GRAND CHAMPION FLOAT—The Memphis Business and Professional Women's Club was awarded the trophy as entering the Grand Champion Float in the parade held here Saturday morning. The float featured the club colors of green and gold with models wearing formal in gold. Riding on the float are, left to right, Mrs. Roddy Waites, Jane Hoover, Suzan Moreman and Mrs. Robert Proctor.

Grover Moss Home Is Yard Contest Winner

The home of Mr. and Mrs. Grover Moss, located at 218 So. 12th St., was selected as first place winner for September in the beautification contest, which is being sponsored by the beautification committee of the Memphis Chamber of Commerce. Second place went to Mr. and Mrs. Larry McQueen, 920 No. 18th St., and third place to Mr. and Mrs. Eddie Foxhall, 121 N. 10th St. The announcement was made this week by Mrs. D. L. C. Kinard, chairman of the committee.

Judges for the September contest were members of the 1913 Study Club, and included Mrs. Frank Foxhall, Mrs. Ralph Williams and Mrs. Dennis Ward.

Honorable mention went to the following homes: Mrs. J. P. Montgomery, 1220 Main; Gip McMurry, 703 S. 8th St.; Mrs. Winifred Wilson, 721 Cleveland; Orval Phillips, 1025 N. 17th; J. U. Dennis, 803 Brice; M. M. Shirley, 302 S. 7th; G. M. Duren, 720 S. 8th; J. W. McMaster, North 10th St.; Mrs. Carl Smith, 115 Montgomery; John Shadid, 602 S. 8th; Cleve Evans, 221 N. 10th; Mrs. Dorothy Duncan, S. 11th for the flowers in yard.

Honorable mention in Morning-side went to Rosalie Smith, Coach George Berry, Jessie Pratt.

Best kept alleys included between 16th and 17th, May and High; between 12th and 13th, Bradford and Brice, and 11th and 12th, Montgomery and Bradford.

The score card for judging gave the following: flowers, 20 per cent; shrubs and trees, 20 per cent; lawn and grass, 20 per cent; and overall appearance, 40 per cent.

"The beautification committee of the Chamber of Commerce wishes to thank all citizens who had any part in making this project successful; all the judges from Hedley, Lakeview, Estelline and Memphis for their untiring efforts to judge sincerely and honestly; the Democrat for its wonderful cooperation in publicizing the results; the 1913 Study Club for the handbills distributed, and the colored pictures to be presented each first place winner; and the

Boy Scout Troop 35 for the distribution of handbills. To all of these groups we are indeed grateful," members of the committee stated.

Members of the beautification committee of the Chamber of Commerce include Mrs. D. L. C. Kinard, chairman; J. R. Scott, Mrs. Bray Cook, R. L. Wells, Dr. Jack Rose and Mrs. Herschel Combs.

This will be the last month for judging of yards and the colored photos will be made and presented to first place winners in the near future by Mrs. Herschel Combs, president of the 1913 Study Club, Mrs. Kinard stated.

Honorable mention went to the following homes: Mrs. J. P. Montgomery, 1220 Main; Gip McMurry, 703 S. 8th St.; Mrs. Winifred Wilson, 721 Cleveland; Orval Phillips, 1025 N. 17th; J. U. Dennis, 803 Brice; M. M. Shirley, 302 S. 7th; G. M. Duren, 720 S. 8th; J. W. McMaster, North 10th St.; Mrs. Carl Smith, 115 Montgomery; John Shadid, 602 S. 8th; Cleve Evans, 221 N. 10th; Mrs. Dorothy Duncan, S. 11th for the flowers in yard.

Jack I. Davis Injured In Accident Tuesday Afternoon

Jack I. Davis, president of the First National Bank, received a painful back injury in an accident about 6:30 p. m. Tuesday. Davis and Charley Brown were digging post holes to build a fence on the Davis land, south of Memphis, when the accident occurred.

Mr. Davis received compressed fracture and is a patient in the local hospital. He is recovering nicely, but his injury is painful and he will be required to wear a cast, Mr. Brown said today.

McMurry Is Elected President Of Assn.

An estimated 3,000 persons were on hand at the Hall County Picnic celebration in the Memphis City Park Sunday. Even though the crowd was possibly the largest ever, the 3,600 pounds of barbecued beef was ample to feed all.

Those present at the picnic elected a slate of officers submitted by Jerrel Rapp of Estelline, chairman of the nomination committee.

County Judge E. (Gip) McMurry was elected president with Vera Tops Gilreath elected first vice president. Lester Campbell was named second vice president, Mildred Stephens, secretary, and

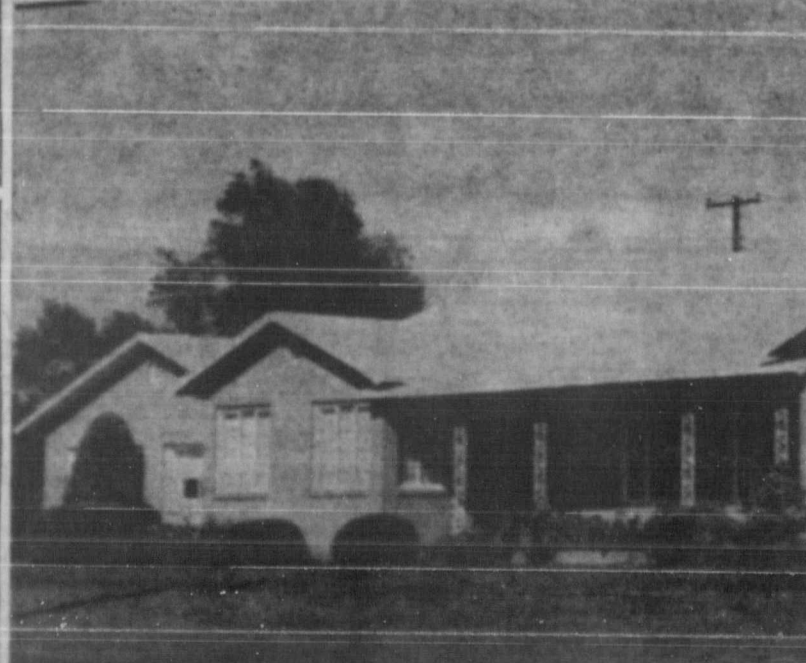

Buster Helm, treasurer.

These officers will head the 1968 Hall County Picnic Association.

One of the real entertaining spots on the program at the picnic Sunday was the hour-long concert presented by the Wills Family Singers.

Over 325 residents were present Saturday night at the Community Center to hear the Wills Family concert.

Members of the Hall County Singing Association, Ernest Lee, president, did a fine job of taking up tickets and ushering at the concert, Chairman Lester Jones, Jack Nelson, Roy Abram,

HOME BEAUTIFICATION WINNER—The home of Mr. and Mrs. Grover Moss, 218 South 12th Street, was selected as first place winner for September in the Home Beautification contest which has been sponsored here this summer by the Beautification Committee of the Memphis Chamber of Commerce with Mrs. D. The September judging concluded the contest. Judges were members of the 1913 Study Club.

Field Day Tour Set For Monday

Cyclone-Bobcats Tangle At Childress Fri. Night

The Memphis Cyclone will travel to Childress Friday night to take on the improved Childress Bobcats in the last non-district contest of the season for the local lads.

Coach Bert Glascock, in a serious, sober mood Wednesday night said he was expecting a hard game at Childress. "I'm worried about stopping Childress' offense," he said.

The score of the Childress-Wellington game didn't tell the story, he said. Childress fumbled the ball and lost it on Wellington's one-yard line, had another TD pass play called back, and their receivers dropped several passes when they were in the clear, and the only limited action against Wellington, he said.

"I feel that even though the Wellington team won the game 28-7, Childress is just as tough a team to beat as Wellington would be this year," he said.

About the local team, the Memphis coach said that physically, with the exception of William

Welch who is still bruised up, the squad is in good condition.

"What worries me is our mental attitude about the game . . . we have too many boys not willing to pay the price to score and win ball games. There is a noticeable lack of linemen who will stay after their men until the whistle blows, get the down field blocks and in general give that 100 per cent effort. If this poor mental attitude doesn't change, there will be a wholesale personnel shakeup in the Cyclone lineup," Coach Glascock said.

The coach went on to say he was well pleased with the performance and attitude of the defensive unit and the offensive backfield.

"Seniors have got to be the leaders of the ball club and we are lacking in senior leadership," he said.

About workouts this week, Coach Glascock said, "our boys (Continued on Page 12)

The highlight of the field day and tour of the Northwest Texas Research Demonstrations, Monday, Sept. 25, will be a noon luncheon at the "Big O". The luncheon will be furnished by the Memphis Chamber of Commerce and Hall County Board of Development.

Harold Hodges, president of the Hall County Program Building Committee, will have charge of the program. He will be assisted by J. G. Simmons, District Agricultural Agent from Vernon.

Ben Spears, Agronomist from Texas Agricultural Extension Service, College Station, Norman Brints, Farm Management Specialist and Emory Boring III, Area Entomologist, Extension personnel from Vernon, Larry Poole, Cotton Research Scientist and Dr. Calvin Orr, Nematologist, USDA Research Scientist, will be present to narrate the field demonstrations and to answer any questions from farmers or other interested persons.

The field day tour of result demonstrations in Hall County is an annual affair sponsored by the Texas Agricultural Extension Service, Memphis Chamber of Commerce, and Hall County Farm Bureau in cooperation with the Hall County Program Building Committee.

