Hall County Hospital Open House Set For Sunday

The announcement was made this week that Open House of the Hall County Hospital will be held from 1 to 5 p. m. Sunday, Feb. 9, with dedication ceremonies scheduled for 1 p. m. District Attorney John Forbis will be the principal speaker, and Rev. Richard Avery, pastor of the First Presbyterian Church in Memphis, will offer the prayer.

The \$453,000 hospital will be open for inspection for all who wish to attend the Open House Sunday afternoon. Coffee will be served, it was announced.

Hospital Administrator Don Curl said that the hospital will begin admitting patients at 8 a. m. Monday morning.

The 30-bed hospital contains eight double patient rooms, five single patient rooms for obstetrical patients, and nine single rooms for general care of patients.

Also included in the hospital are the following: one operating room, one delivery room, one laboratory, one emergency room, one treatment room, nursery, X-ray room, nurses' station, six work rooms for supplies, central supply room, linen and sewing room, three locker rooms for employees, one doctor's lounge, kitchen, staff dining room, business office and record room for storage.

Located in the basement are two heating units, the auxiliary power plant, one hot water tank, the air conditioning system, and a suction pump.

The hospital is equipped with an auto-busul nurses call system in all rooms and working areas with the central control at the nurses station.

"We are planning to give the parents of the first baby born in the hospital five days free hospital care for the baby and mother," Administrator Curl said. The parents must be residents of Hall County to qualify, it was explained.

General Information
Administrator Curl gave the following general information concerning the hospital. Room charges will be \$17.50 for private rooms per day and \$15.00 for semi-private rooms.

Visiting hours are from 10 to 11 a. m., 2 to 4 p. m. and 6 to 8 p. m.

"Even though this is a County Hospital," Administrator Curl said, "all charity cases will require approval before admittance from the County Health Physician, the Commissioners Court, and the Hospital Administrator, and the indigent form completed."

Lodge No. 1091 \$500, Hubert Dennis, mother and family \$17.50, Ruby Goodnight \$4, Courthouse Friends \$10, Mr. and (Continued on Page 8, Sec. 1)

Final tabulations of donations to the Hall County Hospital, as reported by Lucile Wright, Hall County treasurer, early Thursday morning totaled \$18,554.92.

Also announced by Ben Parks, chairman of the administration board of the hospital, was an additional \$1,305.00. This came in late Wednesday after pledges had been fulfilled.

This amount has been donated to pay for equipment in the different rooms of the new hospital. Chairman Parks announced Wednesday that plaques had been received, and were being installed on doors in the hospital.

According to the records in the treasurer's office, the following have made contributions prior to 1963:

A. E. Sanders, Memphis building contractor, announced this week that construction will begin immediately on a brick veneer apartment house to be located at 1603 Peachtree St., just south of the General Telephone Company warehouse.

The new apartment house will contain efficiency apartments and one and two bedroom apartments. All walls, including inner walls, in the building will be insulated, Sanders said. Other features will include tile baths, built-in ranges, paneling on walls and carpets, he stated.

Plans are to rent the apartments from \$15.00 a week on efficiency, up to \$80 for two-bedroom apartments, Sanders said.

W. B. Coursey Dies Unexpectedly This Morning

William Virgil Coursey, 67, well-known pioneer Memphis resident, died unexpectedly at his home, 816 Montgomery, at 12:30 a. m. this morning (Thursday). Mr. Coursey had attended a church supper at the Methodist Church the previous evening and apparently was feeling well. He died shortly after becoming ill.

A native of Texas, he was born Sept. 22, 1896, in Decatur. He moved to Memphis in 1916 and prior to that had lived for several years in Donley County.

Mr. Coursey was united in marriage to Berenice Wrenn on June 2, 1920, in Memphis.

Before retiring about three years ago, Mr. Coursey served as manager of the Donley County Water Control and Improvement District No. 1 for many years.

Prior to joining the water company, he served as City Tax Assessor and Collector.

Mr. Coursey was a member of the Methodist Church, the Men's Bible Class, the Memphis Masonic Lodge and Knight Commandry, American Legion and Rotary Club.

He had served as secretary of the Brookhollow County Club for many years and was a veteran of World War I, serving in the Quartermaster Corps.

Funeral services will be held at 2 p. m. Friday, Feb. 7, in the First Methodist Church with Rev. J. B. Thompson, pastor, officiating.

Burial will be in the family plot at Fairview Cemetery with services under the direction of Spicer Funeral Home.

Surviving are his wife of the home; three daughters, Mrs. E. W. Kulka of New York City, Mrs. H. L. Davenport, Jr., of Childress, and Mrs. F. R. Stephens of Houston; nine grandchildren, one great-grandchild; two sisters, Mrs. Ed Beeson of Odessa and Mrs. Everett O'Brannon of Wichita Falls.

City To Buy Equipment For New Building

Members of the Memphis City Council Tuesday evening, in regular session, voted unanimously to purchase all needed equipment and supplies for the new community center of the Municipal Building.

The decision was reached after a full discussion by members of the City Council of the need, and the city will issue warrants to make the necessary purchase. The aldermen accepted reports of the amount which had been raised by members of the various clubs of the city toward paying for facilities.

Tentative date for formal opening of the new Municipal Building has been set for March 1, it was announced.

Aldermen ordered that "Yield" traffic signs be erected at crossings at 7th and 8th Street.

Also discussed was the problem of vandalism within the city limits. No official decision was reached by the aldermen on this.

2 In. Moisture Received Here

Snow, rain and sleet which fell Monday and Tuesday gave Memphis a total of 1.99. The moisture was reported by J. J. McMickin, local recorder.

An area west of Lakeview, and that surrounding Turkey received heavy amount of snow, but precipitation here was mostly rain. No trouble was encountered on roads and highways.

High and low temperatures for the past week were: Wednesday 49-32 (.19 rain), Tuesday 38-32 (1.10 rain and snow), Monday 54-52 (.51 snow and rain), Sunday 61-33, Saturday 69-35, Friday 59-38, and Thursday 52-42.

Interest Mounts In Races After Deadline Passes

After the deadline for filing applications of candidates for places on the Democratic primary ballot was passed, a full slate had been filed with Clyde Fowler, chairman of the Hall County Democratic Executive Committee. The deadline for filing was midnight, Feb. 3. Interest in local races began to increase immediately.

According to committee records, the following names of district, (Continued on Page 8, Sec. 1)

Construction To Begin On Brick Apartment House

A. E. Sanders, Memphis building contractor, announced this week that construction will begin immediately on a brick veneer apartment house to be located at 1603 Peachtree St., just south of the General Telephone Company warehouse.

The new apartment house will contain efficiency apartments and one and two bedroom apartments.

All walls, including inner walls, in the building will be insulated, Sanders said. Other features will include tile baths, built-in ranges, paneling on walls and carpets, he stated.

Plans are to rent the apartments from \$15.00 a week on efficiency, up to \$80 for two-bedroom apartments, Sanders said.

Staff Doctors For Hospital Offer Skill And Experience

Four local doctors will staff the new Hall County Hospital beginning Monday, Feb. 10, when patients will be admitted, according to an announcement released this week.

Included in the group are Dr. J. A. Odom, Dr. O. R. Goodall, Dr. H. R. Stevenson and Dr. Robert E. Clark.

Dr. Odom will continue to see and examine his patients at his office at Odom Clinic. Dr. Goodall will move his office from Goodall Hospital during the weekend to Stevenson Clinic, located across the street south of the new Hall County Hospital. Dr. Stevenson, who has been associated with Dr. Goodall and maintained his office at Goodall Hospital, will open his clinic and office Monday. Dr. Clark will continue to see his patients at Clark Clinic.

The four Memphis physicians have a record of caring for the sick in Memphis and this area

ranging from 10 to 45 years.

