PLAN REGIONAL MEETING—Committee Chairmen from the Gamma Kappa Chapter of Delta Kappa Gamma look over last minute plans for the regional meeting to be held here Friday and Saturday. Approximately 150 Delta Kappa Gamma members from the Panhandle-South Plains area are expected for the meeting. Pictured above, standing from right to left, are Miss Alma Bruce, Miss Zady Belle Walker and Miss Esta McElrath. Seated are Mrs. Clarence Morris, Mrs. Homer Tribble and Mrs. Reba Stroehle.

150 Are Expected For Regional Delta Kappa Gamma Meeting

Approximately 150 Delta Kappa Gamma members from the Panhandle-South Plains area are expected in Memphis this weekend to attend the regional meeting of the organization.

Funeral Services Held Monday For Mrs. L. Mills

Funeral services for Mrs. Lillian M. Mills, 75, mother of Mrs. Robert Spicer, were conducted at 10:30 a. m. Monday from the First Christian Church with Minister Tom Posey officiating, assisted by Minister Everett Stevens of Amarillo.

Democrat's Cotton Guessing Contest Is In Its Second Week

As in the past, the Annual Cotton Guessing Contest sponsored by this newspaper got off to a slow start during the first week, because many guessers like to wait until the last minute to see when that all-important first freeze will hit the county.

As of late Wednesday, 24 persons had entered their guesses, which is about normal for the first week the contest runs.

On the whole, most of the guesses submitted so far have been from 10,000 to 20,000 below the official cotton yield figure of 61,433 bales.

The Deadline
The deadline for entering the contest is Saturday, Oct. 26. All readers are eligible to enter. All a person has to do to enter is come by the office of this newspaper and make a prediction. Or, if more convenient, mail a card or letter to The Democrat, Box 192, Memphis, and list your name, address and guess. No entries will

be taken over the telephone.

Submitting Guesses
Those submitting guesses this week include: W. B. Wilson, Sr., 45,298; Mrs. W. B. Wilson, Sr., 44,039; Bob Giese of Amarillo, 43,240; Dink Miller, 46,200; J. M. Ferrel, Jr., 48,911; Thomas Adcock, 45,111; R. E. Durrett, 51,320; Mrs. B. E. Durrett, 50,609; Ed Slough, 43,050; Clint Srygley, 53,313; Pansy Srygley, 43,313; Mrs. H. E. Childress, 49,

Registration for the regional meeting will start at 9 a. m. Saturday morning at Memphis High School. Gamma Kappa members from Collingsworth County are in charge with Miss Bonnie Willis of Wellington as chairman. Local members assisting are Mmes. Audrey Tribble, Gladys Ballard and Marjorie Bain.

will serve coffee following registration. Miss Tops Gilreath and Mrs. Velma Weaver will alternate at pouring coffee.

Miss Esta McElrath is in charge of exhibits of yearbooks, scrapbooks, chapter activities, and unusual program ideas which may be viewed before the morning session begins in the High School Auditorium.

Mrs. Audrey Tribble is in charge of auditorium arrangements, assisted by Mrs. Inez Robinson. A luncheon in the Travis Cafeteria will conclude this regional meeting. Local members in charge are Mrs. Reba Stroehle, chairman, with Misses Ethel Hillhouse, Neville Wrenn and Mrs. Carrie Belle King, assisted by members from Childress County. Miss Tops Gilreath will award door prizes, which are being contributed by local merchants.

Miss Alma Bruce is serving as treasurer for the regional meeting (Continued on Page 10)

Hedley Completes Plans For 12th Annual Cotton Festival, Oct. 11-12

14 Gins Report Only 1,598 Bales

A telephone survey of 14 county gins in Hall County this morning revealed that the harvesting of 1963 cotton crop has gotten off to a slow start.

As of Thursday morning, 1,598 bales of cotton had been ginned. This year's crop is not later than last year, but due to the shortage of field hands, the crop is not being gathered as early as in 1962. Last year at this time, 2,708 bales had been gathered.

K. E. Voelkel, officer in charge of the USDA Cotton Classing Office here, said today that as of last night, the office had classed 2,800 samples from the 12-county area which the office serves. Last year at this time the office had classed 7,700 samples. However, Mr. Voelkel explained, the office opened 11 days earlier than it did this year.

Women's Clubs Meet To Organize City Forum Wed.

A meeting to organize a Women's Forum in Memphis was held Wednesday morning at 10 o'clock in the home of Mrs. David Arnoffsky with representatives from seven clubs in attendance.

Present were representatives from the Atalantean Club, Delphian Club, 1913 Study Club, Woman's Culture Club, Pathfinder's Council, Memphis Little Theatre and Business and Professional Women's Club.

It was announced that clubs of Memphis recently assumed indebtedness for interior improvements to the Community Building, now under construction, in the amount of \$5950.00.

By BILL COMBS
Cyclone Coach Cherley Chambers had one thing to say about the Memphis-Shamrock game Friday night at Shamrock, the local team's last non-conference contest of the season: "we're going to win."

RETURN PERFORMANCE—By popular demand, members of the cast of "Wizard of Oz" will return to the stage Saturday evening to give their third performance of the popular musical comedy. Acclaimed by the many who saw the first two performances as one of the best plays ever staged by the high school students, the performance Saturday night is being sponsored by the Memphis Little Theatre. Curtain time is 7:30 p. m. Pictured above is the entire cast of the play which is made up of members of the Thespian Society and Cyclone Band.

managers, and they said that the lack of pullers was the reason the cotton isn't being gathered as fast this year as last," Voelkel said.

On the bright side, Voelkel said that this year's samples reflect the delayed harvesting since the quality is better, with 47 per cent of the samples classed in the white grade. Also he said the staple is better than last year's early cotton, and that the micronaire reading is high, with 99 per cent measuring 3.5 and better in the testing machine. He added that very few wasty bales are being graded.

The following persons are presently employed at the office: Mrs. Mildred Gidden, chief clerk; Mrs. Oma Jean Parr, Mrs. Wanda Webster, Mrs. Wilma Norman, Mrs. Joyce Crooks, and Mrs. Deane Bradshaw, clerks. Laborers include Don McElreath and Finis Allen.

Assisting Mr. Voelkel in various duties is James R. Sparboe of the Corpus Christi Cotton Classing Office. Voelkel said that additional employees will be put on as the cotton ginning season progresses. Last season, 34 persons were employed at the peak of the season.

"We will keep our staff at the highest possible number in order to give the farmers in our area prompt and efficient service," Mr. Voelkel said.

Local Jaycees To Present Player Of Week Awards at Pep Rallies

Starting with the pep rally in the High School Gymnasium Friday, prior to the game against Shamrock, the Memphis Jaycees will present the Player of the Week awards, Outstanding Back and Lineman, before the MHS student body.

Prior to this, the Jaycees have presented the awards at their regular weekly meeting. However, the members and the Memphis school officials feel that the awards presented at the pep rally

Hedley is decorated for the Cotton Festival, which will be held there this weekend. All vacant lots have been cleaned off and will be used for parking space, and the town's 12th Annual Festival appears to be the biggest and best.

The float chairman reported that more floats than ever before will be in the parade, which will move down Main Street at 1:30 p. m. Saturday. Also, the band chairman announced that nicer trophies and a larger number of bands will perform during the big parade.

Memphis will be represented by two bands at the Festival, the Cyclone Band and the Junior High Band. Next to the parade, the coronation of the new Festival Queen will be the most colorful event. This will take place in the Hedley High School auditorium at 8 p. m. Saturday night. The theme will be "Harvest of Music." Mrs. Letha Springer is in charge of the program.

One of eight Queen contestants will be crowned by Steve Stephens of Amarillo, the Lions Club District Governor. Among the other v'iting Lions will be the Lions Club District Queen, Miss Gale Black, and International Counselor Sam Pagan of Shamrock. Friday is Old Settlers Day at the Cotton Festival, and registration and refreshments will be from 10 a. m. to 1 p. m. in the bank committee room.

Bob Ayers of Memphis will be the master of ceremonies for the Old Settlers program from 1 to 1:30 p. m., which will include speeches, country music by Z'pp Durrett, Ted Bruce and Jerrel Rapp, awards, and election of officers. Paul Hancock will emcee (Continued on Page 10)

each week would stimulate more competitive spirit on the team and more school spirit at the assembly. Receiving the award for best lineman in the Friona game was B. H. Cook, the Cyclone's senior defensive guard and offensive tackle. Toby Crooks received the best back award for his play in that game.

Awards to the two Cyclones showing outstanding play in the Sanford-Fritch game will be presented Friday at the pep rally.

Cyclone-Irish Contest Is Friday Nite At Shamrock

strength of the husky Shamrock team, and that the Cyclone is the underdog in the contest, but he is most optimistic about the upcoming game.

two weeks to prepare for the contest, and they have been working hard to eliminate the flaws in their offense and defense.

For the first time this season the Cyclone will go into a contest without a string of injuries. Also, the local squad has had

The Whirlwinds will play Le-fors at 7 p.m. here tonight.