The Memphis Independent School System is furnishing buses for the transportation of farmers, businessmen, FFA and 4-H Club members and Research personnel on the tour. Three outstanding demonstrations on cotton variety research, grain sorghum research and cotton disease research will be studied.

Progress Report Received Here On Watershed

Henry Gregory, work unit conservationist of the Memphis work unit, SCS, has received a recent report on the progress of the Lakeview Watershed.

The preliminary draft will be completed about Sept 15, according to J. M. Woodson, work plan staff leader, with the Waco Planning Party.

The final work plan will have 25 flood water retaining structures, of which nine will be low dams; 18.8 miles of stream channel improvement; and 5.2 miles of flood water diversions.

Final land rights maps are being prepared in the Waco office and will be delivered to Paul Montgomery for securing easements in the next few weeks, Montgomery said.

Montgomery, chairman of the Hall County Water Control and Improvement Dist., said that the sponsors plan to have the work plan completed and to the Congress in Washington in January, 1968.

The sponsors are anxious to get the plan approved so that construction work can begin during the summer months.

J. F. Capwell Dies, Services Held Mon. In Travis Baptist

Funeral services were conducted at 3 p. m. Monday, Sept. 18, from Travis Baptist Church for James Franklin Capwell, 47, Rev. Leroy Gaston officiated.

Interment was in Fairview Cemetery under the direction of Spicer Funeral Home.

J. F. Capwell was born November 24, 1919, in Fannin County, Texas. He was a retired employee of the city of unray. A member of the Baptist Church, he was a veteran of World War II.

He passed away Friday, Sept. 14, in Northwest Texas Hospital (Continued on Page 12)

M. Paul Smith Is New Officer Of First State Bank

M. Paul Smith, long-time resident of Hall County, was elected to the position of vice president of the First State Bank in Memphis last Thursday afternoon, Sept. 14. The action was taken at the regular meeting of the board of directors of the bank.

At the same time, G. M. Duren was named cashier of the bank. He is also serving as vice president. The vacancy of cashier occurred recently when H. J. Howell resigned.

Vice President Smith has been serving as a director of the bank for the past five years.

Other officers, in addition to Duren and Smith, are: L. C. Martin, president; Danny Seabrough, assistant vice president; and Stars Johnson and Sylvia Alewine, assistant cashiers.

Pony Express Tourney Won By Childress Team

A large crowd was present to watch the Memphis and Childress teams start the Pony Express tournament Saturday afternoon, with each team running in a round robin run-off for a winner in the exciting new arena entertainment, a spokesman for the Memphis Trail Riders stated Wednesday morning.

Estelline Parent-Teacher Assn. To Present Womanless Wedding Sept. 28

The Estelline Parent-Teacher Association will present a "Womanless Wedding" on Thursday evening, Sept. 28, Mrs. Joe Kent Eddins announced this week.

The program will be held in the high school auditorium in Estelline, and curtain time is 7:30 p. m. The public is cordially invited to attend. Tickets are 50 cents for adults; 35 cents for students from the 7th through the 12 grades; and 25 cents for students from the 1st through the 6th grades.

Ted Bruce will portray the part of the bride while the groom will be Jimmy Don Adams.

Other members of the wedding party will include: David Haynie, Clarence Wooten, Max Jenks, Mr. Powell, Rabb Holland, Charles Floyd, John Chaudoin, Elmer Ward, Gerald Fowler, Rayford Jones, Jack Nelson, Roy Abram,

Gene Jouett, Harold Burk, Randy Collins, Paul Collins, Bueal Davis, Don Ferrel, Jimmy Diggs, J. D. Cox, Barry Kinard, Billy D. Bowman, Joe Kent Eddins, Harlan Hood, Archie Mahan and Jack Kinard.

Music for the occasion will be furnished by the Lemmon Sisters. Musicians will be Jerrel Rapp, Zipp Durrett, Noel Clifton and Cherri Rapp.

Mrs. Eddins said rehearsals are now underway and it is likely several other members will be added to the cast this week.

"We want to invite everyone to come out and see this hilarious production. We know those who attend will enjoy the production and have an evening of fun," Mrs. Eddins stated.

Proceeds will be used by the PTA for some worthwhile project.

Coppedge To Move To Muleshoe Soon

The board of directors of the Hall County Electric Cooperative, Inc., accepted the resignation of Manager J. W. Coppedge effective Oct. 1, 1967, at a meeting Friday.

J. P. Parker, who has been serving as line superintendent for the cooperative, was promoted to the position of acting manager at Friday's meeting.

Mr. Coppedge, who has completed 15 years service as manager of the local cooperative, has accepted the position as manager of the Bailey County Electric Association, which not only supplies rural electric service to its five-county area but also operates a rural telephone service.

Coppedge announced this week he will move to Muleshoe to take over his duties on Oct. 1, and Mrs. Coppedge and their daughter, Kay, who is a junior at the local high school, will join him at the close of the first six weeks of school.

J. W. is presently in his second three-year term on the Memphis School Board, is a director of the Memphis Chamber of Commerce and Hall County Board of Development, and is serving as chairman of the agriculture committee of the organization.

"I want to express appreciation for me and my family for the consideration which has been shown us during our stay in Hall County," Coppedge said.

Coppedge is also serving as chairman of the Board of Stewards of the First Methodist Church.

He is a life-long native of Hall County, having been born and reared in Estelline and is a graduate of Estelline High. He was a four-year letterman at Estelline High, graduating in 1934. Then he attended Kilgore Junior College where he participated in three sports, and upon graduation, accepted an athletic scholarship to S. M. U. where he graduated in 1940.

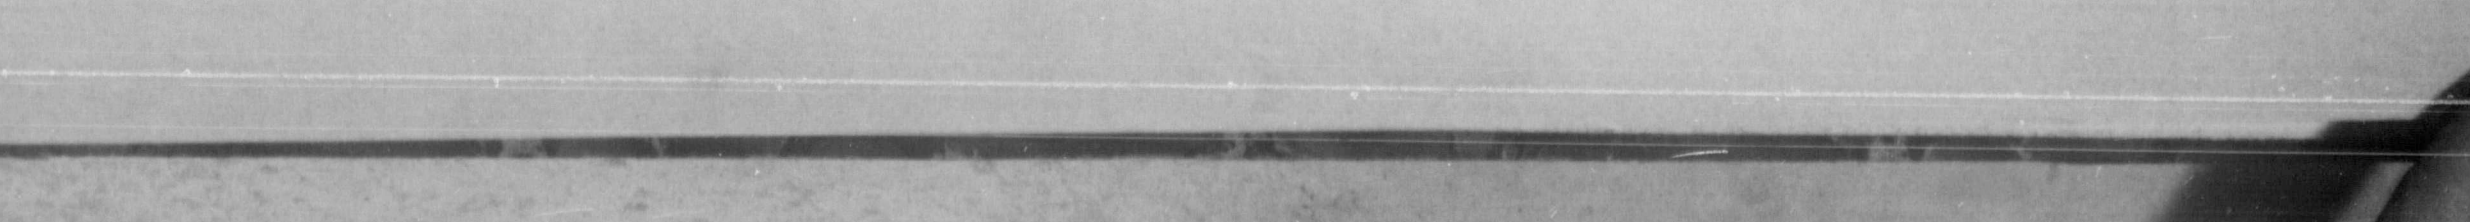

In 1941 he served as a teacher and coach in Ferris, Tex., and the next year he served with the school system in Grand Falls. He entered the U. S. Navy in 1942 and was discharged in November, 1945, as a first class pharmacist mate, with 19 months overseas duty in the Pacific Theatre.

Upon his release from the Navy he came back to Hall County and ran for the office of tax assessor-collector, a position he held for part of three terms. He resigned the office to accept the manager's position with Hall County Electric Cooperative, in 1952.

He married the former Nita Bess Daniel in Memphis in 1947, and the couple have a 16-year-old daughter.

Nita Bess has been active in church work, the Atalantean Club, P-TA, and numerous community projects and youth recreation work here.

J. W. has served as president of the Memphis Lions Club, Memphis Country Club, Memphis Chamber of Commerce, and fund raising chairman of almost all drives held in Memphis at one time or another.

HOME BEAUTIFICATION WINNER—The home of Mr. and Mrs. Grover Moss, 218 South 12th Street, was selected as first place winner for September in the Home Beautification contest which has been sponsored here this summer by the Beautification Committee of the Memphis Chamber of Commerce with Mrs. D. EDITORIAL

Is A Hall County Heritage Hall Necessary?

A project to raise funds for the purchase of the old First National Bank building for a permanent home of the Heritage Hall for Hall County citizens, a public free museum, was launched Tuesday, which raises the question to our citizens, "do we really want a permanent Heritage Hall had enough to contribute our money to its establishment?"

As of this writing, the lavish displays which were set up in the old First National Bank Building, which were viewed by approximately 2,000 persons during the past week, have been returned to their rightful owners. Citizens from 70 towns and representing over 10 states viewed the first Heritage Hall display, which came close to rivaling the free barbecue in the number of active participation this year.

"Promise to Pledge" sheets were put into circulation Tuesday at the noon luncheon of the Memphis Rotary Club by Byron Baldwin, the chairman of the Heritage Hall project which contained this financial challenge to our citizens: "A Committee of Hall County people is seeking to determine the number of people interested and the amount of money that could be raised, over a 10-year period, toward the purchase and/or maintenance of a Hall County Heritage Hall (a public free museum)." By signing the pledge a citizen will indicate his interest and his intention of donating \$100.00 (or more if he wishes) in a lump sum or as little as \$10.00 per year, if called upon.

