March 27 Is Last Day To Sign Up For 1964 Feed Grain Program

With March 27 the last day to sign up in the 1964 Feed Grain Program, less than 30 per cent of the eligible producers have filed their intentions to participate, Lynn McKown, ASCS office manager, said this week.

The county average payment for full participation in the Feed Grain Program will be \$20.34 per acre for 50 per cent of your feed grain base. This is an insurance program you should investigate before March 27, McKown said.

The 846 farms with feed grain bases only 215 have been signed up to participate and diverted 19,620 feed grain acres to a conservation use for which they received \$179,456 in diversion payments. The 215 producers who signed up through March 12, 1964, intended to divert 14,029 acres for a total payment of \$192,060 which indicates producers are increasing the acreage diverted in 1964 and the payment per acre is higher, McKown said.

The 1964 Feed Grain Program is a voluntary program. There is no penalty for failure to comply, but if farmers fail to file intention to participate by March 27, they are not eligible to participate.

"Therefore," McKown said, "if you have any intention to participate in the 1964 Feed Grain Program, don't forget Friday, March 27, 1964."

Rep. Heatly Enters Lubbock Hospital For Surgery Friday

Representative W. S. (Bill) Heatly of the 82nd Legislative District entered the hospital in Lubbock today for the removal of gallstones. The surgery will take place tomorrow.

Mr. Heatly's condition is not critical and medical advisors say he should be able to resume normal activity within three weeks.

Heatly is chairman of the Board of Directors of GTC, a director of the Texas Telephone Assn., a director of the Texas Research League in Austin; Vice Chairman of the Board of Trustees of Austin College, Sherman.

He is a member of the Suez Temple, San Angelo, and past president of the Rotary Club of Sherman.

Mr. Danner is president of West Texas Chamber of Commerce and serves on the BCD Program of Work Committee.

He is currently serving on the Sub-Committee on Standards with Governor John Connally's appointed Committee on Education Beyond the High School.

He is active in civic work in San Angelo. He is married, has one son, John Christian, an officer in the U. S. Navy serving in Hawaii.

Program
Chamber Director Tomie M. Potts will serve as toastmaster for the banquet and Rev. Richard Avery of the First Presbyterian Church will give the invocation.

Director Allen Dunbar will introduce the guests, and Director H. J. Howell will introduce the officers and directors.

Hall County Is Now Modified Certified Brucellosis Free Area

Dr. R. G. Garrett, Executive Director of the Texas Animal Health Commission, announced this week the certification of Hall County as a Modified Certified Brucellosis Area.

County Agent W. B. Hooser received the Certificate this week.

Dr. Garrett said, "this commission wishes to express its appreciation to the people of Hall County for the splendid cooperation extended to its representatives while work was being conducted in Hall County, and request the further cooperation of the citizens of the area to maintain the brucellosis status of the County."

The certificate stated: "Valid for the period of March 2, 1964 to February 21, 1967. This is to certify that Hall County has been declared a Modified Certified Brucellosis Area by virtue of the fact that brucellosis has been reduced to not more than one percent of the cattle in not to exceed five percent of the herds as indicated by official testing and other approved procedures conducted under the cooperative State-Federal program."

Agent Hooser said the project has taken four years to complete. Four years ago the Hall County Program Building Committee and the Hall County Farm Bureau sponsored three county-wide meetings. At one of them, Dr. Patterson, Extension State Veterinarian, explained the B. program.

A petition signed by two-thirds of the producers with at least 51 per cent of the cattle was presented to the Commissioners Court. The court made arrangements for the testing laboratory to be located at the County Barn on South 5th Street, this winter.

Dr. Garrett also mailed a letter of appreciation to the Commissioners Court of Hall County for the "splendid cooperation" received.

The letter stated: "Livestock owners of Hall County now enjoy the privilege of shipping cattle with few restrictions insofar as brucellosis is concerned. . . every effort should be made by local enforcement officers and the citizens to protect this investment in the health of their livestock.

"Any change in the status of the County due to violation of requirements would result in the imposition of regulations which would restrict the movement of livestock from that county," Dr. Garrett said.

Be Careful With Pesticides

Have you noticed the warm weather the past two weeks has brought out the first insects of the year. The fly is usually the first to come out, but it will be followed shortly by all others.

Another early riser each year is the Lady Bug, and the different varieties of bees and wasps are also on the wing in early spring.

This editorial is not one concerning the habits and habitat of the insect kingdom but one on the proper precautions in the use of household pesticides.

You, the reader, might say, "this is just another safety editorial."—It is, but it also is a plea for the use of a little common sense and a lot of caution in using house and garden insect sprays this spring and summer.

The sale of pesticides will increase about 200 percent in the next few weeks as the annual insect invasions get under way. Agriculture Commissioner John C. White stated, "and accidental poisonings are an annual occurrence."

Pesticides are being used in almost every home in this area and we sometimes forget those aerosol cans or powders which are so effective against bugs are actually poisons and they should be treated as such.

The Texas Department of Agriculture and U.S.D.A. are responsible for seeing that all pesticides are labeled properly, and that all information needed to protect the user is contained on the label, however, once these products enter the home, it is up to the user to exercise the proper caution.

White advises using the following steps concerning pesticides: "Read the labels first when the products are still on the dealers' shelf. There is a large variety of pesticides, and many of them have specific uses so a hasty selection could be an unwise one. Then follow directions and use all precautions that are included on the can or package.

"It is wise to wash your hands after using pesticides and, above all, store them out of the reach of children, just as you do with medicines, lye or other poisons."

Here are some don'ts to follow:
Don't save or re-use empty pesticide containers. Don't use a pesticide inside the home if a gas mask is required in using it. Don't use your mouth to blow out clogged sprayer lines or nozzle tips, or siphon a pesticide from a container. Don't smoke while handling pesticides. Don't spray or dust outdoors when the wind is high. Don't apply pesticides near open water or food containers for birds or pets.

