## Only Two Days Left In Cotton Guessing Contest

Two more days are left to guess in the 1964 Cotton Guessing Contest which is sponsored by this newspaper. The contest closes Saturday, Oct. 24, at approximately 200 o'clock. The contest is open to all who have made estimates on the amount of cotton to be produced in Hall County during the season. The contest is a place winner in the contest to receive a three-year subscription to The Democrat; second place, a two-year subscription; and third place, a one-year subscription. Official figures are ready in the U. S. Department of Agriculture, usually the latter part of the month. Any who do not have to live in Hall County to enter the contest. Any

## C. Allen Died Suddenly Zapata, Tex.

C. Allen, who suffered a heart attack at Zapata, Texas, is reported to be better. His son, Mackie, gave this information to Crawford in a telephone call Wednesday. Allen and Mackie went to Zapata upon learning of his illness. Crawford said a heart attack had been called in from Zapata and that Mr. Allen had been taken to the family home. Information here says Mr. Allen will have a heart operation at the Zapata Hospital.

## Funeral Rites Set For Moore Oct. 13

Funeral rites for Bobby Joe Moore of Amarillo and son of Mr. and Mrs. J. Moore of Amarillo and Memphis, were held at 10:30 a. m. Tuesday at the Lakeview Church, officiating. The service was in Fairview Cemetery under the direction of Spicer Funeral Home. The casket was in care of J. W. Bland of Hedley.

## Over 200 Attend Bankers Meeting

Approximately 200 bankers from the Greenbelt area met in Memphis Tuesday for the fall convention of the Greenbelt Bankers Association. The meeting was held at the Community Center. The evening meal of smoking, ham, pumpkin pie, and coffee was served by the association. Registration began at 7:30 p. m. at the Community Center. The speaker encouraged each bank to strive to be the best, he said, self-actualizing. He discussed a detailed list of banking services. Most of all, he said, it is necessary to set goals. Following Mr. Brenner's address, the new officers of the association were introduced. They include: president, Buddy Cordell of the First State Bank in Childress; vice president, T. L. Grambling of the First National Bank in Altus, Okla.; secretary, Iley Compton of the First State Bank in Vernon; and treasurer, Temple Deaver, Jr., of the First National Bank in Memphis. The two Memphis banks served as hosts for the convention.

## Funeral Services Held In Hedley For Mr. Mendenhall

Funeral services for William C. Mendenhall, 41, were held at 4:30 p. m. Monday, Oct. 19, in the First Methodist Church in Hedley with the Rev. Wilton Lynn, pastor, and Rev. S. A. Wolfe of Goodlett, officiating.

Burial was in Rowe Cemetery in Hedley with services under the direction of Spicer Funeral Home.

Mr. Mendenhall, who was employed by the Finch Ranch west of Hedley, died Saturday in the Veterans Hospital in Amarillo.

He was married to Miss Mattie Lou Mobley on March 30, 1946, in Hedley.

He was a member of the Methodist Church, the American Legion and a veteran of World War II.

Survivors include his wife, a daughter, Mrs. Clara Jane Pugh of Amarillo; his parents, Mr. and Mrs. William H. Mendenhall of Hedley; two brothers, James D. of Amarillo and Warren H. of Hedley; and two sisters, Mrs. Alvin Barker of Lamar, Colo., and Mrs. Rhuben Johnson of Hedley.

Pall bearers were Dale Hall, Ed McCracken, Walter Johnson, Junior Hill, Kenneth Brinson and J. E. Kidd.

## Parnell Club To Sponsor Halloween Supper

The Parnell Club is sponsoring a Halloween supper on Saturday evening, Oct. 24, at the Parnell Club House.

The social is open to the public and everyone is cordially invited to come and enjoy the evening. Chili with all the trimmings will be served for 35 cents. Also for sale will be sandwiches, pie, coffee and Cokes.

## Troop 35 Has Court Of Honor

Boy Scouts of Troop 35 were honored at a Court of Honor Monday night at the Scout Hall. Eleven Scouts received rank promotions during the ceremonies, witnessed by a large crowd of spectators.

Scoutmaster Les Sims presented Life Scout badges to Raymond Jones and Bob Tribble, climaxing the rank promotion ceremonies.

Ronnie Bradshaw received the Star Scout badge in a ceremony conducted by Homer Tribble.

Bill Hall presented six boys with second class Scout badges. Receiving the promotions were Otis Ray Jones, Russell Smith, Randy Dale, Gary Sims, Billy Ed Dixon and Byron Tuck.

Tenderfoot badges were presented to Merl Simmons, James E. Vick, Joe Dyer and John Carman, by Assistant Scoutmaster Bob Douthitt.

## Cyclone To Travel To Tigerland Friday

The Memphis Cyclone will board their bus and travel to Tigerland Friday night when the local lads will seek their second District 2-A victory. Game time will be 7:30 p. m.

"Physically, with the exception of Durwood Wilkinson and Timothy Sparks, the Memphis boys will be as close to top shape as they have been in a month," Coach Charley Chambless said.

About McLean, Coach Chambless said this may be "our hardest game of the season. I feel McLean is probably the most underrated team in the Panhandle. Before the season began, the area sports writers were picking McLean to win this district."

The McLean Tigers' strength lies in two big, experienced backs. No. 61, Eddie Windom, a halfback, is considered super team material, a select group of boys from all classifications as the best in their position in Texas Schoolboy football.

Also, McLean's fullback, Dickie Crockett, is considered All-State material in some reports.

Windom plays center linebacker for McLean on defense, and Friday night, fans may see the battle of center linebackers, because Memphis' Donnie Bridges won this position on the All-District team last year and is competing for the same position this season.

## Students to "Trick or Treat" For UNICEF Sat.

The 1913 Study Club will sponsor the "Trick or Treat" for UNICEF Fund on Saturday afternoon and night, Oct. 31, through the Junior High School students under the direction of Coach Chambless, it was announced this week.

Millions of children and mothers in over 100 countries currently benefit from this fund where every dollar spent by UNICEF must be matched by \$250 from the country receiving aid.

Last year approximately three million American boys and girls in 11,000 communities devoted their Halloween fun to saving the lives of needy children throughout the world by participating in the UNICEF program.

Because the need is more urgent than ever before with three out of four of the world's children not properly housed, clothed or fed, we ask you to help them have a life free of dire poverty, ignorance, malnutrition and disease, members of the sponsoring organization stated.

## Girl Scout Fund Drive To Be Held Here Saturday

Plans are being completed to launch the Finance campaign for the Quivera Girl Scout Council. Mrs. Bill Thompson, Drive Chairman, has distributed the material and has asked for the drive be "From Dawn to Dusk" to be made Saturday, Oct. 24. The council serves 122 girls scouts registered in Memphis, of which there are 29 Brownies, 55 Juniors, 28 Cadets and 10 Seniors.

Through the annual drives, Memphis citizens are able to contribute to one of the finest organizations of the United States as well as to the community of Memphis, the chairman stated. The Girl Scout movement trains girls to become better citizens, homemakers and future citizens. Contributions made to any Scouting organization is one of the best insurance programs we as adults can make. While volunteer leaders are training scouts in the better things of life, it leaves little time for the children to idle time and become involved in mischief. Keeping these organizations active is an important part of every adult obligation to their children, she stated.

By these contributions which are forwarded to the Council in Pampa, our local troops benefit in leadership courses, camping (Continued on Page 10)

## Marvin Long Still Listed As Critical

Marvin Long, Memphis farmer who was injured in a one-car accident Thursday night on FM 2361 five miles west of Memphis, remains on the critical list at Northwest Hospital today.

Mr. Long suffered a broken neck and dislocations. He has not regained consciousness since the accident, according to information received here.

Long, the only passenger in his 1962 Ford, was found shortly before 11 p. m. Thursday, and was rushed to Hall County Hospital. He was then transferred to Northwest Texas Hospital.

Investigating Officer Highway Patrolman Presley Thomson stated that Long's car had overturned one and a half times. The car was heavily damaged.

## Estelline To Host Patton Springs Fri.

The Estelline Bear Cubs are in for a tough district game, scheduled for 7:30 p. m. Friday at Estelline, Coach Jimmie Don Adams said this week.

The Bear Cubs will play host to the Patton Springs 8-man team.

