Cotton Harvest Report Shows 3,951 Bales

With Hall County's 14 gins reporting 3,951 bales ginned as of this morning, it is apparent the 1964 cotton harvest is one of the latest in years. As of Nov. 14, 1963, 19,275 bales had been ginned, to give a comparison.

The weather has been dry the past few days and some gins reported that they have been ginning some cotton, however most farmers are waiting on a killing frost.

Also, farmers have said that the freeze, waiting as long as it has, is allowing the late cotton to make more than previously expected.

K. E. Voelkel at the Memphis Cotton Classing office said last week's rains halted most field operations. The office classed 3,700 samples during the week ending

Estelline Team To Play At Morse Friday

The Estelline Bear Cubs will close out their 1964 football schedule at Morse Friday night and are heavy favorites to win the game.

Losing their important contest to Guthrie last Friday 28 to 6 the Bear Cubs are in second place going into their final game, in District 4-B (8-man).

Before one of the largest crowds to attend a football game in Estelline in a number of years, the Bear Cubs mustered their only scoring effort in the fourth quarter when Ronald Mullin carried over from the seven yard line.

The Bear Cubs have a six win, two loss record for the season under Coach Jimmie Don Adams and Assistant Coach Bob Askey.

Quail Hunting Begins Saturday In Hall County

Saturday, November 13 through January 31, 1965, will be dangerous days for quail in Hall County for these are the hunting season dates as announced by the Texas Game and Fish Commission.

The bag limit is 12 birds per day with 36 in possession for Hall County. Reports from over the county are that plenty of quail are around but they will be hard to find.

Shooting hours will be one-half hour before sunrise to one-half hour after sunset for all game birds and animals.

Shotguns must be plugged to three-shell capacity and may not be larger than 19 gauge when hunting game birds. It is legal to hunt quail with rifles, the Commission said in their 1964-65 hunting pamphlet.

last Friday which made the season's total amount to 13,000, considerably less than the 37,000 classed at the same date a year ago.

The quality of cotton classed was slightly lower in grade compared to the previous week. White grades represented 39 percent and 61 percent were in the colored category. Eight percent of the cotton was spotted compared with three percent last week.

The average staple length con-

tinued to be 15-16 inch with 55 percent in this length. The staple length of the cotton ginned thus far is somewhat longer than last season as of the same date, Voelkel said.

Micronaire readings continued to be high with only one percent less than 3.5. There was no change in the Pressley tests.

Mrs. McCracken, Hedley Resident, Buried Friday

Funeral services for Mrs. Walter McCracken, 74, were held Friday, Nov. 6, at 2:30 p. m. at the First Baptist Church in Hedley with Rev. M. A. Childers, pastor of the Buchanan Baptist Church in Amarillo, officiating.

Burial was in the Rowe Cemetery in Hedley with services under the direction of Spicer Funeral Home.

Mrs. McCracken, who passed away in the Hall County Hospital on Thursday, Nov. 5, at 12:15 a. m., was a resident of Hedley for 23 years and was a member of the First Baptist Church.

The former Julia Reeves, born on April 26, 1890, was united in marriage to Walter McCracken on Sept. 3, 1911 in Gainesville.

Mr. McCracken is a retired farmer and farmed in Hall and Donley counties.

Survivors include her husband; one daughter, Mrs. Annie Mae Riddle of Amarillo; two brothers, Bud Reeves of Dallas and Burnie Reeves of Gainesville; one sister, Mrs. Mae Lorraine of Muleshoe; one granddaughter; and four great-granddaughters.

Pallbearers were Jess Mann, Ross Springer, Hobart Moffitt, Roy McKee, Ike Rains, and W. G. Barker.

Memphis FFA Chapter Begins Pig Circle

The Memphis FFA Chapter, in connection with the Sears Foundation, has established a Chapter Pig Circle.

The Sears Foundation has purchased four registered Hampshire gilts for the Chapter. These gilts are given to the FFA members who raise them and return a gilt from the first litter of pigs to the chapter.

The gilts were purchased from Yucca Farms, Canyon, and Bob Christie, Idalou.

FFA Boys To Compete In Dist. Contest

A large number of FFA boys from Memphis, Estelline and Lakeview will travel to Childress Saturday morning to compete in the Greenbelt District FFA Leadership Contest.

The contest will begin at 9 a. m. in the Childress High School.

Neal Hindman, Memphis Voc. Ag. instructor, named the following Memphis boys who will serve on the junior chapter conducting and FFA quiz teams: Chipper Baker, Jeff Moore, Tony Pate, Gary Rea, Gary Murdock, Sammy Houston, Paul J. Smith, Jerry Hall, Gaylon Clark, Rocky Moore and Lanny Crow.

The senior chapter conducting team for Memphis will consist of Mark Phillips, Danny Clack, Johnny Crawford, Neal Hugh, Larry Gaston and Jessie Murdock.

The farm skill demonstration team composed of Jessie Murdock, Carl Houston, Danny Greenway and Jimmy Stewart, will represent Memphis.

The Memphis radio broadcasting team will consist of Jimmy Srygley, Mike Nabers and Tim Sparks.

Lakeview's senior farm skill team will consist of Dana Gibson, Rodney Sams, Allen Miller and Johnny Earl Thomas, Barney Bevers, sponsor, said.

The junior skill team will consist of Don Proffitt, Norman Miller, Cecil Wright and Freddy Mestas.

Lakeview's senior chapter conducting team members are Bob Neal, Jimmy Earl Duke, Kirk Anderson, Rodney Sams, John Earl Thomas, Kirby J. Hatley, Roy Sanders and Dana Gibson.

The junior chapter conducting team has Don Fronterhouse, Mickey Nabers, Norman Miller, Don Proffitt, Cecil Wright, Freddy Mestas and Jackie Blum as members.

Estelline sponsor T. H. Saey stated they would enter two teams.

The junior chapter conducting team includes: Bob Wood, Larry Browning, Randy Collins, Mike Hughes, Laddy Kent Fowler, Jimmy Rothwell, Emilio Contreras and Gayland Bragg.

The senior team consists of Jay Holland, Berry Welch, Triston Mabry, Gary Walker, James McMinn, Ray Henry, Jimmy Diggs and Eddie Bragg.

Farm Demonstration Tour Scheduled For Nov. 16th

Estelline School Board Sets Saturday, Nov. 21 As Date For Tax Election

J. H. LOVELADY

J. H. Lovelady To Speak At TSTA Meet Mon.

It was announced this week the Hall County Unit of T.S.T.A. will have its first meeting Monday night, November 16, at 7 o'clock in the Travis School Cafeteria. John H. Lovelady, Austin, will speak to the group on Legislation.

Lovelady is a former classroom teacher, coach, principal, and assistant superintendent before becoming a member of the headquarters staff of TSTA. He is well versed in the various phases of public school education and challenges facing our schools today.

Mr. Lovelady is Assistant Director of the Field Service Division of TSTA, is state consultant for the Texas Future Teachers of America, and is the TSTA staff consultant for the State TEPS Committee. He has appeared before teachers organizations, parent-teacher associations, and other interested groups throughout the state of Texas.

Mr. Lovelady is a graduate of the University of Texas and received a Masters Degree from Texas Western College in 1948.

Funeral Services Held Wed. For R. L. Wheat

Funeral services for Robert Louis (Monk) Wheat, 68, a lifetime resident of Memphis, were held at 10 a. m. Wednesday in the First Baptist Church with the Rev. Fern A. Miller, pastor, officiating.

Burial was in Fairview Cemetery with services under the direction of Spicer Funeral Home.

A former Hall County assessor-collector and an employee of the Memphis Compress Company, Mr. Wheat died at the Memphis Hotel where he was living.

Mr. Wheat was born December 27, 1895, in Hall County. He was a veteran of World War I and received the Purple Heart and Silver Star. He was a corporal in the infantry and landed in France with Perishing's 1st infantry division.

Surviving are two sisters, Mrs. Emma Baskerville of Memphis and Mrs. Glenn Q. Street of Graham; two nephews and four nieces.

Active pallbearers were Oren Jones, Edwin Thompson, Billy Thompson, Mac Tarver, Byron Baldwin and Hiram Crawford.

Honorary pallbearers were Ben Hillhouse, L. O. Dennis, M. M. Sherley, Odie Jones, Dot Webster, L. A. Stilwell, L. W. Stanford, H. H. Lindsey, Hubert Dennis, Herschel Pounds, Thomas Clayton, Milton Ellis, L. C. Paris, Mack Graham, R. A. Shaw, Mackie Allen, Raymond Ballew, and W. C. Nabors.

