### Commissioners Pass Watershed Order, Names '66 General Election Officials

The Hall County Commissioners Court met Monday in regular session and handled several items of business of public interest.

The Commissioners Court passed an order unanimously concerning the Hall and Donley County Water Control and Improvement District No. 1.

The order stated "whereas, the Hall and Donley Counties Water Control and Improvement District No. 1, Soil Conservation District is a sponsor of the Hall and Donley County Water Control and Improvement District No. 1 Watershed Protection and Flood Prevention Project, but it has no power of eminent domain to secure hard to get land rights and no power to levy taxes on property in said District to provide an assured income,

And whereas, the District has no funds for defraying costs of operating and maintaining works of improvement, acquiring land rights, administering contracts, providing necessary legal assistance and other miscellaneous costs.

"Now therefore, Hall County, in consideration of the benefit to be received by said county and its citizens, does hereby agree, through its Commissioners Court, to assume and guarantee the costs of the above items and to use its power of eminent domain in the securing of land

rights, if necessary for all works of improvement in Hall County on the Hall and Donley Water Control and Improvement District No. 1 watershed."

In other action by the Court, County Judge E. (Gip) McMurry reported to the commissioners that H. D. Ellard, district supervisor of the Bureau of Sport Fisheries and Wildlife, Dept. of Interior Fish and Wildlife Service, notified him that the government trapper, Fred Stockton, has quit

### Memphis Teams To Finish Season At Canadian Fri.

With the 1965-66 basketball season only one night from conclusion, and the Cyclone far out of the district running, the Cyclone came alive the past two ball games in Cyclone gymnasium and scored victories over the McLean Tigers and the arch rivals, the Skyrockets of Wellington.

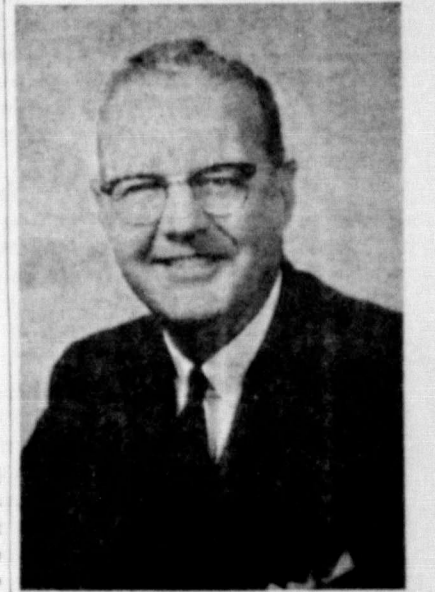

Possibly the most impressive win of the season for the Cyclone was scored Tuesday night when the local lads, fresh from a 66 to 25 victory over McLean, out

be purchased from any director or from Clifford Farmer, manager, at the Chamber of Commerce office.

Mr. AuBuchon was born and raised in the suburbs of Chicago and is a graduate of Elmhurst College. He took post graduate courses at Northwestern University.

He served 5 years active duty with the Army Signal Corps during World War II and again returned for two more years of military duty during the Korean affair.

Mr. AuBuchon joined Sears, Roebuck and Company in the Chicago Retail Stores in 1945. He worked as assistant buyer, assistant retail manager and eventually buyer. Later he transferred to Household Accessory Department as a full line buyer.

In 1955 he opened the first Regional Buying Office in Minneapolis, covering the upper Midwest States. In 1957 he was appointed manager of the Southwestern States. In 1957 he was where he is currently located.

Mr. AuBuchon is the father of two boys, one a sophomore at

### 1966 Feed Grain Program Has New Modification

Under a new modification of the 1966 Feed Grain Program, participating farms will be permitted to plant soybeans on feed grain permitted acreage and receive the price support payments they would have earned if feed grain were planted, Lynn L. McKown, Office Manager, Hall County ASCS, announced today.

Under the feed grain program, participants who divert 20 percent of their feed grain base acreage to conserving uses earn price-support payments. Under the modification, participants may plant all of their feed grain acreage permitted under the program to soybeans and earn their total feed grain price support payment.

An average Hall County farm with 100.0 acres feed grain base could sign up by April 1, 1966, to divert 20.0 acres to conservation use, plant 80.0 acres of soybeans would earn a price support payment of \$415.00 and have a support loan on all soybeans produced.

The new varieties of soybeans have proven profitable in Hall County and it will be of interest to many farmers to seed grain sorghum to soybeans in 1966.

## First National Bank Announces Plans For New Banking Building

The First National Bank of Memphis announced this week plans for the construction of a new bank building to be located on the corner of Main and 5th Streets, the northeast corner of the north side of the square in Memphis.

The bank has completed negotiations for the purchase of all the property sites with an agreement reached with Hollis Boren last week.

The transaction included a total of seven business buildings, all located on the north side of the Memphis square. A total of 175 front feet were purchased. The group of buildings, from that one on the corner of 5th and Main Streets, known as the Webster Building, each on a 25-foot lot. Other buildings, to the west, were: Thompson Bldg., Beeson Bldg., Greene Building, Boren Theater Bldg., Pearl Wecher Bldg., and the Hollis Boren Bldg.

### Blue And Gold Cub Scout Banquet Set For Tuesday

The Cub Scout Pack, No. 35, will hold its annual Blue and Gold banquet Tuesday night, Feb. 22, at 7 p. m. in the Travis Cafeteria, L. B. Snider, cubmaster, announced this week.

Guest speaker for the evening will be Sheriff Bill, who conducts a popular TV program for youngsters each afternoon over an Amarillo TV channel.

Also during the evening awards will be presented to a number of cub scouts.

A family affair, a delicious meal will be served prior to the program. Mothers of Scouts are asked to check with their sons' den mothers to learn what food they are to bring.

### Estelline Girls Make Bid For Clean Title To Dist. 10-B Crown

The Estelline High School girls basketball team will make its bid for a clear title to the District 10-B championship this weekend at the tournament to be held tonight, tomorrow night, and Saturday night in Turkey gymnasium.

Matador won the third place honors in the tournament. Six players were named to the District 10-B all-district team after the games were played. They include: Kirby Hatley of Lakeview, George Calvert of Flomot, Harvey Case of Turkey, Johnny Stephens of Quitaque, Bobby Cockren of Quitaque, and Pete Richards of Matador.

The boys district ended with Quitaque winning first place, Turkey winning second place and Matador winning third.

Jack I. Davis, president of the First National, said that workers are presently tearing down buildings on the site. We are in the planning stage of designing a building and landscape with Gary and Homertz, Architects of Big Spring, Texas," he said.

The bank put an artist conception of the proposed building up in the lobby last weekend which is attracting considerable attention.

The bank is presently planning an 8,700-square-foot building with the exterior constructed of precast exposed aggregate panels, precast stone columns, and porcelain fascia with silk screening.

### Mrs. H. T. Williams Pioneer Estelline Resident, Dies

Funeral services for Mrs. H. T. Williams, 75, an Estelline resident 40 years, were held at 3 p. m. Saturday in the Estelline Church of Christ.

Officiating was by Royce Clay of Hobart, Okla., and John Gay of Childress. Burial was in Childress under the direction of Spicer Funeral Home of Memphis.

Born in Franklin County, Mrs. Williams died Friday morning in Childress General Hospital. She married Henry Thomas Williams May 10, 1910, at Honey Grove, and they moved to Estelline in 1925 where they had farmed.

Mrs. Williams was a member of the Methodist Church.

Survivors include her husband; sons, Leffel of Amarillo, Lloyd of Carey and Talmer of the home; sisters, Mrs. Vergie McGee of Tulsa, Okla., and Mrs. Willie Knight of Salinas, Calif.; brother, Elmer Bankhead of Vernon and Clyde Bankhead of Tulsa, eight grandchildren and eight great-grandchildren.

Interior will be of terrazzo and carpet on floors, and wood paneling and vinyl fabric walls, it was announced.

The lounge area will open off the lobby area on the south, and will open up to an enclosed patio on the north. The bank will also have a community room which will seat approximately 50 persons. The room will be 24 feet by 30 feet.

The building, as it is on the drawing board now, will have cashier area, work area, drive-in tellers window, five interior tellers windows, board room, officers desk area, office, restroom facilities and numerous other rooms.

Outside will be the off-street parking area, the enclosed patio and a circle drive around the north and west sides of the building, for drive-in window customers.

### Two Local Men Petitioned For Trustee Positions

The Memphis Schools Superintendent's office announced today they had had two names filed for election to trustee positions on the Memphis School Board.

A petition was submitted to the Superintendent's office with the names of Hubert Jones and Melvin Jennings to be placed on the ballot.

The terms of Dr. Jack L. Rose and Bill Hall are expiring and these two men have stated they will not seek re-election.

**LIONS CLUB QUEEN**—Miss Diane Gailey is shown above making an acceptance speech after being named Lions Club Queen for 1966. Miss Gailey was presented by Les Sims, chairman of the Queen Committee, at the Sweetheart Banquet held Tuesday night at the Community Center. ### The Chamber Works

Right now, the Memphis Chamber of Commerce and Hall County Board of Development is working on the annual membership drive and the selling of tickets to the annual chamber banquet to be held next Monday night. The organization is seeking additional members who will pay dues to support its efforts for the coming year.

In past years, the local chamber of commerce has done a tremendous job considering the financial support given it. Naturally, the local organization needs financial support in ever-increasing amounts as projects and programs are expanded and the group continues to seek industrial prospects.

The Chamber has a budget now, and has pledged that the membership drive and ticket selling are the only fund raising campaigns to be sponsored. Because of this stand, many new members have been recruited and numerous individuals feel a membership in the organization is a privilege and a duty. Four new members were announced at the board of directors meeting Monday, and the directors were encouraged to continue to seek new members.

