Over 300 Attend Legion Convention

Over 300 Legionnaires and auxiliary members from the 18th Congressional District convened Saturday and Sunday, Nov. 5-6, Memphis for their annual fall convention of The American Legion.

Members of the Simmons-Noel Post No. 175, under the command of Ken Maddox, served as hosts. Department Commander W. W. Flynn and his wife, Department Auxiliary President Mary Flynn of Dimmitt were honored guests.

Highlighting Saturday's events was a banquet held at 7 p. m. in the Community Center followed by a joint session of the Legion and Auxiliary.

There were 179 guests registered. James Wilhelm, district sergeant at arms, had charge of color guard followed by the invocation by Mrs. Moore of Amarillo, district captain.

Commander Maddox called the meeting to order and introduced R. Beard, 18th District commander of Amarillo. Bill Brady, district vice commander from El Paso, introduced distinguished guests.

Mrs. H. J. Howell of Memphis gave the address of welcome with response by Henry Teubel of Tulsa.

Vega, Pampa, Dumas, Hedley, Memphis, Darrrouzett, Nazareth, Midland and Plainview.

Committee reports were heard and Wilfred Stoerner, 4th District vice commander of Lockney, brought greetings. Department Commander and Department President Flynn also brought greetings.

A resolution thanking Memphis for its fine hospitality during the convention was passed by the members during the final portion of the session.

Auxiliary Convention
The district executive meeting opened the Auxiliary convention at 10:30 a. m. Saturday. Registration began at 1 p. m. at the Legion Hall.

At 2 p. m. the Community Center was the scene for the Saturday afternoon session with Mrs. E. T. Rafferty, 18th District president, calling the meeting to order.

After the advance of colors, pledge of allegiance and national anthem, Mrs. Grant Hanna, the 18th District parliamentarian, gave the Preamble of the Convention.

Cotton Classing Office Processes 5,000 Samples

The Cotton Classing Office has classed 5,000 samples to date since opening last week, according to Kermit E. Voelkel, officer in charge. Of this number, approximately 3,000 samples were from Memphis and the surrounding area.

There had been 16,000 samples classed at this time in 1965, Voelkel said.

Classers at the office are John E. Williams of Abilene, assistant to the officer in charge, and Richard L. Whitley of Oklahoma City.

Other employees include Mildred Gidden, chief clerk; Joyce Crooks, supervisor of micronaire technicians; Sharon Wheatley, statistician and makes news reports; Don McElreath, supervisor of laborers; Marilyn Whitten, Louise Hatley of Lakeview, and Beverly Hutcherson, clerks.

Final Pep Rally Planned Friday For Cyclone Team

Plans for the final Memphis Cyclone pep rally of the football season were announced today by Clinton Voyles, Memphis High School principal.

The pep rally will be held Friday from 11:15 to 11:40 a. m. in the gymnasium, after which the football team will leave for Friona. School will resume at 12:30 p. m. and will be dismissed at 2:23 p. m. The Cyclone band will depart for Friona at 2:40 p. m.

Plans have been made to take a student activity bus, or buses, to Friona for the game, and students may ride free of charge, Voyles said.

Frank Garrett, Retired Postman, Dies Monday

Frank Garrett, 72, a resident of Memphis for 46 years, died in Hall County Hospital at 10 p. m., Monday, Nov. 7. He was a retired mail carrier and had delivered the mail of Route 2 for many years.

Funeral services were held at 3 p. m. Wednesday in the First Methodist Church with the Rev. David Hamblin, pastor, and Min. Tom Posey of the First Christian Church, officiating.

Interment was in Fairview Cemetery under the direction of Spicer Funeral Home.

Relarford Frank Garrett was born March 20, 1894, in Blue Ridge in Fannin County, Ga. He moved to Memphis in 1920.

He was united in marriage to Stella Maddox on June 2, 1922, in Memphis.

Mr. Garrett was a member of the First Methodist Church. A veteran of World War I, he was a member of the American Legion Simmons-Noel Post of Memphis.

Surviving are his wife, Mrs. R. Frank Garrett of the home; a daughter, Mrs. James K. Walker of Morton; two brothers, L. W. Garrett of Quitman and G. D. Garrett of Como; a sister, Mrs. J. W. Bullock of Quitman, and two grandsons, James Garrett Walker and Steven Wade Walker of Morton.

Palbearers were M. E. McNally, Jr., Mills Roberts, Temple Deaver, Ralph Williams, Ira McQueen, Irving Johnsey, Orval Phillips and Dr. Roddy Bice.

Lone Star Gas Asks Council For Rate Hike

Lone Star Gas Company is asking the Memphis City Council to pass an ordinance permitting the company to make an adjustment in the first step of the local general service gas rate for residential and commercial users, Mayor H. J. Howell announced. The discussion of the proposition was postponed until the next regular session of the City Council, Dec. 6.

The requested adjustment, according to J. E. Gruetzner, Lone Star's District Manager, provides for a moderate increase in the cost for the first one-thousand cubic feet used during any monthly billing period. All additional gas used would be billed at the existing rate of 75.9 cents per thousand cubic feet.

The company is asking for a charge of \$1.50 net (compared to the current \$1.00) for the first one-thousand cubic feet or any portion thereof with the provision that when no gas is used no minimum bill will be rendered.

Gruetzner said the adjustment, if approved, would increase the average customer's bill 25 cents (Continued on Page 10)

Democrats Carry County; Voting Is Light At Polls

Hall County voters, approximately 1,350 in number, far short of expectations, went to polls here Tuesday and cast ballots in the 1966 general elections. Democratic candidates carried in all races in the final tabulations, even though the margin was slight in two of them.

Actually, the number voting in the 1966 (off year) election was approximately 300 less than voted in the 1962 general election, and 1,100 votes less than the number voting in the 1964 general election, a presidential election year.

This same trend was seen over

the Panhandle and in the State of Texas.

Hall County voters gave Governor John Connally a heavy majority of 1002 votes as compared to T. E. Kennerly's 204, Tommy Gillespie's 3 and Bard A. Logan 7. Gov. Connally was re-elected over the state.

In the United States Senate race, Hall County voters cast 771 votes for Waggoner Carr and 599 votes for Senator John Tower. Senator Tower was elected by a 190,000 vote margin over the state, according to the latest figures.

In the 18th Congressional District representative race, Hall County voters favored Dee Miller by a 53 per cent margin, giving Miller 711 votes to Bob Price's 632.

Price, a Pampa rancher, carried the Panhandle district, receiving 44,735 votes to Miller's 30,449 votes.

Briscoe, Cottle, Hall, Lamb, Motley and Swisher Counties were the only Panhandle counties giving Miller a majority of the votes.

The total vote in this race was 75,184, approximately 30,000 votes short of the number balloting two years ago in the same race.

In other races, county voters

cast:

For Lt. Gov.: Smith 1,102, Dibrell 222, Johnson 3.

For Atty. Gen.: Martin 1087, Stewart 234.

For Com. of Ag.: White 1074, Garrett 235.

For Com. of Gen. Land: Sadler 1104, Fay 219.

For Comp. of Public Accounts: Calvert 1106; Garza 212.

For State Treas.: James 1082, Gilmer 223.

For Railroad Com.: Tunnell 1156, Clark 10.

All other unopposed Democratic candidates received a large majority of votes including county officials.

Amendments

Over the state, the only amendment proposal which was not approved by the voters was No. 4, the amendment having to do with letting directors of conservation and reclamation district serve six-year instead of two-year terms. This amendment was turned down by Hall County voters 371 for, 436 against.

County voters also turned down Amendments No. 5 and No. 13, even though these were approved over the state. All other amendments were approved by county voters.

Mrs. E. E. Walker Dies Thursday; Services Pending

Funeral arrangements for Mrs. E. E. Walker, who passed away at 8:55 a. m. Thursday morning in Hall County Hospital, are pending with the Spicer Funeral Home.

Mrs. Walker resided at 520 S. 9th in Memphis.

She was born in Georgia on April 12, 1881, and moved to Texas with her parents when she was eight years of age. She moved to Hall County in 1911.

