EDITORIAL

Newspaper Week

Last week was National Newspaper Week. Since we also observed National Fire Prevention Week the same time, the editorial topic of National Newspaper Week was overlooked for the moment.

This week, however, we would like to make some comment about National Newspaper Week although no special observance was planned or held by The Democrat unless you would call the starting of the annual cotton guessing contest a special observance.

Readers might not know that in commenting about National Newspaper Week this week, the editor is passing up several other observances. Chief of these is National Bible Week Oct. 17-23, followed by National Business Women's Week Oct. 16-22, Aloha Week Festival Oct. 14-22 and National Macaroni Week, Oct. 13-22.

Maybe it should be said here that National Bible Week should be a time when we continue to read our Bibles. Bible reading is urged by all churches throughout the year and is vital to the moral fiber of the the American society.

But back to the subject: the main thing we need to remember about National Newspaper Week is that the writers of editorials and the editors and publishers and reporters on newspapers can write what they please, within the bounds of the libel laws, because this is a country with a free press.

Newspapers are not controlled by the federal government via the licensing laws, like radio and television where in recent times there has come a sort of censorship on the broadcasting industries.

You know, however, a lot of newspapers, little ones and big ones, and medium-sized ones don't use the privilege of speaking out. Some are too timid to speak because they don't like to have people mad at them.

This is one of the hazards of the newspaper business, and any newspaper which does voice an opinion immediately alienates a certain number of people who disagree with that opinion. If one is alienated, then they should take time to write the editor a letter and sign it with the intention of having it published.

We have even seen examples of editors writing nasty things in their papers just to get people to write nasty letters so more people would buy the paper. This is abusing the privilege of free press.

Newspapers today have different problems than they have had in past years. Coming to the forefront today are problems of rising costs, employment, and the struggle to boost income to cover these costs. The day when the country editor could get by with a hand fed press and a shirt tail full of type is long gone.

There is a chronic shortage of skilled people to produce a newspaper. There are some 40,000 more printers dying or retiring each year than are entering the trade, which is putting mounting pressure on the available supply. This is the reason many papers, especially small ones, have turned to offset printing plants in distant cities to put out their papers. When this happens, the newspaper office force is reduced from about 10 to possibly three in number.

The newspaper business is not for everybody. It is a business that puts pressure on all that work on it because everybody has deadlines to meet and obstacles that keep cropping up to thwart that deadline. The news people, the advertising people, all have to finish their work by a certain time. This causes pressures that cut out those who can't take it.

The newspaper business is interesting, it is exciting, and it is the biggest single factor in maintaining a free country. We hope and pray that our citizens and readers never get too busy to read their Bibles or their newspapers. If they do, both influences will die.

No Threat To Cities

Amendment No. 1 in the list of sixteen which will appear on the November 8 ballot provides that farmland owned by the man who lives on it for three years and uses it for agricultural purposes shall be taxed as agricultural land.

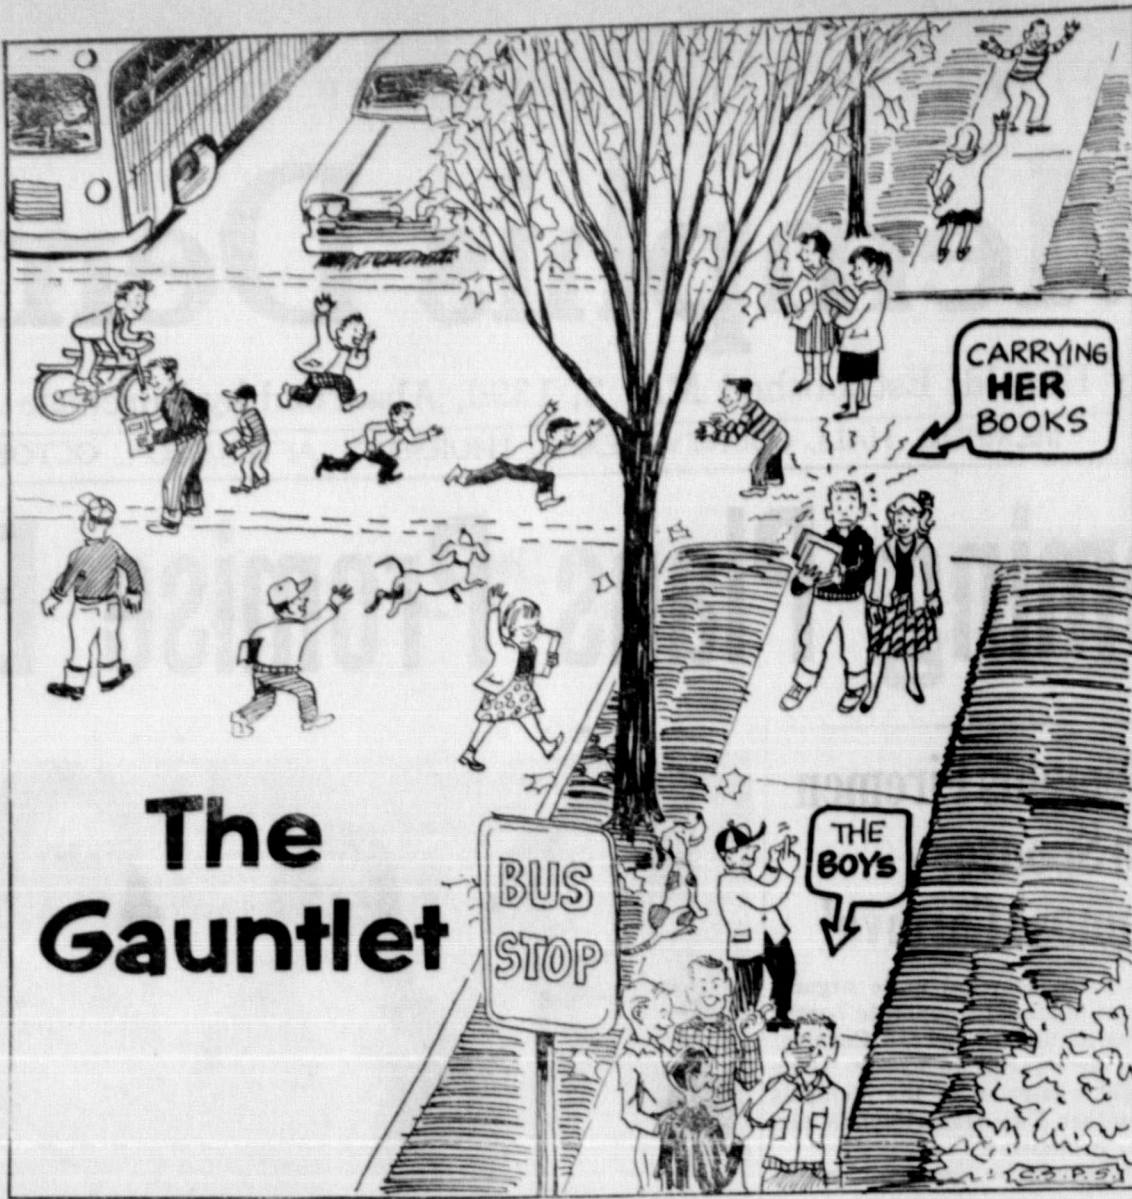

This seems reasonable enough . . . but the amendment is under heavy fire from the Texas Municipal League as well as from real estate development interests.

The Municipal League charges that adoption of the amendment would result in all manner of ill effects for cities . . . such as encouraging land boom speculation by keeping so-called agricultural land out of development at low tax values while surrounding land becomes urbanized; or increasing cost of utility services as a result of the necessity for providing service to developed areas beyond such undeveloped land; or creating confusion in early planning for municipal development; or resulting in increased cost in local property taxes.

Well, maybe. But there's another side to the coin. The amendment is aimed at protecting the owners of bona fide farming operations adjacent to expanding municipal areas from having to pay exorbitant taxes because of such proximity, or because of being engulfed by municipal annexation . . . and many such owners need that kind of protection.

The bona fide farmer in such a situation is probably in no position to finance high taxes on "development property" while waiting, perhaps years, for the development to take place. Under this amendment, he is protected as long as he continues to use his land for bona fide agricultural purposes. The real estate speculator who might profit from the proposed amendment will have to do it the hard way by establishing residence and carrying out bona fide farming operations for at least three years to earn the farm tax rate.

We think it's a good amendment, on the whole . . . and one which the municipalities need to learn to live with. Instead of hampering orderly planning for municipal development, it might actually make the cities do their planning in a more orderly fashion. — The Canadian Record.

The Gauntlet

ACROSS THE DESK

What Other Editors Say

"Depression Of 1966" Never Came About

Recovery of the stock market has abated fears of a 1966 depression.

It now appears that such fears were never justified. At the grassroots of the American economy the probability of a serious recession was never accepted.

While stock prices were declining, production and distribution of consumer goods continued at an accelerated pace. The consumer had more relative buying power than at any time in history.

Confidence of retailers was reflected in the largest increase in newspaper advertising in recent years. There has been a corresponding rise in the volume of retail sale.

Indeed, retail sales for August, 1966, were 10 per cent higher than for August, 1965. Of course, such an increase in the demand for goods and services has resulted in higher prices for some products.

However, the buying power of the American consumer has far out-picked price increases. Production in key industries has mounted and gained in efficiency.

Neither serious inflations nor recession seems probable so long as ample goods are available to a public which has the wealth to buy on an unprecedented scale.

Perhaps what has confused market speculators and some economists has been the change in consumer buying habits which affected a few industries adversely. The goods that are selling on the burgeoning retail market today are not the same goods which sold in 1960. And by 1970 an entirely new complex of goods and services will be in demand.

Retailers who have been increasing advertising to meet changing demands have been prospering while the timid talk of recession and tight money.—The Friona Star.

Soviet-American 'Alliance'

President Johnson said last week the United States and the Soviet Union are "the two great powers in the world" and "all the nations look to us to keep the peace of the world." Only two governments around the globe, he added, referring to Hanoi and Peking, are opposed to ending the war—thus putting the Soviets on "our" side in the camp of peace-makers.

American pilots who fly missions over North Viet Nam and dodges Soviet-made missiles and anti-aircraft shells fired by Soviet-trained crews, and clash with Russian-supplied MIGs, probably would not support that statement wholeheartedly.

Meanwhile Soviet Premier Kosygin made an angry speech on North Viet Nam, in which he accused China of preventing a Viet

Cong victory by blocking joint Communist action to aid Hanoi.

He was referring to China's blockade on shipment of Soviet arms by rail and through China to North Viet Nam.

How odd that Kosygin should blame China for preventing victory. As Kosygin knows only too well, what is preventing a Communist victory in Viet Nam is the United States, in the form of 350,000 troops and planes and ships to match.

So we have the American President and the Soviet Premier simultaneously "going easy" on each other. Why?