As to importance, this will be the most important non-conference game the Cyclone has on its schedule because Shamrock has played several of District 2-A teams. They defeated all but McLean, which they lost by a 7-0 score in the first game of the season.

To win the game, the Cyclone will have to stop No. 30, Gray Benson, the Irishmen's 186-pound fullback, who looked very good against Wellington last Saturday. Also, Shamrock's quarterback, No. 14, Dickie Reeves, 180 pounds, is a key link in their attack.

Memphis will hold an edge in the speed department with Toby Crooks and Jack Stargel, but Shamrock will have the advantage in weight.

Traditionally, the game between Memphis and Shamrock is one of the best contests of the season, and a large crowd of local supporters are expected to follow the team to Shamrock.

A week from Friday night, the Memphis Cyclone will open district play at Cyclone Stadium against Wellington, and this will be Homecoming Night for Memphis High School.

Don Hancock Is Manager Of Lesley Co-Op

The Lesley Co-Op, as of Wednesday morning, had processed a total of 217 bales from the 1963 crop, according to Don Hancock, manager. The gin is beginning its second season with a completely new plant and building.

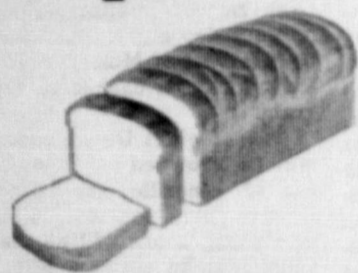

Hancock became manager of Lesley Co-Op last May. He succeeded Clarence Morris, who had managed the gin since it was established in 1960 when farmers of the area purchased the old Paymaster Gin, and established the cooperative.

Manager Hancock was born and reared on a farm southeast of Lesley. He began his work at a gin in 1956 with the Lakeview Farmers Co-Op Gin. Along with his duties at the gin, he operates his farming interests.

Mrs. Becky Bruce will continue as bookkeeper in the gin office, it was announced. H. L. Gillespie is the head ginner. The other ginners are J. T. Atkins and Rudy Garza.

Officers of the Lesley Co-Op are: Paul Montgomery, president; Carroll Fowler, vice president; and Don Hancock, secretary-treasurer. Directors include T. W. McAnear, Joe Neal Berry and Bill

A smart change of pace!

MRS. BAIRD'S Pul-A-Part BREAD

P.S. Serve it Hot!

Thornberry.
The gin is equipped with three 177-saw gin stands, individual lint cleaners, two stick and green leaf machines, two bur machines, three tower dryers, and hydraulic press locks. It is all-electric with individual motors to each unit, according to Manager Hancock.

He added that patrons could get cotton burs at the gin, since only trash from the lint cleaners was burned. A bur truck and spreader is available for use by customers.

CARD OF THANKS
We wish to express our thanks and appreciation to our many friends and neighbors for their kindness and kindly ministrations to us during the illness and at the time of the death of our loved one, and those who sent the beautiful floral offerings. Sincere appreciation to Drs. Goodall and Stevenson, to the nurses at Goodall Hospital, to Mr. and Mrs. Robert Spicer, to each one in preparing food, and to the many friends that comforted us through this time of grief. God bless each of you.

The Family of Mrs. J. L. Richburg

Agnes Bailey Class Meets In Monthly Session

The Agnes Bailey Sunday School Class met Thursday, Oct. 3, in the home of Mrs. Ben Jackson for the monthly meeting. Mrs. Jackson presided in the absence of the president.

"Amazing Grace" was the opening song followed by a prayer given by Mrs. R. E. Eddleman. Mrs. Everett Richerson brought the devotional, Revelations 2:10 and a poem "Time is God's Gift." Mrs. Jim Longbine led in prayer.

The minutes were approved as read; the treasurer's report was accepted and the two group captains gave their reports. Mrs. S. K. Jones dismissed the group in prayer.

Mrs. R. A. Eddleman had charge of the social hour games.

Refreshments of tuna fish sandwiches, cake and punch were served to one guest, Mrs. Bertha Patterson, and the following members: Mmes. R. A. Eddleman, O. K. Young, R. A. Eddleman, T. L. Richerson, and hostess, Mrs. Ben Jackson.

Atlantean Club Meets In Home Of Mrs. H. B. Estes

Mrs. H. B. Estes, assisted by Mrs. Claud Johnson, entertained members of the Atlantean Club at the regular meeting on Wednesday, Oct. 2, at 3 p. m. The meeting was held in the home of Mrs. Estes on South S'xth Street.

Mrs. L. E. Barrett, program chairman, added another key to the chain by presenting the "Key of Knowledge."

The program was on Institutions of Learning in our town. Mrs. H. B. Estes gave a timely report on our schools, pointing out the reasons for dropouts and the important part the home plays.

Mrs. Glynn Thompson pointed out how fortunate Memphis is to have such a nice library and that it is unfortunate that it is used so little. There are over 11,000 volumes in our library, she said.

Mrs. N. A. Hightower informed the club as to the many churches

available to our spiritual needs here. She gave the dates each domination was organized.

A tasty refreshment plate consisting of party sandwiches of shrimp salad and avocado salad, wedges of orange nut bread, garlic poufs, olives and coffee and tea was served during the social hour.

Members present were Mmes. Earl Allen, D. H. Aronofsky, L. E. Barrett, Milton Beasley, K. B. Chick, J. W. Coppedge, O. M. Cosby, Jr., H. B. Estes, Eddie Foxhall, Robert Hanvey, N. A. Hightower, Roy Jewell, Claud Johnson, L. C. Martin, Kent Magness, W. R. Scott, Glynn Thompson, Ralph Williams, Myrtis Phelan and Miss Imogene King.

The next meeting is slated for October 16 at 3 p. m. in the home of Mrs. O. M. Cosby, Jr.

Mr. and Mrs. Delmer Jones of Childress and Mr. and Mrs. Walter Johnson of Giles were dinner guests Sunday in the home of Mr. and Mrs. Blackie Johnson and Tommy. Tommy was celebrating his fourth birthday.

OFFICIAL MEMORANDA

Greetings:

On October 11 and 12, the people of Hedley, Texas will hold a celebration of Thanksgiving for their bountiful cotton crops.

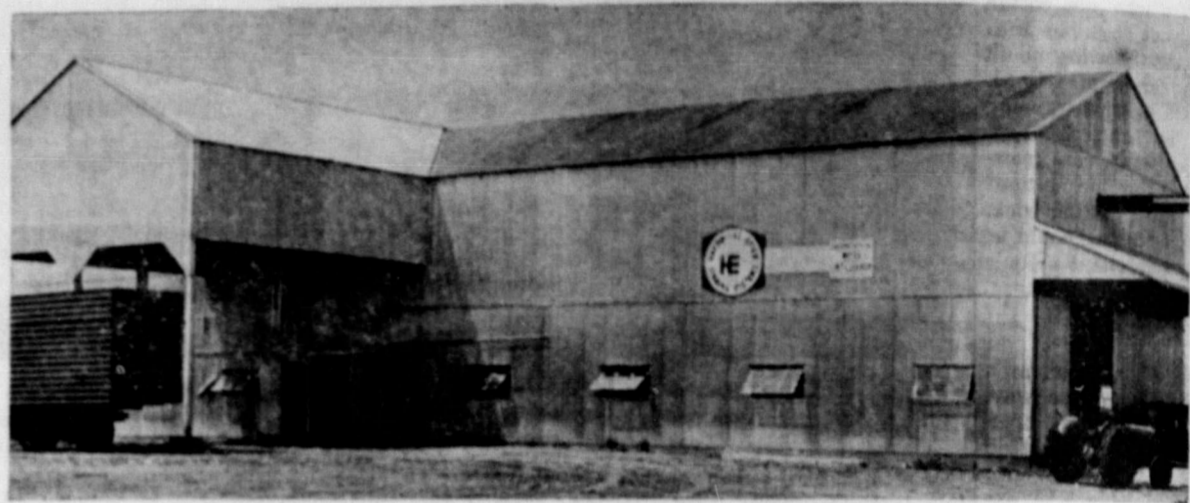

This is the 11th Annual Hedley Cotton Festival, an event fully sanctioned by the National Cotton Council.

It is fitting that recognition be given this outstanding celebration.

THEREFORE, I, as Governor of Texas, do hereby designate October 11 and 12, 1963, as COTTON FESTIVAL DAYS in Texas, in honor of the Hedley Cotton Festival.

In official recognition whereof, I hereby affix my signature, this 2nd day of Oct., 1963.

John Connally,
Governor of Texas

A Gin Plant Second to None! Offering the Farmers of This Area the Finest in Service

It is recognized that the first thing any gin should do is a GOOD JOB OF GINNING. This was proven by the Lesley Co-Op last season when the completely-new plant went into operation. The record shows that our customers received a "good job of ginning."

Since last year's crop was finished the plant has undergone seasonal repairs, and everything is now in first class shape to handle this crop.

We point with pride to the kind of plant which the farmers of this area own in the Lesley Co-Op. There are the three 177-saw Hardwicke-Etter gin stands; an individual lint cleaner behind each stand; two stick and green leaf machines; two bur machines; three tower dryers; hydraulic press locks on the press. Also, individual motors power each unit in the plant, which means less wasted time throughout the season.