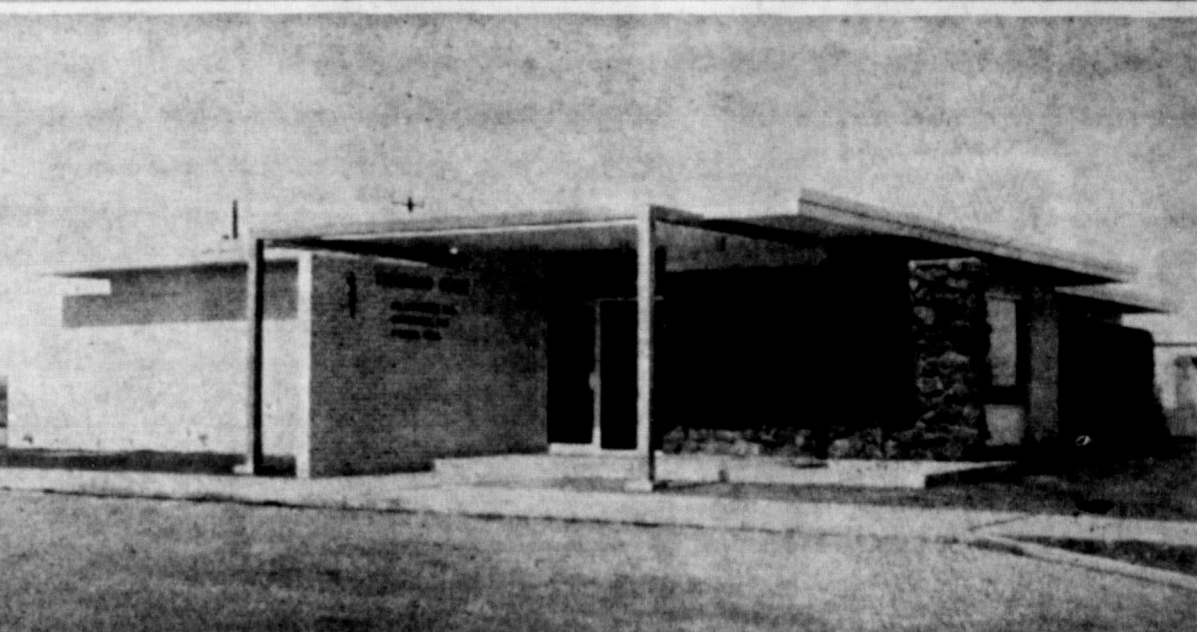

The senior member of the new hospital staff, Dr. J. A. Odom, came to Memphis 45 years ago. He graduated from Texas Medical College in 1909, and has received a total of 55 years as a practitioner. After receiving his license, he practiced in Milam County until 1916, at which time he moved to Childress. In 1919 he moved to Memphis, and has remained here since that date.

In reminiscing, Dr. Odom stated that there were 31 doctors here (including Turkey and Clarendon) when he established residence in Memphis. In 1930 he opened a hospital in his home here. From 1938 until 1946 he said he was associated with Dr. Goodall, and they maintained offices in what is now known as Davis Apts. In 1946 he established Odom Hospital, and in 1948 constructed the second unit of what has been known as Odom Clinic Hospital.

Dr. O. R. Goodall is a graduate of Baylor Medical School, and for one year served with Big Lake Oil Co. at Texon, then practiced at Valley Mills for another year.

On Dec. 2, 1929, he moved to Memphis, and became associated with Dr. W. Wilson and for a short time in 1932 with the late Dr. R. Ernest Clark. Later he was associated with Dr. Odom, and in 1946 established Goodall Hospital. He has continued to operate this hospital until the present and has maintained his office there.

Dr. H. R. Stevenson graduated from Southwestern Medical College, Dallas, in 1949. Prior to that he graduated from Texas Christian University in Fort Worth, with a pre-medical major. After serving his internship at Baylor Hospital, he moved to Memphis in 1950 and practiced here until 1953. In that year he entered the U. S. Army and served two years in (Continued on Page 8, Sec. 1)

STEVENSON CLINIC

Public Is Invited Sunday To Open House Of Clinic

Open House will be held at Stevenson Clinic Sunday afternoon, Feb. 9, according to an announcement early this week by Dr. H. R. Stevenson, owner.

The occasion will coincide with the Open House celebration of the Hall County Hospital, which is located north of Stevenson Clinic. The clinic will be open for inspection of visitors from 1 to 5 p. m. Sunday.

An invitation has been extended by Dr. Stevenson to all residents of this area to visit the new clinic.

Construction of Stevenson Clinic began last July, and was completed a few weeks ago. Equipment and furnishings have been installed. Cost of the building was originally estimated at \$50,000.

Dr. Stevenson will move his office during the weekend from Goodall Hospital to his new office. Also moving his office will be Dr. O. R. Goodall. Both men will begin seeing their patients at Stevenson Clinic Monday morning, Feb. 10.

Included in Stevenson Clinic Building are many modern conveniences and innovations. Among them is an inter-communication system and a high-fidelity music system. The building will be cooled during the summer months by a central refrigerated air system, and double, heavy-duty heating equipment has been installed, which will keep the building warm during other months.

Visitors will see an unusual amount of storage space, with spacious closets and special facilities. The business office, which ad-

joins the reception rooms, has been designed for efficiency of operation and contains modern filing equipment and machines.

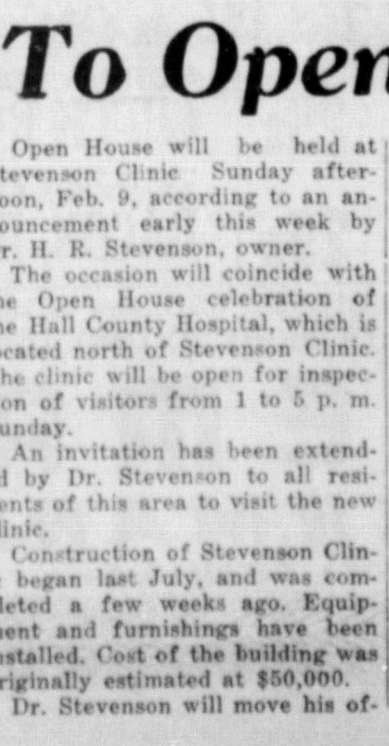

The two suites for Dr. Stevenson and Dr. Goodall will be composed of three rooms each, an office and two treatment rooms. All are equipped and furnished with modern equipment.

A lounge is located back of the business office, and several bathrooms have been established in the building.

Another feature of the clinic is a completely equipped laboratory. This will be used by both doctors.

Also in the clinic is a dental suite. In it is an office and two rooms for dental patient chairs and accessories. A darkroom is also provided in this suite.

Cub Scouts Of Den 2 Enjoy Tour First Nat'l Bank

Cub Scouts of Den 2 visited the First National Bank Monday, January 27.

T. H. Deaver, Jr., met the Scouts at the door with a shining 1963 penny for each boy, and took them on a tour of the bank. He explained the procedure of handling money or checks from the making of deposits to the vault. Then he demonstrated the setting of the time clock so the vault could not be opened until 9:00 a. m. the next morning.

The Scouts were impressed with the money and the many machines used at the bank, but the highlight of their trip was finding a candy bar for each boy in the big vault. "Thank You" to the personnel of the First National Bank and especially to Mr. Deaver for a most enjoyable afternoon was extended by Scouts of Den 2.

The Scouts enjoying the tour were Johnny Deaver, Mack Gentry, Wayne Gordon, Paul Fowler, Eddie Foxhall, Ben Ed Hillhouse, Donny Scott and Matt Thompson. Den Chief Ronnie Bradshaw and Den Mothers, Mrs. Eddie Foxhall and Mrs. W. R. Scott.

Hall County Soil Conservation District News

Management of cover crops is 90 percent of their worth. Regardless of what you produce or grow for soil improvement, management is the factor that makes the difference in a good crop or a failure.

There are several important points in getting a good stand and good growth before winter for winter cover crops. Summer cover crops can be planted whenever moisture is available in early summer. All legumes should be inoculated before planting.