Because America and Russia, when it comes to world peace, have a lot in common. Foremost is the desire to prevent the Vietnamese war, or any quarrel or confrontation elsewhere, from flaring up and spreading into a nuclear disaster.

Both powers, and their people would like therefore to soften the tension of the balance of terror. Both governments can do so by refraining from poking around in

each other's spheres of vital interest. The Vietnamese War could be a lot more dangerous, for example, if the Soviets, who are bound by a treaty of alliance with North Viet Nam, would send up Russian pilots against ours, or heated up a Berlin crisis again.

There is no Soviet-American "alliance," as the half-lunatic Chinese shriek. But there is a stand-off. There is a kind of peaceful co-existence. There is the prospect even of entering into "peaceful engagement," as the President recently put it. So be it. But let us not put down our guard, or go to sleep. America and Russia are still rivals.—The Fort Worth Press.

CARD OF THANKS

We want to thank our friends, neighbors, and relatives for their acts of kindness, visits, cards, words of comfort, flowers, and prayers offered in our behalf in our bereavement at the death of our mother, grandmother, and great-grandmother.

Turning Back Time

From
The Democrat Files

40 YEARS AGO
October 24, 1926

The Memphis All-Stars, semi-pro football team of Memphis, has been undergoing some strenuous workouts the past week and will soon be ready for their first scrimmage. Arrangements are being made to have a game scheduled for Armistice Day with Amarillo pros or the Childress iron men.

Jim Vallance of Plaska was a business visitor in Memphis Saturday.

Mrs. Eli Johnson of Amarillo visited her parents, Mr. and Mrs. S. S. Montgomery of this city last week.

Mr. and Mrs. J. S. Bradshaw of Mangum, Okla., visited their daughter, Miss Edna of this city last week.

Mr. and Mrs. L. J. Starkey went to Altus last of last week to see Mrs. Starkey's sister who was quite sick.

Atty. Sam J. Hamilton is remodeling his home on North Tenth and making a modern stucco building of the same. Tenth street, since it has been paved, will be one of the nice residence streets of Memphis.

C. L. Caviness left Sunday for a visit with relatives in Arkansas.

Dr. H. Gilmore of Turkey was a business visitor in Memphis Monday.

20 YEARS AGO
October 17, 1946

Friends and relatives met in the home of Mrs. J. H. Ward of Newlin Sunday, October 13, to honor her on her 68th birthday anniversary. Also honored on this occasion were Mrs. Earl Briscoe and James Chrisman, who had birthdays on the same date.

The Black sisters have as their guest this week an uncle, J. B. Deaton of Claude.

Mrs. A. G. Kesterson has an apple tree in her yard at 9th and Noel that is putting on its second crop this year. The first crop came on during the summer.

Robert Breedlove attended the picnic and chicken barbecue for employees of the United Gas Corporation of the North Texas division at the city park in Childress Saturday afternoon.

CYCLONE YEARBOOK

SELECTED: Conrad Coe, editor-in-chief; Jimmy Bost, assistant editor; Denzel Bost, business manager; Louise Bost, society editor; Dave Bost, photographer; Sylvia Bost, treasurer; Bill Hickey, secretary; Don Wright, art editor; Mrs. C. W. Fleming, editor-in-chief; Mrs. H. K. Weatherford, editor-in-chief with their father, G. B. Weatherford.

Mr. and Mrs. W. J. Wiley visited in Frederick, Okla., Saturday with Mr. Wiley's M. C. Whitley.

Weekend guests in the Ledford home were Herford of Wichita Falls and Mrs. Marvin M. daughter, Mary Lee.

10 YEARS AGO
October 18, 1956

Jan Goodnight, popular member of the senior class, led Memphis High School a meeting held recently high school and junior high schools.

Among Memphians who Lubbock Saturday to attend Texas Tech-Texas State game were Mr. and Mrs. Allen and family, Mr. Allen Monzingo, Mr. Paul Montgomery, Mr. Frank Monzingo, Mr. Clifton Burnett, Linda Gayle Fowler, Terry Ouida Massey, and Mr. Gene Corley and daughter.

Mr. and Mrs. W. T. San Benito announced engagement and approach of their daughter, Jean, to Sim Goodall, and Mrs. O. R. Goodall.

The student body of High School elected M. Nell Couch as School Officer Jimmie Dunn as "Miss Special Assembly this year."

Mrs. Maud Williams Worth spent Friday in Mrs. Mattie Stanley in and the weekend with M. Beavers in Deep Lake.

Liam and her two sisters Beavers and Mrs. Odessa Amarillo visited with Mrs. Sunday morning.

U.S. Census Of Agriculture For 1964 On Hall County Is Being Released

A total of 534 farms was counted in Hall County during the 1964 Census of Agriculture, the U. S. Department of Commerce's Bureau of the Census reported this week.

In the last previous Census of Agriculture (1959) the total counted in the county was 601 farms.

The 1964 total is published in a preliminary report on the county just issued. The report also shows that average farm size in the county was 1,100 acres and that the average value of the county's farms (land and buildings) in 1964 was \$103,003.

Other important county statistics in the report included:

1. Value of all farm products sold by farms in the county in 1964, \$8,068,746; in 1959, \$8,874,510.
2. Value of all crops sold by county farms in 1964, \$6,662,914; in 1959, \$6,922,456.
3. Value of all livestock and

livestock products sold by county farms in 1964, \$1,395,531; in 1959, \$1,952,054.

A Census of Agriculture is taken every five years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. The data are needed to make decisions affecting many segments of the U. S. economy. The 1964 farm census was the 18th in a series that began in 1840.

The preliminary report for the county contains more than 500 facts about agriculture in the county. Among additional facts it contains are the number of farms by size, type, and economic class; the number of farm operators by method of tenure, age, color, off-farm work, and number of school years completed; land in farms by use and by land-use practices; data on equipment and facilities; farm expenditures; number of hired workers; and number of farms reporting poultry and livestock production and those reporting crop production by acres and quantities as well as sales.

Single copies are available for 10 cents from the Bureau of the Census, Washington, D. C. 20233 or from any field office of the Department of Commerce. These are located in major cities.

Among those facts listed in the report is the average age. The report states the average age of Hall County farmers is 50.7 years and that there are 81 farmers 65 years of age or older. The average age in 1959 was 50.8 years.

Gleaners Class Elects Officers For Coming Year

The Gleaners Class of Travis Baptist Church met Tuesday, Oct. 11, in Fellowship Hall for the election of officers for the coming year.

Bessie Shackelford, president, presided during the business session, after opening prayer was given by Jewel Carter. Officers elected were Viola Hodges, president; Mary Elkins, vice president; Amy Scott, treasurer; Lucille, secretary; Ethel Blewer, assistant secretary.

Members present were Clara Rae, Jewel Carter, Ethel Blewer, Bessie Shackelford, Mary Elkins, Amy Scott, Wilda Trent, Viola Hodges, Lucille Jarrell, Mrs. J. J. Palmer, and teacher, Mrs. John C. Myers.

Local Women Attend TFWC Workshop Tues.

Several Federated clubwomen of Memphis were in Paducah last Tuesday to attend the Santa Rosa District Workshop of Texas Federation of Women's Clubs.

The one-day session was held at the First Methodist Church with the president, Mrs. Roy Grundy of Matador presiding.

Memphis was the only town in the district which had representatives present from all clubs, it was reported. The five clubs represented from Memphis were the Atalantean Club, the Delphian Club, the Pathfinders Council, the Woman's Culture Club and 1913 Study Club.

Going from here were Meses D. L. C. Kinard, Mrs. Robert Sexauer, Mrs. Lloyd Martin, Mrs. R. E. Clark, Mrs. Mildred Stephens, Mrs. Floyd McIntush, Mrs. Lynn Thompson, Mrs. Milton Beasley, Mrs. Henry Hays and Mrs. Herschel Combs.

Mrs. Sexauer and Mrs. Martin are district officers. Mrs. Sexauer is first vice president, and Mrs. Martin is treasurer. Mrs. Kinard is a district officer serving as trustee.

SWCD Supervisors Endorse Passage Of Amendment 1

The Texas Soil and Water Conservation District supervisors recommended the passage of Amendment No. 1 in the November 8 general election during their convention in Austin recently.

The amendment would provide that agricultural land be taxed according to its agricultural value.

Governor John Connally told the group they must be more active in telling the rest of the economy the story of agriculture.

"You've been taken for granted all these years," Governor Connally said. "You can no longer sit quietly by and assume everyone knows what you are doing."

Governor Connally cited figures to refute claims he said others are making that the farmer and rancher are to blame for the higher food costs.

"Prices received by farmers and ranchers today are 10 per cent lower than 18 years ago. Yet prices paid at retail are 33 per cent higher. Income of farmers and ranchers has declined 18 per cent since 1947, while salaries and wages in manufacturing industries increased by 113 per cent," Connally said.

Randy Brown, a student at Texas Tech, visited his parents, Mr. and Mrs. Lee Brown, over the weekend.

Cut Motor Vibration

Rubber mats between your outboard's motor clamps and the boat's transom cut vibration way down.

Buy a "store-bought" version or cut a piece out of a discarded rug.

SMILE, SNAKE!—Cecil Fox of Lubbock, a retired game warden, displays a live rattlesnake which he "milked" Thursday evening at a meeting of the Help For Anyone C. B. Club in the Community Building. Fox was guest speaker for the evening. He gave an interesting discussion of snakes and their habits, and demonstrated the milking technique. The audience of 50 members and guests also saw other varieties of live snakes which Fox had on display.

Cub Scouts To Have Monthly Pack Meeting Tuesday

The Cub Scouts will have a monthly pack meeting Tuesday night, Oct. 25, at 7:30 p. m. at the Travis Cafeteria, Clyde Lee Smith, cubmaster, announced this week.

All cub scouts and anyone interested in the scouts are cordially invited to attend.

A-1c Paul Ponder Receives Discharge From Air Force

A-1c Paul Ponder, son of Mrs. Matt Ponder of Memphis, received his discharge from the U. S. Air Force on Oct. 11, and is presently living here with his mother. He had been stationed at Wurtsmith AFB in Oscoda, Mich.

Ponder served one year's duty on Okinawa, and was on Guam for six months.

The University of Texas College of Engineering in February will begin a cooperative program which will permit engineering students to alternate semesters of working in industry and going to school.

114 NATIONS INVITED TO TAKE PART IN HEMISFAIR

President Lyndon B. Johnson and Secretary of State Dean Rusk have invited 114 nations to participate in HemisFair 1968, an international exposition to be held in San Antonio April 6 to October 6, 1968. The 32-nation Bureau of International Expositions in Paris, France, has registered and approved the Fair, thus assuring the participation of a host of nations. In the foreign government section, a rambling international village, visitors will be treated to the best entertainment, art, food and wares the nations of the world have to offer.

Texas produced 1,006,329,000 barrels of crude oil in 1965; 35.3 per cent of U. S.

