MEMPHIS, HALL COUNTY, TEXAS, THURSDAY, AFTERNOON, OCTOBER 13, 1966 \*\*\* TEN CENTS \*\*\* NUMBER 22

## Bank's Finances Continue With Optimistic Trend

Financial picture in Hall County appears to be climbing higher record-breaking climb at the end of 1966, figures in the statements of confidence in the four Hall County banks at the close of business on Sept. 30, 1966.

The county's financial picture is relatively stable about the same as in 1965, figures on total assets and total deposits in the four banks are still continuing upward, a swing in the total assets figure of the four banks' statements of condition, published in the issue of The Democrat, showed a grand total of \$57,461,424.06 above the total figure for October, 1965, and a total of \$460,000 above the June, 1966 figure. The same trend was shown in the total assets figure of \$12,117 for Sept. 20. This is \$2.50 above the Oct. 1965 figure.

The most striking about the three-quarterly figures found in the loans and continued on Page 12)

## Estelline To Play Host Darrouzett Friday Night

The Estelline Bears will open District 5-B (8-man) play Friday night when they host the Darrouzett team. The game starts at 7:30 p. m.

Darrouzett is one of the two district favorites and will probably be the pre-game favorite to win the game, reports indicate.

The visitors have lost only one game this year, and that was to Follett last week.

Estelline, on the other hand, won their last outing by defeating Oklaunion, 46-16, in what was described by Coach Jimmie Adams as the "best all-around game we have played this season."

"We had a balanced passing and running attack for the first time this season," Adams said about the come from behind stopping.

The Bears passed for three touchdowns and ran over several. They had some fine defensive downs by twice blocking Oklaunion punts and twice intercepting passes.

The Cardinals had one TD each

## J. C. Penney Store To Close In Early January

J. B. Jones, J. C. Penney Company district manager, announced today that the Company's store here at 604 Noel Street will close in early January.

"We regret having to leave Memphis where we have spent many pleasant years serving our customers," Jones said, "but the economics of the situation just don't permit us to continue. People want and should expect to find complete stocks of merchandise in every Penney store. This is not possible in the case of our Memphis store because it is not large enough to offer the selection of merchandise needed to properly serve the market."

"So, after a careful survey which involved weighing all the factors, the Penney Company has reluctantly decided to close the store rather than risk disappointing our customers or lowering our standards of service. Naturally, this decision was taken with the deepest regret because we appreciate the way our customers have responded through the years to our efforts to serve them well with Penney values in good merchandise."

Penney's opened its Memphis store here in June, 1938 and has been serving the community for nearly 28 years.

Wray Studstill is manager of the local store.

## District 3-AA Spotlight Is On Memphis-Abernathy

### Turks To Host Chillicothe Fri.

The Matador Matadors used a pass play for the big bomb to score one quick TD Friday night at Matador and made it stand up as they defeated the Turkey Turks in a defensive struggle 6-0.

Sending the halfback out to clear the zone, Quarterback Bostick hit End Dickie Moss right over the middle and he promptly sped the remaining 40 yards on a play that covered 60 yards total for the winning score in what had been a tight defensive battle for nearly three quarters. The Turks threatened to tie up the score after the ensuing kickoff but they were stopped short at the Matador 15-yd. line as they lost the ball on downs.

Neither team could offer a sustained drive in the contest for the entire night although each had several chances to score. These coming on fumbles and other miscues as the defensive teams for both were hitting with authority. The Turks were able to get out of danger thanks to a brilliant punting show put on by Alton Setliff. Setliff, despite being put under terrific pressure by the onrushing Matadors, managed to get off five punts for an average of 41.8 yards per kick. Many of these coming from deep in his own end of the field.

The Matadors had slightly better of the statistics as they picked up 10 first downs to the Turks 7. The Matadors had a total of 112 yds. rushing and 169 passing, while the Turks had 153 yds. rushing and passed for only 29 yds. Matador fumbled four times with the Turks recovering all four while the Turks fumbled twice and recovered one of these. Both teams had one pass intercepted.

Johnny King was the bright spot in the Turkey offense as he carried 23 times for a total of 119 yds. Johnny almost broke on one long play as he carried the ball from his own 6-yd. line out to the 50 but with blockers out front he just couldn't get by the last man or else the final score would have read differently.

On defense the Turks had several standouts. Red Mullin had a good night as he picked up the highest total of tackles credited to anyone on the Turk team this year as he participated in 18 tackles. Hal House played his best game of the year as he was credited with 10 tackles, many coming behind the line of scrimmage for a loss to the ball carrier. David Majors, Setliff, Guest and Hamner also displayed outstanding defensive games.

This Friday night the Turks entertain Chillicothe, one of the better Class B teams in the State, starting at 7:30 at Vardy Field. The Turks will have their work cut out for them as this Chillicothe team is big, fast and tough. Last week they defeated one of the district favorites, Rule, by the tune of 55-0. The Turks will have their defense tested thoroughly as the visitors have speed to burn. But the Turks are not giving up and with that type of attitude and with an offense that is due to jell at any time they just might get back in the race for the District 6-B crown.

By BILL COMBS  
The undefeated Abernathy Antelopes, the No. 1 team in District 3-AA, will be visited Friday night by an underdog, but determined bunch of Memphis Cyclones at 7:30 p. m. in Abernathy.

Along with the 25 boys wearing the gold and black will be a good crowd of Cyclone supporters and the Cyclone Band making the long trip to Abernathy, a town located between Lubbock and Plainview on the South Plains.

The Abernathy team has had the good fortune to be the only undefeated Class AA team on the South Plains and be considered the best AA team on the South Plains. The Antelopes are considered the No. 3 team in the Panhandle behind only powerful Phillips and Iowa Park.

The Abernathy team is the leading offensive and defensive team on the South Plains, as they have not allowed a district opponent to score upon them and let only 14 points be scored on them all year.

The Cyclone's next opponent supports a big line, 10 lbs. per man larger than the Cyclone offensive line, and a fast, talented backfield.

Defensively, they rely on a big line to stop inside plays and speed to stop the outside plays and passing.

The Cyclone, on the other hand, is the number two ranked offensive team on the South Plains in scoring, so the game will be hotly contested.

Key linemen for the Antelopes include No. 65 Oscar Ramos, No. 75 Richard Montgomery and No. 77 Gary Lovelace, all big boys.

Backfield wise, No. 13 Darrell Johnson, their quarterback, is a real running and passing threat for he has excellent speed. No. 40, FB James Byars is a power runner, No. 33 FB-HB Roland Murry is also fast and a fine ball carrier, while No. 32 HB Harry Mathis has real good speed. All these boys are capable of breaking for the long run score. No. (Continued on Page 12)

## Local Band Has Busy Schedule

Memphis band students are busy weekend this week, Darryl Phillips announced.

The Cyclone Band will leave afternooon for Abernathy football game, and return Friday night.

At 8 a. m. Saturday the Cyclone Band will go to Canyon to play in the 11 a. m. home-parade of West Texas University. The Cyclone one of 10 Panhandle bands invited to participate in banding activities at WTSU, Phillips said.

Invited include Petergraver, Hale Center, Clarendon, Canyon, Bovina, and Lockney.

The Bandsmen will be at the Buffalo Band at a barbecue Saturday and of the band at the football Saturday. The Buffaloes will stream from Richmond University.

Memphis Jr. High band with Mrs. Darryl Phillips as parents, Mrs. Peggy Phillips, Bill Cosby and P. E. Jeanie Nesbitt to the Cotton Festival Saturday in the parade at Hedley Phillips said.

The drum students trying to drum major of the Jr. High band. Director Phillips and Guy Godfrey and Larry

Moss are trying out for the position. The band is 50 members strong made up of 7th and 8th grade students.

Next Tuesday, Oct. 18, at Clarendon, the Cyclone Band will go to a pre-contest marching festival sponsored by Clarendon Band. Marching begins at 7 p. m. and schools from Class AA, Class A and Class B have been invited.

**Band Boosters**  
The Memphis Band Boosters Club met at the Band Hall Tuesday evening with President Gayle Greene presiding.

Several projects of the organization were discussed. These included filming all band halftime shows between now and contest Nov. 1 and the purchasing of the instrument truck. The boosters issued a vote of thanks to Mrs. Carl Wood for painting the emblems on the truck and to Mr. and Mrs. Harvey Melton for helping with the painting of the vehicle.

In an election held, Mrs. Larry McQueen was elected treasurer of the organization to replace Mrs. Warren Driver.

Any citizens in this area interested in becoming members of the band booster organization are asked to contact Mrs. J. W. Coppedge or phone the band director at 259-2217. The club meets on the second Tuesday of each month in the Band Hall.

Membership fee is \$3.00 per family, it was announced.

## Fire Dept. To Sponsor Annual Carnival Oct. 29

Several more organizations have signed up to operate booths at the annual Halloween Carnival to be sponsored by the Memphis Volunteer Fire Department on Saturday, Oct. 29, according to Gene Hamill, chairman.

Rides will be operated by the All-State Carnival for three nights, Oct. 27-29, and booths and concessions will be open only one night, Oct. 29.

There are four more booths available and organizations interested in signing up are urged to contact Hamill immediately.

Organizations and the booths they will operate include: Help for Anyone C B Club, dart throw and roll throw; MHS junior class, basketball pitch and ring the bottle; MHS senior class, dunking board; Memphis Lions Club, bottle throw and shooting gallery; Memphis Volunteer Fire Department, two nickle pitch games; Boy Scouts, hamburger and hot dog concession; Explorer Scouts, soft drink concession.

## Room Rates At Hall Co. Hospital To Be Increased

The Hall County Hospital Board of Directors announced this week that the room rates at Hall County Hospital will be increased to semi-private rooms \$17.50 and private rooms \$22.50.

The increase in room rates is due to increased cost of living and doing business, increase in personnel due to the health program, minimum wage law and the hospital being placed under Texas Unemployment Compensation Act, the hospital board stated.

The increase in room rates will be effective Oct. 15 at 11 a. m.

## Ex-Students Assn. To Elect Officers At Meeting Oct. 21

New officers will be elected at a meeting of the Memphis Ex-Students Association slated Friday, Oct. 21, at 12:45 p. m. in the Austin Elementary Schools new cafeteria, President John Binkley has announced.

A free luncheon will be provided by Memphis Public Schools. A discussion of the year's program will follow election of officers.

In order that the school may know how many lunches to prepare, persons planning to attend the meeting are asked to notify one of the following ex-students: John Binkley, Bill Combs, Jack B. Boone, Tops Gilreath or Mrs. Jack Moreman.

## Bonfire Thursday Is Planned By Boosters

A Homecoming Bonfire pep rally will be held at 8:30 p. m. next Thursday at the Stadium Parking lot here the Cyclone Booster Club announced.

Homecoming is next Friday.

## Lakeview Young Farmers To Have Supper Mon. Night

The Lakeview Young Farmers Chapter will meet at 7:15 p. m. Monday, Oct. 17, in the Lakeview School Cafeteria for a re-organization meeting and supper. Sponsor Barney Bevers announced this week.

A steak supper will be served, Bevers said, through the aid and assistance of the Hall County Electric Cooperative, Inc., which will help in providing the food.

The program for the meeting will be brought by the Lakeview Co-Op Butane.

The membership goal for the organization has been set at 50 this year as the Lakeview Young Farmers organization has been cited as one of the top 10 chapters in the state for the past four years. "We would like to be known as the biggest in the state," Sponsor Bevers said, "and feel that 50 members will put us there or near to it."

Past presidents include: Shelby Hignight, Roy Alvin Molloy, Roy Gene Pate and the present president, Larry Lewis.

The purpose of the organization is to bring to the meetings specialists and short courses on all phases of agriculture interest.

"We have anywhere from 10 to 100 persons at each of our eight to ten meetings each year," Bevers said. Most of our members are actively engaged in farming, ranching, or related fields of agriculture."

All farmers and young farmers, or others, interested in joining the organization this year are asked to be at the Monday night meeting.

## Annual Cotton Guessing Contest To Begin Friday

Memphis Democrat's annual Cotton Guessing contest will get underway Friday morning, Oct. 14, at 10 a. m. and will continue Saturday, Nov. 5, Herndon, publisher, announced.

The 20th consecutive contest has been held, a wide variety of readers are free subscriptions to the contest this time.

The harvesting of the fall cotton started later each year because of mechanical problems, the guessing was postponed for two years.

One in which the Democrat match

their knowledge, their wits and their luck against the many elements of weather, insects, etc., in an effort to estimate the amount of cotton Hall County farmers will gin this season.

All readers are eligible to enter the contest. All a person has to do to enter is come by the office of this newspaper and make a prediction. Or, if more convenient, mail a card or letter to The Democrat, Box 190, Memphis, and list your name, address and your guess. No entries will be taken over the telephone.

