Football Sweetheart—Pictured above is the Football Sweetheart of the 1967 Cyclone team, Miss Cynthia Evans, (center) who was crowned Monday night by Captain Tony Pounds. Runners-up for the honor are (left) Donna Sims and Lometta Pate. Miss Evans was given an autographed football, as well as the crown. Presents were given to all the young ladies.

## Cynthia Evans Crowned 1967 Football Sweetheart

Memphis mothers of Cyclone football players honored their hands and sons at the annual Father-Son Football Banquet in Travis Cafeteria Monday night.

Mrs. T. O. Pounds, speaking in behalf of the football mothers, welcomed the fathers and their sons to the banquet and gave a special welcome to the coaches, cheerleaders, football sweetheart candidates and special guests.

Serving as master of ceremonies at the banquet was Superintendent of Schools Charley Chambers, who made the introductions of a delicious meal of roast beef, baked potatoes, green beans, salad, hot rolls, dessert and iced coffee was served. Captain Chuck Jennings gave the invocation.

Highlighting the banquet was the crowning of the 1967-68 football sweetheart of Memphis Cyclone team. Candidates for the honor included Donna Sims, Cynthia Evans and Lometta Pate.

Coach Bert Glascock introduced Miss Cynthia Evans as the sweetheart, and Captain Tony Pounds was the tri-captain selected to crown Miss Evans. She was presented with an autographed football, a present, and a crown.

## Cyclone Cagers Are Playing Today in Floydada Basketball Tournament

Memphis cager teams are playing this afternoon at Floydada in the first basketball tournament of the season for the local teams.

The two squads play against the Clarendon girls Tuesday night 47 to 43. Cynthia Evans had 21 points. "Our guards played good defense without fouling and all three forwards were scoring well and were rebounding," the coach said.

The Cyclone found the Bronchos a tough bunch as they lost the encounter 53 to 34. Judge Smith had 12 points and Ronnie McFall had 11 points. "Our boys shot 68 times and hit 16 field goals for a 23 per cent average. We were cold," Lacy reported.

"It's early in the season and I'm not too concerned by losing to the people we have been losing to," he said. "Tony Pounds has been out and will be out of service. We're using a lot of sophomores, three, four or five on the floor all the time. James Fleeks has been traveling with the team in Pounds' absence.

"I feel our young ball club will jell and be real touch," the coach said.

Next Tuesday, the boys travel to Boys Ranch while the girls will not play. On Dec. 8, the local teams will host Hedley players here.

## Cyclone Band Club To Hold Buffet Dinner

A band buffet dinner will be held Sunday, Dec. 3, at the Community Center, Mrs. Ben Moss announced this week. The dinner is being prepared by the Cyclone Band Booster Club.

Tickets are on sale this week and may be purchased from all members of the Memphis band. Those who do not buy tickets prior to the dinner may purchase them at the door Sunday. Adult tickets are \$1.25, children's tickets (under 12 years of age) are 75 cents, and tickets for band members are 75 cents each.

Serving will begin at 11:30 and continue until 2 p. m.

A delicious meal is planned for the occasion, and all food will be home-cooked, Mrs. Moss stated.

Proceeds from the dinner will go toward helping to pay for the new uniforms which were purchased for the band this year.

## Bill Lindsey Resigns As Chief Of Police

Bill Lindsey, who has served as chief of police in Memphis for the past five and one-half months, tendered his resignation to Mayor Kenneth Dale and Alderman Jim Beeson Monday afternoon.

He stated that he had accepted a position with the police department at Midland. His resignation here is effective today (Thursday).

Lindsey expressed his appreciation to the citizens of Memphis for the cooperation which he has received as chief of police. He had served on the police force for a year before being elevated to the top position.

Other members of the department are Mike Nicholson and Reed Hall.

## Santa Claus To Visit Memphis On Dec. 9

Santa Claus will be downtown in Memphis Saturday afternoon, Dec. 9, to greet Hall County children, Clifford Farmer, manager of the Memphis Chamber of Commerce, stated this week.

This is the annual treat sponsored by the local organization for children of the area. Full plans will be announced in next issue of the paper concerning the visit.

As usual, the Memphis Democrat will have a mail box on the courthouse square and the children are asked to bring their letters to Santa Claus and drop them into the box. The letters will be published in the annual Christmas edition.

## Baptist Revival Has Outstanding Personalities Here

The First Baptist Church of Memphis is continuing a week-long Evangelistic Crusade, and, according to the pastor, Rev. Gene Jorgenson, the remaining services will feature several outstanding persons.

He stated that Miss Ann Criswell, whose famous father is pastor of the world's largest Baptist church, First Baptist Church of Dallas, will be guest soloist each night, Thursday through Sunday. Miss Criswell's voice has been described by many critics as one of the greatest in America. Rev. Jorgenson said. She will be guest soloist for the Billy Graham Crusade in Oregon which will begin in a few months. She recently returned from a concert in Chicago where she received outstanding reviews and was highly commended by Paul Harvey, who served as the concert's master of ceremonies. Miss Criswell has also just finished a \$26,000.00 recording with the Ralph Carmichael Symphony Orchestra and the album is being billed by several leading recording companies as, perhaps, the greatest Christian recording ever made. Miss Criswell will sing twice each night for the remainder of the Crusade.

In addition to Miss Criswell, according to Rev. Jorgenson, there is a possibility that Miss June Hunt, daughter of multi-millionaire H. L. Hunt of Dallas, will give her personal testimony in the Friday and Saturday service.

Bob Browning, insurance executive and business man of Arlington, will be taking a part in various services. He will bring the message in the Thursday morning service.

The Crusade is being led by Homer Martinez, international evangelist of Fort Worth, and the Crusade music is under the direction of Bill Anderson of Selma, Alabama.

Martinez is speaking each evening at 7:30 p. m. and each morning, except Saturday, at 10 a. m. On Friday night, he will give the story of his life. On Thursday night Mr. Anderson will present a special program of music. The Sunday services will be at the usual hours, 11 a. m. and 7 p. m.

Rev. Jorgenson and the members of First Baptist Church are extending a cordial invitation to the entire area.

# Despite Weather, Ginning Total Goes Over 33,000

## Quail Season To Begin Here Fri.

Quail hunting in Hall, Briscoe, Childress, Motley and Cottle counties will begin 30 minutes before sunrise, Friday, Dec. 1, and will continue through Jan. 31, 1968, according to information from the Texas Hunting Guide.