Melvin Blum Listed Critical By Hospital

Melvin Blum, who underwent emergency surgery Tuesday of last week at Northwest Texas Hospital in Amarillo, was reported to be in very critical condition yesterday by Mrs. Lena Mae Adcock, who had visited there with Mrs. Blum.

Blum has been in the Intensive Care Unit of the hospital since the surgery, and is not allowed visitors. However, Mrs. Blum stated that she would be happy to see any Memphis friends who would like to visit her in Amarillo. She can be located in the Intensive Care waiting room on the fourth floor of Northwest Texas Hospital.

Mrs. Blum also expressed her deep gratitude for the many telephone calls, visits, cards, flowers, prayers and other expressions of interest that have been received during her husband's illness.

Mr. and Mrs. Edwin Earl Black of Amarillo announce the arrival of a son, Bryan Russell, on Oct. 18. He weighed 7 pounds, 12 1/2 ounces. Mrs. Black, the former Barbara Lester, is the daughter of Mrs. Bill Powell of Amarillo and the late L. A. Lester. She is the granddaughter of Mr. and Mrs. Lewis (Shorty) Lester of Memphis and Mr. and Mrs. Dillard Morrison of Amarillo, formerly of Hall County.

Mr. and Mrs. Bobby Ray Booth announce the birth of a son, Stacey Ray. He was born Oct. 15 and weighed 7 pounds, 11 1/2 ounces.

Keith Duaine is the son of Mr. and Mrs. Kenneth Loter of Childress. He was born Oct. 17 and

weighed 7 pounds, 6 1/2 ounces. Mr. and Mrs. Emmett Clabitt of Clarendon are the parents of a son, Scott Allan. He was born Oct. 18 and weighed 8 pounds, 5 ounces.

Cynthia Davis Is Given Surprise Party On Birthday

Cynthia Joan Davis was a surprise party for her tenth birthday on Oct. 18 at the home of Mrs. J. W. Ivy.

She was presented a beautiful pendant watch.

Cake, cookies and drinks served to the following: Jeanie Anthony, Janet Calhoun, Phyllis Dunn, Linda Gaster, Hargrove, Judy Moore, Rita Wells, Rita Yarbrough, Ivy and the honoree, Cynthia Davis.

Cotton is used to make of items: cloth, food, and materials, chemicals.

Beverly McPherson Crowned Queen Annual Hedley Cotton Festival

The 15th annual Hedley Cotton Festival reached its climax Saturday with the crowning of Beverly McPherson as queen. Beverly, daughter of Mr. and Mrs. Virginia Browder, was crowned by Mr. and Mrs. Vir-

shown in Memphis during the Hall County Picnic and was taken to Hedley by special request. Virginia Browder served as chairman. The Atalantean Club also entered a window display.

Gene Brown of Amarillo placed first in a field of 14 entries in the Old Fiddlers contest. Wes Nivens of Hart won second and Ed Halstead of Claude won third.

YOUR COUNTY AGENT SAYS

Screwworm Buildup Reported In Texas

W. B. Hooser, County Agricultural Agent, has recently had word from the screwworm eradication officials that there has been a very noticeable increase in the number of confirmed screwworm cases in Texas. Hooser says that for the week of September 18 there were 48 confirmed cases reported in Texas from 22 different counties. This is more confirmed cases for a one-week period than has been reported since the last week in November, 1963.

All livestock producers are urged to be especially watchful of possible screwworm cases and collect specimen worm samples and mail to the Screwworm Eradication Laboratory in Mission, Texas.

W. B. Hooser, County Agent, says vials for submitting specimens to the Mission Laboratory can be obtained at his office.

Weather conditions over much of the state have been a contributing factor in the recent screwworm buildup.

Turnrows Affect Efficiency of Mechanical Cotton Harvesters

"Turnrows can have a lot to do with the efficiency of a mechanical cotton picker," says County Agricultural Agent W. B. Hooser. "Wide, smooth and firm turnrows will put more cotton in the picker basket." Field losses increase when turnrows are not wide enough for the machine to be lined up and operating at the proper speed as it enters the rows.

Cotton lost on only two and one-half feet of row amounts to one percent loss in harvesting 500-foot rows, he explains. Turnrow widths should be at least one-

and one-half times the length of the cotton picker. Two-row pickers 21 feet long require a turnrow 30 feet wide while a 25-foot turnrow is needed for a single-row picker 18 feet in length.

The county agent points out that rough uneven turnrows cause the machine to bob and lurch, resulting in dropped cotton. Roughness causes the picker unit to bounce until the rear wheels leaves the turnrow. When this happens, the picker is about 15 feet down the row.

Soft turnrows at harvest time can also be a source of trouble. Heavy disking prior to harvest makes it difficult to turn and maintain correct machine speed while entering the row. Soft turnrows are slower to dry after a rain, thus delaying the harvesting operation.

INCREASE PRODUCTION FOR MORE BEEF CATTLE PROFITS

"Most producers of beef cattle can make a greater profit by increasing production rather than by reducing annual cost," says

SPEAK TO ME—The three crooks in the three-act comedy, "Everybody Loves Opal," hover over Opal, played by Nell Beeson, who has been dragged in after being struck by a car in the uproarious second act. Bending over Opal is Gloria, played by Katherine Jones. At left is Brad, played by John Binkley, and Solomon, played by Steve Blackmon, is at right. The production will be presented Monday and Tuesday evenings, Oct. 24 and 25, at the Community Building by the Memphis Little Theatre.

County Agricultural Agent, W. B. Hooser.

The real problem that limits profit usually can be identified in calf crop percentage, weaning weight, selling price or production of ranges and pastures.

Calf crop percentage that is average or below for the area may be caused by one or more of the following:

1. Cows may be physically unable to conceive because of poor feed conditions.
2. The cows may have some genetic weakness that affects regular reproduction.
3. The bulls may be too few in number.
4. The nutritional level of the bulls may be too low for them to settle cows.
5. A large percentage of the bulls may be sterile or have low fertility.
6. Particular nutrients, such as protein, minerals or vitamins, may not be available in sufficient amounts.
7. External and internal parasites may be the cause.
8. Diseases that affect reproduction may exist in the herd.

Calf Crop percentage is based on number of calves born alive. If the death loss before weaning is more than 1 or 2 per cent a study should be made to determine the causes of these deaths, concludes Hooser.

The Texas Highway Department, with 940 thousand acres of right of way to care for, is the state's biggest landscape gardener. Efforts started 30 years ago now beautify Texas roadsides. Plantings subtly call attention to potential roadside hazards and retard erosion.

More than 1,100 safety rest areas, scenic turnouts and roadside parks are maintained on the Texas highway system. Besides convenience, they are an important safety factors, encouraging drivers to take frequent breaks to combat "highway hypnosis" and fatigue.

Mrs. Pearl Massey has returned to Memphis after spending several days in Dumas with her son and daughter-in-law, Mr. and Mrs. Alvin Massey. Also visiting in Dumas was Mrs. Massey's great-granddaughter, Miss Robin Bradshaw of Houston.

Sgt. and Mrs. Derrill Taylor and Kathy, Mr. and Mrs. Perry Hale, and Mrs. Maude Chaudoin visited Sunday in the home of Mrs. Taylor's youngest sister, Mrs. J. N. Jeffers, and Mr. Jeffers in Gruver.

Miss Vicki Jones visited relatives in Dallas over the weekend.

The eye of Horus, an Egyptian falcon-headed god, was reputed to safeguard health and protect vision. It also warded off the

TIPS for OUTDOORSMEN

Panhandle Angler's Tip

After an ice fishing jaunt, keep the ice hole open by sticking an inflated balloon in the hole.

Balloon will keep the opening from freezing over, insuring a good "fishing hole" next trip.

Walking Safely

Many hips, legs, and other assorted bones have been broken by slipping on muddy, wet, slimy rocks.

Keep away from the orthopedics by using a little forethought. If you don't have any non-slip boots or shoes, make the footwear you are wearing non-slip by tacking three bottle caps (corrugated sides down) to the sole of each shoe, in the shape of a triangle.

Preserving Glass Rods

One of the happy facts about using glass fishing rods is that they need so little care.

Wood or metal rods need frequent varnish freshening, but glass rods take only a little dab of wax ever now and then to keep them looking like new.

Take Along A Pal

There are many good reasons

Texas highways are safer than ever before. The number of fatalities has risen yearly, but the number of vehicles and the miles they are driven increase at a much more rapid rate. Highway fatalities in Texas in 1965 numbered more than 3,000. However, had fatal accidents occurred at the same ratio to total miles driven as in 1935 more than 12,000 persons would have been killed.

why you shouldn't fish alone.

Accidents and sudden sickness do strike even the most robust of us. Having a buddy nearby could mean the difference between life and the grim old boy with the skyhook.

Furthermore, a good friend's company triples the pleasure of any fishing or camping trip.

And by sharing the catch, two anglers double the chances of bringing home fish for the skillet.

Use Aluminum Foil

For the maximum in campfire cooking, season and wrap fresh fish in aluminum foil. Then cook them on top of a metal grill, over a slow fire, until flaky and tender.

HOMECOMING FRIDAY OCTOBER 21

MEMPHIS HIGH CHEERLEADERS — The Cheerleaders hold cutout card letters spelling out their favorite team name: "C-Y-C-L-O-N-E" as they prepare the spirit for the 1966 Homecoming game Friday between the First Place Memphis Cyclone and the Olton Mustangs. The Cheerleaders will be on hand at the bon-fire at 8:30 p. m. tonight at the Cyclone Stadium parking lot, and again tomorrow afternoon at a pep rally on the square, weather permitting. These girls under the guidance of Head Cheerleader Suzette Smithee have done a remarkable job boosting the spirit behind the winning Cyclone ball club. From left to right are pictured: Kathy Johnson, Head Cheerleader Suzette Smithee, Linda Gaston, Judy Bruce, Vee Latimer, Cynthia Evans and Mascot Dempsey Baisden.

BON-FIRE—8:30 P. M., Thursday, Cyclone Stadium

Exes Luncheon—Austin Cafeteria, 12:45 P. M., Friday

Downtown Pep Rally—3:15 P. M., Friday

Homecoming Queen Coronation — 7:00 P. M., Cyclone Stadium

Homecoming Football Game—Memphis vs. Olton, 7:30 P. M.

- 15, Parallel Terraces and Stock Show. Chairmen are Don Ferrel.
- 17, Production Credit. Chairman is Jimmy Don Molloy.
- 18-19, Electric Motors. \$3.00 per member in advance. Chairman is Ivan Knox.
- 20, Cattle and Hog Disposition. Chairman is Danny David.
- 21, Wild Life Film. Chair-Jack Kinard.
- 22, Steel Buildings. Chairman is Jerald Fowler.
- 23, Entomologist. Chair-Harlan Hood.
- 24, Meal Plan and Program

LETTERS TO THE EDITOR

Memory Of A Great Friend

Mr. Editor:

Mere words utterly fail to express my great sorrow in the passing of a friend, Mr. J. Claude Wells and the four short years cry back in 1936 when it was my personal pleasure to meet Mr. Wells and the four short years we resided in Memphis he was immeasurably nice and kind to us. Often we had little chats in his office.