The Estelline School Board has set Saturday, Nov. 21 as the date for the School District to vote on Senate Bill 116, Superintendent of Schools JoEd Cupell announced this week.

The election will be held at the High School Building between the hours of 8 a. m. and 7 p. m. All resident, property owning tax payers who are eligible voters will be entitled to vote in the election, Supt. Cupell said.

In connection with the election, a meeting to explain the issue before the voters has been called for 7 p. m. Thursday, Nov. 19, in the Estelline School auditorium.

The issue before the voters will be whether or not to authorize the board to raise maintenance tax to a maximum of \$1.50 per \$100 valuation plus the necessary amount to meet bond of indebtedness.

Citizens in the Estelline district are encouraged to be at the open meeting next Thursday night so that the provisions of Senate Bill 116 can be explained.

Future Growth In Communication Explained Wed.

J. D. Williams, transmission and protection engineer of General Telephone Company of the Southwest, was guest speaker at the local Lions Club meeting Wednesday. His subject was Communication in the Space Age.

Engineer Williams, who resides at San Angelo, was introduced by Wayne Goodrum, district manager of the telephone company, who was program chairman.

Prior to the program, K. B. Chick was presented with a "four piece bedroom suit" as a winner of the recent fund raising drive of the Boy Scouts. Chick received a pair of pajamas and a pair of house shoes.

The speaker discussed expansion of energy from the concept of the grade school pupil to that which is now used in satellites.

He illustrated his talk with slides, and brought his audience up-to-date on world-wide transmission as it is made possible by "Syn-Com III" which was used in coverage of Olympic games in Tokyo.

Williams outlined the use of (Continued on Page 10)

A tour of farm demonstrations in Hall County will be held Monday, Nov. 16, according to W. B. Hooser, county agricultural agent. The tour will leave the courthouse in Memphis at 9 a. m. and will end at 12 o'clock noon in Memphis.

Places of interest to be visited by the group include a cotton variety test and bed row demonstration on the Otis Stilwell farm. Next, a Midland bermudagrass plot will be visited on the Phaeton Alexander farm.

"Next we will visit a most interesting cotton nematode demonstration at the Paul Smith farm. This nematode control result demonstration was put out under the direction of Dr. Robert W. Berry, area plant pathologist, on April 7. Much damage has been caused on many farms by nematodes and fusarium wilt nematodes, and the demonstration should prove interesting," Agent Hooser said.

Another highlight will be a bindweed research demonstration on Mrs. M. L. Thornton's farm. On the Wayne Hutcherson farm, tour participants will see another cotton variety test and bed row planting result demonstration. The last stop, a cotton fertilizer result demonstration, will be seen at the R. A. Eddleman farm.

"Outstanding agricultural representatives from experiment stations, the Extension Service, and other representatives will be present to explain these demonstrations," Hooser said. "This will be a very educational demonstration Field Day tour, and every county farmer is urged to attend."

The demonstration will be co-sponsored by the Memphis Chamber of Commerce and Hall County Board of Development, and the Hall County Farm Bureau. Buses will be furnished by Memphis High School. The co-sponsors will furnish cold drinks during the tour, and also the banquet at the noon hour.

Post Office Assists In Livestock Survey

Rural mail carriers from the Memphis Post Office will leave livestock survey cards along their routes beginning November 13.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster Glynn Thompson explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Mr. Thompson said. "For this reason, it is important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Cyclone Hosts Bucks Of White Deer Fri.

The Memphis Cyclone, playing without the services of QB Jimmy Sturdevant, will tangle Friday with the White Deer Bucks in Cyclone Stadium Kickoff time is 7:30 p. m.

The Bucks, undefeated in District play and with only one defeat for the season, will try to make a clean sweep of District 2-A teams and will be heavy favorites to win the game.

The Cyclone suffered a blow late Wednesday afternoon when Jimmy Sturdevant received a broken finger in the final workout of the squad. Coach Charley Chambless said Hoot Jones would command the team in the offense against White Deer.

"Sturdevant looked real good in the final workout this week and we were counting heavily on him, but injuries are something you never know when they will happen," Coach Chambless said.

Mike Branigan and Durwood Wilkinson are other seniors who will not see action against White Deer, Coach Chambless said.

White Deer with their power plays running from a winged T

formation, mixed with a good passing game, have been favorites to win all season and are considered the top Class A team in the Panhandle.

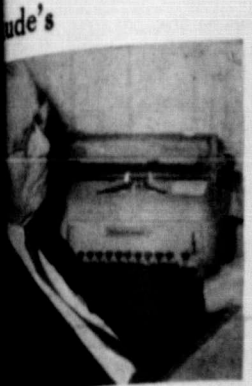

"They don't have any one outstanding player but all their boys are good football players and they have outstanding team effort on offense and defense," Coach Chambless said. No. 55 Eddie Kleibrink, a 203 lb. back and No. 54 Danny Lane a 230 lb. tackle are their best. They have plenty of depth and have a powerful running attack and tough defense.

"Naturally we would like to defeat the district champions coached by Colle Huffman, and if our boys play forty-eight minutes of hard hitting football and make few mistakes we will have a fine football game," Coach Chambless said.

Seniors, playing their last football game for MHS include: Hoot Jones, Billy Ed Thompson, James Waites, Mike Crow, Jerry Beasley, James Odom, Richard Ellis, Jackie Beavers, Larry Wynn, Larry Helm, Chipper Baker, Donnie Bridges, Jack Stargel, John Ferrel, and Toby Crooks.

Comments

In the past five or six weeks, a lot of thinking, but not writing my Comments.

...the early days of civilization there were no newspapers along the happenings, so passed along and each changed—thus resulted in imaginations—used song.

...newspapers became means of letting people over the world know what happened and what is happening. And in the business information is given concerning the happenings in community.

...there are many newspapers that give their best to assist citizens, cities and communities as its citizens, to better and more prosperous lives.

...not necessarily the loss of memory that both people get older. During their lives they have stored away in their brains not only pertinent but a lot of trivia that they have been allowed to store in memory brain filing cabinets. Instead of loss of memory, it takes longer to find what cabinet that contains what was wanted. So, it behooves us to be the best, and forget not.

...been said: "Master yourself, you can master anything." You can move mountains. He can change the course of rivers. He can bounce radio signals off the universe, equipped with a talk back to the earth, cameras to take pictures of the earth. But there is one thing that science can't do. I hope it never will be done. Character. Character is each must build for himself. It is the law of God.

...most of all—out of the errors of daily life.

Nov. 14, 1968: Dr. Stidham, a professional hunter, shot one of 11 coons, shot one jumped on the dog and killed it. Dr. then killed the coon. Too much to carry but did carry one that weighed 14 pounds, and the other weighed 36 pounds.

...most precious thing anyone can have is goodwill. Goodwill is something as precious as a gold mine and as hard to find; as great a turbine, and as difficult to keep. It is one asset that competitors undersell and cannot copy.

Nov. 11, 1968: A Grundy new auto in Dallas, Texas. C. E. Clark, Jim Richards and Editor R. B. Walker of Estelline, came back to Memphis. This was evidently Estelline's first auto.

...can be built up and along public conduct in most cases it has been and is being cultivated in the lines of private conduct. Who thinks about (Continued on Page 10)

EDITORIAL

Are We Patriotic?

Usually when the subject of patriotism is brought up during an election year, citizens either brace themselves for a lecture on how disloyal the public is and how little love is shown toward our country. Sometimes the criticisms have merit, but normally they are used to try and persuade the thinking of the audience to a pre-explained course.

However, we would like to explain that this editorial is written to express to the citizens of this area the much-used expression, "keep up the good work." Surprising as it might seem, within the past year, definite progressive steps have been taken in this area of public life and our citizens should be commended.

Last spring a delegation of 8th Grade Students of Memphis, under Hubert Dennis, requested the Hall County Commissioners Court to erect flag poles at the Courthouse and Hospital. Now (as of two weeks ago) the American flag flies on these two poles. Also, poles stand at the school buildings, the post office, the City Hall and the American Legion Post.

One of the most impressive ceremonies seen each fall is the flag raising ceremonies at the Cyclone Stadium. The Boy Scouts are to be commended for their participation. This may seem a small matter, but last week at the Cyclone-Broncho game, it was noticed that local fans were looking for the flag when the Clarendon band played the National Anthem. None was to be found.

The American Legion Post can be commended for their memorial services and for taking steps to offer a flag service to local business firms on appropriate days.

