Plans Complete For 74th Hall Birthday Celebration

Hootenanny Slated In Connection With Annual Hall County Picnic

By VIRGINIA BROWDER Don't miss the hoot hoot, hootenanny! A grand and glorious variety musical program is planned for the evening of Sept. 19 in City Park.

Jim Lewis, fiddler; K. D. Nabors and his vocal trio; Carroll Gardenhire, vocalist; and The Hall County Singers to name a few.

Final plans were set to celebrate the county's 74th birthday Sunday, Sept. 20, at a committee meeting of the Hall County Picnic Association Wednesday at the City Hall.

All committee chairmen are busy making plans for the one-day celebration and this year's picnic points to a most successful event, Eddelman stated.

In order to make the registration less congested the day of the picnic, registration booths are being set up around the square on Saturday, Top Gilreath, chairman, announced this week.

Funeral Services For Mrs. Youree To Be Held Sat.

Funeral services for Mrs. W. T. Youree, long-time Hedley resident, will be held at 10:30 a. m. Saturday in the Hedley Baptist Church with the Rev. Robert Estes, pastor, officiating.

The former Nannie Emily Woodley, Mrs. Youree was born Nov. 18, 1878, in Anniston, Ala. She was united in marriage to William Thomas Youree in 1897 at Meridian, Texas.

Mr. Youree preceded his wife in death on Jan. 18, 1932.

Surviving are two daughters, Mrs. J. W. Lamberson of Amarillo and Mrs. R. R. Stringer of Maitairie, La.; one son, Louis of Richmond, Calif.; one sister, Mrs. Jewel Munday of Colorado Springs, Colo.; 25 grandchildren, 40 great-grandchildren and 14 great-great-grandchildren.

H. H. Allen, Rotary District Governor, Pays Annual Visit To Local Club Tues.

H. H. (Hicks) Allen, Dist. 573 Governor, paid his annual visit to the Memphis Rotary Club Monday and Tuesday of this week. He

was accompanied by his wife. Governor Allen met Monday night with the committee chairman and officers of the club. On Tuesday, he spoke to the local club concerning the many aspects of Rotary.

The Rotary District Governor in calling on the Memphis club made his 17th visit of the 45 clubs he expects to meet with in his district.

Beginning his address to the local club, the Snyder engineer expressed his thanks for the hospitality he and his wife had received while visiting in Memphis. "You have made us feel at home," he said.

He commended the Memphis citizens for having a new hospital, new municipal building, new factory. These things do not just happen, but are the fruits of hard work and planning on the part of dedicated men, he said.

Rotary is a great positive force in the world today, he said. There are 11,800 clubs in 125 countries with a total membership of over 550,000 Rotarians. He introduced the club to his slogan for Rotarians in the 573 District, "Rededicate To Rotate."

He outlined five steps in which Rotarians should take. First, he said, learn the rules, secondly, study and know the Rotary Manual of procedure, third, read the Rotarian Magazine, fourth, improve your club by supporting its activities, and fifth, enter into the Rotary spirit.

He concluded his talk by charging the local club members to attend regularly, to practice service above self, to apply the four-way test in all things, and to participate in the fellowship.

Memphis-Shamrock To Tangle Here Friday

Mrs. W. H. Lemons, Brice Resident, Buried Saturday

Mrs. W. H. Lemons of the Brice Community passed away in the Groom Memorial Hospital on Thursday, Sept. 3, at 9:45 p. m. She was 75 years of age.

Virgie Mae Lemons was born on May 15, 1889, in Sachee in Collin County, Texas. She was a member of the Brice Baptist Church and had been an active member for over 45 years.

Virgie Mae Holt was united in marriage to William Hope Lemons on May 27, 1908, in Sachee, Tex. The family moved to Hall County in 1918.

Services were held Saturday afternoon, Sept. 5, at 2:30 p. m. in the First Baptist Church in Clarendon. Rev. W. R. Lawrence, pastor; Rev. M. O. Evans of Holliday, former Hall County resident; and Rev. George Arthur of Fort Worth, former pastor of the Brice church, officiated.

Interment was in the Citizens Cemetery in Clarendon and was under the direction of the Spicer (Continued on Page 10)

Football fans of the Memphis Cyclone and the Shamrock Irishmen should be in for a real treat when these two teams meet at 8 p. m. Friday night in Cyclone Stadium.

The game promises to be one of the season's thrillers, if standings and pre-game predictions are any indication.

Looking across the board, the Irish and the Cyclone have about equal weight, equal speed, and similar type attacks. The Irish will have advantage in the depth department.

The Memphis-Shamrock game is traditionally a tough, hard fought contest with Shamrock having the upper hand in recent years. Coach Charley Chambliss said he expects the Irish to be up and ready for the contest.

Last week, the Irish defeated the McLean Tigers, 6-0, scoring in the closing minutes of the game.

It is reported they played tough defense but they were not able to get their offense going against McLean. They run and pass from a split end, slot back, off the T formation and use floaters. Their basic defense is a 4-3-4 led by middle linebacker Wendell Cantrell, their finest defensive boy. Dickie Reeves, their 182-lb. quarterback lead the offense. All of Coach David Kelley's backfield is evenly balanced and capable. Shamrock's line averages 170 lbs. per man and the backfield 160 lbs. per man.

Coach Chambliss said the Cyclone sustained no injuries in the Crowell contest which the local lads won 15-6. The Cyclone's upset over the favored Wildcats placed in the 5th spot on Class A ratings, ahead of McLean.

About the Crowell contest, Coach Chambliss said the local boys committed several first game mistakes. He felt that Donnie Briles played outstanding defense from his linebacker post. The overall team effort was better than he expected and he said, "I didn't think our defense would be as effective against Crowell as it was."

This week against Shamrock, he said, our defense will have to stay on its toes to stop Shamrock's passing and running attack, and the offense will be facing a good Class AA defense.

Local Jaycees To Help Carry Olympic Torch

Members of the Memphis Jaycees will be engaged in a unique and strenuous task next Tuesday, Sept. 15, when they meet the Olympic Torch at the Oklahoma line on U. S. 66, and carry it 15 miles to Shamrock, where another Jaycee organization will take over the chore.

Robert Sanders, chairman of the project, said that the Memphis Jaycees have three hours, from 12 o'clock noon until 3 p. m., in which to carry the torch on foot 15 miles.