In my appraisal of such a friend, may I say his understanding of real life, his abiding desire to promote the best interest for his community, and far beyond the city limits of Memphis, were most outstandingly promoted by love and kindness of heart.

In all departments of community life, J. Claude Wells remained deeply interested, and his interest did not confine itself just to his own county, but to America as a whole. He possessed a mind and a heart to reach far beyond the walls of his home—far beyond his work shop, and on and on.

I know, Mr. Editor, you miss him, as will hundreds of persons who knew him and loved him.

May I be permitted to say, personally, to his sister, Mrs. R. L. Madden, to his brother, Mr. Per-

cy Wells, to his brother-in-law, Mr. George Sexauer, and all nieces and nephews, you have my sympathy and my prayers.

Request, please, to some friend—will you pluck a rose, or any flowers from your yard, and place on his grave for me? Yes, only a home-grown flower. Thank you, so much. Thank you, Mr. Editor, for allowing space in your good paper.

E. C. Cargill,
Chaplain, Aidmore Hospital,
Box 15185,
Atlanta, Ga 30333.

Scout Troop 35 Holds Camp-Out At Sims Ranch

A camp-out was held Friday night at the Sim Reeves ranch near Memphis by Boy Scout Troop 35, with 14 members present.

Adults present included Scoutmaster Les Sims, Bob Douthit, J. D. Baisden and Dewey Simmons.

Scoutmaster Sims reported that this event was one of the best camp-outs the group has held. He also reported that the weather was most unusual for so early in the fall, as a frost occurred and there was ice in the water buckets the next morning.

Mrs. Paul Blevins Grows Huge Turnip

An unusual purple top turnip was brought to the Democrat office Monday by Mrs. Paul Blevins.

The turnip, grown at her residence at 910 Montgomery, weighed 3 pounds, 10 ounces and was 18 inches in circumference.

Mrs. Blevins planted a regular 15c package of turnip seed some time after July 15. This extraordinary vegetable was the result.

"I have seen rutabagas grow this large, but this is the first purple top this big," Mrs. Blevins said.

Sunday School Report

Assembly of God	57
Church of Christ	131
First Baptist Church	386
First Christian Church	51
First Methodist Church	184
Travis Baptist Church	161

Mr. and Mrs. Foy Young attended the football game at Abernathy Friday night and went on to Woolforth to visit their daughter, Mrs. Ronny Morris and Mr. Morris, over the weekend.

GIRL SCOUTING

Troop 185 of the Junior Girl Scouts met in the Educational Department of the Travis Baptist Church on October 12. The scouts made attractive centerpieces using the fall motif of artificial flowers in wheel barrows made of flat wooden popsicle sticks.

Work on First Aid badges will be begun at the next meeting of October 26. Leaders for this troop are Mrs. Charley Chambless and Mrs. G. D. Hall. Girl Scout attending the meeting included Cleola Austin, Ramona Bachman, Sally Brown, Charlotte Carroll, Caron Chambless, Meredith Douthit, Susan Godfrey, Kathy Hall, Janice James, Janice Lowe, Janet McNally, Kay Posey, Terrie Rogers, Karyn Smith and Debra Watson.

The first Neighborhood meeting for the 1966-67 Scout year was held October 13. A round-table discussion on the participation in various Council-wide activities such as flag ceremonies on Veterans Day and in Operation Sparkle by which the girls will in some way add to the beautification of the community were topics of importance.

Mrs. Kenneth Bachman, Neighborhood Chairman, asked for the leaders' opinion on Girl Scout activities as she is to attend a meeting for Neighborhood Chairmen in Pampa October 20.

Mrs. Norma Whiteley of Pampa, District III Advisor, attended the meeting and was able to give assistance to the leaders, Mrs. Charley Chambless, Mrs. G. D. Hall, Mrs. Robert Proctor, Mrs. Esibel Chavez, Mrs. Arleta Talley, Chairman Mrs. Bachman and Mrs. Elmont Branigan.

Registered Cattle News

McIntush Angus Farm, Memphis, recently sold an Aberdeen-Angus bull to Troy Johnson, Quail, Texas.

Brice News

Mr. and Mrs. Bill Paschell of Amarillo spent the weekend here with his parents, the Everett Paschells.

Mr. and Mrs. Ralph Ferguson of Amarillo visited Monday with her brother, Starr Johnson and family.

Dr. Wade Youngblood of Dallas visited here the past week with his sister, Mrs. T. H. Gattis and Mr. Gattis.

Public Notices

Notice is hereby given that on the 23 day of August 1966, an application for construction permit to build and operate a frequency modulation radio broadcasting station at Memphis, Texas was filed with the Federal Communications Commission, Washington, D. C. by M. W. C. Broadcasting Company, licensee of Radio Station KBGH, Memphis, Texas. The M. W. C. Broadcasting Company is a general partnership owned by Jerry Hooser and Dick Fowler of Memphis, Texas and Frank I. Guess of Amarillo, Texas. The application proposes to operate the F. H. Station on a frequency of 103.7 MC, with an effective radiated power of 53.5 KW, unlimited time, the said signal will emanate from a tower presently used by Radio Station KBGH three miles Southeast of the center of Memphis, Texas. The studio is likewise located at this address. A Copy of the application is located at the studio address and is available for public inspection.

Services Held In Hereford For Mrs. Donald Pierce

Mr. and Mrs. George Pierce, Mrs. Charles Waller and son, Matt, and Laurence Stone attended funeral services in Hereford Friday for Mrs. Donald Pierce.

She was Mrs. Pierce's and Mr. Stone's cousin.

Mrs. Pierce died from a heart attack. Her husband, Donald, was raised in the Lakeview area. He was the son of the late Frank Pierce.

They were the parents of seven children.

Mr. and Mrs. Andy Gardenhire and family of Hart visited over the weekend with their parents, Mr. and Mrs. W. L. Gardenhire and Mr. and Mrs. Phaeton Alexander.

Mr. and Mrs. P. C. Selby and Coy of Altus, Okla., spent Sunday visiting Mr. and Mrs. John McWhorter and Mrs. T. I. McWhorter. Other guests were Mrs. Keith McWhorter and children of Childress.

Report From Washington

By WALTER ROGER'S
Representative, 18th
Congressional District

Texans: The judgment of the more reflective of the than any evaluation by pundit, pollster or the 435 Members of the House of Representatives. 100 Senators speak for in deciding issues. not we as individual citizens agree with the verdict, we abide by it because we believe in the law, that under the people themselves the true leaders of that the people's will expressed through a representative Congress. is frequently criticized in the view of some, slow to act. There is about this kind of it has been heard our history, through ministrations of both politicians. Critics seem to con- especially on the time takes to dispose of leg- recommendations sent to Hill by the President, the Constitution, is to recommend to the such measures as he necessary and exped- time to time resolu- been introduced in Con- set deadlines for decisions. mental recommendations. view, it is well that all posals have been pigeon-

line" the consideration of bills. Further, I believe it would not necessarily be in the country's interest to promote speedy decision-making. Proposed laws must be examined carefully, with full deliberation as to their consequences. Congress should be judged by the wisdom of its actions, not by a stopwater.

Thomas Jefferson once said, "I think it a duty in those entrusted with the administration of their affairs to conform themselves to the decided choice of their constituents." In other words, Members of Congress are to be representatives of the people, not trustees acting in a know-best manner. It has been my observation that the great majority of Congressmen and Senators follow this precept.

Use For Plastic Bottles
Don't throw away those plastic containers that detergent comes in. Cooking oil for camp can be put into such a bottle with no fear of breakage or leakage.

As we have seen in recent years and again in this Second Session of the 89th Congress, the extent and very serious nature of legislation before Congress is such as to require lengthy sessions. In the early days of the Republic, Congress could dispose of such matters as were placed before it in the winter and spring and then adjourn. But as the country has grown and the facets of problems facing it have become more complex—and as governmental power has shifted from the State legislatures to the national Congress—the responsibilities facing the House and Senate have become enormous. A lengthy study of congressional procedures may be forthcoming. However, I very much doubt that any substantial steps can be taken to "stream-

Johnny Hoggatt To Preach Sunday At Turkey Church

Johnny L. Hoggatt will be guest speaker at morning and evening worship services Sunday, Oct. 23, at the First Baptist Church in Turkey.

He is the son of Mr. and Mrs. J. O. Hoggatt of Hedley.

IT'S FUN TO OWN
24-HOUR SUNSHINE

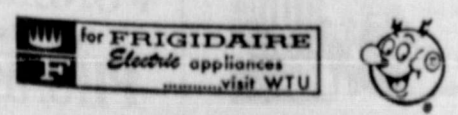

Automatic electric home laundry equipment does away with dull routine. You can wash and dry clothes any time of the day or night—even while you entertain guests or relax with the family.

It's fun, fun, fun to let REDDY KILOWATT do the work while you do something more interesting.

See your "Waltz Through Washday" dealer now. He's the man who will make it easy to own home laundry equipment.

In many cases your old washer makes the down payment and since electric dryers do not need expensive vents, and WTU customers get FREE 220-volt wiring when they buy from a local dealer or WTU, the chances are you'll be out very little money to begin your own waltz through washday!

See your electric appliance dealer, and be sure to see all the new electric washers and dryers by Frigidaire at West Texas Utilities.

West Texas Utilities Company

YOUR COUNTY AGENT SAYS

Medicare and Doctors' Payments
The Medicare health insurance cards are "good as gold" for getting one admitted to a hospital or identifying him as eligible for physicians' services under the hospital insurance plan.

Miss Loretta C. Lane, Texas A & M University family life education specialist, points out, however, that an individual who seeks to receive assistance from the insurance plan should be aware of certain conditions which might affect payment of his medical expenses.

Hospitals and nursing homes must meet minimum care standards in order to receive payment for services under the Medicare program. In addition, under Medicare, patients' conditions will be reviewed every 20 days and certified as requiring additional hospitalization. If the doctor determines that hospitalization is not necessary at the time of review, the patient will be required to pay his own bills in full, if he remains in the hospital.

How much of a bargain the Medicare physicians' services covered prove to be may depend on how your doctor handles reimbursement for his services. There are two options for his billing procedure.

He can bill Medicare for the portion allowed for his services and bill you for the rest. If he chooses this route, he must accept the payment which has been established by Medicare as appropriate for local medical costs.

The other alternative is that he can bill you directly for the entire amount. In this case, you must obtain from him a signed statement of what he treated you for and how much he charged for the treatment. You then submit this bill, attached to a form provided by Medicare for this purpose, and receive a refund for the part of the treatment covered by Medicare.