Modern chemicals are a boon in the fight against household and garden pests when they are properly used, but let's make sure we kill the pests instead of a pet animal or cause one of our loved ones the pain of being poisoned due to carelessness.

Do You Remember?

Are you among we oldsters, say now past the half century mark, who have trouble recalling names, events, etc.?

Just how rapidly the would turns is best shown by how many people actually recall events by having lived through them and how many regarded those events as history.

No one now living can recall the Civil War. Yet many of today's older generation heard of episodes of that tragic conflict from those who participated in them. Going only a step or two farther, it surprises people older than, say even 40, how many things they have experienced during their lifetimes are unknown, except in history books, to those younger.

The U. S. News & World Report recently published a breakdown of the 190 million people in the United States. Of our entire population:

- 87 per cent do not remember when there was no federal income tax.
- 71 per cent were born since World War I.
- 64 per cent do not remember the prohibition era.
- 64 per cent do not remember the start of the Roosevelt New Deal.
- 56 per cent were not born at the time of the 1929 stock market crash.
- 48 per cent are too young to recall World War II.
- 28 per cent were born after the Korean War ended.
- Four per cent were not born when the first manned space shot by the U.S. was launched.

Is it any wonder that sometimes there are differences in points of view between the younger and older generation? And, with so great a proportion of the nation being young and virile, is there any limit to what progress this country might make in the next few years?

Yes, it is a wonderful age in which we, today, live.

What Other Editors Say

Cruelty of Cold War

Secretary of State Dean Rusk, in discussing the South Viet Nam situation recently, said in substance that, if the Communist governments in Peking and Hanoi would adopt a policy of leaving their neighbors alone the problems in Southeast Asia could be solved. He could very well have broadened this statement to include the entire world, for it is this interference by the Communist powers that is the crux of the Cold War globally.

Soviet Premier Nikita Khrushchev preaches a doctrine he calls "peaceful co-existence." If that means anything, it means a situation in which countries of differing political, social and economic systems can live together on the basis of mutual toleration, if not respect. Or, as President Kennedy put it, in a world safe for diversity.

Even in his public pronouncements, however, Khrushchev attaches limitations to his doctrine which have the practical effect of nullifying it. He defines his doctrine as not including "war of liberation" and reserves the right to aid those engaging in efforts of this kind. What he means by "war of liberation," of course, is any effort to establish or impose a Communist system. He hopes that once a country is Communized, it will submit to Soviet domination and become a part of the Soviet empire.

Communist Chinese leaders will not buy even this limited version of "peaceful co-existence," so any prospect that they will stop interfering in the affairs of other countries, and particularly those of their closest neighbors is simply non-existent.

Each time they or the Russians do undertake to interfere in the affairs of another country, the United States and the West have no choice but to react and to do whatever they can to thwart the Communist effort, without risking a nuclear explosion. When this Communist interference in the affairs of another country is military, then the response may have to be military, as in the case of South Viet Nam.

Even if the Communist bloc should reverse itself and halt completely its expansionist efforts, there would remain the problem of those countries already subjugated and made a part of the Communist empire.

In order for "peaceful co-existence" and non-interference in the affairs of other countries to be truly effective, there would have to be a rollback of Soviet and Chinese Communist domination.

No one in his right mind believes that either Moscow or Peking ever would agree to that, unless they could gain some advantage in return that would more than compensate for the loss. And it is impossible to conceive of any bribe that would satisfy them.

Secretary Rusk is too much of a realist to have any illusions that the leopard ever will change his spots, but at least he put his finger on the root of the trouble in all East-West relations and per-

haps helped to clarify the basic obstacle to establishment of a world order in which all countries could live their own lives under conditions that approximate peace.

Meanwhile, the only course for the Free World is to try to frustrate Communist expansionist efforts. Perhaps in time they can be shown that their aggressive policies can not succeed and are, in fact unprofitable.—Houston Post.

Obscene Mail

The Post Office Department is continuing its cracking down on those who violate the mailing laws by sending pornographic material through the postal service.

The department asks the cooperation of citizens who receive obscene mail, and that cooperation would be the reporting of such an incident, and the presentation of such mail to postal authorities.

It is not generally known but the Post Office Department's inspection service is the oldest and one of the finest law enforcement agencies of the U. S. Government. This service is now engaged in a major effort to track down the senders of pornographic material through the mails.

PATTERNS FOR PROGRESS

WTU is proud to be a part of your community

NATURAL RESOURCES

. . . basic factor in economic development

Many industries are established close to natural resources. One is pictured above — the Bestwall Gypsum Company near Quanah, where gypsum wall board and allied products are made. It is near Quanah because of large gypsum deposits there, and is a perfect illustration of the economic value of a natural resource to a community.

Employing 200 people, it adds payrolls, increases consumer sales, builds deposits in banks such as the one pictured left, and is a major factor in the Quanah economy.

This is a PATTERN FOR PROGRESS.

It is because here is a manufacturer using a natural resource. National studies show that each 100 new factory workers in a community increase local personal income by \$660,000, bank deposits by \$229,000, and create 65 new nonmanufacturing jobs, besides increasing all types of consumer sales.

The manufacture of natural resources pays big profits to a community, and almost every community has natural resources subject to development. WTU urges every community to assess and evaluate its own natural resources as a basic step in economic development.

With the coming of spring, a lady's fancy just naturally turns to a new chapeau. It's up to us females to set our fellers to writing sonnets about our Easter bonnets and of the girls they're taking to the Easter Parade.

Hats this year are plain or frilly to suit the taste of everyone, but the general trend is toward tall hats that sit straight on the head. They're not just an accessory this year, but a focal point of interest. In general they fill the basic requirement for a woman's hat for any year—that being, that it may look like anything except what it is—a hat.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

"Just as the twig is bent, the tree is inclined," said Alexander Pope, the English poet.

That's one way of reminding parents of their responsibility for their children's health. During the years children attend school, the school supplements but does not take over the responsibility of the child's health.