The bag limit for these counties will be 12 birds per day and 36 in possession.

Counties north of Hall County began hunting quail on Nov. 11, with many county hunters leaving home to join in the hunts.

Dec. 1 is still the season opening date for Hall County, and a large number of hunters are expected to go into the fields.

Local sportsmen as well as out-of-county hunters are reminded that the trespass law is still in effect as the state law makes it unlawful to hunt, fish or deprecate on enclosed lands without the consent of the owner or the owner's agent.

Hunting licenses are required to hunt quail outside the county of residence or to hunt turkey or deer. The turkey season closed in Hall County on Friday, Nov. 24, and deer season on Sunday, Nov. 26.

Approximately 50 Hall County land owners have offered to lease their land to hunters during the survey conducted recently by a committee of agricultural agencies, and the Memphis Chamber of Commerce is serving as clearing house for prospective clients.

Chamber Manager Clifford Farmer said that the average lease agreement price is 50 cents per acre on annual basis for hunting and fishing privileges.

"We have had inquiries in the past from hunters in the cities to find out if hunting leases were available in Hall County. But, until this program was begun, we always had to say that they were not available. However, now we have a wide variety of leases available," Farmer said.

Many times hunting clubs will sign lease agreements, and the land owner is protected in these agreements for any damage to livestock or structures.

"A lot of the land being offered is prime hunting ranges in the county," Farmer said.

Actually, much of the land is currently under "Posted, No Hunting" signs.

Citizens interested in hunting lease agreements should contact the local Chamber of Commerce office in Memphis for full details. It also would be helpful for those who know of hunting clubs interested in lease agreements to notify these organizations.

## MHS 'Winter Festival' To Be Sat., Dec. 2

The Memphis High School "Winter Festival" will be held Saturday night, Dec. 2, under the sponsorship of the senior class. It was announced this week.

The festival will begin at 7:30 p. m. in the High School Auditorium. Admission will be 75 cents for adults and 50 cents for students. Tickets will be on sale at the door.

Competition between the classes will include such categories as mystery girl and boy, talent, commercial, nursery rhyme and cut-out couple.

Concluding the program will be the crowning of the Winter Festival Queen.

## Democrat Receives First Letter To Santa Claus

The first letter to Santa Claus was received by The Democrat last week, and will be published in the annual Christmas edition of the newspaper Thursday, Dec. 21.

The letter was from Barry Lynn Long, who lives at 1703 Park Lane in Wellington.

With the receipt of the letter, the publisher reminded all readers of The Democrat to plan early mailings of letters to Santa. As is the custom of the newspaper, letters from the young boys and girls will be featured in the annual edition.

Mothers and fathers also are reminded that there are only 20 shopping days until Christmas.

## Cotton Allotment Notices For 1968 To Be Mailed To Farmers Friday

Notices of individual farm cotton allotments and yields for 1968 will be mailed on Friday, Dec. 1, Roy L. Gresham, chairman, Hall County ASC committee, announced today.

Due to a 17-pound per acre reduction in the county average yield for 1968, individual yields will be about six per cent less than in 1967.

All farmers who can prove a higher yield than the yield established for their farm have 15 days to submit proof of production to the county office.

Proven yields will be based on 1964, 1965 and 1966. This year's production will be included in 1969 proven yields.

The chairman declared that the intention is to let farmers know how the allotment program will affect their farms before the referendum on marketing quotas for the 1968 crop.

The referendum will be conducted by mail—ballots may be returned by mail or returned to the county office in person during the period Dec. 4 through Dec. 8. The law requires a favorable vote by at least two-thirds of the growers voting in order to keep marketing quotas in effect.

Application for the sale or lease of 1968 cotton allotments may be filed on or before Jan. 2, 1968, regardless of the outcome of the marketing quota referendum.

Despite light snow, mist and foggy weather which prevailed over the area the first of the week, Hall County gins reported 8,538 bales ginned since the report a week ago. This made a total of 33,333 bales ginned this season as of Thursday morning, according to a telephone survey made by The Democrat.

K. E. Voelkel, officer in charge of the U. S. D. A. Cotton Classing Office here, said today that the office is now fully staffed. With eight classing tables operating, the office can process approximately 4,000 samples a day.

Personnel added since last week include Edgar Korndorfer of New Orleans, La., two clerks, Priscilla Collins and Zee McQueen; and one laborer, Jerry Montgomery.

Through Wednesday night, the classing office had processed 58,000 samples. This compares with 44,000 samples as of the same date last year, Voelkel stated.

"With high yields, good quality and top prices, farmers and ginners of the Eastern Panhandle are well pleased with this year's crop," Voelkel stated.

"What effect, if any, the damp weather of this week will have on cotton grades will not be known until next week," Voelkel explained. "At the present time, the office has over 20,000 samples backlogged which will require about five days work before later samples coming in will be classed."

Based on 22,000 samples classed this week, grades changed very little from the previous week. White grades represented 21 per cent of the classing, 72 per cent were Light Spotted and 7 per cent were Spotted. The chief grades were: 14 per cent Middling, 6 per cent Strict Low Middling, 9 per cent Strict Middling Light Spotted, 58 per cent Middling Light Spotted, 5 per cent Strict Low Middling Light Spotted; and, Middling Spotted, 3 per cent.

The staple length of cotton classed this week varied little from last week with 15-16 inch again the predominant length with 52 per cent. Other lengths were distributed as follows: 29-32 inch, 1 per cent; 31-32 inch, 35 per cent; 1 inch, 8 per cent; 1-1/2 inches, 2 per cent; and 1-1/8 inches and longer 2 per cent.

Micronaire readings (fineness and maturity) were practically the same as last week, and continued reading in the 30 points (Continued on Page 10)

## Turkey Turks To Play In New District 2-B

The Turkey Turks football team will be playing in a new district for the 1968 and the 1969 seasons, it was announced this week.

District 2-B will consist of football teams from Hart, Lazbuddie, Matador, Nazareth and Turkey.

The 1968 schedule calls for the Turks to open the season on Sept. 13 with a home game against Happy; then on Sept. 20 to travel to Silvertown. On Sept. 27, the Turkey will host Lefors, and on Oct. 4 travel to Ropesville. On Nov. 11 Alamo Catholic of Amarillo will visit the Turks at Vardy Field. The last non-district game is between Turkey and Groom at Groom.