When arranging for medical care to be covered under Medicare, determine ahead of time which of the two plans your doctor intends to use. If he plans to bill you directly, find out what he plans to charge for his services. Then check with your local Social Security office to determine if these charges are in line with accepted Medicare payments for your city. If his charges are excessive, you could end up paying a great deal in addition to the Medicare payments.

Test Soil For Fertilizer Need
You can't look at a soil and tell if it is able to supply nutrients for top crop production, reminds County Agent W. B. Houser.

He explains that selection of the proper fertilizer depends upon a knowledge of the nutrient needs of the crop, and nutrient-supplying power of the soil on which the crop is to be grown.

"Determining what is needed in the way of nutrients for crops is comparable in many ways to diagnosing human illness," Houser says. "A medical doctor observes the patient, obtains all information possible by questions, and then makes certain tests."

"Similarly, alert farmers can test soil to determine its ability to feed plants a balanced diet. A soil test saves farmers money by showing them how to put the 'right' amount of the 'right' fertilizer (plant nutrients) on the 'right' field."

Now is a good time to take samples from fields where harvesting has been completed. In many sections of the state, and it's true in Hall County, fall application of fertilizer is recommended. Often in the spring field conditions delay the putting down of fertilizer; therefore, fall or winter application can eliminate this problem.

"Early soil testing must be done in order to make the fall or winter application," concludes Houser.

Make a light, safe ball for children from an old cotton work sock. Cut off the toe of sock and stuff it with batting or clean rags. Sew up the open end, and draw a funny face on the ball with crayons.

Homecoming Game—

(Continued from Page 1)

Cyclone squad is continuing the hard work and fired up spirit which brought the team from the bottom of the pile to the top.

Injuries have been mending rapidly his week, with Dwayne Jones the only boy remaining on the doubtful list.

"We will play Jones if we have to, but we feel his knee needs a little more rest. He worked out this week and his speed is returning," Coach Bert Glascock said.

Coach Glascock said Monday night at the Booster Club meeting, "I want to say that we have a lot of boys doing a fine job for us in workouts each week who do not get to see a lot of action in the games. These kids deserve our commendations for a lot of hard work, and a slap on the back from the fans. They are really what make our workouts so effective."

Cyclone tackle Bobby Carroll was the Booster Club's selection of "player of the week" in the Abernathy game, for his outstanding efforts on offense and defense.

The local coaches had one uniform statement to make about the 14-12 victory at Abernathy last week. They said it was a tremendous team effort in the second half by a bunch of boys wanting to win the game real bad.

"Our spirit and desire have been our outstanding features all year," one of the coaches said.

The Memphis-Oilton game promises real thrills and a lot of action by two fine ball clubs. District 3-AA teams are evenly matched and any team in the district on any given night is capable of defeating any other team.

Memphis has four district contests remaining, and all of them will be just as hard to win as the three they have played, reports indicate.

Chillicothe Scores—

(Continued from Page 1)

ball on downs inside the Eagle 20-yard line. From here the Eagles took over and drove 80 yards for the score with the TD coming on a pass of 20 yards from QB Sam Riven to Hunter. The extra point try failed and the score was 6-0 with 1:08 left in the initial quarter.

The Turks didn't take long to get back in the game as Barnhill returned the kickoff 20 yards out to the 40-yard line. The Eagles then received a 15-yard penalty, moving the ball to the Eagle 45 as the quarter ended. Then Turks then stalled temporarily as they were also penalized. Facing a 3rd down and 26-yard situation, Hamner broke through the line and raced 45 yards before being hauled down on the 16-yard line of the Eagles. King hit off tackle and scored untouched and the score was tied 6-6. The extra point try failed and neither team could offer a serious threat for the remainder of the half.

Late in the 3rd quarter a series of unfortunate incidents befell the Turks. After moving the ball very well, the Turks faced a 4th down on the Eagle 20-yard line. Here Case attempted a field goal that was blocked and the Eagles took over back out on the 40-yard line. After making one first down, Riven attempted a long pass that was well off its mark but pass interference was called against the Turks down on the Turk 16-yard line. The Turk defense then got tough and took over on downs at the one-yard line.

After moving the ball out to the 11-yard line and facing a 4th down the Turks were forced to punt. Turverell broke through and blocked the punt, then fell on it in the end zone for a TD. Hinesley ran the points and the Eagles were out front 14-6 in sudden fashion.

Neither team could move the ball again with consistency until midway in the 4th quarter when the Eagles managed to get on the scoreboard again. Hunted started it off by grabbing a pass and racing 43 yards before fumbling the ball out of bounds at the Turks' 8-yard line. The Turks' defense held and facing a 4th down at the 13-yard line, Riven threw to Hunter, who made a fine catch for the TD. The extra points were good and the score stood 22-6.

The Turks were not through yet as Setliff cranked up his passing arm and moved the Turks down the field to the 20-yard line of the Eagles. But here the clock ran out of time on the Turks and the final score read 22-6.

The Eagles managed to get 14 first downs during the game as compared to 12 for the Turks, but the Turks were ahead in total offense, 297 yards to 263 for the Eagles. The Turks rushed for 226 yards while passing for 71. The Eagles rushed for 165 yards and passed for 98.

Next Friday, the Turks travel to Lockett to take on another one of the district favorites. Lockett has a record of 3-2 with a perfect 2-0 record in district play. Last Friday they defeated Rule by a score of 32-0. Lockett will be favored, but with another effort similar to the one against Chillicothe, the Turks could easily pull off an upset.

Dist. Governor—

(Continued from Page One)

of the officers and directors and their wives at 8:30 p. m. Monday at the Big O Restaurant, President C. E. Voyles announced.

Following this, all members of the local Rotary Club will meet with the District Governor in the Council Room of the Municipal Building at 7:45 p. m. for the club assembly at which time the entire program of Rotary in this city will be discussed.

Governor Wilbur will make the governor's address at the noon meeting of the local club Tuesday in the Community Center. All Rotarians are asked to be present.

Greenhand Degree Ceremony Held By Memphis FFA

Greenhand Degrees were conferred on 24 members of the Memphis Chapter of Future Farmers of America in a special initiation ceremony Monday at 8 p. m. in the high school auditorium.

President Danny Clark conducted the initiation. Parents of the new members attended as guests of the chapter. Receiving degrees were Barry Andrews, Ronald Bradshaw, Bob Bryley, Charles Carroll, Otis Cooper, Joe Ed Godfrey, Charles Harris, Ronnie McFalls, Joe McPherson, Jeff Phillips, Bobby Richards, Judge Smith, Cornelius Whitmore, Jimmy Bland, James Edwards, Jimmy Graham, Otis Jones, Skipper Murdock, Larry Phillips, Bobby Philpot, Loral Rogers, Johnny Scott, Garvin Reed, Alvin Wilks and Henry Barrett.

Derrell Taylors Return To States From England

Mr. and Mrs. Derrell Taylor and daughter, Kathy, returned from a three year stay in England September 24.

Following a visit with friends in Syracuse, N. Y., and Ft. Town with his mother, brothers and sisters, they arrived in Memphis October 13 to visit with her parents, Mr. and Mrs. Perry Hale, and her sister and husband, Mr. and Mrs. Bob Anderson.

Mr. Taylor will be going overseas for one year. Mrs. Taylor and Kathy will remain in Memphis with her parents while he is gone.

Kathy is enrolled in Stephen Austin Elementary School.

WHERE THERE'S SMOKE...
HERE'S DANGER!

MRS. JEAN BATEN

Mrs. Jean Baten Attends Meeting Of Heart Assn.

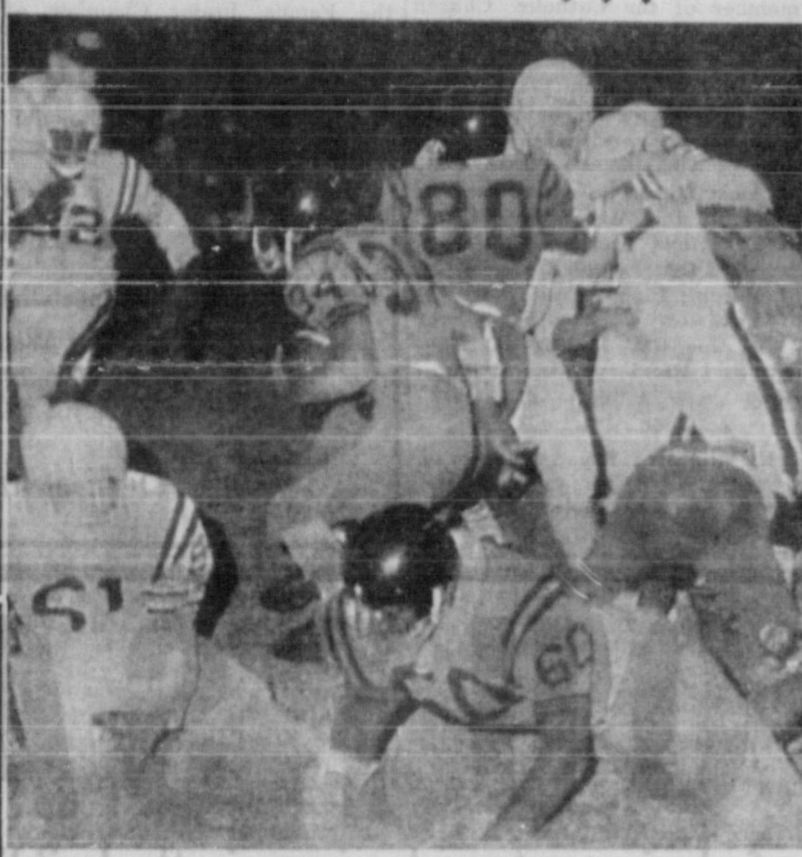

Mrs. Jean Baten attended the annual meeting of the Texas Heart Association in Houston recently as a delegate of the Hall County Heart Association.

She reported that she watched a real open heart operation, and observed all of the interesting exhibits displayed at the Shamrock Hilton Hotel. Mrs. Baten attended the discussion groups where resolutions, bylaws and election of officers were made.

She stated that this was the largest and best assembly held as far by the Texas Heart Association, with 72 technical and scientific exhibitors participating. Attendance included 484 doctors, registered nurses and 296 laymen, for a total of 1,174 people.

H. B. Appel, M. D., of El Paso was elected new president of the state group. He is an outstanding doctor and has great interest in the fight against heart disease. "Find a Better Way of Living It" was selected as the theme for the year.

Mrs. Baten expressed her thanks to the local Heart Association for designating her as a delegate. Anyone wishing additional information may contact her. "I am most happy to tell people my experiences and answer questions about the material learned on work in heart disease," Mrs. Baten said.

GOOD HOLE—FB Kenneth Cornish is shown carrying on one of the plays he made good yardage on against Abernathy. Stacking up the Antelope line is No. 80 Clyde Wilson. No. 11 Junior Graves, after a good fake, is mobbed under a host of white boys. In the foreground, No. 60 Willie Devorce is shown after he knocked Abernathy's No. 61 Lewis Henderson out of the way. No. 32 for the Antelopes is Harry Mathis. Bobby Carroll is shown on his knees to the right.