All these serve to be constant reminders to our citizens that patriotism in its meaning . . . love and loyal or zealous support for one's country . . . is not dead in our area.

Cost Of Education Going Up

Citizens of this county are aware of the continuing increase in the cost of education. The reasons are many, and are discussed and debated by school board members and administrators, as well as parents, when the issue is faced.

This county will meet its obligation to give its youth the best education possible, from the first grade to the twelfth, and guard against any regression in this vital function of society.

What is not recognized from the general standpoint is the mounting cost of higher education. This was brought home last month when it was announced in Austin that an increase in state expenditures in this category be increased by \$107,000,000. At the same time it was proposed to double tuitions in state colleges and universities.

The Texas Commission on Higher Education recommended a \$457,100,000 budget for upper level institutions during the 1956-67 biennium.

Tuition's under the Commission's recommendation would be hiked from \$50 to \$100 a semester. It was pointed out that the last increase was in 1957, when the rate was raised from \$25. If the Legislature approves this hike, revenues should be boosted \$33,000,000—leaving some \$74,000,000 more needed from tax funds.

Overall budget increase of 45.2 per cent would permit a 23 per cent faculty salary raise. Previously, the Commission had asked a \$5,900,000 supplemental appropriation for faculty salaries.

Whatever happens, the pressure will continue to be applied to meet these increased costs. In the final analysis, local citizens can prepare to pay out more money to educate the youth of this state.

What Other Editors Say

Rogers Will Continue Too
Congressman Walter Rogers has been returned for another term in the House of Representatives, and concerned citizens of the Panhandle of Texas should be pleased and relieved.

The campaign against Congressman Rogers was not based on issues, but on a tissue of prejudice and fabrication in its final stages . . . an emotional appeal to the provincialism of the Panhandle . . . an appeal which made the Panhandle Congressman out to be a sort of carpetbagger from Chevy Chase, Maryland, who was seeking election under false pretenses.

Seldom have been seen a more underhanded attack, or a more unreasoning one . . . and the disheartening conclusion, on the basis of the election returns, is that it was to some extent effective.

Walter Rogers is a long-time citizen of the Panhandle of Texas, a man who understands his district and represents it well. To attack him as an outsider and an interloper because he makes his home in a suburb of Washington, where he was sent to represent the Panhandle district in the national Congress, and not in Pampa, Texas, which is an unrealistic commuting distance from the halls of Congress even in the jet-age, is patently ridiculous . . . but the manner in which the attack was made, and the language in which it was couched, couldn't be laughed off.

Congressman Rogers is one of the most respected men in Congress. He is a member of two important Congressional Committees. Because of his ability, his willingness to work, and his substantial tenure in office, he is achieving a position of usefulness to his district and to his nation which we could ill afford to discard. And that is exactly what would have happened had this irresponsible attack on a conscientious representative succeeded in unseating him.

Reputations are not made in Washington overnight . . . and positions of influence in the committees of Congress are not delegated to newcomers. Contrary to some opinions, they have to be earned . . . and they go to the capable, not the opportunist.—The Canadian Record.

Texas Democrats Have a Challenge
Texas Democrats face a real challenge in piling up a big vote for the party in November. San

Marcos and Hays county have a more particular challenge.

One of Our Very Own, President Lyndon B. Johnson, the first Texan ever to serve as President, is leading the party and must be given the overwhelming majority vote which he deserves.

If ever there was a reason for people of this county to support Lyndon Johnson it is this year. True, he has always carried the county by good majorities, but this year, more than ever before, it is to be desired that the people who know him best and who have watched him intimately from the days when he was a student "on the Hill" bestir themselves in his behalf and between this time and November 3 demonstrate their confidence in their friend who is leading this Nation, and further express their pride that a boy from the Hill Country of Texas has achieved the position which he holds as head of the greatest nation on earth.

Without trying to detract one whit from the qualifications of his opponent (although it would be fairly easy to do so), we in this area—and all people in Texas—can say with confidence that Lyndon Johnson, our friend, is the best qualified person in the United States for the office which he now holds and to which he seeks his first elective term.

Texans have rallied around Lyndon Johnson and they will increase the tempo and the volume of their support during the next weeks until a majority five or six times as big as that given the Democratic ticket in 1960 will be piled up for President Lyndon B. Johnson.—San Marcos Record.

Scientists have developed 75 ways in which to catch a common cold. This is pure research and deserves the applause of millions of Americans who can collaborate the findings. A non-professional, influenced by a desire to contribute his small portion to discovery, is trying to make the total 76.

He is sleeping with his feet in the refrigerator. It seems logical that if science can not cure the cold, it would defect to the side where the odds are better.

You hear less and less about nightmares. This is brought about by a change in conditions in the daytime. The daymares of modern life exhaust most people to the extent that he count nightmares to produce slumber and relaxation.

Pity the man who would build a fence around his life to keep out the world. He has made two mistakes. First, the world does not care, and, second, he has made himself a prisoner.

Some cemeteries have been moved to provide room for highways. On the surface this appears ironical in view of the number of cemeteries that the highways have filled. When the saturation point is reached it may be necessary to turn to the highways for room to intern their victims.
—Matador Tribune.

Political science is the art of knowing how to point with pride to the same things you viewed with alarm when your opponent held the office.

Drive carefully — an accident could make your vacation permanent.

Mrs. Don Gailey Shower Honoree

Complimenting Mrs. Don Gailey, former Nikki Clements of Lakeview, Mrs. Carroll Fowler presided at a lovely bridal shower on Thursday evening at the home of Mrs. Gailey in Lakeview. The bride and groom were joined in matrimony at 7:30 to 9:00 o'clock presided by Mrs. Fowler and assisted by a receiving line composed of the bride's mother, Mrs. C. Clements and Mrs. A. C. Clements, sister of the bride, Mrs. Diane Gailey, and Miss Diane Gailey, sister of the groom, presided at the reception. The bride and groom registered to secure signa-

cy Fowler. Miss Susan Sams, at the piano, played appropriate musical selections throughout the party hours. On display in three rooms of the party suite was a lovely array of beautiful and useful gifts. Approximately 70 guests called during the receiving hours and many other friends sent gifts. Among the out-of-town guests were Mrs. Odis Coats, Mrs. Claude Sledge, Mrs. Alex Saied, Mrs. Clinton McGee, Mrs. Clifton Morgan and Mrs. Jim Martindale, all of Childress.

Mrs. Robt. Hanvey Hosts Atalantean Club Members

Mrs. Robert Hanvey was hostess to members of the Atalantean Club on Wednesday afternoon at her home, 821 South 7th Street. A short business session was conducted by the president, Mrs. Robert Spicer. Mrs. Robert Sexauer, program chairman, introduced the program, "Knowledge of the Young and Gay." The program feature was a review of Gerald Green's "The Portofino, PTA," given by Imogene King. The book gives a hilarious account of innocents abroad describing the adventure of the Green family on the Italian Riviera. Refreshments carrying out an autumn theme were served by the hostess, assisted by her daughter, Robin, to the following: Mmes. Milton Beasley, K. B. Chick, J. W. Coppedge, W. C. Dickey, Walter Diggs, N. A. Hightower, Claud Johnson, C. W. Kinslow, Cecil McCollum, D. A. Neeley,

Mrs. Irons Is Guest Speaker Ophelia Club

Jeanette Irons spoke to members of the Ophelia Club on Tuesday evening at the home of Mrs. Joe Irons in Estelline. Refreshments were served to the following: Mrs. Gayle Fowler, Jack Boney, Milton Beasley, William Collier, Mrs. Jones, Bo Hightower, Mrs. Wood, Rab Holland, Jimmie, Joe B. Allen, Mrs. Nivens, and hostess, Mrs. Nivens.

Les Sims Home Is Scene For Baptist Youth "Cook-out" Saturday Night

Members of the Young People's Sunday School Department of the First Baptist Church and their guests were entertained Saturday night with a "Cook-out" in the back yard at the home of Mr. and Mrs. Les Sims. The boys class, with their teacher, Mr. Sims, were hosts to the group. The yard was attractively arranged for the occasion with bales of hay arranged to seat the group. A delicious meal of charcoal broiled steak, baked potatoes, tossed salad, beans, relish dish, fruit salad, hot rolls, butter and tea, hot chocolate or coffee were served. Following the meal, the group enjoyed a variety of party games. Pictures were taken by Byron Baldwin.