Patton Springs has a good ball club with several big boys.

Coach Adams said that the Bear Cubs will be playing without the services of Quarterback Jodie Rapp, who was injured this week in practice.

"Our boys will have to be mentally ready for this one or we will get beat before we get started," Coach Adams said.

Patton Springs lost last week to Guthrie, 16-6. Guthrie is ranked the toughest team in the district, Adams explained.

Preceding the football game at 7:30 p. m., the crowning of the sweetheart will take place.

Candidates from each class have been named and the Sweetheart will be chosen from the four class nominees.

Candidates for the honor include: Nancy Rea, senior representative, who is head cheer leader.

## Oklahoma Man Speaks To Lakeview Group

Morris H. Heath of Spencer Chemical Division of Hollis, Oklahoma, addressed 31 Lakeview Young Farmers last Thursday evening.

He spoke on cotton defoliation to the Lakeview group, assembled at the Grade School Auditorium.

Following the talk, those present were served refreshments.

The four county banks reported \$10,271,713.13 as the county's total deposits figure. This is \$58,647.56 below last fall's figure of \$10,330,360.69.

However, showing an \$87,788.68 increase over last fall was the banks' assets total of \$11,639,475.40. The 1963 fall figure was \$11,551,687.72.

Showing one of the biggest increases, almost one-half million, was the loans and discounts total for the four Hall County banks. The 1964 total for the loans and discounts was \$5,694,372.92. This was an increase of \$447,471.03 over last year's total of \$5,246,901.89, the comparison showed.

Since very little of the county's cotton crop has been harvested and sold, it is not reflected in this statement of condition. However, the Dec. 1964 financial report should show a large increase over the fall figures, it was reported.

## Estelline Lions To Sell Fire Extinguishers

The Estelline Lions Club will conduct a door-to-door sale of maintenance-free fire extinguishers starting Oct. 22, it was announced this week.

The fire extinguishers are recommended by fire companies everywhere, members of the club stated. The small hand-held unit is ideal for use in the kitchen, family car, or at any place where fire may develop. The all-plastic container holds an approved professional fire fighting dry chemical called "H" Powder, developed to extinguish fires of flammable liquids and electrical fires where water cannot be safely used. The powder cannot absorb moisture, and will not cake or deteriorate, so it may be kept in a convenient place indefinitely, and is harmless as well as non-poisonous.

The profits from the sale will be used to help finance local club projects members stated.

"We are confident," said Lion Boss Tom Seay, "that the townspeople will join us in the dual purpose of making this the most successful drive we have ever had as well as keeping our homes as well protected as possible."

### Will State Property Tax Be Abolished?

At irregular intervals for many years, the idea to abolish the state's property tax has been reported in the press. To date the issue has not reached the point where it is being debated, but the proposal was in the news two weeks ago when members of the Texas Municipal League and county judges and commissioners heard Governor John Connally bring the subject up at their state-wide meetings.

Gov. Connally, by his utterances, is giving new emphasis to the drive of proponents who desire to eliminate the state's collection of an ad valorem tax. The argument which has been set forth is one which county and city officials like wholeheartedly. It simply means to leave this source of revenue to local governments.

The governor was specific in his thinking. He is now advocating a "phasing out" of the ad valorem tax by the State of Texas. As he pointed out, it will require a constitutional amendment, and, as he stated, "a period of readjustment."

The tax has collected for the state approximately \$40 millions a year, but it provides only 2.7 per cent of the revenue which Texas collects.

The governor recognized that there will never be a convenient time to ask the legislature to put the constitutional amendment before the people. He drove home his thinking by saying all that is needed is the "courage to do what should be done." His statements are being quoted by all persons in responsible position who desire more self-government.

On the sidelines is the desire of officials from some of the large cities of Texas for a municipal sales tax. This proposal, when, and if, it will be submitted to the voters, will cause an uproar such as the one heard when the state sales tax was debated.

Memphis and Hall County are no different from the rest of the state. Officials can always use additional revenue to pay for the services which the citizens demand. They recognize the fact that local government is costing more each year. The only way additional revenue is now being collected from the ad valorem tax. In some places it comes about by increasing the rate or the value of property. In cities and counties which are adding property to the tax rolls, the matter is automatically being taken care of.

It is a recognized fact that state expenditures will continue to rise in future years. For this reason, there are spokesmen who have started to advocate an increase in the state's sales tax to get this needed money. One proposal is to increase the rate to two and one-half cents. Opponents to the idea of a sales tax to get this needed money. One proposal is to increase the rate of that which the citizens are now paying.

Whether the state ad valorem tax will be "phased out" by the next session of the State Legislature is yet to be seen. But the next few months will be devoted by many persons in responsible positions to the governor's proposal.

The weather has been ideal for crop gathering for the past two weekend.

## ACROSS the DESK

### Buy Now, Pay Later

One of the great American contributions to the world are the words, "Buy now, pay later." Installation buying has oiled the wheels of commerce in this country, and the ability to get credit and pay out purchases has been given much credit for the present high standard of living. Indeed, lots of parents give good advice to their youngsters by saying, "If you don't go into debt, you will never have anything." Or, "The only way you will accumulate anything is to force yourself to save through buying on installments."

But there are ever increasing signs that this business of consum-

er debt is reaching a point where it is just about top-heavy. Some independent surveys shown that indeed the American family is just today removed from bankruptcy. This may sound like a joke, but we believe it is true. Let us average American family on a paycheck, and they fall behind on their payments. They can never catch up.

Americans who buy on credit are ignorant about charges, too. While they order, when signing up the sales contract, why the price to be repaid jumps higher than the sale price go ahead and agree to a schedule of payments without the interest.

Actually, the interest rate is from 8 to 50 percent higher, depending upon the rate. Be that as it may, the story is written, undeniable of the great contribution of the great contribution of the democratic voting of the daily bath. — Ochs-Sutter Herald.

### Football a Hazard?

Folks are funny about football. A parent will forbid his child to play football because he is hurt and then buy him a mobile or hot rod and loose in it without a thought.

A death in football is a major commotion. One in traffic is a place that only the closest friends notice.

In Texas last year, 2,700 figures show that 2,700 were killed in traffic accidents. — The Naples

## Why Pay Twice?

You already pay taxes to support a generous federal-state medical program for those over 65 who need it. Why pay again for a plan that isn't needed?

Surprised? Chances are you never heard of the Kerr-Mills Law, passed by Congress in 1960. We call it...Health Opportunity Program for the Elderly.

This program enables individual states, with federal assistance, to guarantee to every elderly person who needs it the health care he or she requires. Thousands of people every day are being helped by its broad benefits.

Yet, the supporters of the proposed Medicare Tax would have you believe that its passage is urgent...that persons over 65 are deprived of needed medical care because they can't pay for it.

So why pay twice? Find out about the health program you're already supporting. For information on health care for the elderly in your area, ask your doctor or contact your local medical society.

# Cyclone Topples Tough Skyrockets, 16-0

one of the largest football games in the history of the stadium Friday night. The Cyclone, in a fine showing of effort, rammed across drives and staved off a game attempt, and came out with a 16-0 victory.

Cyclone, underdogs before the game, put on a good show on both offense and defense to take the opening game of the season. The victory was unusual because it was the first time in 10 years a Memphis team has defeated a Wellington team in competition.

**Game At A Glance**  
Under ideal football conditions, weatherwise, the Cyclone picked off Wellington's ball carrier was downed on the 20-yard line.

Stargel made 8 yards on the first try but were thrown for a loss on the third down; Stargel was punted on the fourth, and the Cyclone had the ball on the 20-yard line.

Stargel carried by HB Melvin Sturdevant and QB Jimmy Sturdevant netted nine and the Cyclone faced a 3-2-A contest. The victory was unusual because it was the first time in 10 years a Memphis team has defeated a Wellington team in competition.

down to the Memphis 47 on a good carry by HB Needham, which ended the first quarter action.

A summary of the first quarter showed the game to be primarily a defensive tussle with Wellington holding a 3-to-2 first downs edge.

Wellington continued down to the Cyclone 37 before it was stopped. Wellington punted out of the end zone, and Memphis took over on the 20.

Not having much running room after being pushed back to the 10 on a penalty, the Cyclone punted out, and Wellington was penalized 15 yards for roughing the punter. The second punt gave Wellington the ball on the 26 in Rocketland.

