Ring bearers were Donny Scott and Denny Holt, brothers of the couple. They carried white satin pillows edged in blue lace.

The bride, escorted and given in marriage by her father, was attired in a formal wedding gown of pure silk crystalline taffeta fashioned with portrait neckline embroidered with seed pearls and long tapering sleeves extending to points over her hands. The fitted bodice featured an embroidered design of seed pearls at the waistline. The full floor-length skirt swept into a chapel train at the back. Her fingertip veil of illusion fell from a white satin tiara trimmed in seed pearls. She carried out the old-new tradition and wore a two-strand pearl necklace with matching earrings. Her white orchid was placed atop a white Bible and tied with satin streamers.

Miss Linda Campbell acted as maid of honor wearing a street-length frock of blue brocaded taffeta designed with scoop neckline, three-quarter sleeves and full gathered skirt. Her matching bandeau held a brief net veil and she carried a bouquet of white carnations. The ensemble was completed with white accessories.

Clyde Woods of Mineral Wells served as best man. Ushers were Doyle Fowler of Lakeview and Charles Holt, brother of the bride, stationed at Sheppard Air Force Base, Wichita Falls.

Guests registered at the church in the bride's book where Mrs. Charles Holt presided.

For her daughter's wedding, Mrs. Holt chose a teal blue wool crepe sheath with three-quarter sleeves and black accessories. She wore a white feather half-hat and white carnation corsage. The groom's mother was attired in a mauve sheath accented with black feather hat and baby pink carnation corsage, with other black accessories.

The bride's parents were hosts for a reception in the grade school cafeteria following the ceremony. Miss Campbell served, assisted by other members of the house party. The table was laid with white lace over blue and featured blue streamers inscribed with the couples' names in gold. Centerpiece was a container of white baby mums and the tiered wedding cake topped by a miniature bride and groom. Punch was poured from a crystal service. Blue napkins also were inscribed in gold with "Nila and Bobby".

Out-of-town guests included Mr. and Mrs. Charles Guthrie, Olney; Mr. and Mrs. Gene Crone, Reba

Williams, Anna Williams, Bonnie Quisenberry, Elvira Sagahun, all of Amarillo; Johnny Sagahun, USAF, Topeka, Kansas; Mrs. A. R. Holt, Chico; Mr. and Mrs. Charles Holt, Wichita Falls; Mr. and Mrs. Dewey Hendrix and Martin, Clarendon; Miss Mary Baggett, Quail; Jerry Tidrow, Wellington; Clyde Woods, Mineral Wells.

The groom was a popular member of the class of 1958 of Memphis High School, where he was a member of the Cyclone football team. He also played in the high school band. He attended Texas Tech upon his graduation and now is a student at West Texas State College in Canyon. The couple will reside at 1915 South Tyler in Amarillo.

For traveling, Mrs. Scott changed to a two-piece ensemble of Nile green wool jersey with brown accessories.

Mrs. Margaret Osheim and Alan of Amarillo visited here over the weekend with friends and relatives.

Mr. and Mrs. Bill Hickey and family of Amarillo visited over the weekend with his parents, Mr. and Mrs. Claude Hickey.

Mr. and Mrs. O. C. Archer and son, Mrs. Winnie Evans, Mrs. M. L. Padgett, Mrs. Bennie Maddox and daughter were Amarillo visitors Sunday.

Mrs. L. G. DeBerry was in Amarillo Wednesday.

Mrs. Norma Hunt, Former Memphian, Dies In El Paso

Funeral services for Mrs. Norma Hunt, sister of Mrs. Mac Tarver of Memphis and Mrs. C. L. Sloan of Estelline, were held Tuesday in El Paso. Burial was in that city.

Mrs. Hunt died early Monday after an illness of several months. She was a former resident of Memphis having taught in the elementary school here in the late 1930's and early 1940's.

Other than her sisters here, she is survived by one daughter, Mrs. John H. Wilson, three grandchildren and three great-grandchildren; a sister, Mrs. Tom Adkins of Oklahoma City, and two brothers, J. B. Noel and Thomas E. Noel of Denton.

