TEN CENTS

NUMBER 50

First Primary Elections To Be Held Sat.

Need A Ride On Election Day?

The members of the Memphis Jaycees announced early this week that the organization would furnish rides to and from the voting places all day Saturday. Both voting places for Memphis residents are on the second floor of the courthouse, it was explained.

Persons who need a ride are asked to call A & F Concrete Co., phone 259-3263, and a member of the organization will pick them up.

This is a community service which is offered each year by the organization for all senior citizens, or any other person who does not have a car available, according to Jaycee officials.

Republicans To Have Primary Sat. At Estelline

E. O. Wright of Estelline, chairman of the Republican Committee of Hall County, announced this week that the Republican Primary election will be held in his home, located two blocks west of the intersection of U. S. 287 and the Turkey Highway in Estelline.

This will be the only polling for the Republican Primary, Mr. Wright said.

In issuing his statement, Wright called on all conservatives to vote in the Republican Primary on Saturday, May 2.

By voting in the Republican Primary, Mr. Wright said, "Texas conservatives will have an effective voice in (1) choosing the strongest Republican for president, (2) picking the man who is best able to beat Ralph Yarborough, (3) protesting Lyndon Johnson meddling in Texas politics, and (4) improving Texas government with a competitive two-party system."

Mr. Wright charged that the liberals already have control of the Democratic Party and that a conservative vote in that primary is a wasted vote. "If you are a conservative the only effective way to make your vote count is to vote Republican on May 2."

Presidential candidates listed on the Republican ballot are Senator Barry Goldwater of Arizona, Governor Nelson Rockefeller of New York, Senator Margaret Chase Smith of Maine and the Honorable Harold Stassen of Pennsylvania.

Senatorial candidates are George Bush of Harris County, Jack Cox of Harris County, Dr. Milton V. Davis of Dallas County and Robert Morris of Dallas County.

Republican candidates for state offices include Jack Crichton of Dallas County for Governor; Horace Houston of Dallas County for Lieutenant Governor; John Trice of McLellan County for attorney general; Bill Hayes of Bell County for congressman-at-large; T. E. Kennedy of Harris County for associate justice of the Texas Supreme Court; Don Flanagan of Dallas County for an unexpired term as railroad commissioner; Dallas Calmes, Jr., of Dallas County for comptroller of public accounts; Fred E. Neuman of Jefferson County for state treasurer; John A. Mathews of Taylor County for commissioner of the general land office; and John B. Armstrong of Kleberg County for commissioner of agriculture.

Election Returns Will Be Posted At The Democrat Office Saturday

Returns from all voting precincts in Hall County will be received in the office of The Democrat Saturday night. Each election year, the newspaper has been receiving the returns from all precinct chairmen, most of whom call in the totals before they drive to Memphis. Publishers announced this week that an election board will be erected in the office, and totals will be posted as they are received.

Clyde Fowler, chairman of the Hall County Democratic Executive Committee, Wednesday announced that he would be at The Democrat from 7 p. m. until all

returns are in. This means that headquarters for the Democratic Committee will be established at the newspaper, and all presiding judges of the different precincts will deliver their returns to the chairman at his desk in the newspaper office Saturday night.

As Chairman Fowler receives the returns by telephone, they will be posted on the board. He urged all presiding judges to call The Democrat—collect—promptly after polls close. The number is 259-2441.

Personnel of the newspaper will compile results of county votes, and report to the Texas Election Bureau in Dallas. Also reports will go out to daily newspapers, television and radio stations.

Keith Cunningham, manager of the Vumore Company television cable system in Memphis, announced this week that he would use local Channel 6 to show flash pictures of results from county races Saturday night.

Democrat Precinct Conventions Are Set For Saturday

The Democratic Party precinct conventions will be held at 3 p. m. Saturday in all of the Hall County voting precincts, Clyde Fowler, chairman of the Democratic Executive Committee, announced.

The County Convention will be held at 2 p. m. Saturday, May 9, in the County Courtroom in the Courthouse, it was announced.

At the Precinct Conventions, delegates will be elected to attend the County Convention, and resolutions can be adopted.

Precincts holding conventions at 3 p. m. Saturday will be: Memphis No. 1 (at Courthouse), Memphis No. 13 (at Courthouse), Lakeview No. 9 (at School Lunchroom), Parnell No. 7, Brice No. 10, Lesley No. 4, Newlin No. 2 and Turkey No. 8.

The Estelline Precinct No. 5 will have its convention at 3:30 p. m. and the Baylor No. 6 Precinct will have theirs at 7 p. m. Chairman Fowler said.

In order to attend a precinct convention, a citizen must have his poll tax receipt stamped which shows that he has voted in the Democratic Primary Election.

Democrats To Have 10 Boxes; Republicans 1

Hall County voters will go to the polls Saturday to cast their ballots in the first Democratic and Republican Primaries.

The polls will open at 8 a. m. and close at 7 p. m., with a large turnout expected. It was reported this morning that 137 persons have voted absentee at the County Clerk's office.

All voters must take their poll tax receipts with them to the voting places. There the receipt will be stamped either "Democratic" or "Republican" depending on the primary in which each person is voting. If the voter has lost his or her poll tax receipt, the presiding judge at the box will issue an affidavit of lost poll tax, and stamp this affidavit.

In the case of persons not required to have a poll tax receipt, the presiding judge will issue a certificate of party affiliation. A Republican Primary will be conducted at the home of Oscar Wright, county Republican chairman, and all Republicans will vote in the Estelline box, he said.

The Democratic boxes will be in the 10 voting places throughout the county. Elections will not be held in the Eli or Plaska precincts since these boxes have been disbanded.

There are many hotly contested races to be decided Saturday and a large turnout is expected.

A sample ballot of the Democratic Primary is printed on Page 10, Section 1, of this issue.

Weather

Memphis continues to be dry this week with the last measurable rainfall reported April 3, J. J. McKelken said.

Temperatures the past four days have been mild compared to last weekend, his report revealed.

High-low temperatures include: Wednesday 74-44, Tuesday 74-50, Monday 76-42, Sunday 83-38, Saturday 91-50, Friday 94-54, and Thursday 90-48.

REGIONAL WINNER—Miss Suzanne Sexauer, left, Memphis Junior, won first place in Poetry Interpretation at the Interscholastic Meet in Lubbock last Saturday and will represent the region at State the weekend of May 9. She is shown above looking over poems with her coach, Roy Guthrie, high school English teacher. Miss Sexauer is daughter of Mr. and Mrs. Robert Sexauer.

Interest Is High In County Races

Interest in county and precinct races mounted this week as the staff of the Democrat counted the week ending May 2. Polls in 10 precinct boxes will open at 8 a. m. and will close at 7 p. m.

The list of contested races are the contests for Sheriff and County Tax Assessor-Collector.

Seeking re-election to the Sheriff position is Elmer Neel. Himon Fronterhouse and Earl Hill both are seeking election to the position.

In the Tax Assessor-Collector's race, Mrs. Melissa Anderson, who is seeking re-election, drew two opponents, Monty G. Alewine of Memphis and Clydeane (Sally) Gibson of Lakeview.

The other contested county-wide race is for the County Chairman, Democratic Executive Committee. Clyde Fowler is seeking re-election to this position and his opponent is Oren Jones of Memphis.

Edwin Hutcherson of Memphis is seeking re-election to Hall County Commissioner Precinct No. 1 and his opponent is W. C. (Buster) Morrison of Memphis.

O. R. Lambert of Estelline is seeking re-election to Commissioner Precinct No. 3. He is opposed by Tom Collins of Estelline.

Funeral services for Charles David Ardery were held at 2 p. m. Tuesday in the Spicer Funeral Home Chapel with the Rev. Tom Possey, pastor of the First Christian Church, officiating.

Interment was in Fairview Cemetery with services under the direction of Spicer Funeral Home. Mr. Ardery, who resided at 1412 Walden, died at 12:15 p. m. Monday in Hall County Hospital. He was employed as clerk for the Ballou Plumbing Company.

Mr. Ardery was born May 5, 1875, in Carbondale, Ill. He had lived in Memphis since 1921. He was a member of the Church of Christ.

His wife, Frances, preceded him in death in 1926. Surviving are two daughters, Mrs. Myrtle Wood of Memphis and Mrs. Cressie Washam of Houston.

Pall bearers were Billy Ballew, R. C. Lemons, Tom Wilson, Pat Johnson, Raymond Ballew, Lowell Dennis and Jack Boone.

Large Field Of Candidates Is Seen In Races

Hall County voters in the Democratic Primary Saturday will have a wide field to choose from in District and State races.

Four men are seeking the Democratic nomination for Governor with the two top names on the ballot, incumbent John Connally and Don Yarborough. M. T. Banks and Johnnie Mae Hackworth are also seeking the post.

In the Lieutenant Governor's race, Albert Fuentes, Jr., is trying to un-seat Preston Smith of Lubbock County.

The U. S. Senator's race, between Ralph Yarborough and Gordon McLendon, has been receiving much publicity.

Five men are seeking the U. S. Representative-At-Large seat. These include Joe Pool, Bill Elkins, Robert W. Baker, Bob Loomery and Dan Sullivan.

John C. White and Millard Shivers are seeking the post of Commissioner of Agriculture; while Jerry Sadler of Anderson County and Fred H. Williams of Dallas County are after the Commissioner of the General Land Office.

Another hot campaign has been between Jim C. Langdon of El Paso and Jesse Owens for Railroad Commissioner.

Allen Harp and Charles L. Reynolds have been actively seeking votes for Judge, 100th Judicial District, since Governor Connally expressed the desire of appointing the Democratic nominee to the office to fill the unexpired term of Judge Luther Gribble.

Seeking Representative, 82nd Dist. are W. S. (Bill) Healy and James E. Thomas.

RECEIVES TEXACO AWARD—J. B. Durn, pioneer Lakeview businessman, was awarded a gold watch for 30 years continuous service selling Texaco products at an awards dinner Tuesday night at Odom's Restaurant. The award was made by F. M. Chambers of Amarillo, District Sales representative, shown at the left. Jim Beeson, right, local wholesale dealer, presented the watch to Mr. Durn. Mr. Durn moved to Lakeview with his parents in 1912 and attended the Lakeview School. In 1934 he began selling Texaco products and has operated the business continuously since that time in Lakeview. Prior to that Mr. Durn was in the ginning and drug business in Lakeview. Attending were dealers from Wellington, Childress, Memphis, Hedley, Estelline and Lakeview.

Briganan Named To National Jamboree Staff

Briganan received an appointment to work on the staff of the 1964 National Boy Scout Jamboree, to be held at Valley Forge, Pennsylvania, in July, according to information received this week.

The son of Mr. and Mrs. Briganan, will work on security Division at Valley Forge during the Jamboree.

He explained that all members of the staff are members of the Boy Scouts of America. Mike is a Vigilant and is currently serving as a scoutmaster.

He will receive information to report for his training at Valley Forge.

He will work an eight-hour shift which will afford him time for other activities.

H. Hayes weighs 12 Pound At Club Lake

H. Hayes, local cafe owner, is not at his place of business as he can be found out on the water in his favorite hobby—fishing.

This week he brought home a 12 pound catfish. This is not the biggest fish that Mr. Hayes has caught. Numerous times in the past few years he has brought home a 15 pound catfish.

Mr. Hayes is a master at the art of fishing. At least, he always brings home a fish!

Funeral Services Held Tuesday For C. D. Ardery

Funeral services for Charles David Ardery were held at 2 p. m. Tuesday in the Spicer Funeral Home Chapel with the Rev. Tom Possey, pastor of the First Christian Church, officiating.

Interment was in Fairview Cemetery with services under the direction of Spicer Funeral Home. Mr. Ardery, who resided at 1412 Walden, died at 12:15 p. m. Monday in Hall County Hospital. He was employed as clerk for the Ballou Plumbing Company.

Mr. Ardery was born May 5, 1875, in Carbondale, Ill. He had lived in Memphis since 1921. He was a member of the Church of Christ.

His wife, Frances, preceded him in death in 1926. Surviving are two daughters, Mrs. Myrtle Wood of Memphis and Mrs. Cressie Washam of Houston.

Pall bearers were Billy Ballew, R. C. Lemons, Tom Wilson, Pat Johnson, Raymond Ballew, Lowell Dennis and Jack Boone.

County Residents Make News In 'Tales' Column

Four county men and a former resident were mentioned in a column published recently in the Greenville Herald Banner. The column, called "Tawakoni Tales," is a regular feature of the paper, and is written by Esther Crider. The report is as follows: "I stopped at the Kountry Kitchen and visited with Jo and Jim Maddox. Jo told me she had prepared a fish dinner Monday (Continued on Page 10)

Banks' Total Assets Are Over 13.8 Million Dollars

The financial statements of condition of the four county banks at the close of business April 15, 1964, revealed that Hall County banks remain in good shape financially, even slightly better than last spring.

The figures also indicate that the county is slightly under what it was in late December. The total assets of the four county banks is reported at \$13,801,143.40 as of April 15, 1964. Last December the county showed total assets of \$13.9 million.

However, last year, on March 18, the total assets of the county's banks was \$13,625,594.27. Compared to last year, total assets climbed \$175,549.13.

This climb was not seen in the total deposits column. As of April 15, the total deposits figure was \$12,440,733.63, a decrease of \$58,430.34 from March 1963.

The largest decrease seen in the financial picture is found in the loans and discounts column of the combined statements of condition.

Lakeview Cemetery Assn. To Hold All-Day Working

The semi-annual all-day working and meeting of the Lakeview Union Hill and Oddfellow Cemetery Association will be held on Thursday, May 7, it was announced this week.

Lunch will be served at noon, and those who attend are asked to bring a basket lunch.

There is lots of work to be done, and those who attend have been requested to bring hoes, according to members of the association.

A customary donation of \$2.00 per grave is given each year for the upkeep and mowing of the cemetery, it was pointed out. Donations will be accepted by the secretaries, M. E. Wiley or Albert Bevers, Lakeview, for the Oddfellows, and Nettie Adams, 603 6th St., Memphis, for Union Hill.

Lakeview Teams Do Good Job At Tech Meet

The Lakeview FFA judging teams did a fine job at the Area Meet at Texas Tech last weekend. Sponsor Barney Bevers stated early this week.

The Lakeview Chapter team placed first in district and fourth out of the 40 years at Tech, Bevers said. Dana Gibson placed seventh high individual out of the 120 boys who competed. The team is composed of Gibson, Allen Miller and Bob Neal.

The Lakeview FFA poultry team composed of Kirby Hatley, Jimmy Duke and Royce Sanders, placed second in District. Kirby Hatley was named first in judging from the 45 schools and 135 boys competing at Tech.

The Lakeview dairy cows team placed second in District, and is composed of Rodney Sams, Pat Moses and Gary Gambill.

Also competing was the livestock judging team, composed of Johnny Thomas, Kirk Anderson and J. D. Mullins.

Around and About
By HELEN COMBS

One of Memphis' newer organizations, the Memphis Garden Club, will sponsor its second annual Flower Show Saturday in the Community Center. The first show was held last year and, despite the fact that little publicity was given to the event, some beautiful arrangements were displayed.