Daisy Lee Adams was united in marriage to Emmett Ernest Walker on December 23, 1901, in Smith County. Mr. Walker preceded her in death in May of 1952.

She had been a member of the First Baptist Church for over 55 years.

Included in the survivors are two sons, Harold (Chesty) Walker of Seattle, Wash., and Emmett Lee Walker of Houston; five daughters, Mrs. R. E. Vaughn of Spearman, Miss Zady Belle Walker of Memphis, Mrs. Ned Pilcher of Midland, Mrs. K. E. Higginbotham of Wichita Falls, and Mrs. K. C. May of Amarillo; one sister, Mrs. J. A. Stanford of Memphis; one sister-in-law, Mrs. Siegle Walker of Albuquerque, N. M.; twelve grandchildren and four great-grandchildren.

Rochester Powers Past Turkey Turks

Led by a big, tough offensive line, the Rochester Steers controlled the ball and the game as they overpowered the Turkey Turks Friday night at Rochester by a score of 22-8. Although the Steers won the game, the Turks put forth a valiant effort, but just couldn't contain the short yardage offense of the Steers as the Steers played ball control throughout the game.

The Turks were stymied by penalties in the first half as each time a drive would get started a penalty would crop up to put a damper on their offensive efforts. The Turks could only show four offensive plays to their credit in the

first quarter and 13 in the second as the Steers ran 20 plays in the first quarter and 14 in the second to keep the Turks on defense most of the time.

The Turks kicked off to the Steers to start the game and game and forced Rochester to punt after one first down. The Turks then picked up one quick first down on an 11-yard run by Hamner. Hamner then ran nine yards, but the Turks were assessed with a 15-yard penalty. The Turks then just couldn't quite make up the additional yardage despite a couple of good runs by King and Hamner.

Setliff had to punt and the Turks were not to run another offensive play the entire first quarter as Rochester drove 60 yards for the go-ahead score. The drive took 13 plays and eight minutes to complete. The big play of the drive was a 26-yard run by QB Hudspeth down to the one-yard line on a fourth and two situation. LaFevre ran the TD on the first play of the second quarter. The try for points were no good and the Steers led 6-0.

The Turks received the kickoff. After picking up two first downs, the Turks had another good run nullified by a penalty at the 50-yard line. This again stopped a good drive by the Turks and forced a punt. The game was then dominated by the defenses as neither team could offer anything serious in the way of a scoring threat.

The Turks received the second half kickoff and returned it to the 25. Here disaster struck as the ball was fumbled on the second play and the Steers recovered on the 20-yard line. The Steers scored in five plays with 9:15 left in the third quarter. The extra points were good and the score read 14-0.

The Turks came alive as they proceeded to march 80 yards in 13 plays. Rod Mullin led the charge as he was switched to fullback and behind some crisp blocks by Woods, Brown and Denton picked (Continued on Page 10)

The Memphis Cyclone football team of 1966, under Head Coach Bert Glascock and Coaches Bill Loranca, George Berry and Travis Gilliland, will decide whether the season records will show CHAMPIONS or Co-Champions, depending on the outcome of the Cyclone-Friona Chiefs game at Friona tomorrow night.

Coach Bert Glascock said, "Our boys will be facing a real tough one at Friona because the Chiefs are ready and they have the best coached, and soundest ball club on fundamentals of any we have faced all year."

The Memphis boys, after a week of workouts in which the term "lethargic" was used as a description, are facing another tough game at Friona in which the decision of champions of District 3-AA or co-champions will be decided. Hanging in the balance will be the all important district representative honor in play-off games.

"The weather hampered workout Wednesday," Coach Glascock said, "an important day in each week's schedule."

"Naturally, we could expect some kind of a let down after the big game with Hale Center last week; however, our boys need to snap out of their lethargic mood if we are to win our game at Friona."

Sickness, Injuries

LB Gary Res pulled a muscle in the Hale Center game and is on the doubtful list for the Friona game. Guard Chuck Jennings is also unable to go full strength.

"We have about four boys battling the flu bug this week and we're hoping they will be ready by Friday," Coach Glascock said.

Tough Opponent

The Friona Chiefs, out of the championship race with a 2-4 record, will be in high gear to defeat the favored Cyclone. They have everything to win and nothing to lose by pulling out all stops in this one.

The Chiefs have had inexperience problems in past games, but these boys showed real promise in the Abernathy-Friona game last week. Abernathy won the game only when QB Johnson began his scrambling running-passing maneuvers to break the game open and come out of it with a 36-27 victory.

Fans should note that Friona scored more points against Abernathy than any team all season. The Chiefs have a fine set of backfield men in Sophomore QB Johnny Barker, FB Eddie Barker, HB Bobby Jordan and HB Tony Perea. They use basically the T formation attack.

In the line, they have one all-state contender in Tackle Bill Weatherly, a 206-lb. boy.

The Chiefs use basically the same kind of defensive formation the Cyclone employs and have a reputation of playing real aggressive on defense. They are fine tacklers.

Team Comparison

The Chiefs and the Cyclone will be just about even in the weight department as both teams are just about the same in all positions.

The Cyclone will hold a slight team speed advantage, it appears.

Cyclone-Owls Game

Coach Bert Glascock stated this week the local lads offensively contained and controlled the ball in the Hale Center game for the first time all season. "I was real pleased with our offense in this respect," he said.

"Defensively, we played poorly," Coach Glascock said. The coach went on to say that Hale Center had something to do with how poorly we looked on defense as the Hale Center Coach said after the game that his club played their best game since playing Abernathy.

FB Kenneth Cornish was the Cyclone Booster Club's choice of "player of the week" for his efforts in the Hale Center game. Cornish was the local (Continued on Page 10)

Estelline To Meet Morse In Final Game

The Estelline Bears will travel to Friona Friday night for the final game of the season. The game promises to be a real tough one for the Bears, as Morse defeated Darrrouzett 24 to 22 last week.

The Bears exploded for 20 points in the second quarter of their game with Guthrie Friday night only to see the Jaguars come back to tie the game in the final half of play.

Estelline's Lassie Fowler opened scoring with a 2-yard carry. Triston Mabry scored the conversion and the score was 8-0.

Then Jay Holland scored on a 30-yard run, but the conversion failed and the score was 14-0. Fowler cracked over for a 20-yard TD scamper, but a pass for a TD after failed and the score

was 20-0.

The Jaguars roared back with a 65-yd. TD return of the kickoff with James Fulton carrying. The halftime score was 20-6.

The Guthrie team scored once in the third period and once in the fourth to tie the game up.

It was the Bears homecoming night and Miss Cindy Gresham, a senior, was crowned 1966 Football Queen in pre-game ceremonies. Co-Captains Gary Walker and Triston Mabry crowned the queen and presented her with flowers.

Four Estelline senior athletes will be playing their final games of their careers for the Bears at Morse Friday night. They are QB Jay Holland, FB Triston Mabry, End Gary Walker, and Center James McMin.

BAND FAVORITES—David Douthit and Suzette Smithee, center, were named and crowned Cyclone Band favorites in pre-game ceremonies Friday night at Cyclone Stadium. Each favorite crowned the other in the ceremony, in which the band formed a heart as the setting. Suzette is the daughter of Mr. and Mrs. W. E. Smithee, and David's parents are Mr. and Mrs. Bob Douthit. Other candidates for the honor were Sport Weddel, left, and Liz Johnson, right.

Veterans Day, Nov. 11!

With American troops once more locked in combat, defending the cause of freedom, Veterans Day, November 11, 1966, takes on added significance this year. A new generation of war veterans is in the mold as the nation pauses to honor the men and women who have honorably served in the uniform of their country.

This day—which was once known as Armistice Day—was originally the anniversary of the cease fire of World War I. From that war came The American Legion. But this year's observance of Veterans Day is in no way a consecration of the memory of any past armed conflict. Instead, it is a time to express the esteem and prestige with which Americans regard the role of the veterans.

While Veterans Day is meant to honor the 20 million men and women who have performed the highest obligation of their citizenship, the day is also dedicated to the cause of world peace with honor.