Attending the services were Mrs. Mac Tarver, Mr. and Mrs. T. E. Noel and Tommye of Denton and Mrs. Tom Adkins of Oklahoma City, Okla.

John Bishop of Vernon, former Memphis resident, underwent major surgery in a Wichita Falls hospital this week. Mrs. Bishop will be remembered here as the former Nell Ferguson.

Out-Of-Town Persons Attend Jones Funeral

Among those from out-of-town who attended the funeral of Carl Jones were: Mrs. Marshall Gettys of Houston; Mrs. Jim Cummings of Robstown; Dean Bailey of Dallas; Mr. and Mrs. Carl Bailey and family of Lubbock; Mr. and Mrs. Gene Bailey of Shaddock, Okla.; L. E. Cobb of Mineral Wells; Mr. and Mrs. Erey Cubine, Mr. and Mrs. Elmo Whaley, Mr. and Mrs. Custer Loward, all of McLean; Mr. and Mrs. L. D. McCauley of Dumas; Mrs. Mary Webb, Mr. and Mrs. Paul Ed Read and daughters of Canadian; Mr. and Mrs. Major De Jarnett and Mr. and Mrs. D. A. Malone of Hale Center; Mr. and Mrs. Jack Grace and Mr. and Mrs. Jim Grace of Anton.

Also Mr. and Mrs. V. V. Jones, Mrs. Beulah Miller, Mrs. Neva Jackson, all of Cleburne; Mr. and Mrs. Bob Thomas and Frank Cooper of Crowell; Mr. and Mrs. Charlie Read, Mrs. Annie Mary Turner and son, Mr. and Mrs. Roger Power, Mr. and Mrs. C. T. Read, Jr., Mr. and Mrs. Glen Milner, Mr.

and Mrs. Quenton Macon, Mrs. George Graham, all of Lubbock; Mrs. Bill Ross of Childress.

Mr. and Mrs. Andy Gardenhire and family of Plainview visited over the weekend with his parents, Mr. and Mrs. W. F. Gardenhire, and her parents, Mr. and Mrs. Phaeton Alexander.

Mr. and Mrs. Hicks Daniel of Galveston and Mrs. Sloan Baker of Houston visited for a week in the home of their sisters, Mrs. M. A. Beasley and Mrs. Gordon Maddox.

Mrs. Ada Collins visited in the home of her daughter and family, Mr. and Mrs. Vincent Thomas, and a son, Mr. and Mrs. Doyle Collins and family of Amarillo, several days of last week.

Mr. and Mrs. B. O. Shankle and her mother, Mrs. C. F. Ewing, returned Wednesday from Breckenridge where they attended the funeral of a niece of Mrs. Shankle.

Mr. and Mrs. A. J. Fowler visited in Lubbock Sunday and Monday with their daughter, Mrs. W. B. Miller, and family.

EDITORIAL

If You Drink Don't Drive!

A lot has been said about not drinking while driving an automobile. The question comes to mind whether there is any proof which will support this stand.

The report stated that nearly one out of every three fatal traffic crashes in the United States in 1959 involved a drinking driver.

In clarifying this, it was pointed out that about 10,000 of the 32,000 fatal traffic crashes in the United States in 1959 involved a drinking driver.

Would the U. S. have one-third fewer fatal accidents if those who drink, wouldn't drive? The rest of the report helps to clarify this.

One out of every four adult pedestrians killed in traffic tragedy in the U. S. in 1959 had been drinking. This accounted for 1,500 out of 5,700 adult pedestrians killed.

The National Safety Council's special report on 1959 Christmas-New Year's traffic tragedies showed that drinking was a factor in 38 per cent of the crashes which cost 374 lives.

The council also pointed out that "the throttle and the bottle were part of the prelude to the fatal movement of impact" in many of the traffic collisions which took 374 lives during the 1959 week-end holidays.

And, the council pointed out, "the Yule tipper was involved in more than half of the Christmas traffic deaths."