We feel sure the show this year will be much larger and the arrangements even more beautiful. Although iris will be the main feature of the show, many other flowers will be used for arrangements. You do not have to be a member of the Garden Club to enter... so, this is your chance to try your hand at arrangements! Whether you enter an exhibit or not, be sure and remember the hours... from noon to 6 p. m. Saturday, and attend the show.

We would like to nominate the Elmont Branigan family as "the Scout Family of the Year." We have never seen such an active Scouting family as a whole. Elmont and Flo devote a great deal of their time serving as adult Scout leaders in Boy and Girl Scouting. Their son, Mike, and daughter, Elmonette, are active Scouts... and this week Mike received an unusually nice honor. He has been selected to serve on the staff at the National Boy

Scout Jamboree to be held at Valley Forge, Pa., in July. Congratulations, Mike... we think you are most deserving of the honor.

And, speaking of Scouting, Flo goes beyond the tour of duty to see that her family is properly attired. She told this story Monday morning with a chuckle: Seems husband Elmont took off for the O. A. Conclave at Camp Post over the past weekend with his bedroll... leaving all his Scout clothes packed at home. Thinking he would need his Scout uniform, Flo got in the car and drove to Post. But when she arrived, she found Elmont neatly groomed in a pair of Boy Scout Bermuda shorts, borrowed from Homer Tribble, Mike's shirt, long socks belonging to another Scout. Flo was lamenting the fact that she didn't have her camera along!

Jim Montgomery of Amarillo, representative of a pharmaceutical company, and guest speaker at the Rotary luncheon meeting Tuesday, had every Rotarian in town present to hear him speak. Our Rotarian son, Bill, said it was most unusual to have 100 percent attendance... of course, they do achieve that goal quite often by making up attendance, but that's not quite the same as having every face showing around the table.

Through the work of the Band Boosters Club and several local business firms, the Cyclone Band can look forward to a well-sodded

REGIONAL CHAMP—Nikki Clements of Lakeview is shown above the Class B Girls Singles trophy she won at Lubbock Saturday in tennis to Supt. Allen B. Jones. Nikki, in winning first, defeated Bledsoe, 6-0, 6-1; Booker, 6-4, 6-1; Shallowater, 6-3, 6-3; and Happy in the finals, 6-1, 6-3.

marching field in a few weeks. The final phase in preparing the field was completed this week when the grass was sprigged. The grounds will also be used by the physical education classes. Lynn McKown, who served as chairman of the project, expressed appreciation to all those who helped.

Remember the salad supper and band concert on May 12. This will be a nice evening of entertainment for the whole family. The supper will be held at the Community Center.

Then, on May 8, the Memphis Jaycees are staging a Jubilee entitled "Grand Ole Opry". This will also be held in the new air-conditioned Community Center. The program will consist of a variety of musical talent featuring western, popular, rock and roll, classical, comedy, folk and religious songs. So, whatever type of music you enjoy, you should be able to hear it at the Jaycees' Jubilee.

As a service to voters who do not have a way to the polls Saturday, the Memphis Jaycees will furnish rides to and from the polls. Persons who need transportation should call A & F Concrete, phone 259-3263.

Remember to vote Saturday! Only by voting can you voice

Quail Junior Class To Present Annual Play

The Quail Junior Class will present the play, "The Perfect Idiot", in the Quail High School Gymnasium at 8 p. m.

Admission is \$1.00 for adults and 25c for students. The story is about a boy wonder named Don, who wasn't smart enough to figure out how perfect an imitation he was going to give when he decided to act like a perfect idiot.

The characters are as follows: Margaret Tennyson, Nancy Harris; Jackie Tennyson, Denzil Phipps; Rhodora, the maid, Shirley Horton; Roger Tennyson, Joe Harris; Walter P. Latherby, Stanley Gosnell; Daniel Tennyson, Dale Morris; Arthur Barford, Jerry Boyce; Miss Baker, Lonetta Neeley; Linda Barnard, Patricia Kimbro; Jeannie Wilson, Sue Saunders; Aloysius (Puff) Witomski, Smokey Mitchell; Carla Carlson, Dianne Moseley; a policeman, Tommy Baker; Dr. Von Barf, Rodney Hill; Miss Broth, Rosie Baker.

your opinion. See you at the polls Saturday.

Dedication Service Held Sunday At Oakdale Church

The Oakdale Christian Church, located at 2700 Hill St., Amarillo, held its dedication service on Sunday afternoon, April 26, at 2:30 o'clock. This new church congregation was organized about 13 months ago under the sponsorship of the other Amarillo Christian Churches. The congregation has been meeting at the Lawdale elementary school until the new building was planned and completed.

Minister of the church is Everett Stevens, former minister of the Christian Church here. He was assisted by other Amarillo ministers in the dedication service.

Minister Stevens is the second minister of the Memphis Christian Church to be chosen and called to begin a new church work in Amarillo, as Tom Posey, present minister here, was chosen to begin a new work on March 4, 1956, when the Paramount Terrace Christian Church was organized, according to Mrs. Harry Aspgrren. The Paramount Christian Church is located at 4000 Mays St. in southwest Amarillo and its membership numbers over 400, Mrs. Aspgrren stated.

Minister Posey served as its minister until June 9, 1963, when he and his family returned to Memphis to work with the church here.

Mr. and Mrs. J. L. Barnes returned home Tuesday after enjoying a 10-day visit in San Antonio with their daughter, Mrs. James W. Stubbs, and family.

Band Boosters Express Thanks

The Band Booster Club announced this week that the final phase in preparing the marching field at the school has been completed. The field is located west of the high school building.

Considerable work has been done by a number of firms and the Booster Club wishes to express sincere appreciation to those who

have helped, Lynn McKown of the project, stated. Earlier, dirt was moved the field and the grounds. Assisting with the preparation of the grounds was Joe McConroe, Fertilizer Company, Fertilizer grounds was donated by Hill Elevator and Carl Baker. The grass this past week was planted by the Cyclone Band and by the P. E. Classes.

As the Race Draws to a Close, I want

Ask for Your Vote for

SHERIFF OF HALL COUNTY

I realize that I have failed to see everyone during weeks I have campaigned for the office I seek, and this method of soliciting your vote at the polls next Monday in the Democratic Primary Election.

Therefore, I make this last-minute request that you give me careful consideration when you cast your ballot.

I appreciate the manner in which I have been received and promise, if elected, I will do my best to make a peace officer.

Annual Jaycees Jubilee To Be Held Here May 18

Memphis Jaycees announced last week that the 15th Annual Jubilee is to be presented at 8 o'clock on May 18, at the Community Center in Memphis. The theme of the Jubilee is the "Grand Ole Opry."

Members of the Jaycees stated that each act in the Jubilee has been recommended by different groups of people and by this process they have gathered some of the top talent in the musical entertainment field in Hall County. Committeeman Robert Sanders stated, "We feel that the people in this county are fortunate to have some of the best talent that

can be found anywhere, and we have gathered this talent together to appear in one big show. We hope to fill the Community Building to its capacity of 1,000 on May 8."

Proceeds from the Jubilee will be used to help finance the purchase of curtains for the Community Auditorium, and future Jaycee work such as the Miss Hall County Contest, President Gen. Hamill stated.

Among those appearing on the program will be the Star-Fires, featuring Brady Durrett as vocalist; the MHS Twirling Trio, Patsy Morris, The Visions, featuring Phil "Elvis" Wooten and Darrel Brown as vocalists; Carol Ann Gardenhire, "Two Lads and a Lass," Cheryl Orcutt, Clinton Osborne; "The Big Daddy Nabers Trio," Susie Sams, the Jaycee Special, Wanda, Nixon, Miss Hall County '63 Janie Hutcherson and "Minnie Pearl" Hodges.

"Before show time we hope to sign three more acts which we have heard about," Committeeman Carol Gardenhire of Lakeview stated.

HAPPY NETTERS—Sandy Verden and Tommie Lou Payne of Lakeview were happy girls this week when they presented Supt. of Lakeview School, Allen P. Jones, the Class B Regional trophy they won at Lubbock Saturday. The girls defeated O'Brien 6-0, 6-2; Three way 6-0, 6-0; Booker, 6-4, 6-0, and Jayton 6-1, 6-3, to swweep the meet in girls doubles.

Lakeview Girls, Teacher To Attend State FHA Meet

Two delegates from the Lakeview F. H. A. Chapter, accompanied by the homemaking teacher, Mrs. Dony Baker, will leave today for Austin where they will attend the State FHA meeting.

The three will travel aboard a chartered bus, which will carry Area I delegates to Austin.

The meeting will be held Friday and Saturday in the Municipal Auditorium in Austin.

Several sight-seeing trips have been planned during the two-day session.

Area I delegates will serve as ushers at the meeting.

The group will return home on Sunday.

Delegates from Lakeview are Wanda Nixon and Peggy Wigninton. Jodena Pate is the alternate.

Hibiscus will come back after freezing to the ground if the roots are not frozen.

CARD OF THANKS

With love and humility, we wish to express our deepest appreciation for the kindness shown as during the illness and death of our beloved father, C. D. Ardery. For all of those who ministered to us in any way we ask God's richest blessings, and we pray that He will give us the privilege of befriending others who are in sorrow as you have done for us.

Singing To Be Held Sunday At Victory Room

The first annual First Sunday Singing will be held Sunday, May 3, in the Victory Sunday School class room, at the Methodist Church, Mrs. F. J. McIntush, secretary of the Hall County Singing Association, announced this week.

The singing will commence at 2 p. m. The public is cordially invited to attend.

REGIONAL GOLF MEDALIST—Dana Gibson of Lakeview, shown above, was named Regional medalist for Class B at Lubbock Saturday. Dana shot an 84. The Lakeview team, composed of Dana, Jimmy Duke, J. D. Mullins and Joyce Sanders, shot a 411 to take fourth place out of seven teams competing. Gibson will compete in the Class B Golf meet at Austin May 8.

Film On Breast Cancer To Be At Lakeview

As a part of the adult work for the community, the Lakeview Homemaking Department will sponsor the showing of the film, "Self Examination for Breast Cancer" on Tuesday night beginning at 7:30 o'clock in the Grade School Auditorium, Mrs. Dony Baker, home economics instructor, announced this week.

Dr. H. R. Stevenson will be present at the showing. All area women who are interested in seeing through the American Cancer Society, are cordially invited to attend.

The Northern Light appear in the atmosphere at heights ranging from 50 to 500 miles high.

CHANGE OF OWNERSHIP—Tomie M. Potts and Homer Tucker this week announced the sale of Potts Chevrolet Company to Dennis Ward of Amarillo. Pictured above, left to right, are Ward, the new owner, Potts and Tucker, who have operated the dealership here for 36 years. The new firm will be known as Ward Motor Company. Barry Ward will be associated with his father in the operation.

Sponge as Bug Holder

Small bass bugs and poppers can be a problem out of the water. Where to put them so you can grab one without tangling the others is the question.

A piece of sponge sewn to the crown of your favorite fishing hat provides a handy place to perch your favorite bugs. They're easy to remove and they won't fall out.

Grips on Sinkers

When fishing a sandy bottom where there's a fast-moving current, getting a sinker to hold is a problem. To solve this, drive a few nails into the soft lead. These "legs" will grip the soft bottom and anchor the sinker in even the fastest water.

Emergency Wader Repairs

How many times have you been caught with your waders or boots in dire need of first aid and there wasn't a patch to be had?

Next time you head for the lake, on a fishing trip, don't leave home until you've tucked a few adhesive plaster strips in your tackle box. One of these strips on each side of a tear or hole in a wader will provide an emergency patch that makes the waders almost as good as new.

Foam Rubber Dog Bed

An old foam rubber automobile seat, cut down to size, makes perfect bedding for a dog house. Ticks and other insects that sometimes infest ordinary bedding will be locked out by the foam rubber.

Pork Rind Substitute

If the fish are hitting and you suddenly run out of pork rind, try using a piece of an old inner-tube cut into half-inch wide strips about three inches long.

Such a strip adds lots of action to your lure and looks almost like the real thing.

Tackle Box Dividers

Don't throw away that old plastic ice cube tray or the partitions from a metal one. They'll provide you with a handy place to keep small accessories in your tackle box.

Fishing Apron

A carpenter's nail apron can help you "nail" lots of fish by keeping your equipment for stream fishing within easy reach.

Easy Fish Scaling

To snugly hold a fish while you're scaling it, lay it on a cleaning board and stick an ice pick through its tail.

Hunting Insurance

Some hunters take no chance of missing up a shot.

They cut off the breast pocket on the shooting side of their hunting jacket. This, so they won't catch the butt of the gun on the flap or mouth of the pocket and goof a perfectly good chance at a trophy head.

Lacing Made Easier

Rawhide boot laces can be made to lace more easily if you char the ends.

Protect Dog's Tail

Hunting dogs working in thick cover are subject to injury. One such injury is the tendency to the tip of the dog's tail to cut and tear.

Here's a simple solution to the problem. Cut the finger off an old pair of leather gloves and slip it over the tip of the dog's tail. Fasten with tape.

I Ask Your Vote & Support

for
COMMISSIONER, PRECINCT NO. 1

I am asking for your vote in the election next Saturday, as I want to be your next County Commissioner. Since I made my announcement late in January, I have tried to contact as many of you as I could. If I failed to see you, I want to take this method of soliciting your support.

In asking for your vote, I do so because I believe I am familiar with the problems of my precinct and my county. If you elect me, I shall devote my full efforts to serve you, and will work with the other Commissioners and officials to give a business-like administration of county affairs.

Vote for me Saturday, May 2

W.C. (Buster) Morrison

Candidate for
COMMISSIONER, PRECINCT NO. 1, HALL COUNTY (Paid Pol. Adv.)

Hoser Explains 'Best Buy' Vs. 'Best Value'

"Best buy" is perhaps the most overused and least meaningful of all words used to describe food purchases, says W. B. Hooser, Hall County agricultural agent.

Nothing is a good buy if it has little usefulness to the buyer. Families have definite food likes and dislikes, and no item is a good buy unless the family members will eat it.

Family customs and traditions, religious beliefs, nationality preferences, family income, employment of the homemaker outside the home, and store advertising influence whether the homemaker will choose certain foods.

One of the most misleading concepts in consumer buying is that the price of a food item in-

dicates its cost, he said. Price and cost are meaningful only when comparing similar size and quality products at the same time. For example, price will have less bearing on the cost of meat for a family dinner than the number of servings a cut will yield. The number of servings may vary according to the cut, the amount of bone, fat or other waste and the method of cooking.

In essence, everyone needs to consider what is the best value—rather than the best buy—for her family. How does she decide this? She must first consider the actual cost, number of servings, food value, convenience, likes and dislikes, then make her decision. This should be based on his own individual circumstances.

Gun Identification

One sure way to identify your rifle is to put your name on it—or rather in it. Remove the butt plate and insert a piece of paper bearing your name, address and telephone number.

Clean Trophies With Cornmeal

Mounted game trophies may be cleaned by many methods. A good and inexpensive way is to take a handful of corn meal and rub it thoroughly in the fur. Wait a few minutes and then brush gently or comb. Makes that old trophy shine.