Officials have reported in past years that chamber of commerce memberships are easy to sell in this area because the organization is doing something. In fact, it is always doing something to promote or improve this community and area and make it more prosperous, more active, a better place in which to live and rear a family.

Our Chamber receives a certain amount of criticism at times as it endeavors to strive for advancement. Sometimes conflicting interests develop which cause many problems for an organization of the size and scope of a chamber of commerce, which must endeavor to try and benefit rural, community, industrial and business segments at the same time.

The Chamber of Commerce is run by the board of directors. The work of the organization is done primarily by committees of volunteer members. The paid manager of any Chamber of Commerce exists merely to direct the activities of the organization and handle the mass of details that go with the running of any office.

If a man is in business in this area or is interested in the future growth and development of this area, he should be a member of this organization and adding his weight to the common effort generated by the Chamber of Commerce. If he is not a member, this works only to his disadvantage.

The Chamber works continually on non-profit projects, some of which have developed into fruitful assets while others have not fared as well. The work will continue to go on at a pace set and dictated by the support received.

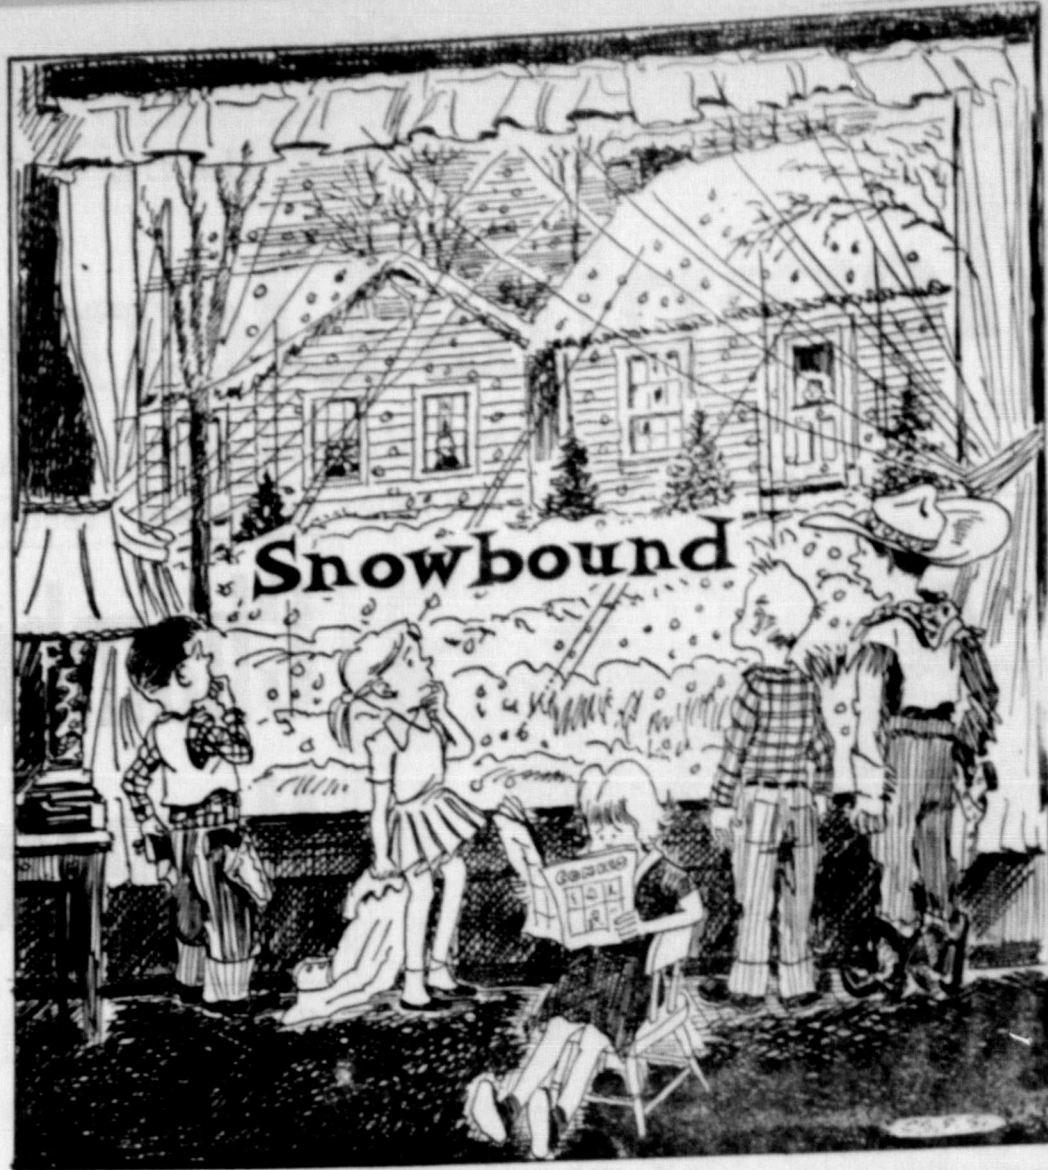

The Chamber of Commerce puts the bulk of its budget into three areas—retail promotion, industrial development, and agriculture. Dues paid to the Chamber of Commerce do not return in 30 days doubled in size. If they did, memberships would have to be rationed. Instead, members are asked to pay their dues and depend upon the program of work of the Chamber of Commerce to bring in new business activity, to hold what is here, and to keep abreast of new developments in the way of payrolls, industry and trade promotion. If the money is brought into this community, it is up to the individual merchant to bid for some of it.

There never was a community worth much that didn't have an active Chamber of Commerce (or some other organization, public or private) working for it. We think we are fortunate to have a strong, working and active organization in Memphis and Hall County. Chamber dues are an investment—not an expense.

What Other Editors Say

### Thoughts For Thursday

"He is happiest, be he king or peasant, who finds peace in his home."

We noted the above quotation in a club report last week. Regardless of where one is privileged to travel, regardless of the attractions offered, sooner or later . . . and usually sooner . . . one wants to return home. And nothing is more comfortable than the feel of one's own bed after having been away for a time.

In England, the royal family very seldom can be found at its official residence. It is noted that the Presidents of the United States seem to take every opportunity to leave the White House. This is quite understandable. We are quite sure that the White House never seems like home to its occupants. We are quite sure that England's royal family grows tired of the museum-like atmosphere of Buckingham Palace which looks more like a college administration building than a home.

Home is truly a man's castle, a place where he can relax, where he can get away from the public. Where he can shut out many of the responsibilities which tag along after him all day long. Unfortunate are parents who

have children who can't be content at home, who would never stay at home unless forced to do so.

All of us like to go, all like to tread on the greener grass across the road . . . this is normal. But it is also normal to want to come home at the end of the day.

The atmosphere of a home should be such that members of the family can be happy and contented. What is worse than a home beset with parents who scream at each other and at their children, where things are continually in disorder, where beds go unmade and dishes unwashed, where members of the family have to shout at each other because Johnny is watching television and he likes it nice and loud!

Wonder why we never hear the immortal "Home, Sweet Home" any more.—Tulia Herald.

### True To Life!

Did you hear the story about the waitress who had the accident? They rushed her to the hospital in an ambulance. She was in the emergency room and a doctor came in. "Help me," she said to the doctor. "I'm sorry," said the doctor. "This is not my table," and he casually walked down the hall.—The Jayton Chronicle.

### Hitting Overhead Objects

Striking an overhead object can seriously damage a high-load trailer.

Such damage is uncalled for if you will attach a long radio antenna to your front fender. Pull antenna out until tip extends at least six inches above top of trailer load, then keep your eye on this antenna.

If it clears an overhead threat, so will your load.

## Pathfinders Hear Program On Communism

The Pathfinders Council met in the home of Mrs. J. F. McIntush. After the president, Mrs. McIntush presided during the business session, the salute to the American flag was given by the group.

Mrs. A. O. Gidden then began the program by giving a paper on Communism—Bitter Enemy of Religion.

Karl Marx was an atheist. He violently attacked religion as an opiate. To him, God was only a figment of the imagination, invested by the exploiting classes to drug men's minds.

J. Edgar Hoover says there are six important factors to remember:

1. Communism is based on dictatorship, brutal, aggressive, and efficient;
2. The relationship of person to person within communism cannot be based on love or respect for individual rights, but on deceit, hypocrisy and falsehood;
3. The individual, regardless of his party position, is never to be trusted.
4. The individual is compelled to give idolatrous worship to the Party.

This, then, is a brief picture of Communism's powerful influence on the human personality. Today, he's a "hero," tomorrow, he may be a traitor and outcast, depending on what the Party says.

There is a challenge to the ministers. They must proclaim the obligation of free men to meet this atheistic enemy. In a communist society, clergymen would be one of the first targets of the Communist secret police—to be silenced or liquidated. Communism and the Church of Christ can never mix.

By faith in God this nation was created. By faith in God, this nation will endure, strong and free. By faith in God, the atheistic world of Communism can eventually be overcome.

Mrs. Charlie Murff gave a very interesting report on the Communists seeking to use our youth.

The Communists don't try to recruit large numbers of young people into the Party. The most successful method used in the past and the method they still try to use today is the device of the "Communist front" organization. The Communist front organization usually has a very fine sounding name.

Here are a few that have been (Continued on Page 10)

## Around and About

By HELEN COMBS

It's interesting the things one can learn over a cup of coffee . . . especially if you are drinking coffee with a group of pioneer residents. Monday's conversation drifted to the wrecking of the old buildings on the north side of the square.

Interesting indeed would be the stories that could be printed if those bricks could talk, said one coffee drinker. Seems in addition to housing various businesses in the early-day of the county, some of the buildings also were used as a recreation hall . . . and the Saturday night dance and other parties were held there.