Is it just the intoxicated drivers that cause these accidents? The report says no! So-called "social drinkers" are a greater traffic menace than commonly believed, because their critical judgement is impaired with a fairly low alcohol concentration, and they outnumber the obviously intoxicated drivers.

Drinking to any extent, says the report, reduces the ability of any driver.

Small amounts of alcohol reduce judgement, self-control and driving ability. It takes about three hours to eliminate one ounce of pure alcohol (about two cocktails).

Coffee or other stimulants will not offset the effects of alcohol. Only time can eliminate alcohol from the bloodstream, the report stated.

Chemical tests provide the police with a scientific means to determine whether or not alcohol has reduced a driver's ability. Alcohol is not a stimulant, and is classified medically as a depressant.

If you have been drinking, let someone who hasn't been do the driving on the way home. This nation, as all other nations of the world, does not make it unlawful to drink alcoholic beverages, however, every state in the union has laws which make it unlawful for individuals who have been drinking to drive vehicles on public roads.

This year, with the Christmas season approaching, don't take a chance if you have been drinking, let the non-drinker do the driving.

Luling's Palmettos Popular

Not oil wells, but sulphur wells, palmetto swamps, and tropical plants are the tourist attractions near Luling, in South Central Texas.

They are to be seen at Palmetto Park, southeast of Luling, in Caldwell County.

This 198-acre park also has a dance terrace, concession stand, picnic tables, camping and playground areas and fishing sites. You'll be fascinated by Palmetto Park.

Gonzales Honors Flag

A plaque commemorating the making of the first battle flag of Texas hangs on the walls of the museum at Gonzales, in South Texas, the town where the flag was made.

It was the first flag on which the now famous "lone star" was used.

This flag carries the words "Come and Take It" in answer to the Mexican Army's demand for return of the Gonzales cannon. The cannon had been given to the Texans by the Mexicans for defense against the Indians.

What Other Editors Say

Half-Step Soil Bank Marvin McLain, U. S. assistant secretary of agriculture, told Iowa county agricultural stabilization and conservation (ASC) officials that some 60 million acres of cropland should be set aside in the soil bank.

McLain did not say anything about how fast this land should be retired, but he said that unless something is done about the wheat program in the next year or two "the whole thing is likely to blow up."

The administration recommendation to Congress is that the soil bank be expanded from 28 million acres (estimated for the end of this year) to 60 million acres in three years. About 10 to 12 million additional acres would be retired each year.

At this creeping rate, the wheat and feed grain programs both probably would blow up. It is doubtful that retiring 10 million acres

a year would even keep up with advances in technology, not to mention the return to production of land which had been in the soil bank.

What is needed is a much bigger retirement program, with long term contracts to keep the land retired for a considerable period.

At best, the soil bank is far from a complete answer to the farm surplus problem. Retiring 60 million acres all within one year's time would reduce crop acreage by about 12 per cent. If these acres were only one-third to one-half as productive as average, which is probable, the equivalent of only about 5 per cent of average cropland would be withdrawn from production.

This 5 per cent effective reduction in cropland could easily be offset by increased use of fertilizer, lime, chemical weed sprays, etc. However, a quick retirement of 60 million acres probably

would have some effect on output—at least in preventing continued increases. The retirement of the land would be accompanied by the withdrawal of some capital and labor from farming—especially if emphasis were placed on whole farm retirement.

This would cost a lot of money. The administration estimates it would take 1.8 billion dollars to carry out its three-year program. But it is costing a great deal to support prices of corn and wheat and store the surplus, also. This cost might be reduced if the soil bank were effective.

But it will take a major effort, not a mere 10-million-acre per year expansion, to get real results from the soil bank. The soil bank method of farm adjustment is bound to be slow, even under the most favorable circumstances. It will have to be supplemented by other programs to limit output and strengthen farm bargaining power if the income position of farmers is to be improved.

Misph Guild Meets In Home Of Mrs. Conley Ward

The Misph Guild of the Presbyterian Church met Monday Dec. 5, in the home of Mrs. Conley Ward and Miss Mary Noel. The meeting was called to order by Mrs. Mills Roberts, president. Mrs. Mills Roberts, Mrs. Courtney Denny gave a report on "Love."