What are some of the responsibilities parents have for their children during these important formative years?

A basic responsibility is to utilize available medical help. Children should have a complete physical examination prior to entering school and once a year thereafter to detect and correct conditions which may be minor at the time but may eventually lead to illness or poor health. A growing list of diseases may be prevented by simple immunization.

Accidents rank first as a cause of death among children ages 5 through 14. The most frequently occurring types of accidental

deaths are from motor vehicles, drowning, burns, firearms and falls. Parents and school personnel share responsibility for seeing that children learn to recognize hazards and take ordinary precautions to protect themselves from accidental injury.

Regular visits to the dentist are a must. Permanent teeth begin to appear when the child is about six years of age and are completed around twelve to fourteen. These teeth must last a lifetime.

Vision and hearing may be vulnerable points for your child. Many changes may take place as he grows and develops. Have his vision and hearing screened between age 3 and 5 to detect problems that may exist. Prompt attention can often prevent serious trouble from developing.

And don't overlook a child's habits. A good school lunch supplies a child with about one-third of what he needs. Therefore, it is important that he begin the day with a simple, nutritious break-

For the first time in history, Texas Republicans will have an opportunity to express their preferences for the GOP presidential nomination in a state-wide straw poll.

Republican Executive Committee voted to hold the presidential referendum on the May 2 primary ballot. The opinion sampling has no binding effect. Principal purpose is to boost the stock of Barry Goldwater and to lure restless conservative Democrats into the GOP primary.

Democratic Executive Committee offered no special voter bonus to keep their own partisans in the fold.

Leaders of both parties, in simultaneous meetings in Austin, declined to submit requested referendum on sale of liquor by the drink and curtailment of Mexican nationals commuting to jobs in Texas.

Names of Goldwater, Nelson Rockefeller, Margaret Chase Smith and Harold Stassen will appear on the GOP ballot. Originally the names of Richard Nixon, William Scranton, George Romney and Henry Cabot Lodge were included, but they were asked to be omitted. Rockefeller wanted off. He was told he had to stay since he had already announced.

Democrats responded warmly to Gov. John Connally's call for all-out support of President Johnson in party conventions. But they squabbled at length before accepting Dallas as the site of their September 15th state convention. Dallas finally won, 33-18 over Corpus Christi.

Connally made clear in a ringing speech urging Johnson support that as governor he plans to keep control of the state party.

"It is important . . . to choose people (as convention delegates) who will be as strong for Connally in September as they are for Johnson in June," the Governor stated.

Without dissent the Democrats agreed on Houston as the site of their June 16 state convention to

pick national presidential nominating convention delegates. The state party platform will be written and a new SDEC selected at the September meeting.

Republicans will hold their June convention in Dallas and their September convention in Austin.

SDEC Chairman Eugene M. Locke of Dallas resigned at the Democratic meeting and was replaced by Frank Erwin Jr. of Austin. He had served as secretary.

Republicans adopted a resolution calling for a special legislative session on congressional redistricting, and decided to admit registered voters who did not pay their poll taxes (under new federal constitutional authority) to party conventions.

Both committees also got around to their required business: certifying state-wide candidates for the primary ballot and selection of a place (Austin) for their May 12 meeting to canvass May 2 election returns.

Appointments Made

Governor Connally announced appointments of O. E. Bevers of Lakeview and C. C. Broughton and Russell Jones, both of Childress, to the board of directors of the Upper Red River Flood Control and Irrigation District (Hall, Briscoe and Childress Counties). Bevers and Broughton are reappointments. Jones succeeds the late Dr. Roy H. Barr.

Connally reappointed Ben F. Shipley of Beaumont and Neal D. Rader of Port Arthur to the Pilot Commission for the Sabine Bar, Pass and Tributaries. He also named to the commission Lee Wheat of Beaumont, Bill Sexton of Orange and W. F. Fredeman of Port Arthur.

County Has Three Accidents

The Texas Highway Patrol investigated three accidents on rural highways in Hall County during the month of February according to Sergeant D. R. Highway Patrol Supervisor.

These wrecks accounted for property injured and an estimated damage of \$1,125.

The rural traffic accident tally for this county for the two months of 1964 shows four accidents resulting in persons killed, one person injured and an estimated property damage of \$3,625.00.

Another Bradley entry, B3R Aristocrat 3005 won the late senior bull calf class and went on to win the bull calf championship.

Bradley 3 Ranch made a clean sweep of the group classes by winning the group of two bulls, three bulls and both the Junior and Senior Get of Sire. The gets were by Bandolier of O.H. 75, the 12th place sire on the North American Continent for 1963.

Father-Daughter Banquet March 12 Highlights National Girl Scout Week

The highlight of National Girl Scout Week was a Father-Daughter banquet held March 12 in the Travis Cafetorium. Approximately two hundred twenty-five enjoyed a lovely meal prepared by mothers of the Memphis Girl Scouts.

Among special guests were Mrs. Ben Graham, District Director of Pampa, Miss LaLinda Sherman, a Senior Girl Scout of Turkey, Rev. Richard Avery, and Mr. L. C. Martin.

With a very few exceptions, Brownie, Junior, Cadette and Senior Scouts of all troops of Memphis were on hand to entertain their fathers.

Senior Troop No. 187 presented and retired the Flag. Susan McQueen gave the invocation preceding the meal. A most delicious array of salads, green beans, fried chicken and cookies were served from a buffet table. The mothers served hot rolls and coffee and milk during the meal.

Each Scout introduced her father and Mrs. Brode Hoover introduced the guests and leaders. A variety of songs was sung in unison by all the girls. This banquet was the second to be held in Memphis in connection with the National Girl Scout Movement. Place cards were made by the individual troops. Girls and leaders of Troops Nos. 184, 193, 183, 165, 148, 188, 192, 195, 187 and one troop from Morningside which has not received a troop number at this date, attended the event.

