City Purchases Land For Longer Airport Runway

The paving of a runway at the Memphis Airport came one step closer last week when the City of Memphis closed a deal to purchase 11.02 acres of land north of the north-south runway. Also obtained was an easement on 8.26 acres north of this, Mayor H. J. Lowell announced.

The easement land prohibits the construction of any obstruction to the approach runway, the mayor explained.

"We now have a north-south runway clear of bearers approximately 2,800 feet long," the mayor said.

Tuesday, Mayor Howell went to Fort Worth where he conferred with the district airport engineer of the Federal Aviation Agency. They discussed the future paving project.

The City of Memphis made application to the Federal Aviation Agency last winter for help in paving the northwest-southeast runway. The Agency announced last month that \$14,958 in federal aid have been set aside for the Memphis airport.

"At the time we made this application," Mayor Howell said, "we were under a deadline to get an application in, and the northwest-southeast runway was the only one we had which was long enough. However, due to the prevailing winds in this area, the Agency's district engineer recommended that if the city could obtain necessary land, the north-south runway should be the one to be paved."

Mayor Howell explained that he went to Fort Worth to make application for changing the paving from the northwest-southeast runway to the north-south runway.

The Federal government will share 50 per cent of the cost of the whole project, Mayor Howell said.

He stated this morning that a paved runway at the City Airport has been before the Council for a number of years, and this would be another progressive step for the future betterment of Memphis.

"We still have a long way to go" (Continued on Page 10)

Brucellosis Testing Mobile Lab Unit To Arrive Here Next Monday

The mobile laboratory to test cattle for brucellosis will be set up at the County Barn on 5th Street, across the street west of Beaty Gin, Monday, County Agent W. B. Hooser announced this week.

The laboratory unit will arrive Monday, Sept. 23, and it is expected that the laboratory will be ready for operation Tuesday. This unit will be here about six weeks to test cattle herds in Hall County, Hooser said.

"Every herd in Hall County will be tested in order for the county to be declared a 'Brucellosis Free County,'" the agent said.

About six persons will be with the testing program, Hooser said, and Miss Linda Fields has been hired as secretary for the mobile laboratory.

The testing program is free to farmers and ranchers and a testing schedule will be worked out for a week in advance for the convenience of the producers, he said.

According to Hooser, more information will be announced next week.

Mrs. J. E. Gable, Pioneer Resident, Dies Wednesday

Mrs. Blanche (J. E.) Gable, 84, passed away at her home at 321 N. 16th St., on Wednesday, Sept. 18. She had been a resident of Memphis for 65 years.

Funeral services were conducted at 2:00 p. m. today, Thursday, at the First Baptist Church here with Rev. Fern A. Miller, pastor officiating. Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Blanche Hobson was born Sept. 22, 1897, in Cameron, Texas. She came to Memphis at an early age from Farmersville but returned to Farmersville to attend school. She was united in marriage to James Edward Gable on (Continued on Page Four)

ASC Election Draws Largest Vote Ever

The 635 farmers who voted in the 1964 ASC community committee election was the largest vote ever cast in a referendum of this kind in Hall County, with over 34 per cent of all eligible voters participating. This was a larger percentage voting than in most general elections.

There were 62 names entered on the ballots of the six communities electing committeemen for 1964, and of these, 16 of the 18 who served last year were re-elected for 1964.

Following is a list of the Hall County ASC 1964 community committees:

Lesley—J. W. Hatley, Jr., chairman; Joe N. Berry, vice-chairman; Thomas U. Hughes, member; Mel Roy Cofer, first alternate; Jack Montgomery, second alternate.

Plaska—Arvin H. Orr, chairman; Herbert A. Holt, vice-chairman; Cecil R. Whitten, member; A. C. Sams, first alternate; and Alvin W. Molloy, second alternate.

Lakeview—J. B. Byars, chairman; Russell J. Payne, vice-chairman; Aubrey Robertson, member; W. O. Clark, first alternate; and (Continued on Page 10)

N. W. Durham, Local Druggist, Dies Unexpectedly

Nathaniel Wilson Durham, well-known Memphis druggist, was found dead at his store Tuesday morning. Mr. Durham's death came unexpectedly, and was attributed to a heart attack.

Funeral services were held at 4 p. m. today (Thursday) from the First Methodist Church with the Vicar Charles C. Carman of the St. John The Baptist Episcopal Church of Clarendon officiating, assisted by Rev. J. B. Thompson, pastor.

All business firms in Memphis closed during the funeral service in honor of Mr. Durham at the request of the retailers committee of the Chamber of Commerce.

Interment was in Union Hill Cemetery at Lakeview with Spicer Funeral Home in charge of arrangements. Graveside services (Continued on Page Four)

Services Held Wednesday For W. M. Mosley

Funeral services were conducted at 4 p. m. Wednesday, Sept. 18, in the Hedley Baptist Church for Milton Winfield Mosley of Hedley, 80-year-old retired farmer.

Rev. Gene Grace, pastor, officiated, assisted by Rev. L. J. Crawford. Interment was in Rowe Cemetery under the direction of Spicer Funeral Home. Mr. Mosley passed away Sept. 16, at 3:30 p. m. in Odom Hospital.

PICNIC PRESIDENTS — Wendell Harrison (right) is shown above congratulating Arthur Eddleman (left) on his being elected the 10th President of the Annual Hall County Picnic.

Arthur Eddleman Is Named Picnic President

The ninth annual Hall County Picnic was concluded Sunday afternoon with the election of new officers for the coming year. Arthur Eddleman of Estelline was named president of the organization. Other officers elected included Tommie Potts, vice president; Mrs. Emily Hillhouse, secretary, assisted by Mrs. Don Collins, and Buster Helm, treasurer. Wendell Harrison is the retiring president.

The picnic this year drew an unusually large number of out-of-county visitors, most of whom were former residents of the county. Many of the visitors were numbered among early-day pioneers of the county. Gold ribbon badges, which marked 50 years or more in the county, were not at all uncommon on the laps of many who attended.

During the afternoon an informal program was presented. Impromptu speeches were given by numerous pioneer residents.

Despite threatening rain clouds, more than 2,000 persons were present this year at the annual picnic. A total of 2,125 plates of food were served. Members of the registration committee registered 1,339. However, many of those who attended did not register,

especially county residents.

Comment from those who attended have indicated that this year's picnic measured up to previous years if not a little better.

Many organizations and individuals helped officers of the organization with picnic arrangements.

President Harrison expressed thanks to all who helped to make the picnic a success. "Without the work of the various committees it would have been impossible to have a successful picnic," he said. "Every committee member worked hard and it was a pleasure to work with other officers of the association and the many committees."

Lucile Wright, who served as chairman of desserts, expressed appreciation to local residents for the abundance of dessert and salads that were brought to be served with the barbecue beef and beans.

Several persons failed to pick up their dishes, Mrs. Wright said. They are now at The Democrat office, and owners may come in and pick them up.

For the third year, Mrs. Versa Brunley Dyer brought an anni- (Continued on Page Four)

Memphis, Friona To Meet In Cyclone Stadium Fri.

By Bill Pounds
Cyclonian Sports Editor

Memphis fans are in for a football first Friday night when they see the Memphis Cyclone-Friona Chiefs meet at Cyclone Stadium. Game time is 8 p. m.

This is the first time for these ball clubs to meet in football com-

petition in the history of the two schools.

Friona will come into the game a favorite since they have won both of their games this season by impressive scores by defeating Sudan and Farwell, while Memphis has a one-one record.

The Friona team is using a straight T attack this year with all variations, according to reports.

Starters for the Chiefs are: Gary Renner, Everett Gee, Milton Hargus, Doug Ford, Joey Taylor, Numan Loanman, George Rushing, Dale Milner, Mickey Wilson, S. D. Baize, and Larry Buckley.

Injuries are continuing to plague the Cyclone squad. Tackle B. H. Cook received a broken toe in the Crowell game and Jack Stargel re-injured a back muscle in the game. Both boys may see action Friday night.

Donnie Bridges and Bill Thompson's knees are both showing some improvement but they will still be out of the lineup.

Others on the injured list this week include Don Craig and Jimmy Don Sturdevant who were injured this week in workouts, and Chipper Baker, who received a knee injury and will be out of uniform for three weeks.

Coach Charley Chambless said that he did not know who would be starting Friday night against Friona because of the injuries.

