LXXI \*\*\* NMN SERVICE \*\*\* MEMPHIS, HALL COUNTY, TEXAS, THURSDAY AFTERNOON, JANUARY 25, 1962 \*\*\* TEN CENTS \*\*\* NUMBER 36

## Two and Two Pattern Can Be Used With 1962 Cotton

Hall County cotton farmers will be able to plant two rows in and two rows out this year with only the land actually used for the cotton being counted against their acreage requirement, Lynn McKown, manager of the Agricultural Stabilization and Conservation Service office here announced this week.

Secretary of Agriculture Orville L. Freeman recently announced the change.

The support price for cotton, which was also announced recently, will be the same as last year, 31.88 cents per pound.

Under regulations for 1961 and earlier crops, skip-row cotton planting was permitted provided the skips left idle or planted to other crops were equal in width to the four rows of cotton. If the skip rows were any narrower, the entire acreage was counted as planted to cotton for acreage allotment and marketing quota purposes. Under this arrangement many growers planted a four-and-four pattern—four rows to cotton and four left idle or planted to other crops.

The change, Secretary Freeman said, will provide the cotton grower with more latitude in planning and carrying out his operations. Under the new system, only land actually planted to cotton will be counted as cotton land in determining compliance with acreage allotments and marketing quotas. Each grower will determine for himself the pattern best suited to his operation. It is expected that many will shift to a two-and-two pattern, that is, two rows of cotton and two rows left idle or planted to other crops.

It was also pointed out that since history is vital on all crops, that farmers should investigate. (Continued on Page Twelve)

## Wednesday Is Last Day To Purchase Poll Tax

Poll tax sales continued in the county this week with the deadline for paying being Wednesday, Jan. 31.

Mrs. W. C. Anderson, county tax assessor-collector, estimated that about 1200 poll taxes had been paid through Tuesday.

All residents are urged to purchase a poll tax before the deadline Wednesday.

Poll taxes may be purchased at the office of the tax assessor-col-

lector at the court house or at the business office of the General Telephone Company here in Memphis.

At Turkey they may be purchased at the office of Bill Lane or Ferguson Insurance Agency.

The poll tax will be more important this year than in some years, since this is a regular election year, it was explained. Here in the county there are races for County Judge, County and Dis-

trict Clerk, County Treasurer, County Superintendent, Commissioners and Justices of the Peace.

In addition to this there will be district-wide and state-wide races. Here in Memphis, 148 city poll taxes have been paid, according to Glen Carlos, city tax assessor-collector. Last year there were a total of 180 poll taxes paid in the city. Only men are required to have the city poll tax. Voters in the city will elect four aldermen.

## ASC Handbook Provided By Two Memphis Banks

Recently Hall County farmers received their 1962 Agricultural Conservation Practices handbooks through the courtesy of the First National Bank and First State Bank of Memphis.

These two Memphis banks have paid for the publication of the books for the past 16 consecutive years, setting something of a record in the way of service to their rural customers.

Included in the handbook are the various conservation practices which are applicable to this coun-

ty, Lynn McKown, manager of the Agricultural Stabilization and Conservation Service office here, explained.

The practices are therein presented in a compact form so that the farmers will have them available for reference throughout the year. Also included are the various rates of payment for the practices as well as the specifications which must be met.

McKown stated that anyone who failed to receive a book could pick up another at the ASC office.

### Communist Home Trouble

The world troubles continued on their same course, but at a decreased rate during the past weeks, with diplomats sensing a certain unsettled attitude among the diplomats of the Soviet Union. The real meaning of this cannot be pinpointed yet, however, several theories have been advanced.

One theory is that the continued break with the Red Chinese has gone on to cause a break inside the Soviet leadership itself, due to the two ideas of dealing with the Chinese. One of these is the idea of putting pressure on the Chinese in order to bring them into submission, as has been done in the past.

The other group in the Kremlin believed that Khrushchev is being too easy on the West and should solve his Red Chinese problem by taking the initiative in the drive to make all the world Communist.

At present most observers believe that Khrushchev has the support of the majority of the high Communist party leaders. However, this isn't to be taken as an overall approval for the policy of being "soft" on the Berlin issue and other such questions. It seems that Khrushchev is in favor of easing tension with the West, of providing more consumer goods inside Russia, and in favor of keeping his military strong enough to scare us but not to actually conquer us. His real war with us will probably be on the economic front and in the infiltration of other countries, take-over from within.

On the other hand there is the old Stalinist-Leninist group which doesn't think that there is any such thing as "peaceful coexistence" between the Communist and other systems of government. They believe that the economy of Russia should be diverted as much as possible to the production of arms and other materials needed for the economic, and, if necessary, the actual war. These two deep differences in basic theory are probably the real reason for the Communist quietness of the past several months. Several U. S. observers have stated that it seems that most of the Soviet diplomats have been just marking time lately, to just wait a while and see which line of action they should take in the future.

For the most part, this basic difference in the Communist theory has always been present. During the last several years a lot more of the Communist officials have been able to see more of the world and to actually see what has been happening in the West as to the production of consumer goods, etc. This may have, in an indirect way, brought about a deeper widening of the rift between Leninists and new day Communists.

These various happenings may explain the reason that Khrushchev has not made any major policy speeches in the past several weeks. This would also explain why the 175 members of the Central Committee of the Russian Communist Party have not been attending social receptions lately. They are all busy with problems inside their own party and until they have them solved, they do not plan to be out in public espousing the party line — at least until they know which party line is the official one.

All of this will bear watching in the months to come, especially in view of the fact that it affects every one of us in the pocket book as well as our personal lives.

What Other Editors Say

### The Cost of A Good Woman

You know, boys, we may have a good thing going and not know it. I was thinking the other day of the worth of a woman. What's a good wife worth? I began to add the chores a competent housewife performs. Then I translated all that into the cost if we had to hire the work done. Know what I found out? (Well, take this paper away from your spouse. She won't be fit to live with if she reads it.) I found out she's worth roughly \$1,000 a month, sack and all. If we hired a woman to clean the house each day, it would set us back some \$8 to \$10. That would come to \$60 or \$70 a week. Then if we leased a competent, adult baby-sitter, on a 24-hour basis, it would amount to, at 50 cents an hour, \$12 a day, or \$84 a week, or \$336 a month. That means that cleaning house and baby-sitting alone would cost \$586 a month. But that ain't all. A launderer would nip us for another \$50 to \$75 a month. A cook would nick us for maybe \$50 a week, or \$200 a month. Add all that up and it comes to about a grand a month just in manual labor. And if she joined a union, we probably couldn't afford to hire her at all! (Now, I don't want this to get out. I was just thinking...)

Obviously, there are a lot of fringe benefits I haven't mentioned — little services the spouse performs that, should we buy on the open market, might add substantially to the already huge value of her performances. She does, for instance, feed the animals, act as plumber and carpenter, chauffeur, hostess and psychiatrist.

Thinking it over, I have about decided our marriage certificate is the best bargain on the market. (I'm sorry all this occurred to me — it is sorta frightening to contemplate. And I'll forget it if you will.)

### Television Trickery

The Federal Trade Commission issued a recent ruling about trickery before the television camera and intends to enforce its ruling on this weighty problem just as avidly as do agents of fellow agencies in peddling out weevils in the cornmeal and air in the light bread.

This latest ruling has to do with the truth of commercials. In particular, the FTC learned that a shaving cream company had a commercial showing their product softening up sandpaper until a razor whisked the sand right off the paper.

The FTC tried this and failed to come up with the same results. Upon investigation, it was learned that the company used a piece of plexiglass instead of paper and sprinkled sand on this instead of having sand glued on the paper.

We can see this would make a difference. Now that this area has been taken care of, we would like to see the FTC speak to the boys who produce the commercials where we get a close-up looking at underarms, and a hard sell about deodorants; the companies who have these little hammers and forked lightning in a poor man's skull; the ladies who always seem so surprised when they lift the

towel and find their clothes have been washed in a certain laundry powder while the dingy clothes were washed in another washday product; the man who stands up and lets them drive a golf ball at him only to learn that he is protected by an "invisible shield." There's a great deal of improvement to be done in television commercials. Of course, these com-

mercials seem to be selling merchandise and perhaps that is the final test, after all.