Our patrons are invited to take advantage of our bur trap, which makes it possible for our customers to return them to the land. We do not burn burs, but save them for your use. Only trash from our lint cleaners is carried to the burner. Our bur truck is available for your use.

You are invited to bring your cotton to the Lesley Co-Op. We will work with our neighbors in supplying the best service it is possible to render. Whether you need help in obtaining field hands, or in any other manner, we will give full cooperation. Let us know how we can serve.

REMEMBER: THIS FARMER-OWNED GIN PAYS BACK ALL PROFITS TO THE PEOPLE OF THIS AREA WHO PATRONIZE IT!

LESLEY CO-OP

OFFICERS: Paul Montgomery, President; DON HANCOCK, Manager; Carroll Fowler, Vice Pres.; Joe Neal Berry; Don Hancock, Sec.-Treas.; Bill Thornberry

For the Cyclonian staff to be as good as the publication it needs to be fair and accurate. It needs to be objective and unbiased.

High Team Play Lefors Thursday

The Memphis Junior High football team met at the LeFors stadium last Thursday night for a 22-8 score.

The team had been averaging 50 points per game until they met the LeFors team.

The team's scoring was the first half and they won the game.

Bert Glascock stated, "We were well pleased with the performance of the Memphis Whirlwinds."

The team will meet LeFors again on Friday, Oct. 10, at 7 p. m. at the LeFors stadium.

The Memphis Coaching staff has invited all to see the game on hand. Admission is free for adults and 25 cents for students.

The Memphis Junior High Band is on hand to provide music for the occasion.

Fashion News

By JANICE POUNDS

Have you ever noticed the way you walk or sit or even stand? An important part of your beauty is your carriage.

When you walk do your shoulders slump? Do buildings seem to go up and down? Stop! Stop right now and let's try using correct posture!

Walk erect. Raise your head so that you seem to be peering over a high, but not too high, fence. Keep your shoulders raised and squared, not stiff. Let your hands swing freely at your sides. Your left hand should swing forward when your right foot is forward and vice versa. When you wear heels, never wobble! Practice will overcome this. Above all, walk naturally.

Don't do that! Don't ever plopp down in a chair! How unbecoming! You should approach the chair, turn, and when the back of your leg brushes against the chair, lower yourself gracefully into the chair, smoothing your skirts as you do so. Now you are sitting, but where are your hands? They should be folded in your lap; one hand resting gracefully in the palm of the other. Pretend you have a cowlick and your hair is standing straight up! Raise that hair as high as you can. Notice your posture; it should be erect. Isn't it easier to breathe?

You shouldn't cross your legs when you're sitting, it's rather unbecoming. If you have to cross something, let it be your ankles. Don't twine your legs, either.

When you get out of a chair don't groan and support yourself on the arms of the chair. Raise up on the energy you accumulated while sitting.

Standing can sometimes be rather awkward, but it need not be if you simply be natural about it. Don't slouch, stand on one foot, rest your arms on your hips, or allow your posture to become lax. Stand with your feet together, or point the left toe at a 45 degree angle while the other toe is straight, of course the left foot would be slightly forward. Let the arms hang easily at your sides.

Begin to take notice of the way you walk, sit, and stand. When you do these things you will feel

Students List Qualities For Good Teacher

By LOWELL MCKOWN

Jim Edd Wines
She should go out of her way to help all students. She should spread out the homework over the week. She shouldn't give homework over the weekend and she should be dedicated to her profession.

David Lemons
She shouldn't give tests on Monday, and she shouldn't be nosy.

Eva Ann Glosson
She should be fair, explain the homework, not too strict, and she should have a sense of humor.

Tony Monzingo
Fairness in homework. Fairness in grading, but not easy. Some homework, but not a lot. A person you can talk to, and who is understanding.

Kay Lynn Martin
She must be fair, have a sense of humor and be able to control her emotions. She shouldn't be hard on any one student, and she should have school spirit.

Billy Cosby
The teacher should be hard enough that it is a challenge. The teacher must be fair, self sacrificing and try to understand all pupils.

David Moore
A teacher should have character, integrity, perseverance, determination, and understanding.

Austin Cafeteria To Observe National School Lunch Week

The Stephen F. Austin Cafeteria will observe National School Lunch Week October 13-19 with a contest designed to encourage eating a basic lunch each day and to improve table manners, according to lunch room personnel.

The grade with the best participation throughout the week will receive special recognition.

more confident, more relaxed, and you will present a prettier picture of yourself to everyone.

LYNN FOXHALL

Lynn Foxhall Is Elected FFA Sweetheart Mon.

Miss Lynn Foxhall, a MHS junior and daughter of Mr. and Mrs. Leslie Foxhall, was elected Sweetheart of the Memphis FFA Chapter at a meeting Monday, Oct. 7.

Miss Foxhall will receive a sweetheart jacket from the chapter and will compete in the District Sweetheart Contest at the district banquet on Dec. 9.

At Monday's meeting, the members of the chapter made plans for the district banquet, and a committee for the banquet was set up.

Named on the committee were Mike Branigan, Carl Houston, Jimmy Srygley, Durwood Wilkinson, Gary Graham and Donnie Bridges.

Elementary Band Elects Officers

By TONY MONZINGO

The elementary band, comprised of sixth graders, recently elected officers, director Bill Bradley said. The officers are: Ronnie Phillips, president; Pat Wilson, vice president; Nancy Voyles, secretary; and Bill Smithee, reporter.

These beginning band students have been working and learning to play their instruments since mid-August, and are making good progress.

Band News

By LOWELL MCKOWN

The members of the Cyclone Band will get their All-Region band music this week. The pieces are: Charter Oak, Two Chorale Preludes and Polyphonic Suite. The local try-outs will be on November 23, and the try-outs at Amarillo will be on December 6 and 7.

The "A" band and the Jr. High band will be at the Hedley Cotton Festival on Saturday, Oct. 12. This will be the twelfth year Memphis bands have entered.

This week is the start of our "Steps Toward Contest" month. The members of the band will honk three times at every fellow member's house they pass. This has a great deal of meaning to the band... (1) there are three contest judges, (2) each judge must give the band three ones for us to make a one in marching, (3) we must make ones in marching, concert, and sight reading to qualify for Sweepstakes.

The band will have marching clinics on October 14 and 17. The clinic on October 14 will be under Mr. Montgomery from Canyon High School and the one on the 17th will be under Mr. Garner from West Texas State University. Marching contest will be on Oct. 22.

The band has received a new order of equipment this week. This will add a great deal of flash to the band. The new equipment includes gloves, a new band uniform, and a new drum major's uniform.

Place Orders For Homecoming Ribbon

Several members of the Senior Class have been making homecoming ribbons the past week. The ribbons are really outstanding this year.

The ribbons go on sale Monday, Oct. 14 and will sell for 30 cents. Members of the football team should place their orders with Bill Pounds.

Seniors working on the ribbons are: Jimmie Ward, Vivian Maddox, Exie Hughs, Mickey Daugherty, Bill Pounds, Linda Lesley, Brad Posey and Janice Pounds.

Looks like everything that some people want to do is either illegal, immoral, or fattening.

Memphis B Team Defeats Irish B Squad 14-0

The Memphis B team took their first win from Shamrock last Thursday night. Coach Melton Miller was well pleased in the team's performance.

On the first play from scrimmage Memphis scored on a 65-yard play and added two more points on the PAT.

This was the only scoring in the hard fought first half.

Memphis' second score came in the second half on a 40-yard end sweep by Gary Graham. "Several T.D.s were called back because of penalties. Shamrock never got past our 45 yardline," the coach said.

The Memphis teams passing was outstanding. On defense, Jacky Beavers, Durwood Wilkenson, and Timothy Sparks were outstanding. The final score was Memphis 14 and Shamrock 0.

The B team will be off this week, according to their schedule.

Chester Neel Treasures Letter From President

By TONY MONZINGO

Chester Neel, son of Mr. and Mrs. Elmer Neel, recently sent a letter to the President of the United States. In his letter he enclosed his picture and some poems he had written.

Chester received an answer from the President which said he had appreciated the picture and the poems. Chester is the first person in Memphis known to have written and received a reply from President Kennedy. He is very thrilled and treasures the letter deeply.

New Students

We have two new students in Memphis Junior High School. They are Carolyn Jean Johnson and Kathy Ann Johnson, in the seventh and eighth grades respectively, and are from San Angelo.

Elementary Schools Observe Fire Prevention Week

Several classes in both schools have been making fire prevention posters and slogans to go along with National Fire Prevention Week.

Some pupils will get to see a fire truck close-up and learn about fire fighting methods used today. Junior fire marshalls will also be appointed.

Fire Prevention Week is a big step in helping control fire in the school and at home. We should pay tribute to our fire department for its efforts as they are voluntary, but they put out 110% effort every time.

Sheldon Anisman of Fort Worth spent the weekend visiting here with his parents, Mr. and Mrs. A. Anisman.