The more a plant grows the more benefit the soil receives. A good root system that penetrates the soil several inches is the best soil builder. Therefore, cover crops should be managed so as to produce the largest amount of root growth as well as top growth. Winter cover crops should be managed until about April 1st. Winter cover crops such as rye may be mowed to prevent seeding and later trouble with volunteer rye. Summer cover crops should be managed through the winter as residue on the ground or managed until about August 15th if followed wheat or other winter crops. Legumes should be managed as to leave the root system in the ground so that the nitrogen that the plant has accumulated will not be lost.

Cost-share on cover crops can be obtained through your local ACP program. Both winter and summer cover crop seeds can be cost-shared. Consult your "Hall County Handbook" for conservation practices for 1964 for available cost-share.

Your local Soil Conservation Service technicians will be glad to help you with any question you might have concerning management of cover crops.

Women's Clubs Spend Savings On New Community Building

By Helen Combs
What has been a dream for Memphis club women will become reality this month when the new Community Building is opened. This ambition for the city was a dream for the city women's clubs for several years ago when they entertained the Seventh District, Texas Federation of Women's Clubs. The women reared the city did not have facilities to take care of a convention. This was not only true of women's clubs, but for other organizations as well.

From that day forward, work was done in earnest among the women to help promote and secure for the community a suitable auditorium. The new building, housing the department, city offices and the new auditorium, is far superior to anything visualized in the planning by the group. Through the election of \$135,000, plus additional revenue and donations, this has been made possible.

It is a special pride to the women's clubs that the modern stage, when learned funds were not available to build the stage and dressing room, the women stepped forward to underwrite a cost of \$6,000 to complete the stage and basement dressing room.

Participating in this project were not only the five federated clubs of the city, but numerous women's clubs as well. In order that the group might work together for the best advantage of the community, a City Forum was organized.

Throughout the months, while building has been under construction, numerous projects to raise money have been promoted by the City Forum. Today, the group has raised \$3,308.00 of the total amount; with pledges of \$2,000.00 more to be added to the fund. With a loan from a bank, the entire amount has been paid.

Projects promoted to date by the City Forum, with more to come, include a Hootenanny, Halloween Carnival Kaffeklatch, and extra performance of "The Bird of Oz" by the Thespian

Club. Other money has been raised through individual club donations. Besides the major effort of raising \$6,000, Memphis women have been engaged in another project in which they are vitally interested—that of the new County Hospital. They have showed their interest in the hospital by donating to the furnishing of the building. The Atlantean Club spent \$1,000 in furnishings for the nursery; the B&PW Club donated \$500.00, while the Pathfinder's Council donated \$250.00.

When the city auditorium opens, approximately 20 tables and place settings of plastic dishes and silverware for 200 persons and 360 glasses and storage cabinet will be moved into the building. These were purchased several months ago when women of the city asked for individual donations to meet the immediate need prior to a dinner meeting.

Purchased by the Atlantean Club for the new auditorium is a Wm. Knabe Style 410 Grand piano, at a cost of \$2,960.00. The piano is mahogany finish. It is complete with bench, cover and triangular dolly.

The Woman's Culture Club has purchased for the auditorium a Revere 16 MM sound projector and aluminumized daylight screen. The projector cost \$334.00 while the screen is \$54.00.

The Delphian Club plans to purchase a set of four wings for the stage. The exact cost for the wings is not available, but will be \$350.00 or more. Two of the Delphian members, Mrs. Lynn McKown and Mrs. Roy Gurthrie, are also making plans to hold a School of Instruction on Stage Management. A class of 20 pupils will be enrolled this summer. The group will paint scenes, make flats and other necessary equipment for a well-equipped stage.

Money to purchase these essentials have been earned over the years by numerous and various projects promoted by the clubs. And through the co-operation of the community, the projects have been successful and make it possible today for the clubs to purchase items for the enjoyment of the community as a whole.

While the clubs have been making money, they have added to the enjoyment of the community by promoting entertainment for the whole family . . . there have been dinners style shows, Christmas tours, plays, food sales, rummage sales, bazaars, book reviews, cook books, silver teas, game parties, Halloween carnivals and the lottery of a Hereford heifer.

Taking stock, member clubs of the City Forum will preen with pride as they see the community move into the new building! For they will feel that they, too, along with others in the community, have had a hand in making this possible for their city. But, there is not yet time to retire from their labor . . . there is a matter of a \$2,500 loan yet to be paid off . . . and many other items needed to bring the city auditorium up to first class.

But who wants to rest? The greatest enjoyment achieved in life is through service to one's fellowman and to one's community. And what can bring a community closer together than working together for a common cause!

Coffee In Douthit Home Friday Coffee In Douthit

Mrs. Wayne Goodrum and Mrs. Woody Frazier, newcomers to Memphis, were honored with a coffee Friday morning, Jan. 31, in the home of Mrs. Bob Douthit. Assisting Mrs. Douthit with hostess duties was Mrs. Melvin Jennings.

Coffee was served from an appropriately laid tea table covered with a white cloth and appointed in silver. Candy hearts were used as plate favors.

Approximately 45 guests called during the morning.

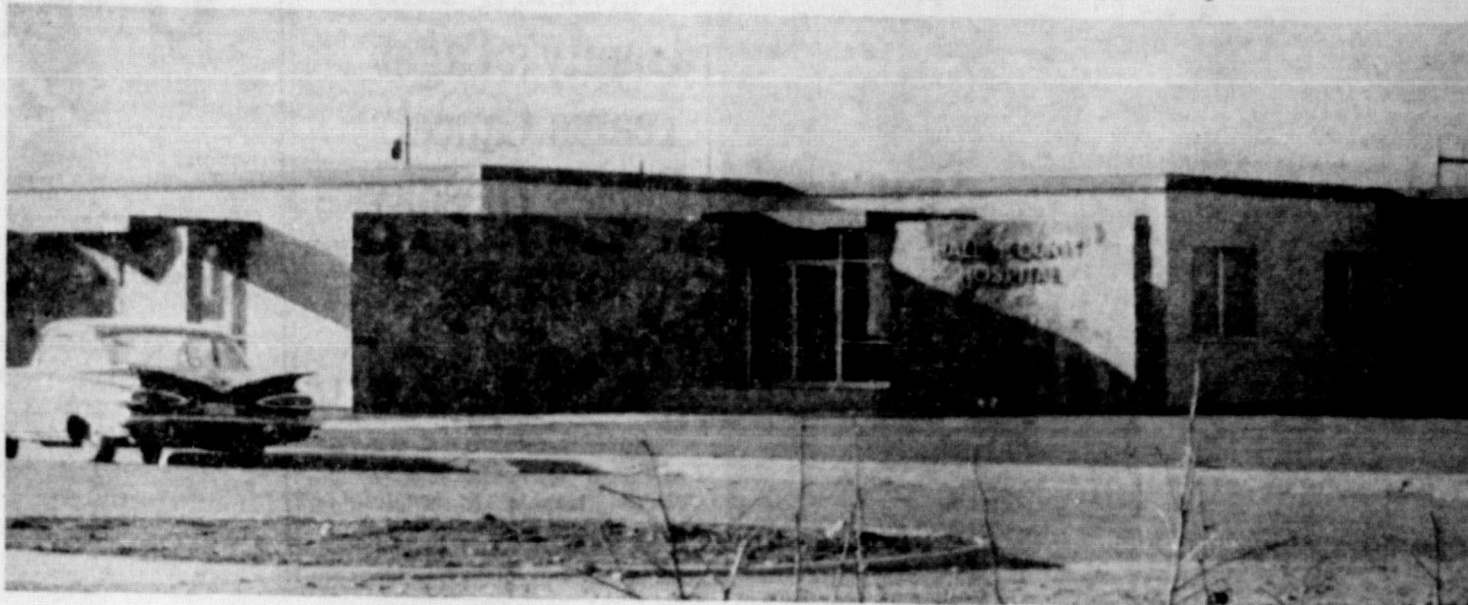

Guy Smith and son, David, visited in College Station over the weekend with their daughter and sister, Mrs. Robert Purrington and family. Mrs. D. A. Neeley, who had been visiting there for six weeks with her granddaughter, accompanied them home.