### Team Work is Emerging

The change is coming about through the co-operation of the various nations affected, Germany, France, Italy, The Netherlands, and others we cannot name for the moment. And Britain, seeing the handwriting, is joining up, according to most recent reports.

In a general business way the result will be a union of these countries so that their business people can trade as freely among themselves as two American states

Ford frees you forever  
from the expense and bother  
of frequent car servicing.  
Twice-a-year maintenance is here—  
and only the cars from Ford  
have it!

In a new Ford Galaxie or Fairlane, the odometer rolls off a long 6,000 miles between every service stop. Compare this with other '62 cars and here's what you'll find: many cars still have to check in for service every 1,000 miles; some every 2,000 miles; others every 4,000 miles. Only the cars from Ford need service only twice a year, or every 6,000 miles.

When you own a '62 Galaxie or Fairlane, you don't have to drive with one eye on the odometer to make sure you're not forgetting an oil change or a grease job or other servicing. Ford's twice-a-year maintenance saves you time, saves you money. Just one stop every 6,000 miles takes care of servicing. You'll go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications, 2 years or 30,000 miles without changing engine coolant-antifreeze. Brakes adjust themselves.

## Solvejg Bager Speaks To Delphian Club

Mrs. C. D. Keith, president of the Delphian Club, presided at the regular meeting on Tuesday, Jan. 16, in the home of Mrs. Mildred Stephens, with Mrs. J. W. Stokes as co-hostess. The meeting was called to order with club members being led in a moment of silent prayer, followed by the Pledge of Allegiance.

Mrs. Lynn McKown read greetings from Mrs. Philip Carpenter, District Federation president, and to remind club members of convention to be at Childress, April 12 and 13.

The club selected two members as outstanding: Mrs. C. D. Morris as Teacher of the Year, and Mrs. Mildred Stephens for Leadership Development. They will be entered in District TFWC competition.

The meditation for the day, taken from Revelation 21:1-4, "God Has a Plan," was the topic chosen by Mrs. Stephens, who said, "Ever since the beginning of time God has been working out a plan. This plan is to draw all the people of the earth into a community of love . . . first of all love of God, and second, love one for another."

"It will take a long time to work out this plan, because God does not force anyone to love him. He waits until we choose to obey his laws and to offer our lives to his service. Jesus came to help us understand God's plan and to explain that the community God hopes to accomplish is a community of spirits or love. God needs each of us to help him complete his plans."

"Our district president, Mrs. Carpenter, has said, 'Better is the end of a thing, than its beginning,' and I am sure we will strive for higher goals. It isn't what we were yesterday, but what we are today that counts. The best of life is always ahead, always further on," Mrs. Stephens concluded.

Mrs. Clyde Smith introduced the program on "Council of International Clubs" with the quotation, "He who helps a child helps humanity."

Mrs. Smith introduced the guest speaker, Miss Solvejg Bager, foreign student from Denmark.

Miss Bager used the title, "How a Child is Raised in Denmark," saying, "I was baptized at age one month and given the name of 'Sunbeam' by my mother. In Den-

mark the God-mother feels great responsibility for her God-child. At the age of 13 or 14, after one year of preparation, one is confirmed into the state church, if that is the church of one's choice. The Bible is taught in all schools.

"I must tell you at the bright old age of four, I decided to fit the key into the lock and run away from home, just to see what this wide cruel world had to offer. I got just 20 blocks from home when I was apprehended by a policeman; my family had already discovered my disappearance, but I was very unhappy to leave the company of the policeman."

"At age five I started to study the ballet. My mother felt it quite necessary to make me graceful, for seven years. I cannot say that I enjoyed the ballet all the time. The practice got in the way of some of my reading time."

"In the fifth grade something wonderful happened to me—I started studying foreign language—English. I had heard of the foreign student program and I looked forward to some day trying out for it."

"Religion is free, or, that is, you have the freedom of worship as you do in America. Even there is a state religion."

"Are there any questions you would like to ask me?" she asked. She replied to some of the questions as follows:

"In Denmark there are not as many cars as in America; so, after school we go home to chores and studying. Hand is taught but must be extra curricular—outside school hours. A committee makes plans for class party once a month. I plan to attend the University of Copenhagen and further study to become a doctor."

Solvejg concluded her talk by summarizing what she has gained from her brief stay in America. She said the greatest thing she had learned is tolerance.

Lovely refreshments were served by Mrs. Stephens and Mrs. Stokes to the following members: Mrs. Keith, Mrs. McKown, Mrs. Smith, Mrs. W. C. Dickey, Mrs. Joe Allen Ballard, Mrs. Henry Hays, Mrs. R. H. Wherry, Mrs. Joe L. Mothershed, Miss Maud Milam, Mrs. Sim Goodall, Mrs. Morris, Mrs. Bob Fowler, Mrs. J. L. Barnes and Miss Bager.

## Woman's Council Meets For Study In Odom Home

The Woman's Council of the Christian Church met for study at 3 p. m. Monday, Jan. 15, in the home of Mrs. A. A. Odom.

The study for the afternoon was "Along Primitive Paths, Burma and Thailand." Mrs. Bill Maddox was leader for the study.

The group sang "Send The Light" after which Mrs. Grover Kesterson led in prayer.

Mrs. Exerett Stevens gave the devotional, "An Helmet, the Hope of Salvation" taken from First Thessalonians 5:8 and Ephesians 6:10. Mrs. Clyde Milam gave a paper on "The Morse Family in Burma" and Mrs. E. E. Roberts told about the work Dorothy Sterling is doing in Thailand. Mrs. Herb Curry told about the David Filbeck family.

The song, "Rescue the Perishing" and the Missionary benediction concluded the study.

A delicious refreshment plate was served to Mmes. J. A. Odom, J. W. Stokes, Everett Stevens, Harry Aspreen, Clyde Milam, Grover Kesterson, Herb Curry, E. E. Roberts, Howard Randal, Bill Maddox, and hostess Mrs. Odom. One guest, little Miss Lida Beth Randal, was present.

The next meeting is slated for February 19 at 3 p. m. in the home of Mrs. Howard Randal.

## Tribble Home Is Scene For Birthday Party

A neighborhood dinner party on Tuesday evening of last week complimented Mrs. Les Sims, Homer Tribble and Dr. Jack L. Rose, all of whom celebrated birthdays in January. The surprise dinner was held in the home of Mr. and Mrs. Homer Tribble.

Enjoying the dinner and later games of forty-two were the following: Mr. and Mrs. Les Sims and family, Mr. and Mrs. E. L. McQueen, Mr. and Mrs. J. W. Coppedge and daughter, Mrs. Ora Denny, Mrs. Gladys Power and hostess, Mr. and Mrs. Tribble and sons.

## Clark Home Is Scene For Mary Martha Social

The Mary Martha Sunday School Class of the First Baptist Church met in the home of Mrs. R. E. Clark for the monthly class party on Tuesday evening, Jan. 16. Co-hostess for the social were Mrs. T. J. Bridges, Mrs. Ida Hutcherson and Mrs. J. R. Saunders.

The meeting opened with prayer by Mrs. Lloyd Phillips after which Mrs. T. E. Barrett brought a most inspiring devotional. Mrs. J. W. Fitzjarrald offered prayer. Mrs. Henry Scott, president, had charge of the business session. Mrs. Leonard Wilson, secretary, read the minutes of the last meeting and reports were given by Group leaders, Mrs. A. J. Fowler, Mrs. H. H. Lindsey, Mrs. W. M. Cofer.

Mrs. J. W. Smith, benevolence chairman, gave a report.

The president introduced the program in the absence of Mrs. Ed McMurry, who is ill and conducted the social hour.