Richard Stotts, B3R Ranch, Wins Award For Showmanship

Richard Stotts, herdsman for Bradley 3 Ranch, won the first showmanship award to be presented at the Texas Angus Futurity Show and Sale last week in Ft. Worth.

Stotts, showing three head of cattle for the ranch, won over several professional showmen to win the trophy presented by Edward Marcus, Black Mark Farm of Lewisville.

Earlier this year Stotts had won the herdsman award at the Arizona National in Phoenix and at the San Antonio Show.

Davis, Strickland Open Car Service Business Here

Ben E. Davis and Woodrow Strickland this week announced that they had opened an automotive repair shop at 411 Noel Street, and invited the citizens of this area to visit them at their new place.

They explained that they were equipped to handle general repairing and servicing, and would take care of all models and makes of cars and trucks.

The firm, known as Memphis Motor Service, will specialize in automotive air conditioning. They will sell a line of conditioners, and will service all kinds. Also, they are equipped to do washing and lubrication.

Davis is well-known here, and has been a mechanic for the past eight years. He formerly operated Davis Garage at 706 Noel Street. Strickland has been in the repair business since he was a young man, and worked with the Ford dealership here for many months.

The men announced that they would hold the grand opening of their new business Saturday, Mar. 21. Coffee and doughnuts will be served to all who visit Memphis Motor Service next Saturday.

"We invite all our former customers and friends to visit us at our new place," the announcement stated.

Methodist WSCS Enjoys Easter Tea In Parks Home

The Woman's Society of Christian Service met Monday, March 16, at 3 p. m. for an Easter membership tea in the home of Mrs. Ben Paris with Mmes. J. B. Thompson and W. F. Ritchie as co-hostesses.

After the business session, in which it was announced that Mmes. L. G. DeBerry, F. W. Foxhall and John Fowler would attend the Annual Meeting in Plainville the following day, Mrs. Ed Hutcherson introduced the program with a spiritually enriching meditation. It was entitled, "I Have Seen the Lord" by Mrs. E. U. Robinson. The scripture from the 20th chapter of John was read from the new English Bible and was appropriate for the Easter season. Mrs. Hutcherson led in prayer after a silent prayer by the group.

Mrs. J. W. Coppedge led the program, "The Cross and the Resurrection", assisted by Mmes. D. S. Miller and Bob Hutcherson. It was based on texts from the Bible, woven into an inspiring dissertation on the deep meaning of Easter which mankind must seek to grasp with both hearts and minds. To believe is simply to meet the risen Christ and acknowledge Him as Lord. It is the resurrection that crowns the incarnation and fulfills the promise of Emmanuel—God with us. Mrs. Coppedge led the group in prayer.

Mrs. R. S. Greene enhanced the program by reading two hymns as poems on the passion, death and resurrection of Christ.

Mrs. Ritchie had prepared a worship setting of a beautiful white cross covered in pleated satin ribbon with lilies and a madonna on either side. Ivy was twined around the cross.

The table was appropriately laid for Easter with a pink cloth and a centerpiece of pink carnations. Delicious lily sandwiches in pink and white, cakes decorated like Easter eggs and refreshing punch were served.

Those present other than the above mentioned were: Mmes. Frank Garrett, W. F. McElreath, D. A. Neeley, Myrtis Phelan, L. G. Deberry, Bess Crump, W. J. McMaster, M. N. Orr, Waller Diggs and F. W. Foxhall.

Twelve women's and 17 men's teams entered the Lakeview Invitational Volleyball Tournament, sponsored by the Senior Class at Lakeview last weekend.

In the men's finals, the Jaycees No. 1 of Clarendon defeated the Memphis OK Rubber Welders.

Winning the women's finals was the Darnell Pharmacy team of Clarendon after their defeat of the Favor's Grocery team of Lakeview.

In the consolation bracket, men's, Kirk's Grocery of Lakeview defeated the Beattles of Hedley. The women's consolation was won by Ariola Welders of Lakeview who defeated Clifford's Croquettes of Hedley.

Trophies were awarded to first and second place winners and consolation.

The three-day tournament was very successful, members of the Senior Class stated.

Regulations For Feed Grains Are Changed

The regulations regarding planting of substitute crops on diverted feed grain acreage have been changed for 1964 as follows:

For farms with intended diversion equal to 40 percent or more of the total feed grain base, the diversion payment rate shall be: 50 percent of the additional diversion rate for the lowest payment value commodity for the farm in the case of diverted acreage devoted to Guar, Castor Beans and Sesame.

This means a farmer who diverts not less than 40 percent of his feed grain base and grain sorghum is his only base crop with an average additional rate of \$13.87 per acre, can seed the 40 percent of his base acreage diverted in Castor Beans for harvest and earn a payment of \$6.93 per acre.

Hospitals Losing Doctors

Texas salaries aren't good enough to keep top doctors on the job at state hospitals, Dr. James M. Schless, director of tuberculosis hospitals, told the hospital board at a recent meeting in Austin.

He cited resignations of doctors at Harlingen State Hospital, East Texas Tuberculosis Hospital, and San Antonio State Hospital and possibly of the McKnight State Hospital clinical director's taking a job in another state.

Key medical jobs in the state institutions \$14,000 to \$15,000 a year, plus housing. Schless said the next Legislature will be asked to raise that to \$19,500.

Executive Director Raymond W. Vowell offered the Board for Hospitals and Special Schools a more cheering note: with completion of new facilities for the mentally retarded (which now house 9,813), the present waiting list of 1,800 may be trimmed to 500 by fall.

Schless also had an encouraging report: average hospitalization period of tuberculosis patients is shorter, and fewer are leaving tre hospitals against medical advice. New and improved drugs are offering better hope of quick cure.

Study Hearings Planned

The Governor's Committee on Education Beyond the High School will take its preliminary recommendations before college officials and state legislative groups during late May and June.

Chairman H. B. Zachry, still fighting a running battle with the capitol press over secret sessions of the 25-member committee announced the hearings. He said members will reach a tentative decision on recommendations at a meeting in Austin April 17-18.