The person, like Charlie Murff of Brice, last year, guessing closest to the actual number of bales

ginned will win a three-year subscription to The Democrat. Second place is a two-year subscription, and third place, a one-year subscription. Duplicate prizes are awarded in case of ties.

The Democrat will publish the names of the winners when the final figures are released on the 1966 crop by the U. S. Department of Interior, Bureau of Census. This report generally arrives the latter part of March each year.

Last year, the county ginned 56,449 bales of cotton from 30,540 acres planted to the crop. This year, the Hall County ASGA office reports the county has 57,909 acres planted to cotton.

## Wilson Holman To Speak At Lakeview Church

Wilson Holman of Tell will deliver the sermon on Sunday evening at the First Methodist Church in Lakeview, Rev. C. C. Lamb, pastor, announced this week.

The evening service will begin at 6 p. m. Rev. Lamb said that Holman is a senior student in the Childress High School and is a very good speaker.

The public is cordially invited to attend the service and hear the Gospel message.

## Hedley's 15th Annual Festival Begins Fri.

The 15th annual Hedley Cotton Festival, sponsored by the Hedley Lions Club, will open Friday and continue through Saturday, with Miss Jamie Evans reigning as queen.

Miss Evans is the daughter of Mr. and Mrs. James W. Evans, and is a student at Texas Tech.

The festival will begin Friday with a breakfast in the Lions Den sponsored by the Hedley High School junior class.

Old settlers will register from 10 a. m. to 1 p. m. in the Lions Den and will hold a program from 1 to 3 p. m. Bob Ayers will serve as master of ceremonies. Among the entertainment scheduled will be the Clarendon College Choir, Honest Jess from station KVIL-TV in Amarillo, and John Hamilton, a magician, from Childress. There will also be a cake walk, musical varieties and novelty numbers by Hedley musicians and selections by John Thomas and (Continued on Page 12)

## EDITORIAL

### Fire Prevention Week—Oct. 9-15

This week is National Fire Prevention Week and a time when our citizens should rededicate themselves to the important job of preventing fires. The purpose of Fire Prevention Week is to remind everyone to be careful with fire, thus hold down our tragic toll in lives and property destroyed by fire.

Fire Prevention Week is observed, as always, on the anniversary week of the Great Chicago Fire in 1871. Last year, it was estimated that 12,000 persons lost their lives in fires, and 6,500, or more than half of these fatalities, occurred in the homes. Moreover, more than one-third of these who died in fires were children.

County Agent W. B. Hooser this week released good advice to home owners concerning fire safety practices in the home. He said that a home safe from fire depends on good housekeeping to get rid of rubbish, the proper use of electrical fuses, appliances and extension cords, and a constant awareness of the ways fires start and how to avoid them.

The importance of fire safety can't be overemphasized, he stated, because few things can cost us our home and one or more members of our family more quickly and tragically than fire.

Does the construction in your home include built-in fire stops? These are barriers of wood or masonry between studs, joists and rafters or stringers that prevent the spread of smoke and fire. Are solid doors in use? An ordinary wooden door can keep smoke and fire out of a room for as long as 30 minutes.

In case of fire, are good escape routes available? The best exits lead directly outside—not through other rooms. Windows should be large enough and low enough to climb through and operate easily enough for the youngest member of the family.

Wiring should be installed originally by a qualified electrician following the provisions of the national code for fire-safe wiring.

With winter just around the corner, now is a good time to inspect the heating system and get it ready for the cold weather ahead.

The Memphis Volunteer Fire Department with assistance by Dunbar and Dunbar Insurance and Hall County Farm Bureau are conducting several fire prevention programs in Memphis and surrounding area. These are to help emphasize the special observance.

Fire prevention is everyone's concern. With winter due to arrive any time, the danger of fire is increased due to dry grass and weeds, and additional danger of home heating. Now is the time to make our property as safe as possible.

### What Other Editors Say

#### For Victims: Permanence

Probably no greater inequities exist in this county than in the field of criminal law enforcement... and the inequities frequently having nothing whatever to do with either race or religion, but are the outgrowth of prejudices and inconsistencies of both juries and judges.

Troy Martin, editor of The Canyon News commented editorially a few days ago that "I've been covering court trials since the mid-1940's and the overwhelming majority of the defendants in murder trials have said that they 'blacked out' and didn't know what they were doing. I wish people sitting on juries would remember that the victim in a murder case has been permanently 'blacked out'."

Probably the average penalty for murder assessed in Texas Panhandle courts in the last decade has been eight years in prison... perhaps less. And an eight-year term in the penitentiary with good behavior, can be served in less than half that time.

If the average penalty were averaged with the zero penalty assessed against those murderers who have got off scot free, the term would be even less.

Yet it isn't unusual for a defendant to be sent up for ten to twenty years... or longer... for burglary, or lesser crimes.

As a matter of fact, it often seems that the bigger the crime, the lighter the penalty. In federal district court a few days ago, a Dalhart bank employee who was found guilty of embezz-

ling nearly half a million dollars was put on probation and given a court-ordered allowance of \$500 a month while he straightens out the books. Yet the same court... and the same judge... have been known to hand out stiff prison terms for relatively minor offenses.

Granting that circumstances are different in each case... and this is why we have judges and juries... there is still far too much inequity in enforcement of laws and in weighing the gravity of offenses. And murder is taken far too lightly, both by judges and juries.

When a murderer pleads for leniency on the grounds that his crime was committed during a temporary "blackout" when he was not responsible for his actions, let justice be tempered by the reminder that his victim was also blacked out... but permanently.—The Canadian Record.

## Tax Man Sam Sez—

### Keeping Records

Every year the Internal Revenue Service calls in thousands of taxpayers for tax audits. A large part of these taxpayers get into a discussion of their tax affairs with Internal Revenue through their failure to keep good records. Keeping good records is not an easy task but it is an important family chore that is profitable. You can prepare a much better tax return and you may save yourself a lot of tax dollars if you take the trouble to keep a simple set of records. You will find that your records are not only helpful for preparing your tax return, but they may also solve a lot of other problems for you.

### Splitting Logs

If you are camping in the woods and have only an axe handle available to split a log with, make several hardwood wedges and use them like the pioneers did.

Make a slit in the log, then hammer in the wedges deeper and deeper as the log splits open.

## Public Notices

Notice is hereby given that on the 23 day of August 1966, an application for construction permit to build and operate a frequency modulation radio broadcasting station at Memphis, Texas was filed with the Federal Communications Commission, Washington, D. C. by M. W. C. Broadcasting Company, licensee of Radio Station KBGH, Memphis, Texas. The M. W. C. Broadcasting Company is a general partnership owned by Jerry Hooser and Dick Fowler of Memphis, Texas and Frank I. Guess of Amarillo, Texas. The application proposes to operate the F. M. Station on a frequency of 103.7 MC, with an effective radiated power of 53.5 KW, unlimited time, the said signal will emanate from a tower presently used by Radio Station KBGH, Memphis, Texas, the same being three miles Southeast of the center of Memphis, Texas. The studio is likewise located at this address. A Copy of the application is located at the studio address and is available for public inspection. 21-3c

Timber-based activities in Texas supply employment for 161,850 Texans, according to the Texas Forestry Association.

## 1913 Study Club Meets For Regular Session Wed.

The 1913 Study Club held its regular meeting October 5 at 3 p. m. in the home of Mrs. O. L. Helm.

Mrs. Herschel Combs, the president, conducted the business session at which time Mrs. Ralph Williams, who was present, was voted into the club as a new member.

After the counselors' report, Mrs. O. L. Helm introduced the Americanism program; the theme for the month was "A Step in Time."

Mrs. M. G. Tarver gave an impressive meditation entitled "Keep the Flags Flying." She stated that flags are meant to be flown proudly. The colors of all flags symbolize the highest ideal of each country.

"Let us affirm all the best that we feel and believe as Americans. We all march better with a flag to follow," she said.

Mrs. F. W. Foxhall gave an editorial published by Davis Lawrence in "The U. S. News and World Report" written by Alan McIntosh in a Laverne, Minn., newspaper. Its title was "A Tired American" and it spoke out against the many disloyal actions by people in America who do not appreciate living in the greatest country on Earth, which is truly the land of the free and the home of the brave with mercy and justice for all.

"A Salute to Miss Liberty" was the interesting article presented by Mrs. W. C. Davis. It concerned the history of the Statue of Liberty created by the French sculptor, Bartholdi, and presented by his nation to America as a massive symbol of friendship.

Senator Kennedy, the grandson of immigrants, says, "Immigration, more than anything else, has supplied America with the human strength that is the core of its greatness." In 1965, at the base of the statue, there has been established the American Museum of Immigration. For 80 years the Statue of Liberty has stood as a global beacon of hope and international friendship—a symbol of welcome, one of freedom and new opportunity and a towering testimonial to the country's best ideals and indeed those of the entire free world.

Mrs. Helm served tasty refreshments to the following members other than the above mentioned: Mmes. Byron Baldwin, R. S. Greene, Oren Jones, Johnny Farnsworth, R. E. Roark, L. G. DeBerry, Bray Cook, Wray Studstill, Paul Montgomery, Joe Montgomery, George Ferris, Mills Roberts, and Miss Neville Wrenn.

## LVNA Discusses Christmas Party At Meeting Mon.

The Licensed Vocational Nurses Association held a regular meeting Monday, Oct. 3, at 6 p. m. in the Big O Restaurant.

## Memphians Attend Texas-Oklahoma Singing Convention

A large group of Memphis residents and two guests attended the Texas-Oklahoma Singing Convention held over the weekend in Pampa.

## Proposed Educational Legislation Discussed At Austin P-TA Meeting

An informative discussion of "Better Education Through Legislation" was presented by Miss Topsy Gilreath, county school superintendent, at the regular meeting of Austin Elementary School P-TA held Tuesday, Oct. 11, at 7:30 p. m. in the school auditorium.

## Wedding Party

Presented in marriage by her father, the bride wore a formal gown of white satin peau de soie. The fitted bodice was designed with a scoop neckline accented with applied lace roses embroidered with tiny seed pearls, and long sleeves extending to points over the hands.

# Linda Philpot Becomes Bride Of Michael Webster October 1

MRS. MICHAEL A. WEBSTER

Miss Linda Nel Philpot became the bride of Michael Allen Webster in an impressive candlelight service held Saturday, Oct. 1, at 7 p. m. in the Travis Baptist Church.

The bride is the daughter of Mr. and Mrs. Robert W. Philpot of Memphis, and parents of the bridegroom are Mr. and Mrs. Joyce Webster of Memphis.

Wedding guests were registered by Miss Zella Jean Kinard of Clovis, N. M., cousin of the bridegroom.

The Rev. Gene Jorgenson, pastor of the First Baptist Church, solemnized the double ring vows beneath a candelabra arch, flanked by baskets of white gladioli. Pews were marked with lighted tapers.

Traditional wedding marches and pre-nuptial selections were played by Miss Sandy McQueen at the organ. She also accompanied the vocal soloist, Miss Sheila Fowler, as she sang "The Twelfth of Never" and "Because." At the conclusion of the ceremony, Miss Fowler sang "The Wedding Prayer."

Candlelighters were Miss Carol Thompson and Bobby Philpot, brother of the bride. Miss Thompson wore a dress identical to those of the bridal attendants and a wristlet corsage of turquoise carnations.

## Proposed Educational Legislation Discussed At Austin P-TA Meeting

An informative discussion of "Better Education Through Legislation" was presented by Miss Topsy Gilreath, county school superintendent, at the regular meeting of Austin Elementary School P-TA held Tuesday, Oct. 11, at 7:30 p. m. in the school auditorium.

The program chairman then introduced the evening's guest, Miss Gilreath. In her topic, "Better Education Through Legislation," the speaker deplored the apathy of the majority of citizens concerning legislation. She urged P-TA members to become more informed on the educational bills under consideration, and to become acquainted with the candidates and their policies before and after election.

## Hall County Picnickers Express Enjoyment In Letters To Baldwin

The following letters from old-timers who attended the Hall County Picnic have been received by Byron Baldwin, president of the Memphis Chamber of Commerce and Hall County Board of Development. All were enthusiastic about the event.

Dear Byron:  
A Picnic is defined by Webster as "a pleasure outing at which a meal is eaten." The 11th annual event last Sunday was a highly enjoyable picnic in every sense of the word.

Ernestine and I want you and our many friends in Memphis and Hall County to know that it was a real pleasure for us to have been there and to have enjoyed with you the excellent barbeque and especially the warm fellowship. The hospitality was outstanding and everyone who had a part in making it a success is to be congratulated.

Such a gathering gave present Hall County residents as well as the many former residents an opportunity to greet old friends and to meet new ones. We were particularly glad to see Mr. Memphis—J. Claude Wells—put in his appearance in the afternoon and we had a brief visit with him. We know this annual picnic has been a pet project of his for many years and we know, too, that he must have been pleased Sunday with the fine results.