No one hates war more than the war veteran. No one strives more ardently for an honorable world peace than the veteran who has know war in all its brutality. But that same veteran knows that the lofty goals of an honorable world peace and recognition of individual dignity can not be attained while there are forces in the world seeking its domination through acts of aggression.

This year, Veterans Day calls for an expression of national unity in support of the gallant men and women who are serving our nation's exalted purpose. They are writing inspiring pages of history with their sacrifices in the struggle against a godless ideology which seeks to subjugate mankind. Once again, they are proving the willingness and capability of ordinary citizens in meeting the challenge to champion the cause of freedom anywhere in the world.

Here in Memphis, last weekend, we had the privilege of being the host city to the 18th Congressional District American Legion Fall Convention. At this convention, the fine men and women who make up the Legionnaires and Auxiliary members, recognized Veterans Day in a resolution and urged the State of Texas to recognize it as a state holiday as it is observed over the remainder of the United States.

Our citizens can contribute much to the meaning of Veterans Day by an active participation in this year's observance. By our actions on this special day let's add strength to an expression of national unity at a time when the forces of aggression seek signs of internal weakness. As we honor our veterans—our champions of freedom—let us resolve to preserve what they have won and to preserve in our defense of freedom's cause until that day dawns on a world blessed with an honorable peace.

Cotton Farmers Vote

WACO—(Special) — The attitude of Congress will be sharply affected, "for better or for worse," by the decision made in the dollar-a-bale referendum on research and promotion, Rep. W. R. Poage (D-Texas), ranking member of the House Agriculture Committee, emphasized here today.

"As things now stand—under the emergency four-year program in effect—the government has gone just about the last mile in making cotton competitive in price, in the domestic as well as the foreign market," he pointed out.

If farmers show by their votes that they are ready to give up on cotton, "I think the Congress will be ready to give up, too," he said. On the other hand, he continued, "if cotton farmers show they want and intend to compete—by approving the assessment of \$1 per bale for research and promotion—I think the Congress will be inclined to go along with further substantial assistance after the present four-year program expires."

Representative Poage reminded cotton growers that in order to protect the farmer's income, meet price competition, and reduce the surplus, the government is making domestic allotment payments and diversion payment.

For a typical farmer who has an allotment of 30 acres, who has average yields and who took the 35 percent diversion, he explained, the total payment on his production this year would come to about \$7.50 a bale.

"Is it worth this much to the country to try and save cotton?" he asked.

"In my judgment, Congress will feel that it is very much worthwhile—if we can see genuine promise that there will be program capable of putting cotton on its feet and making it self-sufficient within some reasonable period of time.

"If there is to be such an outlook, a greatly expanded program of research and promotion must be at the very heart of it."

Rep. Poage said he was delighted when cotton producers came to Congress with a self-help plan that would give farmers an opportunity to put up the dollar a bale for research and promotion programs they would operate themselves.

He, accordingly, helped bring about passage of the Cotton Research and Promotion Act which would make possible such a program provided it is approved in the referendum in early December.

"In this day and age," he reiterated, "the producers of any product have to put up big money to improve it and sell it through advertising and other techniques of promotion. Either they do this or go out of business."

"In essence, this is the decision farmers must make in the referendum on cotton research and

Building Local Trade

Throughout the pages of history there have been enterprising young men and women who have gone into a new territory to explore new frontiers of business. Some started on a shoestring, working hard to make ends meet. Others started with financial backing that met their needs above their business operation.

Whatever the case, these men and women worked hard to make their business a success. Some used a policy of the "best service in town," while others used "the newest and most modern equipment," or perhaps "the lowest prices anywhere."

Each of these points is vital, plus scores of others, to make the commercial end of the economic development of a community.

But just as the styles of clothes change, so does the outlook of the

business world. Yet, the outer appearance changes but not the basic fundamentals. The best test of this is to ask, what does the consumer look for when he goes into a local store. He will probably tell you above all, that he wants to be treated as an important individual, as we all like to have our ego fed. The second, would be quality of product and the third, price.

To meet all of these requirements successfully, today's businessmen must keep up with popular trends. He must maintain an awareness of what the other fellow is doing to improve his business and make the same advancements.

The small businessman must compete with a barrage of competition unfamiliar to him 20 or even 10 years ago. He must keep his consumers from becoming familiar faces in the discount houses, chain stores and other concerns that offer something for practically nothing.

New pressures confront the small businessman. Are we ready to meet these pressures successfully? Are we keeping up with the "styles"? Above all, are we giving our customers a good reason for shopping at home —The Friona Star.

Memphis Carnegie Library Heritage Discussed By Interested Citizens

(Editor's Note: The following feature story was compiled by interested citizens as a move to bring the service of the Memphis Carnegie Library to the attention of the public.)

What does the word "heritage" mean to you? The dictionary definition says "that lot, condition or status into which one is born." Each has been taught children throughout the ages concerning their "heritages."

Our American heritage, our family heritage, our individual heritage, our spiritual heritage, all or familiar subjects of conversations, courses of study, countless magazine and newspaper articles, as well as objects of study and preservation for clubs, foundations and historical societies. Appreciation of and preservation of these are the sole purpose of many organizations.

Thinking further about our heritage, it can be quickly noted that the city of Memphis and its surrounding towns have several fine, heritage-worthy heritages. Some of these are physical or material, such as the physical or material landmarks all over Hall County. It follows that something must be done in order that the generations to come can know, appreciate, enjoy and preserve this part of Hall County's heritage, now 76 years old. At some of these locations or buildings historical markers have been placed, while many buildings and facilities are still in

The schools of the county have their individual heritages to deal with which are not necessarily physical or material, but intangible. School spirit and school tradition is about as physical as the and just as powerful in its results.

The 1966-67 students of Memphis have as their intangible heritage, the emblem of the Cyclone. They would scarcely consider discarding this traditional emblem, instead they strive to make more glorious this year than in other past years. In this way they do indeed show their appreciation for, and desire to preserve the heritage of the school emblem, as many of your former patrons have done in the past.

In regard to physical-type heritages one may consider the Memphis Carnegie Library, located on the corner of Ninth and Main Streets, extending its grounds to Noel. It consists of a half block of property on which stands a two-story brick building, tennis courts and some playground equipment. The stairs provides the rent-free meeting place for the Memphis Scouts. The downstairs contains a much used, many-volumed library attended by Mrs. Jack Boone, librarian, under the supervision of City Councilmen Gayle Boone and Allen Dunbar, and is open daily Monday through Friday from 1 to 5 p. m.

It is patronized mostly by school-age folk, from kindergarten through Clarendon College students. However, adult citizens of Memphis, Lakeview, and Estelle, use it also.

The Memphis Carnegie Library is as big as a giant in our intangible "heritage". In fact, it has benefited many people, furnishing supplemental knowledge for the foundation through the completion of their elementary and secondary school years. Some of these former citizens have become outstanding persons in a variety of professions, occupations, and other walks of life. Therefore, how estimate the value this library has on, still is, and still can be? It was pride and joy of our city

fore-fathers, when it was built 54 years ago in 1912. Looking back it isn't hard to visualize the excitement, the current conversation piece, the interest of every citizen as they viewed and shared in its construction.

Possibly it was very much like the feeling existing now as the Hall County Hospital and Community Center have become realities. Certain it is hoped that 54 years from now, year 2020, that both of these institutions as well as the Memphis High School, now under construction, will be valued highly by the people of that day. Not only valued, but also preserved, maintained and improved in the best prevailing manner of that time.

On file at the city library are the original constitution and by-laws of the Carnegie Library Board dated December 15, 1913. They appear both in long hand and in type, with the late D. L. C. Kinnard as secretary of the board which was under the chairmanship of the late Dr. W. C. Dicey. The paper is the official letterhead of the board, containing the names of the board, and bears the motto, "A Trained Mind is the Guardian Genius that Free Men Desire."

The remaining board members were: Mesdames J. A. Bradford, E. L. Houghton, M. McNeely, R. J. Thorne and Messrs. H. E. Deavers, S. S. Montgomery, T. A. Taggart, W. B. Quigley, J. D. Bird and F. F. Bradley.