Following roll call and the business session, Mrs. Carl Harrison presented the last chapter of the book of the Ages. Mrs. Wright gave the lesson on "Missions."

The meeting closed with the benediction recited in unison by the members.

During the social hour, refreshments were served to the following: Sue Avery, Emma Boodie Grundy, Minnie Ruth Harrison, Ora Denzilma Leslie, Agnes Neison, Power, Ila Roberts, Moore and the hostesses, Mrs. Conley Ward and Mary Noel.

TO OBSERVE GOLDEN WEDDING ANNIVERSARY—Mr and Mrs. M. A. Wiley of Lakeview will observe their Golden Wedding Anniversary with open house on Sunday, Dec. 11 from 2 to 4 p. m. Friends of the couple are invited to call at their country home two miles north of Lakeview during these hours. Hosts for the occasion will be their children, Cecil Wiley of Concord, Calif., J. W. Wiley of Santa Anna, Calif., Rolan Wiley of Tucson, Ariz., Vernie and Galen Wiley of Fort Worth, Leo and Troy Wiley of Amarillo and Mrs. Neil Smith of Morton. Mr. and Mrs. Wiley were married Dec. 11, 1910 in Eddy, Texas in Falls Co. They have lived in Hall County since 1913.

Members of Delta Kappa Gamma Enjoy Meal

Members of the Gamma Kappa Chapter of Delta Kappa Gamma enjoyed a Christmas luncheon at the community building in Wellington at 12 o'clock Saturday, Dec. 3. Hostesses for the social were Bonnie Willis, Ozetta Rainey, Sara Jones and L. C. Sweatt, all of Wellington.

Anna Mae Foster, president, presided.

The program theme for the day

was "Religious Concepts and Philosophies." Velma Weaver offered prayer. She then sang two songs, "Song at Christmas," composed by Esta McElrath, and "Birthday of the King," accompanied by Fay Pinkerton.

A film, "Man and His Cultures," was shown under the direction of Maudie V. Coffee, Myrtle Hill and Betty Welch.

The entire chapter enjoyed singing Christmas carols and the Delta Kappa Gamma song.

Gifts were exchanged from a beautifully decorated Christmas tree, with Ozette Rainey serving as Santa.

Attending the meeting from Hall County were Anna Mae Foster, Zady Belle Walker, Audrey Tribble, Esta McElrath, Tops Gilreath, Alma Bruce and Reba Stroehle.

NEW HELP FOR HARD OF HEARING

Estelline, Wellington Win Lakeview Tourney

By BILL COMBS

In a close game which brought basketball fans to their feet time after time last Saturday night in the finals of the Lakeview tournament, Jerry Stephens of Estelline made a jump shot with only seconds left, to give his team the

championship.

The Quitaque boys trailed by seven points at the end of the half, but came back strong in the third period to lead their opponents 29-28.

The Estelline boys were able to dominate rebounds on both boards until the third quarter when Quitaque started doing a good job in snatching the ball.

Sammy Johnson of Quitaque was the game's high scorer, racking up 14 points of his team's total of 39. However, Jerry Stephens was running a close second with 13 points of the total of 40 amassed by his teammates. Paul Corona scored 10 and Mike Davidson 9 points for the Bear Cubs. James Starkey of Quitaque scored 9 points.

Wellington vs. Lakeview

In the finals of the girls bracket, the Wellington girls were awarded first place trophy while Lakeview girls took the second place award. The final score was Wellington 59, Lakeview 48.

The scrapping Lakeview girls squad was in the game all the way despite the definite height handicap. To obtain the ball on rebounds, the Lakeview girls often fouled, and Wellington's Betty Sanders, Sherry Gibbs and Sharon Campbell picked up 18 points for their team from the free throw line. The Lakeview girls only scored six points from the free throw line.

The Skyrickette squad also dominated the tie-ball jumps, due to their superior height, and the Lakeview girls had to hustle to get what rebounds they did.