District games begin with the Turkey-Lazbuddie contest Oct. 25 at Lazbuddie. Then the Turkey travel to Matador on Nov. 1 before being open a week on Nov. 8. On Nov. 15, Nazareth will visit the Turkey, and on Nov. 22, Hart will play Turkey at Vardy Field.

Coach U. F. Coker said that the list of the District 6-B all-district boys will be released after Chillicothe, the district championship team, finishes with the playoffs.

### More Beautiful Memphis . . . Because!

More beautiful Memphis, Hall County, Texas, will be more beautiful during the Christmas season of 1967 because the citizens of Memphis are encouraged by the Memphis Chamber of Commerce Christmas Lighting Contest to do something special in the way of decorating for the season.

Year in and year out, Memphis has always had beautifully decorated homes during the Christmas season. But during the past few years, throughout the town, more and more homes have been decorated until now every street is like a Christmas wonderland and the favorite pastime of citizens is a leisure drive over our fair city.

The local committee of the Memphis Chamber which works on this project each year is to be commended. Also, our citizens who take the pains and put forth the effort to decorate are to be commended also and encouraged to continue to participate in this traditional and worthwhile decoration program.

Last summer the Chamber's community beautification committee sponsored a home beautification project which lasted for five months and during the time the annual city clean-up campaign was held. Much good came from this effort in making Memphis a cleaner and more healthy place to live, and especially a more attractive city.

The City fathers of Memphis have for a long time discussed the problem of what to do about unsightly and even unhealthy litter which accumulates on private property. Early this month, the City Council passed an ordinance, which is presently in effect, declaring it unlawful to allow water to collect and become stagnant, to allow any carrion, filth or other impure or unwholesome matter to accumulate, to allow weeds, rubbish, brush or any other unsightly, objectionable or unsanitary matter to accumulate or grow on property within the City Limits of the City of Memphis, Texas.

The ordinance provides that the City of Memphis, Texas, may clean and/or clear property within the city limits and charge the expenses of such cleaning and clearing to the property owner or assess such charges against the property.

The Memphis City Council by passing this ordinance acted for the public good and welfare of all our citizens and placed the responsibility of keeping property clean and clear of unsightly and dangerous litter upon the shoulders of the property owners.

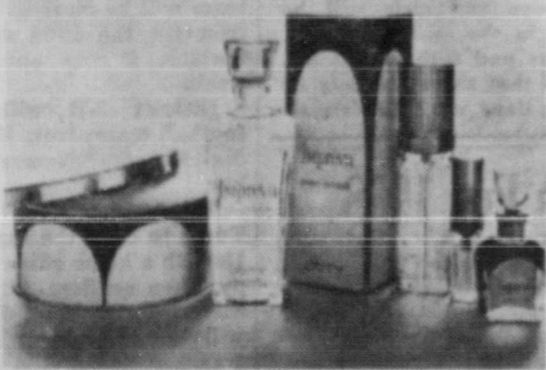

With the passage of this ordinance, the City of Memphis has clear cut rules by which to proceed on matters of this nature, and the end result will be a cleaner, healthier, and more attractive Memphis for our citizens to enjoy. It is a progressive step which has been discussed by civic and chamber leaders for several years and has now been enacted by the Memphis City Council.

Our citizens can therefore look forward to a brighter future of a cleaner and more attractive Memphis because we who live here want it to be so. We predict that the 1967 Christmas Lighting program will be the best yet, and that's saying a lot compared to last year.

### Disconnect The Engine!

One day P. K. Wrigley was riding on a train with a friend and the conversation turned to the chewing gum business. The friend, who had an eye for saving a penny, suggested now that Wrigley chewing gum was so well known and had such a large distribution that it might be wise to disperse with the advertising, save that expense and make that much additional profit. "I could ask the conductor of this train the same question," replied the financial genius. "This train is now going 60 miles per hour, so why not disconnect the engine? Advertising merchandising is what a locomotive is to a train. It is power which keeps it going."

## ACROSS THE DESK

What Other Editors Say

### What's wrong in America?

A few days ago many U. S. daily newspapers published a comprehensive . . . and in many ways, perceptive . . . article compiled by United Press-International reporters captioned "What is Wrong with America?"

The news service writers found much that is wrong and didn't bother to consider the multitude of things that are right . . . and in this sense, we thing their report was far from a fair appraisal . . . but the "wrongs" which they cited certainly bear examination, and the conclusions which they reached about the cause of it all deserve some deep and serious thought.

### Some of the major "wrongs" which the survey cites:

Rioters burn and loot . . . demonstrators defile the flag and curse the President . . . young men answer the call to arms with "Hell no, we won't go!"

Mongers of hate spread their poison . . . teenagers turn to drugs and sex . . . the siren invitation of hate groups of both left and right to desert the American way and embark on a new political philosophy are heard across the land . . . and there is a substantial twilight world of those who have dropped out of the mainstream of American ideals.

Crime is rampant . . . law enforcement seems often to break down and court decisions seem weighted in favor of the criminal . . . and in spite of major legislation in the field of civil rights, race relations seem often to be deteriorating.

"The conclusion," the UPI report declared, "is that America is basically robust but it suffers from some illogical, disruptive ferment. There are, of course, such obvious dissidents as the

angry apostles of Black Power, the draft card burners, the hippies, the haters of the left and right, the drug takers. But lumped together, these non-adherents to the mainstream constitute no more than 10 million persons.

"But what about are other 190 million? They are the vast backbone majority with whom the nation will survive or fall. They conform . . . but they're selfish and indifferent . . . so indifferent, in fact, that it seems fair to call this 'The Age of Apathy.'"

And this, it seems to us, is a fair assessment of what's wrong with the 95 percent of Americans today who are loyal, decent, law-abiding citizens . . . we are too complacent, too comfortable, and we don't want to get involved!

"Never before," say the UPI writers, "has the citizen of any nation been so pulled and hauled, preached at and cajoled, bamboozled and berated, as today's American. He is a nice fellow and he deserves a better fate . . . but what he has to learn is that he personally must take up arms against a sea of troubles, and by opposing, end them."