One early-day settler recalled the story that at least one gentleman was cured of the tobacco habit in those days. Seemed each evening this particular gentleman went out on the balcony to sit and rock and enjoy his evening chew of tobacco, spitting over the rail. But, one evening he failed to note who was walking down below and he spit upon one of the ladies of the town. Up the stairs came the outraged lady to pour out her wrath upon the tobacco chewing male . . . who was so humiliated that he gave up tobacco forevermore!

Youth of the Travis Baptist Church selected as their "Valentine Sweethearts" the pastor and his wife, Rev. and Mrs. Leroy Gaston. We thought this was most fitting and in keeping with the valentine spirit of "love" . . . the selection was made in appreciation for the service rendered to the youth department . . . and appreciation is certainly one of the attributes of Love.

Rev. and Mrs. Gaston were presented at the annual Valentine banquet held Monday evening in the Fellowship Hall . . . The tables were beautifully decorated for the occasion and a delicious meal was served by mothers of the youth. All and all, it was an enjoyable evening . . . not only for the youth but for the adults who attended either as "helpers" or guests. The program was most fitting for the occasion and J. O. Dixon did a fine job as toastmaster.

Moselle Wright is home this week after spending a week in Tulsa with her new grandson, Todd Sims . . . and what did she bring back . . . pictures, of course! A treat for Moselle was enjoying an ice hockey game between Tulsa and St. Louis, Mo., as a guest of her son-in-law, Robert. She says, if you haven't seen an ice hockey game, be sure to do so if you have the chance . . . most exciting. (Continued on Page 10)

## Woman's Society Meets Monday For Bible Study

The Alpha and Oliver Circles of the Woman's Society of Christian Service met Monday, Feb. 14, at 9:30 a. m. in the Methodist Church Annex to continue the study, "Mission: The Christian's Calling," under the direction of the Secretary of Missionary Education, Mrs. M. G. Tarver.

Mrs. Tarver opened the program by explaining the worship setting consisting of a picture of sculptured praying hands above which was the quotation, "What is that in thine hand?" Below was printed a poem, "In These Hands." To one side was an open Bible.

Mrs. W. V. Coursey was the program leader, giving an interesting discussion from the book, "The Word With Power." She stated that a sense of mission to be fulfilled runs throughout the Biblical writings, which remain our best guide for living.

The next five parts had as their main topic "God's People," which were highlighted by Biblical quotation and discussed comprehensively: "God's People—Set Apart for a Purpose," Mrs. Clyde Nix; "God's People—Called to proclaim His Wonderful Deeds," Mrs. Carl Morris; "God's People—Jesus and the Samaritans," Mrs. W. F. McElreath; "God's People—Salt of the Earth; Light of the World," Mrs. Hill; "God's People—Co-Builders and Watchmen in the City," Mrs. D. A. Neeley.

The president presided over a brief business session.

Those present other than the above mentioned were Mmes. W. J. McMaster; M. N. Orr. Bess Crump, Lloyd Becker, Myrtis Phelan, Wray Studstill, R. S. Greene, Bob Hutcherson, L. G. DeBerry, Lee Brown, Bob Fowler, David Hamblin, F. W. Foxhall.

## Mrs. R. Neel Presents Program To Newcomers

The Newcomers Club of Hall County met February 15 in the home of Mrs. Jerry Don Hassell. A resignation from the president, Mrs. Floyd Richardson, was accepted. Mrs. Hassell will assume the presidential duties. Mrs. Esbil Chavez was then elected by acclamation as vice president to fill the vacancy left by Mrs. Hassell.

The school and county nurse, Mrs. R. Neel, then presented an eye-opening talk on her migrant health project, a part of the anti-poverty program.

The meeting then was adjourned.

## Danny Longbine, Jane Helm Chosen As Estelline Basketball King And Queen

The Estelline Basketball teams recently selected the King and Queen for 1966. Chosen was Danny Longbine and Miss Jane Helm, who were presented at the recent Estelline-Flomot basketball game in Estelline.

Miss Helm, who was selected as Queen by the Bears, is the daughter of Mr. and Mrs. J. N. Helm, Jr., of Newlin. Jane has participated in basketball for six years, two in junior high and four in high school.

She has contributed much to the success of the Bearette team, and has been a starter both years the Bearettes won district. A senior forward, Jane has received several trophies during her four years in Estelline High School.

Danny Longbine, also a senior, is the son of Mr. and Mrs. Jake Longbine of Estelline. He was chosen King by the Bearette team.

Danny has played basketball six years with the Estelline Bears, four years in high school and two in junior high. He has been named to several all-tournament teams during his basketball career. A fine athlete, he has been especially interested in basketball and developed into a very good player.

## Mrs. Jorgenson Is Hostess To Lydia SS Class

The Lydia Sunday School class of the First Baptist Church met with their teacher, Mrs. Gene Jorgenson, on Thursday, Feb. 10.

Mrs. J. S. McMurry presided during the business meeting. The prayer was led by Mrs. D. L. C. Kinard.

A beautiful devotional, "Living as long as you live," was given by Mrs. Byron Baldwin, after which Mr. Baldwin showed films he had taken of special meetings of the church, including the 75th anniversary and others. He also showed films of different occasions in the city and of the scenes of the last beautiful snow received in Memphis.

The hostess, Mrs. Jorgenson, served the delectable refreshments from a beautifully appointed tea table. Members present were Mmes. Estelle Barber, Stella Jones, Sam Foxhall, J. S. McMurry, R. B. McMurry, Bessie Saunders, M. A. Wiley, Mary Bownds, Henderson Smith, Miss Effie Hutchins.

Guests present were Mmes. Byron Baldwin, R. H. Wherry, L. M. Thornton, J. W. Fitzjarrald, Grace Duke, D. L. C. Kinard, Emma Baskerville, and Cliff Pedersen.

## Bethel SS Class Enjoy Luncheon Friday, Feb. 11

Members and associate members of the Bethel Sunday School Class of the First Baptist Church met in the beautiful, spacious home of Mrs. Joe Mothershed for a noon luncheon February 11. Mrs. Jean Lamb, mother of Mrs. Mothershed, was hostess.

After the guests arrived, they were ushered to the lovely, huge den where foursome tables centered with the Valentine motif of red hearts were set. In keeping with the Valentine theme, the serving table was laid with a red net cloth over red satin with a centerpiece of hearts.

Mrs. Henry Hays gave the invocation after which the guests enjoyed a most delicious meal. After the meal, guests were seated in the den and the president, Mrs. Henry Scott, called the meeting to order.

The meeting opened with prayer by Mrs. Byron Baldwin. After the minutes were read and ap-

## Turkey FHA Chapter Holds Annual Sweetheart Banquet February 14

The Turkey Future Homemakers of America held a Sweetheart banquet February 14 in the school cafeteria.

The FHA Sweetheart candidates and the FHA Sweetheart of their parents were honored.

They were Johnny Mullins, FHA Sweetheart, and his parents, Mr. and Mrs. Woodrow Mullins; Jerry Lane, Jim Robinson, his parents, Mr. and Mrs. J. B. Robinson; Danny Fuston, his parents, Mr. and Mrs. Bill Fuston; Rod Mullin, his parents, Mr. and Mrs. T. Mullin; Jerry Lane, and Mr. and Mrs. Bill Lane.

The colors of red and white were carried out in streamers in frame around the tables, with balloons, decorating the tables. White candles, valentine cloths and napkins, red cups and hearts decorated the tables.

## Gamma Kappa Chapter Meets in Clarendon

On Saturday, February 12, the Gamma Kappa Chapter of Delta Gamma met in a luncheon at Jake's Steak-Out in Clarendon. For the occasion decorations designed by the president, Miss Inez Blankenship, featured the seal of the United States flag and Education.

During the business meeting, on recommendation of the nomination committee, officers for 1966-1967 were elected. Mrs. Robinson of Clarendon was elected president; Miss Maudie Wiles, Wellington, first vice-president; Mrs. Selba Rainey, Clarendon, second vice-president; Margaret McElreath, Lakeview, recording secretary; Mrs. Strohle, Memphis, corresponding secretary; Miss Inez Blankenship, Goodnight, parliamentarian. Mrs. Robinson will appoint the treasurer. The transcripts of Mrs. D. W. Kirby and the Herman Mosely to other officers were announced.

In pursuance of the annual dues: "Creative Individuals, Their Value to a Society," Miss M. Jones, Mrs. Mittie Lowry, Mrs. Bernice Welch, all of Wellington, and Mrs. Vernon K. Pettigrew of Vinson, Oklahoma, led in symposium on "Research Techniques for Measuring Creativity: Education, Industry, Society".

J. N. Weaver led the group in singing Delta Kappa songs. Mrs. Strohle acted as auctioneer for the White Elephant Sale, an annual fun-money-maker for the scholarship fund.

Other members attending in-fertilizer program were Mrs. Gordon Bain, Turson; Mrs. Alma Bruce, Miss Esta Morrison, Mrs. Clarence Morris, Mrs. Belle Walker, of Memphis; Mrs. Dora Diggs, and Mrs. Gerda Watkins of Clarendon; Mrs. Shirley Hill, Wellington; and two guests: Mrs. Henry Foster, Memphis, and Miss Wilma Jones, Clarendon.

Refreshments for the luncheon were served by Mrs. J. O. Naylor, Mrs. J. O. Naylor, and Mrs. Fred W. Morrison.

## Travis Baptist Church Holds Annual Sweetheart Banquet

The Fellowship Hall at the Travis Baptist Church was the scene Monday evening for the annual Sweetheart Banquet. Approximately 75 persons were in attendance including the members of the youth department, their guests and several adults.