Never Before has so much BEAUTY, QUALITY and PERFORMANCE been offered in a fully automatic washer AT SO LOW A PRICE!

BILL BALLEW Plumbing & Heating

(Seal) Sylvia Alewine, Notary Public
My commission expires June 1, 1965

Around and About
By HELEN COMBS

As often happens around a newspaper office, we are short of type to fill up the pages . . . so we are rushing our comments on this and that. Even our picture-taking went astray this week when we tried to use a different camera to the old-faithful Rolliflex.

A good beginning for our column this week would be to invite all your readers to bring in, or call in your news. We want our newspaper to be a newsy one . . . and many times we do overlook or simply do not know about what has happened in your family that is newsworthy. So, please call when some member of your family visits in your home, you have a party, there is a death in your family, go out of town, get elected to an office, etc.

Numerous local citizens were either in Lubbock or Canyon over the weekend and saw the college games in those cities. All WTSU fans were delighted with the game in Canyon, which was nice considering the fact that students were honoring their parents and observing Mom and Dad Day at the school. Texas Tech surprised at least one of its ex-students, our son, Bill, by defeating A & M. He was heard to comment, "Well, now I must just go up and see

the Tech-Rice game." He was thinking in terms of beating Rice Institute so he could "crow" a little to his sister and brother-in-law, Pat and A. J., who are now living in Houston and are associated with Rice.

Students of the Thespian Society and the Memphis High School Band have graciously consented to present "Wizard of Oz" for a third showing Saturday night under the sponsorship of the Memphis Little Theatre. All proceeds from the show will go to the Little Theatre to be used to help pay a portion of the expense in enlarging the stage in the new Municipal Building.

If you have not seen the "Wizard of Oz" you will want to see it Saturday night. This will be your last opportunity to see the musical comedy, which has been acclaimed by many as the best production ever presented by the High School group. Reserve seat tickets may be secured from any theatre member or by calling Gladys Power at Branigan Jewelry.

Also want to mention that the Garden Club is holding a bake sale down town Saturday morning on the west side of the square in front of Branigan Jewelry. We are sure they will have some delicious home-baked pastries. They also will be selling Christmas Gift wrapping paper made by the blind

CANDY by Tom Dorr

of Texas. This is a state Garden project. We used some of the wrapping paper last Christmas, and it's lovely.

Gertrude Rasco came by the office Wednesday to tell us about interesting visitors they had last week. Col. and Mrs. D. D. Rasco of Santa Monica, Calif. Col. Rasco is working on the Rasco family tree and was en route to Alabama to check history. He had learned of the Rasco families here from Don Rasco in California. He said that Mr. Rasco, who is 91, is the oldest living Rasco that he has knowledge of. While in Alabama, the couple will visit the cemetery where Mr. Rasco's mother and father and grandmother and grandfather were buried, and another cemetery that has a Rasco cemetery plot.

The first steps in forming a city forum made up of representatives from seven women's clubs was begun Wednesday at a meeting held in the home of Mrs. David Aronofsky. Mrs. Bill Cosby has been named temporary chairman of the organization, while Rose-lyn Williams was named secretary

and Helen Boswell treasurer.

An organization of this kind has been needed by the women's clubs for some time, especially in the past few months. The immediate object of the forum will be to raise money to pay for the expense incurred for the addition to the stage and other facilities in the new Municipal Building.

The clubs have undertaken a big project . . . something that will be of service to the community for years to come. With the additional improvements for stage facilities, dressing rooms, storage space, the new building can be used for plays, band concerts, style shows, or just about anything that any group might like to present.

Much hard work goes into staging a play, not only in learning the lines but making stage scenes and costumes. With a place to store these needed items, they could be kept and used from year to year by various groups. We understand some of the parents have worked very hard in getting costumes ready for the "Wizard of Oz" as well as doing some hard work in

Farm Bureau To Have County Convention Oct. 19

L. B. Snider, Hall County Farm Bureau service agent, announced this week that the annual County Convention will be held Monday, Oct. 19, at Travis Cafeterium. A free supper will be served.

The Farm Bureau resolutions committee is now accepting resolutions to be presented at the annual convention.

Farmers interested in submitting resolutions to the committee are asked to contact Cleo Parr, Brown Smith or Wayne Hutcherson.

More information about the county convention will be announced next week.

W. E. Teeter Dies In Lamesa

Walter Edward Teeter, 62, died Sept. 19 in a Lamesa hospital, according to information received by friends here.

Mr. Teeter, a native of Oklahoma, moved to O'Donnell in 1939 and owned and operated a bakery there until a few years ago when he retired. For the past several years he lived in Borden County near Berry Flat. Prior to moving to O'Donnell, the family lived in Memphis.

Survivors include his wife, two daughters, Mrs. John Stephens of Borden County, Mrs. Gordon Cass of Slaton; two sons, James of Lubbock and Edward of Arlington; and 16 grandchildren.

Dr. and Mrs. Jack Rose and family and Mr. and Mrs. Billy Ray Jones and family visited in Holbart, Okla., Sunday with Dr. and Mrs. Edward Spencer.

painting scenes for the backdrops.

Today's chuckle: A bank teller was approached by a young woman who asked if he would please cash her husband's check. The teller looked at the signature and saw that it was all right. "But the check needs an endorsement 'first,'" he told her.

The young woman thought a moment, then she wrote on the back of the check: "My husband's a wonderful man—Helen Jones."

New Arrivals

Mr. and Mrs. Glen D. Lemons are the parents of a daughter, born Oct. 3. She has been named Stacy Diane and weighed 9 pounds and 4 ounces.

Richard Lee Clark, son of Dr. and Mrs. Robert Clark, was born Oct. 4. He weighed 7 pounds and 4 ounces.

Mr. and Mrs. Hoyce Kennedy of Hedley announce the arrival of a daughter, Linda Carole, born on Oct. 6. She weighed 7 pounds and 2 ounces.

Mr. and Mrs. Don R. Youree are the parents of a daughter, born on Oct. 8 in a local hospital. She has been named Charlotte Lynn and weighed 6 pounds and 14 ounces.

A daughter, Rhonda Michale,

was born on Oct. 9 to Mr. and Mrs. Jimmy L. Butler of Lake. Rhonda weighed 7 pounds and 8 ounces.

to be abandoned, escheated to, and the title thereto vested in, the State of Texas; that said Defendant who is the holder of said property be directed by the Court to deliver said property immediately to the Treasurer of the State of Texas; and Plaintiff further prays for such other and further relief, special and general, in law or in equity, to which it may be justly entitled."

The persons last known to have claimed said property (and who are, therefore, made Defendants in said suit), and their respective interests therein, in dollars and cents, are as follows:

CARD OF THANKS

I want to take this means of thanking the many friends for cards, telephone calls, visits and other kindnesses shown me during my stay in the hospital in Amarillo. Each act of kindness was deeply appreciated.

H. A. Holt and Family

Locals and Personals

Mrs. R. E. Clark has recently from Dallas where she returned underwent eye surgery.

Among those attending the Texas Tech-A & M football game in Lubbock Saturday night were Ace Gailey, Mr. and Mrs. Robert Moss and Mr. and Mrs. Tony Craig.

Mr. and Mrs. Presley Thomson and children visited in Crowell over the weekend with his parents, Mr. and Mrs. W. P. Thomson.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT, at Memphis, Texas, this 2nd day of October, A.D., 1963.

Estelline News

Lester and Eli Phillips have returned from spending most of their summer at their summer home in Colorado.

Bob and Jo De Davidson celebrated their 28th wedding anniversary last Sunday with a big family dinner. Mr. and Mrs. V. Y. Graham of Pampa were guests in their home for the celebration.

Ex students seen last week in Wheeler at the football game were Jerry and Jo Ann Stephens and 2 girls from Pampa; Loyd Stephens and wife from Pampa; and Freddie and Ricky Futch of Vernon.

We are sorry to report the death of Mrs. Lee Richburg, mother of Eula Adams and Clinton Richburg last week. She was buried in Hulbert last Friday.

Miss Sallie Page, aunt of Velma Tucker, was buried in Hedley last Friday afternoon. Among the out-of-town relatives and friends attending the funeral and visiting in the L. A. Tucker home were:

Mrs. A. F. Page, Leslie Page, and Mr. and Mrs. Max Leach all of Abilene; Mr. and Mrs. Harry Booth of Chillicothe; Mrs. J. W. Cox of Tulia; Mr. and Mrs. Ray Campbell of Canyon; Mr. and Mrs. Jerry Hampton and Julia of Childress; Mr. and Mrs. Lanny Tucker and Lana of Hart; Mr. and Mrs. F. nis Curtis of Vernon.

Mr. and Mrs. Bill Tyler of Goodnight and Mr. Tyler's sister-in-law from Beverly Hills, Calif., visited Tuesday in the homes of Mrs. Jim Longbine and the Dees.

I just wonder exactly HOW Elizabeth Kennedy explained her wreck on the Denver-Boulder turnpike to Ed. She had driven their brand new car to Texas and back and ruined it last week. IS THIS the procedure to obtain new car without the usual family disagreements?