Mrs. W. S. Malone visited Sunday in Clovis, N. M., with her brother, Hugh Scott and family.

Barney J. Bevers Of Lakeview Is Recipient Of Double Tennis Awards

Sunday, Barney J. Bevers, Lakeview Ag teacher and tennis coach, was presented the Panhandle Sports Hall of Fame Tennis coach of the year award in Amarillo's YMCA building.

Emcee Thad Ansley introduced Bevers by saying that he was a celebrity and said he was most impressed with an article written about Bevers in the February issue of "World Tennis". Bevers received the Marlboro Award for February, the trophy for which stands better than two feet tall.

In the "World Tennis" article written by Frank A. Godsoe, the fact that Lakeview has more ten-

nis players per capita than anywhere else in the known world, a ratio of one to four, was made known to the tennis fraternity.

Lakeview has long been a center of tennis players and for the past 10 years, Bevers has coached the tennis team and has entered into tennis tournaments, as well as sponsoring them, in the Panhandle area.

Last summer, 100 persons entered the 8th annual Lakeview Tennis Tournament which Bevers sponsored. Entry fees and concession profits paid for the tournament.

Lakeview's name appears often

in the State tennis records, beginning in 1934 when Jimmie Gilreath was State Girls singles champion in all divisions.

In 1957, Brenda Brister (Pate) and Martha Joy Reed (Piland) were runners-up in Class B girls doubles. In 1958, Rita Doyce Durrett (Gibson) won girls singles in Class B State Meet.

In 1962, Karen Clements and Winnie Nabers (Floyd) won State in Class B Girls Doubles, and in 1963 Karen and sister, Nikki Clements, were runners-up in State doubles in Class B.

Several citizens from this area were on hand at the presentation ceremony in Amarillo Sunday. These included: Mr. and Mrs. O. E. Bevers of Lakeview, Miss "Tops" Gilreath, Mrs. W. B. Gilreath, and Miss Inez Mason, of Memphis, R. C. Clements and daughters, Karen, Nikki and Chris, B. B. Gibson and son, Dana, Mr. and Mrs. V. C. Durrett and daughter, Brenda, all of Lakeview.

ACCEPTS AWARD—Barney Bevers of Lakeview is shown accepting the Tennis Coach of the Year Award Sunday at Amarillo. He also received this week the Marlboro Trophy (right) for February from World Tennis Magazine. A 24-inch ruler is shown as an indication to the size of the trophy.

County's Cager Teams Cancel Games Tuesday

District basketball play for Hall County schools was interrupted this week by snow Tuesday and all games were cancelled.

In District 9-B, all games have been scheduled for Tuesday, Feb. 11, which were cancelled Tuesday night.

Friday, Memphis will host MeLean here and next Tuesday the Cyclone travels to Clarendon. Coach Milton Miller said today he had received no word on when the postponed game with Canadian would be scheduled.

Lakeview and Estelline tangle Friday night at Lakeview. Next Tuesday, Lakeview hosts Quitaque and Estelline hosts Turkey.

Last Tuesday, Quitaque took two games from Estelline while Lakeview won both of their games from Plomot. Turkey's girls defeated Matador, however, their boys lost to Matador.

Friday night here, Memphis battled Wellington but ended up on the short end of the score, 67-59. James Odem scored 28 points for Memphis and Roger Weems scored 20 for Wellington. The Memphis B. team also lost by a score of 57-53.

Mr. and Mrs. Odell Anthony visited with their daughter and family, Mr. and Mrs. Clois Cobb, Jr., and Dee Ann of Shallowater over the weekend.

Travis-Austin News

By Tony Monzingo
Mrs. Gurley's third grade at Travis is studying about the earth and its characteristics in geography. The class is also studying the methods and materials we get from the earth. The specific idea in this study is to teach the pupils where clothes and food come from in nature, stated Mrs. Gurley.

Miss Clara Pyeat's sixth grade of Travis is learning about the structure and the use of the human body in their science work. Miss Pyeat also said that the class was working on creative writing. Creative writing, it was explained, is the finishing by pupils of an incomplete printed story. Their completions must be in at least 500 words.

Mrs. Hick's first grade pupils have been making murals in their social studies. These murals are based on the theme "Community Helpers" and the children made each mural. The pictures were painted with tempera paints and colored chalk and they depict the following "Community Helpers": Doctor and Nurse, Policeman and Fireman, Dentist and Policeman. The importance of these murals is to instill in the pupils the value of these people in our community.

On February 4, the Austin 5th grade will present a musical program based on "Spirituals". This program will take place in the morning and will be presented to the remainder of the classes.

February 6, Travis 5th and 6th grades will also present a program based on "Spirituals". The program will be in the afternoon and will consist of 15 songs at both schools. Among the songs presented in the program will be: Give Me That Old Time Religion, Nobody Knows the Trouble I've Seen, Ezekiel Saw the Wheel, Joshua Fit the Battle, Swing Low, Sweet Chariot, and Go Tell It On the Mountain.

Athletes Are Participating In Physical Training

By Bill Pounds
The purpose of this class is to build body structure, speed and endurance. In order to achieve this the boys lift weights on Monday, and Tuesdays. On Thursday and Friday the boys run cross country four miles. Sometimes they also run for time in the 50 yard, 100 yard and 440 yard dashes.

Coach Chambless stated that every Wednesday is play day; that day they wrestle. Once a month they measure each boy for growth over the last month. In this class we have divided the boys up into two groups according to ability, he said. Coach also stated that this program is necessary for building up the over-all athletic program.

Fashion News—By JANICE POUNDS

It's time to think spring in terms of fashions, hair, make-up, and color!

Fashions will be flattering, because, even though some lines will curve, many will still flare. Empire waist dresses, and A-line skirts in this season's bright colors will be stylish. Hair will be silky, shiny, with little or no teasing. Also, make-up will be natural.

The colors this season will be a melody of brightness. Yellow, orange, lime, and pink are favored.

According to rumors in Paris, French designers are planning to lower skirts to a more feminine length than they were in the past: one inch below the knee.

Band News

By Lowell McKown

On February 6, 7 and 8, Billy Cosby will represent Memphis High School in the All-State Band in Houston, Texas. He will leave on Wednesday morning and come back on Sunday. The meet will be composed of approximately 1,200 students from the high schools and colleges of Texas, accompanied by thousands of directors specializing in band, voice, orchestra, and choir. The students will stay in all of the major hotels of Houston, including: the Rice, the Shraton-Lincoln, and the Continental-Houston. The students are placed in five major divisions: Orchestra, Elementary Division, College Band, Band, and Voice. The students will have a 7:30 p. m. to 10:00 p. m. schedule. The All-State High School Symphony, the band to be joined by Billy, will be under the direction of James Robertson, and the organization of David Sloan. The program will be highlighted with a concert on Saturday night.

Thespian Plays Re-scheduled For Mon., Feb. 10

Due to the bad weather, the Thespian Play Festival scheduled for Monday, Feb. 3, was postponed until Monday, Feb. 10, at 4:00 p. m.

This extra time will give those who haven't bought reserved seats tickets time to do so. The reserved seats are being sold by Janice Pounds or any Thespian member. The tickets are \$1.00, reserved seats; general admission, 75 cents for adults and 50 cents of students.

Mrs. Albert Byrd of Childress will judge the plays.

Ground Hog Revel To Be Held Thursday, February 13

The annual Ground Hog Revel sponsored by the Senior Class will be held February 13 in the Memphis High School auditorium at 7:30 p. m. The admission is 25c for students and 50c for adults.

The participants in the affair are: best nursery rhyme contest: R. B. Spruill, senior; Mike Crow, Jim Waites, Johnny Edwards, juniors; Baltazar Aleman, Jesse Murdock, Melvin Moore, sophomores; Mary Ann Lemons, freshman.

This is limited to three people to fit the need of the nursery rhyme.

Ground hog couples are: Velma Jo Hutcherson, Brad Posey, seniors; Linda Miller, Mike Branigan, juniors; Linda Alewine, Gary Gentry, sophomores; Sandra Ivy, Mike McCravy, freshmen.