Committee has balked at telling reporters anything it has agreed on to date except a coordinating committee for all colleges and junior colleges.

A sub-committee on junior colleges reported a list of specific proposals, however, including a recommendation that no more junior colleges be elevated to four-year status. They also recommended that the state pay all instructional costs of the 33 existing and future publicly-appropriated junior colleges.

Zachry indicated the Committee will propose a "stair-step" or easy-stages approach to achieving a first class system of college and universities. He hinted the

Committee will make specific recommendations for financing the proposed upgrading program.

Committees Meet

The new steering committee of the governor's Committee on Aging, headed by Sen. Walter Richter of Gonzales, held its initial meeting, as did the governor's 14-member committee studying electronic data processing equipment in use by the state.

Tourist Program in High Gear

The Texas Tourist Development Agency reports that national advertising is scheduled for summer issues of the New York Times and Chicago Tribune travel sections and for issues of Sunset, Redbook and Reader's Digest magazines. Some 36 travel writers from other states and Canada are due to take a week-long tour of the state in April to gather material for their columns.

Courts Speak

State Supreme Court has agreed with lower courts that a state tax on gas pipelines is unconstitutional. Decision upheld earlier opinions that the dedicated reserve tax cannot be applied to pipelines holding long-term contracts to take gas to out-of-state consumers. About \$9,000,000 has been paid to the treasurer under the levy, \$8,500,000 of it under protest.

High courts permitted filing of three mandamus petitions involving election controversies.

Another argument was made in suit to prevent Robert F. of Van Zandt County from running for county and state attorney. J. Alton Mills, candidate for the Van Zandt claims Bartlett has not met the requirements.

For the second time, the Criminal Appeals affirming a conviction and a year prison sentence of B. Estes.

Memphis, Lakeview Win Saturday Borger-Phillips Tournament

Memphis and Lakeview netwon't home two first places in the Borger-Phillips tournament Saturday. This was the first time it was given to both of the year for both.

Memphis boys doubles Bill Pounds and Ronald defeated Pampa in the first round, 6-1, 6-0, and Lakeview boys doubles team, Dana Gibbons and Rodney Sams, 6-1, 6-3, in the finals, to win the A Division.

Memphis girls doubles team won the tournament. Division girls singles, Nikki Clements of Lakeview defeated Pampa, 6-2, 6-0, a Dumas girl, 6-2, 6-0, and a Borger girl, 6-3, 6-0, and a Lakeview girl, 6-4, 6-3, in the finals, to win the A Division.

Trackmen Place 4th At State Meet

Memphis track team took place at the Lefors Track and Field Center Saturday and Sunday. Coach Chambers reported he was pleased with the showing. Chambers said, "We had a lot of improvement as a team this time we did at the meet. We were a lot of enthusiasm and we were a lot of enthusiasm."

Memphis 440-yard relay team took second at the meet with a time of 1:12.6. The 440-yard relay team placed third in the dash with a time of 10.6. The 880-yard relay team placed fourth in 13:6.6 time. The 1600-yard relay team placed sixth in the dash.

Chambers said, "Our team is showing steady improvement each week which is a hard work on the part of the boys."

C. J. Goodnight and Sue Watson of Memphis defeated Borger, 5-7, 7-5, 6-2, and Dumas, 9-7, 8-6. In the finals, Phillips won 2-6, 4-6.

Sandy Verden and Tommie Payne of Lakeview defeated the Spearman team 6-0, 6-1, but fell in the semi-finals to Phillips, 1-6, 1-6.

In boys singles, Connie Mack Moore of Lakeview won his first match over Spearman, 6-1, 9-7, but lost his second, 2-6, 5-7, to Phillips.

Dumas took Memphis' R. B. Spruill out in the first round, 6-1, 6-0, and in consolation play, fell to Borger, 6-1, 6-1.

Linda Alewine, Memphis' girl singles, defeated White Deer 6-1, 6-0, in the first match, but lost the second to Borger, 1-6, 4-6.

B Division Play
In the B Division, Memphis had no entries, however, Lakeview carried a full team to the tournament.

In girls doubles, Kathy Gibson and Chris Clements defeated Spearman 6-1, 6-0; Borger, 6-0, 6-1; but lost to Dumas, 1-6, 1-6.

In boys doubles, Kirby Hatley and Royce Sanders won over Spearman 6-3, 6-3, but lost to Dumas 2-6, 2-6.

Bob Neal, boys singles, won his first match over Dumas 6-1, 6-0, but was defeated by Borger 6-2, 4-6 and 3-6.

Girls singles entry Nancy Fowler was defeated by Dumas 6-2, 6-2.

The Lakeview team will enter the Lubbock tennis tournament which will be held March 26, 27 and 28; and both their Memphis and Lakeview teams will attend the Amarillo Relays April 3 and 4.

Ferrel, Richburg Named To Estelline Co-Op Gin Board

Two directors of the Estelline Co-Op Gin were named and dividend checks were passed out at the annual stockholders meeting last Saturday.

Re-elected to the board was Crump Ferrel, and Clinton Richburg was elected to the board as a director.

Other board members include Chairman Jerrel Rapp, Director Don Leary and Director Carl Hill.

Fielding H. Yost, athletic coach of the University of Michigan, was nicknamed "Hurry-up."

TENNIS WINNER—Nikki Clements of Lakeview, shown above, was the top singles entry last Saturday in the Borger-Phillips Invitational tournament. She was awarded a gold medal.

State Draft For April Set At 449 For Army

The state draft quota for April calls for 449 men, compared to 610 for March, Colonel Morris S. Schwartz, state Selective Service director, said Wednesday.

The state quota of 449 for April is the Texas share of a national call for 12,000 men, all for the Army.

The state Selective Service director also announced pre-induction physical and mental examinations for 6,000 men in April.

Local board quotas for the April call are scheduled to be mailed to the state's 137 local boards on March 11.

The April quota will be filled mostly with men who are volunteers under 26 years old and non-volunteers ages 19 through 25. Most of them will be 22 years old.