The hall was beautifully decorated for the occasion with red and white crepe streamers, cupid, and valentine hearts and

bells. Centering the head table was a large white heart of styrofoam holding red carnations interspersed with miniature red hearts.

Serving as master of ceremonies for the evening was J. O. Dixon.

The welcoming address was given by Rev. Leroy Gaston, who also gave the invocation.

The dinner menu included

VALENTINE SWEETHEARTS—The youth departments of the Travis Baptist Church selected the pastor and his wife, The Rev. and Mrs. Leroy Gaston, as the 1966 Valentine Sweethearts. They were presented at the annual banquet Monday night and given a large bouquet of red carnations.

MRS. BUEAL LEE THOMPSON

## Former Lakeview Girl Is Valentine Sweetheart At Tulia

Mrs. Bueal Lee Thompson of Tulia, the former June Payne of Lakeview, was crowned Valentine Sweetheart of Xi Kappa Gamma Chapter of Beta Sigma Phi at the annual Valentine dinner held at Wayne's Restaurant February 10 in Tulia.

The daughter of Mr. and Mrs. A. D. Payne, Mrs. Thompson moved to Tulia in 1952 from Lakeview. She is a graduate of Tulia High School and became a member of Beta Sigma Phi in 1959. She was chosen as Valentine Sweetheart of the chapter in

Giving your dog any sort of medicine is a real chore. But to get a pill down his throat is a job to tax any man's temper. You can save a lot of fuss words and the dog a lot of misery if you will take hold of the mutt's jaw, press his cheeks against his teeth so that he can't close his mouth, toss the pill far back in his throat. Then, quickly clamp the jaws together and stroke his throat until he swallows. You can almost see the pill slide down.

Texas Press Association AUSTIN, Tex.—They're back at it again!

Texas legislators were called back to Austin for a special session Monday by Gov. John Connally.

A three-judge federal court's order knocking out the poll tax as a requirement for voting prompted Governor Connally, on advice of Atty. Gen. Waggoner Carr, to call the extraordinary meeting of lawmakers. Purpose is to pass a voter registration law in case Carr's appeal of the lower court's decision to the U. S. Supreme Court is lost.

Texas has no other form of voter registration than machinery for collecting the poll tax, noted the governor. If the Supreme Court agrees that the \$1.75 levy is an unconstitutional infringement on due process, Carr and Connally feared local election officials would find it "virtually impossible to determine who is a qualified voter."

Connally made it clear that if the Supreme Court accept Texas' appeal and delays final disposition through 1966 election, only those who paid the poll tax by January 31 will be permitted to vote. Come what may, the governor thinks those who paid the levy should be considered automatically registered this year.

Federal judges here, while convinced the poll tax is an improper "charge on a very precious constitutional right", disagreed with U. S. Atty. Nicholas Katzenbach that it has been employed in modern times to deny Negroes the right to vote. All evidence, they concluded, is to the contrary.

As limited as the special session's subject matter is, state lawmakers already are finding room to disagree. Some think voters should be required to register every year to guarantee purity of the ballot box. Others feel the new law should allow re-registration by voting in elections.

A proposed state constitutional amendment to abolish the poll tax which will be voted on next Wednesday calls for annual registration.

CAMPAIGNS BEGIN—They're off and running in the May 7 primary elections!

Filing deadline last week found seven contested Democratic races and eight Republican candidates filed. All eight GOP candidates were unopposed.

Democratic primary spotlight is on the attorney general's race between Crawford C. Martin (who resigned as secretary of state) and Sens. Franklin Spears of San Antonio and Galloway Calhoun of Tyler.

F. S. Ervin of Dallas joined the Democratic contest for railroad commissioner which included incumbent Byron Tunnel of Tyler and Rep. Paul Haring of Goliad.

Fred Williams, Del Rio, was a late entry against Democratic Land Commissioner Jerry Sadler.

District Judge John F. Onion of San Antonio is opposing Court of Criminal Appeals Judge W. T. McDonald of Bryan.

Rep. Bill Hollowell of Grand Saline, last man to post his \$1,000 filing fee, is taking on Lt. Gov. Preston Smith, Lubbock. Hollowell's teammate, Stanley C. Woods of Houston, and Mrs. Johnnie Mae Hackworth of Brenham, are opposing Governor Connally.

Agriculture Commissioner John C. White of Wichita Falls, Comptroller Robert S. Calvert of Austin, Treasurer Jesse James of Austin and three incumbent State Supreme Court judges have no Democratic opposition.

Emphasis this year obviously will be on the November general election clash between GOP U. S. Sen. John Tower, seeking re-election, and the Democratic nominee. Candidates on the Democratic primary ballot are Waggoner Carr and John R. Willoughby of Houston.

Other Republican candidates are T. E. Kennerly, Houston, for governor; Kellis Dibrell, Seguin, for lieutenant governor; Robb Stewart of Dallas for attorney general; Rudy T. Garza, Corpus Christi, comptroller; L. D. Gilmer, Houston, treasurer; Albert B. Fay, Houston, land commissioner; and Jack Garrett, Danbury, agriculture commissioner.

APPOINTMENTS — Governor Connally named T. D. Armstrong of Galveston, Wells Stewart and Ralph S. O'Connor, Houston, to the board of directors of Texas Southern University.

Governor picked as new Texas Animal Health Commissioners R. W. Hodge of Del Rio and Dent Ingram of Carrizo Springs.

He appointed Mrs. Margarette Bortel of San Antonio to State Board of Cosmetology.

EDUCATION STUDIES BEGINS—Two important studies of the public school system have

SPORTS CORNER

been launched. A spokesman for one predicts teachers will ask another \$500 a year raise at next year's legislative session.

Governor's Committee on Public School Education, directed to make a far-reaching report on school needs, held its first meeting here and selected Glenn C. Ivry, Texas Research League staff member, as its director.

House Interim Committee on Education decided to collect comparative data on what teachers are paid over the nation. Rep. Charles Wilson of Lufkin said he believes teachers will ask another pay raise in 1967. They got one in 1965.

POVERTY PROJECTS APPROVED — Fifteen more Community Action grants and two VISTA grants under the Economic Opportunity Act have received Governor Connally's approval.

Grants went to agencies in Harris, Hidalgo, Atascosa, Karnes, Wilson, Brooks, Jim Hogg, Zapata, Dallas, El Paso, Kleberg, Maverick, McLennan, Shelby, Starr, Comal, Blanco, Nueces and Webb Counties. They ranged

from \$,752 for Economic Opportunity Development Corporation of Laredo project to \$53,181 for Harris County Economic Opportunity Organization.

MANUFACTURING AT RECORD LEVEL—All-time highs in employment, payroll and value of output were set by Texas manufacturing industries in 1965, and outlook is even brighter for 1966.

So concludes a study of Texas industrial expansion by the University of Texas Bureau of Business Research.

Total Texas manufacturing employment this year is expected

to rise by 13 per cent, with biggest increase in electrical machinery production. Estimated value added by manufacture for 1966 is anticipated to be slightly above \$8,500,000, a 21 per cent rise over 1963.

A serious problem facing Texas manufacturers, BBR noted, is a shortage of skilled labor (particularly machinists) and engineers for aerospace companies supporting the Manned Spacecraft Center in Houston.

Shortage of engineers, machinists, technicians and managerial talent emphasizes again the "need to provide a superior educational system at the elementary, secondary and college levels," BBR stresses. Many industries, Bureau warns, can move where needed labor is available, and there is less and less work for the uneducated and unskilled.

NEW HIGHWAY MAPS—New 1966 Texas highway maps are off the presses. Initial printing of 800,000 will be the largest in history.

Maps are produced for free distribution by Texas Highway Department's travel and information division.

New map shows 521 more miles of divided highways than appeared on 1965 map and over 22,000 miles of farm-to-market roads, an increase of 7,500 miles over 1965. Also shown are all highway, public lakes, safety rest areas, city routes and mileage between points.

ATTORNEY GENERAL RULES — State Highway Department can buy interest in land needed for enhancement of scenic beauty adjacent to federal aid highways which are part of the Texas highway system, Attorney General Carr has held.

In other opinions, the attorney general concludes:

Alabama-Coushatta Indian tribal members cannot create a public housing authority as separate corporate entity to which they can make a 40-year lease of state trust land for low-rent housing project.

Election workers in counties under 500,000 may be paid for overtime over 10 working hours at polls at rate not to exceed \$1.25 an hour.

Conviction in a misdemeanor case punishable by imprisonment is void where defendant was too

poor to employ a lawyer and trial court failed to appoint one for him.

Game wardens are entitled to \$3 arrest fee payable to Parks and Wildlife Department, but fines and trial fees go to county officers' salary funds.

A prisoner jailed on a misdemeanor charge is credited at rate of \$5 a day for time served even though convicted prior to January 1 before new Code of Criminal Procedure took effect.

An election for abolishment of a consolidated independent school district may not be called within three years after the consolidation election where no charge has been made in the status of the district subsequent to the consolidation election.

Texas child support orders originating from divorce decrees in state courts should be processed for enforcement through petition is from out-of-state plaintiff.

WATER RIGHTS—The March 15 hearing of the Texas Water Rights Commission will begin a review of some 200 water permits and certified filings which reports to the commission indicate have not been used for 10 years.

Commission was given an assignment by the Legislature to cancel unused water rights, so the water in Texas streams can be allocated to cities and others who need and intend to use it. Law required cancellation of rights which have not been used for 10 years.

Hearing on five such rights on March 15 will launch the review. A second set, involving rights in Lee, Ellis, Wilson, Oldham and

Jack Counties, is set for March 30.

SHORT SNORTS—Governor Connally postponed his annual February 21 visit to neighboring American countries to San Antonio's HemisFair cause of the special session. . . . State Court refused request of Edw. A. Walker in AP.