Neighbors, Mike Webster, George Miller, Larry Parks, Larry Gaston, Hoot Jones, Jerry Moss, Carl Houston, Garland Moore, Mike Linder, Jimmy Roden, Larry Helm, Bob Neal, Mike Pounds, Mark Phillips, Harvey McMurry, Wayne Sweatt, John Ferrel, Gary Sims, Randy Dale, Jimmy Stewart, Jim Ed Wines, Dawn Ann Yarbrough, Billy Ed Thompson, Gary Gentry, Patsy Murdock and Mickey Don Daugherty. Also Mr. and Mrs. Cliff Pedersen, Byron Baldwin, Mr. and Mrs. A. L. Gailey, Mr. and Mrs. Wendell Harrison, Mr. and Mrs. L. F. Jones, Mr. and Mrs. Kenneth Dale and Mr. and Mrs. Les Sims.

Mr. and Mrs. E. J. Anderson of Knox City and Mrs. Layton Mayes and girls, Stephanie and Christie, of Quannah spent Monday night with Mr. and Mrs. Henry Ashford and Peggy.

Liquor is a lubricant only if a man happens to be going down hill.

Mr. and Mrs. O. E. Bevers and Barney To Be Honored With Housewarming

Mr. and Mrs. O. E. Bevers and son, Barney, long-time residents who moved into their new home in Lakeview last week, will be honored with a housewarming Sunday afternoon, Nov. 15, between the hours of 2 to 5 o'clock. Hosts for the occasion will be Lakeview friends of the couple and their son. Heading the entertain-

ment committee are Mrs. O. L. Favors, Mrs. H. M. Thompson and Mrs. Herbert Payne. A cordial invitation is extended all friends in the area to attend the housewarming Sunday afternoon, members of the hostess committee stated.

Myrtis Phelan, Robert Philpot, J. A. Odums, N. R. Scott, Robert Sexauer, Glynn Thompson, Ralph Williams and Miss King. The next meeting of the club is scheduled for Nov. 18 at 3 p. m. in the home of Mrs. O. M. Cosby, Jr.

Mr. and Mrs. E. J. Anderson of Knox City and Mrs. Layton Mayes and girls, Stephanie and Christie, of Quannah spent Monday night with Mr. and Mrs. Henry Ashford and Peggy.

Delphian Club Features Program On "Health" Tues.

The Delphian Club met Tuesday, November 3 in the home of the president, Mrs. C. C. Hodges. Routine business was conducted by Mrs. Hodges. Program chairman, Mrs. Ben Wilson, Jr., introduced the program on Health. Continuing the theme, Prospectus, Mrs. Wilson stated that the program was to guide in studying progress in medicine. She read a quotation from Aristotle: "The physician heals; nature makes well." Mrs. Keith Cunningham brought a meditation, "Peace of Mind." She stated that peace of mind is a spiritual quality obtained only through a trust that is stayed on God. Trust means an assured reliance on another. Trust is man's work; peace is God's. Each man should test his own work and try, not for second place, but for first place. She closed with a poem, "Stay My Troubled Heart".

Mrs. O. R. Goodall's subject was "Miracles For Surgery". She traced the history of surgery from its beginnings in the misty dawn of antiquity to the life-saving miracles of today. The early Egyptians knew some surgery. The Hebrews did Caesarian sections. The Greeks gave the world Hippocrates, the father of medicine. The Romans brought surgery to greater perfection. Surgery has developed by three great steps; the principle of anatomy, which showed surgeons where to cut; the use of legature, which showed how to control hemorrhage; and the introduction of antiseptics, which showed how to be clean. Anesthesia came into use in 1840; Sulphas in 1935; and Penicillin in 1940. In this day of surgical miracles there is no corner of the human anatomy, however remote, that cannot be explored with safety.

Mrs. Mildred Stephens' subject was "New Vistas For The Handicapped," with special emphasis on easy to wear clothes for women. Top American designers are showing an understanding and creative genius in clothing of this type. This revolutionary new therapy for the handicapped through functional fashions has

BRIDE-TO-BE—Mr. and Mrs. W. R. Scott announce the engagement and approaching marriage of their daughter, Mary Sue, to George Truman Miller, son of Mr. and Mrs. Jim Miller. Vows will be exchanged on December 19 at 6 p.m. at the Travis Baptist Church. All Friends of the families are cordially invited to attend the wedding.

the field of designing are opening. Texas, along with other states, has a training program for handicaps in the Good Will Industries, where only handicaps are employed. They are paid a small salary while they learn an occupation.

Mrs. Stephens stated that Mrs. Goodall had been directing handicraft at Cousins Home. New Vistas for the aged have opened as they have made such items as jewel boxes, waste baskets, and ash trays.

A delicious salad plate was served to Mmes. W. C. Dickey, O. R. Goodall, J. S. McMurry, Jim Reeves, R. C. Clements, Clyde Smith, Ben Wilson, Jr., Henry Hays, A. Anisman, Frank Finch, Keith Cunningham, Rayford Hutcherson, Joe Bob Browning, Mildred Stephens, Carrol Gardenhire, Rodney Bice, Neal Hindman, Miss Maud Milam, one guest, Mrs. Betty Shahan, and the hostess, Mrs. Hodges.

GUESS WHO? . . . Few fans of this young male star would recognize him in a guest star role he has . . . and that's the way the producers want it. Being made up is Tony Curtis.

"Must have had a 50-year-old Rolls..."
"Come on now..."
"Amazing..."

The world's leading car magazines say the Ford 1965 is the best car ever made.

The 1965 Ford rides quieter than a Rolls-Royce!

Test drive Total Performance '65...best year yet to go **FORD**

To the 5 out of 10 people who didn't believe this ad... a sporting proposition

- New swept-back instrument panel adds five inches extra knee room. ■ Transmission tunnel is lower than in competing cars for extra foot room. ■ Trunk has more usable space than ever—holds four 2-suiters standing upright.
- Smooth, thrifty all-new Big Six in other models—the most powerful standard Six offered by any car in Ford's class. ■ V-8 options to 425 hp.
- All Ford automatic transmissions have 3 speeds, not 2 as in many competing cars. ■ Fully synchronized manual transmissions—you can even shift down to first without clashing gears.

- New ultra-luxurious LTD series—unmatched by any other car in Ford's class.
- Silent-Flo ventilation (standard on 4-door hardtops) removes stale air, provides fresh air even with all windows closed. ■ Exclusive new twin-edge key—works with either side up.
- Hot, but hushed, 289-cu. in. V-8 is standard equipment in XL and LTD models.

If all this sounds like a lot for one car to offer... take a test drive. See why more people are buying Fords than ever before in post-war history.

"THE HOUSE OF BETTER VALUES"

Nikki Clements, Donald Gailey Marry In Pretty Home Wedding

In a pretty home ceremony, Miss Nikki Clements, daughter of Mr. and Mrs. R. C. Clements of Lakeview, became the bride of Donald W. Gailey, son of Mr. and Mrs. A. L. Gailey of Memphis, on Saturday evening, Oct. 31, at 6 o'clock.

The Rev. R. C. Nixon, pastor of the Lakeview Methodist Church, read the double ring ceremony in the home of the bride's parents. Only immediate members of the two families were in attendance.

Vows were read before a nuptial space decorated with floor baskets of white gladioli and greenery.

Pre-nuptial selections were sung by Misses Minka Sims and Gina Berry. Miss Sims sang "Always" and Miss Berry sang "Whether Thou Goest." The vocalists were accompanied by Miss Susan Sams. Mrs. Carroll Fowler played the traditional wedding march for the processional.

Given in marriage by her father, the bride wore a winter white crinkle wool dress accented with blue accessories. Her halo-type hat was studded with rhinestones and she carried a gold-throated orchid atop a white Bible belonging to the groom's mother and carried by her at her marriage. Her only jewelry was a double strand of pearls.

The only attendants were Miss Karen Clements, sister of the bride, who served as maid of honor, and Dwight Gailey, brother of the groom, who was best man.

Miss Clements was attired in a dress of royal blue wool mohair complemented with matching accessories. She wore a corsage of feathered carnations.

Mrs. Clements, mother of the bride, chose for her daughter's wedding a gold silk linen packet dress accented with printed tapestry shoes while the groom's mother, Mrs. Gailey, wore a green silk shantung dress with matching accessories. Both wore corsages of white feathered carnations.

Reception

Immediately following the wedding, Mr. and Mrs. Clements were hosts at a reception. The bride's table was laid with a white linen cloth with cut-out designs embroidered in blue. Centering the table was an arrangement of blue carnations. The two-tiered wedding cake was topped with a miniature bride and groom under-

MR. AND MRS. DONALD W. GAILEY

neath miniature wedding bells.