On the next play, Rocket QB Wayne Barton tried a pass, but James Waites, defensive safety, intercepted, and Memphis took over on the 35.

From this point, the Cyclone offense caught fire. Staying on the ground, carried by HB Jack Stargel and Toby Crooks gained 9 yards, and QB Sturdevant, on a sneak play, added the first.

Then two consecutive carries by Sturdevant gained another first to the Wellington 40. But here, the going got sticky on the ground, so the Cyclone went to the air, and had the misfortune of losing the ball on a pass interception to Wellington.

The Rockets could not muster a first down in three tries; so they punted to the Memphis 17.

In the waning minutes, the Cyclone marched up the field, racing against time. The half ended with the Cyclone on the Rocket's end of the field, still in possession.

The halftime, with the score 0-0, was a tense time for spectators and the coaching staff of both schools were busy regrouping and making changes in their strategy.

Wellington kicked off to Memphis; and, after a good runback by Sturdevant, added along by a 15-yard personal foul penalty against the Rockets, the Cyclone took over on the Wellington 46.

This began the Cyclone's first scoring drive.

The fired-up Cyclone called on HB Crooks for the first carry, and the play netted 8 yards. Then FB Mike Crow added 8 more on another good carry, and the Memphis team was on the Rocket 30.

A one-yard carry by Sturdevant, a six-yarder by Stargel, a two-yarder by Stargel, and a one-yarder by Crow was good for another first to the 20.

**TWO POINTS**—Jim Odom, No. 81, is shown catching a two-point pass from QB Jimmy Sturdevant for the last scoring play against Wellington. Odom figured heavily in the final Cyclone drive, carrying the ball 45 yards on a punt-run play, catching a 10-yard pass and the two-point conversion. To the right of the picture is shown Wellington's No. 10 Wayne Barton and No. 32 Jackie Duncan.

From this point, two plays, both carries by Stargel, netted 4 yards. Then, a trap play to HB Crooks caught the Wellington defenders off balance, and Crooks twisted and powered his way to the 2-yard line before being pulled down.

Here, the Wellington defense put up a tough wall to stop Memphis, but on the fourth down, lacking only inches, a QB sneak by Sturdevant went across. He carried on a keeper for two more points, and the Cyclone was in the lead, 8-0.

Wellington returned the kick-off to the 26. Running power plays, the Rockets drove to the Cyclone 30 in four tries. But here disaster struck in the form of a fumble which Memphis recovered.

The Cyclone punted out to the Wellington 22.

The Rockets tried to get a single-wing offense going. On the first down, a 5-yard penalty was stepped off against them. On the second play, they made 9. Then, on the second down, Wayne Barton ran up the middle and went all the way, but a red flag was

thrown at the line of scrimmage, and the Rockets were assessed a 15-yard illegal use of hands offense penalty, nullifying the TD run. The Rockets punted to the Memphis 39 on the fourth down.

Showing his running ability, QB Sturdevant broke free on a sneak and raced to the Wellington 35. From here, however, the Rocket defense stopped the local team, and they took over at the 35-yard line.

From here, a 15-yarder against Memphis gave Wellington a first on the midfield stripe. However, Wellington could not get going, and the Cyclone defense held for three downs; so the Rockets punted, and the ball came to rest on the Memphis 5-yard line.

Not finding running room, the Cyclone made the 12-yard line before Odom punted to the Cyclone 38, one of his shortest punts of the season due to a bad bounce.

Memphis was penalized five yards on the first play. Then the Rockets tried to get going but the Cyclone defense line kept hitting the ball carriers before

they got started, and Memphis took over on their own 27.

Two downs by Memphis netted minus yards, and on the third attempt, QB Sturdevant made 14 yards but fell one yard short of a first down.

Going into punt formation, the center's snap was low and punter Jim Odom had to come up to field it. What looked like disaster in a blocked punt was turned into one of the finest gains and alert ball carrying by Odom when he stepped through three blockers and saw a wide open field to the right. He elected to run. He raced to the Wellington 19-yard line before being stopped by the safety.

Memphis was penalized back to the 24. A first down pass was incomplete, and Jack Stargel was stopped on the line of scrimmage on the next play. However, on the third down, QB Sturdevant hit End Odom in the flat for a 10-yard gain to the 14. On the next down, the Cyclone attack again fooled the Wellington defenders, and HB Toby Crooks raced up the middle to the 5.

Then, on the next play, Stargel got the call up the middle and was hit on the two-yard line, but fought his way the remaining distance to hit pay dirt.

On the extra point attempt, a pass from Sturdevant to Odom was good, and the score was 16-0.

A determined Wellington team came back down the field in the last minutes of the game. On the last play, from the Cyclone 24, a pass from QB Barton to End Weems was good to the Memphis one yard line, but time had run out and the game ended, Memphis 16, and the favored Skyrockets 0.

The Cyclone had good per-carrier averages against the Rockets. QB Jimmy Sturdevant carried 13 times for 76 yards averaging 6 yards per carry. HB Toby Crooks carried 15 times for 64 yards for a 4.3. Jack Stargel carried 4 times for 13 yards. End Jim Odom carried twice for 55 yards. Mike Crow carried 8 times for 21 yards for a 2.6 average, and Melvin Moore went one time for 2 yards.

## Bradley 3 Herd Is Top Winner At Beaumont

After a successful showing of their cattle at the Pan American Fair in Dallas, the Bradley Ranch show herd moved to the South Texas Fair at Beaumont.

After claiming both the bull and female grand champion honors the ranch's show string went on to win the senior get of sire on calves by Bandolier of Orchard Hill 75.

B3R Bandolier 2204 won his class as a two year-old, defeated B3R Aristocrat 3005 for the senior championship and went on to down his full brother, B3R Bandolier 3204 for the grand champion banner. 3204 was named first in the late junior yearling class, junior champion and reserve grand champion.

B3R Elina 3228 stood at the top of her class as a senior yearling, was named senior and grand champion female. B3R Elegant Erica 4268 was tapped by the judge for reserve junior champion honors.

Bradley Ranch also won the summer yearling heifer class, late senior bull calf class, best two bulls, three bulls and second on junior get of sire.

Richard Stotts, herdsman for the ranch, had a class winner on his late junior yearling heifer, Miss Blackbird S.

The B3R cattle will move from Beaumont to the Louisiana State Fair at Shreveport this week and compete in the Angus judging there on October 30th.

### LETTERS TO THE EDITOR

To Whom It May Concern: Someone in the Billy Hall neighborhood has been putting out poison for dogs. Since they have poisoned all the dogs our boys had, they can please stop now before a child could get some of it. If someone has ever watched a dog die of poisoning they would rather shoot them. I know I would. There's a grave yard for dogs just in the pasture below our house and yesterday there were two more added to it. One of the dogs was the mother of three very small puppies.

Please, whoever you are, stop before a child gets some of it and dies.

Thank you, The three Halls boys, P. S. The dog's name was Missy.

Mr. and Mrs. Clyde Collins and Debbie spent the weekend visiting in Amarillo and Canyon. They were in Canyon to attend homecoming activities at West Texas State University.

Mrs. Clyde Smallwood of Liberal, Kan., and Mrs. Bobby Helm and children of Pampa came Friday for a visit with Mr. and Mrs. J. N. Helm, Sr. Mrs. Bobby Helm and children returned home Sunday and Mrs. Clyde Smallwood stayed to visit her parents a while longer.

### Around and About

By HELEN COMBS

Two of the eight girls who will attend the National Girl Scout Roundup in July, 1965, from the Quivira Girl Scout Council have been selected from the local Senior Girl Scout Troop, we learned this week. Selected as delegates were Elmonette Branigan and Glenda Bruce; and alternates are Regina Hoover and Carol Ann Voyles.

The Roundup will be held at Sand Point, Idaho, with 10,000 Girl Scouts and adult leaders attending from 50 states and 20 countries. To have two Memphis Scouts chosen is a feather in the caps of both the Scouts and adult leaders. Honors of this type come only to those who merit them through continuous and diligent work. Congratulations, Scouts and Elsie Hoover, Flo Branigan and other adult leaders for a job well done!

And, speaking of Scouting, may we comment on how "sharp" the Cub Scouts looked in the parade at Hedley Saturday. Not only were the Cubs in full uniform, but so were the Cub mothers and the Cub master who marched along with the boys. Very nice performance, indeed!