The first librarian selected from the eight applicants was Mrs. D. A. Neely. It is impossible to read these priceless documents without being overcome with a feeling of awe, pride, appreciation, even nostalgia, for the result of these people's endeavors.

Although they, too, were busy men and women with their professions, businesses, vocations, as well as their families, schools, church and other social activities, they undertook and completed the creation of the Memphis Carnegie Library, thereby contributing greatly to our "heritage" as present citizens of Memphis, whether a native one or whether it is by choice that one has made his home here.

In a personal evaluation involving your heritage of the library, what is your status? Are you a patron who does use the library services? Are you a family descendant of any of the fine people who made the library possible? Are you a past patron and supporter, now grown indifferent to the advantages offered in a closer association with the library?

Are you a newcomer to Memphis, not yet acquainted with the library. Are you a member of the 30 or more clubs and organizations of Memphis? Are you a retired citizen for whom the library could help in adjusting to your new leisure? Are you a rural resident, needing reference material and a place to use it? Are you a family member whose close financial budget does not allow purchasing good reading material? Are you a school student in need of additional research material for class assignments? Are you one who is not otherwise busy in community affairs, but who possesses a knowledge and/or interest in library work?

Each person must fit somewhere in relation to the Memphis Carnegie Library, if not in one of the above listed categories, maybe in an entirely new one not mentioned. No matter what your relationship might be, you can benefit more fully as well as benefitting the library by your closer concern of our rich HERITAGE of the Memphis Carnegie Library. For this reason, Mrs. Boone invites and encourages your visits to the library at your earliest opportunity.

Cyclone Gains Win Over Determined Owls 13-6

The Memphis Cyclone, a team determined to make a "dream" come true, unleashed the best offensive attack in recent weeks, to overcome a determined team from Hale Center, 13 to 6 and capture at least a piece of the District 3-AA championship.

The victory kept hopes alive for a clear title to District 3-AA championship, an honor which has come to few teams in the history of football competition in Memphis.

The game Friday night was a must game for the Cyclone, going into the contest with close victories over Dimmitt, Abernathy and Floydada and an easy victory over Lockney. Olton had upset the local eleven to mar their perfect record in the district.

Hale Center was one of the pre-season favorites and had showed early strength, losing a hard fought contest to Abernathy. The Owls were resurging after three district defeats and were determined to take the wind out of the Cyclone to add to complications.

Friday night, the Owls, according to their Coach H. C. Keeton, played their best game since Abernathy at Cyclone Field against the Cyclone.

A thorn in the Cyclone's side all night, No. 16 H. T. Smith, a 175-lb. halfback, had his best night of the season, according to Coach Keeton after the game.

The Cyclone's offensive unit controlled the ball most of the second half, allowing the Owls only three first downs.

Game At a Glance

Memphis	Hale Center
20 First Downs	12
236 Yards Rushing	164
9 for 76 Yards Passing	1 for 33
312 Total Offense	197
2 Fumbles Lost	4
4 Inc. Passes	1
1 Int. Passes	0
1 for 20 Yards Punt Av.	2 for 21
35 Yards Penalized	30

Coach Bert Glascock said he was pleased with the offensive unit for the first time since Lockney game against Hale Center. "Our backs all had fine running averages and QB Pounds threw 9 of 14 completed passes. Our offensive line blocking was fine on the line of scrimmage most of the night," the coach said.

"We were all disappointed that we didn't score the first time we got our hands on the ball and drove to the Owls one yard-line only to have the play called back on a clipping penalty," Coach Glascock said.

The Cyclone received the opening kickoff and marched down the field to the Owls 8-yard line in nine plays. Carries by FB Kenneth Cornish, Tailbacks William Welch and Junior Graves, and Halfback Gary Rea ate up the yardage in a hurry.

With a first down, TB Graves circled right end and went to the one-yard line, but the play was nullified by a major infraction penalty. Graves picked up five yards on the next play. Then, a pitchout to HB Rea went wide of its mark and the Cyclone lost more yardage. On the next play, QB Pounds tried to hit End Dwayne Jones but a Hale Center defender intercepted the pass and was downed on the Hale Center 16-yd. line.

The Owls roared back on offense and marched down the field to the Cyclone one-yard line where it was first down and goal to go. On the next play, however, a backfield man for the Owls was knocked loose from the ball and Line Backer Roge Fowler recovered for Memphis on the one.

The Cyclone marched for one first down to the Memphis 17. Then, on a sweep, QB Pounds pitched own to TB Welch but the ball bounced off his shoulder and was fumbled. The Owls recovered, setting up their only score of the night.

Four plays later, HB Smith of the Owls carried into the end zone from the three-yd. line. Kicking specialist Willie Compton tried the point after conversion but the ball went wide and the score was 6-0 in favor of the Owls, early in the second quarter.

Memphis took over after the kickoff and marched to the Owls 28-yard line before giving up the ball on downs. A fumble two plays later was grabbed off by a Cyclone linesman on the Owls 32-yd. line. Memphis was in possession when the half ended.

Jerry Hall kicked off for the Cyclone after the half and the Owls set up scrimmage on their own 35. Two carries by FB Marvin Wilson, a 190-lb. power runner, made a first to the home 48.

From here, however, the Cyclone defense stopped them cold and a fumbled punt, only covered about 7 yards and a seven yard runback by Roy Long gave the Cyclone the ball on the home 40. A pass play from Pounds to End Clyde Wilson, who snapped six passes of the seven thrown at him, gained a first down to the Opponent's 48. A 7-yd. carry by Cornish and a 6-yd. carry by TB Graves moved the ball to the 34-yd. line.

On the next play, HB Rea raced outside and turned up field for a 14-yard gain to the Owls 20-yd. line, only to have the ball knocked loose by a crushing tackle and the Owls recovered. Three plays later, however, the Owls fumbled and the alert Cyclone defense covered the ball on the Hale Center 29.

From this point, TB William Welch carried for eight yards, and then, End Dwayne Jones carried on the end around reverse play and scampered 14 yards to the Owls 7 before being downed.

On the next play, FB Cornish knifed through for five yards to the Owls 2-yd. line. Then, Cornish was stacked up at the one. On a third down, FB Cornish found a pig hole and raced into the end zone for six points. The talented foot of Guard Jerry Hall booted the ball through the center of the up rights for the point after and the Cyclone took the lead for the first time with 3 minutes left on the clock in the third quarter.

The Owls made two first downs in the last minutes of the third quarter with most of the yardage coming on a 33-yard completed pass to the Cyclone 25. A major infraction penalty moved the Owls back, and on a fourth down, from the Cyclone 33, the Owls tried a field goal with Compton doing the honors. The ball was set down on the 40-yd. strip which made the kick try 50 yards long. Compton had kicked a field goal the week before to win the Hale Center-Friona game, 10-7.

The field goal attempt went far to the east of the goal posts so the Cyclone took over on the 20.

The Cyclone drove for one first down, then punted to the Owls 40. The Owls were held and punted back.

The punt was fielded by Safety Back Dwayne Jones, who found good blocking and running room up the Memphis side of the field, and made a good return, but the long run was nullified by a clipping penalty which was stepped off against the Cyclone to their own 12-yd. line.

This started the Cyclone offensive unit on the longest scoring drive of the night, which virtually ate up the entire clock and won the game for the local lads.

The drive got underway with two 7-yd. carries, one by FB Cornish and the other by TB Graves. Then Pounds passed to End Clyde Wilson for 4 yards. On the next play, TB Welch sprinted his way for six yards to the Cyclone 36 and another first down.

From here, HB Rea knifed through for 8 yards and FB Cornish, on third down, smacked through for four more yards to the Cyclone 48.

At this point, the Owls defen-

sive unit, realizing the time was running out, put up stubborn opposition. HB Rea was stopped for a three-yd. gain and FB Cornish was met at the line of scrimmage and made only one yard. Facing a crucial third down situation, QB Pounds called the end reverse play and End Jones picked up six yards to the Owls 42. The chain was brought out and measurement was made. The officials ruled the ball was one-half inch shy of a first down. The Cyclone quarterback sneaked the ball for two yards and a first down to the Owls 40.