OFF with his head! CRIED ALICE'S QUEEN. The King, the Queen and the executioner were present. No newspaper reporters. In Alice's Wonderland even applause was "immediately suppressed by the officers of the court." Not so in America. In all criminal prosecutions the accused shall enjoy the right of a public trial, says Article the Sixth of the Bill of Rights of the Constitution of the United States. So people may know, newspapers must report these trials. This is not freedom of the press. This is responsibility of the press. Newspapers have no extraordinary rights. People do. Men have the right to a public trial and the right to know what happens in courtrooms. These are rights written into the Constitution and affirmed by the Supreme Court in 1925 when Mr. Justice Brandeis wrote: "It is one of the essential qualities of a court of justice that its proceedings should be public." If people are to know the truth the newspaper must report the news. TEXAS PRESS ASSOCIATION 1718 SAN ANTONIO STREET GREENWOOD 7-8788 AUSTIN, TEXAS 78701

**BUREAU OFFICIALS**—Ed McKay, state legislative secretary, and D. M. Womble of Morse, state director of the local Farm Bureau at noon Friday. McKay, shown at the right, has been appointed to serve on the state resolutions committee from Area I.

### Bureau Meets Here Friday

State Legislative Farm Bureau Area I met with the local Farm Bureau at noon Friday, February 17, at the DeWitt Hotel. Ed McKay, state legislative secretary, and D. M. Womble, state director of the local Farm Bureau, were in attendance. McKay, shown at the right, has been appointed to serve on the state resolutions committee from Area I.

### Area I by District Director Moody Womble.

Mr. Smith will work with other members of the state committee in preparing resolutions for the state convention which will be held in November, 1966. The committee is made up of two men from each of the 13 districts in the state.

### Estelline School Trustees Call Election April 2

The Estelline School Board has called a trustee election for April 2, 1966, to be held in the Estelline City Hall for the purpose of electing two members of the school board.

The terms of J. D. Cox and Harold Burk are expiring. Those desiring to place names on the ballot should file applications with the County Judge, Jo Ed Cupell, Estelline Superintendent, said.

County Judge E. (Gip) McMurry said today, that the name of Harlen Hood has been submitted by petition to be placed on the Estelline School trustee ballot.

The deadline for placing names on the ballot is 30 days prior to the date of the election, it was announced. Names can be placed by personal application or by petition with five qualified voters in the school district signing the petition, Judge McMurry said.

The term of the Estelline representative on the County School Board is also expiring this year. The position is now held by Crump Ferrel. The County Judge said that so far, no one has filed for this position at his office.

There are not nearly so many complaints about the weather as there would be if the government regulated it.

### Wesleyan Guild Meets For Study Monday Evening

The Wesleyan Service Guild of the First Methodist Church met Friday evening, Feb. 14, at 7 p. m. in the church annex.

The resident, Mildred Gidden, called the meeting to order. A short business session was conducted.

Brunetta Morris, chairman of the program, introduced the first part of the study which will be presented in three parts. The study will be "The Christian Calling." Ruth Fowler gave the meditation, "Call of First Disciples", which was followed by the review of "Babylon by Choice" by Mildred Gidden. Pauline Wynn gave "Missions of Decisions."

The program was closed with prayer given by Mildred Gidden. Delicious refreshments were served by the hostesses, Muff Merrill and Ola Gowan to Mrs. Cora Belle Alexander, Hester Bownds, Lucille Burnett, Maxine Phillips, Pauline Wynn, Beth Lemons, Lenora Greenhaw, Dorothy Gowan, Elsie Gidden, Mabel Lavender, Lille Messer, Mildred Gidden, Ruth Fowler, Betty Johnson, Brunetta Morris and Annette Boswell.

### Clean Rod Ferrules

Ferrules that are balky when you try to pull the rod sections apart, show that they need cleaning and lubricating.

Use a soft rag, moistened with gasoline to swab both male and female parts of ferrule. Then lightly lubricate.

After this treatment you will find that the ferrule parts separate with nothing more than a little plop of resistance.

### Time To Hunt Squirrels

This tip is meant for the beginner who is making his first squirrel hunt.

The time of day most bush-tails are running actively is real early in the morning, just at sun-up, or at sundown, just before dark. And that's the time to hunt 'em.

This applies whether you are still hunting, or sneaking through the woods.

### Cold Nose Is Often Natural

The belief is almost universal that a warm, dry nose on a dog indicates that the animal is sick. However, unless this dry condition continues for several days, there probably is nothing to worry about.

Short intervals of dry hotness can merely indicate that the nose glands that regulate the moist discharge are only temporarily off the job.

Life is a building. It rises slowly day by day, through the years. Every new lesson we learn lays a block on the edifice which is rising silently within us. Every experience, every touch of another life on ours, every influence that impresses us, every book we have, every act of our commonest days, add something to the invisible building.

A Rotary Club is the platform where mature men gather to cultivate friendship, to share their experiences and to discuss current problems. Working together they try to find new and better ways of attaining greater understanding among different social groups, and they also seek to further peace and understanding among people of different nations, races and religion. The possibility of success in these efforts lies in the fact that each club is composed of men from different vocations and various social groups who are experienced in private and public business. — Written by Rev. Dick Avery.

Faith always takes the first step forward. It is a soul sense, a spiritual foresight, which peers far beyond the physical eye's vision, a courier which leads the way, opens the closed door, sees beyond the obstacles and points to the path which the less spiritual faculties could not see.

Young men and women, will you go down into the midst of the problems that must be met and solved, down where life is hard and men must toil, down into the thick of battle with selfishness and greed, into the commonplace to the daily deadly grind, into the midst of man's pleasure, into the home where men and women struggle to be true and fail. Leave your ceaseless round of self-indulgence, your drifting days where, safe and well content, you may draw down

the shades, and say your comfortable prayers at eventide and easily forget. Then go out the next morning into the problems of your own home, your office, your city streets, your country lanes, to lift the burden, knowing that in the ultimate plans of the Universe you have a part.

Every youth who is ambitious to grow to the full stature of noble manhood must make up his mind at the start that he has got to be bigger than the things that are trying to down him. If he doesn't he will go down with them.

The American home should be the first to feel the tremendous responsibility and glorious opportunity to help make the next fifty years the most glorious in human history. Every American home has an important place to fill. Each member of the home has a most sacred ministry. We must build each life up to its best and make it a force for the new day. America has had a glorious past. We love our country for what it has been and what it is to us. It is our glorious country and we love it. A new day is dawning in which we are to be patriotic not only for what our country is to us, but for what we can make it mean to the whole world; a world patriotism rooted deep in the brotherhood of man.

Henry Ford the First, out of long experience, once said: "Anyone who stops learning is old, whether this happens at 20 or 80. Anyone who keeps on learning not only remains young, but becomes constantly more valuable, regardless of physical capacity." Even if the time for action has gone by, the time for extracting a lesson from history is ever at hand for those who are wise.—Demosthenes.

We should so lie and labor in our time that what came to us as seed may go to the next generation as blossom, and that what came to us as blossom may go to them as fruit. This is what we mean by progress.—Henry Ward Beecher.

The final test of science is not whether its accomplishments add to our comfort, knowledge and power, but whether it adds to our

dignity as men, our sense of truth and beauty. It is a test science cannot pass alone and unaided.—David Sarnoff.

Human life and conduct are affected by ideals in the same way that they are affected by the examples of eminent men.—Benjamin Jowett.

Dear J. Claude:

I always enjoy reading your column, but today after reading your column in the February 10 issue, well, move over if you can boast of 65 years in the wind-swept land of open prairies, etc.—well, so can I.

In March 1901 from northwest Missouri came the Offield family, father, mother, and two daughters. The change was too great for a while for us to appreciate the howling wind, sand, open spaces and coyotes' howl.

That summer the failure of a Childress bank left my father with a dollar and a half, 160 acres of land in the edge of the large Shoe Nail Ranch about seven miles from the little town of Newlin just in the edge of Childress County.

So if the parents had any idea of leaving, that was out. We lived thru all the things you spoke of in your comments. Well, you know there was and is something about the people and country, and before you realize it, you wouldn't leave and when you go back to where you came from it just isn't where you want to live, and you come back to the Panhandle and you feel so at home and at peace with yourself and everyone and your wide open spaces, even the sand and high winds. They don't last, ever the dry weather. Well, that's better than floods any time.

### Geldon's Social Security Advice

"May I keep my own family doctor if I sign up for the new Medicare plan," is one of the questions most frequently raised by older people, according to Hal Geldon, district manager, Social Security Administration at Amarillo.

"The answer is 'yes,'" Geldon stated today. "The Medicare program will help pay the hospital and doctor bills, but it won't tell an individual what doctor or hospital to go to. He will be free to choose his own doctor just as he always has done. It will be up to the doctor to decide if the patient should go to the hospital, what tests are to be made, which drugs and treatments may be needed, and the length of the hospital stay. No 'government doctors' are involved."

The doctor and patient will also have a choice as to how the bill is to be paid. The doctor can bill the patient, the patient pay the doctor, and then the patient can submit his bill to the medicare plan.

All persons who were 65 and over in 1965, who have not already signed up in this new plan, need to get in touch with their social security office before the enrollment period ends March 31. This means persons who are still regularly employed or self-employed. Also, persons who have never worked under the social security program are eligible for this protection.

**ROTUNDA, STATE CAPITOL Austin**

When you visit the rotunda directly under the dome of the State Capitol in Austin you can see Texas in the past, present and future.

On the stone floor are the seals of Spain, Mexico, France, the Republic of Texas, the Confederacy and the United States. On the walls hang portraits of all Texas heads of state — presidents of the Republic and governors since 1846.