The Jaycee organizations in the U. S. are carrying the Olympic Torch across the United States from New York to San Francisco. President Gene Hamill said the project is called "run-for-the-money" because each organization which carries the torch is to pay \$10 per mile to the U. S. Olympic Committee to finance the U. S. teams.

The Memphis club will ask for donations to raise their \$150, President Hamill said.

"We hope to find enough runners to make the 15 miles an easier task," Hamill said, "because if we don't, I feel there may be some of us in the Shamrock hospital Tuesday night."

Largest Vote Ever Is Seen In ASC Community Committee Election Tues.

When balloting closed Tuesday, Sept. 8, 778 persons had returned their ballots by mail in the 1965 ASC community committee election.

This is the largest vote ever cast in an ASC community committee election in Hall County, it was reported.

This was a larger percentage of eligible voters voting than normally cast ballots in general elections, the committee reported.

"We feel this is as it should be. People should vote their opinions and show their interest in their farm program," Lynn L. McKown, office manager of the ASCS office here, said.

The following is the community committee and alternates who will serve in 1965 beginning Oct. 1: Lesley—Aubrey Martin, chairman; W. Merle Lemons, vice chairman; Kent D. Byars, member; Quilla M. Clark, first alternate; and Hugh Sanders, second alternate.

Plaska—Arvin H. Orr, chairman; Herbert A. Holt, vice chairman; Cecil R. Whitten, member; A. C. Sams, first alternate; and Worth V. Howard, second alternate.

Estelline—Richard A. Eddelman, chairman; Crump W. Ferrel, vice chairman; Carl C. Hill, member; Lura E. Marcum, first alternate; and Billy Joe Rothwell, second alternate.

Lakeview—J. B. Byars, chairman; W. O. Clark, vice chairman; Clyde J. Reed, member; Shelby W. Hight, first alternate; and Russel J. Payne, second alternate.

Memphis—Ernest Lee Kilgore, chairman; Mack D. Richards, vice chairman; Milton A. Beasley, Sr., member; Odie C. Stilwell, first alternate; Rayford Hutcherson, second alternate.

Turkey—Tink Lane, chairman; Bobby L. Russell, vice chairman; James S. Guest, member; Clyde R. Johnson, first alternate; and Billie C. Fuston, second alternate.

Cotton Classing Office To Open Soon; Growers Will Contribute To Operation

Gins In Area To Act As Collecting Agents Of Fund

Final plans were made here Saturday to open the Memphis Cotton Classing Office, V. C. Durrett, president, announced early this week. No definite date was mentioned for the opening, which will be set when sufficient cotton samples begin to arrive from gins in this 12-county area.

In order to meet the financial commitments necessary for the continued operation of the Classing Office, the directors decided at the meeting Saturday to conduct a voluntary collecting program of 25 cents per bale from cotton growers of the area from the 1964 crop. It was announced. Gins in the territory will act as collecting agents, as they did in the years 1959 and 1960, the directors stated. The money collected will be used to pay for the operation of the equipment and upkeep on the building. The building, fixtures and equipment are owned by the Rolling Plains Cotton Producers, Inc., a non-profit corporation of farmers.

In a statement issued by the directors following the meeting, pertinent background facts of the organization were given. Among the facts are the following: In December, 1958, a group of approximately 200 farmers from 12 counties met in the courthouse in Memphis for the purpose of discussing the possibility of establishing a 12-county district, and erecting a Cotton Classing office to serve the district. Representatives from the following counties were present: Hall, Motley, Cottle, King, Childress, Collingsworth, Donley, Wheeler, Bristoe, Armstrong, Gray and Carson.

An organization to be called the Rolling Plains Cotton Producers, Inc., was formed and chartered as a non-profit organization, and a director from each county was elected to serve on the board.

The U. S. Department of Agriculture conducted an election among cotton producers in each county, the results of which indicated an overwhelming majority in favor of building a Classing Office in Memphis.

An arrangement was entered into between the Rolling Plains organization and the Agriculture Department whereby the organization was to construct a cotton classing office and equip it with the most modern and efficient

equipment and furnishings available. The Department was to assume complete responsibility for the operation of the office and to pay all salaries and utility costs. The organization of growers was to be responsible for the maintenance of the plant, taxes and insurance.

The Classing Office was completed in September, 1959. At the present time the facility has an assessed value of \$52,293.83.

The report stated that \$66,135.55 was collected by the organization by voluntary contributions of 25 cents per bale from individual members during the two crop years of 1959 and 1960, with the gins in the district acting as collecting agencies.

All outstanding indebtedness on the plant was paid as soon as the funds became available through the collecting program. The balance of the money left after all indebtedness was retired has been used for maintenance, repair, taxes and insurance during the past five years.

At the present time, all of the organization's funds have been exhausted for necessary expenses, and it has become necessary to launch another one-year collecting program of 25 cents per bale, to be conducted in the same manner as the collecting programs of

1959 and 1960 were conducted, in order to keep the Classing Office in operation.

"The directors would like to point out that the bulk of the money collected originally was spent for the construction of the plant," the statement said. "Under normal conditions the money from this year's program should be ample to finance the organization's present commitments for several years to come."

"We would like to thank the individual producers and all the gins in the district for their cooperation in the past, and ask for their continued cooperation and support in this year's collecting program which is absolutely essential to keeping the Classing Office in operation in this and future years."

Directors of the Rolling Plains Cotton Producers, Inc., are: V. C. Durrett, president, Hall County; Dutch Hunter, vice president, Childress County; A. J. Garland, secretary, Armstrong County; Dudley Chewning, Cottle and King Counties; J. R. Hefley, Wheeler County; Joe Degan, Motley County; D. D. Pennington, Gray County; H. S. Mahaffey, Dowley County; R. L. Mayberry, Collingsworth County; L. B. Collins, Carson County; and D. E. Brunson, Bristoe County.

Hall County Picnic: I appreciated very much the invitation to the picnic for Sept. 20. I regret very much that I cannot be able to attend the 74th Anniversary Celebration as I am going for Europe Sept. 10th and cannot return home before Oct.