Mrs. Gailey attended Lakeview High School and was a member of the senior class. She has been most active in all school activities and was a member of the Lakeview tennis team that took state honors last year.

The groom is a graduate of the Memphis High School and is presently attending Texas Tech College, Lubbock, where he is a junior student.

The newlyweds are at home at 2902 3rd Place, Apt. G10, Lub-

bock.

Mrs. Gayle Fowler Is Guest Artist At Travis PTA

The Travis Parent-Teacher Association met Tuesday evening, Nov. 10, at the Travis Cafetorium.

The invocation was given by W. M. Kilpatrick. After a short business session, Mrs. Gayle Fowler, guest, artist, presented "Increasing Educational Opportunities Through Art."

WSCS Circle Meets For Study In Church Annex

The Alpha Circle of the Woman's Society of Christian Service met Monday, Nov. 9, at 9 a. m. in the Methodist Church Annex.

Mrs. Ed Hutcherson led the program based on the annual Conference Report when the following officers and secretaries of lines of work gave the report and recommendations of their conference officers and secretaries: Mrs. F. W. Foxhall, president; Mrs. Ed Hutcherson, vice-president; Mrs. R. S. Greene, recording secretary; Mrs. J. W. Coppedge, treasurer; Mrs. W. J. McMaster, secretary program materials; Mrs. L. G. DeBerry, secretary missionary education and service; Mrs. O. M. Gunstream,

secretary membership cultivation; Mrs. J. W. Oliver, secretary spiritual life cultivation; Mrs. Ben Parks, secretary campus ministry; Mrs. W. F. McElreath, secretary supply work.

Mrs. Hutcherson prepared a beautiful worship setting of the annual meeting title, "To Make Christ Known," with lighted candles and a ceramic head of Christ, which she had made.

Mrs. Foxhall told of the changes for the quadrennium, as explained on a dress pattern designed for the District Workshop. It was a new style with the changes in the work written on each piece of the pattern. Mrs. Oliver gave the closing prayer.

Those present other than the above named were Mmes. J. B. Thompson, Myrtis Phelan, Bess Crump, and M. N. Orr.

Some men who desert their wives shouldn't be charged with desertion. Most of them are in reality refugees.

B&PW CLUB OFFICERS—Eva Mae Weaver of Wilcox Falls, District 10 Director, B&PW Club, is shown above second from the left, with club presidents from Memphis, Memphis and Childress. The picture was taken at the inter-club meeting here on Thursday night of last week at which Mrs. Weaver was the featured speaker. Shown with her are Mrs. Byron Duncan of Wellington, Mrs. Weaver, Kathleen Latimer, vice-president of the local club; and Lois Stine Childress.

Competitive Bids To Be Made On Post Office Bldg.

The Post Office Department is seeking competitive bids for an improved building to house its postal operations at Turkey, Texas, Postmaster General John A. Grenouki announced yesterday. Under the Department's Lease Construction Program, a contract will be awarded to the bidder who designates a building suitable to the Department's needs and agrees to improve it according to departmental specifications and then lease it to the Department for a basic period of ten years, with two 5-year renewal options. The Department's capital investment will be limited substantially to postal equipment. The building will remain under private ownership, with the owner paying local real estate taxes. Bidding documents will be available today and may be obtained from V. E. Bell, Real Estate Officer, P. O. Box 1386, Lubbock, Texas 79408. Mr. Bell will supply bidding forms, specifications, lease provisions and other information. Bids must be submitted to the real estate officer not later than December 5, 1964.

Hall County Soil Conservation

The U. S. Department of Agriculture's Soil Conservation Service has consolidated its Washington-Field Technical Staff into four centers known as Regional Technical Service Centers, according to an announcement by D. A. Williams, SCS Administrator, Washington.

The South Regional Technical Service Center is located at Fort Worth, Texas, and serves the State Offices and Organizations of Texas, Oklahoma, Louisiana, Arkansas, Mississippi, Tennessee, Alabama, Georgia, North Carolina, South Carolina, and Florida, and Puerto Rico and the Virgin Islands.

Other Service Centers are located at Portland, Ore., for the West, Lincoln, Neb., for the Midwest, and Upper Darby, Pa. for the Northeast. The centers consolidate Washington-Field offices of the SCS that have been at 12 locations. The center at Fort Worth, headed by H. B. "Joe" Martin as Field Representative includes an engineering and watershed planning unit, a cartographic unit, an information unit, a soil correlation staff, specialist in agronomy, biology, plant materials, range, woodland, resources development, and an administrative officer. The engineering and watershed planning unit and the cartographic unit have been in Fort Worth for a number of years, serving SCS State Offices in Texas, Oklahoma, Arkansas, Louisiana and New Mexico. Under the consolidated program these two units will continue to serve Texas, Oklahoma, Arkansas and Louisiana. The center at Portland will provide cartographic and engineering and watershed protection services to New Mexico.

Martin has been State Conservationist for the Soil Conservation Service in Louisiana for 24 years. He worked in Fort Worth from December, 1935 until August, 1938 as assistant in the section of the erosion control practices.

The consolidation move by the Soil Conservation Service, bringing together in one place the different specialists, makes it much easier to consolidate technical know-how in assisting the States, and improves the assistance because the technical specialists can now be better advised of program developments, new procedures, and new technical problems to be overcome, Administrator Williams said.

A little push will perform more miracles than any amount of pull.

GIRL SCOUTING

The Girl Scout Calendars have been delivered and the Memphis Girl Scouts will begin the sale November 9 and sell through November 23. These attractive calendars are made up especially for the Girl Scouts and sell for 35c. Of this amount 17c is retained by the individual troops to help with expense of materials used by the girls on projects. The citizens of Memphis have been very generous in their support of the Girl Scout activities. The calendar sales is one of the projects by which the girls may feel they are making a contribution toward keeping the Girl Scout Promise of "Helping every other Girl Scout" in doing their share of work. Anyone wanting to buy a calendar may see one of the Girl Scouts or contact one of the leaders. The scouts will do their best to cover Memphis, but some one may be missed.

Swayne McCauley Named To Who's Who At WTSU

Swayne E. McCauley, son of Mrs. Maudell McCauley, has been named this week to Who's Who in American Colleges and Universities. He is a senior physical education major at West Texas State University, Canyon. Swayne has also been named a member of Alpha Chi honorary fraternity, an organization for the scholastic top ten percent of the junior and senior classes. This year he is head trainer of the WTSU Buffaloes.

Senior Class To Present Annual Play Nov. 19-20

The Senior Class will present "It Happens Every Summer" by David Rogers, Thursday and Friday, November 19 and 20 in the Community Center at 7:30 p. m. The play is a three act comedy based on true happenings of leading magazines which have used vacationing student editors, as in the play, in preparing special issues. The comical situations created by the visiting editors makes a hilarious play.

Admission is: student 50 cents; adults 75 cents; reserved seats \$1.00.

The cast consists of: Lana Worthington, Dawn Ann Yarbrough, Gayle Widener, Suzanne Sexauer, Lana Waites, Lynn Foxhall, C. J. Goodnight, Minka Sims, Doris Ward, Linda Miller, Kay Stinsman, Wanda Grice, Kay Lynn Martin, Jimmy Srygley, Jacky Beavers, Ronald Pate, Lowell McKown, Toby Crooks, Billy Cosby, Larry Wynn, Larry Helm, Tony Monzingo, Jerry Lebow, Hoot Jones and Jay Dunbar. Student directors are Catherine Ivy and John Lemons.

Lakeview Young Farmers Name Pate President

The Lakeview Young Farmers met Monday evening at the Lakeview cafeterium for a Steak Dinner.

Guest speaker for the evening was Kermit Voelkel, officer in charge of the Memphis Cotton Classing office.

During the business session of officers were elected for the coming year and include: Roy Gene Pate, president; Bobby Barbee, secretary; Kent Byars, vice-president; Tommy Proffitt, treasurer, and Shelby Hight, reporter.

Named to serve on the program committee were Roy Alvin Molloy, Richard Gilbreth, John Tuttle and Roy Gene Pate.

Thirty-four members were in attendance.

Plans Announced For Taking Census Of Agriculture

Plans for taking the 1964 Census of Agriculture in Hall County were announced this week by Opal Pipkin and W. V. Swinburn, census crew leaders for the county.

The job will be done in three stages, the crew leaders said. First will come recruitment and training of enumerators to count all farms in the county. About one enumerator for each 150 farms will be needed.