Within one hour after the project was introduced in Memphis, approximately 25 signatures were affixed to the above pledge sheets and 50 more pledge sheets were mailed out all over the county to citizens who have indicated some interest in this countryside project of establishing a museum in Hall County.

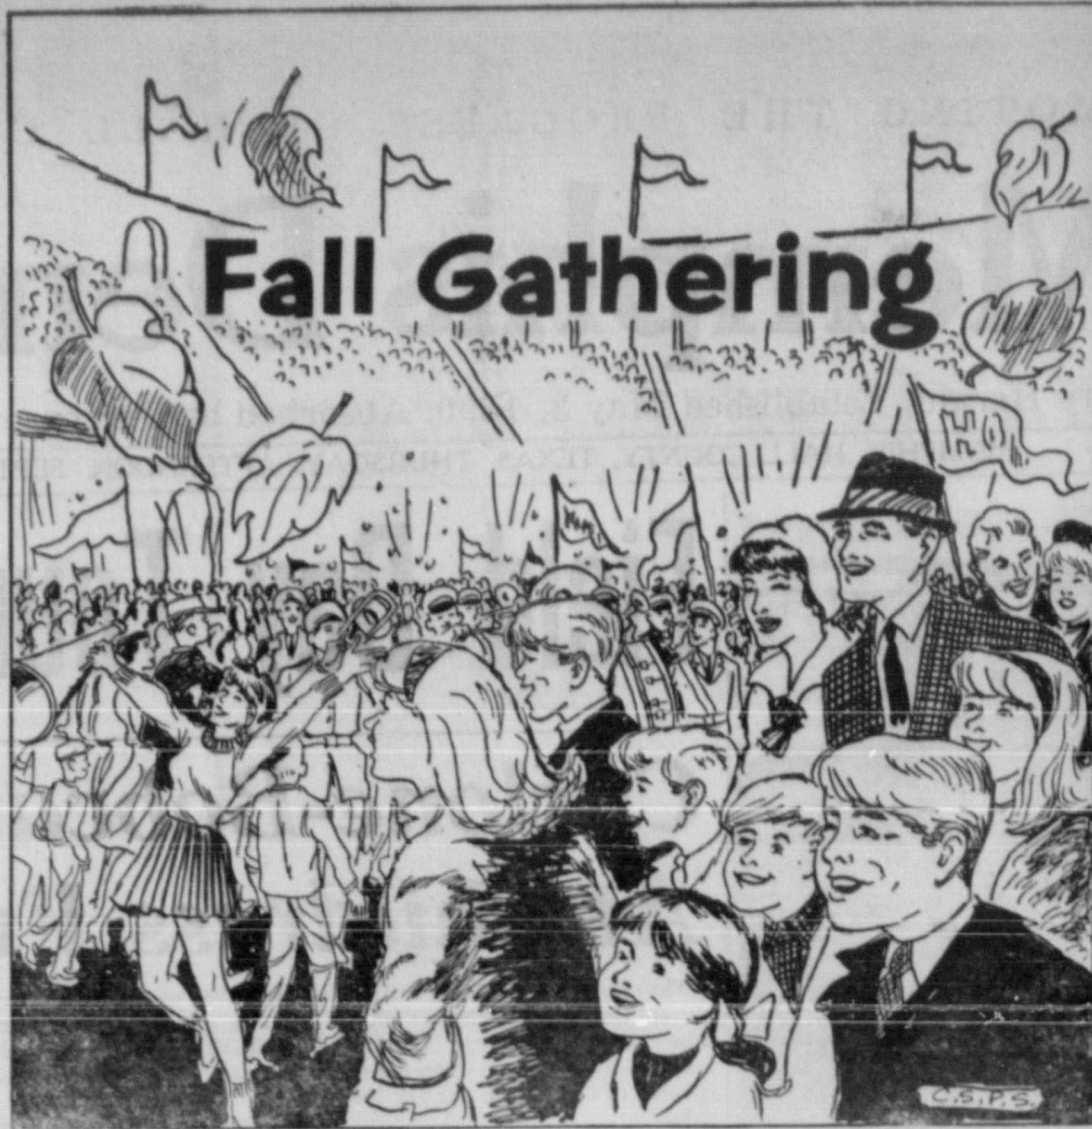

It is beyond the scope of this editorial to go into the tremendous response of viewers at the Heritage Hall during the 77th birthday celebration in Memphis. But the impact on our citizens, old and young alike, was heartwarming to those who worked on the project. Several school classes toured the displays and were so impressed with what they saw that they went home full of questions to their parents concerning early-day Hall County.

The strength of the Heritage Hall this year was in the response of the entire citizens of the county. Displays from the Lakeview area, Turkey area and Estelline area were just a prominent as were Memphis displays, and visitors from all over the county were high in their praise.

The question was raised during the viewing of the displays why the Heritage Hall could not be made a permanent museum for Hall County. The county's alive with historical relics of the famous era of cowboys and Indians, cattle drives, and pioneer farm families who plowed under the virgin grassland which was once the home of buffaloes, prairie wolves, and nomadic Indian tribes.

If a museum was established here, Memphis and Hall County could boast of a fine tourist attraction and take a gigantic step toward preserving a hasty era in our earlyday history.

We feel that our citizens can well afford the financial obligation toward establishing this museum and feel that the need is paramount if we are to continue to be recognized as a progressive county which takes pride in its heritage and its citizens, both past and present. We would urge our citizens to consider this project and step forward with financial support and later, with interesting historical contributions to a Hall County Heritage Hall.

What Other Editors Say

Passing of an era
Another freedom has gone down the drain—the freedom to write in a person's name when voting for candidates to various political offices.

Of course it will eliminate the joker who likes to scratch every one and write in "John Doe" for the heck of it, but it does eliminate the bonified voters who want a certain candidate above all those listed on the ballot. Many city and school elections have been upset by this method...but no more.

Of course, the alternative is for people to take an interest in elections before they happen and get behind a bonified candidate of their own and not wait for a last minute decision. If you are not that interested in your own elections, perhaps it is just as well that you must make your choice from the slate presented or g... fishing on election day.

Next year we have all kinds of important elections coming up which include city, school, county state, and national elections. Now is the time to start doing some serious thinking about candidates you would like to see running for these offices.

Another judo chop

The U. S. Postal Department well knows where its deficit lies and, in all fairness, is seeking to correct it. However, a Congressional Committee is saying no and is attempting to force you and I

to pay the bill.
The Post Office Department says junk mail is costing them money and has asked that the postage in that area be raised. The Congressional Committee says we won't do it, instead we will raise first and second class mail to offset the deficit.

What does this mean? It will mean you will be paying higher postage rates on first class mail and higher subscription prices on your favorite magazines and newspapers. In other words, you will be financing the cost of "junk mail" that comes to your post office box unwanted and unsolicited.

There are the facts. If the Congressional Committee succeeds in getting across its proposed postal rate hike first class and magazine and newspaper costs will go up and you can expect to find the junk mail in your post office box doubled and you will be paying the postage on it.

"Sold on the cleanliness!" says Mrs. John Barrows of San Angelo, Texas. The Barrows have lived in total-electric comfort for almost three years, and are pleased with the living! Pleased that it is so clean... less dust. Pleased with the electric cooling and heating because it does such an "excellent job." Pleased that they can set the temperature controls one time in the summer, and one time in the winter and a constant temperature is maintained. The Barrows are pleased that there have been no service problems with the heating or cooling units, no cold spots in winter or hot corners in the summer. Both are especially pleased that the electric

**New Oldsmobiles
Now On Display At
Ward Motor Co.**

A new power train concept for the 1968 model Oldsmobiles will give the owner additional benefits in midrange performance, fuel economy, quietness of operation and durability, it was announced this week by Dennis Ward, Oldsmobile dealer.

In addition, he revealed a performance option and substantial improvements in the front-end drive Toronado, the development of a brilliant new front-end look for the 88's and 98's, and a completely changed appearance for the F-85, Cutlass Supreme, and Vista Cruiser.

Of particular interest, Ward said, are the two-door models in the Cutlass Series identified as Coupes. We expect this line of coupes, pillar, hardtop and convertible, to augment Oldsmobile's gains in the youth market.

The Cutlass 'S' coupe, he said, "is youthfully styled, agile performance and may be customized with the use of any one of our engine-transmission combinations."

In addition to the higher driving torque of the new engine, transmissions have been recalibrated for additional torque multiplication and drive axle ratios have been lowered.

All new Oldsmobile engines meet the requirements of the 1968 federal emission law through use of the Oldsmobile-pioneered combustion control system.

Refreshments afloat? Ever get hungry in a boat? Then take along a few hard-boiled eggs. They make a good mid-morning snack. Also, a small can of tomato juice will allay both hunger and thirst.

NEW FOR '68—Pictured above is one of the new Oldsmobiles, the Delmont 88, featuring a long list of mechanical improvements, which is carried throughout the line. Engines go from 350 cu. in. to 455 cu. in. in the V-8's. The new Oldsmobiles are on display now at Ward Motor Co. in Memphis.

ed behind twin grilles which retract upward with lights on.

"A softer ride with smoother movement over bumps has been achieved in the 1968 Toronado," he said, "while retaining the unexcelled handling characteristics for which this car is noted."

"An extremely important part of our 1968 product story," Ward said, "is the engineering concept adopted for all Oldsmobile power trains, which provides better fuel economy, improvement in mid-range performance and quietness of engine operation."

In addition to the higher driving torque of the new engine, transmissions have been recalibrated for additional torque multiplication and drive axle ratios have been lowered.