By BILL COMBS

The MHS student body and coaching staff used a bit of convincing psychology on the members of the Memphis Cyclone squad with signs and badges saying "We're No. 1". At the pep rally Friday before noon, this same theme was predominate and when the Cyclone took the field against the Abernathy Antelopes both teams were on even ground.

However, the massive build-up of spirit before game time was successful but unsuccessful when viewed in the light of the split personality game effort put on by the Cyclone squad comparing the first and second half efforts.

Cyclone Coach Bert Glascock said the local lads were so keyed up the first half they were not performing well, but at halftime with a few quiet words they settled down and played the type game they were capable of playing, resulting in victory and the No. One designation for District 3-AA.

This week the Memphis student body and fans will be holding a bonfire Thursday night and participating in homecoming activities which usually tend to build the local team's spirit to a high pitch. However, with Coach Don Beck (last year's Wellington Skyrocket team coach) bringing the Olton Mustangs here to tame the raging winds of the Cyclone, the local squad has another critical test to face. Olton defeated Hale Center last week to prove they have a potent ball club. They lost to Floydada the week before by a narrow margin and Floydada last week gave Memphis a boost by defeating previously undefeated Friona.

As the district now stands, Memphis is the only undefeated team in the conference of eight teams, Floydada, Abernathy and Friona have lost only one game, Olton, Dimmitt and Hale Center have lost two games and Lockney has lost three games.

The Amarillo newspaper gave the Memphis-Abernathy game top billing and for once in the many years of reading the Daily News sports page, the game report was factual and actually reflected the conditions and activities of the night.

Those brave boys on defense deserve a lot of credit for that fine goal line defense in the fourth period, especially stopping the outside play around our defensive left end. I tried to get key pictures of this, as well as our scoring plays, but QB Pounds kept calling the plays away from

my side of the field. I was in the end zone to take a goal line defense picture but when Abernathy went wide the action went outside my camera range (limited by light to about 60 feet). Speaking of defense, our boys ran into one of the best passers and runners in No. 13 Derrell Johnson they have faced. When the Abernathy ball club got a drive going, they were hard to stop as Johnson passed well. Our pass defense was the weakest part of our game at Abernathy and the local coaches were worried about it before the game. Why? Primarily because Dwayne Jones was slowed by a knee injury and saw only limited action. Roy Long had been sick last week and Wednesday was his first day of defensive workouts. This gave him little time to prepare. We were all saddened by the death of Mrs. Sylvia Oates, the mother of William Welch, whose funeral was Friday afternoon. William played Friday night at Abernathy which is a good indication of the spirit and desire of the boys playing on the Cyclone squad. William played defense in Jones' place, a position he had never played before. What all this adds up to is the Cyclone defensive secondary really did a fine job considering the situation. You just can't know the inside story behind the Memphis-Abernathy game without feeling admiration and pride for the boys in gold and black. They won it. Coach Glascock made the statement, "It seems we have a Rose Bowl game every Friday night." The wear and tear on nervous systems of students and fans, as well as the boys playing, is also apparent. The Cyclone can't afford an emotional let down if they are to bring to Memphis a clean cut district championship. Fans might try to remember how long it has been since Memphis captured a clear title to a district. The 1953 team which Duke Frisbie was quarterback of, was a co-championship team which represented District 3-A. They shared the honor with Canadian, if memory serves. Although the local squad is in the driver's seat now, there are still four tough games yet to be played. The loss of any of them could prove disastrous, although the first major hurdle was jumped at Antelope last Friday night. We want to say, "Let's go all the way!" See you at the ball game Friday.

Cyclone Spoils Antelopes Homecoming, Captures Undisputed Lead in Dist. 3-AA

The Memphis Cyclone, after a shaky first half in which they trailed the District 3-AA leaders 12-0, roared back the second half and played a hard-nosed offensive and tough defensive game to win a crucial contest 14-12 at Abernathy Friday night.

Billed as the top game in the Texas Panhandle by the Amarillo Daily News, the Cyclone's 14-12 victory over Abernathy put them in the driver's seat in District 3-AA for this week anyway, and made the Cyclone a strong contender for the district crown.

The ball game had a split personality, with the Antelopes dominating scoring in the first half and the Cyclone dominating the second half.

The statistics for the ball game were just as close as the score.

Game At A Glance	
Memphis	Abernathy
15 First Downs	17
173 Yards Rushing	113
48 Yards Passing	115
221 Total Offense	228
5 of 9 Passes Complete	5 of 13
106 Yards Penalized	60
4 for 38 Punt Average	2 for 32
1 Int. Passes	1
0 Fumbles Lost	1

In the final analysis, the Cyclone's well-balanced offensive machine was stronger than the Abernathy defensive unit, celebrated as the best on the South Plains. On the other hand, the Cyclone's defense effectively stopped the Antelope's ground game but had to give up yardage to QB Derrell Johnson on running and passing plays which primarily resulted in two TD's scored against Memphis defense.

Extra points were the difference in the game. Defensive Safety Roy Long slapped down an Abernathy pass for two points after the first TD, and Memphis Sophomore Jerry Hall booted two place kicks for points to give Memphis the winning edge. Abernathy scored the second time they got their hands on the ball, taking over at mid-field after the Cyclone punted out of a hole. With good position, the Antelopes passed complete on third down, long yardage to the Memphis 34.

The alert Cyclone defense dropped FB Andy Oliver for a five-yard loss on the next play, but QB Johnson passed to End Billy Rhodes for 24 yards to the Memphis 15.

The Antelopes made another first down to the five. Three plays later QB Johnson sneaked over for the score. A pass for points was slapped down by Roy Long of Memphis and the score was 6-0.

Memphis got a drive going, but penalties hampered it and Memphis punted into the end zone and the Antelopes took over on their own 20.

This got the Antelopes' second drive going, when on a third down and 20 needed for a first, Johnson hit End Rhodes for a 24-yard gain.

In the next series, on the third down, QB Johnson ran for 13 yards and a first down to the mid-field stripe.

In the next series, on the third down, Johnson was downed short of necessary yardage, but the officials called hitting after the whistle on Memphis and 15 yards were stepped off against the local squad. This set them up on the Memphis 29.

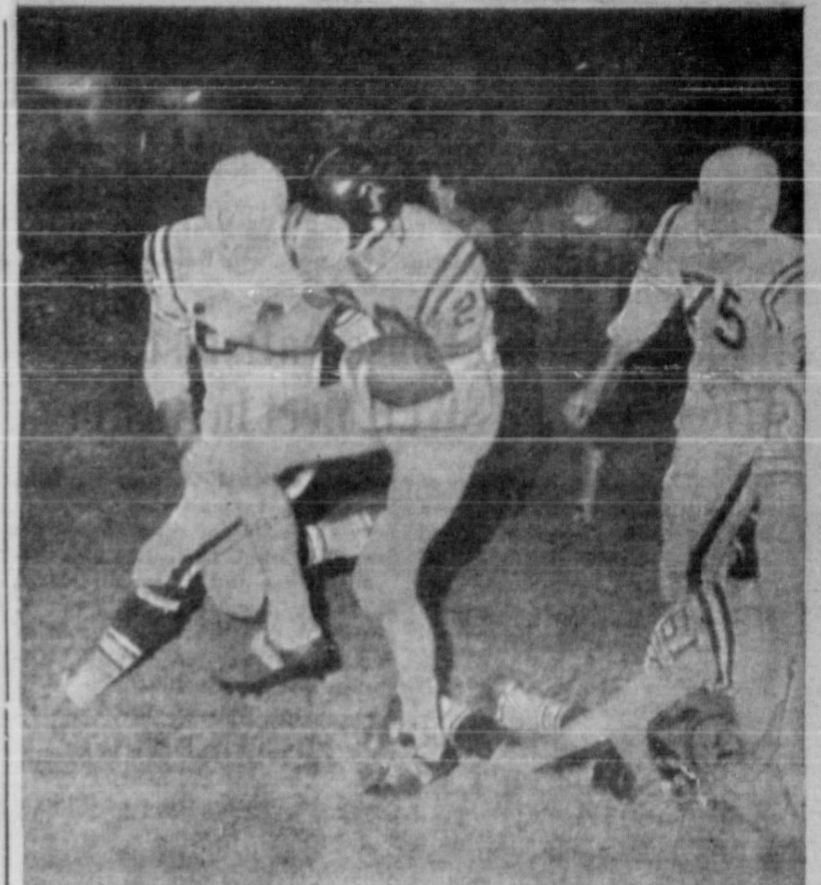

From here, good carries by HB Oliver moved the ball to the Memphis 14.

The Antelopes were stopped again, but a red flag went down, giving Abernathy a first and goal to go from the Memphis 3. HB Harry Mathis pushed his way across on the second down for the score. A place-kick attempt was too low and the score was 12-0.

Memphis marched from the Cyclone 19 on good carries by Kenneth Cornish, Tailback Junior Graves and HB Rea, to the Abernathy 31.

At this point, the officials stepped off a 15-yard holding penalty against Memphis which stalled the drive. The half ended with the Antelopes in possession in their own end of the field.

Second Half
The second half opened up with Memphis receiving. The Cyclone marched from the Memphis 39 on carries by Cornish, Rea,

POUNDS CARRIES—Pictured above, QB Tony Pounds finds some running room as he carries for a good gain against Abernathy Friday. The Antelopes' No. 64 is Steve Buerant, 185 lbs., and No. 75 is Richard Montgomery, 175 lbs. No. 50 for Memphis is Mike McCravey, the center. To the lower left, under the pile, is either Tackle Larry Gaston or HB Gary Rea.

tried to hit End Clyde Wilson in the left flat, but an Abernathy defender fell down in front of him and the pass went over his head.

Facing a fourth down, Abernathy defenders knew the Cyclone would pass.

Pounds took the snap from center, rolled out in the right flat and passed to End Clyde Wilson in the end zone. Wilson snagged it, midway in the fourth quarter, for a 10-yard scoring play.

On the point after, Hall came into the lineup and easily kicked the ball through the uprights for a 14-12 lead.

The Abernathy Antelopes were not through for the night.

They took over on their own 38. A completed pass to HB Oliver went for 18 yards. Then another pass to Oliver went for 21. The Antelopes were on the Cyclone 16 and driving.

HB Mathis made seven to the 9, and QB Johnson made four more and the Antelopes had a first down and goal from the Cyclone 6.

On the first down, Johnson was swarmed under by Memphis lads and the officials threw the red flag, giving Abernathy a first and goal on the Memphis 4.

Johnson sneaked for one yard then handed off to Oliver, who made one more.

It was third down and two, when Johnson called a sweep around right end but No. 32 Mathis didn't have a chance as a

host of gold clad boys forced Mathis back and downed him on the nine-yard line, a seven-yard loss on the play. On the fourth down, QB Johnson tried a roll-out pass play but the receivers were covered and he couldn't find running room and was dropped on the Memphis 15.