Gladys and Joe Allen Ballard spent several days in Lubbock. While there they met her sister, Mr. and Mrs. Guy Leatherwood (Peggy) from Dallas who were spending a few days with their son, Don Leatherwood, a Texas Tech student. The group attended the Texas Tech - Texas A & M football game Saturday night.

Crump and Nelda Ferrel of Parnell spent the weekend in Lubbock with their son, Billy, a student in Tech.

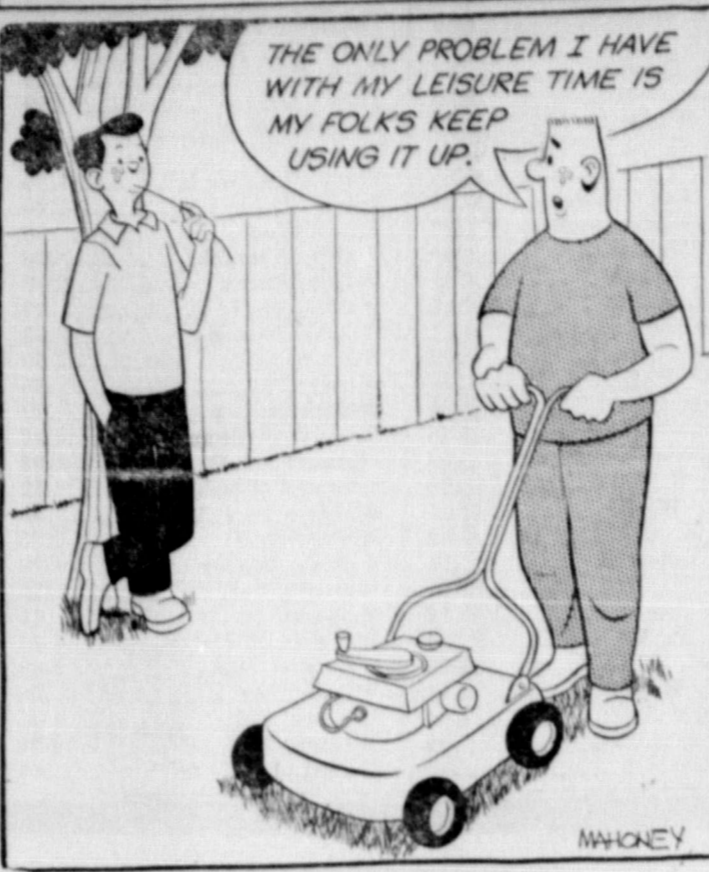

Dwayne Kennedy of Amarillo was in town last Friday.

According to the school calendar, the 5th grade, under the direction of Miss Carrie Buchanan will have their assembly program Wednesday, October 16th at 10 a. m. The public is cordially invited to attend.

The Junior High football team will play Turkey there Thursday at 7:30 p. m. The Senior High football team will travel to Lockett this Friday.

Jerrel and Suzy Rapp and Jodie, Cheri, Anne, and Jan spent the weekend in Lubbock as guests of the W. T. Miller family. White

HALF-PAST TEEN

there they attended the Tech-A & M football game.

William Collier and Claudia Welch were in Kansas Tuesday and Wednesday of this week.

Mrs. Budge Holland (Fran) and Miss Elizabeth Eddleman of Fort Worth spent the weekend with the Arthur Eddlemans, Bill Holland, and the Rabb Hollands.

Mary Ellen and Joe Eddins spent several days last week with his sister, Hortense Lovejoy, in Milesand, N. M. She returned with them for more visiting with other members of the family. She is staying with her sister, 'Little One' and Leon Phillips now.

Weekend guests in the home of Katie Mae and Doc Rogers and Judy were other children, Sandra Kay, a student at Texas Tech, and Gary Joe and Glenda Rogers and

daughter, Kim, from Childress.

Big Mae Gilbert moved the first part of the week into her remodeled home across the street from Mennaw Cooper. Glen and Gloria Bowman, Debbie, Linda, and Billy Dee have moved back to Estelline from Childress. They are now living in the house from which Big Mae moved (formerly owned by Elizabeth and Ed Kennedy).

Among those attending the funeral of Mrs. Zora Richburg and visiting in the home of Mrs. J. H. Wright were her son, Major L. E. Wright of San Antonio; Mr. and Mrs. Jim Nichols (Sissy Nell) of Texhoma, Okla.; a granddaughter, Mrs. Bill Julian (Molva Wright).

Jerrel Rapp was a business visitor in Happy Tuesday.

LOCALS AND PERSONALS

Mrs. L. A. Stilwell attended the regional teachers conference at West Texas State University in Canyon last Saturday.

Mrs. Alvin Phillips underwent surgery in a local hospital Monday.

Dr. and Mrs. O. R. Goodall and Mrs. Perry Glover attended the wedding of Miss Mary Lois Weaver in San Benito over the weekend. Miss Weaver is a niece of Mrs. Goodall.

Col. and Mrs. D. D. Rasco of Santa Monica, Calif., visited here last week with Mr. and Mrs. Joe T. Rasco and family and Mr. and Mrs. L. G. Rasco. A retired officer, Col. Rasco is now devoting his time to working up the Rasco family tree, and was en route to Alabama to check family history. This was the first time the family here had met Col. and Mrs. Rasco, but he had secured their names from Don Rasco in California. At this time, they were not able to establish their kinship, but he was thought to be a distant cousin, Gertrude Rasco said.

Mr. and Mrs. L. R. Nees of Kerrville are visiting this week with the Bill Ballew family here.

Mr. and Mrs. Marion E. Posey and daughters, Shari LaRae and MariAnn were in Canyon Saturday attending the football game between West Texas State University and North Texas State University.

CARD OF THANKS

Thank you, deeply, sincerely, for every expression of sympathetic understanding in the recent tragic loss of our loved one. Poignant memories will long linger, with a prayer in our hearts that God will bless you in a special way.

The Families of Billy Gene Morris

Mr. and Mrs. E. I. McGourick have returned to their home in Paramount, Calif., after visiting here last week with their daughter, Mrs. K. B. Chick and family.

Mrs. Alexander of Nocona and daughter Mr. and Mrs. W. C. Ready of Dallas, spent the past weekend here with their son and brother, O. V. and Mrs. Alexander.

Mr. and Mrs. A. B. Bowerman of Amarillo spent several days here with her sister and husband, Mr. and Mrs. H. W. Adams.

Among Memphians who were in Canyon Saturday night to attend the West Texas State-North Texas State football game were Mr. and Mrs. Hubert Jones, Mr. and Mrs. Kenneth Dale, Mr. and Mrs. L. F.

Jones, Mr. and Mrs. H. H. Murry, T. O. Pounds and Bill and Mr. and Mrs. Gene L. and daughters Pamela and Bill. The Lindsey's also visited in Lubbock Saturday afternoon with Mr. and Mrs. Tom Draper.

Miss Jo Ann Odum of Lubbock visited over the weekend with her parents, Mr. and Mrs. Adrian Odum, and brother Ed.

Mr. and Mrs. Ernest Baker of Grand Prairie visited here over the weekend with their parents, Mr. and Mrs. R. L. Duncan, and relatives and friends. Mrs. Baker is the former Brenda Duncan.

Mr. and Mrs. Douglas Lane and family and Mr. and Mrs. My Brewer and family, Dumas, visited here over the weekend with their parents, Mr. and Mrs. Johnnie Brewer. The rences also visited his parents, Mr. and Mrs. Ira Lawrence.

Austin PTA To Have Meeting Tues., Oct. 15

The Stephen F. Austin Parent-Teacher Association will meet Monday, Oct. 14, at 7:30 p. m., according to an announcement this week.

The 1963-64 state program theme is "We, the PTA". Subject for the coming program will be "The Family: A Firm Home Base?" Mrs. Bert Glasecock will speak on "Spiritual Development" and Miss Vera Rountree will discuss "Mental Development". A question and answer period will then be held to be followed by the concluding talk to be given by Dr. H. R. Stevenson on "Physical Development". Mrs. Morris will give the benediction.

Parents and grandparents are urged to attend this meeting.

Brice News

Mr. and Mrs. C. V. Murff had as guests Sunday his brother, Mr. and Mrs. Paul Murff of Floydada and Mr. and Mrs. Clifford Allison of McLean.

Nick Lowery of Clarendon spent the weekend here with his grandparents, the J. C. Johnsons.

Mrs. Howard Clements and boys of Canyon spent the weekend here with her uncle, Mr. and Mrs. G. W. Selmon. Mrs. Selmon returned home with her Sunday evening for a visit.

Mr. and Mrs. David Hudgins and Mr. and Mrs. G. W. Selmon returned home Thursday from For. Worth and Dallas where they visited Mr. Hudgins' mother and the Tom Selmons. Meshell Selmon

Garden Club To Hold Bake Sale Saturday

The Memphis Garden Club will hold a bake sale Saturday morning on the west side of the square in front of Branigan Jewelry. Mrs. Harold Smith, president of the organization, announced this week.