We wish to all of you many more happy celebrations and hope we may again share them with you.

Sincerely your friend,  
Harry Delaney.

P. O. Box 211  
Arlington, Texas

Dear Mr. Baldwin:  
As spokesman for those who attended the 1966 Old Settlers Reunion with me from this area (my daughter Evarene, Mr. and Mrs. Jack Lake) I want to tell you how much we thoroughly enjoyed the weekend.

We drove up early enough on Saturday to see and enjoy the parade, despite the rain. We then visited in the home of a long-time resident, Mrs. Anna Lee Forkner. During the weekend we also enjoyed seeing and visiting in the home of our relatives of Memphis: Mrs. Mamie Baker, Mr. and Mrs. V. P. Fowler, Mr. and Mrs. Johnny Martin, Mr. and Mrs. O. D. Phillips.

On Sunday we went out to the park in the morning and were delighted to see so many friends and neighbors from all over Hall County and many who now live

elsewhere. Some of these people I have known since I came to Hall County in 1914. A delicious barbeque satisfied our hunger and then we spent the rest of the day visiting and recalling fond memories of days past.

It warmed our hearts to see so many of our old acquaintances and friends such as you, Mr. Baldwin, and others such as Mr. Charlie Williams, Mr. and Mrs. Orville Goodpasture, Homer Crawford, Ed Hutcherson, Ray Martin, Mr. and Mrs. Bill Longshore, Mr. and Mrs. James McClellan, Mr. and Mrs. Charlie Reed, Ruth Cobb, Nels Helm, and Mr. and Mrs. Luma Stilwell.

We were delighted to see so many of the old friends from Harold's Chapel who were once our neighbors. We visited with the various members of the Taylor and Waddell families, R. B. Spruill and family, Ida Lee (Bain) and Jim Phillips, Ruth (Woodson) Daniels, Flavel and Clara (Moore) Hodges.

I would like to make special mention of seeing and chatting

with the 90-year-old mother of Ray Martin. She seems to be going strong and I did so enjoy talking with her. I knew her nearly 40 years ago.

Next year we are looking forward to coming again and sincerely hope we will see all the local citizens that we missed seeing this year.

Sincerely,  
A. B. Wells

The thing that impressed me most about my home town was the way everyone was accepted with love and appreciation.

There are places where you are not even recognized unless you have a high financial rating.  
W. B. Baldwin  
Tyler, Texas

Mrs. Ted Trulove of Lubbock spent the weekend here with her parents, Mr. and Mrs. J. C. Ledford. Also visiting in the home with her grandparents was Mrs. Trulove's daughter, Mrs. Bill Evans of Fort Worth. Mrs. Evans is the former Peggy Smith.

### CARD OF THANKS

I want to thank everyone for the many kindnesses extended to me during my illness. I deeply appreciate the visits, flowers, gifts, cards and letters from friends.

I am indeed grateful to Dr. Goodall, the nurses and the candy stripe girls who were so nice to me during the time I was in the hospital. Again, I say, "Thanks."  
Mrs. A. C. Hoffman

Mr. and Mrs. Pete Caviness, Mr. and Mrs. Ira Stapleton and Mrs. Riggs Brownlee, all of Plainview; Mr. and Mrs. Dave Corley and family of Canyon, and Mr. and Mrs. Johnny Harrell and daughter of Memphis visited Sunday at Brookhollow Club Lake with Mr. and Mrs. Gene Corley and daughter.

Mrs. C. W. Kinslow is visiting in Eldorado, Ark., with her son, C. W. Kinslow, Jr., Mrs. Kinslow and sons.

# Cyclone Shines In Tough 20-0 Win Over Bobcats

By BILL COMBS  
The fighting boys in gold Frisbie uniforms won the hearts of Memphis fans in the last half of the Cyclone-Dimmitt game and proved they are a team dedicated to their pledge to representing their District 3-AA to the best of their ability.

The Memphis boys favored to defeat Dimmitt, in the game, it was strict the strength of a superior attack. As it proved out, the Cyclone won by a margin of 20-0. The Cyclone's offense put the scoreboard for the game and spectators gave all the credit to the Cyclone offense unit for two, fourth and goal line stands.

The game had a lot of offense as Memphis gave up all to Dimmitt on the Dimmitt 14 and on the Dimmitt 4 lines while the Bobcats had the ball to Memphis 22, (after penetrating to the Cyclone 12), the Cyclone had eight first downs while the Bobcats' 10 while the Cyclone had 20 while the Bobcats' 10.

This started a drive by the Bobcats which carried to the Cyclone 43. At this point Stafford fumbled and Line Backer Allen Booth (or one of six others) recovered for Memphis.

The Cyclone opened action with a four-yard carry by FB Kenneth Cornish. On the next play, however, a loose ball in the Cyclone backfield was pounced on by Don Moore of Dimmitt setting them up near midfield.

The Cats moved for two more first downs on the Memphis 21 setting the stage for their first penetration of the night.

On the next play, Ronnie Hutton cracked the line for two yards. Then, FB David Land ran into a wall and made one yard. Going to the air, the Cats completed a pass to HB Stafford for a six-yard gain down to the Cyclone 12. On the next play, a Dimmitt back was in motion costing them five yards to the 17.

A fake field goal attempt was correctly diagnosed by the Memphis defense and the QB Beelee Goodwin was thrown for a loss to the Cyclone 22.

Here, the Cyclone marched for one first down, and then punted to the Cats 27. The Bobcats suffered their second lost fumble near the midfield strip when Johnny Scott of Memphis knocked the ball carrier loose from the ball and either Bobby Carroll or Allen Booth recovered for Memphis.

The Cyclone ran four downs and turned the ball over to Dimmitt on the Cats' 37-yard line. Dimmitt made one first down to the Cyclone end of the field, but failed to make another so Memphis took over on the Cyclone 39.

This started the Cyclone's first drive of the night. This drive began with an 11-yard pass from QB Tony Pounds to End Clyde Wilson to the midfield strip.

On the next play, HB Gary Rea broke loose up the middle and raced to the Dimmitt 21-yard line before being pulled down by Dimmitt's John Hays. A piling on penalty was stepped off against the Bobcats which moved the ball to the Cats 8-yard line and what looked like a possible score for the Cyclone.

But the Cats' defense stopped

carries by HB Rea and FB Cornish, and on the fourth down, a pass attempt went incomplete. The half ended without either team threatening.

Memphis received the opening kickoff and Dwayne Jones was downed on the Cyclone 16. From this point, the Cyclone made nine of the necessary 10 yards on three plays, then punted.

The Bobcats fumbled on their first play from the Cats 37 and Defensive Tackle Garvin Speed recovered for the Cyclone on the Cats 35. On the next play, Memphis was called for holding which moved the ball back to the midfield strip and the Cyclone faced a first down and 25 situation.

From this point, the Cyclone exploded on two plays to capture the only TD of the night.

The first play was a swing pass to Tailback Junior Graves who broke one tackle and raced 33 yards to the Bobcat 17-yard line.

Then came the scoring play. QB Pounds sent his pass receivers out and spotted End Clyde Wilson open in the flat on the left side. A well thrown pass was caught by End Wilson who broke a tackle put on him by Dimmitt's John Hays and raced 10 yards across the goal line. Six points looked good to local fans with 8:42 minutes left in the third period of play.

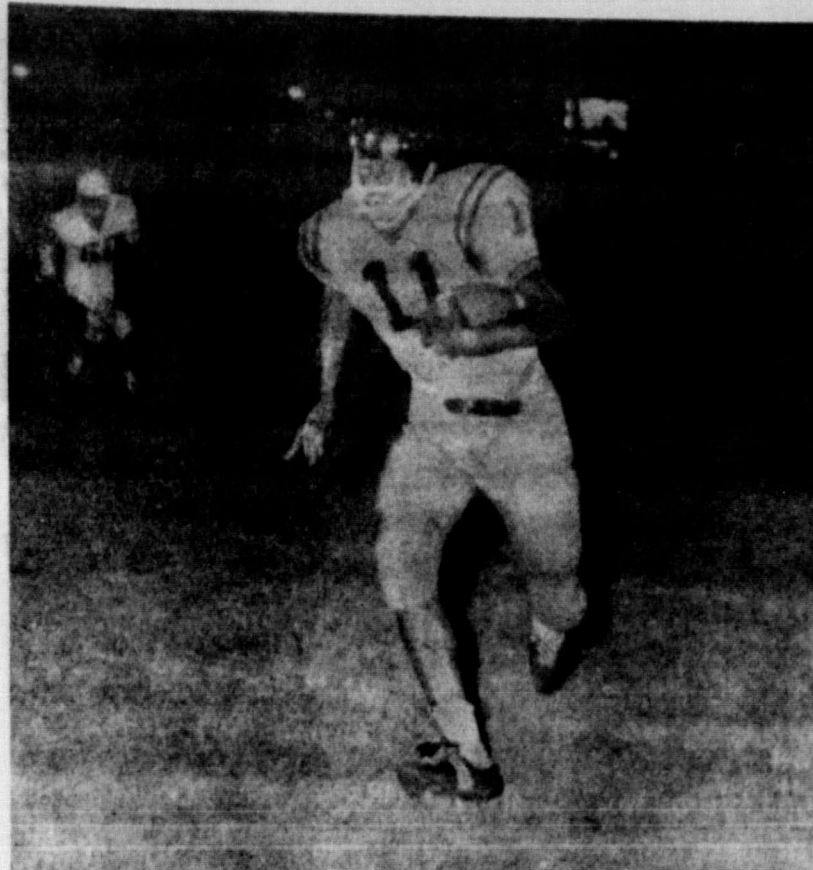

The Cyclone lined up for a place kick, and FB Kay Miller swung his left foot perfectly and the ball sailed through the uprights. QB Pounds held on the conversion and the score was 7-0.

On the kickoff, Guard Jerry Hall booted the ball into the endzone and a runout resulted with the Dimmitt ball carrier being dropped on the five-yard line. The Bobcats were held and forced to punt.

End Jones fielded the Dimmitt punt near the midfield strip, avoided the onrushing tacklers and raced down a blocking corridor on the west side of the field to the Dimmitt 22. Only one tackler was left between Jones and the goal line and this tackler brought him down.

The Cyclone drew a 5-yard penalty on the next down. Then a pass from Pounds to End Wilson was good for 8 yards. On the next play HB Rea blasted through to the Dimmitt 15-yard line. On the third down, Pounds passed to End Wilson at the goal line and Wilson got his fingers on the ball but couldn't catch it. A fourth down pass attempt saw all the receivers covered on the right side so Pounds kept the ball for a one yard gain and Dimmitt took over on the Bobcat 14.

A few exchanges later, Memphis found itself facing a third

**KEY PLAY**—Pictured above is Tailback Junior Graves who caught a short pass in the third period of play from QB Tony Pounds and broke clear to ramble 33 yards to the Dimmitt 17-yard line. This play set up the Cyclone's scoring play to win the game. Graves, hampered by injuries for several weeks, really shined on defense against Dimmitt as did several Cyclone lads.

down and 28 yards needed for a first down on the Cyclone 20-yard line, after a 15-yard penalty. Bobby Carroll punted, but the ball rolled off his foot and came to rest on the Cyclone 41. This gave the Bobcats good field position in the closing seconds of the third period.

The Cats, quick to take advantage, cracked the Cyclone defense for 17 yards to set up a first down on the Memphis 22. FB Land made four, HB Stafford made three, and HB Hutton made one, and Dimmitt faced a fourth and two. On the next play, HB Stafford carried around his left end and dived over Center Linebacker Willie Devorce and made the first down to the Cyclone 8 yard line.

On the next play, Hutton made two yards; then, FB Land made three more, giving the Cats third down and three needed for the score. At this point, the Cyclone defense gave forth its best efforts, stopping HB Hutton at the line of scrimmage, and then hitting QB John Hays at the scrimmage causing him to fumble and Memphis recovered.

The Memphis stands went wild with cheering and the Cyclone broke into the fight song as the defensive substitutions left the field.

The Cyclone utilized a third down to punt out and Carroll got off his best punt of the night, 43 yards long to the midfield strip.

Dimmitt was held and punted back to the Cyclone, which took over on the Memphis 28. Running from the 28, FB

Cornish blasted through for five yards. Then disaster, in the form of No. 70, Mike Bruegel, Dimmitt-all-state guard, cracked through the line and upended HB Gary Rea, causing him to fumble the ball. Rea weighs in at 140 pounds, and Bruegel in at 200 pounds-plus. Dimmitt recovered.

The Bobcats ran two plays and lost one yard for their efforts, but on the third down, Stafford broke through for a 13-yard gain to the Cyclone 12, and the Cats were knocking again.