Two more plays netted the Cyclone only two yards up the middle. Then, TB Graves took the pitchout from QB Pounds and raced 18 yards to the Owls 20-yd. line and another first down. With the game getting to the final stages, the Owls were calling time out to stop the clock. From this point, FB Cornish carried for three yards, and QB Pounds added three more. Then, HB Rea got bottled up near the line of scrimmage, reversed his field and cut outside and was run out of bounds on the Owls 6-yd. line.

With only 26 seconds on the clock, the Cyclone ran a sweep around left end and TB William Welch carried into the endzone for the score. The bad snap from center messed up the try for point.

With 20 seconds left on the clock, Hall kicked the ball off short to prevent any runback, and as breaks would have it, the ball bounced off a Hale Center lad and Welch recovered for Memphis. The Cyclone let the clock run out without putting the ball into play.

Cyclone backfield men, with the exception of QB Pounds had excellent per-carry averages. William Welch carried 10 times for 50 yards for a 5-yard average. Gary Rea carried 8 times for 47 yards for a 6-yard average. Kenneth Cornish carried 18 times for

Graveside Rites Held Wednesday For Irons Infant

Graveside services for Shawn Eli Irons, infant son of Mr. and Mrs. Dennis Irons of Memphis, were held at 10 a. m. Wednesday in the IOOF Cemetery at Lakeview with the Rev. Gene Jorgenson, pastor of the First Baptist Church of Memphis, officiating.

Funeral arrangements were under the direction of Spicer Funeral Home of Memphis. The infant died at 9:30 p. m. Monday in the Hall County Hospital. He was born Nov. 6, 1966.

Survivors, besides the parents, include brothers, Sherman Melton Irons, Kelly Cole Irons and Shane Lindsey Irons, all of the home; grandmothers, Mrs. Jeanette Irons of Memphis and Mrs. Faye Williams of Torrance, Calif.; grandfathers, Sherman Irons of Cumby and Walter Guy of Hedley; and a great-grandmother, Mrs. W. A. Guy of Hedley.

Pallbearers were Dunbar Posey and Morgan Dennis.

FINAL OUTING—Four Estelline seniors will play their last football game for Estelline High School Friday night when the Bears journey to Morse for the final game of the season. Seniors from left to right are Jay Holland, quarterback; James McMinn, center; Triston Mabry, fullback; and Gary Walker, end and fullback. The boys saw action in their last homecoming game last week when the Bears and Guthrie tied 20-20 in class B. eight-man football action.

Leadership Is Program Topic For Pathfinders

Mrs. Roy Guthrie was guest speaker at the Pathfinder's Council meeting held Tuesday, Nov. 8, in the home of Mrs. W. F. McElreath.

Mrs. J. F. McIntush, president, conducted a brief business session, and then introduced Mrs. Guthrie who spoke on "Leadership Development."

She stated that "all of us are leaders, whether or not we admit the fact or accept the responsibility. To develop better leadership we need to set our will to the task; we need to take account of our capacities and incapacities, and develop our potentials."

"We must catch a vision of service and set our ideals high. We must work with enthusiasm, joy, patience, sincerity, faith, grace and purpose. Our attitude toward our work determines our success," the speaker continued.

"We must be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble. Consistently we are making choices; these choices decide the way we travel, the degree of our success, the style of our leadership," Mrs. Guthrie concluded.

A tasty refreshment plate was served to Mrs. Mary Lou Erwin, A. Gidden, Sarah Hill, J. J. McDaniel, J. F. McIntush, J. R. Mitchell, and Fannie Mae Tiner and the following guests, Mrs. E. Lenoir, Mrs. G. M. Duren and Miss Ira Hammond, and the hostess, Mrs. McElreath.

Mrs. Roy Guthrie Reviews Book At WSCS Meeting

The general meeting of the Woman's Society of Christian Service met Monday, Nov. 7, for a covered dish luncheon and program.

Mrs. M. G. Tarver presided at the business session and announced that the Fall District Meeting was to be held Nov. 10 in Haskell.

Mrs. J. W. Oliver gave the devotional. After the social hour of the luncheon, Mrs. Wray Studstill gave an inspiring meditation in verse form, concerning an imperfect day of a Christian's life given back to the Lord.

Mrs. Roy Guthrie gave an excellent review of Bruce Barton's book, "The Man Nobody Knows," which is based on the life of Christ. It is considered the most successful religious book of our time, written after much researching through the scriptures and prayerful study.

The nucleus of the book is that to every man of vision comes a clear voice, and it is the supreme obligation of every Christian to leave the world better than he finds it. Mrs. Guthrie said, "Jesus promised obstacles rather than rewards. His rule is love."

Mrs. Tarver led in closing prayer.

Those present, other than those mentioned above, were Mrs. Bob Fowler, R. S. Greene, Mary Lou Erwin, David Hamblin, D. A. Neely, W. J. McMaster, J. P. Montgomery, Lee Brown, N. A. Hightower, Harold Smith, W. C. Dickey, Ed Hutcherson, Myrtis Phelan, Cyril Keith, Lloyd Becker, and F. W. Foxhall, and one guest, Miss Tommy Noel of Denton.

Mr. and Mrs. Herschel Combs visited in El Paso over the past weekend with their son and family, Mr. and Mrs. Adrian Combs and Debra and Kent.

JUDY BRUCE

Judy Bruce Named FFA Sweetheart For Memphis High

Judy Bruce was elected 1966-67 Sweetheart of the Memphis Chapter of Future Farmers of America in a meeting held Monday, Nov. 7. She will represent the chapter at the district FFA banquet to be held in Wellington, Dec. 12.

Judy, the daughter of Mr. and Mrs. Boyce Bruce, is a junior in Memphis High School. She is also a cheerleader.

Suzan Moreman was named runner-up.

Other business transacted at the meeting was the setting of rules for keeping pigs at the project area.

Ag. III presented the monthly program, with Mickie Nabers, Lanny Crow, Roy Long and Gary Rea playing guitars.

Wesley SS Class Meets For Regular Session Thursday

The Daughters of the Wesley Sunday School Class met November 3 in the home of Mrs. J. P. Montgomery with Mrs. Sara Hill as co-hostess.

After the business session, "Meditation and Prayer" was given by Mrs. W. V. Coursey. Mrs. T. J. Hampton read the scripture, Mark 10:42-52.

Mrs. Guy Cox discussed the topic, "The Six Steps of the Gospel," by Charles Allen.

Following the program, refreshments of pumpkin pie and coffee were served to Mrs. J. L. Barnes, W. V. Coursey, L. G. Cox, G. M. Duren, Clara Cummings, Mary Lou Erwin, A. Gerlach, A. Gidden, Bob Roberts, Louis Goffinet, T. J. Hampton, Guy Smith, D. M. Jarrell, W. F. McElreath, Art Miller, D. A. Neeley, Myrtis Phelan, Brice Webster, and Misses Ira Hammond and Neville Wrenn.

Mrs. Smithee turned the program over to the first grade students under the direction of Mrs. Glenn Bruce. They presented a play, "The Bookworm." Following the play, Mrs. Reba Stroehle, school counselor, gave an interesting talk on her duties. She explained that through a school counselor, a child that needs special attention can get that attention. She also gave several "do's and don't's" in rearing children.

Turkey Church Group Announces Bake Sale Nov. 19

The Ladies Auxiliary of Hope Baptist Church of Turkey will hold a bake sale Saturday, Nov. 19, in downtown Turkey, beginning at 10 a. m., according to an announcement today.

Everyone is invited to purchase their weekend baked goods from the Auxiliary. Advance orders may be placed by phoning 2288.

University of Texas students this fall have a new item for their wallets. A plastic identification card, bearing the student's name and social security number, serves as a positive and legible identification tool.

'Arts And Crafts' Is Program Topic For Delphian Club Meeting Nov. 1

Members of the Delphian Club met Tuesday, Nov. 1, in the home of Mrs. R. H. Wherry with Miss Maud Milam as co-hostess.

Mrs. Sim Reeves, president, called the meeting to order and led in the Pledge to the Flag.