No man whose draft board file reflects that he is maintaining a bona fide family relationship with a wife or a child or children will be selected in response to this call.

The first postage stamps were issued in 1847.

Hymn Sing To Be Held At Lakeview Baptist Church

A hymn sing will be held Sunday afternoon, March 22, at the First Baptist Church in Lakeview, according to an announcement this week. The meeting will begin at 2:30.

Those who enjoy singing hymns are cordially invited to attend.

Around and About

By HELEN COMBS

First, we are happy to report that Mrs. Wells stated Wednesday night J. Claude is improving satisfactorily after undergoing surgery at Scott-White Clinic Monday afternoon. She also said he is recovering from the mild stroke he suffered early last week. We know this will be gratifying news to his many friends.

The eleventh annual Pre-Easter Style Show, presented Tuesday evening under the sponsorship of the Atlantean Club, was one of the best—if not the best! So was the comment about town Wednesday.

Mary Helen Sexauer was her usual sparkling self as she directed the show and cleverly commented on the garments shown by the lovely models. Seated to the narrator's left was Edward Neal Foxhall, dressed as an Irish pixie, who was called on from time to time to draw a number from the hopper, thus awarding door prizes to lucky persons.

A new feature of the show this year and one that added interest was the selection of Memphis' five best dressed women. Names of the winners were kept secret until the time they were asked to come to the stage. Each winner was presented with a corsage by Mary Helen. May we offer congratulations to Louise Fowler, Honerica Helm, Helen Boswell, Lois Monzingo and Peggy Moreman, five very well groomed and beautiful ladies.

From the lovely display of clothes shown Tuesday evening, all any lady has to do to be among the most fashionably dressed this Easter is to visit a local store and let the saleslady outfit you in a new frock and accessories. We thought the styles were unusually pretty this year, and all the models looked beautiful.

Little Tonia Donette, second daughter of Mr. and Mrs. Michael Tucker and granddaughter of Tomie Ruth and Homer Tucker, arrived at 12:45 a. m. Sunday—at the exact time and on the same day her aunt, Lucheryl Tucker, was born. Strange how history repeats itself!

Mrs. Jeff G. Ray wrote us recently that her father, Howard A. Finch, had been very seriously ill, but was now recuperating at the Crazy Water Hotel in Mineral Wells. Mrs. Finch has also had dental surgery and was with the Ray family at Fort Walters while Mr. Finch was in the hospital. Mrs. Ray said, "Franches Ann was ill at home with a dislocated knee cap; so as we say, 'When it rains, it pours.'" Do hope Mr. and Mrs. Finch are much improved and there is smoother sailing ahead for Mrs. Ray.

And speaking of the younger set, a Sunday School teacher recently asked her class to give the name of the first man. One little boy spoke up quickly and said, "I know it was Hoss." The teacher said, "No, don't you remember his name was Adam." "Well," replied the little boy, "I knew it was one of those Cartwright boys."

Atalantean Style Show Is Acclaimed Most Successful

The Memphis' eleventh annual pre-Easter style show presented on Tuesday evening in the community auditorium under the sponsorship of the Atalantean Club was one of the most enjoyed and attended.

A delicious meal of baked sweet potatoes, green beans, tossed salad, hot rolls, peach cobbler and coffee was served during the style preceding the fashion show.

Decorations carried out the Easter motif.

Invocation was given by Rev. H. J. Howell, after Mrs. Allen, club president, had expressed words of welcome.

Best Dressed Contest

A feature of the show this year was the naming of the five "Best Dressed" women. Selected for this honor were Mrs. Dickson, Mrs. J. N. Helm, Jr., Helen Boswell, Mrs. Gayle Monzingo and Mrs. Jack Moreman.

The surprise ending for the evening was the reading of the names of the winners when Helen Sexauer, narrated for

the show, read the names and asked the women to come to the stage. Each was presented with a corsage.

Selections were made by a popular vote of residents of the area during the past three weeks. All of the winners, with the exception of Mrs. Jack Moreman, were present Tuesday night and two of the winners, Helen Boswell and Mrs. Monzingo, were models in the show.

A lovely array of spring and summer styles were shown in both teen-age and adult fashions by local models.

In observance of St. Patrick's day, a small Irish pixie, Edward Neal Foxhall, was presented to draw numbers from box in awarding several door prizes presented by the department stores.

The surprise ending for the gala

fashion review featured a party on stage and mock wedding in which the minister, played by Rev. Richard Avery, said not a single word but tied knots in two long ribbon streamers held by the bride and groom, played by Mrs. Malcolm Martin of Chattanooga, Tenn., and Jimmy Hill, Little Terri Shadid and Malcolm Martin, Jr., were the flower girl and ring bearer.

Mrs. Bray Cook Is Hostess To Harmony Club

The Harmony Club met in the home of Mrs. Bray Cook March 11. Mrs. Clifford Farmer, president, conducted a brief business session. The focal points of interest were lovely Easter floral arrangements on the mantle and dining table.

"Door to Eternal Life—The Meaning of Easter" was the theme used in the meditation presented by Mrs. L. G. DeBerry to open the program for the day.

A vocal solo, "God So Loved the World" by James Mc David, was rendered by Mrs. Dick Fowler.

Mrs. T. L. Rouse and Mrs. R. S. Greene gave an organ-piano duet, "The Lord is My Shepherd", arrangement by Ethel Smith.

Miss Esta McElreath read an original Easter poem.

Miss Martha Scoggins, a pupil of Mrs. George Ferris, presented two piano numbers, "To a Wild Rose", MacDowell; and "A Dance", Kabalecky.

Following the delightful program, delicious refreshments were served by the hostess, Mrs. Cook, to the following members and the one guest: Mmes. L. G. DeBerry, Clifford Farmer, Bob Fowler, Dick Fowler, Gordon Gilliam, R. S. Greene, T. L. Rouse, George Ferris, and Misses Esta McElreath and Martha Scoggins.