### Drying The Tackle Box

Next time you get the inside of your tackle box wet and you don't want to completely clean it out (to prevent rust) use your vacuum cleaner. It has a reverse on it that blows air, instead of sucking. Blow air inside the box for a few minutes and watch the moisture dry up.

### Keeps The Wallet Dry

Before going out in a boat or fishing, slip your wallet in a sealed plastic bag and replace it in your pocket. You may get wet but your billfold won't.

1. LTD and XL priced lower than last year! We did it by changing what comes as standard equipment . . . and made it even easier to get what you want. Now LTD comes with a bigger V-8—302 cu. in. XL has a 240-cu. in. Six and a choice of 5 V-8's. Last year you could choose V-8's only. On LTD and XL, 3-speed manual transmission is standard, instead of SelectShift Cruise-Matic—now optional. Vinyl roof on 2-door LTD's and Comfort-Stream Ventilation are optional this year. Choose them now only if you want them. And hidden headlamps, strong die-cast grille are all standard for '68.

2. Fastbacks priced the same as hardtops! Take your choice of full-sized or intermediate models, with no extra charge for fastback styling. See the handsome Torino GT Fastback with the luxury ride of a 116-in. wheelbase (longer than 38 competing intermediate models). Choice of bucket seats or full-width seats for six.

3. Wagons in three sizes—all available with Ford's two-way Magic Doorgate! Only Ford offers so wide a choice—and only Ford offers its Magic Doorgate with every model. It opens down for cargo—opens up for passengers—and it's only one of the many better ideas that make Ford first in wagon sales.

4. Mustang—the one car on the road you can't mistake for any other! The only one to offer you wall-to-wall carpeting, bucket seats, floor-mounted stick shift, functional hood louvers with turn indicators, and sport steering wheel—all standard. ### Oliver Circle Meets For Program Monday, Nov. 20

The Oliver Circle of the First Methodist Church met Monday night, Nov. 20, in the Bronze Room of the First National Bank with Shirley Binkley as hostess.

The program entitled "How Women Help in Youth Courts" was narrated by Dora McQueen with Sue Fowler acting as court consultant; Frankie Howard as court observer; Emma Lou Spruill as Big Sister and Dora McQueen as church woman.

Wanda Messick gave the meditation.

Refreshments of cake and coffee were served to the following: Dora McQueen, Sue Fowler, Emma Lou Spruill, Beulah Martin, Nell Messer, Wanda Hamblin, Peggy Becker, Marilyn Whitten, Frankie Howard, Wanda Messick and hostess, Shirley Binkley.

Mike Cox of Dallas visited with his parents and sister, the J. D. Cox family, during the Thanksgiving holidays.

Many college students visited with relatives and friends in the Estelline community during the Thanksgiving holidays.

Everyone who attended the Homecoming program seemed to enjoy it. Mrs. Leon Helm and her committee planned and executed a wonderful song-and-dance review. Those coming the longest distances were Morris Rogers from California and W. L. Curtis from El Paso. The two oldest students were the elder Mrs. Emory Masterson and Mrs. Lude Edleman, who were in attendance in Estelline School between 1890 and 1910.

# Delphian Club Observes 50th Anniversary Tuesday Evening

A highlight of the social activities last week was the Delphian Club 50th anniversary celebration held Tuesday evening, Nov. 21, in the Community Center.

Approximately 100 guests and club members were present to enjoy the costumed program. Mrs. Henry Hays, as narrator, gave a colorful review of the club's history, highlighted by models wearing apparel of the five eras since the club was organized in 1917. The models represented club presidents of the various eras.

Mrs. Dorothea Clements, president, welcomed guests and greeted the group by reading an original poem. She then gave a short history of the club.

Mrs. Clements stated that the Delphian Society, a national organization, was organized in 1910, in the interest of social progress, higher education, stimulation of thought and self-improvement. In 1917 a group of local women met in the home of Mrs. J. A. Finch to organize a local chapter. Eighteen ladies signed the charter on June 19, 1919.

Six of the charter members are still in the club and were recognized by Mrs. Clements. They included Mrs. W. C. Dickey, Mrs. J. L. Barnes, Mrs. J. S. McMurry, Miss Maud Milam, Mrs. R. H. Wherry and Mrs. J. W. Stokes.

Breaking the club's history down into 10-year periods, Mrs. Hays cleverly narrated the events of each era giving highlights of national history and styles as well as the local club history.

**First Decade**  
In the decade of 1917-1927, Mrs. Dickey first served as presi-

dent. That year the name was changed from Delphian Chapter to Delphian Club. The chief objective during those early years was the educational loan fund.

To raise money for the project the ladies sold tickets to a Chautauqua and entered a cooking exhibit at the county fair. Mrs. Clyde Smith represented Mrs. Dickey wearing an elegant wool coat suit with long lines, six-button jacket with exquisite satin embroidery all around the lower part of the jacket and on the lapels. The suit was completed with a black velvet hat with a soft draped crown.

Mrs. J. L. Barnes was the next to serve during this decade. That was the first year the club formulated their own programs. Each club member furnished a chicken, cake and pie each day of the county fair. Proceeds went to the loan fund. A lyceum course was sponsored and tickets were sold.

Mrs. Barnes was represented by Mrs. Frank Finch wearing a wool walking suit. The long coat had insets of green crepe de chine and bands of embroidery on the long sleeves. Mrs. J. S. McMurry was the last president of the decade. An outstanding event of the year was a luncheon in honor of the District Federated Club presidents by the club women of Memphis. The luncheon was held in the new Memphis Hotel. The loan fund amount had now grown to \$1436.00.

Mrs. McMurry was represented by Mrs. Kenneth Dale who wore a lovely white handkerchief linen dress which belonged to Mrs. McMurry's mother-in-law. The rows and rows of lace down the front of the blouse extending down the front of the skirt were of pure linen lace. With it, Mrs. Dale wore a black silk cummerbund and a black cameo pin.

**Period from 1927 to 1937**  
Miss Maud Milam was the first president to serve in the decade 1927-37. The theme for that year was a travelogue in which the members traveled from the North Pole to the Holy Land. The club won a \$10.00 prize in the cooking exhibit at the fair.

One of the most lasting achievements was the planting of eight trees at West Ward School in honor of eight former Delphian presidents. Those trees are still standing.