All new Oldsmobile engines meet the requirements of the 1968 federal emission law through use of the Oldsmobile-pioneered combustion control system.

REFRESHMENTS AFLOAT

Ever get hungry in a boat? Then take along a few hard-boiled eggs. They make a good mid-morning snack. Also, a small can of tomato juice will allay both hunger and thirst.

To Everyone:

Would like to give our version of the 77th Hall County Celebration.

It was wonderful. And so wonderful to see so many of our old friends and neighbors; so many we didn't get to see since we were somewhat handicapped. I had only been out of the hospital a few days. But we want to thank Helen Ballew and Lucile Burnett for putting us in Helen's car, and the fine lunch the fire boys brought out there to us. The meal was delicious.

Thanks again and again for everything, you friends and neighbors.

New Chryslers For '68 On Display At Hickey Motor Co.

The successful pattern of evolutionary styling which has characterized Chrysler for the past several years is continued for 1968, stated Gerald Hickey, owner of Hickey Motor Co., local Chrysler dealer.

Styling improvements have been made to the front and rear, a new roof is provided for three different hardtops, and several convenience features have been added to the line, which went on sale late last week.

Refinements which make each of the 15 models more luxurious and the styling changes establish strong identity for each of the five series: Newport, Newport Custom, 300, New Yorker, and Town and Country Wagons.

"In planning the 1968 Chrysler we have followed the pattern which for the past several years has contributed to the increasing popularity of these cars," said Hickey. "The changes have been made only when they improve the total appearance or performance of a particular model."

The sporty 300 series, available in convertible, two-door and four-door hardtop models, offers for the first time headlamps which are concealed behind movable doors which match the rest of the grille. The 300 four-door hardtop has a new roof, as do comparable models in the Newport and Newport Custom series.

The high-speed performance of the 4-barrel 383 cubic inch V-8 engine, an option available on Newport, Newport Custom and Town and Country Wagons has been increased by adding a new intake manifold, an air valve carburetor, a low-restriction dual exhaust system, and cylinder heads previously used only on the high performance 440 TNT engine. Combustion chambers have been modified to reduce exhaust emissions.

There are similar combustion chamber improvements on the 440 cu. in. engine, which also incorporates the 440 TNT cylinder heads. The 440 is standard on the optional on Town and Country

300 and New Yorker models, and Wagons. The high performance 440 TNT engine, an option available on Newport, Newport Custom, 300 and New Yorker, incorporates an air valve carburetor an oil pan windage tray and combustion chamber modifications to reduce exhaust emissions.

An optional automatic speed control unit, vacuum-actuated, is controlled by a pushbutton and knob on the end of the turn signal lever. It enables the driver to maintain constant speed. The unit disengages automatically when the brake pedal is depressed. Rotation of the resume speed knob after the brake is released automatically returns the car to its previously set speed.

Added to the 14 safety items introduced on all models last year as standard equipment are nine additional items or improvements in equipment for occupant safety which will be standard in 1968. The Cleaner Air System is also standard on all 1968 models.

New Chevrolets On Display At Ward Motor Co.

A new peak in individuality among Chevrolet's six car lines was reached for 1968, according to an announcement early this week by Dennis Ward of Ward Motor Co., local Chevrolet dealer. The new cars are on display in the showroom of the company at 217 Boykin Drive in Memphis.

"Each of our automotive 'families' has a distinct pace-setting personality with features that fulfill its market," Ward said. "This matches the growing customer desire for one-of-a-kind cars built in mass production."

A total of 41 new Chevrolets, including Camaro, Chevy II, Corvair and Corvette models go on display on Thursday, Sept. 21. Highlights include:

All new advance design bodies for the Chevelle, Camaro, Chevy II and Corvair, with introduction of two wheelbases within the Chevelle line.

A longer, more luxurious regular Chevrolet, new sportiness for Camaro and continued stress on the special features offered only by Corvair.

Important safety improvements, exhaust emission controls, and anti-theft provisions are standard equipment on all models.

Improvements in ride, handling and performance including a larger base V-8 engine for the regular Chevrolet, Chevelle and Chevy II.

Safety improvements range from energy-absorbing front seat backs and safety armrests positioned to shield door handles to seat belts for all passenger positions and exterior side marker lights. (See detailed separate list.)

Here are principal features of each Chevrolet line:

Increased length and new front, side and rear styling reinforce the "big car" of the industry's top selling car, offered in 18 mod-

1968 CHEVROLETS—Chevrolet's new look for 1968 begins up front with a smart new grille and hood that conceals the windshield wipers. Recessed taillights in the rear bumpers and new body side lines are smart styling features as shown above on the Caprice Coupe. The new Chevrolets will be on display today, Sept. 21, at Ward Motor Co. showroom here.

els in four series on a 119-inch wheelbase.

A new front bumper has a central bar that splits the grille horizontally. Concealed headlamps are introduced as an option for Caprice models. Windshield wipers hidden beneath the cowl when not in use are standard on all models. Left hand blades are articulated for increased wiping area on the driver's side.

Refined body mounting and other chassis improvements give a smoother, quieter ride. The base V-8 engine is increased to 307 cubic inches, developing 200 horsepower. A 327 cubic-inch V-8 which also uses regular gasoline is introduced.

A 250 cubic inch base six and three other V-8's up to 427 cubic inches give a horsepower range from 155 to 385. Five transmissions include Turbo Hydro-Matic which is offered in 1968 with all V-8's on top-of-the-line models.

An all new aerodynamic body incorporating the design of the experimental Mako Shark II is offered by America's only mass production sports car in its 16th year on the market in the Corvair.

The slim-waisted fiberglass body sweeps back to a short deck

with a flared rear spoiler. Large circular tail lamps retain Corvair's identity.

A higher capacity electrical system, wider tread and wider wheels and tires are among engineering improvements. Four-wheel disc brakes again are standard.

Five V-8 engines offer a horsepower range from 300 to 435. Turbo Hydro-Matic is the automatic transmission option on 1968 Corvettes. Three- and four-speed fully synchronized transmissions are offered.

Fourteen models in four series include two new value leaders—a 300 Deluxe two-door hardtop and a two-seat station wagon named "Nomad" which replaces the Chevy II station wagon are now in the Chevelle line.

Chevrolet's new 307 cubic inch engine is the base V-8 for all but SS models. Two sixes and six V-8's give horsepower from 140 to 350. Five transmissions are offered.

After scoring a strong success in its first year on the market and climbing to second place in sales among all domestic small cars, Camaro has added appeal in 1968.

Again offered in a sport coupe and convertible on a 108-inch wheelbase, Camaro has full door

glass styling without vent windows and Chevrolet's new dual level "Astro" ventilation.

Relocation of shock absorbers and provision for greater ride travel are among chassis improvements. Two sixes and four V-8 engines with horsepower from 140 to 325 are available, plus four transmissions.

Chevrolet's popular small family car, the Chevy II, gets its first all-new body since introduction in

1962. It is longer, wider and lower and comes in two- and four-door Nova models. Wheelbase is one-inch longer at 111 inches.

Like Camaro, Chevy II offers a wide range of exterior and interior options so the customer can tailor his car to the desired degree of utility or luxury.

A four-cylinder, two sixes and three V-8 engines give horsepower from 90 to 295. There are three transmissions.

In its ninth year on the market, Corvair is again geared to the buyer who values its air-cooled engine and rear-engine traction and other special features. Two sport coupes and a convertible on 108-inch wheelbase continue the distinctive styling which has shaped Corvair's personality.

A new vapor return line for improved hot start and idle is added. Three six-cylinder engines from 95 to 140 horsepower are available, plus three transmissions.

Mr. and Mrs. Cecil Ginn of Dimmitt, Mrs. Lon Moore and daughter Mercedes, Mrs. Bobby Jack Maddox and daughter, Mr. and Mrs. Ike Noble and children of Lelea Lake, Mr. and Mrs. Gary McWhorter and daughters were visitors in the home of Mrs. John McWhorter and Joe David on Sunday.

'68s Top Secrets are here 1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE
There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

New Ministers For Jehovah's Witnesses Have Been Appointed For Local Group

The formation of the Memphis Congregation of Jehovah's Witnesses has been announced here with several new ministers having been appointed to assist in the oversight of the congregational activity.

A former resident of Amarillo, Jack Cobb, has been appointed as the presiding minister with Louis Feil and Stephan Lane as the assistants. Feil was formerly a California resident and Lane was instrumental in the building of the Kingdom Hall here in Memphis which was completed early this year.

Cobb was the presiding minister of one of the five units in Amarillo prior to moving to Memphis and is a graduate of the Kingdom Ministry School in New York. He is a full time representative of the Watchtower Society which sponsors more than 24,000 congregations throughout the world.

According to the new overseer the ministerial activity of some 16 members of the Memphis congregation will follow the pattern of Jehovah's Witnesses in 199 lands. All their work is voluntary with no paid ministers in the local congregation wherever they function.

Oversight of the congregational activity will be directed by a committee of three volunteers here in Memphis with Feil and Lane assisting the presiding minister. Five meetings will be held each week utilizing three days Tuesday, Thursday and Sunday. A systematic study will be conducted every Tuesday night at 8 p.m. and two hours of instruction will be held on Thursday evenings beginning at 7:30 p.m. to include a ministerial development school where each one in the congregation will engage in student presentations.

Every Sunday at 3 p.m. a one-hour Bible lecture will be presented which will include guest speakers from other nearby communities. Doctrinal subjects will be presented in the form of discourses using the Bible as the textbook. This will be followed each Sunday with an audience participation discussion of a subject taken from the Watchtower magazine, official journal for the international group.