Coach Charley Chambless stated that the Cyclone has been working hard this week to try and find a solution to their defensive problem as well as bone up on their

W. W. Richards, Retired Farmer, Buried Saturday

Funeral services for William Woods Richards, 76, retired farmer, were held at 3 p. m. Saturday, Sept. 14, from the Travis Baptist Church with Rev. Fern Miller, pastor of the First Baptist Church, officiating.

Interment was in Fairview Cemetery with services under the direction of Spicer Funeral Home.

Mr. Richards, who resided at 615 Bradford, passed away at 7:45 a. m. Friday in Odom Clinic Hospital.

Mr. Richards was born Sept. 11, 1887, in Kennedy, Ala. He moved to Hall County in 1908 and farmed in the Salisbury community for many years. The family moved to Memphis after Mr. Richards retired.

He was united in marriage to Miss Lela E. Longshore Dec. 21, 1913, at Salisbury.

Aid Increase to State and Local Governments

(Editor's Note: The following article was written by Congressman Walter Rogers, and was released for publication this week. It gives pertinent information of a much-discussed subject, which is causing a re-evaluation of a trend by many state and local officials.)

The Federal subsidy to State and local governments continue to increase, pointing up another area in which the United States is moving in the direction of centralized control. Pinched by their own revenue and tax problems, States and cities keep the pressure on Washington to turn back a portion of the largess piled up by the Federal tax collector. They've found the mood in Washington, both in the departments and in Congress itself, increasingly willing to lend a helping hand.

I was most interested to see a study of Federal grants-in-aid—money passed along to States, cities and individuals by the Federal government's proliferating programs. Compiled by the authoritative Congressional Quarterly, the study showed that in 1962 grants-in-aid payments for the first time in history topped \$10 billion. Of the \$10.3 billion so distributed in that year, \$7.8 billion went to State and local governments and \$2.4 billion went to individual citizens.

Texas, fifth largest State in population, ranked third among the States in the amount of money flowing back from the Federal treasury. Here is the breakdown for the Lone Star State, showing the total amount received by Texas in each of the 14 largest Federal grant-in-aid programs, the ranking of Texas among all States in the amount received in each program, and the total amount spent in each program throughout the United States:

Program	Tex. Share	Tex. Rank	Tot. Spent U.S.
Highways	\$128,734,600	5th	\$2,782,839,810
Public Assistance	\$139,252,153	3rd	\$2,433,133,869
Unemployment Ins.	\$31,120,182	8th	\$887,065,569
Public Health	\$26,150,663	6th	\$720,166,039
Food Dist.	\$28,834,778	4th	\$653,018,071
Education	\$25,306,418	3rd	\$601,848,336
Ag. Conservation	\$62,832,854	1st	\$576,773,076
National Guard	\$13,350,583	4th	\$554,471,790
Pub. Ho., Ur. Rene.	\$11,103,383	11th	\$323,760,947
Con. Prcts.	\$10,819,255	3rd	\$162,232,510
Vets. Benefits	\$7,891,448	4th	\$159,092,758
Ag. Experi.	\$4,722,656	1st	\$100,757,531
Stations, Cooperative Ag Extension Work			
Voc. Rehab.	\$2,497,996	9th	\$82,154,594
Child Care	\$3,734,447	2nd	\$69,359,951

The total grant-in-aid share for Texas was \$500,295,000—or \$49 for every Texan. With a 4.81 percent share of the total money allocated throughout the United States, Texans had paid into the treasury 4.26 percent of all Federal taxes. The Lone Star State's balance between paid and taxes returned in grants-in-aid was roughly equal. Not so in many States. New Yorkers, for example, bore 13.54 percent of the Federal tax burden and were granted 7.10 percent of total assistance. Californians paid 11.16 percent of total Federal taxes and received 8.91 percent of total grant-in-aid money. Because of the relative lack of concentrated and tax remunerative heavy industry, Southern, Mountain and Plains States received more in grants-in-aid than they paid in Federal taxes. However, it is true that the big industrial States are the major beneficiaries of enormous Federal contracts, such as those for defense.

Today, the Federal government is spending more than twice as much in these aid programs as it was 10 years ago. In 1923, the Federal grant-in-aid program amounted to 6 percent of the total Federal tax take compared with the current 11 percent rate.

Where will it end? States are now so heavily financed by Federal grants, their programs are so dependent upon Federal support, their program policies are so fully controlled by the dictates laid down in Washington that the State governments are, in many respects, mere shadows of Washington authority. But to those citizens who would lay the blame of this completely at the door of the national government, I would say this: States, local governments and individual citizens have campaigned vigorously in behalf of these programs. As an example, the heaviest lobbying for the current Domestic Peace Corps proposal has come from heavily-populated States and cities seeking additional money and manpower to battle public welfare problems.

Young Farmer Week In Texas!

Texas Governor John Connally has designated September 22-28 as Young Farmer Week in Texas and he has signed a similar proclamation designating the same period as Young Homemaker Week.

This special week marks the 10th anniversary of the Young Farmer organization and gives additional recognition to the rapidly growing farm group. Numerous chapters have been organized in this area.

Young Farmer week is sponsored under auspices of the vo-ag department in the public schools. Some 164 Young Farmer chapters have been organized in local school districts on county wide basis to carry out educational activities which will help keep them abreast of the technological advancements in the field of agriculture and enable them to develop greater skill and efficiency in management, production, and marketing.

We would like to encourage the Young Farmers in this area to continue their programs of civic and community projects, leadership development activities, and their educational activities. As the organization continues to grow it will play an increasingly important role in the life of rural America.

What Other Editors Say

A Decision by Default?

Elections are frequently decided by people who do not vote. This was certainly the case in Hemphill county Saturday when one important bond issue passed by a narrow margin and another important bond issue was defeated by a narrower margin. . . and both questions were decided by many fewer than a majority of the qualified taxpayers who should have voted.

A proposal to do some urgently-needed modernizing of Hemphill County's 55-year-old courthouse was beaten by a margin of 16 votes. . . and we heard many townspeople in the Monday morning aftermath of election lamenting the fact that they had failed to cast what would have been decisive votes in favor of the proposal because it had never occurred to them that the issue might fail without their support.

The sharp division in the voting, particularly on the courthouse proposal, is a little shocking to us. . . though perhaps it should not be. While the people of Canadian voted in favor of the proposal by two to one, the rural people of the county were opposed to it overwhelmingly, and in one case almost unanimously.

We find this shocking because

of the attitude which it seems to reflect on the part of our rural citizens. . . an attitude which says that our rural taxpayers are opposed to the expenditure of any county funds anywhere except in rural precincts. . . which is traditionally where most of the money goes anyway. . . even for such an obvious county-wide benefit as a much-needed improvement in the courthouse where county business affairs are transacted and county records safeguarded.

We are aware that one of the arguments used against the bond issues in the rural precincts was that this expenditure would cut out funds used for rural roads and other rural improvements. . . which is flatly not true. Taxes earmarked for lateral road funds go into lateral road funds and are used there. . . and your Commissioners wouldn't permit them to be used anywhere else even if they legally could.

It is a fact, of course, that a large part of the county's tax revenue is derived from town property while nearly all of it is spent on rural improvements. . . a fact which city property owners are well aware of but rarely ob-

ject to on the theory that the money is used where it is needed most for the common good.

The issue here was not one of dividing county money equitably between rural and urban areas. . . but of spending county money where it is needed for the common good. . . and the need at the moment is for improvements in the headquarters at the county seat.

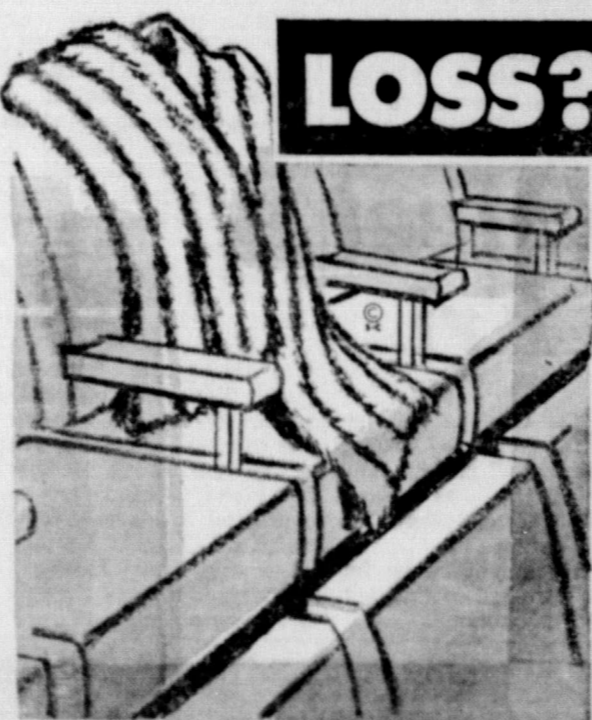

The issue was not raising taxes. . . anybody's taxes. . . because no tax increase has been proposed or is considered necessary to support the improvements.