This time, three plays netted the Bobcats seven of the hardest yards they had gotten all night. On the fourth down, HB Stafford carried but was hit by Linebacker Junior Graves assisted by Safety Back William Welch and the Cats gave up the ball on the Memphis 5.

Gary Rea carried for eight yards to the 13, then a quick pass to End Dwayne Jones was good for the first down on the 19-yard line.

With only seconds remaining on the clock, FB Cornish was stepped at the scrimmage line. Needing one more play to run the clock out, QB Pounds found running room on a QB sneak and broke into the secondary for a 24-yard gain, finishing out the time on the clock.

The Cyclone, with two district wins behind it, is one of three teams with spotless records in district play. The Cyclone's next opponent, Abernathy Antelopes.

is one and the Friona Chiefs is the other. The game at Abernathy next Friday night will be a crucial test for both clubs.

HB Gary Rea was the leading ground gainer for the Cyclone with 62 yards in 11 carries averaging 5.6 yards. Cornish carried 7 times for 29 yards, Grave 3 times for 9 yards and Welch carried 1 time for 3 yards. Pounds carried three times for 26 yards averaging 9 yards per carry.

Defensively, Kay Miller at linebacker, Garvin Speed at defensive tackle, and the entire Cyclone defensive unit were effective in stopping the Bobcats when the chips were down.

One of the keen line play battles of the night was staged by Guard Willie Devorce and Mike Bruegel of Dimmitt.

**Maximum Effective Ranges**  
It is important to know the maximum range of your shotgun in order to place your shots more effectively.

With full choke, a 20-gauge shotgun averages 53 yards for Magnum loads, and 60 yards for the 12-gauge guns, using a 3-inch shell and 1-7/8 oz. of shot.

## Paducah To Host Santa Rosa Dist. Workshop Oct. 8

The Santa Rosa District board meeting and workshop of Texas Federation of Women's Clubs will be held Tuesday, Oct. 18, at the First Methodist Church in Paducah.

portant to a community than the health of its women. "An old proverb says 'If strong is the frame of the mother, the son will give laws to the people, and in nations where all men give laws, all men need mothers of strong frames,'" Mrs. Bice stated.

An informative talk on "Glaucoma" was presented by Mrs. O. R. Goodall, who explained that it is derived from a Greek word meaning "blindness."

"Ninety-five percent of glaucoma victims are past forty and there is a slightly higher rate for women than for men. Glaucoma is not contagious and cannot be contacted from a person who has it," Mrs. Goodall concluded.

Delicious refreshments were served to the following members: Mmes. W. C. Dickey, C. C. Hodges, Henry Hays, R. H. Wherry, R. C. Clements, Roddy Bice, Jack B. Boone, Cyril Keith, Neal Hindman, Betty Shahan, Sim Reeves, Frank Finch O. R. Goodall, A. Anisman, J. S. McMurry, Jimmy Roden, Bill Lockhart, Mildred Stephens, J. L. Barnes and C. D. Morris and Miss Maud Milan.

The next meeting will be held Oct. 18 at the Big O Restaurant.

## Douthit Family Attends Church Anniversary Sun.

Mr. and Mrs. Bob Douthit, David, Meredith and Ricky attended the 62nd anniversary celebration of the First Baptist Church in Wheeler Sunday.

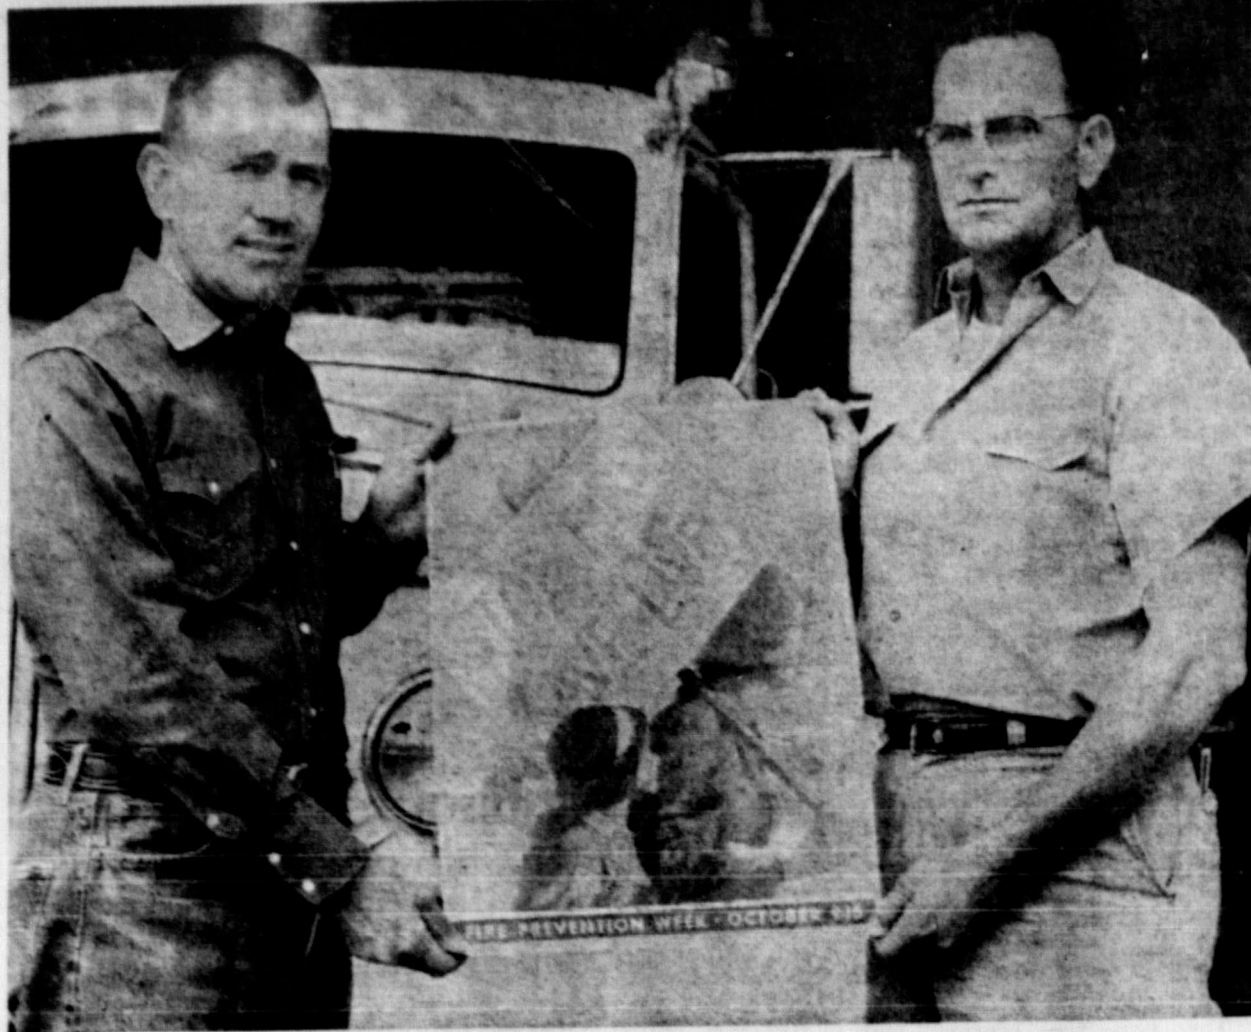

## Book Review Given Tuesday For Pathfinders

Mrs. J. J. McDaniel was hostess for the meeting of the Pathfinders Council held Tuesday, Oct. 11, with Mrs. J. F. McIntush presiding.

After reading of the "Club Collect," a short business session was conducted.

Mrs. McIntush introduced the afternoon's speaker, Mrs. Dick Spoon. Theme of the program was "Keys to Religion."

The first mill in the United States to use all Southern Yellow Pine pulpwood in the manufacture of newsprint was constructed at Lufkin in 1940.

FIRE PREVENTION WEEK—This week is National Fire Prevention Week and these men are taking this opportunity to display the poster for the occasion. On the left is Hall County Farm Bureau President Wayne Hutcherson and on the right is Fire Chief Kenneth Dale. The theme of the observance is, "Stop Fires, Save Lives".

## Mission Study Held Tuesday By Baptist WMS

The W. M. S. of First Baptist Church held mission study in the church parlor Tuesday at 9:30 a. m. Mrs. Bob Douthit presided.

After opening prayer by Mrs. Gene Jorgenson, a brief business session was conducted.

The speaker stated that in Detroit there is a need for witnessing to the Irish, Italians, Poles, Belgians, Hungarians, Armenians, Jews, Lebanese and French-Canadians.

Members attending included: Mmes. Byron Baldwin, Frank Ellis, Doyle Fowler, W. M. Kilpatrick, Bill Billington, Irene Bradley, W. R. Scott, Ben Moss, Theodore Swift, Emma Baskerville, Dub Parker, Gene Jorgenson and Bob Douthit.

## Sophomore Class Has Party In Bruce Home Sat.

The Sophomore Class of Memphis High School had a class party Saturday night, Oct. 8.

Those attending were Sandy McQueen, Claudia Corley, Dayna Hickey, Sue Melton, Sharon Gaston, Jo Ella Posey, Tommie Wilton, Carolyn Lamb, Denise Tally, and Vicki Hooser.

## Jack B. Boone Is Guest Speaker For Travis P-TA

Mrs. W. A. Smithee presided at the regular meeting of Travis Elementary School P-TA held Tuesday evening at the Travis cafeteria.

Jack B. Boone, guest speaker for the meeting, was introduced by Mrs. Bob Hutcherson, program chairman. He presented an educational discussion of the proposed 16 amendments to the Texas Constitution.

During the business session, the group voted to hold a pancake supper. Details will be announced at a later date.

## Turkey News

Mr. and Mrs. Jim Baisden and Dempsey of Memphis visited with Mr. and Mrs. E. B. Baisden over the weekend.

Mr. and Mrs. Aubrey Turner accompanied their daughter, Miss Sara Turner of Silverton to Amarillo Sunday for a visit in the home of Mr. and Mrs. O. A. Turner.

Glynn Christian spent the weekend in Amarillo visiting relatives.

## Local Women Attend TFWC Board Meeting

Mrs. D. L. C. Kinard, trustee from Santa Rosa District, TFWC, and Virginia Browder, Historical Edifices chairman, were in Austin last week to attend the annual fall board meeting and workshop of Texas Federation of Women's Clubs.

Headquarters for the three day meeting which opened on Monday, Oct. 3, was the Terrace Motor Hotel. More than 200 club women from throughout the state were in Austin for the meeting.

On Monday afternoon the Austin Clubwomen honored the state president and her officers, members of the Board of Trustees, District Presidents and Executive committee with a tea at the Terrace Motor Hotel.

Among outstanding speakers appearing on the program were Dr. John C. Stevens, Assistant President, Abilene Christian College, Abilene, who spoke on "Education—Our Challenge" at the dinner meeting Tuesday night.

Speaker for the luncheon Wednesday was the Honorable John Connally, Governor of Texas, who spoke on "Safety—Our Concern."

The Board of Trustees were hosts at a Green Tea Tuesday afternoon at the TFWC Clubhouse. More than 200 women attended the tea.

## Farewell Social Honors Turkey's Baptist Minister

A farewell social honoring Rev. and Mrs. Dan Connally of the First Baptist Church of Turkey was held following Sunday evening worship services.

Rev. and Mrs. Connally left Monday for Orchard Park, N. Y., where he will assume the pastorate of the First Baptist Church.

Loran Denton led a song service, after which prayer was offered by Jess Lipscomb. Refreshments of sandwiches, soft drinks and coffee were then served.

STOP ICE DAMAGE ON YOUR ROOF... PROVIDE ESCAPE CHANNELS FOR MELTING ICE & SNOW... INSTALL WRAP-ON gutter cables... Thompson Bros. Co.

## Mrs. Martin To Be Honored At Open House Sun.

The home of Mr. and Mrs. James Bray, 1312 West Main, will be the scene of a reception Sunday afternoon honoring Mr. Bray's grandmother, Mrs. Amanda Martin, on her 90th birthday anniversary.

Hosts for the occasion will be Mrs. Martin's children and grandchildren. The social will be held between the hours of 2 and 5 p. m., and all friends are cordially invited to call at the Bray home during these hours.

Mrs. Martin has two daughters, Mrs. L. A. Bray of Memphis and Mrs. Edith Galloway of Amarillo, and one son, Ray Martin of Fort Worth.

A long time resident of Hall County, Mrs. Martin lived in the Plaska community for many years prior to moving to Memphis. She has made her home here for 15 years or longer.

# First Baptist Church Reviews Work Organizes Goals For Year's Program

The First Baptist Church of Memphis began its new church year October 1. The church has in several past business meetings of recent weeks reviewed its past year's work, made plans for the coming year, and elected its leaders and workers for the new church year.