This contest is for a boy and girl based on originality which may be cute or unique.

This group of people will select any commercial they wish and give their performance.

Me and My Shadow: Frances Myers, Marvin Spencer, seniors; Dawn Ann Yarbrough, Billy Ed Thompson, juniors; Elmonette Branigan, Larry Parks, sophomores; Kathy Jones, Terry Gables, freshmen.

The contest again consists of a boy and girl with their own original idea.

Boys' Style Show: Noel Clifton, Bill Jay Pounds, seniors; Jerry Burleson, Kenny Hawkins, juniors; Donnie Miller, David Aronofsky, sophomores; Sport Weddel, Tommy Bell, freshmen.

Two boys, one acting as the announcer and the other modeling either formal, semi-formal, street or sport wear will make up this

contest. Imitation of any nationality, movie actor or actress: Brad Posey, senior; Jimmy Don Sturdevant, Durwood Wilkins, juniors; Amy Hillhouse, Jerry Moss, sophomores; Jerry Knight, freshmen.

Best Talent Contest: Mike Webster, senior; Suzanne Sexauer, Billy Cosby, Jimmy Stewart, David Moore, juniors; Mike Nabors, Garry Graham, sophomores; Donna Beckham, Randy Driver, David Douthit, Jerry Knight, freshmen.

Coronation - Queen Candidate and escort: Pamela Lindsey, Bill Jay Pounds, seniors; Ann Coleman, Jim Odom, Juniors; Paty Murdock, Gary Graham, sophomores; Suzette Smithee, Danny Clark, freshmen.

Each class competes against the other and the one with the most points at the end of all the events is the winner and their class queen candidate will be crowned Miss Ground Hog Revel.

Coach Chambless Attends Dallas Conv. Jan. 23

By Jimmie Ward

Coach Charley Chambless went to Dallas Thursday, January 23, to attend a coaches' convention.

The coaches registered and began classes Friday morning. The program consisted of talks and films by Dan Devine, "Missouri Defense"; Darrel Royal (film), "Offense"; Les Wheeler, "Abilene Christian College—Defense Line Play", (film). After lunch more films were shown by Bob Devaney, "Nebraska Offense". On Saturday, Jan. 25, Chuck Curtis gave "Organizing and Installing a System", Duffy Daugherty, "Michigan State Defense", Les Wheeler, "Defense Line Play", Jim Acree presented "Opening Up the Offense"; Bob Devaney, "Nebraska Offense". After these films were shown, there was a panel discussion, followed by questions and answers.

Coach Chambless returned to Memphis on Saturday, Jan. 25.

Large Crowd Attends Singing Here Sunday

Approximately 225 persons attended the Hall County Singing Association first Sunday singing at the First Christian Church, Mrs. J. H. McIntush, secretary, announced this week.

"We were delighted with the large crowd and the many visitors from area towns. We want to thank everyone for coming and invite them back on the first Sunday of March," she stated.

Among the visitors were quartets from Amarillo and Fort Worth and singers from Childress, Wellington, Hollis, Hedley and other points.

On the third Sunday, Feb. 16, the association will meet at Brice Baptist Church. Everyone who enjoys good Gospel singing is invited to attend.

Junior Girl Scouts Enjoys Skating Party

The Junior Girl Scout Troop No. 184 enjoyed an afternoon of skating at Fowler Skating Rink Saturday, Feb. 1.

Troop leaders Mrs. W. R. Herndon and Mrs. J. F. Capwell sponsored the group. Mrs. R. L. Nelson, troop committee mother, assisted the leaders.

Scouts attending the party were Ramona Ballew, Vicki Gilbert, Connie Guthrie, Barbara Morris, Debbie Herndon, Carla Coleman, Cindy Putts, Carla Yancey, Nedra Haynes, Glenna Carroll, Vicki Maddox, Tanya Wood and Tamara Clayton.

CARD OF THANKS

I wish to thank all our good friends who were such a help and comfort to William and me after my accident. Yours visits, gifts, Christmas cards and "get-well" wishes were such an encouragement. Words cannot express my gratitude but I thank you from the bottom of my heart.

Mattie Rigby.

KITCHEN NEEDS MEMO

Have you ever suddenly discovered, in the middle of making meat loaf that you've run out of catchup? Resolve never to let this happen again. Keep a memo pad and pencil handy — in a drawer or near the kitchen phone — so you can jot down needed items. But don't wait until you're down to the last drop. The time to buy another is when it's about three-quarters empty.

Grain Signup 1964 To Begin

For the 1964 feed program will get underway in the County Office starting Feb. 10 and will continue until Feb. 27, Lynn C. Davis, Agricultural Stabilization and Conservation County Administrator, announced today.

The program will be more than 50 percent of the base. Two rates of diversion payment will be offered, but the higher rate should apply to more acres under the 1964 program. The minimum rate is again based upon one-fifth of the county's total price support rate.

If the operator signs up to divert 40 percent or more of his feed grain base, the higher rate will apply to all the acreage diverted. If less than 40 percent is diverted, the minimum rate will apply to 20 percent of the acreage diverted and the higher rate to the acreage between 20 and 40 percent.

Farmers who take part in the program will be eligible for diversion and price support payments, and for price support loans on their entire 1964 production of the three grains. The price support payment will be made to all participants in the program who plant the feed grains for harvest, and they will be made regardless of the use made of the grain. The producer may sell the grain or feed if he wishes and still receive the payment.

Applications to take part in the 1964 feed grain program may be filed in the Hall County ASCS Office from Mondays through Fridays at any time between the hours of 8 a. m. and 5 p. m.

Band Boosters' Mexican Dinner Is Huge Success

The Band Booster Club was thrilled with the turn-out to the Mexican Dinner on Friday evening, but the members' faces were red with embarrassment when late comers had to be turned away when the food ran out, members of the club stated.

"We appreciated so much the fine response to our first dinner are indeed sorry that we did not anticipate the large number who would attend.

"We are planning another Mexican Dinner for later in the month and hope those who attended will not be discouraged but will come eat with us. We assure you we will have plenty of food at the next dinner," members stated.

The next monthly meeting of the club will be held on Thursday evening, Feb. 13, at 7:30 at the band house.

Diamond cutting dates back to the discovery in 1465 that diamonds could be polished by diamond dust.

Club I wish to express the appreciation of the club members for the fine cooperation we receive from your newspaper. The amount of space given annually to our club projects is inestimable. With all the communications media available these days, it is still the newspaper that puts information into our hands in retainable form—to be read, digested, and kept.

The 1913 Study Club is a member of the General Federation of

Women's Clubs, the largest group of organized women in the world, having 11,000,000 members in 15,500 clubs in the United States and in 54 other countries. The General Federation program in this administration highlights—an extensive campaign to obliterate illiteracy from the United States and throughout the world; a Dimes for Liberty project to help build the Museum of Immigration at the base of the Statue of Liberty; co-

operation in building the Cathedral of the Pines as a memorial to women who have died in all our wars, and many other worthwhile projects. However, our club has the privilege of choosing any project we wish to emphasize, always keeping in mind the needs of our local community.

Mrs. Dexter Otis Arnold, president of the General Federation, has declared that the General Federation of Women's Clubs has

always strongly advocated the freedom of the press and that it has never been more important than it is today when more than half the countries of the world live under a partial or complete blackout of news through censorship.

Again accept our deep thanks and all good wishes,
Sincerely,

MR. AND MRS. DOUGLAS D. POTTER

Elaine Clayton Becomes Bride of Douglass Potter in Guymon Rites

Miss Elaine Clayton, daughter of Mr. and Mrs. James Thomas Clayton of Memphis, and Douglas D. Potter, son of Mr. and Mrs. W. L. Potter of Oklahoma City, were united in marriage on Saturday, January 25, in the chapel of the First Methodist Church in Guymon, Okla.

Rev. E. E. Gregory read the single-ring ceremony at 4 p. m. For her wedding the bride chose a Winter white wool dress styled with jacket. The top of the dress was ornamented with a design in beads and rhinestones. She wore a Winter white velveteen hat with short tulle veil and carried a single orchid atop a white Bible.