And certainly it was not an issue of taking money away from one segment of the county to give it to another.

But the issue has been decided, for the moment anyway, by a minority of taxpayers who apparently object to having county funds spent anywhere except in their own back yards.

It is a decision which can be rectified only by a majority which will exercise its franchise at the next opportunity. . . and we hope that it will do so because it is an improvement that is needed, and needed now.

Chrysler-Plymouth Plans Grand Opening Friday

The Houston's Chrysler-Plymouth will have its Grand Opening Friday at 713 Noel Street. The new 1964 Chrysler and Plymouth models are being introduced here.

Houston's, Lowell and partners in the dealership, announced an open invitation to come by 713 Noel Street and see the new 1964 Chrysler and Plymouth. Free coffee and donuts will be served to those who come.

1964 Plymouths

There are 26 models of Plymouths for 1964, the Houston's said. There are the Sport Furies, Furies, Belvederes, and Savoyes. In this line-up can be found a wide range of body styles: sedans, hardtops, convertibles, and wagons, in choices of 13 solid colors, plus certain two-tones, and with a broad selection of color-keyed interior trim combinations. There are five great engines, from a thrifty 6 to a 426-cu.-in. V-8.

The 1964 Plymouth has new styling all-around, featuring a new front, a new back, a new profile.

Every 1964 Plymouth is so well built, the Houston's said, it carries a 5-year or 50,000-mile warranty on the major engine and drive train components.

The Plymouth Valiant

The Plymouth Valiant for 1964 offers a choice of a standard 170-cu. in. six-cylinder or optional Super "225" engine. Both have surprising response in a low-priced compact.

The Houston's said that America's first 5-year or 50,000-mile warranty comes with the 1964 Valiant.

A Tour Around The Picnic Ground

By Mr. Anonymous

First, we missed Walter Hightower, as he was always the early bird on hand as a host to greet old timers.

Hiram Crawford drove up in car and I asked him how his mother is doing. He said: "Ask her," and there was Kate in the car at the picnic.

Missed O. V. Alexander at the registration table. But a number of ladies were making the typewriters sing, with John McMickin in the center hitting the keys as fast as anyone. Such a job they did in registering the people.

Arbie Gillis and Fred Boon came to town several days before the picnic. Arbie's wife was afraid he would have all his shirts dirty before the picnic, so she put in nine extra shirts. Fred reminded us that in the early days he ran picture shows at Lakeview and Hedley. That he landed in Memphis December 1907, with 75 cents in his pocket. When he came last week he sold popcorn and got his 75 cents back.

Nolan Baker of Fort Worth and his sister, Annie Lee Freel of

Mineral Wells were here with big handshakes for all.

Carl Stout of Collingsworth County, always a regular at the picnics, being in bad health, had to sit in his car and said some one else would have to make his speech this year.

Scott Montgomery, another one we missed this year as he was not well, but his son, Winston Montgomery of Lubbock, was there with his red tie.

Mr. and Mrs. Tom Ballew of California where Tom has been with the Bank of America for 27 years; his wife will be remembered as Georgia Cooper.

Jim O. Ballew of Abilene has been in the school system there for several years, heard some call him "ox," his old nickname when a boy.

Mr. and Mrs. Marvin Dishroom of California, Marvin at one time held county offices. They were enjoying the handshaking with old friends.

E. S. Browning and son were here having a good time meeting and joking with numerous friends of former years.

Mrs. A. W. Howard and daughter, Gloria Whiteside, and her husband Sam and two children.

Ora Locke Neff of Omaha, Neb., daughter of Jim Locke, for-

mer Memphis man who ran a meat market here back in the early days. Remember the time some of the boys took padlocks off of John's screen doors to the market, put them on their coats and locked through the button hole, so the teacher's whip would not be so bad. (No names called!)

The J. J. Walkers of Canyon were back again with us enjoying the day.

W. B. Ballard of Tulia with a big smile called himself and Lee Rushing the sports of Newlin. Sorry Lee could not be here.

J. B. Reed and daughter, Mrs. Lee Wattenberger, also Lee, were here, all from Midland.

Old Chas. Whitacre and wife from Lubbock were on hand. We remember Chas. working in the Farmers State Bank at Newlin, and remember Mrs. Whitacre as the pretty Thornton girl from Newlin.

All smiles were Jimmy and Rae Bass of Dallas—remember Jimmy cashing my little check in the Hall County Bank and also in the grocery store peddling pruns. Rae Bass' dad, the late W. A. Johnson, bought out the Hall Co. Her-

Lions Club To Hold Annual Broom Sale Soon

The Memphis Lions Club will have their annual broom sale next Thursday, Sept. 26, President James Van Pelt announced this week.

"The money raised on the selling of the different items will go to helping pay for the club's numerous projects throughout the year," the president said.

Joyce Webster is chairman of the special committee and Lions Club members will be out that day canvassing the town.

A partial list of items which members of the club will offer for sale is as follows: warehouse and house brooms, ironing board covers and pads, pot holders, dust cloths, skirt hangers, brushes, cup towels, mops, door mats and floor brushes.

Selling teams will be on the streets during the morning, afternoon, and evening, President Van Pelt said.

Cub Pack 35 To Have Meeting Tuesday Night

The monthly Pack meeting of Pack 35 and an open house for all boys ages 8 through 10 interested in Cub Scouts will be held in Travis Cafeteria at 7:30 p. m. Tuesday, Sept. 24, Cubmaster J. O. Dixon said Wednesday.

"Those interested in becoming Cub Scouts should bring one or both parents to the meeting," the Cubmaster said.

Any mother interested in becoming a Den Mother is requested to be present as the Pack needs at least three more dens, he said.

Refreshments will be served. The Cubmaster also urged all Cub Scouts to be on hand as the dens will be organized at this meeting.

Jaycees Present Certificates To Outstanding Boys

The Memphis Jaycees at their Tuesday night meeting presented four members of the Memphis Cyclone team with certificates naming them outstanding for their play in the past two football games.

For play in the Price College game, Donnie Bridges, the Cyclone's junior center, a 143-pound linebacker, was presented with the Outstanding Lineman award.

Also in the Price College game, Jack Stargel, a halfback who was in on two touchdowns plays, was presented the Outstanding Back certificate.

The Jaycees presented Johnny Edwards the Outstanding Linebacker certificate for the Crowell game for his fine line play.

Toby Crooks, the Cyclone's speedy halfback, was presented the Outstanding Back certificate for play in the Crowell game.

The Jaycees will present two Cyclones each week, certificates for play above and beyond the call of duty while wearing a Cyclone football uniform, it was announced.

Miss Judith Smith, A. D. Britt Wed In Illinois Rites Sept. 5

Miss Judith Rosalie Smith, daughter of Mr. and Mrs. Clyde D. Smith, Tonti Road, Salem, Ill., became the bride of A. D. Britt, son of Mr. and Mrs. Admiral Dewey Britt of Estelline on Saturday, Sept. 7, at 4 p. m. The double ring ceremony was performed in the First Presbyterian Church of Salem with the Rev. Emil G. Sauser of Salem and the Rev. Charles E. Howe of Carbondale officiating.

The bride's sister, Mrs. George W. Dorrance, Jr., of Houston is honor attendant and Mrs. Ian Brown of St. Louis, Mo., served as bridesmaid. Best man was Dr. Ian Brown of St. Louis. Robert Kreilick, also of St. Louis, served as groomsmen, and ushers were Walter Bruning of St. Louis and Terrence Stevenson of Salem.

The church was decorated with large baskets of yellow and white gladiolas and mums and each pew of the church was marked with alternating yellow and white bows.