I miss very much not being able to visit with my friends and family. Am sure the celebration will be huge success just as it has been in the past. (Continued on Page 10)

Estelline To Face Harrold Here Friday

Estelline Bear Cubs football team under Coach Jimmie Adams and Asst. Coach Bob Adams will open its season Friday at Harrold.

The game is scheduled to be at 8 p. m. and will be an 8-man contest.

Adams said that Harrold should have a good team in the competition should be expected. This will be the Bear Cubs' scheduled 8-man contest.

The Bear Cubs' first home game will be against Cotton County a week from Friday.

Coaches for the Bear Cubs are Barbara Diggs, Nanette, Jeannette Pepper and Holland.

No Harvest Begins, First Loads Delivered

First grain sorghum loads of the year were received here this week, local storage bins announced.

Grain and Storage announced they received their first load of sorghum, delivered to them near Spring of near Hedley. The first load measured 14.05 percent moisture and was cut in a dry land farm.

Omer Hill Elevator received their first load of sorghum from Spry Brothers, which was from an irrigated field. The moisture measure was 14.05 percent. Since then they have received several more loads, it was reported.

Travis PTA To Hold Bake Sale Sept. 19

Travis PTA announced they will hold a bake sale on Saturday, Sept. 19. The sale will be from 9 a. m. to 1 p. m. and will be at various points around the square. The PTA members have promised to have an abundant supply of home-baked cakes and cookies. The publicity chairman stated it will be an opportune time for the organization and at the same time make it easy for members by purchasing a pie to take to the annual County Reunion on Sunday.

Cotton Research and Promotion

A large number of persons do not realize that cotton farmers will spend \$2.6 million for research and promotion in 1965 and estimate nearly twice that figure will be available for building markets and profits the following year, the Cotton Producers Institute reported.

The institute budgeted \$1,792,274 for cotton promotion and \$867,000 for research during 1965, Roy Davis of Lubbock and Jack Funk of Harlingen, Texas, trustees for the Cotton Producers Institute reported.

The promotion program planned for spring and fall of next year is aimed to convince housewives and others to buy "comfortable, carefree cotton" products. Cotton sales messages will be carried into millions of homes by consumer magazines, newspaper advertising, network television and trade magazines. Learning garment manufacturers, Sears, Montgomery Ward and J. C. Penney will give cotton products a strong push at the retail level.

The institute budgeted \$867,000 for 27 research projects including research on a boll weevil feeding stimulant, verticillium wilt tolerance, setting and altering creases in garments, improving wear life of easy care fabrics, and improving cotton rugs.

The aim of the research programs are to cut unit costs of producing cotton an average of 11 cents per pound and to develop better products which will enable cotton to expand its domestic market by 5.6 million bales.

Cotton producers have long felt that their product was losing out in research and development and was being replaced in the market by synthetics.

Housewives and other family purchasers in this area would do well if they stopped and considered how important it is to wear and purchase cotton fabric items for themselves and their families to help increase domestic consumption.

Hall County's economy is still basically based on the cotton market because our major cash crop is cotton. Anything that will help to better the cotton picture will be of financial benefit to all residents of this area.

Case of the Disappearing Dime

When the man tied his tie and put on his coat, he also took the time from his dresser. On his way to work, he used the dime to buy a paper. The newsboy spent the dime for a cup of coffee at a shop where the proprietor gave the dime in change to a man who bought a pack of cigarettes.

This man left the dime as a tip when he bought his lunch and the waitress spent it for bobby pins that afternoon at the dime store.

The dime store gave it in change to a woman who bought a pair of sunglasses and she spent it for a roll of mints at the candy shop. The man in the candy shop gave the dime in change to a man who bought his wife a box of chocolates.

This story as related by the American Bankers Association, shows how in a single day, the dime served as a medium of exchange in eight transactions. But there it stopped for the man who bought the chocolates is not only a thoughtful husband, he is a dime-saver. When he got home, he dropped the dime in a cigar box in his dresser drawer where it will remain—along with 157 earlier dimes—and more to come.

The dime saver is demonstrating an American custom—coin saving. He is not a coin collector in the usual sense because he doesn't actually have a collection—just an assortment of coins that he has on hand.

But he is a contributor to a real coin shortage in this country today. Nobody claims the coin shortage is caused by dime savers, but the dresser-drawer deposit, the piggy bank balance and the sugar bowl supply an ancient and widespread custom and account for literally millions of coins now desperately needed to ease the needs of retail trade.

Both U. S. mints are now working overtime to increase coin production, and another mint is to be constructed. In the meantime, coins already minted must be kept in circulation if both retailer and consumer are not to share in a frustrating impasse at the cash register.

Every retailer knows that it is harder to get enough coins. The Kennedy half dollar, minted for general circulation-use, disappeared about as fast as put out because people somehow got the idea this coin is a collectors item.

The sales tax in the various states, including Texas, has upped the demand for pennies, and has contributed to the demand for dimes, nickels and quarters.

The government is worried about getting coins back into circulation. Most of us could help if we would empty out our hiding places around the home and put our own coins into circulation.—Ochiltree County Herald.

Even To Prayer:

Sometimes the Answer's No
"God answers all prayers," a devout Christian philosopher once declared. "Sometimes the answer is 'no.'"

We often recall that sound bit of philosophy when we hear one of our frequent plaintiffs against the government sounding off irately because his or her views about how a certain piece of legislation should have been handled were not followed to the letter.

One such critic told us not long ago that our idea that ours is a representative government is all wrong "and don't tell me to write my congressman because it doesn't do any good." According to this critic, letters to Congressmen and Senators, demanding certain actions by the government have had no effect, and this proves beyond doubt that nobody paid any attention to them.

But it doesn't prove anything of the sort. Because the answer was "no" doesn't mean that the plea was ignored.

We firmly believe that ours is a truly representative government . . . and that laws in the long run, its policies and its actions do represent the views of a majority of its citizens . . . or, perhaps more importantly, of substantial minorities in areas of special interests . . . because our nation is so large and so complex that no single simple policy decision can be broad enough to encompass them all.

And one of the greatest glories of our Constitution is that while government by majority is provided for, the rights of minorities are also provided for and protected from excesses of power.