Emergency Gun Cleaning

A piece of fishing line four feet long loaded with dozen split-shot sinkers oiled patch at one end excellent emergency gun rod that can be carried.

New light amplifiers beam powerful enough orize steel in its path.

Mrs. Hawthorne Celebrates 76th Birthday Sunday

PRE-MED AWARDEES—The three Texas Tech juniors above were recipient of awards during the recent premedical day banquet on Tech campus. From left are Robert Gardner, of Memphis, James Dorman, Childress; and Roy Ivy, Jr., Crosbyton. Ivy received the Jack Price award as the top pre-medical student already accepted into medical school. Gardner and Dorman were awarded American Chemical Society scholarships because of their outstanding scholastic records. (Texas Tech photo)

Mrs. T. H. Hawthorne celebrated her 76th birthday Sunday, April 26, with a surprise birthday dinner given by her niece, Mrs. Lloyd Angle.

Sixty-three children, grandchildren and great-grandchildren were present. They were: Mr. and Mrs. Bire Stewart; Mr. and Mrs. Jean Stewart and boys; Mr. and Mrs. William Hawthorne; Mr. and Mrs. Vernon Edwards and Carolyn; Mr. and Mrs. Charles Hawthorne and children, Kathy and Tracy; Mr. and Mrs. Lee Waddill and girls, Rhonda and Jackie; Mr. and Mrs. Luther Darnell and boys, Mike and Bennett; Mr. and Mrs. Oda Hawthorne and girl, Jackie and Janet; Mr. and Mrs. Milton Hawthorne; Mr. and Mrs. Saxton; Mrs. Somie Gamille and girls, Yvonne and Glenda; Mr. and Mrs. Alvis Hawthorne; Mr. and Mrs. Royce Hawthorne; Mr. and Mrs. Bobby Young and boys; Mr. and Mrs. Afton Hawthorne and children, Jimmie and Patsy; Mr. and Mrs. Charles Laman, Mr. and Mrs. Orb Payne and Mr. and Mrs. Lloyd Angle and children of Estelle.

MARY SUE SCOTT
Mary Sue Scott Is Named FHA Girl Of Month

The F. H. A. Girl of the Month for March is Miss Mary Sue Scott. She is an active member and historian in F. H. A. She has her Junior and Chapter degrees and is working on her State Degree. She has served at banquets and visited the Cousin's home while working on points toward the state degree.

She is a member of the Cyclone band, Beta Club, an honor Thespiian, and F. H. A. member. Mary Sue has worked with the Girl Scouts in Day Camp for the past two summers and plans to work again this summer.

Agent Explains Wheat Insect Control Tips

The brown wheat mite, which commonly occurs on wheat in the Panhandle, is causing concern in some areas now. Damage by this mite usually occurs during cool weather, and somewhat resembles drouth damage. Young mites are bright red, changing to a metallic dark brown or black when fully grown.

Chemical control of this pest has proven difficult in most cases, according to W. B. Hooser, county agent. Parathion at .5 pounds per acre will give fair control of the mite. However, the value of controlling this pest is questionable since experience shows yields have not been increased by controlling the mite. Heavy rains or irrigation will usually lower populations. Brown wheat mite population has also been found to be much lower on summer-fallowed wheat than on continuously-cropped land.

Greenbug infestation counts should also be made by producers now, Hooser said. In general, greenbug populations have been low so far. Before applying insecticides, consider the number of greenbugs present, size and vigor of plants, temperature, time of year, moisture conditions and the presence or absence of beneficial insects. Wheat six inches tall during April may tolerate as many as 300 greenbugs per linear foot before treatment is required. Irrigation crops will withstand larger populations of greenbugs than dryland. The appearance of small deadened areas caused by greenbugs feeding is a good indication treatment is needed.

V. C. Durrett Is President Of School Board

The Lakeview School Board reorganized for the 1964-65 school year last Thursday evening. Allen P. Jones, superintendent, announced early this week.

Elected president of the board was V. C. (Zipp) Durrett. Leroy Pate was elected vice president, and Carrol Fowler was named secretary of the board.

Other trustees are A. A. (Bud) Smith, Coleman Duke, Doyle Miller and J. W. Hatley.

Boll Weevil Threat Is At At Minimum

Texas cotton farmers can take some comfort in the fact that fewer boll weevils went into hibernation this winter than last year, according to Agriculture Commissioner John C. White.

Boll weevil counts were made at random over the state by Texas and federal entomologists with special attention to the most troublesome areas in Central Texas. The winter survival is expected to be about half of what it was in 1962, White said.

During the late fall of each year, Texas and U.S.D.A. research teams take samples of wood trash adjacent to cotton fields to determine the number of weevils in hibernation. The number surviving the winter, combined with weather conditions during the early part of the cotton fruiting period, will determine potential boll weevil damage to the 1964 cotton crop.

"I am especially pleased with the report this year which indicated our control efforts to hold the destructive boll weevil at an absolute minimum are working," Commissioner John White said. "Our neighboring state of Louisiana shows some increases of the insect in prospect for their area, however," he added.

Trash samples collected from four Central Texas counties are indicative of results over the rest of the state. Fall, Hill, Limestone, and McLennan county areas averaged only 517 weevils per acre, compared with 1,781 in 1962.

Commissioner White attributed a major part of this winter's decrease in hibernating boll weevils to low spring populations that survived the winter last year. A cotton planting and plow-up program administered by the Texas Department of Agriculture is designed to control the pink bollworm and also achieves benefits

\$3,800 IS BETTER THAN \$12,000 IF RETIRED MAN PLAYS IT RIGHT

Here is a man who insists he has found a better life on a \$3,800-a-year pension than he had on a \$12,000-a-year job.

He says any couple can do as well if they have average intelligence, and have the spunk to move when they retire.

His name is Rowland V. Young, a big town businessman. He has settled in a college town of just over 5,000 population. He tells how and why he did it:

"I didn't need an Ouija board to tell me that my wife and I weren't going to feel comfortable on \$3,800 in the \$12,000 way of life we had built up," he says. "I wasn't concerned about being embarrassed or old friends passing us up—that's a lot of nonsense at 65. I was just working arithmetic. A 68 per cent cut in income simply leaves you a cripple among the people and things you have known..."

He says he and his wife decided they would move to a college town. "The reason for that was that a college town, even a small one, has a culture pretty much like a successful family has grown used to in a city. I'm speaking of conversation and manners and such, not academic culture—I never got a college degree."

"A retired man seeking a place where he'd feel comfortable—financially—on his \$3,800 could go to a farm town in Mississippi, or to a coal-mining town in the depressed areas of Appalachia. But it wouldn't be his culture."

In selecting their college town the Youngs went to the pastor of their church for the names of colleges sponsored by their denomination in towns of less than 10,000 population. They figured a church college would cast a more peaceful spell over a town

than a private college would. The faculty would be less apt and that the religious atmosphere might be satisfying if religion came more important to later on.

"In brief," says Mr. Young, "this is what I found with \$3,800:

"Golf at 75 cents a round, the college course, as a \$250 club dues back in the beer instead of Bourbon, we entertain, and sometimes soft drinks; slacks, sports and any sort of jacket everywhere, instead of a \$600 a four-year-old foreign-made car instead of a 1963 American sedan; a white frame cottage renting for \$55 a month, your maid might live in the city, but here is much the same as the one next door to a Ph.D. Professor of History lives."

And this drastic cut in the cost of living, Mr. Young emphasizes is among people of your own. "And since college faculty people come from substantial backgrounds, they want niceties than some small people would, and they get them—at a price can pay."

The Youngs say they are having fewer problems on \$3,800 than they did on \$12,000. They just don't need about money any more. The insurance is paid up. They need to save any longer. They are covered by health insurance. They need only to keep their \$73 a week, which is from what everybody else has to do. They feel fortunate.

NEW GOLDEN YEARS is now ready. Send 50¢ in coin to Dept. (CSPS), Box 1673, Grand Station, New York 17, N. Y.

Four Lakeview Students Qualify For State Meet

Four students from Lakeview High School qualified to compete in the State Meet by winning first place at the Regional Meet last weekend.

Dana Gibson, Lakeview's all-around athlete, won medalist in the C lass B Regional golf meet with a score of 84. The Lakeview golf team, composed of Gibson, Jimmy Duke, J. D. Mullin and Royce Sanders, placed fourth out of the 12 teams entered.

Three Lakeview girls qualified to compete in the Class B State tennis meet. The doubles team of Sandy Verden and Tommie Lou Payne won first, and Nikki Clements won first in girls singles.

The Lakeview girls were so strong at Regional they all swept through their matches without losing a set.

The Payne-Verden team, in the first match, defeated O'Brien 6-0, 6-2. Then in the next match, they defeated Three-Way 6-0, 6-0. In the semi-finals against Booker, Lakeview won 6-4, 6-0. In the finals against Jayton, the Lakeview girls continued to show a lot of power with 6-1, 6-3 winning sets.

Nikki Clements also raced through her matches to win the Regional trophy. She defeated

Louisiana is the wettest state in the U. S. A. with its average annual rainfall of 55 inches.

Allan Shivers was the first Governor of Texas to serve more than two terms.

Balance your books... with the Original **Lindy** FINE POINT AUDITORS Ball Point Pen #4607

in boll weevil destruction. Mandatory plow up of cotton stalks in much of the State destroys hibernating quarters for many insects.

This is the second year in which substantial decreases in boll weevils have been noted, White pointed out. Last year also showed a decrease from the spring of 1962 in numbers of surviving weevils. As

a result, damage to the 1963 crop from boll weevils was greatly light.

About 60 black widow bites are reported each year U. S.

Car ferries on Lake Comanche according to the letter.

Seven Students To Go To Satae Meet

By KAY STINSMAN
The students did quite well in the Interscholastic League held in Lubbock April 23, 24, and 25. Suzanne Sexauer won first place in Girls Poetry Interpretation. Anita Snow took third place in Girls Debate. Tony Monzingo, Third in Boys Poetry Interpretation. John Lemmon, Third in Discus Throw.

The following will go to state: Suzanne Sexauer, Bill Pounds, Ronald Pate, Jay Dunbar, Jerry Moss and Micky Daugherty, First in Golf. Hoot Jones placed Forth in 440 yard dash.

Cyclone Annuals Arrive This Week

The 1964 Cyclone is in the hands of the students, and their joyful reception has been ample reward to the hard-working annual staff and their advisor, Mrs. Homer Tribble. It is a very handsome book with a white cover and a gold trim with a touch of black.

Members of the annual staff are as follows: Seniors: Noel Clifton, Editor and chief; Jimmy Harrison, Bill Pounds, La Quida Baten, Vivian Maddox and Suetta Lemons. Juniors: Jay Dunbar, Lynn Foxhall, and Ronald Pate. Sophomores: Carol Voyles and Jessie Murdock. Freshmen: David Douthit. Junior High School: Sandy McQueen and Carol Greene. The experienced under-classesment will be a good nucleus of a staff for putting together future books.

This year's book has some extraordinary features. The division pages are silhouettes of people in this school. The book endeavors to tell the story of the school year as it actually happened. It has bleed-off pages in the favorite pages and the favorite pictures are in the section which they represent. There is also more copy to caption the pictures than heretofore. The staff hopes that everyone will find an opportunity to see these pretty books.

During the Roman domination of the Mediterranean, vineyards were uprooted in Sicily and North Africa with wheat and barley planted in their place.

The Greeks believed that clouds were the God Apollo's cattle sent out to graze in the meadows of heaven.

Stone Age man fabricated sharp tools from flint and obsidian.

COTTON PRODUCTIONS AWARDS—Doyle Morris (right) of the Memphis Seed and Delinting Co. of Memphis, sponsor of the cotton growing contest of the Memphis FFA Chapter, Monday night awarded plaques to the three winners. Receiving second place dry-land division was Jimmy Srygley (left). First place in dry land went to Dean Yarbrough (second from left). B. H. Cook (third from left) received first place in the irrigated division. Morris furnished seeds for the boys to plant and awarded the winners plaques. The boys planted five-acre plots and winners were determined on profits realized.

1964 Senior Car Wash Acclaimed Most Successful

The 1964 Seniors and sponsors wish to thank the six local Service Stations and all the good people of MEMPHIS in helping to make this event one of the most successful in 1964.

We are embarrassed to say due to an incidental error on behalf of the parent sponsors, BRUCE BROS. MOBIL SERVICE STATION was not mentioned in previous articles.

Our thanks goes to the PATRICK CHEMICAL CO (R. S. Patrick) for the generous discounts given on material and supplies; and we wish to state our appreciation for the participation of all.

Rapid transmission of information by telegraph made modern scientific weather forecasting possible.

African bushmen will store water in ostrich shells along the trails.

Memphis F. H. A. Honors Mothers At Banquet On Thursday Evening

By JIMMIE WARD
Thursday, April 23, the Memphis Chapter of the Future Homemakers of America honored their mothers at a Mother-Daughter Banquet.

The invocation was given by Ann Coleman. The welcoming address was given by the president, Linda Snyder. Mary Sue Scott told the meaning of the emblem. Catherine Ivy explained the degree work and introduced the girls who had obtained their degrees. Gayle Widener reported of the work required to attend the F. H. A. State Meeting at Austin. The Girl of the Month was introduced by Linda Snyder. A monologue of F.H.A. workers was presented by Sandra Shults.

This year the organization chose an "Outstanding Mother of the Year." The mother chosen was Mrs. Mack Dunn. She was presented with an artificial corsage of red roses. In spite of her husband's illness, Mrs. Dunn maintained a successful home life and

helped her daughter in all of her Homemaking activities, supporting the F.H.A.

Mrs. Gloria Wilson, the Homemaking teacher and F.H.A. advisor, was presented with a corsage of red roses for her help and counsel to the girls in F.H.A.

The supper, consisting of different salads and meat loaf, bread, iced tea, and coconut cake squares, was served to the mothers by their daughters.

The Song of the Future Homemakers by Connie Bradshaw, concluded the program. About 70 people attend the banquet.

JOKES

By LCM

Two beatniks in a museum spotted a statue of Julius Caesar. First Beatnik: This guy's been gone for 2,000 years. Second Beatnik: Crazy, Man! Those Romans really know how to live.

Two Martians landed in a small town in the U. S. There was nobody on the street so they walked up to a fire plug and one demanded: "Take me to your leader."

There was no reply, naturally, and the second Martian looked irritatedly at his companion. "Stupid," he said, "can't you see he's only a kid."

Memphis F.F.A. Chapter Entertains Fathers At Awards Barbeque Monday

Monday evening, April 27, the Memphis F.F.A. boys entertained their fathers as guests at an awards Bar-B-Que.

Following the opening ceremony, the invocation was given by Jimmy Stewart. The meal of bar-b-que chicken, potato salad, beans, pickles, onions, bread and ice tea.

Neal Hindman, local Agriculture teacher, presented awards to the Vocational Ag students. Certificates of merit were awarded as follows: FFA Quiz—Exie Hugh, Danny Clark, Mark Phillips and Donald Jeffers. Senior Chapter Conducting—Thomas Patterson, Durwood Wilkerson, Carl Houston, Jessie Murdock, Marvin Spencer and Donnie Bridges.