Betty Sanders and Sharon Campbell of Wellington were the game's high scorers with 24 points each. Sandy Verden and Karen Clements both scored 17 points, while Winnie Neighbors made 14 points, for Lakeview.

Consolation Finals

The Memphis Cyclone boys and girls won both the consolation trophies.

The Cyclonette played the Estelline girls team for consolation finals. The Memphis team won by a score of 37 to 22.

Carleen Harrison of Memphis was the game's high scorer with

the game's high scorer with 24 points.

Hall County 4-H Club Achievement Day Is Held At Lions Club Meeting

The 1960 Hall County 4-H Club Achievement Day was held last Wednesday at the regular noon luncheon of the Memphis Lions Club.

Forty-one members of the club were recognized and 23 members were present to receive their awards.

Those present and receiving awards included: Denny Fuston who received a \$65 gold watch from Elmont Branigan for outstanding work as well as the leadership award; Clenton Pierce, meat animal and soil and water conservation awards as well as being the Gold Star Boy for 1960; Johnny Fuston, tractor program, leadership and beef awards; Paula Gentry, achievement and meat animal awards; Gary Gentry, tractor program award; Mike Widener, public speaking and beef awards; Carl Houston, achievement award.

Robert Maddox, safety and achievement awards; Sam Houston, meat animal award; Mike Branigan, meat animal award; Johnny Edwards, leadership award; Michael Lee Cox, national field crops and soil and water conservation awards; Elmonette Branigan, the achievement award.

Bobbie Lacy, leadership; Jerry Lacy, swine; Don Lyles, leader-

ship; Larry Moore, garden and swine; Jerry Moss, swine; Glenda Bruce, safety; Mark Phillips, swine; Perry Ray Thomas, achievement; Chris Clemons, dairy; Jackie Ray Blum, achievement.

Those recognized but not present included:

Roy Alvin Molloy, national achievement and electric program; Jimmy Don Molloy, achievement; Tony Molloy, health and electric program; Ronnie George, safety and achievement; Donald Wayne Widener, achievement, tractor and safety; Sharon Fuston, poultry and gardening, and Gold Star Girl for 1960; Billy Don Lane, leadership; Jodie Rapp, beef; Jerry Lane, gardening and tractor program; Jerry Johnson, beef; Don House, achievement.

Don Turner, achievement; Nancy Jean Rea, meat animal; Danny Longbine, achievement; Sara Holland, poultry; Mike House, safety; Darrell Fuston, farm and home safety; and Dana Gibson, leadership.

A short history of 4-H Club achievements were given by W. B. Hooser, county agent.

Hall County Soil Conservation District News

OUR SOIL ★ OUR STRENGTH

By CHARLIE CAPE
County Conservationist

If you are having conservation problems with your cropland or rangeland and could use cost-share help, why don't you check into the Great Plains Conservation Program? If you have some land that you want to return to permanent grass, a cross fence for the pasture, brush control, or more livestock water, the Great Plains Conservation Program will cost-share from 50 to 80 per cent the cost of installing these practices.

The Great Plains Conservation Program is a voluntary one. Its aim is a complete soil and water conservation plan for the farm or ranch. Your local Soil Conservation Service personnel will assist you in working out a soil and water conservation plan for your farm or ranch. When a suitable agreement is worked out the farmer or rancher can enter into an agreement with the Secretary of Agriculture where the necessary funds for carrying out the contract are obligated. A time schedule is worked out for each con-

CottonQuiz

HOW DOES COTTON HELP IRRIGATE CROPS?

COTTON IRRIGATION HOSE CARRIES WATER TO DRY FIELDS.

servation practice that is to be applied. This contract guarantees cost sharing to complete the conservation plan. The contract can be modified to meet the changing conditions. The minimum contract period is three years, the maximum is 10 years.

The Great Plains Conservation Program is geared to the going program of the Hall County Soil Conservation District. It makes use of help from other programs, agencies, and organizations.

Your local county agent, SCS,

Parnell Club Meets in Regular Session Wednesday

The Parnell Club met Wednesday, Nov. 30, with 11 members in attendance. One visitor, Nettie Lee Tipton, was also present.