In fact, the Hedley Cotton Festival parade was excellent, featuring many beautifully decorated floats and cars entered by business firms, clubs, organizations and individuals. Several bands marched in the parade adding music and color to the occasion, and candy was passed out in an unique manner by a clown who was seated in one of those bucket-type pieces of equipment used to repair telephone and electric lines. Quite an ideal way to distribute items to the crowd below.

Estelle will crown its football sweetheart Friday night preceding the game with Patton Springs at the Estelle Stadium. The time set for the coronation is 7:10 p. m. Candidates have been selected from each class, and the name of the lucky girl will not be revealed until Friday evening at the coronation.

Shannon Doss, superintendent of Memphis Schools, was guest speaker Tuesday evening when members of the Delphian Club entertained with the annual dinner party honoring their husbands in the home of Mr. and Mrs. Ningham. Mr. Doss gave a most informative talk, telling of the many new trends in the educational field. Some of the new methods of teaching are already being used in Texas schools, while others are still in the experimental stage, he stated. As we listened, we were glad to be numbered among the "grandmothers" . . . otherwise we decided we'd have to go back to school in order to know what our children were talking about. There's new math, more letters added to the alphabet, new methods of teaching grammar, just to mention a few.

We understand Betty Ann (Goodall) Shahan is making plans to move to Memphis around the first of November, and is hoping to open a pre-nursery school for children from 2 years up to school age. Betty was reared in Memphis and is the daughter of Dr. and Mrs. O. R. Goodall. Betty and daughter, Elaine, and son, Randy, have been living in Waco for the past several months.

Sometimes when it rains it pours . . . and that was exactly what happened recently to Mrs. Guy Smith. En route to Abilene, Mrs. Smith was involved in an accident when the rubber came off a tire on her car.

Luckily she was not seriously hurt, but did have to spend some time in the hospital. That same week, after she returned home, her son, Paul Thompson, called and reported that he had a wreck. And, luckily, he escaped injury, too, but his car was badly damaged when struck in the side by another car. Two accidents in one week is too many for any family!

In our mail: Dear Mrs. Combs: I am enclosing a check for my subscription to The Democrat. I know that I am several weeks late, and I really appreciate your "not stopping" the paper. For the last two Fridays, I feared it wouldn't be there when I checked my post office box.

I wanted to let you know how much I enjoyed your column this week, especially the beginning two paragraphs about the harvest season. Your thoughts also brought back memories to me. I can remember when I was about four and lived with my grandparents on a farm in the Pleasant Valley

### Harmony Club Meets in Home of Mrs. Bob Fowler

Mrs. Bob Fowler and Mrs. Richard Avery entertained the Harmony Club Wednesday afternoon, Oct. 14. The meeting was held in the home of Mrs. Fowler.

Mrs. Gordon Gilliam, club president, conducted a brief business session. Mrs. D. L. C. Kinard, program chairman, then presented Mrs. George Ferris, pianist, and Mrs. Bob Fowler, contralto, who gave the program.

Mrs. Fowler, accompanied by Mrs. Dick Fowler, sang three songs: "When Children Pray," by Beatrice Fenner; "Who Will Shoe Your Pretty Little Foot?" an early American folk song, arranged by Norman Lloyd; and a lively arrangement by David Guion of the Negro spiritual, "De Ol' Ark's A-Moverin'."

Mrs. Ferris played the following Chopin program: "Prelude, Op. 28, No. 1," "Etude—Op. 10, No. 5," "Op. 10, No. 8," and "Op. 25, No. 11."

Following the program, the hostesses served pie, nuts and coffee to Mmes. Gordon Gilliam, D. L. C. Kinard, George Ferris, Dick Fowler, Ronnie Wells, Bray Cook, L. G. DeBerry, Clifford Farmer, R. S. Greene, T. L. Rouse, Carl Smith, and Miss Esta McElrath.

The Parnell Club met Oct. 14 in the club house with 16 members and three children in attendance.

The meeting opened with the group repeating the Lord's Prayer led by Betty Ferrel, after which each member responded to roll call with "A Good Health Habit."

The minutes of the last meeting were read by Secretary Leona Burk. The club reported 54 visits to the sick.

Plans were made for a Halloween supper to be held on Saturday, Oct. 24. Chili and all the trimmings will be served for 35 cents. Also pie, sandwiches, coffee and Cokes will be sold.

Everyone is invited to come and enjoy the evening.

The closing prayer was given by Mrs. Eva Morrison.

Mrs. Gussie Mothershead and Elean Trapp served iced pops.

### Garden Club Enjoys Slides of Garden Scenes

The Memphis Garden Club met Thursday evening, Oct. 15, at the home of Mrs. Harold Smith.

President Clent Srygley presided at a short business meeting after which a round-table discussion of plant, flower and garden problems were discussed. The club viewed a selection of slides showing yard and garden scenes.

Tasty refreshments were served to members Mr. and Mrs. Theodore Swift, Mr. and Mrs. G. D. Stephens, Mr. and Mrs. Paul Morris, Mr. and Mrs. Bill Leslie, Mrs. Vey Hammonds, Helen Ballew, Clent Srygley, Ruby Leggett and Betty Smith. Margaret Haynes of California was a guest of the club.

### Mizpah Guild Meets For Bible Study Monday

The Mizpah Guild of the Presbyterian Church met at 7:30 p. m. Monday in the home of Mrs. Ruth Harrison.

Gertrude Rasco opened the meeting with prayer, after which Virginia Browder brought the Bible study, "The Life," taken from the book Colossians.

Tasty refreshments were served during the social hour to Mmes. Gladys Power, Glen Cosby, Elsie Hoover, Sue Avery, Virginia Browder, Francis Finch, Emma Deaver, Boodie Grundy, Gertrude Rasco, Mozelle Wright, Wilma Leslie, Agnes Nelson and hostess, Mrs. Harrison.

The next meeting is slated for November 2 at 7:30 p. m. in the home of Boodie Grundy.

Community. I really miss that "Gone With The Wind" atmosphere that used to prevail.

Here at school I have put on that last "rush power" in order to graduate in January. It's difficult to believe that in a short few months the care-free days of college will be over. As my plans stand now, I want to teach high school French and German for about two years before beginning graduate work.

Well, thanks again for the nostalgic notes in your column. Sincerely yours, George Edward Stanley.

MRS. BOBBY JOHNSON

### Former Memphis Girl To Compete In Beauty Contest

Mrs. Bobby Johnson of Iowa Park has been chosen to represent Epsilon Eta Chapter of Epsilon Sigma Alpha in the District 6 beauty contest to be held in Quannah Nov. 1.

Mrs. Johnson will be remembered by friends here as the former Anita Murphy, daughter of Mr. and Mrs. E. M. Murphy. She is a graduate of the local high school and attended Northwest Texas Nursing School of Amarillo Junior College, where she was a nominee for college beauty.

While in high school she was selected as Miss Memphis in 1954 and took part in the Miss Wheatheart contest in Perryton that year.

Mr. and Mrs. Johnson moved to Iowa Park six years ago where he owns and operates the Johnson Elevator Co.

Mr. and Mrs. Johnson have two children, Kim, 7, and Gregg, 2. She is a room representative of Kidwell PTA and member of the First Baptist Church.

She has been a member of Epsilon Eta chapter for two years and is now welfare chairman.

### Methodist Women To Observe "Call To Prayer" Oct. 26

The Woman's Society of Christian Service and the Wesleyan Service Guild of the Methodist Church will join more than 1,700,000 Methodist women in this nation in observing their annual "Call to Prayer and Self-Denial." The call is sponsored by the Woman's Division of the Methodist Board of Missions, the national body under which 36,000 local Woman's Societies of Christian Service and Wesleyan Service Guilds function.

The program meeting for the local group will be held at 7 p. m. Oct. 26 at the church annex. Theme of the meeting will be "Recognition, Renewal, Response."

Leaders for the program will be members of the Alpha and Oliver Circles of the WSCS and the Wesleyan Service Guild.