Junior Chapter Conducting: Neal Hughes, Danny Clark, Kay Miller, Exie Hughes, Mark Phillips and Donald Jeffers. Radio Broadcasting—Jimmy Srygley, Robert Maddox and Earnest Neel. Public Speaking—Robert Maddox, who also received a medal for public speaking.

Livestock Judging—Earnest Neel, Donnie Bridges, Robert Maddox, Durwood Wilkerson, R. B. Spruill and Marvin Spencer. Land Judging—Mark Phillips, Exie Hughes, B. H. Cook, Danny Clark, and Donald Jeffers. Dairy Cattle Judging—Carl Houston, Jimmy Srygley, and Jimmy Stewart. FFA Quiz—Exie Hughes, Jessie Murdock and Timothy Sparks. Crops Judging—Kay Miller, Charles Smith and Bobby Carroll. These certificates of merit are supplied by the Texas Association of Future Farmers of America.

Medals supplied by Future Farmers Foundation were awarded as follows: Livestock Farming, Carl Houston; Crop Farming, Jimmy Srygley; Farm Mechanics, Jimmy Stewart.

Awards for the cotton growing contest were as follows: Irrigated division, B. H. Cook; Dry Land Division, 1st, Dean Yarbrough, 2nd Jimmy Srygley. This award is sponsored by Doyle Morris of the Memphis Seed and Delinting Co. Doyle has supplied the students with the seed of their choice as a part of the program and the

Memphis FFA boys wish to say thanks to Doyle for the support he has given.

Danny Clark received the Star Green Hand award. It is a twelve-year rotating plaque and is sponsored by Fowler's Drug. Robert Maddox received the Star Chapter Farmer Award which is sponsored by the Memphis Production Credit Association. The Star Chapter Farmer Award is also a 12-year rotating award. This is the second year Maddox has received this award.

The FFA boys again wish to thank Fowlers and the Memphis Production Credit Association for these awards. The boys also wish to thank Lowell Houston and Melvin Srygley for cooking the chickens and beans for the barbeque. They wish to say thanks to each parent who helped to make this affair a tremendous success.

Austin News

By Frances Myers

Third Grade:

Johnnie Sue Hancock, a third grade pupil in Austin School, won fourth place in the Story Telling Contest in the literary events at the University League meet held in McLean April 18.

The Third Grade of Austin School presented the assembly, a musical play, "Caps for Sale", last Thursday under the direction of Mrs. Ace Gailey.

Those participating in the program were the reader, William Bullock, the announcer, Alice Gilchrist, the bold little monkey, Earl Cabler, the other monkeys—Ronelle Wilson, Willie Brundige, Fidel Rocha, Lonella Tooke, Sharon Crawford, Tony Salinas, and Fernando Siller. Larry Wiginton played the part of the Peddler, Matt Thompson, the Mayor. The Villagers included Aganita Siller, Johnnie Sue Hancock, the grandmother, Susan Richards, Marlene Moore, Lulu Miller, Sylvia Kangel, Libby Kirkland, Paul Fowler, Billy Clark, Casario Narvaez, Dennis Holt, Delia Juarez and Nickie Hood.

Pre-School Day was held at Austin Elementary School, April 28. There were 23 children present. This was a two-way sharing experience, and it worked out very well. The first grade students had a partner and showed their little pre-school partner around the school building, led them in hand washing, shared their art work, led them in the line at the cafeteria and helped them on the playground. The day was thoroughly enjoyed by both the first grade students and the pre-school children. At the close of the day, the pre-school children received an attendance diploma.

Chapter Entertains Texas Tech Judging

Members of the Memphis FFA Chapter participated in the Texas Tech Judging held in Lubbock, Saturday, April 25.

Members and teams were as follows:

Stocking team: Robert Maddox, Durwood Wilkerson and Marvin Spencer.

Cattle Team: Jimmy Srygley, Carl Houston and Jimmy Stewart and Carl Houston.

Judging Team: Danny Clark, Mark Phillips and Donald Jeffers.

Judging Team: Kay Miller, Charles Smith and Bobby Carroll.

Judging Team: Jessie Murdock, Danny Peters and Timothy Harrison.

The wool team placed fifth in the Texas Tech Contest and second in the Area I division.

Greenbelt district contest was held in connection with the contest for Dairy Cattle.

Now that the results have been released at this time.

Neal Hindman, vocational agriculture teacher, was well pleased with the students and says Memphis well represented by a fine group of young men.

Band News

By LOWELL MCKOWN

Tuesday, May 12, the Cyclone Band and the band boosters held a combination concert and supper. The salad supper will begin at 5 p. m. and continue until 7 p. m. The tickets will be \$1.00 for adults and 50 cents for children.

The concert will begin at 7:30 p. m. with the admission as \$1.00 for adults and 50 cents for children. The band will play: Spirit of the First Suite, March Onward, Side Story, Fantasia on Dixie, The Music Man and Brighton Beach.

Monday, Mr. Carl Baker of the marching field west of Memphis high school for the Memphis School Band. The project is the subject of much planning and organization during the school year. Now that it is sprigged, the band is in good luck. The band is growing and is being irrigated and fertilized to aid in the growth of the mid-land bermuda. The field will be used by the band for F. E. classes.

TRAVIS NEWS

By TONY MONZINGO

Mr. Gurley's third grade room is helping us. The class is also helping open and closed circuits, and the materials that make good insulators. The pupils are learning to use electricity safely in home and daily life. Mrs. Gurley stated that the pupils are learning what made home life what it is and home life customs of the past and present.

Stroehle's third grade class has been making a trip to the World's Fair this past week. They brought their Weekly Reader, paper Clippings, and a television show about the World's Fair. The class has also decorated a program for spring by means of posters.

Lenmons' fifth grade class presented an assembly on last Thursday in which a member of the class took the program was presented. The program was presented with songs mixed with stories telling the story of music. The theme of the program was the songs covered a number of events in American history. The pupils costumed to match the selection. The program consisted of the following selections: Spanish song, French song, Pilgrims Prayer Song, Dutch Yankee Doodle (American song), Old American Folk Dance, American Civil War, Cowboy song, Square Dance, Gay Nineties songs, the Blues and Jazz, and a Patriotic song: "My Country 'Tis of Thee." Each song was set in costume by a small group of pupils.

TOP FFA BOYS—FFA Sponsor Neal Hindman (center) presented the Star Chapter Farmer Award, a 12-year rotating plaque, to Robert Maddox (left) Monday night at the chapter's awards barbeque. The plaque is sponsored by Memphis PCA and this is the second time Maddox has been named the Star Farmer. On the right is pictured Danny Clark, who received the Star Green Hand Award sponsored by Fowlers Drug. The boys will keep the plaques until next September when they will be returned to the chapter. Their names will be engraved on one of the name tags.

I Need Your Vote

TO BE ELECTED
TAX
ASSESSOR-COLLECTOR

Monty G. Alewine

Candidate for

TAX ASSESSOR-COLLECTOR OF HALL COUNTY

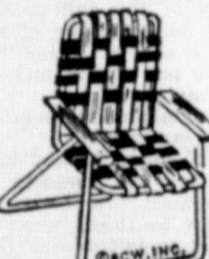

The office of Tax Assessor-Collector is an important job. This I recognized when I announced as a candidate last January. I believe I am qualified by age and experience to carry out the duties in a manner which will please the citizens of my county. Efficiency is the keynote, and my training and experience should be considered in this respect.

From this standpoint, I humbly solicit your vote at the polls in Saturday's Democratic Primary election.

Be A Good Citizen Saturday . . . Vote!

It is often said by those who carry their personal feelings and hates as chips upon their shoulders, "Why did the Democrats (or Republicans) run that 'so-and-so' for office? I'm not even going to vote this year because I don't like any of the candidates."

The key to the above statement is, "I don't like." Americans are much more famous for their "I don't likes" than they are for their "I likes."

Because of the individual freedom given to us by the law of the land and because Man is given the privilege to choose between Right and Wrong, we can choose whether to cast our ballot or not to cast on our likes and dislikes.

But, whenever a citizen who has this right, neglects to use the instrument of democracy, stays away from the polls; then an injustice is being done which weakens the Union, undermines democratic principles, and eventually will destroy this nation as many other nations have been destroyed. Why, because men of selfish ways; men who will use the governing power for selfish intent and purposes, will be elected, and they will sell this nation to its enemies for worldly goods.

Saturday, May 2, has been proclaimed Texas Citizenship Day by Governor John Connally.

The Governor states: "The right to vote is a treasured instrument of a democracy, and a solemn responsibility on the part of every American citizen of voting age. Unfortunately, it is a responsibility that is often treated lightly, for many eligible voters consistently fail to exercise their right and duty to cast their ballot."

But this is not all. Saturday is another important day. It is the day that party precinct conventions will be held to select delegates to the county conventions and to consider resolutions affecting state and national policy. These conventions are the genesis of our entire political and governmental structure.

Now to answer the question of why a certain candidate was selected on the Democratic or Republican ballot. You will be given the opportunity on Nov. 3 to cast a ballot for the President of the United States. But the only way to be certain you have some say in who is elected President next fall is to become one of the 10 per cent in each political party to participate in a precinct convention Saturday.

These conventions in the state's 6,000 voting precincts will be held on Saturday, May 2. They usually are held at 2 p. m. in rural areas and 8 p. m. in cities. To take part in a precinct convention, you must first become a "qualified member" of a party by voting in the primary Saturday. The election judge will stamp "Republican" or "Democrat" on your poll tax receipt. This qualifies you to attend the precinct convention. There, a delegate for each 25 votes cast in the precinct for your party's 1962 candidate for governor will be elected to the May 9 county convention.

At that convention, county delegates to state conventions to be held on June 16 and Sept. 15 will be elected. Meeting in June, they will select and instruct delegates to the national conventions. Also, at that time, candidates for presidential electors will be selected.

September meeting will write a party platform and select state executive committeemen and women who run your party's affairs between conventions.

To summarize, when you go to the precinct convention you elect the county delegate, who elects the state delegate, who elects the presidential elector, who then elects the president.

It has been said many times: "The party doesn't make any difference; I vote for the man." This is your privilege, if you want to wait until Nov. 3 and have two, or possibly three choices. However, if you want to help select who these men will be, you have to work through the party of your choice.

It is true that only 10 per cent of the voters participate in the precinct conventions. These citizens have a voice in the party selections; therefore if you want a voice, attend the precinct conventions and vote in the primaries Saturday. This is your right, privilege and duty as a citizen.

THE CAMPERS

ACROSS the DESK

What Other Editors Say

Red Dust!

I presume the teenagers and the young couples in their twenties and early thirties get bored hearing about what happened thirty years ago; but it is interesting for some of the rest of us to remember. The most peculiar dust storm that ever fell on Wellington started out as a beautiful day, bright and crisp with not a detectable breeze stirring. Then about 10 a. m. almost on the minute if memory serves correctly, it began to get dark. Red dust as fine as face powder was falling straight down in the midst of silence and calm.

Within a matter of minutes it was difficult to make out the outline of the courthouse and it was impossible to see across the square. In less than two hours a quarter of an inch of the powdery dust covered the streets and sidewalks and it continued to fall throughout the afternoon and into the night.

Meteorologists explained the queer storm in this fashion: Vast windstorms over Colorado, Kansas and northern New Mexico lifted the finer particles of dust thousands of feet into the air where it was carried by strong

winds aloft with no surface winds blowing. As the winds above began to subside the dust began to settle and the red fallout began. Some of the storms that year covered all of Texas, and dust settled on fishing boats far out in the Gulf of Mexico.—Deskin Wells in Wellington Leader.

CARD OF THANKS

We feel that words are inadequate to express our heartfelt gratitude to our many friends who helped us to bear our great sorrow in the loss of our loved one, Oscar Lee Favors.

For the flowers, food and expressions of love and consolation you bestowed upon us, we can only say thanks and we love you. Also we are grateful to Dr. Stevens, Dr. Goodall, Spicer Funeral Home, the two florists, the ministers and Lakeview Baptist Church for your kindness and untiring effort in our hour of need.

The Family of
O. L. Favors.

The Country Editor

By H. M. BAGGARLY
Editor, Tulia Herald

"BILLIE SOL ESTES, the fabulous Texas swindler, has confided to visitors that the Republicans have offered him \$5 million for his file on President Johnson," writes Columnist Drew Pearson. "But no such file exists."

Pearson also says that "earlier this month, the Dallas News swallowed Estes' story that he had given Sen. Ralph Yarborough \$50,000 . . . but those who know the convicted con man say both stories are typical of the wild tales he has a reputation for spinning."

We would say that Pearson is mistaken when he says the Dallas News "fell" for anything. In our opinion, it probably had as much to do with the concoction of the story as anyone. It's a funny thing . . . before anything had been proved on Estes, the Dallas paper wouldn't believe Estes when he told them the time of day. But now that it is out to crucify Ralph Yarborough, as it was John Kennedy, it would accept the testimony of most anyone.

There is an element in Texas that will stop at nothing to destroy anyone who challenges its right to rule the state.

WHAT ABOUT this fellow Gordon McLendon? W. H. Graham, publisher of several West Texas and New Mexico papers is no friend of Ralph Yarborough. In fact, he wrote last week . . . "No one wants more to see Ralph Yarborough removed from office than do I."

But Editor Graham has something else to say about Mr. McLendon. He wrote last week:

"Gordon McLendon looked me straight in the eye Friday afternoon and told me the company in which he was a large stockholder beat the American Telephone & Telegraph Company out of thousands of dollars in 1952."

"I'm sorry it wasn't more," he added. "They had it coming." This was accomplished by way of bankruptcy of the Liberty Broadcasting System which owed AT&T and other creditors approximately \$700,000 when the walls fell in.

"Just how much was paid to whom isn't clear. It's all a matter of record at Dallas where the bankruptcy petition is duly recorded. But McLendon is a little vague on the details."

"Yarborough, McLendon's free-swinging opponent, alleged at a Democratic rally in Amarillo the day before our conversation that Liberty's debt were around \$1,000,000 and that about \$300,000 was paid—with the remaining \$700,000 going down the drain."

"As best he can recall it, these figures are approximately within the range of reality, McLendon confirmed when I discussed it with him."

"What's more he emphasized, 'I'd say that 30 cents on the dollar in a bankruptcy is pretty damned good.'"

"It was my feeling that as the major shareholder in Liberty, and its principal 'ramrod' McLendon might feel some personal responsibility for the debts which his company welched on through bankruptcy. However he doesn't."

"It was obvious that the Dallas radio man didn't think he was getting through to me about the bankruptcy question. He emphasized that he was not personally involved (legally that is correct)."

"I'm a businessman," he said. "I failed in business. But I'm kinda proud that I got up and cameback." He repeated "I'm a businessman" two other times, suggesting that this classification washed away any taint of moral turpitude.

"McLendon was quoted Monday in the Dallas News . . . as saying in Brownwood Sunday 'I have never declared bankruptcy. I have always met my payroll.'"