In reviewing the past year's work, the church emphasized several highlights. The church celebrated its 75th anniversary; called Mack Diaz as its Latin-American Mission pastor; relocated its Latin-American building and purchased property for the mission; had three revival meetings and cooperated in the United Evangelistic Crusade held in Cyclone Stadium, and had a rather active year of youth work.

The youth activities included several after-church fellowships, a

## Jehovah's Witness Training Program Held In Lubbock

"Mankind's greatest need can be satisfied only by an entirely new system of things completely denuded of all the old patches," A. A. Contanzaro said Sunday in closing out the three-day training program of Jehovah's Witnesses in Fair Park Coliseum, Lubbock.

Catanzaro, district supervisor, said, "Isaiah foretold a child to be born in these words, 'the princely rule will come to be upon his shoulder. And his name will be called Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace.' This child," Catanzaro said, "taught us to pray for this greatest need, 'Let your kingdom come. Let your will take place as in heaven, also upon earth.'"

The purpose of the Texas 9 circuit assembly was to promote the goal to "Become Spiritual Men with Everlasting Life in View."

Circuit Supervisor, Erwin A. Grover, in his closing talk, "Keep Your Balance with Many Responsibilities," said the society of ministers, "In these times of frustration, Paul's words are most appropriate, 'keep your senses in all things, do the work of an evangelizer, fully accomplish your ministry.'"

Steven E. Lane, supervising minister of the Memphis Congregation, said, "We look forward to sharing the spiritual gifts we received at the Lubbock assembly with one another and our fellow man."

sweetheart banquet, a class of Memphis High School youth-led revival in which six young people from Simmons University led and summer youth activities lighted by the youth camp at Fork Baptist Encampment.

During the past year the fellowship, 42 of these were baptisms and 56 other additions. The resident church membership now stands at 688 with an average of 1,563. The church has 118 in Training Union and its music ministry.

The total receipts for church for this past year were \$75,687.00. Of this amount \$68.00 was spent on causes. The total expenditure for the church for the past year was \$81,500.00. In addition to the mission property the church purchased the empty lot at the corner of 8th and Noel which will be used for parking.

The church elected the following general officers for the new year. Mrs. W. R. Scott, Mrs. Lucile Wright, Mrs. Wendell Harrison, Mrs. Carl Smith and Betty Stewart, organist and choir director; Byron Baldwin, treasurer; Miss Rosemary Douthit, WMU president; R. B. Phillips, Brotherhood leader. Gene Jorgenson will be pastor, Clifford Pedersen music-education director, D. Bradshaw as church secretary and Buster Howard as church treasurer.

The plans for the coming year include several important items. A new building will be completed and the Sunday School will be enlarged to at least 100 new members and work will continue in Latin-American Mission. Besides this, the church will be involved in a vital outreach program to this community. The church is looking forward to a good year in its continuing program of promoting the Kingdom of God.

Ninety per cent of all national travelers see Texas through their car windows. More and higher living standards are being brought to Texas by the highways on the road to progress. Highways are a mainstay of the growing tourist industry of

# Call Calls Highest in Christmas Day

At the heart of the public excitement, calls to the long distance operators are unusually happy, when the public finds an influx of calling. On the other hand, when the calling rate is high in the Memphis area, other areas report a decrease in calls. The day President Kennedy was assassinated, Nov. 22, 1963, the number of long distance calls placed was the average number for other business days that

Lou Scott, Memphis traffic supervisor, also reported a heavier traffic in tolls following the shooting deaths of eight nurses in Chicago in July. Traditionally Christmas Day is the high calling day for the year—unless some unusual event outranks it. Mother's Day usually runs a close second, and Thanksgiving Day is third. For example, 1,823 calls were placed in the Memphis office on Christmas Day, 1965, while calls on Mother's Day, 1965, totaled 1,749. Toll calls placed on Thanksgiving Day were 1,528.

The largest number of calls made so far in 1966 was on June 7, with a total of 2,030. Mrs. Scott said. This coincided with the final day for bidding on the Clarendon dam site project, which probably accounted for the unusually large number.

The average number of toll calls per day is between 1,600 and 1,800 in the Memphis office. Peak calling hours from 8-10 a. m., and 8-10 p. m. Mrs. Scott noted that this year shows a decided increase in long distance calls over last year, and a continued increase is expected. She predicted that there will be at least 2,100 calls made on Christmas Day, 1966, according to the increase already shown.

Local events change the pulse of calling traffic. After a long period of drought, such as the area experienced early in the summer, even a good hard shower caused a decided increase in long distance calls. Extremes in weather, such as high winds, sand or snow, also create heavier calling traffic.

In addition to the regular operators, there are presently seven persons on call in case of an unexpected increase in toll calls. Mrs. Scott said, "We plan for the foreseeable. We remain as flexible as possible to take care of the unpredictable. In any event, it is always both a challenge and a pleasure to provide the long distance service our customers want."

## Three-Act Comedy To Be Produced By Little Theatre

Rehearsals are continuing for the public production of "Everybody Loves Opal," the three-act comedy to be presented by the Little Theatre on Oct. 24-25 at 7:30 p. m. in the Community Building.

Opal, played by Nell Beeson, is a happy-go-lucky junk collector and dealer who loves everybody and who thinks everybody loves her. The setting for the play is in the living room of her house at the edge of the city dump. The area in which the house still stands was once an estate.

Opal befriends three shady characters who take her in as a partner in their activities. The three include Bradford, played by John Binkley, Solomon, played by Steven Blackmon; and Gloria, played by Kathryn Jones. They plot throughout the entire comedy to do away with Opal in order to collect insurance they have taken out on her.

Bob Brown portrays a police officer who is Opal's good friend and her protector. Johnny Harrell is cast as the doctor who conducts a hilarious examination of Opal for the insurance company. Mr. Tanner, her cat, is played by himself.

The production has a surprise ending guaranteed to please an audience, Little Theatre members said, and the entire comedy promises an evening of hilarious entertainment. Virginia Browder is directing the play.

"Everybody Loves Opal" was previously staged by the Amarillo Little Theatre.

**Outdoor Remedies**  
Sportsmen in East Texas have a sure remedy at hand for a fever, or as a laxative. We refer to the boiled roots of a flowering dogwood tree.

Also, they can make a tea from elderberry leaf buds that's good for constipation.

If a sore throat is your trouble, find a slippery elm, cut off a piece of the inner bark and chew it.

**Hard-Mouthed Dog**  
If your hunting dog is inclined to be hard-mouthed, this can be corrected by a very simple method suggested by a well-known dog expert.

**KEY PRESENTATION**—On the right, Band Booster President Gayle Greene presents a set of keys to Supt. A. E. Greer for the Band's instrument bus pictured in the background. Also pictured, left to right, are Principal C. E. Voyles, Mrs. Peggy Moss, secretary of the Band Boosters, Mrs. Carl Wood, who painted the art work on the bus. The MHS Band will use the vehicle to carry instruments on trips. The bus was purchased by the Band Boosters and painted by them and ownership was turned over to the Memphis Schools.

## Mrs. Standfield Of Turkey Is Buried Tuesday

Mrs. Nellie D. Standfield of Turkey passed away Sunday, Oct. 9, in a nursing home in Lubbock, where she had lived for 10 years. She was 82 years of age.

Funeral services were held at 3 p. m. Tuesday in the First Baptist Church in Turkey. Interment was in the Turkey Dreamland Cemetery under the direction of Seigler Funeral Home.

Mrs. Standfield was born in Clay County August 28, 1884. She, with her husband, moved to Lubbock from Turkey in 1956.

Mr. Standfield preceded her death in 1963.

Survivors include two sons, Harley of New Deal and Joe T. of Turkey; two daughters, Mrs. Bly Tidwell of Iowa Park and Mrs. Clyde Edwards of Lubbock; three sisters, Mrs. Beulah Backham of Lubbock, Mrs. Mintie Barton of Vernon and Mrs. Nora Menaise of Bellflower, Calif.; ten grandchildren, and six great-grandchildren.

Pallbearers were Mick Cotton, Bill Farley, Harold Ham, Preston Jewett, Smith Guest, and J. T. Mullins.

## School Board Accepts Bids For Equipment

The Memphis School Board met Monday night and approved bids on two types of equipment for the new high school building.

Four bids were submitted to the board on auditorium seats. The board accepted the bid submitted by American Desk of Temple, for \$22.32 per chair. The school will purchase about 800 chairs in a color to be selected by the architect for the auditorium. The seating plan has not been approved as yet; so the exact number is not known at this time, Supt. A. E. Greer said.

Also, one of three bids for science laboratory equipment was accepted by the board. It was submitted by Taylor Mfg. Co. of Taylor, and the total amount of the bid was \$7,516.

In other business, the board approved payment of the bills and approved the paying of \$28.20 tax as their portion of one-half of the Grundy Estate Land. This is the site of the new school.

Also, the members agreed to include the Memphis Independent School District in the newly formed Southwest Educational Development Laboratory at no cost to the district. This is a facts dissemination agency, the superintendent said.

Supt. Greer said the SEDL has numerous privileges of membership and the responsibilities are reasonable. Primarily, the laboratory will be valuable in fields of evaluation, conferences, consultant service, workshops and seminars and developing projects and program ideas.

**CARD OF THANKS**  
I want to thank all for the nice things I received while I was in Hall County Hospital; the doctors and nurses for their excellent service, the cooks for the superb meals, and all who sent cards, notes and the beautiful flowers and roses; visits also.

Mrs. Julie J. Ellerd

There are about 800 different kinds of wood known to the timber trade.

## Quality Of Cotton Is An Important Marketing Factor

Quality is a vital factor in the marketing and utilization of cotton. Ever increasing competition from man-made fibers and the rapid technological revolution in textile manufacturing are two basic developments now intensifying cotton quality requirements.

Progress in textile manufacturing has brought about greatly increased speeds, larger package sizes, and automation. Advances in chemical finishing have also been notable. These changes are demanding better quality cotton fiber and a more precise knowledge of fiber properties.

Cotton producers and ginners have a special interest and responsibility to themselves and to their customers in preserving fiber quality. When cotton opens on the stalk, the fiber is the best it will ever be. Producers and ginners, by careful management of their operations and selective use of their equipment, can make major contributions to the preservation of that quality, thus serving both their short-term and long-run interest as well as that of everyone in the cotton industry.

Important guidelines for preserving cotton quality in harvesting and ginning include:

1. Properly time applications of Harvest Aid Chemical.
2. Keep moisture and trash low in harvesting.
3. Avoid overdrying in ginning.
4. Avoid overmachining in ginning.
5. Emphasize bale value, not grade alone.
6. Keep contaminants out of cotton.

In order to determine the true spinning value of Rollings Plains cotton, the Rolling Plains Cotton Growers is entering into an agreement with the Texas Tech Textile Research Laboratory. The different varieties grown in the Rolling Plains will be compared as well as other practices.

## Melvin Blum Is In Intensive Care Unit In Amarillo

Melvin Blum, who is in the intensive care unit in Northwest Texas Hospital in Amarillo, is reported to have shown some improvement last night, according to Memphis friends who visited there.

Blum was rushed to Amarillo by ambulance Tuesday night, where surgery was performed immediately for a ruptured colon. He has been in serious condition since that time. A telephone call this morning also stated that he is still holding his own.

World's deepest well, 25,340 feet, was drilled in 1958, Pecos County; a dry hole.

**SECURITY STATE BANK**  
of Hedley  
Has new Safety Deposit Boxes  
**FOR RENT**

Come in and put your valuables in safe keeping.

## Keeping Food Coll

For a makeshift camp refrigerator, try digging a hole about a foot and a half deep in a shady area. Place your perishable camp goods in the hole and cover with leafy branches.

Food like milk, eggs and butter will keep for several days.

Of all Texas wells drilled in 1965, about 37.8 per cent were dry.

## Thespian Society To Present Three-Act Play

Rehearsals for the Thespian Society's three-act play, "The Mouse That Roared," are now underway under the direction of Miss Jimmye Blakney, sponsor, and Mary Ann Lemons and Micky Nabers, student directors.

The production will be staged Saturday, Nov. 12, at the Community Building.

Members of the cast and their roles include: Gerry Knight, Tully; Sport Weddel, Mountjoy; David Rose, Benter; Kenneth McKown, Beston; Randy Driver, Ko Kintz; Tommy Bell, President; David Douthit, General; Fred Earl Snowdon, Will; James Elkins, Tom Mulligan; Mike Lesley, Soldier; Mike Lesley, Tommy Henderson, James Elkins and Becky Ward, students.

Also Ann Gregory, Gloriana; Connie Bradshaw and Suzette Smithee, tourists; Becky Ward, Ann; Carol Greene, lady-in-waiting; Sheila Fowler, page; Kathy Houston, Miss Johnson; Cynthia Davis, Miss Wilkins; Nancy Simpson, Mrs. Reiner; Lometa Pate, WAC; Chris Campbell, Mrs. Bascom.