Mrs. Emma Baskerville played two piano selections, and Mrs. Cliff Pederson sang a solo accompanied by Mrs. Fern Miller.

Mrs. D. L. C. Kinard led the group in a sing-song which was enjoyed by the members. The closing prayer was given by Mrs. Omer Hill.

A delicious plate was served consisting of cherry pie, whipped cream and coffee.

Members and guests enjoying the social were Mmes. A. J. Fowler, J. W. Smith, Ottie Jones, H. H. Lindsey, Allie Caviness, Sim Reeves, W. M. Cofer, Henry Scott, Leonard Wilson, T. J. Bridges, members and Mmes. Omer Hill, D. L. C. Kinard, Bill Billington, L. E. Barrett, J. W. Fitzjarrald, Cliff Pederson, Fern Miller, Lloyd Phillips, Emma Baskerville, guests and hostess, Mrs. Clark.

Miss Karen Rose accompanied Carleen Harrison home from West Texas State College to spend the weekend here with Carleen's mother, Mrs. Carl Harrison. Miss Rose is a roommate of Miss Harrison.

MRS. DUANE EDWARD VERSHELDE

## Mabry-Verschelde Nuptial Vows Read in Pretty Church Service

The candlelighted sanctuary of Tell Southside Baptist Church was the scene Saturday evening of the wedding ceremony uniting Miss Wanda Jo Mabry of Canyon and Mr. Duane Edward Verschelde of Minnesota, Minn., and Canyon.

Mrs. Verschelde is the daughter of Mr. and Mrs. Truman D. Mabry of Tell and the groom is the son of Mrs. Elling Haugen of Minnesota.

Rev. Calvin Nevells read the double-ring service at 7:30 p. m. before the altar area which featured an arch covered with white carnations, green leaves and fern. Two white stands held large baskets of white mums and greenery on either side of the arch. Seven branched candelabra held white tapers. Vows were exchanged as the couple knelt on a white satin prie dieu.

Miss Arlene Key was pianist for the traditional wedding marches as the bridal party entered and departed. She also played "Ah Sweet Mystery of Life" for the pre-nuptial selection and served as accompanist for soloist, Miss Shirley Dawson, who sang, "Where Thou Goest" and the benediction, "The Lord's Prayer."

Candles were lighted by Triston Mabry, brother of the bride, and Debbie Zint of Amarillo, cousin of the bride.

The bride was escorted to the altar and presented in marriage by her father. She was beautifully gowned in full-length white Chantilly lace with re-embroidered bodice. The gown had moderated V-shaped neckline in the front and back and short re-embroidered sleeves. The bodice closed with a row of small buttons in the back and the bouffant skirt extended into a chapel length train. She wore matching lace mitts which extended to petal points over her hands and were above elbow length.

Her chapel veil was of illusion and was secured by a white velvet tiara with seed pearls, rhinestones and sequins and was designed and made by her mother. Her bouquet of frenched white carnations and baby breath surrounding an orchid was carried with a white Bible. The old-new tradition was observed in her wedding attire.

Miss Jackie Bernard of White Deer was maid of honor wearing a turquoise blue velveteen sheath with deep square neckline and three-quarter length sleeves. A flat self bow accented the front waistline. Her headpiece was a tiara of sequins and pearls holding matching blue veiling. She carried turquoise carnations secured to a styrofoam base which was covered with blue lace streamers.

Bridesmaids Miss Pat Hill of Stratford and Miss Marie Davis of Memphis were attired as was the maid of honor.

Miss Connie Hand of Canyon was flower girl and ringbearers were Wayne Zint of Tell and Joe Stelton Crain of Childress.

Dick Carter of Minnesota and Amarillo served as best man. Groomsman were Charles Anderson of Canyon and Richard Verniere of Plainview.

Mrs. Mabry attended her daughter's wedding in a suit of blue wool jersey with a small white velvet hat and black accessories. Her corsage was of white carnations.

Mr. and Mrs. Mabry were hosts

for a reception held in the church Fellowship Hall immediately following the ceremony. They were assisted in host duties by J. A. Stinnett, Mrs. Jack Cosper, Mrs. Vick Cox and Mrs. Tom Goff.

Miss Julia Browder of Canyon attended the guest register at a table covered with white lace over blue and appointed with white candles and with small vases of white rosebuds and carnations.

The bride table was handsomely covered in white lace overlaid with blue. Crystal and silver were used in the table appointments. A large arrangement of white mums was used as the centerpiece and highlight of the table was the three-tiered wedding cake in white and decorated with blue love birds holding wedding bands. Other cake decorations included white wedding bells and a bridal pair on the top tier. Mrs. Eddie Mabry and Mrs. Lloyd Arrington shared the duties of serving punch and cake.

Approximately 100 guests and family members were present for the ceremony and the reception.

Mrs. Verschelde is a 1958 graduate of Estelline schools and has completed her studies in West Texas College where she will receive her BS degree in May. The groom is a graduate of Minnesota schools and has completed his service with the Air Force. He is associated with a steel construction company in Amarillo. Following their wedding trip the couple will make their home in Canyon.

For her travel costume the bride chose a wool suit of nutmeg brown with fitted jacket and three-quarter sleeves. Her bag and shoes were of brown alligator.

Out-of-town guest included Mr. and Mrs. Perry Lambert of Brice; Pvt. and Mrs. Eddie Mabry of Killeen; and Mrs. Edwin Zint of Amarillo; Mr. and Mrs. J. J. Hunter of Lakeview; Mrs. Doris Gilliam, Mr. and Mrs. Faye Hand, Mr. and Mrs. Gene Elton, Mr. and Mrs. Jack Barnard, all of Canyon; Mr. and Mrs. Floyd Mabry, Mrs. T. Z. Zint and Mrs. Essie Bumpas, all of Estelline.

## Mrs. J. N. Helm, Jr. Hostess to Bridge Club Members

Mrs. J. N. Helm, Jr., was hostess to members of the Bridge Club on Wednesday, Jan. 17.

Pecan pie, coffee, iced tea and cokes were served as soon as the guests arrived. Dips and drinks were enjoyed throughout the evening.

At the conclusion of the games of bridge, high score was awarded to Mrs. Josie Hutchins; second high to Mrs. J. A. Ballard, and traveling to Mrs. Ralph Williams.

Those attending were Mmes. Gerald Fowler, Josie Hutchins, Joe Bob Nivens, Jack Kinard, Walter Whaley, Joe Allen Ballard, Leon Helm, George Helm and R. V. Woods, members. Guests included Mmes. Allen Dunbar, David Aronofsky, Gayle Monzingo, Gerald Hickey, Ralph Williams, Gerald Smith and Lance Leggett, all of Memphis.

### Local Jehovah's Witnesses' Attend Lubbock Meeting

Jehovah's Witnesses' local meetings are being cancelled from Jan. 26 through 28 for their Texas Circuit No. 9 assembly in Lubbock.  
 The program activities for the 18-congregation circuit will be built around the theme, "Assist One Another to Do God's Will."  
 "This assembly is designed to help all age groups to assist one another; for this reason, entire families of Witnesses and good-will persons will be in attendance," Stephen E. Lane said.  
 W. R. Thomas, district supervisor from the Watch Tower Society, New York, will be chairman of the Lubbock meet to be held in Fair Park Coliseum. He will talk on the subject, "Uniting Men in a Split-up World," Sunday at 3 p. m.  
 appropriate): Remember this my fellow, be careful of what you say of a woman's character. Think how many years she has been building it, of toil and privations endured, of wounds received and let no suspicion follow her actions. The purity of woman is the salvation of the race, the hope of future greatness and the redemption of man. Without her purity man sinks beneath the wave of despair with not a star to guide his life into a channel of safety. Think before you speak and remember that the commonest swine can root up the fairest flower that ever grew.

# Memphis 1 & 1 In District Play

The Memphis Cyclone now has a one and one record in district competition, winning the game with Canadian here last Friday night and then losing to McLean there Tuesday night.