Organist for the occasion was Miss Marie Kremer of St. Louis who played organ compositions by J. S. Bach and Marcello as the guests were seated. Before the

ceremony trumpets played by Mrs. Donald Shearer and Miss Mary Carol Francis joined Miss Kremer in performing "My Spirit Be Joyful" by Bach. An organ prelude by Bach was the processional, and a trumpet voluntary by Purcell was the recessional.

The bride was escorted down the aisle by her father. Her floor-length gown, which was made by the bride and her mother, was of white peau de soie in princess style with a chapel train and inset lace sleeves. Her veil of bridal illusion was held by fabric roses. Her only jewelry was a single strand of pearls, an engagement gift from the groom. Her bouquet of white roses featured three yellow roses in the center.

The matron of honor and bridesmaids wore identical gold peau de soie floor-length gowns with matching peau de soie head pieces. Their flowers were yellow roses with three white roses in the center.

The bride's mother wore a two-piece champagne-colored silk suit with lace applique around the neckline. Her accessories were of a darker shade. The mother of the groom was attired in blue silk with white accessories. Both mothers had large orchid corsages.

A reception was held immediately following the ceremony at the Salem Elks Club. A tiered wedding cake topped with yellow and white roses, identical to those in the bride's bouquet, was centered on a linen covered serving table. Adjacent to it was the groom's cake. Decorating the table was an arrangement of large yellow and white mums, a gift from the groom's parents to the bride's parents.

Assisting at the reception were Miss Leila Cope, Mrs. Lorin Cope,

Mrs. Bessie Cope McMackin, Mrs. Ray Baldrige, and Mrs. Lena Williams of Salem, and Mrs. Donald Donahue and Miss Sandra Donahue of Evansville, Indiana. Peter Thompson of St. Louis played piano music for dancing.

The bride received her B. A. degree from Washington University and is a former student of the Hochschule fuer Musik in Munich, Germany. She is now completing her master's degree in musicology at Washington University. She is a member of Phi Beta Kappa, Mu Phi Epsilon and Alpha Lambda Delta.

Mr. Britt received the B. S. degree from West Texas State College, the M. A. degree from Washington University and is now completing the Ph. D. in physical chemistry at Washington University. He is a member of Phi Beta Kappa and Sigma X and was a Van Blarcom Fellow during his graduate studies.

The couple plan an extended honeymoon trip through the Southwest and the Western States after which they will reside in Chicago where Mr. Britt will be a research associate at the University of Chicago.

Out-of-town guests attending the ceremony were Mrs. Lina Smith, grandmother of the bride, and Mr. and Mrs. Evan Smith of Belle Rive, Ill., the groom's parents of Estelline, Mr. and Mrs. C. Barney Cannan, David, Gail, and Gene of Pratt, Kans., Dr. and Mrs. Robert Esterlund and Mrs. Jacob Kremer of St. Louis, Dr. Lorin McMackin of Fairfield, Jack Scheretz of Columbus, Ohio, Misses Lena and Lorraine Smith of Mt. Vernon, Ill., and Mr. and Mrs. Woodman, Mark, Clare, and Ann of Philadelphia, Pa.

thing old, something new, something borrowed and something blue" with a six pence in her shoe. The something old was a single strand of pearls belonging to her grandmother, Mrs. W. M. Cofer, a gift to her in 1919. Rodney Clark of Lakeview served as best man.

Mrs. Cofer chose for her daughter's wedding a blue dress accented with beige accessories while Mrs. Skinner wore a blue dress with matching accessories. Both wore corsages of white carnations.

Immediately following the ceremony, a reception was held at the home of Mr. and Mrs. Coleman Duke. The bride's chosen colors of pink and white were noted in party decorations.

The bride's table was laid with a white silk organza cloth adorned with lace medallions and centered with an arrangement of beaded pink grapes and ivy. Miss Tommy Lou Payne presided at the silver punch service while Miss Sandy Verden served the two-tiered wedding cake decorated with pink roses and topped with a miniature bride and groom. Served with the cake and punch were wedding bell mints.

Mrs. Coleman Duke registered the guests. Both the bride and groom attended Lakeview schools. Mr. Skinner graduated with the class of 1963 and attended Clarendon Junior College this past summer. Following a short honeymoon trip, the couple are now at home

Estelline News

Weekend visitors in the home of Mary and Hulen Clifton were their son, Hulen, Jr., wife, Darlene, and three children, Bobby, Vicki, and Debbie, all of Crosbyton. Incidentally, Mary and Hulen never did get off to Ruidoso and Creed last week as scheduled.

Mrs. J. E. Hudlow, Sr., and son, Jimmy, were in Wichita Falls several days last week visiting her mother, Mrs. G. T. Holmes, and several of her sisters. She only has five living there.

Mrs. J. H. Hayes had most of her children home last week. Jake and Dorothy Huckaby and two girls of Amarillo; Harvey and Jimmy Nell Tallon and four children of Fort Worth; Bobby and Paula Hayes and Mickey from Outer Space; Ray and Ellen Hill and two children from Iowa Park and Linda Hayes from Amarillo were visiting her.

Gaynelle Price, daughter of Ada and Arle Jones, is now living in Morton and working as a receptionist for a dentist there while her husband, Gayle, is overseas.

Carroll Weatherly of Cleveland, Tex., has been visiting in the home of Doris and Frankie Longbine and family.

Paula (Knox) Hayes and Mickey have moved back to Estelline in their trailer home and have it parked at the home of her parents, Mr. and Mrs. Ivan Knox. Bobby moved them home this week to stay until after he returns from Korea. He is due in San Francisco by the 27th of September but is visiting homefolks here at present.

Juanita and Claudia Welch, James and Frankie and Ann and her parents, Bobbie and Jimmie Webb were in Faulkner, Kansas, over the weekend to inspect the ranch they have purchased there. The Welch family plans to move there about the 11th of October. Beth spent the weekend with Brenda Kinard while her parents and grandparents were gone.

Joe Allen, local Methodist minister, and wife, Laurie, are the parents of a bouncing boy born in Childress hospital Monday, Sept. 16. He weighed 7 pounds and 14 ounces.

Mr. and Mrs. N. T. James recently had all their children home—Sammy and Rosemary and little John, all of Houston, Linda and Donald of Memphis, and Estelle and Olen King and four children from Fort Sill. Friends here will be interested in hearing that Sammy gave a report on his research work for the mathematical formula to land the two-man space

capsule. He gave this report to N.A.S.A. and I.B.M. and it was accepted. We are very proud of having a tiny claim on citizens such as this. We can also report that Estelle is having quite a time. She broke a toe and is on crutches. And young Sammy is now a first grader!

Myrtle and Leon Helm and Mike are certainly gadabouts. Two weekends ago they were at the Clinton-Sherman Air Force Base in Elk City, Okla., with Capt. Jack and Mrs. Helm and four children. This weekend she accompanied her parents, Mr. and Mrs. T. C. Harris, to El Paso to attend the funeral of a cousin.

Mr. and Mrs. Carl Butcher and Wanda Warren of Plainview visited Mr. and Mrs. Ben Raley and her mother, Mrs. Jones, over the weekend. Ben and Gertrude went to Quitman to visit Ben's parents and his sister. Her husband is still on the critical list after being injured in a truck accident several weeks ago.

Did you all know that Lulu Huffmaster has been "under the weather" for several weeks now, but is out "shaking a leg" again? We missed her while she was out of "pocket."

Mrs. Jim Longbine has been on the sick list. She spent several days in the hospital after she had injured her back.

We regret the passing of another Parnell pioneer, Carl Bowman. He was buried last Thursday after suffering a heart attack.

College students made their way back over the weekend. Noel Long, Sandra Wood, Billy Ferrel, Jo Beth Barnes, Donna Sue Edkins, Sandra Kay Rogers are all attending Texas Tech in Lubbock. Rusty Wood, Rolfe Wooten, Billy Dee Bowman, Mike Cope, Gene Nelson and Linda Bowman are all enrolled in West Texas State University in Canyon.

Cousins visiting in the Leon Phillips home this week were Mrs. Ester Ingram and Mrs. Powell Combs of Amarillo and Mrs. Roy Bartlett of Clarendon.

Dora and Ben McKinney, parents of Grace Richerson from Parnell, are spending the week here with Grace and Everett Richerson and Joyce.

Bruce Richerson, son of the Everett Richersons, and a 1963 graduate, left Amarillo Sept. 14 for Albuquerque on to California. He has joined the Navy and is scheduled to receive training in submarines.