Lakeview PTA To Meet Mon.

The Lakeview Parent-Teacher Association will meet in regular session Monday night at 7:30 p. m. in the grade school auditorium, according to an announcement made this week.

The first grade students will present a program.

Following the business session, a refreshment hour will be enjoyed.

Mrs. Malcolm Martin and children of Chattanooga, Tenn., are visiting here with Mr. and Mrs. L. C. Martin. They plan to be here until around the first of April.

CONCLUDING SCENE—A lovely array of formal attire was displayed by models to conclude the Atalantean's Style Show Tuesday evening as models gathered on the stage for a surprise ending—a mock wedding. Shown above is the wedding party as they prepared to leave the stage after Rev. Richard Avery, shown in the background, had "tied the knots" in the long ribbon streamers. Mrs. Malcolm Martin of Chattanooga, Tenn., played the part of the bride while Jimmy Hill played the part of the groom. Ringbearer is Malcolm Martin, Jr., also of Chattanooga, Tenn., who with his mother and sister, is visiting here with his grandparents, Mr. and Mrs. L. C. Martin. Flower girl is little Miss Terrie Shadid, daughter of Mr. and Mrs. John Shadid.

Wherry Is Hostess To Readers Class

The Readers Sunday School of the First Baptist Church March 10 in the home of E. H. Wherry to observe annual Easter program.

The meeting was opened with a prayer by Mrs. Joe Weatherbee, president. Mrs. Myrtle Crabb, secretary, reported on the business of the past month. Various officers of the church presented their reports, which Mr. Dick Watson, chairman, presented the pro-

gram on "The Resurrection", from the Gospels of Matthew and Mark. Mrs. Emma Bass presented two poems commemorating Easter. Mrs. Hulda Williams read "Near The Cross" and "Old Rugged Cross". Mrs. Wherry then read "The First Easter" taken from I Peter and closed with prayer.

The meeting was closed with a prayer for the coming year. The meeting to be held at the Baptist Church beginning next week.

The dinner menu included baked ham, macaroni and cheese, English peas and potatoes, black-eyed peas, corn, congealed salad, tomatoes, beets and pickles, hot rolls, pie, coffee and ice tea.

Pathfinders To Sell Candy As Club Project

As a money raising project, the Pathfinders' Council announced this week that club members will sell 144 cans of candy. The candy has arrived and can now be purchased from club members.

They are selling two kinds of candy. Prices are from \$1.50 and \$1.00. Those who would like to place orders may call Mrs. W. F. McElreath, club president; or Mrs. J. J. McDaniel.

Proceeds from the project will be used for some worthwhile community project.

Methodist Women Attend District Meet In Plainview

Several women from the Methodist Church were in Plainview to attend the twenty-fourth annual meeting of the Woman's Society and the Wesleyan Service Guild on March 14 through March 17.

Mrs. Mack Tarver, who is a member of the Executive Board, attended both sessions. Mrs. John Fowler, Mrs. Louie Merrell, Mrs. R. F. Wynn and Mrs. Barney Burnett attended the Wesleyan Guild session while Mrs. L. G. DeBerry and Mrs. Frank Foxhall were in attendance at the WSCS meeting.

Mizpah Guild Meets March 16 With Mrs. Grundy

The Mizpah Guild of the First Presbyterian Church met in the home of Mrs. Boodie Grundy March 16 at 7:30 p. m.

The meeting was called to order by the president, Miss Agnes Nelson. Reports were given by various departments in the business session.

Elsie Hoover presented the study for the session, "Together in Southern Asia". She stated that through the phase of the United Presbyterian Women's program called "Sponsoring Through Understanding", the church women are asked to sponsor missionaries serving the church in Southern Asia through the gift of understanding. Through understanding, many people have taken a sizeable part of the task of raising these countries out of poverty and misery, she said.

There was a display of several decorations representing various countries in Asia.

Following the Lord's Prayer read in Hindi and the Mizpah Benediction, refreshments traditional of the Asian countries were served to: Sue Avery, Virginia Browder, Glen Cosby, Emma Decker, Ora Denny, Francis Finch, Ruth Harrison, Elsie Hoover, Wilma Leslie, Agnes Nelson, Gertrude Rasco, Ila Roberts, Moselle Wright and the hostess, Boodie Grundy.

Tax Man Sam Says—

Thousands of refund checks are delayed or sent back to the Treasury each year. A lot of folks are already worrying about getting their refund from Internal Revenue. If you carefully print or type your name and your Social Security number, so the tax folks can read it, it helps them get your refund to you.

'Nifty Nineties' Show Is Acclaimed Most Successful; Nets \$366.54

Judging by the hearty "hisses", "boos" and applause coupled with the "follow-up" compliments "The Nifty Nineties" show March 9 and 10 at the new Community Center was a huge success.

Despite scanty rehearsals, the talented performers presented an excellent display of music, dancing, and song to an appreciative audience both evenings. The only complaint voiced to the producers was that the numbers, especially the performance of The Gaiety Girls, was all too brief.

According to the report of the Women's Forum treasurer, Helen Boswell, the net receipts amounted to \$366.54 with a minimum expense to be deducted from the total.

The diligence of the combined women's clubs and the generosity of several individuals made possible this rare extravaganza of amateur theatrical talent. We are grateful to the following persons for special favors; the Bill Borens for the pop-corn; R. C. Lemons and the Bob Ayers for assisting with the "meller drummer" set; the Memphis Compress and Jim Miller for the ash trays; Mr. Dillon and Mrs. Ayers for the show cards;

the willing effort of the cast, actors, dancers and singers; Edward Avery a stage manager; Carlos and Pete Crump for assistance day and night; Boren and Robert Breedlove trying to get a curtain down; And especially do we thank five Thespians who acted as excellent job. Without the efforts of our cameraman, Jimmy Harris, much of the fun of the racy, roid snapshots would have been missing from the show. And The Memphis Democrat staff, free publicity, we are deeply indebted.