Each year certain mission projects are designated by the Woman's Division as beneficiaries of an offering which is taken as a part of the Call to Prayer and Self-Denial. This year the projects to receive the offering are:

Home Mission Projects—remodeling and repair of mission building in the United States. One special need in 1964 is the rebuilding of the Jesse Lee Home for Children in Alaska, which was destroyed by the disastrous earthquake of March 27.

Overseas mission projects—pension funds for national workers in full-time church-related services. The offering will help to establish a pension fund for retiring national workers in India, Japan, Korea, Mexico and the Philippines.

Each woman who participates in the Call to Prayer and Self-Denial is asked to save over a period of time and then to make a sacrificial gift to aid the designated projects. Offerings have increased almost every year, and in 1963 reached a new high of \$579,666.10.

Mr. and Mrs. Lamar West returned Monday night from Dallas, where Mrs. West had been receiving medical treatment at Baylor Hospital for the past four weeks.

Miss Teresa Beckham, bride-elect of Richard W. Morgan, was feted with a lovely pre-nuptial shower on Thursday evening, Oct. 15, in the home of Mrs. A. L. Gailey on South 6th Street.

Many friends of both the bride and groom called at the Gailey home between the hours of 7:30 to 9 o'clock to be greeted by the

### Moore Home is Scene For Family Reunion Sunday

The home of Mr. and Mrs. D. H. Moore was the center of activity for a family reunion on Saturday and Sunday. All five children and grandchildren were home for the first time in 12 years.

Children and grandchildren present for the occasion were: Mr. and Mrs. Don Moore and Donnie and Bill of Perryton, Mrs. Mark Stuart and Marka, Jackie and Lori of Dallas, Mr. and Mrs. T. L. Brown and Luke and Katie of Vernon, Mrs. Phil Prescott and Teresa Ann of Quannah and David of the home.

Other members of the family visiting Sunday were sisters of Mrs. Moore and families, Mr. and Mrs. Raymond Wall of Paducah and Mr. and Mrs. Harold Franklin and children of Crowell.

### Methodist WSCS Concludes Study On Missions

The Alpha and Oliver Circles of the Woman's Society of Christian Service met Monday, Oct. 19, at 9 a. m. in the Methodist Church Annex to conclude the study of "The Church's Mission Among New Nations."

Mrs. L. G. DeBerry as leader focused the morning's program on the problems in progress which the church faces in newly independent nations. Mrs. N. A. Hightower gave an uplifting meditation on "What the Church Members Need to Do at Home and Abroad." She led the group in prayer.

Mrs. Ed Hutcherson discussed in an interesting manner, "Black Magic in Africa," stating that 62 per cent of its people are non-Christian mainly believing in animism and reincarnation.

Mrs. Lee Brown told the gripping story of a woman missionary's experience in nursing an African child back to health after he was bitten by a snake. This caused him to become a Christian and rear his family in the faith.

Mrs. J. B. Thompson gave an informative talk on the needs of the Africans, citing the activities of Mr. and Mrs. Le Masters who were missionaries in the Congo and Southern Rhodesia where they witnessed more Christian commitment in the former place than the latter.

Mrs. J. J. McDaniel gave a clear cut explanation of the Christian broadcasting stations in the new nations stating that the Woman's Society contributes funds to this project. She called attention to the 20th anniversary of the United Nations, Oct. 24, and the U. N. flag with UNICEF "Trick-or-Treat" posters which made up the worship setting.

Those present other than the above mentioned were: Mmes. W. J. McMaster, Bob Hutcherson, J. W. Oliver, Mary Lou Erwin, Bess Crump, Sarah Hill, R. S. Greene, O. M. Gunstream, Myrtle Phelan, F. W. Foxhall, M. G. Tarver and her grandson, Mark Tarver.

### Christian Council Meets For Study At Church Monday

The Woman's Council of the Christian Church met in the church lounge on Monday, Oct. 19, at 3 p. m. Mrs. Inez Aspgrren served as hostess.

The meeting opened with nine members answering roll call. The minutes were then read and approved. After the business meeting, the program leader, Mrs. Inez Aspgrren, took charge of the program. Mrs. E. E. Roberts gave the devotional, "The Love of God's World," taken from Psalms 119. After Mrs. Elmer Murdock read "From Television to Missions," the leader told about things being done in Japan. The meeting closed with the Missionary Benediction.

Refreshments of coffee and cookies were served to the following members: Mmes. J. A. Odom, E. E. Roberts, Tom Posey, Elmer Murdock, Bill Maddox, Roy Coleman, Lucille Eandal, Inez Aspgrren and A. A. Odom. A guest, Mrs. O. K. Posey of Bernie, Mo., was also present.

The next meeting of the Woman's Council will be on Nov. 16 at 3 p. m. in the church lounge.

hostess and presented to a receiving line composed of the honoree, Miss Beckham; her mother, Mrs. J. C. Beckham, and Mrs. H. R. Crawford, mother of the groom-to-be.

Miss Donna Beckham, sister of the bride, presided at the guest register to secure signatures of those who called during the evening.

Refreshments were served from a tea table laid with a brown organdy cloth over yellow under-shirt and centered with silver candelabra entwined with fall colored leaves centered with coral colored grape clusters and matching candles.

Mrs. Sam Goodnight presided at the silver tea service and Mrs. Jimmy Fields and Mrs. Bill Whitten assisted in serving.

Other members of the house-party included Helen Howard, Mrs. David Duncan, and Mrs. Mickey Montgomery, aunt of the bride.

Special guests for the occasion were the four grandmothers of the prospective bride and groom: Mrs. Herbert Estes, Mrs. C. W. Crawford, Mrs. W. E. Beckham, Mrs. Ida Hutcherson, and Mrs. J. W. Walker of Canyon, great-aunt of the groom-to-be.

The entertaining rooms were tastefully decorated for the array of beautiful gifts which were displayed.

Members of the hostess group, other than Mrs. Gailey, included: Mmes. T. W. Harrison, Carl Harrison, R. C. Lemons, Noel Clifton, Buster Helm, L. W. Stanford, Leo Fields, John Shadid, Cecil Stargel, Hal Goodnight, Pauline Knight, Gerald Hickey, Phil Howard, Ross Gentry and Lee Brown.

### WMU Circle Meets For Study In Douthit Home

The W. M. U. Circle of the First Baptist Church met in the home of Mrs. Bob Douthit for Mission Study Monday, Oct. 19.

Mrs. R. B. Phillips opened the meeting with prayer. During the business meeting, Mrs. Henderson Smith was appointed Prayer Chairman; Mrs. Henry Hays was appointed Mission Study Chairman; and Mrs. R. B. Phillips was appointed Bible Study Chairman. The time for the meetings was set for each Monday afternoon at 2 p. m.

Mrs. Hays began the study of the mission study book entitled, "Frontiers of Advance" by E. Luther Copeland.

Those attending were Mmes. Robert Clark, Doyle Fowler, Henry Hays, Wayne Hutcherson, R. B. Phillips, Cliff Pedersen, Henderson Smith, Wayne Goodrum Neal Hindman, Doyle Gilbert, Bugs Scott, and the hostess, Mrs. Bob Douthit.

The next meeting is to be in the home of Mrs. Doyle Fowler.

### Reapers SS Class Installs New Officers

The Reapers Sunday School Class of the First Baptist Church met in the home of Mrs. Maude Chaudoin on Tuesday, Oct. 13, at 9:30 a. m.

After the president, Mrs. Myrtle Crabb, called the meeting to order, prayer was led by Mrs. Cliff Pedersen. The devotional, given by Mrs. Myrtle Crabb, was taken from Deuteronomy 11:11-12. She also gave a talk on "Coming of New Year." The teacher, Mrs. Pedersen, gave the lesson on "Prayer and Encouragement."

The incoming officers are as follows: president, Mrs. Myrtle Crabb; first vice president, Mrs. Emma Baskerville; second vice president, Mrs. Maude Chaudoin; secretary, Mrs. Alla Boswell; treasurer, Mrs. Addie Wherry; group captain No. 1, Mrs. Margaret Holcomb; group captain No. 2, Mrs. Hulda Wilson.

After a short business session, the rest of the meeting was spent in visiting.

Refreshments of cake and coffee were served to the following: Mmes. Addie Wherry, Hulda Wilson, Phebe Pedersen, Alla Boswell, Edna Gilreath, Emma Baskerville, Margaret Holcomb, Myrtle Crabb, Mrs. Barrett, and the hostess, Mrs. Maude Chaudoin.