The game Friday night saw the Cyclone take the lead early in the event with the score being 23 to 13 at the end of the first quarter. The local team continued to gain ground the second quarter, leading at half 39 to 25.

After Memphis got a good lead, Canadian went into a full court press and began to nibble away at the lead until the end of the third quarter, when the score was 45 to 39, giving Memphis only a 6-point margin.

However, by the fourth quarter, the Cyclones had figured out a way to slow down the effect of the press, and went on to win 59 to 43.

Jackie Bridges was high point man for the night with 13 tallies, while Dwight Gailey and Bunky Adcock each scored 11 points.

Cole led the scoring for Canadian with 21 points.

**Tuesday's Game**

The game at McLean Tuesday night was somewhat different, with the rugged Tigers operating from their home court and being able to dominate the game.

At the end of the first quarter it looked like the game was going to be a defensive battle, with the score at 10 to 4 in favor of McLean. This trend continued during the first half with the score standing at 12 to 21, McLean, when play was resumed.

However, the Cyclone defense was loosened up in the third quarter and McLean led 52 to 26 at the end of this period. They continued to pick up speed until the final score was 47 to 26.

The Cyclone squad had some trouble early in the game due to the strange court and then in the later period, "it seemed like it was one of those nights when everything you did went wrong," Coach Bob Martin said. "Maybe we were trying too hard to win this one."

Later in the season the McLean team will journey to Memphis for the return conference match.

"We plan to play them a different match when they come down here," the coach said.

In conference play so far this season McLean has won 3 games while Memphis, Clarendon and Canadian all have one loss and one win. Lefors has lost 3 games.

The schedule for the rest of the season is as follows:

Jan. 26—Clarendon	Here
Jan. 30—Lefors	There
Feb. 5—Canadian	There
Feb. 9—McLean	Here
Feb. 12—Clarendon	There
Feb. 16—Lefors	Here

**Cyclone To Meet Clarendon Here Friday Night**

Friday night the Memphis Cyclone will meet the Clarendon Bronchos in a conference game here at the Memphis High School gymnasium.

The B squad will play at 7 p. m. with the A squad game starting about 8:15 p. m.

Next Tuesday the local team will go to Lefors for another conference game.

**NO SHOT** — Perry Wright, 10, drives in close enough for a shot last Friday night but two Canadian defenders go up in the air to keep him from shooting. Memphis went on to win the game, 30 to 43, for their first conference win this season.

## Estelline Downs Flomot Tuesday

Estelline took two games Tuesday night from Flomot as both the boys and girls picked up victories.

In the girls game, Estelline won by a score of 41 to 19 with Larna Williams sinking a total of 18 points for high.

The Estelline boys won, 56 to 31 with Teddy Jay Barnes scoring 22 points and Rolfe Wooten sinking 16.

The same night the junior high boys lost to Childress, 15 to 14, in their first loss of the season. Jodie Rapp was high point man for Estelline with 6 points.

The Estelline B squad also played Childress Tuesday night and won 36 to 22.

Friday night both of the A squad teams will play at Quitaque, and Thursday night the Turkey junior high boys and girls teams will play at Estelline.

## Cyclone Downs Dodson 54 to 52 Last Thursday

In a game last Thursday night at Dodson the Memphis Cyclone brought home a 52 to 54 victory by scoring in the last five seconds of the event.

At the end of the first quarter the score was 9 to 14 in favor of Dodson. The Cyclone was still behind at the half, 21 to 29. At the end of the third quarter Memphis still trailed by 33 to 42. Then in the last quarter the local team put on the pressure and sank 21 points to win 54 to 52.

Two weeks ago Dodson beat Wellington by about 16 points.

Bunky Adcock was high scorer for the event with 14 points. Perry Wright was second with 11. Don and Dwight Gailey each made 8 points, and Bill J. Pounds tallied 5 points.

Ronald Ables and Jackie Bridges each scored 4 points.

## Lakeview Splits Games With Turks Last Week

Tuesday night of last week Lakeview split two basketball games with Turkey with the Eaglettes winning, 60 to 42, and the Turks winning 58 to 47.

In the girls game the Lakeview squad led at half time, 30 to 20, before going on to the final score of 60 to 42. Winnie Nabers was high scorer for Lakeview with 33 points while Margie Mullin led the scoring for Turkey with 14 points. Caren Clements of Lakeview made 21 points while Kay Lane of Turkey tallied 12.

The Lakeview girls hit 57 per cent of their free throws while Turkey connected with 48 per cent.

In the boys game Turkey led at the end of the first quarter, 10 to 8. By the half they had increased their lead to 24 to 14. The Lakeview boys cut the lead back down to 39 to 32 by the end of the third quarter, but lost out in the final score by 47 to 58.

High scorers for Lakeview were Jerry Clements with 16 points and Jimmy Nabers with 14. Don Guest scored 19 points for Turkey and Roy Richmond made 12.

The Lakeview boys hit 48 per cent of their free throws while Turkey made 46 per cent.

## Lakeview Drops Two Games To Matador Tuesday

Tuesday night Lakeview lost two games to Matador with the girls losing 59 to 48 and the boys dropping their game 75 to 28.

In the girls game, Matador took the lead 13 to 8 at the end of the first quarter and were still ahead by a slim 4 points, 21 to 25, at the end of the first half. At the end of the third quarter their lead was larger, 40 to 32, and they led 11 points, 59 to 48, at the final count.

Winnie Neighbors led the scoring for the Eaglettes with 18 points, followed closely by Karen Clements with 17. Jill Scalf made 29 points for Matador. Lakeview hit 56 per cent of their free toss-

### Wright ounces for Treasurer

Lucille Wright this week announced that she was a candidate for the office of County Treasurer, subject to the action of the voters at the primary election. In her intention, she is following the following statement:

I am a native of Hall County, and have lived in Lakeview and all of my life. After graduation from the Memphis Teachers College, then the Plaska and Lakeview schools.

I have never sought a public office for this time, but have served for the Odom Clinic for many years as bookkeeper.

Because of this experience in bookkeeping, I feel qualified for the position of County Treasurer. If elected, I will put my best effort to fulfill the duties of the office honestly and to serve the interests of the people of Hall County to the best of my ability.

I have no means of support from my salary, and for this reason it will be necessary to continue working while the campaign, but I will continue to see each voter before the election.

I respectfully ask for your support.

### Memphis Bowl To Aid March Of Dimes Drive

The Hall County March of Dimes drive got underway recently with the distribution of counter-banks for collection of funds, R. C. Lemons, county chairman, said this week.

In addition to this, the Memphis Bowl is cooperating in a fund-raising effort. The Bowl has agreed to the following plan:

Any person who is not a regular bowler and who comes in and bowls Saturday, Jan. 27 or Wednesday, Jan. 31, will assist the March of Dimes drive. The Bowl has agreed to donate to the drive the amount received for the first game bowled by any such person on these two days.

Owners of the establishment stated that they thought the March of Dimes was a very worthwhile project and hoped to aid the drive by this offer.

Anyone wishing to contribute directly to the March of Dimes should mail their check to R. C. Lemons or Roselyn Williams.

Okla., and former Memphis minister, will do the preaching. Minister Pickard worked with the local church here prior to going to Chickasha and is well-known in this area.

"He will bring a series of Gospel messages which we feel will be beneficial and uplifting spiritually to all who hear him," Minister Hadaway said.

Singing will be under the direction of Thurman Eller, local song director.

### Local School Administrators Attend Meeting

School administrators from this area met in Clarendon Wednesday, Jan. 17, for a district meeting.

Attending from Memphis were Supt. W. C. Davis; Clinton Voyles, high school principal; Mrs. C. D. Morris, principal of Austin Elementary School; and Miss Ethel Hillhouse, principal of Travis Elementary School.

Topics under discussion included new accreditation standards which must be met by Sept. 1962 and what is the overall plan of the State Department of Education for implementing the curriculum.