Alpha and Son Wade have returned from visiting her parents

Van Heusen Shirts come to Augusta

When the Augusta, Arkansas Industrial Development Corporation set out to secure new industry, they came up with one of America's largest and most respected manufacturers of men's shirts.

The Phillips-Van Heusen Corporation, makers of famous Van Heusen shirts, was brought to this 2300 population town about a year ago. They employed local workers, instituted an intensive training program, and completed the first products in the brief time of 14 days. Such aggressive ac-

tion by local citizens and company officials has caused the plant to become a major factor in the local economy.

It is another reason we say General Telephone towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion, perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.

Home-Fronterhouse Nuptials Lead In Home Ceremony Sat.

Home and Junior Fronterhouse of Plainview were married at 4:30 p. m. in the home of the bride, Mrs. H. Fronterhouse, 222 South Fifth Street. Fronterhouse is the son of Mrs. C. G. Fronterhouse of Okla.

West of the Childrens Christ read the double arch before an arch of white and wedding bells. Floor baskets of pink carnations.

Williams, niece of H. L. Fronterhouse of the groom. Fronterhouse wore a pink dress with white accessories of white carnations.

After her wedding dress accented with

matching accessories and a pink corsage.

Mrs. Todd, mother of the bride, was attired in a beige lace dress with accessories of white, while Mrs. Fronterhouse wore a blue two-piece suit with white accessories. Both wore corsages of white carnations.

Immediately following the wedding, Mr. and Mrs. Todd were hosts at a reception. A three-tiered decorated wedding cake, topped with a miniature bride and groom, was served with punch to members of the wedding party and guests. Serving the cake and punch were Mrs. Mel Roy Cofer and Mrs. Si Rice, sisters of the bride, and Mrs. Arden Hawkins of Amarillo and Mrs. Jack Todd of Altus, Okla.

After a wedding trip to various points in New Mexico, Mr. and Mrs. Fronterhouse will be at home in Plainview.

Gamma Kappa Meets Sept. 14 At Wellington

Gamma Kappa Chapter of the Delta Kappa Gamma Society held the first meeting of the school year in Wellington, Saturday, September 14, in the home of Mrs. L. C. Sweatt, chapter president.

Miss Bonnie Willis of Wellington gave the invocation. Mrs. Velma R. Weaver of Clarendon, music chairman, directed the group in singing songs of the society. Miss Onez Blankenship of Clarendon, program chairman, discussed the programs for the year with the theme, "Changing Patterns in Our Culture." Mrs. Audrey Tribble of Memphis discussed scholarships and announced that Mrs. Betty Welch of Wellington was the recipient of a summer scholarship at North Texas State University.

Plans were discussed for the Panhandle-South Plains regional meeting to be in Memphis on October 12, "Delta Kappa Gamma On The Move" will be the theme for this area meeting of members from twelve chapters. Dr. Lola Beth Green, of Texas Tech, Lubbock, and Alpha State chairman of the Committee on scholarships, will be the regional director. Miss Mildred Hulsey of Tulsa, past state first vice-president, will be the luncheon speaker. Mrs. Sweatt is hostess chairman, with Misses Esta McElrath and Zady Belle Walker of Memphis as co-chairman.

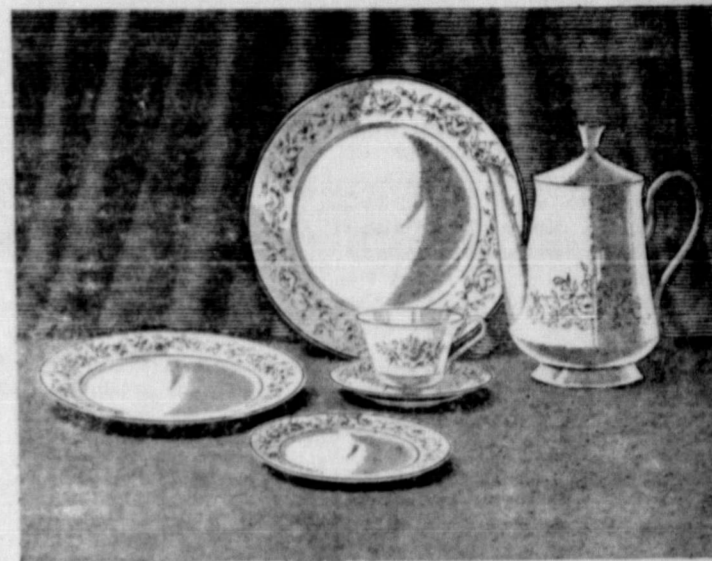

The Wellington members were hostesses at a picnic supper following the meeting.

Attending from Memphis were Mesdames Brunetta Morris, Reba Stroehle, Audrey Tribble, Inez Robinson, and Misses Alma Bruce, Ethel Hillhouse, Esta McElrath, Margaret McElreath, Zady Belle Walker, and Neville Wrenn.

Around and About

By HELEN COMBS

Through the diligent work and planning of the Hall County Picnic officers, the work of many interested clubs and organizations and individuals, the ninth annual picnic was a huge success—despite the threatening rain clouds which darkened the skies early in the morning. An estimated crowd of 2000 persons were present.

And, old man Weatherman was with the group. Light showers fell in the morning; the clouds lifted, and there was no more rain until about 4 o'clock, when about an inch fell in a short time.

It seemed to us there were more than the usual number of out-of-county visitors who returned this year to meet friends and relatives here. Many of the visitors had lived in the county way back in the early 1900's. As we helped register the guests, the thought came to our mind that Hall County must have been a good place to live in those days . . . there must have been a friendliness, love, goodness, kindness and charity among the early-day settlers. Why else would these people come from far-away places to spend one day visiting here?

We believe the small community has something to offer its residents that is not found in the cities. Perhaps many of us here have overlooked the fact. When picnic time comes, let us remember that our visitors return to Hall County for one reason, and that is to see their former neighbors and friends. Next year let's all make an effort to be present.

The Hootenanny, sponsored by the Federated Clubs to raise money for the municipal building now under construction, was most successful. The cooperation from the entire community was splendid and members of the clubs extend thanks to everyone who assisted with the project. A special word of thanks is extended to members of the Jaycees who sold tickets at the bridge for the affair.

And, speaking of the Jaycees, we have noted that this group of young men are doing a fine job in the way of community service. The organization is fairly new in Memphis. Its members are energetic and willing workers.

"The Wizard of Oz, now under rehearsal, is a musical play you will want to see. It is being presented by students of the Memphis High School Band and the Thespian Society at considerable expense, we understand. Bill Bradley and Mrs. Roy Guthrie, who are directing the play, have had assistance from students at West Texas State University on some of the dance routines, etc., we have been told. We are sure this will be one of the best productions to be presented by local students. Let's give this group our support by buying tickets and attending the play.

A recent vacationer was Peaches Harrison, who packed her suitcase overnight and joined Abbie Massey of Dumas, former Memphian, for a trip to California. The trip was made to take a car to Charles Massey, who is now living in California, and to visit with Mr. and Mrs. Charles Leeds in Hollywood. Mrs. Leeds is the former Margaret Ann Massey. While there, Mrs. Harrison also enjoyed visiting Mrs. R. E. Martin and son, Rueben, former residents. The two women vacationed en route to California. Peaches said she had visited the state several times, but this was her first time to drive out by car. They returned home via airlines.

Travel has not only proven to be interesting and educational for Lottie Kinard and Lenora Greenhaw—but they have made some lasting friendships with people throughout the area who were fellow-travelers. On Sunday they went to Edmonson where they attended a travelers' dinner at the home of Mr. and Mrs. Ralph Wheeler. More than 90 traveling companions were present for the affair which was televised by Cotton John, and will be shown later this week on his program over KGNC-TV, Amarillo.

PLANS SEPTEMBER WEDDING—Mr. and Mrs. Carl Clayton of 1421 Dover, Memphis, announce the engagement and approaching marriage of their daughter, Linda, to Coy L. Bartz, son of Mr. and Mrs. Lester Bartz of Sweetwater, Okla. Nuptial vows will be exchanged in the Travis Baptist Church Sept. 27. Friends and relatives of the families are cordially invited to attend.

week in the home of Lottie and Cheyenne Wells, Colo., who accompanied them home from Edmonson for a week's visit here.

She made the trip around the world with Lenora several years ago and was in South Africa with Lottie last spring. An informal coffee at Odom Restaurant Tuesday morning honored Mrs. Quinn.