The next meeting of the class will be on November 9 at 9:30 a. m. in the home of Mrs. Hulda Wilson.

Mrs. Marietta Smith and Kim flew to Truth and Consequences, N. M., on Friday of last week where they joined Mr. and Mrs. Paul Smith, who had been vacationing and taking the baths there for the past three weeks. They all returned home Tuesday.

By BILL COMBS

Memphis fans were all abuzzing Saturday morning after the Cyclone pulled an upset over the Wellington Skyrockets, 16-0, especially considering the pre-district records of the two teams. However, this writer was not nearly so surprised as he was pleased with the teamwork of the local lads.

The forward wall of the Memphis defense, composed of Bobby Carrol, Jerry Beasley, Richard Ellis, Chipper Baker and Mike Branigan gave Wellington trouble all night. Also doing a good job were Linebackers Jackie Beavers and Billy Ed Thompson who took over when Durwood Wilkinson received a knee injury in the early minutes of the game. Wellington pretty well took care of Donnie Bridges, center linebacker, which accounted for the other defenders getting a crack at the ball-carriers. Our corner backs, Melvin Moore, Mike Crow and sometimes Jimmy Sturdevant had a hard time of it but they played their positions well, which gave the defensive ends, Carroll and Beasley a clearer field.

What were the key points of the game? I feel that Memphis effectively stopped Wellington's passing game, giving up only three passes, one for 5 yards, one for a minus 1 yard, and the last, for 24 yards, on the last play of the game. Wellington went to the air 12 times, lost one on an interception, completed three and threw eight incompletes. The sea-

**GOOD YARDAGE**—No. 22 Jimmy Sturdevant for Memphis is shown carrying for good yardage against the Skyrockets tough defense. The Cyclone QB averaged a remarkable six yards per carry against the Rockets. Wellington's No. 35, Chester McLain made the tackle at the sideline. No. 66 for Wellington is Johnny Maxwell. On his back in the center of the picture Guard Larry Wynn takes two Rockets out of the action. They are No. 10 Wayne Barten and No. 87 Freddie Bobo. Wellington's No. 50 (right) is Steve Trapp. In the center of the picture is shown No. 50 Donnie Bridges and No. 60 Jackie Beavers for Memphis.

son for this was pretty good receiver coverage by Jim Odom and James Waites. Both are good defenders.

Another key point was seen in the second half. The Rockets totally stopped the Cyclone's outside stuff and also bottled up HB Stargel. But to do this they had to leave their middle open, depending on their big linemen to stop the interior stuff. When the Cyclone went for their first

scoring drive after the half, it was the interior plays which went for good yardage. At one point in the game, QB Sturdevant went for a 24-yard gain on a sneak—something very seldom seen in a football game. This, to me, was a sure indication of the respect Wellington had for the outside pitch plays.

Some talk has been generated about the Cyclone's chances for a District championship since the

Wellington hurdle has been overcome. A talk with Coach Chamberless over the weekend was sobering but encouraging, also. He pointed to four more big hurdles, McLean Friday night, Canadian, Clarendon, and then the tough White Deer team, selected to win the district by the coaches. The sport writers selected McLean as the top team. They played White Deer to a 12-6 ball game last Friday and will be out to take the

you can bet. The coach said Durwood Wilkerson, one of the finest linemen on the team, may not see

action for three weeks or more due to the knee injury. Durwood is the biggest man on the squad and will be missed.

Memphis fans could not help but notice that the Cyclone was running almost a two-platoon system against Wellington. This was because of the numerous injuries. Several boys played offense but saw no defensive action while others played defense but saw no offense.

No discussion of the contest would be complete without commenting on Jim Odom's two spectacular runs from the punt formation. He made 55 yards on two carries, which is pretty good for an end. Another standout was No. 10 for the Rockets, Wayne Barten. Although his passing aim wasn't as good as it has been, he was a running threat every play from the quarterback and tailback positions. Another thing that was surprising: QB Sturdevant for Memphis for Memphis averaged six yards per carry, which is far better than the earlier games when he had minus yardage.

One other observation should be made, I think, to give due cred-

it. HB Jack Stargel, on the other hand, had a bad night, but to remember the situation: he would have bottled the Rockets if they had not hit him up on the corner. His threat as a speed runner opened up the Wellington defense for Mike Crow and Tony Crow and gave a lot of daylight in the middle. Also, Stargel carried a dive play for the Cyclone's al TD which saw him carry defenders the last two yards.

The Cyclone team is to be complimented on playing sound football in beating the Skyrockets. It was not the run-dazzle game that Wellington was expecting.

Mr. and Mrs. Elvin Hickey El Paso visited with the W. Diggs Sunday.

Mr. and Mrs. W. C. Moore and Gary of Newlin spent weekend visiting in Dallas relatives.

Mr. and Mrs. Oren Jones in Perryton Friday night. Mrs. Jones' daughter and band, Mr. and Mrs. Larry Kiley. On Saturday they went Hartley before returning home.

### Girl Scouts To Hold Special Flag Raising Ceremony

Memphis Girl Scouts will join the uniformed Scouts in every town in the 10-county area of Quivira Girl Scout Council to participate in a special flag raising ceremony at the local schools

Friday, Oct. 30, between 8 and 8:30 o'clock.

There ceremonies are being held in honor of the birthday of Juliette Low, who founded Girl Scouting in the United States 52 years ago.

Mrs. Kenneth Bockman's Brownie Troop will conduct the flag raising ceremony at the Austin Elementary School while Mrs. Grady Haynes' Cadet Troop will be in charge of the ceremony at the Travis Elementary School.

The Senior Girl Scout Troop No. 187 will conduct the ceremony

Thurs., Oct. 22, 1964—Memphis Democrat

at the High School and Junior High School.

A short assembly will be held by the girls in the schools granting time for a program immediately following the raising of the colors.

There are 122 Girl Scouts in Memphis in 11 troops with 39 active adults in the Girl Scouting program. All Girl Scouts are asked to be in uniform that day re-

gardless of whether their troop has been reorganized.

All school children and the general public are invited to share in this ceremony.

Mrs. Lucille Burnett and Mrs. Hester Bownds visited over the weekend in Amarillo with Marvin Long and Mrs. Jimmy Bownds, who are in the Northwest Texas Hospital there. Mrs. Bownds had surgery Tuesday of last week.

### County Agent Reports On Cotton Disease

Week of October 12, many fields were checked in Hall by the County Agent and Demonstration Assistant to find the extent of damage from Nematodes, Fusarium Wilt, and Bacterial Blight. Most damage seemed to be from the Nematodes and Fusarium Wilt-Nematodes. The disease situation in Hall has come to a point where many farmers realize the trouble they are in and are looking for the best ways to solve the problem.

Deep fumigation for nematode control result demonstration set out under the direction of Robert W. Berry. Area

Plant Pathologist, on the Paul Smith farm in the Plaska community, April 7, using Fumizone 70E. Rates of one-half gallon and one gallon per acre were used. The fumigated plot was planted to Gregg cotton and four rows of Auburn M cotton was planted April 23. Before fumigation two soil samples were taken from the treated areas and tested for parasitic nematodes by Dr. Berry. Sample No. 1 contained 500 root knot nematodes and 150 stunt nematodes per pint of soil.

On June 19 cotton roots were checked on the fumigated area and Auburn cotton against the cotton roots on the untreated area. At this time no galls were found on the cotton roots from the treated area of either rate or on the Auburn and on the untreated area many galls were found on the cotton roots caused by the rootknot nematodes. The cotton on the treated areas looked very good and was fruiting well. The cotton on the untreated area showed the lack of vigor in size

and color.

On June 20 the cotton was all lost to hail and wind storm. On June 24, Mr. Smith replanted the cotton in the same furrow.

At present time the treated areas look some better than the untreated area, but not anything like as good as it did the first planting. The stand is some better on the treated areas than the untreated. As of now no difference can be noted between the one-half gallon and the one gallon treatment. As present time many galls from nematodes are present on all plots. The Auburn M cotton was not planted again.

John Thomas Barber of Oklahoma City spent the weekend with his mother, Mrs. Estelle Barber.