Shortly after Nov. 19, the Bureau of the Census, an agency of the U. S. Department of Commerce, will start the second stage by mailing agriculture census questionnaires to all rural box-holders in the county. This will give farm and ranch operators, who are required by law to fill out the forms, a period of time to consult their records and fill in answers to the questions. In the final stage, enumerators

will visit each farm in the county to help farmers complete and to any questions the farmers have had difficulty with. Enumerator visits are scheduled to begin in this county on November 23. Enumerators will take three weeks to complete work, the crew leaders stated.

E. A. Shadid Dies In Altus; Services Sunday

Mr. and Mrs. John Shadid in Altus, Okla., Sunday to funeral services for E. A. Shadid who was an uncle of Mr. Shadid.

Long-time residents of this area, Mr. Shadid was 72 years of age. He was a businessman, and had lived in Altus for about 20 years, moving to that city from Mangum, Okla.

Funeral services were held at the First Baptist Church in Altus, Okla., Sunday.

Some old fashioned men who can remember the first of their husbands have daughters who can't remember their husbands.

Cyclone Slips By Bronchos 30-26

The Memphis Cyclone took the Clarendon homecoming and whirled to a 30 to 26 margin by the closing gun. The Cyclone, offensively and defensively the first half, dominated the action against the fired Bronchos racking up three touchdowns and holding a 12 to 0 lead at the end of the first half, however was the second story as the Bronchos and running attack got going.

Memphis' first scoring drive began early in the first quarter as they came into possession of the Cyclone 31. On a third and 10 situation, QB Jim Sturdevant on a quarterback carry carried for 25 yards to the endzone 44. HB Toby Crooks carried four more yards to the endzone and then, Sturdevant carried a quarterback sneak and raced to the Clarendon 29. From here, Jack Stargel carried for 7 to the endzone. Then, Sturdevant carried the quarterback option and his way across the goal line. Sturdevant picked up two points on the extra points.

The next time Memphis came into possession was at the Cyclone 15. On the next play, Grady carried over for the score. Grady added two more points on the PAT conversion.

The Cyclone took over midway in the second quarter from a Clarendon punt on the Memphis 25, and marched down the field to score.

Carries by Melvin Moore for five. Sturdevant for 4 and Toby Crooks moved to the Memphis 44. Another quarterback sneak by Sturdevant moved the ball to the Clarendon 41. Three plays later, the Cyclone made a first down to the Bronchos 19.

On the next play, Stargel carried for six yards. Then the Cyclone drew a 5-yard penalty.

On the second down, Mike Crow blasted up the middle for five yards. The Bronchos defense stopped Stargel on the third down on the 13 yardline. On the fourth down,

PAT CARRY—No. 22 Jimmy Sturdevant is shown above carrying for a two-point conversion against Clarendon Friday. To the left of the picture, HB Toby Crooks blocks out No. 84 for Clarendon, Richard Thornberry, and No. 44 James Waaites blocks Clarendon's No. 30 Bobby Cain. To the right of the picture, No. 66 Doug Bradshaw overshoots his aim and Sturdevant goes into the endzone. No. 12 Jack Stargel who scored the TD is pictured behind Sturdevant. The Cyclone Q. B. carried 23 times for 160 yards averaging 7 yards per carry. He scored two TDs and two conversions.

Sturdevant found running room and raced across the goal line. A pass play from QB Sturdevant to HB Toby Crooks was good at the goal line and the Cyclone led 24-8.

The Bronchos recovered a Cyclone fumble on the Cyclone 40, early in the third period. A 15-yard infraction against the Cyclone on top of a good gain set them up with a first down on the Cyclone 17. The Cyclone defense held for two downs then No. 22 Grady got rolling around end and went across to score.

The Bronchos QB went back to pass on the PAT attempt but the pass was slapped down by defensive back James Waites. In the closing second of their period, End Jim Odom punched the ball deep into Broncho territory and Toby Crooks killed it on the Clarendon three yardline.

Two plays netted the Bronchos a scant two yards, so they tried a third down quickkick. A scramble in the endzone left the fans wondering what happened until the officials signaled a TD for Memphis. The affair turned out like this, defensive guard Chipper Baker crashed through the Clarendon line and blocked the quick kick, leaving a free ball in the endzone. Linebacker Donnie Bridges tried to cover the ball but it got away from him, and bounced near the goal line, where James Waites tried to pick it up but fumbled the attempt and the ball went back into the endzone where it was finally covered by Tackle Larry Helm of Memphis. The PAT was fumbled and Memphis led 30 to 14.

A long kickoff return by Grady for Clarendon set up a first down on the Cyclone 29. On the next

play, a 15-yard penalty set up another first on the Memphis 12. From here, a long carry by No. 12, Mooring, for Clarendon moved to the Memphis one. Mooring carried over two plays later. A two-point conversion attempt was fumbled and the score was 20 to 30.

An onside kickoff attempt was fielded by Memphis and Memphis took over on their 47. Crooks made six yards and Mike Crow added one more. On a third down, and three, Stargel tried to reverse his field on an end sweep, and was thrown for a 12 yard loss. On the next play, Clarendon blocked a Cyclone punt attempt by Jim Odom and took over on the Cyclone 35.

The fired up Bronchos made a first down to the Memphis 19. On a second down, Mooring passed complete to No. 32 Louis Odell, for the TD. The PAT pass attempt was incomplete and the score was 30 to 26.

Another onside kickoff was this time illegally fielded and Memphis took over on the Clarendon 49. Three plays netted the Cyclone only one yard. On the fourth down, Odom faked a punt and ran to his right, but was driven out of bounds shy of a first down giving Clarendon the ball on the 42.

A 17-yard pass from Mooring to Bobby Cain was good for a first to the Cyclone 41. In the next series a pass from Mooring to Mac McClellan, and a good carry by Grady made a first (after a long measurement by the officials) to the 32. Then an end sweep by McClellan almost broke loose but he was stopped on the Memphis 15 for a first down.

At this point, Memphis fans were anxiously looking at the clock which showed 2 minutes left in the game. The Clarendon fans were roaring go . . . go . . . go, and Memphis took a timeout to regroup.

Following were possibly four of the most crucial downs in the game. On the first down, No. 22 Grady got the ball and he was met at the line of scrimmage by the whole center of the Cyclone line for no gain. On the next play, No. 15, McClellan carried on an end sweep only to be met for a one yard gain. On the third down, Clarendon was over anxi-

ous and drew a five-yard penalty. Then, on the next, a pass from Mooring to McClellan was good for only three yards. On the fourth down, Clarendon passed but it was incomplete, and Memphis took over with a half minute showing on the clock.

QB Sturdevant had his orders from the bench to hold the ball until the clock ran out, ending the game, and securing a victory for the Cyclone.

Statistics

| Memphis | Clarendon |
|----------|-----------|
| 14 | 15 |
| 322 | 178 |
| 1 for 3 | 5 for 59 |
| 4 | 11 |
| 1 | 2 |
| 3 for 35 | 3 for 33 |
| 6 for 70 | 6 for 40 |

The Cyclone backs made most of their yardage the first half, but their overall game average came out remarkably well. QB Sturdevant led in rushing with 160 yards on 23 carries for a 7 yard per carry average. Jack Stargel carried 11 times for 72 yards for a 6.5 average and Toby Crooks carried 11 times for 50 yards for a 4.5 average. Mike Crow averaged three yards per carry making 22 yards on 8 carries. Melvin Moore carried twice for 13 yards and Jim Odom once for 5 yards.

Travis & Austin Menu

Monday
Cheese and macaroni, buttered peas, lettuce and tomato salad, stewed apples, hot rolls, butter, milk.

Tuesday

County Sports

By BILL COMBS
One of the bright points to come out of the Estelline-Guthrie game last Friday night was the size of the crowd. It was reported that one of the largest crowds in years was on hand to see the Estelline-Guthrie match. When the game was over the favored Guthrie team was the winner even though the Estelline boys put up a game fight. Guthrie put up a sure winner in District 4-B with only one game remaining.

The Turkey Turks homecoming was upset last Friday by Rule in the first district contest. Miss Sherry Hill was crowned football queen of the Turkey squad. Turkey will travel to Rochester Friday night for their second District game, and will close out the season at Matador the next Friday night.

Memphis fans will see the seniors in action against White Deer for the last time Friday night which will close out the regular season for the Cyclone. Although the Cyclone stands at a 2-2 record in district play and White Deer has a 4-0 record, the game Friday night should be a good one. White Deer will represent District 2-A regardless of the outcome, since the only team with a 3-1 record is McLean who has already lost to White Deer.