The Cyclone took over. A second down QB sneak by Pounds netted 15-yard gain and the Cyclone was out of danger. Two more carries by FB Cornish netted 7 yards. Then Cornish made the first down, but officials called a penalty against Memphis and the ball went back 15-yards.

Bobby Carroll, who punted well all night, got off another good punt.

Abernathy ran three plays before the game ended.

FB Kenneth Cornish, despite a hip injury, was the leading ground gainer for Memphis with 68 yards in 12 carries for a 5.7-yard average.

Gary Rea averaged 5.1 per carry by making 51 yards on 10 carries. Junior Graves carried five times for 19 yards, QB Pounds carried nine times for 31 yards and FB Kay Miller carried one time for four yards. In passing Pounds completed five for eight.

Cyclone Tackle Bobby Carroll was the Memphis Booster Club's choice of "player of the week" for his fine offensive and defensive play in the Abernathy game.

SCHOOL AWARD—The Junior Fire Marshal's Achievement Award flag won by Austin Elementary School during Fire Prevention Week is displayed by school representatives and Fire Chief Kenneth Dale. Home inspection blanks were filled out by the third, fourth and fifth grade students and returned with an 88.4 average to win the award. Pictured left to right are Phillip Russell, fourth grade; Mrs. C. D. Morris, school principal; Fidel Rocha, fifth grade; Fire Chief Dale, and Cynthia Watson, third grade. The flag, which will be flown from the school's flag pole all year, was presented in ceremonies Thursday.

ATTEND MEET—Pictured above, left to right, are Ernest Rea, A. W. Dalrymple, Field Representative of State Conservation Board, and Henry D. Gregory, who attended the 26th annual meeting of the Texas Soil and Water conservation district Supervisors in Austin. The meet was held last week.

Hall Supervisor, Conservationist Attend Annual SWCD Meet In Austin

Mr. and Mrs. Ernest Rea of Tell and Henry D. Gregory, work unit conservationist of the Soil Conservation District here, attended the 26th annual meeting of Texas soil and water conservation district supervisors at Austin last week.

Mr. Rea is chairman of the Hall County S. W. C. D. supervisors. Other supervisors include: Lee Scrivner of Turkey, member; Wayne Hutcherson of Memphis, vice chairman; Kenneth Ellis of Kirkland, secretary, and Donald Ray Crook of Childress, member.

Governor John Connally highlighted the statewide meeting by speaking at the banquet Wednesday night, Oct. 12.

"Today's Challenge: To Meet Tomorrow's Needs" was the theme of the convention.

Supervisors, who are local landowners elected to govern local conservation districts, attended committee meetings and business sessions. They are strengthening their soil and water conservation efforts to help rural and town people, it was reported.

Other distinguished speakers included: C. G. Scruggs, vice president and editor, Progressive Far-

mer; John E. Hutchison, director, the Texas Agricultural Extension Service; A. E. Gaschno, group vice president of Agriculture, International Mine and Chemical Corp., Skokie, Ill.; and Sam Studebaker, president, National Association of Soil and Water Conservation Districts, Tipp City, Ohio.

Funeral Service Held Friday For Mrs. Oates

Funeral services for Mrs. Sylvia Oates, 55, of Morningside Addition, were held at 2 p. m. Friday at the Mt. Zion Baptist Church, with the Rev. V. R. Gilmore, pastor, officiating.

Burial was in Fairview Cemetery under the direction of Spicer Funeral Home.

Mrs. Oates died in her home Tuesday morning. She had lived in Memphis since 1925.

Survivors include a daughter, Mrs. Ella Mae James of Amarillo; a son, William H. Welch of Memphis; a brother, Henry Mangum of Dallas, and a sister, Mrs. Eula Cook of Memphis.

Mrs. Dan Daniels, Former Resident, Dies In Virginia

Funeral services for Mrs. Dan Daniel, the former Frances Joy Tomlinson, was conducted Saturday in Wytheville, Va. She died Thursday in Wytheville, where she had been residing.

Mrs. Daniel was a member of a pioneer Hall County family and attended high school in Memphis. She was the daughter of Dr. and Mrs. J. F. Thomlinson. Dr. Tomlinson was a dentist and operated a pharmacy in Memphis for several years.

Gunstream Relative Listed Critical Following Accident

Sharon Blaylock, daughter of Mr. and Mrs. Otis Blaylock of Muleshoe, was critically injured Monday morning when she was hit by an automobile as she crossed Texas 214, about one-half mile north of Muleshoe, to catch a school bus.

Her father is the nephew of Mrs. O. M. Gunstream of Memphis.

Sharon, 10, was admitted to West Plains Hospital in Muleshoe with a severe head injury, and was then transferred by ambulance to a Lubbock hospital where her condition is listed as critical.

Authorities in Muleshoe said said that the girl apparently darted out in front of an automobile driven by Jim Mardis, 14, of Muleshoe.

Mr. and Mrs. Hubert Dennis visited in Lubbock over the weekend with Mrs. Ralph Howard and sons. Mrs. John Dennis, who had been visiting there for two weeks, returned home to Memphis with them.

Mr. and Mrs. Johnny Harrell and Chana and Mr. and Mrs. Danny Davidson were in Dallas the first of the week to attend spring market of men's clothing.

Mr. and Mrs. Therman Eller visited over the weekend in Stratford with her sister, Mrs. Andrew Hammill and family.

Final Rites For Miss Mestas Conducted Sat.

Funeral services for Miss Mary Helen Mestas, 19, of Lakeview were held at 11 a. m. Saturday at Sacred Heart Catholic Church with Father John Magona officiating.

Burial was in Lakeview Cemetery under the direction of Spicer Funeral Home.

Miss Mestas died at 11:15 a. m. Thursday in Hall County Hospital. She had been suffering from leukemia.

A senior at Lakeview High School, Miss Mestas was also a member of the Catholic Church and had lived in Hall County most of her life.

Survivors include her parents, Mr. and Mrs. Leandro Mestas of Lakeview; sisters, Mrs. Romamo Solis of Amarillo, Miss Janie Mestas of Amarillo and Miss Polly Mestas of Lakeview; brothers, Pat Mestas of Tulsa, Leandro Mestas Jr. of Marcin, Idaho, Freddy Mestas of Lakeview, Johnny Mestas of Tulsa, Joe Ray Mestas of Lakeview and Manuel Mestas of Lakeview.

Mr. and Mrs. Bryan Maddox of Amarillo visited Sunday with Mr. and Mrs. Felix Jarrell and Mr. and Mrs. J. B. Moore.

Son-In-Law Of D. M. Jarrell Dies In Pampa Saturday

W. T. Fraser of Pampa, the son-in-law of Mr. and Mrs. D. M. Jarrell of Memphis, passed away Saturday morning at 11 a. m. after suffering a heart attack at his office. He died enroute to the hospital. He was 63 years of age.

Funeral services were held Methodist Church in Pampa with the Rev. Harry Vanderpool, pastor, officiating.

Burial was in Fairview Cemetery at Pampa.

Mr. Fraser owned and operated the William T. Fraser Insurance Co., and was a member of the First Methodist Church.

He was the first president of the Pampa Junior Chamber of Commerce and was a charter member of the Pampa Country Club and Lions Club.

Memphis Democrat—Thurs., Oct. 20, 1966

Miss Tops Gilreath Elected UDC State Division President

Miss Tops Gilreath of Memphis, superintendent of Hall County Public Schools, was elected president of the Texas Division of United Daughters of the Confederacy at the recent 70th state convention in Austin.

Her election marked the first time in U.D.C. history a West Texan from District 9 has filled the Texas presidency.

Miss Gilreath, who has served as second vice president of the Texas Division for two years, was elected without opposition. She will preside over Texas Division activities until 1968.

Elected to other offices are Mrs. F. B. Ingram of Dallas, first vice president; Mrs. J. M. Scott of Austin, second vice president; Mrs. Jeff D. Reagan of Bryan, third vice president; Mrs. T. S. Nettleton of Odessa, recording secretary; Mrs. Ben H. Clark of Houston, treasurer; Mrs. J. L. Mitchell of San Antonio, registrar; and Mrs. Naomi Jameson of El Paso, historian.

Mrs. A. P. Roberts of Tyler will serve as recorder of crosses; Mrs. Wendall B. Alcorn of Palacios, immediate past president, was chosen as chaplain; and Mrs. L. J. Gittinger of San Antonio was appointed director of the Texas Confederate Museum in Austin. Mrs. Gertrude Morris of Dallas was appointed parliamentarian, while Mrs. Horace B. Wood of Lubbock will serve as corresponding secretary.

MISS TOPS GILREATH

a \$10 award at the division convention for the highest percentage in membership. The chapter also received the Jefferson Davis Medal for the best diary of war memorials.

India Discussed At Meeting Of Woman's Council

The Woman's Council of First Christian Church met Monday, Oct. 17, at 3 p. m. in the Fellowship Hall with Mrs. Elmer Murdock as hostess.

Following a brief business session conducted by the president, roll call was answered by nine members. Mrs. Bill Maddox led the afternoon's program on "India." Following group singing, Mrs. E. E. Roberts led in prayer.

Mrs. Sue Kesterson discussed the Assam Mission and Church of Christ Mission in India. Mrs. Tom Posey offered the devotional on "What Shall I Give." Scripture was taken from the fourth chapter of Exodus.

The meeting was closed with the group singing "Give Of Your Best To The Master," and the Missionary Benediction.

Delicious refreshment plates were served to Mrs. Tom Posey, Harry Aspgren, Roy Coleman, Floyd McInTosh, Sue Kesterson, E. E. Roberts, A. A. Odom, Bill Maddox and the hostess.

The next meeting will be held Nov. 21 at 3 p. m. in the Fellowship Hall.

Estelline Ophelia Club Meets For Tacky Party Monday

The Ophelia Club of Estelline met in the home of Mrs. Jack Boney, Jr., Monday, Oct. 18, for a tacky party. Ten members and two guests were present.

After the business session, movies of previous meetings were shown.

Each person was dressed tacky. The prize for tackiest was won by Mrs. Paul Collins.

The hostesses, Mrs. Boney and Mrs. Ann Bruce, served refreshments to the following: Mrs. J. D. Cox, and members, Mmes. Jimmy Gibson, Joe Bob Nivens, Glennon Jameson, Paul Collins, Ted Hudlow, Rayford Jones, and Charles Floyd.

Mrs. Ernest Rager Accepts Position At North Texas

Mrs. Ernest Rager, the former Brenda Duncan, has accepted a teaching assistantship in the music department at North Texas State University. She is the daughter of Mr. and Mrs. Robert Duncan of Memphis.

Mrs. Rager is working on a master's degree in oboe and is teaching piano.

Rager teaches orchestra in the Grand Prairie schools and is a member of the Fort Worth Symphony. He recently performed with the six finalists in the Van Cliburn International Piano Competition. Mr. and Mrs. Rager reside at 1306 Pine in Grand Prairie.