Miss Milam was represented by Mrs. Roddy Bice who wore a charming red satin dress designed and worn by Miss Milam. It had the long waist look with box pleats. Multi-color embroidery was inset all the way down the front of the blouse.

Mrs. Roy Guthrie was the next to serve. That year a talk on "Good Roads" was brought by Mrs. D. L. C. Kinard. That also was the year that Alice Baker Hill and Marie Barber used the loan fund. Mrs. Guthrie later won the first place in Texas in the Look Magazine Teacher of the Year contest.

Mrs. Guthrie was represented by Mrs. Finch wearing a black plush evening coat with shawl collar and ragland sleeves with tassels hanging from them. Under this, she wore a formal black dinner dress.

When Mrs. R. H. Wherry served as president, America was in the deepest part of the depression. That was the year of the greatest service of the loan fund. Eighteen students were helped to attend college that year.

Mrs. Wherry was represented by Mrs. C. C. Hodges who was wearing a heavy crepe dress with full length cuffed sleeves.

## History from 1937 to 1947

Mrs. A. Anisman served as president during the first part of the decade 1937-1947. During her year, the garden was added to the Delphian plot in the City Park with members doing the work.

Mrs. Anisman was represented by Mrs. Neal Hindman who wore a crepe dress with softly draped sleeves and overskirt.

When Mrs. Jack Boone was president there were no formal meetings of the club. Instead, members met each week and did Red Cross work. They made bandages, knitted socks, sweaters, mittens and made complete layettes.

Mrs. Boone represented herself wearing a gray taffeta cocktail dress with V neckline, front and back, and the long waist-look.

Mrs. C. C. Hodges served as president after the close of World War II. An outstanding program was presented by Mrs. Millard Word and Mrs. Elmer Kandroth. This year saw the revival of an annual tea honoring the new women of the town.

Mrs. Hodges represented herself wearing a three-piece red velvet suit. The fullness of the short jacket was gathered to a band at the waist line.

## Years 1947-1957

During the early part of 1947-1957, Mrs. Henry Hays served as president. The highlight of that year was the hosting of old District Seven by the club members.

Mrs. Gaylen Ariola represented Mrs. Hays wearing a button down front jacket fitted at the waist line and flaring slightly in the style that was in vogue at that time. The skirt was slightly suggestive of the A line skirt popular today.

Mrs. Lynn McKown was the next president of this decade. Her program, "Growing Better Timber," won first place in the district for that year. The scrap book for that year also won second place.

Mrs. McKown was represented by Mrs. Billy Combs who wore a sapphire taffeta dress. Soft chiffon covered the waist and the sleeves. She wore matching shoes and carried a matching bag.

Mrs. J. W. Stokes concluded this decade with her theme "Spotlight on America." This year past presidents were honored at a tea observing the club's 33rd anniversary.

Mrs. Stokes was represented by Mrs. Jack B. Boone who wore a fur collared suit just coming into style at this time.

## 1957 to 1967

Mrs. C. D. Morris served as president during the early part of the 1957 to 1967 decade. An annual custom of providing shoes and clothing to a needy school child was established. Mrs. Morris won district teacher of the year that year.

Mrs. Morris represented herself wearing a suit of wine wool gabardine with long fitted jacket buttoned down the front.

Mrs. Mildred Stephens served as the next president. Her most outstanding work was the Delphian Christmas Tour of Homes which was the highlight of the Christmas season for several years. Mrs. Stephens was later District Clubwoman of the year.

Mrs. Stephens was represented by Mrs. Billy Lockhart who wore a chemise style dress, popular at that time.

Mrs. Joe Bob Browning was the next president. The Delphian Club sponsored a display at the Hall County Diamond Jubilee and took a tour of Hall County's only Historical Medallion Home, the Barbee home at Lakeview.

Mrs. Browning represented herself wearing a two-piece charcoal gray knitted suit.

Mrs. Sim Reeves served as president next with the theme for her year, "The American Idea of Freedom." The club was hostess for a tea honoring Santa Rosa District President Mrs. Grundy. Plans to contribute to L. V. N. scholarship were also made.

Mrs. Reeves represented her-

**DELPHIAN CLUB MODELS**—Adding flavor to the Delphian Club 50th anniversary program were the costumed models, who represented presidents of the club since its organization 50 years ago. Some of the costumes were worn by the presidents during their term of office and all the costumes were the fashion of the time the presidents were in office. Models pictured above, left to right, include Mrs. C. D. Morris, Mrs. Clyde Smith, Mrs. Bill Combs, Mrs. Neal Hindman, Mrs. Roddy Bice, Mrs. Jack B. Boone, Mrs. Kenneth Dale, Mrs. F. A. Finch and Mrs. Jack Boone.

## Former Citizens Play With New Symphony Orch.

The newly-organized Grand Prairie Symphony Orchestra, under the direction of Ernest Rager, performed its premiere concert Nov. 20, in the High School Auditorium in Grand Prairie. Rager is the son-in-law of Mr. and Mrs. Robert Duncan of Memphis.

Mrs. Rager, the former Brenda Duncan, played in the orchestra and performed on piano during one of the selections, "Carnival of the Animals" by Saint-Saens.

The orchestra is composed of 55 musicians from Grand Prairie and the Dallas-Ft. Worth area. Other selections played were: "Fanfare for the Common Man" by Aaron Copeland, "Letter from home" by Aaron Copeland, "Finlandia" by Sibelius, "Donkey Serenade" by Friml, "Orpheus in the Underworld" by Offenbach, and selections from "The Sound of Music" by Rodgers and Hammerstein.

Mrs. Dorothy Duncan and Mrs. Chamberlain from Memphis attended the concert.

Capital expenditures by the Texas petro-chemical industry total about \$5 billion.

Mrs. Clements represented herself wearing a tunic dress of brown and black with orange scarf at the neckline. The tunic was lined with orange silk.

At the conclusion of the modeling, the members and guests sang "Happy Birthday" to the club.

A musical background for the entire program was furnished by Mr. and Mrs. R. S. Patrick.

**Social Hour**  
A social hour followed the program. Birthday cake and coffee or tea were served from an attractively laid table. A decorated birthday cake and a gold candelabra holding gold tapers also adorned the table.

Plate favors were gold wrapped individual boxes of candy, a gift from Parsons-Lockhart Pharmacy.