White Deer has been ranked the No. 1 team in the Panhandle in Class A with the exception of a few weeks following their defeat by Sanford-Fritch. They have defeated McLean 12-6, Clarendon 24-14, Wellington 22 to 7 and Canadian 36 to 0. If the Cyclone wins Friday, they will hold third place and throw the district into a two way tie for first, that is if McLean defeats Canadian.

To arrive at the top position, White Deer had to stop Crockett of McLean which they did enough to slip by with a 12-6 score. The Cyclone will throw all the offense it can muster against White Deer and try to come up with a defense to stop the Bucks power plays and passing, a job that none of the other district teams have been able to do. The Bucks have good linemen and backs and play well together as a team. Their power plays are effective because of good blocking and six hard running backfield men, all of whom are capable of carrying the ball.

If the Cyclone are to stay in the contest they will have to hit hard from the opening whistle to the closing gun. It has been said by other coaches in the district that any team that can stop White Deer for less than a five-yard gain each play has done a good job of defending. This is a credit to White Deer's power plays. However, the Cyclone has been able, one way or the other, of coming up with two TDs per game against everybody they have played this season, which is a credit to the Cyclone's diversified attack.

I think special mention should

YOUR COUNTY AGENT SAYS

Frost can be expected soon in Hall County and this could mean trouble for Hall County cattlemen. Johnsongrass and sorghums often develop a high protein acid content after a frost and if grazed by livestock, can cause a lot of trouble, warns W. B. Hooser, Hall County Agent.

Certain chemical changes occur if frost-wilted plants that are responsible for the prussic acid development, Hooser explains. The poison acts quickly and can kill an animal within a short time after the damaged plant is eaten. Whether or not a poisoned animal can be saved generally depends upon how quickly a veterinarian can be consulted.

Frosted Johnsongrass or sorghums should not be grazed until they are completely dry, warns Hooser. However, those ready to cut for hay at the time of frost damage may be clipped the first day after frost if complete curing precedes baling.

Frost-wilted plants may also be used for silage, Hooser points out. Generally enough prussic acid is lost during the ensiling process to make it safe for livestock. However, animals should not be allowed to self-feed from a silo filled with frost-wilted forages. If there is any doubt about the silage, it should be tested by the local veterinarian or by feeding such silage to one or two inferior animals.

More details on grazing, harvesting and storing of frost-wilted plants, Hooser suggests a visit with your county agent or local veterinarian.

be made of the good defensive game "Hoot" Jones played against Clarendon and to also commend Chipper Baker for his blocked punt and Larry Helm for recovering it, which resulted in the winning TD. Also the Cyclone's offensive line did a good job the first half and the defense looked good at some spots.

were here to visit Mr. Hill's brother, Carl Hill, who has been hospitalized for the past week.

Mr. Thurman Hutchins underwent surgery at M. D. Anderson Hospital and Clinic in Houston on Wednesday of last week. Latest reports are to the effect that he is responding quite well to the treatments and the doctors think that he will soon be up and about again.

Mrs. S. E. Winkler spent Thursday of last week with Mrs. Winnie Hutchins at Shady Elms rest home in Childress.

Albert Cupell has returned to West Texas State University after being in the hospital for a time and recuperating at home for some days.

A number of the children of Mr. and Mrs. Frank Tyner met in the home of Mr. and Mrs. Arliss Crump last Sunday for a family reunion. Those attending, in addition to Mr. and Mrs. Tyner were: Mr. and Mrs. Claud Arnold of Estelline; Mr. and Mrs. Shorty Tyner of Memphis; Mr. and Mrs. Walter Simmons of Oxnard, Calif.; Mrs. Mickie Maupin and Marsha and Tommy Rogers of Turkey; Mr. and Mrs. Butch Hughes and Billy Don of Flomot; Mr. and Mrs. James Billingsley and family of Denton; Mr. and Mrs. Ronald Crump and family of Amarillo; Mr. and Mrs. Donald Crump and Rita of Altus, Okla.; Mr. and Mrs. Kenneth Crump and Lisa, and Mr. and Mrs. Walter Lambert and family of Childress.

Two of Mrs. J. H. Hayes daughters and their families, Mr. and Mrs. Jimmie Perkins and daughter of Amarillo and Mr. and Mrs. Ray Hill and youngsters of Iowa Park, visited with her over the weekend.

Mr., Mrs. Durham Visit Relatives And Friends Here

Mr. and Mrs. Herman D. "Skeeter" Durham of Houston visited here last week with Mrs. W. V. Coursey and Miss Neville Wrenn, who are cousins of Mr. Durham. This was their first visit here in about 10 years.

Both Mr. and Mrs. Durham are former Memphis residents and will be remembered by early-day residents of the county. Mrs. Durham is the former Nana Johnson and her father was Dr. Lee Johnson, who practiced in Memphis in the 1920's. Mrs. Durham was also the son of a doctor, Dr. J. Q. Durham, who practiced here at the same time.

Pamela Lindsey, student at Baylor University, Waco, left Sunday after a visit here with her parents, Mr. and Mrs. Gene Lindsey and sister, Mitzie.

County Agents Receive Praise At State Meet

County Agricultural agents of Texas have received special recognition for their efforts in connection with the screwworm eradication program. The recognition came during the state conference of the Texas Agricultural Extension Service held on the Texas A&M University campus October 26-30.

Dolph Briscoe, Jr., of Uvalde, president of the Southwest Animal Health Research Foundation, presented a plaque to the agents for their assistance in organizing the project nearly three years ago, and for supporting its activities within their counties. V. G. Young, state agricultural agent, accepted the plaque in behalf of the more than 380 county and assistant agents whose activities he supervises.

W. B. Hooser, Hall County agricultural agent was present for the ceremony. Briscoe said, "Never before in the history of the livestock industry have the producers of this state been so indebted to such a small group for making this successful program possible."

He pointed out that county agents served in important advisory capacities to the county committees that collected more than \$3 million from livestock producers to get the project started.

County Agricultural agents have continued to serve as the chief liaison between campaign workers and livestock producers, providing information on fast-changing developments, coordinating local eradication and control activities and securing cooperation and support of farmers and ranchers for the program.

"The screwworm eradication program could never have been successful had it not had the full support of the Texas Agricultural Extension Service, and particularly, county staff members," Briscoe concluded.

Mrs. L. A. Stilwell visited in Dimmitt over the weekend with her daughter, Mrs. Bob Lindsey and Mrs. Lindsey and children. They also attended the West Texas-Tech football game at Lubbock.

There is little harmony in the home where parents are continually harping.

If more people drove right, more people would be left.

Infant Son Of John D. Clarks Dies Monday

Graveside services for Scott Sheldon Clark, infant son of Mr. and Mrs. John D. Clark of Richardson, were conducted Monday afternoon at Fairview Cemetery with Rev. Bob Estes of the Hedley Baptist Church officiating.

Burial was in Fairview Cemetery with arrangements under the direction of Spicer Funeral Home.

The infant died Monday morning at Hall County hospital. Surviving, other than the parents, are a brother, Russell, and

a sister, Susan, of Richardson; his grandparents, Mrs. R. E. Clark and Mr. and Mrs. H. Hays, all of Memphis; two grandmothers, Mrs. P. B. Barr of Memphis and Mrs. C. L. H. of Vernon; two uncles and a Dr. and Mrs. Robert E. Clark of Amarillo. Mr. and Mrs. Jerry Hayes

Mr. and Mrs. S. J. King Cora Lee had as guests over weekend Mr. and Mrs. O. H. and Jane of Wichita Falls.

An executive is a man who knows how to get things done and who to get things done.

While in Lubbock they enjoyed seeing the Texas Tech-West Texas State University football game. They were accompanied to Lubbock by Mrs. J. T. Scott of Cooper, who is a house guest here in the home of the Bill Hillhouses. Mrs. Scott visited with Mr. and Mrs. Ernest Stokes in Lubbock.

Mr. and Mrs. Bobby Jack McMurray and children of Amarillo spent the weekend here with their parents, Mr. and Mrs. Gip McMurray and Mr. and Mrs. C. E. Morris.

Mrs. Claude Hickey was in Amarillo Sunday and Monday to attend the spring fashion market. Her sister, Mrs. Roy Cushionberry of Quittake, accompanied her to Amarillo.

Mr. and Mrs. E. C. Caviness and Jimmy of Plainview visited here over the weekend with Mr. and Mrs. Gene Corley and Claudia Mack. Mrs. Caviness is a sister of Mrs. Corley.