Miss Sara Jo Foxhall, Bride-Elect, Is Honoree At Miscellaneous Shower

The spacious home of Mrs. Gayle Greene was the setting for a lovely miscellaneous shower Tuesday evening honoring Miss Sara Jo Foxhall, bride-elect of Russell Clayton Sanders of Houston.

Guests calling during the party hours of 7:30-9 p. m. were greeted by a receiving line composed of Mrs. Greene; the honoree; Mrs. Lesley Foxhall, mother of the honoree; and Mrs. C. H. Sanders, mother of the prospective bridegroom. Miss Foxhall wore a corsage in her chosen colors of

pink and white. The mothers wore white corsages tied with ribbons to match their attire.

Miss Carol Foxhall presided at the guest register.

A large array of beautiful and useful gifts were displayed on tables covered with floor-length white cloths and decorated with wreaths and sprays of dainty pink flowers.

The refreshment table, covered in white, was centered with an arrangement of pink and white carnations and mums in a silver bowl, flanked by silver candelabra holding pink tapers. The punch-bowl and other appointments were of silver. Miniature decorated sandwiches, cake squares and punch were served.

Hostesses for the occasion included Mmes. Gayle Greene, John Shadid, Mildred Stephens, Jimmy Don Molloy, Phil Howard, Harold Phelps, A. L. Gailey, Herb Curry, Bill Whitten, E. E. Cudd, T. W. Harrison, Ross Gentry, R. C. Lemons, Gerald Hickey, Lloyd Ward, and C. L. Helm.

Other officers are Gaylon Clark, vice president; Kathy Houston, secretary; Lometa Pate, corresponding secretary.

The Memphis chapter, with approximately 30 members, is a scholastic honor society. Requirements for membership is being named to the MHS honor roll for two consecutive six-week periods.

Danny Clark Named President Of Beta Club

Danny Clark was elected president of the Beta Club of Memphis High School at a meeting held last week by the group. C. E. Voyles is sponsor.

Other officers are Gaylon Clark, vice president; Kathy Houston, secretary; Lometa Pate, corresponding secretary.

The Memphis chapter, with approximately 30 members, is a scholastic honor society. Requirements for membership is being named to the MHS honor roll for two consecutive six-week periods.

Estelline FHA Plans Projects For Coming Year

The FHA Chapter of Estelline High School held a regular monthly meeting last Monday night in the homemaking cottage.

The new president, Wanda Longbine, called the meeting to order with 24 members and the advisor, Mrs. Kedron Mitchell, present.

Rhonda Gowdy was elected first vice president for the remainder of the year. A discussion of projects for the year was held, and a "Salute To Soldiers" was planned for October. Each member will bring items to be sent to servicemen in Viet Nam. The FHA will send Christmas cards to state institutions as the November project.

Following a devotional, the meeting was adjourned for serving of refreshments.

Annual Convention Of Texas P-TA Slated In Austin

Texas Congress of Parents and Teachers' 57th annual State Convention will be held Nov. 16-18 in Austin. Approximately 3,000 delegates are expected to attend.

Mrs. L. L. Ledger of Copperas Cove, state PTA president, will preside.

"Increasing Educational Opportunities" is the theme of the convention, which will meet in Municipal Auditorium on the shore of Town Lake. The Driskill in Downtown Austin is headquarters hotel.

Special features will include a local unit presidents' luncheon, a life membership recipients' luncheon, a men's breakfast, luncheon for council and district presidents, workshops and conferences, special music, magazine and membership awards, exhibits, and a reception honoring the National PTA representative and the state president.

The annual state convention serves as governing body for the Texas PTA. Membership is now 798,340, ranking Texas second largest state PTA branch in the nation.

Following the speaker, a business session will be conducted with Mrs. Chambliss presiding. Musical numbers will be furnished during dinner hour by the Memphis schools. Wayne Johnson of Turkey, first vice president and program chairman, will be in charge of the program.

Attendance at this meeting is expected to be very high because it is the first meeting of the year, Mrs. Chambliss said, and the number of teachers in the county has increased. "Mr. Bell is an outstanding speaker and will bring pertinent facts to teachers and visitors about legislative issues," she concluded.

Turkey Class To Sponsor Mexican Supper

The fourth grade class of Turkey Elementary School will sponsor a Halloween supper of Mexican food at the school cafeteria on Friday evening, Oct. 28, from 5:30 to 8 p. m.

Tickets are one dollar for adults and 60 cents for children. Everyone is cordially invited to attend.

Sondra Sue Elem Is Party Honoree On 9th Birthday

Sondra Sue Elem was entertained with a birthday party Friday afternoon, Oct. 14, by her mother, Mrs. Lloyd Elem. Sondra was celebrating her ninth birthday.

Balloons and streamers decorated the home, where the guests listened to records and games. Refreshments of punch and a birthday cake decorated with a clown motif and the words, "Happy Birthday," were served.

Attending, other than the honoree and hostess, were Lee Ann Kilgore, Jerry Fowler, David Collins, Steve Philpot, Robert Graham, Lulu Graham, Rosie Graham, Leonard Graham, Barbara Haire, Lindy Collins, Mary Lou Simmons, Boycene Bruce, Sidney Johnson, Jeri Thompson, Cindy Cummings, Becky Houston, Andy Bachman, Suzanne Elliott, Ricky Spruill, Dwayne Henderson and Betty Capwell.

American Theater Is Program Topic For Harmony Club

Mrs. John Casebier of Hobbs, N. M., was guest speaker for the Harmony Club meeting held Wednesday, Oct. 12, at 4 p. m. in the home of Mrs. Robert Sexauer. Mrs. John Chamberlain was co-hostess.

Mrs. Bob Fowler, president, conducted a brief business session. Mrs. Sexauer then introduced the speaker, who is her sister. Mrs. Casebier holds a master's degree in drama from Colorado University, and has worked in dramatics for a number of years.

The speaker gave an interesting history of "The American Theater." She traced the theater from its early beginnings, and gave highlights of the most famous American productions and their casts. She also explained the various trends and influences of different localities on the theater.

Delicious refreshments were served, after which members and guests were invited on a tour of the lovely home, which has been restored after being almost completely destroyed by fire during the summer.

Members present included Mmes. Bob Fowler, Bray Cook, Joe DeBerry, Clifford Farmer, Henry Foster, Gordon Gilliam, R. S. Greene, D. L. C. Kinard, Dick Fowler, Leah Phillips, T. L. Rouse and Carl Smith. Misses Esta McElrath and Gertrude Raso, and the hostesses. Guests present were Mmes. Mildred Stephens, R. E. Roark, Tommy Harrison, Lewis Foxhall, Gayle Greene, Frank Foxhall, John Deaver, Ed Foxhall, H. R. Stevenson, M. E. McNally, Jr., Herschel Combs, Sager and Hardin, Childress, and Casebier of Hobbs, N. M.

Refreshments were served to one guest, Mrs. Erma Percy, and 14 members.

The next meeting will be held Thursday, Oct. 27, at 4 p. m. in the home of Mrs. Vineyard.

Surprise Party For J. E. Vick Given Saturday

A surprise party honoring J. E. Vick on his 14th birthday was given Saturday evening, Oct. 15, by his parents, Mr. and Mrs. James Vick.

The Halloween motif was carried out in decorations throughout the entertaining suite. Pumpkins filled with candy were placed on end tables, and a dancing skeleton hung in the archway. Witches adorned a mirror and door.

The refreshment table was laid with a cloth decorated with owls, and plates and napkins used a matching design. The chocolate birthday cake, frosted in white, was imprinted "Happy Birthday, J. E." Chips, dips and soft drinks were also served.

Door prizes of stuffed animals were awarded to a lucky boy and girl drawing the number 14. Guests listened to records and danced throughout the evening. The honoree opened a large array of gifts, and expressed his appreciation to all those who were present.

Guests included Debbie Yarbrough, Carol Godfrey, Lu Gay Godfrey, Debra Jawkins, Jana Johnson, Cindy Maddox, Elaine Phillips, Jane Smith, Silva Ayers, Carol Foxhall, Ramona Ballew, Melina Miller, Cindy Phillips, Bonnie Vick, A. B. Lyles, Bill McQueen, Alan McNally, Bobby Cosby, Ronny Phillips, Ronald Bradshaw, Joe Ed Godfrey, Randy Jennings, Carroll Bland, Steven Smith, Bill Smith, Byron Truck Gary Sims and Larry Moss.

Nuevo Study Club To Conduct UNICEF Campaign

An informative program on the United Nations was presented Thursday, Oct. 13, for the meeting of the Nuevo Study Club of Turkey, which was held in the home of Mrs. J. R. Nall.

Mrs. Gordon Bain, president, conducted the brief business session. It was announced that the club will conduct a fund-raising campaign for UNICEF. Proceeds will be used to help feed, clothe, educate and give medical care to the children of Europe, Asia and South America.

Mrs. A. Vineyard was in charge of the program. Interesting facts on the United Nations and its work were presented by Mrs. Paul Meacham, Mrs. Bain and Manny Blume. The United Nations flag was displayed in the home as the center of interest.

Refreshments were served to one guest, Mrs. Erma Percy, and 14 members.

Mrs. Vira Floyd To Be Honored At Open House

Mrs. Vira Floyd, long time resident of Lakeview, will be honored on her 75th birthday with an open house Sunday, Oct. 23, in the Lakeview School cafeteria.

The come-and-go birthday party will be hosted from 2 until 5 p. m. by her grandsons and families, Mr. and Mrs. Dwight Floyd and Mr. and Mrs. Dwaine Floyd and family.

Birthday cake and punch will be served. Highlight of the occasion will be the presentation of a family gift to Mrs. Floyd by her great-grandson, Quinten Floyd of Memphis.

A cordial invitation to attend the celebration was extended to all friends and relatives of the honoree.

Mrs. Floyd was born Oct. 18, 1891, at Pilot Point, and moved to Hall County in 1923. She has four children, Woodrow Floyd of Lakeview, Mrs. Aubrey Martin of Brice, Mrs. Allen Henry of San Diego, Calif., and Dalton Floyd of the home. One daughter, Mrs. Bert Burch, is deceased.

Other family members are four sisters and two brothers, Mrs. Murtle Razor of Pilot Point, Mrs. Lydia Blewer of Wichita Falls, Mrs. T. N. Maddox of Ft. Worth, Mrs. Frank Beavers of Memphis, Charlie Davis of Pilot Point and Will Davis of Memphis. She has seven grandchildren and six great-grandchildren.

Mrs. Ernest Rager Accepts Position At North Texas

Mrs. Ernest Rager, the former Brenda Duncan, has accepted a teaching assistantship in the music department at North Texas State University. She is the daughter of Mr. and Mrs. Robert Duncan of Memphis.

Mrs. Rager is working on a master's degree in oboe and is teaching piano.