MINISTRY—Stephan Lane and Jack Cobb, 503 N. 8th, are sharing in the ministerial activity of Jehovah's Witnesses here in Memphis where they now serve in overseeing congregational matters.

"Kingdom Halls such as the one here in Memphis have been described as a Bible-educational center for every community where they are located," Cobb indicated. "The free home Bible study courses that we are encouraging people to conduct in every family group enables each one to adhere more to Bible principles as a result of better understanding of the way Christians should be living their lives in these critical times," he added.

Kingdom Hall is located at 507 North 8th Street.

Randolph Gill, Former Resident, Dies In Calif.

Randolph Gill of Salinas, California, former Hall County resident and brother of Mrs. J. P. Parker of Memphis, died suddenly after suffering a heart attack while he and his wife were spending a week at their cabin on Clear Lake near Salinas Sept. 13.

Funeral services were conducted Sept. 15 at 2 p.m. at the First Baptist Church in Salinas. Mr. Gill was 54 years of age at the time of his death.

Two of Mrs. Gill's sisters, Mrs. Otha Gardenhire of Lakeview and Mrs. Nathan Payne of Amarillo, flew to California for the funeral services.

Bradley 3 Ranch Shows Jr. Grand Bull At Abilene

The Bradley 3 Ranch showed the junior and reserve champion bull at the West Texas Fair in Abilene recently.

The honor went to B3R Bardoliermere 6600, shown by the Bradley Ranch.

Richard Stotts, ranch herdsman, showed the grand champion heifer, Blackcap Empress of GW 476 of Garret Wynne Angus Ranch, Longmont, Colo.

At the Albuquerque, N. M., Show this past weekend, the Bradley 3 Ranch showed the junior champion bull and took first place also.

Richard Stotts, herdsman, also showed the reserve champion heifer and the reserve grand champion of the show.

The ranch took second and two third places with their herd in the group classes.

(The following letter was received by Kenneth Dale, mayor of the City of Memphis, and has been submitted for publication):

On US 287 North of Denver Sunday, Sept. 17, 1967 Mayor of Memphis Memphis, Texas Dear Sir:

May I compliment you on your splendid display of the United States flag in your town.

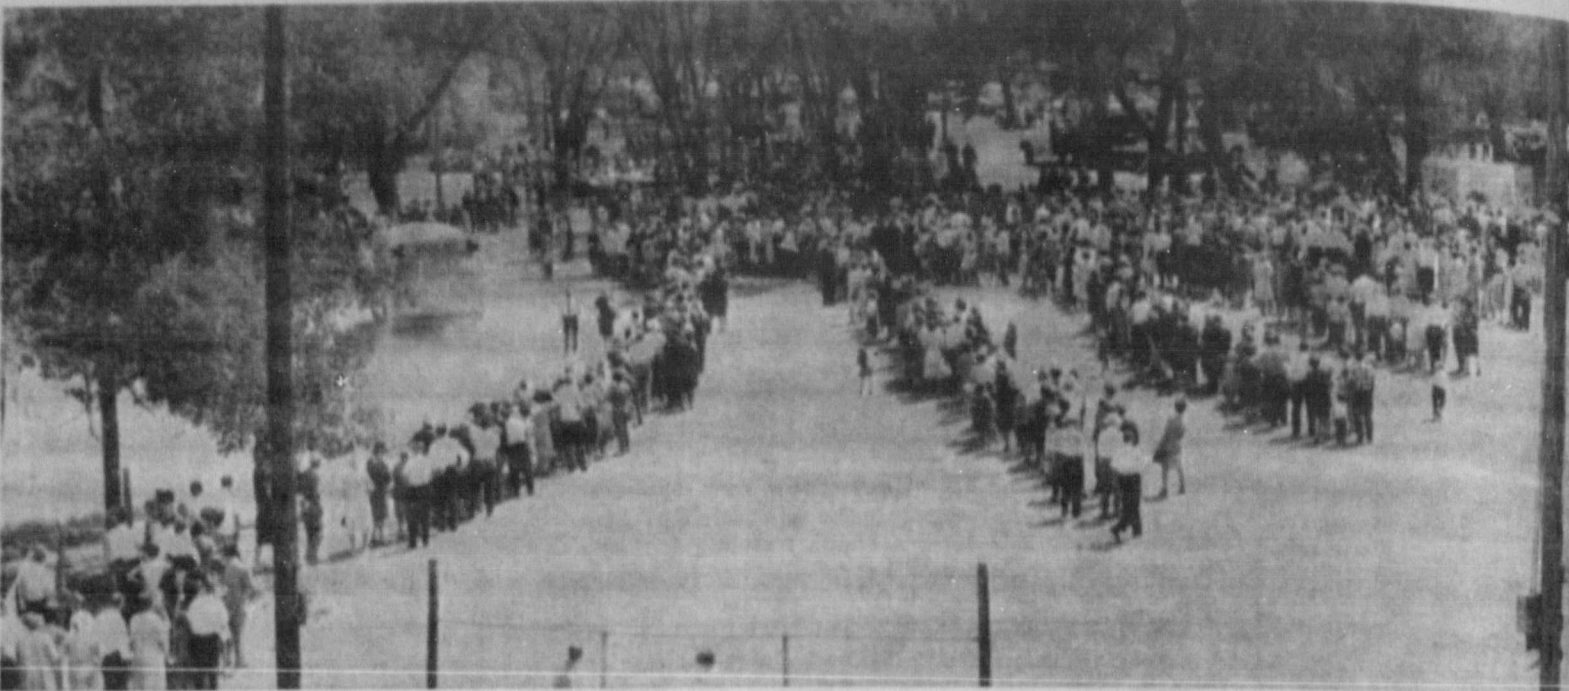

We just drove through town hunting the post office and were impressed by the number of flags in evidence.

In these days of draft card burning, draft dodging and insulting treatment of our country and flag, your town is a welcome and encouraging sight.

Very respectfully yours, C. J. D. Wade 6643 Ave. H. Houston, Texas

Memphis F. H. A. Outlines Plans For Program And Year's Activities

The state of programs and activities for the Memphis Future Homemakers of America were completed at an executive committee meeting Monday afternoon, Sept. 18, held in the Home-Making Department from 5 to 8 p. m.

A short time was spent for a social period while the officers enjoyed their own sack lunches, dessert of angel food cake, ice cream topped with strawberries, and iced tea, provided by the chapter advisor.

Vacancies which had occurred during the year were filled with the election of Carolyn Sparks as president, Jana Johnson as vice president, and Lynette Spicer as secretary. Serving in a newly established position as club parents are Rev. and Mrs. Virgil Sparks, Mrs. Jo Hawkins, and Mr. and Mrs. Carl Wood. Mrs. Milton Masley, Jr., present homemaker advisor, will be chapter advisor.

The club regrets the loss of Nancy Cleavinger who recently went to Lockney as homemaker teacher and F. H. A. advisor. Also Kay Coppedge, Kathy Gaston and Sharon Gaston who had been installed as officers, have moved or will move from Memphis. Suzan Moreman, a senior, will be presiding this year, while she is assisted by eight vice presidents, each of whom have duties delegated to their position in order to accomplish the goals of F. H. A. on a local, state and national level.

Programs headed by Bonnie Crabb call for guest speakers on several occasions, on the subject of Social Graces, Careers, as well as at the co-ed banquet in January. Prospective new members will be special guests at the first regular meeting which is on Monday night, Sept. 25, at 7 p. m. at the Park, where they will take part in a club Sing Song, be instructed on membership requirements and eat homemade ice cream. Membership and degrees achievement chairman is Nancy Voyles, who holds the title of chapter degree now, and is working toward the chapter degree and highest, state degree of achievement. Every member is eligible for this phase, it was reported. It requires establishing goals for personal improvement in family, school, church, and community and a well prepared record of the members' endeavors and seeking this goal.

Many will have the help of Mrs. Williams, a junior degree holder, Susan Clark, Homemaker representative, and Cindy Masley, Homemaker I-I class representative. October will bring the formal initiation of new members and the Declaration of Intent to work on any degree by a member.

The F. H. A. will operate on a raised from one or two programs now awaiting approval by the principal's office, and dues of \$1.00 received of each member, of which goes for area and affiliation. Irene Foxhall is in charge of fund raising activities.

Three out-of-town trips are planned with the Area II meeting in Amarillo, on March 16, for all members, the State meeting in Dallas on April 18-20 for only members and advisor and a Summer Workshop for incoming officers also in Amarillo.

Due to limited attendance at the State meeting, competition in the bid for this selection of members who will represent Memphis. To accomplish this honor point system has been established, and will be accurately recorded and the monthly leader points earned, will be featured in the H. A. Girl of the Month.

Details of this plan will be available at the coming meeting, it was announced. Renee Wood will keep tab on point accumulations.

Betty Shira will compile and print the yearbooks for each member. Ilene Hargrove will collect and disburse all monies. These two, and other officers selected costumes of red skirts and white blouses with emblems, to wear for all club functions.

All important, mothers were not forgotten, for they will attend a spring salad supper. The club will also cooperate with the newly organized chapter of Memphis Young Homemakers of Texas, in conveying to the community the proper importance of a good home life, to every individual in the world.

The F. H. A. display case proudly displays the third place ribbon awarded to their float entry in the Hall County Picnic parade Sept. 16. The float was a replica of both an old-fashioned and a modern home scene. Members expressed thanks to Melonie Gilbert who appeared as guest on the old-time scene, and to the many merchants and citizens who contributed items for the float, as well as the housing, trailer and tractor. It has been decided to enter the Hedley Cotton Festival parade, Oct. 14, accompanied by car loads of other F. H. A. members.