LaWayne Boney offered the opening prayer after which mem-

bers responded to roll call with "Our Hardest Job."

Members reported 20 sick visits.

During the business session officers were elected and included the following: Lawayne Boney, president; Dorothea Braidfoot, vice president; Leona Burk, secretary, and Sal Couch, reporter.

Cordye Hood offered the closing prayer.

Present were the following members: Lucile Cope, Lena Hill, Myrtle Dunn, LaWayne Boney, Doris Bruce, Lottie Buchanan, Nelda Ferrel, Sal Couch, Anna Bell Boney, Nell Burk, Cordye Hood and one guest, Mrs. Tipton.

Mr. and Mrs. Matt Ward of Gilmer visited this week in the home of Mr. and Mrs. Billy Thompson and family.

Mr. and Mrs. Gordon D. Maddox of Lubbock spent the week-

end with their parents, Mr. and Mrs. Gordon Maddox and Mrs. Lonnie Widener.

Mr. and Mrs. P. Hilda of Little Rock, Ark., visited the past weekend.

Walls, Ted J. Wheeler Rites Nov. 19

MRS. TED WHEELER

Bonnie Walls, daughter of Collette Jones of Guymon, and Ted J. Wheeler, son of Mr. J. Wheeler, were united in marriage Saturday, Nov. 19, in a church of Christ in Guymon.

W. K. Hollifield, Former Memphian, Dies In Dumas

Funeral services for Walter K. Hollifield, 87, were held at 10 a. m. Saturday, Nov. 26 in the First Baptist Church in Dumas.

Interment was in Fairview Cemetery at 3 p. m. Saturday under the direction of Boxwell Funeral Home.

A former Memphis resident, Mr. Hollifield died Wednesday in Dumas Memorial Hospital following an extended illness.

He had lived in the Texas Panhandle and Eastern New Mexico areas since coming to Memphis in 1891 from Black Springs, Ark., where he was born Nov. 18, 1873. He was engaged in the mercantile business at Memphis and at Melrose, N. M., for a number of years, and was an employee of Shamrock Oil and Gas Co. at Dumas for five years prior to his retirement.

He is survived by his wife, Mrs. Julia Hollifield; two sons, Grady Hollifield of Dumas and Wright Hollifield of Houston; five grandchildren and three great-grandchildren.

Mr. and Mrs. Dwight Kinard and Kelly of Abilene visited over the weekend with his mother, Mrs. D. L. C. Kinard.

Estelline FFA, FHA Chapters Select Favorites

Laynette Seay has been selected as Sweetheart of the Estelline Chapter of Future Farmers of America, and Paul Corona has been named as FHA Heartthrob by the Estelline Chapter of Future Homemakers of America, it was announced this week.

Laynette is a popular member of the senior class of Estelline High School. She is serving as manager of the girls basketball team this year and participates in tennis and volleyball. She is a member of the pep squad and the FHA Chapter. Miss Seay served as vice president of the FHA chapter last year and received the Culture Club award and the Crisco award for the most outstanding girl in home economics.

She will represent the Estelline Chapter at the district meeting in Wellington later in the year as their nominee for District FFA Sweetheart.

Paul is a captain of the 1960 Bearcub football team and has lettered for four years. Last year he was selected on the all-regional football team, and was selected on the all-district team this year. He also participates in basketball, volleyball, tennis, track and the FFA. He is now serving as reporter of the FFA Chapter.

Mrs. Emma Rodgers, a former resident of Estelline, is seriously ill in Northwest Texas Hospital, according to her daughter, Mrs. Genevieve Panion. Among her children who have visited her recently in Amarillo are Thomas D. Rodgers of Lynwood, Calif., Morris C. Rodgers of El Paso, and a grandson, Bob Clich, who is serving with the AFB medical at Albany, Ga.

Report From Washington

Representative, 18th Congressional District By WALTER ROGERS

DEAR SANTA

Dear Santa Claus: It hardly seems possible that Christmas is here again, but the calendar reminds me that you will be making your annual trip in a very short time. In fact, we don't really need a calendar to remind us any more, because the department stores start mentioning it around Halloween.