**Part-time Xmas Employees Need S. S. Number**

Area residents who plan to work part-time during the Christmas season are urged to get their social security number now if they do not have one, Travis C. Briggs, manager of the Amarillo office, said this week.

Since employers need to see a new employee's social security card before he goes on duty, getting the card late could cause a delay in starting to work, or result in missing a job opportunity.

Women who have changed their names due to marriage should complete a Request for Change in Social Security Records form. They will be issued a duplicate social security card which will show their new name and their original number. The social security office can issue the duplicate card immediately if the old card is presented with the application.

If the employer has the correct name and number, workers can be sure all wages paid them are properly credited to their social security account. All social security benefits are based on what is on the employee's record.

The post office has a supply of needed forms to get an original social security number, or to change the name on a card.

## Christmas Capers To Be Presented Sunday Afternoon

An all-girl program entitled "Christmas Capers" will be presented Sunday afternoon, Dec. 3, in the auditorium of the First Baptist Church by students of Betty Stewart.

The program will begin at 2 p. m. and will feature girls ranging in age from seven to eleven years. A variety of holiday music has been prepared for the enjoy-

## New Publication On Soil Care Has Been Released

Maintaining the capacity of soil to produce food is one of the main objectives of a national conservation program, according to the newest publication of the Soil Conservation Service, "American Land."

Stopping sediment that is filling streams and reservoirs, planning for orderly urban expansion and community development, and providing new outdoor recreational facilities are other objectives.

The booklet points out that America's farmers are producing food more efficiently than anywhere else in the world and the cause of this, this nation has the highest standard of living anywhere.

Quite a bit of the high production, however, comes at a cost in tons of soil washed from the land. Much soil and water conservation work is still needed on the nation's farm and ranch lands. And that which is already in effect needs constant care and flexibility to adapt to changing technology.

Copies of this publication may be obtained from the Memphis Unit of the Soil Conservation Service, which provides professional and technical help to landowners and operators in Hall County Soil and Water Conservation District.

Those who will participate are Kathy Chambless, Debbie Jackson, Carol Moore, Cindy Cummings, Holly Roden, Jana Dug...

More than 400 different products are produced from Tennessee petrochemical plants.

**RECEIVES AWARD**—Army Sp. 4 Michael L. Crow is shown receiving the Army Commendation Medal with "V" device during ceremonies after he returned to the states from the Republic of Vietnam. Crow was home on leave from Ft. Hood, Texas, recently bringing this U. S. Army Photograph, two Purple Heart Awards and the Army Commendation Medal home with him. He is the son of Mr. and Mrs. Henry Crow of Memphis.

### Army Sp. 4 Michael Crow Is Awarded Commendation Medal In Viet Action

Army Specialist 4th Class Michael L. Crow, son of Mr. and Mrs. Henry Crow of Memphis, who is presently stationed at Fort Hood, Tex., has been decorated while serving in Vietnam.

Besides receiving two Purple Heart awards, Crow has received the Army Commendation Medal with "V" device for heroism during combat action Feb. 26, 1967, during Operation Junction City. Crow was then a PFC and serving as a tank driver.

Company B, 2nd Battalion of the 1st Armored had been serving as a convey escort and had stopped when returning to camp to reconnoiter an area of suspected Viet Cong activity when Crow's tank

was hit by insurgent recoilless rifle fire. The loader was badly wounded by the enemy rocket. After rendering first aid to his comrade, PFC Crow took over the loader's position to return fire on the Viet Cong. When another tank moved up to join the fight, Crow completely disregarded his personal safety and unhesitatingly exposed himself to intense hostile small arms and automatic weapons fire to help lift the wounded man clear of the vehicle and to help carry the casualty to cover where a medical aidman administered aid to the wounded man, the General Orders from the 1st Infantry Division stated.

Sp. 4 Crow also received two Purple Heart awards, the first after he was wounded on Nov. 19, 1966, and the second on Feb. 15, 1967.

Crow returned to the states last summer after a few days over 10 months in the Republic of Vietnam.

Visiting over the Thanksgiving holidays with their parents and grandparents, Mr. and Mrs. Lamar West, were three of their sons and their families, Mr. and Mrs. Gayle West and son Larry of Amarillo, Mr. and Mrs. Lloyd West and son Charles of Lubbock and Mr. and Mrs. Bennie West and children of Lubbock. They left for their homes Wednesday.

# Gus Orcutt To Head Estelline Ex-students

The fifteenth annual Estelline Homecoming was held Saturday, Nov. 25, in the Estelline school.

Registration began at 9 a. m. with Harold Burk and the senior class in charge. Visitation, coffee, exhibits and art displays in the Homemaking Cottage with Mrs. L. A. Tucker in charge were enjoyed.

The general assembly was called to order by the president, Harlen Hood, at 10:30 a. m. The invocation was given by James McMinn. A welcome was given to the ex-students by David Haynie, superintendent of the Estelline school. Major Jack Helm gave the response for the ex-students. Joe Allen Ballard presented Uncle Pete Rigby as "The Man of the Year" for the 15th annual Homecoming. The meeting was then recessed for lunch which was served by the senior class.

The afternoon session opened at 1:30 p. m. with an entertainment program of old songs and dances starting with the year 1900 through the year 1967, directed by Mrs. Leon Helm. The Honor Class of 1937 was then recognized by the president. All other classes were then recognized with the classes of 1930 to 1940 receiving the plaque. Teachers and ex-teachers also were given recognition. Eight of the 10 present hold perfect homecoming

attendance records. Morris Rogers of California and W. L. Curtis of El Paso were recognized as ex-students traveling over a distance of 500 miles. Mrs. Arthur Eddleman was named as the oldest ex-student.

During the business session, the following officers were elected: president, Gus Orcutt; vice president, Arthur Eddleman; secretary, Jo Davidson; Assistant secretary, Bobby Fowler; and treasurer, Betty Ferrel.

The time for the homecoming was set for the Saturday after Thanksgiving each year. The minutes were then read by Harold Burk. It was announced that a total of 138 registered for the season. The memorial service for 1967 was given by Patty Nivens and the meeting was then closed with the benediction given by Rev. Elmer Ward.

## TV Program To Feature Girl Scout President

Mrs. Holton R. Pierce, Jr., President of Girl Scouts of the U.S.A., will make a guest appearance on the Mike Douglas TV show to be televised December 5, on Channel 4.