But the legislative branch of our government is truly representative and sensitively responsive to the views of the people its members represent for the simple reason that the member who fails this responsibility is likely to find himself no longer a representative after the next election. This doesn't mean that a congressman, a senator, or a state legislator . . . or a school board member, a city councilman, or a county commissioner . . . is going to act in any particular instance as any particular voter demands; because the elected representative must always keep in mind that he represents a large number of constituents whose views may differ.

The elected representative, if he is a realist, is going to do his level best to follow the wishes of a majority of his constituents as often as he can square it with his conscience and his conviction of the public interest. His success in walking that tight rope will be measured by the number of times he wins re-election.

But the citizen who takes it as a personal affront when his own suggestions or demands are not followed is no realist at all . . . but an egotist who ignores the possibility that his view may not be the only one, or the majority one, or even, perhaps, the right one.

Sometimes the answer has to be "no."—The Canadian Record.

Woman's Culture Club Holds Initial Meeting

The Woman's Culture Club held its first meeting of the year in the home of the president, Mrs. Frank Ellis.

After a brief business session, the program chairman, Mrs. Nat Bradley, outlined the course of study, which was "Our Changing World." She thanked the other members of the program committee, which were Miss Sybil Gurley and Mrs. Guy Cox, and presented the yearbooks to the members.

The devotional was given by Mrs. Theodore Swift, whose subject was the beauty around us in keeping with the day's question, "This world is God's world, after all."

Mrs. Ellis stated that a successful club year was dependent on the interest, help, and encouragement of each member. She added that, "We live in a day when many things is life demand our attention. We much choose the priorities if we are to live aright."

Miss Alma Bruce discussed "Parliamentary Briefs" and roll call was answered with "One thing I hope my club will do this year."

Lovely refreshments were served to the following members: Mmes. Theodore Swift, Bert Glascock, Jeannette Irons, Robert Moss, Clifford Farmer, Guy Cox, Ward Gurley, Grover Moss, Nat Bradley, L. A. Stillwell, and Misses Sybil Gurley and Alma Bruce, and the hostess, Mrs. Ellis.

Mail Carriers On Rural Routes To Take Survey

Postmasters in this area reported that rural mail carriers will begin distributing 1964 Acreage Survey Cards to patrons on their route about September 12.

The Post Office Department assists U.S.D.A. in making this survey each year. These reports, directly from farmers, are the basis for official estimates for Texas acreage of all crops harvested in 1964.

To be sure the communities are well represented in the survey, the Postmasters urge each patron receiving a card to fill it out and return it to his mailbox.

MRS. THOMAS MILTON FORD, JR.

Miss Deeda Hickey Thomas Ford Wed

Nuptial vows were solemnized at 2:30 p. m. Sunday, August 30, in the First Christian Church for Miss Deeda Hickey, daughter of Mr. and Mrs. Gerald Hickey, and Thomas Milton Ford, Jr., son of Mr. and Mrs. Thomas Milton Ford, Sr., of Perryton.

Tom Posey, minister, read the double ring ceremony before an improvised arch of greenery flanked by floor baskets of yellow and white mums and branched candelabra holding white tapers. A white kneeling bench was placed in front of the arch and the bridal aisle was marked with nosegays of yellow and white mums tied with white satin bows.

Nuptial music was provided by Mrs. Gerald Knight, organist, and Miss Linda Jean Troutman of Dumas, vocalist, who sang "One Heart, One Hand" and "The Wedding Prayer." Mrs. Knight played the traditional wedding marches for the processional and recessional.

Attendants Miss Leslie Helm served as maid of honor and bridesmaids were Misses Noleen Embry, Dayna Hickey, sister of the bride, and Susan Osborne.

The attendants wore identical gowns of yellow silk organza fashioned with fitted bodice, cap sleeves and round neckline. The bell-shaped skirts were accented with scattered rosebuds of self-material, and they wore matching silk organza bows in their hair. Miss Helm carried a nosegay of yellow Sweetheart roses while the other attendants carried a single long-stemmed yellow rose.

Candles were lit by Becky Ford and Janet Hickey, who were attired in frocks identical to the other female attendants.

Little Miss Shelly Hickey of Amarillo served as flower girl and Danny Baines was ring bearer.

Tim Wright of Perryton served as best man and groomsmen were Bill Smith, Bill Neslege and Steve

Methodist Class Meets For Covered Dish Luncheon

The Daughters of the Wesley Sunday School Class met in the annex of the church Thursday, Sept. 3, for a covered dish luncheon program.

After a meal at noon, the president, Mrs. L. G. Cox, held a short business session. The meditation, which came from Romans 8:28 and the prayer, was given by Ira Hammonds.

"Parables of the Buried Treasure" and "Pearl of Great Price" was given by Mrs. L. G. Cox and was taken from Matthew 13:44-46.

The meeting was concluded by everyone repeating the "Lord's Prayer".

Members present were the following: Mmes. L. G. Cox, B. J. Thompson, Neville Wrenn, Ira Hammond, A. Gidden, W. V. Cousey, Robert Cummings, Mary Lou Erwin, D. A. Neeley, Nettie Beach, Art Miller, Elbert Gerlach, Sarah Hill, T. J. Hampton, Myrtis Phelan, Louise Foffinet, and Bess Crump.

Given in marriage by her father, the bride wore a formal wedding gown of traditional bridal silk bombazine. The gown was styled with a scalloped Sabrina neckline and the fitted bodice and long tapering sleeves were enhanced with re-embroidered Alencon lace and bridal pearls. The bouffant skirt was fashioned with a detachable chapel train applied with Alencon lace, bridal pearls and iridescent sequins.

Her tiered veil of silk illusion fell from a lace pillbox studded in seed pearls and she carried a white Bible crested with a white orchid surrounded by yellow rose buds.

Mrs. Hickey chose for her daughter's wedding a rose lace dress with matching jacket and hat and the bridegroom's mother, Mrs. Ford, wore a two-piece suit of coral lace with matching accessories. Both wore corsages of Cymbidium orchids.

Reception Immediately following the ceremony, Mr. and Mrs. Hickey were hosts at a reception in the Fellowship Hall. The bride's table was laid with a white net cloth over satin and centered with a silver epergne of yellow rosebuds. Other table appointments were also in silver.

After the bride and groom cut the first slice of the four-tiered, decorated wedding cake, Mrs. Bill Whitten served the cake and Mrs. Bill Hickey labeled the punch from the silver service.