"Depending on how you look at it, that could be a technicality. "McLendon doesn't stand the test," declares Editor Graham. "He has a flaw in his thinking which apparently is basic to his personality and there, in my estimation, eliminates him as senatorial timber."

WE AGREE WITH Editor Graham. McLendon isn't the kind of man we want to represent us in the U. S. Senate. We are sure he is a patriotic American. We are told he was one of the sponsors of Robert Welch's appearance in Dallas, nevertheless, he isn't the kind of patriot we need.

Ralph Yarborough has been a good U. S. Senator. While in the Senate with Lyndon Johnson, they voted together about 85 per cent of the time . . . and they continue to work together.

He has been the recipient of more mud and slander than any man in the history of Texas politics.

He deserves a second term.
Why trade a tried senior Senator for an untried junior one?
(Pol. Adv. Paid For By Friends of Senator Ralph Yarborough)

LET'S STOP THE TRANSFER OF CASES FROM THE AMARILLO COURT OF CIVIL APPEALS TO THE AUSTIN AND WACO COURTS

Elect

HERBERT C. MARTIN
ASSOCIATE JUSTICE
BECAUSE MARTIN:

- . . . is an experienced trial lawyer;
- . . . is of proven judicial temperament;
- . . . is of sound and impartial judgment;
- . . . is diligent and dependable;
- . . . will cooperate fully with the present Chief Justice and Junior Associate Justice in disposing of cases promptly. (Two of the three Justices cannot promptly adjudicate all cases.)

RETIRE HIS OPPONENT

BECAUSE HE:

- . . . will be 79 years old before the end of the third term he is now seeking;
- . . . is now drawing maximum Social Security of \$127.00 per month plus his \$16,000 salary;
- . . . is now eligible for full payment of judicial retirement;
- . . . consistently renders Court opinions not based on sufficient legal authority;
- . . . spends a large portion of his office hours in outside diversions while the Court docket suffers.

VOTE FOR HERBERT C. MARTIN FOR ASSOCIATE JUSTICE OF THE COURT OF CIVIL APPEALS

FOR THE FIRST TIME IN THE HISTORY OF THE COURT, on June 4, 1957, 19 cases were transferred to the Austin Court. Again, on January 11, 1964, 13 cases were transferred to the Waco Court.

to-wit:
Amarillo Globe-Times Tuesday, April 21, 1964
Waco Judges Help Appeals Court Here

The Texas Supreme Court, apparently feeling that the docket of the Seventh Court of Civil Appeals in Amarillo is overloaded, has directed the 10th Court of Civil Appeals in Waco to lend a helping hand.

Two members of the Waco court are in Amarillo today hearing oral arguments in the cases allotted them. The two judges are Chief Justice Frank G. McDonald and Associate Justice Frank M. Wilson.

The Texas Supreme Court is equalizing the dockets of the civil appeals courts in the state. It has assigned 13 of the appeals filed in Amarillo to the Waco court.

Under statute the cases must be heard in the court in which they are filed. For this reason the Waco judges are hearing arguments in Amarillo.

Elmo Payne, clerk of the Amarillo judges heard oral arguments in nine cases on April 6-7 and currently are working on their decisions in those cases.

The Seventh Court of Civil Appeals in Amarillo encompasses the largest Supreme Judicial District in the State of Texas—with 46 counties. Payne explained.

SCHOOL ROUNDUP—The group of pre-school children shown above had their first introduction to school routine this morning when they visited school during the annual pre-school roundup sponsored each year by the Travis and Austin units. Approximately 52 youngsters enjoyed the morning at school visiting the class rooms and eating lunch in the cafeterias.

Plant Diseases Damage Flowers, Shrubs

Home owner who expects beautiful trees, shrubs, flowers must carry out a preventive program against the diseases which commonly attack such plants. It's really a "stitch in time saves nine," says County Agent Hooser.

For example, he adds, black powdery mildew are the diseases of roses and occur usually in most rose gardens. The gardener waits until the disease becomes severe, little time to eliminate the problem, causing the infected plants to suffer a loss of vigor and vitality, the county agent says.

On the other hand, if the recommended fungicide spray or

dust is used regularly, the disease can be prevented.

It is important that gardeners be able to recognize common disease conditions early in their development or better still, anticipate their occurrence. Control measures taken when the disease first appears will serve to insure the health and vigor of plants, Hooser explained.

In addition to protection of the foliage with fungicides, the use of soil sterilants prior to planting can prevent infestation of the plants by soil-borne diseases. Such chemicals as Vapan, VPM, or Mylone are commonly used soil sterilants, but they must be well in advance of planting.

The home gardener can prevent many diseases by keeping his plants in a healthy, vigorous state of growth. The use of adequate amounts of water and fertilizer will help produce healthy plants. When irrigating or watering, care should be taken to keep the water off the foliage, because fungi and bacteria are more likely to at-

tack plant parts which remain damp, the county agent said.

Control measures are known for most diseases which attack ornamentals, and publication on the subject are available at the county agent's office. MP-574, "Texas Guide for Controlling Diseases on Ornamental Plants" is one of the most popular, Hooser said.

New Arrivals

Mr. and Mrs. Phillip Tyrone Mackey are the parents of a son, Ricky Don, born on April 25. He weighed 8 lbs., 8 oz.

Mr. and Mrs. Ray Dean Fleming of Amarillo are the parents of a daughter born on April 26 in the Northwest Texas Hospital in Amarillo. She was named Karen Ann and weighed 5 lbs., 2 oz. Mrs. Fleming is the former Janis Widener, daughter of Mr. and Mrs. Lloyd Widener of Lockney. They are former residents of Hall County.

Mr. and Mrs. Dwight Gailey of College Station announce the birth of a daughter, Teri Deann, born on April 7. She weighed 7 pounds, 11 ounces. The paternal grandparents are Mr. and Mrs. A. L. Gailey, and the maternal parents are Mr. and Mrs. R. F. Gentry.

John Maddox Is New Serviceman With Western Auto

John Maddox of Chillicothe this week joined Western Auto Store as service man, Ken Maddox, owner, announced this week.

Mr. Maddox, who is the brother of Ken, is experienced in servicing air conditioners and other appliances. He began work today.

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

AUSTIN—Whom does cancer hit hardest—men or women? What part of the body is most vulnerable? Can cancer be cured?

Medical scientists know the answers to these most frequently asked questions about cancer, but do you?

Does cancer hit men or women hardest? The race is close, but women die of cancer, but between the ages of 30 to 50, there are more cancer deaths among women than among men.

More older men than older women die of cancer, but between the ages of 30 to 50, there are more cancer deaths among women than among men.

Between the ages of 35 and 45, more women are killed by cancer than by any other disease. About 17 percent of all women's deaths are attributable to cancer; about 14 percent of all men's.

What part of the body is most vulnerable? At the top of the fatality list is cancer of the digestive organs, which alone accounts for about 35 percent of cancer deaths.

Among women who die of cancer, the breast and the uterus are the most frequent sites, while cancer of the lung and of the stomach takes the greatest toll among men. More than twice as many men die from lung cancer as from all forms of tuberculosis.

Can cancer be cured? There is no cancer cure-all, but early diagnosis and treatment saves lives. The rule that saves countless cancer victims and that could save countless more is "find it early." Yet without periodic examinations this is hard to do in cancer, since first symptoms usually come some time after the disease has gotten a start.

Pain and fever, those two alarmists of most other illnesses, do not appear until much later in most cancer cases. The only way to be on the safe side is to go at regular intervals—at least once a year—for a complete checkup.

In between regular physical examinations watch for the seven danger signs of cancer: unusual bleeding or discharge, a lump or thickening in the breast or elsewhere, a sore that does not heal, persistent indigestion or difficulty in swallowing or a change in a wart or mole.

If any of these signs continues for two weeks, see your doctor to find out if this means cancer or not.

The first Grange in Texas was organized at Salado in July, 1873.

TEXAS COMMISSIONER of AGRICULTURE

EXPERIENCED QUALIFIED DEMOCRAT

John C. White will keep Texas FIRST!

High yields—Top standability and uniformity for easy harvesting

Order from CLARENCE MOORE Rt. 2, Memphis, Texas

Fresh Idea

from MRS BAIRD'S BREAD

NOVEL DRESSING DISH

Here's a bright idea for salads, especially the ones you serve in a ring mold. You can have the most colorful salad dressing dish in town by using a large green or sweet red pepper. Cut a thin slice from the stem end of the pepper. Clean out the inside and fill with salad dressing. Place it in the center of a molded salad or in the middle of a salad bowl.

Elm Tree Leaf Beetle Control Measures Outlined

It's time to start control measures for the elm leaf beetles. This pesky insect caused severe damage to elm trees in many areas last year—and can be expected to do the same this year.

W. B. Hooser, Hall County agent, says the insect overwinters in sheltered places, such as plant debris or buildings where it can get protection from the weather. In the spring, it emerges, feeds and lays eggs. When the eggs hatch, the larvae emerge and begin feeding on the leaves.

The destructive insect can be easily controlled if chemicals are applied at the proper time. Chemicals that can be used include malathion, Sevin, chlordane, Dieldrin, lead arsenate, DDT, and toxaphene. The safest ones to use, says Hooser, are Sevin and malathion—especially if used in the yard or around the home.

The chemicals should be applied in order to prevent tree damage. Also, early application is essential for good larvae kill, as young worms are much easier to kill than old worms. When applying the chemicals, use sprays rather than dusts when possible for better overall chemical coverage. Spray the base of the tree,

in addition to the foliage, to eradicate worms coming down the trunk to pupate in the ground.

For additional information, call or come by Hooser's office. Ask for a copy of Extension publication L-199, "Texas Guide for Controlling Insects on Ornamental Plants."

Zachary Taylor, 12th president, had never held a public office until he became president in 1849.

Leaf Fertilizer Is Sometimes More Effective

Fertilizer applied to the leaves of plants is sometimes more effective than when spread in the root zone in the conventional manner, says County Agricultural Agent W. B. Hooser.

Though it is possible to supply only a small portion of the total nutrition needed by the plant in this manner, he adds, if a foliage fertilizer spray is applied at precisely the correct time, outstanding results can be obtained.

Research conducted to correct specific nutrient deficiencies and to provide nutrients at critical growth periods have proven beneficial. Almost all crops respond to a foliage spray of nitrogen, and show a slight response to phosphorous, according to Hooser. He also says that crops in Hall County respond to foliar application of certain micronutrients, like iron and zinc.

He continues that probably the greatest value of foliar feeding would be with crops where certain deficiencies can be corrected easily by spray treatments, where

spraying is already an established practice, where total leaf areas are large, and where there is a great demand for nutrients at a certain time; such as during flowering and fruiting.

Precautions for foliar applications that list include limiting the fertilizer salt content to two per cent, because leaves can be damaged by high salt concentrates. He also advises that certain plants, especially strawberries, should not receive foliar spray during the heavy blooming period.

County Residents—
(Continued from Page 1) evening for Matthew Allen of Memphis, and Lester Phillips, L. A. Tucker and Walter Whaley of Estelline.

"Jim Maddox grew up in Memphis Monday morning the fishermen were in the cafe and Jim recognized Mr. Allen. They visited about the home town, then Jim went with them to Rabbit Cove, where they caught about 40 nice crappie. Tuesday they couldn't fish because of the rain. Jim planned to take them to Caddo Inlet, where the fishing has been very good, as soon as the weather cleared up."

Announcements Political

The Memphis Democrat is authorized to announce the following as candidates for public office, subject to the action of the Democratic primary in May.

For Associate Justice, Court of Civil Appeals, 7th Supreme Judicial District:
HERBERT C. MARTIN

MELISSA ANDERSON (Re-election) MONTY G. ALEWINE CLYDEANE (SALLY) GIBSON

For Commissioner, Prec. 1:
EDWIN HUTCHERSON (Re-election) W. C. (BUSTER) MORRISON

For Commissioner, Prec. 3:
O. R. LAMBERT (Re-election) TOM COLLINS

Regulations Give More Protection For Consumers

More consumer protection is the goal of revision in federal regulations of pesticides announced recently by the U. S. Department of Agriculture.

Key warning and caution statements are required to be placed prominently on the front panel of the pesticides label according to the new regulations, according to W. B. Hooser, county agent.

The warning information must include the statement: "Keep out of reach of children" or its equivalent and a signal word, such as "danger, caution or warning," which draws the user's attention to the need to handle the material carefully.

Warning and caution statements must be easy to read and the key signal words must conform to specified minimum type sizes.

Uses of pesticides in and around homes by the general public has increased rapidly in recent years, making it essential that consumers know how to handle them

safely, it was pointed out.

The Agricultural Research Service may require additional toxicity data from manufacturers under the revised regulations. This would consist of test results on laboratory animals as determined necessary by ARS.

The revised regulations also strengthen safety requirements in the use of experimental compounds.

Certain Events Can Affect Social Security Payment

Hal Geldon, district manager of social security in Amarillo, this week reminded people receiving social security benefits that certain events may affect the payment of those events.

When these events occur, he pointed out, they should be reported to the Social Security Administration.

The death of a beneficiary should be reported promptly, Geldon stated. He also mentioned that the marriage of a beneficiary, unless the beneficiary is receiving benefits as a retired

worker, will usually stop payments. Divorce may affect right to get benefits.

People who are receiving fits on behalf of a child or incapable older person, whose rights altered if there been a change in custody of beneficiary.

Garden Club To Hold Flower Show At Community Bldg. Sat.

The Memphis Garden Club, one of the newer organizations of the city, will stage its second annual Flower Show Saturday afternoon at the Community Center. Mrs. Theodore Swift and Mrs. G. D. Stephens, co-chairmen, announced this week.

The show will be held in the Council Room beginning at 12 noon, and will be open until 6 p. m. The public is cordially invited to visit the show during the afternoon. Mrs. Harold Smith, the president of the club, stated.

"Rainbow of Color" has been selected as the theme of the 1964 show, and special emphasis is being placed on iris for this year's entry. However, other flowers may be entered, as well as dried arrangements.

The chairmen have presented the following suggestions for all persons who are planning to enter: "Fair and High Winds"—all fresh material with some artificial material.

"The Plans"—a horizontal design, fresh material.

"Down in the Valley"—an arrangement using iris, vegetables, other fresh plant materials.

"The Panhandle"—an arrangement of all fresh material in a kitchen utensil having a handle.

"Mission San Antonio" (The Alamo)—a composition featuring a religious figurine, all fresh ma-

terial. "Our Earliest Inhabitants"—a composition using a basket or Indian pottery as a container, using fresh plant material with some dried material permitted.

"Padre Island"—a composition using driftwood, shells, etc. Accessories permitted with all arrangements.

Persons may exhibit as many entries as they wish. All entries are to be placed Saturday morning between 9 a. m. and 11 a. m.

Connie Childress Is Runner-Up For Austin Honor

Connie Childress, 15-year-old Austin student and former Memphis resident, was runner-up for Austin's Miss Y-Teen of 1964, according to information received here.

The winner, Judy Taylor, was revealed at the annual semi-formal Junior Y-Teen Dance at the YWCA in Austin Saturday night. The selections were made from a field of 14 nominees by judges interviewed each of the 14 Miss Junior Y-Teen nominees and judged each on evaluation points are required by the Young Women's Christian Association.