A large variety of home-baked cakes, pies and cookies will be offered for sale. Also on sale will be Christmas Gift wrapping paper made by blind citizens of the state. The sale of Gift paper is a state garden project, Mrs. Smith explained.

The sale will open at 9:30 a. m. and continue throughout the morning.

Mr. and Mrs. Jack Norman visited in Lubbock over the weekend with their daughter, Kay, who is employed at GMAC. While there they enjoyed seeing the Texas Tech-A & M football game on Saturday night.

'64 Studebaker beauties

break over 72 records

27 hours of torture tests at Bonneville prove Studebaker's endurance, engineering and speed!

We took to the Salt Flats with our whole '64 line. Not to prove we're faster. Just better. Built to take the beating Bonneville dishes out.

And now the proof is in the official USAC record book . . . 72 new records set by Studebaker.

There's a name for what these beauties showed at Bonneville: Performance. For at Studebaker "different by design" means more than style.

STUDEBAKER'S SWEEP OF THE SALT FLATS

- Studebaker 6-Cylinder Commander—102.77 mph, plus 11 other records.
- Studebaker Daytona Convertible—139.49 mph, plus 11 other records.
- Studebaker Hawk—147.86 mph, also 1 mile from standing start . . . 88.32 mph, plus 10 other records.
- Studebaker Avanti—170.78 mph, also 5 other records.

Estelline Co-Op Gin Installs New Equipment For 1963 Ginning Season

Estelline Co-Op Gin, being managed under the management of Lester White, has begun the ginning season with some new equipment, some of which was installed Tuesday.

As of Tuesday, the gin had processed 124 bales of 1963 cotton.

Mrs. Mac Tarver Attends WSCS Meet At Lubbock

Lester White, in his first year as manager of Brownfield Co-Op Gin, served 11 years as manager of Brownfield Co-Op Gin before he served over 10 years as manager of a gin in Garza County. Mr. White served a full term as Childress District Judge.

A Retreat and Business Session for the Northwest Texas Conference WSCS Executive Committee was held at Wesley Lodge on Buffalo Springs Lake, Lubbock, Texas, October 4-5th. The Retreat was a new venture, on conference level, and was under the direction of the secretary of Spiritual Life, Miss Barbara Sommerville. The theme was "The Eyes of The Heart," based on Ephesians 1:17-20.

The Executive Committee sessions began at 8:30 a. m. and continued until 3:30 p. m., in business and planning. Saturday, October 5th.

Mrs. M. G. Tarver accompanied the Childress District president, Mrs. Lester L. Hill, Childress, to the meeting.

Gene Lindsey was a business visitor in Lubbock Saturday.

PRETTY CATCH . . . Since it's not too early to start thinking about vacations, we present two attractions from Yellowstone National Park — a pretty girl, pretty good fishing. Each summer, nearly 3,000 young people, mostly college girls and boys work in the Park, enjoy its many activities during off-duty hours.

1913 Study Club Meets In Davis Home Wednesday

The members of the 1913 Study Club met in regular session in the home of Mrs. W. C. Davis the afternoon of October second. The meeting was called to order by the president, Virginia Browder, and matters of business dispensed.

During the business, the members voted to subscribe to the B&PW birthday calendar by placing their meeting dates thereon. Also, a unanimous vote in the affirmative was given to participate in an all-club Hallowe'en Carnival, later, it was learned that the Jaycees had made plans for a similar project and invited the other clubs to join them.

Also, a brief discussion of the forthcoming organization of a

Woman's Forum to handle the business of the Community Theatre Fund with the City Council members was held. The necessity for such an organization at this time was agreed upon.

Mrs. T. M. Harrison introduced the program whose over-all title was "Where We Stand in National Affairs."

"A Capsule History of American Superstitions" under the subtitle of "Bewitched, Bothered, and Bewildered" was presented by Virginia Browder. The dispensing of potions, philters, magic charms, rabbit's feet, and clover leaves, from all accounts, is a thriving business in these United States. The powers of voodoo, black cats, and like omens was emphasized, and all were warned to beware the tricks of Hallowe'en (all Hallowe's Day).

Mrs. R. E. Roark told of the Tribal American and the penchant of Americans for "joining," convening, and organizing lodges,

clubs, and brotherhoods. Mrs. Mills Roberts discussed the pitfalls of "lobbying" in the capital and warned against pressure groups to put through legislation of sorts.

Delicious refreshments were served to 17 members and the meeting was adjourned. Those

present were: Meses. Richard Avery, L. G. DeBerry, F. W. Forhall, R. S. Greene, T. M. Harrison, Gene Hamill, Bob Hutcherson, Paul Montgomery, Lacy Montgomery, R. E. Roark, Mills Roberts, M. G. Tarver, Gayle Greene, Carl Yancey, Virginia Browder, and the hostess, Mrs. Davis.

SPECIAL NOTICE

Where ever you might do your washing . . . let us do your cleaning! No ironing to speak of will be needed. Only 24 minutes and an 8 lb. load is ready to go. Our two machines can do 80 loads in a 10-hour day. We want part of your business.

WE WILL BE OPEN ON SUNDAYS

MILLER'S CLEANERS
East Side of Square

TURNOUT and SAMPLE

Second To None!

The Farmers of This Area Are Invited To Share in the Benefits That Come From Ginning at the Friendly and Efficient

Estelline Co-Op Gin

This farmer-owned gin made a fine record during the 1962 season, and ready to render to the cotton growers of the Estelline area an even better service this season.

We're glad to announce that our plant has been improved during past months. Among items of equipment which have been installed is a new Moss Lint Cleaner, two more new modern gin stands, and two 14-ft. bur extractors, and a new rock and boll catcher. The new gin stands should increase our capacity about 15 per cent. They will make it possible for us to do a better job while ginning our customers' cotton at a faster rate. Also, the new rock and boll catcher should improve the staple.

We have added approximately 200 h. p. to pull this new equipment. This now gives us a total of 600 h. p. to handle the machinery. All in all, everything is ready to give our customers a BETTER GINNING SERVICE!

Burs will be available to our customers who wish to return them to the land. The burs will be free of foreign matter like weed seed and trash. If you want to haul the burs, it can be arranged.

YOUR GIN WILL BUY YOUR COTTON THIS SEASON

Arrangements have been made with Plains Cotton Co-operative to buy your cotton, and prices will be posted in the gin office each day. Checks will be passed immediately to growers. No cotton will be turned down. The association will buy all grades and staples from green cards. The price will be as good or better than the Government Loan rate. Ask us for details.

When cotton has been sold by the association, profits made will be returned direct to each individual farmer.

THANKS FOR YOUR PATRONAGE

We have received fine cooperation from the farmers of this area, for which we are grateful. Because of this patronage we are able to establish the kind of ginning service which is available at your gin.

Remember, we'll do all in our power to work with you. Let us know how we can serve. Keep in mind the fact that profits will be returned to those who gin with us.

VOGUE BEAUTY SALON

Judy Chandler
Mary Sue Beasley

The Ophelia Club met Monday, Oct. 7, in the home of Mrs. Jack Boney, Jr. for the regular meeting.

This was the hilarious "Come as You Are Caught" meeting. Mrs. Billy Joe Rothwell, president, presided over the business meeting. The secretary forgot the minutes which fit into the meeting with perfection.

Roll call was an exercise. Naturally movies were taken of the entire procedure.

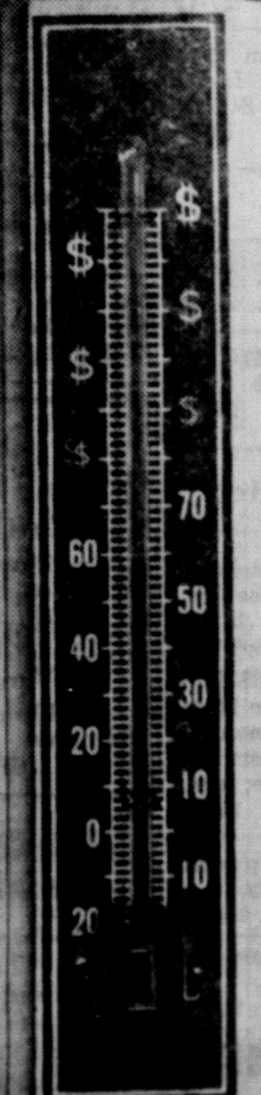

Gifts were presented for the most UNUSUAL member and the member "catching" her were won by Bobbie (Halo) Fowler and Aileen Abram. Juanita Welch was presented a going away gift as retiring president of the club.

Delicious refreshments of chicken spaghetti, hot garlic bread, assorted olives and relishes, a choice of five pies and coffee and tea were served.

The program was movies shown of several preceding meetings. Those attending were guests, Betty Ferrel and Suzy Rapp. Members present were Dorothy Rothwell, Nita Helm, Juanita Welch, Patti Nivens, Bobbie Fowler, Susie Jones, Aileen Abram, Honoria Helm, Pauline Hunt, Ernestine Collier, Billie Lois Collins, Daria Fowler, Nel Abram and hostess, Mrs. Boney.

Mrs. Boney.