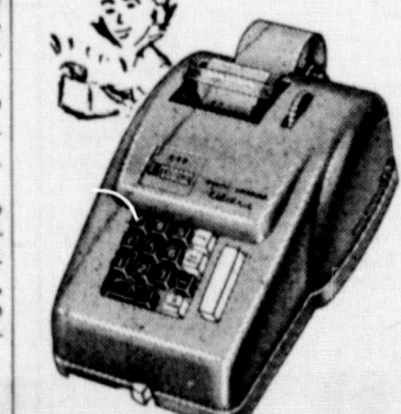

### Memphis Cubs To Meet Tuesday Night At Travis

The Memphis Cub Scouts will meet Tuesday night at 7 p. m. at the Travis Cafeteria in a pack meeting, Joe Williams, cubmaster, announced this week.

All boys who are eight years old and who would like to become a Cub Scout are invited to attend and bring their parents.

During the program skits will be presented by the Cubs and a film will be shown.

### IOOF, Rebekahs To Hold Chili Supper Feb. 1

The local chapter of the IOOF and Rebekahs will hold a chili supper next Thursday evening, Feb. 1, Don Carmen, chairman of the event, announced this week.

Tickets for the event are \$1 for adults and 50 cents for children 12 years of age and under. Tickets may be obtained from any member of the organization or will be available at the door.

The supper will be held from 6 until 8 p. m. at the IOOF Hall located at Front St., and 5th. The menu will include chili, beans, cake, coffee, etc.

Proceeds from the supper will be used to send a local student on the United Nations Pilgrimage. Two years ago the organization sent Elaine Snowdon and Shirley Kennon on the trip and last year they sponsored Mary Snider.

The public is invited to attend the supper.

Sandra Allen, daughter of Mr. and Mrs. Mackie Allen, is receiving medical treatment in an Amarillo hospital.

News from Lesley Baptist Church

Howdy Folks,  
We had another busy week out near our end of Lesley. Last week the men and ladies painted, fixed up and prepared the church house for a Workers Conference held with the Lesley Baptist Church. We really did enjoy the fine foods that our ladies prepared. This week some of us are looking forward to the Evangelistic Conference to be held in Dallas, Monday through Wednesday (22-24). Tuesday at 3:00 P. M. the ladies will meet at the parsonage for their Womna's Missionary Society. Wednesday at 7:00 P. M., we will

# HALF-PAST TEEN

again meet at the parsonage for mid-week prayer service and study chapters 5 and 6 in the "Jeremiah Study Course". Thursday night we do a little visiting around Lesley; and Friday from 7:30 until 10:30 P. M. we are inviting all the young couples around Lesley to a "Game-Get-Together" at the parsonage and the children will be entertained in the church's basement. Fun, food, and fellowship will be enjoyed by all. If you are not satisfied your fun and fellowship will be returned. We cannot guarantee the same about the food. Ha! Saturday evening at 6:15 P. M. the young people of the Lesley Church will gather for a Youth Rally with the First Baptist Church of Memphis and the other associational churches. We won the banner last month. Let's do it again, young people.

God bless you all,  
Sincerely,  
Kenneth Lowry

## Rodney Davis Initiated Into TU Fraternity

Rodney Davis of Paducah, grandson of Chief and Mrs. Gardner of Memphis, recently was among ten new members initiated into Sigma Delta Chi, men's professional journalism fraternity, at the University of Texas.

Rodney, son of Mr. and Mrs. Bernie Davis of Paducah, is a sophomore journalism major at the university. He is a 1959 graduate of Paducah High.

To be eligible for the fraternity one must intend to make the field of journalism a career, demonstrate proficient work in journalism courses, and maintain a C average in other courses. Must have the approval of three-fourths of the organization's membership.

## YOUR Social Security

The amount of work needed to qualify for social security payments has been substantially reduced under the 1961 changes in the law, according to Hal Geldon, manager of the Amarillo Social Security office.

Some people who were not able to receive any retirement or family insurance benefits because there had not been enough work, are now eligible for payments. Applicants whose claims were denied before June 1961 should inquire again if the worker has at least a year and a half of social security work.

Anyone who reaches age 65 or died before 1958 now needs only a year and a half of social security work to be fully insured. A man who reaches age 65 or a woman who reaches 62 this year needs only about two and three-fourths years of work covered by social security to be eligible to receive retirement benefits.

Anyone in this area who wants to know if he is now eligible for payments should get in touch with the Amarillo Social Security Office, located at 1006 Adams St.

Advice to the girls: Never let a fool kiss you; or a kiss fool you.

### Health Program Presented At Study Club

Members of the 1913 Study Club gathered in the home of Mrs. Brode Hoover the afternoon of Jan. 22 for a most interesting program concerning the health and welfare of mankind. The general heading, "The Health of Our Health," the past year's discoveries and treatment brought to light by Mrs. Brode Hoover, Mrs. R. C. Lemons handled the hopes of the future.

During the subject, "Ancient and Folk Medicine," Mrs. Brode Hoover began with the Egyptian potions and the witch doctor rituals, medicinal remedies, and the history of the Medicine Show of the past.

During the parallel with the history of mankind are the true and legendary, determined attempts to heal the ills of man's mind. It is not so surprising that primitive cures and folk remedies should have taken hold

on the minds of men so that they persist into our enlightened age of science," she said.

"The surprise comes in the realization that modern researchers are learning there is more to 'medicine-men' than mumbo-jumbo. For some time now, many of the cures of these ancient practitioners have been finding their way into your doctor's 'little black bag.'

"From the Chinese herb, ma-huang, comes ephedrine. Digitalis was distilled from the English foxglove plant. Quinine, epecac, and curare were known to the witch doctors. From the Orient came the knowledge of the potency of the poppy juice from which we get morphine and its derivatives.

"Actually, only a small portion of the many thousands of remedies used by witch doctors and medicine-men are known to civilized science. Each year, as researchers delve more deeply into the knowledge of the primitives, new drugs and treatments are unearthed," Mrs. Brode Hoover concluded.

Alerting her listeners as to the modern scientific discoveries and future medical therapy, Mrs. Lemons had these things to say: "Contemplate, if you will, a pill which would surely and swiftly eradicate cancer; a shot which would relieve high blood pressure;

### Mizpah Guild Meets For Study In Hoover Home

The Mizpah Guild of the Presbyterian Church met Jan. 22 in the home of Mrs. Brode Hoover. The meeting was called to order by the president, Mrs. Mozelle Wright.

Mrs. Joe Montgomery gave the meditation, entitled "Disciple" and based on the 8th chapter of Romans.

Following roll call a short business session was held.

Mrs. Virginia Browder presented the new Bible Study, based on the 1st and 2nd chapters of Romans.

The meeting closed with the Mizpah benediction recited in unison.

During the social hour, refresh-

ments were served to the following members: Sue Avery, Virginia Browder, Emma Deaver, Gladys Farmer, Ora Denny, Boodie Grundy, Minnie Kinslow, Wilma Leslie, Jimmy Montgomery, Virgie Montgomery, Agnes Nelson, Gladys Power, Ila Roberts, Mozelle Wright, and the hostess, Elsie Hoover.

... by applying those enzymes that are deficient, and curving deleterious ones. Why not?" Mrs. Lemons concluded.

Among the matters handled by the president, Mrs. Bray Cook, during the business session preceding the program was the submission and acceptance of the following slate of officers for the club year beginning in September, 1962: president, Mrs. Bray Cook; vice president, Mrs. Frank Foxhall; recording secretary, Mrs. Bob Hutcherson; corresponding secretary, Mrs. Ed Hutcherson; treasurer, Mrs. Richard Avery; parliamentarian, Mrs. R. S. Greene; press reporter, Virginia Browder, and press book custodian, Mrs. Paul Montgomery.

The following members enjoyed the speakers and the hospitality of their hostess, Mrs. Roberts: Mmes. Richard Avery, Bray Cook, Herschel Combs, W. C. Davis, L. G. DeBerry, T. J. Dunbar, George Ferris, F. W. Foxhall, R. S. Greene, T. M. Harrison, Bob Hutcherson, Edd Hutcherson, D. L. C. Kinard, R. C. Lemons, C. F. Milam, Joe Montgomery, Paul Montgomery, R. E. Roark, M. G. Tarver and Virginia Browder.