Then, looking some 300 feet straight up, one has an uninterrupted view inside the great dome. You can dream what the future has in store for Texas, as you lift your eyes.

Memories make Texans proud of their heritage. The present, too, is a challenge to continue Texas' great role in the affairs of our Nation. We all want our children to have a secure and safe future.

By BILL LOCKHART

Mankind first experiences pain in infancy, and it is usually no more than a short twinge away thereafter. Despite a great deal of preoccupation with the subject, few fully know the nature of pain, and fewer still can explain its many paradoxes.

Why for instance, does a minor injury cause extreme suffering in one person and little or none in another? Superficial injuries are often more painful than serious ones, as witness the fact that bullet wounds seldom hurt. Pain is not cumulative. It is not increased by a lesser injury elsewhere in the body; in other words, pain does not "add up."

Also, have you noticed pain is invariably worse at night? You're not about to get hurt however, when you count on us for your prescriptions. Fast, efficient and thoroughly accurate filling of your prescriptions is our main stock in trade at P A R S O N S - L O C K H A R T PHARMACY, 115 South 6th Memphis . . . Phone 259-3541 . . . ## Income Tax Q. And A. Column

Q.—What can be deducted by salesmen for the cost of operating a car?

A.—You may be entitled to deduct 10¢ a mile for the first 15,000 miles of business use and 7¢ a mile thereafter if you qualify, or you may deduct the actual cost of operation including depreciation. Of course your car travel must be an ordinary and necessary expense. These rules are explained in more detail in the 1040 instructions.

Q.—I received unemployment from the state last year. Are they taxable?

A.—No. State unemployment benefits are not taxable and do not have to be reported.

Q.—I have several W-2 forms since I worked for several people last year. Should I send all of them with my return or can I add them up and give you the totals.

A.—You should file Copy B of all your W-2's with your return, although only the total need be entered on line 17a of your Form 1040. Failure to do so will hold up the processing of your return and any refund that might be due you.

Q.—I changed jobs last year and now find myself driving about 30 miles a day to get back and forth to work. Can I deduct 10¢ a mile for this driving?

A.—No. Commuting to and from work is a personal expense and not deductible.

Q.—I frequently buy food which I give my neighbor. They have 4 kids and the husband has been having a hard time finding steady work. Can I deduct what money I spend for them when I will out my return?

A.—Certainly your gifts are very charitable, but the law does not permit gifts to individuals to qualify as tax-deductible contributions.

Q.—This is the first year I've ever filed a return. What figure on the W-2 should I report as income—the amount I received before taxes were withheld, before Social Security or what?

A.—Use the figure given on the W-2 as "wages paid subject to withholding in 1965" under "In-

come Tax Information." Add any amount that appears in the box "Other compensation paid in 1965" and report the total on your return.

Q.—I was married last year and we were fortunate enough to receive some very nice wedding gifts. Are they taxable on my income tax return?

A.—The gifts themselves are not subject to income tax, although any income from them may be. However, if someone gave you gifts worth \$3,000 or more during the year, the giver has to file a federal gift tax return and pay any tax due.

Q.—I am a teacher and took a summer course last year. Will I be able to deduct what it cost me?

A.—The cost of the course will be deductible if one of the following two conditions are met: 1) the course was primarily for the purpose of maintaining or improving your present teaching skills, or 2) the education is expressly required by your employer to maintain your salary, status or job.

Q.—Is the retirement income credit the same each year?

A.—No. The rate used to compute the credit is 15 per cent for 1965 income compared to 17 per cent last year. This is to keep in line with the reduced income tax rates for 1965. For an explanation of how to use this credit write your District Director for a copy of Document 5018, Retirement Income and Credit.

## Rep. W. S. Healty Gives Statement On Upcoming Race

Representative W. S. Healty of the 82nd Legislative District, this week issued a statement expressing appreciation for the fact that he does not have an opponent in this year's Democratic primaries. He is an attorney, and farmer and rancher, and resides at Paducah.

He is seeking his seventh consecutive term from the 82nd District, although it has been changed three times since he was first elected. The district was composed originally of four counties, Cottle, Foard, Hardeman and Wilbarger. Later Childress, Donley, Hall and Motley counties were added. The Legislature dropped Donley and added Briscoe and Dickens Counties at its last session.

From his first term until the present Mr. Healty has been honored with important committee assignments, being named chairman of State Affairs as a freshman Representative. In five of his six terms he has been a member of the Appropriations Committee and has served an unprecedented three terms as chairman.

In addition to his 10 years of service on Appropriations, Mr. Healty has served 10 years as a member of the House-Senate Interim Budget Committee, and six

years as a member of the Interim Audit Committee. The get Committees is made up of five representatives and the Audit Committee is composed of three members from each branch of the legislature.

These are highly important positions and to be elected to a term of 180 in the Legislature is an indication of Mr. Healty's standing among his colleagues.

The three committees have primary responsibility for State spending which exceeds \$1.5 billion annually. Money bills must originate in the House of Representatives. Appropriations Committees recently headed by Mr. Healty pass on all requests for funds.

Mr. Healty expects to advise all sections of his district year, even though he is a non-candidate, and will devote attention to his constituents and Briscoe. He views on all matters relating to State Government especially when their interests are involved.

Since preparing this the Governor has called a Special Session of the Legislature. Mr. Healty will be busy for the next several weeks on this business.

Side-stepping only a few miles farther away from where you are going.

## GIRL SCOUTING

There will be 16 more girls who will be active in Girl Scouting!

The Memphis Neighborhood Chairman, Mrs. W. R. Herndon, announced last week that Troop No. 185 will be able to register as a Junior Troop. This group of Scouts have been Brownies and will have a "Fly-Up" ceremony as soon as their new leader, Mrs. Chas Chambless, and her co-leader, Mrs. G. D. Hall, are able to make the necessary arrangements.

All the Girl Scout workers welcome these ladies into the scouting field.

Do you believe in girls? Think they're here to stay? Do you believe that their "growing-up

years" are important to them? To their community, and the world? Then join the Girl Scout movement and have the fun and satisfaction of working with girls as individuals and members of a troop—as Girl Scouts who need and want your guidance, your enthusiasm, and your values. For girls need people and ideals to grow by. They need help in learning to work and play together; they want someone to share fun and adventure and learning with them.

In whatever job you qualify for, the Girl Scout movement will give you help and training for your work. Whether you have a lot of time or just a little to give, there is a job for you. There are so many ways you may serve—as troop leader, assistant leader, troop committee member, program consultant, etc. More than 773,000 adults—both men and women—are now registered volunteers in the Girl Scout organization.

Being a Girl Scout is an important part of growing up. For today's girls, facing a future we can only guess at, need more than ever the sense of purpose

offered by Girl Scouting. To inspire girls "with the highest ideals of character, conduct, patriotism, and service that they may become happy and resourceful citizens" is the privilege of those who would lead.

Are your convictions strong enough to do something about it? Anyone interested in becoming part of a world-wide program of service for our girls, please contact the Neighborhood Chairman, Mrs. Herndon, whose phone number is 259-2696, and tell her you'd like to help.

### 'Favorite Recipes Of Home Ec Teachers' To Be Sold By Lakeview FHA Club

The FHA club of Lakeview High School announces the start of their annual sale of the "Favorite Recipes of Home Economics Teachers" cookbooks. These books are offered only through high school home economics departments and are not sold commercially. The 1966 edition, the newest in this series, features Vegetables (including Fruits). Other editions available through the club feature desserts, salads, and casseroles.

Homemakers will find the "Vegetables" book the most complete of its kind. It contains over 2,000 recipes submitted by some economics teachers from all over the United States. There are dishes for the budget-minded and for the gourmet. Each is a practical application of cooking skill, equally suitable for experienced chefs or brand new brides.

Complete sections deal with fresh, canned, frozen and dried vegetables. Every homemaker will appreciate the variety of new ideas for preparing tasty and attractive dishes from the erstwhile under-rated vegetable. Now, the lowly beet and the forgotten cabbage will bring forth smiles instead of frowns at the table.

The chapter on fruits will enthuse and delight every woman who cooks. Fruit desserts are a perfect change-of-pace climax to heavy meals. For a new experience, the homemaker can select from a number of foreign sweets. Of course, many time-honored traditional favorites can also be found in this section of the book. From appetizers and salads to delectable preserves, jams and jellies... every recipe is guaranteed to please.

declared Communist front organizations by Attorney General of the United States: American Youth for Democracy, American Student Union, American Youth Congress, American Youth for a free world, Friends of the Campus, Labor Youth League, The Students Congress Against War; the Sweethearts of Service Men.

Remember the Communists are atheists; they believe that the human is just another form of animal life; there is no hereafter; there is no Spiritual Being; There is no God. Man is a machine. Man, therefore, can be manipulated just as any other form of animal life.

Ninety-five percent of the young people who join American Youth for Democracy are victimized by ignorance. They have not been educated in public schools and in the colleges to know the truth about Communism, how Communism works, what Communism is, what Communists believe, how to recognize Communism propaganda when they see it. The schools have a tremendous responsibility: Young people should be armed with knowledge.

The program was closed with prayer by Mrs. G. M. Duren. Those present for the meeting were Mmes. W. F. McElreath, Marvin Duren, A. Gidden, A. O. Gidden, Charlie Murff, J. F. McIntosh, O. M. Gunstream, J. R. Hitchell and Claude Nix.

proved, various officers gave their reports.

The devotional was given by Mrs. Theo. Swift, who chose as her subject, "Opportunities for the Maximum in Service." She pointed out that God knows the abilities and opportunities of every person and upon these His judgment is based. Her text was taken from Mark 14:8.