High Heating Costs ?

Low Comfort ?

...not with Flameless Electric Heating!

Drafts are out...comfort is in...because electric house heating lets you wrap heat around each room — with separate room controls, too! And you can choose from a variety of built-ins — installed inconspicuously in baseboard, floor, ceiling, or wall. Here's a treat for your budget, too; you save on installation because no flues or chimneys are needed. Annual operation costs for heating during the winter months in the territory served by WTU averages about 7¢ per square foot of living area in the home. Why not ask your electrical contractor or WTU to survey your home for flameless electric heat?

FM Roads Are Dangerous

Cotton harvest season is here and it won't be long before our highways and FM roads are heavily traveled by vehicles pulling cotton trailers.

During this season of the year Texas' Farm-to-Market roads are the most dangerous roads in the state, the Texas Safety Association said recently in a special bulletin. Already this year, traffic fatalities on FM roads are up 32 per cent over last year and traffic accidents on FM roads are also up about 33 per cent.

J. O. Musick, general manager of TSA said, "speed—too fast for existing conditions — is the major cause of trouble. Many drivers tend to drive as fast on FM roads as they do on four-lane divided highways."

These roads are not designed for high speeds. The standard FM road is 22 feet in width. This gives the driver one lane 11 feet wide for driving. The average automobile takes up eight feet of the 11-foot lane, and most farm equipment takes up much more. "This means the driver has about 18 inches on each side of his car for clearance; and that is just not enough space for fast driving on roads which have many sharp curves and other hazards," he said.

Musick pointed out that Farm-to-Market roads, as the name implies, originally were designed for use of the rural community to get goods to markets, but now these roads are being used at 'short-cuts' for cross-country traveling, by campers and sportsmen pulling boats and trailers to the nearest water hole.

"And here's where the trouble is," he said. "Urban drivers are often unfamiliar with such roads and the hazards they present. They fail to adjust their driving habits for rural driving."

Add this to the fact that the Texas Department of Public Safety stated recently that slow moving vehicles are one of the major problems of rural highway travel. Many of them are inadequately lighted or lack proper identification with which to warn motorists.

The department ask the farmer to pull his equipment onto the shoulder of the road and allow faster moving traffic to pass. This may prevent himself, his farm vehicles and farm equipment from being involved in an accident the Department explained.

All these added together, means the FM roads in Hall County will be more dangerous than ever. We urge motorists and farmers alike to be especially cautious during this harvest season so that the harvest season may be a joyful season for all.

Keep Safe From Fire

This is Fire Prevention Week, and it is a good time for all of us to pause in what we are doing and give thought to care with fire.

Too many fires need never have happened, and a little care on the part of all of us can reduce our tragic fire toll in lives and property destroyed.

On the average, about 1,000 fires start in homes in the United States every day. Last year 11,800 persons lost their lives in fires and more than 70,000 received bad burns.

And last year, dollar fire losses in the United States totaled \$1,265,002,000, a new all-time high and an increase of 4.6 per cent over the preceding year.

The tragic thing about all these fires is that three-fourths of them were the results of carelessness, according to the National Board of Underwriters.

With a little care, lives can be saved and needless burning of property prevented.

Here are a few suggestions that may keep your home fire safe:

1—Never leave small children alone. Even if you are leaving for only a few minutes, get a responsible person to stay with them. When going out for an extended period of time, employ a baby sitter.

2—Small children and elderly people are the most frequent fire victims. If there are elderly persons in your household, plans should be made to get them out of the house quickly in case of fire.

3—Use care with cigarettes. Never discard a cigarette or drop a match without being sure it has been extinguished. It's a good plan to break a match after using just to be sure it is out. Keep matches out of reach of children. And never smoke in bed.

4—Keep a flashlight handy for use in dark places. Never strike matches or carry lighted matches or candles into closets or attics.

5—Keep your electrical appliances in safe condition. Take them to a qualified repairman if they have loose connections or frayed or worn cords.

6—Throw out old newspapers, magazines and other waste combustibles regularly, rather than let them accumulate in the basement or attic. These are the things on which fires feed.

7—Impress upon everyone in your household that in case of fire, first get everyone out of the house, and then call the fire department. Call the department from your neighbor's home, if need be, but never reenter a burning house.

These suggestions could save your life, or the lives of members of your family.

You are the one who can help keep your home safe from fire.

What Other Editors Say

We Work Harder?

This is said to be the machine age, a lovely paradise where machinery has taken the labor out of living and where we have much more leisure time in which to meditate, contemplate and enjoy ourselves.

True, we can look around and see that our physical labor is less than a generation or so ago. The pitchfork and shovel is out of style on the farm these days, replaced by the front end loader and the grain auger.

Housewives no longer bend over a rub board wearing out clothes. They pitch these into an automatic washing machine and settle back in front of the TV set.

Even in our offices, we find that the electric typewriter, which produces better work faster with almost no effort, is rapidly gaining popularity.

The home owner who doesn't have a power lawn mower is indeed an object of curiosity in his neighborhood.

Why is it then, if we don't work so hard, that ours is a generation where the words "nervous tension" and "modern living" have become almost synonymous?

We noticed an article the other day where the writer says that the relentless pace of industrial society is responsible for those sagging, sour faces in the home-bound crowd.

This writer says that his research indicates that we work harder than any people the world has ever known. The ancient Greeks had more holidays than working days. The early Egyptians and Jews had an abundance of feasts and festivals during the year.

The Romans had so many holidays that little work was done. In the Middle Ages, a third of the days of the year were given to feasts and festivals so that the working man labored 12 to 14 hours a day but rested one day out of three.

The ancients may have had a better understanding than we do. They apparently knew that it was the unremitting pressure of day-after-day work that creates weariness and breakdown rather than sustained effort over a long number of hours.

Be that as it may. We remain unconvinced about the present generation working harder. There is much more hurry, more pressure, more wants and more frustrations, no doubt about that.

But when it comes right down to the matter of back-breaking toil, we moderns have gotten away from it. In fact, in this day of air conditioned homes, offices, plants and automobiles, it is hard for the average person to break sweat in the ordinary course of his day. And when he does, he has a choice of a thousand deodorants to cover it up.

—Ochiltree County Herald

People Who Care

A friend, writing of such things a few weeks ago, said that if you take two towns of equal size and facilities, there is one factor that will make one grow and prosper while the other withers away.

The factor is people who care. There may be only a dozen of them, but they will improve the lives of a thousand neighbors just

officials to be men and women of whom we can be proud.

They attend public meetings and carry petitions and write letters and jangle the phone.

They deplore garbage untended and junk abandoned in unsightly yards. They volunteer while others scoff.

We fear that people who care do not lead the carefree lives of their neighbors. Sometimes they are objects of ridicule for their can-throwing, free-wheeling fellows.

But without them a community can soon reach the level of the biggest slob who dwells there.

Report From Washington

By WALTER ROGERS
Representative, 18th
Congressional District

Situation Report

Remains a Communist side of the Western world, but progress is being made about the economic isolation of the Communist bloc. This trade gap must be financed by the Soviets, and it's expected to be equally large next year. The Cuban gross national product last year was estimated to be 25 per cent below the 1948 level. With most basic foodstuffs rigidly rationed, the average caloric intake of Cubans is estimated to be 15 to 25 per cent lower than it was in pre-Castro years. Consumer goods are in short supply. Spare parts for the Cuban industrial machine are scarce and often unobtainable. The Castro failure has been most apparent in agriculture, particularly in the production of sugar. This year's harvest was 3.8 million tons in contrast with the average of 5 million tons in the last 5 years. Castro in betraying his own people has yoked Cuba to the modern-day mercantile system of Soviet imperialism. Russia uses its colony, Cuba, as a source of raw materials and a captive market for manufactures.

These are among recent actions taken to cause Castro further trouble:

On July 8, the Treasury Department instituted blocking controls against Cuba, restricting the movement of dollars to and from Cuba. The action, modeled on controls in effect against Communist China and North Korea, is expected to tie up more than \$100 million of Cuban assets.

United States owned and controlled oil companies are voluntarily refraining from furnishing bunkers to vessels and aircraft determined to be in the Cuban trade.

Free World shipping available for service to Cuba has dropped nearly 70 per cent in the first eight months of 1963 as compared to the same period last year. Free World ships paid only 28 calls to Cuba in August, a marked decrease over the 45 calls related to the seasonal export of sugar—and many ships arrived in Cuba in ballast. Shipping to Cuba is more and more becoming restricted to small firms having no commerce with the United States and firms with vessels under long-term charter to the Sino-Soviet bloc.

To cripple further Cuba's ability to trade I introduced a bill in the House of Representatives to close U. S. ports to any ships engaged in carrying cargoes to or from Cuba. This bill is now before the House Foreign Affairs Committee, and I believe its enactment would tighten the screw.

There is no question but that the blight of Castroism must be eliminated.

CANDY by Tom Dorr

Mrs. Gene Corley and Mrs. Claude DeBerry were Amarillo visitors Friday.

Mr. and Mrs. Walter C. Johnson are visiting in Pauls Valley, Okla., and other points this week.