Miss Janice Atkinson of Abernathy registered the guests.

Following a honeymoon trip to Las Vegas and California, the newlyweds will be at home in Canyon where the groom will be a senior student at West Texas State University.

The bride is a graduate of Memphis High School and a Sophomore at West Texas State University. She served as secretary of Chi Omega National Sorority and Panhellenic Council.

The groom is a member of Phi Kappa Delta, soon to become Phi Delta Theta fraternity, and will serve as vice president for the coming year.

Ruth SS Class Meets or Study In Johnson Home

The Ruth Sunday School Class of the Travis Baptist Church met Wednesday, Sept. 3, at 9 a. m. in the home of Mrs. Charlie Johnson.

A business meeting was held and plans for the coming year were discussed. The treasurer's report was heard. Plans were made for a social to be held at the park for the families and to entertain the Young Married People's Class and their families.

The pastor's wife, Mrs. Peggy Gaston, brought a very interesting devotional.

Coffee, Cokes and doughnuts were enjoyed by the eight members that were present.

Capt. George Kasehmitter of Little Rock, Ark., visited here over the Labor Day weekend with Mr. and Mrs. J. C. Rogers and Mrs. Mildred Monzingo and Tony

Pretty Church Ceremony Unites In Marriage Estelline Couple

Miss Donna Sue Eddins, daughter of Mr. and Mrs. Joe Eddins of Estelline, became the bride of Grady Noel Long, son of Mr. and Mrs. Grady Long of Parnell, in an impressive ceremony performed at 7 p. m. Friday, Sept. 4, in the First Methodist Church in Estelline.

Rev. E. G. Norman of Childress, minister of the Primitive Baptist Church, read the double ring ceremony before a nuptial space decorated with greenery and white mum entwined candelabras.

Music was provided by Mrs. Joe Kent Eddins, vocalist, who sang "I Love You Truly", "Because" and "The Wedding Prayer", accompanied by Mrs. Wm. Collier. Mrs. Collier also played the traditional wedding marches for the processional and recessional.

Given in marriage by her father, the bride wore a gown of eggshell peau de soie designed with fitted bodice, scooped neckline and long tapering sleeves that came to a point over the hands. The bell-shaped skirt, styled with side pleated fullness, fell into a chapel train.

She wore a heirloom veil of imported lace which was given to the bride's sister by Down Curtis of Brussels, a friend of the family.

The bride carried out the traditional custom of wearing "something old, something new, something borrowed and something blue."

Attendants Matron of honor was Mrs. Karen Coburn of Hereford, sister of the bride and bridesmaids were Mimi Collier of Chicago, Ill., Sandra Kay Rogers of Estelline, Janie Buchanan of Hamlin.

Flower girls were Susan Eddins

Travis PTA Meets For First Session Tuesday

The Travis PTA held its first meeting for this year on Tuesday, Sept. 8, in the Travis Cafeteria.

Mrs. Bob Douthit gave the invocation. Mrs. Carl Yancey, vice-president, gave the welcome address in the absence of Mrs. Eddie Foxhall, president. Mrs. Don Carmen presented the 1964-65 budget. Mrs. J. O. Dixon gave the program theme for the year. With the necessary business taken care of, everyone was highly entertained with the talented performance of Miss Lynn Foxhall and Ronald Pate. They were accompanied by Miss Betty Stewart.

Mrs. Yancey then introduced the guest speaker, Mr. Shannon Doss, superintendent of the Memphis Public Schools. Mr. Doss' topic was "Improving Our Partnership." Mr. Doss stated that both the teacher and parent have the same purpose in mind and that is to give the best education possible to one's child. Mr. Doss also stressed strong communication between the teacher and parent thus enabling both to achieve their ultimate goal.

McDaniel Home Is Scene For Pathfinders' Meet

Texas Technological College, Mrs. Long, a graduate of the Estelline High School, is a sophomore at Tech while Mr. Long is classified as a senior. He, too, is a graduate of Estelline High School.

The Pathfinders' Council opened the 1964-65 club season Tuesday afternoon, Sept. 1, at the home of Mrs. J. J. McDaniel. Mrs. McDaniel presided during a short business meeting in which she welcomed Mrs. Jimmy Gattis, a new member, into the club.

In the absence of the program chairman, Mrs. McDaniel also presented "Signing In", a preview of the year's programs. In keeping with the Pathfinders' theme, "The Signs of the Times", there were signs showing the themes of the General, State, and District Federations of Women's Clubs as well as a sign or picture for each program of the Pathfinders' year.

For September 15, the picture of a potter's wheel symbolized the craft of ceramics which will be demonstrated by Mrs. Keith Cunningham. In October, the Pathfinders are to be guests of the Atalantean Club, and later in the month will study the Federation plan of educational reading. The sign for this program is the "E. S. C." shield.

Two programs on Americanism will be presented in November. "Election—Sign of a Free Citizenry" will be the first. The second program, symbolized by an oil derrick, will trace beginnings of the great American industry.

An appropriate yuletide scene depicted the December Christmas program. Those signs for January include the sign of the General Federation of Women's Clubs, the required federation program; and Caduceus, the sign of the medical profession.

On February 2, the Pathfinders' members will entertain their husbands. The accent for this program will be astrology and signs of the Zodiac. Hands clasped in greeting depict successful relations with other people, which will be the theme of a talk presented by Mr. Lester Campbell on February 16. Mr. Campbell has taught the Dale Carnegie Course in public speaking and human relations for several years.

The required Texas program, March 2, will inform of past and present happenings in our own Panhandle area. The "Test of Our Times" will present authoritative and timely views on the civil rights bill; this program is scheduled for March 16.

Program for the later spring include "Sounds of Music," an organ recital by Mildred Gidden; "Highway Signs," depicting a tour in early May; opinion and conclusions on that ever important "Dollar Sign"; and the installation of officers in finale.

After the program preview, refreshments from a lovely tea table were served to Mmes. S. M. Duren, J. R. Mitchell, O. M. Gunstream, A. G. Gidden, C. V. Murrif, Jimmy Gattis, and the hostess, Mrs. McDaniel.

Mary Martha Class Meets In Home Of Mrs. R. E. Clark

The Mary Martha Sunday School Class of the First Baptist Church was entertained in the home of Mrs. R. E. Clark on Thursday, Sept. 3. Mrs. Clark's home was very beautifully decorated in seasonal flowers.