"Such wishful thinking may be realized in time. These and other developments quite as sensational now are considered by top enzymologists to be entirely possible. 'Enzyme' is the most promising word in research today. Mark it well!

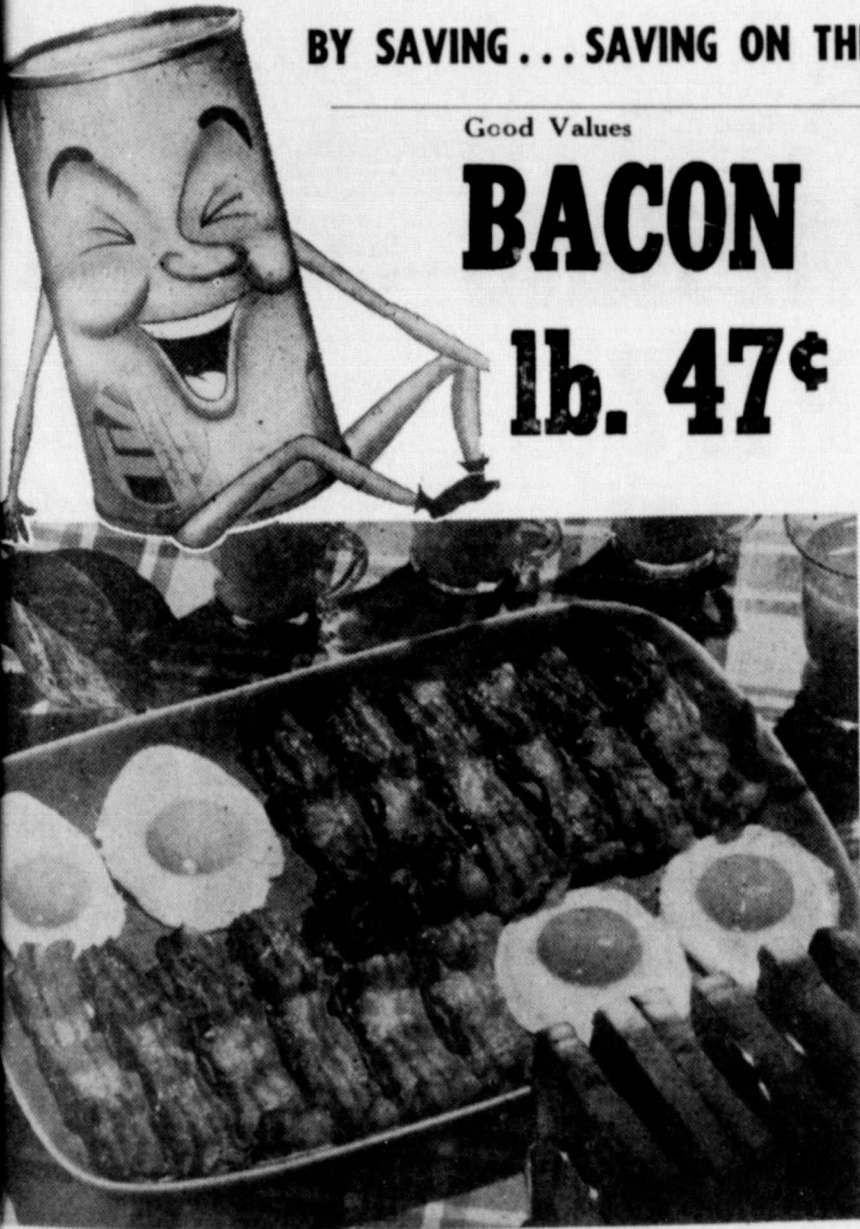

"Enzymes, large protein molecules, present in all living things from bacteria to whales, to marigolds are nature's chemists. All

activity of living things depends on them... the greening of the leaves, the wagging of a dog's tail, the illumination of the fire-fly. Diabetes, researchers theorize, may be due to the lack of an enzyme governing production of insulin. Furthermore, there is mounting evidence that leukemia and other cancers may be traced to faulty enzyme behavior. To date, an estimated 44 diseases have been related to enzyme disturbances.

"Such reasoning suggests some extraordinary conclusions. Mightn't it eventually be possible to restore youthful patterns of ac-

### ESTELLINE NEWS

Linda Bowman is a patient in a Memphis hospital with the flu.

We are sorry to hear of the passing of Mrs. Kenneth Hawkins' uncle this week.

Mike Cope of West Texas State was home several days last week between terms.

Mr. and Mrs. Archie Mahan of Canyon, Cindy and Phillip, were weekend guests of her parents, Mr. and Mrs. Lester Phillips.

Mr. and Mrs. Buz Summerour and Shana of Dalhart spent the weekend in the home of her parents, Mr. and Mrs. Weldon Couch of Farnell.

Mr. and Mrs. Ed Browder and Paul of Canyon spent the weekend in the home of her parents, Mr. and Mrs. Clinton Richburg, and Sandra.

Donna Sue Eddins, daughter of Mr. and Mrs. Joe Eddins, was selected as Sweetheart to represent this Sub-district MYF at their Sweetheart Banquet to be held in the Fellowship Hall of the Estelline Methodist Church Saturday, Feb. 10. There are seven towns in the Hamilton Sub-district, Lelia Lake, Clarendon, Memphis, Estelline, Wellington and Lakeview. The two other Sub-districts to be represented at this banquet will be the Greenbelt (Childress) District and the Vernon District.

Those on the sick list this week included Mrs. R. V. Wood, Brent Nivens, Benny Longbine (surely did miss him the last two days of our tournament).

Mr. and Mrs. Billy Orcutt and Shirley of Amarillo spent the weekend with his parents, Mr. and Mrs. Bill Orcutt.

Mr. and Mrs. Carroll Berryman and two daughters of Lubbock spent the weekend with his parents, Mr. and Mrs. John Berryman.

Miss Jo Beth Barnes of Texas Tech spent the weekend with her parents, Mr. and Mrs. Ted Barnes, and Teddy Jay of Newlin.

Gary Cox of Texas Tech spent several days in the home of his parents, Mr. and Mrs. J. D. Cox, Mike and Vicki in between college semesters.

Former residents seen at the Estelline tournament this week were Mr. and Mrs. W. M. Roberts and Charles of Farwell. Mr. Roberts will be remembered as a former superintendent here.

We regret to hear that the sister of Mrs. John Berryman and Mrs. Bill Orcutt was buried Jan. 12 in Lake Village, Ark. Her friends here will remember Mrs. Ella Havens.

Mr. and Mrs. T. H. Seay and

Elaine were in Denton two weeks ago to visit their daughter, Mrs. John Seay, and husband. Friends here will hate to hear that Lorraine fell and broke her heel several days ago.

Keith Gore of Brownfield visited recently in the home of his cousin, the J. Warner Copes, Tom Cope, and the Clarence Wootens.

Mr. and Mrs. Raleigh Adams, Steve and Paula of Clarendon were down each night for our invitational tournament last weekend. They are the parents of our coach, Jimmie Don Adams, and all were former residents of Estelline.

Charles Anderson of Canyon was here between terms with his grandfather, J. L. Barnes.

Mrs. Tommy Hunt and daughter of Canyon visited her parents, Mr. and Mrs. Paul Buchanan, and Janie over the weekend.

Noel Long of Texas Tech spent several days between semesters with his parents, Mr. and Mrs. Grady Long, and Melvin of Parnell.

Sandy Longbine, who is attending Lubbock Christian College, spent the weekend with her parents, Mr. and Mrs. Jake Longbine, and sons.

Mr. and Mrs. Herschel Curtis of Olton visited in the home of his sister, Mrs. Elam Orcutt, and husband last week.

Jack Dunn has purchased the Fina Filling Station and will operate the business in the future. Mike Davidson is working there with him.