Excise Taxes
Excise taxes affect the pocket-
book of each of us. They add to
the cost of a long, long list of
services we buy. They are
collected by the Federal treasury by bill-
ing—by an estimated \$1 billion in the current fiscal
year—by which the government "excises"
its share of the cost of the
services. Excise taxes constitute a prob-
lem for the consumer, the retailer, and
the producer, as well as the tax
collector. Excise taxes are a complex
of Congressional effort,
new sense and balance, and the
nation's tax structure. Excise taxes
will fall next on excise tax-
ation. In my view, a sweeping
change in the subject is long over-
due. Congressman Wilbur Mills,
chairman of the House Ways
and Means Committee, has an-
nounced public hearings will
be held this year on excise
taxation. The purpose of the hear-
ings will be similar to those
which led the Committee to
conduct a review of the in-
come tax structure. That study
disclosed in the recent en-
actment of the income tax reduc-
tion bill.
Excise taxes are that from the
point of view of the consumer,
excise tax is not an outright
excise tax structure. Excise tax
structure there will not be

tailers are similarly affected. Drug stores, luggage and leather shops, department stores, camera shops, grocery stores which sell many of these taxed products—all of them are deeply concerned with the matter.

Customers however, as taxpayers, have the most direct interest. It is money that, if diverted from taxation, would be returned to the mainstream of the economy through the purchase of a larger volume of goods and services and be reflected in a higher living standard for Americans.

Lakeview Residents' Relative Dies In Accident In France

John Scott Biella, 22, grandson of H. L. Davenport of Lakeview, was killed in a car wreck in France about March 4. A member of the United States Army, he was touring France while on leave, preparatory to coming back to the States to be discharged. He was stationed in Germany.

Mr. Biella was also a nephew of Mrs. Alton Hankins of Amarillo and a great nephew of Mrs. H. J. Davenport of Lakeview.

Mrs. Hankins and Mrs. Davenport left by plane Sunday for Santa Rosa, Calif., where funeral services for Mr. Biella were held Tuesday.

CARD OF THANKS

We wish to express our thanks and appreciation to our many friends and neighbors for their kindness and kindly ministrations to us during the illness and at the time of the death of our loved one. The beautiful floral offerings and food that was served was deeply appreciated. Jaycees Begin 'Citizen Of Year' Contest

The Memphis Jaycees announced Tuesday night that they would again sponsor the "Citizen of the Year" contest for Memphis this year.

The finalist for the award would be named at the April 11 Jaycee Installation Banquet at 7:30 p. m. in the Community Auditorium. Tickets for the affair went on sale Wednesday.

Printed elsewhere in this issue is the official ballot on which Jaycees encourage all citizens to fill out and mail to David Duncan, Box 642, Memphis, Texas.

Last year, M. C. Allen, Sr., was named "Citizen of the Year," and was presented the plaque by the Memphis Jaycees.

Any resident of Memphis is eligible to win the "Citizen of the Year" award with the largest number of ballots determining the winner.

Jaycee President Carrol Gardenhire said the contest is open to men and women who reside in Memphis.

Winnie Harrison Dies In Wellington

Mrs. Winnie Harrison, who had lived in the Quail and Wellington area since 1915, died Sunday, March 15, at her home in Wellington following a short illness.

She was the aunt of Mrs. Robert Breedlove. Mrs. Harrison was 80, and remained active until she entered the hospital, only a few days before her death.

Funeral services were conducted at the First Methodist Church in Wellington Tuesday at 10:30 a. m. with the Rev. Davis Edens, pastor, officiating.

Fire Destroys Doyle Wynn Home Monday

A tragic fire Monday morning, fanned by high winds, swept and gutted the Doyle Wynn home in Estelline. Estelline and Memphis firemen battled the blaze but were unable to save the house.

A community shower for the Wynn family is scheduled from 6:30 to 8:30 p. m. tonight (Thursday) in the Baptist Annex in Estelline. The shower is a come and go affair. It was reported that household furnishings and clothes are needed.

The Doyle Wynns have nine children, the oldest being a sophomore in Estelline High and the youngest of pre-school age. Mr. Wynn is a barber and a ranch-hand for Mrs. Jack Collier.

The Wynns have moved into the Buke Adams house located six miles west of Estelline, it was reported.

Band Boosters To Meet Tonight

The Band Booster Club will have its regular meeting Thursday night, March 19, at 7:30 p. m. in the band hall, according to an announcement.

Everyone who is interested is invited to attend.

Plans Made To Set Up Community Stage Fund

Several generous citizens have indicated a willingness to make donations to complete the stage furnishings for the new Community Center. In view of this fact, it has been suggested that a "stage fund" program be implemented to collect and award the donors of these monetary gifts.

Some of the much-needed items to make the stage presentable are: a cyclorama curtain, two "teaser" curtains, two more wings like the ones furnished by The Delphian Club and built and painted by the Lynn McKowns, and a main curtain for the front of the beautiful stage. With work and some money, we think we can manage for the needed stage equipment.

In recognition of the donor's generosity, brass name plates will be placed on a "Donor's Shield" for all to see and appreciate their assistance.

Anyone wishing to contribute to The Stage Fund as indicated above, please leave your donation with Mrs. Herschel Combs at The Memphis Democrat office.

Hovering Clouds Release .64 Rainfall Here

Rain clouds hovered over Hall County the middle of the week, and water fall measured a total of .64 of an inch, J. J. McMickin, official weather observer, reported.

The sky cleared today after .46 of an inch fell Wednesday night and early Thursday. McMickin also recorded .18 in his Wednesday measurement.

Temperatures have been exceptionally mild, and several fruit trees have begun to bloom.

High-low temperatures include: Wednesday 72-46, Tuesday 74-34, Monday 71-38, Sunday 76-26, Saturday 69-38, Friday 80-49, and last Thursday 78-32.

Queen Caroline, the wife of George IV, was known as the "Unhappy Queen of England."