Miss Harriett Handy, roommate of the bride, served as maid of honor. She was attired in a red faille dress and carried a colonial bouquet of white mums.

Thomas Clayton, father of the bride, served as best man.

Following the wedding in Guymon, the wedding party returned to Perryton where a reception was held at 6 p. m. at the bride's apartment, 1218 South Indiana. Hostesses for the reception were Mrs. Shellum Pruitt, Miss Linda Justice, Miss Martha Mills and Miss Janet Allen.

Red cranberry punch, wedding cake, nut and red and white mints were served. Centering the refreshment table was an arrangement of five white candles in a styrofoam base covered with greenery.

For a wedding trip to Oklahoma City, Mrs. Potter chose for travel a pink silk dress with pink and white wool jumper. Her accessories were in black and she wore the orchid from her bridal bouquet.

The newlyweds will make their home at 1218 South Indiana, Perryton. The bride was a member of the graduating class of 1959 from Memphis High School. She attended West Texas State University and was graduated from Texas Woman's University, Denton, in the spring of 1963. She was a member of the Atheneum literary social club. Mr. Potter is presently employed as a home economics teacher in Perryton Junior high school.

The groom, who is an engineer for International Minerals and Chemicals Corporation, attended Oklahoma University.

Mr. and Mrs. Clayton and Dwight and Diana were in Guymon to attend the wedding.

MRS. VERSA DYER

Mrs. Versa Dyer, Former Memphian Retires After 42 Years With WU

Mrs. Versa Brumley Dyer, long time resident of Fort Worth and former Memphis resident, has retired after forty-two years with the Western Union Telegraph Company, according to information received here.

Mrs. Dyer was honored with a dinner party in the Wyatts Dining room at which 70 guests were in attendance.

The welcome address was made by Mrs. Gertrude Kincaid. E. A. Owens, officer manager, gave the appreciation speech after which

the invocation was given by Charles Barfield.

The toast was made by Mrs. Margaret Sion of Dallas and the response given by Ethel Holley.

The honoree received a number of lovely gifts including a \$100.00 cashier's check with which to purchase luggage for a trip to Europe, which Mrs. Dyer plans for next August.

Mrs. Pansy Read presented Mrs. Dyer with a lovely album containing cards, letters and telegrams of good wishes.

Racism Program Is Presented At 1913 Study Club

Members of The 1913 Study Club convened in the second regular meeting for the month of January in the home of Mrs. Ed Hutcherson with Mrs. Bob Hutcherson assisting with hostess duties the afternoon of January 29.

Following the reports of the committees, the reading of the minutes of the previous meeting, and a brief business session, Virginia Browder, the club president, gave a meditation, and, in the absence of the program chairman, Mrs. T. M. Harrison, introduced the program.

By way of creating the proper mood for the two part discussion on "Racism," a quotation from the book of Galatians was given: "But let each man prove his own worth, and then shall he have his glorying" (Galatians 6:4).

Mrs. W. F. Foxhall presented a thought-provoking talk entitled "Fight Against Prejudice". Mrs. Foxhall's source material, taken mainly from an article by Thomas B. Morgan, proved to be most enlightening as it dealt in particular with the uniquely American story of The Anti-Defamation League, a Jewish human-rights organization and in general with the present controversy of Negro integration.

The ADL, headed by the movie tycoon and playwright, Dore Schary, as its fourth national chairman has spent the past fifty years in "The Fight Against Prejudice". Though "racism and religious bigotry are deeply rooted in U. S. life, the will to freedom goes deeper" to quote from Mr. Thomas. On the theory that the best defense is a good offense, the League was organized in 1913 at the urging of a Bloomington, Ill., lawyer and B'nai B'rith member, Sigmund Livingston, who served as chairman for 33 years. "The immediate objective of the League," its charter said, "is to stop, by appeals to conscience and reason and . . . law, the defamation of the Jewish people. Its ultimate purpose is to secure justice and fair treatment for all citizens alike."

"When America went tooting off to make the world safe for democracy in 1917, war hysteria multiplied the League's challenges. Unlike Abraham Lincoln of Illinois, Woodrow Wilson of Virginia was not quick to use the moral prestige of the Presidency as a force for tolerance. The country's war fever went up and stayed up, inflaming the growing tendency toward prejudice."

"Private persuasion remained the League's most frequently used tactic in the '20's. But, as discrimination became more virulent, the League began to fight in public. By all odds, the '20's were the 'Nadir' in the modern history of U. S. civil liberties. But the League and other groups fighting for minority rights accomplished more than they knew at the time. Out of America's ideal of 'equality' they built what historian John P. Roche called the 'ideology of civil liberty', a doctrine of fair play for all groups that millions could accept.

"In the thirties, the New Deal incorporated this doctrine in its philosophy and made it the adhesive that held together Franklin Roosevelt's coalition of the underdogs. This did not prevent the mass persecution and massacre of the Jews during the second World War of the '40's, but, at least, there was a movement toward racial tolerance at work in the United States.

Following Mrs. Foxhall's talk, Mrs. R. E. Roark explained that the material on her subject was so plentiful she would endeavor to present to her listeners only some thoughtful remarks on the matter. "Negroes are not discriminated because of the color of their skin alone, but because they have not proven themselves worthy of recognition by self-respecting responsible white people. True, they have some legitimate complaints but not as many as they contend. They must prove themselves as good by performance and behavior as the white neighbors they chose to live next door to. This the Negro has not been taught. He contends for "rights" but overlooks responsibilities.

The editor of a large Japanese paper in California suggested the Negroes expend as much effort in improving themselves as they did trying to tear down the barriers of segregation and more would be gained. "Much of their troubles have been caused by the actions of their own race rather than their treatment by the white people," the same editor implied.

Mrs. Roark concluded her talk by citing the fact that the Bible

Vallance-Coffey Nuptials Read In Pretty Home Service Sat.

Miss Jeane Vallance, daughter of Mr. and Mrs. Herman Vallance, became the bride of Jerry Coffey, son of Mr. and Mrs. G. D. Coffey of Lubbock, in a pretty home ceremony performed at 4 p. m. Saturday, Feb. 1, at the family home, 921 Bradford.

Tom Anderson, minister of the Church of Christ, read the double-ring ceremony before an arch-

way of lemon greenery decorated with white poms and wedding bells tied with white satin ribbon. Floor baskets of white mums and red carnations completed the decor.

Music for the wedding was provided by Mrs. L. G. Rasco, who played "Always", "Indian Love Call", "Wedding Prayer", and the traditional wedding marches for

the processional and recessional. Given in marriage by her father, the bride wore a wedding gown of white brocade fashioned with sweetheart neckline, three-quarter length sleeves, long torso and a full skirt.

Her shoulder-tip veil of illusion fell from a tiara studded with pearls and she carried a bouquet of white butterfly roses centered with white feathered carnations encircled by lilies of the valley and showered with white satin streamers tied in love knots.

She carried out the traditional bridal custom of wearing "something old, something new, something borrowed and something blue." The something borrowed was a pearl necklace belonging to her mother; the something blue her garter and she wore an antique gold coin in her shoe.

Attendants
Janis Vallance served as her sister's maid of honor. She was attired in a red velveteen dress with white silk trim. The frock was styled with fitted bodice, full skirt and cap sleeves. She wore a matching red velvet bandeau trimmed with tiny white roses, and carried a nosegay of white and red feathered carnations showered with ribbon streamers.

Dwain Coffey of Lubbock served as his brother's best man.

Mrs. Vallance chose for her daughter's wedding a soft green suit accented with bone accessories and a hat of pheasant feathers. The groom's mother, Mrs. Coffey, wore a suit of cobalt blue with matching feather hat and accessories. Both wore corsages of Glamelias. The grandmothers wore corsages of white feathered carnations, as did other members of the house party.

Reception
Immediately following the wedding, Mr. and Mrs. Vallance were hosts at a reception at their home.