Mrs. Annis Carol Bruce, Jenne, Gene, and Jeri Vogler spent the weekend with relatives: her mother, Mrs. D. T. Eddins, the R. V. Wood family, and the Rab Holland family. (They came especially to welcome John Mark into the family officially).

Jerrel Rapp and C. A. Rapp attended the Angus Day at the Tri-State Fair in Amarillo Tuesday.

Mrs. C. A. Rapp and Mrs. J. B. Rapp visited with Mrs. C. A. Rapp's sister, Mrs. Clara Bain, in Clarendon Tuesday.

Mr. and Mrs. R. V. Wood and sons recently spent the weekend in Floydada with his mother, Mrs. M. A. Wood, and onto Lubbock to visit at Texas Tech.

The Baptist Church women "pounded" the new preacher, C. T. Jordan, Wednesday night after prayer meeting services.

The Baptist women attended a workers conference at Lesley last week with Mmes. Hildred McMinn, Ervin Gilbert, Ben Jackson and

### 1932 Culture Club Holds Meeting Mon.

The 1932 Culture Club of Estelline met Monday night in the home of Mrs. Hildred McMinn for a supper.

The menu consisted of ham, meat loaf, green beans, pickled beets, green pea salad, corn, pecan pie, coffee and iced tea.

During the social hour the group played progressive 42.

Attending the event were Mr. and Mrs. J. W. Morrison, Mr. and Mrs. R. A. Eddleman, Mr. and Mrs. Ben Jackson, Mrs. Hildred McMinn and James.

Rev. C. T. Jordan making the trip.

New cars seen this week were those of: Mrs. D. T. Eddins, Leon Phillips, Travis Bruce and Will Eddins.

### Baptist G.A.'s Meets For Study Monday Afternoon

The Baptist Intermediate G. A.'s met Monday afternoon at 4 o'clock in the home of Mrs. Robert Martin.

Peggy Parker, vice president, called the meeting to order. Connie Bradshaw read the Missionary prayer calendar after which Cathy Dale led in prayer for the Missionaries.

Minutes of the previous meeting were read by Cathy Dale.

Mrs. Robert Martin read the second chapter of the study from the book, "The Land."

The group then studied the following: Susan, maid; lady in waiting; Connie Bradshaw, princess.

Fritos, blue cheese dips were served to Peggy Parker, Sue Miller, Susan Bradshaw, Cathy Dale and Mrs. Robert Martin.

meeting of the Women's Society of Christian Service, held at the Trinity Methodist Church there.

Mrs. Ed Hutcherson took part on the program and brought an inspiring devotion on the theme for the day, "Jesus Christ, the Light of the World."

Attending from here were Mmes. O. B. Herring, Louis Goffinet, M. G. Tarver, L. G. Deberry, R. S. Greene, F. W. Foxhall and Ed Hutcherson.

Mr. and Mrs. Don Reeves of Canyon spent the weekend here visiting with Mrs. Reeves' mother, Mrs. Lucille Wright.

### Report From Washington

By **WALTER ROGERS**  
Representative, 18th  
Congressional District

**The Budget**  
January 18th the Congress presented the Budget Message of the President of the United States for the fiscal year 1963. The 1963 year begins on July 1, and ends on June 30, 1963. The Budget Message deflected a budget for 1963. How well to note that very budgets have ever been presented to the Congress in which the final result was not claimed. It might be noted that the final result was an unbalanced budget. In the past 10 years there has been a deficit spending in the order of the day 8 of the past 11. The year produced the highest percentage deficit in the history of this country. This, together with prior years, continued to push up the debt to near the three billion mark. Another increase in deficit spending will be requested. It cannot continue to operate at a deficit. It should not have permitted as many times as it has in the past. There are when deficit spending is used for the protection of the country, recovery should be sought to offset the deficits created during wartime. This has been a serious issue every step of the way, and will continue to be a serious issue. An analysis of Congressional votes on budget matters will reveal that the vast majority has continued to vote for an actual balanced budget rather than a pro-balanced budget. Had those who have strongly advocated a balanced budget every year been successful, there would be no need for a requested increase in the public debt.

One of the main reasons that this country has suffered deficits is the age-old problem of interest. There are too many who are willing to cut Federal expenditures so long as it does not personally affect them, their family, or their State. The deficit spending. If it is cured, every area of this country and every segment of its population should take a long, hard look at its past fiscal policies, its demands, and its needs, and forward with some realistic effective reduction proposals. Congress should, in my opinion, authorize the appropriations committees to assign employees to work along with the bureaus, boards, and the agencies when they are preparing budgets. These employees

should be able to produce a documentary story that will result in measurable cutbacks in many of the departmental areas. If the appropriations committees cannot or do not desire to do so proceed, a separate budget committee should be created to make a continuing and constant evaluation of the requests of the many, many departments of the government in their budget requests. It is my opinion that a full and complete story on this subject would afford the Members of Congress with sufficient information to effectively save several billion dollars a year. In addition to this, the Congress should adopt legislation requiring a fixed fund to be set aside out of revenue each year and to be paid on the public debt. It must be realized that to be effective, such a practice presupposes a balanced budget.

As for the present proposal, you will be interested to know that in the 1962 Federal Budget, which was the last budget of President Eisenhower, the tax dollar was divided as follows:

Where it comes from:  
55c Individual Income Taxes  
25c Corporation Income Taxes  
12c Excise Taxes  
8c All other Receipts

Where it goes:  
57c Major National Security  
11c Interest  
6c Veterans  
6c Agriculture  
18c Other  
2c Debt Retirement

It is interesting to note that the "2c Debt Retirement" item above referred to did not come into being, because that budget had a paper balance and not an actual balance. Hence, the so-called debt retirement feature was wiped out by the deficit.

The first Budget Message of President Kennedy divides the income and expenditures as follows:

Where it comes from:  
53c Individual Income Taxes  
28c Corporation Income Taxes  
11c Excise Taxes  
8c All other Receipts

Where it goes:  
63c National Defense, International, and Space  
10c Fixed Interest Charges  
6c Veterans  
6c Agriculture  
6c Health and Welfare  
9c All Other

The difference in allocations is not unusual, as there are no definite fixed divisions of expenditures. There are fixed divisions of income because all of the in-

### Butch Adcock To Sail For States Saturday

Butch Adcock, son of Mr. and Mrs. Oran Adcock, will sail for the states Saturday after serving for the past 14 months in Seoul, Korea, with the U. S. Army. While in Korea he has been serving as a guard with a Missile Base at Seoul. His mother said Monday it will probably take him about 20 days to arrive home from the date he sails.

Butch is a graduate of the local high school.

come is from taxes. Each President has a different way of allocating expenditures. The major point is, however, that substantially 70c out of every tax dollar is earmarked for defense and associated purposes. The fact is that a substantial part of the interest charges could be allocated as defense requirements because most of the national debt was created World War II. This charge alone could be measurably reduced if we would pursue a policy of reducing the public debt systematically, rather than increasing it each year.

### Robertson Is Candidate for Commissioner

Aubrey Robertson of Lakeview this week authorized The Memphis Democrat to publish an announcement that he was a candidate for the office of Commissioner, Precinct No. 2, Hall County. His candidacy is subject to the action of the voters in the Democratic primaries. He submitted the following statement:

"I have decided to enter the race for Commissioner of my precinct after giving the matter considerable thought for several years. Many of my friends and neighbors have urged me to offer myself as a candidate, and have given several reasons why I should do so. "As you know, I am no stranger to you. I was born in this precinct 45 years ago, and have lived near Lakeview all my life. You know me, my reputation, and my qualifications for the office I seek.

"During my adult life, I have been interested in our problems, and with this announcement am asking you to vote for me in order that I may help in solving

# Estelline, Lakeview Take Second in Tournament

The Clarendon girls and the Quitaque boys won first place in the Estelline basketball tournament last weekend.

Second place trophies went to the Estelline boys and the Lakeview girls.