The program on "Arts and Crafts" was introduced by Mrs. R. C. Clements. Mrs. Neal Hindman gave the meditation, "The Perfection of Art." She said, "Art is the creative effort of which the well springs life in the Spirit, which brings us at once the most intimate self of the artist and the secret concurrences which he has perceived in things by means of vision or intuition all his own."

"All that is good in art is the expression of one's soul talking to another and is precious according to the greatness of the soul that utters it. It is his skill and ability to make things as he wishes them to be that he rejoices."

Mrs. C. C. Hodges gave an informative talk on "The French Call Them Bibelots." She explained that bibelot collectors find curious and profound satisfaction in small, useless, decorative objects which delicately and persuasively enhance their surroundings.

"Bibelots are hard to define. First, they must be small, and certainly in present terms, totally useless. They must combine charm, whimsy, and luxury, and be at once endearing and decorative. Their value lies not in their worth but in their style, quality and decorative craftsmanship. An interior decorator feels that bibelots are the personality of a room and must be for personal pleasure," Mrs. Hodges stated.

Mrs. Jack B. Boone and Mrs. Clements concluded the program with a discussion on "Decoupage." Each speaker displayed examples of this art form, which involves sanding, gluing and varnishing of decorative pictures into attractive schemes.

Mt. Zion Church Missionary Society Meets Oct. 30

The Missionary Society of the Mt. Zion Baptist Church, Morningdale addition, held its fifth Sunday meeting Oct. 30 at 3 p. m.

The devotion was given by Mmes. L. Jenkins, Ola Boyd and Talber of Pampa. Mrs. A. B. Scott, Sr., gave the welcome and Mrs. Smiley of Pampa presented the response.

"Why Have a Missionary Society?" was outlined in seven reasons by Mrs. C. Washington. First was because Jesus Christ commanded that missionary work be done throughout the world. Upon His resurrection told the woman, "Go, tell"; Mary started telling the good news almost at the open tomb.

Secondly, the organization gets better work done faster, and covers a large territory. The third reason is organization represents opportunities to discover leadership and talent and to develop both.

Because the world needs evangelization and Christian civilization is the fourth reason. This cannot be accomplished by individuals alone, but through intelligent consecrated cooperation of Christian believers.

Fifth, every church needs an active missionary organization because it offers many opportunities for enlightenment of the objectives of the Christian Church. Sixth, the missionary society offers a great opportunity for ironing out inter-racial difficulties and misunderstandings. The women in the church of all races have more courage to meet the situation of the inter-racial front today than almost any other group in religious life.

Last, through the work and study of a missionary society, men, women, and children come to know Jesus Christ as their Saviour through which knowledge must come from the Kingdom of God. A beautiful solo, "A Charge to Keep I Have," was then sung by Mrs. Thelma Scott. Following the scripture by Rev. Long of Wellington, Rev. A. Yarbrough introduced the guest speaker, Rev. V. R. Gilmore, who gave the sermon.

Rev. L. B. Davis of Pampa gave the sermon, "Relationship Begat Friendship," using the Book of Ruth as his text.

The meeting was climaxed with a fellowship dinner.

Auxiliary President Elected At Reception

Reception honoring Mrs. Mary Dimmitt, Department of Auxiliary, was held Saturday at 4 p. m. in the spacious home of Mrs. Bill Boren.

This event was in conjunction with the fall convention of the District held here over the weekend. Hostesses were members of the Women's Auxiliary to the No. 1 Post 175.

Guests were greeted by Mrs. Boren and Mrs. Bill Boren, auxiliary president, and presented with red poppies and vials of perfume. Mrs. Robert Montgomery presided at the registry table.

Patriotic colors of red, white and blue were used in attractive decorations. Arrangements of red and white with blue and white trim were placed at vantage points throughout the entertaining suite.

13 Study Club Meeting Held Ferris Home

George Ferris was hostess of the 1913 Study Club on Wednesday, Nov. 2, at 3 p. m.

After a brief business session presided by Mrs. Herschel, and a report of the successful UNICEF drive sponsored through the sixth grade of Memphis Junior High School, Mrs. O. Helm introduced the program.

She stated that the members were to consider one area of convenience that save time and work.

Mr. Byron Baldwin opened program with an inspiring message in her "Recipe for Life," symposium then discussed "Fabulous World of Food." Her talk on "Convenience" Mrs. Joe Montgomery stated that today we have a choice of 1,000 items, two-thirds of which are new products or products that have been basically developed since 1946.

Mrs. Wray Studstill explored ideas in her discussion of "Fantasy About Food." The instance she gave was that states say it makes no difference whether bread, sugar or eggs are white or brown. Mrs. Oren told about "Packaging and Labeling," and the requirements of the Food and Drug Administration that set standards of identity and density.

The hostess served delicious refreshments to the above mentioned. Mrs. Guy Smith, R. S. Greene, L. G. DeBerry, D. L. C. Paul, Montgomery, John Parsonworth, W. C. Davis, R. Mark, Virginia Browder, T. M. Brown, Bob Hutcherson, and F. W. Foxhall and Miss Neville.

Turkey Baptist Church WMU Meets For Day Of Prayer

The WMU of the First Baptist Church of Turkey met Monday for day of prayer.

Following a covered dish luncheon a very interesting program was given on prayer.

Those attending were the following: Edna Blakney, Emma Denton, Mrs. Rice, Birdie St. Rath McKay, Dorothy Johnson, Erlene Walker, Louise Hamam and Eunice Christian.

Atalantean Club Plans Library Tea November 20

Mrs. Robert J. Hanvey, Jr., was hostess to a meeting of the Atalantean Club on Wednesday, Nov. 2.

Mrs. Milton Beasley, Jr., president, conducted the business session, in which plans were completed for the "Friends of the Library Tea" to be held Nov. 20 at the Carnegie Library building.

The parliamentarian, Mrs. H. B. Estes, brought to the club an instructive talk on "Parliamentary Law."

Mrs. W. R. Scott, program chairman, introduced the program on "Pearls of Agreement" by saying, "Many a fair pearl laid up in the bosom of the sea, that never was seen or never shall be."

The "Atalantean Prayer" was given as the invocation by Mrs. Robert Sexauer. Pledges to the flags were given, followed by the singing of the "Federation Song," accompanied by Mrs. Sexauer.

Mrs. Scott introduced Mrs. L. C. Martin, who gave an interesting talk on "Federation." In her discussion, Mrs. Martin stressed the advantages of being a member of Federation, saying that it brings broader contacts and broader viewpoints; offers diversified interest; provides avenues for worth-while service; stimulates growth; trains for leadership; helps mold public opinion; promotes friendship and understanding.

The speaker continued, "In our own club we should know its history, its goals, its projects, the value of club cooperation and the power of concerted action. I am asking all of us to consider the five A's of action—appraise, arouses assist, attend and attain. All are served up in the General Federation theme for the year—and the Texas Federation of Women's Clubs."

"Build with youth for a better world education—adult and youth—the challenge of tomorrow," Mrs. Martin concluded.

Delicious refreshments were served to Mrs. Milton Beasley, Jr., K. B. Chick, W. C. Dickey, H. B. Estes, N. A. Hightower, Claud Johnson, L. C. Martin, W. R. Scott, Robert Sexauer and Glynn Thompson, Miss Imogene King, and the hostess, Mrs. Hanvey.

Estelline P-TA To Sponsor Variety Program

Estelline P-TA will sponsor a variety program Monday, Nov. 14, at 7:30 p. m. in the high school auditorium, according to Mrs. Jimmy Gibson, president of the group.

Highlight of the evening will be the presentation of "Frankie and Johnny" by the P-TA members. Also to be featured is a "Calendar Girl Parade" and various numbers by the grade school children.

Admission is 50 cents for adults and 25 cents for children.

"We urge everyone to attend for an evening of good entertainment," Mrs. Gibson said.

About 30 per cent of Texas, or some 50 million acres, is under lease for oil and gas exploration.

The serving tables were laid with a red, white and blue styrofoam flag topped with net and lace. Matching candles in silver candelabra flanked the centerpiece. Cookies topped with red stars and red punch were served from silver appointments. Mrs. W. L. Dugger and Mrs. Joe Alard assisted in serving, and wore dresses and accessories in the party colors.