## Caprock Trail Riders To Meet For Hedley Parade

Members of the Caprock Trail Riders will ride in the 15th annual Hedley Cotton Festival parade Saturday afternoon, Oct. 15.

All those planning to participate are asked to gather at the Hedley school grounds by 1:30 p. m., 30 minutes before parade time, according to H. J. Howell, Caprock president.

## Young Married Dept. Organized By Baptists

The First Baptist Church is in the process of organizing a Married Young People's Department which will be a regular part of the church Sunday School program. The new department is composed of married young people of 25 years of age.

The group met in the home of the pastor, Rev. Gene Jorgenson, for a sandwich and salad supper last Thursday evening. Following the supper the group enjoyed games and fellowship. Those attending the supper were Mr. and Mrs. Jimmy Roden, Mr. and Mrs. Billy Ed Thompson, Mr. and Mrs. Mike Webster, Mr. and Mrs. Jerry Don Smith, Mr. and Mrs. Jerry Montgomery, Mr. and Mrs. Gene Jorgenson, and Mr. and Mrs. Morris Davis.

Teachers and department workers are in the process of being elected and until they are elected the pastor is meeting with the group and teaching the Sunday school lesson. The group is meeting in the church parlor and all married young people under 25 years of age are invited to join this special Sunday school department.

In addition to the regular Sunday school lesson which will be taught each week, the pastor will cover material of special interest to married young people. The material to be covered in these special sessions will be entirely based upon the scripture and will help meet the needs of young people who are in the process of beginning their homes and families.

## A Recommendation on Research, Promotion Order

Advisement of a proposed promotion order for cotton was recommended by the U. S. Department of Agriculture.

The USDA's Consumer Marketing Service said this recommendation is based on evidence developed at a two-week hearing beginning August 22 in Memphis, Tenn., Dallas, Phoenix, Ariz., and Atlanta.

Interested persons were until Sept. 14 to file briefs, and these were read in arriving at the recommended decision.

Earlier had been proposed National Cotton Council. Action authorizing the order designed to enable cotton producers to engage in a competitive self-help program to meet cotton's competitive and to maintain and ex- domestic and foreign markets for U. S. cotton.

US officials explained that considering any comments may be submitted on the pending decision, USDA will final decision. If it is concluded that an order should be issued will then announce a promotion order among cotton pro-

proposed program would be administered by a Cotton Marketing Board composed of members elected by cotton producing states and selected by the Secretary of Agriculture.

The program would be financed through assessment of \$1 per acre of upland cotton production collected by cotton producers designated by the Cotton Marketing Board. Collection from any producer who did not wish to contribute would be refunded upon application. Assessment would start at the beginning of the 1967 marketing season for the 1967

acts for research and promotion projects would be made Cotton Board with a representative organizations of cotton producers after approval by Secretary of Agriculture.

The recommended decision proposed order will appear in the Federal Register October 13, and anyone interested should submit comments until October 20. Four copies should be filed with the hearing clerk, Room 1000, U. S. Department of Agriculture, Washington, D. C.

Comments will be available for public inspection.

For the recommended decision may be obtained from the Division, Consumer and Marketing Service, U. S. Department of Agriculture, Washington, D. C. 20250.

# PERSONALS

Steve Watts was in San Angelo the past weekend visiting his daughter, Stacie Watts. He also visited with the Alan R. Daugherty family and Chuck Johnson family. Stacie accompanied her father home for a two-week visit with her grandparents, Mr. and Mrs. Troy Davis. En route to Memphis they spent Sunday with his parents, Mr. and Mrs. S. M. Watts of Lueders.

Steve Watts flew to Lexington, Ky., Thursday morning for an interview with General Telephone Co. of Kentucky.

Mr. and Mrs. J. W. (Billy) Johnson of Garland were weekend guests of her mother, Mrs. A. B. Jones, and their son, Mr. and Mrs. Bill Johnson and family.

Mr. and Mrs. John Stroud of San Antonio visited Sunday and Monday with her cousins, Mr. and Mrs. Gene Lindsey, and with other relatives. Mrs. Stroud, the former Margiee Sigler, lived in Memphis some years ago.

"Hoot" Jones, a student at Lubbock Christian College, spent the weekend here with his parents, Mr. and Mrs. Hubert Jones.

Mr. and Mrs. Bob Lindsey and family of Lubbock were weekend guests of their parents, Mr. and Mrs. H. H. Lindsey and Mr. and Mrs. L. E. Stilwell.

Mike and Jerry Thomson, children of Mr. and Mrs. Presley Thomson, spent the weekend in Crowley with their grandparents. They were on the bus which was hijacked Friday evening between Memphis and Childress.

Swayne McCauley of Canyon spent Friday evening and Saturday here with his mother and family, Maudel McCauley, Dell and Nickki, and another sister.

Mrs. Roger Sherry and sons, Brent and Dane. Swayne, who is football coach at Canyon Junior High, also attended the Memphis-Dimmitt game Friday night.

Suetta Lemmon and Cecelia Morris of West Texas University visited Roselyn Williams and Lois Lemmon over the weekend.

Visiting with Roselyn Williams and Lois Lemmon Sunday were Mr. and Mrs. Cotton Williams of Pampa.

Henry Ashford attended funeral services for Pete Cofield in Quannah Monday afternoon. Mr. Ashford and Mr. Cofield worked together with the Quannah Tribune-Chief for more than 20 years.

Mr. and Mrs. Frank Jackson of Monte Vista, Colo., former residents of Memphis, left Tuesday after visiting Mr. and Mrs. Gerald Knight and family and Mr. and Mrs. Garland Gardenhire and family in Estelline.

Mrs. May Cooper of Nocona visited in the home of Mrs. T. J. Brock last week.

Peggy Ashford visited in Quannah with Flo Rene Knott and Rayetta McBee of Lubbock and with Ernie Knott over the weekend.

Visiting in Wichita Falls with his children over the weekend was Henry Ashford. He visited with his daughter, Mrs. Jerry Morton, Mr. Morton and Sherry, Paula, and Beeky, and with his son, Louis Ashford, Mrs. Ashford and Curtis.

Steve Miller went to Denton Friday to spend the weekend with Courtney Don Miller, who is a student at North Texas State University. They also went to Dallas Friday.

Mr. and Mrs. John Fowler and Mr. and Mrs. G. D. Georgia of Dallas and Fletcher Davis of Era spent Saturday night in the home of Mr. and Mrs. G. A. Davis.

Curry Stephens of Dallas visited over the weekend with his mother, Mrs. Mildred Stephens, and other relatives. He was accompanied by Bill Hollingsworth and Robert Davis.

Mrs. Raymond Foster and granddaughter, Nickie Hood, spent the weekend in Pampa vis-

iting Nickie's other grandmother, Mrs. Madelyn Hood.

Mr. and Mrs. Warren Driver of Levelland visited here last weekend with their daughter, Mrs. Bill Whitten and family, and son, Randy Driver.

Mr. and Mrs. J. B. Scott will join his brother, Ormal Scott and family of Fresno, Calif., the last of this week in Cortez, Colo., where they will hunt deer and elk.

Mr. and Mrs. Roy Lowry and children of San Angelo and Wayne Tiner of Abilene were weekend guests of their mother and grandmother, Mrs. R. T. Tiner.

Guests Sunday in the home of Mr. and Mrs. M. N. Orr were their sons, Dr. and Mrs. William N. Orr of Littlefield and Dr. and Mrs. J. M. Orr of Wellington.

Mr. and Mrs. Johnny K. Williams and daughters of Childress visited Sunday in the home of Mr. and Mrs. W. C. Foster.

Mr. and Mrs. Felix Jarrell and Patsy were weekend guests of their son and brother, Mr. and Mrs. Harvey Jarrell and family, in Richardson.

Keith Wells of Abilene, son of Del Wells, was the layman speaker at the Methodist Church in Lakeview Sunday.

Mrs. E. A. Young and Mrs. Claude Hickey visited Sunday in Quitaque with their sisters, Mrs. Johnnie Morrison and Mrs. Ruby Cushmanberry.

Mrs. Grace Monzingo and Mrs. Mary Lenoir are visiting this week in Dimmitt with Mrs. Monzingo's daughter, Mrs. Jerry Cluck and family, and with other relatives and friends.

Jim Hutchins and children, Kim and Kelly, and Jay Holland of Estelline attended the Texas University-Oklahoma University football game in Dallas Saturday.

Jodie Rapp, a student at Texas A. & M., spent the weekend in Estelline with his parents, Mr. and Mrs. Jerrell Rapp and family.

Janie Helm, a student at Texas Tech, spent the weekend with her parents, Mr. and Mrs. J. N. Helm, Jr. She was accompanied by a college friend, Diane Bagley of Houston.

Ken Maddox and Jack Davis left today on an elf-hunting trip to Pagosa Springs, Colo. They will be gone a week.

Mr. and Mrs. Mike Branigan of Oklahoma City visited over the weekend with his parents, Mr. and Mrs. Elmont Branigan.

Wesley Breedlove of Dumas visited over the weekend with his daughter, Diana Breedlove, and his parents, Mr. and Mrs. Robert Breedlove.

## GIRL SCOUTING

The recruiting of Junior and Cadette Girl Scouts was well attended at the Educational Dept. of the Travis Baptist Church October 4. Survey sheets were distributed by Mrs. Kenneth Bachman, Neighborhood Chairman to the fourth, fifth and sixth grades previously in the week. During the meeting a film was presented depicting various phases of activities in these levels and how parents, leaders and scouts work together. Many mothers were on hand for the organization of troops. One leader, Mrs. B. J. Talley, was recruited. Mrs. Jay Nunnelle and Mrs. J. T. Clayton volunteered to act as Committee mothers for this troop.

One Junior troop is meeting with Mrs. Chas. Chambliss and Mrs. G. D. Hall as leaders. Potential membership for a Cadette troop was surveyed and plans are being made to organize this older group.

Girls attending this meeting included: Jacqueline Talley, Deborah Morgan, Meredith Douthit, Karyn Smith, Janice James, Debra Watson, Caron Chambliss, Janet Lowe, Kathy Hall, Debra Maddox, Maria Torres, Diane Clayton, Charlotte Carroll, Janet McNally, Sally Brown, Beth Reddell, Ramona Bachman, Kay Posey, Libby Kirkland, Kay Johnson, Jan Smithee, Anita Taylor, Connie Guthrie, Debbie Nunnelle, Jennifer Pate, Denise Phillips, Alice Gilcrest, Vickie Rea, Carla Coleman, Margarita Diaz, Ronelle Wilson, Rosemary Taylor, Glenda Carroll and Debbie Watson.

The first Neighborhood meeting of the leaders and committee members of the Memphis Girl Scouts will be held October 13 at 520 N. 12th at 7:30 p. m. Any parents interested in the meeting are cordially invited to attend. Open discussion on any problem will be welcome and plans for the coming months will be made.

The Field Representative of the Quivira Council Pampa office

will be on hand for this meeting. Mrs. Whiteley has served in this capacity for the past two years and understands the Scouting program, which is a great help to leaders. The Council office offers countless aids to the local neighborhoods for programs and leadership training. In turn, each neighborhood has a fund drive to sustain the Council headquarters.

Rosemary Harrison, a student at Texas Tech, spent the weekend here with her parents, Mr. and Mrs. Wendell Harrison.

Ronald Pate, a student at Texas Tech in Lubbock, visited over the weekend with his parents, Mr. and Mrs. Olton Pate.

My Mommy cooks With modern Gas because it's clean

Why is gas cooking so clean? Turn a gas burner off and cooking stops — instantly. There's no lingering heat to make foods burn, stick or boil over. Gas broiling is clean too — because it's smokeless. With gas you broil with the door closed. (The gas flame consumes the smoke.) So if you want to cook clean — get a modern gas range. See them now at gas appliance dealers or Lone Star Gas.

**JUBILEE GAS RANGE SALE**

Ford's famous quiet ride comes in 18 beautiful styles for 1967

Quieter because they're stronger. Stronger because they're better built. For '67, the best-built Fords in history.

**3 new LTD's.** All three LTD models—2-door hardtop, 4-door hardtop, and 4-door sedan—offer conveniences like a transmission that shifts both manually and automatically (standard), and a full-width front seat that divides to adjust individually for driver and passenger.

**2 new XL's.** Both the XL 2-door hardtop and convertible offer, as standard, bucket seats and console, plus spirited 289-cu. in. V-8. A 7-Litre power option includes a 428-cu. in. V-8, power disc front brakes, and sports steering wheel.