The new look in Girl Scouting and the changes we're making to keep step with a changing world are among the topics Mrs. Pierce will discuss with Mike Douglas.

Girl Scout sequences are scattered throughout the 90-minute program. During the first hour, there will be a folk-rock rendition of "Follow the Piper" by a new music combo, called the Forum Quorum, and a discussion about the new look in Girl Scouting. The final half-hour will include a sequence featuring Senior Girl Scouts from the Philadelphia area, and some information about the piper project, according to Mrs. C. L. Chambliss, acting neighborhood chairman for Memphis.

**Mr. and Mrs. Leon Meyer Present Culture Club Program November 15**

The Women's Culture Club met Nov. 15 in the home of Mrs. G. E. Roper for the annual guest day program with hostesses, Mrs. R. Clark and Miss Sybil Gurley. The president, Mrs. Swift, welcomed the guests and members present. The topic for the day was "Now Is the Time To Give Thanks" with the quotation from Hale—"Throughout the history and breadth of our great nation, let Thanksgiving give us a sense of home and of country, thankfulness to God, and peace between brethren."

Mrs. Ward Gurley introduced Mrs. Leon Meyer who presented an interesting program in song and scripture.

The program was opened with "Pledge of Allegiance"; "My Faith"; "A Just 'He Touched Me'"; "The End of Time"; "Eternal" and the scripture taken

from Psalms 100. They closed with "The Lord's Prayer" by Mollette. Mr. Meyer brought the true thought that we each need to "Count Our Blessings" every day and not wait for one day each year.

Refreshments of a lovely salad plate, cake squares in the club colors of purple and gold, and coffee were served to guests: Mr. and Mrs. Leon Meyer, Mmes. J. E. Roper, W. F. McElreath, Earl Pritchett, G. M. Duren and Holt Bownds; and members: Mmes. L. G. Cox, Cliff Farmer, Jeanette Irons, Ward Gurley, Theo. Swift, R. E. Clark, L. G. Rasco, G. T. Moss, and Misses Alma Bruce, Esta McElreath and Sybil Gurley.

The next meeting of the club will be the Christmas tree Dec. 15 in the home of Mrs. L. G. Rasco.

**Atalantean Club Has Americanism Program Wed.**

The Atalantean Club met Nov. 15 at 3 p. m. in the home of Mrs. Myrtis Phelan with Mrs. D. A. Neeley as cohostess.

The president, Mrs. W. R. Scott, presided during the business session. Members voted to meet at 3:30 p. m. for the remainder of the club year.

Following the Pledge to the U. S. Flag and Texas Flag, Mrs. Glynn Thompson, program chairman, introduced the Americanism program. Mrs. Thompson gave highlights of "Preparing Thanksgiving Dinner 50 Years Ago."

Mrs. Scott gave "The American's Creed," followed by "Thanksgiving Proclamations" by Mrs. Bryan Adams. Mrs. Adams gave the first Thanksgiving Proclamation by William Bradford, and President Johnson's Thanksgiving Proclamation in 1966.

"History of Uncle Sam" was given by Mrs. N. A. Hightower, and "American Indians" by Mrs. Henry Foster.

Delicious refreshments were served to Mmes. Bryan Adams, Earl Allen, Milton Beasley, Jr., K. B. Chick, W. C. Dickey, H. B. Estes, Henry Foster, Eddie Foxhall, N. A. Hightower, L. C. Martin, Kenneth Parker, W. R. Scott, Danny Scarbrough, Glynn Thompson, C. W. Kinslow, and hostesses, Mrs. Phelan and Mrs. Neeley.

**One Star Gas Home Economist Presents Program Monday, Nov. 20**

"Bells of Christmas" was the theme for the program Monday evening, Nov. 20, at the local high school Homecoming Dept. presentation of One Star Gas Home Economist Miss Pat Harrington, as she shared many unique ideas for decorating and packaging holiday

pot covers, wide pink satin ribbon and pink silk balls for clappers, she said. It was used again to complete the 21 of varying shapes and sizes.

Ranging from a two-cup carafe filled with instant spiced tea, to a collector's cup with loaded with cranberry clusters, the program also featured a measuring cup containing frosted fudge; a cheese box of clear plastic bearing a felt mouse with jingle bell necktie concealing hot-n-tots, a tangy entree; yarn tied paper sacks, which had been made of shelf paper over a shoe box base holding Highland flings. The same Scotch plaid was glued to an empty nut can to provide a canister for Baked Date Dandies; a novel tomato yeast bread was shaped into a man's large hat with a plastic turntable brim sporting another bell. Bishop's Bread baked in No. 303 cans attractively arranged on cardboard trays covered with left-over gift wrappings. Particularly for children were hand-sized Jolly Jumbo cookies combined on cardboard with yarn stems and leaves to create a flower garden effect.

As a grand finale, recipe pamphlets were distributed by Miss Harrington and punch or coffee was served to the following: Mmes. James Semrad, Jerry Montgomery, Jack Montgomery, Jerry Hassell, Elisel Chavez, Benny Godfrey, Gordon Maddox, Raymond Whitten, Bobby Ward, Carl Wood, Lore Ferguson, James Lange, Kenneth Bachman, B. J. Gilbert, Gene Lindsey, Cabbler, and Elaine Phillips, Carol Godfrey, Susan Godfrey, Janie Lopez, Dominga Lopez, Hilaria Lopez, Geraldine Cabbler, Barbara Johnson, Lu Gay Godfrey, Renee Wood, Susan Goodnight, Heine Hargrove, Carolyn Sparks, Gloria Narvaez and Mrs. Milton Beasley.

In a brief business meeting of the Young Homemakers prior to the program, a Christmas bake sale was voted for Friday, Dec. 15.

### Suzette Smithee Is Feted With Shower In Home Of Mrs. Lee Brown Saturday

The home of Mrs. Lee Brown, 814 Harrison, was the scene on Saturday evening for a lovely pre-nuptial shower given to compliment Miss Suzette Smithee, bride-elect of Steve Miller.

Guests who called between the hours of 7:30 and 9 p. m. were greeted by Fredna Winters and presented to the receiving line composed of the honoree, Miss Smithee, her mother, Mrs. W. A. Smithee, and the mother of the groom-to-be, Mrs. James O. Miller.