Back to the picnic: Lucile Wright, who was in charge of desserts, asked us to express to local residents appreciation for the fine response made in bringing desserts and salads. There was plenty of everything, she said. Several dishes were left at the park that do not have names on them, and they are now at The Democrat office. Persons who are missing dishes should come in and pick them up. Also, it seems a few dishes were carried away by mistake . . . so, if you reached home with the wrong dish you may bring them in and exchange.

Remember the Community Calendar being compiled by the Business and Professional Women's Club. Calendars are \$1.00 each, and birthday and anniversary listings 25 cents each. If you would like your name on the calendar, you may leave your money with Cora Belle Alexander, president of the club, at Lemons Furniture Co., or here at The Democrat office. Listing must be made before Oct. 1.

Family Night Is Planned By IOOF For Thursday

The Oddfellows and Rebekahs will have a family night at 8 p. m. Thursday, Sept. 26, at the Oddfellow Hall, it was announced this week.

Linda Snider, who attended the United Nations Pilgrimage, sponsored by the Oddfellows and Rebekahs this summer, will speak and show films of her trip.

She is the daughter of Mr. and Mrs. L. B. Snider. Refreshments will be served, and the meeting is open to the general public.

Panthers To Host Vernon Bobca's Sat.

The Morningside Panthers will host the Booker T. Washington Bobcats of Vernon in their opening game of the season at 8 p. m. Saturday in Cyclone Stadium here.

Coach George Berry said that this year's team has 30 boys on it.

The starting lineup for the Panthers include: Lorenzo Graver, re; Clemmie Johnson, rt; Gilbert Devorce, rg; Willie Howard, c; Lonnie Ray Lewis, lg; Clyde Wilson, lt; Odell Lewis, le; Earl Jenkins, qb; Clarence Sims, rb; Ralph Ganaway, fb; and Mariland Sims, lh.

Coach Berry said this year's team is not as large or as experienced as last year's squad.

"We only have five starters back," he said. "We should make a pretty good showing since our boys are in good shape."

Other members of the team include: William McFalls and Joe Willie Lamb, ends; Archie Smith, and John L. Lewis, tackles; C. Walker, center; Sammie Sholes and Roy Lee Barlow, guards; and backs, Dwayne Jones, Lawrence Gardner, Author Fields, Kenneth Carnish, Kenneth Fleeks, Henry Garrett and Ellis Williams.

Trainer is Timothy Thurman, and manager is James Brim. Elroy Wilson is the team's assistant coach.

Mrs. E. H. Stanford is visiting in Abilene this week with her daughters, Mrs. Helen McMurry and Mrs. Raymond Tomason and family. Mrs. McMurry visited here over the weekend and Mrs. Stanford accompanied her home on Sunday.

One state only, Nebraska, has neither a state individual income tax nor a general sales tax. In 1962, 35 states had state income taxes; 37 states had general sales taxes.

Mrs. F. Griffith Receives Memorial Certificate

Mrs. Florence Griffith, 74, of N. 7th Street, received a Memorial Certificate of Appreciation from the Fairview Cemetery Association on March 29, 1961, and a Fairview Cemetery in Memphis.

Mr. Griffith was a World War I. He served in the Army and was stationed during the war.

The certificate, presented by President John L. Griffith, was presented to Mrs. Griffith by the association.

"The United States honors the memory of Lottie Griffith. This certificate is a grateful recognition of devoted and conscientious service to the country in the Armed Forces of the United States."

tops, station wagons and convertibles.

Fourteen different exterior colors and 16 subtle two-tone combinations are offered.

Interiors are luxurious in appointment and practical in instrumentation and control.

All 1964 Dodge models except station wagons are built on a 118-inch wheelbase. The over-all length of sedan, hardtop and convertible models has been increased almost two inches. Headroom has also been increased in both the front and rear. And there is a higher level of comfort on all models.

Buyers of the 1964 Dodge have a choice of six engines. The six-cylinder powerplant has a displacement of 225 cubic inches and a higher compression ratio (8.4 to 1), which improves fuel economy.

Like the six-cylinder engine, the standard 318 cubic-inch V-8 operates efficiently on regular grades of gasoline.

The 1964 Dodge also offers a choice of three transmissions; a three-speed manual, a four-speed manual and the three-speed

Locals & Personals

Mr. and Mrs. R. D. Starkey of Long Beach, Calif., are visiting at Estelline this week with Mr. and Mrs. Albert Ward. Mr. Starkey is a sister of Mrs. Ward. The Starkeys are former Hall County residents.

Mrs. Helen Adcock and Miss Mary Morrison of Childress visited here Sunday and attended the Hall County Picnic.

Mr. and Mrs. R. L. Lester, Memphis; Mr. and Mrs. Lloyd VanDeventer and Miss Mary Ruch, Amarillo; enjoyed the weekend in Cisco, Tex. They visited Mike VanDeventer and attended the football game Saturday night in the Peanut Bowl at Eastland. Mike is a member of the Cisco Junior College Squad, playing a guard position. Cisco College won the game and retained the trophy

TorqueFlite automatic transmission.

Other chassis innovations include: larger batteries, a new design for the automatic choke, more splash shields for better protection against corrosion, better wiring insulation, improved closed- crankcase ventilation, a new full-flow oil filter for automatic transmissions and many other clutch, transmission and axle refinements.

The Dodge '64 also features a variety of safety and driver-convenience items. A new door latch has nearly twice the strength of earlier safety mechanisms.

A lower brake pedal facilitates faster transfer from the accelerator to the brake for the right-footed braker and allows a more comfortable foot position for the driver who brakes with his left foot.

Passing performance is improved by a carburetor development that makes possible more power before the transmission shifts into passing gear.

Another safety feature is the optional instrument panel pad, which extends across the full width of the panel. Seat belt installation is neater and does not obstruct the rear floor space. Seat belts, which meet the high standards of the Society of Automotive Engineers and Underwriters Laboratories, are supplied at cost on all Dodge cars.

for another year. Mr. and Mrs. Bill Lester and Billy and Bobby of Lubbock also attended the game, after being in Dallas where they had taken their son, Bobby, for a medical check-up after having ear surgery earlier this summer.

Mr. and Mrs. Hiram Crawford had as weekend guests her aunt and uncle, Mr. and Mrs. J. J. Walker, of Canyon, and cousins, Mr. and Mrs. Felix Neff, of Omaha, Neb. Former Hall Countians, the visitors attended the picnic on Sunday.

NUMBER 2

Wanted!

Cyclones disguised as cowboys Friday, Sept. 20, to help scalp the Chiefs. This will be the theme of the pep rally which will be held at 3 p. m. Friday.

New Teaching Aid In Use At Austin

A new teaching device is being used in the third grade class at Austin School. It is a bulletin board "Vowel" Circus in color, which is very lively. The clowns juggle the vowels. The center ring with the animal trainer, displays the consonants with the balloon man and the clowns. This circus can be used for any other subject as all parts are reusable.

Wildcats Down Cyclone 22-0 At Crowell Friday

The Memphis Cyclone, after winning their first game of the season 34-28 over Price College, lost their second game Friday evening to Crowell Wildcats 22-0.

Crowell's scoring came in the closing seconds of the second quarter when the senior fullback, Larry Henry, returned a Cyclone punt down the sideline 64 yards for the touchdown, to break the game open.

Prior to this time, the Cyclone defense had held the Wildcats to only two first downs.

The Wildcats scored again a minute later after blocking a Cyclone punt, giving them the ball on the Memphis 23. Again it

was the Wildcat's hard-running fullback, Larry Henry, who carried over from the Memphis eight after he had carried the ball on three previous downs.

Crowell's quarterback, Mike Bird, tossed two passes for extra points after both touchdowns. The first was to End Mike Shrode and the second to Henry.

The halftime score was 16-0. The game's only other touchdown came in the closing minutes of the third quarter when Crowell got a drive underway which carried down to the Cyclone 21. On a second and 14 situation, Crowell's quarterback, Bird, carried on a roll-out pass-on-run op-

tion play around right end, when he reached the sideline he cut back across field and out-ran the Cyclone secondary.

Game At A Glance

The first quarter of the game could be summarized as a tough, hard-hitting defensive battle. The Cyclone moved the ball well after receiving the opening kickoff, going to the Crowell 41 before losing it on an interception. Then Crowell moved for two first downs, before being stopped by the Cyclone defense, and they punted.