I was just thinking how different my letters to you are than they used to be. As I remember, the things I asked you for (and which you nearly always remembered to bring me) were things that I was thrilled to have, but deep down I always knew that were things I could do without. This year I am really hopeful that you can see your way clear to bring us some things which are really necessary for us to keep going.

One thing we would like to have very much is some foreign aid. We have sent some of this as gifts several times, but there doesn't seem to be any for domestic consumption. It occurred to me you might have some at the North Pole.

Another thing which we used to have a lot of but can't seem to locate these days is a supply of States' rights. We are not asking for a large supply because we don't want to appear selfish. In fact, they don't even have to be brand new; we would be tickled with some used ones.

When I started writing this letter, my wife told me she wanted me to ask you for a few fringe benefits or a few travelers checks, or anything else you might have which would help balance the

household budget. She has already changed her mind, however, and would like instead a new arithmetic book — one of those kind which everybody seems to be using these days to balance their budget, no matter their income.

I don't know what sizes they come in, but it would be nice if you could bring us a little package of debt reductions. I would be happy with the size that would fit into my wallet, and my wife would be delighted with the handbag size. Come to think of it, those are the two places we need it most anyhow.

We could use a lot of things, but I don't want to make this letter too long because I know you have so many requests from all over the world. I know you have more calls for this from folks everywhere than for any other single thing, but I can't close this letter without telling you that we want it too more

than anything else and, as you have probably already suspected, it is true world peace. I do hope that you will dispense it generously on Christmas Eve.

My neighbor just dropped by to take my order for a Christmas tree. When I told him what I was asking you for, he reminded me of something with which I wholeheartedly agree, after due reflection. It was that you can't bring us any of these things we have asked for, even though you are a kind and wonderful fellow. He says the only way we will realize these desires is to really pitch in and work for them. My wife also agrees, and we have decided we

are going to do just that. Since we hope to get these things otherwise, there really isn't much need of mailing you this letter, but I am going to anyhow. You will hear from us again next year if we can still afford the postage. We wish you and Mrs. Claus a Merry Christmas, and you can certainly expect your usual fruitcake and coffee when you visit our children on Christmas Eve.

Yours very truly, J. Americus Jones

Mr. and Mrs. Jay Sheppard of Amarillo were weekend visitors in the home of Mrs. Bess Crump.

ONE-STOP SHOPPING FOR A NEW CAR at your Chevrolet dealer's!

Now you can make your car-shopping rounds the easy way—all under one roof! For '61 your Chevrolet dealer offers nearly any type of car you could want—at the kind of price that'll make you want it all the more. There's a whole new crop of Chevy Corvairs with lower priced sedans and coupes and four wonderful new wagons unlike any ever built before in the land. There are new Chevy Biscaynes—the lowest priced full-size Chevrolets, beautiful Bel Airs, elegant Impalas, six easier loading Chevy wagons, including three 9-passenger models. Come in and pick and choose to your heart's content!

New '61 Chevrolet NOMAD 9-PASSENGER STATION WAGON

There are six easier loading Chevrolet wagons for '61—ranging from budget-pleasing Brookwoods to luxurious Nomads. Each has a cave-sized cargo opening measuring almost five feet across and a concealed compartment for stowing valuables (with an optional extra-cost lock).

New '61 Chevrolet IMPALA 2-DOOR SEDAN

Here's a new measure of elegance from the most elegant Chevrolets of all. There's a full line of five Impalas—each with sensible new dimensions right back to an easier-to-pack trunk that loads down at bumper level and lets you pile baggage 15% higher.

New lower priced '61 CORVAIR 700 CLUB COUPE

There's a whole crew of new Chevy Corvairs for '61—polished and perfected to bring you spunk, space and savings. Lower priced sedans and coupes offer nearly 12% more room under the hood for your luggage—and you can also choose from four new family-lovin' wagons.

New '61 Chevrolet BEL AIR SPORT SEDAN

Beautiful Bel Airs, priced just above the thriftiest full-size Chevies, bring you newness you can use: larger door openings, higher easy-chair seats, more leg room in front, more foot room in the rear, all wrapped up in parkable new outside dimensions.