The tournament began Thursday evening with the Estelline girls meeting the Clarendon girls. Clarendon came out on top with a score of 44 to 17. Clarendon took the lead in the first quarter and was ahead 12 to 3 at the end of that period. By the half they had increased their lead to 23 to 5 and then were out front 31 to 10 at the end of the third quarter.

Dorothy Richey, Clarendon, led the scoring with 18 points while Donna Sue Eddins and Linda Bowman each sank 5 points for Estelline.

In the second girls game Thursday night, Lakeview downed Quitaque 52 to 47. Quitaque took the lead at the end of the first quarter, 12 to 10, and were ahead at the half, 27 to 19. However, in the third quarter Lakeview closed the gap and went ahead, 38 to 35.

Winnie Nabers sank 29 points for Lakeview while Jimmie Mayfield was high for Quitaque with 22 points.

In the first boys game that night, Estelline took a thriller from Clarendon, 33 to 31. Clarendon was ahead at the end of the first quarter, 19 to 9, but Estelline almost caught up by the half, 18 to 17. At the end of the third quarter Clarendon still held a 26 to 25 lead, but Estelline was able to come ahead in the closing period.

Teddy Jay Barnes scored 22 points for Estelline while James Allen tallied 13 for Clarendon. The last game Thursday night saw the Childress B team go down before Quitaque by a score of 59 to 27. Quitaque took the lead early and stayed out front all the way. Mike Reeves scored 8 points for Childress while James Starkey made 12 for Quitaque.

The Estelline and Lakeview girls tangled in a game Friday night with Lakeview coming out on top of a 46 to 29 score. The game was a close battle until the third quarter when Lakeview held Estelline to no points. Both teams scored 10 points in the first quarter and then at the half Lakeview was ahead 23 to 19. At the end of the third quarter Estelline was still 19 while Lakeview had picked up to 30 points.

Karen Clements made 22 points for Lakeview while Brenda Stewart tallied 21 for Estelline. The same night the Clarendon girls downed Quitaque 61 to 30 with Clarendon taking the lead in the first quarter and then holding it all the way.

In the boys competition Friday night Quitaque beat Clarendon 41 to 36. Clarendon led at the end of the first quarter 12 to 6, and still was ahead, 19 to 17 at the end of the first half. However, Quitaque took the lead, 28 to 24, at the end of the third quarter and went on to their victory, 41 to 36. Bill Spier of Clarendon scored 13 points and Robert Phelps of Quitaque 11.

The second boys game was between Estelline and the Childress B team with Estelline on the top side of a 46 to 26 score. Estelline took the lead early and continued to hold it all the way. Teddy Jay Barnes scored 23 points for the Bear Cubs while Bobby Meason led Childress with 8 points.

In the final games of the tournament the Quitaque girls downed the Estelline girls, 41 to 31. Quitaque was ahead 13 to 7 at the end of the first quarter and 15 to 24 at the end of the first half. They led 33 to 24 at the end of the third quarter.

Brenda Stewart led the scoring for Estelline with 16 points while Jimmie Mayfield and Janice Dudley each scored 17 for Quitaque. In the second game for the girls, Clarendon downed Lakeview 45 to 25. Clarendon led 12 to 6 at the end of the first quarter, 23 to 16 at the end of the second, and 37 to 18 at the end of the third.

Karen Clements was high scorer for Lakeview with 16 points and Paula Adams scored 24 for Clarendon. Clarendon won the first boys game Saturday night downing the Childress B team 62 to 28. The Broncos took the lead early and held it throughout the game. James Allen scored 18 points for Clarendon while Bobby Meason tallied 8 for Childress.

Estelline and Quitaque battled in the final boys game with each team having a record of 2 wins and no losses until the event. Quitaque took an 11 to 4 lead in the first quarter and managed to stay ahead all the game to win 57 to 37. Teddy Jay Barnes scored 18 points for Estelline, exactly the same number that Jack Johnson scored for Quitaque.

## C. of C. Group Hears Discussion Of Area Progress

The various aspects of how a city can improve its economic development were discussed last Thursday before the Memphis Chamber of Commerce by James A. Covell of San Angelo, public relations assistant for General Telephone Company of the Southwest.

Covell, who was named earlier this year to coordinate economic development throughout General's five-state area, was introduced by Mark F. Cooper, director of public relations, also of San Angelo.

In a statement released to the press, Cooper explained that General's new Economic Development Program is designed to assist individual communities in their growth—such as increase payrolls and job opportunities.

He pointed out that Covell will be available to assist communities who have, or wish to set up, a sound economic development program. The company will develop and maintain economic information and statistics about exchanges and areas served by General which might assist local organizations in setting up or furthering economic development programs.

Covell explained to the group present some of the problems which have to be overcome if a community is interested in a continued development program.

He also pointed out many examples of how various towns had attracted industry or helped home-grown industry, and told of some of the mistakes which had cost other towns increased payrolls.

The decision to end limitations on the skip-row planting is in line with recommendations of the Cotton Advisory Committee and many members of the cotton industry, USDA officials said, and is expected to result in improved income for cotton growers through increased efficiency in production.

for mailing newspapers, magazines and advertising circulars. All of which wouldn't be so bad if the postal department would quit cluttering up the mail with all kinds of needless free-mail stuff. The Senate will more than likely go along with the House in adding another straw to the burden the general run of people have to pay.

One thing the proposed bill contains—banning Communist propaganda mail—will meet with the approval of all patriotic citizens.

Then the Texas Senate, finding that there will be at least \$300,000 more money is available for spending, proposes a scale of \$22,500 for at least a dozen department heads and their assistants \$15,000, besides adding some more departments. Whether the House of Representatives will go along with them remains to be seen. One commendable suggestion has been made to cut out the sales tax of 1c on a 25c sale which means the customer pays at the rate of 4%. Instead of holding down the State's expenses, it looks very much like the lawmakers have lost sight of the fact their constituents will pay, and pay, and pay.

Hall County 4-H entries in Amarillo placed high in the judging. County Agent Hooser said this week.

In the Angus division, Carl Houston of Memphis placed first with his senior heifer. Johnny Fuston of Turkey placed first with his medium Angus steer, and his other entries in the same class placed high. Carl Houston placed eighth in class.

In the Hereford division, Denny Fuston of Turkey placed first with his senior heifer calf. Denny went on to win the champion female of all classes in the medium weight Hereford class, Ronnie George placed eleventh.

Denny Fuston placed first in the light weight Hereford class, and Jimmy Carroll placed twelfth in the same class.

## MINUTE MEDITATION

Jesus said, "For what is a man profited, if he shall gain the whole world, and lose his own soul?"

The man who neglects his soul shall be made to grind like a blind Samson at the wheel of sensual pleasures, when he might have taken flight to soar as high as the angels.

Think of the many souls that never rise above the question, what wages can I earn? What pleasures can I enjoy? When all the while the boundless universe is their proper field of discovery.

Give a man a million and he will want ten more; give him half of the world and he will immediately start a fight with those who have the other half.

There was once a great soldier who, with his army, had conquered nearly all of the world; then, he sat down and cried because there was nothing else to gain.

What is the answer then? David got it right when he said, "My soul panteth for God, for the living God."

There is that in man which the knowledge of the living God only can satisfy, and the more the soul directs itself to God, the more it becomes godlike, deriving a print of his glory and beauty upon itself.

Life begins with **COTTON**

Pink little bodies are swaddled in Cotton to make their first bow to the world. Mothers know Cotton is safe. It will not irritate the most tender, sensitive skin. Cotton can be laundered soap-and-water clean, or boiled to make it absolutely free of germs. It may be washed and worn over and over again. Each time it comes back as sweet and clean as when it was first used.

Last year more than 3,834,000 little Americans began life with Cotton. As rock-a-bye lullabies for these little tots change to bed-time stories, tough, serviceable, easy-to-wash Cottons carry on through the rough-and-tumble days of happy childhood. No other fiber is so able to withstand wear and tear of vigorous young bodies. That's why more than 200,000,000 pounds of Cotton each year are made into clothes for American children.