Connie Childress, president of the Bi-Baja Y-Teen, heads a group of 49 busy workers. Described by co-workers as the "Smallest Bi-Baja and yet the tallest volunteer we have." Connie understands parliamentary law procedures better than most adults and presides with "precision and finesse." Her club adviser sums up Connie's excellent leadership record this way: "Dynamite comes in small packages, that's our Connie."

Connie is the daughter of Mrs. Joyce Childress, 3305 Harris Park, Austin, and Ray Childress of Memphis.

Chi Omega Takes First Place In WTSU Sing-Song

Mrs. Gerald Hickey and Dayna were in Canyon Sunday to attend the sing-song held in the administration building auditorium at West Texas State University.

Chi Omega won the sorority division. This is the third year Chi Omega has won the first place trophy, and it will now remain in their possession. Deeda Hickey, daughter of Mr. and Mrs. Gerald Hickey and student at WTSU, is a member of the sorority.

More than 500 people attended the contest. Judges were from the Amarillo Symphony.

Garden Club Meets In Home Of Harold Smith

Mr. and Mrs. Harold Smith were hosts for the regular meeting of the Memphis Garden Club. The meeting was held in the Smith home Thursday evening, April 25.

The meeting was opened with a prayer by Bettye Smith. During the business meeting, plans were completed for the Garden Club Show which will be held Saturday, May 2.

The speaker for the evening was Bill Leslie, who gave an interesting talk on "Scientific Flower Growing." Following his talk, Mr. Leslie led a round table discussion on landscaping at the County Hospital.

Flower arrangements for the evening were furnished by Mr. and Mrs. G. D. Stevens.

A lovely and tasty refreshment plate was served to the following: Mr. and Mrs. G. D. Stevens, Ruby Leggett, Eunice Thornton, Vay Hammond, Paul Morris, Mr. and Mrs. Clinton Srygley, Mr. and Mrs. Eual Robinson, Bill Leslie, Ben Parks, Ruby Roden, and the hosts, Mr. and Mrs. Smith.

Laddie Fowler Is Honoree At Graduation Party

Honoring Laddie Kent Fowler, who is graduating from the 8th grade this spring, Mr. and Mrs. Gerald Fowler entertained with a Graduation Party on Friday evening at their home in Estelina.

Approximately 15 members of the Estelina 8th Grade Class attended the party. Also attending was Miss Janet Lynn Hickey of Amarillo, who was visiting with her grandparents, Mr. and Mrs. Loyd Fowler.

Memphis Little Theater Meets In Deaver Home

"The Amazing Arabelle," a one-act play by Norman Aston, was presented before members and guests of the Memphis Little Theatre Wednesday afternoon, April 22, in the home of Mrs. John Deaver with Mrs. Carl Zancey as co-hostess.

The director of the play was Mrs. R. E. Roark. The characters were as follows: Arabelle, Mrs. I. M. Harrison; Katherine Fenwood, Helen Boswell; Alice, Mrs. Harold Smith; Joyce, Mrs. Robert Sexauer; and Rosie, Mrs. Harry Boswell.

After a short business meeting, refreshments were served to Meses. Herschel Combs, J. W. Coppedge, Hiram Crawford, Harry Boswell, L. G. DeBerry, Gayle Greene, Leo Fields, R. S. Greene, Frank Foxhall, D. L. C. Kinard, Carl Zancey, Harold Smith, I. M. Harrison, Hubert Jones, R. E. Roark, Guy Smith, Robert Sexauer, Mildred and Helen Boswell.

J. T. Clayton Is Guest Speaker At Pathfinders

J. T. Clayton, local director of the Civil Defense, was guest speaker at the Pathfinder's Council which met Tuesday evening, April 14, at the home of Mrs. J. J. McDaniel.

Mr. Clayton gave a most informative and interesting talk about the role of The Civil Defense, both in natural disaster and nuclear attack. He discussed the causes of such disasters as earthquakes and tornadoes, and the means that people might seek protection from them. Special emphasis was given to the type of atmospheric conditions which spawn tornadoes as well as their freakish nature.

Mr. Clayton also told about procedures that every family should follow in order to be prepared for the contingency of nuclear attack. He stated that every member of the family should have assigned tasks to ready themselves if they hear the warning signal. The family should drill regularly in order to know what to do to best protect themselves in case of attack or radioactive fallout.

Mr. Clayton pointed out that although we are not a likely target area, we could easily be subject to fallout in case of attack, therefore, it is best to be prepared.

After the program, Mrs. W. T. McElreath presided over a short business meeting. After adjournment, delicious refreshments were served by the hostess, Mrs. McDaniel, to Meses. W. T. McElreath, G. M. Duren, J. R. Mitchell, J. L. Allard, W. T. Ritchie, Hester Bounds, and Carl Morris.

Chris Campbell Is Dinner Honoree On 15th Birthday

Mr. and Mrs. Lester Campbell of Amarillo were hosts Sunday at a family dinner honoring their daughter, Chris, on her 15th birthday anniversary.

Enjoying the chicken barbecue dinner and all the trimmings were Mrs. E. P. Thompson, Edwin O. Thompson, Mr. and Mrs. Billy Thompson and Carol and Matt Allen, all of Memphis, and Mr. and Mrs. Tom Salem and Mrs. Laura Campbell, all of Turkey, and Mr. and Mrs. Campbell and family.

ENGAGEMENT REVEALED—Mr. and Mrs. John Porter Fowler announce the engagement and approaching marriage of their daughter, Jane, to Gary Young of Turkey, son of Mr. and Mrs. Byron Young. The wedding will be an event of June 20 at 6:00 p. m. at the First Christian Church in Memphis. Miss Fowler is a sophomore student at West Texas State University, and her fiance will be a spring graduate at West Texas State University. Friends of the couple are cordially invited to attend the wedding.

Coke Party To Honor Hall County Seniors

The Memphis Business and Professional Women's Club will entertain seniors of Hall County with a Coke Party on Sunday afternoon between the hours of 4 and 5 o'clock at the Community Center. The announcement was made this week by Cora Belle Alexander, club president.

A musical program will be presented and refreshments will be served.

Invitations have been extended to all members of the 1964 graduating classes in the Memphis, Estelina, Turkey and Lakeview schools. Sponsors of the classes are also invited to attend.

Gertrude Rasco To Present Pupils In Recital Monday

Another group of students will be presented in piano recital by Gertrude Rasco Monday evening, May 4, in the Community Center at 7:30 o'clock.

The following students will play on the program, which is open to the public:

Kay Coppedge, Dayna Hickey, Jane Hoover, Regina Hoover, Jerry Johnson, Chalonne Hoover, Lynnette Hoover, Sandy McQueen, Lometa Pate, Vicki Rose, Suzette Smith, Susan Stevenson, Nancy Voyles and Carol Ann Voyles.

Travis PTA To Hold Final Meeting Friday

The Wm. Travis Parent-Teacher Association will meet for the final session of the school year Friday evening, May 1, at 7 p. m. in the Cafeteria, Mrs. Bob Douthit, president, announced this week.

A May Day program will be presented by the third, fourth and fifth grades of the school. Music will also be furnished by the band under the direction of Bill Bradley, director.

During the meeting the "Family of the Year" will be presented.

Dinner Party Fetes Lakeview Senior Class

Mr. and Mrs. Glen Varden, assisted by Mr. and Mrs. C. B. Craighead, entertained members of the Lakeview Senior Class with a dinner last week.

Barbie and Ken dolls dressed in graduation clothing served as centerpiece for the tables and place mats were inscribed with names of seniors and the date of graduation.

Attending the supper were the following: Connie Mack Moore; Joyce Baker, Cheryl Craighead, Sandy Verden, Clinton Pierce, and the sponsor, Barney Beavers.

JUNE WEDDING—A June wedding is being planned by Miss Joyce Anne Baker and Carroll Wayne Watts, according to an announcement made this week by the bride's parents, Mr. and Mrs. Dick Baker of Lakeview. Mr. Watts is the son of Mr. and Mrs. Olen Watts of Clarendon. The wedding ceremony will be read at 4:30 p. m. June 6 in the Lakeview Baptist Church. Friends of the families are cordially invited to attend the wedding.

Memphis Science Teacher And Student Present Program At Delphian Club

The Delphian Club met Tuesday, April 21, in the lovely ranch home of Mrs. Sim Reeves. Guest speakers for the program "Outspace, The Greatest Challenge to Man" were Mrs. Inez Robinson, local high school science teacher, and Kenneth McKown, place Divisional Winner in Panhandle Science Fair held recently in Amarillo.

During the meditation, Mrs. Clyde read excerpts from a message from President Kennedy entitled "A Voice In Space," in which he paid tribute to the men who are making our space program possible.

Mrs. Robinson explained that the science fair is a collection of experiments, each of which is designed to show a definite scientific principle and to show what the individual student can do in science.

The purpose is to focus attention on science, to stimulate interest in experimentation, and to encourage talented youths to enter science fairs. It is a relatively new movement in Texas, having started in Austin in 1955, and in the Panhandle in 1957. This year Memphis has had its first year in the fair, and for the first time students entered, fourteen in all.

Kenneth McKown's first place award was in the Earth and Space Division for Junior High Schools. His project was to study the effect on Gravitational Velocity of the Effect On Learning. For this project, he also won the Army Award and the NASA Award.

Students are required to select their own projects and to construct all equipment used. Kenneth used live mice in a centrifuge.

The experiment was conducted over a period of time with the responses of the mice being observed under various circumstances. Kenneth then discussed problems in space, some of which are excess gravity, communications in orbit, and radiation.

He pointed out two types of satellites, Communication Satellites, such as Echo, Telstar, and Sincon, and Weather Satellites, such as Tyros. He then reviewed the space crafts we now have and the ones which are in the planning stages. Mercury, the completed one-man craft is powered by the Atlas Agina missile; Gemini, the two-man craft now in orbit, by Titan; Apollo, which will be a three-man craft by Saturn; and the X-15, which is in the experimental stage, will be launched from a B-29.

Projects of three students, each of whom is a relative of a member of the Delphian Club, were displayed: Kenneth McKown, Pat Wilson, and Edward Neal Foxhall. Pat's project, A Study of Birds, won honorable mention in the Panhandle Fair. Edward Neal was too young to be entered in that fair, but his project, A Volcano, won first place in his division in the local Science Fair.

Delicious refreshments were served to the guest speakers, Mrs. Robinson and Kenneth, and to Meses. O. R. Goodall, Henry Hays, C. C. Hodges, Rayford Hutcherson, C. D. Keith, L. L. McKown, J. S. McMurry, C. L. Smith, Mildred Stephens, J. W. Stokes, Ben Wilson, Jr., R. H. Wherry, Neal Hindman, Bill Lockhart, Miss Maud Wilson, and the hostess, Mrs. Reeves.

SCIENCE FAIR WINNER—Kenneth McKown, first place winner in the Panhandle Science Fair, was one of the guest speakers at the Delphian Club program entitled "Outspace, The Greatest Challenge to Man" last Tuesday afternoon. McKown shown above with his project, won first place award in the Earth and Space Division for Junior High Schools. For this project he also won the Army Award and the NASA Award.

BRIDE TO BE—Mr. and Mrs. Glen Coleman announce the engagement and forthcoming marriage of their daughter, Ann, to Dale Sexton, son of Mr. and Mrs. S. M. Siegler of Memphis. The wedding will be an event of June 14 at 2 p. m. at the Assembly of God Church in Memphis. Friends of the couple are cordially invited to attend the wedding.

Funeral Services For W. C. Smithee Held In Silvertown

Funeral services for Willie C. Smithee, 76, of Silvertown, father of W. A. Smithee of Memphis, were held at 2:30 p. m. Monday in the Methodist Church in Silvertown with Rev. Carl Nunn, pastor, and the Rev. C. R. Hankins, former pastor, officiating.

Interment was in Silvertown Cemetery.

Mr. Smithee, born Nov. 17, 1889, in Batesville, Ark., died at 11:30 p. m. Saturday in Hall County Hospital at Memphis. He had resided in Silvertown for 66 years.

Mr. Smithee was a member of the Methodist Church and the Masonic Lodge.

Survivors include his wife, Mrs. Willie Smithee of the home; three daughters, Mrs. Kathleen Green of Turkey, Mrs. Gladys Strickland of Denton and Mrs. Einell Montague of Plainview; a son, Willie Amel Smithee of Memphis; four sisters, Mrs. W. A. Sedgwick of Montgomery, Ala., Mrs. Edd McMurry of Tulsa, Mrs. Cora Donnell of Silvertown, and Mrs. Edith Meeker of Medford, Ore., and 19 grandchildren and three great-grandchildren.

Mrs. Ethel Smith, And Son Enjoy Vacation Trip

Boaz Stotts and mother, Mrs. Ethel Smith, returned home Saturday after a week's vacation in San Antonio and Dallas.

They arrived in San Antonio Monday where they visited with her sister, Mrs. Edd Krouse. While in San Antonio, they visited the Alamo, and the missions, San Juan Capistrano and San Francisco de la Espada.

On Wednesday, they went to Dallas where they visited Mr. and Mrs. J. O. Jenkins, Mrs. Alice Adams, Mr. and Mrs. R. V. Ross and family, Mr. and Mrs. Charles Jenkins. They also enjoyed a day's fishing at Lake Tawakina, near Dallas.

CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, food and other kindnesses, we are deeply grateful.

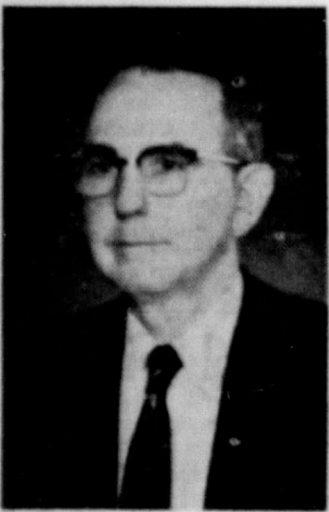

Margaret Lott,
The Milam Family.

CARD OF THANKS

I want to take this opportunity to thank everyone from the bottom of my heart that visited me, sent flowers, cards and remembered me in their prayers during my recent surgery and stay in the Northwest Texas Hospital. Many thanks to the ones that came and stood by me the day of surgery. May God bless each of you in a special way.

Tom Scoggins.

LOCALS AND PERSONALS

Brice News

Mr. and Mrs. G. W. Selmon returned home Sunday evening from Oklahoma City, Okla., where they went Friday to visit a friend.

Mrs. Doug Burgess and children spent the weekend at Shamrock with Mrs. Burgess' mother, Mrs. Parrish.

Shirley Martin of Amarillo spent the weekend here with her parents, the Aubrey Martins.

Mr. and Mrs. J. C. Johnson visited Saturday evening in Clarendon with the Wayne Rexrodes.

Mr. and Mrs. Red Stephens spent the weekend in Amarillo in the home of their daughter, Mrs. Glynn Hall and husband.

Doug Burgess and Elmer Watson spent the weekend fishing at Possum Kingdom.

Mr. and Mrs. Jim Gattis made a business trip to Lubbock Thursday.