New '61 Chevrolet 4-DOOR BISCAYNE 6

NOW—BIG-CAR COMFORT AT SMALL-CAR PRICES—Chevy's new Biscaynes, 6 or V8, are built to save in a big way. They offer a full measure of Chevrolet quality, roominess and proved performance, yet they are priced right down with many cars that give you a lot less.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

Troop 34 Scouts Go To Texarkana After Yule Trees

Ten Boy Scouts of Troop 34 will leave Friday evening for Texarkana for a load of Christmas trees.

The Scouts will cut the pine trees themselves from the East Texas pine forest.

They are planning to stop in Childress to see the Stinnett-Albany football game, and will stay at the Scout campsite in Texarkana.

They will return Sunday evening with a trailer load of Christmas trees which will be put on sale by the Scouts Monday.

Supervising the trip will be Roy Carrin, Charlie Johnson and Scoutmaster Al Chappell.

Scouts planning to go on the

trip include: Larry Wynn, John Lemons, Billy Ed Thompson, Jerry Lebow, Jack Stargel, James Elkins, Mickey Daugherty, James Waites, Albert Ray Stone, R. B. Spruill.

The polling places will be open from 8 a. m. to 6 p. m.

DENNY FUSTON

Denny Fuston Is Winner Of \$65 Branigan Watch

Denny Fuston was the recipient of a \$65 gold watch at the annual Hall County 4-H Club Achievement day program last Wednesday at the Lions Club luncheon. The watch was presented to Fuston by Elmont Branigan, owner of Branigan Jewelry, for his outstanding club work.

Denny made the Hall County judging team that won sweepstakes at the Greenbelt Show, first at Wichita Falls, and seventh at A and M. He has won a Sears gift, and three trips to 4-H District Encampment. He has been Gold Star Boy and served as president of his club in 1958.

He has taken many first places with his animals in area shows, winning grand champion female honors in the Hall County Show, and grand champion at the Amarillo Show in 1959. He won reserve champion showmanship in the county show in 1960.

In the Greenbelt Show, he won first with a junior Heifer and reserve champion female over all breeds in 1960.

Mr. and Mrs. H. A. Hodges had as guests in their home Sunday Mr. and Mrs. A. D. Mayne and Mr. and Mrs. O. T. Lindsey and Harold Lindsey of Logbock; Mr. and Mrs. T. R. Chastain, Gayle and Cindy of Denton; Mr. and Mrs. Jake Harris, Eddie and Melinda of Edmonson; Mr. and Mrs. H. B. Marks and Dorothy Hodges of Memphis; Robert Hodges and Deborah Hodges of Lakeview.

Clinton Pierce Is County 4-H Club Gold Star Boy

Clinton Pierce of Lakeview, 14-year-old son of Mr. and Mrs. George Pierce, won his Gold Star Award primarily on his work with swine and beef calves.

He is a tenth grader at Lakeview High School and a member of the Lakeview 4-H Club for the past five years. His club has honored him by elevating him to vice president and reporter.

Clinton takes part in all church and school activities in his community.

He is feeding two Hereford beef calves and five registered Duroc hogs. He assists his father in farming cotton, grain sorghum, alfalfa and sweet sorghum.

"Clinton puts forth the type of effort that always leads to success, and he is a worthwhile boy," W. B. Hooser, county agriculture agent, stated.

His achievements in 4-H Club work include: winning Sears gift in 1957, 1958, 1959 and 1960; vice president and reporter of his club; won second in County Sears Show in 1958 and 1959; won fourth in area heavy litter contest; owns a herd of registered Duroc hogs and two Hereford steers.

Good Health is Priceless

WE HELP YOU KEEP IT!

Your Pharmacist Studies to Keep Abreast of Science

Like your doctor, your pharmacist puts in years of study to obtain his license. Then he continues his studies to keep up with the latest scientific discoveries. Pharmacists are the only licensed professionals that sell drugs, vitamins, as well as fill prescriptions!