The rest of the first quarter and several minutes of the second were taken up with a defensive tussle with neither team being able to take advantage of the breaks.

However, Crowell broke the game open in the last minutes of the second quarter with two quick touchdowns and two extra-point conversions, giving them a comfortable halftime lead of 16-0.

The third period got underway with Crowell receiving the ball. The Cyclone again held them and Crowell punted.

Memphis took over on their 33. On the third down, Quarterback Jimmy Sturdevant connected with the only pass of the night for Memphis, hitting End Jim Odom for a 37-yard gain to the Crowell 28. But two plays later Crowell recovered a Memphis fumble, and the Cyclone was again on the defensive.

Then, Crowell's Quarterback Bird, a 160-pounder, started faking the pass on the roll-out, and the play worked for good yardage every time until Crowell scored on his 24-yard run.

Memphis took over from their 37 after the kickoff, and on their only sustained drive of the night marched to the Crowell 2-yard line before being stopped. The drive was kept alive at mid-field when roughing the kicker was stepped off against Crowell.

The most spectacular run of the night for Memphis was turned in by Toby Crooks when he broke loose on a dive play and raced 20 yards to the 2-yard line before being knocked out of bounds.

Crowell's defense rose to the occasion and held Memphis four downs, denying the Cyclone their only scoring opportunity.

The rest of the game was a see-saw battle with neither team gaining the advantage.

Statistics

Memphis	Crowell
6 First Downs	13
56 Yards Rushing	215
27 Yards Passing	27
93 Total Yardage	242
2 Fumbles Lost	0
1 Int. Pass	0
4 Inc. Pass	4
3 for 31 Punt Av.	5 for 33
2 for 10 Penalties	6 for 50

Toby Crooks carried 11 times for 32, averaging 3 yards per carry. James Waites carried 12 times for 28 for an average of 2.3. Don Craig carried four times for 11, for a 2.8 average. Mike Crow carried four times for 2 yards; Jack Stargel (who saw only limited action) carried twice for 7 yards; Quarterback Sturdevant carried six times for minus 7, and Hoot Jones carried twice for minus 17. Crowell's defense stopped the Cyclone passing game with a hard rush which accounted for the minus yardage by the quarterbacks.

Cheerleaders Are Commended For Work With Group

The cheerleaders should be commended for doing a fine job. Although the first pep rally was a failure, they made up for it last Friday. It was noticeable that they also had more and better support from the student body.

Cheer leaders are responsible for school spirit in many ways, and they have brought up the spirit by hard work and desire.

A sincere thanks is in order to this year's cheerleaders, who are: Jimmie Ward and Kay Wines, seniors; Kay Lynn Martin and Gayle Widener, juniors; Susan McQueen, freshman; and Zee Yarbrough, pre-freshman.

"B" TEAM LOSES GAME

The Memphis "B" team met the Wellington "B" team last Thursday, but due to some difficulty lost 26 to 0.

Canadian is next to meet Memphis "B" Sept. 26, at Canadian. The game will start at 6:30 p. m.

Cyclone Band Bus Breaks Down On Crowell Trip

Members of the Cyclone band would like to say "Thank You" for all the help you extended the band Friday night, Lowell McKown, reporter, stated this week.

The number two bus developed engine trouble on the trip and arrived in Crowell just 15 minutes before game time. It is a custom for the band to rehearse the show just before game time, and the late arrival of half the band members made this impossible.

After the game, thinging the bus had been repaired, the band members proceeded to make a return trip home. It took two hours to make the trip from Crowell to Quannah. "That was the best steak, fries and gravy I ever ate in my life," said Suetta Lemmon at 1:30 a. m. Saturday morning when she had finished eating what was supposed to have been her Friday night supper.

The bus was left in Quannah for repairs and the band members were crowded into available cars to return home.

G. W. Lockhart made two trips to Memphis to get all of the Memphians home from Quannah. Others helping were Les Sims, Gene Lindsey, Mr. Carroll, John Ferrel, Mrs. Hillhouse, Dr. Aronofsky, Lynn McKown and Mrs. Mildred Monzingo.

Sixth Graders Assume Many Responsibilities

Mrs. Wendell Harrison's sixth graders at Austin Elementary School have been given many new responsibilities this year. Among these responsibilities are: assisting in the fire drills, supplying workers for the cafeteria, providing boys for the Projectionist Club.

Also they are in charge of raising the flags on the new flag pole. It might be noted that all three schools have new flag poles.

"And this is very important as loyalty and love of country are very important things in our lives," commented one student.

New Equipment For Laboratory To Arrive Soon

Mrs. Inez Robinson stated this week that she has found a well equipped laboratory in the local high school. And, with the equipment she brought, furnished by the Atomic Energy Commission, and the budget allowed her by the administration, many experiments can be performed by the students.

New equipment ordered includes more glassware such as beakers, test tubes, etc. Spring balances, door bells, steam boilers, hydrometers, hand lenses, dissecting kits and conductivity apparatus are some of the items expected to arrive soon.

Junior High Students Elect Class Officers

The Memphis Junior High students elected class officers Friday morning. Students in the eighth grade named these officers: Sandra Saye, president; Tony Pounds, secretary; Judy Moore, secretary-treasurer; Cynthia Evans, reporter.

Elected as officers of the seventh grade were: Karen Ann Nunnell, president; Jo Ella Posey, vice president; James Spruill, secretary-treasurer; Vicki Hooser, reporter.

STUDENTS BUY INSURANCE

Many students in the public schools took out accident insurance this week. The policy offered two options. They were: a 24-hour plan which covered the student anywhere at any time; and a school plan which covered the student at school, and going to and from school.

This plan of insuring pupils is very important. As for the money involved, it is worthwhile to all, who have its coverage.

Report On—New Teachers

The new teachers of Memphis High School when asked about their previous jobs gave the following answers:

Charlie Chambliss — taught American History and was football coach in Canyon. He is presently teaching American and World History in addition to being head football coach. He has a BS and ME degree.

Bert Glascock — taught science and P. E. in Canyon. He is now teaching science and is assistant football coach. He has a BS degree.

Mrs. Holcomb — taught P. E. and science at Central High in Marlow, Okla. She is now teaching P. E. in Memphis High School. She has a bachelor of science degree.

Milton Miller—taught American and World History and Civics at Roy's Ranch. He is basketball coach here in addition to teaching history. He has a bachelor of science degree.

Mrs. Robinson — taught chemistry and physics in Dimmitt. She is the science teacher for MHS. She has a BS and master's degree in science.

Miss Rountree — taught on a Navajo reservation in Arizona. She is the Memphis High School Librarian. She has a BS degree.

Mrs. Tribble — former librarian on co-operative basis at Lakeview, Estelline and Turkey. She is now teaching general business, typing and shorthand. She has a BA degree.

Mr. and Mrs. J. W. Vallance, accompanied by Mr. and Mrs. Jake Lamb of Friona, have returned home after enjoying a 10-day vacation trip to several states. While gone they visited Yellowstone National Park, Salt Lake City and drove through the Black Hills of South Dakota as well as visiting several other points of interest.

Memphis High School Classes Elect Officers At Class Meetings Recently

Students of Memphis High School elected class officers in meetings last week. The following were elected:

Senior class: president, Exie Hughs; vice president, Billy Foster; secretary, Francis Myers; treasurer, Kay Wines; reporter, La Quitta Baten; and Student Council representative, Sarah Beth

Montgomery. The class is sponsored by Mrs. Clenton Srygley and Milton Miller.

AUSTIN LUNCHROOM NEWS

The Austin School lunch room has gotten off to a good start, according to the ladies who operate it.

During the week of Sept. 9-13, the lunch room was honored with two visitors, Mrs. Godfrey and Mrs. Richards. They ate lunch with the students Thursday.

Also on display at the lunch room is a scare crow, which will be used in the play, "Wizard of Oz."

It was announced that visitors are always welcome.

ALMOST A TD—Shown above is Toby Crooks, No. 30, the Cyclone's speedy halfback, shown making a break for the sideline in the fourth quarter of the Memphis-Crowell game. Crooks was knocked out of bounds on the Crowell two-yard line after a gain of 20 yards. Crooks and Johnny Edwards, shown at the left of the picture wearing No. 72, were named outstanding back and lineman, respectively, for their play Friday night by the Memphis Jaycees. They were presented certificates by the organization.