**13 new Galaxies, Customs, wagons.** Convertibles, wagons, hardtops, sedans all offer basic Ford strength and quiet, plus a wide range of conveniences and options. Wagons provide a two-way Magic Door that swings out for people and down for cargo.

**Better ideas from Ford.** SelectShift Cruise-O-Matic transmission shifts automatically... or lets you shift manually without a clutch for things like climbing hills, downshifting to save brakes, pulling trailers, getting extra traction in mud and snow, or just for fun. It's available on every '67 Ford. And all '67s come with Ford Motor Company Lifeguard Design Safety Features.

You're ahead in a **FORD**

### Brice News

The Aubry Martins had as weekend guests their daughter, Connie, and her friends, Libbie Cobbs and Susan DeLoach, all students at Baylor University. Susan's father is pastor of the First Baptist Church in Lufkin and Libbie's father is on the Foreign Mission board of Southern Baptist in Richmond, Va.

Nick Lowry of Clarendon spent Friday night with his grandparents, the J. C. Johnsons.

Mr. and Mrs. G. D. Craft are vacationing at Lake Murray.

Roland Salmon made a business trip to Amarillo Monday.

Mr. and Mrs. Vernie Adkinson of Amarillo spent the weekend here with her parents, the T. H. Gattises.

Mr. and Mrs. Zack Salmon and Mr. and Mrs. O. B. Rampie were in Clarendon Sunday where the children and grandchildren of Mrs. S. D. Churchman honored her with a dinner on her 96th birthday. Mrs. Churchman is the mother of Mrs. Salmon and Mrs. Rampie.

Mrs. J. P. Carlisle of Canyon visited here Monday with her parents, the G. W. Selmons.

Johnnie Earl Thomas and his friends, Brady Durrett, Andy Andrews and Wes Waylon, all students of West Texas University, spent the weekend here with Johnnie's parents, Mr. and Mrs. Earl Thomas. Also visiting in the Thomas home Sunday were Mrs. Thomas' parents, Mr. and Mrs. Elrod of Memphis, and their daughter, Mrs. Owen Arron and family of Dalhart.

### Security State Bank Announces New Director

The Board of Directors of the Security State Bank in Hedley has announced the recent election of Donald K. Carman of Farmers Branch as a director of the bank.

K. S. Woodriddle, president, announced that all of the interest in the bank owned by Jerry H. Weiner has been purchased by the bank directors. Directors involved in the purchase include Carman, J. C. Shields, Delbert White and Woodriddle.

Carman, 37, was born and reared in a small Iowa community. He attended under-graduate and graduate school at the University of Iowa, majoring in economics and finance. He served six years in the Air Force, rising from the rank of private to squadron commander in four years. He was awarded numerous military decorations, including the Air Medal for outstanding and meritorious performance on highly classified reconnaissance missions.

He entered the field of investments and finance in Dallas in 1959. He was a registered investment advisor with the United States Security and Exchange Commission until 1963.

Until recently, Carman was a director and vice president of Crown Investment, Inc. He was also a director and executive vice president of Security Management Corp., which managed the Crown Western Investment trust.

He is also a director of Bowie National Bank in Bowie.

Woodriddle stated that the board feels most fortunate to obtain the services of a man with Carman's background. "His association with the bank will contribute much to our growth and progress," the president said.

Mr. and Mrs. Claude Ferrel and Jill of Pampa spent Sunday with Mr. and Mrs. Phaeton Alexander.

### Memphians To Receive Cards For ZIP Codes

Residents in Memphis will be offered an opportunity to ZIP code their mailing lists during October, Postmaster Gene Lindsey announced today.

Letter carrier will deliver "no postage needed" cards to each of the City 1,051 residential delivery stops beginning October 10, the postmaster said. The cards will have blanks for addresses used most often, but for which individuals do not know the proper ZIP Codes.

In rural areas and cities with one ZIP Code assigned, only an out-of-town card will be delivered since all local addresses will have the same ZIP Code.

"This is a good time to get the ZIP Codes missing from your lists," Postmaster Lindsey noted. "This Christmas, ZIP Code will be as important as shopping and mailing early for the efficient and on-time delivery of the record-breaking avalanche of mail

expected in the pre-holiday weeks."

After filling in the street number, city and state, the cards are to be mailed back to the postmaster. Post Office personnel will add the proper ZIP Codes and return the cards to the sender.

President Johnson has proclaimed October 10-15 as "ZIP Code Week" to promote greater usage of ZIP Code.

100th—Wayne Chapman, Area Conservationist of Vernon, (left) and Henry Gregory, local SCS Work Unit Conservationist (right), observe J. D. Swift of Clarendon as he signs the 100th Great Plains Contract in Hall County. The Great Plains Program is a voluntary one and is geared to the going program of the Hall County Soil and Water Conservation District.

### 100th Great Plains Contract Signed By J. D. Swift At SCS Office Here

J. D. Swift of Clarendon, who owns and operates a 2,850-acre ranch four miles east of Memphis, developed the 100th Great Plains Contract in Hall County last week with technical assistance furnished by Personnel of the Soil Conservation Service, according to Cyril Keith of the local SCS office.

Swift plans to control 1,653 acres of mesquite by aerial spraying in 1967. Also, Swift has built in the last few days as part of the plan a system of parallel terraces on one of his cropland fields. The parallel terrace system was designed and laid out by Royce Frisbie of the Soil Conservation Service. Swift has also constructed a diversion terrace at the top of this field to control

### YOUR PRESCRIPTION

The Biggest Bargain In History

outside water.

As part of the plan, Swift plans to carry out a complete cropping system on the cropland and a sound range management program on the rangeland. When all conservation measures are carried out on this unit it will be improved and contribute to solving erosion problems and making yields and income more dependable.

In the Great Plains area more than 20,000 farmers and ranchers are participating in the Great Plains Program. The program is in addition to and complements other U. S. Department of Agriculture programs in this area.

More and more farmers and ranchers are finding this GP Program a faster and less costly way of solving erosion problems. They can apply a complete farm or ranch plan at a stepped-up pace. A farmer or rancher can get up to \$25,000 in cash-share payments for work on his farm or ranch. The minimum contract period is for three years, the maximum for ten years, and the contract can be modified to meet changing conditions.

Your local County Agent, SCS, ASCS or PHA Representative or a member of your local board of Soil Conservation District Supervisors may help you get further information on the Great Plains Conservation Program.

### Hall County To Host Large Singing Meeting

Over 400 persons are expected to attend the Ten-County Singing Convention slated Oct. 29-30 at the Memphis Community Building, with the Hall County Singing Association as host, Mrs. J. F. McIntush reported today.

The famous Wills Family singers are scheduled to attend the singing, as well as many other quartets and groups.

The convention was organized at White Flat in 1947 with five counties as members, including Floyd, Hale, Motley, Dickens and Crosby. Hall County joined the group in 1964. Other counties in the organization include Childress, King, Cottle and Hardeman. James Campbell of Hale Center is president and Fay Hart of Floydada is vice president.

Memphis High School Band mothers will sell sandwiches, soft drinks and resserts at the two-day meeting.

Mrs. McIntush said that although other counties asked to host the convention, the delegates chose Memphis because of the warm hospitality which they enjoyed here last October at their gathering.

#### CARD OF THANKS

We wish to express our sincere thanks and appreciation to all the friends and neighbors for the food and lovely flowers, for the many acts of kindness shown to us in our recent sorrow. A special thanks to Mr. Robert Spicer, the Lakeview Masonic Lodge, Mr. Irwin Johnsey, Rev. Gaston, Mrs. Spear and the choir that furnished the beautiful music. May God enrich each and all of you. The Family of W. C. Wolf.

### PESO Official Reports Progress At Meeting Thurs.

A workshop for officials of schools have special reading programs through the Panhandle Educational Services Organization was held Thursday, Oct., at the DeVille Restaurant.

The workshop began with a coffee at 10:30 a. m. Lunch was served at 12:30 p. m.

Mack A. Bush, Unit IV coordinator of PESO, conducted the PESO influence and to bring them up to date on past accomplishments of the Special Reading Stations.

He explained that the Special Reading stations are designed to help students who have reading or comprehensive difficulties. Classes are small, and numerous teaching aids and interesting activities make reading classes more stimulating for students.

Bush stated that comparative achievement scores of last year's students from tests given when they entered the program, and again two months later, indicate that the average student made four months progress over the two-month period.

The PESO program is part of the Elementary Secondary Educational Act of 1965. The total allotment of funds for Hall County last year was \$91,854.00.

Those participating in the workshop from Memphis were Mrs. Reba Stroehle, counselor; Miss Ethel Hillhouse, Travis Elementary School principal; Mrs. C. D. Morris, Austin Elementary School principal; Charlie Chambers, Junior High principal; E. B. Williams, Hall County supervisor; Mrs. Peggy Gaston, PESO secretary.

Also taking part were C. M. Wooten, Estelline Elementary School principal; J. R. Adamson, Turkey Elementary School principal; Stina Cain, Clarendon Junior High principal; Tex Selvidge, Donley County Cooperative counselor; J. E. Edwards, Matador Junior High principal; Wayland Moore, Matador High School principal.

Brenda Lopaz is the daughter of Mr. and Mrs. Lucas Lopaz, Jr., of Lakeview. She was born October 8 and weighed 7 pounds, 12 ounces.

Mr. and Mrs. Larry Trent Bolin of Hedley announce the arrival of a son, Anthony Quinn. He was born October 8 and weighed 8 pounds, 12 ounces.

Mr. and Mrs. Richard Earl Hadley of Clarendon are the parents of a daughter, Holly Gayle, born October 9. She weighed 6 pounds, 10 ounces.

Mr. and Mrs. Bob Alewine of Lubbock spent the weekend here with his parents, Mr. and Mrs. Monty Alewine.

HOME-BAKED BREAD in only 15 minutes from package to oven to table. Mrs. Baird's delicious Pul-A-Part loaf is easy to fix and very versatile.

### J. T. Carter Named Manager Of WTU Section

J. T. Carter of Abilene, a former resident of Memphis and employed by West Texas Utilities Company for more than 34 years, has been named manager of the company's Data Processing Section in the General Offices in Abilene. He has replaced O. J. Hamilton, who retired October 1. Carter has been serving as internal auditor.

Mrs. Carter is the former Mary Lucy Montgomery of Memphis, whose parents, Mr. and Mrs. Jim Montgomery, were pioneer residents of Hall County.

Carter began his long period of service with WTU in the Crowell ice department in 1928, and a few months later he was transferred to the Quanah office as an assistant storekeeper. He left the company in 1931 and in 1935 was re-employed as cashier and bookkeeper in Quitaque. A short time later Carter was transferred to Memphis as cashier and bookkeeper and the following year moved to Dalhart, where he worked as assistant chief clerk and storekeeper in the district office. Six years later he was promoted to chief clerk and served in that capacity until the Dalhart properties were sold in 1946 to Southwestern Public Service Company. Carter remained with SWPSCO

ice, water and power until 1947 as production superintendent of when he rejoined West Texas Utilities Company in Abilene as traveling auditor. In 1961 Carter was promoted to internal auditor and has served in that capacity until his present promotion.

During the last nine months of 1965 Carter was on special assignment with a study group of Central and South West System. Working out of Dallas, the group made a study for the purpose of improving the customer service programs and procedures throughout the four-state area served by the four electrical companies that compose the C & SW System.

The Carters reside at 2934 Arrowhead and are members of the

First Baptist Church. The three daughters and son Johnny Carter who is with the U. S. Navy in Pacific on the USS Radford at Pearl Harbor; Mrs. J. Brown lives in Fort Worth. Her husband is a teacher at Lake Worth Schools; Mrs. Zieg lives in Lincoln, N. where Dr. Zieg is a dentist. Vickie is a 6th grade student at Jackson Elementary School and Mrs. Zieg have three and one son.

#### CARD OF THANKS

Words can never express sincere thanks and appreciation for all my many friends and prayers for the flowers, cards and all other things shown me, during my long stay in the hospital. My family and I will always be grateful for the kindness shown May God's blessing be upon and everyone in my prayer. Mr. C. R. (Bun) P.

Mrs. George Greenhaw Springlake over the week pick up her sister, Mrs. Richards. They then went to Big Spring to visit their W. A. Stall and Mrs. Stall.

Mrs. H. J. Howell and James Bray returned from Taos, N. M., where they spent the weekend vacation. While there, they enjoyed fishing and taking pictures of fall autumn scenes.

Miss Lucile Hutchinson and the weekend in Wheeler relatives.