Miss Cathy Dale presided at the register to secure signatures of more than 70 guests who called during the receiving hours.

The bride-elect's chosen colors of red and white were noted in party decorations. The serving table was laid with a lovely floor-length white organdy cloth and centered with an epergne of red roses flanked by lighted red tapers. Table appointments were in silver.

Alternating at serving during the evening were these members of the house party: Kathy Jones, Mary Ann Lemons, Laura Sue Moss, Connie Bradshaw and Cindy Gresham.

A lovely array of gifts were on display in two rooms of the party suite. Display tables were covered in white and decorated with hand-made satin roses.

Miss Smithee and Mr. Miller will be married in a holiday wedding here at the First Methodist Church December 30. They are both students at Sam Houston State College, Huntsville.

Hostesses for the courtesy included Mmes. Lee Brown, L. F. Jones, Gerald Hickey, Wanda Webster, T. O. Pounds, A. L. Gailley, Wendell Harrison, Roy Gresham, C. D. Bradshaw, Jr., Hubert Jones, Ben Moss, Allen Dunbar, and Herschel Combs.

### Guess Arrives; But Too Late To Enter Ginning Contest

A postcard picturing a beautiful skyline view of Memphis, Tenn., arrived in K. E. Voelkel's mail this week. The card was addressed to Mr. Voelkel, Memphis Cotton Classing Office, and listed an estimate of 37,770 bales to be produced in Hall County this year.

The card was from Mrs. Vernon James, 4360 Hill Dr., Memphis. Mr. Voelkel brought the card directly to the office, but arrived after the contest closed. It is hoped that Mrs. James will continue to read The Democrat and send her guess earlier for the 1968 contest.

Funeral services for Mr. Taylor were held at 2 p. m. today (Thursday) in Creston. Surviving other than his sister here, are two sons and one sister.

## YOUR COUNTY AGENT SAYS

### CAREFUL TRANSPORTATION OF CALVES CAN ADD TO PRODUCER'S PROFITS

Careful handling of new feeder calves can add to the cattle producer's profits, reminds County Agent W. B. Hooser.

Before new calves arrive, prepare good facilities with a well-fenced corral and wet ground to keep dust down where possible. The calves will be dehydrated from the trip and water should be on hand for them. Hooser suggests using large stock tanks, well cleaned and refilled before the shipment arrives.

A reliable trucker should haul the animals and avoid overloading. The trucker must provide proper bedding and in cold, wet weather cover the truck to protect the calves from chill.

Make the trip as short as possible and do not over excite the calves in loading and unloading, Hooser says.

After the calves arrive on the ranch, handle them as little as possible. Dehorning, castrating and branding can wait for several days. Hooser says that high quality grass hay and fresh water should be available and the temperatures be taken of any animals that do not appear alert or that cough. Any animal with a temperature over 103 degrees should be isolated and treated.

This early treatment of the animals may mean the difference between losing animals or saving them. If the sick animals are not treated, they may recover but never gain satisfactorily.

When a sick animal is found, have a prepared area where it can be separated from the group. It is well to have this area sheltered to give added protection. When separating the animals, work them as quietly as possible to avoid the chances of respiratory complications.

After carefully checking all new stock and giving them several days rest, they can be treated for internal and external parasites and joined with the herd.

Mrs. L. G. Yarbrough returned Monday after spending the Thanksgiving holidays with two of her daughters. In Saint Louis she visited with Mr. and Mrs. T. F. Erekringe and family and in Oklahoma City she visited with Mr. and Mrs. Jack Miller.

**Ammonia Stops Sting**  
Creatures like wasps, yellow jackets and red ants are a hazard in camp. Carry along a small bottle of ammonia. A quick dab on a sting neutralizes much of the acid and cuts down on the pain.

### Despite Weather— (Continued from Page 1)

premium range of 3.5-4.9 with 80 per cent. Readings 3.4 and below represented 15 per cent of the classing, and 5.0 and above showed 5 per cent.

Pressley strength tests conducted in cooperation with the Cotton Research Committee of Texas, continued to show strong fiber for this area of the state. Mills have indicated that cotton testing 75,000 pounds per square inch and above is the most desirable. Seventy-one (71) per cent of the cotton tested during the week was in the groupings 75,000 psi and above, with 29 per cent showing 74,000 psi and below.

The cotton market continued active during the week, with prices received by farmers higher for some predominant qualities than most active markets in this section of the state. The average prices paid for cotton with 3.5-

4.9 mike readings were: Middling 15-16, 20.00; Middling 31-32, 23.65; Strict Middling Light Spotted 15-16, 20.25; Middling Light Spotted 15-16, 19.95; and Middling Light Spotted, 31-32, 22.15. Cottonseed was bringing the farmers \$57 per ton at most gin points.

### Cynthia Evans— (Continued From Page 1)

possibly is one of the finest passers in the history of Memphis High. Tony's passing, coupled with the running ability of the Cyclone backfield, gave this year's team an almost perfect balance which led them to a 7-2-1 record and second place in the district. In three years as quarterback, Pounds threw 174 complete passes, 183 incomplete, and had 20 interceptions. He is the son of Mr. and Mrs. T. O. Pounds.

Richard Parker, a senior utility man for the Cyclone, was named the Fighting Heart of the team by Editor Combs. The team's cen-

terlinebacker on defense, and an offensive end and tackle, as well as the team's punter, Parker's play on the field was always aggressive.

The recipient of the fighting heart award was ineligible to play on the squad last season as a junior, but during the 1967 season he stepped into the lineup and did an outstanding job. Richard is the son of Mr. and Mrs. Kenneth Parker.

After the presentation of the awards, Combs told the team, "you narrowly missed recapturing the championship crown but it is always harder to win a championship the second year. As far as I am concerned, the 1967 Cyclone team is one of the finest to wear the gold and black of the Cyclone."

Coach Glascock, following the presentation, cited HB Gary Ren as being "Mr. Cyclone" of the squad in a verbal salute to the 140-pound senior halfback who was the team's leading offensive gainer. The local coach also cited

Jerry Jeffers, senior for his contribution to the team during our sessions and for his aggressive spirit.

"I could go on all night," coach said.

Supt. Chambless showed a collection of cartoons on Coach Glascock which were well received by those present, and the audience enjoyed "1966 Southwest Conference Highlights" by Humble & Refining Company, a color film.