OUR FLAG

(An Editorial)
by Kay Stinsman

Have you noticed the new flag? What do they mean to you?

"Stars and Stripes" were first used by Betsy Ross. The flag had 13 stars and 13 stripes. How many students care to know that the red and white stripes represent the 13 original states? The blue field with the stars represents the new states.

Do you realize that flag for the freedom you and me around you shares. The flag that enables you to multiply in number. Our flag is not just a piece of material stuck to a pole. It is a symbol of LIFE, LIBERTY, and the PURSUIT OF HAPPINESS.

"OLD GLORY"

Living before your eyes as a symbol of freedom, a symbol of the pictured suggests that big thing which makes our stars and stripes. My stars and my stripes are your dream and your dream is our future. They are bright with cheer, and with courage, firm with resolve, because you have made them yours.

BOYS REPORT

ON GIRLS
by Janice Pounds

Each week we hear from five boys their opinion about girls. My opinion about girls is that they are a lot of fun. I don't see a carload of girls riding around together, nor do I see a girl talk about anything on a date. I like girls who are not too talkative.

James Waites likes girls who keep telling him she likes him. Girls like to be active in school functions like the casual way girls like; they are too formal.

Brad Posey likes girls who are pretty good people. I like a girl to wear too much make-up, or "puffy" hair. However, I do like them to have their hair in a flip. Also, casualness in clothes and

Bill Pounds likes a charming, sincere and friendly girl. I don't like for a girl to accept a date and then back out with some excuse saying she can't go. All in all, girls are great, and, as every boy, I like them.

Noel Clifton likes a girl who is unselfish and friendly. I like a different girl every day because I don't like more than one girl at a time.

Donnie Bridges

Summer Experiences

Donnie says his summer was a lot of fun. He went to the City Swimming Pool. The pool is surely appreciated by everyone.

Mrs. W. C. Davis went on vacation in California. She visited Mrs. Davis in San Bernardino and the La Jolla Beach. They had a very enjoyable trip through the planned community, Rancho Bernardo, and the model homes, and completed Bernardo Inn.

They went to the Redlands Bowl, and through Sun City with Mrs. Davis. Sun City is a planned community for senior citizens.

Edwin Gilliams Move To Tenn.

The Edwin C. Gilliams left Saturday for Jackson, Tenn., where they will make their future home.

Mr. Gilliam will teach guitar and handle musical instruments and supplies.

The Gilliams mailing address will be 1015 Campbell Street, Jackson, Tenn.

Gilliam said, "we regret leaving our dear friends in Memphis and we would like to thank them for all their past kindnesses and considerations."

"However, my opportunity looks greater there for the business I am going into," he said.

Mr. Gilliam has been a resident of Memphis all of his life. He married Florence Gardenhire, a Memphis girl, and they have been residents here for the past 20 years.

He has been a partner for the past 22 years with his brother, Gordon, in the Gilliam Bros. Ons. Agency. Gordon Gilliam will continue in the business here.

Chevrolet Truck Line Is Display Now

Improvements and heavy-duty wiring harness in medium- and heavy-duty models.

6. Addition of three diesel models in the heavy-duty tandem line and four new square-front, high-cube forward-control 3-4- and 1-ton van models.

7. New optional higher rear axle capacity of 23,000 lbs. in the heavy-duty series.

8. Larger, more powerful engine with added durability features in the Corvair 95 line, along with heavier muffler, higher capacity generator, and more rugged clutch.

Three new diesel-powered tandem models are offered by Chevrolet in 1964 to bring the economy of diesel operation to mixer, dump, and other construction jobs requiring dual-drive axle equipment. They will be available in three wheelbases of 145, 163, and 181 inches.

In combination with a Hendrickson suspension, two Eaton axles provide a bogie rating of 30,000 lbs., with a heavy-duty 34,000 lb. unit available as an option. Front I-beam axle with a 7,000 lb. rating is standard, with 9,000 and 11,000 lb. axles optional. The engine is a 6V-53 G. M. diesel developing 195 hp.

Most notable change in the Corvair 95 engine is an increase to 164 cu. in. displacement, raising the horsepower to 95 from 80. A high-performance version, rated at 110 hp., is available as an option. Several internal changes have been made to improve durability.

Extended-life starting motors are used with all gasoline-powered engines in the 1964 line. A sealed motor drive assembly prevents contamination by dust, oil, and moisture, assuring more trouble-free performance.

The 1964 truck line is now on display at Potts Chevrolet Co. in Memphis.

Mr. and Mrs. Hubert Jones were in Boulder, Colo., Monday and Tuesday where they transacted business.

Wider door openings in Improved 1964 Chevrolet Trucks

New forward slanting windshield pillar provides roomier door openings for easier entry and exit in 1964 Chevrolet trucks with regular cabs. Other features include longer lived lamps and exhaust systems, lower transmission hump in most pickup models, more positive door latches, and improved insulation for quieter, more weatherproof cabs. Corvair 95 engines have been increased to 95 horsepower from 80. The new 1964 Chevrolet truck line also incorporates all the major chassis, engine, and body advances made under a five-year program which began with 1960 models.

OUR SOIL ★ OUR STRENGTH
Hall County Soil Conservation District News

A farm or ranch is a place that must produce foods, fats, oils and fibers for an expanding population without permanent damage to the soil. At the same time we must look to the land for recreation and relaxation. The farms and ranches of the Hall County Soil Conservation District can provide hunting and fishing as well as produce the foods and other materials needed.

Land primarily suited for cropland or rangeland produces wildlife as a secondary crop. In addition there is land on almost every farm that can and should be used to produce wildlife as a primary crop—it is wildlife land. Small areas of wildlife land well distributed over the farm or ranch when coupled with proper use and management of other land make the whole farm an efficient unit for the production of all crops including wildlife.

There are no two kinds of wildlife that have the same requirement for living. However; it is safe to say that all kinds of wildlife need food, cover and water. To be the most useful food must be plentiful and close to cover that will furnish protection from enemies and weather. Food must

be available in season when it is usually scarce. The most critical season for wildlife food is winter and early spring. There are no insects during these seasons and most of the wild fruit and other foods are gone. Snow and ice may cover waste grains.

Most kind of wildlife need several kinds of cover. Cover must conceal nest and the young, provide shade from the hot sun and shelter from the chilling rains and also a place to escape from enemies. Good management of cover for wildlife will consist of unburned fence rows, ungrazed areas or corners.

Farmers and ranchers in the district can promote more wildlife on their farms and ranches by leaving the last row or two of milo near windbreaks, fence rows, ditch banks or other odd areas that have protective cover for wildlife.

If you are interested in developing more wildlife on your farm or ranch contact your Soil Conservation Service personnel for information and help.

Many Former Residents Return For Picnic Sun.

A total of 1337 persons registered Sunday at the annual Hall County Picnic. The crowd was estimated at close to 2,500 persons as many local residents as well as some out-of-town visitors failed to sign the register.

Threatening showers in the early morning cleared by noon to provide ideal weather for the annual reunion. Local residents and former residents of the county enjoyed the delicious barbecue meal and an afternoon of visiting.

Former residents from many towns in the area and from several states as far away as Calif., were present this year.

According to Tops Gilreath, registration chairman, the following out-of-town persons registered:

Announcing Plymouth and Valiant for 1964

Sport Fury 2-door hardtop

This good-looking 1964 Plymouth really gets up and goes and has a 5-year/50,000-mile warranty* to keep it going that way.

This is the brand-new Plymouth for 1964. It is clean, simple, modern in every line. It is quick, alert, vigorous in every move. And it is backed by a tough 5-year/50,000-mile warranty* on the parts that keep you going . . . the engine and drive train. If this is the year you picked to buy a new car, you picked a beautiful year to Get up and go Plymouth!

Signet 200 2-door hardtop

This smart-looking 1964 Valiant is a hummer in its own right and it's the low-priced compact with a 5-year/50,000-mile warranty.*

It would take a lot of compact to top Valiant this year. Take styling. Valiant has more charm all around than most compacts. Take performance. Valiant's standard 101-hp engine is where the word "hummer" comes from. Take quality. Valiant's 5-year/50,000-mile engine and drive train warranty* speaks for itself. Take a test drive. Soon.

Valiant/64 style Best all-around compact

*HERE'S HOW THE 5-YEAR 50,000 MILE WARRANTY PROTECTS PLYMOUTH AND VALIANT OWNERS: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship, and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.