There were 45 guests registered for the occasion.

Mrs. Baskerville Is Hostess To Reapers SS Class

Mrs. Emma Baskerville was hostess to the Reapers Sunday School Class of the First Baptist Church which met November 7 at 3 p. m. Mrs. Tex Scott served as co-hostess.

The president, Mrs. Baskerville, opened the meeting with Thanksgiving greeting. Following prayer by Mrs. Alla Boswell, each member answered with an expression of thankfulness for the devotional.

A song, "For All the Blessings of the Year," was then sung by Hulda Wilson.

During the business session, Mrs. Boswell read the minutes of the previous meeting and the officers gave their reports.

The program chairman, Mrs. Grace Duke, introduced Mrs. Nettie Adams, who presented the story, "Never Too Old" by M. M. May.

The meeting was dismissed by prayer led by Mrs. Duke.

Refreshments of hot fruit punch and cake were served to Mrs. Margaret Holcomb, Nettie Weatherbee, Addie Wherry, Alla Boswell, Emma Calhoun, Maud Chaudoin, Edna Gilreath, Grace Duke, Tex Scott, Sarah Adams, Estella Jones, Addie Burnett, Bessie Spencer, Ethel Smith, Ora McMurry, Myrtle Crabb, Nettie Adams, Hulda Wilson, associate members, Mary Bownds and Mrs. Lee Thornton and the hostess, Emma Baskerville.

The next meeting will be December 5 at 4 p. m. in the home of Mrs. Edna Gilreath.

Former Resident Of Lakeview Dies October 29

Paul T. Moses of Boise City, Okla., a former Lakeview resident, died Saturday, Oct. 29, in Boise City following a heart attack.

Military services were conducted in the First Baptist Church in Boise City at 10 a. m. Tuesday, Nov. 1, with Bro. Wendell Taylor officiating.

Graveside services were conducted at 4:30 p. m. at the Lakeview Cemetery. Bro. Taylor and Bro. Russell of Memphis officiated. Interment was in the IOOF Cemetery.

Mr. Moses was born March 6, 1908, in Nacogdoches. He was an ordained Baptist minister and spent the early years of his life in the ministry, prior to entering the Armed Forces. He spent 17 years in different branches of the service, serving the last year in

the Air Force. Several years were spent in Alaska.

Before moving to Boise City, he lived and was employed in Lakeview.

He was a member of the First Baptist Church of Boise City.

Survivors include his wife, Delma; children, Paula Dale, Patrick, Michelle, LaRene, LaReacy and Dayma of the home, Mrs. R. B. Moore of West Palm Beach, Fla., Mrs. Don Reneau of Jacksonville, Mrs. R. B. Buckingham of Shreveport, La., Mrs. K. D. Hassell of Palestine and Paul Thomas Moses of Houston; Parents, Mr. and Mrs. D. M. Moses of Lakeview; two sisters, Mrs. H. M. Thompson of Lakeview and Mrs. Joe Watson of Panhandle; 15 grandchildren, and several nieces and nephews.

CARD OF THANKS

We would like to thank all our friends for their words and deeds of sympathy shown us during the loss of our loved one. Thank you; Bro. Tylor and Bro. Russell, for your words of comfort; the floral arrangements, the food, cards and calls.

May God's richest blessing be with you all.

Mrs. Claude Hickey was in Amarillo over the weekend and Monday attending market.

PORTRAIT—Miss Tommye Noel of Denton, well-known artist, is shown with Post Commander Ken Maddox. Miss Noel painted the portrait of Charles R. Simmons, one of the two works she has done for the Simmons-Noel Post here. The portraits were unveiled Sunday morning during memorial services.

Portraits Unveiled At Legion Ceremony

An outstanding feature of the program Sunday for the American Legion convention was the unveiling of the portraits of Charles R. Simmons and Patrick C. Noel, for whom the local Simmons-Noel Post 175 is named.

Simmons served in World War I and Noel served in World War II.

Roy L. Guthrie, chaplain of the local post and an intimate friend of the families of both men, conducted the ceremony. He stated that the events of this unveiling had unique proportions, of which he doubted any other post could boast. The post is named for two men; Miss Tommye Noel, sister of Patrick, is an artist and a portraitist of wide recognition; she painted pictures of the two honored men and presented them to the post.

When the Legion Hall was partially destroyed by fire, the pictures were ruined. Miss Noel, learning of the deep regret of the members of the Legion, and willing to serve generously, pointed two new portraits, and was again present for the unveiling ceremony.

Hershall Pounds and Ken Maddox unveiled the portraits.

Charles R. Simmons, machinist mate, first class, of the United States Navy, was born in Sherman

on Sept. 28, 1888. He volunteered for navy service when he was 18 years old. Among citations for work well done was his selection from a large number of men to attend a navy machinist school in Charleston, S. C.

He lost his life in the service of his country when his ship, the destroyer U.S.S. Jacob Jones, was torpedoed off the coast of Ireland by a German submarine on Dec. 6, 1917.

Patrick C. Noel was born in Memphis on July 12, 1920. During 1941, while he was a junior in A. & M. College, he and four of his friends decided to volunteer for service with the Royal Canadian Air Force.

A flight sergeant, he was operating in the capacity of a bomber pilot, when in an operational raid over Hamburg, Germany, he was killed in action on either July 28 or July 29, 1942.

Miss Noel, daughter of Thomas E. Noel of Denton, has painted more than 100 portraits. One of her latest achievements is the painting of the board of directors of the bank in which her father is interested. This ensemble, hanging on the wall of the directors' room, is the pride of the entire bank staff. She says that of all the pictures she has painted, the one in the sanctuary of the Meth-

UNVEILING—Roy L. Guthrie, Chaplain of the Simmons-Noel Post of the American Legion, is shown with Artist Tommye Noel, in front of a portrait of Patrick C. Noel, her late brother, one of two service men for whom the local post was named. She painted portraits of the two honored men and presented them to the post. Chaplain Guthrie conducted the memorial services during which the paintings were unveiled.

Meeting Called To Discuss Cotton Promotion

The continuing decline in domestic and foreign markets for U. S. cotton has resulted in the largest cotton carry-over on record—16.5 million bales on August 1, 1966.

Concern over this situation was a primary consideration in the passage of the U. S. Cotton Research and Promotion Act. Stated purpose of the Act is: "To enable cotton growers to establish, finance and carry out a coordinated program of research and promotion to improve the competitive position of, and to expand markets for, cotton."

"In order for cotton growers of this area to get information on the legislation," County Agent W. B. Hooser said, "an educational meeting will be held on November 15, beginning at 2 p. m. in the Board Room at the Plains Cotton Cooperative Oil Mill, 2109 Avenue A, Lubbock."

"A team of specialists from the Texas Agricultural Extension Service, Texas A&M University," he said, "will be on hand to explain details and answer questions relating to the proposed program." He emphasized the meeting would be educational and both the pros and cons, as established from four regional hearings and the legislation itself, would be discussed.

The Lubbock meeting is being held for the purpose of presenting information of assistance to cotton producers in making their decision on whether or not to accept the program.

Because of the importance of the legislation and possible resulting programs, the county agent is urging area cotton producers to attend the Lubbock meeting.

Mr. and Mrs. Floyd Miller and daughter visited here with friends last Monday and Tuesday. They were overnight guests of Mr. and Mrs. Joe Allard and family. The Millers have been living in Georgia and were en route to Tucuman, N. M. He works for the Bank Building & Equipment Co.

Mrs. Bobby Johnson and children of Iowa Park spent the weekend here with her parents, Mr. and Mrs. Ernest Murphy, and visited here sister and family, Mr. and Mrs. G. W. Lockhart.

Locals & Personals

Visiting in the home of Mr. and Mrs. Sam Jackson over the weekend were their daughter and family, Mr. and Mrs. Richard Hale and daughters of Parryton. Other guests were Mrs. Jackson's sister and brother-in-law, Mr. and Mrs. Marvin Brasher of Bowie.