In an effort to remain unselfish, it was pointed out, the year's plans cover two gestures of love for fellowman. One will be a community-wide scavenger hunt

for canned goods to be presented to less fortunate people. Another, a morale building scheme for service men in Viet Nam, and possibly aid to an orphan child.

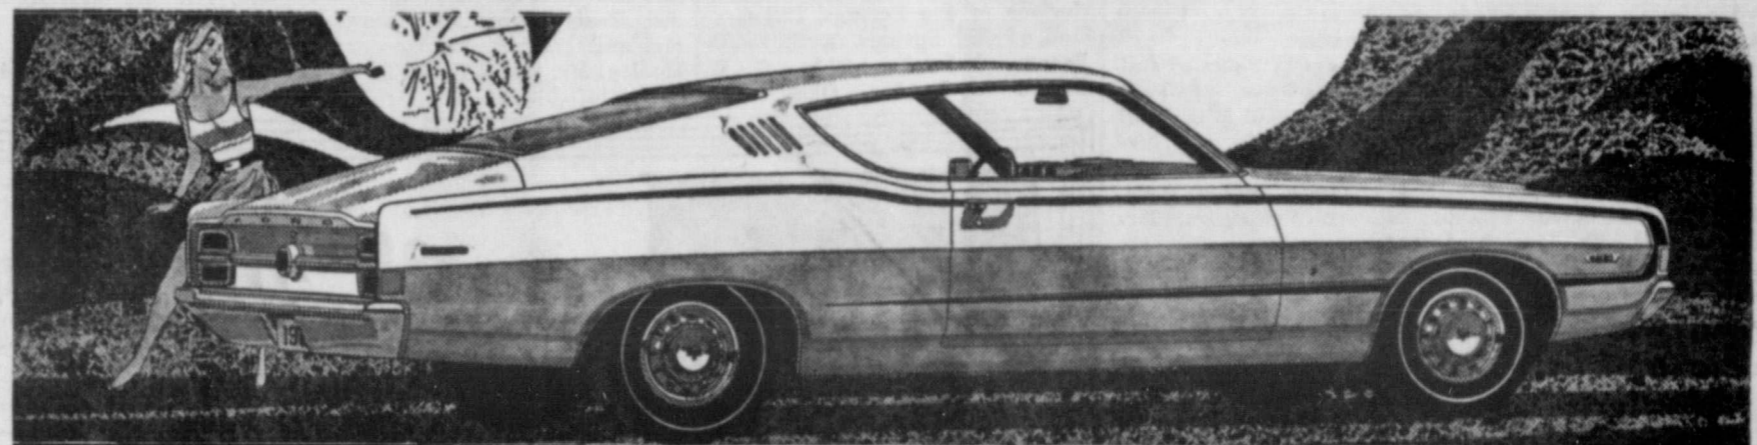

CARD OF THANKS

I want to take this opportunity of thanking my friends who came to see me and were so kind during my stay in the hospital. To the Hall County Hospital and its entire staff; to Dr. Clark, I appreciate him as he was always so kind, each nurse so very kind and pleasant. Thanks for words of comfort, prayers and cards and may I add a thank you for Noy Crabb who appreciates your prayers and cards and says please remember him. God bless each of you.

Over 2,000 Persons View Museum Display—

Heritage Hall Popular Celebration Attraction

Heritage Hall, which was set up in the old First National Bank Building for the Hall County Picnic, proved to be a popular attraction to the annual celebration with more than 1800 persons registering during the week, Byron Baldwin, stated this week. It is estimated that more than 2,000 persons saw the display since some people did fail to sign the register, he explained.

Among those registering were persons from 70 different towns and 10 different states, Baldwin said. Towns with the most people registering, other than those in Hall County, were Amarillo, Hedley, Clarendon, Childress, Wellington, Fort Worth and Pampa. Persons from Long Beach, San Fernando, Carlsbad and Palm Springs, Calif., also registered.

"We want to thank everyone who helped to make the historic display a success," Wendell Harrison and Byron Baldwin, chairmen, stated this week. "We especially want to thank the persons who brought in the displays, and the persons who helped set up the displays and those who kept the hall open during the week."

Mr. Baldwin said about 100 persons brought in items for the display and between 1200 and 1500 items were exhibited. Of this number not a single item was missing when we disassembled the exhibit tables, he stated.

Mr. And Mrs. Arthur Eddleman Observe 50th Wedding Ann.

Mr. and Mrs. Arthur Eddleman of Estelline celebrated their Golden Wedding anniversary Sunday, Aug. 27, at a reception in their home with approximately 200 friends attending between the hours of 2 and 5 p. m.

Guests were registered by Mrs. Fletcher Carter at a table covered with a cloth given to Mr. and Mrs. Eddleman as a wedding gift. A gold candelabra was the table decoration and complimented the gold guest book, a gift from their daughter. A decorative arrangement of gold bells, white and gold streamers and lawn candles directed guests to the register.

Mrs. Eddleman received her guests in a navy silk suit and wore a corsage of cymbidium orchids. Mr. Eddleman's boutonniere was a yellow carnation.

Family members were Mrs. R. Eddleman, W. F. Holland, Bertha Patterson, Mr. and Mrs. Clifford Young, Mr. and Mrs. M. N. Holland, Mrs. Rab Holland and Sarah Holland.

Gold and white linen covered the reception table that featured the anniversary cake. The three-tiered square confection was made by Mrs. A. M. Privitt of Childress and held a white wedding bell with streamers and the names of Mr. and Mrs. Eddleman on the top tier.

Antique cut glass was used in table appointments, the cake knife and server were also wedding gifts. The centerpiece was white carnations accented with gold held in a gold vase, a gift from Mr. and Mrs. Fletcher Carter of Childress. Assisting in table serving and other duties were: Mmes. Truman Merrell of Quitaque; J. P. Taylor and Gayle McPherson, both of Lockney; Gladys Stroup, Quitaque; Daisy Young and Fran Holland, Ft. Worth; Wayne Pigg of Kress; Helen Jefferies, Bowie; Rab Holland and Paul Collinsa both of Estelline. Bouquets of white carnations with gold accents decorated the home.

Out-of-town guests included

Messrs. and Mmes. M. N. Holland, Clifford Young, Ft. Worth; Bob Reeds, Plainview; Bill Prewitt, Albuquerque, N. M.; Fred Warren, Electra; Warren Merrell, Quitaque; Barney Martin, Plainview; Oral Orcutt, Childress; Herman Smith, Childress; Mmes. Mildred Steed, Fletcher Carter of Childress; Leo Jefferies, Bowie; Jack Raines, Willie Green, Minnie Copeland, Jackboro; John Jago, Frank Cox, Amarillo; Elma Powell, Lubbock; Misses Lauria Halford, Childress; Mary Gowan, Jackboro; Kate and Ethel Biggerstaff, Childress; Sue and Gena Pigg Kress; Katie Taylor of Lockney.

Also, Mr. and Mrs. Jake Merrell, Quitaque; Miss Katie Blake, Paducah; Mr. and Mrs. Bob Vaughn, Knox City; Mr. and Mrs. Jim Stroup, Quitaque; Truman Merrell and daughters, Quitaque; Vivian Merrell, Silvertown; Mrs. Lois Martin, Flomot; Mr. and Mrs. Clyde Hudson, Goodnight; Mr. and Mrs. Roy Jewell, Hedley;

Eloise Duke, Kirkland; Mr. and Mrs. Jack Davis, Wellington; Mr. and Mrs. Carl Morris, Clarendon; Mr. and Mrs. Charles Bairfield, Clarendon; W. L. (Pete) Rigsby, Childress; Mr. and Mrs. Ed Warren, Hereford. There were also friends from Memphis.

Arthur Eddleman and the former Miss Lura Green were united in marriage Sept. 2, 1917, in the home of the bride's parents, the late Mr. and Mrs. Bob Green of Estelline. Mr. Eddleman was the son of Mr. and Mrs. Rux Eddleman. Both families were pioneers of Estelline. Rev. M. A. Quindlen was the officiating minister.

Wedding guests were Messrs. and Mmes. W. L. Rigsby, Sam Cooper, T. N. Copeland, W. F. Holland, Curry Green, Grover Ewing, B. T. Prewitt, Cross Randall, Dr. and Mrs. P. L. Vardy, John R. Barnes, Elmer Russell, J. W. Moore. There were several children present at the time, including Mrs. Fletcher Carter, the former Daisy Prewitt, Joe Bob Prewitt, Ben Tom Prewitt, Lucy Moore and Randell Warren.

Following the wedding ceremony, the young couple attended a baptizing at Salt Hole near Estelline. Mr. and Mrs. Eddleman make their home in Estelline where he is a stock farmer and

have resided in their present home for 45 years. The house was built in about 1890 by Col. William E. Hughs as a hunting lodge. At the time, the Mill Iron Ranch Headquarters was at 62, well south of Estelline where Mrs. Eddleman was born. Later the house became the home of Bob Green, foreman of Mill Iron Ranch, Mrs. Eddleman's father.

Mr. and Mrs. Eddleman have one child, Miss Nicki Eddleman of Ft. Worth, who is a teacher in the East Handley Elementary School. Miss Eddleman did the arranging and home decorating for her parent's anniversary fête.

Mrs. Gene Lindsey and daughters, Pamela and Mitzie, went to Waco recently where Pamela remained to enter Baylor University. They went by way of Dallas where they visited their mother and grandmother, Mrs. H. B. Gilmore, and other relatives.