Rogers Discusses Provisions For Grain Program

WASHINGTON, D. C., Sept. 8.—Congressman Walter Rogers of Texas said today the Agriculture Department is announcing that minimum and maximum diversion provisions for the 1965 feed grain program will be unchanged from the program in effect for the 1964 crop.

The announcement was designed to help winter wheat producers make better 1965 crop plans, Congressman Rogers said.

The diversion provision in the program permits wheat to be grown on feed grain base acreage or feed grains to be grown on wheat allotment acreage. The minimum diversion permitted is 20 percent of the feed grain base. The maximum diversion is up to 50 percent of the feed grain base or 25 acres, whichever is larger.

JUST A THANK YOU

To the Hall County Hospital and the entire staff, may I take this opportunity to express my appreciation for all that was done for me while I was in your hospital. To the nurses—they were so kind and patient. The food was delicious. And I am indeed thankful for every visit, card and flower. Also I want to thank Dr. Odom for his untiring service.

May God bless each of you.

Myrtle Crabb.

Mrs. Moreman is replacing Mrs. Katherine Jones, who has resigned effective September 15. Mrs. Jones, who has been with the company for the past three years, will assist her husband, Hubert Jones, in the operation of their grocery store here.

Annual County 4-H Sears, Merchants Swine Show Set For Saturday, Sept. 12

The annual Hall County 4-H Sears and Merchants Swine Show will be held Saturday, Sept. 12, at the Show Barn near the City Park in Memphis, W. B. Hooser, County Agent, announced.

"In past years, we have brought our gilts to the show on Friday and showed them on Saturday, thus causing some of the 4-H club members to have to spend the night away from home or make two trips," Hooser said.

"This year, however, the gilts may be brought to the show early Saturday morning, Sept. 12," he said. The gilts must be washed and in the show pens by 9 a. m. for judging will start at 10:30 a. m. Saturday.

LOCALS

Mr. and Mrs. Felix Cochran of Oklahoma City and their daughter and family, Mr. and Mrs. Douglas Kesner and Denise and Michelle of Dallas visited over the Labor Day weekend with Miss Maud Milam, the Clyde Milams and the J. F. Neels. Mrs. Cochran is a sister of Miss Milanda and Clyde.

Mr. and Mrs. W. A. Wiley enjoyed having several of their children home during the past week. Visiting here were Mr. and Mrs. Cecil Wiley of Concord, Calif., Mr. and Mrs. Neal Smith of Merton, Mr. and Mrs. Troy Wiley and sons, Carl Wayne and Robby of Amarillo and Rev. and Mrs. Gaylon Wiley and children, David Leicia and Kay of Salina, Kans.

Mr. and Mrs. Eldon Thompson of Gettysburg, Pa., visited here the first of last week with Mrs. Glynn Thompson. Mr. Thompson is a brother of Glynn and is supervisor of Gettysburg Park. Glynn, who recently underwent surgery in Oklahoma City, is doing nicely but will likely remain in the hospital there for treatments for several more days, Mrs. Thompson stated.

Mrs. Alvia Gerlach returned home Wednesday after spending three weeks visiting in Caddo, Okla., with her son, Jim Gerlach and family and daughter, Mrs. Lynn Ruyle and family. Mrs. Ruyle accompanied her home for a visit here.

up much better than the softer kinds. One old timer is hoping someone will bring some fried peas... so do I. Potato, pea and cabbage salads are more desirable for outdoors than fruit or congealed salads," Mrs. Wright concluded.

The men's service clubs of the county, Lions clubs from Lakeview, Memphis, Estelline, and Turkey and the Memphis Rotary Club have been asked to be in charge of serving the food. Bill Leslie is chairman of the committee.

Serving on the barbeque committee again this year is Kenneth Dale and Ed Hutcherson, who will be assisted by members of the Fire Department.

The Lakeview Rebekah Lodge will serve the tea and coffee under the direction of Mrs. O. L. Favors, chairman.

Carl Hill is chairman of the coffee committee and Thomas Clayton is chairman of the iced tea committee.

In charge of clean-up is Homer Tribble and the Boy Scouts. Hiram Crawford is chairman of the platform committee.

Window Display

As is customary, the club women of Memphis are busy gathering "early-day" relics and artifacts for window displays around the square during the Hall County Reunion and picnic. In the past, these window attractions have served as "conversation pieces" as folks gathered downtown to visit and reminisce of other days and times.

The Atalantean Club will have an old-fashioned kitchen display at the Lone Star Gas Company; the B.&P.W. Club will decorate Neva's window; The 1913 Study Club will have a display in The Fair Store window; The Delphian Club will fill one of Baldwin's windows with old-time pieces; The Woman's Culture Club will make the West Texas Utilities window interesting for viewers; and The Pathfinders' Club will have a display at Lone Star Gas.

There will be an exhibit of early-day toys in Baldwin's south window and Branigan's Jewelry will display old and antique jewelry. The Sorosis Study Club of Turkey will have a western exhibit of branding irons, spurs, and saddles together with some of the fine paintings and drawings of Mr. Otho Stubbs of Turkey in Greene Dry Goods window.

Kay House of Turkey has the County Sears booth which will show in the Hall County Show and in the Amarillo Show.

The Grand Champion Sears gift of the county show and the County Sears booth will show at the Tri-State Fair, Saturday, Sept. 19, at 10 a. m. in the Swine Arena, Hooser said.

Proper grazing or use of Bermudagrass pastures is an important fact in pasture production. Grazing management on bermudagrass pastures can vary the amount of production. The better the grazing management is the higher the production. The amount of leaf removal determines the amount of food produced. A grass plant has to have leaves to produce food for growth. If a plant does not have adequate leaf surface to produce the food required for maximum growth and food storage the production in terms of pounds produced will be greatly diminished compared to what can be produced. Bermudagrass should be allowed to grow to an 8 inch stubble height in the spring before grazing begins. This height gives the plant a chance to store up a little plant food and to get a good start before grazing begins. Grazing grass to maintain about a 5 inch stubble height during the growing season will leave enough leaf surface to maintain the maximum production of the grass. This height on the grass should not be grazed past a 1 inch stubble height or approximately 2,000 pounds of dead grass per acre. Proper use or grazing of Bermudagrass is an important factor in production of Bermudagrass pastures. If you have any questions about proper grazing on Bermudagrass pastures, your local Soil Conservation Service technicians will be glad to help you.