MEMPHIS THE CYCLONE NEWS

By BILL COMBS
 fans and students realize that if the Cyclone wants to represent District 3-AA in any play-offs, the squad must defeat the well-coached and fiery bunch from Friona at Friona Friday night.
 Even though the local lads have cinched a co-championship regardless of the outcome Friday night, it is the feeling that to lose the Friona game would mar the image of a team who has fought tooth

and toe nail for what it has accomplished, winning most of the tough games in the final minutes, when any ball club must call on reserve strength and mental toughness to give that extra effort, which makes the difference between winning and losing.
 Workout schedules went on as usual this week with the lights coming on at Cyclone Stadium as the Memphis lads continue to polish their offensive and defensive skills. It has been my observation that the Memphis boys this season have spent many, many long hours on the practice field and give a good account of themselves while they are out there. Some days, workouts go better than others, however, the local boys have continued to work hard and are still trying to improve their play.

District Standings

	W	L	T	Pts	Op
1. Memphis	5	1	0	87	64
2. Abernathy	4	2	0	85	59
3. Floydada	4	2	0	99	49
4. Dimmitt	4	2	0	82	27
5. Olton	3	3	0	67	82
6. Friona	2	4	0	83	127
7. Hale Center	2	4	0	38	81
8. Lockney	0	6	0	40	116

ST TD—It was midway in the 3rd period before this occurred. Shown is FB Kenneth Cornish stepping over Owls' goal line against Hale Center Friday night. Cornish carried 18 times and was the leading ground gainer with yards for the Cyclone. The local team's 13-6 victory shed a co-championship honor and gave the Cyclone a shot at the title Friday night at Friona.

The Memphis Cyclone maintained the fourth ranking in Panhandle Area Class AA standings and is in third place behind Post and Denver City in the South Plains Class AA standings.
 A lot of talk has been going around this week about how a district championship would be decided should a tie result. Actually, the only way a tie could result is if the Chiefs dumped the Cyclone Friday night. This could result if the Cyclone had a bad night and wasn't mentally ready, for the Chiefs of Friona are a sound, solid, capable ball club. They gave Abernathy the scare of their lives last week in a high scoring contest 36-27, by scoring all 27 points in the second quarter of play.
 Should this happen, a lot would depend on the outcome of the Abernathy and Olton game. Olton could upset Abernathy if they

can stop Abernathy's running quarterback. Either Floydada or Dimmitt will be eliminated due to the fact they will be playing each other.
 The District 3-AA rules read, and I quote: "If two teams are tied on percentage basis at the end of the season the team that beat the other will be declared district representative and the two teams will be declared co-champions. If more than two teams are tied on a percentage basis, the District Representative will be declared by lot, and all the teams so tied be declared co-champions."
 What these rules state is that if Memphis is tied with the winner of the Dimmitt-Floydada (providing that Olton defeated Abernathy), then Memphis would represent district. If, however, Memphis, Abernathy and the winner of the Dimmitt-Floydada game were tied, percentage-wise, the lot would determine who would represent District 3-AA.
 I write this to show how important it is that the Cyclone, and fans, go to Friona Friday night with one thought in mind... BEAT PIONA! The trip is long, the weather will probably be wet and cold, but the stakes are just as high as they have been all season... the District 3-AA Championship and the right to represent the district at Bi-District.
 Coach Bert Glascock said early in the season, "We are going to play our games one at a time this season, preparing for them the same way as each and every one are important." Surprisingly enough, another prediction, "that the district championship team would not go through the season undefeated in district action," has also come true.
 After next Friday night's game, I have a real story to tell if we win the clear title to the championship. A story the record books will long remember and one that will read well in scrap-books.
 Our attention is focused on Friona, a team which has to be

County FB Delegation To Attend Convention

Hall County Farm Bureau will send five voting delegates to the 33rd annual Texas Farm Bureau convention Nov. 13-16 in Corpus Christi, according to Wayne Hutcherson, county president.

They are Robert Clark, James Richburg, Wayne Hutcherson, J. W. Longshore and W. M. Davis. Hall County's delegates, along with some 800 delegates representing 202 other county Farm Bureaus across the state, will vote to decide Texas Farm Bureau's policies for the coming year and make recommendations on national policies to the American Bureau Federation annual convention next month in Las Vegas.

Hall County, in its county convention held Oct. 22, adopted policies to the local level and made several recommendations to be presented during the state con-

vention. These resolutions include: recommendation that the processor pay for any increased research for farm and ranch products; opposition to any compulsory or voluntary check-off of farm commodities of which the Secretary of Agriculture is administrator; recommendation that all state and national leaders cooperate to prevent the purchase of excess right-of-way for state or national highways; recommendation that the National Cotton Council receive and control one dollar per bale voluntarily for research and promotion of cotton.

Also: recommendation of prevention of persons crossing state lines to incite riots or marches; opposition to the Texas Water Plan as it now stands; opposition to import of beef in excess of

that all cotton in government storage, except for national emergency, be sold on foreign markets; opposition to taking away the 7 percent investment credit allowance on equipment; recommendation of support of the Rural Electric System's Supplemental Financing Program, to provide for the growth requirements of rural electric cooperatives.

Guest speakers at the convention of Texas' largest farm organization are Gov. John Connally, Walter Randolph of Montgomery, Ala., American Farm Bureau Federation vice president; Jack Angell, Chicago AFBF radio-TV director. Texas FB President C. H. DeVaney of Coahoma and Waco will present his message to the convention Monday, Nov. 14.

Seven special conferences on commodities and other matters, and district caucuses fill the Monday afternoon agenda. Selection of the 1967 Texas Farm Bureau Queen highlights activities for Monday evening.

A special pageant, "Frontiers of the Future," will be presented Tuesday evening. Counties will be honored for membership achievements and public relations during the pageant.

The voting session begins Tues-

day, Nov. 16. Seven members of the board of directors will be elected.

County Convention

Other business transacted at the county convention of Hall County Farm Bureau was the election of new directors, including Clyde Collins, Robert Clark, W. M. Davis, Clinton Richburg, James Richburg, Tommy Foster, W. B. Davidson and Phaeton Alexander, all for two-year terms. Leon Helm was elected to fill the unexpired term of Arlie Shawhart, following his resignation at the first board meeting.

At the board meeting, Wayne Hutcherson was elected president of the Hall County Farm Bureau. W. M. Davis was named first vice president and James Richburg, second vice president. R. B. Phillips was elected as secretary and treasurer of the board for another year.

It was recently announced that the Hall County Farm Bureau completed its membership drive, gaining 173 new members to reach the goal of 500 members. Hall County was named as one of the top three bureaus in new memberships, along with Harris and Van Zandt counties.

THE DELICATE BALANCE OF FEDERAL POWER

The Marbury v. Madison decision of 1803 is probably the most important single U. S. Supreme Court decision in American history. In the decision, Chief Justice John Marshall set forth the "doctrine of judicial review" — the power of the Supreme Court to declare acts of the Congress or state legislatures unconstitutional. Chief Justice Marshall summed up the doctrine in one sentence, in words that have had a lasting impact ever since: "Carpenter all those who have framed our constitutions contemplate them as forming the fundamental and paramount law of the nation." Consequently, the theory of such government must be an act of the legislature, remnant to the Constitution, is

where does the Constitution specifically assign to the judiciary power to decide whether or not legislative acts are invalid. Marshall reasoned that the Constitution is superior to any act and that it is the function of the Supreme Court, when confronted with a test, to determine its unconstitutionality. "It is the province and duty of the judicial department to say what the law is," Marshall

the catch is this: The Constitution is open to the interpretation of lawmakers and the passage of years a succession of court decisions has given meaning to such words as "freedom of speech," "due process," and "commerce." Evolving interpretations of "commerce" provide a good example. The commerce clause of the Constitution empowers Congress "to regulate Commerce with foreign Nations, and among the several States, and with the Indian Tribes." But what constitutes "commerce"? In 1824, the Supreme Court decided that interstate commerce included transportation. Later, railroad transportation and the telegraph were included. In 1903, commerce also included "lottery tickets." In 1920, it included interstate commerce in goods produced by oppressive child labor. In 1924, the clause was interpreted so broadly that "public accommodations" were included under the scope of Federal jurisdiction in the Civil Rights Act.