Guests in the Robert A. Wells home over the weekend included Mrs. Fannie Higgins of Roswell, N. M., Dr. B. Z. Cobb of Texas Tech, Lubbock, Mrs. Troy Guy and sons, Rick and Rodney.

### Questionnaires For 1964 Census Are Being Mailed

Questionnaires for the 1964 Census of Agriculture are now being mailed out to farmers and ranchers of Hall County, County Agent W. B. Hooser reported today.

The forms are expected to reach the farmers within a few days. This will allow farmers a period of time to consult their 1964 business records in order to answer questions on the forms before the census enumerators begin calling on the farmers to collect the forms. Best estimates for the year will be sufficient to answer questions in cases where complete records for the year are not available, according to the county agent.

The visits by enumerators will start on November 23, in this county, according to the county agent.

Enumerators will call on every farmer in the district under his or her supervision, the county agent explained. At the time of the call, the enumerator will help the farmer complete answers to any question in the form that the farmer was unable to answer, and will review the form to see that it is completely filled out.

By mailing the forms ahead of the visits, officials of the Bureau of the Census, an agency of the U. S. Department of Commerce, hope to save both time and effort.

The Census of Agriculture is taken every five years in the years ending in "4" and "9" to gather needed, up-to-date information on U. S. agriculture resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered included the number and size of farms, number of persons living on farms, acreage and harvest of crops, a livestock and poultry inventory, information on farm equipment and facilities, and on income and some production expenditures.

Mrs. Jimmy Sparboe, the former Linda Fields, arrived last week for an indefinite visit with her parents, Mr. and Mrs. Leo Fields. An employee of the USDA Cotton Classing Service, Mr. Sparboe is presently working at Monday. The Sparboes reside in Corpus Christi, except during the harvest season.

DONNIE COOK

### Donnie Cook Completes Navy Electronic School

Donnie Cook, seaman, United States Navy, graduated from the electronic technician school in Great Lakes, Ill., on October 16.

He had been attending the school since December, 1963. After two weeks at home, Seaman Cook will go to Norfolk, Va., where he will go to another electronics school. After completing this school, he will be assigned to serve aboard the U.S.S. Elokomin AO-55.

He is a graduate of Memphis High School and is the son of Mr. and Mrs. Paul Cooper of Amarillo. He is a grandson of Mr. and Mrs. Roy Grimes of Memphis.

### Randy Robertson Is NTSU Social Fraternity Pledge

DENTON, Oct. 20—Randy G. Robertson of Memphis is one of 160 fall semester pledges of the 10 men's social fraternities at North Texas State University.

Robertson, who pledged Sigma Nu, is the son of Mrs. Mona Robertson, 824 Rogertson. A sophomore management major, he is a 1963 graduate of Memphis High School.

Mrs. Alvin Massey of Dumas spent Monday night and Tuesday here with Mrs. Pearl Massey.

### WTU Personnel Attend Women's Conference

Two hundred women convened in San Angelo Sunday and Monday for the 10th annual Women's Conference of West Texas Utilities Co. They are a portion of the women personnel of the company, and came from more than 50 of the towns in its service area.

Attending from Memphis were Mrs. Louise Howell and Mrs. Peggy Moreman.

The conference is an annual workshop established 10 years ago to develop leadership qualities in women office workers with the basic objective of helping them serve the public better. Since the meeting is held on a business day, women employees alternate from year to year with a portion remaining on duty while the others attend the session.

The meeting opened with a Hawaiian Luau at 6 p. m. Sunday in the Cotillion Room of the Town House. Following the Hawaiian buffet dinner the group was entertained with a musical program presented by the Lassiter combo, and a singing trio from Abilene composed of Pat Neyman, Ann McDorman and Janice Smith, accompanied on the organ by Rufus Edmundson.

The business session opened at 9 Monday morning with Beulah Peiser of San Angelo presiding. The main address of the morning was given by J. F. Longley, WTU executive vice president of Abilene. A film followed, called "Cashing in on Singing Wires" which was narrated by Polly Chitwood of Abilene.

After a noon luncheon at the hotel, the sessions resumed with Faye Maris of San Angelo presiding. A skit followed patterned after the 1964 political year titled "Elect Electricity" with Anita Young of Abilene in charge.

The annual banquet was held at 7 p. m. at the River Club with Mary Joe Craig of Abilene giving the invocation. The banquet address was by S. B. Phillips, Jr., of Abilene, WTU president.

Mr. and Mrs. Buster Morrison visited with their son, Gayle Morrison, and family in Plano over the weekend. Their granddaughter, Leshia Gay, accompanied her grandparents home and is spending the week with them. She is also visiting her other grandparents, the Jake Crismans of Plaska, while here.

## Report From Washington

By **WALTER ROGERS**  
Representative, 18th  
Congressional District

**The Challenges of Water Resources Development**  
One of the great challenges of time is to use our talents to develop programs and techniques that will assure future generations of an adequate supply of water. We must develop resources to enhance the growth of our economy and strength of our nation. Americans use more than 300 billion gallons of water per day—an amount that will be doubled by the year 2000 and tripled by the year 2050. At the end of this century, new areas of our nation such as the Pacific Southwest will be exporting water long distances or meeting their needs from water sources. Other areas are approaching maximum use of available natural sources of water.

The economies of both Texas and the nation will flourish or falter, depending on how we handle the approaching water crisis. This was a major point I made Friday in addressing the Governor's Conference on the Management and Development of Natural Resources in Texas. The meeting, held in Dallas, and it was my privilege to address the meeting in my capacity as chairman of the Subcommittee on Irrigation and the Subcommittee of the House Committee on Interior and Insular Affairs.

In discussing the need for wise conservation policies, I told the group that as the water needs in our state grow conflicts will develop. There will be conflicts between areas of origin and areas of maximum need. There will be conflicts between the use of water for agricultural purposes and for municipal and industrial purposes. There will be conflicts because of the tremendous amounts of water needed to provide water-oriented outdoor recreation opportunities. We must not let these conflicts deter us from sound and logical planning and development that is based on one basic measure—the public interest.

The problem is how to satisfy vastly increased needs from a basic water supply which does not increase and which is already taxed to the point that individuals, cities, industries, and States are contending over the right to use the available supply. The successful accomplishment of this task requires the concerted and coordinated action of Federal, State, and local governments as well as private initiative in non-public endeavors.

In Texas we have a growing industrial complex. Industrial demands for water are huge and expanding. This is understandable when we consider that it takes 65,000 gallons of water to produce just one ton of steel, 240,000 gallons of water to produce a ton of newsprint, and 7 gallons of water to process a single gallon of gasoline. The amount of water consumed by our principal water-using industries of the Nation in 1954 was just over 20 billion gallons a day. The amount consumed today is twice that and it is estimated that by the year 2000 it will reach a total of about 170 billion gallons per day. On top of this you can add the enormous daily demands for air conditioners, automatic washers, backyard swimming pools, and all the

## HALF-PAST TEEN

rest that go along with a modern, affluent society. The increased use in Texas is undoubtedly above the national average. All this indicates that water is destined to become more and more valuable for municipal and industrial purposes. Municipal and industrial supply has already become the most important water use in Texas and most of our conflicts will resolve around such use.

The most critical water area in the nation today is the Pacific Southwest. Available water supplies in that area are today already over-committed. Recently, the U. S. Supreme Court ended the 12-year legal fight between Arizona and California over the use of water from the Colorado River. While the Supreme Court decision favors Arizona it is doubtful whether the water awarded Arizona is physically available. There will be a local and national effort in the years immediately ahead to improve the water situation in the Pacific Southwest.

In Texas, I am certain that decisions regarding development and use of water resources should be and can be made by the people of Texas—by facing up to responsibilities and working in a true Federal-State-private enterprise relationship. The Federal role in this effort will be what the State wants it to be but the State cannot expect to have the final say on development unless

it shares the responsibility and the burdens. The Governor's Conference was a forward step in bringing together the people seeking constructive solutions to this vital problem.

Jimmy Ashford of Crowell visited in the home of Mr. and Mrs. Henry Ashford and Peggy over the weekend.

Eddie Crump of Bovina is visiting with his grandparents, Mr. and Mrs. B. H. Hayes.

Extra cord hanging down to the floor from a lamp adds clutter to the room. And it interferes with carpet cleaning. You can turn your present lamp cord into a coil-type cord. Just wrap the surplus cord tightly around a pencil, then pull the pencil out. Coiled lamp cords look neater.