NOVEMBER WEDDING PLANNED—Mr. and Mrs. Owen Scoggins of Memphis announce the engagement and approaching marriage of their daughter, Martha Ann, to Benjamin Mack Henson, son of Mr. and Mrs. W. F. (Bill) Henson of Childress. The wedding will be an event of November 11 at 8:00 p. m. at the Assembly of God Church in Memphis. Friends of the couple are cordially invited to attend the wedding.

Mrs. Alfred Moon Is Shower Honoree

On Saturday evening, Sept. 9, the home of Mrs. Robert Spicer, 920 North 17th street, was the scene of a bridal shower honoring Mrs. Alfred Moon, the former Jan Mitchell, of Borger.

Mrs. Spicer welcoming the guests, presented Jan, Mrs. William A. Moon of Perryton, and Mrs. Jess R. Mitchell. Miss Sandy McQueen, niece of Mrs. Moon, registered the guests. The house party included all of Jan's sisters: Mrs. William E. Moss of Dimmitt; Mrs. Henry Lee Solomon of Hereford; and Mesdames Larry McQueen and Loyd Becker of Memphis.

The refreshment table, covered with a white floor-length cloth of net over satin, was centered with a huge bouquet of white chrysanthemums. Blue candles in silver candelabra, blue personalized napkins, blue and white flower rings in the punch accented the bride's chosen colors. Punch, white cake squares topped with blue roses, heart-shaped mints, and nuts were served from lovely crystal and silver appointments by Mrs. Bill Whitten and Miss Cheryl Solomon of Hereford, niece of Mrs. Moon.

The entertainment rooms were profuse with garden flowers and the extensive array of colorful gifts.

Hostesses included Mesdames F. M. Addison, Warren Driver of Littlefield, Ross Gentry, Gayle Greene, Ed Hutcherson, E. L. Kilgore, Leo Koeninger, Floyd McElreath, E. L. McQueen, Ira McQueen, Mona Robertson, Danny Scarbrough, Burl Smith, Clinton Strygley, Tomie M. Tucker, Bill Whitten, and Robert Spicer.

Mr. and Mrs. Holmes Posey returned recently from a vacation trip to Tucson, Phoenix and Flagstaff, Ariz.

FRESH LINE MEANS FRESH FISH

It is a safe idea at the start of every fishing trip to snip off a rod length of your line. This will eliminate any frayed portion and may save you a big fish.

Thanks To Everyone

We, the members of the Executive Committee of the Hall County Picnic Association, want to thank each and every person who contributed their time and money to making the annual picnic a success. We deeply appreciated the fine support from throughout the county and thank the many individuals who helped with the two-day celebration.

Bethel SS Class Enjoys Social In Clark Home

The Bethel Sunday School Class of the First Baptist Church met at 7:30 p. m. Tuesday, Sept. 12 in the home of Mrs. R. E. Clark.

The president, Mrs. H. Scott opened the meeting with a welcome to members and guests.

Mrs. Gene Jorgenson offered prayer after which Mrs. L. G. Rasco brought the devotional from John 5:2-17 with emphasis on the 17th verse, "Jesus answered my Father worketh and I work."

The minutes of the previous meeting were read and reports of other officers were given.

The vice president, Mrs. A. J. Fowler, introduced Mrs. T. L. Rouse who played three musical numbers. The selections were her own compositions with words from the first two taken from poems printed in the Baptist Standard. They were entitled "God's Garden" and "Empty Church Pews." The third poem was "I Believe" by Esta McElrath from her book of poems.

Mrs. H. Hays brought delightful excerpts from the book, "How to Make Yourself Miserable" by Dan Greenburg.

The books points out faults of which all guilty and drive home a truth of which all need, Mrs. Hays said. The fault is worry and the truth is that the things we worry about are usually very trivial. It polks fun at such wor-

Cyclone Skips By Tigers 6-0 Friday

The Memphis Cyclone squad finally put six points on the scoreboard and continued to keep their opponent's scoreboard inactive as they took a 6-0 victory over McLean Tigers.

The all-black uniforms, which the local fans recognized the Cyclone team in warmup on the north end of the field by the activity of the Memphis coaching staff. The local team did not know whether or not the black pants and their new uniform would arrive or not, but delivery was made Thursday.

The helmets of the Cyclone were painted black also with the exception of offensive center Paul Smith who played the game in an all white helmet.

Fans saw a marked difference in the local squad's "hustle" during the game as the Cyclone offensive unit moved in and out of the huddle with rapid precision and ground out 252 yards rushing and seven yards passing, tallying five first downs to McLean's six.

Defensively, after the first quarter drive by the Tigers, the Cyclone defensive unit yielded only two additional first downs, both to passes.

The Cyclone took advantage of a Tiger fumble in the second quarter to set up their scoring drive. Defensive guard Sam Bruce grabbed off the fumble giving Memphis the ball on McLean's 37 yard line.

The scoring drive was a beautifully executed affair which started with a 14-yard carry by TB William Welch for a first down to the McLean 22. From here, FB George Fowler cracked through the line from 9 yards, and then QB Tony Pounds picked up 10 yards more on the quarterback option pitch or run play to the McLean three.

On the next play, HB Gary Rea ran over a McLean linebacker and dove into the endzone for the TD. Jerry Hall tried the point after conversion but McLean's Pat Windom or one of two other boys who busted through got a hand on the ball and deflected it away from the goal posts.

Game at a Glance

The game opened with Memphis' kickoff which McLean's backer Haynes returned to the 37-yard line. McLean made one first down, but then was stopped and punted to the Memphis 6.

From here, the Cyclone marched for two first downs to the McLean 49, only to lose the ball on a fumble. However, the Cyclone got the ball back on a pass interception by James Spruill who took the ball to the McLean 38 before being stopped.

QB Pounds and FB Fowler made a first down to the 28. A third down pass play from Pounds to End Long made another first down to the McLean 17.

From here, the drive fizzled and McLean took over on the Tigers 13-yard line.

The Tigers completed two passes for first downs in the closing minutes of the game, only to lose the ball when Roy Long intercepted a pass on the Memphis 22. The clock ran out with Memphis in possession.

Coach Glascock cited the running of TB Welch and QB Pounds as being outstanding as well as the offensive and defensive line play of Tackle Garvin Speed.

Mr. and Mrs. Hubert Jones took their daughter, Kathy, to Denton Sunday where she enrolled at North Texas State College.

A brilliant second down carry by FB Fowler netted 19 yards to the Cyclone 28. From here, on a third down and two, QB Pounds connected with End Roy Long on a 64-yd. pass play, which was nullified by an off-sides penalty on Memphis. This stopped the drive and Richard Parker booted a 58-yard punt. The punt was fielded near the McLean 10 and a fine punt return carry brought the ball to the mid-field line.

From here, the Tigers put together the only drive of the night, which took them to the Memphis 6-yard line before the Cyclone defense took command.

Taking over on the Memphis 13, the Cyclone marched out to the 46, where Parker was called on to punt. After a punt return the McLean team held the ball on their 31. From here, the fumble occurred which Bruce recovered giving Memphis the ball in good field position.

After the Cyclone TD drive, Pounds kicked off for the local lads and McLean returned the ball to their own 36-yd. line. During the next series, Safety Back Roy Long grabbed off a McLean pass and set the Cyclone up with a first and 10 on the McLean 46.

Good carries by QB Pounds and Gary Rea moved the ball to the McLean 20. Then, an alert McLean defender picked off a pass and the drive was stopped.

McLean chose to punt on the fourth down and Memphis took over on the Cyclone 33. From here good carries by FB Fowler and TB Welch moved the ball down to the McLean 39. A penalty on a major infraction cost Memphis 15 yards and the drive fizzled out. The half ended a few plays later.

In the opening series of plays after the second half opened with Memphis receiving the kickoff. From the 26, three plays netted 10 yards to the 36-yd. line.

On a third down, TB Welch circled left end, cut back across the field and outran Tiger defenders for a 69-yd. gallop, only to have the play nullified by a 15-yd. clipping penalty. This was the second time in the game that scoring plays were nullified.

McLean took over after Parker punted, held the ball for three downs netting four yards, and then elected to punt. Memphis took over on the Cyclone 17.

The Cyclone went for one first down, then punted to McLean's 17. McLean ran three and then punted to Memphis' 36.

From here, the Cyclone marched for two first downs to the McLean 49, only to lose the ball on a fumble. However, the Cyclone got the ball back on a pass interception by James Spruill who took the ball to the McLean 38 before being stopped.

QB Pounds and FB Fowler made a first down to the 28. A third down pass play from Pounds to End Long made another first down to the McLean 17.

From here, the drive fizzled and McLean took over on the Tigers 13-yard line.

The Tigers completed two passes for first downs in the closing minutes of the game, only to lose the ball when Roy Long intercepted a pass on the Memphis 22. The clock ran out with Memphis in possession.

Coach Glascock cited the running of TB Welch and QB Pounds as being outstanding as well as the offensive and defensive line play of Tackle Garvin Speed.

Mr. and Mrs. Hubert Jones took their daughter, Kathy, to Denton Sunday where she enrolled at North Texas State College.

Cousins Home Recipient Of Gifts, Visits

The first of September was a time for celebration for Cousins Home as it was the end of four years of goodwill toward the older citizens of this community. Many persons have been served during this time. We do all that we can to make life more pleasant for each individual, Mrs. Mildred Stephens, Manager, stated.