Mr. and Mrs. Buddy Murdock accompanied Mrs. Eleanor Murdock to Davis, Okla., where they visited in the home of Mrs. Edith West and Mary last week.

Gladys Power and Ora Denny, accompanied by Mr. and Mrs. Leek Moreman of Kingsville, left last weekend on a vacation trip to California and other points. They plan to be gone about two weeks.

Guests in the Zack Salmon home Sunday were their daughter, Mrs. Dock Fowler of Lesley and their granddaughter, Mrs. Edd Tipton and Mr. Tipton of Clarendon.

Mr. and Mrs. Wayne Stephens and her cousins, Kenneth and Billy Brice of Plainview spent the weekend at Lake Kemp fishing.

Joe Ann Wood, student at West Texas University spent the weekend here with her parents, the Joe Woods.

Mrs. Walter Hightower left last week for Houston where she will visit with her daughter and family, Mr. and Mrs. Hugh Lilly and children, Patricia, Jeff, and Jane.

Mr. and Mrs. B. P. Watson of Lesley and Mr. and Mrs. Selmer Watson of Gainesville visited Mr. and Mrs. Elmer Dale Watson Sunday afternoon.

Mr. and Mrs. W. C. Davis spent the weekend in Spearman visiting with Mr. and Mrs. Burl McClellan and Mr. and Mrs. Jim Davis.

Mr. D. A. Neeley and Mrs. J. B. Burnett have returned home after enjoying a vacation down state. Mrs. Neeley and Mrs. Burnett, accompanied by Mrs. Jack Bumpass of Farmersville and Mrs. Claude Betts of Ennis, enjoyed a weekend at Mineral Wells. Mrs. Burnett also visited in Dallas

with her sister, Mrs. Della Smith, and other relatives.

Mrs. L. A. Dickey of Wellington spent the weekend visiting here with her daughter, Mrs. Herschel Combs and Mr. Combs.

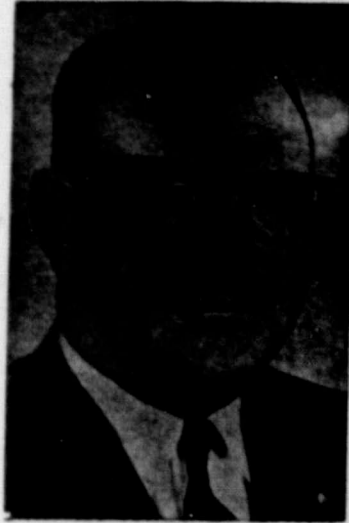

Mr. and Mrs. Cecil Grimes of Dallas visited here from Thursday until Saturday with his parents,

Mrs. J. B. Burnett and Mrs. Barney Burnett visited in Wheeler Sunday with Mr. and Mrs. John Holcomb.

Mr. and Mrs. T. C. Harris and Mrs. Leon Helm and Mike visited in Pampa Sunday with Mrs. C. M. Swindell, who was ill and receiving treatment in the hospital there.

Mr. and Mrs. Foy Young, Mr. and Mrs. James Bryant and vacationed at Possum Kingdom last week.

Mrs. B. O. Shankle was called to Breckenridge last week to be with her mother, Mrs. W. F. I. and sister, Mrs. E. T. I., who are both confined to the hospital.

W. S. (BILL) HEATLY

QUALIFICATIONS OF A STATE REPRESENTATIVE

When casting your vote for someone to represent you in the important office of State Representative, you should size up the candidates and make your choice solely on the basis of demonstrated ability in business and public affairs.

The person you send to Austin to represent you in the legislature should have the following qualifications:

- SHOULD OWN PROPERTY AND PAY TAXES
- SHOULD BE EXPERIENCED IN BUSINESS
- SHOULD KNOW HIS STATE GOVERNMENT
- SHOULD BE A PERSON YOU WOULD HIRE TO RUN YOUR PERSONAL BUSINESS
- SHOULD BE UNDER NO OBLIGATION TO ANY FACTION, GROUP OR SPECIAL INTEREST
- SHOULD BE IN FAVOR OF PROGRESS WITHOUT WASTE OR EXTRAVAGANCE
- SHOULD FAVOR PRIVATE ENTERPRISE SYSTEM
- SHOULD HAVE COURAGE TO BACK HIS CONVICTIONS, EVEN IF IT MEANS LOSING HIS VOTE

There is no substitute for experience in a position of this kind. Seniority and demonstrated ability work with other State officials are invaluable assets to a member of the Legislature.

BILL HEATLY HAS THESE QUALIFICATIONS AND A VOTING RECORD FAVORING CONSTRUCTIVE MEASURES IN ALL AREAS OF PUBLIC AFFAIRS, AND WILL REPRESENT THE AVERAGE PEOPLE OF HIS DISTRICT AS OPPOSED TO THE DEMANDS OF SELFISH INTERESTS.

Changes In Postal Services Ordered By Postmaster General

Adjusted adjustments in some services ordered in Washington March 10 by Postmaster General John A. Gron. To save millions will begin to take effect in Memphis and other cities.

Changes planned locally are as follows: parcel post deliveries will be on a weekly basis, with each day being the non-delivery day. Parcel post will be delivered on all rural and star routes on a six-day per week basis as it now operates.

Service on Saturday: the window will be open from 9 a. m. until noon. Stamp and parcel post mailings and delivery service will be the same. No money orders will be delivered on Saturday either at the office, stations, or on rural routes.

and other services will not be available on Saturdays.

No major essential services are affected under the orders. There will be no change in home delivery and regular business mail deliveries will continue as usual. Letters and other first class mail will be handled with the same priority as ever.

The economy step is in line with President Johnson's programs under which the recent Federal income tax cut was provided.

Jan Mitchell To Graduate From WTSU

CANYON—Georgia Jan Mitchell of Memphis is among the more than 400 candidates for degrees expecting to participate in the spring convocation May 24 at West Texas State University.

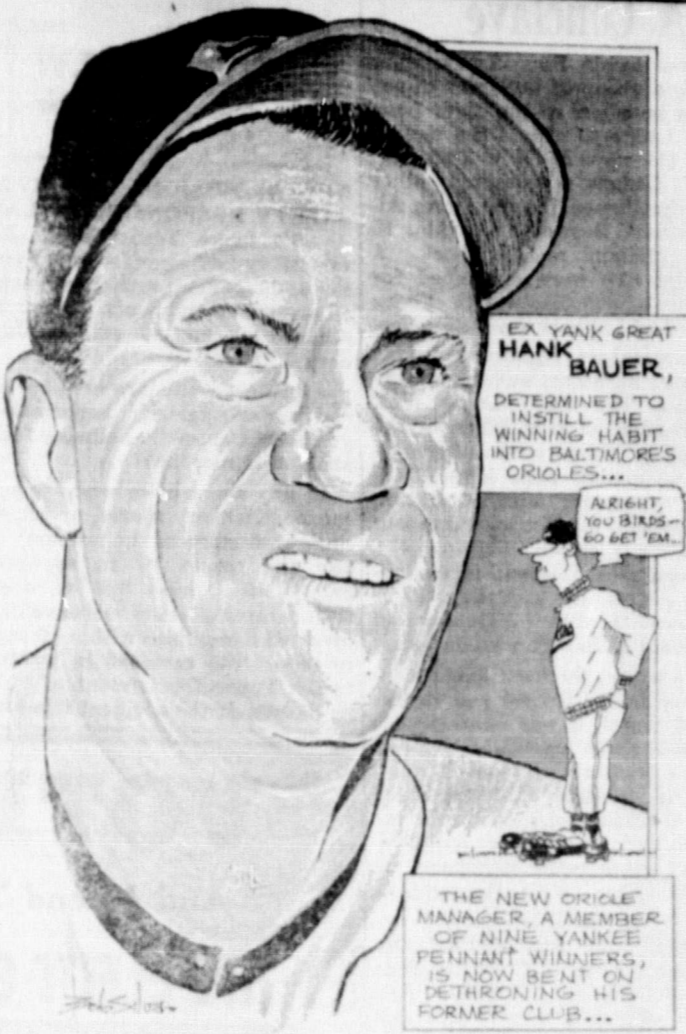

The convocation is scheduled at 5 p. m. in the Field House, and speaker will be Dr. Donald C. Moyer, president of Eastern New Mexico University.

An English major, she seeks the Bachelor of Arts degree.

Miss Mitchell is president of both Panhellenic Council and Delta Zeta, national social sorority. She is also a member of Sigma Tau Delta, national English fraternity. She was elected to "Who's Who in American Colleges and Universities" in 1964.

She is the daughter of Mr. and Mrs. J. R. Mitchell, 917 North 16th.

Sodalitis Club Plans Musical Variety Program

The Sodalitis Club of Hedley will present a musical variety

program on May 5 at 8:00 p. m. in the Hedley High School auditorium, according to an announcement made this week.

Admission will be 50 cents for adults and 25 cents for students.

An entertaining program is being planned, featuring both hometown and imported talent. Everyone is cordially invited to attend.

Hall County Soil Conservation District News

Mesquite trees, sandage brush and shinnery oak are the principal types of brush that invade our native grasslands in the Hall County Soil Conservation District. Farmers and ranchers are encouraged to control these invading plants.

For each yound of mesquite produced this year, three pounds of grass could be produced. Brush uses water and soil nutrients that native grass needs to produce grazing for livestock. Brush also decreases the amount of light from the sun which in turn decreases the amount of food a plant can produce.

Brush can be controlled in several ways. Aerial spraying, grubbing and treedoing are some of the most common methods of controlling brush. Mesquite brush should be controlled by aerial spraying 40 to 90 days after the first leaf appears. Mesquite brush can be grubbed any time during the year. Sandage brush and shinnery oak can be aerial sprayed when plants are in full foliage. Sandage brush can be shredded two years in a row as an effective control.

Farmers and ranchers can get cost-share assistance for brush control through the Great Plains Conservation Program and the ACP program. If you have any questions concerning brush control, contact your local Soil Conservation Service office.

At least 21 Texas streams are known as Mill Creek.

Official Memorandum
By

JOHN CONNALLY
Governor of Texas

AUSTIN, TEXAS

REETINGS:

The right to vote is a treasured instrument of a democracy, and a solemn responsibility on the part of every American citizen of voting age. Unfortunately, it is a responsibility that is often treated lightly, for many eligible voters consistently fail to exercise their right and duty to cast their ballot.

Texans will vote in the primary elections on May 2 to select their nominees for public office at the local, state and national level.

On the same day the party precinct conventions will be held to select delegates to the county conventions and to consider resolutions affecting state and national policy. These conventions are the genesis of our entire political and governmental structure.

It is vital to our state and nation that as many persons as possible participate in these essential functions of representative government.

THEREFORE, I, as Governor of Texas, do hereby designate Saturday, May 2, 1964, as

TEXAS CITIZENSHIP DAY

and urge all eligible voters to participate in the primary election and precinct conventions of the party of their choosing.

In official recognition whereof, I hereby affix my signature this 20th day of April, 1964.

John Connally
Governor of Texas

Local Boy Scouts, Leaders Attend O. A. Conclave

Three local Boy Scouts were among a group of 50 Order of the Arrow members of the Chief Lone Wolf Lodge to attend the annual O. A. Conclave at Camp Post Apr. 24-26. Lodges represented, other than the Pampa District, were Albuquerque, Roswell, Amarillo, El Paso, Midland and Lubbock. A total of 318 were encamped for the weekend. The South Plains Council of Lubbock was host lodge.

All members registered Friday evening. Saturday was devoted to contests. The Chief Lone Wolf Lodge received first place in the swimming relay and camp-site. Boys swimming were Mike Branigan, Memphis; Jim Coffman, Shamrock; Phil Tuttle, Perryton; and Mike Clennon, Phillips. Jim Coffman placed second in the obstacle course. David Bailey, Pampa, placed third in the archery and individual Indian dance contests.

As a whole, the local lodge placed third in the Ordeal and Brotherhood teams, it was announced.

Neil Tribble served as a judge for the brotherhood team contest. He is the treasurer of the Chief Lone Wolf Lodge. Neal Hughs attended a "Like Interest and Discussin'" group over activities in various lodges. Mike Branigan is the chief of the lodge.

Adults who accompanied the boys were Elmont Branigan, Les Sims and Homer Tribble. Rex Archer of Albuquerque, a grandson of Mr. and Mrs. Orville Goodpasture, also attended the Conclave.

The conclave for 1965 will be held at Camp When-he-pa in the Sacramento Mountains near the town of Clouderoft, N. M., it was reported. The host lodge will be the Kawadi, since Ray Davis of Roswell was elected area chief for the coming year.

The Saracens introduced scientific irrigation into Andalusia Spain after the conquest in the 8th century.

NEW PROVISIONS IN DRIVER SAFETY RESPONSIBILITY LAW

To make Texas Safety Responsibility Law as effective as possible the 1963 Texas Legislature enacted several amendments. The strengthened law became effective January 1, 1964.

To protect your driver's license and motor vehicle registration, you should know the following facts about this new law:

In any accident in which a person is killed or injured or where there is damage to the property of any one person to an apparent extent of at least \$25 or more, the operator of every motor vehicle involved is required within 10 days to report the accident in writing to the Texas Department of Public Safety. If the accident involved

death, personal injury or damage to one person's property of at least \$100, the accident then comes under the Safety Responsibility Act and its requirements must be met. Accident report forms can be obtained from any law enforcement officer.

The Department of Public Safety is required by the new law to suspend the drive licenses and all motor vehicle registration plates of both the operator and owner of vehicles involved in an accident coming under the Safety Responsibility Law, UNLESS:

Evidence of liability insurance coverage in the minimum amounts of \$10,000 where one person was injured or killed, \$20,000 where more than one, and \$50,000 for property damage is reported to the Department of Public Safety, OR a release signed by damaged or injured persons is filed with the Department of Public Safety. Other evidence of financial responsibility is covered by the new act. In addition, the operator and owner must file proof of financial responsibility for the future and maintain it for five years.

The first automatic looms introduced in Holland at the end of the 16th century were limited to narrow ribbo and lace.

OUTDOORS IN TEXAS

By VERN SANFORD

Fishermen have made a startling new discovery within the past few years.

Although often the fastest fishing is to be had up near the surface, anglers have learned that frequently the biggest fish are to be found deep, right near the bottom.

This is true of all our scaled species, from white bass to black bass, and occasionally the only place you can find any action is within proximity of the bottom.

One of the best baits for this kind of fishing is the ordinary silver spoon. Conventionally, an angler casts out a spoon and starts the wobbling chunk of convex metal back the moment it touches the surface. This makes it travel in a level plane a few inches under the surface.

The new twist is to allow the spoon to plummet to the bottom on a limp line, then take up the slack and sort of jig it along the bottom, raising and lowering it. This serves a two-fold purpose. It puts the spoon in a strata of water where there is apt to be more fish; and it simulates the crippled action of a minnow.

It makes good sense to change your retrieve periodically, to give your lure more lifelike action. A minnow swimming naturally through the water won't draw as much attention from a hungry fish as will one that is obviously wounded, struggling up and down.

It stands to reason, then, that a lure with this crippled action will entice the most strikes.