Report From Washington

By WALTER ROGERS
Representative, 18th
Congressional District

Political Crossroads
The 89th Congress convening in early days of January, 1965 face many problems. Some of these national, some will be international, some will involve local matters. One of the most important from a domestic point of view, in my opinion, will be the affirmative action to bring people the truth, the whole truth, and nothing but the truth and matters concerning the political life of this nation. The recent election should have been brought into clear focus in the light of all honest, fair-minded citizens that attempts were made to mislead and misguide the citizen. This was done by misrepresentation, misstatement, misstatement, innuendoes, untruthful insinuation, deliberate falsehoods, and malicious lies. In instances it was being done by groups or organizations engaged in the business of peddling hate and lies. Some of these organizations were nothing more than one individual or

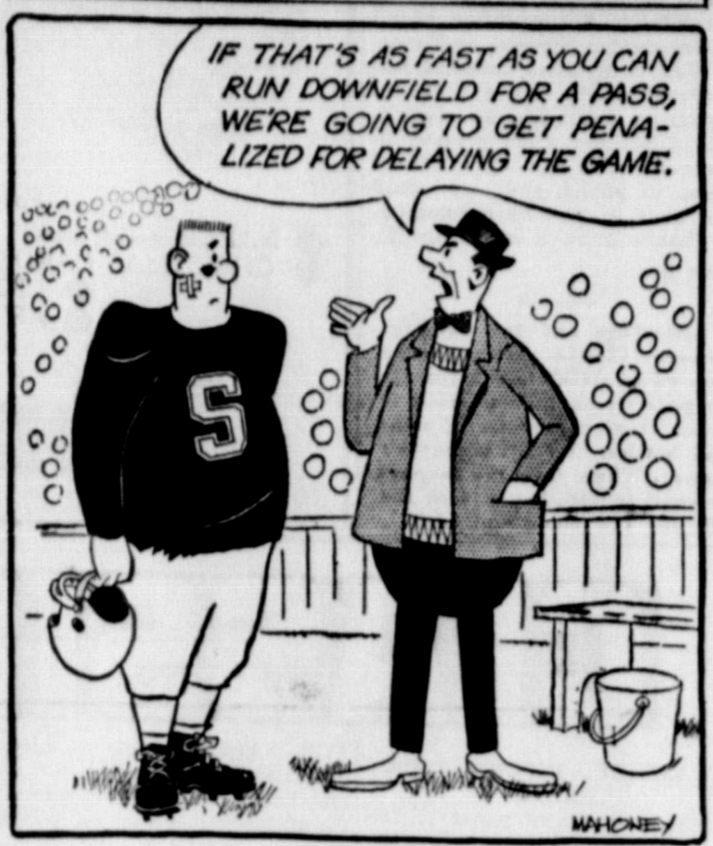

small group organizations plagiarizing statistics gathered by legitimate organizations, distorting these statistics and facts, and selling them at a profit to hate-oriented and misguided individuals. In many instances these same individuals were called upon for substantial contributions which were received with glee and laughter by the literary-con men spreading their propaganda.

Many if the candidates in the recent election resorted to these same tactics of misrepresentation, misstatement, falsehoods and lies in an effort to gain public office and public trust. Some were undoubtedly successful, but a large majority were not, for which the country can be thankful.

The question is, what can be done about it? On the national level, in the national Congress, something can be done about it, because the House of Representatives can determine the qualifications of its own members. It can investigate the activities of the election and can refuse to seat a person pursuing such tactics. In my opinion the Congress of the United States should establish an effective and active Fair Campaign Committee with proper authority to stop this cancerous growth which is eating at the vitals of the political body. This should be done before it is too late.

I expect to propose a procedure and provide further for the full disclosure to the public of all facts and the truth associated with particular activities. Another method should also be provided with which to attack this problem. I refer to effective Federal libel

HALF-PAST TEEN

M. C. Allen Reported To Be Much Improved

laws, which will be difficult to write but which can be written. These laws should deal not only with the problem of civil libel but should also provide strong penalties from a criminal standpoint.

The recent decisions of the Supreme Court would indicate that when a man presents himself for public office he becomes a prime target for any kind of malicious slander or libel that anyone wants to hurl at him, the basis being that when he announces for public office he opens himself for any kind of vilification, unfair criticism, slander and libel that anyone wants to direct his way. This should not be the law and in my opinion is not the law as intended by the founders of this nation. Every individual should be responsible for his actions regardless of who they are directed at or why. Unless this responsibility is the same with regard to a person in politics as it is with a person who does not desire to seek public office, it will soon be impossible to acquire the services of any honest, law-abiding, God-fearing, educated person to accept public trust for fear of personal character assassination or injury that might be done his family and loved ones.

The man who thought nothing of walking 10 miles a day now has a grandson who doesn't think so much of it either.

Things could be worse. Suppose your errors were tabulated and published every day, like those of a ballplayer.

IT'S NEW!

EPP

*Equal Payment Plan

Budget minded? Aren't we all? Now you can know every month just what your electric service bill will be. West Texas Utilities Co. has a new plan for residential customers... a new Equal Payment Plan. They will estimate the amount of electric service you will use in the next year and divide it into 12 equal even-dollar payments. This estimate is based on your past electric service usage, or in the case of a new customer, on similar accounts.

To keep the payments balanced, your account is reviewed monthly and yearly. If your actual metered electric usage differs materially from the estimate... due to a new major appliance or unusual conditions... you are notified that a change, up or down, in your monthly payments is needed. You may join at any time. The Equal Payment Plan Year ends with your 12th monthly payment. If at the end of the EPP year you have used more, or less, than the estimated amount, your 12th monthly payment will be increased or decreased to balance the account. Call or visit your WTU office...ask for complete details of the Equal Payment Plan now.

Live Better Electrically

West Texas Utilities Company

MEMPHIS B TEAM—The Memphis Cyclone B team will finish out its schedule against Canadian at Canadian tonight. The team, under Coach Bert Glascock is pictured above. Shown on the front row (left to right) are: Jimmy Shults, Fred Durham, Mike McCravy, Lanny Crow, Mike Bloxom and Tommy Hensen. On the second row from the left are: Paul J. Smith, Chuck Jennings, Gaylon Clark, Kay Miller, Meil Hughs, and Jimmy Jeffers. Third row includes: Terry Gable, Gary Murdock, Allen Booth, Curtis Dyer, Larry Gaston, Mike Nabers and Danny Peters. Fourth row: Roger Hargrove, Sam Putts, Jerry Hall, Gary Rea, Roy Long, James Edwards and Mike Leslie. From left to right on the top row are: Tony Pounds, Jerry Dugger, Pat McCravy, Bobby Beavers and Rocky Moore.

Austin School Extends Thanks For Co-operation

"The Three Lives of Thomasina" the movie sponsored last week by the Austin PTA, was most successful, it was announced this week.

Miss Brunetta Morris, principal of the Austin School, stated this week that the Austin Faculty and students wished to express appreciation to the Austin PTA, the Travis PTA and School faculty, Mr. and Mrs. Bill Boren, Supt. Doss and the bus drivers and all others who helped in making the project a success.

Proceeds from the movie will be used by the Austin PTA to purchase some needed items for the Austin school.

Future Growth -

Local 'B' Team To Travel To Canadian Tonight

The Memphis B team will travel to Canadian tonight for their final game. They have a five win, three loss, one tie record for the season.

Last Thursday night, the Childress game was moved to Childress due to the rain. The local B team won the game 14 to 0 in a good display of team work.

Gary Graham scored the first time for Memphis on a sweep. He spun out of several tackles to break loose, Coach Bert Glascock said.

Mike Nabers scored on a dive play, after three scoring attempts were called back and three 15-yard holding penalties were assessed against Memphis. There were a lot of fumbles due to the wet field, Coach Glascock said.

Childress had three first downs when the game ended, so we had another good defensive game.

The B team won their first game with Canadian 22-6 and tonight's game will be a rematch starting at 7 p. m.

Mr. and Mrs. J. Claude Wells left Tuesday for Temple where Mrs. Wells will undergo a medical check-up.

Comments -

a qualm of conscience—without doing violence to his new sense of fitness; we might say decency. A new and better habit has been born and fixed, and the foundation of the old one has been snapped. That is the evolution of all improvements, physical and moral. That is the road mankind had to travel on its long and weary way from barbarism to civilization. Apply the same process to numerous other slovenly habits indulged in public, and we shall soon have a city and a community that will be a model to the whole land.

Litterbugs and tax liability, so says Claude News. Litter thrown on streets and highways by pedestrians and motorists is more than paper, trash, cans and bottles. It is taxpayer's money. Where does the taxpayer come in? He has to foot the bill for the clean up job!