Mrs. A. B. Jones and Mrs. J. W. Johnson brought watermelons, corn and peas; Mr. and Mrs. L. A. Tucker brought a bushel of peas, Mr. and Mrs. A. H. Jones, a bushel of peas, Albert Bevers watermelon and cantaloupe, J. D. Swift, peaches, Mr. and Mrs. Leonard Braidfoot, squash, Gary McWhorter, watermelon, Mr. and Mrs. G. D. Stephens, tomatoes, and for these things we are grateful.

The little Sunbeams from the First Baptist Church brought the cutest little place favors with a Bible verse, the favors they had made.

Mr. George Withers had his niece, Mrs. Earlene Scott, Boise, Idaho and nephew, Elmer King, from Bremerton, Washington, visit him one day. Mr. and Mrs. Olin Watts visited his mother, Mrs. Maudie R. Watts, most every Sunday.

Mrs. Lizzie Franks was greatly surprised on her 80th birthday when her daughter, Mrs. Myrtle Smith, brought a birthday cake and we served the family dinner in the living room. Those attending were her son, Robert, Big Springs, Mrs. Smith of Big Springs, son Jim of Memphis, her sister, Mrs. E. F. Kluck, San Marcos, Mrs. E. P. Thompson and Edwin, Memphis, and friends calling during the afternoon.

A little later in the month, C. C. Fowler celebrated his 76th birthday with his wife spending the afternoon with him, others here for the occasion were Mrs. Ray Hearn, Mr. and Mrs. J. D. Lockridge, Mr. and Mrs. Rodney Hearn, all of Amarillo.

Mr. Howard Butler says, I am 94 years old and the oldest man in the Country and I'm proud of my years at Cousins Home." Several of his children were here just prior to his birthday to attend the Anthony family reunion. It was a big day for him.

Mr. George Withers was given a big birthday when his sister, Mrs. B. J. Ellerd, brought him a lovely white angel food cake and was he happy? Those helping him celebrate were Mr. and Mrs. Roscoe Ellerd and Mr. and Mrs. Thurman Ellerd. He is 89. Tears came into his eyes when we sang Happy Birthday.

We could not overlook Mrs. Seventy-eight and one of our jolliest patients. Mrs. Watts cheers us often by telling us how much she loves us and we love her an equal amount. Mrs. Watts is blessed by having her daughter, Mrs. Claude Scoggins, employed at the home and seeing her daily. Another daughter, Allie Craig, Dalhart, and Olin Watts visiting her often.

Mrs. Jimmy Don Molloy and Oren Don, Willcox, Ariz., visited the home one day last week. These people enjoyed Oren Don so much and he was just as glad to see them. They love seeing the little ones so much and all commented on how he had grown in 8 months and were amazed at his vocabulary for his two years.

Then we can never say too much about the good choir and Bible message brought to the home on

Sunday and Wednesday evenings. Everyone was delighted to see David Hamblin, pastor of the First morning.

LIBRARY LORE

By Jim Roark

"Old can be used as good as new. The latest is not always the best. While the past is not sacred merely because it is the past, neither is the present to be honored because it is the here and now. Today can be worse than yesterday. Progress can be made by looking back as well as ahead."

San Levenson's "Everything But Money" has been called a love of a book! It is divided into parts: his childhood in the slums of New York; (comparisons of the way he was raised and the way parents raise their children today) and his beliefs on various important subjects of the day. It is a very funny book. It is a serious book. Consider the beginning quote in this review taken from the book. It gives the reader much to think on—especially teachers and parents.

"Generally disregarded by most parents is the simple consideration of the intellectual and emotional needs of the child, and the importance of providing him with an educational environment which will encourage him to deliver his personal message to the world—not theirs."

Mr. Levenson is a well-known T. V. personality, lectures frequently before civic, religious, fraternal, educational and com-

Estelline Bears To Host Northside Fri.

The Estelline Bears, after a shaky first quarter, went on to defeat a Cotton Center team 38 to 12 at Cotton Center last Friday night.

This Friday, the Bears play host to an 8-man team from Northside, in a game Estelline Coach Jimmie Don Adams felt early in the season would be the Bears' toughest. Game time is 8 p. m.

However, the Northside team was defeated by Guthrie last week 48-0. The Northside roster shows eight seniors, several of which weigh in over the 190 figure, and are boys back from the team that gave the Bears a 14-12 defeat last year.

Coach Adams said that if the Northside team has some of their best boys injured, the game may not be as tough for the Bears as he had expected. The Bears have no one on the injury list.

Parents Urged To Attend Cub Scout Pack Meet

Clyde Lee Smith, cubmaster, announced Tuesday that an open meeting will be held on Tuesday night, Sept. 26, at 7:30 o'clock in Travis Cafeteria for the purpose of organizing Pack 35, Cub Scouts for the coming year.

Several men have been named as leaders and committee men for the year 1967-68; however, five more men are needed to fill the pack committee. Men interested in working with the cub scouts should contact Mr. Smith at Smith Auto Store.

The meeting is open to the public and all cubs and parents who are interested are urged to be present at the meeting Tuesday, Mr. Smith stated.

The meeting is not just for Memphis residents, but those from Lakeview, Estelline and Hedley are also invited and urged to attend, Smith said.

Those who have been named to assist with the program are Clyde Lee Smith, who will serve as cub master, C. T. Chappell, ACM, George Williams, ACM; L. M. Wington, Robert Proctor, secretary; E. L. Spruill, Thomas Clayton, pack advisor.

Glynn Thompson Attends Legion Service School

Glynn Thompson, who was recently named as service officer by the Simmons-Noel Legion Post, was in Austin last week where he attended a 5-day American Legion Service School.

TURKEY TURKS TRAVEL TO HART FRIDAY NIGHT

The Silverton Owls behind the power running of Cletus Grady and the bruising play of a big defensive line defeated the Turkey Turks by a score of 6-0 before one of the largest crowds in recent years at Vardy Field last Friday night. It was a hard fought defensive battle all the way as Silverton used their ability to take advantage of a good break to score one quick touchdown, and then made it touch-up for the victory.

Next Friday night the Turks will journey to Hart to play the Longhorns. This should be an evenly matched game as Silverton defeated the Longhorns by a score of 8-0. The Longhorns are small in size but strong in desire. But the Turks are improving each time out and could very well come up with their first victory of the year.

In the contest last Friday, the heroics not all belonged to the Owls, however, as the Turks missed one good opportunity to score as time ran out on them in the first half. The Turks were in the ball game all the way as the win could have gone to either team right up until the final few seconds of the game. The Turks also played a very fine defensive game in the first home game of the season and showed promise for the season ahead.

The first quarter belonged to the Turks as they continued to drive down the field only to lose the ball as they pushed into Silverton territory. The Owls continued to hang on, however, and with approximately seven minutes left in the second quarter received the break they were looking for. Pouncing on a Turk bobble at the midfield stripe the Owls used two quick runs to cross the double stripe with Grady taking a pitchout around left end and going in untouched from the 15-yard line. First try for points after were good by Strange but an offside penalty by the Owls nullified the try. The Turks held on the next try attempt and the score remained 6-0 with 6:23 left in the half.

The Turks received a big break late in the half as they recovered a fumble by the Owls on the 30-yard line with less than one minute remaining. Using a couple of fine runs by Robison and a pass interference call against the Owls the Turks moved the ball to the 10-yard line, but could only get off one more play before the half expired.

On offense the Turks looked good at times with Barnhill, King and Robison picking up fine yardage through good holes opened on the right side by Maxwell, Woods and Salem.

On the defensive side of the ledger, the Turks picked up some brilliant play on the part of a couple of sophomores in David Lane and Rick Moseley. Probably the defensive player of the night for either team was Russell Barnhill from the left end position. Russell picked up three fumbles and continued to play havoc with the Silverton quarterback all night. Also playing strong on defense were James Woods, Tom Salem, Claud Robison and Johnny King.

Memphis B&PW Is Float Winner

The Memphis B. & P. W. Club entered the grand champion float in the 1967 Hall County Picnic parade Saturday, and was awarded the first place trophy by the Memphis Trail Riders, the sponsoring organization.

The B&PW float, featuring local lovelies in evening gowns, was selected for the grand champion prize over 45 entries in the parade, it was announced.

Trophy cups were awarded to Boy Scouts, Troop 35, of Memphis, first place; John C. Chaudoin's pony cart of Estelline, second place; and Sid McElroy's pony cart of Clarendon, third place.

Ribbons were awarded in the following divisions: Floats—First National Bank, first place; Hedley Cotton Festival, sponsored by the Hedley Lions Club with Queen Beverly McPherson Phillips and Princesses Loreta Hill and Judy Leggett riding on it, second place; and Memphis F. H. A., third place.

Car or Cars—first, Ester's Nursery; second, Future Nurses; third, Roddy Waites 1929 truck with the Junior High cheerleaders and others.

Riding Clubs—first, Paducah; second, Childress; third, Hollis.

Miscellaneous—first, General Telephone Co., iron horse; second, Harrison Hardware and John Deere Implement; third, Fabric Mart.

The Memphis Cyclone Band provided music for the parade.

McMurry Elected—(Continued from Page 1) Campbell said, "I also want to express appreciation to Mrs. J. F. McIntush, our co-chairman, for her hard work toward making the concert a success."

"Financially, the Picnic Association made a little money out of the concert," Campbell added.

All in all, the 77th birthday celebration and annual picnic, under the guidance of President V. C. (Zipp) Durrett of Lakeview, was most successful, and the only job remaining is the paying of the bills, the outgoing president reported this week.

Durrett expressed his thanks to all who had a part in making the celebration successful by giving full cooperation and a lot of hard work.