**For Outdoor Recreation**

How Texas is presenting public interest in recreation opportunity is shown in the report from Washington, where attendances at Lake Meredith are all forecasts this past year. The trend is national, and Texas has recognized the growing interest by enacting a stepped-up program for expanding existing parks, by authorizing the State to extend financing to States and other subdivisions as they develop their own programs, and by providing landowners in demerit recreation facilities. Federal government has been involved in fostering development that an booklet has been published summarizing provisions of the programs. Its title is: "Assistance in Outdoor Recreation." Available to: States, Subdivisions, Organizations, Individuals. If you would obtain a copy, the 35-cent may be ordered from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C., 20402. Programs of assistance outlined include: cost-sharing, technical, educational services, research. Number of new proposals pending the National Park Service with each new year. Some 400 measures (some of which are non-recreation character) have been

the Federal park acquisition program largely self-sufficient. While the purpose of the act certainly has merit, I have continued by strenuous objections to the provision calling for admittance fees to be collected from persons visiting Federal recreation areas. Land areas paid for and financed by all Americans, who have paid for them through their taxes, should be open without charge to any American wishing to visit them.

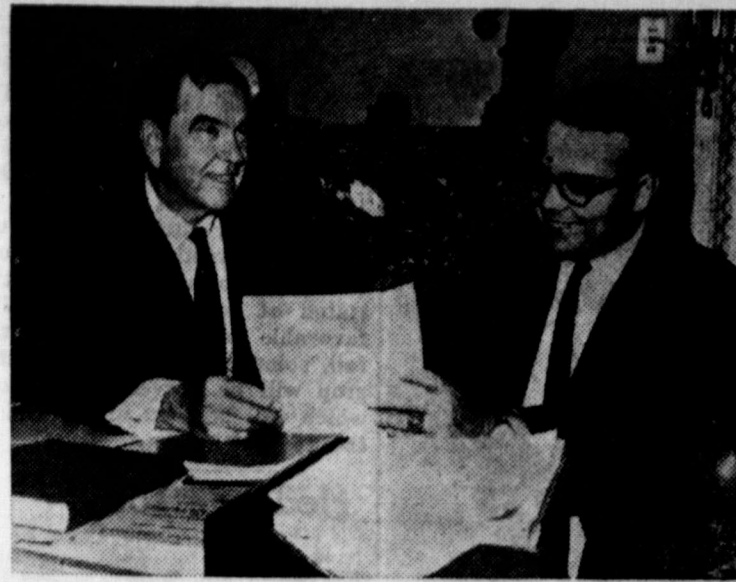

Meanwhile, pressure outside Congress grows for incorporating new and very costly areas in the Park System. Proposals for the Redwoods National Park in California have become highly controversial. Special interests involved—conservationists on one hand, lumber companies which own the land, political figures of varying opinions—heatedly debate the assorted proposals affecting redwoods, and a long road remains to be traveled before agreement is reached as to the proper action of the Congress.

It is generally accepted by Americans that it is in the national interest to conserve areas of outstanding scenic, scientific, and historic importance — and areas that offer the American people more and more varied outlets for wholesome outdoor recreation in this wonderful land of ours.

**CARD OF THANKS**

We wish to express our heartfelt thanks to our friends and neighbors for your kindness to us in our sad hour at the loss of our husband, father and grandfather. We are indeed grateful for the beautiful floral offering and for the food that was served. May God's blessing be upon you, is our prayer.

Ad. paid for by Hall County Miller for Congress Committee (Hutchinson, chm.)

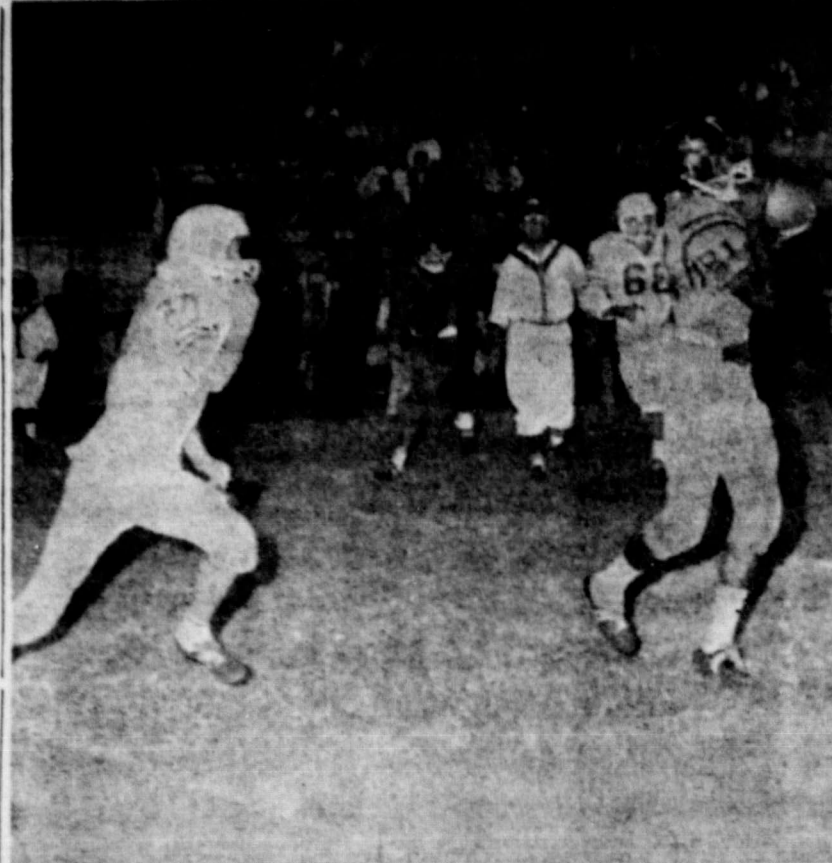

**LAST PLAY**—No. 20 Tony Pounds is shown carrying the ball for a 25-yard gain on the final play of the Memphis-Dimmitt game. This was the second longest ground gain of the night for the Cyclone. In the background is shown No. 30 Gary Rea. The Cyclone lineman behind Pounds is either Larry Gaston or Chuck Jennings.

**Hall's Finance—**  
(Continued from Page 1)  
discounts figure comparisons. The loans and discounts of the four county banks was listed at \$7,483,809.50, an increase of \$1,190,391.78 above last October.  
Since very little of the county's fall harvesting has been done and it is not reflected in this stated of condition total. With favorable harvesting weather this fall, some of the 1966 cotton crop will be harvested and sold, which will be seen in the end of the year report.

**Hedley's 15th—**  
(Continued from Page 1)  
The Entertainers.  
A street dance will be held Friday night with the J. B. Yates band playing.  
Highlight of the festival Saturday will be the Grand Festival parade at 2 p. m., led by the color guard of the United States Army Recruiting Station in Amarillo.

Bands in the parade will be the 589th Air Force Band of Amarillo Air Force Base, and school bands from Groom, Clarendon, Memphis, McLean and Matador.  
Other marching units include Miss Bonnie Gaye Black and her Gayettes of Texas, the Kachina Indian Dancers of Amarillo, Amarillo Air Force Drill Team, and Boy Scouts and Girl Scouts.  
Ten major floats have entered the parade as well as riding clubs from Memphis, Wellington, Clarendon, Childress and Hedley.  
Other events scheduled Saturday will be a Kiddie Parade at 10 a. m., the Old Fiddlers contest on main street at 7:30 p. m., the new festival queen coronation at the high school at 8 p. m., and two dances, the Festival dance at 9 p. m. at the Legion Hall and a street dance at 9:30 p. m.  
Queen candidates are Lana Altman, Sandy Gerber, Loretta Hill, Judy Leggett, Beverly McPherson, Laura Solomon, Kim Steel and

**GOOD CATCH**—No. 81 Dwayne Jones for Memphis snags a pass from QB Tony Pounds for a good gain against Dimmitt Friday night. No. 20, Tommy Stafford makes the tackle but not until after an 8-yard gain.

Cheryl Wooldridge, all of Hedley. The D. S. Dudley Shows' mid-way will open today and continue in operation throughout the festival.

**District 3-AA—**  
(Continued from Page 1)  
30, Andy Oliver is another fine back at the wingback position.  
As passing goes, QB Johnson or QB Burl Fuller are both good boys.  
Coach Bert Glascock said that Abernathy is the largest school in enrollment in the district and has a truly fine football team.

"They were the district coaches' pre-season pick to win," he said. "Memphis was picked to place last, in the No. 8 position in our district," Coach Glascock said, "our boys want to prove they are better than No. 8, the bottom of the pile."  
The Memphis coach said the local lads looked good in workouts this week and his only concern was in the number of injured boys on the squad.  
Actually, Dwayne Jones, Clyde Wilson, Chuck Jennings, Larry Gaston, Roy Long, Kenneth Cornish, Roge Fowler and Mike Cravey have hampering injuries.

The coach said these injuries are not of serious nature but they hamper the boys' performances at times.  
"The attitude of the Cyclone team is good and the boys have been working hard," Coach Glascock said.  
About the Dimmitt game, the defensive play of Chuck Jennings, Garvin Speed, Kay Miller, Allen Booth and Bobby Carroll was cited as commendable by Coach Glascock. Offensively, Gary Rea, Junior Graves and Willie Devorce were outstanding, he said. Also, Clyde Wilson was in on several key catches at critical times.  
"I feel that Dimmitt has a fine ball club," Coach Glascock said, "but I feel the Cyclone should have scored three times against them, but our mistakes hurt us... we called bad plays on offense."  
The Cyclone moved up to the No. 6 spot in Panhandle ratings this week so the game at Abernathy will see the No. 3 team going against the No. 6 team.  
Abernathy downed Hale Center last week 7-0 while Memphis defeated Dimmitt 7-0. Hale Center the week before defeated Dimmitt 7-6.  
The Cyclone will be playing under the disadvantage of having to travel a long distance and playing on a strange field. This is the first time in history for these two schools to tangle on the gridiron.  
There is only one game scheduled tonight and that is the Freshman team will go to Kress.

## Klotz Held For Bus Robbery Fri.

John Frederick Klotz, 26, of Slippery Rock, Pa., brought about a terror filled afternoon Friday when he used an unloaded gun to take charge of the Continental Trailways bus, 36-passenger, after it left Memphis at 5:30 p. m.  
For Highway Patrolman Presley Thomson, his wife, Frankie, and their two children, Jeri Ann, 8, and Mike, 10, it was an experience they had just as soon forget.  
Mrs. Thomson put the two children on the bus at Memphis terminal for a 60-mile ride to Quannah to visit their grandparents, Mr. and Mrs. Walter Thomson of Crowell, who were to meet the bus in Quannah.  
The children took seats at the front of the bus on the right side.  
A man, Leon Sanders of Amarillo, left the bus at the station. This man notified the City Police station that something was wrong on the bus. Chief of Police Tommie Tucker was summoned by Policeman Bill Lindsey, and he talked with the man. Chief Tucker radioed the Memphis Highway

Patrol unit, which was at Childress at the department's radio station, and he and Lindsey set off after the bus.  
Sometime, between Memphis and Childress, John Frederick Klotz moved from the back of the bus up to the front and told the Thomson children to move over. He wanted to sit down.  
The patrolmen and other officials decided to leave Klotz unhindered until he arrived in Childress. They were waiting at the Childress bus terminal where preparations and plans were made to board the bus after the driver stepped off.  
What happened at the Childress terminal was that Klotz refused to let the driver off, and the bus pulled away.  
Patrolmen Thomson and Don Collins rushed to their car and tried to head the bus off and stop in one block from the terminal but the driver, James Warren of Fort Worth, was forced by Klotz to go around the vehicle, and proceed on east down Highway 287.  
Two miles outside of Childress the bus stopped, but Klotz made such violent threats—saying he would kill some of the passengers—that officers decided "not to press him too close." Klotz forced the driver to take off again.  
About five miles outside Childress, Klotz instructed the driver to force oncoming cars off the road and stop them so he could get a get-away car.  
The bus finally stopped after forcing several cars off the road, and officers succeeded in killing the bus's engine to keep it from leaving again.  
Klotz at that time agreed to come off the bus if officers would give him a get-away car. The officers drove a car up near the bus.  
Klotz took a captive from the

**YOUR COUNTY AGE**  
TAX REMINDER OF GOVERNMENT PAYMENT  
Do not fail to record your farm income and expenses on agricultural practices programs. The Internal Revenue Service is planning to send out information from USDA on all such payments made. IRS computers will use your records with USDA information. Returns which do not may cause some inconvenience.  
The amount and kind of payment may have to be filed separately on the farm income and expense.  
Final payment on wheat grain, and all ASCA earned or "available" by October 31, 1966, must be on 1966 tax returns. None held over to 1967. A farmer not be permitted to report as income in 1967 to pick up the payment of 1966.  
Save Tinfoil Plates  
Those foil plates that farmers come in make perfect utensils for camp. Once used for the campground, discard them or save for trip.  
World's deepest Pecos County gas well at feet.

things," Coach Adams said. The starting lineup Bears includes: QB Jay FB Triston Mabry, HB Collins, Center James Guards Kent Fowler as Joutet, and Ends Gary and Jimmy Adeock.