The bride's table was covered with a white handkerchief linen cloth belonging to the bride's grandmother, Mrs. John Vallance. The cloth is 35 years old and is trimmed with hand embroidery and hand-drawn work. Centering the table were white wedding bells and red ribbons trimmed with pearl teardrops and hearts.

Miss Linda Snow of Abilene, the bride's college roommate, served the three-tiered wedding cake topped with a miniature bride and groom while Miss Murtie Patterson served punch.

Mrs. Ray Fulenwider presided at the bride's book to secure signatures of the guests. Graduates of Lubbock Christian College, Mrs. Coffey holds an associate in Science degree and recently completed a business course in office machines at Draughon's Business College.

Mr. Coffey has an associate in applied arts degree from LCC and is now attending Fort Worth College where he is studying electronics.

For her wedding trip, the bride chose a three-piece suit of moss green, double knit with black patent shoes and bag and bone velvet hat and gloves. Her corsage was of white roses.

The newlyweds will make their home at 210 Market, Fort Worth.

Among those attending the wedding from out-of-town were Mr. and Mrs. G. D. Coffey and Dwain, Mr. and Mrs. W. H. Keeese, Jimmy Naylor and Mr. and Mrs. Bob Maloney, all of Lubbock; Mrs. Ray Fulenwider of Rule; Berlon Love and Linda Snow of Abilene; Mr. and Mrs. Bud Van and Mack of Littlefield, Mr. and Mrs. J. Q. Keeese and Ronnie of Fort Worth, Mr. and Mrs. Harold Barton and Curt and Liz of Panhandle, Mr. and Mrs. Dick Vallance of Clarendon.

Wm. Travis PTA Meets In Regular Session Tuesday

The William B. Travis Parent-Teacher Association met in regular session Tuesday, January 14, at 7 p. m.

The Pledge of Allegiance was given in unison led by the president, Mrs. Bob Douthit. The third grade students presented a delightful musical program of group singing and folk dancing, directed by the third grade teachers, Mrs. Clarence Stroehle and Mrs. Ward Gurley, and music director, Mrs. A. L. Galley.

To conclude the program, Miss Esta McElrath presented "A Tribute to the Teachers." The tribute was in letter form—to the teachers—from the parents thanking the teachers for their kindness, understanding, love and guidance given each child.

In appreciation the PTA Unit presented Miss McElrath and each teacher a red carnation corsage. A way to say "thank you" for the past, present and future for the important part teachers play in each child's life.

Local PTA Units To Observe Founder's Day February 11; Dr. Haynie To Speak

In observance of Founder's Day, the Austin and Travis units of the Parent-Teacher Association will hold a joint meeting on Tuesday evening, February 11, at 7 p. m. in the Travis Cafetorium.

Guest speaker for the occasion will be Dr. W. F. Haynie, 19th District President. Dr. Haynie is principal of Austin Junior High

School, Borger. He is an informative and well-qualified speaker interested in the welfare of children. His interest being the child, it includes parents, teachers and the community, or in one word "people."

The PTA units cordially invites the public to attend the meeting and help celebrate the PTA birthday, the presidents said.

Game Night Nets \$60.00 For Community Fund

The Game Night sponsored by the Memphis Little Theatre and U. D. C. Chapter on Saturday evening at the Memphis Country Club was well attended, presidents of the organizations announced this week.

A total of \$60.00 was made by the project and this amount has been donated to the Community Building Fund, the presidents announced.

"We want to thank all those who made the social a success by buying tickets and attending," members stated.

During the evening, games of forty-two, bridge and Canasta were enjoyed. Coffee and cookies were served and door prizes awarded.

Enjoying the evening were Meses. Joe DeBerry, Herlie Moreman, Allen Grundy, Miss Imogene King, Oren Jones, Miss Winnie Cassel, Mr. and Mrs. Gordon Gilliam, Mrs. Myrtle Phelan, Mrs. Gladys Power, Miss Linda Fields, Mrs. R. E. Clark, Mrs. Herschel Combs, Mrs. Billy Combs, Mrs. Jess Roden, Miss Jo Ann Odum of Lubbock, Mrs. Gerald McDaniel, Mrs. R. E. Crooks.

Also Mrs. Mildred Stephens, Mrs. Orville Goodpasture, Mrs. T. J. Hampton, Mrs. Gerlach, Mr. and Mrs. Paul Smith, Mr. and Mrs. Ralph Williams, Mr. and Mrs. Rufus Greene, Mr. and Mrs. Ace Gailley, Mr. and Mrs. John Deaver, Mr. and Mrs. Ben Parks, Mr. and Mrs. Hiram Crawford, Mrs. Elmer Prater, Mrs. Coy Davis, Mrs. Dick Spoon, Mrs. Gregory Clement, Mr. and Mrs. Swede Roark, Mrs. Gayle Greene, Mrs. John Shadid and Mrs. L. Methodist WSCS Begins New Study At Monday Meet

The Woman's Society of Christian Service of the Methodist Church met in the church annex Monday, Feb. 3, at 3 p. m. to begin the Bible study "An Introduction to Three Spiritual Classics." The Spiritual Life Secretary, Mrs. J. W. Oliver, was in charge. She gave an informative introduction stating that we would be brought into touch with the lives and writing of three outstanding people governed by the desire for God. However, the energies of the Holy Spirit are available to everyone who will seek Him.

Mrs. McDaniel explained the beautiful poster she made based on the "Christian Perfection" book cover. It had a green background symbolizing growth; the white of the dove of the Holy Spirit in descent, meaning perfection and purity; the three elongated gold circles around the white circle of divinity, depicting the Father, the Son and the Holy Spirit.

Mrs. R. S. Greene reviewed vividly the life of the first outstanding to be studied, Francois Fenelon, Archbishop of Cambrai, and a tutor at the court of Louis XIV of France as well as an advisor for many courtiers.

Mrs. M. G. Tarver was well prepared for discussing Fenelon's teachings for she had studied the classics under Dr. Starky, a professor of Theology at Mt. Sequoia last summer. She gave excerpts from his letters of deep spiritual value, for example, love God's kindness instead of fearing His power and the Christian life is not just abstaining from evil but practicing good.

Mrs. Lee Brown continued the profound study of the letters, adding that humility was a quality Fenelon sought because he believed the kingdom of God belonged to the humble people.

Those present, other than the above mentioned, were Meses. W. F. McElreath, Bess Crump, O. M. Gunstream, Ed Hutcherson, J. B. Thompson, Myrtle Phelan, R. S. Greene, L. G. DeBerry, W. J. McMaster, R. E. Roark and Mrs. F. W. Foxhall.

TIPS FOR OUTDOORSMEN

by Vern Sanford

Battery Life

When trips are afield, reverse batteries in your flashlight. The switch is done, for no harm is done, for the battery will be broken. Then the batteries properly when ready for your next trip.

For Traction

Use a heavy item for the auto. Have on hand, whether on the coast or inland, is a piece of old carpet, about 15 feet wide and six feet long, behind your spare tire. If you get stuck, slip the strips under the rear tires for traction.

Little Useful

One of those silent dogs the next time you go deer hunting. If you see a deer with a gun and you can't determine, blow a blast on the horn. It will come the head and sure whether your target is a buck.

Gun Screws

It's time to oil up your gun and you discover that the gun screws won't turn. Treat them lightly with a little oil. It works every time.

Fish in Ice

Put fish fresh in a freezer, freezing the entire tray. Some warm water over. Out will come the cake and all. Wrap the fish in ice and all—in foil. Put back in the freezer. The water will seal the fish.

Game Birds

Put game birds like quail fresh in a freezer, put in an old milk carton, fill it with water, staple it shut and freeze.

Shell With Shell

Put your rifle bore from rain while in camp, cover with an empty shotgun shell. It is waterproof and does not rust. Just be sure you remove the shell before firing the gun.

Sharp Pencil Handy

A sharp pencil is a handy item on a fishing trip. The pencil is an ideal tool for taking out of a backlash.

Pounds Useful

Throw away those coffee grounds. Fill a large box with coffee grounds, put fish in the box, then cover with coffee grounds. This will keep the fish alive and as frisky as the day they were caught.