Hall County Soil Conservation District News

This week, October 6-12, is National Fire Prevention Week. Farm fires don't have to happen. Ninety five per cent of all fires are due to carelessness or neglect. One tiny spark can mean that you are out of business, so the best time to fight a fire is before it starts.

Fires cost the United States an estimated \$1,550,000,000 in 1962. Farm fires accounted for nearly one-eighth of the amount, a record of \$175 million—up \$12 million from 1961.

Last year our nation lost 11,800 human lives to fire. More than half of them occurred in dwellings. About 800 people die every year in farm fires. The most dangerous time for fires is between midnight and six in the morning—the hours of deep sleep. The winter months are the most dangerous, with nearly twice as many deaths in December and January

LOCALS AND PERSONALS

Visitors Sunday in the home of Mr. and Mrs. Gerald Hickey were their son, Jerry Hickey of Amarillo and his fiancée, Linda Smith of Hollis, Okla.

Mr. and Mrs. Argie Jones and Lee Jones of Clouderoft, N. M., visited here Friday night and Saturday with Mr. and Mrs. Exie Sweatt, en route to Shamrock. The Sweatts joined them in Shamrock on Sunday for a visit in the homes of Mrs. Brickie and Mrs. George.

as other months. This points up the need for checking your farm and farmstead to prevent fires as soon as possible.

You and your family should know the fire department phone number. Be sure firemen know how to reach your farm. Get everyone out of the burning house. Don't stop to dress children. Call for help at the nearest telephone. Try to keep the fire from spreading if you can do so without the risk of your life. Protect other buildings, livestock and property.

Some of the causes of fire around the farm and home are: heating and cooking equipment, 4 per cent; defective electric wiring, 12 per cent; smoking and matches 11 per cent; children playing with fire, 14 per cent; lightning, 3 per cent; and gas explosions, 3 per cent.

Now is the time of the year to check your farm and farmstead and help prevent fires in The Hall County Soil Conservation. Remember — don't give fire a place to start.

Mr. and Mrs. Hubert Jones and Mr. and Mrs. Kenneth Dale were in Canyon Saturday night to attend the West Texas State-North Texas State football game.

Mrs. Albert Gerlach has returned from Belen, N. M. Mrs. Gerlach went home with her sister, Mrs. W. M. Wolf, who had been here visiting.

County Sports

By BILL COMBS

After several attempts in the past to find time to get a column off the ground, I have finally got started this week and maybe I'll get one completed before I'm interrupted, because the sports scene has some good tidbits this week.

First off, the Yankees almost lost a fan over their showing in the World Series this year. I don't mind them losing the series... that I can forgive... but all four, one right after another, bang, bang, bang, and pip. That's it... go back to golf where you have to chase your own foul balls. I'm wondering if the Yank-

ees are going to cut the "M" boys salaries next season. The team didn't get much distance out of them this season. The Dodgers looked great, and I believe the best team won.

Getting to the county sports picture, the Lakeview Eagles last Friday afternoon won their district conference game... 36-0 from the Morse squad. Don Gibson scored three TD's and Gary Gamble scored two TD's for the Eagles. What about this week? Coach Teddy Bedwell said that Connie Mack Moore will be back in the lineup at quarterback, although the team is still plagued with injuries. "I don't know what to think about Mobeetie's team (the Eagles next opponent)," Coach Bedwell said. They lost last week 64-14 to Booker. The Lakeview Coach said that Mobeetie's team was built around one boy, who almost single handedly defeated the Eagles the first game of the season. Without this boy, the Mobeetie team is not nearly as effective, on offense or defense, the coach said. The Lakeview coach said that the Eagles were ready

to do battle, so the Lakeview fans will see what promises to be a good game at Lakeview Friday beginning at 7:30 p. m.

Tuesday night I had an interesting talk to Jimmy Don Adams, Estelline Bear Cub Coach. He had nothing but praise for the Wheeler team, who out mugged the Bear Cubs last week to a one sided score. Jimmy Don predicted the Mustangs will get the best of the McLean Tigers this Friday night. The Estelline Coach said his team was facing another tough one at Lockett Friday night. They are scheduled to play Lakeview in an eight-man game at Lakeview, a week from Friday. In this contest the Eagles will have the decided advantage since they are playing their own game, while the Bear Cubs will be inexperienced in the 8-man game. But despite this, it should be an interesting contest to watch.

The Memphis Cyclone, after a week's rest will go back into the heat of battle against the tough Shamrock Irish Friday night. Many fans from this area saw the Wellington-Shamrock game last Saturday, and were impressed with the efforts of both teams.

Shamrock has good speed for their size and they hold a definite weight over the Memphis team. Shamrock will be heavy favorites over the visiting Cyclone Friday night.

The District 2-A race is shaping up to be quite a contest. McLean has shown a lot of power this year and maintain their top spot in ratings. Lefors has slipped to

NATIONAL SCHOOL LUNCH WEEK—Oct. 13-19 is National School Lunch Week in the United States. This year, 700,000 children in Texas are getting a lunch with milk like this little girl is about to enjoy. Type A lunches are served only by schools cooperating with the U. S. Dept. of Agriculture in the National School Lunch Program. In Texas, 3,580 schools, including those here, are participating.

far below their expectations. Wellington has shown strong in spots, and weak in other spots, against Shamrock. The Clarendon Bronchos started the season weak, but have been improving each week. Also, the Canadian Wildcats defeated the Panhandle team, 20-0 last week in a show of strength.

In school boy football, comparative scores mean very little, because, many times a fast team, without much weight, will defeat a slow strong team; and as always, the breaks of a game can play a big role in the final analysis. But any way you look at it, District 2-A will be an interesting district to watch this year, and at this stage, the outcome would be hard to predict.

CARD OF THANKS

Words cannot adequately express our appreciation for the loving care given to our loved one during the last few months of her life. To Dr. Cox and Dr. Odom, for their patience—their professional care in her long illness—to the nurses and other helpers who were truly angels of mercy—to all our friends in Memphis, Hedley and Estelline who helped cheer her long, lonely hours with their frequent visits, may God richly bless you all.

Mrs. A. F. Page and family
The K. E. Newman family

Mr. and Mrs. Claud Harris of Stephenville are visiting here this week with his nephew, Cecil Lockhart and Mrs. Lockhart.

This is your Junior Fire Marshal watching a fire hazard...

ARE YOU A FIRE HAZARD?

Do you sometimes smoke in bed, overload your home electrical system, forget to clean storage areas periodically, or commit other little oversights that can lead to big fires? Or do you try to eliminate fire hazards—always?

THIS IS FIRE PREVENTION WEEK

As local sponsors of the Hartford Insurance Group's Junior Fire Marshal program, we urge you never to be "fire" careless. Instead, we ask you to join your youngster, or your neighbor's, and millions of American boys and girls who are helping to snuff out fire hazards through the Junior Fire Marshal safety program. Do it this week, and all through the year.

Memphis Rotarians Are Engaged In Exchange Program With Swedish

On Oct. 28-29 the District Governor of District 573, of Rotary International, will pay his annual visit to Memphis. The District Governor is Jimmy Willson, Jr., of Floydada.

Rotary President Richard Avory of Memphis said this week that the Memphis club is participating in a matching program of Rotary International.

The matching of Rotary districts and clubs throughout the world for 1963-64 has been R. I. President Carl P. Miller to "give added focus and greater depth" to Rotary club activities, and to carry these activities "to the needs and opportunities of the space age."

In his message to Rotary clubs, President Miller states that his plan "will be a forceful thrust for the strengthening of all clubs and the improvement of international understanding around the world."

This understanding is to be brought about by a district-to-district, club-to-club, and person-to-person relationship.

District 573 has been related to District 135 in Sweden. The Memphis Rotary Club has been teamed with the club in Visby, Sweden. Visby is the capital of the Swedish island of Gotland in the Baltic Sea.

The Rotary Club in Visby has 46 members. Its president is Jolby, an althorator, and its secretary is Arthur Nilsson, a paper publisher.

At the present time the Memphis Rotary Club is being corresponded with the Visby club. In the near future some citizens of this community are asked to correspond with the counter-part in Visby.

Mr. and Mrs. Walter H. Cedalia, Mo., and S. W. of Ft. Worth are visiting this week with Mrs. Bess Crump. Crump is a sister of Mr. and Mrs. Brewer.

How to have a "built-in" gas kitchen without the cost of remodeling!

This is the new gas model that fits snugly against the wall to line up with your kitchen counters and cabinets. Gives a built-in look to any kitchen. Burners pull out at a touch. When they're hidden, a handsome hardwood cutting board is all you see. Oven and broiler are at eye level, and the broiler is absolutely smokeless (because it's gas!). Notice the controls are high — and mighty handy. Burner with a-Brain, Cook 'n' Keep oven, self-basting rotisserie — these and other automatic features will modernize your cooking as well as your kitchen. There are eight gas range brands in this design... and they're on sale — so now is the time to buy! See your Gas Appliance Dealer or Lone Star Gas.

CLEAN, MODERN GAS COOL, AUTOMATIC