Sometimes this bottom bumping a spoon pays of fin the most unlikely situations.

Take schooling white bass, for instance. It would seem that a lure pulled through a school of feeding fish, right near the surface, would bring the most strikes. Perhaps it will. But often bigger fish are to be had by going deep, right to the bottom.

What happens is the larger whites hover below the younger, more eager whites which have trapped the shad near the surface. The older fish wait patiently until the young whites kill shad and they feed leisurely on the dead bait fish which sink to the bottom.

Bottom bumping also is quite effective on whites in early spring, when the fish are congregated in the deep holes prior to their annual migration upstream to spawn. And it isn't unusual for black bass to be associating with the whites, to feed on shad that the whites have crippled and missed.

It frequently happens that the unsuspecting angler is jigging a spoon for whites when he ties into a real trophy black bass. That happened to my old buddy Russell Tinsley, outdoors editor of the Austin American-Statesman, last spring. He was jigging a spoon for whites along a deep sand-bar where the Pedernales River enters Lake Travis when he had a wallowing strike. His catch turned out to be a six-pound black bass.

Bob Hill, another Austin fisherman, had an unusual experience, also on Lake Travis, when he was spoon jigging for whites and instead tied into an 18-pound catfish.

Hill is one of the foremost advocates of spoon jigging. He recalls a time on North Caddo Lake, near San Angelo, when he was cleaning up on whites by jigging a spoon along the bottom, while all around him other fishermen were trolling shallow-running baits without any strikes.

"People just don't realize that they catch more fish by going to bottom," he explained. "They persist on trolling shallow when casting deep would be much more effective."

Girl Scouts Sell 444 Boxes Cookies Here

Approximately 444 boxes of Girl Scout cookies were sold in Memphis during the recent cookie sale, according to a report from leaders this week.

In all, 13,404 boxes were sold by Girl Scouts throughout Quivira Council, which includes a 10-county area. Profits from the annual cookie sale go partly into individual troop programs and mostly into Quivira's camping fund which

is not used in the council's daily operation, it was explained.

The Memphis troops expressed their appreciation to all individuals for their support in the cookie sale this week.

Several members of the troops plan to attend the troop encampment in August at Camp Ki-O-wah, it was announced. The camp is located near Canadian.

The senior troop will attend Camp Kiwanis, Amarillo, and will participate in the pre-Round-Up activities during two weeks in August. Round-Up will be held in 1965 and four senior Girl Scouts will be eligible to attend from the Quivira Council, it was explained.

with Rev. Clifford officiating.

in Moore Memorial at Arlington.

Adams passed away April 28 at Fort Worth hospital at Fort Worth where he had lived for the past 10 years.

born Sept. 5, 1882, in Georgia. He moved to Lincoln, Texas, where he married Mrs. Bailey.

Adams moved to Lesley, Texas, in 1911 where they were in farming. After Mrs. Adams retired, they moved to Ft. Worth.

Adams had three children: Mrs. O. Adams, Jr., Mrs. Montgomery and Mrs. Joe Adams, and Mr. W. S. Greene.

Adams had two granddaughters: Adams and Donna.

Henry Harrison died on April 28, 1964, just one month after he was inaugurated president of the United States.

I just don't go for
organized religion

Ever heard that before? The rest of it usually goes like this: "Sure I have faith—but I can pray just as well at home."

Private worship is, of course, a precious and valuable and necessary thing. But if you neglect your place of worship, you neglect the place where the very substance of your faith is kept alive and nurtured. Consider this: if there were no "other fellow" to preserve, protect and practice the faith you believe in "at home"—how long would that faith endure?

Next time you're tempted to roll over in bed, and say, "Well, maybe I'll go next week"—remember your faith needs you to keep it strong . . . so it can strengthen you.

Worship with your family at your church this week. And don't disappoint yourself again.

FIND THE STRENGTH FOR YOUR LIFE...

Worship together

this week!

George Archer Accepts Position In San Antonio

George F. Archer has resigned his position as minister of music and education at the First Baptist Church in Dublin to assume similar position at the Houston Terrace Baptist Church in San Antonio, his mother, Mrs. E. G. Archer, stated this week.

As part of his new duties, Mr. Archer will be director of a church school under auspices of Houston Terrace Church which includes a kindergarten and the first three grades of elementary school. Mrs. Archer will also teach in the school.

Before leaving Dublin, Mr. and Mrs. Archer were guests of honor at a farewell party held at the Baptist Parsonage by Mr. and Mrs. T. F. Collier, pastor of the Dublin Church.

LETTERS TO THE EDITOR

Vison, Okla.
Rt. 1, Box 66.

Dear "Old Timers":

Wife and I came to Memphis in the early nineties. We were married on May 23, 1898. Judge Pardue performed the ceremony late one night after a show or play in the court house. It sure did rain that night. We once knew most everyone that lived in Memphis. We filed on 163 acres in old Greer County, Okla., near Harmon County. We still live on the same place with another half section adjoining the home place. We have attended the Memphis Picnic (Memphis Reunion) for several years, and are looking forward to it again this year.

J. Edwin Reeves.
Mollie Howe Reeves.

NOTE SATURDAY FOR

ALLEN HARP

FOR DISTRICT JUDGE 100TH JUDICIAL DISTRICT

Neither my opponent nor I were ever defeated for County Attorney—neither of us had an opponent.

In order to be licensed to practice law in Texas every person must pass the State Bar Examination, without regard to law schools attended. I passed this examination and was duly licensed in April, 1947. Since that time I have served as District Attorney, County Attorney and City Attorney and have been actively engaged in the practice of law.

I served as official Court Reporter for this District Court from August, 1941, to September, 1947, with leave of absence for military service. Previously, I served as State Representative.

In conducting my campaign I have sought to exemplify the same qualities of honor and integrity essential to the proper performance of the duties of a District Judge and in accord with the highest tradition of the jurist.

Your vote and support is solicited on the basis of my own qualifications, and on this basis alone.

I have managed my own campaign and spent my own money in the race. If elected, I will be in a position to perform the duties of the office impartially and in all good conscience toward God and man.

Respectfully submitted,
ALLEN HARP
(a Democratic Candidate)

(Paid Pol. Adv.)

Legal Notice

MONITION
For the Northern District of Texas
In the United States District Court
Civil 2-163
United States
vs.

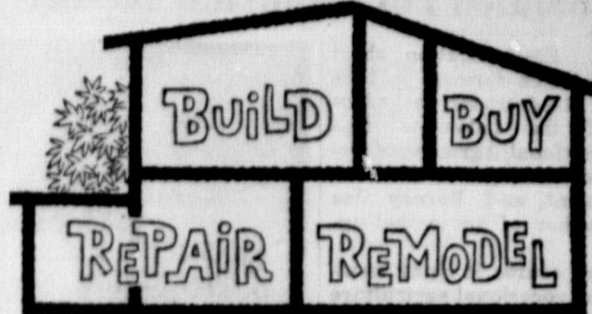

An article of hazardous substance consisting of 10 one-gallon cans, more or less, of an article labeled in part: (can) "X-33 Water Repellent Clear Formulated from Dupont Tzoz Organic Titanate: Danger *** Wilmington Chemical Corporation, Chicago 10, Illinois."

In obedience to a Warrant of Seizure to me directed, in the above-entitled cause, I have seized and taken into my possession the following-described merchandise, to wit: 6-five gallon cans, 9-one gallon cans and 16-one half pint cans of an article labeled in part: (can) "X-33 Water Repellent Clear Formulated from Dupont Tzoz Organic Titanate Danger". For the causes set forth in the libel now pending in the U. S. District Court for the Northern District of Texas, a Amarillo I hereby give notice to all persons claiming the said described merchandise, or knowing or having anything to say why the same should not be condemned and forfeited, and the proceeds thereof distributed according to the prayer of libel, that they be and appear before the said Court to be held in and for the Northern District of Texas, at the United States Court Room, in the City of Amarillo on the 8th days of May 1964, at 10:00 o'clock on the forenoon of that day, if the same shall be a day of jurisdiction, otherwise on the next day of jurisdiction thereafter, then and there to interpose a claim for the same, and to make their allegations in that behalf.

ROBERT L. NASH
U. S. Marshal Northern Dist. of Texas.
By GLEN R. BEVERS, Deputy.

Farm Electrification Short Course Is Scheduled For Lakeview In May

A Farm Electrification short course for adult farmers will be held May 11-14 under the sponsorship of the Lakeview High School Vocational Agriculture Department, according to A. B. Jones, superintendent, and Barney Joe Bevers, teacher of vocational agriculture.

The short course is being sponsored by the vocational agriculture department of Lakeview High School.

Bob Jaska, farm electrification specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A & M College, will do the instructing in the course.

He is headquartered at Texas A&M College.

Mr. Jaska holds a master's degree in agricultural engineering. Since 1947 he has been preeminent in research work in Farm Electrification at A & M College, in addition to teaching the course in the Agricultural Engineering Department. His research and the field work in which he was engaged carried him over the entire state.

"Many farm electrification courses in various parts of the state have been taught by Jaska, and all have met with outstanding success," according to Walter Labay, area supervisor of vocational agriculture, Plainview.

BOB JASKA

Arrangements for the adult education short course in farm electrification and in other fields are made through Mr. Labay's office.

The short course at Lakeview is scheduled to begin May 11 at 8 p. m., in the Vocational Agriculture Building. Other meetings in the series of four will be held May

CANDY by Tom Dorr

12, 13 and 14, at 8 p. m. During the dates the short course is in progress, Mr. Jaska will be available to assist farmers with individual problems and to provide on-the-farm instruction, according to Barney Joe Bevers.

Farmers interested in attending the short course should write or call the superintendent of schools, Allen P. Jones, or the teacher of vocational agriculture, Barney Joe Bevers. An entry fee of \$3 will be charged. Farm Electrification Short Course Certificates are to be presented to each farmer who attends all the training sessions.

Mr. Jaska stated that the short course can be adjusted to wishes and interests of the farmers enrolled, but that he expects to cover such subjects as safety, how to properly choose wire sizes and install circuits, how to properly fuse and ground electrical equipment, and how to calculate the cost of operating electrical equipment. Farm wiring techniques will be demonstrated, and class enrollees will have the opportunity to do practice wiring including 120-240 volt service, outlets, 3-way and 4-way switches, lights, etc.

Mr. Bevers, vocational agriculture teacher stated that enrollees

are invited to bring their families, and that visitors are welcome to the first meeting of this short course. Mr. Jaska will cover "Safety in the Home" at this meeting, and if the past is any indication, men, women and children will find it interesting. All equipment used in this demonstration will be that which is found in every home.

It was pointed out that short courses in farm electrification, as well as in other areas, are now available to farmers throughout the state under the new cooperative program between the Texas Education Agency and Texas A & M College.

Bob Ivey Dies In Favens Friday

A. L. Gailey received word Friday of the unexpected death of his brother-in-law, Bob Ivey of Favens, Texas. Mr. Ivey died shortly after suffering a heart attack.

The Gailey family were spending the weekend in College Station with their son, Dwight Gailey and family, when they received the message. They were unable to attend the funeral service on Saturday.

Mr. Ivey is survived by his wife and several children.

Mrs. R. M. Hall, Wife Of Turkey Doctor, Dies

Mrs. Roxilea Keeter Hall, 34, wife of Dr. Richard M. Hall of Turkey, died at 3:40 p. m. April 23 in the Groom Memorial Hospital in Groom. She had been ill for several weeks.

Funeral services were conducted at 3 p. m. Sunday at the Church of Christ in Turkey. Officiating were Jack Hutton, minister, Alva Johnson, retired Church of Christ minister of Turkey, and H. B. Mason, a Church of Christ minister of Kirksville, Mo.

Interment was in Dreamland Cemetery in Turkey.

Born October 28, 1929, at Claude, Mrs. Hall was a graduate of Groom High School, attended

Texas Tech at Lubbock and received her B. S. degree from Shil Ross College at Alpine. At Shil Ross, she was elected to "Who's Who in American Colleges and Universities" and "Woman of the Year" in 1950. She was a member of Kappa Delta Pi, Alpha Chi, and Alpha Psi Omega. She was active in rodeo activities in

the Panhandle of Texas for a number of years.

She was married at Alpine on Oct. 7, 1951, to Richard M. Hall of Groom. Dr. and Mrs. Hall moved to Turkey on July 3, 1963, from Kirksville, Mo., where Dr. Hall received his Doctor of Osteopathy Degree in 1962.

Mrs. Hall formerly taught school at Odessa and Oxford, Ala. She was a member of the Church of Christ.

Surviving are her husband of the home; five sons, Douglass, Keith, Charlie, Louie and Grover, all of the home; her mother, Mrs. C. H. Keeter of Groom; six sisters, Mrs. R. C. Ballard of Claude, Mrs. J. W. Puckett of Springer, N. M., Mrs. Dub Lawson of Lubbock, Mrs. Robert Frazier of Amarillo, Mrs. R. W. Overstreet of Floydada, Miss Kay Keeter of San Francisco, Calif.; one brother, George Keeter of Groom; five nephews and three nieces.

Mr. and Mrs. Roy Molloy and Chris and Stevie, Mr. and Mrs. Tony Molloy, Mr. and Mrs. Melroy Cofer, David and Don, enjoyed last weekend at Possum Kingdom.

The first bridge across the Schoel-len Gorge in Switzerland opened the St. Gotthard pass to traffic in 1237.

Rev. Thompson Suffers Fall At Church Tuesday

Rev. J. B. Thompson, pastor of the First Methodist Church, suffered a painful fall Tuesday morning when he slipped on the stairs at the church. Rev. Thompson was taken to the Hall County Hospital, where he remained overnight. He has no serious injuries as a result of the fall, only bruises.

A board meeting was held at the church that evening. Members had not yet arrived at the time of the accident.

Drills are believed to be the cause of the fall.

Your Consideration and Continued Support Will Be Appreciated on May 2nd

If you re-elect me as your Commissioner, I promise to continue to try to meet the problems as they arrive, in a fair and impartial manner.

Ed Hutcherson

CANDIDATE FOR COMMISSIONER, PRECINCT NO. 1, HALL COUNTY

(Paid Pol. Adv.)

Thanks

I want to personally thank all the residents in the Turkey, Estelline and Parnell areas for their patronage the past 13 years.

Your patronage was deeply appreciated.

I. D., Fern and Ronald Mullin

YOUR VOTE WILL BE APPRECIATED AT THE DEMOCRATIC PRIMARY MAY 2

During the past three months, my time has been spent in an effort to contact and speak to the citizens of Hall County about my candidacy for the office of Tax Assessor and Collector. I have tried not to miss anyone. If you were not at home, I left my cards and hoped you would get to them before the weather did. To those of you I have missed, I wish to take this means of asking for your consideration and support in the First Primary Election.

I feel deeply the responsibilities of this important and exacting office. If you elect me, I promise to perform the duties of the office efficiently and courteously, and I will devote my full time to the affairs of our citizens which are handled through this office.

I wish to thank you for the graciousness and hospitality shown me during my campaign. Your vote will be sincerely appreciated in Saturday's Democratic Primary election.