Cyclone Drops Crowell 15-6 In Season Opener Friday Night

Memphis Cyclone set a new record Friday night much to the delight of local fans, they won the season opener defeating the Wildcats 15 to 6.

Crowell lads have been able to win their encounters with Memphis in the past several years. The selected pre-game favorite won Friday night's contest.

Coach Charley Chambless was the good defensive effort of the best he has seen in boys put up, and an offense that worked during key moments.

On a third down and seven situation, QB Sturdevant passed to End Jim Odom for a 20-yard gain to the Crowell 40. Then, in the next series, on a second and 13 (penalties nullified good ground gains during this drive) Sturdevant threw deep to End Odom for 32 yards and the Cyclone was on the Crowell 6.

On the next play, HB Stargel scampered around left end and went into the end zone standing up for the score. HB Crooks carried off tackle for the points after and Memphis led 15-6.

The only excitement in the closing seconds of the first half was created when Sturdevant intercepted a Crowell pass, and ran it back for 25 yards.

The third period was taken up when Crowell marched down the field to the Cyclone three yard line, but the Cyclone's goal line defense stopped them short of the need first by six inches.

Memphis took over the ball and on good carries by FB Mike Crow, HB Stargel, QB Sturdevant, HB Crooks, moved the ball to the Crowell 25, before a 15-yard penalty set them back. On a 4th and 15 situation, Sturdevant gained the necessary yardage for a first but the officials ruled he stepped out of bounds after a 10 yard gain, so the ball went over to Crowell.

Crowell drove for two first, punted, Memphis drove for two, and then End Odom punted a 70-yard kick to the Crowell 5, the longest punt of the night for either team.

Crowell fumbled the ball on the next play when Memphis linebacker, who played outstanding defense all night, knocked the ball loose, and Sturdevant recovered on the four yard line.

It looked like a sure score when on the next play HB Stargel carried to the two. But Crowell's defense came alive and set Memphis back on three consecutive plays for a total of 16 minus yards.

The game ended with the Wildcats in possession on the Memphis 46.

"We were pleased with several of our boys," Coach Chambless said, "especially with Donnie Bridges on defense."

"We made several first game mistakes the game film revealed and we will be working on them this week," the coach said. "Our timing is off on several of our offensive plays and our backs were missing blocking assignments. Our line play was good in spots but our down field blocking wasn't what we are capable," the coach said.

and through several would-be Cyclone tacklers, for a Crowell TD covering 60 yards. This probably was the best individual effort of the night by a ball carrier.

Bird carried on the points after play but was stopped at the line of scrimmage and Memphis led 7-6 mid-way in the second period of play.

The Crowell score fired up the Cyclone lads and they came back to score again. Taking the ball on the kickoff, QB Sturdevant returned it to the 34.

Mr. and Mrs. Waller Diggs and Mike were in Midland over the weekend to attend a family reunion of Mrs. Diggs' family. Among those attending were Mrs. Diggs' father, D. L. Hickey of Hedley, and her four brothers, numerous grandchildren and other relatives. The reunion was held in the home of a brother, Paul Hickey.

Mr. and Mrs. L. F. Jones and Bob and Vickie joined two of Mrs. Jones' brothers and their families at Lake Isabelle Lodge in Colorado for the Labor Day weekend. Meeting the Jones were Mr. and Mrs. Louis Kilgore and Mile of Los Alamos, N. M., and Mr. and Mrs. T. J. Kilgore and family of Pueblo, Colo.

Mrs. Bill Smith attended the Moser family reunion in Decatur over the weekend.

ADDS EXTRA POINTS—HB Toby Crooks, center of picture, is shown carrying through a good hole in Crowell line for two extra points to salt the game away for Memphis 15 to 6. Memphis backs pictured are No. 22 QB Jimmy Sturdevant and No. 71 Durwood Wilkinson and No. 80 Jerry Beasley. The picture, taken from the end zone, does not show the goal line however it is located about the position of Wilkinson's feet. No. 80, Ronny Clifton make the tackle for Crowell. Also shown is No. 17, Dan Mike Bird for Crowell and No. 18 Rickey Traweck.

Lawlessness
Mankind lives in constant physical danger from many sources. This is a fact of life that must be faced. These dangers, however, through the advance of civilization have been minimized by the development of laws and rules of conduct under which mankind can live, one with another, and enjoy rights, privileges, powers, and immunities intended for the individual by our Creator. One is thus spared the fears, the trials, and the tribulations that constantly beset the wild animal. This is one of the major differences between the civilized and the uncivilized.

However, it must be remembered that man is an animal and has not always been civilized. Many places in our world today have inhabitants who are uncivilized and resemble in many respects the wild beasts of the forest and the field. Especially is this true with relation to their reactions to emotional disturbances.

Even the most civilized man in many instances is faced with challenges and cases that sorely test his mettle and cause him to border on reverting to the uncivilized. We have had many evidences of this in recent months and the law-abiding people of this country are justly and duly alarmed. It has been suggested that these disturbances, the mob violence, and these riots have been triggered by deliberate acts on the part of hate peddlers, agitators, and others who have little regard for their fellow man and some for the best interests of our nation. It has also been suggested that these disturbances, these riots, and this

most in the minds of those who are really sincere in their desire to solve this tragic problem. The law enforcement agencies of the various areas in which these activities have occurred are entitled to the highest plaudits and acclaim of every citizen of the United States.

If the ranks of these local and State law enforcement agencies are not sufficient in number to cope with the problem, then these ranks should be enlarged and these officers should be equipped with proper weapons to meet this challenge. If Federal help is needed in providing assistance to the local communities and the states, it should be promptly furnished. If these criminal activities reach the point either in fury generated in a single disturbance or in constantly recurring instances, that Federal intervention is indispensable, then it would in my opinion, be justified for the Federal gov-

ernment to take whatever action is necessary to see that order is maintained, that whatever may be generated bitter and acrimonious, especially from the ignorant and also from those who know little or nothing of the situation but are willing their unsolicited advice.