The group then stood and sang, "Blest Be The Tie". Mrs. Henry Hayes was the accompanist. Mrs. Omer Hill then closed the meeting with prayer.

Those enjoying the lovely affair were two guests, Mrs. Joe Mothershead and Mrs. H. E. Gilmore of Dallas, and the following members: Mmes. Melissa Anderson, Byron Baldwin, Theo. Swift, Julia Smith, J. E. Saunders, entry Scott, J. W. Smith, H. E. Lindsey, Henry Hayes, Leonard Wilson, Otis Jones, R. E. Clark, Bill Billingsby, Omer Hill and the co-hostesses, Mmes. Leon Randolph, Ida Hutcherson and A. A treat for wives of Lions Club members was the Sweetheart banquet Tuesday night... the food was delicious, the decorations were pretty and the speaker of the evening, the Rev. Kenneth Wyatt, pastor of the Paducah Methodist Church, was most entertaining. We were delightfully surprised last year when we met Mrs. Wyatt to learn she was the former Veda Mae Kiker of Wellington, the pretty little girl with blonde curls, who was a classmate of our son, Adrian. Mrs. Wyatt is now a very attractive young woman.

Congratulations to Miss Diane Gailey, who was crowned Lions Club Queen. Daughter of Mr. and Mrs. A. L. Gailey, Diane will represent the local club at the annual district Queen contest later in the spring. This is held in conjunction with the Lions Club district convention.

A distinct honor was presented The Democrat this month by the Quivira Council, Girl Scouts of the United States of America. Our paper was chosen to receive this year's newspaper award. Flo Branigan was also presented an award at the annual banquet for her outstanding service to the Girl Scout program. It is always our pleasure and aim to support, through our newspaper columns, projects of any kind that will aid the growth and development of our youth.

The following poem, author unknown, was handed us by a friend, who thought it worthy of publication for the thought contained therein:

"The Scouter's Dilemma"  
I love my children, I'm tell you,  
And I know there's a lot of work to do

In Scouts and Brownies and P.T.A.  
But frankly I just can't get away.

At the end of a day, I'm tired  
you know,  
Just want to go out and see a show,

Or watch TV or play some bridge.  
Just too darn tired to mess with kids.

And speaking of kids, you know  
that crime  
Is on the increase all the time?  
They ought to do something,  
maybe at school

To teach the kids to respect a rule.

Or perhaps the church should do  
more good  
And teach them to act the way  
they should.

I can't understand why they act  
that way,  
Something's wrong somewhere, I  
venture to say.

I send my kids to Scouts and  
such  
But it really doesn't help too  
much;

They don't appreciate good things  
at all,  
I used to be a Scout when I was  
small.

They need more volunteers, you  
say?  
Must be plenty around—must be  
some way

To interest parents in worthwhile  
work,  
That's something no one has the  
right to shirk.

Well, I hope they find someone,  
I'm telling you.

My kids need a leader to look  
up to.

They need someone to direct  
their play.

It's really a shame I can't get  
away.

### Harmony Club Meets In Home Of Mrs. T. L. Rouse

Mrs. T. L. Rouse and Miss Esta McElrath entertained the Harmony Club on Wednesday afternoon, Feb. 8, in Mrs. Rouse's home.

After a short business meeting, Mrs. Bob Fowler, accompanied by Mrs. Rouse, opened the program by singing "I Love Thee" by Beethoven. The second number on the program was a violin solo, "Berceuse" by Godard, played by Mrs. Clifford Farmer, accompanied by Mrs. Carl Smith.

Mrs. George Ferris, pianist, then played Sonata, Opus 3, No. 2 by Beethoven. The program was concluded by a guest artist, Miss Rosemary Harrison. A high school student, she played a flute solo, "Syrinx" by Debussy, which she will play this year in the UIL competition.

Following the program, the hostess served delicious refreshments to two guests, Miss Harrison and Mrs. David Hamblin, and the following members: Mmes. L. G. DeBerry, Robert Sexauer, R. S. Greene, Dick Fowler, D. L. C. Kinard, Bob Fowler, Gordon Gilliam, Henry Foster, Farmer, Richard Avery, Smith, and Ferris.

### Frank B. Foxhall Speaks To Fourth Grade Students

Frank Browder Foxhall, manager of the local water company, spoke to members of the Fourth Grades at Travis Elementary School Friday morning.

Mr. Foxhall made an interesting talk concerning the city's water supply to the students. This was in conjunction with science studies, Mrs. Clifford Farmer, one of the teachers, stated. The students were most appreciative of the lecture, she stated.

### BRICE

Mr. and Mrs. Red Stephens had their children home Sunday. They are Mr. and Mrs. Cecil Heckman and children of Hughston, Kan.; Mr. and Mrs. Lynn Hall and children of Amarillo, and Mr. and Mrs. Wayne Stephens and children of Brice.

Mrs. G. W. Selmon visited Friday in Canyon with her daughter, Mrs. J. P. Carille and family. Her four grandchildren returned with her for a visit.

Mrs. Merle Lemons, who has been in the hospital the past six weeks, returned home Sunday and is much improved, but we are sorry to report that Mrs. Everett Paschell is still in the hospital.

The Doyle Fowler family moved the past week to Ft. Worth where he will be employed. We are sorry to lose Doyle and Judy from the community.

Mr. and Mrs. Jim Alexander and children visited Sunday in

Silverton with her parents, the Lem Weavers.

Mr. and Mrs. Mike Murff and girls of Amarillo spent the weekend here with his parents, the C. V. Murffs.

Mr. and Mrs. Don Lemons and boys spent the weekend in Amarillo with her grother, Kenneth Webb and family.

## Report From Washington

By WALTER ROGERS  
Representative, 18th  
Congressional District

**WORLD WAR GI BILL**  
Congress has passed—with-  
out a vote—the so-called  
"War GI Bill of Rights."  
The bill provides educa-  
tion benefits to men  
who received, or will  
receive, from the arm-  
ies after January 31,  
1945, similar to the World  
and Korean War "GI  
Bill." It recognizes the dedica-  
tion of young Americans  
and their country well in  
the past.

The bill was approved by  
the Committee on Veter-  
ans (on which I was hon-  
ored to serve) in past sessions of  
Congress after approximately  
two years of work. More than  
100 proposals were con-  
sidered by the committee. Ob-  
jects of the bill are to in-  
crease through our increas-  
ingly crowded South Viet-  
nam, to provide approval of  
hot war or cold war  
responsibilities in the  
future that young men  
in our country for two or  
three years in the midst of a  
technological revolution  
is requiring a rising  
education and training.  
The bill provides that  
the educational benefits are  
particularly important, of course.  
The country's experience with the  
World War II GI Bill is one of  
the big reasons the House of Rep-  
resentatives approved the new GI  
bill without serious question.  
More than 7,800,000 World War  
II veterans—nearly half of all  
those who served in the armed  
forces—took some form of train-  
ing under the GI Bill. Because of  
the need we've had for trained  
manpower, I seriously question  
whether our technological and

fill essential technical and profes-  
sional posts.

Perhaps you or someone you  
know are directly affected by the  
provisions of this legislation.  
These are among its education  
provisions: The bill provides for  
a month of training for each  
month of service, not to exceed  
36 calendar months—which is the  
equivalent to four academic years.  
The assistance rates per month for  
full-time training are \$100 for a  
single veteran, \$125 for a veter-  
an with one dependent, and  
\$150 for a veteran with more than  
one dependent. There are propor-  
tionately lower rates for less than  
full-time training. Education is  
generally limited to institutions  
of higher learning, and must be  
completed within eight years from  
the date of discharge. In addition  
to education benefits the bill also  
extends benefits of both the guar-  
anteed and direct home loan pro-  
grams; provides certain non-ser-  
vice-connected medical care; ex-  
tends preference in employment  
in Federal service to these veter-  
ans on the same basis as presently  
applies to war veterans; provides  
a presumption of service connec-  
tion of certain chronic and tropi-  
cal diseases.

The educational benefits are  
particularly important, of course.  
The country's experience with the  
World War II GI Bill is one of  
the big reasons the House of Rep-  
resentatives approved the new GI  
bill without serious question.  
More than 7,800,000 World War  
II veterans—nearly half of all  
those who served in the armed  
forces—took some form of train-  
ing under the GI Bill. Because of  
the need we've had for trained  
manpower, I seriously question  
whether our technological and

economic advance would have  
been possible without the large  
reservoir of manpower trained  
under the GI Bill programs. I feel  
certain that the Nation's future  
development will be reflected by  
the education and training to be  
received by young men and wom-  
en under the Cold War GI Bill.  
Wise and just investments were  
made by the World War II and  
Korean Bills; the same will be the  
case under the new bill.  
The Cold War GI Bill is good  
and timely legislation.

### NOTICE TO BIDDERS

Sealed proposals addressed to  
the Mayor and City Council of  
the City of Memphis, Texas, will  
be received at the City office in  
the City Hall until 7:00 P. M.,  
CST, March 8, 1966, for furnish-  
ing all necessary materials, ma-  
chinery, equipment, superintend-  
ence and labor necessary to con-  
struct a Sewage Treatment Plant  
and Appurtenances.

Bidders shall submit their bids  
on the forms attached to the Spec-  
ifications and must submit there-  
with a Cashier's or Certified  
Check issued by a bank satisfac-  
tory to the Owner, or a Proposal  
Bond Payable without recourse to  
the order of H. J. Howell, Mayor  
of the City of Memphis, Texas,  
in an amount not less than five  
percent (5%) of the largest pos-  
sible bid submitted on the project  
as a guaranty that the bidder will  
enter into a contract and execute  
bonds in the forms provided with-  
in ten (10) days after notice of  
award of contract to him.