The Rabbit

When you jump a cottontail rabbit, don't give up. A little strategy will put you on your eighth again. Watch the rabbit takes a wide circle and the spot, where the rabbit appeared, from the operation. There's a good chance that you'll get another.

Blind

A good portable blind in the rice fields. Take a piece of straw and paint it a straw color. The paint is still wet, and the straw over the canvas will stick to the straw when dry you can cover the field.

Big Handy

When going deer hunting, carry a plastic bag in the pocket. It takes a little room and makes a good seat while sitting on a log. Furthermore, it serves as a container for the venison when you head for home.

Blind

A good portable blind in the rice fields. Take a piece of straw and paint it a straw color. The paint is still wet, and the straw over the canvas will stick to the straw when dry you can cover the field.

Like Sardines

A quick way to chum some fish. Buy a can of sardines.

DOES GETTING UP NIGHTS MAKE YOU FEEL OLD

After 35 common kidney or bladder irritations often occur and may make you tense and nervous from too frequent passages both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by curbing irritating forces in strong, acid urine and by analgesic pain relief. Get CYSTEX at druggists. Feel better fast.

Falcon proves it's America's toughest compact in the rugged Monte Carlo Rallye!

Four Falcons started from Oslo, four from Paris, on routes calculated to be equal in difficulty and length. Weather conditions varied from clear, bitter cold through freezing fog to blinding snow—and the time schedules made no provision for delays. Here a Falcon swirls through a sudden snow shower, testing traction in a practice run.

Falcon entered two classes in Europe's 2,700-mile winter ordeal—won them both and finished 2nd overall out of 299 cars. That's durability!

In the Rallye's five special Alpine sections, Falcon was first overall in four, tied for first in one. That's roadability!

In the Rallye's final test around the Monte Carlo racing course, Falcons were first and second. That's maneuverability!

MONTE CARLO—The 33rd Monte Carlo Rallye started with 299 cars. Some 2,700 miles and 3 1/2 days later,

only 163 were still in the rally when the field struggled into Monaco—but they included all eight of the specially equipped Falcons that originally started!

This eight-out-of-eight record was perhaps more remarkable than the fact that, despite a handicap formula that favored the smallest cars, a Falcon captured second place overall. One car can have luck... but eight have to have total performance. Because the Rallye samples every variety of weather and road conditions the continent can provide, and because it winds up on the most remote byways in the French Maritime Alps, it is a supreme test of all the car's abilities. Falcon steering had to be flawless on glare ice above a 1,000-foot drop. Those fabulous V-8's had to run like dynamos.

The final results in the Monte Carlo Rallye gave Falcon 2nd place overall, 1st in Class 8 of the Touring category, 1st and 2nd in Class 5 of the much tougher Grand Touring category, 1st and 2nd in the final three-lap test on the Monte Carlo circuit. The best finish

by a Valiant was 88th overall. Falcon gained invaluable experience in how to build a car better, make it tougher, sharpen up its total performance. That's the real reason Ford is interested in open competition—and why Ford-built cars have got so much more to show drivers. Drive one and see; it won't have six lights, or a horn you can hear for four miles in stormy weather, or the other special rally equipment—but it'll sure surprise you!

TRY TOTAL PERFORMANCE FOR A CHANGE!

NEWLIN

Who said "it ain't going to rain no mo'." We recorded 2 1/2 inches as of today, Tuesday morning. It certainly was a much needed rain and all fell so slow that it soaked into the ground.

Mrs. Helen Parker, Miss Agnes Nelson of Memphis and Mrs. T. K. Wilton of Salisbury were recent visitors of Mr. and Mrs. J. N. Helm, Sr., and Mrs. Ruby Evans.

Bobby Wood and David Mays had their tonsils removed Friday at Goodall's hospital. Heard the boys said they sure did feel good when they quit hurting.

Mrs. Muream Graham and daughter and Carroll Sue Pounds of Plainview spent the weekend with Murream's parents, Mr. and Mrs. Edwin Ward and boys.

Mr. and Mrs. George Helm and Marsha went to Wort Worth to the Fat Stock Show, also a cousin of Nita's, Billy Blevins and wife from Pattonville, came up and they all visited with Mr. and Mrs. Ralph Helm and son. All had a good visit as well as attending the Fat Stock Show.

Mr. and Mrs. N. W. Aultman went to Lovington, N. M., over the weekend to visit their daughter and family, Mr. and Mrs. Wallace McCullum.

Mr. and Mrs. Paul Edd Read finally got a son to go with those

HALF-PAST TEEN

little girls. Don Edward arrived the 20th of January. His aunts and uncles, Mr. and Mrs. J. O. Cobb of Newlin and Mrs. Bill Ross of Childress went to Canyon last week to see the family as well as Don E.

Mr. and Mrs. Jerry Howell and David, Mr. and Mrs. Vern Evans of Amarillo came down to see Mrs. Ruby Evans, Mr. Evans' mother, also Mr. and Mrs. J. N. Helm, Sr., Sunday.

Had a report from Mr. L. E. Cobb of Mineral Wells and he was doing as well as can be at this writing. Hello, Mr. Cobb, still thing of the trip we took back in

the early '20's to Medicine and Craterville Parks in Oklahoma.

Mrs. G. E. Nelson has been spending some time in Estelline with her sister, Mrs. R. O. Nelson. Mr. and Mrs. Dean Stewart have moved back to Newlin and are planning on building onto their house.

If you have any news to report, please call 888-3142. You have no idea how those shut-ins and those away from home want to have a news column each week. Thanks.

Jehovah's Witnesses Hold Meeting In Levelland

The Memphis congregation of Jehovah's Witnesses are cancelling all local meetings to attend their circuit convention in Levelland, February 7-9.

The theme talk, "Feed My Little Sheep", 7 p. m. Friday, will be given by the district supervisor, Harry A. Fetzik of Brooklyn, New York. He will also give the public talk on Sunday at 3:00 p. m. "The Bible Triumphs In a Scientific World."

Delegates from the 16 congregations in Texas, New Mexico and one in Oklahoma have been selected to exemplify the ministry school and service meeting, Friday, 7:15 p. m. They will show by model discourses and practical demonstrations improved methods of conducting meetings in their local congregations.

Stephen E. Lane, presiding minister of the Memphis Congregation, said, "The things we learn at this convention will be put into practice by the 'Witnesses' making their house-to-house visitation on the residents of Levelland and vicinity and then used for more effective ministry upon returning home."

The 600 expected delegates and other interested persons will meet in The Women's Building in the Levelland Fairgrounds for the three-day training program.

Ramsey Elected Texas Angus Assn. President

NEWS or TIME 1-24—Ramsey elected... More than 300 members of the Texas Angus Association gathered at the group's recent annual meeting and banquet during Ft. Worth's big Southwestern Exposition and Fat Stock Show. Highlight of the meeting was the election of officers and directors for the coming year.

Named president for 1964 was David Ramsey of Dallas. William Clark, Butteville, was elected first vice-president and G. A. Crosswell, Abilene, was named second vice-president. Re-elected secretary-treasurer for the coming year was Waymon Ashley of Ft. Worth.

Five members of the board of directors were re-elected. They are Gerald B. Hargraves, Eldorado; Oscar Allen, Golden; Bill J. Bradley, Memphis; Bill E. Fardoe, Midland; and Arthur Stieren, Gilbert. Newly elected directors were Jack Williamson, Lottin; and Don G. Lehman, Art. Other directors include Billy F. Brown, Jackburn; Clayton Steiling, Lona; L. C. Dewees, Willis; W. T. Martin, Sweetwater; Ed D. Allen, Cleburne; C. E. Campbell, Bowie; and T. J. Plunkett, Henderson.

Featured speakers at the meeting were Eric C. Biederharn, president, and Glen Bratcher, secretary of the American Angus Association, St. Joseph, Missouri.

Headquarters of the statewide organization of Angus cattle breeders are at 200 Livestock Exchange Building, Ft. Worth 6, Texas.