But if the United States is to preserve its status as the highest civilization and has the greatest contribution to making the laws and the conduct by which man can live in peace, then the same must be stopped.

Mr. and Mrs. Ben Parks visited here over the weekend with his parents, Mr. and Mrs. L. W. Parks.

Service Awards Are Given To ASCS Personnel

The Agriculture Stabilization and Conservation Service presented the program at the noon luncheon meeting of the Memphis Lions Club Wednesday, and four awards were made.

Lynn Davis, county chairman of the ASC Committee, presented service award certificates and pins to four employees of the ASCS county office.

Lynn McKown, office manager, was presented the 25-year service award. Mrs. Ruby Roden, Mrs. Rebecca L. Carson, and Miss Patsy Jarrell, each received 10-year service awards.

Before the awards were presented, Office Manager McKown and Ward Taylor, of Seymour, District IV farmer fieldman, gave information concerning farming.

McKown presented several percentage figures concerning agriculture. He said eight per cent of the population are engaged in farming. One-half of all small businesses in the U. S. are farms. The farmer receives 23 cents of each \$1.00 spent for food in the nation. Citizens spend 18.8 per cent of their income on food now, while in 1953 the figure was 22.4 per cent. Russians spend 50 per cent of their income on food, McKown said.

Although only 8 per cent are farmers in the U. S., another 30 per cent of all the workers are in agricultural industries. This makes almost 40 per cent of all jobs in the nation are dependent upon agriculture, he added.

In speaking of the farmers market, he said the farmer is receiving 15 per cent less for his products now, selling on the wholesale market, and paying 15 per cent more buying on the retail market.

The trouble lies in increased production during the past 10 years. McKown said that the production of wheat has increased 52 per cent, corn 70 per cent, and cotton 95 per cent during the past 10 years.

Mr. Taylor, after expressing his appreciation to get to talk to the club, told them that "we must learn to live with abundance. Our citizens are well fed, well clothed, and it's due to our abundance," he said.

Mr. and Mrs. Ira McQueen have returned home after enjoying a vacation to the Northwest.

Funeral Home.

Survivors include her husband, Wm. Hope Lemons of the home; three daughters, Miss Velma Lemons of the home, Mrs. Thelma Holcomb of Wheeler, Mrs. Virginia Slaughter of Amarillo; two sons, Merle Lemons of Brice, and Jim Lemons of Denver, Colo.; one sister, Mrs. Ruth Moore of Tyler; two brothers, Milton Holt and Foy Holt, both of Tyler; thirteen grandchildren; and seven great-grandchildren.

Pall bearers were S. W. Selmon, Joe Wood, Laylon Gillispie, Aubry Martin, Elmer Vines, and John Holcomb.

Jaycees Host 500 At Rest Stop Monday

Te Memphis Jaycees in cooperating with a nation-wide project, erected and operated a rest stop for highway travelers on the parking lot of Cyclone Stadium.

President Gene Hamill and chairman of the project K. D. Naders reported that 500 persons were served at the rest stop and they represented twelve states besides Texas. The stop was open from 10 a. m. to 8 p. m.

Coffee, kool aid, and cup cakes were served.

The Jaycees stated they wanted to publicly thank Spicer Funeral Home for the loan of the tent, the VFW for the chairs and tables, the Fire Department for the coffee urn, Carol Gardenhire and Roy Currin of Western Motel for the ice, Jerry Hassell of Morton's for the coffee and hot cups, Jerry Carpenter of Mrs. Baird's for donating the cup cakes, and all others for their assistance.

Although only 8 per cent are farmers in the U. S., another 30 per cent of all the workers are in agricultural industries. This makes almost 40 per cent of all jobs in the nation are dependent upon agriculture, he added.

In speaking of the farmers market, he said the farmer is receiving 15 per cent less for his products now, selling on the wholesale market, and paying 15 per cent more buying on the retail market.

The trouble lies in increased production during the past 10 years. McKown said that the production of wheat has increased 52 per cent, corn 70 per cent, and cotton 95 per cent during the past 10 years.

Mr. Taylor, after expressing his appreciation to get to talk to the club, told them that "we must learn to live with abundance. Our citizens are well fed, well clothed, and it's due to our abundance," he said.

Golfers Due Here For Invitational Meet

The Memphis Invitational golf tournament will get underway tomorrow with qualifying rounds to determine the medalist for the tournament, it was announced.

Entry deadline is 6 p. m. Friday and the entry fee is \$12.50. Golfers in all flights will be competing for top prizes of new irons, woods and golf equipment, the tournament committee announced.

To compete for medalist, qualifying rounds must be shot at the local course, however, other golfers can have scores entered by representative or club pro.

Championship flight defender, Don Kaplan, will not enter the tournament as he turned pro since last year.

A barbecue supper will be served Saturday night to those entering the tournament, it was announced.

The 16-man championship flight will play 54-hole stroke competition while the lower flights will play 18-hole stroke matches and then a barbecue supper will be served Saturday night to those entering the tournament, it was announced.

Jimmy Baldwin and his friend, John Heller, both of Dallas, spent the weekend with Mr. and Mrs. Byron Baldwin.

Dear Mr. & Mrs. Wells:
How are you folks in Texas? I think of you quite often and hope this finds you both in good health. I'm getting quite fat—you probably wouldn't know me as little "Suzie Jane" any more.

We are all fine here. I've been having quite a siege of hay fever but other than that I'll survive. Johnny has been on his vacation for almost two weeks now (from

the mail route) but he has worked every day out at the farm, working on a recent section he purchased from his uncle's estate that joins our other farm land. School started the 25th of August so the boys have been back at school almost 2 weeks now. Jeff is a freshman in High School this year and is out for football—he is growing up so fast. Danny is in the 6th grade. Both boys play a trombone in the band.

Our little town of 500 has been buzzing with excitement over Humphrey being nominated for Vice President with Johnson. Thought you might enjoy seeing our little hometown paper and

read about our hometown. I received 12 years of his education at Dolan, and was called "Pops" and school. Dolan and I graduated from Dakota is mainly a Republican state, but everybody predicts their favorite son, with a President and a Dolan Vice President you must know how I childhood neighbors will remain among my fondest memories.

With best regards,
Susie Albrecht
(Daughter of Mr. & Mrs. Huckaby of Memphis)