**REMEMBER WHEN?**  
"Oh brother, is this contraption ever a monstrosity! Can you imagine finding space to put one of these, or even actually using it? This old 1901 Peck-Williamson water-heating stove and clothes dryer can't hold a candle to the modern, automatic, flameless electric clothes washers and dryers. Besides being completely automatic and flameless, they save so much time and energy. The electric dryer alone saves 3 hours weekly of the housewife's valuable time which she can spend with her family and clothes come out so soft, fluffy, and easy to iron, there's no telling how much time is saved just on the ironing board.

Sixty-three years sure makes a lot of difference. Visit your electric appliance dealer or the nearest WTU office."

**GIRL SCOUT DELEGATES**—Elmonette Branigan, left, and Glenna Bruce have been named as delegates to attend the national Girl Scout Roundup to be held at Sand Point, Idaho, in July, 1965, by the Quivera Girl Scout Council. Eight Scouts were named from the Quivera Council. Elmonette is the daughter of Mr. and Mrs. Elmonette Branigan while Glenna is the daughter of Mr. and Mrs. Glen Bruce.

## Memphis Girl Scouts Chosen To Attend National Roundup in Idaho

Elmonette Branigan and Glenna Bruce, Senior Girl Scouts of Memphis, were included in the recent selection of eight girls for a patrol, and Regina Hoover and Carol Ann Voyles were chosen as alternates, to represent Quivera Girl Scout Council at the National Girl Scout Roundup to be held on the 5000 acre tract of land on the shore of Lake Pond Oreille midway between Coeur D'Alene and Sand Point, Idaho, from July 17 to 26, 1965.

A selectee for a Roundup opportunity must be endorsed by her troop advisor and troop members; be in excellent health; have the ability and skills to participate as a member of a patrol and a troop in camp living, in planning activities and in hosting. She must agree to share her experience with Girl Scout and community groups before and after Roundup.

A Roundup girl has earned the privilege of saying, "Hi! Where are you from?"

These five simple words which are the culmination of years in scouting. These five words and millions more echo through the camp from morning to night, for Roundup is doing and seeing, and sharing skills and comparing cultures; but most of all, Roundup is 10,000 Girl Scouts and their adult counselors from 50 states

and approximately 20 countries talking and becoming acquainted with each other.

Attending Roundup is a thrill of a lifetime to any Girl Scout. All credit is due to the many supporters of the Girl Scout movement. Above all, the faithfulness of Mrs. Brode Hoover serving as troop leader has been an important factor. There is an inevitable era in every girl's "growing up" when it takes ingenuity of a leader to keep her interested in the Scouting program. Mrs. Hoover was successful in keeping Troop 187 active through this period by offering her time and effort toward the challenge to the girls to work toward meriting this trip. The Senior Troop has also been working the past four years toward a tour of the entire group of nine girls.

Through the efforts of Mrs. Billy Thompson, the Memphis Girl Scout Troops became affiliated with the Quivera Council. Before this time the scouts had operated as lone Troops. By belonging to the Council, all scouts are entitled to share in any of the National events as well as being able to use any equipment, training, or any service made available through the Pampa office.

The citizens of Memphis are to be commended for their support to the Girl Scout movement, which in turn makes these opportunities possible.

Other selectees from the patrol from Quivera Girl Scout Council are Becky Brewer and Susan Davis of Pampa; Sharon Hawkins, Cheryl Hensley and Mary Lynn Wright, Fritch; and Pamela Purcell of Borger.

Other alternates selected are Margaret Brewer and Prudence Skelly, Pampa; Merry Holoday, Borger; Lalynnda Sherman of Turkey; Carol Anne Howe, Shamrock; and Martha Snyder, Fritch.

Lloyd Shirley, former minister of the Church of Christ here, was a Memphis visitor Monday. The Shirley family are now living in Iowa Park.

### Ernest Guterrez Buried Monday At Estelline

Graveside rites for Ernest M. Guterrez, 39, a resident of Estelline for six years, were conducted at 2 p. m. Monday in Estelline Cemetery.

Guterrez died Friday in the Veterans Hospital in Amarillo. Military services were conducted by the Amarillo Air Force Base.

Spicer Funeral Home was in charge of burial.

Survivors include his wife, Adela; sons, Frank, Ernest M. Jr., David and Christova; daughters, Ernestine, Lydia, Esmeralda, Ofelia and Adelina, all of the home, and brothers, Cosmo of Scottsbluff, Neb., Jesus of Brownfield and Joe of Sinton.

### Girl's Basketball Team to Hold Practice at Estelline

The Estelline girls basketball team will hold the first scrimmage of the season with Roaring Springs on Monday night, Oct. 26, at the Estelline gymnasium, it was announced this week.

A return scrimmage with the Roaring Springs team is scheduled for Nov. 3 at Roaring Springs.

## Lakeview To Have Halloween Carnival Soon

Plans were announced this week for a Halloween Carnival to be held at Lakeview Gymnasium on Friday and Saturday nights, Oct. 30 and 31.

The carnival will be under the joint sponsorship of the Lakeview junior and senior classes, it was announced.

The carnival will begin at 6:30 p. m. each evening. The Grade School King and Queen will be crowned at 9:30 p. m. on Friday night, and the Junior High and High School King and Queen will be crowned at 9:30 p. m. Saturday night, Oct. 31.

### Both Football Teams Have Games Set For Tonight

The Memphis B team is scheduled to travel to Childress tonight to play the B team of that school starting at 7 p. m.

Also playing out of town will be the Memphis Jr. High team, which will travel to White Deer. White Deer is presently in a tie with McLean for the Junior High lead.

Last Thursday night the Memphis B team went to Wellington for a return match. Wellington won the first encounter earlier this season.

Thursday night, however, the game ended with a 0-0 score. It was a tough defensive ball game all the way, the Memphis coaches said.

Also last Thursday, the Memphis 7th grade team lost to the Shamrock team 8-0, in what was called a good football game here. The Shamrock 8th grade team, which is undefeated, outscored the local 8th grade lads 30-22. Both teams played good football against Shamrock, the coaches reported.

### Mrs. Eva Vaughn Passes Away At Denton Hospital

Mrs. Eva Vaughn, who lived in Denton and is a former resident of Memphis, died Monday night in a hospital in that city following a heart attack. She was a sister of E. E. Rice.

Funeral services were held Wednesday afternoon at the First Baptist Church in Sanger, Tex., with Rev. Ronnie Mallow, pastor, in charge. Burial was in the cemetery there.

Attending the services from Memphis were Mr. Rice, Si Rice, Mrs. Naomi McCravy and children. Other survivors include Mrs. Sabra Rice and Mrs. June Glosston of Memphis.

Visiting in the home of Mr. and Mrs. Roy Sneed over the weekend were Mrs. Sneed's sister and mother, Mrs. M. B. Graham of Amarillo, Mrs. A. D. Walls and Mrs. Frank Smith and Frank III of Borger.

### Brother of Rev. Sparks Dies In Oklahoma

W. T. Sparks, 70, brother of Rev. Virgil Sparks, died Wednesday, Oct. 7, in Oklahoma City.

Funeral services were held at 10 a. m. Saturday afternoon in Garrison Funeral Home in Oklahoma City. Burial was at Blanchard Cemetery.

Mr. Sparks is survived by his wife, one daughter, eight brothers and one sister.

Rev. and Mrs. Sparks, accompanied by their daughter and her husband, Mr. and Mrs. D. W. Fortberry of Lockney, attended the funeral services.

sites and equipment are made available, any promotional or educational supplies are offered upon request and the scouts may apply to attend National events such as the 1965 Roundup held

every three years. The last event is the dream of every girl scout and only by being affiliated with an accredited Council, is this possible, she explained.

In many ways any contribution is returned to our community, especially in the making of better individuals of our young girls. Mrs. Thompson asks that each citizen be as generous as possible during this 1965 campaign. Memphis shares an \$8,200.00 quota with eight other small towns. No one will want to let Memphis down in the support of our young people.

Rev. Richard Avery, Mrs. H. J. Howell and Mrs. Elmont Branigan are serving as sub-chairmen and will in turn be enlisting the aid of many others as volunteers in making this the most successful campaign for the Quivera Council.