The successful bidder must  
furnish performance and pay-  
ment bonds on the forms attach-  
ed to the Specifications in the  
amount of 100% of the total con-  
tract price from a Surety Com-  
pany approved by the Owner  
holding a permit from the State  
of Texas to act as Surety or other  
Sureties acceptable to the Owner.  
All lump sum and unit prices  
must be stated in both script and

figures. The Owner reserves the  
right to reject any or all bids and  
to waive formalities. In case of  
ambiguity or lack of clearness in  
stating the prices in the bids, the  
Owner reserves the right to con-  
sider the most advantageous con-  
struction thereof, or to reject the  
bid.

Bidders are expected to inspect  
the site of the work and to inform  
themselves regarding all local  
conditions under which the work  
is to be done. The Contractor  
shall comply with all state and  
federal regulations regarding  
wages and conditions of employ-  
ment, including but not limited  
to those rules and regulations set  
forth or referred to in the speci-  
fications. The Department of Labor  
has made a determination of the  
minimum wage scale for this  
project and the Owner has ap-  
proved and adopted said wage  
scale. Said scale of prevailing  
minimum rates of wages is set  
forth in the Specifications.

**Non-Discrimination In  
Employment**  
Bidders on this work will be  
required to comply with the  
President's Executive Order No.  
11114 and the Provisions of Ex-  
ecutive Order No. 10925 as in-  
cluded therein. The requirements  
for bidders and contractors under  
this order are explained in the  
specifications.

Information for bidders, propos-  
al forms, Specifications and Plans  
are on file at the City Hall, Mem-  
phis, Texas and copies may be se-  
cured at the office of the Consult-  
ing Engineers, Merriman and  
Barber, 117 N. Frost Street, Pam-  
pa, Texas.

### Final Rites For Mrs. Mary Durham Held Wednesday

Funeral services for Mrs. Mary Lena Durham, 83, a resident of Hall County since 1905, were held at 2 p. m. Wednesday in the Lakeview Methodist Church. The Rev. Claude Nixon, pastor, and the Rev. Clarence Tedder, pastor of the Lakeview Baptist Church, officiated.

Burial was in the IOOF Cemetery in Lakeview under the direction of Spicer Funeral Home.

Mrs. Durham, a native of Springtown, died Monday morning in the Hall County Hospital in Memphis. She was a member of the Lakeview Methodist Church.

Survivors include a son, Joe of Lakeview; sisters, Mrs. Allie E. Ledbetter of Marlow, Okla., and Mrs. Clara Dean of Siloam Springs, Ark.; a brother, Than McCracken of Graham, and two grandchildren.

Active pallbearers were Leon M. Robertson, Lee Blanks, James Skinner, Paul Smith, Gary Don McWhorter, Troy Payne, J. B. Byars, and B. E. Davenport.

Honorary pallbearers were Roy Sweatt, Del Wells, Marvin Alexander, E. C. Barnett, Dr. O. R. Goodall, Lance Leggett, Cartie Dunn, and L. J. Robertson.

### Lakeview Lions To Hold Auction Sale Saturday

Final plans for the annual Auction Sale held each year by the Lakeview Lions Club were completed this week. The sale will be held Saturday, February 19, beginning at 10:30 a. m.

Auctioneer will be Bob Ayers of Memphis. Items will be accepted up to sale time and will be sold by the club on a commission basis.

Many items have already been listed for sale and others are expected to be listed between now and sale time, members of the club stated.

The list of items to be sold includes, just to mention a few, numerous pieces of farm equipment, one truck, one pick-up, one violin, 4 9x12 rugs, 4 50-ft. water hoses, store fixture counters, 12 pocket knives, 12 extension cords, ball glove, etc.

The public is cordially invited to attend the sale.

### County Gets No Re-apportionment Cotton Acreage

Lynn L. McKown, ASCS County Office Manager, was notified this morning that Hall County has received no re-apportionment cotton acre allotments for the 1966 crop year.

"We had 37,000 acres requested under the re-apportionment program but our county will not receive any released acreage allotments," he said.

"Several farmers have been waiting to see if we would receive additional cotton acreage allotments under the re-apportionment program before signing up, so now that we have received none, they can sign up," he said.

Mr. and Mrs. Robert Hooten of Mason announce the birth of a daughter, born January 23. She has been named Stacey Denise and weighed 6 pounds and 7 ounces. Mrs. Hooten is the former Jo Ann Widener, daughter of Mr. and Mrs. Lonnie Widener.

### Cub Scout Pack At Turkey Holds B. & G. Banquet

The annual Blue and Gold Banquet, Cub Scouts Pack 270, was held Tuesday night, Feb. 8, in the Turkey School cafeteria. Invitation, place cards, place mats and centerpieces for the table decorations were made by the scouts. A large number of scouts and their families attended.

The Space Derby was featured as entertainment. Eighteen cubs entered the contest. Winners were Smitty Lane, who received a pair of gloves for first place, Brent Mullin, who received an identification bracelet for second place, Jewel Hicks, who received a cub scout flashlight for third place.

The Turkey scouts observed Boy Scout Week by arranging a window display in a downtown store, telling what cub scouting is and displaying things they have made. Den 3 attended church services together Sunday morning.

The past cubmaster, Keith Green, has resigned and will be associated with the Boy Scouts. U. F. Coker, Jr., will be the new cubmaster.

### Commissioners—

(Continued from Page 1) his position in Hall County as of Feb. 1.

Mr. Ellard said in his letter, "We will keep watch on wild animal population in your county and keep you and the court informed on further needs concerning reductional measures."

Stockton began trapping Hall County Sept. 14, Judge McMurry said.

The court also named general and special election judges and clerks in the election boxes in the county. These officials serve only in special and general elections, not party primaries, it was explained.

Following are the officials named:

Memphis No. 1—Bob Ayers, presiding judge, Thomas Clayton, Mrs. J. D. Tuck and J. M. McMurry, clerks.

Memphis No. 12—G. M. Duran, presiding judge, R. E. Roark, Mrs. Art Miller, clerks.

Baylor No. 6—Ernest Rea, presiding judge, Thurman Mabry, Oscar Lambert, clerks.

Farnell No. 7—Carl Hill, presiding judge, Don Ferrel, J. J. Boney, Jr., clerks.

Turkey No. 8—Lee Gregory, presiding judge, Bruce O. Gibson, U. F. Coker, Mrs. U. F. Coker, Sr., clerks.

Lakeview No. 9—W. C. Hight, presiding judge, James Richburg, Mrs. B. F. Davis, clerks.

Brice No. 10—C. V. Murff, presiding judge, Joe Wood, T. H. Gattis, clerks.

Lesley No. 4—D. C. Hall, presiding judge, W. M. Hughes, Mrs. Joe Neal Berry, clerks.

### Roofing In The Doghouse

Your bird dog deserves a dry place to run and sleep. Cover the floor of his shelter with ordinary roofing material. Then pave the runway of the kennel with the same stuff. First be sure the runway is elevated with enough packed dirt to assure good drainage.

### Lakeview Seniors Plan Volleyball Tourney In March

The Lakeview Senior Class announced this week plans for a volleyball tournament to be held March 10-11-12 in the Lakeview gymnasium.

Senior Sponsor Barney Bevers asked for all teams interested in entering the tournament to contact any of the Lakeview seniors or himself. Entry fees are \$8 per team.

"We will have two divisions in the tournament and give trophies for first place, second place and consolation," Bevers said.

### Memphis Teams—

(Continued from Page 1) hustled the visiting Skyrockets and defeated them 59 to 52.

It was a bitter pill for the Wellington lads to take, since

last Friday night, Clarendon had put all their hopes for a tied district behind them, with a 48 to 39 Broncho victory.

The Bronchos and the Clarendon girls team both won District 2-A crowns.

The local lads were fixed up for the Wellington game Tuesday night and local fans came alive early in the game as the Cyclone jumped off to a 19 to 12 first quarter lead and increased the lead to a 37 to 20 halftime score.

Coach Milton Miller's boys were outscored the second half by a fighting Skyrock team but Wellington was just too far back to catch the Cyclone.

Tony Pounds led the scoring for Memphis with 15 points while Clyde Wilson and Kenneth Cornish each had 12 points. Wellington's high point man was James Smith with 18 points.

In the girls game, the Wellington girls downed the local girls 47 to 28. Cynthia Evans scored 15 points for Memphis while Leslie Corey scored 16 for Wellington.

The Wellington B team scored a 59 to 42 victory over Memphis B team.

Tomorrow night, the Memphis teams will travel to Canadian to play the final game of the season, a make-up district contest.

Canadian defeated Memphis in the opening game of district play so the game will be an interesting one to see if the Cyclone can finish the season on a winning note.

Memphis and McLean teams each went home with victories last Friday night. The Memphis girls lost to McLean girls by a 55 to 20 score. Janie Watson was the Cyclonette's high point girl with 10 points while Sue Kunkel had 26 for McLean.

The Memphis B team defeated the McLean B team 43 to 30. Since the MHS basketball king and queen were crowned at the halftime of the boys game, the Memphis lads were all fired up for the contest.

When the first quarter ended, the scoreboard showed a 17 to 2 Memphis lead which was increased to 37 to 9 at halftime.

Coach Miller used a two platoon system allowing all 10 boys

to play about half the game.

When the final buzzer sounded, Memphis had won by a 59 to 42 margin.

Jerry Moss and Debra were the Cyclone high pointers with 13 points each while Carroll was two points behind with 11 points. McLean's Hester had 8 points.

In half-time crowd favorites, Clyde Wilson, sister, Tommie Wilson, kethball queen, while Evans crowned Mike Carroll, kethball king, in a ceremony between the two lines of team members. The queen received gifts and money by Cyclone Coach Captain Jerry Moss and attendant Sandy Sapp at the ceremony.
